Bill No. CS for SB 2-D

Amendment No. ____ Barcode 753464

1 (h) Parental, student, family, educational
2 institution, and community involvement.--Parents, students,
3 families, educational institutions, and communities are
4 collaborative partners in education, and each plays an
5 important role in the success of individual students.
6 Therefore, the State of Florida cannot be the guarantor of
7 each individual student's success. The goals of Florida's K-20
8 education system are not guarantees that each individual
9 student will succeed or that each individual school will
10 perform at the level indicated in the goals.
