Section 1. Subsections (3) and (4) of section 232.61, Florida Statutes, are amended to read:

232.61 Governing organization for athletics; adoption of bylaws.--

(3) The organization shall adopt bylaws that require all students participating in interscholastic athletic competition or who are candidates for an interscholastic athletic team to satisfactorily pass a medical evaluation each year prior to participating in interscholastic athletic competition or engaging in any practice, tryout, workout, or other physical activity associated with the student's candidacy for an interscholastic athletic team. Such medical evaluation can only be administered by a practitioner licensed under the provisions of chapter 458, chapter 459, chapter 460, or s. 464.012, and in good standing with the practitioner's

1 regulatory board. The bylaws shall establish requirements for  
2 eliciting a student's medical history and performing the  
3 medical evaluation required under this subsection, which shall  
4 include minimum standards for the physical capabilities  
5 necessary for participation in interscholastic athletic  
6 competition as contained in a uniform preparticipation  
7 physical evaluation form. The evaluation form shall provide a  
8 place for the signature of the practitioner performing the  
9 evaluation with an attestation that each examination procedure  
10 listed on the form was performed by the practitioner or by  
11 someone under the direct supervision of the practitioner. The  
12 form shall also contain a place for the practitioner to  
13 indicate if a referral to another practitioner was made in  
14 lieu of completion of a certain examination procedure. The  
15 form shall provide a place for the practitioner to whom the  
16 student was referred to complete the remaining sections and  
17 attest to that portion of the examination. The  
18 preparticipation physical evaluation form shall include a  
19 statement advising students to complete a comprehensive  
20 cardiovascular assessment which may include, but not be  
21 limited to, an electrocardiogram. Practitioners administering  
22 medical evaluations pursuant to this section must know the  
23 minimum standards established by the organization and certify  
24 that the student meets the standards. If the practitioner  
25 determines that there are any abnormal findings in the  
26 cardiovascular system, the student may not participate unless  
27 a subsequent EKG or other cardiovascular assessment indicates  
28 that the abnormality will not place the student at risk during  
29 such participation. Results of such medical evaluation must be  
30 provided to the school. No student shall be eligible to  
31 participate in any interscholastic athletic competition or

1 engage in any practice, tryout, workout, or other physical  
2 activity associated with the student's candidacy for an  
3 interscholastic athletic team until the results of the medical  
4 evaluation verifying that the student has satisfactorily  
5 passed the evaluation have been received and approved by the  
6 school.

7 (4) Notwithstanding the provisions of subsection (3),  
8 a student may participate in interscholastic athletic  
9 competition or be a candidate for an interscholastic athletic  
10 team if the parent or guardian of the student objects in  
11 writing to the student undergoing a medical evaluation because  
12 such evaluation is contrary to his or her religious tenets or  
13 practices. A student who participates without the required  
14 medical evaluation pursuant to this subsection shall not have  
15 a cause of action against any person or entity for any injury  
16 or other damages suffered by such student arising out of the  
17 student's participation, unless the injury or damages are  
18 caused by gross negligence, recklessness, or intentional  
19 misconduct., provided that no person or entity shall be held  
20 liable for any injury or other damages suffered by such  
21 student.
