Senator Miller moved the following amendment:

Senate Amendment (with title amendment)

On page 2, between lines 11 and 12,

insert:

Section 2. For the purpose of computing the required local effort for each district, the Department of Education shall exclude from the district's total nonexempt assessment roll the assessed value of professional sports franchise facilities certified under section 288.1162(4), Florida Statutes, and owned by units of local government as defined in section 218.369, Florida Statutes. Revenue received by a local school board from ad valorem taxes paid by a local unit of government for publicly owned professional sport franchise facilities certified under section 288.1162(4), Florida Statutes, shall be used for transportation infrastructure improvements designed for the safe and efficient transportation of children to and from schools, such as, but not limited to, sidewalks, bikeways, turn lanes, intersection improvements, traffic signalization, or road widening within 2

Bill No. SB 2410

Amendment No. ____ Barcode 392370

1 miles of a school. The school board shall select the projects
 2 to be funded; however, the first priority shall be given to
 3 projects required as the result of new school construction.
 4 This section may not be construed to expand or limit the
 5 responsibilities of a school district or unit of local
 6 government for transportation infrastructure improvements
 7 required by law.
