compensation.--

18

(1) Each member of the district school board shall receive as salary the amount indicated, based on the population of the member's county. In addition, compensation shall be made for population increments over the minimum for each population group, which shall be determined by multiplying the population in excess of the minimum for the group times the group rate. Laws which increase the base salary herein provided shall contain provisions on no other subject.

 8 (2) Notwithstanding provisions of chapter 145 or this
 9 chapter to the contrary, the annual salaries of district
 10 school board members for 1993 and each year thereafter shall
 11 be established at the same amounts as those members were paid
 12 for fiscal year 1991-1992, adjusted by each annual increase
 13 provided for in chapter 145. Any salary previously paid to
 14 district school board members which was consistent with
 15 chapter 145 and this section is hereby ratified and validated.

16 (3) As an alternative to the method of determining
 17 compensation by population, a district school board may
 18 conduct a referendum in which the voters determine whether to
 19 authorize the board to determine the salary of its members. If
 20 such a referendum adopts the alternative, the district school
 21 board shall annually determine the salary of its members at
 22 the first regular meeting following the organizational meeting
 23 held pursuant to s. 1001.371. The proposed salary to be
 24 adopted shall be noticed at the time of the meeting notice and
 25 shall not be increased during the meeting. The salary adopted
 26 by the district school board shall be in effect during the
 27 succeeding 12 months.
