**I. Summary:**

This legislation re-creates the Professional Sports Development Trust Fund without modification, effective upon becoming a law. The Professional Sports Development Trust Fund, FLAIR #31-2-551, is administered by the Executive Office of the Governor. This fund was created by Chapter 99-15.

**II. Present Situation:**

The Professional Sports Development Trust Fund is used to support activities of the Florida Sports Foundation to attract and support major sports events in Florida, and to promote the economic development of the sports industry.

Pursuant to s. 320.08058, F.S., proceeds from the sale of Florida Professional Sports Team specialty license plate are deposited into the Professional Sports Development Trust Fund within the Office of Tourism, Trade, and Economic Development. Fifty-five percent of the proceeds must be used to support and promote major sporting events, and the uses must be approved by the Florida Sports Foundation. The remaining proceeds must be used by the Florida Sports Foundation to promote the economic development of the sports industry; to distribute licensing and royalty fees to participating professional sports teams; to institute a grant program for communities bidding on minor sporting events that create an economic impact for the state; to distribute funds to Florida-based charities designated by the Florida Sports Foundation and the participating professional sports teams; and to fulfill the sports promotion responsibilities of the Office of Tourism, Trade, and Economic Development.
