remove: all of said lines

and insert:

(b) An anesthesiologist or group of anesthesiologists must, upon establishing a supervisory relationship with an anesthesiologist assistant, file with the board a written protocol that includes, at a minimum:

1. The name, address, and license number of the anesthesiologist assistant;
2. The name, address, license number and federal Drug Enforcement Administration number of each physician who will be supervising the anesthesiologist assistant;
3. The address of the anesthesiologist assistant's primary practice location, and the address of any other locations where the anesthesiologist assistant may practice;
4. The date the protocol was developed and the dates

Amendment No. 3A (for drafter's use only)

1 of all revisions.

2 5. The signatures of the anesthesiologist assistant
3 and all supervising physicians;

4 6. The duties and functions of the anesthesiologist
5 assistant;

6 7. The conditions or procedures that require the
7 personal provision of care by an anesthesiologist;

8 8. The procedures to be followed in the event of an
9 anesthetic emergency.

10

11 The protocol must be on file with the board before the
12 anesthesiologist assistant may practice with the
13 anesthesiologist or group. An anesthesiologist assistant may
14 not practice unless a written protocol has been filed for that
15 anesthesiologist assistant in accordance with this paragraph,
16 and the anesthesiologist assistant may only practice under the
17 direct supervision of an anesthesiologist who has signed the
18 protocol. The protocol must be updated biennially.
