Senators Constantine, King, Posey, Smith and Clary moved the following amendment to Senate Amendment (144778) to House Amendment (154855):

**Senate Amendment (with title amendment)**

On page 122, between lines 16 & 17,

insert:

(k)1. Any waterport or marina development is exempt from the provisions of this section if the relevant county or municipality has adopted a boating facility siting plan or policy which includes applicable criteria, considering such factors as natural resources, manatee protection needs and recreation and economic demands as generally outlined in the Bureau of Protected Species Management Boat Facility Siting Guide, dated August 2000, into the coastal management or land use element of its comprehensive plan. The adoption of boating facility siting plans or policies into the comprehensive plan is exempt from the provisions of s. 163.3187(1). Any waterport or marina development within the municipalities or counties with boating facility siting plans or policies adopted prior

Bill No. CS for SB's 1906 & 550, 1st Eng.

Amendment No. \_\_\_\_ Barcode 510718

1 to April 1, 2002 are exempt from the provisions of this  
2 section, when their boating facility siting plan or policy is  
3 adopted as part of the relevant local government's  
4 comprehensive plan.

5 2. Within six months of the effective date of this  
6 law, the Department of Community Affairs, in conjunction with  
7 the Department of Environmental Protection and the Florida  
8 Fish and Wildlife Conservation Commission, shall provide  
9 technical assistance and guidelines, including model plans,  
10 policies and criteria to local governments for the development  
11 of their siting plans.
