**Amendment**

On page 12, lines 11 through 20  
remove: all of said lines

and insert:

"Net positive conservation benefit" means compensation over and above the conservation values for, or the replacement value of, state conservation lands. Any compensation shall include replacement lands with similar characteristics and equal or higher conservation value unless no such lands exist, in which case other lands with higher conservation values may be substituted. In any case, the acreage and economic value of the lands received by the state must equal or exceed the acreage and economic value of the lands being conveyed out of state ownership.
