29 population plus two-thirds of the incorporated area population
30 by the sum of the total county population plus two-thirds of the
31 incorporated area population.

32 (3) The proportion for each municipal government shall be
33 computed by dividing the population of that municipality by the
34 sum of the total county population plus two-thirds of the
35 incorporated area population.

36 (4) Effective October 1, 2000, the apportionment factors
37 shall, except in the case of error in the population certified
38 pursuant to s. 186.901, remain in effect for the fiscal year.
39 Adjustments to distributions to correct errors shall be made
40 subsequent to receipt of a corrected population certified
41 pursuant to s. 186.901.

42 Section 2. This act shall take effect upon becoming a law
43 and shall apply retroactively to October 1, 2000.
