15 Be It Enacted by the Legislature of the State of Florida:

16  
17 Section 1. This act may be cited as the "New Product  
18 Transfer Enhancement Act."

19 Section 2. Section 288.1172, Florida Statutes, is  
20 created to read:

21 288.1172 Licensing of products or technologies by  
22 donor companies to receiving companies; credits and use  
23 thereof.--

24 (1) The purpose of this section is to promote economic  
25 growth by providing an incentive for corporations which have  
26 developed or patented products or technologies they do not  
27 wish to develop further to license those items to companies  
28 located in Florida for production and marketing.

29 (2) As used in this section:

30 (a) "Annual statement of donor credit" means the  
31 statement produced by the Department of Revenue for each donor

1 company listing the total amount of credit available to the  
2 donor company for all of the product development agreements it  
3 has entered into. This statement shall also include any  
4 additional information specified in the product development  
5 agreement.

6 (b) "Annual statement of fees due" means the statement  
7 submitted by the receiving company to the Department of  
8 Revenue each year, which lists the amount of fees and  
9 royalties owed by it under the product development agreement  
10 to the donor company for the preceding tax year which it has  
11 paid to the department. This statement shall also contain any  
12 additional information specified in the product development  
13 agreement and shall contain a copy of the product development  
14 agreement.

15 (c) "Donor company" means an entity subject to the tax  
16 imposed by chapter 220 which has developed or holds the patent  
17 for a product or technology that it does not wish to develop  
18 itself and which has entered into a product development  
19 agreement.

20 (d) "Product development agreement" means a contract  
21 or series of contracts which provides the receiving company  
22 with the right to produce and market a product or technology  
23 which was developed or patented by the donor company.

24 (e) "Receiving company" means a business operating in  
25 this state which has entered into a product development  
26 agreement for the purpose of obtaining the right to produce  
27 and market a product or technology from a donor company.

28 (3) To qualify under this section, a product  
29 development agreement shall specify that a minimum of 75  
30 percent of the jobs created by the production of the new  
31 product or technology shall be located in this state. In

1 addition, the agreement shall specify the amount of  
2 compensation to be remitted by the receiving company for the  
3 license, and the type of credit the donor company has elected  
4 to receive. The agreement shall further provide for submission  
5 by the receiving company of an annual statement of fees due to  
6 both the Office of Tourism, Trade, and Economic Development  
7 and the Department of Revenue and shall specify the  
8 information to be included in the statement.

9       (4) Each receiving company shall submit an annual  
10 statement of fees due to the Department of Revenue within 30  
11 days after filing its corporate income tax return for this  
12 state for the preceding tax year, in a format developed by the  
13 department. The department shall be responsible for producing  
14 an annual statement of donor credit for each donor company  
15 using the information contained in the statements. The donor  
16 credit for each donor company shall equal 94.5 percent of the  
17 total of the amounts specified in the annual statements of  
18 fees due from all receiving companies with which it has  
19 entered into a product development agreement. In any year the  
20 total amount of credits granted under all annual statements of  
21 donor credit shall not exceed 94.5 percent of the amount due  
22 to the state under all annual statements of fees due.

23       (5) The Department of Revenue shall send the annual  
24 statement of donor credit to each donor company within 90 days  
25 after the receipt of the annual statement of fees due. These  
26 statements shall contain the information specified by the  
27 product development agreement. The department shall specify,  
28 in a format developed by the department, the amount of credit  
29 due to each donor company based upon the funds paid to the  
30 department by the receiving company for the preceding tax  
31 year, the identities of the receiving companies from which

1 those credits originated, and the type of credit the donor  
2 company has elected to receive.

3 (6) The donor company may elect to apply the amount  
4 specified in the annual statement of donor credit as a  
5 corporate income tax credit under s. 220.1825, as a payment to  
6 a state university's division of sponsored research under  
7 subsection (8), or as a purchase price refund under subsection  
8 (9). In no case shall the combined benefits exceed the amount  
9 specified in the annual statement of donor credit.

10 (7) A donor company which is providing funding for  
11 sponsored research at a state university in this state may  
12 elect to use its donor credit to fund such research. If the  
13 donor company elects to apply its donor credit in this manner,  
14 it shall submit this request to the Department of Revenue on a  
15 form approved by the department. At a minimum, the form shall  
16 specify the donor company, the research being sponsored, and  
17 the state university at which the research is being conducted.  
18 The Department of Revenue shall then request the Office of the  
19 Comptroller to transfer to the appropriate university's  
20 division of sponsored research the amount shown on the donor  
21 company's annual statement of donor credit. The Office of the  
22 Comptroller and the Department of Revenue may promulgate rules  
23 to implement this subsection.

24 (8) A donor company shall be eligible to receive a  
25 reimbursement for the purchase price paid on the purchase of  
26 machinery and equipment which is installed in a Florida  
27 manufacturing facility, or for the building materials used in  
28 the construction or rehabilitation of a Florida manufacturing  
29 facility. This reimbursement shall be limited to the amount  
30 shown on the annual statement of donor credit which the donor  
31 company has elected to apply as a purchase reimbursement.

1 Application for such reimbursement shall be made on a form  
2 approved by the Department of Revenue and accompanied by any  
3 supporting documentation required by the department. The  
4 Department of Revenue may promulgate rules to implement this  
5 subsection.

6 Section 3. Section 220.115, Florida Statutes, is  
7 created to read:

8 220.115 Fees due from receiving companies pursuant to  
9 s. 288.1172.--In addition to the tax imposed by this chapter,  
10 any company which has entered into a product development  
11 agreement pursuant to s. 288.1172 as a receiving company shall  
12 remit to the state the funds listed as paid to the state on  
13 the annual statement of fees due which the company has  
14 submitted to the Department of Revenue. Even if no tax is due  
15 under this chapter and a return would not normally be  
16 required, a Florida corporate income tax return shall be filed  
17 by the receiving company, and the funds to be listed on the  
18 annual statement of fees due shall be remitted to the  
19 department, subject to all filing requirements, fines, and  
20 penalties specified for returns and taxes due under this  
21 chapter. The department may adopt rules requiring the  
22 information it considers necessary to ensure that the funds  
23 due under this section are properly reported and paid,  
24 including, but not limited to, rules relating to the methods,  
25 forms (including returns to be filed by the receiving  
26 companies), deadlines, and penalties for providing the  
27 information required under this section.

28 Section 4. Section 220.1825, Florida Statutes, is  
29 created to read:

30 220.1825 Credit for donor companies pursuant to s.  
31 288.1172.--A credit against the tax imposed by this chapter

2 product development agreement pursuant to s. 288.1172, and  
3 which has elected to apply its donor credit as a corporate  
4 income tax credit. Such credit shall be limited to 94.5  
5 percent of the amount stated in the annual statement of fees  
6 due submitted to the Department of Revenue by the receiving  
7 companies. If any credit granted under this section is not  
8 fully used in the first year for which it becomes available,  
9 the unused amount may be carried forward for a period not to  
10 exceed 5 years. The Department of Revenue may adopt rules  
11 relating to the method of reporting and claiming this credit.

12 Section 5. Subsection (8) of section 220.02, Florida  
13 Statutes, is amended to read:

26 Section 6. Paragraph (d) of subsection (6) of section  
27 212.20, Florida Statutes, is amended to read:

28 212.20 Funds collected, disposition; additional powers  
29 of department; operational expense; refund of taxes

6 1. In any fiscal year, the greater of \$500 million,  
7 minus an amount equal to 4.6 percent of the proceeds of the  
8 taxes collected pursuant to chapter 201, or 5 percent of all  
9 other taxes and fees imposed pursuant to this chapter or  
10 remitted pursuant to s. 202.18(1)(b) and (2)(b) shall be

23 distributed pursuant to s. 218.65.

24 5. For proceeds received after July 1, 2000, and after  
25 the distributions under subparagraphs 1., 2., 3., and 4., 2.25

 4 is at least as great as the amount due from the Revenue  
 5 Sharing Trust Fund for Municipalities and the Municipal  
 6 Financial Assistance Trust Fund in state fiscal year

 9 the Municipal Financial Assistance Trust Fund in state fiscal  
 10 year 1999-2000. If the total proceeds to be distributed are

 21 part shall be distributed to each county. The distribution  
 22 among the several counties shall begin each fiscal year on or  
 23 before January 5th and shall continue monthly for a total of 4

 27 district school board, special district, or a municipal

 30 covenants with holders of bonds or other instruments of  
 31 indebtedness issued by local governments, special districts,

1 or district school boards prior to July 1, 2000, that it is  
 2 not the intent of this subparagraph to adversely affect the  
 3 rights of those holders or relieve local governments, special  
 4 districts, or district school boards of the duty to meet their  
 5 obligations as a result of previous pledges or assignments or  
 6 trusts entered into which obligated funds received from the  
 7 distribution to county governments under then-existing s.

 17 training franchise" pursuant to s. 288.1162; however, not more  
 18 than \$208,335 may be distributed monthly in the aggregate to

 20 franchise. Distributions shall begin 60 days following such

 23 allow an applicant certified pursuant to s. 288.1162 to  
 24 receive more in distributions than actually expended by the  
 25 applicant for the public purposes provided for in s.  
 26 288.1162(6). However, a certified applicant is entitled to  
 27 receive distributions up to the maximum amount allowable and

 29 and improvements to the facility for the franchise without  
 30 additional certification.
