A bill to be entitled

An act relating to Medicaid services; providing coverage for certain organ-transplant services; providing an effective date.

Be It Enacted by the Legislature of the State of Florida:

Section 1. Subject to the availability of funds and subject to any limitations or directions provided for in the General Appropriations Act or chapter 216, Florida Statutes, the Agency for Health Care Administration Medicaid program shall pay for medically necessary organ transplant services for any recipient who has progressive lung disease that developed before the recipient was 21 years old.

Section 2. This act shall take effect July 1, 2002.

SENATE SUMMARY

Provides that, subject to the availability of funds, the Agency for Health Care Administration Medicaid program shall pay for organ transplant services for a recipient who has progressive lung disease that developed before age 21.
