Amendment (with directory language and title amendments)

On page 8, line 6, through page 12, line 16,
remove: all of said lines,

and insert:

(b)1. Each small employer carrier issuing new health benefit plans shall offer to any small employer, upon request, a standard health benefit plan and a basic health benefit plan that meets the criteria set forth in this section.

2. For purposes of this subsection, the terms "standard health benefit plan" and "basic health benefit plan" mean policies or contracts that a small employer carrier offers to eligible small employers that contain:

a. An exclusion for services that are not medically necessary or that are not covered preventive health services; and

b. A procedure for preauthorization by the small employer carrier, or its designees.

Amendment No. ____ (for drafter's use only)

1 3. A small employer carrier may include the following
2 managed care provisions in the policy or contract to control
3 costs:

4 a. A preferred provider arrangement or exclusive
5 provider organization or any combination thereof, in which a
6 small employer carrier enters into a written agreement with
7 the provider to provide services at specified levels of
8 reimbursement or to provide reimbursement to specified
9 providers. Any such written agreement between a provider and a
10 small employer carrier must contain a provision under which
11 the parties agree that the insured individual or covered
12 member has no obligation to make payment for any medical
13 service rendered by the provider which is determined not to be
14 medically necessary. A carrier may use preferred provider
15 arrangements or exclusive provider arrangements to the same
16 extent as allowed in group products that are not issued to
17 small employers.

18 b. A procedure for utilization review by the small
19 employer carrier or its designees.

20
21 This subparagraph does not prohibit a small employer carrier
22 from including in its policy or contract additional managed
23 care and cost containment provisions, subject to the approval
24 of the department, which have potential for controlling costs
25 in a manner that does not result in inequitable treatment of
26 insureds or subscribers. The carrier may use such provisions
27 to the same extent as authorized for group products that are
28 not issued to small employers.

29 4. The standard health benefit plan and any flexible
30 benefit policy or contract shall include:

31 a. Coverage for inpatient hospitalization;

- 4 d. Coverage for child care supervision services
- 5 pursuant to s. 627.6579;
- 6 e. Coverage for adopted children upon placement in the

- 14 licensed under s. 400.602 in cases where such coverage would
- 15 be the most appropriate and the most cost-effective method for
- 16 treating a covered illness.
- 17 5. The standard health benefit plan and the basic
- 18 health benefit plan may include a schedule of benefit
- 19 limitations for specified services and procedures. If the
- 20 committee develops such a schedule of benefits limitation for
- 21 the standard health benefit plan or the basic health benefit
- 22 plan, a small employer carrier offering the plan must offer
- 23 the employer an option for increasing the benefit schedule
- 24 amounts by 4 percent annually.
- 25 6. The basic health benefit plan shall include all of
- 26 the benefits specified in subparagraph 4.; however, the basic
- 27 health benefit plan shall place additional restrictions on the
- 28 benefits and utilization and may also impose additional cost
- 29 containment measures.
- 30 7. Sections 627.419(2), (3), and (4), 627.6574,

10 provide as an option of the insured similar inpatient and
11 outpatient services by hospitals accredited by the American
12 Osteopathic Association when such services are available and
13 the osteopathic hospital agrees to provide the service.
