Representative Richardson offered the following:

**Amendment (with directory and title amendments)**

Remove line(s) 53 through 57, and insert:

Art. I of the State Constitution. Upon request, the panel, agency, or department shall disclose protected personal health information in its possession to a managed care entity, where the protected personal health information identifies a subscriber in an ongoing grievance before the panel, agency, or department, or proceedings incident thereto, and the subscriber has made a written authorization during the panel grievance process for the release of such information if, at the time of the request for the information, the managed care entity has a grievance before the panel regarding the subscriber or there is an ongoing procedure incident thereto. The subscriber, upon request, shall have access to all protected personal health
