Representative Rich and Gottlieb offered the following:

Amendment

Remove lines 235-244, and insert:
department shall approve alternative cleanup target levels only where no state water quality standard, including drinking water standards, groundwater classification standards, surface water standards, and minimum criteria cleanup target levels as derived pursuant to subparagraph 1., is applicable and where, based on the applicant's demonstration, using site-specific data, modeling results, risk assessment studies, risk reduction techniques, or a combination thereof, human health, public safety, and the environment are protected to the same degree as provided in subparagraphs 1. and 2. In determining whether it is appropriate to
