25 engaged in intrastate commerce are subject to the rules and  
26 regulations contained in 49 C.F.R. parts 382, 385, and  
27 390-397, with the exception of 49 C.F.R. s. 390.5 as it  
28 relates to the definition of bus, as such rules and  
29 regulations existed on October 1, 2001 ~~March 1, 1999~~.

30 (8) For the purpose of enforcing this section, any law  
31 enforcement officer ~~Any agent~~ of the Department of

1 Transportation or its agent, or any other law enforcement  
2 officer specified in s. 316.640 who holds a current  
3 safety-inspector certification from the Commercial Vehicle

19 ~~vehicle or the driver's records. Any person who fails to~~  
20 ~~comply with an officer's request to submit to an inspection~~  
21 ~~under this subsection is guilty of a violation of s. 843.02 if~~  
22 ~~the driver resists the officer without violence or a violation~~  
23 ~~of s. 843.01 if the driver resists the officer with violence.~~  
24 If the vehicle or driver is found to be operating in an unsafe  
25 condition, or if any required part or equipment is not present  
26 or is not in proper repair or adjustment, and the continued  
27 operation would probably present an unduly hazardous operating  
28 condition, the officer may require the vehicle or the driver,  
29 or both, to be removed from service under the North American  
30 Uniform Out-of-Service Criteria until the condition has been  
31 corrected. However, if continuous operation would not present

1 an unduly hazardous operating condition, the officer may give  
2 written notice requiring correction to require proper repair  
3 and adjustment of the condition vehicle within 14 days.

4 (a) Any member of the Florida Highway Patrol, or any

7 laws of this state pursuant to s. 316.640, who has reason to  
8 believe that a vehicle or driver is operating in an unsafe  
9 condition may, as provided in subsection (10), enforce the  
10 provisions of this section.

11 (b) Any person who fails to comply with an officer's  
12 request to submit to an inspection under this subsection is  
13 guilty of a violation of s. 843.02 if the driver resists the  
14 officer without violence or of a violation of s. 843.01 if the  
15 driver resists the officer with violence.

16 Section 3. Present subsections (6) and (7) of section  
17 316.535, Florida Statutes, are redesignated as subsections (7)  
18 and (8), respectively, and amended, and a new subsection (6)  
19 is added to that section, to read:

20 316.535 Maximum weights.--

21 (6) Dump trucks, concrete mixing trucks, trucks  
22 engaged in waste collection and disposal, and fuel oil and  
23 gasoline trucks designed and constructed for special-type work  
24 or use, when operated as a single unit, are subject to all  
25 safety and operational requirements of law, except that any  
26 such vehicle need not conform to the axle-spacing requirements  
27 of this section if the vehicle's total gross load, including  
28 the weight of the vehicle, does not exceed 20,000 pounds per  
29 axle plus scale tolerances and does not exceed 550 pounds per  
30 inch width tire surface plus scale tolerances. A vehicle  
31 operating pursuant to this section must not exceed a gross

1 weight, including the weight of the vehicle and scale  
2 tolerances, of 70,000 pounds. Any vehicle that violates the  
3 weight provisions of this section shall be penalized as  
4 provided in s. 316.545.

5 (7)~~(6)~~ The Department of Transportation shall adopt  
6 rules to implement this section, shall enforce this section

9 to inform the public.

10 (8)~~(7)~~ Except as otherwise hereinafter provided, a no  
11 vehicle or combination of vehicles which exceeds ~~exceeding~~ the  
12 gross weights specified in subsections (3), (4), ~~and (5), and~~  
13 (6) may not ~~shall be permitted to~~ travel on the public  
14 highways within the state.

15 Section 4. Paragraph (a) of subsection (2) and  
16 paragraph (a) of subsection (4) of section 316.545, Florida  
17 Statutes, are amended to read:

18 316.545 Weight and load unlawful; special fuel and  
19 motor fuel tax enforcement; inspection; penalty; review.--

20 (2)(a) Whenever an officer, upon weighing a vehicle or  
21 combination of vehicles with load, determines that the axle  
22 weight or gross weight is unlawful, the officer may require  
23 the driver to stop the vehicle in a suitable place and remain  
24 standing until a determination can be made as to the amount of  
25 weight thereon and, if overloaded, the amount of penalty to be  
26 assessed as provided herein. However, any gross weight over  
27 and beyond 6,000 pounds beyond the maximum herein set shall be  
28 unloaded and all material so unloaded shall be cared for by  
29 the owner or operator of the vehicle at the risk of such owner  
30 or operator. Except as otherwise provided in this chapter, to  
31 facilitate compliance with and enforcement of the weight

1 limits established in s. 316.535, weight tables published  
2 pursuant to s. 316.535(7)~~s. 316.535(6)~~ shall include a  
3 10-percent scale tolerance and shall thereby reflect the  
4 maximum scaled weights allowed any vehicle or combination of  
5 vehicles. As used in this section, scale tolerance means the  
6 allowable deviation from legal weights established in s.  
7 316.535. Notwithstanding any other provision of the weight  
8 law, if a vehicle or combination of vehicles does not exceed  
9 the gross, external bridge, or internal bridge weight limits  
10 imposed in s. 316.535 and the driver of such vehicle or  
11 combination of vehicles can comply with the requirements of  
12 this chapter by shifting or equalizing the load on all wheels  
13 or axles and does so when requested by the proper authority,  
14 the driver shall not be held to be operating in violation of  
15 said weight limits.

16 (4)(a) A ~~No~~ commercial vehicle, as defined in s.  
17 316.003(66), may not ~~shall~~ be operated over the highways of  
18 this state unless it has been properly registered under ~~the~~  
19 ~~provisions of~~ s. 207.004. If ~~whenever~~ any law enforcement  
20 officer identified in s. 207.023(1), upon inspecting the  
21 vehicle or combination of vehicles, determines that the  
22 vehicle is in violation of s. 207.004, a penalty in the amount  
23 of \$50 shall be assessed, and the vehicle may ~~shall~~ be  
24 detained until payment is collected by the law enforcement  
25 officer.

26 Section 5. Subsection (31) is added to section  
27 334.044, Florida Statutes, to read:

28 334.044 Department; powers and duties.--The department  
29 shall have the following general powers and duties:

30 (31) In order to fulfill the department's mission to  
31 provide a safe and efficient transportation system, the

1 department's Office of Motor Carrier Compliance may employ  
2 sworn law enforcement officers, certified in accordance with  
3 chapter 943, to enforce the traffic and criminal laws of this  
4 state. Such officers have full law enforcement powers granted  
5 to other peace officers of this state, including the power to  
6 make arrests, carry firearms, serve court process, and seize  
7 contraband and the proceeds of illegal activities. Officers  
8 appointed under this section have the primary responsibility  
9 for enforcing laws relating to size and weight of commercial  
10 motor vehicles; safety, traffic, tax, and registration of  
11 commercial motor vehicles; contraband interdiction; and  
12 violations that threaten the overall security and safety of  
13 this state's transportation infrastructure and the motoring  
14 public. The division may also appoint part-time or auxiliary  
15 law enforcement officers under chapter 943 and may provide  
16 their compensation in accordance with law.

17 Section 6. Section 337.025, Florida Statutes, is  
18 amended to read:

19 337.025 Innovative highway projects; department to  
20 establish program.--The department is authorized to establish  
21 a program for highway projects demonstrating innovative  
22 techniques of highway construction, maintenance, and finance  
23 which have the intended effect of controlling time and cost  
24 increases on construction projects. Such techniques may  
25 include, but are not limited to, state-of-the-art technology  
26 for pavement, safety, and other aspects of highway  
27 construction and maintenance; innovative bidding and financing  
28 techniques; accelerated construction procedures; and those  
29 techniques that have the potential to reduce project life  
30 cycle costs. To the maximum extent practical, the department  
31 must use the existing process to award and administer

1 construction and maintenance contracts. When specific  
2 innovative techniques are to be used, the department is not  
3 required to adhere to those provisions of law that would  
4 prevent, preclude, or in any way prohibit the department from  
5 using the innovative technique. However, prior to using an  
6 innovative technique that is inconsistent with another  
7 provision of law, the department must document in writing the  
8 need for the exception and identify what benefits the  
9 traveling public and the affected community are anticipated to  
10 receive. The department may enter into no more than \$120  
11 million in contracts annually for the purposes authorized by  
12 this section. However, the annual limitation on contracts  
13 which is provided in this section does not apply to turnpike  
14 enterprise projects, nor may turnpike enterprise projects be  
15 counted toward the department's annual limitation.

16 Section 7. Effective July 1, 2003, section 337.107,  
17 Florida Statutes, as amended by section 3 of chapter 2001-350,  
18 Laws of Florida, is amended to read:

20 department may enter into contracts pursuant to s. 287.055 for  
21 right-of-way services on transportation corridors and  
22 transportation facilities or the department may include  
23 right-of-way services, as defined in this section, as part of  
24 the design-build contracts awarded pursuant to s. 337.11.  
25 Right-of-way services include negotiation and acquisition  
26 services, appraisal services, demolition and removal of  
27 improvements, and asbestos-abatement services.

5           (3)

6           (c) No advertisement for bids shall be published and  
7 no bid solicitation notice shall be provided until title to  
8 all necessary rights-of-way and easements for the construction  
9 of the project covered by such advertisement or notice has  
10 vested in the state or a local governmental entity, and all  
11 railroad crossing and utility agreements have been executed.

12 The turnpike enterprise is exempt from this paragraph with  
13 respect to a turnpike enterprise project.Title to all

14 necessary rights-of-way shall be deemed to have been vested in  
15 the State of Florida when such title has been dedicated to the  
16 public or acquired by prescription.

17           (6)

18           (c) When the department determines that it is in the  
19 best interest of the public for reasons of public concern,  
20 economy, improved operations or safety, and only when  
21 circumstances dictate rapid completion of the work, the  
22 department may, up to the threshold amount of \$120,000

23 ~~provided in s. 287.017 for CATEGORY FOUR, enter into contracts~~  
24 ~~for construction and maintenance without advertising and~~  
25 ~~receiving competitive bids. However, if legislation is enacted~~  
26 ~~by the Legislature which changes the category thresholds, the~~  
27 ~~threshold amount shall remain at \$60,000.~~The department may  
28 enter into such contracts only upon a determination that the  
29 work is necessary for one of the following reasons:

30           1. To ensure timely completion of projects or  
31 avoidance of undue delay for other projects;

1           2. To accomplish minor repairs or construction and  
2 maintenance activities for which time is of the essence and  
3 for which significant cost savings would occur; or

4           3. To accomplish nonemergency work necessary to ensure  
5 avoidance of adverse conditions that affect the safe and  
6 efficient flow of traffic.

7  
8 The department shall make a good faith effort to obtain two or  
9 more quotes, if available, from qualified contractors before  
10 entering into any contract. The department shall give  
11 consideration to disadvantaged business enterprise  
12 participation. However, when the work exists within the limits  
13 of an existing contract, the department shall make a good
