Senator Campbell moved the following amendment:

**Senate Amendment (with title amendment)**

Delete everything after the enacting clause

and insert:

Section 1. Each county or municipal public library that makes available for public use computer on-line service, Internet service, or local bulletin-board service shall install and maintain computer software or equivalent technology on any computer that is made available to persons under 18 years of age which prohibits access to materials that contain obscene descriptions, photographs, or depictions. If the library has only one computer available for public use, the installation of such software or technology shall be within the discretion of the library.

Section 2. In accordance with section 18, Article VII of the State Constitution, the Legislature finds that the installation and maintenance by public libraries of computer software or equivalent technology that prohibits access by persons under 18 years of age to obscene materials fulfills an
