I. SUMMARY:

The Department of Defense has historically advised individuals to record their military separation form with their Clerk of Court for safekeeping; however, there is no federal law that requires an individual to do so. As more public records are being placed on the Internet, and personal information is becoming susceptible to abuse, the Department of Defense is now advising individuals otherwise.

CS/HB 21E provides any veteran of the United States Armed forces or his or her widow or widower, attorney, personal representative, executor, or court appointed guardian with the right to request that a county recorder remove from the official records any of the follow forms recorded before, on, or after the effective date of this committee substitute: DD-214, DD-215, WD AGO 53, WD AGO 55, WD AGO 53-55, NAVMC 78-PD, and NAVPERS 553. The DD-214 and the DD-215 are military discharge forms issued to those individuals retiring or separating from the military since 1951. The remainder of the forms were utilized prior to 1951. The request must be in person with proper identification, and must specify the identification page number of the form to be removed. CS/HB 21E specifies that the clerk has no duty to inquire beyond the request to verify the identify of the person requesting the removal. No fee may be charged for the removal. When the request is made, the clerk must provide a written notice to the requesting party that the removal of the document from the official records is permanent and no further record of the document will exist in the official records of the county.

A bill was passed during the 2002 regular session, CS/HB 1679, that prohibits the Clerks from prospectively placing an image or copy of a military discharge on a publicly available Internet website for general public display. The Clerk must also remove such image or copy already on the Internet if requested to do so by the affected person. CS/HB 1679 does allow for over the counter disclosure as well as disclosure through other electronic means, such as a data dump. HB 21-E provides the right for veterans or their representatives to request the *permanent* removal of military-separation forms from the official records of their county.

Please see the "Fiscal Comments" section for discussion of the potential fiscal impact of this committee substitute.

B. PRESENT SITUATION:

Military Separation Forms

The Department of Defense issues a military separation form when an individual retires or separates from the military. The most common military separation form is the DD-214¹. The DD-214 includes various information on the retiring or separating individual such as his or her social security number, date of birth, home of record at time of entry, and nearest relative.² The DD-214 is issued to those individuals who have retired or separated from the military since 1951. A corrected DD-214 is known as a DD-215. The following military separation forms were issued prior to 1951: WD AGO 53, WD AGO 55, NAVMC 78 – PD, and NAVPERS 553.³

There is no federal law that requires an individual to record his or her military separation form as an official record. However, the Department of Defense has historically advised individuals to record their DD-214 with their local county courthouse for safekeeping.⁴ As more public records are being placed on the Internet, and are therefore becoming more accessible by the general public, the Department of Defense is now advising individuals to safeguard their personal information to guard against veteran identify theft.⁵ To help guard against identify theft, military transition centers⁶ are no longer placing social security numbers on discharge and retirement certificates.⁷ In addition,

¹ DD = Department of Defense

² The DD-214 also includes the following information on the retiring or separating individual: sex; department, component or branch; grade, rate, or rank; pay grade; place of entry into active duty; last duty assignment and major command; station where separated; command to which transferred; station where separated; primary specialty; record of service; decorations, medals, or badges; military education; mailing address after separation; and the type of separation. Information provided by the Florida Association of Court Clerks and Comptrollers by facsimile transmission on April 29, 2002.

³WD AGO = War Department Adjutant General Office; NAVMC 78 - PD = Navy Medical Command – Personnel Division; NAVPERS = Navy Personnel. Information provided by the Department of Military Affairs' Office of Legislative Affairs, April 30, 2002.

⁴ In Florida, retiring or separating individuals were traditionally advised to file their military separation forms with their local clerk of the court.

transition centers are recommending to those leaving the military to “safeguard the form as you would any vital papers such as a will, marriage license or insurance papers . . . A safe deposit box would be a good investment.”⁸ Therefore, many individuals retiring or separating from the military are being encouraged to no longer record their military separation forms with their local county courthouse.⁹

Clerks of the Circuit Court

Article V, Section 16, of the Florida Constitution establishes as constitutional officers the Clerks of the Circuit Courts (Clerks). Chapter 28, F.S., sets forth the duties and responsibilities of a Clerk. Section 28.222, F.S., states that the Clerk “shall be the recorder of all instruments”¹⁰ that he or she may be required or authorized by law to record in the county where he or she is Clerk.” The Clerk is to record all instruments in one general series called “official records.”¹¹

Section 28.2221, F.S., requires Clerks, by January 1, 2002, to provide, on a publicly available Internet website, a current index of documents recorded in the official records of the county beginning with those documents filed on or after January 1, 1990. To date, approximately 56 of the 67 Clerks¹² have provided electronic access to this index.¹³ By January 1, 2006, the Clerks are required to make available, “on the county’s official records website”, images of those official records that are indexed electronically. To date, approximately 20 of the 67 Clerks have made images of official records available on their county websites.¹⁴ Images of military separation forms are among those official records that are being made electronically available.

2002 Legislative Session

The Legislature passed CS/HB 1679 during the 2002 legislative session. *This bill prohibits any Clerk from placing on a publicly available Internet website an image or copy of a military discharge;*

¹⁰ Section 28.222(3), F.S., provides that instruments are:

- Deeds, leases, bills of sale, agreements, mortgages, notices or claims of lien, notices of levy, tax warrants, tax executions;
- Other instruments relating to the ownership, transfer, or encumbrance of or claims against real or personal property or any interest in it;
- Extensions, assignments, releases, cancellations, or satisfactions of mortgages and liens;
- Powers of attorney relating to any of the instruments;
- Notices of lis pendens;
- Judgments, including certified copies of judgments, entered by any court of this state or by a United States court having jurisdiction in this state and assignments, releases, and satisfactions of the judgments;
- That portion of a certificate of discharge, separation, or service which indicates the character of discharge, separation, or service of any citizen of this state with respect to the military, air, or naval forces of the United States;
- Notices of liens for taxes payable to the United States and other liens in favor of the United States, and certificates discharging, partially discharging, or releasing the liens, in accordance with the laws of the United States;
- Certified copies of petitions, with schedules omitted, commencing proceedings under the Bankruptcy Act of the United States, decrees of adjudication in the proceedings, and orders approving the bonds of trustees appointed in the proceedings; and
- Certified copies of death certificates authorized for issuance by the Department of Health which exclude the information that is confidential under s. 382.008 [cause of death], and certified copies of death certificates issued by another state whether or not they exclude the information described as confidential in s. 382.008.

¹¹ Section 28.001, F.S., defines “official records” to mean “each instrument that the clerk of the circuit court is required or authorized to record in one general series called ‘Official Records’ as provided for in s. 28.222.”

¹² The statutory language references “county recorder”; the county recorders, in all but two instances are Clerks of Court, so for consistency, this analysis refers to the county recorder as the Clerk.

death certificate; or a court file, record, or paper relating to matters or cases governed by the Florida Rules of Family Law, the Florida Rules of Juvenile Procedure, or the Florida Probate Rules. Such records placed on the Internet prior to the effective date of the bill must be removed if the affected party so requires and identifies the document to be removed. In addition, the Clerks must provide and publish notice regarding an individual's right to request removal of such documents from the Internet. Furthermore, any affected person may petition the circuit court for an order directing compliance with this provision. CS/HB 1679 does allow for over the counter disclosure as well as disclosure through other electronic means, such as a data dump.

Military discharge forms are synonymous with military separation forms.¹⁵ Therefore, CS/HB 1679 effectively prohibits any military separation forms from being prospectively placed on the Internet for general public display. If an individual has already filed his or her military separation form with the Clerk prior to the effective date of CS/HB 1679, such individual may request the removal of this document from the Internet.

C. EFFECT OF PROPOSED CHANGES:

CS/HB 21E provides any veteran of the United States Armed forces or his or her widow or widower, attorney, personal representative, executor, or court appointed guardian with the right to request that a county recorder remove from the official records any of the follow forms recorded before, on, or after the effective date of this committee substitute: DD-214, DD-215, WD AGO 53, WD AGO 55, WD AGO 53-55, NAVMC 78-PD, and NAVPERS 553. The DD-214 and the DD-215 are military discharge forms issued to those individuals retiring or separating from the military since 1951. The remainder of the forms were utilized prior to 1951. The request must be in person with proper identification, and must specify the identification page number of the form to be removed. CS/HB 21E specifies that the clerk has no duty to inquire beyond the request to verify the identify of the person requesting the removal. No fee may be charged for the removal. When the request is made, the clerk must provide a written notice to the requesting party that the removal of the document from the official records is permanent and no further record of the document will exist in the official records of the county.

III. FISCAL ANALYSIS & ECONOMIC IMPACT STATEMENT:

A. FISCAL IMPACT ON STATE GOVERNMENT:

1. Revenues:

None.

2. Expenditures:

None.

¹⁵ Department of Military Affairs' Office of Legislative Affairs, April 30, 2002.

B. FISCAL IMPACT ON LOCAL GOVERNMENTS:

1. Revenues:

None.

2. Expenditures:

None.

C. DIRECT ECONOMIC IMPACT ON PRIVATE SECTOR:

None.

D. FISCAL COMMENTS:

There is a potential fiscal impact on the offices of the Clerks of the Court. This committee substitute requires the clerks to permanently remove, upon request, certain military-separation forms from the official records. This may have a fiscal impact in terms of the time and manpower required to remove such documents.

IV. CONSEQUENCES OF ARTICLE VII, SECTION 18 OF THE FLORIDA CONSTITUTION:

A. APPLICABILITY OF THE MANDATES PROVISION:

This committee substitute does not require counties or municipalities to spend funds or to take action requiring the expenditure of funds.

B. REDUCTION OF REVENUE RAISING AUTHORITY:

This committee substitute does not reduce the authority that counties or municipalities have to raise revenues in the aggregate.

C. REDUCTION OF STATE TAX SHARED WITH COUNTIES AND MUNICIPALITIES:

This committee substitute does not reduce the percentage of a state tax shared with counties or municipalities.

V. COMMENTS:

A. CONSTITUTIONAL ISSUES:

None.

B. RULE-MAKING AUTHORITY:

None.

C. OTHER COMMENTS:

These comments refer to the bill as filed.

CS/SB 980, filed during the 2002 legislative session, contained identical provisions to those in HB 21-E, and its Senate companion, SB 24-E. CS/SB 980 did not have a house companion and it died in messages on March 22, 2002.

The First Amendment Foundation does not support HB 21-E and issued the following statement:

As we understand the issue, the problem is that clerks of court are placing military discharge forms on the Internet. In response, the Legislature approved CS/HB 1679 during the 2002 regular session which prohibits the clerks from placing military discharge forms on the Internet . . . It is our position that this approach addresses the concerns of our veterans without offending the public's constitutional right of access. . . In addition, military discharge forms are readily available from the federal government through a FOIA request, and we've consistently taken the position that an exemption for information that is otherwise available cannot be constitutionally justified as "necessary" to accomplish any valid purpose under Florida's Constitution.¹⁶

VI. AMENDMENTS OR COMMITTEE SUBSTITUTE CHANGES:

On May 1, 2002 , the Committee on State Administration heard HB 21E and adopted one amendment. The amendment removes the public records exemption language by no longer requiring the clerks to keep certain personal identifying information contained in military-separation forms confidential and exempt. The amendment instead provides any veteran of the military or his or her widow or widower, attorney, personal representative, executor, or court appointed guardian with the right to request that a clerk permanently remove from the official records certain military-separation forms. Because the amendment eliminates the public records exemption from the bill, the review and repeal date as well as the public necessity statement are unnecessary. The bill, as amended, was reported favorably as a committee substitute.
