4 in any calendar year on July 1, 1991, and thereafter, each
5 insurer shall annually be assessed by the board in the
6 following calendar year a portion of such incurred operating
7 losses of the plan; such portion shall be determined by
8 multiplying such operating losses by a fraction, the numerator
9 of which equals the insurer's earned premium pertaining to
10 direct writings of health insurance in the state during the
11 calendar year preceding that for which the assessment is
12 levied, and the denominator of which equals the total of all
13 such premiums earned by participating insurers in the state
14 during such calendar year.

15 ~~(b) For operating losses incurred from July 1, 1991,~~
16 ~~through December 31, 1991, the total of all assessments upon a~~
17 ~~participating insurer shall not exceed .375 percent of such~~

7 all of such funds and interest earned shall be used by the
8 association to pay claims and administrative expenses.

9 (2) If assessments and other receipts by the
10 association, board, or administrator exceed the actual losses
11 and administrative expenses of the plan, the excess shall be
12 held at interest and used by the board to offset future
13 losses. As used in this subsection, the term "future losses"
14 includes reserves for claims incurred but not reported.

15 (3) Each insurer's assessment shall be determined
16 annually by the association based on annual statements and

7 hospital indemnity, credit, dental-only, vision-only, Medicare
8 supplement, long-term care, nursing home care, home health
9 care, community-based care, or disability income insurance;

14 coinsurance, or deductibles; any policy covering
15 medical-payment coverage or personal injury protection
16 coverage in a motor vehicle policy; coverage issued as a
17 supplement to liability insurance; or workers' compensation
18 insurance. For the purposes of this subsection, the term
19 "insurer" as defined in s. 627.6482(7) also includes

22 providing health insurance to Florida residents procures
23 insurance for itself in the insurer, with respect to all or
24 part of the health insurance risk of the person, or provides
25 administrative services only. This definition of insurer
26 excludes self-insured, employee welfare benefit plans that are
27 not regulated by the Florida Insurance Code pursuant to the
28 Employee Retirement Income Security Act of 1974, Pub. L. No.
29 93-406, as amended. However, this definition of insurer
30 includes multiple employer welfare arrangements as provided

1 Pub. L. No. 93-406, as amended. Each covered group subscriber,
2 without regard to covered dependents of the subscriber, shall
3 be counted only once with respect to any assessment. For that
4 purpose, the board shall allow an insurer as defined by this
5 subsection to exclude from its number of covered group
6 subscribers those who have been counted by any primary insurer
7 providing health insurance coverage pursuant to s. 624.603.

20 shall identify the number of covered lives for different types
21 of health insurance products and the number of months of
22 coverage.

23 (e) Beginning October 1, 2002, the fee paid to the
24 association may be charged by the health insurer directly to
25 each policyholder, insured member, or subscriber and is not
26 part of the premium subject to the department's review and
27 approval. Nonpayment of the fee shall be considered nonpayment
28 of premium for purposes of s. 627.6043.
