A bill to be entitled
An act relating to the state's space industry;
expressing the legislative intent to provide
for industry-driven research to leverage
resources in support of the state's space
industry and its expansion, diversification,
and transition to commercialization; providing
an effective date.

Be It Enacted by the Legislature of the State of Florida:

Section 1. The Legislature intends to provide for and support industry-driven research to leverage the state's resources in support of Florida's space industry and its expansion, diversification, and transition to commercialization.

Section 2. This act shall take effect upon becoming a law.

SENATE SUMMARY

Expresses the legislative intent to provide for and support industry-driven research to leverage the state's resources in support of Florida's space industry and its expansion, diversification, and transition to commercialization.
