25  
 26 Be It Enacted by the Legislature of the State of Florida:

27  
 28           Section 1. Medicaid audits of pharmacies.--  
 29           (1) Notwithstanding any other law, when an audit of  
 30 the Medicaid-related records of a pharmacy licensed under  
 31

1 chapter 465, Florida Statutes, is conducted, such audit must  
2 be conducted as provided in this section.

3 (a) The agency conducting the audit must give the  
4 pharmacist at least 1 weeks' prior notice of the audit.

5 (b) An audit must be conducted by a pharmacist  
6 licensed in this state.

7 (c) Any clerical or recordkeeping error, such as a  
8 typographical error, scrivener's error, or computer error  
9 regarding a document or record required under the Medicaid  
10 program does not constitute a willful violation and is not  
11 subject to criminal penalties without proof of intent to  
12 commit fraud.

13 (d) A pharmacist may use the physician's record or  
14 other order for drugs or medicinal supplies written or  
15 transmitted by any means of communication for purposes of  
16 validating the pharmacy record with respect to orders or  
17 refills of a legend or narcotic drug.

18 (e) A finding of an overpayment or underpayment must  
19 be based on the actual overpayment or underpayment and may not  
20 be a projection based on the number of patients served having  
21 a similar diagnosis or on the number of similar orders or  
22 refills for similar drugs.

23 (f) Each pharmacy shall be audited under the same  
24 standards and parameters.

25 (g) A pharmacist must be allowed at least 10 days in  
26 which to produce documentation to address any discrepancy  
27 found during an audit.

28 (h) The period covered by an audit may not exceed 1  
29 calendar year.

30  
31

1           (i) An audit may not be scheduled during the first 5  
2 days of any month due to the high volume of prescriptions  
3 filled during that time.

4           (j) The audit report must be delivered to the  
5 pharmacist within 90 days after conclusion of the audit. A  
6 final audit report shall be delivered to the pharmacist within  
7 6 months after receipt of the preliminary audit report or  
8 final appeal, as provided for in subsection (2), whichever is  
9 later.

10           (2) The Agency for Health Care Administration shall  
11 establish a process under which a pharmacist may obtain a  
12 preliminary review of an audit report and may appeal an  
13 unfavorable audit report without the necessity of obtaining  
14 legal counsel. The preliminary review and appeal may be  
15 conducted by an ad hoc peer-review panel, appointed by the  
16 agency, which consists of pharmacists who maintain an active  
17 practice. If, following the preliminary review, the agency or  
18 review panel finds that an unfavorable audit report lacks  
19 merit and finds that the pharmacist did not commit intentional  
20 fraud, the agency shall dismiss the audit report without the  
21 necessity of any further proceedings.

22           (3) This section does not apply to investigative  
23 audits conducted by the Medicaid Fraud Control Unit of the  
24 Department of Legal Affairs.

25           Section 2. This act shall take effect upon becoming a  
26 law.
