Representative Poppell offered the following:

**Amendment to Amendment (606861) (with directory and title amendments)**

Remove line(s) 43-49, and insert:  
protection ordinance adopted by a county, and the implemented best-management practice, interim measure, or regulation does not specifically address wellfield protection, a county may regulate that activity pursuant to such ordinance. This subsection does not limit the powers and duties provided for in s. 373.4592 or limit the powers and duties of any county to address an emergency as provided for in
