14
15 CITIZENS' BILL OF RIGHTS

16
17 A. This government has been created to protect the
18 governed, not the governing. In order to provide the public
19 with full and accurate information, to promote efficient
20 administrative management, to make government more
21 accountable, and to insure to all persons fair and equitable
22 treatment, the following rights are guaranteed:

23 1. Convenient Access. Every person has the right to
24 transact business with the County and the municipalities with
25 a minimum of personal inconvenience. It shall be the duty of
26 the County ~~Manager and the Commission,~~ the County Mayor, the
27 County Comptroller, and the Supervisor of Elections to
28 provide, within the County's budget limitations, reasonably
29 convenient times and places for registration and voting, for
30 required inspections, and for transacting business with the
31 County.

1 2. Truth in Government. No County or municipal
2 official or employee shall knowingly furnish false information
3 on any public matter, nor knowingly omit significant facts
4 when giving requested information to members of the public.

5 3. Public Records. All audits, reports, minutes,
6 documents and other public records of the County and the
7 municipalities and their boards, agencies, departments and
8 authorities shall be open for inspection at reasonable times
9 and places convenient to the public.

10 4. Minutes and Ordinance Register. The Clerk of the
11 Commission and of each municipal council shall maintain and
12 make available for public inspection an ordinance register
13 separate from the minutes showing the votes of each member on
14 all ordinances and resolutions listed by descriptive title.
15 Written minutes of all meetings and the ordinance register
16 shall be available for public inspection not later than 30
17 days after the conclusion of the meeting.

18 5. Right to be Heard. So far as the orderly conduct
19 of public business permits, any interested person has the
20 right to appear before the Commission or any municipal council
21 or any County or municipal agency, board or department for the
22 presentation, adjustment or determination of an issue, request
23 or controversy within the jurisdiction of the governmental
24 entity involved. Matters shall be scheduled for the
25 convenience of the public, and the agenda shall be divided
26 into approximate time periods so that the public may know
27 approximately when a matter will be heard. Nothing herein
28 shall prohibit any governmental entity or agency from imposing
29 reasonable time limits for the presentation of a matter.

30 6. Right to Notice. Persons entitled to notice of a
31 County or municipal hearing shall be timely informed as to the

1 time, place and nature of the hearing and the legal authority
2 pursuant to which the hearing is to be held. Failure by an
3 individual to receive such notice shall not constitute
4 mandatory grounds for cancelling the hearing or rendering
5 invalid any determination made at such hearing. Copies of
6 proposed ordinances or resolutions shall be made available at
7 a reasonable time prior to the hearing, unless the matter
8 involves an emergency ordinance or resolution.

9 7. No Unreasonable Postponements. No matter once
10 having been placed on a formal agenda by the County or any
11 municipality shall be postponed to another day except for good
12 cause shown in the opinion of the County Commission, the
13 municipal council or other governmental entity or agency
14 conducting such meeting, and then only on condition that any
15 person so requesting is mailed adequate notice of the new date
16 of any postponed meeting. Failure by an individual to receive
17 such notice shall not constitute mandatory grounds for
18 cancelling the hearing or rendering invalid any determination
19 made at such hearing.

20 8. Right to Public Hearing. Upon a timely request of
21 any interested party a public hearing shall be held by any
22 County or municipal agency, board, department or authority
23 upon any significant policy decision to be issued by it which
24 is not subject to subsequent administrative or legislative
25 review and hearing. This provision shall not apply to the Law
26 Department of the County or of any municipality, not to any
27 body whose duties and responsibilities are solely advisory. At
28 any zoning or other hearing in which review is exclusively by
29 certiorari, a party or his counsel shall be entitled to
30 present his case or defense by oral or documentary evidence,
31 to submit rebuttal evidence, and to conduct such

1 cross-examination as may be required for a full and true
2 disclosure of the facts. The decision of any such agency,
3 board, department or authority must be based upon the facts in
4 the record. Procedural rules establishing reasonable time and
5 other limitations may be promulgated and amended from time to
6 time.

7 9. Notice of Actions and Reasons. Prompt notice shall
8 be given of the denial in whole or in part of a request of an
9 interested person made in connection with any County or

11 decision is reserved at the conclusion of the hearing. The

20 ~~state statute,~~ The County Mayor ~~Manager~~ shall prepare and
21 present a legislative budget request to the Board of County
22 Commissioners. The Board of County Commissioners, with the
23 assistance of the Commission Budget Office, shall review and
24 prepare a revised budget showing the projected cost of each
25 program for each budget year taking into consideration the
26 County Mayor's legislative budget request. Prior to the County
27 Commission's first public hearing on the proposed budget
28 required by state law, the County Commission ~~Manager~~ shall
29 make public a budget summary setting forth the proposed cost
30 of each individual program and reflecting all major proposed
31 increases and decreases in funds and personnel for each

1 program, the purposes therefore, the estimated millage cost of
2 each program and the amount of any contingency and carryover
3 funds for each program. As a final step, the County Commission
4 shall adopt a County budget.

5 12. Quarterly Budget Comparisons. The Commission
6 Budget Office ~~County Manager~~ shall make public a quarterly
7 report showing the actual expenditures during the quarter just
8 ended against one quarter of the proposed annual expenditures

10 same cumulative information for whatever portion of the fiscal
11 year that has elapsed.

12 13. Adequate Audits. An annual audit of the County
13 and each municipality shall be made by an independent
14 certified public accounting firm in accordance with generally
15 accepted auditing standards. A summary of the results,
16 including any deficiencies found, shall be made public. In
17 making such audit, proprietary functions shall be audited
18 separately and adequate depreciation on proprietary facilities
19 shall be accrued so the public may determine the amount of any
20 direct or indirect subsidy.

21 14. Regional Offices. Regional offices of the
22 County's administrative services shall be maintained at
23 locations in the County for the convenience of the residents.

24 15. Financial Disclosure. The Commission shall by
25 ordinance make provision for the filing under oath or
26 affirmation by all County and municipal elective officials,
27 candidates for County and municipal elective offices, such
28 employees as may be designated by ordinance, and such other
29 public officials, and outside consultants who receive funds
30 from the County or municipalities, within the County and who
31 may legally be included, of personal financial statements,

1 copies of personal Federal income tax returns, or itemized
2 source of income statements. Provision shall be made for
3 preparing and keeping such reports current from time to time,
4 and for public disclosure. The Commission shall also make
5 provision for the filing annually under oath of a report by
6 full-time County and municipal employees of all outside

21 ordinances, conflict of interest ordinances, lobbyist
22 registration and reporting ordinances, ethical campaign
23 practices ordinances, when enacted, and citizens' bill of
24 rights.

25 B. The foregoing enumeration of citizens' rights vests
26 large and pervasive powers in the citizenry of Miami-Dade ~~Dade~~
27 County. Such power necessarily carries with it responsibility
28 of equal magnitude for the successful operation of government
29 in the County. The orderly, efficient and fair operation of
30 government requires the intelligent participation of
31 individual citizens exercising their rights with dignity and

1 restraint so as to avoid any sweeping acceleration in the cost
2 of government because of the exercise of individual
3 prerogatives, and for individual citizens to grant respect for
4 the dignity of public office.

5 C. Remedies for Violations. In any suit by a citizen
6 alleging a violation of this Article filed in the Dade County
7 Circuit Court pursuant to its general equity jurisdiction, the

14 shall be construed to be supplementary to and not in conflict
15 with the general laws of Florida. If any part of this Article
16 shall be declared invalid, it shall not affect the validity of
17 the remaining provisions.
