27 miscellaneous expenses, except that, if the trial court finds  
28 that extraordinary circumstances exist, the attorney is  
29 entitled to payment in excess of \$15,000.

30 (7) An attorney who is actively representing a capital  
31 defendant is entitled to a maximum of \$500 per fiscal year for

1 tuition and expenses for continuing legal education that  
2 pertains to the representation of capital defendants. Upon  
3 approval by the trial court, the attorney is entitled to  
4 payment by the Chief Financial Officer ~~Comptroller~~ for  
5 expenses for such tuition and continuing legal education.

6 (12) The court shall monitor the performance of  
7 assigned counsel to ensure that the capital defendant is  
8 receiving quality representation. The court shall also receive  
9 and evaluate allegations that are made regarding the  
10 performance of assigned counsel. The Chief Financial Officer  
11 ~~Comptroller~~, the Department of Legal Affairs, the executive  
12 director, or any interested person may advise the court of any  
13 circumstance that could affect the quality of representation,  
14 including, but not limited to, false or fraudulent billing,  
15 misconduct, failure to meet continuing legal education  
16 requirements, solicitation to receive compensation from the  
17 capital defendant, or failure to file appropriate motions in a  
18 timely manner.

19 (13) Prior to the filing of a motion for order  
20 approving payment of attorney's fees, costs, or related  
21 expenses, the assigned counsel shall deliver a copy of his

30 communicated to the assigned counsel. The assigned counsel may  
31 thereafter file his or her motion for order approving payment

1 of attorney's fees, costs, or related expenses together with  
2 supporting affidavits and all other necessary documentation.  
3 The motion must specify whether the Chief Financial Officer's

7 served on the Chief Financial Officer's ~~Comptroller's~~ contract  
8 manager, who shall have standing to file pleadings and appear  
9 before the court to contest any motion for order approving  
10 payment. The fact that the Chief Financial Officer's  
11 ~~Comptroller's~~ contract manager has not objected to any portion  
12 of the billing or to the sufficiency of the documentation is  
13 not binding on the court, which retains primary authority and  
14 responsibility for determining the reasonableness of all  
15 billings for fees, costs, and related expenses, subject to  
16 statutory limitations.

31 may bring a civil action under the Florida False Claims Act

1 against the person. The Department of Financial Services  
2 ~~Banking and Finance~~ may bring a civil action under this

4 department and the Department of Legal Affairs has not filed  
5 an action under this act.

6 (3) The complaint shall be identified on its face as a  
7 qui tam action and shall be filed in the circuit court of the

16 Financial Services ~~Banking and Finance~~ under the circumstances  
17 specified in subsection (4), may elect to intervene and  
18 proceed with the action, on behalf of the state, within 90  
19 days after it receives both the complaint and the material  
20 evidence and information.

21 (4) If a person brings an action under subsection (2)  
22 and the action is based upon the facts underlying a pending  
23 investigation by the Department of Financial Services ~~Banking~~  
24 ~~and Finance~~, the Department of Financial Services ~~Banking and~~  
25 ~~Finance~~, instead of the department, may take over the action  
26 on behalf of the state. In order to take over the action, the  
27 Department of Financial Services ~~Banking and Finance~~ must give  
28 the department written notification within 20 days after the  
29 action is filed that the Department of Financial Services  
30 ~~Banking and Finance~~ is conducting an investigation of the  
31 facts of the action and that the Department of Financial

1 Services ~~Banking and Finance~~, instead of the department, will  
2 take over the action filed under subsection (2). If the  
3 Department of Financial Services ~~Banking and Finance~~ takes  
4 over the action under this subsection, the word "department"

6 ~~Banking and Finance~~, and that department, for purposes of that  
7 action, shall have all rights and standing granted the  
8 department under this act.

15 department, or the Chief Financial Officer ~~Comptroller~~, as  
16 head of the Department of Financial Services ~~Banking and~~  
17 ~~Finance~~, so requests, it shall be served, at the requesting  
18 department's expense, with copies of all pleadings and motions  
19 filed in the action and copies of all deposition transcripts.  
20 When a person proceeds with the action, the court, without  
21 limiting the rights of the person initiating the action, may  
22 nevertheless permit the department to intervene and take over  
23 the action on behalf of the state at a later date upon showing  
24 of good cause.

25           (6) The Department of Financial Services ~~Banking and~~  
26 ~~Finance~~, or the department, may intervene on its own behalf as  
27 a matter of right.

28           Section 105. Subsection (3) of section 68.087, Florida  
29 Statutes, is amended to read:

30           68.087 Exemptions to civil actions.--

31

1           (3) No court shall have jurisdiction over an action  
2 brought under this act based upon the public disclosure of  
3 allegations or transactions in a criminal, civil, or  
4 administrative hearing; in a legislative, administrative,  
5 inspector general, or Auditor General, Chief Financial Officer  
6 ~~Comptroller~~, or Department of Financial Services ~~Banking and~~  
7 ~~Finance~~ report, hearing, audit, or investigation; or from the  
8 news media, unless the action is brought by the department, or  
9 unless the person bringing the action is an original source of  
10 the information. For purposes of this subsection, the term  
11 "original source" means an individual who has direct and  
12 independent knowledge of the information on which the  
13 allegations are based and has voluntarily provided the  
14 information to the department before filing an action under  
15 this act based on the information.

16           Section 106. Section 68.092, Florida Statutes, is

23 Administrative Trust Fund of the Department of Financial  
24 Services ~~Banking and Finance~~.

25           Section 107. Section 77.0305, Florida Statutes, is  
26 amended to read:

27           77.0305 Continuing writ of garnishment against salary  
28 or wages.--Notwithstanding any other provision of this  
29 chapter, if salary or wages are to be garnished to satisfy a  
30 judgment, the court shall issue a continuing writ of  
31 garnishment to the judgment debtor's employer which provides

1 for the periodic payment of a portion of the salary or wages  
2 of the judgment debtor as the salary or wages become due until  
3 the judgment is satisfied or until otherwise provided by court  
4 order. A debtor's status as an employee of the state or its  
5 agencies or political subdivisions does not preclude a  
6 judgment creditor's right to garnish the debtor's wages. For  
7 the purposes of this section, the state includes the judicial  
8 branch and the legislative branch as defined in s. 216.011.  
9 The state, for itself and for its agencies and subdivisions,  
10 waives sovereign immunity for the express and limited purpose  
11 necessary to carry out this section. The court shall allow  
12 the judgment debtor's employer to collect up to \$5 against the  
13 salary or wages of the judgment debtor to reimburse the  
14 employer for administrative costs for the first deduction from  
15 the judgment debtor's salary or wages and up to \$2 for each  
16 deduction thereafter. The funds collected by the state under  
17 this section must be deposited in the Department of Financial  
18 Services ~~Banking and Finance~~ Administrative Trust Fund for  
19 purposes of carrying out this section.

27 ~~Comptroller's~~ examination, and by him or her disallowed in  
28 whole or in part, unless it shall be proved to the  
29 satisfaction of the court that the defendant is, at the time  
30 of the trial, in possession of vouchers not before in the  
31 defendant's power to procure, and that the defendant was

1 prevented from exhibiting a claim for such credit at the Chief  
2 Financial Officer's ~~Comptroller's~~ office by unavoidable  
3 accident.

4 Section 109. Subsection (4) of section 99.097, Florida

8 10 cents for each signature checked or the actual cost of  
9 checking such signature, whichever is less, by the candidate  
10 or, in the case of a petition to have an issue placed on the  
11 ballot, by the person or organization submitting the petition.  
12 However, if a candidate, person, or organization seeking to  
13 have an issue placed upon the ballot cannot pay such charges  
14 without imposing an undue burden on personal resources or upon  
15 the resources otherwise available to such candidate, person,  
16 or organization, such candidate, person, or organization  
17 shall, upon written certification of such inability given  
18 under oath to the supervisor, be entitled to have the

30 this part.

2 amended to read:

3           154.05 Cooperation and agreements between  
4 counties.--Two or more counties may combine in the  
5 establishment and maintenance of a single full-time county

9 Health and contribute to a joint fund in carrying out the  
10 purpose and intent of this chapter. The duration and nature  
11 of such agreement shall be evidenced by resolutions of the

13 submitted to and approved by the department. In the event of  
14 any such agreement, a full-time county health department shall  
15 be established and maintained by the department in and for the  
16 benefit of the counties which have entered into such an  
17 agreement; and, in such case, the funds raised by taxation

30           Section 153. Subsection (2) of section 154.06, Florida  
31 Statutes, is amended to read:

1           154.06 Fees and services rendered; authority.--  
2           (2) All funds collected under this section shall be

9 department for public health services or personal health  
10 services shall be allocated to the state and the county based  
11 upon the pro rata share of funding for each such service. The  
12 board of county commissioners, if it has so contracted, shall  
13 provide for the transmittal of funds collected for its pro  
14 rata share of personal health services or primary care  
15 services rendered under the provisions of this section to the  
16 State Treasury for credit to the County Health Department  
17 Trust Fund, but in any event the proceeds from such fees may  
18 only be used to fund county health department services.

19           Section 154. Paragraphs (d) and (e) of subsection (17)  
20 of section 154.209, Florida Statutes, are amended to read:

21           154.209 Powers of authority.--The purpose of the  
22 authority shall be to assist health facilities in the  
23 acquisition, construction, financing, and refinancing of  
24 projects in any incorporated or unincorporated area within the  
25 geographical limits of the local agency. For this purpose,  
26 the authority is authorized and empowered:

27           (17) To issue special obligation revenue bonds for the  
28 purpose of establishing and maintaining the self-insurance  
29 pool and to provide reserve funds in connection therewith,  
30 such bonds to be payable from funds available in the pool from  
31 time to time or from assessments against participating health

1 facilities for the purpose of providing required contributions  
2 to the fund. With respect to the issuance of such bonds or  
3 notes the following provisions shall apply:

4 (d) Any self-insurance pool funded pursuant to this  
5 section shall maintain excess insurance which provides  
6 specific and aggregate limits and a retention level determined  
7 in accordance with sound actuarial principles. The Office of  
8 Insurance Regulation of the Financial Services Commission  
9 ~~Department of Insurance~~ may waive this requirement if the fund  
10 demonstrates that its operation is and will be actuarially  
11 sound without obtaining excess insurance.

12 (e) Prior to the issuance of any bonds pursuant to  
13 this section for the purpose of acquiring liability coverage  
14 contracts from the self-insurance pool, the Office of  
15 Insurance Regulation ~~Department of Insurance~~ shall certify  
16 that excess liability coverage for the health facility is  
17 reasonably unobtainable in the amounts provided by such pool  
18 or that the liability coverage obtained through acquiring  
19 contracts from the self-insurance pool, after taking into  
20 account costs of issuance of bonds and any other  
21 administrative fees, is less expensive to the health facility  
22 than similar commercial coverage then reasonably available.

23 Section 155. Section 154.314, Florida Statutes, is  
24 amended to read:

25 154.314 Certification of the State of Florida.--

26 (1) In the event payment for the costs of services  
27 rendered by a participating hospital or a regional referral  
28 hospital is not received from the responsible county within 90  
29 days of receipt of a statement for services rendered to a  
30 qualified indigent who is a certified resident of the county,  
31 or if the payment is disputed and said payment is not received

1 from the county determined to be responsible within 60 days of  
2 the date of exhaustion of all administrative and legal  
3 remedies, the hospital shall certify to the Chief Financial  
4 Officer ~~Comptroller~~ the amount owed by the county.

5 (2) The Chief Financial Officer ~~Comptroller~~ shall have  
6 no longer than 45 days from the date of receiving the  
7 hospital's certified notice to forward the amount delinquent  
8 to the appropriate hospital from any funds due to the county  
9 under any revenue-sharing or tax-sharing fund established by  
10 the state, except as otherwise provided by the State  
11 Constitution. The Chief Financial Officer ~~Comptroller~~ shall  
12 provide the Governor and the fiscal committees in the House of  
13 Representatives and the Senate with a quarterly accounting of  
14 the amounts certified by hospitals as owed by counties and the  
15 amount paid to hospitals out of any revenue or tax sharing  
16 funds due to the county.

17 Section 156. Paragraph (e) of subsection (7) of  
18 section 163.01, Florida Statutes, is amended to read:

19 163.01 Florida Interlocal Cooperation Act of 1969.--

20 (7)

21 (e)1. Notwithstanding the provisions of paragraph (c),  
22 any separate legal entity, created pursuant to the provisions  
23 of this section and controlled by counties or municipalities  
24 of this state, the membership of which consists or is to  
25 consist only of public agencies of this state, may, for the  
26 purpose of financing acquisition of liability coverage  
27 contracts from one or more local government liability pools to  
28 provide liability coverage for counties, municipalities, or  
29 other public agencies of this state, exercise all powers in  
30 connection with the authorization, issuance, and sale of  
31 bonds. All of the privileges, benefits, powers, and terms of

1 s. 125.01 relating to counties and s. 166.021 relating to  
2 municipalities shall be fully applicable to such entity and  
3 such entity shall be considered a unit of local government for  
4 all of the privileges, benefits, powers, and terms of part I  
5 of chapter 159. Bonds issued by such entity shall be deemed  
6 issued on behalf of counties, municipalities, or public  
7 agencies which enter into loan agreements with such entity as  
8 provided in this paragraph. Proceeds of bonds issued by such  
9 entity may be loaned to counties, municipalities, or other  
10 public agencies of this state, whether or not such counties,  
11 municipalities, or other public agencies are also members of  
12 the entity issuing the bonds, and such counties,  
13 municipalities, or other public agencies may in turn deposit  
14 such loan proceeds with a separate local government liability  
15 pool for purposes of acquiring liability coverage contracts.

16 2. Counties or municipalities of this state are  
17 authorized pursuant to this section, in addition to the  
18 authority provided by s. 125.01, part II of chapter 166, and  
19 other applicable law, to issue bonds for the purpose of  
20 acquiring liability coverage contracts from a local government  
21 liability pool. Any individual county or municipality may, by  
22 entering into interlocal agreements with other counties,  
23 municipalities, or public agencies of this state, issue bonds  
24 on behalf of itself and other counties, municipalities, or  
25 other public agencies, for purposes of acquiring a liability  
26 coverage contract or contracts from a local government  
27 liability pool. Counties, municipalities, or other public  
28 agencies are also authorized to enter into loan agreements  
29 with any entity created pursuant to subparagraph 1., or with  
30 any county or municipality issuing bonds pursuant to this  
31 subparagraph, for the purpose of obtaining bond proceeds with

1 which to acquire liability coverage contracts from a local  
2 government liability pool. No county, municipality, or other  
3 public agency shall at any time have more than one loan  
4 agreement outstanding for the purpose of obtaining bond  
5 proceeds with which to acquire liability coverage contracts  
6 from a local government liability pool. Obligations of any  
7 county, municipality, or other public agency of this state  
8 pursuant to a loan agreement as described above may be  
9 validated as provided in chapter 75. Prior to the issuance of  
10 any bonds pursuant to subparagraph 1. or this subparagraph for  
11 the purpose of acquiring liability coverage contracts from a  
12 local government liability pool, the reciprocal insurer or the  
13 manager of any self-insurance program shall demonstrate to the  
14 satisfaction of the Office of Insurance Regulation of the  
15 Financial Services Commission ~~Department of Insurance~~ that  
16 excess liability coverage for counties, municipalities, or  
17 other public agencies is reasonably unobtainable in the  
18 amounts provided by such pool or that the liability coverage  
19 obtained through acquiring contracts from a local government  
20 liability pool, after taking into account costs of issuance of  
21 bonds and any other administrative fees, is less expensive to  
22 counties, municipalities, or special districts than similar  
23 commercial coverage then reasonably available.

24 3. Any entity created pursuant to this section or any  
25 county or municipality may also issue bond anticipation notes,  
26 as provided by s. 215.431, in connection with the  
27 authorization, issuance, and sale of such bonds. In addition,  
28 the governing body of such legal entity or the governing body  
29 of such county or municipality may also authorize bonds to be  
30 issued and sold from time to time and may delegate, to such  
31 officer, official, or agent of such legal entity as the

1 governing body of such legal entity may select, the power to  
2 determine the time; manner of sale, public or private;  
3 maturities; rate or rates of interest, which may be fixed or  
4 may vary at such time or times and in accordance with a  
5 specified formula or method of determination; and other terms  
6 and conditions as may be deemed appropriate by the officer,  
7 official, or agent so designated by the governing body of such  
8 legal entity. However, the amounts and maturities of such  
9 bonds and the interest rate or rates of such bonds shall be  
10 within the limits prescribed by the governing body of such  
11 legal entity and its resolution delegating to such officer,  
12 official, or agent the power to authorize the issuance and  
13 sale of such bonds. Any series of bonds issued pursuant to  
14 this paragraph shall mature no later than 7 years following  
15 the date of issuance thereof.

16 4. Bonds issued pursuant to subparagraph 1. may be  
17 validated as provided in chapter 75. The complaint in any  
18 action to validate such bonds shall be filed only in the  
19 Circuit Court for Leon County. The notice required to be  
20 published by s. 75.06 shall be published in Leon County and in  
21 each county which is an owner of the entity issuing the bonds,  
22 or in which a member of the entity is located, and the  
23 complaint and order of the circuit court shall be served only  
24 on the State Attorney of the Second Judicial Circuit and on  
25 the state attorney of each circuit in each county or  
26 municipality which is an owner of the entity issuing the bonds  
27 or in which a member of the entity is located.

28 5. Bonds issued pursuant to subparagraph 2. may be  
29 validated as provided in chapter 75. The complaint in any  
30 action to validate such bonds shall be filed in the circuit  
31 court of the county or municipality which will issue the

1 bonds. The notice required to be published by s. 75.06 shall  
2 be published only in the county where the complaint is filed,  
3 and the complaint and order of the circuit court shall be  
4 served only on the state attorney of the circuit in the county  
5 or municipality which will issue the bonds.

6 6. The participation by any county, municipality, or  
7 other public agency of this state in a local government  
8 liability pool shall not be deemed a waiver of immunity to the  
9 extent of liability coverage, nor shall any contract entered  
10 regarding such a local government liability pool be required  
11 to contain any provision for waiver.

12 Section 157. Subsections (4), (5), (6), (7), (8), and  
13 (9) of section 163.055, Florida Statutes, are amended to read:

14 163.055 Local Government Financial Technical  
15 Assistance Program.--

16 (4) The Chief Financial Officer ~~Comptroller~~ shall  
17 enter into contracts with program providers who shall:

30 districts in developing alternative revenue sources.

31

10 (i) Provide financial emergency assistance upon  
11 direction from the Executive Office of the Governor pursuant  
12 to s. 218.503.

13 (5)(a) The Chief Financial Officer ~~Comptroller~~ shall  
14 issue a request for proposals to provide assistance to  
15 municipalities and special districts. At the request of the  
16 Chief Financial Officer ~~Comptroller~~, the Legislative Committee  
17 on Intergovernmental Relations shall assist in the preparation  
18 of the request for proposals.

19 (b) The Chief Financial Officer ~~Comptroller~~ shall  
20 review each contract proposal submitted.

21 (c) The Legislative Committee on Intergovernmental  
22 Relations shall review each contract proposal and submit to  
23 the Chief Financial Officer ~~Comptroller~~, in writing, advisory  
24 comments and recommendations, citing with specificity the  
25 reasons for its recommendations.

26 (d) The Chief Financial Officer ~~Comptroller~~ and the  
27 Legislative Committee on Intergovernmental Relations shall  
28 consider the following factors in reviewing contract  
29 proposals:  
30  
31

1           1. The demonstrated capacity of the provider to  
2 conduct needs assessments and implement the program as  
3 proposed.

4           2. The number of municipalities and special districts  
5 to be served under the proposal.

6           3. The cost of the program as specified in a proposed  
7 budget.

8           4. The short-term and long-term benefits of the  
9 assistance to municipalities and special districts.

10          5. The form and extent to which existing resources,  
11 services, and information that are available from state and  
12 local agencies, universities, and the private sector will be

14          (6) A decision of the Chief Financial Officer  
15 ~~Comptroller~~ to award a contract under this section is final  
16 and shall be in writing with a copy provided to the  
17 Legislative Committee on Intergovernmental Relations.

18          (7) The Chief Financial Officer ~~Comptroller~~ may enter  
19 into contracts and agreements with other state and local  
20 agencies and with any person, association, corporation, or

22 administering this section.

23          (8) The Chief Financial Officer ~~Comptroller~~ shall  
24 provide fiscal oversight to ensure that funds expended for the  
25 program are used in accordance with the contracts entered into  
26 pursuant to subsection (4).

27          (9) The Legislative Committee on Intergovernmental  
28 Relations shall annually conduct a performance review of the  
29 program. The findings of the review shall be presented in a  
30 report submitted to the Governor, the President of the Senate,  
31

1 the Speaker of the House of Representatives, and the Chief  
2 Financial Officer ~~Comptroller~~ by January 15 of each year.

3 Section 158. Subsection (6) of section 163.3167,  
4 Florida Statutes, is amended to read:

5 163.3167 Scope of act.--

6 (6) When a regional planning agency is required to  
7 prepare or amend a comprehensive plan, or element or portion  
8 thereof, pursuant to subsections (3) and (4), the regional  
9 planning agency and the local government may agree to a method  
10 of compensating the regional planning agency for any  
11 verifiable, direct costs incurred. If an agreement is not  
12 reached within 6 months after the date the regional planning  
13 agency assumes planning responsibilities for the local  
14 government pursuant to subsections (3) and (4) or by the time  
15 the plan or element, or portion thereof, is completed,  
16 whichever is earlier, the regional planning agency shall file  
17 invoices for verifiable, direct costs involved with the  
18 governing body. Upon the failure of the local government to  
19 pay such invoices within 90 days, the regional planning agency  
20 may, upon filing proper vouchers with the Chief Financial  
21 Officer ~~State Comptroller~~, request payment by the Chief  
22 Financial Officer ~~State Comptroller~~ from unencumbered revenue  
23 or other tax sharing funds due such local government from the  
24 state for work actually performed, and the Chief Financial  
25 Officer ~~State Comptroller~~ shall pay such vouchers; however,  
26 the amount of such payment shall not exceed 50 percent of such  
27 funds due such local government in any one year.

28 Section 159. Section 166.111, Florida Statutes, is  
29 amended to read:

30 166.111 Authority to borrow.--

31

1           ~~(1)~~ The governing body of every municipality may  
2 borrow money, contract loans, and issue bonds as defined in s.  
3 166.101 from time to time to finance the undertaking of any  
4 capital or other project for the purposes permitted by the  
5 State Constitution and may pledge the funds, credit, property,  
6 and taxing power of the municipality for the payment of such  
7 debts and bonds.

8           ~~(2)(a) The Legislature finds:~~

9           ~~1. The widespread and massive damage to persons and~~  
10 ~~property caused by the August 24, 1992, storm known as~~  
11 ~~Hurricane Andrew has generated insurance claims of such a~~  
12 ~~nature as to render numerous insurers operating within this~~  
13 ~~state insolvent, and therefore unable to satisfy covered~~  
14 ~~claims.~~

15           ~~2. The inability of insureds within this state to~~  
16 ~~receive payment of covered claims or to receive such payment~~  
17 ~~on a timely basis creates financial and other hardships for~~  
18 ~~such insureds and places undue burdens on the state, the~~  
19 ~~affected units of local government, and the community at~~  
20 ~~large.~~

21           ~~3. In addition, the failure of insurers to pay covered~~  
22 ~~claims or to pay such claims on a timely basis due to the~~  
23 ~~insolvency of such insurers can undermine the public's~~  
24 ~~confidence in insurers operating within this state, thereby~~  
25 ~~adversely affecting the stability of the insurance industry in~~  
26 ~~this state.~~

27           ~~4. The state has previously taken action to address~~  
28 ~~these problems by adopting the Florida Insurance Guaranty~~  
29 ~~Association Act, which, among other things, provides a~~  
30 ~~mechanism for the payment of covered claims under certain~~  
31 ~~insurance policies to avoid excessive delay in payment and to~~

1 ~~avoid financial loss to claimants or policyholders because of~~  
2 ~~the insolvency of an insurer.~~

3         ~~5. In the wake of the unprecedented destruction caused~~  
4 ~~by Hurricane Andrew, the resultant covered claims, and the~~  
5 ~~number of insurers rendered insolvent thereby, it is evident~~  
6 ~~that alternative programs must be developed to allow the~~  
7 ~~Florida Insurance Guaranty Association to more expeditiously~~  
8 ~~and effectively provide for the payment of covered claims.~~

9         ~~6. It is therefore determined to be in the best~~  
10 ~~interests of, and necessary for, the protection of the public~~  
11 ~~health, safety, and general welfare of the residents of this~~  
12 ~~state, and for the protection and preservation of the economic~~  
13 ~~stability of insurers operating in this state, and it is~~  
14 ~~hereby declared to be an essential public purpose, to permit~~  
15 ~~certain municipalities to take such actions as will provide~~  
16 ~~relief to claimants and policyholders having covered claims~~  
17 ~~against insolvent insurers operating in this state, by~~  
18 ~~expediting the handling and payment of covered claims.~~

19         ~~7. To achieve the foregoing purposes, it is proper to~~  
20 ~~authorize municipalities of this state substantially affected~~  
21 ~~by Hurricane Andrew to issue bonds to assist the Florida~~  
22 ~~Insurance Guaranty Association in expediting the handling and~~  
23 ~~payment of covered claims against insolvent insurers operating~~  
24 ~~in this state.~~

25         ~~8. In order to avoid the needless and indiscriminate~~  
26 ~~proliferation, duplication, and fragmentation of such~~  
27 ~~assistance programs, it is proper to authorize a municipality~~  
28 ~~severely affected by Hurricane Andrew to provide for the~~  
29 ~~payment of covered claims beyond its territorial limits in the~~  
30 ~~implementation of such programs.~~

31

1           ~~(b) The governing body of any municipality the~~  
2 ~~residents of which have been substantially affected by the~~  
3 ~~August 24, 1992, storm known as Hurricane Andrew, or any~~  
4 ~~county as defined in s. 125.011(1), may issue no more than~~  
5 ~~\$500 million, in aggregate principal amount, of bonds as~~  
6 ~~defined in s. 166.101 from time to time to fund an assistance~~  
7 ~~program, in conjunction with the Florida Insurance Guaranty~~  
8 ~~Association, for the purpose of paying to claimants or~~  
9 ~~policyholders covered claims, as such term is defined in s.~~  
10 ~~631.54(3), arising through the insolvency of an insurer~~  
11 ~~occurring on or before March 31, 1993, which insolvency is~~  
12 ~~determined by the Florida Insurance Guaranty Association to~~  
13 ~~have been a result of Hurricane Andrew, regardless of whether~~  
14 ~~such claimants or policyholders are residents of such~~  
15 ~~municipality or the property to which such claim relates is~~  
16 ~~located within or outside of the territorial jurisdiction of~~  
17 ~~such municipality. A municipality issuing bonds for this~~  
18 ~~purpose shall enter into such contracts with the Florida~~  
19 ~~Insurance Guaranty Association or any entity acting on behalf~~  
20 ~~of the Florida Insurance Guaranty Association as are necessary~~  
21 ~~to implement the assistance program. Any bonds issued by a~~  
22 ~~municipality under this subsection shall be payable from and~~  
23 ~~secured by moneys received by or on behalf of the municipality~~  
24 ~~from assessments levied under s. 631.57(3)(e), and assigned~~  
25 ~~and pledged under s. 631.57(3)(e) to or on behalf of the~~  
26 ~~municipality for the benefit of the holders of such bonds in~~  
27 ~~connection with such assistance program. The funds, credit,~~  
28 ~~property, and taxing power of the municipality shall not be~~  
29 ~~pledged for the payment of such bonds.~~

30           ~~(c) The governing body of the municipality issuing~~  
31 ~~bonds authorized by paragraph (b) shall require all firms,~~

1 ~~including, but not limited to, the financial advisers, legal~~  
2 ~~counsel, and underwriters, providing professional services in~~  
3 ~~the issuance of such bonds to include minority firms in the~~  
4 ~~provision of such services. To meet such participation~~  
5 ~~requirement, the minority firm must have full-time employees~~  
6 ~~located in this state and a permanent place of business~~  
7 ~~located in this state, and must be a firm which is at least 51~~  
8 ~~percent owned by minority persons as defined by s. 288.703(3),~~  
9 ~~or any combination thereof, and whose management and daily~~  
10 ~~operations are controlled by such persons. Minority firms must~~  
11 ~~be offered participation in not less than 20 percent of the~~  
12 ~~respective contracts for professional services.~~

13 Section 160. Paragraph (a) of subsection (8) of  
14 section 175.032, Florida Statutes, is amended to read:

15 175.032 Definitions.--For any municipality, special  
16 fire control district, chapter plan, local law municipality,  
17 local law special fire control district, or local law plan  
18 under this chapter, the following words and phrases have the  
19 following meanings:

20 (8)(a) "Firefighter" means any person employed solely  
21 by a constituted fire department of any municipality or  
22 special fire control district who is certified as a  
23 firefighter as a condition of employment in accordance with  
24 the provisions of s. 633.35 and whose duty it is to extinguish

7 voluminous in nature and substance, the department may sample  
8 such records, except for fixed assets, and project the audit  
9 findings derived therefrom over the entire audit period to  
10 determine the proportion that taxable retail sales bear to  
11 total retail sales or the proportion that taxable purchases  
12 bear to total purchases. In order to conduct such a sample,  
13 the department must first make a good faith effort to reach an  
14 agreement with the dealer, which agreement provides for the  
15 means and methods to be used in the sampling process. In the  
16 event that no agreement is reached, the dealer is entitled to  
17 a review by the executive director.

2 taxpayer's records, other than those regarding fixed assets,  
3 are adequate but voluminous. Alternatively, a taxpayer is  
4 entitled to establish any refund or deficiency through any  
5 other sampling method agreed upon by the taxpayer and the  
6 department when the taxpayer's records, other than those  
7 regarding fixed assets, are adequate but voluminous. Whether  
8 done through statistical sampling or any other sampling method  
9 agreed upon by the taxpayer and the department, the completed  
10 sample must reflect both overpayments and underpayments of  
11 taxes due. The sample shall be conducted through:

12 (I) A taxpayer request to perform the sampling through  
13 the certified audit program pursuant to s. 213.285;

14 (II) Attestation by a certified public accountant as

21 department of the sampling method; however, a refund claim  
22 submitted before the sampling method has been approved by the  
23 department cannot be a complete refund application pursuant to  
24 s. 213.255 until the sampling method has been approved by the  
25 department.

27 procedures to be followed under each method of sampling. Such  
28 procedures shall follow generally accepted auditing procedures

31 training requirements that must be met before a sampling

1 method may be utilized and the steps necessary for the  
2 department and the taxpayer to reach agreement on a sampling  
3 method submitted by the taxpayer for approval by the  
4 department.

4 3. All such moneys are hereby appropriated to be

31 restoration schedule and such change may be made at any time

1 during the restoration period. Moneys are hereby appropriated  
2 for transfers pursuant to this subparagraph.

29 The agency or Chief Justice shall pay any outstanding debts of  
30 the trust fund as soon as practicable, and the Chief Financial  
31 Officer ~~Comptroller~~ shall close out and remove the trust fund

1 from the various state accounting systems, using generally  
2 accepted accounting practices concerning warrants outstanding,  
3 assets, and liabilities. No appropriation or budget amendment  
4 shall be construed to authorize any encumbrance of funds from  
5 a trust fund after the date on which the trust fund is  
6 terminated or is judicially determined to be invalid.

7 (3) On or before September 1 of each year, the Chief  
8 Financial Officer ~~Comptroller~~ shall submit to the Executive  
9 Office of the Governor, the President of the Senate, and the  
10 Speaker of the House of Representatives a list of trust funds  
11 that are scheduled to terminate within 12 months after that

13 trust funds that are exempt from automatic termination  
14 pursuant to the provisions of s. 19(f)(3), Art. III of the  
15 State Constitution, listing revenues of the trust funds by  
16 major revenue category for each of the last 4 fiscal years.

17 Section 211. Paragraph (a) of subsection (2) of  
18 section 215.3208, Florida Statutes, is amended to read:

19 215.3208 Trust funds; legislative review.--

24 Officer ~~Comptroller~~ shall close out and remove the trust fund

26 accepted accounting principles concerning assets, liabilities,  
27 and warrants outstanding.

29 215.322, Florida Statutes, are amended to read:

2 debit cards by state agencies, units of local government, and  
3 the judicial branch.--

4           (2) A state agency as defined in s. 216.011, or the  
5 judicial branch, may accept credit cards, charge cards, or  
6 debit cards in payment for goods and services with the prior  
7 approval of the Chief Financial Officer ~~Treasurer~~. When the  
8 Internet or other related electronic methods are to be used as  
9 the collection medium, the State Technology Office shall  
10 review and recommend to the Chief Financial Officer ~~Treasurer~~  
11 whether to approve the request with regard to the process or  
12 procedure to be used.

13           (3) The Chief Financial Officer ~~Treasurer~~ shall adopt  
14 rules governing the establishment and acceptance of credit  
15 cards, charge cards, or debit cards by state agencies or the  
16 judicial branch, including, but not limited to, the following:

17           (a) Utilization of a standardized contract between the  
18 financial institution or other appropriate intermediaries and  
19 the agency or judicial branch which shall be developed by the  
20 Chief Financial Officer ~~Treasurer~~ or approval by the Chief  
21 Financial Officer ~~Treasurer~~ of a substitute agreement.

22           (b) Procedures which permit an agency or officer  
23 accepting payment by credit card, charge card, or debit card  
24 to impose a convenience fee upon the person making the  
25 payment. However, the total amount of such convenience fees  
26 shall not exceed the total cost to the state agency. A  
27 convenience fee is not refundable to the payor.

28 Notwithstanding the foregoing, this section shall not be  
29 construed to permit surcharges on any other credit card  
30 purchase in violation of s. 501.0117.

31

1 (c) All service fees payable pursuant to this section  
2 when practicable shall be invoiced and paid by state warrant  
3 or such other manner that is satisfactory to the Chief  
4 Financial Officer ~~Comptroller~~ in accordance with the time  
5 periods specified in s. 215.422.

6 (d) Submission of information to the Chief Financial  
7 Officer ~~Treasurer~~ concerning the acceptance of credit cards,  
8 charge cards, or debit cards by all state agencies or the  
9 judicial branch.

10 (e) A methodology for agencies to use when completing  
11 the cost-benefit analysis referred to in subsection (1). The  
12 methodology must consider all quantifiable cost reductions,  
13 other benefits to the agency, and potential impact on general  
14 revenue. The methodology must also consider nonquantifiable  
15 benefits such as the convenience to individuals and businesses  
16 that would benefit from the ability to pay for state goods and  
17 services through the use of credit cards, charge cards, and  
18 debit cards.

19 (4) The Chief Financial Officer may ~~Treasurer is~~  
20 ~~authorized to~~ establish contracts with one or more financial  
21 institutions, credit card companies, or other entities which  
22 may lawfully provide such services, in a manner consistent  
23 with chapter 287, for processing credit card, charge card, or  
24 debit card collections for deposit into the State Treasury or  
25 another qualified public depository. Any state agency, or the  
26 judicial branch, which accepts payment by credit card, charge  
27 card, or debit card shall use at least one of the contractors  
28 established by the Chief Financial Officer ~~Treasurer~~ unless  
29 the state agency or judicial branch obtains authorization from  
30 the Chief Financial Officer ~~Treasurer~~ to use another  
31 contractor which is more advantageous to such state agency or

1 the judicial branch. Such contracts may authorize a unit of  
2 local government to use the services upon the same terms and  
3 conditions for deposit of credit card, charge card, or debit  
4 card transactions into its qualified public depositories.

5 Section 213. Subsections (1) and (2) of section  
6 215.34, Florida Statutes, are amended to read:

7 215.34 State funds; noncollectible items; procedure.--

8 (1) Any check, draft, or other order for the payment  
9 of money in payment of any licenses, fees, taxes, commissions,  
10 or charges of any sort authorized to be made under the laws of  
11 the state and deposited in the State Treasury as provided  
12 herein, which may be returned for any reason by the bank or  
13 other payor upon which same shall have been drawn shall be  
14 forthwith returned by the Chief Financial Officer ~~State~~  
15 ~~Treasurer~~ for collection to the state officer, the state  
16 agency, or the entity of the judicial branch making the  
17 deposit. In such case, the Chief Financial Officer may  
18 ~~Treasurer is hereby authorized to~~ issue a debit memorandum  
19 charging an account of the agency, officer, or entity of the  
20 judicial branch which originally received the payment. The  
21 original of the debit memorandum shall state the reason for  
22 the return of the check, draft, or other order and shall  
23 accompany the item being returned to the officer, agency, or  
24 entity of the judicial branch being charged, ~~and a copy of the~~  
25 ~~debit memorandum shall be sent to the Comptroller.~~ The  
26 officer, agency, or entity of the judicial branch receiving  
27 the charged-back item shall prepare a journal transfer which  
28 shall debit the charge against the fund or account to which  
29 the same shall have been originally credited. Such procedure  
30 for handling noncollectible items shall not be construed as  
31 paying funds out of the State Treasury without an

1 appropriation, but shall be considered as an administrative  
2 procedure for the efficient handling of state records and  
3 accounts.

4 (2) Whenever a check, draft, or other order for the  
5 payment of money is returned by the Chief Financial Officer  
6 ~~State Treasurer~~, or by a qualified public depository as  
7 defined in s. 280.02, to a state officer, a state agency, or  
8 the judicial branch for collection, the officer, agency, or  
9 judicial branch shall add to the amount due a service fee of  
10 \$15 or 5 percent of the face amount of the check, draft, or  
11 order, whichever is greater. An agency or the judicial branch  
12 may adopt a rule which prescribes a lesser maximum service  
13 fee, which shall be added to the amount due for the dishonored  
14 check, draft, or other order tendered for a particular  
15 service, license, tax, fee, or other charge, but in no event  
16 shall the fee be less than \$15. The service fee shall be in  
17 addition to all other penalties imposed by law, except that  
18 when other charges or penalties are imposed by an agency  
19 related to a noncollectible item, the amount of the service  
20 fee shall not exceed \$150. Proceeds from this fee shall be  
21 deposited in the same fund as the collected item. Nothing in  
22 this section shall be construed as authorization to deposit  
23 moneys outside the State Treasury unless specifically  
24 authorized by law.

25 Section 214. Section 215.35, Florida Statutes, is  
26 amended to read:

27 215.35 State funds; warrants and their issuance.--All  
28 warrants issued by the Chief Financial Officer ~~Comptroller~~  
29 shall be numbered in chronological order commencing with  
30 number one in each fiscal year and each warrant shall refer to  
31 the Chief Financial Officer's ~~Comptroller's~~ voucher by the

1 number thereof, which voucher shall also be numbered as above  
2 set forth. Each warrant shall state the name of the payee  
3 thereof and the amount allowed, and said warrant shall be  
4 stated in words at length. No warrant shall issue until same  
5 has been authorized by an appropriation made by law but such  
6 warrant need not state or set forth such authorization. The  
7 Chief Financial Officer ~~Comptroller~~ shall register and  
8 maintain a record of each warrant in his or her office. The  
9 record shall show the funds, accounts, purposes, and  
10 departments involved in the issuance of each warrant. In  
11 those instances where the expenditure of funds of regulatory  
12 boards or commissions has been provided for by laws other than  
13 the annual appropriations bill, warrants shall be issued upon  
14 requisition to the Chief Financial Officer ~~State Comptroller~~  
15 by the governing body of such board or commission.

16 Section 215. Section 215.405, Florida Statutes, is  
17 amended to read:

18 215.405 State agencies and the judicial branch  
19 authorized to collect costs of fingerprinting.--Any state  
20 agency, or the judicial branch, exercising regulatory  
21 authority and authorized to take fingerprints of persons  
22 within or seeking to come within such agency's or the judicial  
23 branch's regulatory power may collect from the person or  
24 entity on whose behalf the fingerprints were submitted the  
25 actual costs of processing such fingerprints including, but  
26 not limited to, any charges imposed by the Department of Law  
27 Enforcement or any agency or branch of the United States  
28 Government. This provision shall constitute express authority  
29 for state agencies and the judicial branch to collect the  
30 actual costs of processing the fingerprints either prior to or  
31 subsequent to the actual processing and shall supersede any

1 other law to the contrary. To administer the provisions of  
2 this section, a state agency, or the judicial branch, electing  
3 to collect the cost of fingerprinting is empowered to  
4 promulgate and adopt rules to establish the amounts and the  
5 methods of payment needed to collect such costs. Collections  
6 made under these provisions shall be deposited with the Chief  
7 Financial Officer ~~Treasurer~~ to an appropriate trust fund  
8 account to be designated by the Executive Office of the  
9 Governor.

10 Section 216. Section 215.42, Florida Statutes, is  
11 amended to read:

12 215.42 Purchases from appropriations, proof of  
13 delivery.--The Chief Financial Officer ~~State Comptroller~~ may  
14 require proof, as he or she deems necessary, of delivery and  
15 receipt of purchases before honoring any voucher for payment  
16 from appropriations made in the General Appropriations Act or  
17 otherwise provided by law.

18 Section 217. Section 215.422, Florida Statutes, is  
19 amended to read:

20 215.422 Warrants, vouchers, and invoices; processing  
21 time limits; dispute resolution; agency or judicial branch  
22 compliance.--

23 (1) The voucher authorizing payment of an invoice  
24 submitted to an agency of the state or the judicial branch,  
25 required by law to be filed with the Chief Financial Officer  
26 ~~Comptroller~~, shall be filed with the Chief Financial Officer  
27 ~~Comptroller~~ not later than 20 days after receipt of the  
28 invoice and receipt, inspection, and approval of the goods or  
29 services, except that in the case of a bona fide dispute the  
30 voucher shall contain a statement of the dispute and authorize  
31 payment only in the amount not disputed. The Chief Financial

1 Officer ~~Comptroller~~ may establish dollar thresholds and other  
2 criteria for all invoices and may delegate to a state agency  
3 or the judicial branch responsibility for maintaining the  
4 official vouchers and documents for invoices which do not  
5 exceed the thresholds or which meet the established criteria.  
6 Such records shall be maintained in accordance with the  
7 requirements established by the Secretary of State. The  
8 electronic payment request transmission to the Chief Financial  
9 Officer ~~Comptroller~~ shall constitute filing of a voucher for  
10 payment of invoices for which the Chief Financial Officer  
11 ~~Comptroller~~ has delegated to an agency custody of official  
12 records. Approval and inspection of goods or services shall  
13 take no longer than 5 working days unless the bid  
14 specifications, purchase order, or contract specifies  
15 otherwise. If a voucher filed within the 20-day period is  
16 returned by the Department of Financial Services ~~Banking and~~  
17 ~~Finance~~ because of an error, it shall nevertheless be deemed  
18 timely filed. The 20-day filing requirement may be waived in  
19 whole or in part by the Department of Financial Services  
20 ~~Banking and Finance~~ on a showing of exceptional circumstances  
21 in accordance with rules and regulations of the department.  
22 For the purposes of determining the receipt of invoice date,  
23 the agency or the judicial branch is deemed to receive an  
24 invoice on the date on which a proper invoice is first  
25 received at the place designated by the agency or the judicial  
26 branch. The agency or the judicial branch is deemed to  
27 receive an invoice on the date of the invoice if the agency or  
28 the judicial branch has failed to annotate the invoice with  
29 the date of receipt at the time the agency or the judicial  
30 branch actually received the invoice or failed at the time the  
31

1 order is placed or contract made to designate a specific  
2 location to which the invoice must be delivered.

3 (2) The warrant in payment of an invoice submitted to  
4 an agency of the state or the judicial branch shall be issued  
5 not later than 10 days after filing of the voucher authorizing  
6 payment. However, this requirement may be waived in whole or  
7 in part by the Department of Financial Services ~~Banking and~~  
8 ~~Finance~~ on a showing of exceptional circumstances in  
9 accordance with rules and regulations of the department. If  
10 the 10-day period contains fewer than 6 working days, the  
11 Department of Financial Services ~~Banking and Finance~~ shall be  
12 deemed in compliance with this subsection if the warrant is  
13 issued within 6 working days without regard to the actual  
14 number of calendar days. For purposes of this section, a  
15 payment is deemed to be issued on the first working day that  
16 payment is available for delivery or mailing to the vendor.

17 (3)(a) Each agency of the state or the judicial branch  
18 which is required by law to file vouchers with the Chief  
19 Financial Officer ~~Comptroller~~ shall keep a record of the date  
20 of receipt of the invoice; dates of receipt, inspection, and  
21 approval of the goods or services; date of filing of the  
22 voucher; and date of issuance of the warrant in payment  
23 thereof. If the voucher is not filed or the warrant is not  
24 issued within the time required, an explanation in writing by  
25 the agency head or the Chief Justice shall be submitted to the  
26 Department of Financial Services ~~Banking and Finance~~ in a  
27 manner prescribed by it. Agencies and the judicial branch  
28 shall continue to deliver or mail state payments promptly.

29 (b) If a warrant in payment of an invoice is not  
30 issued within 40 days after receipt of the invoice and  
31 receipt, inspection, and approval of the goods and services,

1 the agency or judicial branch shall pay to the vendor, in  
2 addition to the amount of the invoice, interest at a rate as  
3 established pursuant to s. 55.03(1) on the unpaid balance from  
4 the expiration of such 40-day period until such time as the  
5 warrant is issued to the vendor. Such interest shall be added  
6 to the invoice at the time of submission to the Chief  
7 Financial Officer ~~Comptroller~~ for payment whenever possible.  
8 If addition of the interest penalty is not possible, the  
9 agency or judicial branch shall pay the interest penalty  
10 payment within 15 days after issuing the warrant. The  
11 provisions of this paragraph apply only to undisputed amounts  
12 for which payment has been authorized. Disputes shall be  
13 resolved in accordance with rules developed and adopted by the  
14 Chief Justice for the judicial branch, and rules adopted by  
15 the Department of Financial Services ~~Banking and Finance~~ or in  
16 a formal administrative proceeding before an administrative  
17 law judge of the Division of Administrative Hearings for state  
18 agencies, provided that, for the purposes of ss. 120.569 and  
19 120.57(1), no party to a dispute involving less than \$1,000 in  
20 interest penalties shall be deemed to be substantially  
21 affected by the dispute or to have a substantial interest in  
22 the decision resolving the dispute. In the case of an error on  
23 the part of the vendor, the 40-day period shall begin to run  
24 upon receipt by the agency or the judicial branch of a  
25 corrected invoice or other remedy of the error. The provisions  
26 of this paragraph do not apply when the filing requirement  
27 under subsection (1) or subsection (2) has been waived in  
28 whole by the Department of Financial Services ~~Banking and~~  
29 ~~Finance~~. The various state agencies and the judicial branch  
30 shall be responsible for initiating the penalty payments  
31 required by this subsection and shall use this subsection as

1 authority to make such payments. The budget request submitted  
2 to the Legislature shall specifically disclose the amount of  
3 any interest paid by any agency or the judicial branch  
4 pursuant to this subsection. The temporary unavailability of  
5 funds to make a timely payment due for goods or services does  
6 not relieve an agency or the judicial branch from the  
7 obligation to pay interest penalties under this section.

8 (c) An agency or the judicial branch may make partial  
9 payments to a contractor upon partial delivery of goods or  
10 services or upon partial completion of construction when a  
11 request for such partial payment is made by the contractor and  
12 approved by the agency. Provisions of this section and rules  
13 of the Department of Financial Services ~~Banking and Finance~~  
14 shall apply to partial payments in the same manner as they  
15 apply to full payments.

16 (4) If the terms of the invoice provide a discount for  
17 payment in less than 30 days, agencies of the state and the  
18 judicial branch shall preferentially process it and use all  
19 diligence to obtain the saving by compliance with the invoice  
20 terms.

21 (5) All purchasing agreements between a state agency  
22 or the judicial branch and a vendor, applicable to this  
23 section, shall include a statement of the vendor's rights and  
24 the state's responsibilities under this section. The vendor's  
25 rights shall include being provided with the telephone number  
26 of the vendor ombudsman within the Department of Financial  
27 Services ~~Banking and Finance~~, which information shall also be  
28 placed on all agency or judicial branch purchase orders.

29 (6) The Department of Financial Services ~~Banking and~~  
30 ~~Finance~~ shall monitor each agency's and the judicial branch's  
31 compliance with the time limits and interest penalty

1 provisions of this section. The department shall provide a  
2 report to an agency or to the judicial branch if the  
3 department determines that the agency or the judicial branch  
4 has failed to maintain an acceptable rate of compliance with  
5 the time limits and interest penalty provisions of this  
6 section. The department shall establish criteria for  
7 determining acceptable rates of compliance. The report shall  
8 also include a list of late vouchers or payments, the amount  
9 of interest owed or paid, and any corrective actions  
10 recommended. The department shall perform monitoring  
11 responsibilities, pursuant to this section, using the  
12 Management Services and Purchasing Subsystem or the Florida  
13 Accounting Information Resource Subsystem provided in s.  
14 215.94. Each agency and the judicial branch shall be  
15 responsible for the accuracy of information entered into the  
16 Management Services and Purchasing Subsystem and the Florida  
17 Accounting Information Resource Subsystem for use in this  
18 monitoring.

19 (7) There is created a vendor ombudsman within the  
20 Department of Financial Services ~~Banking and Finance~~ who shall  
21 be responsible for the following functions:

22 (a) Performing the duties of the department pursuant  
23 to subsection (6).

24 (b) Reviewing requests for waivers due to exceptional  
25 circumstances.

26 (c) Disseminating information relative to the prompt  
27 payment policies of this state and assisting vendors in  
28 receiving their payments in a timely manner.

29 (d) Performing such other duties as determined by the  
30 department.

31

1           (8) The Department of Financial Services ~~Banking and~~  
2 ~~Finance~~ is authorized and directed to adopt and promulgate  
3 rules and regulations to implement this section and for  
4 resolution of disputes involving amounts of less than \$1,000  
5 in interest penalties for state agencies. No agency or the  
6 judicial branch shall adopt any rule or policy that is  
7 inconsistent with this section or the Department of Financial  
8 Services ~~Banking and Finance's~~ rules or policies.

9           (9) Each agency and the judicial branch shall include  
10 in the official position description of every officer or  
11 employee who is responsible for the approval or processing of  
12 vendors' invoices or distribution of warrants to vendors that  
13 the requirements of this section are mandatory.

14           (10) Persistent failure to comply with this section by  
15 any agency of the state or the judicial branch shall  
16 constitute good cause for discharge of employees duly found  
17 responsible, or predominantly responsible, for failure to  
18 comply.

19           (11) Travel and other reimbursements to state officers  
20 and employees must be the same as payments to vendors under  
21 this section, except payment of Class C travel subsistence.  
22 Class C travel subsistence shall be paid in accordance with  
23 the schedule established by the Chief Financial Officer  
24 ~~Comptroller~~ pursuant to s. 112.061(5)(b). This section does  
25 not apply to payments made to state agencies, the judicial  
26 branch, or the legislative branch.

27           (12) In the event that a state agency or the judicial  
28 branch contracts with a third party, uses a revolving fund, or  
29 pays from a local bank account to process and pay invoices for  
30 goods or services, all requirements for financial obligations  
31 and time processing set forth in this section shall be

1 applicable and the state agency or the judicial branch shall  
2 be responsible for paying vendors the interest assessed for  
3 untimely payment. The state agency or the judicial branch may,  
4 through its contract with a third party, require the third  
5 party to pay interest from the third party's funds.

6 (13) Notwithstanding the provisions of subsections (3)  
7 and (12), in order to alleviate any hardship that may be  
8 caused to a health care provider as a result of delay in  
9 receiving reimbursement for services, any payment or payments  
10 for hospital, medical, or other health care services which are  
11 to be reimbursed by a state agency or the judicial branch,  
12 either directly or indirectly, shall be made to the health  
13 care provider not more than 35 days from the date eligibility  
14 for payment of such claim is determined. If payment is not  
15 issued to a health care provider within 35 days after the date  
16 eligibility for payment of the claim is determined, the state  
17 agency or the judicial branch shall pay the health care  
18 provider interest at a rate of 1 percent per month calculated  
19 on a calendar day basis on the unpaid balance from the  
20 expiration of such 35-day period until such time as payment is  
21 made to the health care provider, unless a waiver in whole has  
22 been granted by the Department of Financial Services Banking  
23 ~~and Finance~~ pursuant to subsection (1) or subsection (2).

24 (14) The Chief Financial Officer ~~Comptroller~~ may adopt  
25 rules to authorize advance payments for goods and services,  
26 including, but not limited to, maintenance agreements and  
27 subscriptions. Such rules shall provide objective criteria  
28 for determining when it is in the best interest of the state  
29 to make payments in advance and shall also provide for  
30 adequate protection to ensure that such goods or services will  
31 be provided.

1           (15) Nothing contained in this section shall be  
2 construed to be an appropriation. Any interest which becomes  
3 due and owing pursuant to this section shall only be payable  
4 from the appropriation charged for such goods or services.

5           (16) Notwithstanding the provisions of s. 24.120(3),  
6 applicable to warrants issued for payment of invoices  
7 submitted by the Department of the Lottery, the Chief  
8 Financial Officer ~~Comptroller~~ may, by written agreement with  
9 the Department of the Lottery, establish a shorter time  
10 requirement than the 10 days provided in subsection (2) for  
11 warrants issued for payment. Pursuant to such written  
12 agreement, the Department of the Lottery shall reimburse the  
13 Chief Financial Officer ~~Comptroller~~ for costs associated with  
14 processing invoices under the agreement.

15           Section 218. Section 215.50, Florida Statutes, is  
16 amended to read:

17           215.50 Custody of securities purchased; income.--

18           (1) All securities purchased or held may, with the  
19 approval of the board, be in the custody of the Chief  
20 Financial Officer ~~Treasurer~~ or the Chief Financial Officer  
21 ~~Treasurer~~ as treasurer ex officio of the board, or be  
22 deposited with a bank or trust company to be held in  
23 safekeeping by such bank or trust company for the collection  
24 of principal and interest or of the proceeds of the sale  
25 thereof.

26           (2) It shall be the duty of the board or of the Chief  
27 Financial Officer ~~Treasurer~~, as custodian of the securities of  
28 the board, to collect the interest or other income on, and the  
29 principal of, such securities in their custody as the sums  
30 become due and payable and to pay the same, when so collected,  
31

1 into the investment account of the fund to which the  
2 investments belong.

3 (3) The Chief Financial Officer ~~Treasurer~~, as  
4 custodian of securities owned by the Florida Retirement System  
5 Trust Fund and the Florida Survivor Benefit Trust Fund, shall  
6 collect the interest, dividends, prepayments, maturities,  
7 proceeds from sales, and other income accruing from such  
8 assets. As such income is collected by the Chief Financial  
9 Officer ~~Treasurer~~, it shall be deposited directly into a  
10 commercial bank to the credit of the State Board of  
11 Administration. Such bank accounts as may be required for  
12 this purpose shall offer satisfactory collateral security as  
13 provided by chapter 280. In the event funds so deposited  
14 according to the provisions of this section are required for  
15 the purpose of paying benefits or other operational needs, the  
16 State Board of Administration shall remit to the Florida  
17 Retirement System Trust Fund in the State Treasury such  
18 amounts as may be requested by the Department of Management  
19 Services.

20 (4) Securities that the board selects to use for  
21 options operations under s. 215.45 or for lending under s.  
22 215.47(16) shall be registered by the Chief Financial Officer  
23 ~~Treasurer~~ in the name of a third-party nominee in order to  
24 facilitate such operations.

25 Section 219. Section 215.551, Florida Statutes, is  
26 amended to read:

27 215.551 Federal Use of State Lands Trust Fund; county  
28 distribution.--

29 (1) The Chief Financial Officer ~~Comptroller~~ may make  
30 distribution of the Federal Use of State Lands Trust Fund,

31

1 when so requested by the counties in interest, of such amounts  
2 as may be accumulated in that fund.

3       (2) The Chief Financial Officer ~~Comptroller~~ shall  
4 ascertain, from the records of the General Land Office or  
5 other departments in Washington, D.C., the number of acres of  
6 land situated in the several counties in which the  
7 Apalachicola, Choctawhatchee, Ocala, and Osceola Forest  
8 Reserves are located, the number of acres of land of such  
9 forest reserve embraced in each of the counties in each of the  
10 reserves, and, also, the amount of money received by the  
11 United States Government from each of the reserves,  
12 respectively. The Chief Financial Officer ~~Comptroller~~ shall  
13 apportion the money on hand to each county in each reserve,  
14 respectively and separately; such distribution shall be based  
15 upon the number of acres of land embraced in the Apalachicola  
16 Forest, Choctawhatchee Forest, Ocala Forest, and Osceola  
17 Forest, respectively, in each county and shall be further  
18 based upon the amount collected by the United States from each  
19 of such forests, so that such distribution, when made, will  
20 include for each county the amount due each county, based upon  
21 the receipts for the particular forest and the acreage in the  
22 particular county in which such forest is located. The Chief  
23 Financial Officer ~~Comptroller~~ shall issue two warrants ~~on the~~  
24 ~~Treasurer~~ in each case, the sum of which shall be the amount  
25 due each of such counties from the fund. One warrant shall be  
26 payable to the county for the county general road fund, and  
27 one warrant, of equal amount, shall be payable to such  
28 county's district school board for the district school fund.

29       (3) In the event that actual figures of receipts from  
30 different reserves cannot be obtained by counties, so as to  
31 fully comply with subsections (1) and (2), the Chief Financial

1 ~~Officer Comptroller~~ may adjust the matter according to the  
2 United States statutes, or as may appear to him or her to be  
3 just and fair, and with the approval of all counties in  
4 interest.

5 (4) The moneys that may be received and credited to  
6 the Federal Use of State Lands Trust Fund are appropriated for  
7 the payment of the warrants of the Chief Financial Officer  
8 ~~Comptroller drawn on the Treasurer~~ in pursuance of this  
9 section.

10 Section 220. Section 215.552, Florida Statutes, is  
11 amended to read:

12 215.552 Federal Use of State Lands Trust Fund; land  
13 within military installations; county distribution.--The Chief  
14 Financial Officer ~~Comptroller~~ shall distribute moneys from the  
15 Federal Use of State Lands Trust Fund when so requested by the  
16 counties so affected. The Chief Financial Officer ~~Comptroller~~  
17 shall apportion the money on hand equal to the percentage of  
18 land in each county within each military installation, and the  
19 amount so apportioned to each county shall be applied by such  
20 counties equally divided between the district school fund and  
21 the general road fund of such counties.

22 Section 221. Paragraph (c) of subsection (2),  
23 paragraph (d) of subsection (4), and paragraphs (a), (b), and  
24 (c) of subsection (6) of section 215.555, Florida Statutes,  
25 are amended to read:

26 215.555 Florida Hurricane Catastrophe Fund.--

27 (2) DEFINITIONS.--As used in this section:

28 (c) "Covered policy" means any insurance policy  
29 covering residential property in this state, including, but  
30 not limited to, any homeowner's, mobile home owner's, farm  
31 owner's, condominium association, condominium unit owner's,

1 tenant's, or apartment building policy, or any other policy  
2 covering a residential structure or its contents issued by any  
3 authorized insurer, including the Citizens Property Insurance  
4 Corporation and any joint underwriting association or similar  
5 entity created pursuant to law. The term "covered policy"  
6 includes any collateral protection insurance policy covering  
7 personal residences which protects both the borrower's and the  
8 lender's financial interests, in an amount at least equal to  
9 the coverage for the dwelling in place under the lapsed  
10 homeowner's policy, if such policy can be accurately reported  
11 as required in subsection (5). Additionally, covered policies  
12 include policies covering the peril of wind removed from the  
13 Florida Residential Property and Casualty Joint Underwriting  
14 Association or from the Citizens Property Insurance  
15 Corporation, created pursuant to s. 627.351(6), or from the  
16 Florida Windstorm Underwriting Association, created pursuant  
17 to s. 627.351(2), by an authorized insurer under the terms and  
18 conditions of an executed assumption agreement between the  
19 authorized insurer and ~~either~~ such association. Each  
20 assumption agreement between the ~~either~~ association and such  
21 authorized insurer must be approved by the Florida Department  
22 of Insurance or the Office of Insurance Regulation prior to  
23 the effective date of the assumption, and the Department of  
24 Insurance or the Office of Insurance Regulation must provide  
25 written notification to the board within 15 working days after  
26 such approval. "Covered policy" does not include any policy  
27 that excludes wind coverage or hurricane coverage or any  
28 reinsurance agreement and does not include any policy  
29 otherwise meeting this definition which is issued by a surplus  
30 lines insurer or a reinsurer.

31 (4) REIMBURSEMENT CONTRACTS.--

1           (d)1. For purposes of determining potential liability  
2 and to aid in the sound administration of the fund, the  
3 contract shall require each insurer to report such insurer's  
4 losses from each covered event on an interim basis, as  
5 directed by the board. The contract shall require the insurer  
6 to report to the board no later than December 31 of each year,  
7 and quarterly thereafter, its reimbursable losses from covered  
8 events for the year. The contract shall require the board to  
9 determine and pay, as soon as practicable after receiving  
10 these reports of reimbursable losses, the initial amount of  
11 reimbursement due and adjustments to this amount based on  
12 later loss information. The adjustments to reimbursement  
13 amounts shall require the board to pay, or the insurer to  
14 return, amounts reflecting the most recent calculation of  
15 losses.

16           2. In determining reimbursements pursuant to this  
17 subsection, the contract shall provide that the board shall:

18           a. First reimburse insurers writing covered policies,  
19 which insurers are in full compliance with this section and  
20 have petitioned the Office of Insurance Regulation ~~Department~~  
21 ~~of Insurance~~ and qualified as limited apportionment companies  
22 under s. 627.351(2)(b)3. The amount of such reimbursement  
23 shall be the lesser of \$10 million or an amount equal to 10  
24 times the insurer's reimbursement premium for the current  
25 year. The amount of reimbursement paid under this  
26 sub-subparagraph may not exceed the full amount of  
27 reimbursement promised in the reimbursement contract. This  
28 sub-subparagraph does not apply with respect to any contract  
29 year in which the year-end projected cash balance of the fund,  
30 exclusive of any bonding capacity of the fund, exceeds \$2

31

1 billion. Only one member of any insurer group may receive  
2 reimbursement under this sub-subparagraph.

3           b. Next pay to each insurer such insurer's projected  
4 payout, which is the amount of reimbursement it is owed, up to  
5 an amount equal to the insurer's share of the actual premium  
6 paid for that contract year, multiplied by the actual  
7 claims-paying capacity available for that contract year;  
8 provided, entities created pursuant to s. 627.351 shall be  
9 further reimbursed in accordance with sub-subparagraph c.

10           c. Thereafter, establish, based on reimbursable  
11 losses, the prorated reimbursement level at the highest level  
12 for which any remaining fund balance or bond proceeds are  
13 sufficient to reimburse entities created pursuant to s.  
14 627.351 for losses exceeding the amounts payable pursuant to  
15 sub-subparagraph b. for the current contract year.

16           (6) REVENUE BONDS.--

17           (a) General provisions.--

18           1. Upon the occurrence of a hurricane and a  
19 determination that the moneys in the fund are or will be  
20 insufficient to pay reimbursement at the levels promised in  
21 the reimbursement contracts, the board may take the necessary  
22 steps under paragraph (b) or paragraph (c) for the issuance of  
23 revenue bonds for the benefit of the fund. The proceeds of  
24 such revenue bonds may be used to make reimbursement payments  
25 under reimbursement contracts; to refinance or replace  
26 previously existing borrowings or financial arrangements; to  
27 pay interest on bonds; to fund reserves for the bonds; to pay  
28 expenses incident to the issuance or sale of any bond issued  
29 under this section, including costs of validating, printing,  
30 and delivering the bonds, costs of printing the official  
31 statement, costs of publishing notices of sale of the bonds,

1 and related administrative expenses; or for such other  
2 purposes related to the financial obligations of the fund as  
3 the board may determine. The term of the bonds may not exceed  
4 30 years. The board may pledge or authorize the corporation to  
5 pledge all or a portion of all revenues under subsection (5)  
6 and under subparagraph 3. to secure such revenue bonds and the  
7 board may execute such agreements between the board and the  
8 issuer of any revenue bonds and providers of other financing  
9 arrangements under paragraph (7)(b) as the board deems  
10 necessary to evidence, secure, preserve, and protect such  
11 pledge. If reimbursement premiums received under subsection  
12 (5) or earnings on such premiums are used to pay debt service  
13 on revenue bonds, such premiums and earnings shall be used  
14 only after the use of the moneys derived from assessments  
15 under subparagraph 3. The funds, credit, property, or taxing  
16 power of the state or political subdivisions of the state  
17 shall not be pledged for the payment of such bonds. The board  
18 may also enter into agreements under paragraph (b) or  
19 paragraph (c) for the purpose of issuing revenue bonds in the  
20 absence of a hurricane upon a determination that such action  
21 would maximize the ability of the fund to meet future  
22 obligations.

23           2. The Legislature finds and declares that the  
24 issuance of bonds under this subsection is for the public  
25 purpose of paying the proceeds of the bonds to insurers,  
26 thereby enabling insurers to pay the claims of policyholders  
27 to assure that policyholders are able to pay the cost of  
28 construction, reconstruction, repair, restoration, and other  
29 costs associated with damage to property of policyholders of  
30 covered policies after the occurrence of a hurricane. Revenue  
31 bonds may not be issued under this subsection until validated

1 under chapter 75. The validation of at least the first  
2 obligations incurred pursuant to this subsection shall be  
3 appealed to the Supreme Court, to be handled on an expedited  
4 basis.

5           3. If the board determines that the amount of revenue  
6 produced under subsection (5) is insufficient to fund the  
7 obligations, costs, and expenses of the fund and the  
8 corporation, including repayment of revenue bonds, the board  
9 shall direct the Office of Insurance Regulation ~~Department of~~  
10 ~~Insurance~~ to levy an emergency assessment on each insurer  
11 writing property and casualty business in this state. Pursuant  
12 to the emergency assessment, each such insurer shall pay to  
13 the corporation by July 1 of each year an amount set by the  
14 board not exceeding 2 percent of its gross direct written  
15 premium for the prior year from all property and casualty  
16 business in this state except for workers' compensation,  
17 except that, if the Governor has declared a state of emergency  
18 under s. 252.36 due to the occurrence of a covered event, the  
19 amount of the assessment for the contract year may be  
20 increased to an amount not exceeding 4 percent of such  
21 premium. Any assessment authority not used for the contract  
22 year may be used for a subsequent contract year. If, for a  
23 subsequent contract year, the board determines that the amount  
24 of revenue produced under subsection (5) is insufficient to  
25 fund the obligations, costs, and expenses of the fund and the  
26 corporation, including repayment of revenue bonds for that  
27 contract year, the board shall direct the Office of Insurance  
28 Regulation ~~Department of Insurance~~ to levy an emergency  
29 assessment up to an amount not exceeding the amount of unused  
30 assessment authority from a previous contract year or years,  
31 plus an additional 2 percent if the Governor has declared a

1 state of emergency under s. 252.36 due to the occurrence of a  
2 covered event. Any assessment authority not used for the  
3 contract year may be used for a subsequent contract year. As  
4 used in this subsection, the term "property and casualty  
5 business" includes all lines of business identified on Form 2,  
6 Exhibit of Premiums and Losses, in the annual statement  
7 required by s. 624.424 and any rules adopted under such  
8 section, except for those lines identified as accident and  
9 health insurance. The annual assessments under this  
10 subparagraph shall continue as long as the revenue bonds  
11 issued with respect to which the assessment was imposed are  
12 outstanding, unless adequate provision has been made for the  
13 payment of such bonds pursuant to the documents authorizing  
14 issuance of the bonds. An insurer shall not at any time be  
15 subject to aggregate annual assessments under this  
16 subparagraph of more than 2 percent of premium, except that in  
17 the case of a declared emergency, an insurer shall not at any  
18 time be subject to aggregate annual assessments under this  
19 subparagraph of more than 6 percent of premium; provided, no  
20 more than 4 percent may be assessed for any one contract year.  
21 Any rate filing or portion of a rate filing reflecting a rate  
22 change attributable entirely to the assessment levied under  
23 this subparagraph shall be deemed approved when made, subject  
24 to the authority of the Office of Insurance Regulation  
25 ~~Department of Insurance~~ to require actuarial justification as  
26 to the adequacy of any rate at any time. If the rate filing  
27 reflects only a rate change attributable to the assessment  
28 under this paragraph, the filing may consist of a  
29 certification so stating. The assessments otherwise payable to  
30 the corporation pursuant to this subparagraph shall be paid  
31 instead to the fund unless and until the Office of Insurance

1 Regulation Department of Insurance has received from the  
2 corporation and the fund a notice, which shall be conclusive  
3 and upon which the Office of Insurance Regulation Department  
4 ~~of Insurance~~ may rely without further inquiry, that the  
5 corporation has issued bonds and the fund has no agreements in  
6 effect with local governments pursuant to paragraph (b). On  
7 or after the date of such notice and until such date as the  
8 corporation has no bonds outstanding, the fund shall have no  
9 right, title, or interest in or to the assessments, except as  
10 provided in the fund's agreements with the corporation.

11 (b) Revenue bond issuance through counties or  
12 municipalities.--

13 1. If the board elects to enter into agreements with  
14 local governments for the issuance of revenue bonds for the  
15 benefit of the fund, the board shall enter into such contracts  
16 with one or more local governments, including agreements  
17 providing for the pledge of revenues, as are necessary to  
18 effect such issuance. The governing body of a county or  
19 municipality is authorized to issue bonds as defined in s.  
20 125.013 or s. 166.101 from time to time to fund an assistance  
21 program, in conjunction with the Florida Hurricane Catastrophe  
22 Fund, for the purposes set forth in this section or for the  
23 purpose of paying the costs of construction, reconstruction,  
24 repair, restoration, and other costs associated with damage to  
25 properties of policyholders of covered policies due to the  
26 occurrence of a hurricane by assuring that policyholders  
27 located in this state are able to recover claims under  
28 property insurance policies after a covered event.

29 2. In order to avoid needless and indiscriminate  
30 proliferation, duplication, and fragmentation of such  
31 assistance programs, any local government may provide for the

1 payment of fund reimbursements, regardless of whether or not  
2 the losses for which reimbursement is made occurred within or  
3 outside of the territorial jurisdiction of the local  
4 government.

5           3. The state hereby covenants with holders of bonds  
6 issued under this paragraph that the state will not repeal or  
7 abrogate the power of the board to direct the Office of  
8 Insurance Regulation ~~Department of Insurance~~ to levy the  
9 assessments and to collect the proceeds of the revenues  
10 pledged to the payment of such bonds as long as any such bonds  
11 remain outstanding unless adequate provision has been made for  
12 the payment of such bonds pursuant to the documents  
13 authorizing the issuance of such bonds.

14           4. There shall be no liability on the part of, and no  
15 cause of action shall arise against any members or employees  
16 of the governing body of a local government for any actions  
17 taken by them in the performance of their duties under this  
18 paragraph.

19           (c) Florida Hurricane Catastrophe Fund Finance  
20 Corporation.--

21           1. In addition to the findings and declarations in  
22 subsection (1), the Legislature also finds and declares that:

23           a. The public benefits corporation created under this  
24 paragraph will provide a mechanism necessary for the  
25 cost-effective and efficient issuance of bonds. This mechanism  
26 will eliminate unnecessary costs in the bond issuance process,  
27 thereby increasing the amounts available to pay reimbursement  
28 for losses to property sustained as a result of hurricane  
29 damage.

30           b. The purpose of such bonds is to fund reimbursements  
31 through the Florida Hurricane Catastrophe Fund to pay for the

1 costs of construction, reconstruction, repair, restoration,  
2 and other costs associated with damage to properties of  
3 policyholders of covered policies due to the occurrence of a  
4 hurricane.

5 c. The efficacy of the financing mechanism will be  
6 enhanced by the corporation's ownership of the assessments, by  
7 the insulation of the assessments from possible bankruptcy  
8 proceedings, and by covenants of the state with the  
9 corporation's bondholders.

10 2.a. There is created a public benefits corporation,  
11 which is an instrumentality of the state, to be known as the  
12 Florida Hurricane Catastrophe Fund Finance Corporation.

13 b. The corporation shall operate under a five-member  
14 board of directors consisting of the Governor or a designee,  
15 the Chief Financial Officer ~~Comptroller~~ or a designee, the  
16 Attorney General ~~Treasurer~~ or a designee, the director of the  
17 Division of Bond Finance of the State Board of Administration,  
18 and the senior employee of the State Board of Administration  
19 responsible for operations ~~chief operating officer~~ of the  
20 Florida Hurricane Catastrophe Fund.

21 c. The corporation has all of the powers of  
22 corporations under chapter 607 and under chapter 617, subject  
23 only to the provisions of this subsection.

24 d. The corporation may issue bonds and engage in such  
25 other financial transactions as are necessary to provide  
26 sufficient funds to achieve the purposes of this section.

27 e. The corporation may invest in any of the  
28 investments authorized under s. 215.47.

29 f. There shall be no liability on the part of, and no  
30 cause of action shall arise against, any board members or  
31

1 employees of the corporation for any actions taken by them in  
2 the performance of their duties under this paragraph.

3 3.a. In actions under chapter 75 to validate any bonds  
4 issued by the corporation, the notice required by s. 75.06  
5 shall be published only in Leon County and in two newspapers  
6 of general circulation in the state, and the complaint and  
7 order of the court shall be served only on the State Attorney  
8 of the Second Judicial Circuit.

9 b. The state hereby covenants with holders of bonds of  
10 the corporation that the state will not repeal or abrogate the  
11 power of the board to direct the Office of Insurance  
12 Regulation ~~Department of Insurance~~ to levy the assessments and  
13 to collect the proceeds of the revenues pledged to the payment  
14 of such bonds as long as any such bonds remain outstanding  
15 unless adequate provision has been made for the payment of  
16 such bonds pursuant to the documents authorizing the issuance  
17 of such bonds.

18 4. The bonds of the corporation are not a debt of the  
19 state or of any political subdivision, and neither the state  
20 nor any political subdivision is liable on such bonds. The  
21 corporation does not have the power to pledge the credit, the  
22 revenues, or the taxing power of the state or of any political  
23 subdivision. The credit, revenues, or taxing power of the  
24 state or of any political subdivision shall not be deemed to  
25 be pledged to the payment of any bonds of the corporation.

26 5.a. The property, revenues, and other assets of the  
27 corporation; the transactions and operations of the  
28 corporation and the income from such transactions and  
29 operations; and all bonds issued under this paragraph and  
30 interest on such bonds are exempt from taxation by the state  
31 and any political subdivision, including the intangibles tax

1 under chapter 199 and the income tax under chapter 220. This  
2 exemption does not apply to any tax imposed by chapter 220 on  
3 interest, income, or profits on debt obligations owned by  
4 corporations other than the Florida Hurricane Catastrophe Fund  
5 Finance Corporation.

6           b. All bonds of the corporation shall be and  
7 constitute legal investments without limitation for all public  
8 bodies of this state; for all banks, trust companies, savings  
9 banks, savings associations, savings and loan associations,  
10 and investment companies; for all administrators, executors,  
11 trustees, and other fiduciaries; for all insurance companies  
12 and associations and other persons carrying on an insurance  
13 business; and for all other persons who are now or may  
14 hereafter be authorized to invest in bonds or other  
15 obligations of the state and shall be and constitute eligible  
16 securities to be deposited as collateral for the security of  
17 any state, county, municipal, or other public funds. This  
18 sub-subparagraph shall be considered as additional and  
19 supplemental authority and shall not be limited without  
20 specific reference to this sub-subparagraph.

21           6. The corporation and its corporate existence shall  
22 continue until terminated by law; however, no such law shall  
23 take effect as long as the corporation has bonds outstanding  
24 unless adequate provision has been made for the payment of  
25 such bonds pursuant to the documents authorizing the issuance  
26 of such bonds. Upon termination of the existence of the  
27 corporation, all of its rights and properties in excess of its  
28 obligations shall pass to and be vested in the state.

29           Section 222. Subsection (5) of section 215.559,  
30 Florida Statutes, is amended to read:

31           215.559 Hurricane Loss Mitigation Program.--

1           (5) Except for the program set forth in subsection  
2 (3), the Department of Community Affairs shall develop the  
3 programs set forth in this section in consultation with an  
4 advisory council consisting of a representative designated by  
5 the Chief Financial Officer ~~Department of Insurance~~, a  
6 representative designated by the Florida Home Builders  
7 Association, a representative designated by the Florida  
8 Insurance Council, a representative designated by the  
9 Federation of Manufactured Home Owners, a representative  
10 designated by the Florida Association of Counties, and a  
11 representative designated by the Florida Manufactured Housing  
12 Association.

13           Section 223. Paragraph (c) of subsection (1),  
14 paragraph (b) of subsection (2), and paragraph (a) of  
15 subsection (3) of section 215.56005, Florida Statutes, are  
16 amended to read:

17           215.56005 Tobacco Settlement Financing Corporation.--

18           (1) DEFINITIONS.--As used in this section:

19           (c) "Department" means the Department of Financial  
20 Services ~~Banking and Finance~~ or its successor.

21           (2) CORPORATION CREATION AND AUTHORITY.--

22           (b) The corporation shall be governed by a board of  
23 directors consisting of the Governor, the Chief Financial  
24 Officer or the Chief Financial Officer's designee ~~Treasurer,~~  
25 ~~the Comptroller~~, the Attorney General, two directors appointed

13 of such releases and in accordance with the approved budget,  
14 and not otherwise. Expenditures shall be authorized only in  
15 accordance with legislative authorizations. Nothing herein  
16 precludes periodic reexamination and revision by the Executive  
17 Office of the Governor or by the Chief Justice of the annual  
18 plans for release of appropriations and the notifications of  
19 the parties of all such revisions.

20 (4) The legislative appropriations committees may

4 the purposes of this section and ss. 280.051 and 280.052, the  
5 effective date of suspension or disqualification is that date  
6 which is set out as such in any order of suspension or  
7 disqualification.

8           (c) Upon expiration of the suspension period, the bank  
9 or savings association may, by order of the Chief Financial  
10 Officer ~~Treasurer~~, be reinstated as a qualified public  
11 depository, unless the cause of the suspension has not been  
12 corrected or the bank or savings association is otherwise not  
13 in compliance with this chapter or any rule adopted pursuant  
14 to this chapter.

15           (2)

16           (c) Upon expiration of the disqualification period,  
17 the bank or savings association may reapply for qualification  
18 as a qualified public depository. If a disqualified bank or  
19 savings association is purchased or otherwise acquired by new  
20 owners, it may reapply to the Chief Financial Officer  
21 ~~Treasurer~~ to be a qualified public depository prior to the  
22 expiration date of the disqualification period. Redesignation  
23 as a qualified public depository may occur only after the  
24 Chief Financial Officer ~~Treasurer~~ has determined that all  
25 requirements for holding public deposits under the law have  
26 been met.

27           Section 293. Section 280.054, Florida Statutes, is  
28 amended to read:

29           280.054 Administrative penalty in lieu of suspension  
30 or disqualification.--

31

1           (1) If the Chief Financial Officer ~~Treasurer~~ finds  
2 that one or more grounds exist for the suspension or  
3 disqualification of a qualified public depository, the Chief  
4 Financial Officer ~~Treasurer~~ may, in lieu of suspension or  
5 disqualification, impose an administrative penalty upon the  
6 qualified public depository.

7           (a) With respect to any nonwillful violation, such  
8 penalty may not exceed \$250 for each violation, exclusive of  
9 any restitution found to be due. If a qualified public  
10 depository discovers a nonwillful violation, the qualified  
11 public depository shall correct the violation; and, if  
12 restitution is due, the qualified public depository shall make  
13 restitution upon the order of the Chief Financial Officer

18 of a lawful order or rule, the Chief Financial Officer  
19 ~~Treasurer~~ may impose a penalty upon the qualified public  
20 depository in an amount not exceeding \$1,000 for each  
21 violation. If restitution is due, the qualified public  
22 depository shall make restitution upon the order of the Chief  
23 Financial Officer ~~Treasurer~~ and shall pay interest on such  
24 amount at the legal rate. Each day a violation continues  
25 constitutes a separate violation.

26           (2) The failure of a qualified public depository to  
27 make restitution when due as required under this section  
28 constitutes a willful violation of this chapter. However, if  
29 a qualified public depository in good faith is uncertain  
30 whether any restitution is due or as to the amount of  
31 restitution due, it shall promptly notify the Chief Financial

1 ~~Officer Treasurer~~ of the circumstances. The failure to make  
2 restitution pending a determination of whether restitution is  
3 due or the amount of restitution due does not constitute a  
4 violation of this chapter.

5 (3) A qualified public depository is subject to an  
6 administrative penalty in an amount not exceeding the greater  
7 of \$1,000 or 10 percent of the amount of withdrawal, not  
8 exceeding \$10,000, if the depository fails to provide required  
9 collateral using eligible collateral and prescribed collateral  
10 agreements or withdraws collateral without the Chief Financial  
11 Officer's Treasurer's approval.

3 bond agent or bond trustee for each issue of registered  
4 certificated securities pledged and registered in the name, or  
5 nominee name, of the qualified public depository or custodian;  
6 or

7 (f) A qualified public depository; a bank, savings  
8 association, or other financial institution; or a custodian  
9 has committed any other violation of this chapter or any rule  
10 adopted pursuant to this chapter that the Chief Financial

25 any order or rule of the Chief Financial Officer ~~Treasurer~~, or  
26 any order to cease and desist or other lawful order is a  
27 misdemeanor of the second degree, punishable as provided in s.  
28 775.082 or s. 775.083.

29 (2) It is a felony of the third degree, punishable as  
30 provided in s. 775.082 or s. 775.083, to knowingly and

16 required in s. 280.085 and implement the following procedures:

17 (1) The Division of Treasury ~~Treasurer~~, in cooperation  
18 with the Office of Financial Regulation of the Financial  
19 Services Commission ~~Department of Banking and Finance~~ or the

22 deposit at such depository and the amount of deposit insurance  
23 applicable to such deposits.

24 (2) The potential loss to public depositors shall be  
25 calculated by compiling claims received from such depositors.  
26 The Chief Financial Officer ~~Treasurer~~ shall validate claims on

3 Officer ~~Treasurer~~ may assess qualified public depositories as

15 previous 12 months divided by the total average monthly  
16 balances of public deposits held by all qualified public  
17 depositories, excluding the defaulting depository, during the

5 written documentation justifying the need for partial payment.

9 subsequently be made available to the qualified public  
10 depository in default. If the qualified public depository in  
11 default or its receiver provides the funds to the Chief  
12 Financial Officer ~~Treasurer~~, the Chief Financial Officer  
13 ~~Treasurer~~ shall distribute the funds, plus all accrued  
14 interest which has accumulated from the investment of the  
15 funds, if any, to the depositories which paid assessments on  
16 the same pro rata basis as the assessments were paid.

17 (7) Expenses incurred by the Chief Financial Officer  
18 ~~Treasurer~~ in connection with a default or insolvency which are  
19 not normally incurred by the Chief Financial Officer ~~Treasurer~~  
20 in the administration of this act must be paid out of the

22 of collateral.

19 The term "losses," for purposes of this chapter, shall also  
20 include losses of interest or other accumulations to the  
21 public depositor as a result of penalties for early withdrawal

25 qualified public depository by the Chief Financial Officer  
26 ~~Treasurer~~ pursuant to s. 280.05 or because of withdrawal from  
27 the public deposits program pursuant to s. 280.11. In that

31 other provision of this chapter, an administrative penalty

1 equal to the amount of the early withdrawal penalty and to pay  
2 that amount over to the public depositor as reimbursement for  
3 such loss. Any money in the fund estimated not to be needed  
4 for immediate cash requirements shall be invested pursuant to

2 capital certified investors have agreed to invest in any one  
3 certified capital company under Program Two, the letter "B"  
4 represents the aggregate amount of certified capital that all  
5 certified investors have agreed to invest in all certified  
6 capital companies under Program Two, the letter "X" is the  
7 numerator and represents the total amount of premium tax  
8 credits and certified capital that may be allocated to a  
9 certified capital company on a date determined by rule adopted  
10 by the commission ~~department~~ pursuant to subsection (17), and  
11 \$150 million is the denominator and represents the total

13 be allocated to all certified investors under Program Two. Any  
14 such premium tax credits are not first available for  
15 utilization until annual filings are made in 2001 for calendar

17 be used at a rate not to exceed 10 percent annually per  
18 program.

29 (i) The Office of Tourism, Trade, and Economic

19 audited by a nationally recognized certified public accounting

16 (k) Audits.--

17 1. The department is authorized to perform financial  
18 and technical audits in order to certify site restoration  
19 costs and ensure compliance with this chapter. The department  
20 shall seek recovery of any overpayments based on the findings  
21 of these audits. The department must commence any audit within  
22 5 years after the date of reimbursement, except in cases where  
23 the department alleges specific facts indicating fraud.

24 2. Upon determination by the department that any  
25 portion of costs which have been reimbursed are disallowed,  
26 the department shall give written notice to the applicant  
27 setting forth with specificity the allegations of fact which  
28 justify the department's proposed action and ordering  
29 repayment of disallowed costs within 60 days of notification  
30 of the applicant.

31

1           3. In the event the applicant does not make payment to  
2 the department within 60 days of receipt of such notice, the  
3 department shall seek recovery in a court of competent  
4 jurisdiction to recover reimbursement overpayments made to the  
5 person responsible for conducting site rehabilitation, unless  
6 the department finds the amount involved too small or the  
7 likelihood of recovery too uncertain.

8           4. In addition to the amount of any overpayment, the  
9 applicant shall be liable to the department for interest of 1  
10 percent per month or the prime rate, whichever is less, on the  
11 amount of overpayment, from the date of overpayment by the  
12 department until the applicant satisfies the department's  
13 request for repayment pursuant to this paragraph. The  
14 calculation of interest shall be tolled during the pendency of  
15 any litigation.

16           5. Financial and technical audits frequently are  
17 conducted under this section many years after the site  
18 rehabilitation activities were performed and the costs  
19 examined in the course of the audit were incurred by the  
20 person responsible for site rehabilitation. During the  
21 intervening span of years, the department's rule requirements  
22 and its related guidance and other nonrule policy directives  
23 may have changed significantly. The Legislature finds that it  
24 may be appropriate for the department to provide relief to  
25 persons subject to such requirements in financial and  
26 technical audits conducted pursuant to this section.

27           a. The department is authorized to grant variances and  
28 waivers from the documentation requirements of subparagraph  
29 (e)2. and from the requirements of rules applicable in  
30 technical and financial audits conducted under this section.  
31 Variances and waivers shall be granted when the person

1 responsible for site rehabilitation demonstrates to the  
2 department that application of a financial or technical  
3 auditing requirement would create a substantial hardship or  
4 would violate principles of fairness. For purposes of this  
5 subsection, "substantial hardship" means a demonstrated  
6 economic, technological, legal, or other type of hardship to  
7 the person requesting the variance or waiver. For purposes of  
8 this subsection, "principles of fairness" are violated when  
9 the application of a requirement affects a particular person  
10 in a manner significantly different from the way it affects  
11 other similarly situated persons who are affected by the  
12 requirement or when the requirement is being applied  
13 retroactively without due notice to the affected parties.

14 b. A person whose reimbursed costs are subject to a  
15 financial and technical audit under this section may file a  
16 written request to the department for grant of a variance or  
17 waiver. The request shall specify:

18 (I) The requirement from which a variance or waiver is  
19 requested.

20 (II) The type of action requested.

21 (III) The specific facts which would justify a waiver  
22 or variance.

23 (IV) The reason or reasons why the requested variance  
24 or waiver would serve the purposes of this section.

25 c. Within 90 days after receipt of a written request  
26 for variance or waiver under this subsection, the department  
27 shall grant or deny the request. If the request is not granted  
28 or denied within 90 days of receipt, the request shall be  
29 deemed approved. An order granting or denying the request  
30 shall be in writing and shall contain a statement of the  
31 relevant facts and reasons supporting the department's action.

1 The department's decision to grant or deny the petition shall  
2 be supported by competent substantial evidence and is subject  
3 to ss. 120.569 and 120.57. Once adopted, model rules  
4 promulgated by the Administration Commission under s. 120.542  
5 shall govern the processing of requests under this provision.

6         6. The Chief Financial Officer ~~Comptroller~~ may audit  
7 the records of persons who receive or who have received  
8 payments pursuant to this chapter in order to verify site  
9 restoration costs, ensure compliance with this chapter, and  
10 verify the accuracy and completeness of audits performed by  
11 the department pursuant to this paragraph. The Chief  
12 Financial Officer ~~Comptroller~~ may contract with entities or  
13 persons to perform audits pursuant to this subparagraph. The  
14 Chief Financial Officer ~~Comptroller~~ shall commence any audit  
15 within 1 year after the department's completion of an audit  
16 conducted pursuant to this paragraph, except in cases where  
17 the department or the Chief Financial Officer ~~Comptroller~~  
18 alleges specific facts indicating fraud.

8 day that records are not produced is considered a separate  
9 violation.

10           (5) Grievances that the agency determines pose an  
11 immediate and serious threat to a subscriber's health must be  
12 given priority over other grievances. The panel may meet at  
13 the call of the chair to hear the grievances as quickly as

17 (8) A managed care entity, subscriber, or provider  
18 that is affected by a panel recommendation may within 10 days  
19 after receipt of the panel's recommendation, or 72 hours after

28 or an emergency order, as provided in chapter 120, which it  
29 shall issue to the managed care entity. The agency or  
30 department may issue a proposed order or an emergency order,  
31 as provided in chapter 120, imposing fines or sanctions,

1 including those contained in ss. 641.25 and 641.52. The

4 grievances which have not been resolved to the satisfaction of  
5 the subscriber or provider after the subscriber or provider  
6 follows the entire internal grievance procedure of the managed  
7 care entity. The agency shall notify all subscribers and  
8 providers included in the quarterly reports of their right to  
9 file an unresolved grievance with the panel.

19 hearing in accordance with s. 120.574, unless all of the  
20 parties agree otherwise. If the managed care entity does not  
21 prevail at the hearing, the managed care entity must pay  
22 reasonable costs and attorney's fees of the agency or the  
23 department incurred in that proceeding.

24           (15)(a) Any information which would identify a

21           420.5092 Florida Affordable Housing Guarantee

15 the amount certified as necessary to maintain the annual debt  
16 service reserve.

17 (b) If the claims payment obligations under affordable  
18 housing guarantees from amounts on deposit in the guarantee  
19 fund would cause the claims paying rating assigned to the  
20 guarantee fund to be less than the third-highest rating

22 which classifications being consistent with s. 215.84(3) and

5 Section 463. Section 430.42, Florida Statutes, is  
6 amended to read:

7 430.42 Department of Elderly Affairs Tobacco  
8 Settlement Trust Fund.--

9 (1) The Department of Elderly Affairs Tobacco

16 (2) Notwithstanding the provisions of s. 216.301 and  
17 pursuant to s. 216.351, any unencumbered balance in the trust  
18 fund at the end of any fiscal year and any encumbered balance  
19 remaining undisbursed on December 31 of the same calendar year  
20 shall revert to the Department of Financial Services ~~Banking  
21 and Finance~~ Tobacco Settlement Clearing Trust Fund.

22 Section 464. Subsection (6) of section 430.703,  
23 Florida Statutes, is amended to read:

24 430.703 Definitions.--As used in this act, the term:

25 (6) "Managed care organization" means an entity that  
26 meets the requirements of the Office of Insurance Regulation

28 for operation as a health maintenance organization and meets  
29 the qualifications for participation as a managed care  
30 organization established by the agency and the office  
31 department.

1           Section 465. Section 440.015, Florida Statutes, is  
2 amended to read:  
3           440.015 Legislative intent.--It is the intent of the  
4 Legislature that the Workers' Compensation Law be interpreted  
5 so as to assure the quick and efficient delivery of disability  
6 and medical benefits to an injured worker and to facilitate  
7 the worker's return to gainful reemployment at a reasonable  
8 cost to the employer. It is the specific intent of the  
9 Legislature that workers' compensation cases shall be decided  
10 on their merits. The workers' compensation system in Florida  
11 is based on a mutual renunciation of common-law rights and  
12 defenses by employers and employees alike. In addition, it is  
13 the intent of the Legislature that the facts in a workers'  
14 compensation case are not to be interpreted liberally in favor  
15 of either the rights of the injured worker or the rights of  
16 the employer. Additionally, the Legislature hereby declares  
17 that disputes concerning the facts in workers' compensation  
18 cases are not to be given a broad liberal construction in  
19 favor of the employee on the one hand or of the employer on  
20 the other hand, and the laws pertaining to workers'  
21 compensation are to be construed in accordance with the basic  
22 principles of statutory construction and not liberally in  
23 favor of either employee or employer. It is the intent of the  
24 Legislature to ensure the prompt delivery of benefits to the  
25 injured worker. Therefore, an efficient and self-executing  
26 system must be created which is not an economic or  
27 administrative burden. The department, agency, the Office of  
28 Insurance Regulation, the Department of Education, and the  
29 Division of Administrative Hearings shall administer the  
30 Workers' Compensation Law in a manner which facilitates the  
31

1 self-execution of the system and the process of ensuring a  
2 prompt and cost-effective delivery of payments.

3 Section 466. Subsections (12) and (14) of section  
4 440.02, Florida Statutes, are amended, and subsection (43) is

7 the context clearly requires otherwise, the following terms  
8 shall have the following meanings:

10 Services; the term does not include the Financial Services  
11 Commission or any office of the commission ~~Insurance~~.

29           (13) Any corporate officer claiming an exemption under

28 440.107, Florida Statutes, are amended to read:

29           440.107 Department powers to enforce employer  
30 compliance with coverage requirements.--

31

1           (5) Whenever the department determines that an  
2 employer who is required to secure the payment to his or her  
3 employees of the compensation provided for by this chapter has  
4 failed to do so, such failure shall be deemed an immediate  
5 serious danger to public health, safety, or welfare sufficient  
6 to justify service by the department of a stop-work order on  
7 the employer, requiring the cessation of all business  
8 operations at the place of employment or job site. If the  
9 department ~~division~~ makes such a determination, the department  
10 ~~division~~ shall issue a stop-work order within 72 hours. The  
11 order shall take effect upon the date of service upon the  
12 employer, unless the employer provides evidence satisfactory  
13 to the department of having secured any necessary insurance or  
14 self-insurance and pays a civil penalty to the department, to  
15 be deposited by the department into the Workers' Compensation  
16 Administration Trust Fund, in the amount of \$100 per day for  
17 each day the employer was not in compliance with this chapter.

18           (7) In addition to any penalty, stop-work order, or  
19 injunction, the department shall assess against any employer,  
20 who has failed to secure the payment of compensation as  
21 required by this chapter, a penalty in the following amount:

22           (a) An amount equal to at least the amount that the  
23 employer would have paid or up to twice the amount the

26 based on the employer's payroll during the preceding 3-year  
27 period; or

28           (b) One thousand dollars, whichever is greater.

29  
30 Any penalty assessed under this subsection is due within 30  
31 days after the date on which the employer is notified, except

1 that, if the department has posted a stop-work order or  
2 obtained injunctive relief against the employer, payment is  
3 due, in addition to those conditions set forth in this  
4 section, as a condition to relief from a stop-work order or an  
5 injunction. Interest shall accrue on amounts not paid when due  
6 at the rate of 1 percent per month. The department ~~division~~  
7 shall adopt rules to administer this section.

8 (12) If the department ~~division~~ finds that an employer  
9 who is certified or registered under part I or part II of  
10 chapter 489 and who is required to secure payment of the  
11 compensation provided for by this chapter to his or her  
12 employees has failed to do so, the department ~~division~~ shall  
13 immediately notify the Department of Business and Professional

18 violations; limitations.--

19 (11) ~~AUDITS BY AGENCY FOR HEALTH CARE ADMINISTRATION~~  
20 ~~AND THE DEPARTMENT OF INSURANCE; JURISDICTION.--~~

21 (a) The Agency for Health Care Administration may  
22 investigate health care providers to determine whether  
23 providers are complying with this chapter and with rules  
24 adopted by the agency, whether the providers are engaging in  
25 overutilization, and whether providers are engaging in  
26 improper billing practices. If the agency finds that a health  
27 care provider has improperly billed, overutilized, or failed  
28 to comply with agency rules or the requirements of this  
29 chapter it must notify the provider of its findings and may  
30 determine that the health care provider may not receive  
31 payment from the carrier or may impose penalties as set forth

1 in subsection (8) or other sections of this chapter. If the  
2 health care provider has received payment from a carrier for  
3 services that were improperly billed or for overutilization,  
4 it must return those payments to the carrier. The agency may  
5 assess a penalty not to exceed \$500 for each overpayment that  
6 is not refunded within 30 days after notification of  
7 overpayment by the agency or carrier.

8 (b) The department shall monitor carriers as provided  
9 in this chapter and the Office of Insurance Regulation shall  
10 ~~and~~ audit insurers and group self-insurance funds carriers as  
11 provided in s. 624.3161, to determine if medical bills are  
12 paid in accordance with this section and ~~department~~ rules of  
13 the department and Financial Services Commission,  
14 respectively. Any employer, if self-insured, or carrier found  
15 by the department or Office of Insurance Regulation ~~division~~  
16 not to be within 90 percent compliance as to the payment of  
17 medical bills after July 1, 1994, must be assessed a fine not  
18 to exceed 1 percent of the prior year's assessment levied  
19 against such entity under s. 440.51 for every quarter in which  
20 the entity fails to attain 90-percent compliance. The  
21 department shall fine or otherwise discipline an employer or  
22 carrier, pursuant to this chapter, ~~the insurance code, or~~  
23 rules adopted by the department, and the Office of Insurance  
24 Regulation shall fine or otherwise discipline an insurer or  
25 group self-insurance fund pursuant to the insurance code or  
26 rules adopted by the Financial Services Commission, for each  
27 late payment of compensation that is below the minimum  
28 90-percent performance standard. Any carrier that is found to  
29 be not in compliance in subsequent consecutive quarters must  
30 implement a medical-bill review program approved by the  
31 department or office ~~division~~, and an insurer or group

1 self-insurance fund ~~the carrier~~ is subject to disciplinary  
2 action by the Office of Insurance Regulation ~~Department of~~  
3 ~~Insurance~~.

4 (c) The agency has exclusive jurisdiction to decide  
5 any matters concerning reimbursement, to resolve any  
6 overutilization dispute under subsection (7), and to decide  
7 any question concerning overutilization under subsection (8),  
8 which question or dispute arises after January 1, 1994.

9 (d) The following agency actions do not constitute  
10 agency action subject to review under ss. 120.569 and 120.57  
11 and do not constitute actions subject to s. 120.56: referral  
12 by the entity responsible for utilization review; a decision  
13 by the agency to refer a matter to a peer review committee;  
14 establishment by a health care provider or entity of  
15 procedures by which a peer review committee reviews the  
16 rendering of health care services; and the review proceedings,  
17 report, and recommendation of the peer review committee.

18 (12) CREATION OF THREE-MEMBER PANEL; GUIDES OF MAXIMUM  
19 REIMBURSEMENT ALLOWANCES.--

20 (a) A three-member panel is created, consisting of the  
21 Chief Financial Officer ~~Insurance Commissioner~~, or the Chief  
22 Financial Officer's ~~Insurance Commissioner's~~ designee, and two  
23 members to be appointed by the Governor, subject to  
24 confirmation by the Senate, one member who, on account of  
25 present or previous vocation, employment, or affiliation,  
26 shall be classified as a representative of employers, the  
27 other member who, on account of previous vocation, employment,  
28 or affiliation, shall be classified as a representative of  
29 employees. The panel shall determine statewide schedules of  
30 maximum reimbursement allowances for medically necessary  
31 treatment, care, and attendance provided by physicians,

1 hospitals, ambulatory surgical centers, work-hardening  
2 programs, pain programs, and durable medical equipment. The  
3 maximum reimbursement allowances for inpatient hospital care  
4 shall be based on a schedule of per diem rates, to be approved  
5 by the three-member panel no later than March 1, 1994, to be  
6 used in conjunction with a precertification manual as  
7 determined by the agency. All compensable charges for hospital  
8 outpatient care shall be reimbursed at 75 percent of usual and  
9 customary charges. Until the three-member panel approves a  
10 schedule of per diem rates for inpatient hospital care and it  
11 becomes effective, all compensable charges for hospital  
12 inpatient care must be reimbursed at 75 percent of their usual  
13 and customary charges. Annually, the three-member panel shall  
14 adopt schedules of maximum reimbursement allowances for  
15 physicians, hospital inpatient care, hospital outpatient care,  
16 ambulatory surgical centers, work-hardening programs, and pain  
17 programs. However, the maximum percentage of increase in the  
18 individual reimbursement allowance may not exceed the  
19 percentage of increase in the Consumer Price Index for the  
20 previous year. An individual physician, hospital, ambulatory  
21 surgical center, pain program, or work-hardening program shall  
22 be reimbursed either the usual and customary charge for  
23 treatment, care, and attendance, the agreed-upon contract  
24 price, or the maximum reimbursement allowance in the  
25 appropriate schedule, whichever is less.

26 (b) As to reimbursement for a prescription medication,  
27 the reimbursement amount for a prescription shall be the  
28 average wholesale price times 1.2 plus \$4.18 for the  
29 dispensing fee, except where the carrier has contracted for a  
30 lower amount. Fees for pharmaceuticals and pharmaceutical  
31 services shall be reimbursable at the applicable fee schedule

1 amount. Where the employer or carrier has contracted for such  
2 services and the employee elects to obtain them through a  
3 provider not a party to the contract, the carrier shall  
4 reimburse at the schedule, negotiated, or contract price,  
5 whichever is lower.

6 (c) Reimbursement for all fees and other charges for  
7 such treatment, care, and attendance, including treatment,  
8 care, and attendance provided by any hospital or other health  
9 care provider, ambulatory surgical center, work-hardening  
10 program, or pain program, must not exceed the amounts provided  
11 by the uniform schedule of maximum reimbursement allowances as  
12 determined by the panel or as otherwise provided in this  
13 section. This subsection also applies to independent medical  
14 examinations performed by health care providers under this  
15 chapter. Until the three-member panel approves a uniform  
16 schedule of maximum reimbursement allowances and it becomes  
17 effective, all compensable charges for treatment, care, and  
18 attendance provided by physicians, ambulatory surgical  
19 centers, work-hardening programs, or pain programs shall be  
20 reimbursed at the lowest maximum reimbursement allowance  
21 across all 1992 schedules of maximum reimbursement allowances  
22 for the services provided regardless of the place of service.  
23 In determining the uniform schedule, the panel shall first  
24 approve the data which it finds representative of prevailing  
25 charges in the state for similar treatment, care, and  
26 attendance of injured persons. Each health care provider,  
27 health care facility, ambulatory surgical center,  
28 work-hardening program, or pain program receiving workers'  
29 compensation payments shall maintain records verifying their  
30 usual charges. In establishing the uniform schedule of maximum  
31 reimbursement allowances, the panel must consider:

1           1. The levels of reimbursement for similar treatment,  
2 care, and attendance made by other health care programs or  
3 third-party providers;

4           2. The impact upon cost to employers for providing a  
5 level of reimbursement for treatment, care, and attendance  
6 which will ensure the availability of treatment, care, and  
7 attendance required by injured workers;

8           3. The financial impact of the reimbursement  
9 allowances upon health care providers and health care  
10 facilities, including trauma centers as defined in s.  
11 395.4001, and its effect upon their ability to make available  
12 to injured workers such medically necessary remedial  
13 treatment, care, and attendance. The uniform schedule of  
14 maximum reimbursement allowances must be reasonable, must  
15 promote health care cost containment and efficiency with  
16 respect to the workers' compensation health care delivery  
17 system, and must be sufficient to ensure availability of such  
18 medically necessary remedial treatment, care, and attendance  
19 to injured workers; and

20           4. The most recent average maximum allowable rate of  
21 increase for hospitals determined by the Health Care Board  
22 under chapter 408.

23           (d) In addition to establishing the uniform schedule  
24 of maximum reimbursement allowances, the panel shall:

25           1. Take testimony, receive records, and collect data  
26 to evaluate the adequacy of the workers' compensation fee  
27 schedule, nationally recognized fee schedules and alternative  
28 methods of reimbursement to certified health care providers  
29 and health care facilities for inpatient and outpatient  
30 treatment and care.

31

1           2. Survey certified health care providers and health  
2 care facilities to determine the availability and  
3 accessibility of workers' compensation health care delivery  
4 systems for injured workers.

5           3. Survey carriers to determine the estimated impact  
6 on carrier costs and workers' compensation premium rates by  
7 implementing changes to the carrier reimbursement schedule or  
8 implementing alternative reimbursement methods.

9           4. Submit recommendations on or before January 1,  
10 2003, and biennially thereafter, to the President of the  
11 Senate and the Speaker of the House of Representatives on  
12 methods to improve the workers' compensation health care  
13 delivery system.

14  
15 The agency and the department, as requested,~~division~~ shall  
16 provide data to the panel, including but not limited to,  
17 utilization trends in the workers' compensation health care  
18 delivery system. The agency ~~division~~ shall provide the panel  
19 with an annual report regarding the resolution of medical  
20 reimbursement disputes and any actions pursuant to s.  
21 440.13(8). The department ~~division~~ shall provide  
22 administrative support and service to the panel to the extent  
23 requested by the panel.

24           Section 477. Subsections (21), (23), and (24) of  
25 section 440.134, Florida Statutes, are amended to read:

26           440.134 Workers' compensation managed care  
27 arrangement.--

28           (21) Upon expiration of the suspension period, the  
29 insurer's authorization shall automatically be reinstated  
30 unless the agency finds that the causes of the suspension have  
31 not been rectified or that the insurer is otherwise not in

1 compliance with the requirements of this chapter ~~part~~. If not  
2 so automatically reinstated, the authorization shall be deemed  
3 to have expired as of the end of the suspension period.

4 (23) The agency shall immediately notify the office  
5 ~~department~~ whenever it issues an administrative complaint or  
6 an order or otherwise initiates legal proceedings resulting  
7 in, or which may result in, suspension or revocation of an  
8 insurer's authorization.

9 (24) Nothing in this chapter ~~part~~ shall be deemed to  
10 authorize any entity to transact any insurance business,  
11 assume risk, or otherwise engage in any other type of  
12 insurance unless it is authorized as an insurer or a health  
13 maintenance organization under a certificate of authority  
14 issued ~~by the Department of Insurance~~ under the provisions of  
15 the Florida Insurance Code.

16 Section 478. Paragraph (b) of subsection (5) of  
17 section 440.14, Florida Statutes, is amended to read:

18 440.14 Determination of pay.--

19 (5)

20 (b) The employee waives any entitlement to interest,  
21 penalties, and attorney's fees during the period in which the  
22 employee has not provided information concerning the loss of  
23 earnings from concurrent employment. Carriers are not subject  
24 to penalties ~~by the division~~ under s. 440.20(8)(b) and (c) for  
25 unpaid compensation related to concurrent employment during  
26 the period in which the employee has not provided information  
27 concerning the loss of earnings from concurrent employment.

28 Section 479. Section 440.17, Florida Statutes, is  
29 amended to read:

30 440.17 Guardian for minor or incompetent.--Prior to  
31 the filing of a claim, the department ~~division~~, and after the

1 filing of a claim, a judge of compensation claims, may require  
2 the appointment by a court of competent jurisdiction, for any  
3 person who is mentally incompetent or a minor, of a guardian  
4 or other representative to receive compensation payable to  
5 such person under this chapter and to exercise the powers  
6 granted to or to perform the duties required of such person  
7 under this chapter; however, the judge of compensation claims,  
8 in the judge of compensation claims' discretion, may designate  
9 in the compensation award a person to whom payment of  
10 compensation may be paid for a minor or incompetent, in which  
11 event payment to such designated person shall discharge all  
12 liability for such compensation.

13 Section 480. Paragraph (c) of subsection (8) and  
14 subsections (10), (15), (16), and (17) of section 440.20,  
15 Florida Statutes, are amended to read:

16 440.20 Time for payment of compensation; penalties for  
17 late payment.--

18 (8) In addition to any other penalties provided by  
19 this chapter for late payment, if any installment of  
20 compensation is not paid when it becomes due, the employer,  
21 carrier, or servicing agent shall pay interest thereon at the  
22 rate of 12 percent per year from the date the installment  
23 becomes due until it is paid, whether such installment is  
24 payable without an order or under the terms of an order. The  
25 interest payment shall be the greater of the amount of  
26 interest due or \$5.

27 (c) In order to ensure carrier compliance under this  
28 chapter and provisions of the Florida Insurance Code, the  
29 office ~~department~~ shall monitor the performance of carriers by  
30 conducting market conduct examinations, as provided in s.  
31 624.3161, and conducting investigations, as provided in s.

1 624.317. The department shall establish by rule minimum  
2 performance standards for carriers to ensure that a minimum of  
3 90 percent of all compensation benefits are timely paid. The  
4 department shall fine a carrier as provided in s.  
5 440.13(11)(b) up to \$50 for each late payment of compensation  
6 that is below the minimum 90 percent performance standard.  
7 This paragraph does not affect the imposition of any penalties  
8 or interest due to the claimant. If a carrier contracts with a  
9 servicing agent to fulfill its administrative responsibilities  
10 under this chapter, the payment practices of the servicing  
11 agent are deemed the payment practices of the carrier for the  
12 purpose of assessing penalties against the carrier.

13 (10) Whenever the department deems it advisable, it  
14 may require any employer to make a deposit with the Chief  
15 Financial Officer ~~Treasurer~~ to secure the prompt and  
16 convenient payments of such compensation; and payments  
17 therefrom upon any awards shall be made upon order of the  
18 department or judge of compensation claims.

19 (15)(a) The office ~~department~~ shall examine on an  
20 ongoing basis claims files in accordance with s. 624.3161 and  
21 may impose fines pursuant to s. 624.310(5) and this chapter in  
22 order to identify questionable claims-handling techniques,  
23 questionable patterns or practices of claims, or a pattern of  
24 repeated unreasonably controverted claims by carriers, as  
25 defined in s. 440.02, providing services to employees pursuant  
26 to this chapter. If the office ~~department~~ finds such  
27 questionable techniques, patterns, or repeated unreasonably  
28 controverted claims as constitute a general business practice  
29 of a carrier, as defined in s. 440.02, the office ~~department~~  
30 shall take appropriate action so as to bring such general  
31 business practices to a halt pursuant to s. 440.38(3) or may

1 impose penalties pursuant to s. 624.4211. The department and  
2 office may initiate investigations of questionable techniques,  
3 patterns, practices, or repeated unreasonably controverted  
4 claims. The Financial Services Commission ~~department~~ may by  
5 rule establish forms and procedures for corrective action  
6 plans and for auditing carriers.

7 (b) As to any examination, investigation, or hearing  
8 being conducted under this chapter, the department and office  
9 ~~Insurance Commissioner or his or her designee~~:

10 1. May administer oaths, examine and cross-examine  
11 witnesses, receive oral and documentary evidence; and

12 2. Shall have the power to subpoena witnesses, compel  
13 their attendance and testimony, and require by subpoena the  
14 production of books, papers, records, files, correspondence,  
15 documents, or other evidence which is relevant to the inquiry.

16 (c) If any person refuses to comply with any such  
17 subpoena or to testify as to any matter concerning which she  
18 or he may be lawfully interrogated, the Circuit Court of Leon  
19 County or of the county wherein such examination,  
20 investigation, or hearing is being conducted, or of the county  
21 wherein such person resides, may, on the application of the  
22 department or the office, issue an order requiring such person  
23 to comply with the subpoena and to testify.

24 (d) Subpoenas shall be served, and proof of such  
25 service made, in the same manner as if issued by a circuit  
26 court. Witness fees, costs, and reasonable travel expenses, if  
27 claimed, shall be allowed the same as for testimony in a  
28 circuit court.

29 (e) The department shall publish annually a report  
30 which indicates the promptness of first payment of  
31 compensation records of each carrier or self-insurer so as to

1 focus attention on those carriers or self-insurers with poor  
2 payment records for the preceding year. The department and the  
3 office shall take appropriate steps so as to cause such poor  
4 carrier payment practices to halt pursuant to s. 440.38(3). In  
5 addition, the department shall take appropriate action so as  
6 to halt such poor payment practices of self-insurers. "Poor  
7 payment practice" means a practice of late payment sufficient  
8 to constitute a general business practice.

9 (f) The Financial Services Commission, in consultation  
10 with the department, shall adopt ~~promulgate~~ rules providing  
11 guidelines to carriers, as defined in s. 440.02,  
12 self-insurers, and employers to indicate behavior that may be  
13 construed as questionable claims-handling techniques,  
14 questionable patterns of claims, repeated unreasonably  
15 controverted claims, or poor payment practices.

16 (16) No penalty assessed under this section may be  
17 recouped by any carrier or self-insurer in the rate base, the  
18 premium, or any rate filing. The office ~~Department of~~  
19 ~~Insurance~~ shall enforce this subsection.

20 (17) The Financial Services Commission ~~department~~ may  
21 by rule establish audit procedures and set standards for the  
22 Automated Carrier Performance System.

23 Section 481. Subsections (2) and (3) of section  
24 440.24, Florida Statutes, is amended to read:

25 440.24 Enforcement of compensation orders;  
26 penalties.--

27 (2) In any case where the employer is insured and the  
28 carrier fails to comply with any compensation order of a judge  
29 of compensation claims or court within 10 days after such  
30 order becomes final, the department shall notify the office of  
31 such failure and the office shall thereupon suspend the

1 license of such carrier to do an insurance business in this  
2 state, until such carrier has complied with such order.

3 (3) In any case where the employer is a self-insurer  
4 and fails to comply with any compensation order of a judge of  
5 compensation claims or court within 10 days after such order  
6 becomes final, the department of ~~Insurance~~ may suspend or  
7 revoke any authorization previously given to the employer to  
8 be a self-insurer, and the Florida Self-Insurers Guaranty  
9 Association, Incorporated, may call or sue upon the surety  
10 bond or exercise its rights under the letter of credit  
11 deposited by the self-insurer with the association as a  
12 qualifying security deposit as may be necessary to satisfy the  
13 order.

14 Section 482. Subsections (1), (2), (3), and (4) of  
15 section 440.38, Florida Statutes, are amended to read:

16 440.38 Security for compensation; insurance carriers  
17 and self-insurers.--

18 (1) Every employer shall secure the payment of  
19 compensation under this chapter:

20 (a) By insuring and keeping insured the payment of  
21 such compensation with any stock company or mutual company or  
22 association or exchange, authorized to do business in the  
23 state;

24 (b) By furnishing satisfactory proof to the Florida  
25 Self-Insurers Guaranty Association, Incorporated, created in  
26 s. 440.385, that it has the financial strength necessary to  
27 ensure timely payment of all current and future claims  
28 individually and on behalf of its subsidiary and affiliated  
29 companies with employees in this state and receiving an  
30 authorization from the department of ~~Insurance~~ to pay such  
31 compensation directly. The association shall review the

1 financial strength of applicants for membership, current  
2 members, and former members and make recommendations to the  
3 department ~~of Insurance~~ regarding their qualifications to  
4 self-insure in accordance with this section and ss. 440.385  
5 and 440.386. The department shall act in accordance with the  
6 recommendations unless it finds by clear and convincing  
7 evidence that the recommendations are erroneous.

8           1. As a condition of authorization under paragraph  
9 (a), the association may recommend that the department ~~of~~  
10 ~~Insurance~~ require an employer to deposit with the association  
11 a qualifying security deposit. The association shall recommend  
12 the type and amount of the qualifying security deposit and  
13 shall prescribe conditions for the qualifying security  
14 deposit, which shall include authorization for the association  
15 to call the qualifying security deposit in the case of default  
16 to pay compensation awards and related expenses of the  
17 association. As a condition to authorization to self-insure,  
18 the employer shall provide proof that the employer has  
19 provided for competent personnel with whom to deliver benefits  
20 and to provide a safe working environment. The employer shall  
21 also provide evidence that it carries reinsurance at levels  
22 that will ensure the financial strength and actuarial  
23 soundness of such employer in accordance with rules adopted by  
24 the department ~~of Insurance~~. The department ~~of Insurance~~ may  
25 by rule require that, in the event of an individual  
26 self-insurer's insolvency, such qualifying security deposits  
27 and reinsurance policies are payable to the association. Any  
28 employer securing compensation in accordance with the  
29 provisions of this paragraph shall be known as a self-insurer  
30 and shall be classed as a carrier of her or his own insurance.  
31 The employer shall, if requested, provide the association an

1 actuarial report signed by a member of the American Academy of  
2 Actuaries providing an opinion of the appropriate present  
3 value of the reserves, using a 4-percent discount rate, for  
4 current and future compensation claims. If any member or  
5 former member of the association refuses to timely provide  
6 such a report, the association may obtain an order from a  
7 circuit court requiring the member to produce such a report  
8 and ordering any other relief that the court determines is  
9 appropriate. The association may recover all reasonable costs  
10 and attorney's fees in such proceedings.

11           2. If the employer fails to maintain the foregoing  
12 requirements, the association shall recommend to the  
13 department ~~of Insurance~~ that the department revoke the  
14 employer's authority to self-insure, unless the employer  
15 provides to the association the certified opinion of an  
16 independent actuary who is a member of the American Academy of  
17 Actuaries as to the actuarial present value of the employer's  
18 determined and estimated future compensation payments based on  
19 cash reserves, using a 4-percent discount rate, and a  
20 qualifying security deposit equal to 1.5 times the value so  
21 certified. The employer shall thereafter annually provide such  
22 a certified opinion until such time as the employer meets the  
23 requirements of subparagraph 1. The qualifying security  
24 deposit shall be adjusted at the time of each such annual  
25 report. Upon the failure of the employer to timely provide  
26 such opinion or to timely provide a security deposit in an  
27 amount equal to 1.5 times the value certified in the latest  
28 opinion, the association shall provide that information to the  
29 department ~~of Insurance~~ along with a recommendation, and the  
30 department ~~of Insurance~~ shall then revoke such employer's  
31 authorization to self-insure. Failure to comply with this

1 subparagraph constitutes an immediate serious danger to the  
2 public health, safety, or welfare sufficient to justify the  
3 summary suspension of the employer's authorization to  
4 self-insure pursuant to s. 120.68.

5           3. Upon the suspension or revocation of the employer's  
6 authorization to self-insure, the employer shall provide to  
7 the association the certified opinion of an independent  
8 actuary who is a member of the American Academy of Actuaries  
9 of the actuarial present value of the determined and estimated  
10 future compensation payments of the employer for claims  
11 incurred while the member exercised the privilege of  
12 self-insurance, using a discount rate of 4 percent. The  
13 employer shall provide such an opinion at 6-month intervals  
14 thereafter until such time as the latest opinion shows no  
15 remaining value of claims. With each such opinion, the  
16 employer shall deposit with the association a qualifying  
17 security deposit in an amount equal to the value certified by  
18 the actuary. The association has a cause of action against an  
19 employer, and against any successor of the employer, who fails  
20 to timely provide such opinion or who fails to timely maintain  
21 the required security deposit with the association. The  
22 association shall recover a judgment in the amount of the  
23 actuarial present value of the determined and estimated future  
24 compensation payments of the employer for claims incurred  
25 while the employer exercised the privilege of self-insurance,  
26 together with attorney's fees. For purposes of this section,  
27 the successor of an employer means any person, business  
28 entity, or group of persons or business entities, which holds  
29 or acquires legal or beneficial title to the majority of the  
30 assets or the majority of the shares of the employer.

31

1           4. A qualifying security deposit shall consist, at the  
2 option of the employer, of:

3           a. Surety bonds, in a form and containing such terms  
4 as prescribed by the association, issued by a corporation  
5 surety authorized to transact surety business by the office  
6 ~~Department of Insurance~~, and whose policyholders' and  
7 financial ratings, as reported in A.M. Best's Insurance  
8 Reports, Property-Liability, are not less than "A" and "V",  
9 respectively.

10           b. Irrevocable letters of credit in favor of the  
11 association issued by financial institutions located within  
12 this state, the deposits of which are insured through the  
13 Federal Deposit Insurance Corporation.

14           5. The qualifying security deposit shall be held by  
15 the association exclusively for the benefit of workers'  
16 compensation claimants. The security shall not be subject to  
17 assignment, execution, attachment, or any legal process  
18 whatsoever, except as necessary to guarantee the payment of  
19 compensation under this chapter. No surety bond may be  
20 terminated, and no letter of credit may be allowed to expire,  
21 without 90 days' prior written notice to the association and  
22 deposit by the self-insuring employer of some other qualifying  
23 security deposit of equal value within 10 business days after  
24 such notice. Failure to provide such written notice or failure  
25 to timely provide qualifying replacement security after such  
26 notice shall constitute grounds for the association to call or  
27 sue upon the surety bond or to exercise its rights under a  
28 letter of credit. Current self-insured employers must comply  
29 with this section on or before December 31, 2001, or upon the  
30 maturity of existing security deposits, whichever occurs  
31 later. The department ~~of Insurance~~ may specify by rule the

1 amount of the qualifying security deposit required prior to  
2 authorizing an employer to self-insure and the amount of net  
3 worth required for an employer to qualify for authorization to  
4 self-insure;

5 (c) By entering into a contract with a public utility  
6 under an approved utility-provided self-insurance program as  
7 set forth in s. 624.46225 in effect as of July 1, 1983. The  
8 department ~~division~~ shall adopt rules to implement this  
9 paragraph;

10 (d) By entering into an interlocal agreement with  
11 other local governmental entities to create a local government  
12 pool pursuant to s. 624.4622; or

13 ~~(e) In accordance with s. 440.135, an employer, other  
14 than a local government unit, may elect coverage under the  
15 Workers' Compensation Law and retain the benefit of the  
16 exclusiveness of liability provided in s. 440.11 by obtaining  
17 a 24-hour health insurance policy from an authorized property  
18 and casualty insurance carrier or an authorized life and  
19 health insurance carrier, or by participating in a fully or  
20 partially self-insured 24-hour health plan that is established  
21 or maintained by or for two or more employers, so long as the  
22 law of this state is not preempted by the Employee Retirement  
23 Income Security Act of 1974, Pub. L. No. 93-406, or any  
24 amendment to that law, which policy or plan must provide, for  
25 at least occupational injuries and illnesses, medical benefits  
26 that are comparable to those required by this chapter. A local  
27 government unit, as a single employer, in accordance with s.  
28 440.135, may participate in the 24-hour health insurance  
29 coverage plan referenced in this paragraph. Disputes and  
30 remedies arising under policies issued under this section are  
31 governed by the terms and conditions of the policies and under~~

1 ~~the applicable provisions of the Florida Insurance Code and~~  
2 ~~rules adopted under the insurance code and other applicable~~  
3 ~~laws of this state. The 24-hour health insurance policy may~~  
4 ~~provide for health care by a health maintenance organization~~  
5 ~~or a preferred provider organization. The premium for such~~  
6 ~~24-hour health insurance policy shall be paid entirely by the~~  
7 ~~employer. The 24-hour health insurance policy may use~~  
8 ~~deductibles and coinsurance provisions that require the~~  
9 ~~employee to pay a portion of the actual medical care received~~  
10 ~~by the employee. If an employer obtains a 24-hour health~~  
11 ~~insurance policy or self-insured plan to secure payment of~~  
12 ~~compensation as to medical benefits, the employer must also~~  
13 ~~obtain an insurance policy or policies that provide indemnity~~  
14 ~~benefits as follows:~~

15         1. ~~If indemnity benefits are provided only for~~  
16 ~~occupational-related disability, such benefits must be~~  
17 ~~comparable to those required by this chapter.~~

18         2. ~~If indemnity benefits are provided for both~~  
19 ~~occupational-related and nonoccupational-related disability,~~  
20 ~~such benefits must be comparable to those required by this~~  
21 ~~chapter, except that they must be based on 60 percent of the~~  
22 ~~average weekly wages.~~

23         3. ~~The employer shall provide for each of its~~  
24 ~~employees life insurance with a death benefit of \$100,000.~~

25         4. ~~Policies providing coverage under this subsection~~  
26 ~~must use prescribed and acceptable underwriting standards,~~  
27 ~~forms, and policies approved by the Department of Insurance.~~  
28 ~~If any insurance policy that provides coverage under this~~  
29 ~~section is canceled, terminated, or nonrenewed for any reason,~~  
30 ~~the cancellation, termination, or nonrenewal is ineffective~~  
31 ~~until the self-insured employer or insurance carrier or~~

1 ~~carriers notify the division and the Department of Insurance~~  
2 ~~of the cancellation, termination, or nonrenewal, and until the~~  
3 ~~division has actually received the notification. The division~~  
4 ~~must be notified of replacement coverage under a workers'~~  
5 ~~compensation and employer's liability insurance policy or plan~~  
6 ~~by the employer prior to the effective date of the~~  
7 ~~cancellation, termination, or nonrenewal; or~~

8 (e)~~(f)~~ By entering into a contract with an individual  
9 self-insurer under an approved individual  
10 self-insurer-provided self-insurance program as set forth in  
11 s. 624.46225. The department ~~division~~ may adopt rules to  
12 administer this subsection.

13 (2)(a) The department ~~of Insurance~~ shall adopt rules  
14 by which businesses may become qualified to provide  
15 underwriting claims-adjusting, loss control, and safety  
16 engineering services to self-insurers.

17 (b) The department ~~of Insurance~~ shall adopt rules  
18 requiring self-insurers to file any reports necessary to  
19 fulfill the requirements of this chapter. Any self-insurer  
20 who fails to file any report as prescribed by the rules  
21 adopted by the department ~~of Insurance~~ shall be subject to a  
22 civil penalty.

23 (3)(a) The license of any stock company or mutual  
24 company or association or exchange authorized to do insurance  
25 business in the state shall for good cause, upon  
26 recommendation of the department ~~division~~, be suspended or  
27 revoked by the office ~~Department of Insurance~~. No suspension  
28 or revocation shall affect the liability of any carrier  
29 already incurred.

30 (b) The department ~~of Insurance~~ shall suspend or  
31 revoke any authorization to a self-insurer for failure to

1 comply with this section or for good cause, as defined by rule  
2 of the department ~~of Insurance~~. No suspension or revocation  
3 shall affect the liability of any self-insurer already  
4 incurred.

5 (c) Violation of s. 440.381 by a self-insurance fund  
6 shall result in the imposition of a fine not to exceed \$1,000  
7 per audit if the self-insurance fund fails to act on said  
8 audits by correcting errors in employee classification or  
9 accepted applications for coverage where it knew employee  
10 classifications were incorrect. Such fines shall be levied by  
11 the department ~~division~~ and deposited into the Workers'  
12 Compensation Administration Trust Fund.

13 (4)(a) A carrier of insurance, including the parties  
14 to any mutual, reciprocal, or other association, may not write  
15 any compensation insurance under this chapter without a  
16 certificate of authority permit from the office ~~Department of~~  
17 ~~Insurance~~. Such certificate of authority permit shall be  
18 given, upon application therefor, to any insurance or mutual  
19 or reciprocal insurance association upon the office's  
20 ~~department's~~ being satisfied of the solvency of such  
21 corporation or association and its ability to perform all its  
22 undertakings. The office ~~Department of Insurance~~ may revoke  
23 any certificate of authority permit so issued for violation of  
24 any provision of this chapter.

25 (b) A carrier of insurance, including the parties to  
26 any mutual, reciprocal, or other association, may not write  
27 any compensation insurance under this chapter unless such  
28 carrier has a claims adjuster, either in-house or under  
29 contract, situated within this state. Self-insurers whose  
30 compensation payments are administered through a third party  
31 and carriers of insurance shall maintain a claims adjuster

1 within this state during any period for which there are any  
2 open claims against such self-insurer or carrier arising under  
3 the compensation insurance written by the self-insurer or  
4 carrier. Individual self-insurers whose compensation payments  
5 are administered by employees of the self-insurer shall not be  
6 required to have their claims adjuster situated within this  
7 state. Individual self-insurers shall not be required to have  
8 their claims adjusters situated within this state.

9 Section 483. Subsections (1) and (3) of section  
10 440.381, Florida Statutes, are amended to read:

11 440.381 Application for coverage; reporting payroll;  
12 payroll audit procedures; penalties.--

13 (1) Applications by an employer to a carrier for  
14 coverage required by s. 440.38 must be made on a form  
15 prescribed by the Financial Services Commission ~~Department of~~  
16 ~~Insurance~~. The Financial Services Commission ~~Department of~~  
17 ~~Insurance~~ shall adopt rules for applications for coverage  
18 required by s. 440.38. The rules must provide that an  
19 application include information on the employer, the type of  
20 business, past and prospective payroll, estimated revenue,  
21 previous workers' compensation experience, employee  
22 classification, employee names, and any other information  
23 necessary to enable a carrier to accurately underwrite the  
24 applicant. The rules must include a provision that a carrier  
25 or self-insurance fund may require that an employer update an  
26 application monthly to reflect any change in the required  
27 application information.

28 (3) The Financial Services Commission, in consultation  
29 with the department, shall establish by rule minimum  
30 requirements for audits of payroll and classifications in  
31 order to ensure that the appropriate premium is charged for

1 workers' compensation coverage. The rules shall ensure that  
2 audits performed by both carriers and employers are adequate  
3 to provide that all sources of payments to employees,  
4 subcontractors, and independent contractors have been reviewed  
5 and that the accuracy of classification of employees has been  
6 verified. The rules shall provide that employers in all  
7 classes other than the construction class be audited not less  
8 frequently than biennially and may provide for more frequent  
9 audits of employers in specified classifications based on  
10 factors such as amount of premium, type of business, loss  
11 ratios, or other relevant factors. In no event shall employers  
12 in the construction class, generating more than the amount of  
13 premium required to be experience rated, be audited less than  
14 annually. The annual audits required for construction classes  
15 shall consist of physical onsite audits. Payroll verification  
16 audit rules must include, but need not be limited to, the use  
17 of state and federal reports of employee income, payroll and  
18 other accounting records, certificates of insurance maintained  
19 by subcontractors, and duties of employees. At the completion  
20 of an audit, the employer or officer of the corporation and  
21 the auditor must print and sign their names on the audit  
22 document and attach proof of identification to the audit  
23 document.

24 Section 484. Section 440.385, Florida Statutes, is  
25 amended to read:

26 440.385 Florida Self-Insurers Guaranty Association,  
27 Incorporated.--

28 (1) CREATION OF ASSOCIATION.--

29 (a) There is created a nonprofit corporation to be  
30 known as the "Florida Self-Insurers Guaranty Association,  
31 Incorporated," hereinafter referred to as "the association."

1 Upon incorporation of the association, all individual  
2 self-insurers as defined in ss. 440.02(23)(a) and  
3 440.38(1)(b), other than individual self-insurers which are  
4 public utilities or governmental entities, shall be members of  
5 the association as a condition of their authority to  
6 individually self-insure in this state. The association shall  
7 perform its functions under a plan of operation as established  
8 and approved under subsection (5) and shall exercise its  
9 powers and duties through a board of directors as established  
10 under subsection (2). The association shall have those powers  
11 granted or permitted corporations not for profit, as provided  
12 in chapter 617. The activities of the association shall be  
13 subject to review by the department ~~of Insurance~~. The  
14 department ~~of Insurance~~ shall have oversight responsibility as  
15 set forth in this section. The association is specifically  
16 authorized to enter into agreements with this state to perform  
17 specified services.

18 (b) A member may voluntarily withdraw from the  
19 association when the member voluntarily terminates the  
20 self-insurance privilege and pays all assessments due to the  
21 date of such termination. However, the withdrawing member  
22 shall continue to be bound by the provisions of this section  
23 relating to the period of his or her membership and any claims  
24 charged pursuant thereto. The withdrawing member who is a  
25 member on or after January 1, 1991, shall also be required to  
26 provide to the association upon withdrawal, and at 12-month  
27 intervals thereafter, satisfactory proof, including, if  
28 requested by the association, a report of known and potential  
29 claims certified by a member of the American Academy of  
30 Actuaries, that it continues to meet the standards of s.  
31 440.38(1)(b)1. in relation to claims incurred while the

1 withdrawing member exercised the privilege of self-insurance.  
2 Such reporting shall continue until the withdrawing member  
3 demonstrates to the association that there is no remaining  
4 value to claims incurred while the withdrawing member was  
5 self-insured. If a withdrawing member fails or refuses to  
6 timely provide an actuarial report to the association, the  
7 association may obtain an order from a circuit court requiring  
8 the member to produce such a report and ordering any other  
9 relief that the court determines appropriate. The association  
10 is entitled to recover all reasonable costs and attorney's  
11 fees expended in such proceedings. If during this reporting  
12 period the withdrawing member fails to meet the standards of  
13 s. 440.38(1)(b)1., the withdrawing member who is a member on  
14 or after January 1, 1991, shall thereupon, and at 6-month  
15 intervals thereafter, provide to the association the certified  
16 opinion of an independent actuary who is a member of the  
17 American Academy of Actuaries of the actuarial present value  
18 of the determined and estimated future compensation payments  
19 of the member for claims incurred while the member was a  
20 self-insurer, using a discount rate of 4 percent. With each  
21 such opinion, the withdrawing member shall deposit with the  
22 association security in an amount equal to the value certified  
23 by the actuary and of a type that is acceptable for qualifying  
24 security deposits under s. 440.38(1)(b). The withdrawing  
25 member shall continue to provide such opinions and to provide  
26 such security until such time as the latest opinion shows no  
27 remaining value of claims. The association has a cause of  
28 action against a withdrawing member, and against any successor  
29 of a withdrawing member, who fails to timely provide the  
30 required opinion or who fails to maintain the required deposit  
31 with the association. The association shall be entitled to

1 recover a judgment in the amount of the actuarial present  
2 value of the determined and estimated future compensation  
3 payments of the withdrawing member for claims incurred during  
4 the time that the withdrawing member exercised the privilege  
5 of self-insurance, together with reasonable attorney's fees.  
6 The association is also entitled to recover reasonable  
7 attorney's fees in any action to compel production of any  
8 actuarial report required by this section. For purposes of  
9 this section, the successor of a withdrawing member means any  
10 person, business entity, or group of persons or business  
11 entities, which holds or acquires legal or beneficial title to  
12 the majority of the assets or the majority of the shares of  
13 the withdrawing member.

14 (2) BOARD OF DIRECTORS.--The board of directors of the  
15 association shall consist of nine persons and shall be  
16 organized as established in the plan of operation. All board  
17 members shall be experienced in self-insurance in this state.  
18 Each director shall serve for a 4-year term and may be  
19 reappointed. Appointments after January 1, 2002, shall be  
20 made by the department ~~of insurance~~ upon recommendation of  
21 members of the association. Any vacancy on the board shall be  
22 filled for the remaining period of the term in the same manner  
23 as appointments other than initial appointments are made. Each  
24 director shall be reimbursed for expenses incurred in carrying  
25 out the duties of the board on behalf of the association.

26 (3) POWERS AND DUTIES.--

27 (a) Upon creation of the Insolvency Fund pursuant to  
28 the provisions of subsection (4), the association is obligated  
29 for payment of compensation under this chapter to insolvent  
30 members' employees resulting from incidents and injuries  
31 existing prior to the member becoming an insolvent member and

1 from incidents and injuries occurring within 30 days after the  
2 member has become an insolvent member, provided the incidents  
3 giving rise to claims for compensation under this chapter  
4 occur during the year in which such insolvent member is a  
5 member of the guaranty fund and was assessable pursuant to the  
6 plan of operation, and provided the employee makes timely  
7 claim for such payments according to procedures set forth by a  
8 court of competent jurisdiction over the delinquency or  
9 bankruptcy proceedings of the insolvent member. Such  
10 obligation includes only that amount due the injured worker or  
11 workers of the insolvent member under this chapter. In no  
12 event is the association obligated to a claimant in an amount  
13 in excess of the obligation of the insolvent member. The  
14 association shall be deemed the insolvent employer for  
15 purposes of this chapter to the extent of its obligation on  
16 the covered claims and, to such extent, shall have all rights,  
17 duties, and obligations of the insolvent employer as if the  
18 employer had not become insolvent. However, in no event shall  
19 the association be liable for any penalties or interest.

20 (b) The association may:

- 21 1. Employ or retain such persons as are necessary to  
22 handle claims and perform other duties of the association.
- 23 2. Borrow funds necessary to effect the purposes of  
24 this section in accord with the plan of operation.
- 25 3. Sue or be sued.
- 26 4. Negotiate and become a party to such contracts as  
27 are necessary to carry out the purposes of this section.
- 28 5. Purchase such reinsurance as is determined  
29 necessary pursuant to the plan of operation.
- 30 6. Review all applicants for membership in the  
31 association to determine whether the applicant is qualified

1 for membership under the law. The association shall recommend  
2 to the department ~~of Insurance~~ that the application be  
3 accepted or rejected based on the criteria set forth in s.  
4 440.38(1)(b). The department ~~of Insurance~~ shall approve or  
5 disapprove the application as provided in paragraph (6)(a).

6         7. Collect and review financial information from  
7 employers and make recommendations to the department ~~of~~  
8 ~~Insurance~~ regarding the appropriate security deposit and  
9 reinsurance amounts necessary for an employer to demonstrate  
10 that it has the financial strength necessary to ensure the  
11 timely payment of all current and future claims. The  
12 association may audit and examine an employer to verify the  
13 financial strength of its current and former members. If the  
14 association determines that a current or former self-insured  
15 employer does not have the financial strength necessary to  
16 ensure the timely payment of all current and estimated future  
17 claims, the association may recommend to the department ~~of~~  
18 ~~Insurance~~ that the department:

19             a. Revoke the employer's self-insurance privilege.  
20             b. Require the employer to provide a certified opinion  
21 of an independent actuary who is a member of the American  
22 Academy of Actuaries as to the actuarial present value of the  
23 employer's estimated current and future compensation payments,  
24 using a 4-percent discount rate.

25             c. Require an increase in the employer's security  
26 deposit in an amount determined by the association to be  
27 necessary to ensure payment of compensation claims. The  
28 department ~~of Insurance~~ shall act on such recommendations as  
29 provided in paragraph (6)(a). The association has a cause of  
30 action against an employer, and against any successor of an  
31 employer, who fails to provide an additional security deposit

1 required by the department ~~of Insurance~~. The association  
2 shall file an action in circuit court to recover a judgment in  
3 the amount of the requested additional security deposit  
4 together with reasonable attorney's fees. For the purposes of  
5 this section, the successor of an employer is any person,  
6 business entity, or group of persons or business entities  
7 which holds or acquires legal or beneficial title to the  
8 majority of the assets or the majority of the shares of the  
9 employer.

10 8. Charge fees to any member of the association to  
11 cover the actual costs of examining the financial and safety  
12 conditions of that member.

13 9. Charge an applicant for membership in the

16 10. Implement any procedures necessary to ensure  
17 compliance with regulatory actions taken by the department ~~of~~  
18 ~~Insurance~~.

19 (c)1. To the extent necessary to secure funds for the  
20 payment of covered claims and also to pay the reasonable costs  
21 to administer them, the association, subject to approval by  
22 the department ~~of Insurance~~, shall levy assessments based on  
23 the annual written premium each employer would have paid had  
24 the employer not been self-insured. Every assessment shall be  
25 made as a uniform percentage of the figure applicable to all  
26 individual self-insurers, provided that the assessment levied  
27 against any self-insurer in any one year shall not exceed 1  
28 percent of the annual written premium during the calendar year  
29 preceding the date of the assessment. Assessments shall be  
30 remitted to and administered by the board of directors in the  
31 manner specified by the approved plan. Each employer so

1 assessed shall have at least 30 days' written notice as to the  
2 date the assessment is due and payable. The association shall  
3 levy assessments against any newly admitted member of the  
4 association so that the basis of contribution of any newly  
5 admitted member is the same as previously admitted members,  
6 provision for which shall be contained in the plan of  
7 operation.

8           2. If, in any one year, funds available from such  
9 assessments, together with funds previously raised, are not

12 portion shall be paid as soon thereafter as sufficient  
13 additional funds become available.

14           3. Funds may be allocated or paid from the Workers'  
15 Compensation Administration Trust Fund to contract with the

27 meeting the obligations of insolvent members incurred while  
28 members of the association and after the exhaustion of any  
29 security deposit, as required under this chapter. However, if  
30 such security deposit or reinsurance policy is payable to the  
31 association, the association shall commence to provide

1 benefits out of the Insolvency Fund and be reimbursed from the  
2 security deposit or reinsurance policy. The method of  
3 operation of the Insolvency Fund shall be defined in the plan  
4 of operation as provided in subsection (5).

5 (b) The department ~~of Insurance~~ shall have the  
6 authority to audit the financial soundness of the Insolvency  
7 Fund annually.

8 (c) The department ~~of Insurance~~ may offer certain  
9 amendments to the plan of operation to the board of directors  
10 of the association for purposes of assuring the ongoing  
11 financial soundness of the Insolvency Fund and its ability to  
12 meet the obligations of this section.

13 (5) PLAN OF OPERATION.--The association shall operate  
14 pursuant to a plan of operation approved by the board of  
15 directors. The plan of operation in effect on January 1,  
16 2002, and approved by the Department of Labor and Employment  
17 Security shall remain in effect. However, any amendments to  
18 the plan shall not become effective until approved by the  
19 Department of Financial Services Insurance.

20 (a) The purpose of the plan of operation shall be to  
21 provide the association and the board of directors with the  
22 authority and responsibility to establish the necessary  
23 programs and to take the necessary actions to protect against  
24 the insolvency of a member of the association. In addition,  
25 the plan shall provide that the members of the association  
26 shall be responsible for maintaining an adequate Insolvency  
27 Fund to meet the obligations of insolvent members provided for  
28 under this act and shall authorize the board of directors to  
29 contract and employ those persons with the necessary expertise  
30 to carry out this stated purpose. By January 1, 2003, the  
31 board of directors shall submit to the department ~~of Insurance~~

1 a proposed plan of operation for the administration of the  
2 association. The department ~~of insurance~~ shall approve the  
3 plan by order, consistent with this section. The department ~~of~~  
4 ~~insurance~~ shall approve any amendments to the plan, consistent  
5 with this section, which are determined appropriate to carry  
6 out the duties and responsibilities of the association.

7 (b) All member employers shall comply with the plan of  
8 operation.

9 (c) The plan of operation shall:

10 1. Establish the procedures whereby all the powers and  
11 duties of the association under subsection (3) will be  
12 performed.

13 2. Establish procedures for handling assets of the  
14 association.

15 3. Establish the amount and method of reimbursing  
16 members of the board of directors under subsection (2).

17 4. Establish procedures by which claims may be filed  
18 with the association and establish acceptable forms of proof  
19 of covered claims. Notice of claims to the receiver or  
20 liquidator of the insolvent employer shall be deemed notice to  
21 the association or its agent, and a list of such claims shall  
22 be submitted periodically to the association or similar  
23 organization in another state by the receiver or liquidator.

24 5. Establish regular places and times for meetings of  
25 the board of directors.

26 6. Establish procedures for records to be kept of all  
27 financial transactions of the association and its agents and  
28 the board of directors.

29 7. Provide that any member employer aggrieved by any  
30 final action or decision of the association may appeal to the  
31

1 department ~~of Insurance~~ within 30 days after the action or  
2 decision.

3 8. Establish the procedures whereby recommendations of  
4 candidates for the board of directors shall be submitted to  
5 the department ~~of Insurance~~.

6 9. Contain additional provisions necessary or proper  
7 for the execution of the powers and duties of the association.

8 (d) The plan of operation may provide that any or all  
9 of the powers and duties of the association, except those  
10 specified under subparagraphs (c)1. and 2., be delegated to a  
11 corporation, association, or other organization which performs  
12 or will perform functions similar to those of this association  
13 or its equivalent in two or more states. Such a corporation,  
14 association, or organization shall be reimbursed as a  
15 servicing facility would be reimbursed and shall be paid for  
16 its performance of any other functions of the association. A  
17 delegation of powers or duties under this subsection shall  
18 take effect only with the approval of both the board of  
19 directors and the department ~~of Insurance~~ and may be made only  
20 to a corporation, association, or organization which extends  
21 protection which is not substantially less favorable and  
22 effective than the protection provided by this section.

23 (6) POWERS AND DUTIES OF DEPARTMENT ~~OF INSURANCE~~.--The  
24 department ~~of Insurance~~ shall:

25 (a) Review recommendations of the association  
26 concerning whether current or former self-insured employers or  
27 members of the association have the financial strength  
28 necessary to ensure the timely payment of all current and  
29 estimated future claims. If the association determines an  
30 employer does not have the financial strength necessary to  
31 ensure the timely payment of all current and future claims and

1 recommends action pursuant to paragraph (3)(b), the department  
2 shall take such action as necessary to order the employer to  
3 comply with the recommendation, unless the department finds by  
4 clear and convincing evidence that the recommendation is  
5 erroneous.

6 (b) Contract with the association for services, which  
7 may include, but are not limited to:

8 1. Processing applications for self-insurance.

9 2. Collecting and reviewing financial statements and  
10 loss reserve information from individual self-insurers.

11 3. Collecting and maintaining files for original  
12 security deposit documents and reinsurance policies from  
13 individual self-insurers and, if necessary, perfecting  
14 security interests in security deposits.

15 4. Processing compliance documentation for individual  
16 self-insurers and providing copies of such documentation to  
17 the department.

18 5. Collecting all data necessary to calculate annual  
19 premium for all individual self-insurers, including individual  
20 self-insurers that are public utilities or governmental  
21 entities, and providing such calculated annual premium to the  
22 department ~~division~~ for assessment purposes.

23 6. Inspecting and auditing annually, if necessary, the  
24 payroll and other records of each individual self-insurer,  
25 including individual self-insurers that are public utilities  
26 or governmental entities, in order to determine the wages paid  
27 by each individual self-insurer, the premium such individual  
28 self-insurer would have to pay if insured, and all payments of  
29 compensation made by such individual self-insurer during each  
30 prior period with the results of such audit provided to the  
31 department ~~division~~. For purposes of this section, the payroll

1 records of each individual self-insurer shall be open to  
2 inspection and audit by the association and the department, or  
3 their authorized representatives, during regular business  
4 hours.

5           7. Processing applications and making recommendations  
6 with respect to the qualification of a business to be approved  
7 to provide or continue to provide services to individual  
8 self-insurers in the areas of underwriting, claims adjusting,  
9 loss control, and safety engineering.

10           8. Providing legal representation to implement the  
11 administration and audit of individual self-insurers and  
12 making recommendations regarding prosecution of any  
13 administrative or legal proceedings necessitated by the  
14 regulation of the individual self-insurers by the department.

15           (c) Contract with an attorney or attorneys recommended  
16 by the association for representation of the department in any  
17 administrative or legal proceedings necessitated by the  
18 recommended regulation of the individual self-insurers.

19           (d) Direct the association to require from each  
20 individual self-insurer, at such time and in accordance with  
21 such regulations as the department prescribes, reports  
22 relating to wages paid, the amount of premiums such individual  
23 self-insurer would have to pay if insured, and all payments of  
24 compensation made by such individual self-insurer during each  
25 prior period and to determine the amounts paid by each  
26 individual self-insurer and the amounts paid by all individual  
27 self-insurers during such period. For purposes of this  
28 section, the payroll records of each individual self-insurer  
29 shall be open to annual inspection and audit by the  
30 association and the department, or their authorized  
31 representative, during regular business hours, and if any

1 audit of such records of an individual self-insurer discloses  
2 a deficiency in the amount reported to the association or in  
3 the amounts paid to the department ~~division~~ by an individual  
4 self-insurer for its assessment for the Workers' Compensation  
5 Administration Trust Fund, the department or the association  
6 may assess the cost of such audit against the individual  
7 self-insurer.

8 (e) Require that the association notify the member  
9 employers and any other interested parties of the  
10 determination of insolvency and of their rights under this  
11 section. Such notification shall be by mail at the last known  
12 address thereof when available; but, if sufficient information  
13 for notification by mail is not available, notice by  
14 publication in a newspaper of general circulation shall be  
15 sufficient.

16 (f) Suspend or revoke the authority of any member  
17 employer failing to pay an assessment when due or failing to  
18 comply with the plan of operation to self-insure in this  
19 state. As an alternative, the department may levy a fine on  
20 any member employer failing to pay an assessment when due.  
21 Such fine shall not exceed 5 percent of the unpaid assessment  
22 per month, except that no fine shall be less than \$100 per  
23 month.

24 (g) Revoke the designation of any servicing facility  
25 if the department finds that claims are being handled  
26 unsatisfactorily.

27 (7) EFFECT OF PAID CLAIMS.--

28 (a) Any person who recovers from the association under  
29 this section shall be deemed to have assigned his or her  
30 rights to the association to the extent of such recovery.  
31 Every claimant seeking the protection of this section shall

1 cooperate with the association to the same extent as such  
2 person would have been required to cooperate with the  
3 insolvent member. The association shall have no cause of  
4 action against the employee of the insolvent member for any  
5 sums the association has paid out, except such causes of  
6 action as the insolvent member would have had if such sums had  
7 been paid by the insolvent member. In the case of an  
8 insolvent member operating on a plan with assessment  
9 liability, payments of claims by the association shall not  
10 operate to reduce the liability of the insolvent member to the  
11 receiver, liquidator, or statutory successor for unpaid  
12 assessments.

13 (b) The receiver, liquidator, or statutory successor  
14 of an insolvent member shall be bound by settlements of  
15 covered claims by the association or a similar organization in  
16 another state. The court having jurisdiction shall grant such  
17 claims priority against the assets of the insolvent member  
18 equal to that to which the claimant would have been entitled  
19 in the absence of this section. The expense of the association  
20 or similar organization in handling claims shall be accorded  
21 the same priority as the expenses of the liquidator.

22 (c) The association shall file periodically with the  
23 receiver or liquidator of the insolvent member statements of  
24 the covered claims paid by the association and estimates of  
25 anticipated claims on the association, which shall preserve  
26 the rights of the association against the assets of the  
27 insolvent member.

28 (8) NOTIFICATION OF INSOLVENCIES.--To aid in the  
29 detection and prevention of employer insolvencies: Upon  
30 determination by majority vote that any member employer may be  
31 insolvent or in a financial condition hazardous to the

2 the board of directors to notify the department ~~of Insurance~~  
3 of any information indicating such condition.

5 shall be subject to examination and regulation by the  
6 department ~~of Insurance~~. No later than March 30 of each year,  
7 the board of directors shall submit an audited financial  
8 statement for the preceding calendar year in a form approved  
9 by the department.

10 (10) IMMUNITY.--There shall be no liability on the  
11 part of, and no cause of action of any nature shall arise  
12 against, any member employer, the association or its agents or

16 section.

18 JUDGMENTS.--All proceedings in which an insolvent employer is

20 before any quasi-judicial body or administrative board in this  
21 state shall be stayed for up to 6 months, or for such  
22 additional period from the date the employer becomes an  
23 insolvent member, as is deemed necessary by a court of  
24 competent jurisdiction to permit proper defense by the  
25 association of all pending causes of action as to any covered  
26 claims arising from a judgment under any decision, verdict, or  
27 finding based on the default of the insolvent member. The  
28 association, either on its own behalf or on behalf of the  
29 insolvent member, may apply to have such judgment, order,  
30 decision, verdict, or finding set aside by the same court or  
31 administrator that made such judgment, order, decision,

1 verdict, or finding and shall be permitted to defend against  
2 such claim on the merits. If requested by the association,  
3 the stay of proceedings may be shortened or waived.

4 (12) LIMITATION ON CERTAIN ACTIONS.--Notwithstanding  
5 any other provision of this chapter, a covered claim, as  
6 defined herein, with respect to which settlement is not  
7 effected and pursuant to which suit is not instituted against  
8 the insured of an insolvent member or the association within 1  
9 year after the deadline for filing claims with the receiver of  
10 the insolvent member, or any extension of the deadline, shall  
11 thenceforth be barred as a claim against the association.

12 (13) CORPORATE INCOME TAX CREDIT.--Any sums acquired  
13 by a member by refund, dividend, or otherwise from the

26 Association, Incorporated, may commence a delinquency  
27 proceeding by application to the court for an order directing  
28 the individual self-insurer to show cause why the department  
29 or association should not have the relief sought. On the  
30 return of such order to show cause, and after a full hearing,  
31 the court shall either deny the application or grant the

1 application, together with such other relief as the nature of  
2 the case and the interests of the claimants, creditors,  
3 stockholders, members, subscribers, or public may require. The  
4 department and the association shall give reasonable written  
5 notice to each other of all hearings which pertain to an  
6 adjudication of insolvency of a member individual  
7 self-insurer.

8 (3) GROUNDS FOR LIQUIDATION.--The department ~~of~~  
9 ~~insurance~~ or the association may apply to the court for an

14 to an examination or investigation. The office ~~department~~, or  
15 its duly authorized representative, has the power to

29 under the provisions of ss. 494.001-494.0077.

30 (b) The office ~~department~~ shall conduct all  
31 examinations at a convenient location in this state unless the

1 ~~office department~~ determines that it is more effective or  
2 cost-efficient to perform an examination at the licensee's  
3 out-of-state location. For an examination performed at the  
4 licensee's out-of-state location, the licensee shall pay the  
5 travel expense and per diem subsistence at the rate provided  
6 by law for up to thirty 8-hour days per year for each office  
7 ~~department~~ examiner who participates in such an examination.

12 Section 515. Section 494.00125, Florida Statutes, is

14 494.00125 Confidentiality of information relating to  
15 investigations and examinations.--

16 (1)(a) Except as otherwise provided by this section,  
17 information relative to an investigation or examination by the  
18 office department pursuant to this chapter, including any  
19 consumer complaint received by the office or the Department of  
20 Financial Services, is confidential and exempt from s.  
21 119.07(1) until the investigation or examination is completed  
22 or ceases to be active. The information compiled by the office  
23 ~~department~~ in such an investigation or examination shall  
24 remain confidential and exempt from s. 119.07(1) after the  
25 office's department's investigation or examination is  
26 completed or ceases to be active if the office department  
27 submits the information to any law enforcement or  
28 administrative agency for further investigation. Such  
29 information shall remain confidential and exempt from s.  
30 119.07(1) until that agency's investigation is completed or  
31 ceases to be active. For purposes of this section, an

1 investigation or examination shall be considered "active" so  
2 long as the office ~~department~~ or any law enforcement or  
3 administrative agency is proceeding with reasonable dispatch  
4 and has a reasonable good faith belief that the investigation  
5 or examination may lead to the filing of an administrative,  
6 civil, or criminal proceeding or to the denial or conditional  
7 grant of a license. This section shall not be construed to  
8 prohibit disclosure of information which is required by law to  
9 be filed with the office ~~department~~ and which, but for the  
10 investigation or examination, would be subject to s.

11 119.07(1).

12 (b) Except as necessary for the office ~~department~~ to  
13 enforce the provisions of this chapter, a consumer complaint  
14 and other information relative to an investigation or  
15 examination shall remain confidential and exempt from s.  
16 119.07(1) after the investigation or examination is completed  
17 or ceases to be active to the extent disclosure would:

18 1. Jeopardize the integrity of another active  
19 investigation or examination.

20 2. Reveal the name, address, telephone number, social  
21 security number, or any other identifying number or  
22 information of any complainant, customer, or account holder.

23 3. Disclose the identity of a confidential source.

24 4. Disclose investigative techniques or procedures.

25 5. Reveal a trade secret as defined in s. 688.002.

26 (c) In the event that office ~~department~~ personnel are  
27 or have been involved in an investigation or examination of  
28 such nature as to endanger their lives or physical safety or  
29 that of their families, then the home addresses, telephone  
30 numbers, places of employment, and photographs of such  
31 personnel, together with the home addresses, telephone

1 numbers, photographs, and places of employment of spouses and  
2 children of such personnel and the names and locations of  
3 schools and day care facilities attended by the children of  
4 such personnel are confidential and exempt from s. 119.07(1).

5 (d) Nothing in this section shall be construed to  
6 prohibit the office ~~department~~ from providing information to  
7 any law enforcement or administrative agency. Any law  
8 enforcement or administrative agency receiving confidential  
9 information in connection with its official duties shall  
10 maintain the confidentiality of the information so long as it  
11 would otherwise be confidential.

12 (e) All information obtained by the office ~~department~~  
13 from any person which is only made available to the office  
14 ~~department~~ on a confidential or similarly restricted basis  
15 shall be confidential and exempt from s. 119.07(1). This  
16 exemption shall not be construed to prohibit disclosure of  
17 information which is required by law to be filed with the  
18 office ~~department~~ or which is otherwise subject to s.  
19 119.07(1).

20 (2) If information subject to subsection (1) is  
21 offered in evidence in any administrative, civil, or criminal  
22 proceeding, the presiding officer may, in her or his  
23 discretion, prevent the disclosure of information which would  
24 be confidential pursuant to paragraph (1)(b).

25 (3) A privilege against civil liability is granted to  
26 a person who furnishes information or evidence to the office  
27 ~~department~~, unless such person acts in bad faith or with  
28 malice in providing such information or evidence.

29 Section 516. Section 494.0013, Florida Statutes, is  
30 amended to read:

31 494.0013 Injunction to restrain violations.--

2 own counsel in the name and on behalf of the state against any  
3 person who has violated or is about to violate any provision  
4 of ss. 494.001-494.0077 or any rule of the commission or order  
5 of the office ~~department~~ issued under ss. 494.001-494.0077 to  
6 enjoin the person from continuing in or engaging in any act in  
7 furtherance of the violation.

8           (2) In any injunctive proceeding, the court may, on  
9 due showing by the office ~~department~~, issue a subpoena or  
10 subpoena duces tecum requiring the attendance of any witness  
11 and requiring the production of any books, accounts, records,  
12 or other documents and materials that appear necessary to the  
13 expeditious resolution of the application for injunction.

14           (3) In addition to all other means provided by law for  
15 the enforcement of any temporary restraining order, temporary  
16 injunction, or permanent injunction issued in any such court  
17 proceeding, the court has the power and jurisdiction, upon  
18 application of the office ~~department~~, to impound, and to  
19 appoint a receiver or administrator for, the property, assets,  
20 and business of the defendant, including, but not limited to,  
21 the books, records, documents, and papers appertaining  
22 thereto. Such receiver or administrator, when appointed and  
23 qualified, has all powers and duties as to custody,  
24 collection, administration, winding up, and liquidation of the  
25 property and business as are from time to time conferred upon  
26 him or her by the court. In any such action, the court may  
27 issue an order staying all pending suits and enjoining any  
28 further suits affecting the receiver's or administrator's  
29 custody or possession of the property, assets, and business,  
30 or the court, in its discretion and with the consent of the  
31 chief judge of the circuit, may require that all such suits be

1 assigned to the circuit court judge who appoints the receiver  
2 or administrator.

6 (1) The office ~~department~~ has the power to issue and  
7 serve upon any person an order to cease and desist and to take  
8 corrective action whenever it has reason to believe the person  
9 is violating, has violated, or is about to violate any  
10 provision of ss. 494.001-494.0077, any rule or order ~~of the~~  
11 ~~department~~ issued under ss. 494.001-494.0077, or any written

26 497.131 Disciplinary proceedings.--

27 (1) The department shall cause to be investigated any  
28 complaint which is filed before it if the complaint is in  
29 writing, signed by the complainant, and legally sufficient. A  
30 complaint is legally sufficient if it contains ultimate facts  
31 which show that a violation of this chapter, or of any rule

1 promulgated by the department or board has occurred. In order  
2 to determine legal sufficiency, the department may require  
3 supporting information or documentation. The department may  
4 investigate or continue to investigate, and the department and  
5 the board may take appropriate final action on, a complaint  
6 even though the original complainant withdraws it or otherwise  
7 indicates her or his desire not to cause the complaint to be  
8 investigated or prosecuted to completion. The department may  
9 investigate an anonymous complaint if the complaint is in  
10 writing and is legally sufficient, if the alleged violation of  
11 law or rules is substantial, and if the department has reason  
12 to believe, after preliminary inquiry, that the alleged  
13 violations in the complaint are true. The department may  
14 investigate a complaint made by a confidential informant if  
15 the complaint is legally sufficient, if the alleged violation  
16 of law or rule is substantial, and if the department has  
17 reason to believe, after preliminary inquiry, that the  
18 allegations of the complainant are true. The department may  
19 initiate an investigation if it has reasonable cause to  
20 believe that a person has violated a state statute, a rule of  
21 the department, or a rule of the board. When an investigation  
22 of any person is undertaken, the department shall promptly  
23 furnish to the person or her or his attorney a copy of the  
24 complaint or document which resulted in the initiation of the  
25 investigation. The person may submit a written response to  
26 the information contained in such complaint or document within  
27 20 days after service to the person of the complaint or  
28 document. The person's written response shall be considered  
29 by the probable cause panel. This right to respond shall not  
30 prohibit the department from issuing a summary emergency order  
31 if necessary to protect the public. However, if the Chief

1 Financial Officer ~~Comptroller~~ or her or his designee and the  
2 chair of the board or the chair of its probable cause panel  
3 agree in writing that such notification would be detrimental  
4 to the investigation, the department may withhold  
5 notification. The department may conduct an investigation  
6 without notification to any person if the act under  
7 investigation is a criminal offense.

8 (4) The determination as to whether probable cause  
9 exists shall be made by majority vote of the probable cause  
10 panel of the board. The board shall provide, by rule, that the  
11 determination of probable cause shall be made by a panel of  
12 its members or by the department. The board may provide, by  
13 rule, for multiple probable cause panels composed of at least  
14 two members. The board may provide, by rule, that one or more  
15 members of the panel or panels may be a former board member.  
16 The length of term or repetition of service of any such former  
17 board member on a probable cause panel may vary according to  
18 the direction of the board when authorized by board rule. Any  
19 probable cause panel must include one of the board's former or  
20 present consumer members, if one is available, willing to  
21 serve, and is authorized to do so by the board chair. Any  
22 probable cause panel must include a present board member. Any  
23 probable cause panel must include a former or present  
24 professional board member. However, any former professional  
25 board member serving on the probable cause panel must hold an  
26 active valid license for that profession. All probable cause  
27 proceedings conducted pursuant to the provisions of this  
28 section are exempt from the provisions of s. 286.011 and s.  
29 24(b), Art. I of the State Constitution. The probable cause  
30 panel may make a reasonable request, and upon such request the  
31 department shall provide such additional investigative

1 information as is necessary to the determination of probable  
2 cause. A request for additional investigative information  
3 shall be made within 15 days from the date of receipt by the  
4 probable cause panel of the investigative report of the  
5 department. The probable cause panel shall make its  
6 determination of probable cause within 30 days after receipt  
7 by it of the final investigative report of the department. The  
8 Chief Financial Officer ~~Comptroller~~ may grant extensions of  
9 the 15-day and the 30-day time limits. If the probable cause  
10 panel does not find probable cause within the 30-day time  
11 limit, as may be extended, or if the probable cause panel  
12 finds no probable cause, the department may determine, within  
13 10 days after the panel fails to determine probable cause or  
14 10 days after the time limit has elapsed, that probable cause  
15 exists. If the probable cause panel finds that probable cause  
16 exists, it shall direct the department to file a formal  
17 complaint against the licensee. The department shall follow  
18 the directions of the probable cause panel regarding the  
19 filing of a formal complaint. If directed to do so, the  
20 department shall file a formal complaint against the subject  
21 of the investigation and prosecute that complaint pursuant to  
22 the provisions of chapter 120. However, the department may  
23 decide not to prosecute the complaint if it finds that  
24 probable cause had been improvidently found by the panel. In  
25 such cases, the department shall refer the matter to the  
26 board. The board may then file a formal complaint and  
27 prosecute the complaint pursuant to the provisions of chapter  
28 120. The department shall also refer to the board any  
29 investigation or disciplinary proceeding not before the  
30 Division of Administrative Hearings pursuant to chapter 120 or  
31 otherwise completed by the department within 1 year after the

1 filing of a complaint. A probable cause panel or the board may  
2 retain independent legal counsel, employ investigators, and  
3 continue the investigation as it deems necessary; all costs  
4 thereof shall be paid from the department's Regulatory Trust  
5 Fund. All proceedings of the probable cause panel shall be  
6 exempt from the provisions of s. 120.525.

7 (8) Any proceeding for the purpose of summary  
8 suspension of a license, or for the restriction of a license,  
9 of a licensee pursuant to s. 120.60(6) shall be conducted by  
10 the Chief Financial Officer ~~Comptroller~~ or her or his  
11 designee, who shall issue the final summary order.

31 shall issue the license for a period not to exceed 2 years.

1 Biennial licensure periods and procedures for renewal of

4 exist under this chapter for denial of an application other  
5 than an application to renew a license, it shall deny such  
6 application, return to the applicant the sum paid as a license  
7 fee, and retain the investigation fee.

8 (2) A license that is not renewed at the end of the

7 the place of business within 10 days after the office's  
8 ~~department's~~ receipt of an application for a permanent  
9 license. Issuance of a temporary license for a place of  
10 business nullifies the existing license for the place of  
11 business, and the temporary licensee is subject to any  
12 disciplinary action provided for by this chapter.

13 (7) Licenses are not transferable or assignable. A  
14 licensee may invalidate any license by delivering it to the

20 initial application for a license if the applicant or any

23 prosecution in any jurisdiction until conclusion of such  
24 criminal prosecution.

30 each of the first 5 years following the effective date of the  
31 registration.

1           (h) A statement of the amount of the issuer's income,

11 by the oath of the applicant or of the issuer in such manner  
12 and form as may be required by the commission ~~department~~.

13 (5) The commission ~~department~~ may by rule fix the  
14 maximum discounts, commissions, expenses, remuneration, and  
15 other compensation to be paid in cash or otherwise, not to  
16 exceed 20 percent, directly or indirectly, for or in  
17 connection with the sale or offering for sale of such

19 (6) An issuer filing an application under this section  
20 shall, at the time of filing, pay the office ~~department~~ a  
21 nonreturnable fee of \$1,000 per application.

22 (7) If upon examination of any application the office  
23 ~~department~~ shall find that the sale of the security referred  
24 to therein would not be fraudulent and would not work or tend  
25 to work a fraud upon the purchaser, that the terms of the sale  
26 of such securities would be fair, just, and equitable, and  
27 that the enterprise or business of the issuer is not based  
28 upon unsound business principles, it shall record the  
29 registration of such security in the register of securities;  
30 and thereupon such security so registered may be sold by any  
31

1 registered dealer, subject, however, to the further order of  
2 the office ~~department~~.

3 Section 589. Section 517.082, Florida Statutes, is

12 or such other securities as the commission ~~department~~  
13 describes by rule as exempt from this subsection due to high  
14 investment quality, the provisions of this section may not be  
15 used to register securities if the offering price at the time  
16 of effectiveness with the Securities and Exchange Commission  
17 is \$5 or less per share, unless such securities are listed or  
18 designated, or approved for listing or designation upon notice  
19 of issuance, on a stock exchange registered pursuant to the  
20 Securities Exchange Act of 1934 or on the National Association  
21 of Securities Dealers Automated Quotation (NASDAQ) System, or  
22 unless such securities are of the same issuer and of senior or

27 subsection (2), the commission ~~department~~ may establish, by  
28 rule, procedures for depositing fees and filing documents by

13           (2) Any such action shall be brought either in the  
14 county of the plaintiff's residence or in the county in which  
15 the office ~~department~~ has its official headquarters. The

24 accompanied by a duly certified copy of the resolution of the  
25 board of directors, trustees, or managers of the corporation  
26 or association, authorizing the officers to execute the same.  
27 In case any process or pleadings mentioned in this chapter are

6 securities.--

7 (1) The office ~~department~~ may revoke or suspend the

19 under such sections.

20  
21 In making such examination, the office ~~department~~ shall have

2 ~~department~~ may require.

3 (2) If any issuer shall refuse to permit an  
4 examination to be made by the office ~~department~~, it shall be

7 | verified under oath. The commission ~~department~~ may establish,  
8 | by rule, procedures for depositing fees and filing documents  
9 | by electronic means provided such procedures provide the  
10 | office ~~department~~ with the information and data required by  
11 | this section. Each dealer or investment adviser must also file  
12 | an irrevocable written consent to service of civil process  
13 | similar to that provided for in s. 517.101. The application  
14 | shall contain such information as the commission or office  
15 | ~~department~~ may require concerning such matters as:

16 |         (a) The name of the applicant and the address of its  
17 | principal office and each office in this state.

18 |         (b) The applicant's form and place of organization;  
19 | and, if the applicant is a corporation, a copy of its articles  
20 | of incorporation and amendments to the articles of  
21 | incorporation or, if a partnership, a copy of the partnership  
22 | agreement.

23 |         (c) The applicant's proposed method of doing business  
24 | and financial condition and history, including a certified  
25 | financial statement showing all assets and all liabilities,  
26 | including contingent liabilities of the applicant as of a date  
27 | not more than 90 days prior to the filing of the application.

28 |         (d) The names and addresses of all associated persons  
29 | of the applicant to be employed in this state and the offices  
30 | to which they will be assigned.

31 |

1           (7) The application shall also contain such  
2 information as the commission or office ~~department~~ may require  
3 about the applicant; any partner, officer, or director of the  
4 applicant or any person having a similar status or performing  
5 similar functions; any person directly or indirectly  
6 controlling the applicant; or any employee of a dealer or of  
7 an investment adviser rendering investment advisory services.  
8 Each applicant shall file a complete set of fingerprints taken  
9 by an authorized law enforcement officer. Such fingerprints  
10 shall be submitted to the Department of Law Enforcement or the  
11 Federal Bureau of Investigation for state and federal  
12 processing. The commission ~~department~~ may waive, by rule, the  
13 requirement that applicants must file a set of fingerprints or  
14 the requirement that such fingerprints must be processed by  
15 the Department of Law Enforcement or the Federal Bureau of  
16 Investigation. The commission or office ~~department~~ may  
17 require information about any such applicant or person  
18 concerning such matters as:

19           (a) His or her full name, and any other names by which  
20 he or she may have been known, and his or her age, photograph,  
21 qualifications, and educational and business history.

22           (b) Any injunction or administrative order by a state  
23 or federal agency, national securities exchange, or national  
24 securities association involving a security or any aspect of  
25 the securities business and any injunction or administrative  
26 order by a state or federal agency regulating banking,  
27 insurance, finance, or small loan companies, real estate,  
28 mortgage brokers, or other related or similar industries,  
29 which injunctions or administrative orders relate to such  
30 person.

31

1           (c) His or her conviction of, or plea of nolo  
2           contendere to, a criminal offense or his or her commission of  
3           any acts which would be grounds for refusal of an application  
4           under s. 517.161.

5           (d) The names and addresses of other persons of whom  
6           the office ~~department~~ may inquire as to his or her character,  
7           reputation, and financial responsibility.

8           (8) The commission or office ~~department~~ may require  
9           the applicant or one or more principals or general partners,  
10          or natural persons exercising similar functions, or any  
11          associated person applicant to successfully pass oral or  
12          written examinations. Because any principal, manager,  
13          supervisor, or person exercising similar functions shall be  
14          responsible for the acts of the associated persons affiliated  
15          with a dealer or investment adviser, the examination standards  
16          may be higher for a dealer, office manager, principal, or  
17          person exercising similar functions than for a nonsupervisory  
18          associated person. The commission ~~department~~ may waive the  
19          examination process when it determines that such examinations  
20          are not in the public interest. The office ~~department~~ shall  
21          waive the examination requirements for any person who has  
22          passed any tests as prescribed in s. 15(b)(7) of the  
23          Securities Exchange Act of 1934 that relates to the position  
24          to be filled by the applicant.

25          (9)(a) All dealers, except securities dealers who are  
26          designated by the Federal Reserve Bank of New York as primary  
27          government securities dealers or securities dealers registered  
28          as issuers of securities, shall comply with the net capital  
29          and ratio requirements imposed pursuant to the Securities  
30          Exchange Act of 1934. The commission ~~department~~ may by rule  
31          require a dealer to file with the office ~~department~~ any

1 financial or operational information that is required to be  
2 filed by the Securities Exchange Act of 1934 or any rules  
3 adopted under such act.

4 (b) The commission ~~department~~ may by rule require the  
5 maintenance of a minimum net capital for securities dealers  
6 who are designated by the Federal Reserve Bank of New York as  
7 primary government securities dealers and securities dealers  
8 registered as issuers of securities and investment advisers,  
9 or prescribe a ratio between net capital and aggregate  
10 indebtedness, to assure adequate protection for the investing  
11 public. The provisions of this section shall not apply to any  
12 investment adviser that maintains its principal place of  
13 business in a state other than this state, provided such  
14 investment adviser is registered in the state where it  
15 maintains its principal place of business and is in compliance  
16 with such state's net capital requirements.

17 (10) An applicant for registration shall pay an  
18 assessment fee of \$200, in the case of a dealer or investment  
19 adviser, or \$40, in the case of an associated person. The  
20 assessment fee of an associated person shall be reduced to  
21 \$30, but only after the office ~~department~~ determines, by final  
22 order, that sufficient funds have been allocated to the  
23 Securities Guaranty Fund pursuant to s. 517.1203 to satisfy  
24 all valid claims filed in accordance with s. 517.1203(2) and  
25 after all amounts payable under any service contract entered  
26 into by the office ~~department~~ pursuant to s. 517.1204, and all  
27 notes, bonds, certificates of indebtedness, other obligations,  
28 or evidences of indebtedness secured by such notes, bonds,  
29 certificates of indebtedness, or other obligations, have been  
30 paid or provision has been made for the payment of such  
31 amounts, notes, bonds, certificates of indebtedness, other

1 obligations, or evidences of indebtedness. An associated  
2 person not having current fingerprint cards filed with the  
3 National Association of Securities Dealers or a national  
4 securities exchange registered with the Securities and  
5 Exchange Commission shall be assessed an additional fee to  
6 cover the cost for said fingerprint cards to be processed by  
7 the office ~~department~~. Such fee shall be determined by rule  
8 of the commission ~~department~~. Each dealer and each investment  
9 adviser shall pay an assessment fee of \$100 for each office in  
10 this state, except its designated principal office. Such fees  
11 become the revenue of the state, except for those assessments  
12 provided for under s. 517.131(1) until such time as the  
13 Securities Guaranty Fund satisfies the statutory limits, and  
14 are not returnable in the event that registration is withdrawn  
15 or not granted.

16 (11) If the office ~~department~~ finds that the applicant  
17 is of good repute and character and has complied with the  
18 provisions of this chapter and the rules made pursuant hereto,  
19 it shall register the applicant. The registration of each  
20 dealer, investment adviser, and associated person will expire  
21 on December 31, and the registration of each branch office  
22 will expire on March 31, of the year in which it became  
23 effective unless the registrant has renewed its registration  
24 on or before that date. Registration may be renewed by  
25 furnishing such information as the commission ~~department~~ may  
26 require, together with payment of the fee required in  
27 subsection (10) for dealers, investment advisers, associated  
28 persons, or branch offices and the payment of any amount  
29 lawfully due and owing to the office ~~department~~ pursuant to  
30 any order of the office ~~department~~ or pursuant to any  
31 agreement with the office ~~department~~. Any dealer, investment

1 adviser, or associated person registrant who has not renewed a  
2 registration by the time the current registration expires may  
3 request reinstatement of such registration by filing with the  
4 office department, on or before January 31 of the year  
5 following the year of expiration, such information as may be  
6 required by the commission department, together with payment  
7 of the fee required in subsection (10) for dealers, investment  
8 advisers, or associated persons and a late fee equal to the  
9 amount of such fee. Any reinstatement of registration granted  
10 by the office department during the month of January shall be  
11 deemed effective retroactive to January 1 of that year.

12 (12)(a) The office department may issue a license to a  
13 dealer, investment adviser, associated person, or branch  
14 office to evidence registration under this chapter. The  
15 office department may require the return to the office  
16 department of any license it may issue prior to issuing a new  
17 license.

18 (b) Every dealer, investment adviser, or federal  
19 covered adviser shall promptly file with the office  
20 department, as prescribed by rules adopted by the commission  
21 department, notice as to the termination of employment of any  
22 associated person registered for such dealer or investment  
23 adviser in this state and shall also furnish the reason or  
24 reasons for such termination.

25 (c) Each dealer or investment adviser shall designate  
26 in writing to, and register with, the office department a  
27 manager for each office the dealer or investment adviser has  
28 in this state.

29 (13) Changes in registration occasioned by changes in  
30 personnel of a partnership or in the principals, copartners,  
31 officers, or directors of any dealer or investment adviser or

1 by changes of any material fact or method of doing business  
2 shall be reported by written amendment in such form and at  
3 such time as the commission ~~department~~ may specify. In any  
4 case in which a person or a group of persons, directly or  
5 indirectly or acting by or through one or more persons,  
6 proposes to purchase or acquire a controlling interest in a  
7 registered dealer or investment adviser, such person or group  
8 shall submit an initial application for registration as a  
9 dealer or investment adviser prior to such purchase or  
10 acquisition. The commission ~~department~~ shall adopt rules  
11 providing for waiver of the application required by this  
12 subsection where control of a registered dealer or investment  
13 adviser is to be acquired by another dealer or investment  
14 adviser registered under this chapter or where the application  
15 is otherwise unnecessary in the public interest.

16 (14) Every dealer, investment adviser, or branch  
17 office registered or required to be registered with the office  
18 ~~department~~ shall keep records of all currency transactions in  
19 excess of \$10,000 and shall file reports, as prescribed under  
20 the financial recordkeeping regulations in 31 C.F.R. part 103,  
21 with the office ~~department~~ when transactions occur in or from  
22 this state. All reports required by this subsection to be  
23 filed with the office ~~department~~ shall be confidential and  
24 exempt from s. 119.07(1) except that any law enforcement  
25 agency or the Department of Revenue shall have access to, and  
26 shall be authorized to inspect and copy, such reports.

27 (15) In lieu of filing with the office ~~department~~ the  
28 applications specified in subsection (6), the fees required by  
29 subsection (10), and the termination notices required by  
30 subsection (12), the commission ~~department~~ may by rule  
31 establish procedures for the deposit of such fees and

1 documents with the Central Registration Depository of the  
2 National Association of Securities Dealers, Inc., as developed  
3 under contract with the North American Securities  
4 Administrators Association, Inc.; provided, however, that such  
5 procedures shall provide the office ~~department~~ with the  
6 information and data as required by this section.

7 (16) Except for securities dealers who are designated  
8 by the Federal Reserve Bank of New York as primary government  
9 securities dealers or securities dealers registered as issuers  
10 of securities, every applicant for initial or renewal  
11 registration as a securities dealer and every person  
12 registered as a securities dealer shall be registered as a  
13 broker or dealer with the Securities and Exchange Commission  
14 and shall be subject to insurance coverage by the Securities  
15 Investor Protection Corporation.

16 (17)(a) A dealer that is located in Canada and has no  
17 office or other physical presence in this state may, provided  
18 the dealer is registered in accordance with this section,  
19 effect transactions in securities with or for, or induce or  
20 attempt to induce the purchase or sale of any security by:

21 1. A person from Canada who temporarily resides in  
22 this state and with whom the Canadian dealer had a bona fide  
23 dealer-client relationship before the person entered the  
24 United States; or

25 2. A person from Canada who is a resident of this  
26 state, and whose transactions are in a self-directed tax  
27 advantage retirement plan in Canada of which the person is the  
28 holder or contributor.

29 (b) An associated person who represents a Canadian  
30 dealer registered under this section may, provided the agent  
31 is registered in accordance with this section, effect

1 transactions in securities in this state as permitted for a  
2 dealer, under subsection (a).

3 (c) A Canadian dealer may register under this section  
4 provided that such dealer:

5 1. Files an application in the form required by the  
6 jurisdiction in which the dealer has a head office.

7 2. Files a consent to service of process.

8 3. Is registered as a dealer in good standing in the  
9 jurisdiction from which it is effecting transactions into this  
10 state and files evidence of such registration with the office  
11 ~~department~~.

12 4. Is a member of a self-regulatory organization or  
13 stock exchange in Canada.

14 (d) An associated person who represents a Canadian  
15 dealer registered under this section in effecting transactions  
16 in securities in this state may register under this section  
17 provided that such person:

18 1. Files an application in the form required by the  
19 jurisdiction in which the dealer has its head office.

20 2. Is registered in good standing in the jurisdiction  
21 from which he or she is effecting transactions into this state  
22 and files evidence of such registration with the office  
23 ~~department~~.

24 (e) If the office ~~department~~ finds that the applicant  
25 is of good repute and character and has complied with the  
26 provisions of this chapter, the office ~~department~~ shall  
27 register the applicant.

28 (f) A Canadian dealer registered under this section  
29 shall:

30  
31

- 1           1. Maintain its provincial or territorial registration  
2 and its membership in a self-regulatory organization or stock  
3 exchange in good standing.
- 4           2. Provide the office ~~department~~ upon request with its  
5 books and records relating to its business in this state as a  
6 dealer.
- 7           3. Provide the office ~~department~~ notice of each civil,  
8 criminal, or administrative action initiated against the  
9 dealer.
- 10          4. Disclose to its clients in this state that the  
11 dealer and its agents are not subject to the full regulatory  
12 requirements under this chapter.
- 13          5. Correct any inaccurate information within 30 days,  
14 if the information contained in the application form becomes  
15 inaccurate for any reason before or after the dealer becomes

- 17          (g) An associated person of a Canadian dealer  
18 registered under this section shall:
- 19           1. Maintain provincial or territorial registration in  
20 good standing.
- 21           2. Provide the office ~~department~~ with notice of each  
22 civil, criminal, or administrative action initiated against  
23 such person.
- 24           3. Through the dealer, correct any inaccurate  
25 information within 30 days, if the information contained in  
26 the application form becomes inaccurate for any reason before  
27 or after the associated person becomes registered.
- 28          (h) Renewal applications for Canadian dealers and  
29 associated persons under this section must be filed before  
30 December 31 each year. Every applicant for registration or  
31

1 renewal registration under this section shall pay the fee for  
2 dealers and associated persons under this chapter.

3 (18) Every dealer or associated person registered or  
4 required to be registered with the office ~~department~~ shall  
5 satisfy any continuing education requirements established by  
6 rule pursuant to law.

7 (19) The registration requirements of this section  
8 which apply to investment advisers and associated persons do  
9 not apply to a commodity trading adviser who:

10 (a) Is registered as such with the Commodity Futures  
11 Trading Commission pursuant to the Commodity Exchange Act.

12 (b) Advises or exercises trading discretion, with  
13 respect to foreign currency options listed and traded  
14 exclusively on the Philadelphia Stock Exchange, on behalf of  
15 an "appropriate person" as defined by the Commodity Exchange  
16 Act.

17  
18 The exemption provided in this subsection does not apply to a  
19 commodity trading adviser who engages in other activities that  
20 require registration under this chapter.

21 (20) The registration requirements of this section do  
22 not apply to any general lines insurance agent or life  
23 insurance agent licensed under chapter 626 ~~individuals~~  
24 ~~licensed under s. 626.041 or its successor statute, or s.~~  
25 ~~626.051 or its successor statute~~, for the sale of a security  
26 as defined in s. 517.021(20)(g) ~~s. 517.021(19)(g)~~, if the  
27 individual is directly authorized by the issuer to offer or  
28 sell the security on behalf of the issuer and the issuer is a  
29 federally chartered savings bank subject to regulation by the  
30 Federal Deposit Insurance Corporation. Actions under this

31

1 subsection shall constitute activity under the insurance  
2 agent's license for purposes of ss. 626.611 and 626.621.

3 Section 593. Section 517.1201, Florida Statutes, is  
4 amended to read:

5 517.1201 Notice filing requirements for federal  
6 covered advisers.--

7 (1) It is unlawful for a person to transact business  
8 in this state as a federal covered adviser unless such person  
9 has made a notice filing with the office ~~department~~. A notice  
10 filing under this section shall consist of a copy of those  
11 documents that have been filed or are required to be filed by  
12 the federal covered adviser with the Securities and Exchange  
13 Commission that the Financial Services Commission ~~department~~  
14 by rule requires to be filed, together with a consent to  
15 service of process and a filing fee of \$200. The commission  
16 ~~department~~ may establish by rule procedures for the deposit of  
17 fees and the filing of documents to be made through electronic  
18 means, if the procedures provide to the office ~~department~~ the  
19 information and data required by this section.

20 (2) A notice filing shall be effective upon receipt.  
21 A notice filing shall expire on December 31 of the year in  
22 which the filing became effective unless the federal covered  
23 adviser has renewed the filing on or before that date. A  
24 federal covered adviser may renew a notice filing by  
25 furnishing to the office ~~department~~ such information that has  
26 been filed or is required to be filed with the Securities and  
27 Exchange Commission, as the Financial Services Commission or  
28 office ~~department~~ may require, together with a renewal fee of  
29 \$200 and the payment of any amount due and owing the office  
30 ~~department~~ pursuant to any agreement with the office  
31 ~~department~~. Any federal covered adviser who has not renewed a

1 notice filing by the time a current notice filing expires may  
2 request reinstatement of such notice filing by filing with the  
3 office ~~department~~, on or before January 31 of the year  
4 following the year the notice filing expires, such information  
5 that has been filed or is required to be filed with the  
6 Securities and Exchange Commission as may be required by the  
7 Financial Services Commission or office ~~department~~, together  
8 with the payment of \$200 and a late fee equal to \$200. Any  
9 reinstatement of a notice filing granted by the office  
10 ~~department~~ during the month of January shall be deemed  
11 effective retroactive to January 1 of that year.

12 (3) The commission ~~department~~ may require, by rule, a  
13 federal covered adviser who has made a notice filing pursuant  
14 to this section to file with the office ~~department~~ copies of  
15 any amendments filed or required to be filed with the  
16 Securities and Exchange Commission.

17 (4) The office ~~department~~ may issue a permit to  
18 evidence the effectiveness of a notice filing for a federal  
19 covered adviser.

20 (5) A notice filing may be terminated by filing notice  
21 of such termination with the office ~~department~~. Unless  
22 another date is specified by the federal covered adviser, such  
23 notice shall be effective upon its receipt by the office  
24 ~~department~~.

25 (6) All fees collected under this section become the  
26 revenue of the state, except for those assessments provided  
27 for under s. 517.131(1) until such time as the Securities  
28 Guaranty Fund satisfies the statutory limits, and are not  
29 returnable in the event that a notice filing is withdrawn.

30 Section 594. Section 517.1203, Florida Statutes, is  
31 amended to read:

1           517.1203 Allocation and disbursement of assessment  
2 fees.--

3           (1) Notwithstanding s. 517.131(1), an additional  
4 amount equal to 25 percent of all revenues received as  
5 assessment fees pursuant to s. 517.12(10) and (11) from  
6 persons applying for or renewing registrations as associated  
7 persons shall be allocated to the Securities Guaranty Fund and  
8 disbursed as provided in this section. This allocation shall  
9 continue until the office ~~department~~ determines, by final  
10 order, that sufficient funds have been allocated to the  
11 Securities Guaranty Fund pursuant to this section to satisfy  
12 all valid claims filed in accordance with subsection (2) and  
13 until all amounts payable under any service contract entered  
14 into by the office ~~department~~ pursuant to s. 517.1204, and all  
15 notes, bonds, certificates of indebtedness, other obligations,  
16 or evidences of indebtedness secured by such notes, bonds,  
17 certificates of indebtedness, or other obligations, have been  
18 paid or provision has been made for the payment of such  
19 amounts, notes, bonds, certificates of indebtedness, other  
20 obligations, or evidences of indebtedness. This assessment fee  
21 shall be part of the regular license fee and shall be  
22 transferred to or deposited into the Securities Guaranty Fund.  
23 The moneys allocated to the Securities Guaranty Fund under  
24 this section shall not be included in the calculation of the  
25 allocation of the assessment fees referred to in s.  
26 517.131(1)(b). Moneys allocated under this section in excess  
27 of the valid claims filed pursuant to subsection (2) shall be  
28 allocated to the Anti-Fraud Trust Fund.

29           (2)(a) Notwithstanding the provisions of ss. 517.131  
30 and 517.141, moneys allocated to the Securities Guaranty Fund  
31 under this section shall be used to pay amounts payable under

1 any service contract entered into by the office ~~department~~  
2 pursuant to s. 517.1204, subject to annual appropriation by  
3 the Legislature, and to pay investors who have filed claims  
4 with the Department of Banking and Finance after October 1,  
5 1996, and on or before December 31, 1998, who have:

6 1. Received a final judgment against an associated  
7 person of GIC Government Securities, Inc., based upon  
8 allegations which would amount to a violation of s. 517.07 or  
9 s. 517.301; or

10 2. Demonstrated to the former Department of Banking  
11 and Finance or office that the claimant has suffered monetary  
12 damages as a result of the acts or actions of GIC Government  
13 Securities, Inc., or any associated person thereof, based upon  
14 allegations which would amount to a violation of s. 517.07 or  
15 s. 517.301.

16 (b)1. Claims shall be paid in the order that they were  
17 ~~have been~~ filed with the former Department of Banking and  
18 Finance, unless the department ~~has~~ noticed its intent to deny  
19 the claim in whole or in part. If a notice of intent to deny  
20 a claim in whole or in part was ~~is~~ issued, the claim shall not  
21 be paid until a final order has been entered which is not  
22 subject to an order staying its effect.

23 2. If at any time the money in the Securities Guaranty  
24 Fund allocated under this section is insufficient to satisfy  
25 any valid claim or portion of a valid claim approved by the  
26 department or office under this section, the office ~~department~~  
27 shall prorate the payment based upon the ratio that the  
28 person's claim bears to the total approved claims filed on the  
29 same day. The office ~~department~~ shall satisfy the unpaid  
30 claims as soon as a sufficient amount of money has been  
31

1 deposited in or transferred to the fund as provided in this  
2 section.

3 3. A claimant shall not be substantially affected by  
4 the payment of another person's claim.

5 (c) Claims shall be limited to the amount of the  
6 investment, reduced by any amounts received from a bankruptcy  
7 proceeding or from any other source. If an investor is  
8 deceased, the award shall be made to the surviving spouse. If  
9 the investor and surviving spouse are both deceased, the award

12 determined by the board of directors.

13           (3) The corporation shall have all the powers of a  
14 corporate body under the laws of this state to the extent not  
15 inconsistent with or restricted by the provisions of this  
16 section, including, but not limited to, the power to:

17           (e) Elect or appoint and employ such officers, agents,  
18 and employees as the corporation deems advisable to operate

10 constitute a general obligation of the state or a pledge of  
11 the faith and credit or taxing power of the state nor shall  
12 such obligations be construed in any manner as an obligation  
13 of the State Board of Administration or entities for which it  
14 invests funds, other than the office ~~department~~ as provided in

4 pledge of the faith and credit or taxing power of the state,  
5 but shall be payable from and secured by payments made by the  
6 office ~~department~~ under the service contract pursuant to

24 Section 597. Paragraph (a) of subsection (1),  
25 paragraphs (b) and (e) of subsection (3), and subsection (4)  
26 of section 517.131, Florida Statutes, are amended to read:

27 517.131 Securities Guaranty Fund.--

28 (1)(a) The Chief Financial Officer ~~Treasurer~~ shall  
29 establish a Securities Guaranty Fund. An amount not exceeding  
30 20 percent of all revenues received as assessment fees  
31 pursuant to s. 517.12(10) and (11) for dealers and investment

1 advisers or s. 517.1201 for federal covered advisers and an  
2 amount not exceeding 10 percent of all revenues received as  
3 assessment fees pursuant to s. 517.12(10) and (11) for  
4 associated persons shall be allocated to the fund. An  
5 additional amount not exceeding 3.5 percent of all revenues  
6 received as assessment fees for associated persons pursuant to  
7 s. 517.12(10) and (11) shall be allocated to the Securities  
8 Guaranty Fund but only after the office ~~department~~ determines,  
9 by final order, that sufficient funds have been allocated to  
10 the fund pursuant to s. 517.1203 to satisfy all valid claims  
11 filed in accordance with s. 517.1203(2) and after all amounts  
12 payable under any service contract entered into by the office  
13 ~~department~~ pursuant to s. 517.1204, and all notes, bonds,  
14 certificates of indebtedness, other obligations, or evidences  
15 of indebtedness secured by such notes, bonds, certificates of  
16 indebtedness, or other obligations, have been paid or  
17 provision has been made for the payment of such amounts,  
18 notes, bonds, certificates of indebtedness, other obligations,  
19 or evidences of indebtedness. This assessment fee shall be  
20 part of the regular license fee and shall be transferred to or  
21 deposited in the Securities Guaranty Fund.

22 (3) Any person is eligible to seek recovery from the  
23 Securities Guaranty Fund if:

24 (b) Such person has made all reasonable searches and  
25 inquiries to ascertain whether the judgment debtor possesses  
26 real or personal property or other assets subject to being  
27 sold or applied in satisfaction of the judgment, and by her or  
28 his search the person has discovered no property or assets; or  
29 she or he has discovered property and assets and has taken all  
30 necessary action and proceedings for the application thereof  
31 to the judgment, but the amount thereby realized was

1 insufficient to satisfy the judgment. To verify compliance  
2 with such condition, the office ~~department~~ may require such  
3 person to have a writ of execution be issued upon such  
4 judgment and may further require a showing that no personal or  
5 real property of the judgment debtor liable to be levied upon  
6 in complete satisfaction of the judgment can be found.

7 (e) The office ~~department~~ waives compliance with the  
8 requirements of paragraph (a) or paragraph (b). The office  
9 ~~department~~ may waive such compliance if the dealer, investment  
10 adviser, or associated person which is the subject of the  
11 claim filed with the office ~~department~~ is the subject of any  
12 proceeding in which a receiver has been appointed by a court  
13 of competent jurisdiction. If the office ~~department~~ waives  
14 such compliance, the office ~~department~~ may, upon petition by  
15 the debtor or the court-appointed trustee, examiner, or  
16 receiver, distribute funds from the Securities Guaranty Fund  
17 up to the amount allowed under s. 517.141. Any waiver granted  
18 pursuant to this section shall be considered a judgment for  
19 purposes of complying with the requirements of this section  
20 and of s. 517.141.

21 (4) Any person who files an action that may result in  
22 the disbursement of funds from the Securities Guaranty Fund  
23 pursuant to the provisions of s. 517.141 shall give written  
24 notice by certified mail to the office ~~department~~ as soon as  
25 practicable after such action has been filed. The failure to  
26 give such notice shall not bar a payment from the Securities  
27 Guaranty Fund if all of the conditions specified in subsection  
28 (3) are satisfied.

29 Section 598. Section 517.141, Florida Statutes, is  
30 amended to read:

31 517.141 Payment from the fund.--

1           (1) Any person who meets all of the conditions  
2 prescribed in s. 517.131 may apply to the office department  
3 for payment to be made to such person from the Securities  
4 Guaranty Fund in the amount equal to the unsatisfied portion  
5 of such person's judgment or \$10,000, whichever is less, but  
6 only to the extent and amount reflected in the judgment as  
7 being actual or compensatory damages, excluding costs and  
8 attorney's fees.

9           (2) Regardless of the number of claimants involved,  
10 payments for claims shall be limited in the aggregate to  
11 \$100,000 against any one dealer, investment adviser, or  
12 associated person. If the total claims exceed the aggregate  
13 limit of \$100,000, the office department shall prorate the  
14 payment based upon the ratio that the person's claim bears to  
15 the total claims filed.

16           (3) No payment shall be made on any claim against any  
17 one dealer, investment adviser, or associated person before  
18 the expiration of 2 years from the date any claimant is found  
19 by the office department to be eligible for recovery pursuant  
20 to this section. If during this 2-year period more than one  
21 claim is filed against the same dealer, investment adviser, or  
22 associated person, or if the office department receives notice  
23 pursuant to s. 517.131(4) that an action against the same  
24 dealer, investment adviser, or associated person is pending,  
25 all such claims and notices of pending claims received during  
26 this period against the same dealer, investment adviser, or  
27 associated person may be handled by the office department as  
28 provided in this section. Two years after the first claimant  
29 against that same dealer, investment adviser, or associated  
30 person applies for payment pursuant to this section:

31

1           (a) The office ~~department~~ shall determine those  
2 persons eligible for payment or for potential payment in the  
3 event of a pending action. All such persons may be entitled  
4 to receive their pro rata shares of the fund as provided in  
5 this section.

6           (b) Those persons who meet all the conditions  
7 prescribed in s. 517.131 and who have applied for payment  
8 pursuant to this section will be entitled to receive their pro  
9 rata shares of the total disbursement.

10           (c) Those persons who have filed notice with the  
11 office ~~department~~ of a pending claim pursuant to s. 517.131(4)  
12 but who are not yet eligible for payment from the fund will be  
13 entitled to receive their pro rata shares of the total  
14 disbursement once they have complied with subsection (1).  
15 However, in the event that the amounts they are eligible to  
16 receive pursuant to subsection (1) are less than their pro  
17 rata shares as determined under this section, any excess shall  
18 be distributed pro rata to those persons entitled to  
19 disbursement under this subsection whose pro rata shares of  
20 the total disbursement were less than the amounts of their  
21 claims.

22           (4) Individual claims filed by persons owning the same  
23 joint account, or claims stemming from any other type of  
24 account maintained by a particular licensee on which more than  
25 one name appears, shall be treated as the claims of one  
26 eligible claimant with respect to payment from the fund. If a  
27 claimant who has obtained a judgment which qualifies for  
28 disbursement under s. 517.131 has maintained more than one  
29 account with the dealer, investment adviser, or associated  
30 person who is the subject of the claims, for purposes of  
31 disbursement of the fund, all such accounts, whether joint or

1 individual, shall be considered as one account and shall  
2 entitle such claimant to only one distribution from the fund  
3 not to exceed the lesser of \$10,000 or the unsatisfied portion  
4 of such claimant's judgment as provided in subsection (1). To  
5 the extent that a claimant obtains more than one judgment  
6 against a dealer, investment adviser, or one or more  
7 associated persons arising out of the same transactions,  
8 occurrences, or conduct or out of the dealer's, investment  
9 adviser's, or associated person's handling of the claimant's  
10 account, such judgments shall be consolidated for purposes of  
11 this section and shall entitle the claimant to only one  
12 disbursement from the fund not to exceed the lesser of \$10,000  
13 or the unsatisfied portion of such claimant's judgment as  
14 provided in subsection (1).

15 (5) If the final judgment which gave rise to the claim  
16 is overturned in any appeal or in any collateral proceeding,  
17 the claimant shall reimburse the fund all amounts paid to the  
18 claimant on the claim. Such reimbursement shall be paid to  
19 the office ~~department~~ within 60 days after the final  
20 resolution of the appellate or collateral proceedings, with  
21 the 60-day period commencing on the date the final order or  
22 decision is entered in such proceedings.

23 (6) If a claimant receives payments in excess of that  
24 which is permitted under this chapter, the claimant shall  
25 reimburse the fund such excess within 60 days after the  
26 claimant receives such excess payment or after the payment is  
27 determined to be in excess of that permitted by law, whichever  
28 is later.

29 (7) The office ~~department~~ may institute legal  
30 proceedings to enforce compliance with this section and with  
31 s. 517.131 to recover moneys owed to the fund, and shall be

1 entitled to recover interest, costs, and attorney's fees in  
2 any action brought pursuant to this section in which the  
3 office department prevails.

4 (8) If at any time the money in the Securities  
5 Guaranty Fund is insufficient to satisfy any valid claim or  
6 portion of a valid claim approved by the office department,  
7 the office department shall satisfy such unpaid claim or  
8 portion of such valid claim as soon as a sufficient amount of  
9 money has been deposited in or transferred to the fund. When  
10 there is more than one unsatisfied claim outstanding, such  
11 claims shall be paid in the order in which the claims were  
12 approved by final order of the office department, which order  
13 is not subject to an appeal or other pending proceeding.

14 (9) Upon receipt by the claimant of the payment from  
15 the Securities Guaranty Fund, the claimant shall assign any  
16 additional right, title, and interest in the judgment, to the  
17 extent of such payment, to the office department. If the  
18 provisions of s. 517.131(3)(e) apply, the claimant must assign  
19 to the office department any right, title, and interest in the  
20 debt to the extent of any payment by the office department  
21 from the Securities Guaranty Fund.

22 (10) All payments and disbursements made from the  
23 Securities Guaranty Fund shall be made by the Chief Financial  
24 Officer Treasurer upon authorization ~~a voucher~~ signed by the  
25 director of the office Comptroller, ~~as head of the department~~,  
26 or such agent as she or he may designate.

27 Section 599. Section 517.151, Florida Statutes, is  
28 amended to read:

29 517.151 Investments of the fund.--The funds of the  
30 Securities Guaranty Fund shall be invested by the Chief  
31 Financial Officer Treasurer under the same limitations as

1 other state funds, and the interest earned thereon shall be  
2 deposited to the credit of the fund and available for the same  
3 purpose as other moneys deposited in the Securities Guaranty  
4 Fund.

5 Section 600. Subsection (1), (3), and (5), and  
6 paragraph (b) of subsection (6) of section 517.161, Florida  
7 Statutes, are amended to read:

8 517.161 Revocation, denial, or suspension of  
9 registration of dealer, investment adviser, associated person,  
10 or branch office.--

11 (1) Registration under s. 517.12 may be denied or any  
12 registration granted may be revoked, restricted, or suspended  
13 by the office ~~department~~ if the office ~~department~~ determines  
14 that such applicant or registrant:

15 (a) Has violated any provision of this chapter or any  
16 rule or order made under this chapter;

17 (b) Has made a material false statement in the  
18 application for registration;

3 organization or promotion fees or expenses; or for other  
4 intangible assets shall be delivered in escrow to the office  
5 ~~department~~ or other depository satisfactory to the office  
6 ~~department~~ under an escrow agreement. The escrow agreement  
7 shall be in a form suitable to the office ~~department~~ and shall

26 operating on sound business principles and has net income in  
27 accordance with criteria-implementing rules of the commission  
28 ~~department~~ relating to escrow of securities. At any time, the  
29 office ~~department~~ may review any existing escrow agreement  
30 made under this section and determine that the same may be

1 and other information relative to an investigation or

1           519.101 Florida equity exchange feasibility study;  
2 structure, operation, and regulation.--

3           (1) There may be created one or more Florida equity  
4 exchanges, with one or more offices each, upon a determination  
5 by the Office of Financial Regulation of the Financial  
6 Services Commission ~~Comptroller~~ that each such exchange has a  
7 reasonable promise of successful operation, will promote  
8 economic development, will produce net economic benefits in  
9 the state, and will not expose the public to undue risk of  
10 financial loss. This determination shall be based on the  
11 results of a feasibility study concerning the possible  
12 structure, operation, and regulation of each such exchange, to  
13 be carried out under the supervision of the office  
14 ~~Comptroller. The Secretary of Commerce shall provide the~~  
15 ~~Comptroller any needed advice on economic development aspects~~  
16 ~~of the feasibility study.~~ Said feasibility study shall  
17 evaluate to what extent securities laws may limit the  
18 transferability of investments in which any exchange would  
19 deal; to what extent companies financed through securities in  
20 which the exchange would deal would prefer a stable group of  
21 investors; to what extent the particular investment objectives  
22 of potential participants in any exchange might be  
23 inconsistent with an exchange operation; and the possibility  
24 that the frequency of investment opportunities of the type in  
25 which an exchange would deal would be too low to economically  
26 operate any exchange. The determination of the office  
27 ~~Comptroller~~ shall constitute a final order as defined in s.  
28 120.52 and shall be subject to the provisions of chapter 120.  
29 Nothing in this section, however, shall be construed to  
30 require the expenditure of state funds for the purpose of  
31 conducting any such feasibility study. For the purposes of

1 | this section, the term "exchange" shall apply to any such  
2 | Florida equity exchange proposed or created under this  
3 | section.

4 |         (2) The purpose of the exchange shall be to provide a  
5 | marketplace for the negotiation, arrangement, exchange, sale,  
6 | purchase, brokerage, syndication, and underwriting, and all  
7 | activities incidental thereto, of investment opportunities, in  
8 | an institutionalized and, to the maximum extent possible,  
9 | self-regulated fashion.

10 |         (3) Within 30 days following such determination, a  
11 | committee shall be appointed to write the constitution and  
12 | bylaws of the exchange. The office ~~Comptroller~~ may provide  
13 | technical assistance to the committee on the development of  
14 | the constitution and bylaws of the exchange. The committee  
15 | shall consist of 15 members, 11 members to be appointed by the  
16 | Governor, 2 members to be appointed by the Speaker of the  
17 | House of Representatives, and 2 members to be appointed by the  
18 | President of the Senate. The chair shall be elected by a  
19 | majority of the committee. The committee shall transmit such  
20 | proposed constitution, bylaws, and other recommendations for  
21 | the approval of the office ~~Comptroller~~ no later than 90 days  
22 | following the first meeting of the committee. In reviewing  
23 | the constitution and the bylaws of the exchange, as well as  
24 | any other recommendations made to the office ~~Comptroller~~ by  
25 | the committee, the office ~~Comptroller~~ shall consider whether  
26 | such constitution, bylaws, and recommendations are reasonably  
27 | consistent with the public interest and the efficient  
28 | functioning of the exchange. The office ~~Comptroller~~ shall  
29 | approve the constitution and bylaws of the exchange if he or  
30 | she finds that they specifically describe the types of  
31 | business that the exchange will conduct, that such business

1 activities are not inconsistent with state or federal law,  
2 that the form of business organization of the exchange  
3 complies with statutory requirements, and that the interest of  
4 owners or members of the exchange would be adequately  
5 protected. The submission of the proposed constitution and  
6 bylaws to the office ~~Comptroller~~ shall be deemed an  
7 application for a license and shall be subject to the  
8 provisions of s. 120.80(9).

9 (4) The exchange shall have full authority to function  
10 60 days after its constitution and bylaws are approved by the  
11 office ~~Comptroller~~. The initial Board of Governors of the  
12 exchange shall consist of the members of the committee who  
13 shall serve until the first election pursuant to the  
14 constitution and bylaws. If the constitution and bylaws are  
15 disapproved by the office ~~Comptroller~~, the committee, in  
16 consultation with the office ~~Comptroller~~, shall have 60 days  
17 from the date of such disapproval within which to submit an  
18 acceptable constitution and bylaws.

19 (5) The constitution and bylaws of the exchange shall  
20 include provision that:

21 (a) There shall be no less than 9 nor more than 15  
22 governors of the exchange, at least one-third of whom shall  
23 not be members of the exchange.

24 (b) The principal offices of each exchange and the  
25 principal offices of its members shall be located within this  
26 state for the purpose of conducting the type of business  
27 described in subsection (2). Any exchange may have such other  
28 offices around the state as it deems necessary from time to  
29 time, subject to a determination by the office ~~Comptroller~~  
30 that such additional offices will be necessary for the

31

1 efficient operation of the exchange and will be in the public  
2 interest.

3 (c) All members and applicants for membership on the  
4 exchange shall submit all financial information reasonably  
5 required by the office Comptroller.

6 (d) The exchange shall establish or participate in a  
7 security fund which shall be capitalized or underwritten in  
8 such form and amount as will reasonably protect persons  
9 transacting business through the exchange from any harm or  
10 loss occasioned by the insolvency of any member of the  
11 exchange. The formation of such security fund and the  
12 adequacy of the financial security provided thereby shall be  
13 subject to the approval of the Office of Financial Regulation  
14 ~~Department of Banking and Finance~~ based upon the types and  
15 amounts of transactions effected through the facilities of the  
16 exchange.

17 (e) Rules shall be adopted prescribing eligibility for  
18 membership and the voting power, duties, and rights to  
19 participate in the conduct and management of the affairs of  
20 the exchange by the members thereof, such rights and duties to  
21 include, without limitation, the manner and form of conducting  
22 business, financial stability requirements, dues, membership  
23 fees, resolution of dispute mechanisms, and all other matters  
24 necessary or appropriate to conduct any business permitted  
25 herein; however, such rules shall not impose any limit on the  
26 number of members of any such exchange. Any amendments to the  
27 constitution and bylaws shall be subject to the approval of  
28 the office Comptroller.

29 (f) Elections to the Board of Governors of the  
30 exchange shall be held once every 2 years, with those persons  
31

1 receiving the greatest number of votes cast being elected  
2 thereto.

3 (6) If the exchange contemplated by this section is  
4 established, the office ~~Comptroller~~ shall furnish the chairs  
5 of the finance and taxation committees of the Legislature with  
6 copies of its constitution and bylaws. Upon receipt of the  
7 constitution and bylaws, the Legislature shall consider what  
8 tax policy and tax exemptions are needed to facilitate  
9 successful operation of the exchange.

10 (7) If the exchange contemplated by this section is  
11 finally established, the Financial Services Commission  
12 ~~Comptroller~~ shall forthwith adopt rules providing for the  
13 reimbursement by the exchange or any member thereof of the  
14 actual costs incurred by the office ~~Comptroller~~ in connection  
15 with the regulation and supervision of the exchange. As used  
16 in this section, "actual costs" means all direct and indirect  
17 costs and expenses incurred by the office ~~Comptroller~~ in  
18 connection with the exchange including, without limitation,  
19 general administrative costs, travel expenses, salaries, and  
20 other benefits given to persons involved in the regulation and  
21 supervision of the exchange. The office ~~Comptroller~~ shall  
22 have the power to make any allocations that are deemed  
23 reasonable and necessary and may require the exchange or any  
24 members to pay interim assessments related to estimated final  
25 assessments.

26 (8) The Florida securities laws and rules shall apply  
27 to the exchange and to its members.

28 (9) The Financial Services Commission ~~Comptroller~~ may  
29 establish limitations on investments in members of the  
30 exchange by any person or company, consistent with the public  
31 interest and the efficient functioning of the exchange.

24 employee shall not be grounds for revocation or suspension of  
25 the registration of the employing consumer collection agency,  
26 unless the employee is also the owner of a majority interest  
27 in the collection agency.

28 (2) The registration of a registrant shall not be

4 complaints against the registrant in relation to the accused  
5 registrant's volume of business when determining whether  
6 suspension or revocation is the more appropriate sanction when  
7 circumstances warrant that one or the other should be imposed  
8 upon a registrant.

9 (4) The office ~~department~~ shall impose suspension  
10 rather than revocation when circumstances warrant that one or  
11 the other should be imposed upon a registrant and the accused  
12 registrant demonstrates that the registrant has taken  
13 affirmative steps which can be expected to effectively  
14 eliminate the repeated violations and that the registrant's  
15 registration has never previously been suspended.

16 (5) The office ~~department~~ may impose an administrative  
17 fine up to \$1,000 against the offending registrant as a  
18 sanction for repeated violations of the provisions of s.

29 to impose revocation, suspension, or fine shall be brought  
30 within 2 years after the date of the last violation upon which  
31 the action is founded.

1           (8) Nothing in this part shall be construed to

3 Federal Fair Debt Collection Practices Act for any violation  
4 of such act, including specifically against any person who is  
5 exempt from the registration provisions of this part.

22           (p) Having been convicted of or found guilty of, or  
23 having pleaded guilty or nolo contendere to, misappropriation,  
24 conversion, or unlawful withholding of moneys that belong to

26 money transmitter.

27           (q) Failure to inform the office ~~department~~ in writing  
28 within 15 days after pleading guilty or nolo contendere to, or

2 to whether a judgment of conviction has been entered by the

11 (u) Engaging or holding oneself out to be engaged in  
12 the business of a money transmitter without the proper  
13 registration.

14 (v) Any action that would be grounds for denial of a  
15 registration or for revocation, suspension, or restriction of  
16 a registration previously granted under part III of this  
17 chapter.

18 (w) Failure to pay any fee, charge, or fine under the  
19 code.

20 (x) Engaging or advertising engagement in the business

24 (2) The office ~~department~~ may issue a cease and desist  
25 order or removal order, suspend or revoke any previously  
26 issued registration, or take any other action within the  
27 authority of the office ~~department~~ against a money transmitter  
28 based on any fact or condition that exists and that, if it had  
29 existed or been known to exist at the time the money  
30 transmitter applied for registration, would have been grounds  
31 for denial of registration.

1           Section 697. Section 560.115, Florida Statutes, is  
2 amended to read:

3           560.115 Surrender of registration.--Any money  
4 transmitter registered pursuant to the code may voluntarily  
5 surrender its registration at any time by giving written  
6 notice to the office ~~department~~.

7           Section 698. Section 560.116, Florida Statutes, is  
8 amended to read:

9           560.116 Civil immunity.--Any person having reason to  
10 believe that a provision of the code is being violated, or has  
11 been violated, or is about to be violated, may file a  
12 complaint with the office ~~department~~ setting forth the details  
13 of the alleged violation. An immunity from civil liability is  
14 hereby granted to any person who furnishes such information,  
15 unless the information provided is false and the person  
16 providing the information does so with reckless disregard for  
17 the truth.

18           Section 699. Section 560.117, Florida Statutes, is  
19 amended to read:

20           560.117 Administrative fines; enforcement.--

21           (1) The office ~~department~~ may, by complaint, initiate  
22 a proceeding pursuant to chapter 120 to impose an  
23 administrative fine against any person found to have violated  
24 any provision of the code or a cease and desist order of the  
25 office ~~department~~ or any written agreement with the office  
26 ~~department~~. However, the office ~~department~~ shall give notice,  
27 in writing, if it suspects that the licensee has violated any  
28 of the following provisions of the code and shall give the  
29 licensee 15 days after actual notice is served on the person  
30 within which to correct the violation before bringing  
31 disciplinary action under the code:

1 (a) Failure to timely pay any fee, charge, or fine  
2 under the code;

3 (b) Failure to pay any judgment entered by any court  
4 within 30 days after the judgment becomes final;

5 (c) Failure to notify the office ~~department~~ of a  
6 change of control of a money transmitter as required by s.  
7 560.127; or

8 (d) Failure to notify the office ~~department~~ of any  
9 change of address or fictitious name as required by s.  
10 560.205.

11  
12 Except as provided in this section, such fine may not exceed  
13 \$100 a day for each violation. The office ~~department~~ may  
14 excuse any such fine with a showing of good cause by the  
15 person being fined.

16 (2) If the office ~~department~~ finds that one or more  
17 grounds exist for the suspension, revocation, or refusal to  
18 renew or continue a license or registration issued under this  
19 chapter, the office ~~department~~ may, in addition to or in lieu  
20 of suspension, revocation, or refusal to renew or continue a  
21 license or registration, impose a fine in an amount up to  
22 \$10,000 for each violation of this chapter.

23 (3) Notwithstanding any other provision of this  
24 section, the office ~~department~~ may impose a fine not to exceed  
25 \$1,000 per day for each day that a person violates the code by  
26 engaging in the business of a money transmitter without being  
27 registered.

28 (4) Any administrative fine levied by the office  
29 ~~department~~ may be enforced by the office ~~department~~ by  
30 appropriate proceedings in the circuit court of the county in  
31 which such person resides or maintains a principal office. In

1 any administrative or judicial proceeding arising under this  
2 section, a party may elect to correct the violation asserted  
3 by the office ~~department~~ and, upon the party's doing so, any  
4 fine ceases to accrue; however, an election to correct the  
5 violation does not render moot any administrative or judicial  
6 proceeding.

7 Section 700. Section 560.118, Florida Statutes, is  
8 amended to read:

9 560.118 Examinations, reports, and internal audits;  
10 penalty.--

11 (1)(a) The office ~~department~~ may conduct an  
12 examination of a money transmitter or authorized vendor by  
13 providing not less than 15 days' advance notice to the money  
14 transmitter or authorized vendor. However, if the office  
15 ~~department~~ suspects that the money transmitter or authorized  
16 vendor has violated any provisions of this code or any  
17 criminal laws of this state or of the United States or is  
18 engaging in an unsafe and unsound practice, the office  
19 ~~department~~ may, at any time without advance notice, conduct an  
20 examination of all affairs, activities, transactions,  
21 accounts, business records, and assets of any money  
22 transmitter or any money transmitter-affiliated party for the  
23 protection of the public. For the purpose of examinations, the  
24 office ~~department~~ may administer oaths and examine a money  
25 transmitter or any of its affiliated parties concerning their  
26 operations and business activities and affairs. The office  
27 ~~department~~ may accept an audit or examination from any  
28 appropriate regulatory agency or from an independent third  
29 party with respect to the operations of a money transmitter or  
30 an authorized vendor. The office ~~department~~ may also make a  
31 joint or concurrent examination with any state or federal

1 regulatory agency. The office ~~department~~ may furnish a copy of  
2 all examinations made of such money transmitter or authorized  
3 vendor to the money transmitter and any appropriate regulatory  
4 agency provided that such agency agrees to abide by the  
5 confidentiality provisions as set forth in chapter 119.

6 (b) Persons subject to this chapter who are examined  
7 shall make available to the office ~~department~~ or its examiners  
8 the accounts, records, documents, files, information, assets,  
9 and matters which are in their immediate possession or control  
10 and which relate to the subject of the examination. Those  
11 accounts, records, documents, files, information, assets, and  
12 matters not in their immediate possession shall be made  
13 available to the office ~~department~~ or the office's  
14 ~~department's~~ examiners within 10 days after actual notice is  
15 served on such persons.

16 (c) The audit of a money transmitter required under  
17 this section may be performed by an independent third party  
18 that has been approved by the office ~~department~~ or by a  
19 certified public accountant authorized to do business in the  
20 United States. The examination of a money transmitter or  
21 authorized vendor required under this section may be performed  
22 by an independent third party that has been approved by the  
23 office ~~department~~ or by a certified public accountant  
24 authorized to do business in the United States. The cost of  
25 such an independent examination or audit shall be directly  
26 borne by the money transmitter or authorized vendor.

27 (2)(a) Annual financial reports that are required to  
28 be filed under the code or any rules adopted thereunder must  
29 be audited by an independent third party that has been  
30 approved by the office ~~department~~ or by a certified public  
31 accountant authorized to do business in the United States. The

1 money transmitter or authorized vendor shall directly bear the  
2 cost of the audit. This paragraph does not apply to any seller  
3 of payment instruments who can prove to the satisfaction of  
4 the office ~~department~~ that it has a combined total of fewer  
5 than 50 employees and authorized vendors or that its annual  
6 payment instruments issued from its activities as a payment  
7 instrument seller are less than \$200,000.

8 (b) The commission ~~department~~ may, by rule, require  
9 each money transmitter or authorized vendor to submit  
10 quarterly reports to the office ~~department~~. The commission  
11 ~~department~~ may require that each report contain a declaration  
12 by an officer, or any other responsible person authorized to  
13 make such declaration, that the report is true and correct to  
14 the best of her or his knowledge and belief. Such report must  
15 include such information as the commission ~~department~~ by rule  
16 requires for that type of money transmitter.

17 (c) The office ~~department~~ may levy an administrative  
18 fine of up to \$100 per day for each day the report is past  
19 due, unless it is excused for good cause. In excusing any such  
20 administrative fine, the office ~~department~~ may consider the  
21 prior payment history of the money transmitter or authorized  
22 vendor.

23 (3) Any person who willfully violates this section or  
24 fails to comply with any lawful written demand or order of the  
25 office ~~department~~ made under this section commits a felony of  
26 the third degree, punishable as provided in s. 775.082, s.  
27 775.083, or s. 775.084.

28 Section 701. Section 560.119, Florida Statutes, is  
29 amended to read:

30 560.119 Deposit of fees and assessments.--The  
31 application fees, registration renewal fees, late payment

1 penalties, civil penalties, administrative fines, and other  
2 fees or penalties provided for in the code shall, in all  
3 cases, be paid directly to the office ~~department~~, which shall  
4 deposit such proceeds into the Regulatory Trust Fund. Each  
5 year, the Legislature shall appropriate from the trust fund to  
6 the office ~~department~~ sufficient moneys to pay the office's  
7 ~~department's~~ costs for administration of the code. The  
8 Regulatory Trust Fund is subject to the service charge imposed  
9 pursuant to chapter 215.

10 Section 702. Paragraph (a) of subsection (1) and  
11 subsections (2) and (3) of section 560.121, Florida Statutes,  
12 are amended to read:

13 560.121 Records; limited restrictions upon public  
14 access.--

15 (1)(a) Orders of courts or of administrative law  
16 judges for the production of confidential records or  
17 information shall provide for inspection in camera by the  
18 court or the administrative law judge and, after the court or  
19 administrative law judge has made a determination that the  
20 documents requested are relevant or would likely lead to the  
21 discovery of admissible evidence, said documents shall be  
22 subject to further orders by the court or the administrative  
23 law judge to protect the confidentiality thereof. Any order  
24 directing the release of information shall be immediately  
25 reviewable, and a petition by the office ~~department~~ for review  
26 of such order shall automatically stay further proceedings in  
27 the trial court or the administrative hearing until the  
28 disposition of such petition by the reviewing court. If any  
29 other party files such a petition for review, it will operate  
30 as a stay of such proceedings only upon order of the reviewing  
31 court.

1           (2) Examination reports, investigatory records,  
2 applications, and related information compiled by the office  
3 ~~department~~, or photographic copies thereof, shall be retained  
4 by the office ~~department~~ for a period of at least 10 years.

5           (3) A copy of any document on file with the office  
6 ~~department~~ which is certified by the office ~~department~~ as  
7 being a true copy may be introduced in evidence as if it were  
8 the original. The commission ~~department~~ shall establish a  
9 schedule of fees for preparing true copies of documents.

10           Section 703. Subsections (2), (4), (5), (6), and (7)  
11 of section 560.123, Florida Statutes, are amended to read:

12           560.123 Florida control of money laundering in the  
13 Money Transmitters' Code; reports of transactions involving  
14 currency or monetary instruments; when required; purpose;  
15 definitions; penalties; corpus delicti.--

16           (2) It is the purpose of this section to require the  
17 submission to the office ~~department~~ of reports and the  
18 maintenance of certain records of transactions involving  
19 currency or monetary instruments which reports and records  
20 deter the use of money transmitters to conceal proceeds from  
21 criminal activity and are useful in criminal, tax, or  
22 regulatory investigations or proceedings.

23           (a) Every money transmitter shall keep a record of  
24 each financial transaction occurring in this state known to it  
25 to involve currency or other monetary instrument, as the  
26 commission ~~department~~ prescribes by rule, of a value in excess  
27 of \$10,000, to involve the proceeds of specified unlawful  
28 activity, or to be designed to evade the reporting  
29 requirements of this section or chapter 896 and shall maintain  
30 appropriate procedures to ensure compliance with this section  
31 and chapter 896.

1 (b) Multiple financial transactions shall be treated  
2 as a single transaction if the money transmitter has knowledge  
3 that they are made by or on behalf of any person and result in  
4 either cash in or cash out totaling more than \$10,000 during  
5 any day.

6 (c) Any money transmitter may keep a record of any  
7 financial transaction occurring in this state, regardless of  
8 the value, if it suspects that the transaction involves the  
9 proceeds of specified unlawful activity.

10 (d) A money transmitter, or officer, employee, or  
11 agent thereof, that files a report in good faith pursuant to  
12 this section is not liable to any person for loss or damage  
13 caused in whole or in part by the making, filing, or  
14 governmental use of the report, or any information contained  
15 therein.

16 (4) In enforcing this section, the commission and  
17 office ~~department~~ shall acknowledge and take into  
18 consideration the requirements of Title 31, United States  
19 Code, both to reduce the burden of fulfilling duplicate  
20 requirements and to acknowledge the economic advantage of  
21 having similar reporting and recordkeeping requirements  
22 between state and federal regulatory authorities.

23 (5)(a) Each money transmitter must file a report with  
24 the office ~~department~~ of the record required by this section.  
25 Each record filed pursuant to this section must be filed at  
26 such time and contain such information as the commission  
27 ~~department~~ requires by rule.

28 (b) The timely filing of the report required by 31  
29 U.S.C. s. 5313, with the appropriate federal agency is deemed  
30 compliance with the reporting requirements of this subsection  
31

1 unless the reports are not regularly and comprehensively  
2 transmitted by the federal agency to the office ~~department~~.

3 (6) The office ~~department~~ must retain a copy of all  
4 reports received under subsection (5) for a minimum of 5  
5 calendar years after receipt of the report. However, if a  
6 report or information contained in a report is known by the  
7 office ~~department~~ to be the subject of an existing criminal  
8 proceeding, the report must be retained for a minimum of 10  
9 calendar years from the date of receipt.

10 (7) In addition to any other powers conferred upon the  
11 office ~~department~~ to enforce and administer the code, the  
12 office ~~department~~ may:

13 (a) Bring an action in any court of competent  
14 jurisdiction to enforce or administer this section. In such  
15 action, the office ~~department~~ may seek award of any civil  
16 penalty authorized by law and any other appropriate relief at  
17 law or equity.

18 (b) Issue and serve upon a person an order requiring  
19 such person to cease and desist and take corrective action  
20 whenever the office ~~department~~ finds that such person is  
21 violating, has violated, or is about to violate any provision  
22 of this section or chapter 896; any rule or order adopted  
23 under this section or chapter 896; or any written agreement  
24 related to this section or chapter 896 which is entered into  
25 with the office ~~department~~.

26 (c) Issue and serve upon a person an order suspending  
27 or revoking such person's money transmitter registration  
28 whenever the office ~~department~~ finds that such person is  
29 violating, has violated, or is about to violate any provision  
30 of this section or chapter 896; any rule or order adopted

5 is violating, has violated, or is about to violate any  
6 provision of this section or chapter 896; any rule or order  
7 adopted under this section or chapter 896; or any written  
8 agreement related to this section or chapter 896 which is  
9 entered into with the office ~~department~~.

10 (e) Impose and collect an administrative fine against  
11 any person found to have violated any provision of this  
12 section or chapter 896; any rule or order adopted under this  
13 section or chapter 896; or any written agreement related to  
14 this section or chapter 896 which is entered into with the  
15 office ~~department~~, in an amount not exceeding \$10,000 a day  
16 for each willful violation or \$500 a day for each negligent  
17 violation.

18 Section 704. Subsections (3) and (4) of section  
19 560.125, Florida Statutes, are amended to read:

24 pursuant to the code may, pursuant to s. 560.113, petition any  
25 court to enjoin the person or activity that is the subject of  
26 the proceeding from violating any of the provisions of this  
27 section. For the purpose of this subsection, any money  
28 transmitter registered pursuant to the code, any person  
29 residing in this state, and any person whose principal place  
30 of business is in this state are presumed to be substantially

3 (4) The office ~~department~~ may issue and serve upon any  
4 person who violates any of the provisions of this section a  
5 complaint seeking a cease and desist order in accordance with  
6 the procedures and in the manner prescribed by s. 560.112. The  
7 office ~~department~~ may also impose an administrative fine

13 amended to read:

14 560.127 Control of a money transmitter.--

15 (1) A person has control over a money transmitter if:

16 (a) The person directly or indirectly or acting

19 a legal and proper manner and that the interests of the other  
20 stockholders, if any, or the interests of the public generally  
21 may be jeopardized by the proposed change in ownership,  
22 controlling interest, or management.

23 (b) The office ~~department~~ may disapprove any person  
24 who has been convicted of, or pled guilty or nolo contendere

27 expiration date of April 30. If the renewal application is  
28 filed prior to the expiration date of an existing

11 (2) Within 60 days after the date a registrant either  
12 opens a location within this state or authorizes an authorized  
13 vendor to operate on the registrant's behalf within this  
14 state, the registrant shall notify the office ~~department~~ on a  
15 form prescribed by the commission ~~department~~ by rule. The  
16 notification shall be accompanied by a nonrefundable \$50 fee  
17 for each authorized vendor or location. Each notification  
18 shall also be accompanied by a financial statement  
19 demonstrating compliance with s. 560.209(1), unless compliance  
20 has been demonstrated by a financial statement filed with the  
21 registrant's quarterly report in compliance with s.  
22 560.118(2). The financial statement must be dated within 90  
23 days of the date of designation of the authorized vendor or  
24 location. This subsection shall not apply to any authorized  
25 vendor or location that has been designated by the registrant  
26 before October 1, 2001.

27 (3) Within 60 days after the date a registrant closes  
28 a location within this state or withdraws authorization for an  
29 authorized vendor to operate on the registrant's behalf within  
30 this state, the registrant shall notify the office ~~department~~  
31 on a form prescribed by the commission ~~department~~ by rule.

1           Section 714. Subsections (2), (3), (4), (5), and (6)  
2 of section 560.209, Florida Statutes, are amended to read:

3           560.209 Net worth; corporate surety bond; collateral  
4 deposit in lieu of bond.--

5           (2) Before the office ~~department~~ may issue a  
6 registration, the applicant must provide to the office  
7 ~~department~~ a corporate surety bond, issued by a bonding  
8 company or insurance company authorized to do business in this  
9 state.

10           (a) The corporate surety bond shall be in such amount  
11 as may be determined by commission ~~department~~ rule, but shall  
12 not exceed \$250,000. However, the commission and office  
13 ~~department~~ may consider extraordinary circumstances, such as  
14 the registrant's financial condition, the number of locations,  
15 and the existing or anticipated volume of outstanding payment  
16 instruments or funds transmitted, and require an additional  
17 amount above \$250,000, up to \$500,000.

18           (b) The corporate surety bond shall be in a form  
19 satisfactory to the office ~~department~~ and shall run to the  
20 state for the benefit of any claimants in this state against  
21 the applicant or its authorized vendors to secure the faithful  
22 performance of the obligations of the applicant and its  
23 authorized vendors with respect to the receipt, handling,  
24 transmission, and payment of funds. The aggregate liability of  
25 the corporate surety bond in no event shall exceed the  
26 principal sum of the bond. Such claimants against the  
27 applicant or its authorized vendors may themselves bring suit  
28 directly on the corporate surety bond, or the Department of  
29 Legal Affairs may bring suit thereon on behalf of such  
30 claimants, in either one action or in successive actions.

31

1           (c) A corporate surety bond filed with the office  
2 ~~department~~ for purposes of compliance with this section may  
3 not be canceled by either the registrant or the corporate  
4 surety except upon written notice to the office ~~department~~ by  
5 registered or certified mail with return receipt requested. A  
6 cancellation shall not take effect less than 30 days after  
7 receipt by the office ~~department~~ of such written notice.

8           (d) The corporate surety must, within 10 days after it  
9 pays any claim to any claimant, give written notice to the  
10 office ~~department~~ by registered or certified mail of such  
11 payment with details sufficient to identify the claimant and  
12 the claim or judgment so paid.

13           (e) Whenever the principal sum of such bond is reduced  
14 by one or more recoveries or payments, the registrant must  
15 furnish a new or additional bond so that the total or  
16 aggregate principal sum of such bond equals the sum required  
17 by the commission ~~department~~. Alternatively, a registrant may  
18 furnish an endorsement executed by the corporate surety  
19 reinstating the bond to the required principal sum thereof.

20           (3) In lieu of such corporate surety bond, or of any  
21 portion of the principal thereof required by this section, the  
22 applicant may deposit collateral cash, securities, or  
23 alternative security devices approved by the commission  
24 ~~department~~, with any federally insured financial institution.

25           (a) Acceptable collateral deposit items in lieu of a  
26 bond include cash and interest-bearing stocks and bonds,  
27 notes, debentures, or other obligations of the United States  
28 or any agency or instrumentality thereof, or guaranteed by the  
29 United States, or of this state.

30           (b) The collateral deposit must be in an aggregate  
31 amount, based upon principal amount or market value, whichever

1 is lower, of not less than the amount of the required  
2 corporate surety bond or portion thereof.

3 (c) Collateral deposits made under this subsection  
4 shall be pledged to the office ~~department~~ and held by the  
5 insured financial institution to secure the same obligations  
6 as would the corporate surety bond, but the depositor is  
7 entitled to receive all interest and dividends thereon and  
8 may, with the approval of the office ~~department~~, substitute  
9 other securities or deposits for those deposited. The  
10 principal amount of the deposit shall be released only on  
11 written authorization of the office ~~department~~ or on the order  
12 of a court of competent jurisdiction.

13 (4) A registrant must at all times have and maintain  
14 the bond or collateral deposit in the amount prescribed by the  
15 commission ~~department~~. If the office ~~department~~ at any time  
16 reasonably determines that the bond or elements of the  
17 collateral deposit are insecure, deficient in amount, or  
18 exhausted in whole or in part, the office ~~department~~ may, by  
19 written order, require the filing of a new or supplemental  
20 bond or the deposit of new or additional collateral deposit  
21 items.

22 (5) The bond and collateral deposit shall remain in  
23 place for 5 years after the registrant ceases registered  
24 operations in this state. The office ~~department~~ may permit the  
25 bond or collateral deposit to be reduced or eliminated prior  
26 to that time to the extent that the amount of the registrant's  
27 outstanding payment instruments or funds transmitted in this  
28 state are reduced. The office ~~department~~ may also permit a  
29 registrant to substitute a letter of credit or such other form  
30 of acceptable security for the bond or collateral deposit at  
31

1 the time the registrant ceases money transmission operations  
2 in this state.

3 (6) The office ~~department~~ may waive or reduce a  
4 registrant's net worth or bond or collateral deposit  
5 requirement. Such waiver or modification must be requested by  
6 the applicant or registrant, and may be granted upon a showing  
7 by the applicant or registrant to the satisfaction of the  
8 office ~~department~~ that:

9 (a) The existing net worth, bond, or collateral  
10 deposit requirement is sufficiently in excess of the  
11 registrant's highest potential level of outstanding payment  
12 instruments or money transmissions in this state;

13 (b) The direct and indirect cost of meeting the net  
14 worth, bond, or collateral deposit requirement will restrict  
15 the ability of the money transmitter to effectively serve the  
16 needs of its customers and the public; or

17 (c) The direct and indirect cost of meeting the net  
18 worth, bond, or collateral requirement will not only have a  
19 negative impact on the money transmitter but will severely  
20 hinder the ability of the money transmitter to participate in  
21 and promote the economic progress and welfare of this state or  
22 the United States.

23 Section 715. Paragraph (i) of subsection (2) and  
24 subsections (3) and (4) of section 560.210, Florida Statutes,  
25 are amended to read:

26 560.210 Permissible investments.--

27 (2) Acceptable permissible investments include:

28 (i) Any other investment approved by the commission  
29 ~~department~~.

30 (3) Notwithstanding any other provision of this part,  
31 the office ~~department~~, with respect to any particular

1 registrant or all registrants, may limit the extent to which  
2 any class of permissible investments may be considered a  
3 permissible investment, except for cash and certificates of  
4 deposit.

5 (4) The office ~~department~~ may waive the permissible  
6 investments requirement if the dollar value of a registrant's  
7 outstanding payment instruments and funds transmitted do not  
8 exceed the bond or collateral deposit posted by the registrant  
9 under s. 560.209.

10 Section 716. Subsection (2) of section 560.211,  
11 Florida Statutes, is amended to read:

12 560.211 Records.--

13 (2) The records required to be maintained by the code  
14 may be maintained by the registrant at any location, provided  
15 that the registrant notifies the office ~~department~~ in writing  
16 of the location of the records in its application or  
17 otherwise. The registrant shall make such records available to  
18 the office ~~department~~ for examination and investigation in  
19 this state, as permitted by the code, within 7 days after  
20 receipt of a written request.

21 Section 717. Subsection (2) of section 560.302,  
22 Florida Statutes, is amended to read:

23 560.302 Definitions.--In addition to the definitions  
24 provided in s. 560.103, unless otherwise clearly indicated by  
25 the context, for purposes of this part:

27 office ~~department~~ pursuant to this part.

28 Section 718. Section 560.305, Florida Statutes, is  
29 amended to read:

8 thereof.

9 (2) The location of the principal office of the  
10 applicant.

11 (3) The complete address of any other locations at  
12 which the applicant proposes to engage in such activities  
13 since the provisions of registration apply to each and every  
14 operating location of a registrant.

15 (4) Such other information as the commission or office  
16 ~~department may reasonably requires~~ require with respect to the  
17 applicant or any money transmitter-affiliated party of the  
18 applicant; however, the commission or office ~~department~~ may  
19 not require more information than is specified in part II.

20 Section 719. Section 560.306, Florida Statutes, is  
21 amended to read:

29 to ascertain whether the qualifications and requirements  
30 prescribed by this part have been met. The office's

4 any provision of law which removes the disability under this  
5 part because of such conviction.

5 regulatory jurisdiction of the office, and the powers granted  
6 by this section to the department apply only with respect to  
7 licensees of the department and their affiliated parties and  
8 to unlicensed persons subject to regulatory jurisdiction of  
9 the department.

10          (b) The department and office each may institute such  
11 suits or other legal proceedings as may be required to enforce  
12 any provision of this code within the respective regulatory  
13 jurisdiction of each. If it appears that any person has  
14 violated any provision of this code for which criminal  
15 prosecution is provided, the department or office shall  
16 provide the appropriate state attorney or other prosecuting  
17 agency having jurisdiction with respect to such prosecution  
18 with the relevant information in its possession.

19           (3) CEASE AND DESIST ORDERS.--

20           (a) The department or office may issue and serve a  
21 complaint stating charges upon any licensee or upon any  
22 affiliated party, whenever the department or office has  
23 reasonable cause to believe that the person or individual  
24 named therein is engaging in or has engaged in conduct that  
25 is:

26           1. An act that demonstrates a lack of fitness or  
27 trustworthiness to engage in the business of insurance, is  
28 hazardous to the insurance buying public, or constitutes  
29 business operations that are a detriment to policyholders,  
30 stockholders, investors, creditors, or the public;

31

1           2. A violation of any provision of the Florida  
2 Insurance Code;

3           3. A violation of any rule of the department or  
4 commission;

5           4. A violation of any order of the department or  
6 office; or

7           5. A breach of any written agreement with the  
8 department or office.

9           (b) The complaint shall contain a statement of facts  
10 and notice of opportunity for a hearing pursuant to ss.  
11 120.569 and 120.57.

12           (c) If no hearing is requested within the time allowed  
13 by ss. 120.569 and 120.57, or if a hearing is held and the  
14 department or office finds that any of the charges are proven,  
15 the department or office may enter an order directing the  
16 licensee or the affiliated party named in the complaint to  
17 cease and desist from engaging in the conduct complained of  
18 and take corrective action to remedy the effects of past  
19 improper conduct and assure future compliance.

20           (d) If the licensee or affiliated party named in the  
21 order fails to respond to the complaint within the time  
22 allotted by ss. 120.569 and 120.57, the failure constitutes a  
23 default and justifies the entry of a cease and desist order.

24           (e) A contested or default cease and desist order is  
25 effective when reduced to writing and served upon the licensee  
26 or affiliated party named therein. An uncontested cease and  
27 desist order is effective as agreed.

28           (f) Whenever the department or office finds that  
29 conduct described in paragraph (a) is likely to cause  
30 insolvency, substantial dissipation or misvaluation of assets  
31 or earnings of the licensee, substantial inability to pay

1 claims on a timely basis, or substantial prejudice to  
2 prospective or existing insureds, policyholders, subscribers,  
3 or the public, it may issue an emergency cease and desist  
4 order requiring the licensee or any affiliated party to  
5 immediately cease and desist from engaging in the conduct  
6 complained of and to take corrective and remedial action. The  
7 emergency order is effective immediately upon service of a  
8 copy of the order upon the licensee or affiliated party named  
9 therein and remains effective for 90 days. If the department  
10 or office begins nonemergency cease and desist proceedings  
11 under this subsection, the emergency order remains effective  
12 until the conclusion of the proceedings under ss. 120.569 and  
13 120.57. Any emergency order entered under this subsection is  
14 exempt from s. 119.07(1) and is confidential until it is made  
15 permanent unless the department or office finds that the  
16 confidentiality will result in substantial risk of financial  
17 loss to the public. All emergency cease and desist orders  
18 that are not made permanent are available for public  
19 inspection 1 year from the date the emergency cease and desist  
20 order expires; however, portions of an emergency cease and  
21 desist order remain confidential and exempt from the  
22 provisions of s. 119.07(1) if disclosure would:

- 23 1. Jeopardize the integrity of another active  
24 investigation;
- 25 2. Impair the safety and financial soundness of the  
26 licensee or affiliated party;
- 27 3. Reveal personal financial information;
- 28 4. Reveal the identity of a confidential source;
- 29 5. Defame or cause unwarranted damage to the good name  
30 or reputation of an individual or jeopardize the safety of an  
31 individual; or

- 1           6. Reveal investigative techniques or procedures.
- 2           (4) REMOVAL OF AFFILIATED PARTIES ~~BY THE DEPARTMENT.~~--
- 3           (a) The department or office may issue and serve a
- 4 complaint stating charges upon any affiliated party and upon
- 5 the licensee involved, whenever the department or office has
- 6 reason to believe that an affiliated party is engaging in or
- 7 has engaged in conduct that constitutes:
- 8           1. An act that demonstrates a lack of fitness or
- 9 trustworthiness to engage in the business of insurance through
- 10 engaging in illegal activity or mismanagement of business
- 11 activities;
- 12           2. A willful violation of any law relating to the
- 13 business of insurance; however, if the violation constitutes a
- 14 misdemeanor, no complaint shall be served as provided in this
- 15 section until the affiliated party is notified in writing of
- 16 the matter of the violation and has been afforded a reasonable
- 17 period of time, as set forth in the notice, to correct the
- 18 violation and has failed to do so;
- 19           3. A violation of any other law involving fraud or
- 20 moral turpitude that constitutes a felony;
- 21           4. A willful violation of any rule of the department
- 22 or commission;
- 23           5. A willful violation of any order of the department
- 24 or office;
- 25           6. A material misrepresentation of fact, made
- 26 knowingly and willfully or made with reckless disregard for
- 27 the truth of the matter; or
- 28           7. An act of commission or omission or a practice
- 29 which is a breach of trust or a breach of fiduciary duty.
- 30
- 31

1           (b) The complaint shall contain a statement of facts  
2 and notice of opportunity for a hearing pursuant to ss.  
3 120.569 and 120.57.

4           (c) If no hearing is requested within the time  
5 allotted by ss. 120.569 and 120.57, or if a hearing is held  
6 and the department or office finds that any of the charges in  
7 the complaint are proven true and that:

8           1. The licensee has suffered or will likely suffer  
9 loss or other damage;

10           2. The interests of the policyholders, creditors, or  
11 public are, or could be, seriously prejudiced by reason of the  
12 violation or act or breach of fiduciary duty;

13           3. The affiliated party has received financial gain by  
14 reason of the violation, act, or breach of fiduciary duty; or

15           4. The violation, act, or breach of fiduciary duty is  
16 one involving personal dishonesty on the part of the  
17 affiliated party or the conduct jeopardizes or could  
18 reasonably be anticipated to jeopardize the financial  
19 soundness of the licensee,

20  
21 The department or office may enter an order removing the  
22 affiliated party or restricting or prohibiting participation  
23 by the person in the affairs of that particular licensee or of  
24 any other licensee.

25           (d) If the affiliated party fails to respond to the  
26 complaint within the time allotted by ss. 120.569 and 120.57,  
27 the failure constitutes a default and justifies the entry of  
28 an order of removal, suspension, or restriction.

29           (e) A contested or default order of removal,  
30 restriction, or prohibition is effective when reduced to  
31 writing and served on the licensee and the affiliated party.

1 An uncontested order of removal, restriction, or prohibition  
2 is effective as agreed.

3 (f)1. The chief executive officer, or the person  
4 holding the equivalent office, of a licensee shall promptly  
5 notify the department or office that issued the license if she  
6 or he has actual knowledge that any affiliated party is  
7 charged with a felony in a state or federal court.

8 2. Whenever any affiliated party is charged with a  
9 felony in a state or federal court or with the equivalent of a  
10 felony in the courts of any foreign country with which the  
11 United States maintains diplomatic relations, and the charge  
12 alleges violation of any law involving fraud, theft, or moral  
13 turpitude, the department or office may enter an emergency  
14 order suspending the affiliated party or restricting or  
15 prohibiting participation by the affiliated party in the  
16 affairs of the particular licensee or of any other licensee  
17 upon service of the order upon the licensee and the affiliated  
18 party charged. The order shall contain notice of opportunity  
19 for a hearing pursuant to ss. 120.569 and 120.57, where the  
20 affiliated party may request a postsuspension hearing to show  
21 that continued service to or participation in the affairs of  
22 the licensee does not pose a threat to the interests of the  
23 licensee's policyholders or creditors and does not threaten to  
24 impair public confidence in the licensee. In accordance with  
25 applicable ~~departmental~~ rules, the department or office shall  
26 notify the affiliated party whether the order suspending or  
27 prohibiting the person from participation in the affairs of a  
28 licensee will be rescinded or otherwise modified. The  
29 emergency order remains in effect, unless otherwise modified  
30 by the department or office, until the criminal charge is  
31 disposed of. The acquittal of the person charged, or the

1 final, unappealed dismissal of all charges against the person,  
2 dissolves the emergency order, but does not prohibit the  
3 department or office from instituting proceedings under  
4 paragraph (a). If the person charged is convicted or pleads  
5 guilty or nolo contendere, whether or not an adjudication of  
6 guilt is entered by the court, the emergency order shall  
7 become final.

8 (g) Any affiliated party removed from office pursuant  
9 to this section is not eligible for reelection or appointment  
10 to the position or to any other official position in any  
11 licensee in this state except upon the written consent of the  
12 department or office. Any affiliated party who is removed,  
13 restricted, or prohibited from participation in the affairs of  
14 a licensee pursuant to this section may petition the  
15 department or office for modification or termination of the  
16 removal, restriction, or prohibition.

17 (h) Resignation or termination of an affiliated party  
18 does not affect the department's or office's jurisdiction to  
19 proceed under this subsection.

20 (5) ADMINISTRATIVE FINES; ENFORCEMENT.--

21 (a) The department or office may, in a proceeding  
22 initiated pursuant to chapter 120, impose an administrative  
23 fine against any person found in the proceeding to have  
24 violated any provision of this code, a cease and desist order  
25 of the department or office, or any written agreement with the  
26 department or office. No proceeding shall be initiated and no  
27 fine shall accrue until after the person has been notified in  
28 writing of the nature of the violation and has been afforded a  
29 reasonable period of time, as set forth in the notice, to  
30 correct the violation and has failed to do so.

31

1 (b) A fine imposed under this subsection may not  
2 exceed the amounts specified in s. 624.4211, per violation.

3 (c) The department or office may, in addition to the  
4 imposition of an administrative fine under this subsection,  
5 also suspend or revoke the license or certificate of authority  
6 of the licensee fined under this subsection.

7 (d) Any administrative fine levied by the department  
8 or office under this subsection may be enforced by the  
9 department or office by appropriate proceedings in the circuit  
10 court of the county in which the person resides or in which  
11 the principal office of a licensee is located, or, in the case  
12 of a foreign insurer or person not residing in this state, in  
13 Leon County. In any administrative or judicial proceeding  
14 arising under this section, a party may elect to correct the  
15 violation asserted by the department or office, and, upon  
16 doing so, any fine shall cease to accrue; however, the  
17 election to correct the violation does not render any  
18 administrative or judicial proceeding moot. All fines  
19 collected under this section shall be paid to the Insurance  
20 ~~Commissioner's~~ Regulatory Trust Fund.

21 (e) In imposing any administrative penalty or remedy  
22 provided for under this section, the department or office  
23 shall take into account the appropriateness of the penalty  
24 with respect to the size of the financial resources and the  
25 good faith of the person charged, the gravity of the  
26 violation, the history of previous violations, and other  
27 matters as justice may require.

28 (f) The imposition of an administrative fine under  
29 this subsection may be in addition to any other penalty or  
30 administrative fine authorized under this code.

31

1           (6) ADMINISTRATIVE PROCEDURES.--All administrative  
2 proceedings under subsections (3), (4), and (5) shall be

6 receipt requested, delivered to the addressee only; by  
7 personal delivery; or in accordance with chapter 48. The  
8 service provided for herein shall be effective from the date  
9 of delivery.

10           (7) OTHER LAWS NOT SUPERSEDED.--The provisions of this  
11 section are in addition to other provisions of this code, and  
12 shall not be construed to curtail, impede, replace, or delete  
13 any other similar provision or power of the department or  
14 office under the insurance code as defined in s. 624.01 or any  
15 power of the department or office which may exist under the  
16 common law of this state. The procedures set forth in s.

- 28           (1)(a) The office ~~department~~ shall examine the  
29 affairs, transactions, accounts, records, and assets of each  
30 authorized insurer and of the attorney in fact of a reciprocal  
31 insurer as to its transactions affecting the insurer as often

1 as it deems advisable, except as provided in this section.  
2 The examination may include examination of the affairs,  
3 transactions, accounts, and records relating directly or  
4 indirectly to the insurer and of the assets of the insurer's  
5 managing general agents and controlling or controlled person,  
6 as defined in s. 625.012. The examination shall be pursuant to  
7 a written order of the office ~~department~~. Such order shall

10 (b) As a part of its examination procedure, the office  
11 ~~department~~ shall examine each insurer regarding all of the  
12 information required by s. 627.915.

13 (c) The office ~~department~~ shall examine each insurer

21 Conduct Examiners Examination Handbook and the Financial  
22 Condition Examiners Handbook of the National Association of  
23 Insurance Commissioners, 2002 ~~1990~~, and may adopt subsequent

1 commenced within 12 months after the end of the most recent  
2 fiscal year being covered by the examination. The examination  
3 may cover any period of the insurer's operations since the  
4 last previous examination. The examination may include  
5 examination of events subsequent to the end of the most recent

8 its own examination, the office ~~department~~ may accept an  
9 independent certified public accountant's audit report  
10 prepared on a statutory basis consistent with the Florida  
11 Insurance Code on that specific company. The office ~~department~~  
12 may not accept the report in lieu of the requirement imposed  
13 by paragraph (1)(b). When an examination is conducted by the

16 the opinion date of an independent certified public  
17 accountant's audit report prepared on a statutory basis on  
18 that specific company consistent with the Florida Insurance  
19 Code, the cost of the examination as charged to the insurer  
20 pursuant to s. 624.320 shall be reduced by the cost to the  
21 insurer of the independent certified public accountant's audit  
22 reports. Requests for the reduction in cost of examination  
23 must be submitted to the office ~~department~~ in writing no later  
24 than 90 days after the conclusion of the examination and shall

27 certified public accountant.

28 (b) The office ~~department~~ shall examine each insurer  
29 applying for an initial certificate of authority to transact

2 ~~department~~ may accept a full report of the last recent  
3 examination of a foreign insurer, certified to by the  
4 insurance supervisory official of another state.

5           (d) The examination by the office ~~department~~ of an  
6 alien insurer shall be limited to the alien insurer's

11 and the insurer, an examination under this section may be  
12 conducted by independent certified public accountants,  
13 actuaries meeting criteria specified by rule, and reinsurance  
14 specialists meeting criteria specified by rule. The rules  
15 shall provide:

16           1. That the agreement of the insurer is not required  
17 if the office ~~department~~ reasonably suspects criminal  
18 misconduct on the part of the insurer.

19           2. That the office ~~department~~ shall provide the  
20 insurer with a list of three firms acceptable to the office  
21 ~~department~~, and that the insurer shall select the firm to  
22 conduct the examination from the list provided by the office  
23 ~~department~~.

24           3. That the insurer being examined must make payment  
25 for the examination directly to the firm performing the  
26 examination in accordance with the rates and terms agreed to  
27 by the office ~~department~~, the insurer, and the firm performing  
28 the examination.

29           4. That if the examination is conducted without the  
30 consent of the insurer, the insurer must pay all reasonable  
31 charges of the examining firm if the examination finds

1 impairment, insolvency, or criminal misconduct on the part of  
2 the insurer.

3 (f)1.

4 a. An examination under this section must be conducted  
5 at least once every year with respect to a domestic insurer  
6 that has continuously held a certificate of authority for less  
7 than 3 years. The examination must cover the preceding fiscal  
8 year or the period since the last examination of the insurer.  
9 The office ~~department~~ may limit the scope of the examination.

10 b. The office ~~department~~ may not accept an independent  
11 certified public accountant's audit report in lieu of an  
12 examination required by this subparagraph.

13 c. An insurer may not be required to pay more than  
14 \$25,000 to cover the costs of any one examination under this  
15 subparagraph.

2 the department or office shall grant a hearing with respect to  
3 the examination report and shall not so file the examination  
4 report until after the hearing and after such modifications

24 conducted by the department or office with a reasonable, good  
25 faith belief that it could lead to the filing of  
26 administrative, civil, or criminal proceedings. An  
27 investigation does not cease to be active if the department or  
28 office is proceeding with reasonable dispatch and has a good  
29 faith belief that action could be initiated by the department

1 portions of the investigation report relating to the  
2 investigation remain confidential and exempt from the  
3 provisions of s. 119.07(1) if disclosure would:

21 from the provisions of s. 119.07(1) and s. 24(a), Art. I of  
22 the State Constitution. This exemption applies to workpapers  
23 and other information held by the department or office before,  
24 on, or after the effective date of this exemption. Such  
25 confidential and exempt information may be disclosed to  
26 another governmental entity, if disclosure is necessary for  
27 the receiving entity to perform its duties and  
28 responsibilities, and may be disclosed to the National  
29 Association of Insurance Commissioners. The receiving  
30 governmental entity or the association must maintain the  
31 confidential and exempt status of the information. The

1 information made confidential and exempt by this paragraph may  
2 be used in a criminal, civil, or administrative proceeding so  
3 long as the confidential and exempt status of such information  
4 is maintained. This paragraph is subject to the Open  
5 Government Sunset Review Act of 1995 in accordance with s.

28 physical therapy, speech-language pathology, audiology,  
29 professional mental health, dental, hospital, or optometric

7 (2) Any person or entity providing any of the  
8 coverages or benefits referred to in subsection (1) which does  
9 not meet the filing requirements referred to in subsection  
10 (1), or which otherwise fails to demonstrate to the office  
11 ~~department~~ that, while providing such services, it is exempt  
12 from state law, shall submit to an examination by the office  
13 ~~department~~ to determine the organization and solvency of the  
14 person or entity and to determine whether or not such entity  
15 is in compliance with the applicable provisions of chapters  
16 624-651.

17 (3) A governmental trust which is established or  
18 maintained entirely by the state, counties, municipalities, or

5 (5) This section does not apply to an insurer, health  
6 maintenance organization, professional service plan  
7 corporation, or person providing continuing care, which person  
8 or entity possesses a valid certificate of authority issued by  
9 the office ~~department~~, except to the extent that such person  
10 or entity provides the coverages described in subsection (1)  
11 to its employees other than under a policy or contract which  
12 is otherwise subject to regulation under the Florida Insurance  
13 Code.

14 Section 779. Subsections (2) and (3) of section  
15 624.34, Florida Statutes, are amended to read:

16 624.34 Authority of Department of Law Enforcement to  
17 accept fingerprints of, and exchange criminal history records  
18 with respect to, certain persons.--

19 (2) The Department of Law Enforcement may accept  
20 fingerprints of individuals who apply for a license as an  
21 agent, customer representative, adjuster, service  
22 representative, or managing general agent or the fingerprints  
23 of the majority owner, sole proprietor, partners, officers,  
24 and directors of a corporation or other legal entity that  
25 applies for licensure with the department or office under the  
26 provisions of the Florida Insurance Code.

27 (3) The Department of Law Enforcement may, to the  
28 extent provided for by federal law, exchange state,  
29 multistate, and federal criminal history records with the  
30 department or office for the purpose of the issuance,

31

1 suspension, or revocation of a certificate of authority or  
2 license to operate in this state.

3 Section 780. Subsections (1) and (2) of section  
4 624.401, Florida Statutes, are amended to read:

5 624.401 Certificate of authority required.--

6 (1) No person shall act as an insurer, and no insurer  
7 or its agents, attorneys, subscribers, or representatives  
8 shall directly or indirectly transact insurance, in this state  
9 except as authorized by a subsisting certificate of authority  
10 issued to the insurer by the office ~~department~~, except as to  
11 such transactions as are expressly otherwise provided for in  
12 this code.

13 (2) No insurer shall from offices or by personnel or  
14 facilities located in this state solicit insurance  
15 applications or otherwise transact insurance in another state  
16 or country unless it holds a subsisting certificate of  
17 authority issued to it by the office ~~department~~ authorizing it  
18 to transact the same kind or kinds of insurance in this state.

19 Section 781. Subsection (8) of section 624.4031,  
20 Florida Statutes, is amended to read:

21 624.4031 Church benefit plans and church benefit  
22 board.--

23 (8) The Florida Insurance Code does not apply to a  
24 church benefits board that has operated more than 5 years in  
25 its state of domicile and has more than \$2 million in  
26 reserves. This exemption extends to the programs, plans,  
27 benefits, activities, or affiliates of the church benefits  
28 board. A church benefits board may qualify for this exemption  
29 if an authorized representative of the church benefits board  
30 submits to the office ~~department~~ an affidavit stating that the  
31 church benefits board meets or exceeds the requirements of

1 this section. If the office ~~department~~ believes the  
2 information provided on the affidavit is inaccurate, the  
3 office ~~department~~ has the burden of proving that the church  
4 benefits board fails to meet the requirements of this section.

5 Section 782. Subsections (2), (3), (4), (5), and (7)  
6 of section 624.404, Florida Statutes, are amended to read:

7 624.404 General eligibility of insurers for  
8 certificate of authority.--To qualify for and hold authority  
9 to transact insurance in this state, an insurer must be  
10 otherwise in compliance with this code and with its charter  
11 powers and must be an incorporated stock insurer, an  
12 incorporated mutual insurer, or a reciprocal insurer, of the  
13 same general type as may be formed as a domestic insurer under  
14 this code; except that:

15 (2) No foreign or alien insurer or exchange shall be  
16 authorized to transact insurance in this state unless it is  
17 otherwise qualified therefor under this code and has operated  
18 satisfactorily for at least 3 years in its state or country of  
19 domicile; however, the office ~~department~~ may waive the 3-year  
20 requirement if the foreign or alien insurer or exchange:

21 (a) Has operated successfully and has capital and  
22 surplus of \$5 million;

23 (b) Is the wholly owned subsidiary of an insurer which  
24 is an authorized insurer in this state;

25 (c) Is the successor in interest through merger or  
26 consolidation of an authorized insurer; or

27 (d) Provides a product or service not readily  
28 available to the consumers of this state.

29 (3)(a) The office ~~department~~ shall not grant or  
30 continue authority to transact insurance in this state as to  
31 any insurer the management, officers, or directors of which

1 are found by it to be incompetent or untrustworthy; or so  
2 lacking in insurance company managerial experience as to make  
3 the proposed operation hazardous to the insurance-buying  
4 public; or so lacking in insurance experience, ability, and  
5 standing as to jeopardize the reasonable promise of successful  
6 operation; or which it has good reason to believe are  
7 affiliated directly or indirectly through ownership, control,  
8 reinsurance transactions, or other insurance or business  
9 relations, with any person or persons whose business  
10 operations are or have been marked, to the detriment of  
11 policyholders or stockholders or investors or creditors or of  
12 the public, by manipulation of assets, accounts, or  
13 reinsurance or by bad faith.

14 (b) The office ~~department~~ shall not grant or continue  
15 authority to transact insurance in this state as to any  
16 insurer if any person, including any subscriber, stockholder,  
17 or incorporator, who exercises or has the ability to exercise  
18 effective control of the insurer, or who influences or has the  
19 ability to influence the transaction of the business of the  
20 insurer, does not possess the financial standing and business  
21 experience for the successful operation of the insurer.

22 (c) The office ~~department~~ may deny, suspend, or revoke  
23 the authority to transact insurance in this state of any  
24 insurer if any person, including any subscriber, stockholder,  
25 or incorporator, who exercises or has the ability to exercise  
26 effective control of the insurer, or who influences or has the  
27 ability to influence the transaction of the business of the  
28 insurer, has been found guilty of, or has pleaded guilty or  
29 nolo contendere to, any felony or crime punishable by  
30 imprisonment of 1 year or more under the law of the United  
31 States or any state thereof or under the law of any other

1 country which involves moral turpitude, without regard to  
2 whether a judgment of conviction has been entered by the court  
3 having jurisdiction in such case. However, in the case of an  
4 insurer operating under a subsisting certificate of authority,  
5 the insurer shall remove any such person immediately upon  
6 discovery of the conditions set forth in this paragraph when  
7 applicable to such person or upon the order of the office  
8 ~~department~~, and the failure to so act by said insurer shall be  
9 grounds for revocation or suspension of the insurer's  
10 certificate of authority.

11 (d) The office ~~department~~ may deny, suspend, or revoke  
12 the authority of an insurer to transact insurance in this  
13 state if any person, including any subscriber, stockholder, or  
14 incorporator, who exercises or has the ability to exercise  
15 effective control of the insurer, or who influences or has the  
16 ability to influence the transaction of the business of the  
17 insurer, which person the office ~~department~~ has good reason to  
18 believe is now or was in the past affiliated directly or  
19 indirectly, through ownership interest of 10 percent or more,  
20 control, or reinsurance transactions, with any business,  
21 corporation, or other entity that has been found guilty of or  
22 has pleaded guilty or nolo contendere to any felony or crime  
23 punishable by imprisonment for 1 year or more under the laws  
24 of the United States, any state, or any other country,  
25 regardless of adjudication. However, in the case of an  
26 insurer operating under a subsisting certificate of authority,  
27 the insurer shall immediately remove such person or  
28 immediately notify the office ~~department~~ of such person upon  
29 discovery of the conditions set forth in this paragraph,  
30 either when applicable to such person or upon order of the  
31 office ~~department~~; the failure to remove such person, provide

1 such notice, or comply with such order constitutes grounds for  
2 suspension or revocation of the insurer's certificate of  
3 authority.

4 (4)(a) No authorized insurer shall act as a fronting  
5 company for any unauthorized insurer which is not an approved  
6 reinsurer.

7 (b) A "fronting company" is an authorized insurer  
8 which by reinsurance or otherwise generally transfers more  
9 than 50 percent to one unauthorized insurer which does not  
10 meet the requirements of s. 624.610(3)(a), (b), or (c), or  
11 more than 75 percent to two or more unauthorized insurers  
12 which do not meet the requirements of s. 624.610(3)(a), (b),  
13 or (c), of the entire risk of loss on all of the insurance  
14 written by it in this state, or on one or more lines of  
15 insurance, on all of the business produced through one or more  
16 agents or agencies, or on all of the business from a  
17 designated geographical territory, without obtaining the prior  
18 approval of the office department.

19 (c) The office department may, in its discretion,  
20 approve a transfer of risk in excess of the limits in  
21 paragraph (b) upon presentation of evidence, satisfactory to  
22 the office department, that the transfer would be in the best  
23 interests of the financial condition of the insurer and in the  
24 best interests of the policyholders.

25 (5) No insurer shall be authorized to transact  
26 insurance in this state which, during the 3 years immediately  
27 preceding its application for a certificate of authority, has  
28 violated any of the insurance laws of this state and after  
29 being informed of such violation has failed to correct the  
30 same; except that, if all other requirements are met, the  
31 office department may nevertheless issue a certificate of

1 authority to such an insurer upon the filing by the insurer of  
2 a sworn statement of all such insurance so written in  
3 violation of law, and upon payment to the office ~~department~~ of  
4 a sum of money as additional filing fee equivalent to all  
5 premium taxes and other state taxes and fees as would have  
6 been payable by the insurer if such insurance had been  
7 lawfully written by an authorized insurer under the laws of  
8 this state. This fee, when collected, shall be deposited to  
9 the credit of the Insurance ~~Commissioner's~~ Regulatory Trust  
10 Fund.

11 (7) For the purpose of satisfying the requirements of  
12 ss. 624.407 and 624.408, the investment portfolio of an  
13 insurer applying for an initial certificate of authority to do  
14 business in this state shall value its bonds and stocks in  
15 accordance with the provisions of the latest edition of the  
16 publication "Purposes and Procedures Manual of the NAIC  
17 Securities Valuation Office" ~~"Valuations of Securities"~~ by the  
18 National Association of Insurance Commissioners, July 1, 2002  
19 ~~1990~~, and subsequent amendments thereto, if the valuation  
20 methodology remains substantially unchanged.

21 Section 783. Subsection (1) of section 624.4072,  
22 Florida Statutes, is amended to read:

23 624.4072 Minority-owned property and casualty  
24 insurers; limited exemption for taxation and assessments.--

25 (1) A minority business that is at least 51 percent  
26 owned by minority persons, as defined in s. 288.703(3),  
27 initially issued a certificate of authority in this state as  
28 an authorized insurer after May 1, 1998, and before January 1,  
29 2002, to write property and casualty insurance shall be  
30 exempt, for a period not to exceed 10 years from the date of  
31

1 receiving its certificate of authority, from the following  
2 taxes and assessments:

3 (a) Taxes imposed under ss. 175.101, 185.08, and  
4 624.509;

5 (b) Assessments by the Citizens Property Insurance  
6 Corporation ~~Florida Residential Property and Casualty Joint~~  
7 ~~Underwriting Association~~ or by the ~~Florida Windstorm~~  
8 ~~Underwriting Association~~, as provided under ~~s. 627.351~~, except  
9 for emergency assessments collected from policyholders  
10 pursuant to s. 627.351(6)(b)3.d. ~~s. 627.351(2)(b)2.d.(III) and~~  
11 ~~(6)(b)3.d.~~ Any such insurer shall be a member insurer of the  
12 Citizens Property Insurance Corporation ~~Florida Windstorm~~  
13 ~~Underwriting Association~~ and the ~~Florida Residential Property~~  
14 ~~and Casualty Joint Underwriting Association~~. The premiums of  
15 such insurer shall be included in determining, for the  
16 Citizens Property Insurance Corporation ~~Florida Windstorm~~  
17 ~~Underwriting Association~~, the aggregate statewide direct  
18 ~~written premium for property insurance and in determining, for~~  
19 ~~the Florida Residential Property and Casualty Joint~~  
20 ~~Underwriting Association~~, the aggregate statewide direct  
21 written premium for the subject lines of business for all  
22 member insurers.

23 Section 784. Section 624.4085, Florida Statutes, is  
24 amended to read:

16           (g)(h) "Life and health insurer" means any insurer  
17 authorized or eligible under the Florida Insurance Code to  
18 underwrite life or health insurance. The term includes a  
19 property and casualty insurer that writes accident and health  
20 insurance only.  
21           (h)(i) "Mandatory control level risk-based capital"  
22 means the product of 0.70 and the authorized control level  
23 risk-based capital.  
24           (i)(j) "Negative trend" means, with respect to a life  
25 and health insurer, a negative trend over a period of time, as  
26 determined in accordance with the trend test calculation  
27 included in the risk-based capital instructions.  
28           (j)(k) "Property and casualty insurer" means any  
29 insurer licensed under the Florida Insurance Code, but does  
30 not include a single-line mortgage guaranty insurer, financial

3 (k)~~(l)~~ "Regulatory action level risk-based capital"

19 financial plan specified in paragraph (4)(b).

20 (p)~~(q)~~ "Risk-based capital report" means the report  
21 required in subsection (2).

22 (q)~~(r)~~ "Total adjusted capital" means the sum of:

- 23 1. An insurer's statutory capital and surplus; and  
24 2. Any other item required by the risk-based capital  
25 instructions.

26 (2)(a) Each domestic insurer that is subject to this  
27 section shall, on or before March 1 of each year, prepare and  
28 file with the National Association of Insurance Commissioners  
29 a report of its risk-based capital levels as of the end of the  
30 calendar year just ended, in a form and containing the  
31 information required in the risk-based capital instructions.

1 In addition, each domestic insurer shall file a printed copy  
2 of its risk-based capital report:  
3 1. With the office ~~department~~ on or before March 1 of  
4 each year.  
5 2. With the insurance department in any other state in  
6 which the insurer is authorized to do business, if that  
7 department has notified the insurer of its request in writing,  
8 in which case the insurer shall file its risk-based capital  
9 report not later than the later of:  
10 a. Fifteen days after the receipt of notice to file  
11 its risk-based capital report with that state; or  
12 b. March 1.  
13 (b) The comparison of an insurer's total adjusted  
14 capital to any of its risk-based capital levels is a  
15 regulatory tool that may indicate the need for possible  
16 corrective action with respect to the insurer, and may not be  
17 used as a means to rank insurers generally. Therefore, except  
18 as otherwise required under this section, the making,  
19 publishing, disseminating, circulating, or placing before the  
20 public, or causing, directly or indirectly, to be made,  
21 published, disseminated, circulated, or placed before the  
22 public, in a newspaper, magazine, or other publication, or in  
23 the form of a notice, circular, pamphlet, letter, or poster,  
24 or over any radio or television station, or in any other way,  
25 an advertisement, announcement, or statement containing an  
26 assertion, representation, or statement with regard to the  
27 risk-based capital levels of any insurer, or of any component  
28 derived in the calculation, by any insurer, agent, broker, or  
29 other person engaged in any manner in the insurance business  
30 would be misleading and is therefore prohibited; however, if  
31 any materially false statement with respect to the comparison

1 regarding an insurer's total adjusted capital to its  
2 risk-based capital levels (or any of them) or an inappropriate  
3 comparison of any other amount to the insurer's risk-based  
4 capital levels is published in any written publication and the  
5 insurer is able to demonstrate to the office ~~commissioner~~ with  
6 substantial proof the falsity or inappropriateness of the  
7 statement, the insurer may publish in a written publication an  
8 announcement the sole purpose of which is to rebut the  
9 materially false statement.

10 (c) The office ~~department~~ shall use the risk-based  
11 capital instructions, risk-based capital reports, adjusted  
12 risk-based capital reports, risk-based capital plans, and  
13 revised risk-based capital plans solely for monitoring the  
14 solvency of insurers and assessing the need for corrective  
15 action with respect to insurers. The office ~~department~~ may not  
16 use that information for ratemaking, as evidence in any rate  
17 proceeding, or for calculating or deriving any elements of an  
18 appropriate premium level or rate of return for any line of  
19 insurance which an insurer or an affiliate of such insurer is  
20 authorized to write.

21 (d) A life and health insurer's risk-based capital is  
22 determined in accordance with the formula set forth in the  
23 risk-based capital instructions. The formula takes into  
24 account and may adjust for the covariance between:

- 25 1. The risk with respect to the insurer's assets;
- 26 2. The risk of adverse insurance experience with  
27 respect to the insurer's liabilities and obligations;
- 28 3. The interest rate risk with respect to the  
29 insurer's business; and
- 30 4. Any other business or other relevant risk set out  
31 in the risk-based capital instructions,

1  
2 determined in each case by applying the factors in the manner  
3 set forth in the risk-based capital instructions.

4 (e) A property and casualty insurer's risk-based  
5 capital is determined in accordance with the formula set forth  
6 in the risk-based capital instructions. The formula takes into  
7 account and may adjust for the covariance between:

- 8 1. The asset risk;
- 9 2. The credit risk;
- 10 3. The underwriting risk; and
- 11 4. Any other business or other relevant risk set out  
12 in the risk-based capital instructions,

13  
14 determined in each case by applying the factors in the manner  
15 set forth in the risk-based capital instructions.

16 (f) The Legislature finds that an excess of capital  
17 over the amount produced by the risk-based capital  
18 requirements and the formulas, schedules, and instructions  
19 specified in this section is a desirable goal with respect to  
20 the business of insurance. Accordingly, insurers should seek  
21 to maintain capital above the risk-based capital levels  
22 required by this section. Additional capital is used and  
23 useful in the insurance business and helps to secure an  
24 insurer against various risks inherent in, or affecting, the  
25 business of insurance and not accounted for or only partially  
26 measured by the risk-based capital requirements contained in  
27 this section.

28 (g) If a domestic insurer files a risk-based capital  
29 report that the office ~~department~~ finds is inaccurate, the  
30 office ~~department~~ shall adjust the risk-based capital report  
31 to correct the inaccuracy and shall notify the insurer of the

1 adjustment. The notice must state the reason for the  
2 adjustment. A risk-based capital report that is so adjusted  
3 is referred to as the adjusted risk-based capital report. The  
4 adjusted risk-based capital report must also be filed by the  
5 insurer with the National Association of Insurance  
6 Commissioners.

7 (3)(a) A company action level event includes:

8 1. The filing of a risk-based capital report by an  
9 insurer which indicates that:

10 a. The insurer's total adjusted capital is greater  
11 than or equal to its regulatory action level risk-based  
12 capital but less than its company action level risk-based  
13 capital; or

14 b. If a life and health insurer, the insurer has total  
15 adjusted capital that is greater than or equal to its company  
16 action level risk-based capital, but is less than the product  
17 of its authorized control level risk-based capital and 2.5,  
18 and has a negative trend;

19 2. The notification by the office ~~department~~ to the  
20 insurer of an adjusted risk-based capital report that  
21 indicates an event in subparagraph 1., unless the insurer  
22 challenges the adjusted risk-based capital report under  
23 subsection (7); or

24 3. If, under subsection (7), an insurer challenges an  
25 adjusted risk-based capital report that indicates an event in  
26 subparagraph 1., the notification by the office ~~department~~ to  
27 the insurer that the office ~~department~~ has, after a hearing,  
28 rejected the insurer's challenge.

29 (b) If a company action level event occurs, the  
30 insurer shall prepare and submit to the office ~~department~~ a  
31 risk-based capital plan, which must:

- 1           1. Identify the conditions that contribute to the  
2 company action level event;
- 3           2. Contain proposals of corrective actions that the  
4 insurer intends to take and that are reasonably expected to  
5 result in the elimination of the company action level event;
- 6           3. Provide projections of the insurer's financial  
7 results in the current year and at least the 4 succeeding  
8 years, both in the absence of proposed corrective actions and  
9 giving effect to the proposed corrective actions, including  
10 projections of statutory operating income, net income,  
11 capital, and surplus. The projections for both new and renewal  
12 business may include separate projections for each major line  
13 of business and, if separate projections are provided, must  
14 separately identify each significant income, expense, and  
15 benefit component;
- 16           4. Identify the key assumptions affecting the  
17 insurer's projections and the sensitivity of the projections  
18 to the assumptions; and
- 19           5. Identify the quality of, and problems associated  
20 with, the insurer's business, including, but not limited to,  
21 its assets, anticipated business growth and associated surplus  
22 strain, extraordinary exposure to risk, mix of business, and  
23 any use of reinsurance.
- 24           (c) The risk-based capital plan must be submitted:
- 25           1. Within 45 days after the company action level  
26 event; or
- 27           2. If the insurer challenges an adjusted risk-based  
28 capital report under subsection (7), within 45 days after  
29 notification to the insurer that the office ~~department~~ has,  
30 after a hearing, rejected the insurer's challenge.
- 31

1           (d) Within 60 days after the submission by an insurer  
2 of a risk-based capital plan to the office department, the  
3 ~~office department~~ shall notify the insurer whether the  
4 risk-based capital plan must be implemented or is, in the  
5 judgment of the office department, unsatisfactory. If the  
6 ~~office department~~ determines that the risk-based capital plan  
7 is unsatisfactory, the notification to the insurer must set  
8 forth the reasons for the determination and may set forth  
9 proposed revisions. Upon notification from the office  
10 ~~department~~, the insurer shall prepare a revised risk-based  
11 capital plan, which may incorporate by reference any revisions  
12 proposed by the office department, and shall submit the  
13 revised risk-based capital plan to the office department:

14           1. Within 45 days after the notification from the  
15 office department; or

16           2. If the insurer challenges the notification from the  
17 ~~office department~~ under subsection (7), within 45 days after a  
18 notification to the insurer that the office department has,  
19 after a hearing, rejected the insurer's challenge.

20           (e) If the office department notifies an insurer that  
21 the insurer's risk-based capital plan or revised risk-based  
22 capital plan is unsatisfactory, the office department may, at  
23 its discretion and subject to the insurer's right to a hearing  
24 under subsection (7), specify in the notification that the  
25 notification is a regulatory action level event.

26           (f) Each domestic insurer that files a risk-based  
27 capital plan or a revised risk-based capital plan with the  
28 office department shall file a copy of the risk-based capital  
29 plan or the revised risk-based capital plan with the insurance  
30 department in any other state in which the insurer is  
31 authorized to do business if:

1           1. That state has a risk-based capital law that is  
2 substantially similar to paragraph (8)(a); and

3           2. The insurance department of that state has notified  
4 the insurer of its request for the filing in writing, in which  
5 case the insurer shall file a copy of the risk-based capital  
6 plan or the revised risk-based capital plan in that state no  
7 later than the later of:

8           a. Fifteen days after the receipt of notice to file a  
9 copy of its risk-based capital plan or revised risk-based  
10 capital plan with the state; or

11           b. The date on which the risk-based capital plan or  
12 the revised risk-based capital plan is filed under paragraph  
13 (c) or paragraph (d).

14           (4)(a) A regulatory action level event includes:

15           1. The filing of a risk-based capital report by the  
16 insurer which indicates that the insurer's total adjusted  
17 capital is greater than or equal to its authorized control  
18 level risk-based capital but is less than its regulatory  
19 action level risk-based capital;

20           2. The notification by the office ~~department~~ to the  
21 insurer of an adjusted risk-based capital report that  
22 indicates the event described in subparagraph 1., unless the  
23 insurer challenges the adjusted risk-based capital report  
24 under subsection (7);

25           3. If, under subsection (7), the insurer challenges an  
26 adjusted risk-based capital report that indicates the event  
27 described in subparagraph 1., the notification by the office  
28 ~~department~~ to the insurer that the office ~~department~~ has,  
29 after a hearing, rejected the insurer's challenge;

30           4. The failure of the insurer to file a risk-based  
31 capital report by the filing date, unless the insurer provides

1 an explanation for such failure which is satisfactory to the  
2 office ~~department~~ and cures the failure within 10 days after  
3 the filing date;

4 5. The failure of the insurer to submit a risk-based  
5 capital plan to the office ~~department~~ within the time period  
6 set forth in paragraph (3)(c);

7 6. Notification by the office ~~department~~ to the  
8 insurer that:

9 a. The risk-based capital plan or the revised  
10 risk-based capital plan submitted by the insurer is, in the  
11 judgment of the office ~~department~~, unsatisfactory; and

12 b. This notification constitutes a regulatory action  
13 level event with respect to the insurer, unless the insurer  
14 challenges the determination under subsection (7);

15 7. If, under subsection (7), the insurer challenges a  
16 determination by the office ~~department~~ under subparagraph 6.,  
17 the notification by the office ~~department~~ to the insurer that  
18 the office ~~department~~ has, after a hearing, rejected the  
19 challenge;

20 8. Notification by the office ~~department~~ to the  
21 insurer that the insurer has failed to adhere to its  
22 risk-based capital plan or revised risk-based capital plan,  
23 but only if this failure has a substantial adverse effect on  
24 the ability of the insurer to eliminate the company action  
25 level event in accordance with its risk-based capital plan or  
26 revised risk-based capital plan and the office ~~department~~ has  
27 so stated in the notification, unless the insurer challenges  
28 the determination under subsection (7); or

29 9. If, under subsection (7), the insurer challenges a  
30 determination by the office ~~department~~ under subparagraph 8.,  
31 the notification by the office ~~department~~ to the insurer that

1 the office ~~department~~ has, after a hearing, rejected the  
2 challenge.

3 (b) If a regulatory action level event occurs, the  
4 office ~~department~~ shall:

5 1. Require the insurer to prepare and submit a  
6 risk-based capital plan or, if applicable, a revised  
7 risk-based capital plan;

8 2. Perform an examination pursuant to s. 624.316 or an  
9 analysis, as the office ~~department~~ considers necessary, of the  
10 assets, liabilities, and operations of the insurer, including  
11 a review of the risk-based capital plan or the revised  
12 risk-based capital plan; and

13 3. After the examination or analysis, issue a  
14 corrective order specifying such corrective actions as the  
15 office ~~department~~ determines are required.

16 (c) In determining corrective actions, the office  
17 ~~department~~ shall consider any factor relevant to the insurer  
18 based upon the office's ~~department's~~ examination or analysis  
19 of the assets, liabilities, and operations of the insurer,  
20 including, but not limited to, the results of any sensitivity  
21 tests undertaken as provided in the risk-based capital  
22 instructions. The risk-based capital plan or the revised  
23 risk-based capital plan must be submitted:

24 1. Within 45 days after the occurrence of the  
25 regulatory action level event;

26 2. If the insurer challenges an adjusted risk-based  
27 capital report under subsection (7), within 45 days after the  
28 notification to the insurer that the office ~~department~~ has,  
29 after a hearing, rejected the insurer's challenge; or

30 3. If the insurer challenges a revised risk-based  
31 capital plan under subsection (7), within 45 days after the

1 notification to the insurer that the office ~~department~~ has,  
2 after a hearing, rejected the insurer's challenge.

3 (d) The office ~~department~~ may retain actuaries,  
4 investment experts, and other consultants to review an  
5 insurer's risk-based capital plan or revised risk-based  
6 capital plan, examine or analyze the assets, liabilities, and  
7 operations of an insurer, and formulate the corrective order  
8 with respect to the insurer. The fees, costs, and expenses  
9 relating to consultants must be borne by the affected insurer  
10 or by any other party as directed by the office ~~department~~.

11 (5)(a) An authorized control level event includes:

12 1. The filing of a risk-based capital report by the  
13 insurer which indicates that the insurer's total adjusted  
14 capital is greater than or equal to its mandatory control  
15 level risk-based capital but is less than its authorized  
16 control level risk-based capital;

17 2. The notification by the office ~~department~~ to the  
18 insurer of an adjusted risk-based capital report that  
19 indicates the event in subparagraph 1., unless the insurer  
20 challenges the adjusted risk-based capital report under  
21 subsection (7);

22 3. If, under subsection (7), the insurer challenges an  
23 adjusted risk-based capital report that indicates the event in  
24 subparagraph 1., notification by the office ~~department~~ to the  
25 insurer that the office ~~department~~ has, after a hearing,  
26 rejected the insurer's challenge;

27 4. The failure of the insurer to respond, in a manner  
28 satisfactory to the office ~~department~~, to a corrective order,  
29 unless the insurer challenges the corrective order under  
30 subsection (7); or

31

1           5. If the insurer challenges a corrective order under  
2 subsection (7) and the office ~~department~~ has, after a hearing,  
3 rejected the challenge or modified the corrective order, the  
4 failure of the insurer to respond, in a manner satisfactory to  
5 the office ~~department~~, to the corrective order after rejection  
6 or modification by the office ~~department~~.

7           (b) If an authorized control level event occurs, the  
8 office ~~department~~ shall:

9           1. Take any action required under subsection (4)  
10 regarding the insurer with respect to which a regulatory  
11 action level event has occurred; or

12           2. If the office ~~department~~ considers it to be in the  
13 best interests of the policyholders and creditors of the  
14 insurer and of the public, take any action as necessary to  
15 cause the insurer to be placed under regulatory control under  
16 chapter 631. An authorized control level event is sufficient  
17 ground for the department to be appointed as receiver as  
18 provided in chapter 631.

19           (6)(a) A mandatory control level event includes:

20           1. The filing of a risk-based capital report that  
21 indicates that the insurer's total adjusted capital is less  
22 than its mandatory control level risk-based capital;

23           2. Notification by the office ~~department~~ to the  
24 insurer of an adjusted risk-based capital report that  
25 indicates the event in subparagraph 1., unless the insurer  
26 challenges the adjusted risk-based capital report under  
27 subsection (7); or

28           3. If, under subsection (7), the insurer challenges an  
29 adjusted risk-based capital report that indicates the event in  
30 subparagraph 1., notification by the office ~~department~~ to the  
31

1 insurer that the office ~~department~~ has, after a hearing,  
2 rejected the insurer's challenge.

3 (b) If a mandatory control level event occurs:

4 1. With respect to a life and health insurer, the  
5 office ~~department~~ shall, after due consideration of s.  
6 624.408, take any action necessary to place the insurer under  
7 regulatory control, including any remedy available under  
8 chapter 631. A mandatory control level event is sufficient  
9 ground for the department to be appointed as receiver as  
10 provided in chapter 631. The office ~~department~~ may forego  
11 taking action for up to 90 days after the mandatory control  
12 level event if the office ~~department~~ finds there is a  
13 reasonable expectation that the mandatory control level event  
14 may be eliminated within the 90-day period.

15 2. With respect to a property and casualty insurer,  
16 the office ~~department~~ shall, after due consideration of s.  
17 624.408, take any action necessary to place the insurer under  
18 regulatory control, including any remedy available under  
19 chapter 631, or, in the case of an insurer that is not writing  
20 new business, may allow the insurer to continue to operate  
21 under the supervision of the office ~~department~~. In either  
22 case, the mandatory control level event is sufficient ground  
23 for the department to be appointed as receiver as provided in  
24 chapter 631. The office ~~department~~ may forego taking action  
25 for up to 90 days after the mandatory control level event if  
26 the office ~~department~~ finds there is a reasonable expectation  
27 that the mandatory control level event will be eliminated  
28 within the 90-day period.

29 (7)(a) An insurer has a right to a hearing before the  
30 office ~~department~~ upon:

31

1           1. Notification to an insurer by the office ~~department~~  
2 of an adjusted risk-based capital report;

3           2. Notification to an insurer by the office ~~department~~  
4 that the insurer's risk-based capital plan or revised  
5 risk-based capital plan is unsatisfactory, and that the  
6 notification constitutes a regulatory action level event with  
7 respect to such insurer;

8           3. Notification to any insurer by the office  
9 ~~department~~ that the insurer has failed to adhere to its  
10 risk-based capital plan or revised risk-based capital plan and  
11 that the failure has a substantial adverse effect on the  
12 ability of the insurer to eliminate the company action level  
13 event in accordance with its risk-based capital plan or its  
14 revised risk-based capital plan; or

15           4. Notification to an insurer by the office ~~department~~  
16 of a corrective order with respect to the insurer.

17           (b) At such hearing the insurer may challenge any  
18 determination or action by the office ~~department~~. The insurer  
19 shall notify the office ~~department~~ of its request for a  
20 hearing within 5 days after receipt of the notification by the  
21 office ~~department~~ under this subsection. Upon receipt of the  
22 request for a hearing, the office ~~department~~ shall set a date  
23 for the hearing, which date must be no fewer than 10 nor more  
24 than 30 days after the date the office ~~department~~ receives the  
25 insurer's request. The hearing must be conducted as provided  
26 in s. 624.324, with the right to appellate review under s.  
27 120.68.

28           (8)(a) Any foreign insurer shall, upon the written  
29 request of the office ~~department~~, submit to the office  
30 ~~department~~ a risk-based capital report, as of the end of the  
31 calendar year just ended, no later than the later of:

1           1. The date a risk-based capital report is required to  
2 be filed by a domestic insurer under this section; or

3           2. Fifteen days after the request is received by the  
4 foreign insurer.

5           (b) Any foreign insurer shall, upon the written  
6 request of the office ~~department~~, promptly submit to the  
7 office ~~department~~ a copy of any risk-based capital plan that  
8 is filed with the insurance department of another state.

9           (c) The office ~~department~~ may require a foreign  
10 insurer to file a risk-based capital plan if:

11           1. A company action level event, regulatory action  
12 level event, or authorized control level event occurs with  
13 respect to any foreign insurer as determined under the  
14 risk-based capital law of the state of domicile of the  
15 insurer, or, if there is no risk-based capital law in that  
16 state, under this section.

17           2. The insurance department of the state of domicile  
18 of the foreign insurer fails to require the foreign insurer to  
19 file a risk-based capital plan in the manner specified under  
20 the risk-based capital law of that state, or, if there is no  
21 risk-based capital law in that state, under subsection (3).

22  
23 The failure of the foreign insurer to file a risk-based  
24 capital plan with the office ~~department~~ when required under  
25 this paragraph is a ground for the office ~~department~~ to take  
26 any action under s. 624.418 which it determines is necessary.

27           (d) If a mandatory control level event occurs with  
28 respect to any foreign insurer and a domiciliary receiver has  
29 not been appointed with respect to the foreign insurer under  
30 the rehabilitation and liquidation law of the state of  
31 domicile of the foreign insurer, the office ~~department~~ may

1 apply to the Circuit Court of Leon County and such event  
2 constitutes grounds for the department to be appointed as  
3 receiver as provided in chapter 631 with respect to the  
4 liquidation of property of foreign insurers found in this  
5 state. The occurrence of a mandatory control level event is a  
6 ground for such application.

7 (9) There shall be no liability on the part of, and no  
8 cause of action shall arise against, the commission,  
9 ~~commissioner, the department, or office, or their~~ its  
10 employees or agents, for any action taken by them in the  
11 performance of their powers and duties under this section.

12 (10) The office ~~department~~ shall transmit any notice  
13 that may result in regulatory action by registered mail,  
14 certified mail, or any other method of transmission. Notice  
15 is effective when the insurer receives it.

16 ~~(11) For the purposes of the risk-based capital~~  
17 ~~reports required to be filed by life and health insurers with~~  
18 ~~respect to their 1997 annual statement data and the risk-based~~  
19 ~~capital reports required to be filed by property and casualty~~  
20 ~~insurers with respect to their 1997 annual statement data, the~~  
21 ~~following requirements apply in lieu of the provisions of~~  
22 ~~subsections (3), (4), (5), and (6):~~

23 ~~(a) If a company action level event occurs with~~  
24 ~~respect to a domestic insurer, the department may not take any~~  
25 ~~regulatory action.~~

26 ~~(b) If a regulatory action level event occurs under~~  
27 ~~subparagraph (4)(a)1., 2., or 3., the department shall take~~  
28 ~~the actions required under subsection (3).~~

29 ~~(c) If a regulatory action level event occurs under~~  
30 ~~subparagraph (4)(a)4., 5., 6., 7., 8., or 9., or an authorized~~  
31

1 ~~control level event occurs, the department shall take the~~  
2 ~~actions required under subsection (4).~~

3 ~~(d) If a mandatory control level event occurs with~~  
4 ~~respect to an insurer, the department shall take the actions~~  
5 ~~required under subsection (5).~~

6 (11)~~(12)~~ This section is supplemental to the other  
7 laws of this state and does not preclude or limit any power or  
8 duty of the department or office under those laws or under the  
9 rules adopted under those laws.

10 (12)~~(13)~~ This section does not apply to a domestic  
11 property and casualty insurer that meets all of the following  
12 conditions:

13 (a) Writes direct business only in this state;

14 (b) Writes direct annual premiums of \$2 million or  
15 less; and

16 (c) Assumes no reinsurance in excess of 5 percent of  
17 direct premiums written.

18 (13)~~(14)~~ The commission ~~department~~ may adopt rules to  
19 administer this section, including, but not limited to, those  
20 regarding risk-based capital reports, adjusted risk-based  
21 capital reports, risk-based capital plans, corrective orders  
22 and procedures to be followed in the event of a triggering of  
23 a company action level event, a regulatory action level event,  
24 an authorized control level event, or a mandatory control  
25 level event.

26 Section 785. Subsections (1) and (2) of section  
27 624.40851, Florida Statutes, are amended to read:

28 624.40851 Confidentiality of risk-based capital  
29 information.--

30 (1) The initial risk-based capital report and any  
31 adjusted risk-based capital report; any risk-based capital

1 plan and any revised risk-based capital plan; and working  
2 papers and reports of examination or analysis of an insurer  
3 performed pursuant to a plan or corrective order, or  
4 regulatory action level event, with respect to any domestic  
5 insurer or foreign insurer, held by the office ~~Department of~~  
6 ~~Insurance~~, and transcripts of hearings made as required by  
7 this section, are confidential and exempt from s. 119.07(1)  
8 and s. 24(a), Art. I of the State Constitution.

9 (2) Hearings conducted pursuant to s. 624.4085  
10 relating to the office's ~~department's~~ actions regarding any  
11 insurer's risk-based capital plan, revised risk-based capital  
12 plan, risk-based capital report, or adjusted risk-based  
13 capital report, are exempt from s. 286.011 and s. 24(b), Art.  
14 I of the State Constitution, except as otherwise provided in  
15 this section. Such hearings shall be recorded by a court  
16 reporter. The office ~~Department of Insurance~~ shall open such  
17 hearings or provide a copy of the transcript of such hearings  
18 or information otherwise made confidential and exempt pursuant  
19 to this section to a department, agency, or instrumentality of  
20 this or another state or of the United States if the office  
21 ~~department~~ determines the disclosure is necessary or proper  
22 for the enforcement of the laws of the United States or of  
23 this or another state.

24 Section 786. Section 624.4094, Florida Statutes, is  
25 amended to read:

26 624.4094 Bail bond premiums.--

27 (1) The Legislature finds that a significant portion  
28 of bail bond premiums is retained by the licensed bail bond  
29 agents or licensed managing general agents. For purposes of  
30 reporting in financial statements required to be filed with  
31 the office ~~department~~ pursuant to s. 624.424, direct written

1 premiums for bail bonds by a domestic insurer in this state  
2 shall be reported net of any amounts retained by licensed bail  
3 bond agents or licensed managing general agents. However, in  
4 no case shall the direct written premiums for bail bonds be  
5 less than 6.5 percent of the total consideration received by  
6 the agent for all bail bonds written by the agent. This  
7 subsection also applies to any determination of compliance  
8 with s. 624.4095.

9 (2) Premiums assumed by a domestic insurer shall be

13 complete and accurate records of the total consideration paid  
14 for all bail bonds written by such insurer.

15 (4) Each domestic bail bond insurer shall disclose the

17 in the insurer's annual statement filed with the office  
18 ~~department~~.

19 (a) The gross bail bond premiums written in each state

29 (5) This section does not affect the reporting or  
30 payment of insurance premium taxes under ss. 624.509,  
31 624.5091, and 624.5092, and the insurance premium tax and

1 related excise taxes shall continue to be calculated using  
2 gross bail bond premiums.

3 Section 787. Subsection (1) of section 624.4095,  
4 Florida Statutes, is amended to read:

5 624.4095 Premiums written; restrictions.--

6 (1) Whenever an insurer's ratio of actual or projected  
7 annual written premiums as adjusted in accordance with  
8 subsection (4) to current or projected surplus as to  
9 policyholders as adjusted in accordance with subsection (6)  
10 ~~(5)~~ exceeds 10 to 1 for gross written premiums or exceeds 4 to  
11 1 for net written premiums, the office ~~department~~ shall  
12 suspend the insurer's certificate of authority or establish by  
13 order maximum gross or net annual premiums to be written by  
14 the insurer consistent with maintaining the ratios specified  
15 herein unless the insurer demonstrates to the office's  
16 ~~department's~~ satisfaction that exceeding the ratios of this  
17 section does not endanger the financial condition of the  
18 insurer or endanger the interests of the insurer's  
19 policyholders.

20 Section 788. Section 624.410, Florida Statutes, is  
21 amended to read:

22 624.410 Permissible insuring combinations without  
23 additional capital funds.--A property insurer may include such  
24 amount and kind of insurance against legal liability for

18 the amount provided in s. 624.501(1)(b). Otherwise, the  
19 insurer shall be granted another certificate of authority only  
20 after filing application therefor and meeting all other

10 against it in this state within 60 days after the judgment

13 originally granted.

14           (2) The office ~~department~~ may, in its discretion,

2 insured to secure full payment or settlement of such claims.

3 (d) Is affiliated with and under the same general

12 to whether adjudication was withheld.

13 (f) Has a ratio of net premiums written to surplus as  
14 to policyholders that exceeds 4 to 1, and the office

19 basis. The ratio shall be based on the insurer's current

25 (g) Is under suspension or revocation in another

31

1 hearing immediately suspend the certificate of authority of an  
2 insurer upon a determination that:

- 3 (a) The insurer is impaired or insolvent; or  
4 (b) Receivership, conservatorship, rehabilitation, or  
5 other delinquency proceedings have been initiated against the

3 and pay all license fees and taxes as required under this code  
4 as if the certificate had continued in full force.

5           (3) If the suspension of the certificate of authority  
6 is for a fixed period of time and the certificate of authority  
7 has not been otherwise terminated, upon expiration of the  
8 suspension period the insurer's certificate of authority shall  
9 be reinstated unless the office ~~department~~ finds that the  
10 insurer is not in compliance with the requirements of this  
11 code. The office ~~department~~ shall promptly notify the insurer  
12 of such reinstatement, and the insurer shall not consider its  
13 certificate of authority reinstated until so notified by the  
14 office ~~department~~. If not reinstated, the certificate of  
15 authority shall be deemed to have expired as of the end of the  
16 suspension period or upon failure of the insurer to continue  
17 the certificate during the suspension period in accordance  
18 with subsection (2), whichever event first occurs.

19           (4) If the suspension of the certificate of authority  
20 was until the occurrence of a specific event or events and the  
21 certificate of authority has not been otherwise terminated,  
22 upon the presentation of evidence satisfactory to the office  
23 ~~department~~ that the specific event or events have occurred,

27 code. The office ~~department~~ shall promptly notify the insurer  
28 of such reinstatement, and the insurer shall not consider its

30 office ~~department~~. If satisfactory evidence as to the

1 presented to the office ~~department~~ within 2 years of the date  
2 of such suspension, the certificate of authority shall be  
3 deemed to have expired as of 2 years from the date of  
4 suspension or upon failure of the insurer to continue the  
5 certificate during the suspension period in accordance with  
6 subsection (2), whichever first occurs.

7 (5) Upon reinstatement of the insurer's certificate of  
8 authority, the authority of its agents in this state to  
9 represent the insurer shall likewise reinstate. The office  
10 ~~department~~ shall promptly notify the insurer of such  
11 reinstatement.

25 \$20,000 for each such violation. In no event shall such fine  
26 exceed an aggregate amount of \$100,000 for all knowing and  
27 willful violations arising out of the same action. In  
28 addition to such fines, such insurer shall make restitution  
29 when due in accordance with the provisions of subsection (2).

30 (4) The failure of an insurer to make restitution when  
31 due as required under this section constitutes a willful

1 violation of this code. However, if an insurer in good faith  
2 is uncertain as to whether any restitution is due or as to the  
3 amount of such restitution, it shall promptly notify the  
4 office ~~department~~ of the circumstances; and the failure to  
5 make restitution pending a determination thereof shall not  
6 constitute a violation of this code.

24 office ~~department~~ may designate all or part of the information  
25 contained in the financial statement in a computer-readable  
26 form compatible with the electronic data processing system  
27 specified by the office ~~department~~.

28           (b) Each insurer's annual statement must contain a  
29 statement of opinion on loss and loss adjustment expense  
30 reserves made by a member of the American Academy of Actuaries  
31 or by a qualified loss reserve specialist, under criteria

1 established by rule of the commission ~~department~~. In adopting  
2 the rule, the commission ~~department~~ must consider any criteria  
3 established by the National Association of Insurance  
4 Commissioners. The office ~~department~~ may require semiannual  
5 updates of the annual statement of opinion as to a particular  
6 insurer if the office ~~department~~ has reasonable cause to  
7 believe that such reserves are understated to the extent of  
8 materially misstating the financial position of the insurer.  
9 Workpapers in support of the statement of opinion must be  
10 provided to the office ~~department~~ upon request. This paragraph  
11 does not apply to life insurance or title insurance.

12 (c) The commission ~~department~~ may by rule require  
13 reports or filings required under the insurance code to be  
14 submitted by electronic means in a computer-readable form ~~on a~~  
15 ~~computer-diskette~~ compatible with the electronic data  
16 processing equipment specified by the commission ~~department~~.

17 (2) The statement of an alien insurer shall be  
18 verified by the insurer's United States manager or other  
19 officer duly authorized. It shall be a separate statement, to  
20 be known as its general statement, of its transactions,  
21 assets, and affairs within the United States unless the office  
22 ~~department~~ requires otherwise. If the office ~~department~~  
23 requires a statement as to the insurer's affairs elsewhere,  
24 the insurer shall file such statement with the office  
25 ~~department~~ as soon as reasonably possible.

26 (3) Each insurer having a deposit as required under s.  
27 624.411 shall file with the office ~~department~~ annually with  
28 its annual statement a certificate to the effect that the  
29 assets so deposited have a market value equal to or in excess  
30 of the amount of deposit so required.

31

1           (4) At the time of filing, the insurer shall pay the  
2 fee for filing its annual statement in the amount specified in  
3 s. 624.501.

4           (5) The office ~~department~~ may refuse to continue, or  
5 may suspend or revoke, the certificate of authority of an  
6 insurer failing to file its annual or quarterly statements and  
7 accompanying certificates when due.

8           (6) In addition to information called for and  
9 furnished in connection with its annual or quarterly  
10 statements, an insurer shall furnish to the office ~~department~~  
11 as soon as reasonably possible such information as to its  
12 transactions or affairs as the office ~~department~~ may from time  
13 to time request in writing. All such information furnished  
14 pursuant to the office's ~~department's~~ request shall be  
15 verified by the oath of two executive officers of the insurer  
16 or, if a reciprocal insurer, by the oath of the attorney in  
17 fact or its like officers if a corporation.

18           (7) The signatures of all such persons when written on  
19 annual or quarterly statements or other reports required by  
20 this section shall be presumed to have been so written by  
21 authority of the person whose signature is affixed thereon.  
22 The affixing of any signature by anyone other than the  
23 purported signer constitutes a felony of the second degree,  
24 punishable as provided in s. 775.082, s. 775.083, or s.  
25 775.084.

26           (8)(a) All authorized insurers must have conducted an  
27 annual audit by an independent certified public accountant and  
28 must file an audited financial report with the office  
29 ~~department~~ on or before June 1 for the preceding year ending  
30 December 31. The office ~~department~~ may require an insurer to  
31 file an audited financial report earlier than June 1 upon 90

1 days' advance notice to the insurer. The office ~~department~~  
2 may immediately suspend an insurer's certificate of authority  
3 by order if an insurer's failure to file required reports,  
4 financial statements, or information required by this  
5 subsection or rule adopted pursuant thereto creates a  
6 significant uncertainty as to the insurer's continuing  
7 eligibility for a certificate of authority.

8 (b) Any authorized insurer otherwise subject to this  
9 section having direct premiums written in this state of less  
10 than \$1 million in any calendar year and fewer ~~less~~ than 1,000  
11 policyholders or certificateholders of directly written  
12 policies nationwide at the end of such calendar year is exempt  
13 from this section for such year unless the office ~~department~~  
14 makes a specific finding that compliance is necessary in order  
15 for the office ~~department~~ to carry out its statutory  
16 responsibilities. However, any insurer having assumed  
17 premiums pursuant to contracts or treaties or reinsurance of  
18 \$1 million or more is not exempt. Any insurer subject to an  
19 exemption must submit by March 1 following the year to which  
20 the exemption applies an affidavit sworn to by a responsible  
21 officer of the insurer specifying the amount of direct  
22 premiums written in this state and number of policyholders or  
23 certificateholders.

24 (c) The board of directors of an insurer shall hire  
25 the certified public accountant that prepares the audit  
26 required by this subsection and the board shall establish an  
27 audit committee of three or more directors of the insurer or  
28 an affiliated company. The audit committee shall be  
29 responsible for discussing audit findings and interacting with  
30 the certified public accountant with regard to her or his  
31 findings. The audit committee shall be comprised solely of

1 members who are free from any relationship that, in the  
2 opinion of its board of directors, would interfere with the  
3 exercise of independent judgment as a committee member. The  
4 audit committee shall report to the board any findings of  
5 adverse financial conditions or significant deficiencies in  
6 internal controls that have been noted by the accountant. The  
7 insurer may request the office ~~department~~ to waive this  
8 requirement of the audit committee membership based upon  
9 unusual hardship to the insurer.

10 (d) An insurer may not use the same accountant or  
11 partner of an accounting firm responsible for preparing the  
12 report required by this subsection for more than 7 consecutive  
13 years. Following this period, the insurer may not use such  
14 accountant or partner for a period of 2 years, but may use  
15 another accountant or partner of the same firm. An insurer  
16 may request the office ~~department~~ to waive this prohibition  
17 based upon an unusual hardship to the insurer and a  
18 determination that the accountant is exercising independent  
19 judgment that is not unduly influenced by the insurer  
20 considering such factors as the number of partners, expertise  
21 of the partners or the number of insurance clients of the  
22 accounting firm; the premium volume of the insurer; and the  
23 number of jurisdictions in which the insurer transacts  
24 business.

25 (e) The commission ~~department~~ shall adopt rules to  
26 implement this subsection, which rules must be in substantial  
27 conformity with the 1998 ~~1990~~ Model Rule Requiring Annual  
28 Audited Financial Reports adopted by the National Association  
29 of Insurance Commissioners, except where inconsistent with the  
30 requirements of this subsection. Any exception to, waiver of,  
31 or interpretation of accounting requirements of the commission

1 ~~department~~ must be in writing and signed by an authorized  
2 representative of the office ~~department~~. No insurer may raise  
3 as a defense in any action, any exception to, waiver of, or  
4 interpretation of accounting requirements, unless previously  
5 issued in writing by an authorized representative of the  
6 office ~~department~~.

7 (9)(a) Each authorized insurer shall, pursuant to s.  
8 409.910(20), provide records and information to the Agency for  
9 Health Care Administration to identify potential insurance  
10 coverage for claims filed with that agency and its fiscal  
11 agents for payment of medical services under the Medicaid  
12 program.

13 (b) Each authorized insurer shall, pursuant to s.  
14 409.2561(5)(c), notify the Medicaid agency of a cancellation  
15 or discontinuance of a policy within 30 days if the insurer  
16 received notification from the Medicaid agency to do so.

17 (c) Any information provided by an insurer under this  
18 subsection does not violate any right of confidentiality or  
19 contract that the insurer may have with covered persons. The  
20 insurer is immune from any liability that it may otherwise  
21 incur through its release of such information to the Agency  
22 for Health Care Administration.

23 (10) Each insurer or insurer group doing business in  
24 this state shall file on a quarterly basis in conjunction with  
25 financial reports required by paragraph (1)(a) a supplemental  
26 report on an individual and group basis on a form prescribed  
27 by the commission ~~department~~ with information on personal  
28 lines and commercial lines residential property insurance  
29 policies in this state. The supplemental report shall include  
30 separate information for personal lines property policies and  
31 for commercial lines property policies and totals for each

1 item specified, including premiums written for each of the  
2 property lines of business as described in ss. 215.555(2)(c)  
3 and 627.351(6)(a). The report shall include the following  
4 information for each county on a monthly basis:

5 (a) Total number of policies in force at the end of  
6 each month.

7 (b) Total number of policies canceled.

8 (c) Total number of policies nonrenewed.

9 (d) Number of policies canceled due to hurricane risk.

10 (e) Number of policies nonrenewed due to hurricane  
11 risk.

12 (f) Number of new policies written.

13 (g) Total dollar value of structure exposure under  
14 policies that include wind coverage.

15 (h) Number of policies that exclude wind coverage.

16 Section 803. Section 624.4241, Florida Statutes, is  
17 amended to read:

18 624.4241 NAIC filing requirements.--

19 (1) Each domestic, foreign, and alien insurer who is  
20 authorized to transact insurance in this state shall file one  
21 extra copy of its annual statement convention blank, along  
22 with such additional filings as prescribed by the commission  
23 ~~department~~ for the preceding year. Such extra copy shall be  
24 for the explicit purpose of allowing the office ~~department~~ to  
25 forward it to the National Association of Insurance  
26 Commissioners.

27 (2) Coincident with the filing of the documents  
28 required in subsection (1), each insurer shall pay to the  
29 office ~~department~~ a reasonable fee to cover the costs  
30 associated with the filing and analysis of the documents by  
31

1 the National Association of Insurance Commissioners and the  
2 office department.

3 (3) The provisions of this section shall not apply to  
4 any foreign, domestic, or alien insurer which has filed such  
5 documents directly with the National Association of Insurance  
6 Commissioners if the National Association of Insurance  
7 Commissioners has certified receipt of the required documents  
8 to the office department.

9 Section 804. Subsections (2) and (3) of section  
10 624.4243, Florida Statutes, are amended to read:

11 624.4243 Reporting of premium growth.--

12 (2) Until an insurer has held a certificate of  
13 authority in this state for 24 months, the insurer shall,  
14 instead of making the calculations required under subsection  
15 (1), report to the office department no later than the last  
16 day of each month the insurer's direct and assumed written  
17 premiums from the United States and its territories for the  
18 previous month.

19 (3) If the amount of the premium growth calculated by  
20 an insurer under this section exceeds 33 percent, the insurer  
21 shall, within 30 days after the end of the 12-month period  
22 ending on the last day of the previous month, file with the  
23 office department a statement of the premium growth  
24 calculations under this section. The commission department  
25 shall adopt rules specifying the form for the report. In  
26 response to a report under this section, the office department  
27 may require the insurer to submit an explanation of the  
28 insurer's pattern of premium growth.

29 Section 805. Section 624.4245, Florida Statutes, is  
30 amended to read:

31

1           624.4245 Change in controlling interest of foreign or  
2 alien insurer; report required.--In the event of a change in  
3 the controlling capital stock or a change of 50 percent or  
4 more of the assets of a foreign or alien insurer, such insurer  
5 shall report such change in writing to the office ~~department~~  
6 within 30 days of the effective date thereof. The report  
7 shall contain the name and address of the new owner or owners  
8 of the controlling stock or assets, the nature and value of  
9 the new assets, and such other relevant information as the  
10 commission or office ~~department~~ may reasonably require. For  
11 the purposes of this section, the term "controlling capital  
12 stock" means a sufficient number of shares of the issued and  
13 outstanding capital stock of such insurer or person so as to  
14 give the owner thereof power to exercise a controlling  
15 influence over the management or policies of such insurer or  
16 person.

17           Section 806. Subsections (1), (2), (3), (7), and (8)  
18 of section 624.430, Florida Statutes, are amended to read:

19           624.430 Withdrawal of insurer or discontinuance of  
20 writing certain kinds or lines of insurance.--

21           (1) Any insurer desiring to surrender its certificate  
22 of authority, withdraw from this state, or discontinue the  
23 writing of any one or multiple kinds or lines of insurance in  
24 this state shall give 90 days' notice in writing to the office  
25 ~~department~~ setting forth its reasons for such action. Any  
26 insurer who does not write any premiums in a kind or line of  
27 insurance within a calendar year shall have that kind or line  
28 of insurance removed from its certificate of authority;  
29 however, such line of insurance shall be restored to the  
30 insurer's certificate upon the insurer demonstrating that it  
31

1 has available the expertise necessary and meets the other  
2 requirements of this code to write that line of insurance.

3 (2) If the office ~~department~~ determines, based upon  
4 its review of the notice and other required information, that  
5 the plan of an insurer withdrawing from this state makes  
6 adequate provision for the satisfaction of the insurer's  
7 obligations and is not hazardous to policyholders or the  
8 public, the office ~~department~~ shall approve the surrender of  
9 the insurer's certificate of authority. The office ~~department~~  
10 shall, within 45 days from receipt of a complete notice and  
11 all required or requested additional information, approve,  
12 disapprove, or approve with conditions the plan submitted by  
13 the insurer. Failure to timely take action with respect to the  
14 notice shall be deemed an approval of the surrender of the  
15 certificate of authority.

16 (3) Upon office ~~department~~ approval of the surrender  
17 of the certificate of authority of a domestic property and  
18 casualty insurer that is a corporation, the insurer may  
19 initiate the dissolution of the corporation in accordance with  
20 the applicable provisions of chapter 607.

21 (7) This section does not apply to insurers who have  
22 discontinued writing in accordance with an order issued by the  
23 office ~~department~~.

24 (8) The commission ~~department~~ may adopt rules to  
25 administer this section.

30 accepted accounting principles, except as modified by part I

13 office ~~department~~ that all claims of participants and general  
14 creditors of the organization have been paid or otherwise  
15 discharged prior to any payment of interest or repayment of  
16 principal.

17 (d) The instrument is executed by both parties and a  
18 certified copy of the instrument is filed with the office  
19 ~~department~~.

20 (e) The parties agree not to modify, terminate, or  
21 cancel the surplus note without the prior approval of the  
22 office ~~department~~.

23 Section 808. Subsections (2) and (4) of section  
24 624.437, Florida Statutes, are amended to read:

29 arrangement unless such arrangement has a valid certificate of  
30 authority issued by the office ~~department~~.

31

1           (4)(a) Any person failing to hold a subsisting  
2 certificate of authority from the office ~~department~~ while  
3 operating or maintaining a multiple-employer welfare  
4 arrangement shall be subject to a fine of not less than \$5,000  
5 or more than \$100,000 for each violation.

6           (b) Any person who operates or maintains a

11 and 626.9601.

12           (c)1. Any person who operates or maintains a  
13 multiple-employer welfare arrangement without a subsisting

21           (d) In addition to the penalties and other enforcement  
22 provisions of the Florida Insurance Code, the office  
23 ~~department~~ is vested with the power to seek both temporary and  
24 permanent injunctive relief when:

25           1. A multiple-employer welfare arrangement is being  
26 operated by any person or entity without a subsisting  
27 certificate of authority.

28           2. Any person, entity, or multiple-employer welfare  
29 arrangement has engaged in any activity prohibited by the

5 or employee family members without a subsisting certificate of  
6 authority.

7  
8 The office's ~~department's~~ authority to seek injunctive relief  
9 shall not be conditioned on having conducted any proceeding  
10 pursuant to chapter 120. The authority vested in the office  
11 ~~department~~ by virtue of the operation of this section shall  
12 not act to reduce any other enforcement remedy or power to  
13 seek injunctive relief that may otherwise be available to the  
14 office ~~department~~.

15           Section 809. Subsections (5) and (6) of section

22 expertise as to make the operations of the arrangement  
23 hazardous to potential and existing insureds; that any  
24 trustee, manager, or administrator has been found guilty of,  
25 or has pled guilty or no contest to a felony, a crime  
26 involving moral turpitude, or a crime punishable by  
27 imprisonment of 1 year or more under the law of any state,  
28 territory, or country, whether or not a judgment or conviction  
29 has been entered; that any trustee, manager, or administrator  
30 has had any type of insurance license revoked in this or any  
31 other state; or that the business operations of the

1 arrangement are or have been marked, to the detriment of the  
2 employers participating in the arrangement, of persons  
3 receiving benefits from the arrangement, or of creditors or  
4 the public, by the improper manipulation of assets, accounts,  
5 or specific excess insurance or by bad faith.

6 (6) To qualify for and retain approval to transact

17 to be profitable for 12 consecutive months. The study must  
18 show that the arrangement would not, at any month-end of the  
19 projection period, have less than the minimum statutory  
20 deposit as required by s. 624.441 or have a fund balance less  
21 than the amount required by s. 624.4392.

22           (b) The feasibility study shall reflect and support  
23 that initial gross premiums for the first year of operation

25           (8) Evidence satisfactory to the office ~~department~~

14           (1) The commission ~~department~~ shall adopt rules that  
15 allow two or more employers to enter into agreements to pool  
16 their liabilities under chapter 440 for the purpose of  
17 qualifying as a group self-insurer's fund, which shall be  
18 classified as a self-insurer, and each employer member of such  
19 approved group shall be known as a group self-insurer's fund  
20 member and shall be classified as a self-insurer as defined in  
21 chapter 440. The agreement entered into under this section may  
22 provide that the pool will be liable for 80 percent, and the  
23 employer member will be liable for 20 percent, of the medical  
24 benefits due any employee for an injury compensable under this  
25 chapter up to the amount of \$5,000. One hundred percent of the  
26 medical benefits above \$5,000 due to an employee for one  
27 injury shall be paid by the pool. The agreement may also  
28 provide that each employer member will be responsible for up  
29 to the first \$500 of medical benefits due each of its  
30 employees for each injury. The claim shall be paid by the  
31 pool, regardless of its size, which shall be reimbursed by the

1 employer for any amounts required to be paid by the employer  
2 under the agreement.

3 (2) The commission ~~department~~ shall adopt rules:

4 (a) Requiring monetary reserves to be maintained by  
5 such self-insurers to insure their financial solvency; and

6 (b) Governing their organization and operation to

8 (3) The commission ~~department~~ shall adopt rules  
9 implementing the reserve requirements in accordance with  
10 accepted actuarial techniques.

11 (4) Any self-insurer established under this section,  
12 except for self-insurers that are state or local governmental  
13 entities, is required to carry reinsurance in accordance with  
14 rules adopted by the commission ~~department~~.

15 (5) A dividend or premium refund of any self-insurer  
16 established under this section, otherwise earned, may not be  
17 made contingent upon continued membership in the fund, renewal  
18 of any policy, or the payment of renewal premiums for  
19 membership in the fund or on any policy issued by such  
20 self-insurer. Before making any dividend or premium refund,  
21 the group self-insurer shall submit to the office ~~department~~  
22 the following information:

23 (a) An audited certified financial statement.

24 (b) An annual report of financial condition.

25 (c) A loss reserve review by a qualified actuary.

26

27 The required information listed in paragraphs (a)-(c) shall be  
28 submitted annually, no later than 7 months after the end of  
29 the group self-insurer's fund year. A request for such  
30 dividend or premium refund may not be made before the required  
31 information is filed. The request for such dividend or premium

2 the group self-insurer requesting approval of a specific  
3 amount to be distributed. A dividend, premium refund, or  
4 premium discount or credit must not discriminate on the basis  
5 of continued coverage or continued membership in the group  
6 self-insurer. The office ~~department~~ shall review the request  
7 and shall issue a decision within 60 days after the filing.  
8 Failure to issue a decision within 60 days constitutes an  
9 approval of the request. Any dividend or premium refund  
10 approved by the office ~~department~~ for distribution which  
11 cannot be paid to the applicable member or policyholder or  
12 former member or policyholder of the group self-insurer  
13 because the former member or policyholder cannot be reasonably  
14 located shall become the property of the group self-insurer.

10 ~~department~~ under s. 440.38(2)(b) which is uniquely required of  
11 group self-insurer funds qualified under s. 624.4621. If any  
12 of the requirements of this section are not met, the local  
13 government self-insurance fund is subject to the requirements  
14 of s. 624.4621.

17  
18 The office's ~~department's~~ authority to seek injunctive relief  
19 shall not be conditioned on having conducted any proceeding  
20 pursuant to chapter 120. The authority vested in the office  
21 ~~department~~ by virtue of the operation of this section shall  
22 not act to reduce any other enforcement remedy or power to  
23 seek injunctive relief that may otherwise be available to the  
24 office ~~department~~.

25 Section 826. Section 624.466, Florida Statutes, is

27 ~~department's~~ approval.

28           1. No bond shall be approved unless it covers  
29 liabilities arising from all policies and contracts issued and

19           Section 854. Subsections (1), (3), (4), (5), (7),  
20 (11), (12), and (14) of section 624.610, Florida Statutes, are  
21 amended to read:

22           624.610 Reinsurance.--

23           (1) The purpose of this section is to protect the  
24 interests of insureds, claimants, ceding insurers, assuming  
25 insurers, and the public. It is the intent of the Legislature  
26 to ensure adequate regulation of insurers and reinsurers and  
27 adequate protection for those to whom they owe obligations.  
28 In furtherance of that state interest, the Legislature  
29 requires that upon the insolvency of a non-United States  
30 insurer or reinsurer which provides security to fund its  
31 United States obligations in accordance with this section,

1 such security shall be maintained in the United States and  
2 claims shall be filed with and valued by the state insurance  
3 regulator ~~Commissioner~~ with regulatory oversight, and the  
4 assets shall be distributed in accordance with the insurance  
5 laws of the state in which the trust is domiciled that are  
6 applicable to the liquidation of domestic United States  
7 insurance companies. The Legislature declares that the  
8 matters contained in this section are fundamental to the  
9 business of insurance in accordance with 15 U.S.C. ss.  
10 1011-1012.

11 (3)(a) Credit must be allowed when the reinsurance is  
12 ceded to an assuming insurer that is authorized to transact  
13 insurance or reinsurance in this state.

14 (b)1. Credit must be allowed when the reinsurance is  
15 ceded to an assuming insurer that is accredited as a reinsurer  
16 in this state. An accredited reinsurer is one that:

17 a. Files with the office ~~department~~ evidence of its  
18 submission to this state's jurisdiction;

19 b. Submits to this state's authority to examine its  
20 books and records;

21 c. Is licensed or authorized to transact insurance or  
22 reinsurance in at least one state or, in the case of a United  
23 States branch of an alien assuming insurer, is entered  
24 through, licensed, or authorized to transact insurance or  
25 reinsurance in at least one state;

26 d. Files annually with the office ~~department~~ a copy of  
27 its annual statement filed with the insurance department of  
28 its state of domicile any quarterly statements if required by  
29 its state of domicile or such quarterly statements if  
30 specifically requested by the office ~~department~~, and a copy of  
31 its most recent audited financial statement; and

1 (I) Maintains a surplus as regards policyholders in an  
2 amount not less than \$20 million and whose accreditation has  
3 not been denied by the office ~~department~~ within 90 days after  
4 its submission; or

5 (II) Maintains a surplus as regards policyholders in  
6 an amount not less than \$20 million and whose accreditation  
7 has been approved by the office ~~department~~.

8 2. The office ~~department~~ may deny or revoke an  
9 assuming insurer's accreditation if the assuming insurer does  
10 not submit the required documentation pursuant to subparagraph  
11 1., if the assuming insurer fails to meet all of the standards  
12 required of an accredited reinsurer, or if the assuming  
13 insurer's accreditation would be hazardous to the  
14 policyholders of this state. In determining whether to deny or  
15 revoke accreditation, the office ~~department~~ may consider the  
16 qualifications of the assuming insurer with respect to all the  
17 following subjects:

- 18 a. Its financial stability;  
19 b. The lawfulness and quality of its investments;  
20 c. The competency, character, and integrity of its  
21 management;  
22 d. The competency, character, and integrity of persons  
23 who own or have a controlling interest in the assuming  
24 insurer; and  
25 e. Whether claims under its contracts are promptly and  
26 fairly adjusted and are promptly and fairly paid in accordance  
27 with the law and the terms of the contracts.

28 3. Credit must not be allowed a ceding insurer if the  
29 assuming insurer's accreditation has been revoked by the  
30 office ~~department~~ after notice and the opportunity for a  
31 hearing.

1           4. The actual costs and expenses incurred by the  
2 office department to review a reinsurer's request for  
3 accreditation and subsequent reviews must be charged to and  
4 collected from the requesting reinsurer. If the reinsurer  
5 fails to pay the actual costs and expenses promptly when due,  
6 the office department may refuse to accredit the reinsurer or  
7 may revoke the reinsurer's accreditation.

8           (c)1. Credit must be allowed when the reinsurance is  
9 ceded to an assuming insurer that maintains a trust fund in a  
10 qualified United States financial institution, as defined in  
11 paragraph (5)(b), for the payment of the valid claims of its  
12 United States ceding insurers and their assigns and successors  
13 in interest. To enable the office department to determine the  
14 sufficiency of the trust fund, the assuming insurer shall  
15 report annually to the office department information  
16 substantially the same as that required to be reported on the  
17 NAIC Annual Statement form by authorized insurers. The  
18 assuming insurer shall submit to examination of its books and  
19 records by the office department and bear the expense of  
20 examination.

21           2.a. Credit for reinsurance must not be granted under  
22 this subsection unless the form of the trust and any  
23 amendments to the trust have been approved by:

24           (I) The insurance regulator ~~commissioner~~ of the state  
25 in which the trust is domiciled; or

26           (II) The insurance regulator ~~commissioner~~ of another  
27 state who, pursuant to the terms of the trust instrument, has  
28 accepted principal regulatory oversight of the trust.

29           b. The form of the trust and any trust amendments must  
30 be filed with the insurance regulator ~~commissioner~~ of every  
31 state in which the ceding insurer beneficiaries of the trust

1 are domiciled. The trust instrument must provide that  
2 contested claims are valid and enforceable upon the final  
3 order of any court of competent jurisdiction in the United  
4 States. The trust must vest legal title to its assets in its  
5 trustees for the benefit of the assuming insurer's United  
6 States ceding insurers and their assigns and successors in  
7 interest. The trust and the assuming insurer are subject to  
8 examination as determined by the insurance regulator  
9 ~~commissioner~~.

10 c. The trust remains in effect for as long as the  
11 assuming insurer has outstanding obligations due under the  
12 reinsurance agreements subject to the trust. No later than  
13 February 28 of each year, the trustee of the trust shall  
14 report to the insurance regulator ~~commissioner~~ in writing the  
15 balance of the trust and list the trust's investments at the  
16 preceding year end, and shall certify that the trust will not  
17 expire prior to the following December 31.

18 3. The following requirements apply to the following  
19 categories of assuming insurer:

20 a. The trust fund for a single assuming insurer  
21 consists of funds in trust in an amount not less than the  
22 assuming insurer's liabilities attributable to reinsurance  
23 ceded by United States ceding insurers, and, in addition, the  
24 assuming insurer shall maintain a trusteed surplus of not less  
25 than \$20 million. The funds in the trust and trusteed surplus  
26 consist of assets of a quality substantially similar to that  
27 required in part II of chapter 625.

28 b.(I) In the case of a group including incorporated  
29 and individual unincorporated underwriters:

30 (A) For reinsurance ceded under reinsurance agreements  
31 with an inception, amendment, or renewal date on or after

1 August 1, 1995, the trust consists of a trusteed account in an  
2 amount not less than the group's several liabilities  
3 attributable to business ceded by United States domiciled  
4 ceding insurers to any member of the group;

5 (B) For reinsurance ceded under reinsurance agreements  
6 with an inception date on or before July 31, 1995, and not  
7 amended or renewed after that date, notwithstanding the other  
8 provisions of this section, the trust consists of a trusteed  
9 account in an amount not less than the group's several  
10 insurance and reinsurance liabilities attributable to business  
11 written in the United States; and

12 (C) In addition to these trusts, the group shall  
13 maintain in trust a trusteed surplus of which \$100 million  
14 must be held jointly for the benefit of the United States  
15 domiciled ceding insurers of any member of the group for all  
16 years of account.

17 (II) The incorporated members of the group must not be  
18 engaged in any business other than underwriting of a member of  
19 the group, and are subject to the same level of regulation and  
20 solvency control by the group's domiciliary regulator as the  
21 unincorporated members.

22 (III) Within 90 days after its financial statements  
23 are due to be filed with the group's domiciliary regulator,  
24 the group shall provide to the insurance regulator  
25 ~~commissioner~~ an annual certification by the group's  
26 domiciliary regulator of the solvency of each underwriter  
27 member or, if a certification is unavailable, financial  
28 statements, prepared by independent public accountants, of  
29 each underwriter member of the group.

30 (d) Credit must be allowed when the reinsurance is  
31 ceded to an assuming insurer not meeting the requirements of

1 paragraph (a), paragraph (b), or paragraph (c), but only as to  
2 the insurance of risks located in jurisdictions in which the  
3 reinsurance is required to be purchased by a particular entity  
4 by applicable law or regulation of that jurisdiction.

5 (e) If the assuming insurer is not authorized or  
6 accredited to transact insurance or reinsurance in this state  
7 pursuant to paragraph (a) or paragraph (b), the credit  
8 permitted by paragraph (c) must not be allowed unless the  
9 assuming insurer agrees in the reinsurance agreements:

10 1.a. That in the event of the failure of the assuming  
11 insurer to perform its obligations under the terms of the  
12 reinsurance agreement, the assuming insurer, at the request of  
13 the ceding insurer, shall submit to the jurisdiction of any  
14 court of competent jurisdiction in any state of the United  
15 States, will comply with all requirements necessary to give  
16 the court jurisdiction, and will abide by the final decision  
17 of the court or of any appellate court in the event of an  
18 appeal; and

19 b. To designate the Chief Financial Officer  
20 ~~commissioner~~, pursuant to s. 48.151, or a designated attorney  
21 as its true and lawful attorney upon whom may be served any  
22 lawful process in any action, suit, or proceeding instituted  
23 by or on behalf of the ceding company.

24 2. This paragraph is not intended to conflict with or  
25 override the obligation of the parties to a reinsurance  
26 agreement to arbitrate their disputes, if this obligation is  
27 created in the agreement.

28 (f) If the assuming insurer does not meet the  
29 requirements of paragraph (a) or paragraph (b), the credit  
30 permitted by paragraph (c) is not allowed unless the assuming  
31

1 insurer agrees in the trust agreements, in substance, to the  
2 following conditions:

3         1. Notwithstanding any other provisions in the trust  
4 instrument, if the trust fund is inadequate because it  
5 contains an amount less than the amount required by paragraph  
6 (c), or if the grantor of the trust has been declared  
7 insolvent or placed into receivership, rehabilitation,  
8 liquidation, or similar proceedings under the laws of its  
9 state or country of domicile, the trustee shall comply with an  
10 order of the insurance regulator ~~commissioner~~ with regulatory  
11 oversight over the trust or with an order of a United States  
12 court of competent jurisdiction directing the trustee to  
13 transfer to the insurance regulator ~~commissioner~~ with  
14 regulatory oversight all of the assets of the trust fund.

15         2. The assets must be distributed by and claims must  
16 be filed with and valued by the insurance regulator  
17 ~~commissioner~~ with regulatory oversight in accordance with the  
18 laws of the state in which the trust is domiciled which are  
19 applicable to the liquidation of domestic insurance companies.

20         3. If the insurance regulator ~~commissioner~~ with  
21 regulatory oversight determines that the assets of the trust  
22 fund or any part thereof are not necessary to satisfy the  
23 claims of the United States ceding insurers of the grantor of  
24 the trust, the assets or part thereof must be returned by the  
25 insurance regulator ~~commissioner~~ with regulatory oversight to  
26 the trustee for distribution in accordance with the trust  
27 agreement.

28         4. The grantor shall waive any right otherwise  
29 available to it under United States law which is inconsistent  
30 with this provision.

31

1           (4) An asset allowed or a deduction from liability  
2 taken for the reinsurance ceded by an insurer to an assuming  
3 insurer not meeting the requirements of subsections (2) and  
4 (3) is allowed in an amount not exceeding the liabilities  
5 carried by the ceding insurer. The deduction must be in the  
6 amount of funds held by or on behalf of the ceding insurer,  
7 including funds held in trust for the ceding insurer, under a  
8 reinsurance contract with the assuming insurer as security for  
9 the payment of obligations thereunder, if the security is held  
10 in the United States subject to withdrawal solely by, and  
11 under the exclusive control of, the ceding insurer, or, in the  
12 case of a trust, held in a qualified United States financial  
13 institution, as defined in paragraph (5)(b). This security may  
14 be in the form of:

15           (a) Cash in United States dollars;

16           (b) Securities listed by the Securities Valuation  
17 Office of the National Association of Insurance Commissioners  
18 and qualifying as admitted assets pursuant to part II of  
19 chapter 625;

20           (c) Clean, irrevocable, unconditional letters of  
21 credit, issued or confirmed by a qualified United States  
22 financial institution, as defined in paragraph (5)(a),  
23 effective no later than December 31 of the year for which the  
24 filing is made, and in the possession of, or in trust for, the  
25 ceding company on or before the filing date of its annual  
26 statement; or

27           (d) Any other form of security acceptable to the  
28 office ~~department~~.

29           (5)(a) For purposes of paragraph (4)(c) regarding  
30 letters of credit, a "qualified United States financial  
31 institution" means an institution that:

1           1. Is organized or, in the case of a United States  
2 office of a foreign banking organization, is licensed under  
3 the laws of the United States or any state thereof;

4           2. Is regulated, supervised, and examined by United  
5 States or state authorities having regulatory authority over  
6 banks and trust companies; and

7           3. Has been determined by either the office ~~department~~  
8 or the Securities Valuation Office of the National Association  
9 of Insurance Commissioners to meet such standards of financial  
10 condition and standing as are considered necessary and  
11 appropriate to regulate the quality of financial institutions  
12 whose letters of credit will be acceptable to the office  
13 ~~department~~.

14           (b) For purposes of those provisions of this law which  
15 specify institutions that are eligible to act as a fiduciary  
16 of a trust, a "qualified United States financial institution"  
17 means an institution that is a member of the Federal Reserve  
18 System or that has been determined by the office ~~department~~ to  
19 meet the following criteria:

20           1. Is organized or, in the case of a United States  
21 branch or agency office of a foreign banking organization, is  
22 licensed under the laws of the United States or any state  
23 thereof and has been granted authority to operate with  
24 fiduciary powers; and

25           2. Is regulated, supervised, and examined by federal  
26 or state authorities having regulatory authority over banks  
27 and trust companies.

28           (7) After notice and an opportunity for a hearing, the  
29 office ~~department~~ may disallow any credit that it finds would  
30 be contrary to the proper interests of the policyholders or  
31 stockholders of a ceding domestic insurer.

1           (11)(a) Any domestic or commercially domiciled insurer  
2 ceding directly written risks of loss under this section  
3 shall, within 30 days after receipt of a cover note or similar  
4 confirmation of coverage, or, without exception, no later than  
5 6 months after the effective date of the reinsurance treaty,  
6 file with the office ~~department~~ one copy of a summary  
7 statement containing the following information about each  
8 treaty:

- 9           1. The contract period;
- 10           2. The nature of the reinsured's business;
- 11           3. An indication as to whether the treaty is  
12 proportional, nonproportional, coinsurance, modified  
13 coinsurance, or indemnity, as applicable;
- 14           4. The ceding company's loss retention per risk;
- 15           5. The reinsured limits;
- 16           6. Any special contract restrictions;
- 17           7. A schedule of reinsurers assuming the risks of  
18 loss;
- 19           8. An indication as to whether payments to the  
20 assuming insurer are based on written premiums or earned  
21 premiums;
- 22           9. Identification of any intermediary or broker used  
23 in obtaining the reinsurance and the commission paid to such  
24 intermediary or broker if known; and
- 25           10. Ceding commissions and allowances.

26           (b) The summary statement must be signed and attested  
27 to by either the chief executive officer or the chief  
28 financial officer of the reporting insurer. In addition to the  
29 summary statement, the office ~~Insurance Commissioner~~ may  
30 require the filing of any supporting information relating to  
31 the ceding of such risks as it ~~she or he~~ deems necessary. If

1 the summary statement prepared by the ceding insurer discloses  
2 that the net effect of a reinsurance treaty or treaties (or  
3 series of treaties with one or more affiliated reinsurers  
4 entered into for the purpose of avoiding the following  
5 threshold amount) at any time results in an increase of more  
6 than 25 percent to the insurer's surplus as to policyholders,  
7 then the insurer shall certify in writing to the office  
8 ~~department~~ that the relevant reinsurance treaty or treaties  
9 comply with the accounting requirements contained in any rule  
10 adopted by the commission ~~department~~ under subsection (14). If  
11 such certificate is filed after the summary statement of such  
12 reinsurance treaty or treaties, the insurer shall refile the  
13 summary statement with the certificate. In any event, the  
14 certificate must state that a copy of the certificate was sent  
15 to the reinsurer under the reinsurance treaty.

16 (c) This subsection applies to cessions of directly  
17 written risk or loss. This subsection does not apply to  
18 contracts of facultative reinsurance or to any ceding insurer  
19 with surplus as to policyholders that exceeds \$100 million as  
20 of the immediately preceding December 31. Additionally, any  
21 ceding insurer otherwise subject to this section with less  
22 than \$500,000 in direct premiums written in this state during  
23 the preceding calendar year or with less than 1,000  
24 policyholders at the end of the preceding calendar year is  
25 exempt from the requirements of this subsection. However, any  
26 ceding insurer otherwise subject to this section with more  
27 than \$250,000 in direct premiums written in this state during  
28 the preceding calendar quarter is not exempt from the  
29 requirements of this subsection.

30 (d) An authorized insurer not otherwise exempt from  
31 the provisions of this subsection shall provide the

1 information required by this subsection with underlying and  
2 supporting documentation upon written request of the office  
3 ~~department~~.

4 (e) The office ~~department~~ may, upon a showing of good  
5 cause, waive the requirements of this subsection.

6 (12) If the office ~~department~~ finds that a reinsurance  
7 agreement creates a substantial risk of insolvency to either  
8 insurer entering into the reinsurance agreement, the office  
9 ~~department~~ may by order require a cancellation of the  
10 reinsurance agreement.

11 (14) The commission ~~department~~ may adopt rules  
12 implementing the provisions of this section. Rules are  
13 authorized to protect the interests of insureds, claimants,  
14 ceding insurers, assuming insurers, and the public. These  
15 rules shall be in substantial compliance with:

16 (a) The National Association of Insurance  
17 Commissioners model regulations relating to credit for  
18 reinsurance;

19 (b) ~~Version 2001 of~~ The National Association of  
20 Insurance Commissioners Accounting Practices and Procedures  
21 Manual as of March 2002 and subsequent amendments thereto if  
22 the methodology remains substantially consistent; and

23 (c) The National Association of Insurance  
24 Commissioners model regulation for Credit for Reinsurance and  
25 Life and Health Reinsurance Agreements.

26  
27 The commission ~~department~~ may further adopt rules to provide  
28 for transition from existing requirements for the approval of  
29 reinsurers to the accreditation of reinsurers pursuant to this  
30 section.

8 capital stock is impaired to an extent prohibited by law;

9           (b) The insurer continues to write new business when  
10 it has not maintained the required surplus or capital;

11           (c) The insurer attempts to dissolve or liquidate  
12 without first having made provisions, satisfactory to the  
13 office ~~department~~, for liabilities arising from insurance  
14 policies issued by the insurer; or

15           (d) The insurer meets one or more of the grounds in s.  
16 631.051 for the appointment of the department as receiver.

17           (3) "Exceeded its powers" means the following  
18 conditions:

20 the office ~~department~~ of its books, papers, accounts, records,  
21 or business practices;

22           (b) An insurer organized in this state has unlawfully  
23 removed from this state books, papers, accounts, or records  
24 necessary for an examination of the insurer by the office  
25 ~~department~~;

7           Section 856. Section 624.81, Florida Statutes, is  
8 amended to read:

9           624.81 Notice to comply with written requirements of  
10 office ~~department~~; noncompliance.--

11           (1) If the office ~~department~~ determines that the  
12 conditions set forth in subsection (2) exist, the office  
13 ~~department~~ shall issue an order placing the insurer in  
14 administrative supervision, setting forth the reasons giving  
15 rise to the determination, and specifying that the office  
16 ~~department~~ is applying and effectuating the provisions of this  
17 part. An order issued by the office ~~department~~ pursuant to  
18 this subsection entitles the insurer to request a proceeding  
19 under ss. 120.569 and 120.57, and such a request shall stay  
20 the action pending such proceeding.

21           (2) An insurer shall be subject to administrative  
22 supervision by the office ~~department~~ if upon examination or at  
23 any other time the office ~~department~~ determines that:

24           (a) The insurer is in unsound condition;

25           (b) The insurer's methods or practices render the  
26 continuance of its business hazardous to the public or to its  
27 insureds; or

28           (c) The insurer has exceeded its powers granted under  
29 its certificate of authority and applicable law.

30           (3) Within 15 days of receipt of notice of the  
31 office's ~~department's~~ determination to proceed under this

1 part, an insurer shall submit to the office ~~department~~ a plan  
2 to correct the conditions set forth in the notice. For good  
3 cause shown, the office ~~department~~ may extend the 15-day time  
4 period for submission of the plan. If the office ~~department~~  
5 and the insurer agree on a corrective plan, a written  
6 agreement shall be entered into to carry out the plan.

7 (4) If an insurer fails to timely submit a plan, the  
8 office ~~department~~ may specify the requirements of a plan to  
9 address the conditions giving rise to imposition of  
10 administrative supervision under this part. In addition,  
11 failure of the insurer to timely submit a plan is a violation  
12 of the provisions of this code punishable in accordance with  
13 s. 624.418.

14 (5) The plan shall address, but shall not be limited  
15 to, each of the activities of the insurer's business which are  
16 set forth in s. 624.83.

17 (6) If the office ~~department~~ and the insurer are  
18 unable to agree on the provisions of the plan, the office  
19 ~~department~~ may require the insurer to take such corrective  
20 action as may be reasonably necessary to remove the causes and  
21 conditions giving rise to the need for administrative  
22 supervision.

23 (7) The insurer shall have 60 days, or a longer period  
24 of time as designated by the office ~~department~~ but not to  
25 exceed 120 days, after the date of the written agreement or  
26 the receipt of the office's ~~department's~~ plan within which to  
27 comply with the requirements of the office ~~department~~. At the  
28 conclusion of the initial period of supervision, the office  
29 ~~department~~ may extend the supervision in increments of 60 days  
30 or longer, not to exceed 120 days, if conditions justifying  
31

1 supervision exist. Each extension of supervision shall provide  
2 the insurer with a point of entry pursuant to chapter 120.

3 (8) The initiation or pendency of administrative  
4 proceedings arising from actions taken under this section  
5 shall not preclude the office ~~department~~ from initiating  
6 judicial proceedings to place an insurer in conservation,  
7 rehabilitation, or liquidation or initiating other delinquency  
8 proceedings however designated under the laws of this state.

9 (9) If it is determined that the conditions giving  
10 rise to administrative supervision have been remedied so that  
11 the continuance of its business is no longer hazardous to the  
12 public or to its insureds, the office ~~department~~ shall release  
13 the insurer from supervision.

14 (10) The commission ~~department~~ may adopt rules to  
15 define standards of hazardous financial condition and  
16 corrective action substantially similar to that indicated in  
17 the National Association of Insurance Commissioners' 1997  
18 "Model Regulation to Define Standards and Commissioner's  
19 Authority for Companies Deemed to be in Hazardous Financial  
20 Condition," which are necessary to implement the provisions of  
21 this part.

22 Section 857. Subsections (1), (2), (3), and (4) of  
23 section 624.82, Florida Statutes, are amended to read:

24 624.82 Confidentiality of certain proceedings and  
25 records.--

26 (1) Orders, notices, correspondence, reports, records,  
27 and other information in the possession of the office  
28 ~~department~~ relating to the supervision of any insurer are  
29 confidential and exempt from the provisions of s. 119.07(1),  
30 except as otherwise provided in this section. Proceedings and  
31 hearings relating to the office's ~~department's~~ supervision of

1 any insurer are exempt from the provisions of s. 286.011,  
2 except as otherwise provided in this section.

3 (2) The personnel of the department and the office  
4 shall have access to proceedings, hearings, notices,  
5 correspondence, reports, records, or other information as  
6 permitted by the office ~~department~~.

7 (3) The office ~~department~~ may open the proceedings or  
8 hearings or disclose the contents of the notices,  
9 correspondence, reports, records, or other information to a  
10 department, agency, or instrumentality of this or another  
11 state or the United States if it determines that the  
12 disclosure is necessary or proper for the enforcement of the  
13 laws of the United States or of this or another state of the  
14 United States.

15 (4) The office ~~department~~ may open the proceedings or  
16 hearings or make public the notices, correspondence, reports,  
17 records, or other information if the office ~~department~~ finds  
18 that it is in the best interest of the public, the insurer in  
19 supervision, or its insureds.

20 Section 858. Section 624.83, Florida Statutes, is  
21 amended to read:

22 624.83 Prohibited acts during period of  
23 supervision.--The office ~~department~~ may provide that the  
24 insurer may not conduct the following activities during the  
25 period of supervision, without prior approval by the office  
26 ~~department~~:

27 (1) Dispose of, convey, or encumber any of its assets  
28 or its business in force;

29 (2) Withdraw any of its bank accounts;

30 (3) Lend any of its funds;

31 (4) Invest any of its funds;

- 1           (5) Transfer any of its property;  
2           (6) Incur any debt, obligation, or liability;  
3           (7) Merge or consolidate with another company;  
4           (8) Enter into any new reinsurance contract or treaty;  
5           (9) Terminate, surrender, forfeit, convert, or lapse  
6 any insurance policy, certificate, or contract of insurance,  
7 except for nonpayment of premiums due;  
8           (10) Release, pay, or refund premium deposits, accrued  
9 cash or loan values, unearned premiums, or other reserves on  
10 any insurance policy or certificate; or  
11           (11) Make any material change in management.

12           Section 859. Section 624.84, Florida Statutes, is  
13 amended to read:

14           624.84 Review.--During the period of supervision, the  
15 insurer may contest an action taken or proposed to be taken by  
16 the supervisor, specifying the manner wherein the action  
17 complained of would not result in improving the condition of  
18 the insurer. Such request shall not stay the action specified  
19 pending reconsideration of the action by the office  
20 ~~department~~. Denial of the insurer's request upon  
21 reconsideration entitles the insurer to request a proceeding  
22 under ss. 120.569 and 120.57.

23           Section 860. Section 624.85, Florida Statutes, is  
24 amended to read:

25           624.85 Administrative election of proceedings.--If the  
26 office ~~department~~ determines to act under authority of this  
27 part, the sequence of its acts and proceedings shall be as set  
28 forth herein. However, it is a purpose and substance of this  
29 part to allow the office ~~department~~ administrative discretion  
30 in the event of insurer delinquencies and, in furtherance of  
31 that purpose, the office ~~department~~ is hereby authorized, in

1 respect to insurer delinquencies or suspected delinquencies,  
2 to proceed and administer either under the provisions of this  
3 part or under any other applicable law, or under the  
4 provisions of this part in conjunction with other applicable  
5 law, and it is so provided. Nothing contained in this part or  
6 in any other provision of law shall preclude the office  
7 ~~department~~ from initiating judicial proceedings to place an  
8 insurer in conservation, rehabilitation, or liquidation  
9 proceedings or other delinquency proceedings however  
10 designated under the laws of this state, regardless of whether  
11 the office ~~department~~ has previously initiated administrative  
12 supervision proceedings under this part against the insurer.  
13 The entry of an order of seizure, rehabilitation, or  
14 liquidation pursuant to chapter 631 shall terminate all  
15 proceedings pending pursuant to this part.

16 Section 861. Section 624.86, Florida Statutes, is  
17 amended to read:

18 624.86 Other laws; conflicts; meetings between the  
19 office ~~department~~ and the supervisor.--During the period of  
20 administrative supervision, the office ~~department~~ may meet  
21 with a supervisor appointed under this part and with the  
22 attorney or other representative of the supervisor and such  
23 meetings are exempt from the provisions of s. 286.011.

24 Section 862. Section 624.87, Florida Statutes, is  
25 amended to read:

26 624.87 Administrative supervision; expenses.--

27 (1) During the period of supervision the office  
28 ~~department~~ by contract or otherwise may appoint a deputy  
29 supervisor to supervise the insurer.

30 (2) Each insurer which is subject to administrative  
31 supervision by the office ~~department~~ shall pay to the office

1 ~~department~~ the expenses of its administrative supervision at  
2 the rates adopted by the office department. Expenses shall  
3 include actual travel expenses, a reasonable living expense  
4 allowance, compensation of the deputy supervisor or other  
5 person employed or appointed by the office department for  
6 purposes of the supervision, and necessary attendant  
7 administrative costs of the office department directly related  
8 to the supervision. The travel expense and living expense  
9 allowance shall be limited to those expenses necessarily  
10 incurred on account of the administrative supervision and  
11 shall be paid by the insurer together with compensation upon  
12 presentation by the office department to the insurer of a  
13 detailed account of the charges and expenses after a detailed  
14 statement has been filed by the deputy supervisor or other  
15 person employed or appointed by the office department and  
16 approved by the office department.

17 (3) All moneys collected from insurers for the  
18 expenses of administrative supervision shall be deposited into  
19 the Insurance ~~Commissioner's~~ Regulatory Trust Fund, and the  
20 office department is authorized to make deposits from time to  
21 time into this fund from moneys appropriated for the operation  
22 of the office department.

23 (4) Notwithstanding the provisions of s. 112.061, the  
24 office department is authorized to pay to the deputy  
25 supervisor or person employed or appointed by the office  
26 ~~department~~ for purposes of the supervision out of such trust  
27 fund the actual travel expenses, reasonable living expense  
28 allowance, and compensation in accordance with the statement  
29 filed with the office department by the deputy supervisor or  
30 other person, as provided in subsection (2), upon approval by  
31 the office department.

1           (5) The office ~~department~~ may in whole or in part  
2 defer payment of expenses due from the insurer pursuant to  
3 this section upon a showing that payment would adversely  
4 impact on the financial condition of the insurer and  
5 jeopardize its rehabilitation. The payment shall be made by  
6 the insurer when the condition is removed and the payment  
7 would no longer jeopardize the insurer's financial condition.

8           Section 863. Section 625.01115, Florida Statutes, is  
9 amended to read:

10           625.01115 Definitions.--As used in this chapter, the  
11 term "statutory accounting principles" means accounting  
12 principles as defined in the National Association of Insurance  
13 Commissioners Accounting Practices and Procedures Manual as of  
14 March 2002 and subsequent amendments thereto if the  
15 methodology remains substantially consistent ~~effective January~~  
16 ~~1, 2001~~.

17           Section 864. Paragraph (d) of subsection (2),  
18 paragraphs (a) and (c) of subsection (5), and subsections  
19 (10), (13), and (16) of section 625.012, Florida Statutes, are  
20 amended to read:

21           625.012 "Assets" defined.--In any determination of the  
22 financial condition of an insurer, there shall be allowed as  
23 "assets" only such assets as are owned by the insurer and  
24 which consist of:

25           (2) Investments, securities, properties, and loans  
26 acquired or held in accordance with this code, and in  
27 connection therewith the following items:

28           (d) Interest due or accrued on deposits in solvent  
29 banks, savings and loan associations, and trust companies, and  
30 interest due or accrued on other assets, if such interest is  
31 in the judgment of the office ~~department~~ a collectible asset.

1           (5)(a) Premiums in the course of collection, other  
2 than for life insurance, not more than 3 months past due, less  
3 commissions payable thereon. The foregoing limitation shall  
4 not apply to premiums payable directly or indirectly by the  
5 United States Government or by any of its instrumentalities.  
6 All premiums, excluding commissions payable thereon, due from  
7 a controlling or controlled person shall not be allowed as an  
8 asset to the extent that:

9           1. The premiums collected by the controlling or  
10 controlled person and not remitted to the insurer are not held  
11 in a trust account with a bank or other depository approved by  
12 the office ~~department~~. Such funds shall be held as trust funds  
13 and may not be commingled with any other funds of the  
14 controlling or controlled person. Disbursements from the trust  
15 account may be made only to the insurer, the insured, or, for  
16 the purpose of returning premiums, an entity who is entitled  
17 to returned premiums on behalf of the insured. A written copy  
18 of the trust agreement must be filed with and approved by the  
19 office ~~department~~ prior to its becoming effective. However,  
20 the investment income derived from the trust may be allocated  
21 as the parties deem proper. A controlling or controlled person  
22 shall deposit premiums collected into the trust account within  
23 15 working days after collection;

24           2. The controlling or controlled person has not  
25 provided to the insurer and the insurer has not maintained in  
26 its possession an unexpired, clean irrevocable letter of  
27 credit, payable to the insurer, issued for a term of not less  
28 than 1 year and in conformity with the requirements set forth  
29 in this subparagraph, the amount of which equals or exceeds  
30 the liability of the controlling or controlled person to the  
31 insurer, at all times during the period which the letter of

1 credit is in effect, for premiums collected by the controlling  
2 or controlled person. The requirements are that such letter of  
3 credit be issued under arrangements satisfactory to the office  
4 ~~department~~ and that the letter be issued by a banking  
5 institution which is a member of the Federal Reserve System  
6 and which has a financial standing satisfactory to the office  
7 ~~department~~;

8           3. The controlling or controlled person has not  
9 provided to the insurer and the insurer maintained in its  
10 possession evidence that the controlling or controlled person  
11 has purchased and has currently in effect a financial guaranty  
12 bond, payable to the insurer, issued for a term of not less  
13 than 1 year and which is in conformity with the requirements  
14 set forth in this subparagraph, the amount of which equals or  
15 exceeds the liability of the controlling or controlled person  
16 to the insurer, at all times during which the financial  
17 guaranty bond is in effect, for the premiums collected by the  
18 controlling or controlled person. The requirements are that  
19 such a financial guaranty bond shall be issued under an  
20 arrangement satisfactory to the office ~~department~~ and that the  
21 financial guaranty bond be issued by an insurer authorized to  
22 transact such business in Florida and which has a financial  
23 standing satisfactory to the office ~~department~~ and which is  
24 neither controlled nor controlling in relation to either the  
25 insurer or the person for whom the bond is purchased; or

26           4. A financial evaluation indicates that the  
27 controlling or controlled person is unlikely to have the  
28 ability to pay such premiums as they become due. The financial  
29 evaluation shall be based on a review of the books and records  
30 of the controlling or controlled person.

31

1           (c) The office ~~department~~ shall disapprove any trust  
2 agreement filed pursuant to paragraph (a) which does not  
3 assure the safety of the premiums collected.

4           (10) Deposits or equities recoverable from  
5 underwriting associations, syndicates, and reinsurance funds,  
6 or from any suspended banking institution, to the extent  
7 deemed by the office ~~department~~ available for the payment of  
8 losses and claims and at values to be determined by it.

9           (13) Loans or advances by an insurer to its parent or  
10 principal owner if approved by the office ~~department~~.

11           (16) Other assets, not inconsistent with the  
12 provisions of this section, deemed by the office ~~department~~ to  
13 be available for the payment of losses and claims, at values  
14 to be determined by it.

15           Section 865. Paragraph (d) of subsection (2) of  
16 section 625.041, Florida Statutes, is amended to read:

17           625.041 Liabilities, in general.--In any determination  
18 of the financial condition of an insurer, liabilities to be

21 annuity contracts:

22           (d) Any additional reserves that may be required by  
23 the office ~~department~~ consistent with practice formulated or  
24 approved by the National Association of Insurance  
25 Commissioners or its successor organization, on account of  
26 such insurance, including contract and premium deficiency  
27 reserves.

28           Section 866. Subsection (2) of section 625.051,  
29 Florida Statutes, is amended to read:

30           625.051 Unearned premium reserve.--

31

1           (2) The office ~~department~~ may require that such  
2 reserves be equal to the unearned portions of the gross  
3 premiums in force after deducting applicable reinsurance in  
4 solvent insurers as computed on each respective risk from the  
5 date of issue of the policy. If the office ~~department~~ does not  
6 so require, the portions of the gross premium in force, less  
7 applicable reinsurance in solvent insurers, to be held as an  
8 unearned premium reserve, shall be computed according to the  
9 following table:

4 transportation insurance.--As to marine and transportation

7 may require the insurer to carry a reserve equal to 100  
8 percent of premiums on trip risks written during the month  
9 ended as of the date of statement.

10           Section 868. Section 625.071, Florida Statutes, is  
11 amended to read:

12           625.071 Special reserve for bail and judicial

15 require any surety insurer or limited surety insurer to set up  
16 and maintain a reserve on all bail bonds or other  
17 single-premium bonds without definite expiration date,  
18 furnished in judicial proceedings, equal to the lesser of 35

26 force do not include amounts retained by licensed bail bond  
27 agents or licensed managing general agents, but may not be  
28 less than 6.5 percent of the total consideration received for  
29 all bail bonds in force.

30           Section 869. Section 625.081, Florida Statutes, is  
31 amended to read:

3 reserve which places a sound value on the insurer's  
4 liabilities under such policies; is not less than the reserve  
5 according to appropriate standards set forth in rules issued  
6 by the commission ~~department~~; and, in no event, is less in the

17           (4)

18           (d)1. Beginning in calendar year 1998, each insurer  
19 shall separately identify anticipated recoveries from the

8 amended to read:

9           625.101 Increase of inadequate loss reserves.--If loss  
10 experience shows that an insurer's loss reserves, however  
11 computed or estimated, are inadequate, the office ~~department~~  
12 shall require the insurer to maintain loss reserves in such  
13 additional amount as is needed to make them adequate. This  
14 section does not apply as to life insurance.

15           Section 872. Subsections (2), (3), and (4), paragraphs  
16 (c), (d), (g), (h), (i), and (j) of subsection (5), paragraph  
17 (e) of subsection (6), subsection (10), paragraph (b) of  
18 subsection (12), and subsection (14) of section 625.121,  
19 Florida Statutes, are amended to read:

20           625.121 Standard Valuation Law; life insurance.--

21           (2) ANNUAL VALUATION.--The office ~~department~~ shall  
22 annually value, or cause to be valued, the reserve  
23 liabilities, hereinafter called "reserves," for all  
24 outstanding life insurance policies and annuity and pure  
25 endowment contracts of every life insurer doing business in  
26 this state, and may certify the amount of any such reserves,  
27 specifying the mortality table or tables, rate or rates of  
28 interest, and methods, net-level premium method or others,  
29 used in the calculation of such reserves. In the case of an  
30 alien insurer, such valuation shall be limited to its  
31 insurance transactions in the United States. In calculating

1 such reserves, the office ~~department~~ may use group methods and  
2 approximate averages for fractions of a year or otherwise. It  
3 may accept in its discretion the insurer's calculation of such  
4 reserves. In lieu of the valuation of the reserves herein  
5 required of any foreign or alien insurer, it may accept any  
6 valuation made or caused to be made by the insurance  
7 supervisory official of any state or other jurisdiction when  
8 such valuation complies with the minimum standard herein  
9 provided and if the official of such state or jurisdiction  
10 accepts as sufficient and valid for all legal purposes the  
11 certificate of valuation of the office ~~department~~ when such  
12 certificate states the valuation to have been made in a  
13 specified manner according to which the aggregate reserves  
14 would be at least as large as if they had been computed in the  
15 manner prescribed by the law of that state or jurisdiction.  
16 When any such valuation is made by the office ~~department~~, it  
17 may use the actuary of the office ~~department~~ or employ an  
18 actuary for the purpose; and the reasonable compensation of  
19 the actuary, at a rate approved by the office ~~department~~, and  
20 reimbursement of travel expenses pursuant to s. 624.320 upon  
21 demand by the office ~~department~~, supported by an itemized  
22 statement of such compensation and expenses, shall be paid by  
23 the insurer. When a domestic insurer furnishes the office  
24 ~~department~~ with a valuation of its outstanding policies as  
25 computed by its own actuary or by an actuary deemed  
26 satisfactory for the purpose by the office ~~department~~, the  
27 valuation shall be verified by the actuary of the office  
28 ~~department~~ without cost to the insurer.

29 (3) ACTUARIAL OPINION OF RESERVES.--

30 (a)1. Each life insurance company doing business in  
31 this state shall annually submit the opinion of a qualified

1 actuary as to whether the reserves and related actuarial items  
2 held in support of the policies and contracts specified by the  
3 commission ~~department~~ by rule are computed appropriately, are  
4 based on assumptions which satisfy contractual provisions, are  
5 consistent with prior reported amounts, and comply with  
6 applicable laws of this state. The commission ~~department~~ by  
7 rule shall define the specifics of this opinion and add any  
8 other items determined to be necessary to its scope.

9         2. The opinion shall be submitted with the annual  
10 statement reflecting the valuation of such reserve liabilities  
11 for each year ending on or after December 31, 1992.

12         3. The opinion shall apply to all business in force,  
13 including individual and group health insurance plans, in the  
14 form and substance acceptable to the office ~~department~~ as  
15 specified by rule of the commission.

16         4. The commission ~~department~~ may adopt rules providing  
17 the standards of the actuarial opinion consistent with  
18 standards adopted by the Actuarial Standards Board on December  
19 31, 2002 ~~October 1, 1991~~, and subsequent revisions thereto,  
20 provided that the standards remain substantially consistent.

21         5. In the case of an opinion required to be submitted  
22 by a foreign or alien company, the office ~~department~~ may  
23 accept the opinion filed by that company with the insurance  
24 supervisory official of another state if the office ~~department~~  
25 determines that the opinion reasonably meets the requirements  
26 applicable to a company domiciled in this state.

27         6. For the purposes of this subsection, "qualified  
28 actuary" means a member in good standing of the American  
29 Academy of Actuaries who also meets the requirements specified  
30 by rule of the commission ~~department~~.

31

1           7. Disciplinary action by the office ~~department~~  
2 against the company or the qualified actuary shall be in  
3 accordance with the insurance code and related rules adopted  
4 by the commission ~~department~~.

5           8. A memorandum in the form and substance specified by  
6 rule shall be prepared to support each actuarial opinion.

7           9. If the insurance company fails to provide a  
8 supporting memorandum at the request of the office ~~department~~  
9 within a period specified by rule of the commission, or if the  
10 office ~~department~~ determines that the supporting memorandum  
11 provided by the insurance company fails to meet the standards  
12 prescribed by rule of the commission, the office ~~department~~  
13 may engage a qualified actuary at the expense of the company  
14 to review the opinion and the basis for the opinion and  
15 prepare such supporting memorandum as is required by the  
16 office ~~department~~.

17           10. Except as otherwise provided in this paragraph,  
18 any memorandum or other material in support of the opinion is  
19 confidential and exempt from the provisions of s. 119.07(1);  
20 however, the memorandum or other material may be released by  
21 the office ~~department~~ with the written consent of the company,  
22 or to the American Academy of Actuaries upon request stating  
23 that the memorandum or other material is required for the  
24 purpose of professional disciplinary proceedings and setting  
25 forth procedures satisfactory to the office ~~department~~ for  
26 preserving the confidentiality of the memorandum or other  
27 material. If any portion of the confidential memorandum is  
28 cited by the company in its marketing or is cited before any  
29 governmental agency other than a state insurance department or  
30 is released by the company to the news media, no portion of  
31 the memorandum is confidential.

1           (b) In addition to the opinion required by  
2 subparagraph (a)1., the office department may, pursuant to  
3 commission by rule, require an opinion of the same qualified  
4 actuary as to whether the reserves and related actuarial items  
5 held in support of the policies and contracts specified by the  
6 commission department by rule, when considered in light of the  
7 assets held by the company with respect to the reserves and  
8 related actuarial items, including but not limited to the  
9 investment earnings on the assets and considerations  
10 anticipated to be received and retained under the policies and  
11 contracts, make adequate provision for the company's  
12 obligations under the policies and contracts, including, but  
13 not limited to, the benefits under, and expenses associated  
14 with, the policies and contracts.

15           (c) The commission department may provide by rule for  
16 a transition period for establishing any higher reserves which  
17 the qualified actuary may deem necessary in order to render  
18 the opinion required by this subsection.

19           (4) MINIMUM STANDARD FOR VALUATION OF POLICIES AND  
20 CONTRACTS ISSUED BEFORE OPERATIVE DATE OF STANDARD  
21 NONFORFEITURE LAW.--The minimum standard for the valuation of  
22 all such policies and contracts issued prior to the operative  
23 date of s. 627.476 (Standard Nonforfeiture Law) shall be any  
24 basis satisfactory to the office department. Any basis  
25 satisfactory to the former Department of Insurance on the  
26 effective date of this code shall be deemed to meet such  
27 minimum standards.

28           (5) MINIMUM STANDARD FOR VALUATION OF POLICIES AND  
29 CONTRACTS ISSUED ON OR AFTER OPERATIVE DATE OF STANDARD  
30 NONFORFEITURE LAW.--Except as otherwise provided in paragraph  
31 (h) and subsections (6), (11), and (14), the minimum standard

1 for the valuation of all such policies and contracts issued on  
2 or after the operative date of s. 627.476 (Standard  
3 Nonforfeiture Law for Life Insurance) shall be the  
4 commissioners' reserve valuation method defined in subsections  
5 (7), (11), and (14); 5 percent interest for group annuity and  
6 pure endowment contracts and 3.5 percent interest for all  
7 other such policies and contracts, or in the case of life  
8 insurance policies and contracts, other than annuity and pure  
9 endowment contracts, issued on or after July 1, 1973, 4  
10 percent interest for such policies issued prior to October 1,  
11 1979, and 4.5 percent interest for such policies issued on or  
12 after October 1, 1979; and the following tables:

13 (c) For individual annuity and pure endowment  
14 contracts, excluding any disability and accidental death  
15 benefits in such policies, the 1937 Standard Annuity Mortality  
16 Table or, at the option of the insurer, the Annuity Mortality  
17 Table for 1949, Ultimate, or any modification of either of  
18 these tables approved by the office ~~department~~.

19 (d) For group annuity and pure endowment contracts,  
20 excluding any disability and accidental death benefits in such  
21 policies, the Group Annuity Mortality Table for 1951; any  
22 modification of such table approved by the office ~~department~~;  
23 or, at the option of the insurer, any of the tables or  
24 modifications of tables specified for individual annuity and  
25 pure endowment contracts.

26 (g) For group life insurance, life insurance issued on  
27 the substandard basis, and other special benefits, such tables  
28 as may be approved by the office ~~department~~ as being  
29 sufficient with relation to the benefits provided by such  
30 policies.

31

1           (h) Except as provided in subsection (6), the minimum  
2 standard for the valuation of all individual annuity and pure  
3 endowment contracts issued on or after the operative date of  
4 this paragraph and for all annuities and pure endowments  
5 purchased on or after such operative date under group annuity  
6 and pure endowment contracts shall be the commissioners'  
7 reserve valuation method defined in subsection (7) and the  
8 following tables and interest rates:

9           1. For individual annuity and pure endowment contracts  
10 issued prior to October 1, 1979, excluding any disability and  
11 accidental death benefits in such contracts, the 1971  
12 Individual Annuity Mortality Table, or any modification of  
13 this table approved by the office ~~department~~, and 6 percent  
14 interest for single-premium immediate annuity contracts and 4  
15 percent interest for all other individual annuity and pure  
16 endowment contracts.

17           2. For individual single-premium immediate annuity  
18 contracts issued on or after October 1, 1979, and prior to  
19 October 1, 1986, excluding any disability and accidental death

22 the office ~~department~~, and 7.5 percent interest. For such  
23 contracts issued on or after October 1, 1986, the 1983  
24 Individual Annual Mortality Table, or any modification of such  
25 table approved by the office ~~department~~, and the applicable  
26 calendar year statutory valuation interest rate as described  
27 in subsection (6).

28           3. For individual annuity and pure endowment contracts

1 contracts, the 1971 Individual Annuity Mortality Table, or any  
2 modification of this table approved by the office ~~department~~,  
3 and 5.5 percent interest for single-premium deferred annuity  
4 and pure endowment contracts and 4.5 percent interest for all  
5 other such individual annuity and pure endowment contracts.  
6 For such contracts issued on or after October 1, 1986, the

9 applicable calendar year statutory valuation interest rate as  
10 described in subsection (6).

11 4. For all annuities and pure endowments purchased  
12 prior to October 1, 1979, under group annuity and pure  
13 endowment contracts, excluding any disability and accidental

21 contracts, the 1971 Group Annuity Mortality Table, or any

28  
29 After July 1, 1973, any insurer may have filed ~~file~~ with the  
30 former Department of Insurance a written notice of its  
31 election to comply with the provisions of this paragraph after

1 a specified date before January 1, 1979, which shall be the  
2 operative date of this paragraph for such insurer. However, an  
3 insurer may elect a different operative date for individual  
4 annuity and pure endowment contracts from that elected for  
5 group annuity and pure endowment contracts. If an insurer  
6 makes no such election, the operative date of this paragraph  
7 for such insurer shall be January 1, 1979.

8 (i) In lieu of the mortality tables specified in this  
9 subsection, and subject to rules previously adopted by the  
10 former Department of Insurance, the insurance company may, at  
11 its option:

12 1. Substitute the applicable 1958 CSO or CET Smoker  
13 and Nonsmoker Mortality Tables, in lieu of the 1980 CSO or CET  
14 mortality table standard, for policies issued on or after the  
15 operative date of s. 627.476(9) and before January 1, 1989.

16 2. Substitute the applicable 1980 CSO or CET Smoker  
17 and Nonsmoker Mortality Tables in lieu of the 1980 CSO or CET  
18 mortality table standard;

19 3. Use the Annuity 2000 Mortality Table for  
20 determining the minimum standard of valuation for individual  
21 annuity and pure endowment contracts issued on or after  
22 January 1, 1998, and before July 1, 1998 ~~the operative date of~~  
23 ~~this section until the department, on a date certain that is~~  
24 ~~on or after January 1, 1998, adopts by rule that table for~~  
25 ~~determining the minimum standard for valuation purposes.~~

26 4. Use the 1994 GAR Table for determining the minimum  
27 standard of valuation for annuities and pure endowments  
28 purchased on or after January 1, 1998, and before July 1,  
29 1998, ~~the operative date of this section~~ under group annuity  
30 and pure endowment contracts ~~until the department, on a date~~  
31 ~~certain that is on or after January 1, 1998, adopts by rule~~

1 ~~that table for determining the minimum standard for valuation~~  
2 ~~purposes.~~

3 (j) The commission ~~department~~ may adopt by rule the  
4 model regulation for valuation of life insurance policies as  
5 approved by the National Association of Insurance  
6 Commissioners in March 1999, including tables of select  
7 mortality factors, and may make the regulation effective for  
8 policies issued on or after January 1, 2000.

9 (6) MINIMUM STANDARD OF VALUATION.--

10 (e) The interest rate index shall be the Moody's  
11 Corporate Bond Yield Average-Monthly Average Corporates as  
12 published by Moody's Investors Service, Inc., as long as this  
13 index is calculated by using substantially the same  
14 methodology as used by it on January 1, 1981. If Moody's  
15 corporate bond yield average ceases to be calculated in this  
16 manner, the interest rate index shall be the index approved by  
17 rule promulgated by the commission ~~department~~. The methodology  
18 used in determining the index approved by rule shall be  
19 substantially the same as the methodology employed on January  
20 1, 1981, for determining Moody's Corporate Bond Yield  
21 Average-Monthly Average Corporates as published by Moody's  
22 Investors Services, Inc.

23 (10) LOWER VALUATIONS.--An insurer which at any time  
24 had adopted any standard of valuation producing greater  
25 aggregate reserves than those calculated according to the  
26 minimum standard herein provided may, with the approval of the  
27 office ~~department~~, adopt any lower standard of valuation, but  
28 not lower than the minimum herein provided; however, for the  
29 purposes of this subsection, the holding of additional  
30 reserves previously determined by a qualified actuary to be  
31 necessary to render the opinion required by subsection (3)

1 shall not be deemed to be the adoption of a higher standard of  
2 valuation.

3 (12) ALTERNATE METHOD FOR DETERMINING RESERVES IN  
4 CERTAIN CASES.--In the case of any plan of life insurance  
5 which provides for future premium determination, the amounts  
6 of which are to be determined by the insurer based on then  
7 estimates of future experience, or in the case of any plan of  
8 life insurance or annuity which is of such a nature that the  
9 minimum reserves cannot be determined by the methods described  
10 in subsection (7), the reserves which are held under any such  
11 plan shall:

12 (b) Be computed by a method which is consistent with  
13 the principles of this section, as determined by rules  
14 promulgated by the commission ~~department~~.

15 (14) MINIMUM STANDARDS FOR HEALTH PLANS.--The  
16 commission ~~department~~ shall adopt a rule containing the  
17 minimum standards applicable to the valuation of health plans  
18 in accordance with sound actuarial principles.

19 Section 873. Subsection (2) of section 625.131,  
20 Florida Statutes, is amended to read:

21 625.131 Credit life and disability policies, special  
22 reserve bases.--

23 (2) As to single-premium credit life insurance  
24 policies, the insurer shall establish and maintain reserves  
25 which are not less than the value, at the valuation date, of  
26 the risk for the unexpired portion of the period for which the  
27 premium has been paid as computed on the basis of the  
28 commissioners' 1980 Standard Ordinary Mortality Table and 3.5  
29 percent interest. At the discretion of the office ~~department~~,  
30 the insurer may make a reasonable assumption as to the ages at  
31 which net premiums are to be determined. In lieu of the

1 foregoing basis, reserves based upon unearned gross premiums  
2 may be used at the option of the insurer.

3 Section 874. Section 625.141, Florida Statutes, is  
4 amended to read:

5 625.141 Valuation of bonds.--

6 (1) All bonds or other evidences of debt having a  
7 fixed term and rate of interest held by an insurer may, if  
8 amply secured and not in default as to principal or interest,  
9 be valued as follows:

10 (a) If purchased at par, at the par value.

11 (b) If purchased above or below par, on the basis of  
12 the purchase price adjusted so as to bring the value to par at  
13 maturity and so as to yield in the meantime the effective rate  
14 of interest at which the purchase was made, or in lieu of such  
15 method, according to such accepted method of valuation as is  
16 approved by the commission department.

17 (c) Purchase price shall in no case be taken at a  
18 higher figure than the actual market value at the time of  
19 purchase, plus actual brokerage, transfer, postage, or express  
20 charges paid in the acquisition of such securities.

21 (2) The office ~~department~~ shall have full discretion  
22 in determining the method of calculating values according to  
23 the rules set forth in this section, but no such method or  
24 valuation shall be inconsistent with the method formulated or  
25 approved by the National Association of Insurance  
26 Commissioners or its successor organization and set forth in  
27 the latest edition of its publication "Valuation of  
28 Securities"; provided that such valuation methodology is  
29 substantially similar to the methodology used by the National  
30 Association of Insurance Commissioners in its July 1, 2002,  
31 ~~2001~~ edition of such publication. Amortization of bond premium

1 or discount must be calculated using the scientific (constant  
2 yield) interest method taking into consideration specified  
3 interest and principal provisions over the life of the bond.  
4 Bonds containing call provisions shall be amortized to the  
5 call or maturity value or date that produces the lowest asset  
6 value.

7 Section 875. Subsections (1), (2), and (4) of section  
8 625.151, Florida Statutes, are amended to read:

9 625.151 Valuation of other securities.--

10 (1) Securities, other than those referred to in s.  
11 625.141, held by an insurer shall be valued, in the discretion  
12 of the office ~~department~~, at their market value, or at their  
13 appraised value, or at prices determined by it as representing  
14 their fair market value.

15 (2) Preferred or guaranteed stocks or shares while  
16 paying full dividends may be carried at a fixed value in lieu  
17 of market value, at the discretion of the office ~~department~~  
18 and in accordance with such method of valuation as it may  
19 approve.

20 (4) No valuations under this section shall be  
21 inconsistent with any applicable valuation or method contained  
22 in the latest edition of the publication "Valuation of  
23 Securities" published by the National Association of Insurance  
24 Commissioners or its successor organization; provided that  
25 such valuation methodology is substantially similar to the  
26 methodology used by the National Association of Insurance  
27 Commissioners in its July 1, 2002, 1988 edition of such  
28 publication.

29 Section 876. Subsections (1), (2), (3), and (5) of  
30 section 625.161, Florida Statutes, are amended to read:

31 625.161 Valuation of property.--

1           (1) Real property owned by an insurer which is  
2 reported in financial statements filed with the office  
3 ~~department~~ shall be valued at the lower of depreciated cost or  
4 fair market value.

5           (2) Real property acquired pursuant to a mortgage loan  
6 or contract for sale, in the absence of a recent appraisal  
7 deemed by the office ~~department~~ to be reliable, shall not be  
8 valued at an amount greater than the unpaid principal and  
9 accrued interest of the defaulted loan or contract at the date  
10 of such acquisition, together with any taxes and expenses paid  
11 or incurred in connection with such acquisition, and the cost  
12 of improvements thereafter made by the insurer and any amounts  
13 thereafter paid by the insurer on assessments levied for  
14 improvements in connection with the property.

15           (3) Other real property held by an insurer shall not  
16 be valued at an amount in excess of fair value as determined  
17 by recent appraisal. If the valuation of real property is  
18 based on an appraisal more than 5 years old, the office  
19 ~~department~~ may, at its discretion, call for and require a new  
20 appraisal in order to determine fair market value.

21           (5) In carrying out its responsibilities under this  
22 section, in the event that the office ~~department~~ and the  
23 insurer do not agree on the value of real or personal property  
24 of such insurer, the office ~~department~~ may retain the services  
25 of a qualified real or personal property appraiser. In the  
26 event it is subsequently determined that the insurer has  
27 overvalued assets, the office ~~department~~ shall be reimbursed  
28 for the costs of the services of any such appraiser incurred  
29 with respect to its responsibilities under this section  
30 regarding an insurer by said insurer and any reimbursement

31

1 shall be deposited in the Insurance ~~Commissioner's~~ Regulatory  
2 Trust Fund.

3 Section 877. Section 625.172, Florida Statutes, is  
4 amended to read:

5 625.172 Replacing certain assets; reporting certain  
6 liabilities.--

7 (1) The office department, upon determining that an  
8 insurer's asset has not been evaluated according to applicable  
9 law or that it does not qualify as an asset, shall require the  
10 insurer to properly reevaluate the asset or replace the asset  
11 with an asset suitable to the office department.

12 (2) The office department, upon determining that an  
13 insurer has failed to report certain liabilities that should  
14 have been reported, shall require that the insurer report such  
15 liabilities to the office department within 90 days.

16 (3) If it is determined that the proper valuation of  
17 an asset or the establishment of certain liabilities would  
18 place the insurer in financial impairment or insolvency, the  
19 office department may, at its discretion, immediately suspend  
20 the certificate of authority of an insurer or take other  
21 action it deems appropriate to protect the interests of  
22 policyholders or the general public.

23 Section 878. Section 625.181, Florida Statutes, is  
24 amended to read:

25 625.181 Assets received as capital or surplus  
26 contributions.--Assets received by an insurer as a capital or  
27 surplus contribution shall, for purposes of this code, be  
28 deemed to be purchased by the insurer at a cost equal to, in  
29 the discretion of the office department, their market value,

12 insurance in this state, the insurer shall file with the  
13 office ~~department~~ a duly attested copy of the contract or  
14 agreement of such reinsurance.

22 625.62 and this section; that the office or department has no  
23 information upon which to base a finding that the insurer or  
24 insurers named in the notice are not lawfully entitled to  
25 obtain the release and return of such deposits; and that,  
26 unless such information is presented to it within 90 days from  
27 the date specified in the notice, such deposits must be  
28 returned to the insurer or insurers. In the event that no such  
29 information is presented to the office or department within  
30 such 90-day period, it shall thereupon release and return the  
31 deposit or deposits as requested by the insurer or insurers

1 whose request was not challenged. In the event that such  
2 information is presented to the office or department within

18 of the alleged misconduct, the licensee shall, whenever so

10 unless the department or office files a formal administrative  
11 complaint, emergency order, or consent order against the  
12 licensee. Nothing in this subsection shall be construed to  
13 prevent the department or office from disclosing the complaint  
14 or such information as it deems necessary to conduct the  
15 investigation, to update the complainant as to the status and  
16 outcome of the complaint, or to share such information with

12 or are likely to recur.

13 (2) No person or appointee under any license or

14 suspension, revocation, or refusal to issue, renew, or  
15 continue any license or appointment issued under this chapter,  
16 or disapproval of a continuing education course provider,  
17 instructor, school official, or monitor groups, the department  
18 or office may, in its discretion, in lieu of or in addition to  
19 such suspension or revocation, or in lieu of such refusal, or  
20 disapproval, and except on a second offense or when such  
21 suspension, revocation, or refusal is mandatory, impose upon  
22 the licensee, appointee, course provider, instructor, school  
23 official, or monitor group an administrative penalty in an  
24 amount up to \$500 or, if the department or office has found  
25 willful misconduct or willful violation on the part of the  
26 licensee, appointee, course provider, instructor, school  
27 official, or monitor group up to \$3,500. The administrative  
28 penalty may, in the discretion of the department or office, be  
29 augmented by an amount equal to any commissions received by or  
30 accruing to the credit of the licensee or appointee in

31

1 connection with any transaction as to which the grounds for  
2 suspension, revocation, or refusal related.

3 (2) With respect to insurance agencies, if the

8 suspension or revocation, or in lieu of such refusal, impose  
9 upon the licensee an administrative penalty in an amount not  
10 to exceed \$10,000 per violation. The administrative penalty  
11 may, in the discretion of the department, be augmented by an  
12 amount equal to any commissions received by or accruing to the  
13 credit of the licensee in connection with any transaction as  
14 to which the grounds for suspension, revocation, or refusal  
15 related.

16 (3) The department or office may allow the licensee,  
17 appointee, or continuing education course provider,  
18 instructor, school official, or monitor group a reasonable  
19 period, not to exceed 30 days, within which to pay to the  
20 department or office the amount of the penalty so imposed. If  
21 the licensee, appointee, course provider, instructor, school  
22 official, or monitor group fails to pay the penalty in its  
23 entirety to the department or office within the period so  
24 allowed, the license, appointments, approval, or status of  
25 that person shall stand suspended or revoked or issuance,  
26 renewal, or continuation shall be refused, as the case may be,  
27 upon expiration of such period.

29 amended to read:

30 626.691 Probation.--

31

1           (1) If the department or office finds that one or more  
2 grounds exist for the suspension, revocation, or refusal to  
3 renew or continue any license or appointment issued under this  
4 part, the department or office may, in its discretion, except  
5 when an administrative fine is not permissible under s.  
6 626.681 or when such suspension, revocation, or refusal is  
7 mandatory, in lieu of or in addition to such suspension or  
8 revocation, or in lieu of such refusal, or in connection with  
9 any administrative monetary penalty imposed under s. 626.681,  
10 place the offending licensee or appointee on probation for a  
11 period, not to exceed 2 years, as specified by the department  
12 or office in its order.

14 therewith, the department or office may specify in its order  
15 reasonable terms and conditions to be fulfilled by the  
16 probationer during the probation period. If during the  
17 probation period the department or office has good cause to  
18 believe that the probationer has violated a term or condition,  
19 it shall suspend, revoke, or refuse to issue, renew, or  
20 continue the license or appointment of the probationer, as  
21 upon the original grounds referred to in subsection (1).
