Representative(s) Farkas and Fasano offered the following:

Amendment (with title amendment)

remove: Everything after the enacting clause

and insert:

Section 1. (1) Effective July 1, 2002, all powers, duties, functions, records, personnel, property, and unexpended balances of appropriations, allocations, and other funds of the Agency for Health Care Administration that relate to consumer complaint services, investigations, and prosecutorial services currently provided by the Agency for Health Care Administration under a contract with the Department of Health are transferred to the Department of Health by a type two transfer, as defined in s. 20.06(2), Florida Statutes. This transfer of funds shall include all advance payments made from the Medical Quality Assurance Trust Fund to the Agency for Health Care Administration.

(2)(a) Effective July 1, 2002, 279 full-time equivalent positions are eliminated from the Agency for Health Care Administration's total number of authorized positions.

1 Effective July 1, 2002, 279 full-time equivalent positions are
2 authorized for the Department of Health, to be added to the
3 department's total number of authorized positions. However,
4 should the General Appropriations Act for fiscal year
5 2002-2003 reduce the number of positions from the practitioner
6 regulation component at the Agency for Health Care
7 Administration, that provision shall be construed to eliminate
8 the full-time equivalent positions from the practitioner
9 regulation component which is hereby transferred to the
10 Department of Health, thereby resulting in no more than 279
11 positions being eliminated from the agency and no more than
12 279 positions being authorized to the department.

13 (b) All records, personnel, and funds of the consumer
14 complaint and investigative services units of the agency are
15 transferred and assigned to the Division of Medical Quality
16 Assurance of the Department of Health.

17 (c) All records, personnel, and funds of the health
18 care practitioner prosecutorial unit of the agency are
19 transferred and assigned to the Office of the General Counsel
20 of the Department of Health.

21 (3) The Department of Health is deemed the successor
22 in interest in all legal proceedings and contracts currently
23 involving the Agency for Health Care Administration and
24 relating to health care practitioner regulation. Except as
25 provided herein, no legal proceeding shall be dismissed, nor
26 any contract terminated, on the basis of this type two
27 transfer. The interagency agreement between the Department of
28 Health and the Agency for Health Care Administration shall
29 terminate on June 30, 2002.

23 approved by other entities.

24 Section 5. Subsection (19) of section 456.057, Florida
25 Statutes, is amended to read:

8 entity is not liable in tort or contract for providing the
9 records to a validly appointed custodian.

10 Section 6. Subsection (7) is added to section 456.072,
11 Florida Statutes, to read:

12 456.072 Grounds for discipline; penalties;
13 enforcement.--

14 (7) In addition to any other discipline imposed
15 through final order or citation entered on or after July 1,
16 2002, pursuant to this section or for a violation of any

18 board, shall require, in appropriate cases, any licensee who

25 (3)(a) Whenever the department receives a written or
26 oral legally sufficient complaint alleging that a licensee
27 under the jurisdiction of the Division of Medical Quality

29 misuse or abuse of alcohol or drugs, or both, or due to a
30 mental or physical condition which could affect the licensee's
31 ability to practice with skill and safety, and no complaint

1 against the licensee other than impairment exists, the
2 reporting of such information shall not constitute grounds for
3 discipline pursuant to s. 456.072 or the corresponding grounds
4 for discipline within the applicable practice act if the
5 probable cause panel of the appropriate board, or the
6 department when there is no board, finds:

7 1. The licensee has acknowledged the impairment
8 problem.

9 2. The licensee has voluntarily enrolled in an
10 appropriate, approved treatment program.

11 3. The licensee has voluntarily withdrawn from
12 practice or limited the scope of practice as required by the
13 consultant, in each case, until such time as the panel, or the
14 department when there is no board, is satisfied the licensee
15 has successfully completed an approved treatment program.

16 4. The licensee has executed releases for medical
17 records, authorizing the release of all records of
18 evaluations, diagnoses, and treatment of the licensee,
19 including records of treatment for emotional or mental
20 conditions, to the consultant. The consultant shall make no
21 copies or reports of records that do not regard the issue of
22 the licensee's impairment and his or her participation in a
23 treatment program.

24 5. The licensee has voluntarily notified his or her
25 patients of the requirements imposed by s. 456.057(11) on a
26 records owner who is terminating practice, retiring, or
27 relocating and is no longer available to patients.

28 Section 8. Paragraph (b) of subsection (1) of section
29 456.0375, Florida Statutes, is amended to read:

30 456.0375 Registration of certain clinics;

6 pursuant to chapter 390, chapter 394, chapter 395, chapter
7 397, chapter 400, chapter 463, chapter 465, chapter 466,
8 chapter 478, ~~chapter 480~~, or chapter 484.

10 U.S.C. s. 501(c)(3), as well as all public college and
11 university clinics.

12 3. Sole proprietorships, group practices,

14 services by licensed health care practitioners pursuant to
15 chapters 457, 458, 459, 460, 461, 462, 463, 466, 467, 480,
16 484, 486, 490, 491, or part I, part III, part X, part XIII, or
17 part XIV of chapter 468, or s. 464.012, which are wholly owned
18 by licensed health care practitioners or the licensed health
19 care practitioner and the spouse, parent, or child of a
20 licensed health care practitioner, so long as one of the
21 owners who is a licensed health care practitioner is
22 supervising the services performed therein and is legally
23 responsible for the entity's compliance with all federal and
24 state laws. However, no health care practitioner may supervise
25 the delivery of health care services beyond the scope of the
26 practitioner's license. Nothing in this section shall be
27 construed to prohibit a health care practitioner from
28 providing administrative or managerial supervision for
29 personnel purposes.

30 4. Massage establishments licensed pursuant to s.
31 480.043 so long as the massage establishment is only providing

1 massage as defined in s. 480.033(3) and no other medical or

8 which the disciplinary actions specified in subsection (2) may
9 be taken:

10 (aa) Performing ~~or attempting to perform~~ health care
11 services on the wrong patient, a wrong-site procedure, a wrong
12 procedure, or an unauthorized procedure or a procedure that is
13 medically unnecessary or otherwise unrelated to the patient's
14 diagnosis or medical condition. For the purposes of this
15 paragraph, performing ~~or attempting to perform~~ health care
16 services includes the preparation of the patient.

17 (bb) Leaving a foreign body in a patient, such as a
18 sponge, clamp, forceps, surgical needle, or other
19 paraphernalia commonly used in surgical, examination, or other
20 diagnostic procedures, unless leaving the foreign body is
21 medically indicated and documented in the patient record. For
22 the purposes of this paragraph, it shall be legally presumed
23 that retention of a foreign body is not in the best interest
24 of the patient and is not within the standard of care of the
25 profession, unless medically indicated and documented in the
26 patient record ~~regardless of the intent of the professional.~~

27 Section 10. Subsection (7) is added to section 631.57,
28 Florida Statutes, to read:

29 631.57 Powers and duties of the association.--

30 (7) Notwithstanding any other provision of law, the

3 defined in s. 624.604.

4 Section 11. Subsections (22) through (33) of section
5 395.002, Florida Statutes, are renumbered as subsections (23)
6 through (34), respectively, and a new subsection (22) is added
7 to said section to read:

8 395.002 Definitions.--As used in this chapter:

9 (22) "Medically unnecessary procedure" means a
10 surgical or other invasive procedure that a reasonable
11 physician, in light of the patient's history and available
12 diagnostic information, would not deem to be indicated in
13 order to treat, cure, or palliate the patient's condition or
14 disease.

15 Section 12. Subsection (7) of section 394.4787,
16 Florida Statutes, is amended to read:

17 394.4787 Definitions; ss. 394.4786, 394.4787,
18 394.4788, and 394.4789.--As used in this section and ss.
19 394.4786, 394.4788, and 394.4789:

20 (7) "Specialty psychiatric hospital" means a hospital
21 licensed by the agency pursuant to s. 395.002(30)~~(29)~~ as a
22 specialty psychiatric hospital.

23 Section 13. Subsection (5) is added to section
24 395.0161, Florida Statutes, to read:

25 395.0161 Licensure inspection.--

26 (5)(a) The agency shall adopt rules governing the
27 conduct of inspections or investigations it initiates in
28 response to:

29 1. Reports filed pursuant to s. 395.0197.

30 2. Complaints alleging violations of state or federal
31 emergency access laws.

1 3. Complaints made by the public alleging violations
2 of law by licensed facilities or personnel.

3 (b) Such rules shall set forth the procedures to be
4 used in such investigations or inspections in order to protect
5 the due process rights of licensed facilities and personnel
6 and to minimize, to the greatest reasonable extent possible,
7 the disruption of facility operations and the cost to
8 facilities resulting from such investigations.

9 Section 14. Subsections (2), (14), and (16) of section
10 395.0197, Florida Statutes, are amended to read:

11 395.0197 Internal risk management program.--

12 (2) The internal risk management program is the
13 responsibility of the governing board of the health care
14 facility. Each licensed facility shall utilize the services of
15 ~~hire~~ a risk manager, licensed under s. 395.10974, who is
16 responsible for implementation and oversight of such
17 facility's internal risk management program as required by
18 this section. ~~A risk manager must not be made responsible for~~
19 ~~more than four internal risk management programs in separate~~
20 ~~licensed facilities, unless the facilities are under one~~
21 ~~corporate ownership or the risk management programs are in~~
22 ~~rural hospitals.~~

23 (14) The agency shall have access, as set forth in
24 rules adopted pursuant to s. 395.0161(5), to all licensed
25 facility records necessary to carry out the provisions of this
26 section. The records obtained by the agency under subsection
27 (6), subsection (8), or subsection (10) are not available to
28 the public under s. 119.07(1), nor shall they be discoverable
29 or admissible in any civil or administrative action, except in
30 disciplinary proceedings by the agency or the appropriate
31 regulatory board, nor shall records obtained pursuant to s.

Amendment No. ____ (for drafter's use only)

1 456.071 be available to the public as part of the record of
2 investigation for and prosecution in disciplinary proceedings
3 made available to the public by the agency or the appropriate
4 regulatory board. However, the agency or the appropriate
5 regulatory board shall make available, upon written request by
6 a health care professional against whom probable cause has
7 been found, any such records which form the basis of the
8 determination of probable cause, except that, with respect to
9 medical review committee records, s. 766.101 controls.

10 (16) The agency shall review, as part of its licensure
11 inspection process, the internal risk management program at
12 each licensed facility regulated by this section to determine
13 whether the program meets standards established in statutes
14 and rules, whether the program is being conducted in a manner
15 designed to reduce adverse incidents, and whether the program
16 is appropriately reporting incidents under this section. Only
17 a risk manager licensed under s. 395.10974 and employed by or
18 under contract with the agency may conduct inspections to
19 determine whether a program meets the requirements of this
20 section. Such determination shall be based on that level of
21 care, skill, and judgment which, in light of all relevant
22 surrounding circumstances, is recognized as acceptable and
23 appropriate by reasonably prudent similar licensed risk
24 managers. By July 1, 2004, the agency shall employ or contract
25 with a minimum of three licensed risk managers in each
26 district to conduct inspections pursuant to this section.

27 Section 15. Paragraph (b) of subsection (2) of section
28 465.019, Florida Statutes, is amended to read:

31 are established:

Amendment No. ____ (for drafter's use only)

1 (b) "Class II institutional pharmacies" are those
2 institutional pharmacies which employ the services of a
3 registered pharmacist or pharmacists who, in practicing
4 institutional pharmacy, shall provide dispensing and
5 consulting services on the premises to patients of that
6 institution and to patients receiving care in a hospice
7 licensed under part VI of chapter 400 which is located or
8 providing services on the premises of that institution, for
9 use on the premises of that institution. However, an
10 institutional pharmacy located in an area or county included
11 in an emergency order or proclamation of a state of emergency
12 declared by the Governor may provide dispensing and consulting
13 services to individuals who are not patients of the
14 institution. However, a single dose of a medicinal drug may be
15 obtained and administered to a patient on a valid physician's
16 drug order under the supervision of a physician or charge
17 nurse, consistent with good institutional practice procedures.
18 The obtaining and administering of such single dose of a
19 medicinal drug shall be pursuant to drug-handling procedures
20 established by a consultant pharmacist. Medicinal drugs may
21 be dispensed in a Class II institutional pharmacy, but only in
22 accordance with the provisions of this section.

23 Section 16. Paragraph (a) of subsection (2) of section
24 499.007, Florida Statutes, is amended to read:

25 499.007 Misbranded drug or device.--A drug or device
26 is misbranded:

27 (2) Unless, if in package form, it bears a label
28 containing:

29 (a) The name and place of business of the manufacturer
30 or distributor ~~in addition, for a medicinal drug, as defined~~
31 ~~in s. 499.003, the label must contain the name and place of~~

Amendment No. ____ (for drafter's use only)

1 ~~business of the manufacturer~~ of the finished dosage form of
2 the drug. For the purpose of this paragraph, the finished
3 dosage form of a medicinal drug is that form of the drug which
4 is, or is intended to be, dispensed or administered to the
5 patient and requires no further manufacturing or processing
6 other than packaging, reconstitution, and labeling; and

7 Section 17. Responsiveness to emergencies and
8 disasters; legislative findings.--The Legislature finds that
9 it is critical that Florida be prepared to respond
10 appropriately to a health crisis and injuries in the event of
11 an emergency or disaster. The Legislature finds that there is
12 a need to better educate health care practitioners on diseases
13 and conditions that might be caused by nuclear, biological,
14 and chemical terrorism so that health care practitioners can
15 more effectively care for patients and better educate patients
16 as to prevention and treatment. Additionally, the Legislature
17 finds that not all health care practitioners have been
18 recently trained in life support and first aid and that all
19 health care practitioners should be encouraged to obtain such
20 training. The Legislature finds that health care practitioners
21 who are willing to respond in emergencies or disasters should
22 not be penalized for providing their assistance.

23 Section 18. Section 381.0011, Florida Statutes, is
24 amended to read:

3 health of the state.

4 ~~(c)(3)~~ Include in the department's strategic plan
5 developed under s. 186.021 a summary of all aspects of the
6 public health mission and health status objectives to direct
7 the use of public health resources with an emphasis on
8 prevention.

9 ~~(d)(4)~~ Administer and enforce laws and rules relating
10 to sanitation, control of communicable diseases, illnesses and
11 hazards to health among humans and from animals to humans, and
12 the general health of the people of the state.

13 ~~(e)(5)~~ Cooperate with and accept assistance from
14 federal, state, and local officials for the prevention and
15 suppression of communicable and other diseases, illnesses,

17 ~~(f)(6)~~ Declare, enforce, modify, and abolish
18 quarantine of persons, animals, and premises as the
19 circumstances indicate for controlling communicable diseases
20 or providing protection from unsafe conditions that pose a
21 threat to public health, except as provided in ss. 384.28 and
22 392.545-392.60.

4 ~~e.5.~~ Access by the department to quarantined premises.

5 ~~f.6.~~ The disinfection of quarantined animals, persons,
6 or premises.

7 g. Methods of quarantine.

8 ~~2.(b)~~ Any health regulation that restricts travel or

1 subsection shall not be considered discipline, nor shall it be
2 considered a final order of discipline.

3 (15) All cases in which no probable cause is found
4 shall be closed within 14 days following the probable cause
5 panel meeting at which such determination was made. The
6 department shall mail a copy of the closing order to the

16 lieu of paying for office space. The review shall include all
17 agency programs that have field offices, including health
18 practitioner regulation even if health practitioner regulation
19 is transferred to the Department of Health. The review shall
20 be completed and a report issued to the President of the

16 Section 76. Section 381.60225, Florida Statutes, is

1 organ and tissue procurement coordinators.--Organ procurement
2 organizations, tissue banks, and eye banks may employ
3 coordinators, who are registered nurses, physician's
4 assistants, or other medically trained personnel who meet the
5 relevant standards for organ procurement organizations, tissue

7 Administration under s. 765.541 ~~381.6021~~, to assist in the
8 medical management of organ donors or in the surgical

10 transplantation or research. A coordinator who assists in the
11 medical management of organ donors or in the surgical
12 procurement of cadaveric organs, tissues, or eyes for
13 transplantation or research must do so under the direction and
14 supervision of a licensed physician medical director pursuant
15 to rules and guidelines to be adopted by the Agency for Health
16 Care Administration. With the exception of organ procurement
17 surgery, this supervision may be indirect supervision. For
18 purposes of this section, the term "indirect supervision"
19 means that the medical director is responsible for the medical
20 actions of the coordinator, that the coordinator is operating
21 under protocols expressly approved by the medical director,
22 and that the medical director or his or her physician designee
23 is always available, in person or by telephone, to provide
24 medical direction, consultation, and advice in cases of organ,
25 tissue, and eye donation and procurement. Although indirect
26 supervision is authorized under this section, direct physician
27 supervision is to be encouraged when appropriate.

28 Section 78. Subsection (2) of section 395.2050,
29 Florida Statutes, is amended to read:

15 include pretransplant, transplant, and postdischarge services
16 and treatment of complications after transplantation for
17 transplants deemed necessary and appropriate within the

8 any hospital or hospital administrator or designee, when
9 complying with the provisions of this part and the rules of
10 the Agency for Health Care Administration or when, in the
11 exercise of reasonable care, a request for organ donation is
12 inappropriate and the gift is not made according to this part
13 and the rules of the Agency for Health Care Administration.

14 Section 82. (1) This section may be cited as the
15 "Jennifer Knight Medicaid Lung Transplant Act."

16 (2) Subject to the availability of funds and subject
17 to any limitations or directions provided for in the General
18 Appropriations Act or chapter 216, Florida Statutes, the

23 Statutes, is amended to read:

24 409.915 County contributions to Medicaid.--Although
25 the state is responsible for the full portion of the state
26 share of the matching funds required for the Medicaid program,

29 service as provided in this section.

30 (1) Each county shall participate in the following
31 items of care and service:

1 (a) For both health maintenance members and
2 fee-for-service beneficiaries, payments for inpatient
3 hospitalization in excess of 10 days, but not in excess of 45
4 days, with the exception of payments for:

5 1. Pregnant women and children whose income is in
6 excess of the federal poverty level and who do not participate
7 in the Medicaid medically needy program.

8 2. Adult lung transplant services.

9 (b) Payments for nursing home or intermediate
10 facilities care in excess of \$170 per month, with the
11 exception of skilled nursing care for children under age 21.

12 Section 84. Effective upon this act becoming a law and
13 applicable to any loan or scholarship that is in default on or
14 after the effective date, subsection (4) is added to section
15 456.074, Florida Statutes, to read:

16 456.074 Certain health care practitioners; immediate
17 suspension of license.--

18 (4) Upon receipt of information that a
19 Florida-licensed health care practitioner has defaulted on a
20 student loan issued or guaranteed by the state or the Federal
21 Government, the department shall notify the licensee by
22 certified mail that he or she shall be subject to immediate
23 suspension of license unless, within 45 days after the date of
24 mailing, the licensee provides proof that new payment terms
25 have been agreed upon by all parties to the loan. The
26 department shall issue an emergency order suspending the
27 license of any licensee who, after 45 days following the date
28 of mailing from the department, has failed to provide such
29 proof. Production of such proof shall not prohibit the
30 department from proceeding with disciplinary action against
31 the licensee pursuant to s. 456.073.

Amendment No. ____ (for drafter's use only)

1 Section 85. Effective upon this act becoming a law and
2 applicable to any loan or scholarship that is in default on or
3 after the effective date, paragraph (k) of subsection (1) of
4 section 456.072, Florida Statutes, is amended, and subsection
5 (2) of said section is reenacted, to read:

6 456.072 Grounds for discipline; penalties;
7 enforcement.--

8 (1) The following acts shall constitute grounds for
9 which the disciplinary actions specified in subsection (2) may
10 be taken:

11 (k) Failing to perform any statutory or legal
12 obligation placed upon a licensee. For purposes of this
13 section, failing to repay a student loan issued or guaranteed
14 by the state or the Federal Government in accordance with the
15 terms of the loan or failing to comply with service
16 scholarship obligations shall be considered a failure to
17 perform a statutory or legal obligation, and the minimum
18 disciplinary action imposed shall be a suspension of the
19 license until new payment terms are agreed upon or the
20 scholarship obligation is resumed, followed by probation for
21 the duration of the student loan or remaining scholarship
22 obligation period, and a fine equal to 10 percent of the
23 defaulted loan amount. Fines collected shall be deposited
24 into the Medical Quality Assurance Trust Fund. The provisions
25 of this paragraph relating to students loans and service
26 obligations shall not be construed to apply to a student who
27 opts to repay a loan or scholarship in lieu of fulfillment of
28 service obligations, provided the student complies with the
29 repayment provisions of the loan or scholarship.

30 (2) When the board, or the department when there is no
31 board, finds any person guilty of the grounds set forth in

Amendment No. ____ (for drafter's use only)

1 subsection (1) or of any grounds set forth in the applicable
2 practice act, including conduct constituting a substantial
3 violation of subsection (1) or a violation of the applicable
4 practice act which occurred prior to obtaining a license, it
5 may enter an order imposing one or more of the following
6 penalties:

7 (a) Refusal to certify, or to certify with
8 restrictions, an application for a license.

9 (b) Suspension or permanent revocation of a license.

10 (c) Restriction of practice or license, including, but
11 not limited to, restricting the licensee from practicing in
12 certain settings, restricting the licensee to work only under
13 designated conditions or in certain settings, restricting the
14 licensee from performing or providing designated clinical and
15 administrative services, restricting the licensee from
16 practicing more than a designated number of hours, or any
17 other restriction found to be necessary for the protection of
18 the public health, safety, and welfare.

19 (d) Imposition of an administrative fine not to exceed
20 \$10,000 for each count or separate offense. If the violation
21 is for fraud or making a false or fraudulent representation,
22 the board, or the department if there is no board, must impose
23 a fine of \$10,000 per count or offense.

24 (e) Issuance of a reprimand or letter of concern.

25 (f) Placement of the licensee on probation for a
26 period of time and subject to such conditions as the board, or
27 the department when there is no board, may specify. Those
28 conditions may include, but are not limited to, requiring the
29 licensee to undergo treatment, attend continuing education
30 courses, submit to be reexamined, work under the supervision
31 of another licensee, or satisfy any terms which are reasonably

1 tailored to the violations found.

2 (g) Corrective action.

3 (h) Imposition of an administrative fine in accordance
4 with s. 381.0261 for violations regarding patient rights.

5 (i) Refund of fees billed and collected from the
6 patient or a third party on behalf of the patient.

7 (j) Requirement that the practitioner undergo remedial
8 education.

9

10 In determining what action is appropriate, the board, or
11 department when there is no board, must first consider what
12 sanctions are necessary to protect the public or to compensate
13 the patient. Only after those sanctions have been imposed may
14 the disciplining authority consider and include in the order
15 requirements designed to rehabilitate the practitioner. All
16 costs associated with compliance with orders issued under this
17 subsection are the obligation of the practitioner.

18 Section 86. The Department of Health shall obtain from
19 the United States Department of Health and Human Services
20 information necessary to investigate and prosecute health care
21 practitioners for failing to repay a student loan or comply
22 with scholarship service obligations pursuant to s.
23 456.072(1)(k), Florida Statutes. The department shall obtain
24 from the United States Department of Health and Human Services
25 a list of default health care practitioners each month, along
26 with the information necessary to investigate a complaint in
27 accordance with s. 456.073, Florida Statutes. The department
28 may obtain evidence to support the investigation and
29 prosecution from any financial institution or educational
30 institution involved in providing the loan or education to the
31 practitioner. The department shall report to the Legislature

Amendment No. ____ (for drafter's use only)

1 as part of the annual report required by s. 456.026, Florida
2 Statutes, the number of practitioners in default, along with
3 the results of the department's investigations and
4 prosecutions, and the amount of fines collected from
5 practitioners prosecuted for violating s. 456.072(1)(k),
6 Florida Statutes.

7 Section 87. Section 456.026, Florida Statutes, is
8 reenacted to read:

9 456.026 Annual report concerning finances,
10 administrative complaints, disciplinary actions, and
11 recommendations.--The department is directed to prepare and
12 submit a report to the President of the Senate and the Speaker
13 of the House of Representatives by November 1 of each year. In
14 addition to finances and any other information the Legislature
15 may require, the report shall include statistics and relevant
16 information, profession by profession, detailing:

17 (1) The revenues, expenditures, and cash balances for
18 the prior year, and a review of the adequacy of existing fees.

19 (2) The number of complaints received and
20 investigated.

21 (3) The number of findings of probable cause made.

22 (4) The number of findings of no probable cause made.

23 (5) The number of administrative complaints filed.

24 (6) The disposition of all administrative complaints.

25 (7) A description of disciplinary actions taken.

26 (8) A description of any effort by the department to
27 reduce or otherwise close any investigation or disciplinary
28 proceeding not before the Division of Administrative Hearings
29 under chapter 120 or otherwise not completed within 1 year
30 after the initial filing of a complaint under this chapter.

31 (9) The status of the development and implementation

Amendment No. ____ (for drafter's use only)

1 of rules providing for disciplinary guidelines pursuant to s.
2 456.079.

3 (10) Such recommendations for administrative and
4 statutory changes necessary to facilitate efficient and
5 cost-effective operation of the department and the various
6 boards.

7 Section 88. Section 456.073, Florida Statutes, is
8 reenacted to read:

9 456.073 Disciplinary proceedings.--Disciplinary
10 proceedings for each board shall be within the jurisdiction of
11 the department.

12 (1) The department, for the boards under its
13 jurisdiction, shall cause to be investigated any complaint
14 that is filed before it if the complaint is in writing, signed
15 by the complainant, and legally sufficient. A complaint is
16 legally sufficient if it contains ultimate facts that show
17 that a violation of this chapter, of any of the practice acts
18 relating to the professions regulated by the department, or of
19 any rule adopted by the department or a regulatory board in
20 the department has occurred. In order to determine legal
21 sufficiency, the department may require supporting information
22 or documentation. The department may investigate, and the
23 department or the appropriate board may take appropriate final
24 action on, a complaint even though the original complainant
25 withdraws it or otherwise indicates a desire not to cause the
26 complaint to be investigated or prosecuted to completion. The
27 department may investigate an anonymous complaint if the
28 complaint is in writing and is legally sufficient, if the
29 alleged violation of law or rules is substantial, and if the
30 department has reason to believe, after preliminary inquiry,
31 that the violations alleged in the complaint are true. The

Amendment No. ____ (for drafter's use only)

1 department may investigate a complaint made by a confidential
2 informant if the complaint is legally sufficient, if the
3 alleged violation of law or rule is substantial, and if the
4 department has reason to believe, after preliminary inquiry,
5 that the allegations of the complainant are true. The
6 department may initiate an investigation if it has reasonable
7 cause to believe that a licensee or a group of licensees has
8 violated a Florida statute, a rule of the department, or a
9 rule of a board. Except as provided in ss. 458.331(9),
10 459.015(9), 460.413(5), and 461.013(6), when an investigation
11 of any subject is undertaken, the department shall promptly
12 furnish to the subject or the subject's attorney a copy of the
13 complaint or document that resulted in the initiation of the
14 investigation. The subject may submit a written response to
15 the information contained in such complaint or document within
16 20 days after service to the subject of the complaint or
17 document. The subject's written response shall be considered
18 by the probable cause panel. The right to respond does not
19 prohibit the issuance of a summary emergency order if
20 necessary to protect the public. However, if the secretary, or
21 the secretary's designee, and the chair of the respective
22 board or the chair of its probable cause panel agree in
23 writing that such notification would be detrimental to the
24 investigation, the department may withhold notification. The
25 department may conduct an investigation without notification
26 to any subject if the act under investigation is a criminal
27 offense.

28 (2) The department shall allocate sufficient and
29 adequately trained staff to expeditiously and thoroughly
30 determine legal sufficiency and investigate all legally
31 sufficient complaints. For purposes of this section, it is the

Amendment No. ____ (for drafter's use only)

1 intent of the Legislature that the term "expeditiously" means
2 that the department complete the report of its initial
3 investigative findings and recommendations concerning the
4 existence of probable cause within 6 months after its receipt
5 of the complaint. The failure of the department, for
6 disciplinary cases under its jurisdiction, to comply with the
7 time limits of this section while investigating a complaint
8 against a licensee constitutes harmless error in any
9 subsequent disciplinary action unless a court finds that
10 either the fairness of the proceeding or the correctness of
11 the action may have been impaired by a material error in
12 procedure or a failure to follow prescribed procedure. When
13 its investigation is complete and legally sufficient, the
14 department shall prepare and submit to the probable cause
15 panel of the appropriate regulatory board the investigative
16 report of the department. The report shall contain the
17 investigative findings and the recommendations of the
18 department concerning the existence of probable cause. The
19 department shall not recommend a letter of guidance in lieu of
20 finding probable cause if the subject has already been issued
21 a letter of guidance for a related offense. At any time after
22 legal sufficiency is found, the department may dismiss any
23 case, or any part thereof, if the department determines that
24 there is insufficient evidence to support the prosecution of
25 allegations contained therein. The department shall provide a
26 detailed report to the appropriate probable cause panel prior
27 to dismissal of any case or part thereof, and to the subject
28 of the complaint after dismissal of any case or part thereof,
29 under this section. For cases dismissed prior to a finding of
30 probable cause, such report is confidential and exempt from s.
31 119.07(1). The probable cause panel shall have access, upon

Amendment No. ____ (for drafter's use only)

1 request, to the investigative files pertaining to a case prior
2 to dismissal of such case. If the department dismisses a case,
3 the probable cause panel may retain independent legal counsel,
4 employ investigators, and continue the investigation and
5 prosecution of the case as it deems necessary.

6 (3) As an alternative to the provisions of subsections
7 (1) and (2), when a complaint is received, the department may
8 provide a licensee with a notice of noncompliance for an
9 initial offense of a minor violation. Each board, or the
10 department if there is no board, shall establish by rule those
11 minor violations under this provision which do not endanger
12 the public health, safety, and welfare and which do not
13 demonstrate a serious inability to practice the profession.
14 Failure of a licensee to take action in correcting the
15 violation within 15 days after notice may result in the
16 institution of regular disciplinary proceedings.

17 (4) The determination as to whether probable cause
18 exists shall be made by majority vote of a probable cause
19 panel of the board, or by the department, as appropriate. Each
20 regulatory board shall provide by rule that the determination
21 of probable cause shall be made by a panel of its members or
22 by the department. Each board may provide by rule for multiple
23 probable cause panels composed of at least two members. Each
24 board may provide by rule that one or more members of the
25 panel or panels may be a former board member. The length of
26 term or repetition of service of any such former board member
27 on a probable cause panel may vary according to the direction
28 of the board when authorized by board rule. Any probable cause
29 panel must include one of the board's former or present
30 consumer members, if one is available, is willing to serve,
31 and is authorized to do so by the board chair. Any probable

Amendment No. ____ (for drafter's use only)

1 cause panel must include a present board member. Any probable
2 cause panel must include a former or present professional
3 board member. However, any former professional board member
4 serving on the probable cause panel must hold an active valid
5 license for that profession. All proceedings of the panel are
6 exempt from s. 286.011 until 10 days after probable cause has
7 been found to exist by the panel or until the subject of the
8 investigation waives his or her privilege of confidentiality.
9 The probable cause panel may make a reasonable request, and
10 upon such request the department shall provide such additional
11 investigative information as is necessary to the determination
12 of probable cause. A request for additional investigative
13 information shall be made within 15 days from the date of
14 receipt by the probable cause panel of the investigative
15 report of the department or the agency. The probable cause
16 panel or the department, as may be appropriate, shall make its
17 determination of probable cause within 30 days after receipt
18 by it of the final investigative report of the department. The
19 secretary may grant extensions of the 15-day and the 30-day
20 time limits. In lieu of a finding of probable cause, the
21 probable cause panel, or the department if there is no board,
22 may issue a letter of guidance to the subject. If, within the
23 30-day time limit, as may be extended, the probable cause
24 panel does not make a determination regarding the existence of
25 probable cause or does not issue a letter of guidance in lieu

20 Annually, the department, in consultation with the applicable
21 probable cause panel, must establish a plan to expedite or

6 hearing shall be terminated and a formal hearing pursuant to
7 chapter 120 shall be held.

8 (6) The appropriate board, with those members of the
9 panel, if any, who reviewed the investigation pursuant to
10 subsection (4) being excused, or the department when there is
11 no board, shall determine and issue the final order in each
12 disciplinary case. Such order shall constitute final agency
13 action. Any consent order or agreed-upon settlement shall be
14 subject to the approval of the department.

15 (7) The department shall have standing to seek
16 judicial review of any final order of the board, pursuant to

7 3. A written notice of any hearing before the Division
8 of Administrative Hearings or the regulatory board at which
9 final agency action may be taken.

10 (c) In any disciplinary case for which probable cause
11 is not found, the department shall so inform the person who
12 filed the complaint and notify that person that he or she may,
13 within 60 days, provide any additional information to the
14 department which may be relevant to the decision. To
15 facilitate the provision of additional information, the person
16 who filed the complaint may receive, upon request, a copy of
17 the department's expert report that supported the
18 recommendation for closure, if such a report was relied upon
19 by the department. In no way does this require the department
20 to procure an expert opinion or report if none was used.
21 Additionally, the identity of the expert shall remain
22 confidential. In any administrative proceeding under s.
23 120.57, the person who filed the disciplinary complaint shall
24 have the right to present oral or written communication
25 relating to the alleged disciplinary violations or to the
26 appropriate penalty.

6 department shall provide the subject an opportunity to inspect
7 the investigative file or, at the subject's expense, forward
8 to the subject a copy of the investigative file.
9 Notwithstanding s. 456.057, the subject may inspect or receive
10 a copy of any expert witness report or patient record
11 connected with the investigation if the subject agrees in
12 writing to maintain the confidentiality of any information
13 received under this subsection until 10 days after probable
14 cause is found and to maintain the confidentiality of patient
15 records pursuant to s. 456.057. The subject may file a written
16 response to the information contained in the investigative
17 file. Such response must be filed within 20 days of mailing by
18 the department, unless an extension of time has been granted
19 by the department. This subsection does not prohibit the
20 department from providing such information to any law
21 enforcement agency or to any other regulatory agency.

22 (11) A privilege against civil liability is hereby
23 granted to any complainant or any witness with regard to
24 information furnished with respect to any investigation or

26 witness acted in bad faith or with malice in providing such
27 information.

28 (12)(a) No person who reports in any capacity, whether

12 to the department about a physician licensed under chapter
13 458, chapter 459, chapter 460, chapter 461, or chapter 466 who
14 may be guilty of incompetence, impairment, or unprofessional
15 conduct so long as such report is given without intentional
16 fraud or malice.

17 (c) In any civil suit brought outside the protections
18 of paragraphs (a) and (b) in which intentional fraud or malice
19 is alleged, the person alleging intentional fraud or malice
20 shall be liable for all court costs and for the other party's
21 reasonable attorney's fees if intentional fraud or malice is
22 not proved.

23 (13) Notwithstanding any provision of law to the

14 PORTABLE RESTROOM CONTRACTING

15 489.661 Definitions.--As used in this part:

16 (1) "Department" means the Department of Health.

17 (2) "Portable restroom contractor" means a portable
18 restroom contractor whose services are unlimited in the
19 portable restroom trade who has had at least 3 years'
20 experience as a Florida-registered portable restroom
21 contractor, who has knowledge of state health code law and
22 rules, and who has the experience, knowledge, and skills to
23 handle, deliver, and pick up sanitary portable restrooms, to
24 install, safely handle, and maintain portable holding tanks,
25 and to handle, transport, and dispose of domestic portable
26 restroom and portable holding tank wastewater.

27 489.662 Registration required.--A person shall not
28 hold himself or herself out as a portable restroom contractor
29 in this state unless he or she is registered by the department
30 in accordance with the provisions of this part. However,
31 nothing in this part prohibits any person licensed pursuant to

1 s. 489.105(3)(m) or ss. 489.551-489.558, in this state from
2 engaging in the profession for which he or she is licensed.

3 489.663 Administration of part; registration
4 qualifications; examination.--

5 (1) Each person desiring to be registered pursuant to
6 this part shall apply to the department in writing upon forms
7 prepared and furnished by the department.

8 (2) The department shall administer, coordinate, and
9 enforce the provisions of this part, provide qualifications
10 for applicants, administer the examination for applicants, and
11 be responsible for the granting of certificates of
12 registration to qualified persons.

13 (3) The department shall adopt reasonable rules
14 pursuant to ss. 120.536(1) and 120.54 to administer this part,
15 including, but not limited to, rules that establish ethical
16 standards of practice, requirements for registering as a
17 contractor, requirements for obtaining an initial or renewal
18 certificate of registration, disciplinary guidelines, and
19 requirements for the certification of partnerships and
20 corporations. The department may amend or repeal the rules in
21 accordance with chapter 120, the Administrative Procedure Act.

22 (4) To be eligible for registration by the department
23 as a portable restroom contractor, the applicant shall:

24 (a) Be of good moral character. In considering good
25 moral character, the department may consider any matter that
26 has a substantial connection between the good moral character
27 of the applicant and the professional responsibilities of a
28 registered contractor, including, but not limited to, the
29 applicant being convicted or found guilty of, or entering a
30 plea of nolo contendere to, regardless of adjudication, a
31 crime in any jurisdiction that directly relates to the

16 contracting experience. Each 30 hours of coursework approved
17 by the department will substitute for 6 months of work
18 experience. Out-of-state work experience shall be accepted on
19 a year-for-year basis for any applicant who demonstrates that
20 he or she holds a current license issued by another state for
21 portable restroom contracting that was issued upon

24 this state. Individuals from a state with no state
25 certification who have successfully completed a written
26 examination provided by the Portable Sanitation Association
27 International shall only be required to take the written

9 date of which was less than 5 years before the application.

10 (5) The department shall provide each applicant for
11 registration pursuant to this part with a copy of this part
12 and any rules adopted under this part. The department may
13 also prepare and disseminate such other material and
14 questionnaires as it deems necessary to effectuate the
15 registration provisions of this part.

16 (6) Any person who was employed one or more years in
17 this state by a portable restroom service holding a permit
18 issued by the department on or before October 1, 2002, has
19 until October 1, 2003, to be registered by the department in
20 accordance with the provisions of this act and may continue to
21 perform portable restroom contracting services until that
22 time. Such persons are exempt until October 1, 2003, from the
23 three years active work experience requirement of s.
24 489.663(4)(d).

25 489.664 Registration renewal.--The department shall

13 corporation or partnership has been issued a certificate of
14 authorization by the department as provided in this section.
15 A registered contractor may not be the sole qualifying
16 contractor for more than one business that requests a
17 certificate of authorization. A business organization that
18 loses its qualifying contractor has 60 days following the date
19 the qualifier terminates his or her affiliation within which
20 to obtain another qualifying contractor. During this period,
21 the business organization may complete any existing contract
22 or continuing contract, but may not undertake any new
23 contract. This period may be extended once by the department
24 for an additional 60 days upon a showing of good cause.
25 Nothing in this section shall be construed to mean that a
26 certificate of registration to practice portable restroom
27 contracting shall be held by a corporation. No corporation or
28 partnership shall be relieved of responsibility for the
29 conduct or acts of its agents, employees, or officers by
30 reason of its compliance with this section, nor shall any
31 individual practicing portable restroom contracting be

1 relieved of responsibility for professional services performed
2 by reason of his or her employment or relationship with a
3 corporation or partnership.

4 (2) For the purposes of this section, a certificate of
5 authorization shall be required for a corporation,
6 partnership, association, or person practicing under a
7 fictitious name, offering portable restroom contracting
8 services to the public, except that when an individual is
9 practicing portable restroom contracting in his or her own
10 given name, he or she shall not be required to register under
11 this section.

12 (3) Each certification of authorization shall be
13 renewed every 2 years. Each partnership and corporation
14 certified under this section shall notify the department
15 within 1 month after any change in the information contained
16 in the application upon which the certification is based.

17 (4) Disciplinary action against a corporation or
18 partnership shall be administered in the same manner and on
19 the same grounds as disciplinary action against a registered
20 portable restroom contractor.

21 (5) When a certificate of authorization has been
22 revoked, any person authorized by law to provide portable
23 restroom contracting services may not use the name or
24 fictitious name of the entity whose certificate was revoked,
25 or any other identifiers for the entity, including telephone
26 numbers, advertisements, or logos.

27 489.666 Suspension or revocation of registration.--A
28 certificate of registration may be suspended or revoked upon a
29 showing that the registrant has:

30 (1) Violated any provision of this part.

31 (2) Violated any lawful order or rule rendered or

1 adopted by the department.

2 (3) Obtained his or her registration or any other

17 (b) Certification of partnerships and corporations:
18 not less than \$100 nor more than \$250.

19 (2) Fees established pursuant to subsection (1) shall
20 be based on the actual costs incurred by the department in
21 carrying out its registration and other related
22 responsibilities under this part.

23 489.668 Penalties and prohibitions.--

24 (1) Any person who violates any provision of this part
25 commits a misdemeanor of the first degree, punishable as
26 provided in s. 775.082 or s. 775.083.

27 (2) The department may deny a registration if it
28 determines that an applicant does not meet all requirements of
29 this part or has violated any provision of this part. Any
30 applicant aggrieved by such denial shall be entitled to a
