On page 6, between lines 26 & 27,

insert: (13) This section shall not apply to a charter county with a population of 1.6 million or greater which is not a county defined in s. 125.011(1), 85 percent or more of the county's residents reside in incorporated areas, and the charter county enacted an ordinance regulating signs as described in subsection (9) within the unincorporated area of the county prior to January 1, 2002. Nothing herein is intended to abrogate the rights any sign owner may have to challenge the county's enforcement of its sign ordinance or the removal of any lawfully erected sign after the applicable amortization period established in the charter county's ordinance has expired. This subsection is repealed without further act of the Legislature on October 1, 2006.
