25 the following:

26           1. An applicant who is licensed as a resident public

23 faith and without detriment to the public.

24           (e) Has had sufficient experience, training, or  
25 instruction concerning the adjusting of damages or losses

2 with whom he or she may have business as a public adjuster.

3 (2) The applicant shall furnish the following with his  
4 or her application:

21 signed by the insurance commissioner or his or her deputy or  
22 the appropriate licensing official and must disclose whether  
23 the adjuster has ever had any license or eligibility to hold  
24 any license declined, denied, suspended, revoked, or placed on  
25 probation or whether an administrative fine or penalty has  
26 been levied against the adjuster and, if so, the reason for  
27 the action.

28 (c) If the applicant's state of residence does not  
29 require licensure as a public adjuster and the applicant has  
30 been licensed as a resident insurance adjuster, agent, broker,  
31 or other insurance representative in his or her state of

1 residence or any other state within the past 3 years, a  
2 certificate or letter of authorization from the licensing  
3 authority stating that the applicant holds or has held a  
4 license to act as such an insurance adjuster, agent, or other  
5 insurance representative. The certificate or letter of  
6 authorization must be signed by the insurance commissioner or

20 adjuster under the license applied for. The bond must be in  
21 favor of the office ~~department~~ and must specifically authorize  
22 recovery by the office ~~department~~ of the damages sustained if  
23 the licensee commits fraud or unfair practices in connection  
24 with his or her business as nonresident public adjuster. The  
25 aggregate liability of the surety for all the damages may not  
26 exceed the amount of the bond. The bond may not be terminated  
27 unless at least 30 days' written notice is given to the  
28 licensee and filed with the office ~~department~~.

30 transactions under the license of a nonresident public  
31 adjuster must be retained for at least 3 years after

1 completion of the adjustment and must be made available in  
2 this state to the office ~~department~~ upon request. The failure  
3 of a nonresident public adjuster to properly maintain records  
4 and make them available to the office ~~department~~ upon request  
5 constitutes grounds for the immediate suspension of the  
6 license issued under this section.

7 (5) After licensure as a nonresident public adjuster,  
8 as a condition of doing business in this state, the licensee  
9 must annually on or before January 1, on a form prescribed by  
10 the commission ~~department~~, submit an affidavit certifying that  
11 the licensee is familiar with and understands the insurance  
12 code and rules adopted thereunder and the provisions of the

14 filing requirement is a condition precedent to the issuance,  
15 continuation, reinstatement, or renewal of a nonresident  
16 public adjuster's appointment.

17 Section 989. Subsections (1), (3), and (4) of section  
18 626.8734, Florida Statutes, are amended to read:

20 qualifications.--

21 (1) The office ~~department~~ shall, upon application  
22 therefor, issue a license to an applicant for a nonresident

25 s. 624.501 and:

26 (a) Is a natural person at least 18 years of age.

28 ~~department~~ a written Florida independent adjuster's

30 the requirement for the examination does not apply to any of  
31 the following:

1           1. An applicant who is licensed as a resident  
2 independent adjuster in his or her state of residence when  
3 that state requires the passing of a written examination in  
4 order to obtain the license and a reciprocal agreement with  
5 the appropriate official of that state has been entered into  
6 by the office ~~department~~; or

7           2. An applicant who is licensed as a nonresident  
8 independent adjuster in a state other than his or her state of  
9 residence when the state of licensure requires the passing of  
10 a written examination in order to obtain the license and a  
11 reciprocal agreement with the appropriate official of the  
12 state of licensure has been entered into by the office  
13 ~~department~~.

19 amount specified in s. 624.501 must be paid to the office  
20 ~~department~~ in advance. The appointment of a nonresident  
21 independent adjuster shall continue in force until suspended,  
22 revoked, or otherwise terminated, but subject to biennial  
23 renewal or continuation by the licensee in accordance with  
24 procedures prescribed in s. 626.381 for licensees in general.

25           (d) Is trustworthy and has such business reputation as

30 instruction concerning the adjusting of damages or losses  
31 under insurance contracts, other than life and annuity

1 contracts; is sufficiently informed as to the terms and  
2 effects of the provisions of those types of insurance  
3 contracts; and possesses adequate knowledge of the laws of  
4 this state relating to such contracts as to enable and qualify  
5 him or her to engage in the business of insurance adjuster  
6 fairly and without injury to the public or any member thereof  
7 with whom he or she may have business as an independent  
8 adjuster.

9 (3) The usual and customary records pertaining to  
10 transactions under the license of a nonresident independent  
11 adjuster must be retained for at least 3 years after  
12 completion of the adjustment and must be made available in  
13 this state to the office ~~department~~ upon request. The failure  
14 of a nonresident independent adjuster to properly maintain  
15 records and make them available to the office ~~department~~ upon  
16 request constitutes grounds for the immediate suspension of  
17 the license issued under this section.

18 (4) After licensure as a nonresident independent  
19 adjuster, as a condition of doing business in this state, the  
20 licensee must annually on or before January 1, on a form  
21 prescribed by the commission ~~department~~, submit an affidavit  
22 certifying that the licensee is familiar with and understands  
23 the insurance laws and administrative rules of this state and  
24 the provisions of the contracts negotiated or to be  
25 negotiated. Compliance with this filing requirement is a  
26 condition precedent to the issuance, continuation,  
27 reinstatement, or renewal of a nonresident independent  
28 adjuster's appointment.

28 (2) In addition to the procedure for service of  
29 process on unauthorized insurers or persons representing or  
30 aiding such insurers contained in ss. 626.906 and 626.907, the  
31 office or department shall have the right to bring any action,

1 suit, or proceeding in the name of the state or conduct any  
2 proceeding, examination, or hearing provided for in this code  
3 against any unauthorized insurer or person representing or  
4 aiding such insurer for violation of any lawful order of the  
5 office or department or any provision of this code,  
6 specifically including but not limited to the regulation of  
7 trade practices provided for in part IX of this chapter, if  
8 the insurer or person representing or aiding such insurer  
9 transacts insurance in this state as defined in ss. 624.10 and  
10 626.906 and the insurer does not transact such business under  
11 a subsisting certificate of authority as required by s.  
12 624.401. In the event the transaction of business is done by  
13 mail, the venue of the act is at the point where the matter  
14 transmitted by mail is delivered and takes effect.

15 (3) In addition to the right of action, suit, or  
16 proceeding authorized by subsection (2), the office or  
17 department shall have the right to bring a civil action in the  
18 name of the state, as parens patriae on behalf of any insured,  
19 beneficiary of any insured, claimant or dependent, or any  
20 other person or class of persons injured as a result of the  
21 transaction of any insurance business as defined in s. 626.906  
22 by any unauthorized insurer, as defined in s. 624.09 who is  
23 also an ineligible insurer as set forth in ss. 626.917 and  
24 626.918, or any person who represents or aids any unauthorized  
25 insurer, in violation of s. 626.901, to recover actual damages  
26 on behalf of individuals who were residents at the time the  
27 transaction occurred and the cost of such suit, including a  
28 reasonable attorney's fee. The court shall exclude from the  
29 amount of monetary relief awarded in such action any amount of  
30 monetary relief which duplicates amounts which have been  
31 awarded for the same injury.

1           (4) Transaction of business in this state, as so  
2 defined, by any unauthorized insurer or person representing or  
3 aiding such insurer shall be deemed consent by the insurer or  
4 person representing or aiding such insurer to the jurisdiction  
5 of the office or department in proceedings, examinations, and  
6 hearings before it as provided for in this code and shall  
7 constitute an irrevocable appointment by the insurer or person  
8 representing or aiding such insurer of the Secretary of State  
9 and his or her successor or successors in office as its true  
10 and lawful attorney upon whom may be served all lawful process  
11 in any action, suit, or proceeding in any court by the office  
12 or department or by the state and upon whom may be served all  
13 notices and orders of the office or department arising out of  
14 any such transaction of business; and such transaction of  
15 business shall constitute the agreement of the insurer or  
16 person representing or aiding such insurer that any such  
17 process against it or any such notice or order which is so  
18 served shall be of the same legal force and validity as if  
19 served personally within this state on the insurer or person  
20 representing or aiding such insurer. Service of process shall  
21 be in accordance with and in the same manner as now provided  
22 for service of process upon nonresidents under the provision  
23 of s. 48.161, and service of process shall also be valid if  
24 made as provided in s. 626.907(2).

25           (5) No plaintiff shall be entitled to a judgment by  
26 default or a decree pro confesso under this section until the  
27 expiration of 30 days after date of the filing of the  
28 affidavit of compliance.

29           (6) Nothing in this section shall limit or abridge the  
30 right to serve any process, notice, orders, or demand upon the  
31

1 insurer or person representing or aiding such insurer in any  
2 other manner now or hereafter permitted by law.

3 (7) Nothing in this section shall apply as to surplus  
4 lines insurance when written pursuant to the Surplus Lines  
5 Law, ss. 626.913-626.937, or as to transactions as to which a  
6 certificate of authority is not required of the insurer, as  
7 stated in s. 624.402.

8 Section 1012. Section 626.910, Florida Statutes, is  
9 amended to read:

10 626.910 Penalty for violation by unauthorized insurers  
11 and persons representing or aiding such insurers.--Any  
12 unauthorized insurer or person representing or aiding such  
13 insurer transacting insurance in this state and subject to  
14 service of process as referred to in s. 626.909 shall forfeit  
15 and pay to the state a civil penalty of not more than \$1,000  
16 for each nonwillful violation, or not more than \$10,000 for  
17 each willful violation, of any lawful order of the office or  
18 department or any provision of this code.

19 Section 1013. Section 626.912, Florida Statutes, is  
20 amended to read:

21 626.912 Exemptions from ss. 626.904-626.911.--The  
22 provisions of ss. 626.904-626.911 do not apply to any action,  
23 suit, or proceeding against any unauthorized foreign insurer,  
24 alien insurer, or person representing or aiding such an  
25 insurer arising out of any contract of insurance:

26 (1) Covering reinsurance, wet marine and  
27 transportation, commercial aircraft, or railway insurance  
28 risks;

29 (2) Against legal liability arising out of the  
30 ownership, operation, or maintenance of any property having a  
31 permanent situs outside this state;

1           (3) Against loss of or damage to any property having a  
2 permanent situs outside this state; or

3           (4) Issued under and in accordance with the Surplus  
4 Lines Law, when such insurer or person representing or aiding  
5 such insurer enters a general appearance or when such contract  
6 of insurance contains a provision designating the Chief  
7 Financial Officer ~~Insurance Commissioner and Treasurer and his~~  
8 ~~or her successor or successors in office~~ or designating a  
9 Florida resident agent to be the true and lawful attorney of  
10 such unauthorized insurer or person representing or aiding  
11 such insurer upon whom may be served all lawful process in any  
12 action, suit, or proceeding instituted by or on behalf of an  
13 insured or person representing or aiding such insurer or  
14 beneficiary arising out of any such contract of insurance; and  
15 service of process effected on such Chief Financial Officer  
16 ~~Insurance Commissioner and Treasurer, his or her successor or~~  
17 ~~successors in office,~~ or such resident agent shall be deemed  
18 to confer complete jurisdiction over such unauthorized insurer  
19 or person representing or aiding such insurer in such action.

20           Section 1014. Subsection (2) of section 626.914,  
21 Florida Statutes, is amended to read:

22           626.914 Definitions.--As used in this Surplus Lines  
23 Law, the term:

24           (2) "Eligible surplus lines insurer" means an  
25 unauthorized insurer which has been made eligible by the  
26 office department to issue insurance coverage under this  
27 Surplus Lines Law.

28           Section 1015. Subsections (1) and (2) of section  
29 626.916, Florida Statutes, are amended to read:

30           626.916 Eligibility for export.--

31

1 (1) No insurance coverage shall be eligible for export  
2 unless it meets all of the following conditions:

3 (a) The full amount of insurance required must not be  
4 procurable, after a diligent effort has been made by the  
5 producing agent to do so, from among the insurers authorized  
6 to transact and actually writing that kind and class of  
7 insurance in this state, and the amount of insurance exported  
8 shall be only the excess over the amount so procurable from  
9 authorized insurers. Surplus lines agents must verify that a  
10 diligent effort has been made by requiring a properly  
11 documented statement of diligent effort from the retail or  
12 producing agent. However, to be in compliance with the  
13 diligent effort requirement, the surplus lines agent's  
14 reliance must be reasonable under the particular circumstances  
15 surrounding the export of that particular risk. Reasonableness  
16 shall be assessed by taking into account factors which  
17 include, but are not limited to, a regularly conducted program  
18 of verification of the information provided by the retail or  
19 producing agent. Declinations must be documented on a  
20 risk-by-risk basis. If it is not possible to obtain the full  
21 amount of insurance required by layering the risk, it is  
22 permissible to export the full amount.

23 (b) The premium rate at which the coverage is exported  
24 shall not be lower than that rate applicable, if any, in  
25 actual and current use by a majority of the authorized  
26 insurers for the same coverage on a similar risk.

27 (c) The policy or contract form under which the  
28 insurance is exported shall not be more favorable to the  
29 insured as to the coverage or rate than under similar  
30 contracts on file and in actual current use in this state by  
31 the majority of authorized insurers actually writing similar

1 coverages on similar risks; except that a coverage may be  
2 exported under a unique form of policy designed for use with  
3 respect to a particular subject of insurance if a copy of such  
4 form is filed with the office ~~department~~ by the surplus lines  
5 agent desiring to use the same and is subject to the  
6 disapproval of the office ~~department~~ within 10 days of filing  
7 such form exclusive of Saturdays, Sundays, and legal holidays  
8 if it finds that the use of such special form is not  
9 reasonably necessary for the principal purposes of the  
10 coverage or that its use would be contrary to the purposes of  
11 this Surplus Lines Law with respect to the reasonable  
12 protection of authorized insurers from unwarranted competition  
13 by unauthorized insurers.

14 (d) Except as to extended coverage in connection with  
15 fire insurance policies and except as to windstorm insurance,  
16 the policy or contract under which the insurance is exported  
17 shall not provide for deductible amounts, in determining the  
18 existence or extent of the insurer's liability, other than  
19 those available under similar policies or contracts in actual  
20 and current use by one or more authorized insurers.

21 (2) The commission ~~department~~ may by rule ~~rules and~~  
22 ~~regulations~~ declare eligible for export generally, and  
23 notwithstanding the provisions of paragraphs (a), (b), (c),  
24 and (d) of subsection (1), any class or classes of insurance  
25 coverage or risk for which it finds, after a hearing, that  
26 there is no reasonable or adequate market among authorized  
27 insurers. Any such rules ~~and regulations~~ shall continue in  
28 effect during the existence of the conditions upon which  
29 predicated, but subject to termination by the commission  
30 ~~department~~.

31

1           Section 1016. Subsection (1) of section 626.917,  
2 Florida Statutes, is amended to read:

3           626.917 Eligibility for export; wet marine and  
4 transportation, aviation risks.--

5           (1) Insurance coverage of wet marine and  
6 transportation risks, as defined in this code in s.  
7 624.607(2), or aviation risks, including airport and products  
8 liability incidental thereto and hangarkeeper's liability, may  
9 be exported under the following conditions:

10           (a) The insurance must be placed only by or through a  
11 licensed Florida surplus lines agent; and

12           (b) The insurer must be one made eligible by the  
13 office ~~department~~ specifically for such coverages, based upon  
14 information furnished by the insurer and indicating that the  
15 insurer is well able to meet its financial obligations.

16           Section 1017. Section 626.918, Florida Statutes, is  
17 amended to read:

18           626.918 Eligible surplus lines insurers.--

19           (1) No surplus lines agent shall place any coverage  
20 with any unauthorized insurer which is not then an eligible  
21 surplus lines insurer, except as permitted under subsections  
22 (5) and (6).

23           (2) No unauthorized insurer shall be or become an  
24 eligible surplus lines insurer unless made eligible by the  
25 office ~~department~~ in accordance with the following conditions:

26           (a) Eligibility of the insurer must be requested in  
27 writing by the Florida Surplus Lines Service Office;

28           (b) The insurer must be currently an authorized  
29 insurer in the state or country of its domicile as to the kind  
30 or kinds of insurance proposed to be so placed and must have  
31 been such an insurer for not less than the 3 years next

1 preceding or must be the wholly owned subsidiary of such  
2 authorized insurer or must be the wholly owned subsidiary of  
3 an already eligible surplus lines insurer as to the kind or  
4 kinds of insurance proposed for a period of not less than the  
5 3 years next preceding. However, the office ~~department~~ may  
6 waive the 3-year requirement if the insurer provides a product  
7 or service not readily available to the consumers of this  
8 state or has operated successfully for a period of at least 1  
9 year next preceding and has capital and surplus of not less  
10 than \$25 million;

11 (c) Before granting eligibility, the requesting  
12 surplus lines agent or the insurer shall furnish the office  
13 ~~department~~ with a duly authenticated copy of its current  
14 annual financial statement in the English language and with  
15 all monetary values therein expressed in United States  
16 dollars, at an exchange rate (in the case of statements  
17 originally made in the currencies of other countries)  
18 then-current and shown in the statement, and with such  
19 additional information relative to the insurer as the office  
20 ~~department~~ may request;

21 (d)1. The insurer must have and maintain surplus as to  
22 policyholders of not less than \$15 million; in addition, an  
23 alien insurer must also have and maintain in the United States  
24 a trust fund for the protection of all its policyholders in  
25 the United States under terms deemed by the office ~~department~~  
26 to be reasonably adequate, in an amount not less than \$5.4  
27 million. Any such surplus as to policyholders or trust fund  
28 shall be represented by investments consisting of eligible  
29 investments for like funds of like domestic insurers under  
30 part II of chapter 625 provided, however, that in the case of  
31 an alien insurance company, any such surplus as to

1 policyholders may be represented by investments permitted by  
2 the domestic regulator of such alien insurance company if such  
3 investments are substantially similar in terms of quality,  
4 liquidity, and security to eligible investments for like funds  
5 of like domestic insurers under part II of chapter 625;

6 2. For those surplus lines insurers that were eligible  
7 on January 1, 1994, and that maintained their eligibility  
8 thereafter, the required surplus as to policyholders shall be:

9 a. On December 31, 1994, and until December 30, 1995,  
10 \$2.5 million.

11 b. On December 31, 1995, and until December 30, 1996,  
12 \$3.5 million.

13 c. On December 31, 1996, and until December 30, 1997,  
14 \$4.5 million.

15 d. On December 31, 1997, and until December 30, 1998,  
16 \$5.5 million.

17 e. On December 31, 1998, and until December 30, 1999,  
18 \$6.5 million.

19 f. On December 31, 1999, and until December 30, 2000,  
20 \$8 million.

21 g. On December 31, 2000, and until December 30, 2001,  
22 \$9.5 million.

23 h. On December 31, 2001, and until December 30, 2002,  
24 \$11 million.

25 i. On December 31, 2002, and until December 30, 2003,  
26 \$13 million.

27 j. On December 31, 2003, and thereafter, \$15 million.

28 3. The capital and surplus requirements as set forth  
29 in subparagraph 2. do not apply in the case of an insurance  
30 exchange created by the laws of individual states, where the  
31 exchange maintains capital and surplus pursuant to the

1 requirements of that state, or maintains capital and surplus  
2 in an amount not less than \$50 million in the aggregate. For  
3 an insurance exchange which maintains funds in the amount of  
4 at least \$12 million for the protection of all insurance  
5 exchange policyholders, each individual syndicate shall  
6 maintain minimum capital and surplus in an amount not less  
7 than \$3 million. If the insurance exchange does not maintain  
8 funds in the amount of at least \$12 million for the protection  
9 of all insurance exchange policyholders, each individual  
10 syndicate shall meet the minimum capital and surplus  
11 requirements set forth in subparagraph 2.;

12           4. A surplus lines insurer which is a member of an  
13 insurance holding company that includes a member which is a  
14 Florida domestic insurer as set forth in its holding company  
15 registration statement, as set forth in s. 628.801 and rules  
16 adopted thereunder, may elect to maintain surplus as to  
17 policyholders in an amount equal to the requirements of s.  
18 624.408, subject to the requirement that the surplus lines  
19 insurer shall at all times be in compliance with the  
20 requirements of chapter 625.

21  
22 The election shall be submitted to the office ~~department~~ and  
23 shall be effective upon the office's ~~department's~~ being  
24 satisfied that the requirements of subparagraph 4. have been  
25 met. The initial date of election shall be the date of office  
26 ~~department~~ approval. The election approval application shall  
27 be on a form adopted by commission ~~department~~ rule. The office  
28 ~~department~~ may approve an election form submitted pursuant to  
29 subparagraph 4. only if it was on file with the former  
30 Department of Insurance before February 28, 1998;

31

1           (e) The insurer must be of good reputation as to the  
2 providing of service to its policyholders and the payment of  
3 losses and claims;

4           (f) The insurer must be eligible, as for authority to  
5 transact insurance in this state, under s. 624.404(3); and

6           (g) This subsection does not apply as to unauthorized  
7 insurers made eligible under s. 626.917 as to wet marine and  
8 aviation risks.

9           (3) The office ~~department~~ shall from time to time  
10 publish a list of all currently eligible surplus lines  
11 insurers and shall mail a copy thereof to each licensed  
12 surplus lines agent at his or her office of record with the  
13 office ~~department~~.

14           (4) This section shall not be deemed to cast upon the  
15 office ~~department~~ any duty or responsibility to determine the  
16 actual financial condition or claims practices of any  
17 unauthorized insurer; and the status of eligibility, if  
18 granted by the office ~~department~~, shall indicate only that the  
19 insurer appears to be sound financially and to have  
20 satisfactory claims practices and that the office ~~department~~  
21 has no credible evidence to the contrary.

22           (5) When it appears that any particular insurance risk  
23 which is eligible for export, but on which insurance coverage,  
24 in whole or in part, is not procurable from the eligible  
25 surplus lines insurers, after a search of eligible surplus  
26 lines insurers, then the surplus lines agent may file a  
27 supplemental signed statement setting forth such facts and  
28 advising the office ~~department~~ that such part of the risk as  
29 shall be unprocurable, as aforesaid, is being placed with  
30 named unauthorized insurers, in the amounts and percentages  
31 set forth in the statement. Such named unauthorized insurer

1 shall, however, before accepting any risk in this state,  
2 deposit with the department cash or securities acceptable to  
3 the office and department of the market value of \$50,000 for  
4 each individual risk, contract, or certificate, which deposit  
5 shall be held by the department for the benefit of Florida  
6 policyholders only; and the surplus lines agent shall procure  
7 from such unauthorized insurer and file with the office  
8 ~~department~~ a certified copy of its statement of condition as  
9 of the close of the last calendar year. If such statement  
10 reveals, including both capital and surplus, net assets of at  
11 least that amount required for licensure of a domestic  
12 insurer, then the surplus lines agent may proceed to  
13 consummate such contract of insurance. Whenever any insurance  
14 risk, or any part thereof, is placed with an unauthorized  
15 insurer, as provided herein, the policy, binder, or cover note  
16 shall contain a statement signed by the insured and the agent  
17 with the following notation: "The insured is aware that  
18 certain insurers participating in this risk have not been  
19 approved to transact business in Florida nor have they been  
20 declared eligible as surplus lines insurers by the Office of  
21 Insurance Regulation ~~Department of Insurance~~ of Florida. The  
22 placing of such insurance by a duly licensed surplus lines  
23 agent in Florida shall not be construed as approval of such  
24 insurer by the Office of Insurance Regulation ~~Department of~~  
25 ~~Insurance~~ of Florida. Consequently, the insured is aware that  
26 the insured has severely limited the assistance available  
27 under the insurance laws of Florida. The insured is further  
28 aware that he or she may be charged a reasonable per policy  
29 fee, as provided in s. 626.916(4), Florida Statutes, for each  
30 policy certified for export." All other provisions of this  
31

1 code shall apply to such placement the same as if such risks  
2 were placed with an eligible surplus lines insurer.

3 (6) When any particular insurance risk subject to  
4 subsection (5) is eligible for placement with an unauthorized  
5 insurer and not more than 12.5 percent of the risk is so  
6 subject, the office ~~Department of Insurance~~ may, at its  
7 discretion, permit the agent to obtain from the insured a  
8 signed statement as indicated in subsection (5). All other  
9 provisions of this code apply to such placement the same as if  
10 such risks were placed with an eligible surplus lines insurer.

11 Section 1018. Section 626.919, Florida Statutes, is  
12 amended to read:

13 626.919 Withdrawal of eligibility; surplus lines  
14 insurer.--

15 (1) If at any time the office ~~department~~ has reason to  
16 believe that any unauthorized insurer then on the list of  
17 eligible surplus lines insurers is insolvent or in unsound  
18 financial condition, or does not make reasonable prompt  
19 payment of just losses and claims in this state, or that it is  
20 no longer eligible under the conditions therefor provided in  
21 s. 626.918, it shall withdraw the eligibility of the insurer  
22 to insure surplus lines risks in this state.

23 (2) If the office ~~department~~ finds that an insurer  
24 currently eligible as a surplus lines insurer has willfully  
25 violated the laws of this state or a rule of the commission  
26 ~~department~~, it may, in its discretion, withdraw the  
27 eligibility of the insurer to insure surplus lines risks in  
28 this state.

29 (3) The office ~~department~~ shall promptly mail notice  
30 of all such withdrawals of eligibility to each surplus lines  
31 agent at his or her address of record with the department.

1           Section 1019. Subsection (8) of section 626.921,  
2 Florida Statutes, is amended to read:

3           626.921 Florida Surplus Lines Service Office.--

4           (8)(a) Information furnished to the department under  
5 s. 626.923 or contained in the records subject to examination  
6 by the department under s. 626.930 is confidential and exempt  
7 from the provisions of s. 119.07(1) and s. 24(a), Art. I of  
8 the State Constitution if the disclosure of the information  
9 would reveal information specific to a particular policy or  
10 policyholder. The exemption does not apply to any proceeding  
11 instituted by the department or office against an agent or  
12 insurer.

13           (b) Information furnished to the Florida Surplus Lines  
14 Service Office under the Surplus Lines Law is confidential and  
15 exempt from the provisions of s. 119.07(1) and s. 24(a), Art.  
16 I of the State Constitution if the disclosure of the  
17 information would reveal information specific to a particular  
18 policy or policyholder. This exemption does not prevent the  
19 disclosure of any information by the Florida Surplus Lines  
20 Service Office to the department, but the exemption applies to  
21 records obtained by the department from the Florida Surplus  
22 Lines Service Office. The exemption does not apply to any  
23 proceeding instituted by the department or office against an  
24 agent or insurer. This paragraph is subject to the Open  
25 Government Sunset Review Act of 1995 in accordance with s.  
26 119.15, and shall stand repealed on October 2, 2006, unless  
27 reviewed and saved from repeal through reenactment by the  
28 Legislature.

29           Section 1020. Subsection (5) of section 626.931,  
30 Florida Statutes, is amended to read:

31

1           626.931 Agent affidavit and insurer reporting  
2 requirements.--

3           (5) The department may ~~Insurance Commissioner shall~~  
4 ~~have the authority to~~ waive the filing requirements described  
5 in subsections (3) and (4).

6           Section 1021. Subsections (2) and (5) of section  
7 626.932, Florida Statutes, are amended to read:

8           626.932 Surplus lines tax.--

9           (2)(a) The surplus lines agent shall make payable to  
10 the department ~~of insurance~~ the tax related to each calendar  
11 quarter's business as reported to the Florida Surplus Lines

17 are not required by this code to be so filed and approved,  
18 premiums and charges in excess of or less than those specified  
19 in the policy and as fixed by the insurer. This provision  
20 shall not be deemed to prohibit the charging and collection,  
21 by surplus lines agents licensed under part VIII of this

8 unless the insurer's file contains information from which the  
9 insurer in good faith determines that the insured was  
10 substantially at fault in the accident.

11           b. An insurer which imposes and collects such a  
12 surcharge or which refuses to renew such policy shall, in  
13 conjunction with the notice of premium due or notice of  
14 nonrenewal, notify the named insured that he or she is

30 connection with the accident, but the operator of the other

9 lack of fault which are not rebutted by information in the  
10 insurer's file from which the insurer in good faith determines  
11 that the insured was substantially at fault.

12 c. In addition to the other provisions of this  
13 subparagraph, an insurer may not fail to renew a policy if the  
14 insured has had only one accident in which he or she was at  
15 fault within the current 3-year period. However, an insurer  
16 may nonrenew a policy for reasons other than accidents in  
17 accordance with s. 627.728. This subparagraph does not  
18 prohibit nonrenewal of a policy under which the insured has  
19 had three or more accidents, regardless of fault, during the  
20 most recent 3-year period.

21 4. Imposing or requesting an additional premium for,  
22 or refusing to renew, a policy for motor vehicle insurance  
23 solely because the insured committed a noncriminal traffic

31

1           5. Upon the request of the insured, the insurer and  
2 licensed agent shall supply to the insured the complete proof  
3 of fault or other criteria which justifies the additional  
4 charge or cancellation.

5           6. No insurer shall impose or request an additional  
6 premium for motor vehicle insurance, cancel or refuse to issue  
7 a policy, or refuse to renew a policy because the insured or  
8 the applicant is a handicapped or physically disabled person,  
9 so long as such handicap or physical disability does not  
10 substantially impair such person's mechanically assisted  
11 driving ability.

12           7. No insurer may cancel or otherwise terminate any  
13 insurance contract or coverage, or require execution of a  
14 consent to rate endorsement, during the stated policy term for  
15 the purpose of offering to issue, or issuing, a similar or  
16 identical contract or coverage to the same insured with the  
17 same exposure at a higher premium rate or continuing an  
18 existing contract or coverage with the same exposure at an  
19 increased premium.

20           8. No insurer may issue a nonrenewal notice on any  
21 insurance contract or coverage, or require execution of a  
22 consent to rate endorsement, for the purpose of offering to  
23 issue, or issuing, a similar or identical contract or coverage  
24 to the same insured at a higher premium rate or continuing an  
25 existing contract or coverage at an increased premium without  
26 meeting any applicable notice requirements.

27           9. No insurer shall, with respect to premiums charged  
28 for motor vehicle insurance, unfairly discriminate solely on  
29 the basis of age, sex, marital status, or scholastic  
30 achievement.

31

1           10. Imposing or requesting an additional premium for  
2 motor vehicle comprehensive or uninsured motorist coverage  
3 solely because the insured was involved in a motor vehicle  
4 accident or was convicted of a moving traffic violation.

5           11. No insurer shall cancel or issue a nonrenewal  
6 notice on any insurance policy or contract without complying  
7 with any applicable cancellation or nonrenewal provision  
8 required under the Florida Insurance Code.

9           12. No insurer shall impose or request an additional  
10 premium, cancel a policy, or issue a nonrenewal notice on any  
11 insurance policy or contract because of any traffic infraction  
12 when adjudication has been withheld and no points have been  
13 assessed pursuant to s. 318.14(9) and (10). However, this  
14 subparagraph does not apply to traffic infractions involving  
15 accidents in which the insurer has incurred a loss due to the  
16 fault of the insured.

17           (w) Soliciting or accepting new or renewal insurance  
18 risks by insolvent or impaired insurer prohibited; penalty.--

19           1. Whether or not delinquency proceedings as to the  
20 insurer have been or are to be initiated, but while such  
21 insolvency or impairment exists, no director or officer of an  
22 insurer, except with the written permission of the office  
23 ~~Department of Insurance~~, shall authorize or permit the insurer  
24 to solicit or accept new or renewal insurance risks in this  
25 state after such director or officer knew, or reasonably  
26 should have known, that the insurer was insolvent or impaired.  
27 "Impaired" includes impairment of capital or surplus, as  
28 defined in s. 631.011(12) and (13).

29           2. Any such director or officer, upon conviction of a  
30 violation of this paragraph, is guilty of a felony of the

31

1 third degree, punishable as provided in s. 775.082, s.  
2 775.083, or s. 775.084.

3 (aa) Churning.--

4 1. Churning is the practice whereby policy values in  
5 an existing life insurance policy or annuity contract,  
6 including, but not limited to, cash, loan values, or dividend  
7 values, and in any riders to that policy or contract, are  
8 utilized to purchase another insurance policy or annuity  
9 contract with that same insurer for the purpose of earning  
10 additional premiums, fees, commissions, or other compensation:

11 a. Without an objectively reasonable basis for  
12 believing that the replacement or extraction will result in an  
13 actual and demonstrable benefit to the policyholder;

14 b. In a fashion that is fraudulent, deceptive, or  
15 otherwise misleading or that involves a deceptive omission;

16 c. ~~Effective October 1, 1995,~~When the applicant is

20 replacing or additional policy or contract, if this is the  
21 case; or

22 d. ~~Effective October 1, 1995,~~Without informing the  
23 applicant that the replacing or additional policy or contract  
24 will not be a paid-up policy or that additional premiums will  
25 be due, if this is the case.

26  
27 Churning by an insurer or an agent is an unfair method of  
28 competition and an unfair or deceptive act or practice.

29 2. ~~Effective October 1, 1995,~~Each insurer shall  
30 comply with sub-subparagraphs 1.c. and 1.d. by disclosing to  
31 the applicant at the time of the offer on a form designed and

1 adopted by rule by the commission ~~department~~ if, how, and the  
2 extent to which the policy or contract values (including cash  
3 value, dividends, and other assets) of a previously issued  
4 policy or contract will be used to purchase a replacing or  
5 additional policy or contract with the same insurer. The form  
6 shall include disclosure of the premium, the death benefit of  
7 the proposed replacing or additional policy, and the date when  
8 the policy values of the existing policy or contract will be  
9 insufficient to pay the premiums of the replacing or  
10 additional policy or contract.

11 3. ~~Effective October 1, 1995,~~ Each insurer shall adopt  
12 written procedures to reasonably avoid churning of policies or  
13 contracts that it has issued, and failure to adopt written

15 unfair method of competition and an unfair or deceptive act or  
16 practice.

8 is effective immediately upon service of a copy of the order  
9 on the respondent and remains effective for 90 days. If the  
10 office or department begins nonemergency cease and desist  
11 proceedings under subsection (1), the emergency cease and  
12 desist order remains effective, absent an order by an  
13 appellate court of competent jurisdiction pursuant to s.

6 violated s. 120.57(1)(k) by substituting its findings of fact  
7 for findings of an administrative law judge which were  
8 supported by competent substantial evidence.

9           Section 1062. Section 627.0613, Florida Statutes, is  
10 amended to read:

11           627.0613 Consumer advocate.--The Chief Financial  
12 Officer ~~Insurance Commissioner~~ must appoint a consumer  
13 advocate who must represent the general public of the state  
14 before the department and the office. The consumer advocate  
15 must report directly to the Chief Financial Officer ~~Insurance~~  
16 ~~Commissioner~~, but is not otherwise under the authority of the  
17 department or of any employee of the department. The consumer  
18 advocate has such powers as are necessary to carry out the  
19 duties of the office of consumer advocate, including, but not  
20 limited to, the powers to:

21           (1) Recommend to the department or office, by  
22 petition, the commencement of any proceeding or action; appear  
23 in any proceeding or action before the department or office;  
24 or appear in any proceeding before the Division of  
25 Administrative Hearings relating to subject matter under the  
26 jurisdiction of the department or office.

27           (2) Have access to and use of all files, records, and  
28 data of the department or office.

29           (3) Examine rate and form filings submitted to the  
30 office ~~department~~, hire consultants as necessary to aid in the  
31 review process, and recommend to the department or office any

1 position deemed by the consumer advocate to be in the public  
2 interest.

3 (4) Prepare an annual budget for presentation to the  
4 Legislature by the department, which budget must be adequate  
5 to carry out the duties of the office of consumer advocate.

6 Section 1063. Subsections (2), (3), and (6) of section  
7 627.062, Florida Statutes, are amended to read:

8 627.062 Rate standards.--

9 (2) As to all such classes of insurance:

10 (a) Insurers or rating organizations shall establish  
11 and use rates, rating schedules, or rating manuals to allow  
12 the insurer a reasonable rate of return on such classes of  
13 insurance written in this state. A copy of rates, rating  
14 schedules, rating manuals, premium credits or discount  
15 schedules, and surcharge schedules, and changes thereto, shall  
16 be filed with the office ~~department~~ under one of the following  
17 procedures:

18 1. If the filing is made at least 90 days before the  
19 proposed effective date and the filing is not implemented  
20 during the office's ~~department's~~ review of the filing and any  
21 proceeding and judicial review, then such filing shall be  
22 considered a "file and use" filing. In such case, the office  
23 ~~department~~ shall finalize its review by issuance of a notice  
24 of intent to approve or a notice of intent to disapprove  
25 within 90 days after receipt of the filing. The notice of  
26 intent to approve and the notice of intent to disapprove  
27 constitute agency action for purposes of the Administrative  
28 Procedure Act. Requests for supporting information, requests  
29 for mathematical or mechanical corrections, or notification to  
30 the insurer by the office ~~department~~ of its preliminary  
31 findings shall not toll the 90-day period during any such

1 proceedings and subsequent judicial review. The rate shall be  
2 deemed approved if the office ~~department~~ does not issue a  
3 notice of intent to approve or a notice of intent to  
4 disapprove within 90 days after receipt of the filing.

5         2. If the filing is not made in accordance with the  
6 provisions of subparagraph 1., such filing shall be made as  
7 soon as practicable, but no later than 30 days after the  
8 effective date, and shall be considered a "use and file"  
9 filing. An insurer making a "use and file" filing is  
10 potentially subject to an order by the office ~~department~~ to  
11 return to policyholders portions of rates found to be  
12 excessive, as provided in paragraph (h).

13         (b) Upon receiving a rate filing, the office  
14 ~~department~~ shall review the rate filing to determine if a rate  
15 is excessive, inadequate, or unfairly discriminatory. In  
16 making that determination, the office ~~department~~ shall, in  
17 accordance with generally accepted and reasonable actuarial  
18 techniques, consider the following factors:

19             1. Past and prospective loss experience within and  
20 without this state.

21             2. Past and prospective expenses.

22             3. The degree of competition among insurers for the  
23 risk insured.

24             4. Investment income reasonably expected by the  
25 insurer, consistent with the insurer's investment practices,  
26 from investable premiums anticipated in the filing, plus any  
27 other expected income from currently invested assets  
28 representing the amount expected on unearned premium reserves  
29 and loss reserves. The commission ~~department~~ may adopt  
30 ~~promulgate~~ rules utilizing reasonable techniques of actuarial  
31 science and economics to specify the manner in which insurers

1 shall calculate investment income attributable to such classes  
2 of insurance written in this state and the manner in which  
3 such investment income shall be used in the calculation of  
4 insurance rates. Such manner shall contemplate allowances for  
5 an underwriting profit factor and full consideration of  
6 investment income which produce a reasonable rate of return;  
7 however, investment income from invested surplus shall not be  
8 considered. ~~The profit and contingency factor as specified in~~  
9 ~~the filing shall be utilized in computing excess profits in~~  
10 ~~conjunction with s. 627.0625.~~

11 5. The reasonableness of the judgment reflected in the  
12 filing.

13 6. Dividends, savings, or unabsorbed premium deposits  
14 allowed or returned to Florida policyholders, members, or  
15 subscribers.

16 7. The adequacy of loss reserves.

17 8. The cost of reinsurance.

18 9. Trend factors, including trends in actual losses  
19 per insured unit for the insurer making the filing.

20 10. Conflagration and catastrophe hazards, if  
21 applicable.

22 11. A reasonable margin for underwriting profit and  
23 contingencies.

24 12. The cost of medical services, if applicable.

25 13. Other relevant factors which impact upon the  
26 frequency or severity of claims or upon expenses.

27 (c) In the case of fire insurance rates, consideration  
28 shall be given to the availability of water supplies and the  
29 experience of the fire insurance business during a period of  
30 not less than the most recent 5-year period for which such  
31 experience is available.

1 (d) If conflagration or catastrophe hazards are given  
2 consideration by an insurer in its rates or rating plan,  
3 including surcharges and discounts, the insurer shall  
4 establish a reserve for that portion of the premium allocated  
5 to such hazard and shall maintain the premium in a catastrophe  
6 reserve. Any removal of such premiums from the reserve for  
7 purposes other than paying claims associated with a  
8 catastrophe or purchasing reinsurance for catastrophes shall  
9 be subject to approval of the office ~~department~~. Any ceding  
10 commission received by an insurer purchasing reinsurance for  
11 catastrophes shall be placed in the catastrophe reserve.

12 (e) After consideration of the rate factors provided  
13 in paragraphs (b), (c), and (d), a rate may be found by the  
14 office ~~department~~ to be excessive, inadequate, or unfairly  
15 discriminatory based upon the following standards:

16 1. Rates shall be deemed excessive if they are likely  
17 to produce a profit from Florida business that is unreasonably  
18 high in relation to the risk involved in the class of business  
19 or if expenses are unreasonably high in relation to services  
20 rendered.

21 2. Rates shall be deemed excessive if, among other  
22 things, the rate structure established by a stock insurance  
23 company provides for replenishment of surpluses from premiums,  
24 when the replenishment is attributable to investment losses.

25 3. Rates shall be deemed inadequate if they are  
26 clearly insufficient, together with the investment income  
27 attributable to them, to sustain projected losses and expenses  
28 in the class of business to which they apply.

29 4. A rating plan, including discounts, credits, or  
30 surcharges, shall be deemed unfairly discriminatory if it  
31 fails to clearly and equitably reflect consideration of the

1 policyholder's participation in a risk management program  
2 adopted pursuant to s. 627.0625.

3           5. A rate shall be deemed inadequate as to the premium  
4 charged to a risk or group of risks if discounts or credits  
5 are allowed which exceed a reasonable reflection of expense  
6 savings and reasonably expected loss experience from the risk  
7 or group of risks.

8           6. A rate shall be deemed unfairly discriminatory as  
9 to a risk or group of risks if the application of premium  
10 discounts, credits, or surcharges among such risks does not  
11 bear a reasonable relationship to the expected loss and  
12 expense experience among the various risks.

13           (f) In reviewing a rate filing, the office ~~department~~  
14 may require the insurer to provide at the insurer's expense  
15 all information necessary to evaluate the condition of the  
16 company and the reasonableness of the filing according to the  
17 criteria enumerated in this section.

18           (g) The office ~~department~~ may at any time review a  
19 rate, rating schedule, rating manual, or rate change; the  
20 pertinent records of the insurer; and market conditions. If  
21 the office ~~department~~ finds on a preliminary basis that a rate  
22 may be excessive, inadequate, or unfairly discriminatory, the  
23 office ~~department~~ shall initiate proceedings to disapprove the  
24 rate and shall so notify the insurer. However, the office  
25 ~~department~~ may not disapprove as excessive any rate for which  
26 it has given final approval or which has been deemed approved  
27 for a period of 1 year after the effective date of the filing  
28 unless the office ~~department~~ finds that a material  
29 misrepresentation or material error was made by the insurer or  
30 was contained in the filing. Upon being so notified, the  
31 insurer or rating organization shall, within 60 days, file

1 with the office ~~department~~ all information which, in the  
2 belief of the insurer or organization, proves the  
3 reasonableness, adequacy, and fairness of the rate or rate  
4 change. The office ~~department~~ shall issue a notice of intent  
5 to approve or a notice of intent to disapprove pursuant to the  
6 procedures of paragraph (a) within 90 days after receipt of  
7 the insurer's initial response. In such instances and in any  
8 administrative proceeding relating to the legality of the  
9 rate, the insurer or rating organization shall carry the  
10 burden of proof by a preponderance of the evidence to show  
11 that the rate is not excessive, inadequate, or unfairly  
12 discriminatory. After the office ~~department~~ notifies an  
13 insurer that a rate may be excessive, inadequate, or unfairly  
14 discriminatory, unless the office ~~department~~ withdraws the  
15 notification, the insurer shall not alter the rate except to  
16 conform with the office's ~~department's~~ notice until the  
17 earlier of 120 days after the date the notification was  
18 provided or 180 days after the date of the implementation of  
19 the rate. The office ~~department~~ may, subject to chapter 120,  
20 disapprove without the 60-day notification any rate increase  
21 filed by an insurer within the prohibited time period or  
22 during the time that the legality of the increased rate is  
23 being contested.

24 (h) In the event the office ~~department~~ finds that a  
25 rate or rate change is excessive, inadequate, or unfairly  
26 discriminatory, the office ~~department~~ shall issue an order of  
27 disapproval specifying that a new rate or rate schedule which  
28 responds to the findings of the office ~~department~~ be filed by  
29 the insurer. The office ~~department~~ shall further order, for  
30 any "use and file" filing made in accordance with subparagraph  
31 (a)2., that premiums charged each policyholder constituting

1 the portion of the rate above that which was actuarially  
2 justified be returned to such policyholder in the form of a  
3 credit or refund. If the office ~~department~~ finds that an  
4 insurer's rate or rate change is inadequate, the new rate or  
5 rate schedule filed with the office ~~department~~ in response to  
6 such a finding shall be applicable only to new or renewal  
7 business of the insurer written on or after the effective date  
8 of the responsive filing.

9 (i) Except as otherwise specifically provided in this  
10 chapter, the office ~~department~~ shall not prohibit any insurer,  
11 including any residual market plan or joint underwriting  
12 association, from paying acquisition costs based on the full  
13 amount of premium, as defined in s. 627.403, applicable to any  
14 policy, or prohibit any such insurer from including the full  
15 amount of acquisition costs in a rate filing.

16

17 The provisions of this subsection shall not apply to workers'  
18 compensation and employer's liability insurance and to motor  
19 vehicle insurance.

20 (3)(a) For individual risks that are not rated in  
21 accordance with the insurer's rates, rating schedules, rating  
22 manuals, and underwriting rules filed with the office  
23 ~~department~~ and which have been submitted to the insurer for  
24 individual rating, the insurer must maintain documentation on  
25 each risk subject to individual risk rating. The  
26 documentation must identify the named insured and specify the  
27 characteristics and classification of the risk supporting the  
28 reason for the risk being individually risk rated, including  
29 any modifications to existing approved forms to be used on the  
30 risk. The insurer must maintain these records for a period of  
31 at least 5 years after the effective date of the policy.

1           (b) Individual risk rates and modifications to  
2 existing approved forms are not subject to this part or part  
3 II, except for paragraph (a) and ss. 627.402, 627.403,  
4 627.4035, 627.404, 627.405, 627.406, 627.407, 627.4085,  
5 627.409, 627.4132, 627.4133, 627.415, 627.416, 627.417,  
6 627.419, 627.425, 627.426, 627.4265, 627.427, and 627.428, but  
7 are subject to all other applicable provisions of this code  
8 and rules adopted thereunder.

9           (c) This subsection does not apply to private  
10 passenger motor vehicle insurance.

11           (6)(a) After any action with respect to a rate filing  
12 that constitutes agency action for purposes of the  
13 Administrative Procedure Act, an insurer may, in lieu of  
14 demanding a hearing under s. 120.57, require arbitration of  
15 the rate filing. Arbitration shall be conducted by a board of  
16 arbitrators consisting of an arbitrator selected by the office  
17 ~~department~~, an arbitrator selected by the insurer, and an  
18 arbitrator selected jointly by the other two arbitrators. Each  
19 arbitrator must be certified by the American Arbitration  
20 Association. A decision is valid only upon the affirmative  
21 vote of at least two of the arbitrators. No arbitrator may be  
22 an employee of any insurance regulator or regulatory body or  
23 of any insurer, regardless of whether or not the employing  
24 insurer does business in this state. The office ~~department~~ and  
25 the insurer must treat the decision of the arbitrators as the  
26 final approval of a rate filing. Costs of arbitration shall be  
27 paid by the insurer.

28           (b) Arbitration under this subsection shall be  
29 conducted pursuant to the procedures specified in ss.  
30 682.06-682.10. Either party may apply to the circuit court to  
31 vacate or modify the decision pursuant to s. 682.13 or s.

1 682.14. The commission ~~department~~ shall adopt rules for  
2 arbitration under this subsection, which rules may not be  
3 inconsistent with the arbitration rules of the American  
4 Arbitration Association as of January 1, 1996.

5 (c) Upon initiation of the arbitration process, the  
6 insurer waives all rights to challenge the action of the  
7 office ~~department~~ under the Administrative Procedure Act or  
8 any other provision of law; however, such rights are restored  
9 to the insurer if the arbitrators fail to render a decision  
10 within 90 days after initiation of the arbitration process.

11 Section 1064. Subsection (3) of section 627.0625,  
12 Florida Statutes, is amended to read:

13 627.0625 Commercial property and casualty risk  
14 management plans.--

9 enforce the provisions of this subsection.

11 subsection (2) and paragraph (c) of subsection (3) of section

9 (3) ADOPTION AND EFFECT OF STANDARDS AND GUIDELINES.--

10 (c) With respect to a rate filing under s. 627.062, an  
11 insurer may employ actuarial methods, principles, standards,  
12 models, or output ranges found by the commission to be  
13 accurate or reliable to determine hurricane loss factors for  
14 use in a rate filing under s. 627.062, which findings and  
15 factors are admissible and relevant in consideration of a rate  
16 filing by the office ~~department~~ or in any arbitration or  
17 administrative or judicial review.

18 Section 1066. Paragraph (b) of subsection (2) and  
19 subsections (5), (6), and (9) of section 627.0629, Florida  
20 Statutes, are amended to read:

21 627.0629 Residential property insurance; rate

23 (2)

26 ~~department~~ of a building code rating factor plan submitted by  
27 a statewide rating organization shall include positive and  
28 negative rate factors that reflect the manner in which  
29 building code enforcement in a particular jurisdiction  
30 addresses risk of wind damage. The rate filing shall include  
31 variations from standard rate factors on an individual basis

1 based on inspection of a particular structure by a licensed  
2 home inspector. If an inspection is requested by the insured,  
3 the insurer may require the insured to pay the reasonable cost  
4 of the inspection. This paragraph applies to structures  
5 constructed or renovated after the implementation of this  
6 paragraph.

7 (5) In order to provide an appropriate transition  
8 period, an insurer may, in its sole discretion, implement an  
9 approved rate filing for residential property insurance over a  
10 period of years. An insurer electing to phase in its rate  
11 filing must provide an informational notice to the office  
12 ~~department~~ setting out its schedule for implementation of the  
13 phased-in rate filing.

14 (6) An insurer may not write a residential property

17 does not apply with respect to risks located in an area

21 ~~627.351(2)~~.

22 (9) EVALUATION OF RESIDENTIAL PROPERTY STRUCTURAL  
23 SOUNDNESS.--

24 (a) It is the intent of the Legislature to provide a  
25 program whereby homeowners may obtain an evaluation of the  
26 wind resistance of their homes with respect to preventing  
27 damage from hurricanes, together with a recommendation of  
28 reasonable steps that may be taken to upgrade their homes to  
29 better withstand hurricane force winds.

30 (b) To the extent that funds are provided for this  
31 purpose in the General Appropriations Act, the Legislature

1 hereby authorizes the establishment of a program to be  
2 administered by the Citizens Property Insurance Corporation  
3 for homeowners insured in the high-risk account Florida  
4 ~~Windstorm Underwriting Association.~~

5 (c) The program shall provide grants to homeowners,  
6 for the purpose of providing homeowner applicants with funds  
7 to conduct an evaluation of the integrity of their homes with  
8 respect to withstanding hurricane force winds, recommendations  
9 to retrofit the homes to better withstand damage from such  
10 winds, and the estimated cost to make the recommended  
11 retrofits.

12 (d) The Department of Community Affairs shall  
13 establish by rule standards to govern the quality of the  
14 evaluation, the quality of the recommendations for  
15 retrofitting, the eligibility of the persons conducting the  
16 evaluation, and the selection of applicants under the program.  
17 In establishing the rule, the Department of Community Affairs  
18 shall consult with the advisory committee to minimize the  
19 possibility of fraud or abuse in the evaluation and

21 homeowners acting on the recommendations achieve positive  
22 results.

23 (e) The Citizens Property Insurance Corporation  
24 ~~Florida Windstorm Underwriting Association~~ shall identify  
25 areas of this state with the greatest wind risk to residential  
26 properties and recommend annually to the Department of  
27 Community Affairs priority target areas for such evaluations  
28 and inclusion with the associated residential construction  
29 mitigation program.

30 Section 1067. Subsection (1), paragraph (b) of  
31 subsection (2), paragraph (a) of subsection (3), and

1 subsections (6), (7), and (9) of section 627.0645, Florida  
2 Statutes, are amended to read:

3           627.0645 Annual filings.--

4           (1) Each rating organization filing rates for, and  
5 each insurer writing, any line of property or casualty  
6 insurance to which this part applies, except:

7           (a) Workers' compensation and employer's liability  
8 insurance; or

9           (b) Commercial property and casualty insurance as  
10 defined in s. 627.0625(1) other than commercial multiple line  
11 and commercial motor vehicle,

12

13 shall make an annual base rate filing for each such line with  
14 the office ~~department~~ no later than 12 months after its  
15 previous base rate filing, demonstrating that its rates are  
16 not inadequate.

17           (2)

18           (b) The office ~~department~~, after receiving a request  
19 to be exempted from the provisions of this section, may, for  
20 good cause due to insignificant numbers of policies in force  
21 or insignificant premium volume, exempt a company, by line of  
22 coverage, from filing rates or rate certification as required  
23 by this section.

24           (3) The filing requirements of this section shall be  
25 satisfied by one of the following methods:

26           (a) A rate filing prepared by an actuary which  
27 contains documentation demonstrating that the proposed rates  
28 are not excessive, inadequate, or unfairly discriminatory  
29 pursuant to the applicable rating laws and pursuant to rules  
30 of the commission ~~department~~.

31

1           (6) If at the time a filing is required under this  
2 section an insurer is in the process of completing a rate  
3 review, the insurer may apply to the office ~~department~~ for an  
4 extension of up to an additional 30 days in which to make the  
5 filing. The request for extension must be received by the  
6 office ~~department~~ no later than the date the filing is due.

7           (7) Nothing in this section limits the office's  
8 ~~department's~~ authority to review rates at any time or to find  
9 that a rate or rate change is excessive, inadequate, or  
10 unfairly discriminatory pursuant to s. 627.062.

11           (9) If an insurer fails to meet the filing  
12 requirements of this section and does not submit the filing  
13 within 60 days after the date the filing is due, the office  
14 ~~department~~ may, in addition to any other penalty authorized by  
15 law, order the insurer to discontinue the issuance of policies  
16 for the line of insurance for which the required filing was  
17 not made until such time as the office ~~department~~ determines  
18 that the required filing is properly submitted.

19           Section 1068. Subsection (1) of section 627.06501,  
20 Florida Statutes, is amended to read:

21           627.06501 Insurance discounts for certain persons  
22 completing driver improvement course.--

23           (1) Any rate, rating schedule, or rating manual for  
24 the liability, personal injury protection, and collision  
25 coverages of a motor vehicle insurance policy filed with the  
26 office ~~department~~ may provide for an appropriate reduction in  
27 premium charges as to such coverages when the principal  
28 operator on the covered vehicle has successfully completed a  
29 driver improvement course approved and certified by the  
30 Department of Highway Safety and Motor Vehicles which is  
31 effective in reducing crash or violation rates, or both, as

1 determined pursuant to s. 318.1451(5). Any discount, not to  
2 exceed 10 percent, used by an insurer is presumed to be  
3 appropriate unless credible data demonstrates otherwise.

4 Section 1069. Subsections (1) and (2), paragraph (b)  
5 of subsection (5), subsections (9), (10), and (11), and  
6 paragraph (b) of subsection (13) of section 627.0651, Florida  
7 Statutes, are amended to read:

8 627.0651 Making and use of rates for motor vehicle  
9 insurance.--

10 (1) Insurers shall establish and use rates, rating  
11 schedules, or rating manuals to allow the insurer a reasonable  
12 rate of return on motor vehicle insurance written in this  
13 state. A copy of rates, rating schedules, and rating manuals,  
14 and changes therein, shall be filed with the office ~~department~~  
15 under one of the following procedures:

16 (a) If the filing is made at least 60 days before the  
17 proposed effective date and the filing is not implemented  
18 during the office's ~~department's~~ review of the filing and any  
19 proceeding and judicial review, such filing shall be  
20 considered a "file and use" filing. In such case, the office  
21 ~~department~~ shall initiate proceedings to disapprove the rate  
22 and so notify the insurer or shall finalize its review within  
23 60 days after receipt of the filing. Notification to the  
24 insurer by the office ~~department~~ of its preliminary findings  
25 shall toll the 60-day period during any such proceedings and  
26 subsequent judicial review. The rate shall be deemed approved  
27 if the office ~~department~~ does not issue notice to the insurer  
28 of its preliminary findings within 60 days after the filing.

29 (b) If the filing is not made in accordance with the  
30 provisions of paragraph (a), such filing shall be made as soon  
31 as practicable, but no later than 30 days after the effective

1 date, and shall be considered a "use and file" filing. An  
2 insurer making a "use and file" filing is potentially subject  
3 to an order by the office ~~department~~ to return to  
4 policyholders portions of rates found to be excessive, as  
5 provided in subsection (11).

6 (2) Upon receiving notice of a rate filing or rate  
7 change, the office ~~department~~ shall review the rate or rate  
8 change to determine if the rate is excessive, inadequate, or  
9 unfairly discriminatory. In making that determination, the  
10 office ~~department~~ shall in accordance with generally accepted  
11 and reasonable actuarial techniques consider the following  
12 factors:

13 (a) Past and prospective loss experience within and  
14 outside this state.

15 (b) The past and prospective expenses.

16 (c) The degree of competition among insurers for the  
17 risk insured.

18 (d) Investment income reasonably expected by the  
19 insurer, consistent with the insurer's investment practices,  
20 from investable premiums anticipated in the filing, plus any  
21 other expected income from currently invested assets  
22 representing the amount expected on unearned premium reserves  
23 and loss reserves. Such investment income shall not include  
24 income from invested surplus. The commission ~~department~~ may  
25 adopt ~~promulgate~~ rules utilizing reasonable techniques of  
26 actuarial science and economics to specify the manner in which  
27 insurers shall calculate investment income attributable to  
28 motor vehicle insurance policies written in this state and the  
29 manner in which such investment income is used in the  
30 calculation of insurance rates. Such manner shall contemplate  
31 the use of a positive underwriting profit allowance in the

1 rates that will be compatible with a reasonable rate of return  
2 plus provisions for contingencies. The total of the profit and  
3 contingency factor as specified in the filing shall be  
4 utilized in computing excess profits in conjunction with s.  
5 627.066. In adopting ~~promulgating~~ such rules, the commission  
6 ~~department~~ shall in all instances adhere to and implement the  
7 provisions of this paragraph.

8 (e) The reasonableness of the judgment reflected in  
9 the filing.

10 (f) Dividends, savings, or unabsorbed premium deposits  
11 allowed or returned to Florida policyholders, members, or  
12 subscribers.

13 (g) The cost of repairs to motor vehicles.

14 (h) The cost of medical services, if applicable.

15 (i) The adequacy of loss reserves.

16 (j) The cost of reinsurance.

17 (k) Trend factors, including trends in actual losses  
18 per insured unit for the insurer making the filing.

19 (l) Other relevant factors which impact upon the  
20 frequency or severity of claims or upon expenses.

21 (5)

22 (b) The office has ~~Insurance Commissioner shall have~~  
23 the responsibility to ensure that rates for private passenger  
24 vehicle insurance are adequate. To that end, the commission  
25 ~~department~~ shall adopt ~~promulgate~~ rules ~~and regulations~~  
26 establishing standards defining inadequate rates on private  
27 passenger vehicle insurance as defined in s. 627.041(8). In  
28 the event that the office ~~department~~ finds that a rate or rate  
29 change is inadequate, the office ~~department~~ shall order that a  
30 new rate or rate schedule be thereafter filed by the insurer  
31 and shall further provide information as to the manner in

1 which noncompliance of the standards may be corrected. When a  
2 violation of this provision occurs, the office ~~department~~  
3 shall impose an administrative fine pursuant to s. 624.4211.

4 (9) In reviewing the rate or rate change filed, the  
5 office ~~department~~ may require the insurer to provide at the  
6 insurer's expense all information necessary to evaluate the  
7 condition of the company and the reasonableness of the filing  
8 according to the criteria enumerated herein.

9 (10) The office ~~department~~ may, at any time, review a  
10 rate or rate change, the pertinent records of the insurer, and  
11 market conditions; and, if the office ~~department~~ finds on a  
12 preliminary basis that the rate or rate change may be  
13 excessive, inadequate, or unfairly discriminatory, the office  
14 ~~department~~ shall so notify the insurer. However, the office  
15 ~~department~~ may not disapprove as excessive any rate for which  
16 it has given final approval or which has been deemed approved  
17 for a period of 1 year after the effective date of the filing  
18 unless the office ~~department~~ finds that a material  
19 misrepresentation or material error was made by the insurer or  
20 was contained in the filing. Upon being so notified, the  
21 insurer or rating organization shall, within 60 days, file  
22 with the office ~~department~~ all information which, in the  
23 belief of the insurer or organization, proves the  
24 reasonableness, adequacy, and fairness of the rate or rate  
25 change. In such instances and in any administrative  
26 proceeding relating to the legality of the rate, the insurer  
27 or rating organization shall carry the burden of proof by a  
28 preponderance of the evidence to show that the rate is not  
29 excessive, inadequate, or unfairly discriminatory. After the  
30 office ~~department~~ notifies an insurer that a rate may be  
31 excessive, inadequate, or unfairly discriminatory, unless the

1 ~~office department~~ withdraws the notification, the insurer  
2 shall not increase the rate until the earlier of 120 days  
3 after the date the notification was provided or 180 days after  
4 the date of the implementation of the rate. The office  
5 ~~department~~ may, subject to chapter 120, disapprove without the  
6 60-day notification any rate increase filed by an insurer  
7 within the prohibited time period or during the time that the  
8 legality of the increased rate is being contested.

9 (11) In the event the office department finds that a  
10 rate or rate change is excessive, inadequate, or unfairly  
11 discriminatory, the office department shall issue an order of  
12 disapproval specifying that a new rate or rate schedule which  
13 responds to the findings of the office department be filed by  
14 the insurer. The office department shall further order for  
15 any "use and file" filing made in accordance with paragraph  
16 (1)(b), that premiums charged each policyholder constituting  
17 the portion of the rate above that which was actuarially  
18 justified be returned to such policyholder in the form of a  
19 credit or refund. If the office department finds that an  
20 insurer's rate or rate change is inadequate, the new rate or  
21 rate schedule filed with the office department in response to  
22 such a finding shall be applicable only to new or renewal  
23 business of the insurer written on or after the effective date  
24 of the responsive filing.

25 (13)

26 (b) The submission of rates, rating schedules, and  
27 rating manuals to the office department by a licensed rating  
28 organization of which an insurer is a member or subscriber  
29 will be sufficient compliance with this subsection for any  
30 insurer maintaining membership or subscribership in such  
31 organization, to the extent that the insurer uses the rates,

1 rating schedules, and rating manuals of such organization.  
2 All such information shall be available for public inspection,  
3 upon receipt by the office ~~department~~, during usual business  
4 hours.

5 Section 1070. Subsection (1) of section 627.0652,  
6 Florida Statutes, is amended to read:

7 627.0652 Insurance discounts for certain persons  
8 completing safety course.--

9 (1) Any rates, rating schedules, or rating manuals for  
10 the liability, personal injury protection, and collision  
11 coverages of a motor vehicle insurance policy filed with the  
12 office ~~department~~ shall provide for an appropriate reduction  
13 in premium charges as to such coverages when the principal  
14 operator on the covered vehicle is an insured 55 years of age  
15 or older who has successfully completed a motor vehicle  
16 accident prevention course approved by the Department of  
17 Highway Safety and Motor Vehicles. Any discount used by an  
18 insurer is presumed to be appropriate unless credible data  
19 demonstrates otherwise.

20 Section 1071. Section 627.0653, Florida Statutes, is  
21 amended to read:

22 627.0653 Insurance discounts for specified motor  
23 vehicle equipment.--

24 (1) Any rates, rating schedules, or rating manuals for  
25 the liability, personal injury protection, and collision  
26 coverages of a motor vehicle insurance policy filed with the  
27 office ~~department~~ shall provide a premium discount if the  
28 insured vehicle is equipped with factory-installed, four-wheel  
29 antilock brakes.

30 (2) Each insurer writing motor vehicle comprehensive  
31 coverage in this state shall include in its rating manual

1 discount provisions for comprehensive coverage which  
2 specifically relate to an antitheft device or vehicle recovery  
3 system utilized in the insured vehicle which are factory  
4 installed or approved by the office department. The  
5 commission department shall adopt, by rule, procedures under  
6 which manufacturers, distributors, or sellers may apply to the  
7 office department for approval of non-factory-installed  
8 devices under this subsection. The rules must include, at a  
9 minimum, the test results that must accompany the application  
10 and the standards for approval.

11 (3) Any rates, rating schedules, or rating manuals for  
12 personal injury protection coverage and medical payments  
13 coverage, if offered, of a motor vehicle insurance policy  
14 filed with the office department shall provide a premium  
15 discount if the insured vehicle is equipped with one or more  
16 air bags which are factory installed.

17 (4) The removal of a discount or credit does not  
18 constitute the imposition of, or request for, additional  
19 premium or a surcharge if the basis for the discount or credit  
20 no longer exists or is substantially eliminated.

21 (5) Each insurer writing motor vehicle comprehensive  
22 coverage in this state may provide a premium discount for this  
23 coverage if the insured vehicle has the complete  
24 manufacturer's vehicle identification number permanently  
25 etched on the windshield and all windows of the vehicle. The  
26 etching must be by a tool or process that does not destroy the  
27 integrity of the glass or visibility for the operator of the  
28 motor vehicle. The identification numbers and letters must be  
29 at least 1/4 inch in height. A sticker may identify the  
30 presence of this identification system. The commission

31

1 ~~department~~ may, by rule, set forth appropriate guidelines to  
2 implement this subsection.

3 Section 1072. Section 627.06535, Florida Statutes, is  
4 amended to read:

5 627.06535 Electric vehicles; restrictions on imposing  
6 surcharges.--An insurer may not impose a surcharge on the  
7 premium for motor vehicle insurance written on an electric  
8 vehicle, as defined in s. 320.01, if the surcharge is based on  
9 a factor such as new technology, passenger payload,  
10 weight-to-horsepower ratio, or types of materials, including  
11 composite materials or aluminum, used to manufacture the  
12 vehicle, unless the office ~~Department of Insurance~~ determines  
13 from actuarial data submitted to it that the surcharge is  
14 justified.

15 Section 1073. Subsections (2), (7), (10), (11), and  
16 (13) of section 627.066, Florida Statutes, are amended to  
17 read:

18 627.066 Excessive profits for motor vehicle insurance  
19 prohibited.--

20 (2) Each Florida private passenger automobile insurer  
21 group shall file with the office ~~department~~, prior to July 1  
22 of each year on forms prescribed by the commission ~~department~~,  
23 the following data for Florida private passenger automobile  
24 business. The data filed for the group shall be a  
25 consolidation of the data of the individual insurers of the  
26 group. The data shall include both voluntary and joint  
27 underwriting association business, as follows:

28 (a) Calendar-year total limits earned premium.

29 (b) Accident-year incurred losses and loss adjustment  
30 expenses.

31

1           (c) The administrative and selling expenses incurred  
2 in this state or allocated to this state for the calendar  
3 year.

4           (d) Policyholder dividends incurred during the  
5 applicable calendar year.

6           (7) If the insurer group has realized an excessive  
7 profit, the office ~~department~~ shall order a return of the  
8 excessive amounts after affording the insurer group an  
9 opportunity for hearing and otherwise complying with the  
10 requirements of chapter 120. Such excessive amounts shall be  
11 refunded in all instances unless the insurer group  
12 affirmatively demonstrates to the office ~~department~~ that the  
13 refund of the excessive amounts will render a member of the  
14 insurer group financially impaired or will render it insolvent  
15 under the provisions of the Florida Insurance Code.

16           (10)(a) Cash refunds to policyholders may be rounded  
17 to the nearest dollar.

18           (b) Data in required reports to the office ~~department~~  
19 may be rounded to the nearest dollar.

20           (c) Rounding, if elected by the insurer group, shall  
21 be applied consistently.

22           (11)(a) Refunds shall be completed in one of the  
23 following ways:

24           1. If the insurer group elects to make a cash refund,  
25 the refund shall be completed within 60 days of entry of a  
26 final order indicating that excessive profits have been  
27 realized.

28           2. If the insurer group elects to make refunds in the  
29 form of a credit to renewal policies, such credits shall be  
30 applied to policy renewal premium notices which are forwarded  
31 to insureds more than 60 calendar days after entry of a final

1 order indicating that excessive profits have been realized.  
2 If an insurer group has made this election but an insured  
3 thereafter cancels his or her policy or otherwise allows the  
4 policy to terminate, the insurer group shall make a cash  
5 refund not later than 60 days after termination of such  
6 coverage.

7 (b) Upon completion of the renewal credits or refund  
8 payments, the insurer group shall immediately certify to the  
9 office ~~department~~ that the refunds have been made.

10 ~~(13) Since it appears to the Legislature that private~~  
11 ~~passenger automobile insurer groups have realized excessive~~  
12 ~~profits during all or part of the years 1977, 1978, and 1979~~  
13 ~~and that such profits were realized in part due to statutory~~  
14 ~~changes for which rates were not adequately adjusted, it is~~  
15 ~~the desire and intent of the Legislature that the provisions~~  
16 ~~of this section, as amended by chapter 80-236, Laws of~~  
17 ~~Florida, shall apply retroactively to excessive profits~~  
18 ~~realized during the years 1977, 1978, and 1979. In the event~~  
19 ~~that such retroactive application is judicially determined to~~  
20 ~~be unconstitutional, it is the intent of the Legislature that~~  
21 ~~the act be given prospective application as stated~~  
22 ~~hereinafter. Prior to July 1, 1982, the data required by this~~  
23 ~~section shall be submitted to the department for the years~~  
24 ~~1979, 1980, and 1981. Excessive profits shall be calculated~~  
25 ~~in accordance with the provisions of this section. However,~~  
26 ~~only the excessive profits realized by the insurer group in~~  
27 ~~1981 shall be refunded to policyholders, and such refunds~~  
28 ~~shall be made in accordance with this section. Prior to July~~  
29 ~~1, 1983, the data required by this section shall be submitted~~  
30 ~~to the department for the years 1980, 1981, and 1982.~~  
31 ~~Excessive profits shall be calculated in accordance with this~~

1 ~~section; however, refunds shall only be made for excessive~~  
2 ~~profits realized in the years 1981 and 1982. Thereafter,~~  
3 ~~excessive profits shall be calculated and refunded on the~~  
4 ~~basis of 3 years as set forth in this section.~~

5 Section 1074. Subsection (4) of section 627.072,  
6 Florida Statutes, is amended to read:

7 627.072 Making and use of rates.--

8 (4)(a) In the case of workers' compensation and  
9 employer's liability insurance, the office ~~department~~ shall  
10 consider utilizing the following methodology in rate  
11 determinations: Premiums, expenses, and expected claim costs  
12 would be discounted to a common point of time, such as the  
13 initial point of a policy year, in the determination of rates;  
14 the cash-flow pattern of premiums, expenses, and claim costs  
15 would be determined initially by using data from 8 to 10 of  
16 the largest insurers writing workers' compensation insurance  
17 in the state; such insurers may be selected for their  
18 statistical ability to report the data on an accident-year  
19 basis and in accordance with subparagraphs (b)1., 2., and 3.,  
20 for at least 2 1/2 years; such a cash-flow pattern would be  
21 modified when necessary in accordance with the data and  
22 whenever a radical change in the payout pattern is expected in  
23 the policy year under consideration.

24 (b) If the methodology set forth in paragraph (a) is  
25 utilized, to facilitate the determination of such a cash-flow  
26 pattern methodology:

27 1. Each insurer shall include in its statistical  
28 reporting to the rating bureau and the office ~~department~~ the  
29 accident year by calendar quarter data for paid-claim costs;

30 2. Each insurer shall submit financial reports to the  
31 rating bureau and the office ~~department~~ which shall include

1 total incurred claim amounts and paid-claim amounts by policy  
2 year and by injury types as of December 31 of each calendar  
3 year; and

4 3. Each insurer shall submit to the rating bureau and  
5 the office ~~department~~ paid-premium data on an individual risk  
6 basis in which risks are to be subdivided by premium size as  
7 follows:

8

9 Number of Risks in	
10 Premium Range	Standard Premium Size
11	
12 ...(to be filled in by carrier)...	\$300--999
13 ...(to be filled in by carrier)...	1,000--4,999
14 ...(to be filled in by carrier)...	5,000--49,999

18 Section 1075. Section 627.091, Florida Statutes, is  
19 amended to read:

20 627.091 Rate filings; workers' compensation and  
21 employer's liability insurances.--

22 (1) As to workers' compensation and employer's  
23 liability insurances, every insurer shall file with the office  
24 ~~department~~ every manual of classifications, rules, and rates,  
25 every rating plan, and every modification of any of the  
26 foregoing which it proposes to use. Every insurer is  
27 authorized to include deductible provisions in its manual of  
28 classifications, rules, and rates. Such deductibles shall in  
29 all cases be in a form and manner which is consistent with the  
30 underlying purpose of chapter 440.

31

1           (2) Every such filing shall state the proposed  
2 effective date thereof, and shall indicate the character and  
3 extent of the coverage contemplated. When a filing is not  
4 accompanied by the information upon which the insurer supports  
5 the filing and the office ~~department~~ does not have sufficient  
6 information to determine whether the filing meets the  
7 applicable requirements of this part, it shall within 15 days  
8 after the date of filing require the insurer to furnish the  
9 information upon which it supports the filing. The  
10 information furnished in support of a filing may include:  
11           (a) The experience or judgment of the insurer or  
12 rating organization making the filing;  
13           (b) Its interpretation of any statistical data it  
14 relies upon;  
15           (c) The experience of other insurers or rating  
16 organizations; or  
17           (d) Any other factors which the insurer or rating  
18 organization deems relevant.  
19           (3) A filing and any supporting information shall be  
20 open to public inspection as provided in s. 119.07(1).  
21           (4) An insurer may satisfy its obligation to make such  
22 filings by becoming a member of, or a subscriber to, a  
23 licensed rating organization which makes such filings and by  
24 authorizing the office ~~department~~ to accept such filings in  
25 its behalf; but nothing contained in this chapter shall be  
26 construed as requiring any insurer to become a member or a  
27 subscriber to any rating organization.  
28           (5) Pursuant to the provisions of s. 624.3161, the  
29 office ~~department~~ may examine the underlying statistical data  
30 used in such filings.  
31

1           (6) Whenever the committee of a recognized rating  
2 organization with responsibility for workers' compensation and  
3 employer's liability insurance rates in this state meets to  
4 discuss the necessity for, or a request for, Florida rate  
5 increases or decreases, the determination of Florida rates,  
6 the rates to be requested, and any other matters pertaining  
7 specifically and directly to such Florida rates, such meetings  
8 shall be held in this state and shall be subject to s.

9 286.011. The committee of such a rating organization shall  
10 provide at least 3 weeks' prior notice of such meetings to the  
11 office ~~department~~ and shall provide at least 14 days' prior  
12 notice of such meetings to the public by publication in the  
13 Florida Administrative Weekly.

14           Section 1076. Section 627.0915, Florida Statutes, is  
15 amended to read:

16           627.0915 Rate filings; workers' compensation,

19 part, it may reject so much of the filing as does not meet  
20 these requirements, and approve the remainder of the filing.

21 (2) The office ~~department~~ shall specifically approve  
22 the filing before it becomes effective, unless the office  
23 ~~department~~ has concluded it to be in the public interest to  
24 hold a public hearing to determine whether the filing meets  
25 the requirements of this chapter and has given notice of such  
26 hearing to the insurer or rating organization that made the  
27 filing, and in which case the effectiveness of the filing  
28 shall be subject to the further order of the office ~~department~~  
29 made as provided in s. 627.111. If the office ~~department~~

14 to the office ~~department~~ and the insurer or rating  
15 organization that made the filing.

20 ~~department~~ determines to hold a public hearing as to a filing,  
21 or it holds such a public hearing pursuant to request therefor  
22 under s. 627.101(3), it shall give written notice thereof to  
23 the rating organization or insurer that made the filing and  
24 shall hold such hearing within 30 days, and not less than 10  
25 days prior to the date of the hearing, it shall give written  
26 notice of the hearing to the insurer or rating organization

2 the filing, the filing shall not become effective during the  
3 effectiveness of such order. If the order of the office  
4 ~~department~~ approves the filing, the filing shall become  
5 effective upon the date of the order or upon such subsequent  
6 date as may be satisfactory to the insurer or rating  
7 organization that made the filing.

8           Section 1082. Section 627.141, Florida Statutes, is  
9 amended to read:

10           627.141 Subsequent disapproval of filing; workers'  
11 compensation and employer's liability insurances.--If at any  
12 time after a filing has been approved by it or has otherwise  
13 become effective the office ~~department~~ finds that the filing  
14 no longer meets the requirements of this chapter, it shall  
15 issue an order specifying in what respects it finds that such  
16 filing fails to meet such requirements and stating when,  
17 within a reasonable period thereafter, such filing shall be  
18 deemed no longer effective. The order shall not affect any  
19 insurance contract or policy made or issued prior to the  
20 expiration of the period set forth in the order.

23           627.151 Basis of approval or disapproval of workers'  
24 compensation or employer's liability insurance filing; scope  
25 of disapproval power.--

26           (1) In determining at any time whether to approve or  
27 disapprove a filing as to workers' compensation or employer's  
28 liability insurance, or to permit the filing otherwise to  
29 become effective, the office ~~department~~ shall give  
30 consideration only to the applicable standards and factors  
31 referred to in ss. 627.062 and 627.072.

1           Section 1084. Subsection (1) of section 627.171,  
2 Florida Statutes, is amended to read:

3           627.171 Excess rates.--

4           (1) With written consent of the insured signed prior  
5 to the policy inception date and filed with the insurer, the  
6 insurer may use a rate in excess of the otherwise applicable  
7 filed rate on any specific risk. The signed consent form must  
8 include the filed rate as well as the excess rate for the risk  
9 insured and a copy of the form must be maintained by the  
10 insurer for 3 years and be available for review by the office  
11 ~~department~~.

18 insured has provided a written notice of dispute to the  
19 insurer or service carrier, has initiated any applicable  
20 proceeding for resolving such disputes as prescribed by law or  
21 rating organization procedures approved by the office  
22 ~~department~~, or has initiated litigation regarding the premium  
23 dispute. The insured must have detailed the specific areas of  
24 dispute and provided an estimate of the premium the insured  
25 believes to be correct. The insured must have paid any  
26 undisputed portion of the bill.

27           Section 1086. Section 627.211, Florida Statutes, is  
28 amended to read:

29           627.211 Deviations; workers' compensation and  
30 employer's liability insurances.--

31

1           (1) Every member or subscriber to a rating  
2 organization shall, as to workers' compensation or employer's  
3 liability insurance, adhere to the filings made on its behalf  
4 by such organization; except that any such insurer may make  
5 written application to the office ~~department~~ for permission to  
6 file a uniform percentage decrease or increase to be applied  
7 to the premiums produced by the rating system so filed for a  
8 kind of insurance, for a class of insurance which is found by  
9 the office ~~department~~ to be a proper rating unit for the  
10 application of such uniform percentage decrease or increase,  
11 or for a subdivision of workers' compensation or employer's  
12 liability insurance:

13           (a) Comprised of a group of manual classifications  
14 which is treated as a separate unit for ratemaking purposes;  
15 or

16           (b) For which separate expense provisions are included  
17 in the filings of the rating organization.

18  
19 Such application shall specify the basis for the modification  
20 and shall be accompanied by the data upon which the applicant  
21 relies. A copy of the application and data shall be sent  
22 simultaneously to the rating organization.

23           (2) Every member or subscriber to a rating  
24 organization may, as to workers' compensation and employer's  
25 liability insurance, file a plan or plans to use deviations  
26 that vary according to factors present in each insured's  
27 individual risk. The insurer that files for the deviations  
28 provided in this subsection shall file the qualifications for  
29 the plans, schedules of rating factors, and the maximum  
30 deviation factors which shall be subject to the approval of  
31 the office ~~department~~ pursuant to s. 627.091. The actual

1 deviation which shall be used for each insured that qualifies  
2 under this subsection may not exceed the maximum filed  
3 deviation under that plan and shall be based on the merits of  
4 each insured's individual risk as determined by using  
5 schedules of rating factors which shall be applied uniformly.  
6 Insurers shall maintain statistical data in accordance with  
7 the schedule of rating factors. Such data shall be available  
8 to support the continued use of such varying deviations.

9 (3) In considering an application for the deviation,  
10 the office ~~department~~ shall give consideration to the  
11 applicable principles for ratemaking as set forth in ss.  
12 627.062 and 627.072, the financial condition of the insurer,  
13 and the impact of the deviation on the current market  
14 conditions including the composition of the market, the  
15 stability of rates, and the level of competition in the  
16 market. In evaluating the financial condition of the insurer,  
17 the office ~~department~~ may consider: (1) the insurer's audited  
18 financial statements and whether the statements provide  
19 unqualified opinions or contain significant qualifications or  
20 "subject to" provisions; (2) any independent or other  
21 actuarial certification of loss reserves; (3) whether workers'  
22 compensation and employer's liability reserves are above the  
23 midpoint or best estimate of the actuary's reserve range  
24 estimate; (4) the adequacy of the proposed rate; (5)  
25 historical experience demonstrating the profitability of the  
26 insurer; (6) the existence of excess or other reinsurance  
27 that contains a sufficiently low attachment point and maximums  
28 that provide adequate protection to the insurer; and (7) other  
29 factors considered relevant to the financial condition of the  
30 insurer by the office ~~department~~. The office ~~department~~ shall  
31 approve the deviation if it finds it to be justified, it would

1 not endanger the financial condition of the insurer, it would  
2 not adversely affect the current market conditions including  
3 the composition of the market, the stability of rates, and the  
4 level of competition in the market, and that the deviation  
5 would not constitute predatory pricing. It shall disapprove  
6 the deviation if it finds that the resulting premiums would be  
7 excessive, inadequate, or unfairly discriminatory, would  
8 endanger the financial condition of the insurer, or would  
9 adversely affect current market conditions including the  
10 composition of the marketplace, the stability of rates, and  
11 the level of competition in the market, or would result in  
12 predatory pricing. The insurer may not use a deviation unless  
13 the deviation is specifically approved by the office  
14 ~~department~~.

15 (4) Each deviation permitted to be filed shall be  
16 effective for a period of 1 year unless terminated, extended,  
17 or modified with the approval of the office ~~department~~. If at  
18 any time after a deviation has been approved the office  
19 ~~department~~ finds that the deviation no longer meets the  
20 requirements of this code, it shall notify the insurer in what  
21 respects it finds that the deviation fails to meet such  
22 requirements and specify when, within a reasonable period  
23 thereafter, the deviation shall be deemed no longer effective.  
24 The notice shall not affect any insurance contract or policy  
25 made or issued prior to the expiration of the period set forth  
26 in the notice.

27 (5) For purposes of this section, the office  
28 ~~department~~, when considering the experience of any insurer,  
29 shall consider the experience of any predecessor insurer when  
30 the business and the liabilities of the predecessor insurer  
31 were assumed by the insurer pursuant to an order of the office

1 ~~department~~ which approves the assumption of the business and  
2 the liabilities.

3 Section 1087. Section 627.212, Florida Statutes, is  
4 amended to read:

5 627.212 Workplace safety program surcharge.--The  
6 office ~~department~~ shall approve a rating plan for workers'  
7 compensation coverage insurance that provides for carriers  
8 voluntarily to impose a surcharge of no more than 10 percent  
9 on the premium of a policyholder or fund member if that  
10 policyholder or fund member has been identified by the  
11 ~~department of Labor and Employment Security~~ as having been  
12 required to implement a safety program and having failed to  
13 establish or maintain, either in whole or in part, a safety  
14 program. The department ~~division~~ shall adopt rules prescribing  
15 the criteria for the employee safety programs.

16 Section 1088. Paragraph (a) of subsection (1),  
17 subsection (9), paragraph (b) of subsection (11), and  
18 paragraph (b) of subsection (12) of section 627.215, Florida  
19 Statutes, are amended to read:

20 627.215 Excessive profits for workers' compensation,  
21 employer's liability, commercial property, and commercial  
22 casualty insurance prohibited.--

23 (1)(a) Each insurer group writing workers'  
24 compensation and employer's liability insurance as defined in  
25 s. 624.605(1)(c), commercial property insurance as defined in  
26 s. 627.0625, commercial umbrella liability insurance as  
27 defined in s. 627.0625, or commercial casualty insurance as  
28 defined in s. 627.0625 shall file with the office ~~department~~  
29 prior to July 1 of each year, on a form prescribed by the  
30 commission ~~department~~, the following data for the component  
31 types of such insurance as provided in the form:

- 1           1. Calendar-year earned premium.
- 2           2. Accident-year incurred losses and loss adjustment
- 3 expenses.
- 4           3. The administrative and selling expenses incurred in
- 5 this state or allocated to this state for the calendar year.
- 6           4. Policyholder dividends applicable to the calendar
- 7 year.

8  
9 Nothing herein is intended to prohibit an insurer from filing  
10 on a calendar-year basis.

11           (9) If the insurer group has realized an excessive  
12 profit, the office ~~department~~ shall order a return of the  
13 excessive amounts after affording the insurer group an  
14 opportunity for hearing and otherwise complying with the  
15 requirements of chapter 120. Such excessive amounts shall be  
16 refunded in all instances unless the insurer group  
17 affirmatively demonstrates to the office ~~department~~ that the  
18 refund of the excessive amounts will render a member of the  
19 insurer group financially impaired or will render it insolvent  
20 under the provisions of the Florida Insurance Code.

21           (11)

22           (b) Data in required reports to the office ~~department~~  
23 may be rounded to the nearest dollar.

24           (12)

25           (b) Upon completion of the renewal credits or refund  
26 payments, the insurer group shall immediately certify to the  
27 office ~~department~~ that the refunds have been made.

28           Section 1089. Section 627.221, Florida Statutes, is  
29 amended to read:

30           627.221 Rating organizations; licensing; fee.--

31

1           (1) A person, whether located within or outside this  
2 state, may make application to the office ~~department~~ for a  
3 license as a rating organization. As to property or inland  
4 marine insurance, the application shall be for such kinds of  
5 insurance or subdivisions thereof or classes of risk or a part  
6 or combination thereof as are specified in the application. As  
7 to casualty and surety insurances, the application shall be  
8 for such kinds of insurance or subdivisions thereof as are  
9 specified in the application. The applicant shall file with  
10 its application:

11           (a) A copy of its constitution, its articles of  
12 agreement or association or its certificate of incorporation,  
13 and of its bylaws, rules, and regulations governing the  
14 conduct of its business;

15           (b) A list of its members and subscribers;

16           (c) The name and address of a resident of this state  
17 upon whom notices or orders of the office ~~department~~ or  
18 process affecting such rating organization may be served; and

19           (d) A statement of its qualifications as a rating  
20 organization.

21  
22 If the office ~~department~~ finds that the applicant is  
23 competent, trustworthy, and otherwise qualified to act as a  
24 rating organization and that its constitution, articles of  
25 agreement or association or certificate of incorporation, and  
26 its bylaws, rules, and regulations governing the conduct of  
27 its business conform to the requirements of law, it shall  
28 issue a license specifying (in the case of a casualty or  
29 surety rating organization) the kinds of insurance or  
30 subdivisions thereof, or (in the case of a property insurance  
31 rating organization) the kinds of insurance or subdivisions

1 thereof or classes of risk or a part or combination thereof,  
2 for which the applicant is authorized to act as a rating  
3 organization.

4 (2) Licenses issued pursuant to this section shall  
5 expire on the September 30 next following date of issuance and  
6 shall be subject to annual renewal.

7 (3) The fee for the license shall be in the amount  
8 specified therefor in s. 624.501. This fee, when collected,  
9 shall be deposited to the credit of the Insurance  
10 ~~Commissioner's~~ Regulatory Trust Fund.

11 Section 1090. Section 627.231, Florida Statutes, is  
12 amended to read:

13 627.231 Subscribers to rating organizations.--

14 (1) Subject to rules and regulations which have been  
15 approved by the office ~~department~~ as reasonable, each rating  
16 organization shall permit any insurer, not a member, to  
17 subscribe to its rating services. As to property and marine  
18 rating organizations, an insurer shall be so permitted to  
19 subscribe to rating services for any kind of insurance,  
20 subdivision thereof, or class of risk or a part or combination  
21 thereof for which the rating organization is authorized so to  
22 act. As to casualty and surety rating organizations, an  
23 insurer shall be so permitted to subscribe to rating services  
24 for any kind of insurance or subdivision thereof for which the  
25 rating organization is authorized so to act. The rating  
26 organization shall give notice to subscribers of proposed  
27 changes in such rules and regulations.

28 (2) The reasonableness of any rule or regulation in  
29 its application to subscribers, or the refusal of any rating  
30 organization to admit an insurer as a subscriber, shall, at  
31 the request of any subscriber or any such insurer, be reviewed

1 by the office ~~department~~. If the office ~~department~~ finds that  
2 such rule or regulation is unreasonable in its application to  
3 subscribers, it shall order that such rule or regulation shall  
4 not be applicable to subscribers. If the rating organization  
5 fails to grant or reject an insurer's application for  
6 subscribership within 30 days after it was made, the insurer  
7 may request a review by the office ~~department~~ as if the  
8 application had been rejected. If the office ~~department~~ finds  
9 that the insurer has been refused admittance to the rating  
10 organization as a subscriber without justification, it shall  
11 order the rating organization to admit the insurer as a  
12 subscriber. If it finds that the action of the rating  
13 organization was justified, it shall make an order affirming  
14 its action.

15 (3) Each rating organization shall furnish its rating  
16 services without discrimination to its members and  
17 subscribers.

18 Section 1091. Section 627.241, Florida Statutes, is  
19 amended to read:

20 627.241 Notice of changes.--Every rating organization  
21 shall notify the office ~~department~~ promptly of every change  
22 in:

23 (1) Its constitution, its articles of agreement or  
24 association, or its certificate of incorporation, and its  
25 bylaws, rules and regulations governing the conduct of its  
26 business;

27 (2) Its list of members and subscribers; and

28 (3) The name and address of the resident of this state  
29 designated by it upon whom notices or orders of the office  
30 ~~department~~ or process affecting such rating organization may  
31 be served.

1           Section 1092. Section 627.281, Florida Statutes, is  
2 amended to read:

3           627.281 Appeal from rating organization; workers'  
4 compensation and employer's liability insurance filings.--

5           (1) Any member or subscriber to a rating organization  
6 may appeal to the office ~~department~~ from the action or  
7 decision of such rating organization in approving or rejecting  
8 any proposed change in or addition to the workers'  
9 compensation or employer's liability insurance filings of such  
10 rating organization, and the office ~~department~~ shall issue an  
11 order approving the decision of such rating organization or  
12 directing it to give further consideration to such proposal.  
13 If such appeal is from the action or decision of the rating  
14 organization in rejecting a proposed addition to its filings,  
15 the office ~~department~~ may, in the event it finds that such  
16 action or decision was unreasonable, issue an order directing  
17 the rating organization to make an addition to its filings, on  
18 behalf of its members and subscribers, in a manner consistent  
19 with its findings, within a reasonable time after the issuance  
20 of such order.

21           (2) If such appeal is based upon the failure of the  
22 rating organization to make a filing on behalf of such member  
23 or subscriber which is based on a system of expense provisions  
24 which differs, in accordance with the right granted in s.  
25 627.072(2), from the system of expense provisions included in  
26 a filing made by the rating organization, the office  
27 ~~department~~ shall, if it grants the appeal, order the rating  
28 organization to make the requested filing for use by the  
29 appellant. In deciding such appeal, the office ~~department~~  
30 shall apply the applicable standards set forth in ss. 627.062  
31 and 627.072.

1           Section 1093. Subsection (2) of section 627.291,  
2 Florida Statutes, is amended to read:

3           627.291 Information to be furnished insureds; appeal  
4 by insureds; workers' compensation and employer's liability  
5 insurances.--

6           (2) As to workers' compensation and employer's  
7 liability insurances, every rating organization and every  
8 insurer which makes its own rates shall provide within this  
9 state reasonable means whereby any person aggrieved by the  
10 application of its rating system may be heard, in person or by  
11 his or her authorized representative, on his or her written  
12 request to review the manner in which such rating system has  
13 been applied in connection with the insurance afforded him or  
14 her. If the rating organization or insurer fails to grant or  
15 rejects such request within 30 days after it is made, the  
16 applicant may proceed in the same manner as if his or her  
17 application had been rejected. Any party affected by the  
18 action of such rating organization or insurer on such request  
19 may, within 30 days after written notice of such action,  
20 appeal to the office ~~department~~, which may affirm or reverse  
21 such action.

22           Section 1094. Section 627.301, Florida Statutes, is  
23 amended to read:

24           627.301 Advisory organizations.--

25           (1) No advisory organization shall conduct its  
26 operations in this state unless and until it has filed with  
27 the office ~~department~~:

28           (a) A copy of its constitution, articles of  
29 incorporation, articles of agreement or of association, and  
30 bylaws or rules and regulations governing its activities, all  
31 duly certified by the custodian of the originals thereof;

1           (b) A list of its members and subscribers; and  
2           (c) The name and address of a resident of this state  
3 upon whom notices or orders of the office ~~department~~ or  
4 process may be served.  
5           (2) Every such advisory organization shall notify the  
6 office ~~department~~ promptly of every change in:  
7           (a) Its constitution;  
8           (b) Its articles of incorporation, agreement, or  
9 association;  
10          (c) Its bylaws, rules and regulations governing the  
11 conduct of its business;  
12          (d) The list of members and subscribers; and  
13          (e) The name and address of the resident of this state  
14 designated by it upon whom notices or orders of the office  
15 ~~department~~ or process affecting such organization may be  
16 served.  
17          (3) No such advisory organization shall engage in any  
18 unfair or unreasonable practice with respect to such  
19 activities.  
20          Section 1095. Subsections (2) and (3) and paragraphs  
21 (a), (b), (c), (e), (f), and (g) of subsection (4) of section  
22 627.311, Florida Statutes, are amended to read:  
23          627.311 Joint underwriters and joint reinsurers.--  
24          (2) If the office ~~department~~ finds that any activity  
25 or practice of any such group, association, or other  
26 organization is unfair or unreasonable or otherwise  
27 inconsistent with the provisions of this chapter, it may issue  
28 a written order specifying in what respects such activity or  
29 practice is unfair or unreasonable or otherwise inconsistent  
30 with the provisions of this chapter, and requiring the  
31 discontinuance of such activity or practice.

1           (3) The office ~~department~~ may, after consultation with  
2 insurers licensed to write automobile insurance in this state,  
3 approve a joint underwriting plan for purposes of equitable  
4 apportionment or sharing among insurers of automobile  
5 liability insurance and other motor vehicle insurance, as an  
6 alternate to the plan required in s. 627.351(1). All insurers  
7 authorized to write automobile insurance in this state shall  
8 subscribe to the plan and participate therein. The plan shall  
9 be subject to continuous review by the office ~~department~~ which  
10 may at any time disapprove the entire plan or any part thereof  
11 if it determines that conditions have changed since prior  
12 approval and that in view of the purposes of the plan changes  
13 are warranted. Any disapproval by the office ~~department~~ shall  
14 be subject to the provisions of chapter 120. If adopted, the  
15 plan and the association created under the plan:

16           (a) Must be subject to all provisions of s.  
17 627.351(1), except apportionment of applicants.

18           (b) May provide for one or more designated insurers,  
19 able and willing to provide policy and claims service, to act  
20 on behalf of all other insurers to provide insurance for  
21 applicants who are in good faith entitled to, but unable to,  
22 procure insurance through the voluntary insurance market at  
23 standard rates.

24           (c) Must provide that designated insurers will issue  
25 policies of insurance and provide policyholder and claims  
26 service on behalf of all insurers for the joint underwriting  
27 association.

28           (d) Must provide for the equitable apportionment among  
29 insurers of losses and expenses incurred.

30           (e) Must provide that the joint underwriting  
31 association will operate subject to the supervision and

1 approval of a board of governors consisting of 11 individuals,  
2 including 1 who will be elected as chair. Five members of the  
3 board must be appointed by the Chief Financial Officer  
4 ~~Insurance Commissioner~~. Two of the Chief Financial Officer's  
5 ~~commissioner's~~ appointees must be chosen from the insurance  
6 industry. Any board member appointed by the Chief Financial  
7 Officer ~~Insurance Commissioner~~ may be removed and replaced by  
8 her or him at any time without cause. Six members of the board  
9 must be appointed by the participating insurers, two of whom  
10 must be from the insurance agents' associations. All board  
11 members, including the chair, must be appointed to serve for  
12 2-year terms beginning annually on a date designated by the  
13 plan.

14 (f) Must provide that an agent appointed to a  
15 servicing carrier must be a licensed general lines agent of an  
16 insurer which is authorized to write automobile liability and  
17 physical damage insurance in the state and which is actively  
18 writing such coverage in the county in which the agent is  
19 located, or the immediately adjoining counties, or an agent  
20 who places a volume of other property and casualty insurance  
21 in an amount equal to the premium volume placed with the  
22 Florida Joint Underwriting Association. The office ~~department~~  
23 may, however, determine that an agent may be appointed to a  
24 servicing carrier if, after public hearing, the office  
25 ~~department~~ finds that consumers in the agent's operating area  
26 would not have adequate and reasonable access to the purchase  
27 of automobile insurance if the agent were not appointed to a  
28 servicing carrier.

29 (g) Must make available noncancelable coverage as  
30 provided in s. 627.7275(2).

31

1           (h) Must provide for the furnishing of a list of  
2 insureds and their mailing addresses upon the request of a  
3 member of the association or an insurance agent licensed to  
4 place business with an association member. The list must  
5 indicate whether the insured is currently receiving a good  
6 driver discount from the association. The plan may charge a  
7 reasonable fee to cover the cost incurred in providing the  
8 list.

9           (i) Must not provide a renewal credit or discount or  
10 any other inducement designed to retain a risk.

11           (j) Must not provide any other good driver credit or  
12 discount that is not actuarially sound. In addition to other  
13 criteria that the plan may specify, to be eligible for a good  
14 driver credit, an insured must not have any criminal traffic  
15 violations within the most recent 36-month period preceding  
16 the date the discount is received.

17           (k) Shall have no liability, and no cause of action of  
18 any nature shall arise against, any member insurer or its  
19 agents or employees, agents or employees of the association,  
20 members of the board of governors of the association, the  
21 Chief Financial Officer, or the office ~~department~~ or its  
22 representatives, for any action taken by them in the  
23 performance of their duties or responsibilities under this  
24 subsection. Such immunity does not apply to actions for or  
25 arising out of breach of any contract or agreement pertaining  
26 to insurance, or any willful tort.

27           (1)1. Shall be subject to the public records  
28 requirements of chapter 119 and the public meeting  
29 requirements of s. 286.011. However, the following records of  
30 the Florida Automobile Joint Underwriting Association are  
31

1 confidential and exempt from s. 119.07(1) and s. 24(a), Art. I  
2 of the State Constitution:

3 a. Underwriting files, except that a policyholder or  
4 an applicant shall have access to his or her own underwriting  
5 files.

6 b. Claims files, until termination of all litigation  
7 and settlement of all claims arising out of the same incident,  
8 although portions of the claims files may remain exempt, as  
9 otherwise provided by law. Confidential and exempt claims file  
10 records may be released to other governmental agencies upon  
11 written request and demonstration of need; such records held  
12 by the receiving agency remain confidential and exempt as  
13 provided by this paragraph.

14 c. Records obtained or generated by an internal  
15 auditor pursuant to a routine audit, until the audit is  
16 completed or, if the audit is conducted as part of an  
17 investigation, until the investigation is closed or ceases to  
18 be active. An investigation is considered "active" while the  
19 investigation is being conducted with a reasonable, good faith  
20 belief that it could lead to the filing of administrative,  
21 civil, or criminal proceedings.

22 d. Matters reasonably encompassed in privileged  
23 attorney-client communications.

24 e. Proprietary information licensed to the association  
25 under contract when the contract provides for the  
26 confidentiality of such proprietary information.

27 f. All information relating to the medical condition  
28 or medical status of an association employee which is not  
29 relevant to the employee's capacity to perform his or her  
30 duties, except as otherwise provided in this paragraph.

31 Information which is exempt shall include, but is not limited

1 to, information relating to workers' compensation, insurance  
2 benefits, and retirement or disability benefits.

3 g. All records relative to an employee's participation  
4 in an employee assistance program designed to assist any  
5 employee who has a behavioral or medical disorder, substance  
6 abuse problem, or emotional difficulty which affects the  
7 employee's job performance, except as otherwise provided in s.  
8 112.0455(11).

9 h. Information relating to negotiations for financing,  
10 reinsurance, depopulation, or contractual services, until the  
11 conclusion of the negotiations.

12 i. Minutes of closed meetings regarding underwriting  
13 files, and minutes of closed meetings regarding an open claims  
14 file until termination of all litigation and settlement of all  
15 claims with regard to that claim, except that information  
16 otherwise confidential or exempt by law must be redacted.

17

18 When an authorized insurer is considering underwriting a risk  
19 insured by the association, relevant underwriting files and  
20 confidential claims files may be released to the insurer  
21 provided the insurer agrees in writing, notarized and under  
22 oath, to maintain the confidentiality of such files. When a  
23 file is transferred to an insurer, that file is no longer a  
24 public record because it is not held by an agency subject to  
25 the provisions of the public records law. The association may  
26 make the following information obtained from underwriting  
27 files and confidential claims files available to licensed  
28 general lines insurance agents: name, address, and telephone  
29 number of the automobile owner or insured; location of the  
30 risk; rating information; loss history; and policy type. The

31

1 receiving licensed general lines insurance agent must retain  
2 the confidentiality of the information received.

3         2. Portions of meetings of the Florida Automobile  
4 Joint Underwriting Association during which confidential  
5 underwriting files or confidential open claims files are  
6 discussed are exempt from the provisions of s. 286.011 and s.  
7 24(b), Art. I of the State Constitution. All portions of  
8 association meetings which are closed to the public shall be  
9 recorded by a court reporter. The court reporter shall record  
10 the times of commencement and termination of the meeting, all  
11 discussion and proceedings, the names of all persons present  
12 at any time, and the names of all persons speaking. No  
13 portion of any closed meeting shall be off the record.

14 Subject to the provisions of this paragraph and s.  
15 119.07(2)(a), the court reporter's notes of any closed meeting  
16 shall be retained by the association for a minimum of 5 years.  
17 A copy of the transcript, less any exempt matters, of any  
18 closed meeting during which claims are discussed shall become  
19 public as to individual claims after settlement of the claim.

20  
21 This paragraph is subject to the Open Government Sunset Review  
22 Act of 1995 in accordance with s. 119.15, and shall stand  
23 repealed on October 2, 2003, unless reviewed and saved from  
24 repeal through reenactment by the Legislature.

25         (4)(a) ~~Effective upon this act becoming a law,~~The  
26 office department shall, after consultation with insurers,  
27 approve a joint underwriting plan of insurers which shall  
28 operate as a nonprofit entity. For the purposes of this  
29 subsection, the term "insurer" includes group self-insurance  
30 funds authorized by s. 624.4621, commercial self-insurance  
31 funds authorized by s. 624.462, assessable mutual insurers

1 authorized under s. 628.6011, and insurers licensed to write  
2 workers' compensation and employer's liability insurance in  
3 this state. The purpose of the plan is to provide workers'  
4 compensation and employer's liability insurance to applicants  
5 who are required by law to maintain workers' compensation and  
6 employer's liability insurance and who are in good faith  
7 entitled to but who are unable to purchase such insurance  
8 through the voluntary market. ~~The joint underwriting plan~~  
9 ~~shall issue policies beginning January 1, 1994.~~The plan must  
10 have actuarially sound rates that assure that the plan is  
11 self-supporting.

12 (b) The operation of the plan is subject to the  
13 supervision of a 13-member board of governors. The board of  
14 governors shall be comprised of:

15 1. Five of the 20 domestic insurers, as defined in s.  
16 624.06(1), having the largest voluntary direct premiums  
17 written in this state for workers' compensation and employer's  
18 liability insurance, which shall be elected by those 20  
19 domestic insurers;

20 2. Five of the 20 foreign insurers as defined in s.  
21 624.06(2) having the largest voluntary direct premiums written  
22 in this state for workers' compensation and employer's  
23 liability insurance, which shall be elected by those 20  
24 foreign insurers;

25 3. One person, who shall serve as the chair, appointed  
26 by the Chief Financial Officer ~~Insurance Commissioner~~;

27 4. One person appointed by the largest property and  
28 casualty insurance agents' association in this state; and

29 5. The consumer advocate appointed under s. 627.0613  
30 or the consumer advocate's designee.

31

1 Each board member shall serve a 4-year term and may serve  
2 consecutive terms. No board member shall be an insurer which  
3 provides service to the plan or which has an affiliate which  
4 provides services to the plan or which is serviced by a  
5 service company or third-party administrator which provides  
6 services to the plan or which has an affiliate which provides  
7 services to the plan. The minutes, audits, and procedures of  
8 the board of governors are subject to chapter 119.

9 (c) The operation of the plan shall be governed by a  
10 plan of operation that is prepared at the direction of the  
11 board of governors. The plan of operation may be changed at  
12 any time by the board of governors or upon request of the  
13 office department. The plan of operation and all changes  
14 thereto are subject to the approval of the office department.  
15 The plan of operation shall:

16 1. Authorize the board to engage in the activities  
17 necessary to implement this subsection, including, but not  
18 limited to, borrowing money.

19 2. Develop criteria for eligibility for coverage by  
20 the plan, including, but not limited to, documented rejection  
21 by at least two insurers which reasonably assures that  
22 insureds covered under the plan are unable to acquire coverage  
23 in the voluntary market. Any insured may voluntarily elect to  
24 accept coverage from an insurer for a premium equal to or  
25 greater than the plan premium if the insurer writing the  
26 coverage adheres to the provisions of s. 627.171.

27 3. Require notice from the agent to the insured at the  
28 time of the application for coverage that the application is  
29 for coverage with the plan and that coverage may be available  
30 through an insurer, group self-insurers' fund, commercial  
31

1 self-insurance fund, or assessable mutual insurer through  
2 another agent at a lower cost.

3 4. Establish programs to encourage insurers to provide  
4 coverage to applicants of the plan in the voluntary market and  
5 to insureds of the plan, including, but not limited to:

6 a. Establishing procedures for an insurer to use in  
7 notifying the plan of the insurer's desire to provide coverage  
8 to applicants to the plan or existing insureds of the plan and  
9 in describing the types of risks in which the insurer is  
10 interested. The description of the desired risks must be on a  
11 form developed by the plan.

12 b. Developing forms and procedures that provide an  
13 insurer with the information necessary to determine whether  
14 the insurer wants to write particular applicants to the plan  
15 or insureds of the plan.

16 c. Developing procedures for notice to the plan and  
17 the applicant to the plan or insured of the plan that an  
18 insurer will insure the applicant or the insured of the plan,  
19 and notice of the cost of the coverage offered; and developing  
20 procedures for the selection of an insuring entity by the  
21 applicant or insured of the plan.

22 d. Provide for a market-assistance plan to assist in  
23 the placement of employers. All applications for coverage in  
24 the plan received 45 days before the effective date for  
25 coverage shall be processed through the market-assistance  
26 plan. A market-assistance plan specifically designed to serve  
27 the needs of small good policyholders as defined by the board  
28 must be finalized by January 1, 1994.

29 5. Provide for policy and claims services to the  
30 insureds of the plan of the nature and quality provided for  
31 insureds in the voluntary market.

1           6. Provide for the review of applications for coverage  
2 with the plan for reasonableness and accuracy, using any  
3 available historic information regarding the insured.

4           7. Provide for procedures for auditing insureds of the  
5 plan which are based on reasonable business judgment and are  
6 designed to maximize the likelihood that the plan will collect  
7 the appropriate premiums.

8           8. Authorize the plan to terminate the coverage of and  
9 refuse future coverage for any insured that submits a  
10 fraudulent application to the plan or provides fraudulent or  
11 grossly erroneous records to the plan or to any service  
12 provider of the plan in conjunction with the activities of the  
13 plan.

14           9. Establish service standards for agents who submit  
15 business to the plan.

16           10. Establish criteria and procedures to prohibit any  
17 agent who does not adhere to the established service standards  
18 from placing business with the plan or receiving, directly or  
19 indirectly, any commissions for business placed with the plan.

20           11. Provide for the establishment of reasonable safety  
21 programs for all insureds in the plan.

22           12. Authorize the plan to terminate the coverage of  
23 and refuse future coverage to any insured who fails to pay  
24 premiums or surcharges when due; who, at the time of  
25 application, is delinquent in payments of workers'  
26 compensation or employer's liability insurance premiums or  
27 surcharges owed to an insurer, group self-insurers' fund,  
28 commercial self-insurance fund, or assessable mutual insurer  
29 licensed to write such coverage in this state; or who refuses  
30 to substantially comply with any safety programs recommended  
31 by the plan.

1           13. Authorize the board of governors to provide the  
2 services required by the plan through staff employed by the  
3 plan, through reasonably compensated service providers who  
4 contract with the plan to provide services as specified by the  
5 board of governors, or through a combination of employees and  
6 service providers.

7           14. Provide for service standards for service  
8 providers, methods of determining adherence to those service  
9 standards, incentives and disincentives for service, and  
10 procedures for terminating contracts for service providers  
11 that fail to adhere to service standards.

12           15. Provide procedures for selecting service providers  
13 and standards for qualification as a service provider that  
14 reasonably assure that any service provider selected will  
15 continue to operate as an ongoing concern and is capable of  
16 providing the specified services in the manner required.

17           16. Provide for reasonable accounting and  
18 data-reporting practices.

19           17. Provide for annual review of costs associated with  
20 the administration and servicing of the policies issued by the  
21 plan to determine alternatives by which costs can be reduced.

22           18. Authorize the acquisition of such excess insurance  
23 or reinsurance as is consistent with the purposes of the plan.

24           19. Provide for an annual report to the office  
25 ~~department~~ on a date specified by the office ~~department~~ and  
26 containing such information as the office ~~department~~  
27 reasonably requires.

28           20. Establish multiple rating plans for various  
29 classifications of risk which reflect risk of loss, hazard  
30 grade, actual losses, size of premium, and compliance with  
31 loss control. At least one of such plans must be a

1 preferred-rating plan to accommodate small-premium  
2 policyholders with good experience as defined in  
3 sub-subparagraph 22.a.  
4         21. Establish agent commission schedules.  
5         22. Establish three subplans as follows:  
6             a. Subplan "A" must include those insureds whose  
7 annual premium does not exceed \$2,500 and who have neither  
8 incurred any lost-time claims nor incurred medical-only claims  
9 exceeding 50 percent of their premium for the immediate 2  
10 years.  
11             b. Subplan "B" must include insureds that are  
12 employers identified by the board of governors as high-risk  
13 employers due solely to the nature of the operations being  
14 performed by those insureds and for whom no market exists in  
15 the voluntary market, and whose experience modifications are  
16 less than 1.00.  
17             c. Subplan "C" must include all other insureds within  
18 the plan.  
19             (e) The plan shall establish and use its rates and  
20 rating plans, and the plan may establish and use changes in  
21 rating plans at any time, but no more frequently than two  
22 times per any rating class for any calendar year. By December  
23 1, 1993, and December 1 of each year thereafter, the board  
24 shall establish and use actuarially sound rates for use by the  
25 plan to assure that the plan is self-funding while those rates  
26 are in effect. Such rates and rating plans must be filed with  
27 the office ~~department~~ within 30 calendar days after their  
28 effective dates, and shall be considered a "use and file"  
29 filing. Any disapproval by the office ~~department~~ must have an  
30 effective date that is at least 60 days from the date of  
31 disapproval of the rates and rating plan and must have

1 prospective effect only. The plan may not be subject to any  
2 order by the office department to return to policyholders any  
3 portion of the rates disapproved by the office department. The  
4 office department may not disapprove any rates or rating plans  
5 unless it demonstrates that such rates and rating plans are  
6 excessive, inadequate, or unfairly discriminatory.

7 (f) No later than June 1 of each year, the plan shall  
8 obtain an independent actuarial certification of the results  
9 of the operations of the plan for prior years, and shall  
10 furnish a copy of the certification to the office department.  
11 If, after the effective date of the plan, the projected  
12 ultimate incurred losses and expenses and dividends for prior  
13 years exceed collected premiums, accrued net investment  
14 income, and prior assessments for prior years, the  
15 certification is subject to review and approval by the office  
16 department before it becomes final.

17 (g) Whenever a deficit exists, the plan shall, within  
18 90 days, provide the office department with a program to  
19 eliminate the deficit within a reasonable time. The deficit  
20 may be funded through increased premiums charged to insureds  
21 of the plan for subsequent years, through the use of  
22 policyholder surplus attributable to any year, and through  
23 assessments on insureds in the plan if the plan uses  
24 assessable policies.

25 Section 1096. Section 627.3111, Florida Statutes, is  
26 transferred, renumbered as section 624.23, Florida Statutes,  
27 and amended to read:

28 624.23 ~~627.3111~~ Public records exemption.--All bank  
29 account numbers and debit, charge, and credit card numbers,  
30 and all other personal financial and health information of a  
31 consumer held by the department or office ~~of Insurance~~ or

1 their ~~its~~ service providers or agents, relating to a  
2 consumer's complaint or inquiry regarding a matter or activity  
3 regulated under the Florida Insurance Code, are confidential  
4 and exempt from s. 119.07(1) and s. 24(a), Art. I of the State  
5 Constitution. For the purpose of this section, the term  
6 "consumer" includes but is not limited to a prospective  
7 purchaser, purchaser, or beneficiary of, or applicant for, any  
8 product or service regulated under the Florida Insurance Code,  
9 and a family member or dependent of a consumer, a subscriber  
10 under a group policy, or a policyholder. This information  
11 shall be redacted from records that contain nonexempt  
12 information prior to disclosure. This exemption applies to  
13 information made confidential and exempt by this section held  
14 by the department or office ~~of Insurance~~ or their ~~its~~ service  
15 providers or agents before, on, or after the effective date of  
16 this exemption. Such confidential and exempt information may  
17 be disclosed to another governmental entity, if disclosure is  
18 necessary for the receiving entity to perform its duties and  
19 responsibilities, and may be disclosed to the National  
20 Association of Insurance Commissioners. The receiving  
21 governmental entity and the association must maintain the  
22 confidential and exempt status of such information. The  
23 information made confidential and exempt by this section may  
24 be used in a criminal, civil, or administrative proceeding so  
25 long as the confidential and exempt status of such information  
26 is maintained. This exemption does not include the name and  
27 address of an inquirer or complainant to the department or  
28 office or the name of an insurer or other regulated entity  
29 which is the subject of the inquiry or complaint. This section  
30 is subject to the Open Government Sunset Review Act of 1995 in  
31 accordance with s. 119.15 and shall stand repealed on October

1 2, 2007, unless reviewed and saved from repeal through  
2 reenactment by the Legislature.

3 Section 1097. Subsection (6) of section 627.314,  
4 Florida Statutes, is amended to read:

5 627.314 Concerted action by two or more insurers.--

6 (6) Notwithstanding any other provisions of this part,  
7 insurers shall not participate directly or indirectly in the  
8 deliberations or decisions of rating organizations on private  
9 passenger automobile insurance. However, such rating  
10 organizations shall, upon request of individual insurers, be  
11 required to furnish at reasonable cost the rate indications  
12 resulting from the loss and expense statistics gathered by  
13 them. Individual insurers may modify the indications to  
14 reflect their individual experience in determining their own  
15 rates. Such rates shall be filed with the office ~~department~~  
16 for public inspection whenever requested and shall be  
17 available for public announcement only by the press, office  
18 ~~department~~, or insurer.

19 Section 1098. Section 627.318, Florida Statutes, is  
20 amended to read:

21 627.318 Records.--Every insurer, rating organization,  
22 and advisory organization and every group, association, or  
23 other organization of insurers which engages in joint  
24 underwriting or joint reinsurance shall maintain reasonable  
25 records, of the type and kind reasonably adapted to its method  
26 of operation, of its experience or the experience of its  
27 members and of the data, statistics, or information collected  
28 or used by it in connection with the rates, rating plans,  
29 rating systems, underwriting rules, policy or bond forms,  
30 surveys, or inspections made or used by it, so that such  
31 records will be available at all reasonable times to enable

1 the office ~~department~~ to determine whether such organization,  
2 insurer, group, or association, and, in the case of an insurer  
3 or rating organization, every rate, rating plan, and rating  
4 system made or used by it, complies with the provisions of  
5 this part applicable to it. The maintenance of such records  
6 in the office of a licensed rating organization of which an  
7 insurer is a member or subscriber will be sufficient  
8 compliance with this section for any such insurer maintaining  
9 membership or subscribership in such organization, to the  
10 extent that the insurer uses the rates, rating plans, rating  
11 systems, or underwriting rules of such organization. Such  
12 records shall be maintained in an office within this state or  
13 shall be made available for examination or inspection within  
14 this state by the department at any time upon reasonable  
15 notice.

16 Section 1099. Section 627.331, Florida Statutes, is  
17 amended to read:

18 627.331 Recording and reporting of loss, expense, and  
19 claims experience; rating information.--

20 (1) The commission ~~department~~ may promulgate rules and  
21 statistical plans which shall thereafter be used by each  
22 insurer in the recording and reporting of its loss, expense,  
23 and claims experience, in order that the experience of all  
24 insurers may be made available at least annually in such form  
25 and detail as may be necessary to aid the office ~~department~~ in  
26 determining whether the insurer's activities comply with the  
27 applicable standards of this code.

28 (2) In promulgating such rules and plans, the  
29 commission ~~department~~ shall give due consideration to the  
30 rating systems in use in this state and, in order that such  
31 rules and plans may be as uniform as is practicable among the

1 several states, to the rules and to the form of the plans used  
2 for such rating systems in other states. No insurer shall be  
3 required to record or report its loss experience on a  
4 classification basis that is inconsistent with the rating  
5 system used by it, except for motor vehicle insurance as  
6 otherwise provided by law.

7 (3) The office ~~department~~ may designate one or more  
8 rating organizations or other agencies to assist it in  
9 gathering such experience and making compilations thereof; and  
10 such compilations shall be made available, subject to  
11 reasonable rules adopted ~~promulgated~~ by the commission  
12 ~~department~~, to insurers and rating organizations.

13 Section 1100. Subsection (1), paragraphs (a) and (c)  
14 of subsection (3), paragraphs (a), (c), and (d) of subsection  
15 (4), and subsections (5) and (6) of section 627.351, Florida  
16 Statutes, are amended, and paragraph (f) is added to  
17 subsection (2) of that section to read:

18 627.351 Insurance risk apportionment plans.--

19 (1) MOTOR VEHICLE INSURANCE RISK  
20 APPORTIONMENT.--Agreements may be made among casualty and  
21 surety insurers with respect to the equitable apportionment  
22 among them of insurance which may be afforded applicants who  
23 are in good faith entitled to, but are unable to, procure such  
24 insurance through ordinary methods, and such insurers may  
25 agree among themselves on the use of reasonable rate  
26 modifications for such insurance. Such agreements and rate  
27 modifications shall be subject to the approval of the office  
28 ~~department~~. The office ~~department~~ shall, after consultation  
29 with the insurers licensed to write automobile liability  
30 insurance in this state, adopt a reasonable plan or plans for  
31 the equitable apportionment among such insurers of applicants

1 for such insurance who are in good faith entitled to, but are  
2 unable to, procure such insurance through ordinary methods,  
3 and, when such plan has been adopted, all such insurers shall  
4 subscribe thereto and shall participate therein. Such plan or  
5 plans shall include rules for classification of risks and  
6 rates therefor. The plan or plans shall make available  
7 noncancelable coverage as provided in s. 627.7275(2). Any  
8 insured placed with the plan shall be notified of the fact  
9 that insurance coverage is being afforded through the plan and  
10 not through the private market, and such notification shall be  
11 given in writing within 10 days of such placement. To assure  
12 that plan rates are made adequate to pay claims and expenses,  
13 insurers shall develop a means of obtaining loss and expense  
14 experience at least annually, and the plan shall file such  
15 experience, when available, with the office ~~department~~ in  
16 sufficient detail to make a determination of rate adequacy.  
17 Prior to the filing of such experience with the office  
18 ~~department~~, the plan shall poll each member insurer as to the  
19 need for an actuary who is a member of the Casualty Actuarial  
20 Society and who is not affiliated with the plan's statistical  
21 agent to certify the plan's rate adequacy. If a majority of  
22 those insurers responding indicate a need for such  
23 certification, the plan shall include the certification as  
24 part of its experience filing. Such experience shall be filed  
25 with the office ~~department~~ not more than 9 months following  
26 the end of the annual statistical period under review,  
27 together with a rate filing based on said experience. The  
28 office ~~department~~ shall initiate proceedings to disapprove the  
29 rate and so notify the plan or shall finalize its review  
30 within 60 days of receipt of the filing. Notification to the  
31 plan by the office ~~department~~ of its preliminary findings,

1 which include a point of entry to the plan pursuant to chapter  
2 120, shall toll the 60-day period during any such proceedings  
3 and subsequent judicial review. The rate shall be deemed  
4 approved if the office ~~department~~ does not issue notice to the  
5 plan of its preliminary findings within 60 days of the filing.  
6 In addition to provisions for claims and expenses, the  
7 ratemaking formula shall include a factor for projected claims  
8 trending and 5 percent for contingencies. In no instance shall  
9 the formula include a renewal discount for plan insureds.  
10 However, the plan shall reunderwrite each insured on an annual  
11 basis, based upon all applicable rating factors approved by  
12 the office ~~department~~. Trend factors shall not be found to be  
13 inappropriate if not in excess of trend factors normally used  
14 in the development of residual market rates by the appropriate  
15 licensed rating organization. Each application for coverage  
16 in the plan shall include, in boldfaced 12-point type  
17 immediately preceding the applicant's signature, the following  
18 statement:

19  
20 "THIS INSURANCE IS BEING AFFORDED THROUGH THE  
21 FLORIDA JOINT UNDERWRITING ASSOCIATION AND NOT  
22 THROUGH THE PRIVATE MARKET. PLEASE BE ADVISED  
23 THAT COVERAGE WITH A PRIVATE INSURER MAY BE  
24 AVAILABLE FROM ANOTHER AGENT AT A LOWER COST.  
25 AGENT AND COMPANY LISTINGS ARE AVAILABLE IN THE  
26 LOCAL YELLOW PAGES."  
27

28 The plan shall annually report to the office  
29 ~~department~~ the number and percentage of plan insureds  
30 who are not surcharged due to their driving record.

31 (2) WINDSTORM INSURANCE RISK APPORTIONMENT.--

1           (f) As used in this subsection, the term "department"  
2 means the former Department of Insurance.

3           (3) POLITICAL SUBDIVISION; CASUALTY INSURANCE RISK  
4 APPORTIONMENT.--

5           (a) The office ~~department~~ shall, after consultation  
6 with the casualty insurers licensed in this state, adopt a  
7 plan or plans for the equitable apportionment among them of  
8 casualty insurance coverage which may be afforded political  
9 subdivisions which are in good faith entitled to, but are  
10 unable to, procure such coverage through the voluntary market  
11 at standard rates or through a statutorily approved plan  
12 authorized by the office ~~department~~. The office ~~department~~ may  
13 adopt a joint underwriting plan which shall provide for one or  
14 more designated insurers able and willing to provide  
15 policyholder and claims service, including the issuance of  
16 insurance policies, to act on behalf of all other insurers  
17 required to participate in the joint underwriting plan. Any  
18 joint underwriting plan adopted shall provide for the  
19 equitable apportionment of any profits realized, or of losses  
20 and expenses incurred, among participating insurers. The plan  
21 shall include, but shall not be limited to:

22           1. Rules for the classification of risks and rates  
23 which reflect the past loss experience and prospective loss  
24 experience in different geographic areas.

25           2. A rating plan which reasonably reflects the prior  
26 claims experience of the insureds.

27           3. Excess coverage by insurers if the office ~~Insurance~~  
28 ~~Commissioner~~, in its ~~his or her~~ discretion, requires such  
29 coverage by insurers participating in the joint underwriting  
30 plan.

31

1 (c) Any deficit sustained under the plan shall first  
2 be recovered through a premium contingency assessment.  
3 Concurrently, the rates for insureds shall be adjusted for the  
4 next year so as to be actuarially sound in conformance with  
5 rules adopted by ~~of the commission~~ department.

6 (4) MEDICAL MALPRACTICE RISK APPORTIONMENT.--

7 (a) The office ~~department~~ shall, after consultation  
8 with insurers as set forth in paragraph (b), adopt a joint  
9 underwriting plan as set forth in paragraph (d).

10 (c) The Joint Underwriting Association shall operate  
11 subject to the supervision and approval of a board of  
12 governors consisting of representatives of five of the  
13 insurers participating in the Joint Underwriting Association,  
14 an attorney to be named by The Florida Bar, a physician to be  
15 named by the Florida Medical Association, a dentist to be  
16 named by the Florida Dental Association, and a hospital  
17 representative to be named by the Florida Hospital  
18 Association. The Chief Financial Officer shall select the  
19 representatives of the five insurers. One insurer  
20 representative shall be selected from recommendations of the  
21 American Insurance Association. One insurer representative  
22 shall be selected from recommendations of the Alliance of  
23 American Insurers. One insurer representative shall be  
24 selected from recommendations of the National Association of  
25 Independent Insurers. Two insurer representatives shall be  
26 selected to represent insurers that are not affiliated with  
27 these associations.The board of governors shall choose,  
28 during the first meeting of the board after June 30 of each  
29 year, one of its members to serve as chair of the board and  
30 another member to serve as vice chair of the board. There  
31 shall be no liability on the part of, and no cause of action

1 of any nature shall arise against, any member insurer,  
2 self-insurer, or its agents or employees, the Joint  
3 Underwriting Association or its agents or employees, members  
4 of the board of governors, or the office ~~department~~ or its  
5 representatives for any action taken by them in the  
6 performance of their powers and duties under this subsection.

7 (d) The plan shall provide coverage for claims arising  
8 out of the rendering of, or failure to render, medical care or  
9 services and, in the case of health care facilities, coverage  
10 for bodily injury or property damage to the person or property  
11 of any patient arising out of the insured's activities, in  
12 appropriate policy forms for all health care providers as  
13 defined in paragraph (h). The plan shall include, but shall  
14 not be limited to:

15 1. Classifications of risks and rates which reflect  
16 past and prospective loss and expense experience in different  
17 areas of practice and in different geographical areas. To  
18 assure that plan rates are adequate to pay claims and  
19 expenses, the Joint Underwriting Association shall develop a  
20 means of obtaining loss and expense experience; and the plan  
21 shall file such experience, when available, with the office  
22 ~~department~~ in sufficient detail to make a determination of  
23 rate adequacy. Within 60 days after a rate filing, the office  
24 ~~department~~ shall approve such rates or rate revisions as are  
25 fully supported by the filing. In addition to provisions for  
26 claims and expenses, the ratemaking formula may include a  
27 factor for projected claims trending and a margin for  
28 contingencies. The use of trend factors shall not be found to  
29 be inappropriate.

30 2. A rating plan which reasonably recognizes the prior  
31 claims experience of insureds.

1           3. Provisions as to rates for:  
2           a. Insureds who are retired or semiretired.  
3           b. The estates of deceased insureds.  
4           c. Part-time professionals.  
5           4. Protection in an amount not to exceed \$250,000 per  
6 claim, \$750,000 annual aggregate for health care providers  
7 other than hospitals and in an amount not to exceed \$1.5  
8 million per claim, \$5 million annual aggregate for hospitals.  
9 Such coverage for health care providers other than hospitals  
10 shall be available as primary coverage and as excess coverage  
11 for the layer of coverage between the primary coverage and the  
12 total limits of \$250,000 per claim, \$750,000 annual aggregate.  
13 The plan shall also provide tail coverage in these amounts to  
14 insureds whose claims-made coverage with another insurer or  
15 trust has or will be terminated. Such tail coverage shall  
16 provide coverage for incidents that occurred during the  
17 claims-made policy period for which a claim is made after the  
18 policy period.  
19           5. A risk management program for insureds of the  
20 association. This program shall include, but not be limited  
21 to: investigation and analysis of frequency, severity, and  
22 causes of adverse or untoward medical injuries; development of  
23 measures to control these injuries; systematic reporting of  
24 medical incidents; investigation and analysis of patient  
25 complaints; and auditing of association members to assure  
26 implementation of this program. The plan may refuse to insure  
27 any insured who refuses or fails to comply with the risk  
28 management program implemented by the association. Prior to  
29 cancellation or refusal to renew an insured, the association  
30 shall provide the insured 60 days' notice of intent to cancel  
31 or nonrenew and shall further notify the insured of any action

1 which must be taken to be in compliance with the risk  
2 management program.

3 (5) PROPERTY AND CASUALTY INSURANCE RISK  
4 APPORTIONMENT.--The commission ~~department~~ shall adopt by rule  
5 a joint underwriting plan to equitably apportion among  
6 insurers authorized in this state to write property insurance  
7 as defined in s. 624.604 or casualty insurance as defined in  
8 s. 624.605, the underwriting of one or more classes of  
9 property insurance or casualty insurance, except for the types  
10 of insurance that are included within property insurance or  
11 casualty insurance for which an equitable apportionment plan,  
12 assigned risk plan, or joint underwriting plan is authorized  
13 under s. 627.311 or subsection (1), subsection (2), subsection  
14 (3), subsection (4), or subsection (5) and except for risks  
15 eligible for flood insurance written through the federal flood  
16 insurance program to persons with risks eligible under  
17 subparagraph (a)1. and who are in good faith entitled to, but  
18 are unable to, obtain such property or casualty insurance  
19 coverage, including excess coverage, through the voluntary  
20 market. For purposes of this subsection, an adequate level of  
21 coverage means that coverage which is required by state law or  
22 by responsible or prudent business practices. The Joint  
23 Underwriting Association shall not be required to provide  
24 coverage for any type of risk for which there are no insurers  
25 providing similar coverage in this state. The office  
26 ~~department~~ may designate one or more participating insurers  
27 who agree to provide policyholder and claims service,  
28 including the issuance of policies, on behalf of the  
29 participating insurers.

30 (a) The plan shall provide:  
31

1           1. A means of establishing eligibility of a risk for  
2 obtaining insurance through the plan, which provides that:

3           a. A risk shall be eligible for such property  
4 insurance or casualty insurance as is required by Florida law  
5 if the insurance is unavailable in the voluntary market,  
6 including the market assistance program and the surplus lines  
7 market.

8           b. A commercial risk not eligible under  
9 sub-subparagraph a. shall be eligible for property or casualty  
10 insurance if:

11           (I) The insurance is unavailable in the voluntary  
12 market, including the market assistance plan and the surplus  
13 lines market;

14           (II) Failure to secure the insurance would  
15 substantially impair the ability of the entity to conduct its  
16 affairs; and

17           (III) The risk is not determined by the Risk  
18 Underwriting Committee to be uninsurable.

19           c. In the event the Federal Government terminates the  
20 Federal Crime Insurance Program established under 44 C.F.R.  
21 ss. 80-83, Florida commercial and residential risks previously  
22 insured under the federal program shall be eligible under the  
23 plan.

24           d.(I) In the event a risk is eligible under this  
25 paragraph and in the event the market assistance plan receives  
26 a minimum of 100 applications for coverage within a 3-month  
27 period, or 200 applications for coverage within a 1-year  
28 period or less, for a given class of risk contained in the  
29 classification system defined in the plan of operation of the  
30 Joint Underwriting Association, and unless the market  
31 assistance plan provides a quotation for at least 80 percent

1 of such applicants, such classification shall immediately be  
2 eligible for coverage in the Joint Underwriting Association.

3 (II) Any market assistance plan application which is  
4 rejected because an individual risk is so hazardous as to be  
5 practically uninsurable, considering whether the likelihood of  
6 a loss for such a risk is substantially higher than for other  
7 risks of the same class due to individual risk  
8 characteristics, prior loss experience, unwillingness to  
9 cooperate with a prior insurer, physical characteristics and  
10 physical location shall not be included in the minimum  
11 percentage calculation provided above. In the event that there  
12 is any legal or administrative challenge to a determination by  
13 the office ~~department~~ that the conditions of this subparagraph  
14 have been met for eligibility for coverage in the Joint  
15 Underwriting Association for a given classification, any  
16 eligible risk may obtain coverage during the pendency of any  
17 such challenge.

18 e. In order to qualify as a quotation for the purpose  
19 of meeting the minimum percentage calculation in this  
20 subparagraph, the quoted premium must meet the following  
21 criteria:

22 (I) In the case of an admitted carrier, the quoted  
23 premium must not exceed the premium available for a given  
24 classification currently in use by the Joint Underwriting  
25 Association or the premium developed by using the rates and  
26 rating plans on file with the office ~~department~~ by the quoting  
27 insurer, whichever is greater.

28 (II) In the case of an authorized surplus lines  
29 insurer, the quoted premium must not exceed the premium  
30 available for a given classification currently in use by the  
31

1 Joint Underwriting Association by more than 25 percent, after  
2 consideration of any individual risk surcharge or credit.

3 f. Any agent who falsely certifies the unavailability  
4 of coverage as provided by sub-subparagraphs a. and b., is  
5 subject to the penalties provided in s. 626.611.

6 2. A means for the equitable apportionment of profits  
7 or losses and expenses among participating insurers.

8 3. Rules for the classification of risks and rates  
9 which reflect the past and prospective loss experience.

10 4. A rating plan which reasonably reflects the prior  
11 claims experience of the insureds. Such rating plan shall  
12 include at least two levels of rates for risks that have  
13 favorable loss experience and risks that have unfavorable loss  
14 experience, as established by the plan.

15 5. Reasonable limits to available amounts of  
16 insurance. Such limits may not be less than the amounts of  
17 insurance required of eligible risks by Florida law.

18 6. Risk management requirements for insurance where  
19 such requirements are reasonable and are expected to reduce  
20 losses.

21 7. Deductibles as may be necessary to meet the needs  
22 of insureds.

23 8. Policy forms which are consistent with the forms in  
24 use by the majority of the insurers providing coverage in the  
25 voluntary market for the coverage requested by the applicant.

26 9. A means to remove risks from the plan once such  
27 risks no longer meet the eligibility requirements of this  
28 paragraph. For this purpose, the plan shall include the  
29 following requirements: At each 6-month interval after the  
30 activation of any class of insureds, the board of governors or  
31 its designated committee shall review the number of

1 applications to the market assistance plan for that class. If,  
2 based on these latest numbers, at least 90 percent of such  
3 applications have been provided a quotation, the Joint  
4 Underwriting Association shall cease underwriting new  
5 applications for such class within 30 days, and notification  
6 of this decision shall be sent to the office Insurance  
7 ~~Commissioner~~, the major agents' associations, and the board of  
8 directors of the market assistance plan. A quotation for the  
9 purpose of this subparagraph shall meet the same criteria for  
10 a quotation as provided in sub-subparagraph 1.e  
11 ~~sub-subparagraph d.~~ All policies which were previously written  
12 for that class shall continue in force until their normal  
13 expiration date, at which time, subject to the required timely  
14 notification of nonrenewal by the Joint Underwriting  
15 Association, the insured may then elect to reapply to the  
16 Joint Underwriting Association according to the requirements  
17 of eligibility. If, upon reapplication, those previously  
18 insured Joint Underwriting Association risks meet the  
19 eligibility requirements, the Joint Underwriting Association  
20 shall provide the coverage requested.

21         10. A means for providing credits to insurers against  
22 any deficit assessment levied pursuant to paragraph (c), for  
23 risks voluntarily written through the market assistance plan  
24 by such insurers.

25         11. That the Joint Underwriting Association shall  
26 operate subject to the supervision and approval of a board of  
27 governors consisting of 13 individuals appointed by the Chief  
28 Financial Officer ~~Insurance Commissioner~~, and shall have an  
29 executive or underwriting committee. At least four of the  
30 members shall be representatives of insurance trade  
31 associations as follows: one member from the American

1 Insurance Association, one member from the Alliance of  
2 American Insurers, one member from the National Association of  
3 Independent Insurers, and one member from an unaffiliated  
4 insurer writing coverage on a national basis. Two  
5 representatives shall be from two of the statewide agents'  
6 associations. Each board member shall be appointed to serve  
7 for 2-year terms beginning on a date designated by the plan  
8 and shall serve at the pleasure of the Chief Financial Officer  
9 ~~commissioner~~. Members may be reappointed for subsequent terms.

10 (b) Rates used by the Joint Underwriting Association  
11 shall be actuarially sound. To the extent applicable, the rate  
12 standards set forth in s. 627.062 shall be considered by the  
13 office ~~department~~ in establishing rates to be used by the  
14 joint underwriting plan. The initial rate level shall be  
15 determined using the rates, rules, rating plans, and  
16 classifications contained in the most current Insurance  
17 Services Office (ISO) filing with the office ~~department~~ or the  
18 filing of other licensed rating organizations with an  
19 additional increment of 25 percent of premium. For any type of  
20 coverage or classification which lends itself to manual rating  
21 for which the Insurance Services Office or another licensed  
22 rating organization does not file or publish a rate, the Joint  
23 Underwriting Association shall file and use an initial rate  
24 based on the average current market rate. The initial rate  
25 level for the rate plan shall also be subject to an experience  
26 and schedule rating plan which may produce a maximum of 25  
27 percent debits or credits. For any risk which does not lend  
28 itself to manual rating and for which no rate has been  
29 promulgated under the rate plan, the board shall develop and  
30 file with the office ~~commissioner~~, subject to its ~~his or her~~  
31 approval, appropriate criteria and factors for rating the

1 individual risk. Such criteria and factors shall include, but  
2 not be limited to, loss rating plans, composite rating plans,  
3 and unique and unusual risk rating plans. The initial rates  
4 required under this paragraph shall be adjusted in conformity  
5 with future filings by the Insurance Services Office with the  
6 office ~~department~~ and shall remain in effect until such time  
7 as the Joint Underwriting Association has sufficient data as  
8 to independently justify an actuarially sound change in such  
9 rates.

10 (c)1. In the event an underwriting deficit exists for  
11 any policy year the plan is in effect, any surplus which has  
12 accrued from previous years and is not projected within  
13 reasonable actuarial certainty to be needed for payment for  
14 claims in the year the surplus arose shall be used to offset  
15 the deficit to the extent available.

16 2. As to any remaining deficit, the board of governors  
17 of the Joint Underwriting Association shall levy and collect  
18 an assessment in an amount sufficient to offset such deficit.  
19 Such assessment shall be levied against the insurers  
20 participating in the plan during the year giving rise to the  
21 assessment. Any assessments against insurers for the lines of  
22 property and casualty insurance issued to commercial risks  
23 shall be recovered from the participating insurers in the  
24 proportion that the net direct premium of each insurer for  
25 commercial risks written during the preceding calendar year  
26 bears to the aggregate net direct premium written for  
27 commercial risks by all members of the plan for the lines of  
28 insurance included in the plan. Any assessments against  
29 insurers for the lines of property and casualty insurance  
30 issued to personal risks eligible under sub-subparagraph  
31 (a)1.a. or sub-subparagraph (a)1.c. shall be recovered from

1 the participating insurers in the proportion that the net  
2 direct premium of each insurer for personal risks written  
3 during the preceding calendar year bears to the aggregate net  
4 direct premium written for personal risks by all members of  
5 the plan for the lines of insurance included in the plan.

6 3. The board shall take all reasonable and prudent  
7 steps necessary to collect the amount of assessment due from  
8 each participating insurer and policyholder, including, if  
9 prudent, filing suit to collect such assessment. If the board  
10 is unable to collect an assessment from any insurer, the  
11 uncollected assessments shall be levied as an additional  
12 assessment against the participating insurers and any  
13 participating insurer required to pay an additional assessment  
14 as a result of such failure to pay shall have a cause of  
15 action against such nonpaying insurer.

16 4. Any funds or entitlements that the state may be  
17 eligible to receive by virtue of the Federal Government's  
18 termination of the Federal Crime Insurance Program referenced  
19 in sub-subparagraph (a)1.c. may be used under the plan to  
20 offset any subsequent underwriting deficits that may occur  
21 from risks previously insured with the Federal Crime Insurance  
22 Program.

23 5. Assessments shall be included as an appropriate  
24 factor in the making of rates as provided in s. 627.3512.

25 6.a. The Legislature finds that the potential for  
26 unlimited assessments under this paragraph may induce insurers  
27 to attempt to reduce their writings in the voluntary market,  
28 and that such actions would worsen the availability problems  
29 that the association was created to remedy. It is the intent  
30 of the Legislature that insurers remain fully responsible for  
31 covering any deficits of the association; however, it is also

1 the intent of the Legislature to provide a means by which  
2 assessment liabilities may be amortized over a period of  
3 years.

4           b. The total amount of deficit assessments under this  
5 paragraph with respect to any year may not exceed 10 percent  
6 of the statewide total gross written premium for all insurers  
7 for the coverages referred to in the introductory language of  
8 this subsection for the prior year, except that if the deficit  
9 with respect to any plan year exceeds such amount and bonds  
10 are issued under sub-subparagraph c. to defray the deficit,  
11 the total amount of assessments with respect to such deficit  
12 may not in any year exceed 10 percent of the deficit, or such  
13 lesser percentage as is sufficient to retire the bonds as  
14 determined by the board, and shall continue annually until the  
15 bonds are retired.

16           c. The governing body of any unit of local government,  
17 any residents or businesses of which are insured by the  
18 association, may issue bonds as defined in s. 125.013 or s.  
19 166.101 from time to time to fund an assistance program, in  
20 conjunction with the association, for the purpose of defraying  
21 deficits of the association. Revenue bonds may not be issued  
22 until validated pursuant to chapter 75, unless a state of  
23 emergency is declared by executive order or proclamation of  
24 the Governor pursuant to s. 252.36 making such findings as are  
25 necessary to determine that it is in the best interests of,  
26 and necessary for, the protection of the public health,  
27 safety, and general welfare of residents of this state and the  
28 protection and preservation of the economic stability of  
29 insurers operating in this state, and declaring it an  
30 essential public purpose to permit certain municipalities or  
31 counties to issue such bonds as will provide relief to

1 claimants and policyholders of the joint underwriting  
2 association and insurers responsible for apportionment of  
3 association losses. The unit of local government shall enter  
4 into such contracts with the association as are necessary to  
5 carry out this paragraph. Any bonds issued under this  
6 sub-subparagraph shall be payable from and secured by moneys  
7 received by the association from assessments under this  
8 paragraph, and assigned and pledged to or on behalf of the  
9 unit of local government for the benefit of the holders of  
10 such bonds. The funds, credit, property, and taxing power of  
11 the state or of the unit of local government shall not be  
12 pledged for the payment of such bonds. If any of the bonds  
13 remain unsold 60 days after issuance, the office ~~department~~  
14 shall require all insurers subject to assessment to purchase  
15 the bonds, which shall be treated as admitted assets; each  
16 insurer shall be required to purchase that percentage of the  
17 unsold portion of the bond issue that equals the insurer's  
18 relative share of assessment liability under this subsection.  
19 An insurer shall not be required to purchase the bonds to the  
20 extent that the office ~~department~~ determines that the purchase  
21 would endanger or impair the solvency of the insurer.

22           7. The plan shall provide for the deferment, in whole  
23 or in part, of the assessment of an insurer if the office  
24 ~~department~~ finds that payment of the assessment would endanger  
25 or impair the solvency of the insurer. In the event an  
26 assessment against an insurer is deferred in whole or in part,  
27 the amount by which such assessment is deferred may be  
28 assessed against the other member insurers in a manner  
29 consistent with the basis for assessments set forth in  
30 subparagraph 2.

31

1           (d) Upon adoption of the plan, all insurers authorized  
2 in this state to underwrite property or casualty insurance  
3 shall participate in the plan.

4           (e) A Risk Underwriting Committee of the Joint  
5 Underwriting Association composed of three members experienced  
6 in evaluating insurance risks is created to review risks  
7 rejected by the voluntary market for which application is made  
8 for insurance through the joint underwriting plan. The  
9 committee shall consist of a representative of the market  
10 assistance plan created under s. 627.3515, a member selected  
11 by the insurers participating in the Joint Underwriting  
12 Association, and a member named by the Chief Financial Officer  
13 ~~Insurance Commissioner~~. The Risk Underwriting Committee shall  
14 appoint such advisory committees as are provided for in the  
15 plan and are necessary to conduct its functions. The salaries  
16 and expenses of the members of the Risk Underwriting Committee  
17 and its advisory committees shall be paid by the joint  
18 underwriting plan. The plan approved by the office department  
19 shall establish criteria and procedures for use by the Risk  
20 Underwriting Committee for determining whether an individual  
21 risk is so hazardous as to be uninsurable. In making this  
22 determination and in establishing the criteria and procedures,  
23 the following shall be considered:

24           1. Whether the likelihood of a loss for the individual  
25 risk is substantially higher than for other risks of the same  
26 class; and

27           2. Whether the uncertainty associated with the  
28 individual risk is such that an appropriate premium cannot be  
29 determined.

30  
31

1 The acceptance or rejection of a risk by the underwriting  
2 committee shall be construed as the private placement of  
3 insurance, and the provisions of chapter 120 shall not apply.

4 (f) There shall be no liability on the part of, and no  
5 cause of action of any nature shall arise against, any member  
6 insurer or its agents or employees, the Florida Property and  
7 Casualty Joint Underwriting Association or its agents or  
8 employees, members of the board of governors, the Chief  
9 Financial Officer, or the office ~~department~~ or its  
10 representatives for any action taken by them in the  
11 performance of their duties under this subsection. Such  
12 immunity does not apply to actions for breach of any contract  
13 or agreement pertaining to insurance, or any other willful  
14 tort.

15 (6) CITIZENS PROPERTY INSURANCE CORPORATION.--

16 (a)1. The Legislature finds that actual and threatened  
17 catastrophic losses to property in this state from hurricanes  
18 have caused insurers to be unwilling or unable to provide  
19 property insurance coverage to the extent sought and needed.  
20 It is in the public interest and a public purpose to assist in  
21 assuring that property in the state is insured so as to  
22 facilitate the remediation, reconstruction, and replacement of  
23 damaged or destroyed property in order to reduce or avoid the  
24 negative effects otherwise resulting to the public health,  
25 safety, and welfare; to the economy of the state; and to the  
26 revenues of the state and local governments needed to provide  
27 for the public welfare. It is necessary, therefore, to provide  
28 property insurance to applicants who are in good faith  
29 entitled to procure insurance through the voluntary market but  
30 are unable to do so. The Legislature intends by this  
31 subsection that property insurance be provided and that it

1 continues, as long as necessary, through an entity organized  
2 to achieve efficiencies and economies, all toward the  
3 achievement of the foregoing public purposes. Because it is  
4 essential for the corporation to have the maximum financial  
5 resources to pay claims following a catastrophic hurricane, it  
6 is the intent of the Legislature that the income of the  
7 corporation be exempt from federal income taxation and that  
8 interest on the debt obligations issued by the corporation be  
9 exempt from federal income taxation.

10           2. The Residential Property and Casualty Joint  
11 Underwriting Association originally created by this statute  
12 shall be known, as of July 1, 2002, as the Citizens Property  
13 Insurance Corporation. The corporation shall provide insurance  
14 for residential and commercial property, for applicants who  
15 are in good faith entitled, but are unable, to procure  
16 insurance through the voluntary market. The corporation shall  
17 operate pursuant to a plan of operation approved by order of  
18 the office department. The plan is subject to continuous  
19 review by the office department. The ~~office department~~ may, by  
20 order, withdraw approval of all or part of a plan if the  
21 ~~office department~~ determines that conditions have changed  
22 since approval was granted and that the purposes of the plan  
23 require changes in the plan. For the purposes of this  
24 subsection, residential coverage includes both personal lines  
25 residential coverage, which consists of the type of coverage  
26 provided by homeowner's, mobile home owner's, dwelling,  
27 tenant's, condominium unit owner's, and similar policies, and  
28 commercial lines residential coverage, which consists of the  
29 type of coverage provided by condominium association,  
30 apartment building, and similar policies.

31

1           (b)1. All insurers authorized to write one or more  
2 subject lines of business in this state are subject to  
3 assessment by the corporation and, for the purposes of this  
4 subsection, are referred to collectively as "assessable  
5 insurers." Insurers writing one or more subject lines of  
6 business in this state pursuant to part VIII of chapter 626  
7 are not assessable insurers, but insureds who procure one or  
8 more subject lines of business in this state pursuant to part  
9 VIII of chapter 626 are subject to assessment by the  
10 corporation and are referred to collectively as "assessable  
11 insureds." An authorized insurer's assessment liability shall  
12 begin on the first day of the calendar year following the year  
13 in which the insurer was issued a certificate of authority to  
14 transact insurance for subject lines of business in this state  
15 and shall terminate 1 year after the end of the first calendar  
16 year during which the insurer no longer holds a certificate of  
17 authority to transact insurance for subject lines of business  
18 in this state.

19           2.a. All revenues, assets, liabilities, losses, and  
20 expenses of the corporation shall be divided into three  
21 separate accounts as follows:

22           (I) A personal lines account for personal residential  
23 policies issued by the corporation or issued by the  
24 Residential Property and Casualty Joint Underwriting  
25 Association and renewed by the corporation that provide  
26 comprehensive, multiperil coverage on risks that are not  
27 located in areas eligible for coverage in the Florida  
28 Windstorm Underwriting Association as those areas were defined  
29 on January 1, 2002 and for such policies that do not provide  
30 coverage for the peril of wind on risks that are located in  
31 such areas;

1           (II) A commercial lines account for commercial  
2 residential policies issued by the corporation or issued by  
3 the Residential Property and Casualty Joint Underwriting  
4 Association and renewed by the corporation that provide  
5 coverage for basic property perils on risks that are not  
6 located in areas eligible for coverage in the Florida  
7 Windstorm Underwriting Association as those areas were defined  
8 on January 1, 2002, and for such policies that do not provide  
9 coverage for the peril of wind on risks that are located in  
10 such areas; and

11           (III) A high-risk account for personal residential  
12 policies and commercial residential and commercial  
13 nonresidential property policies issued by the corporation or  
14 transferred to the corporation that provide coverage for the  
15 peril of wind on risks that are located in areas eligible for  
16 coverage in the Florida Windstorm Underwriting Association as  
17 those areas were defined on January 1, 2002. The high-risk  
18 account must also include quota share primary insurance under  
19 subparagraph (c)2. The area eligible for coverage under the  
20 high-risk account also includes the area within Port  
21 Canaveral, which is bordered on the south by the City of Cape  
22 Canaveral, bordered on the west by the Banana River, and  
23 bordered on the north by Federal Government property. The  
24 office department may remove territory from the area eligible  
25 for wind-only and quota share coverage if, after a public  
26 hearing, the office department finds that authorized insurers  
27 in the voluntary market are willing and able to write  
28 sufficient amounts of personal and commercial residential  
29 coverage for all perils in the territory, including coverage  
30 for the peril of wind, such that risks covered by wind-only  
31 policies in the removed territory could be issued a policy by

1 the corporation in either the personal lines or commercial  
2 lines account without a significant increase in the  
3 corporation's probable maximum loss in such account. Removal  
4 of territory from the area eligible for wind-only or quota  
5 share coverage does not alter the assignment of wind coverage  
6 written in such areas to the high-risk account.

7       b. The three separate accounts must be maintained as  
8 long as financing obligations entered into by the Florida  
9 Windstorm Underwriting Association or Residential Property and  
10 Casualty Joint Underwriting Association are outstanding, in  
11 accordance with the terms of the corresponding financing  
12 documents. When the financing obligations are no longer  
13 outstanding, in accordance with the terms of the corresponding  
14 financing documents, the corporation may use a single account  
15 for all revenues, assets, liabilities, losses, and expenses of  
16 the corporation.

17       c. Creditors of the Residential Property and Casualty  
18 Joint Underwriting Association shall have a claim against, and  
19 recourse to, the accounts referred to in sub-sub-subparagraphs  
20 a.(I) and (II) and shall have no claim against, or recourse  
21 to, the account referred to in sub-sub-subparagraph a.(III).  
22 Creditors of the Florida Windstorm Underwriting Association  
23 shall have a claim against, and recourse to, the account  
24 referred to in sub-sub-subparagraph a.(III) and shall have no  
25 claim against, or recourse to, the accounts referred to in  
26 sub-sub-subparagraphs a.(I) and (II).

27       d. Revenues, assets, liabilities, losses, and expenses  
28 not attributable to particular accounts shall be prorated  
29 among the accounts.

30       e. The Legislature finds that the revenues of the  
31 corporation are revenues that are necessary to meet the

1 requirements set forth in documents authorizing the issuance  
2 of bonds under this subsection.

3 f. No part of the income of the corporation may inure  
4 to the benefit of any private person.

5 3. With respect to a deficit in an account:

6 a. When the deficit incurred in a particular calendar  
7 year is not greater than 10 percent of the aggregate statewide  
8 direct written premium for the subject lines of business for  
9 the prior calendar year, the entire deficit shall be recovered  
10 through regular assessments of assessable insurers under  
11 paragraph (g) and assessable insureds.

12 b. When the deficit incurred in a particular calendar  
13 year exceeds 10 percent of the aggregate statewide direct  
14 written premium for the subject lines of business for the  
15 prior calendar year, the corporation shall levy regular  
16 assessments on assessable insurers under paragraph (g) and on  
17 assessable insureds in an amount equal to the greater of 10  
18 percent of the deficit or 10 percent of the aggregate  
19 statewide direct written premium for the subject lines of  
20 business for the prior calendar year. Any remaining deficit  
21 shall be recovered through emergency assessments under  
22 sub-subparagraph d.

23 c. Each assessable insurer's share of the amount being  
24 assessed under sub-subparagraph a. or sub-subparagraph b.  
25 shall be in the proportion that the assessable insurer's  
26 direct written premium for the subject lines of business for  
27 the year preceding the assessment bears to the aggregate  
28 statewide direct written premium for the subject lines of  
29 business for that year. The assessment percentage applicable  
30 to each assessable insured is the ratio of the amount being  
31 assessed under sub-subparagraph a. or sub-subparagraph b. to

1 the aggregate statewide direct written premium for the subject  
2 lines of business for the prior year. Assessments levied by  
3 the corporation on assessable insurers under sub-subparagraphs  
4 a. and b. shall be paid as required by the corporation's plan  
5 of operation and paragraph (g). Assessments levied by the  
6 corporation on assessable insureds under sub-subparagraphs a.  
7 and b. shall be collected by the surplus lines agent at the  
8 time the surplus lines agent collects the surplus lines tax  
9 required by s. 626.932 and shall be paid to the Florida  
10 Surplus Lines Service Office at the time the surplus lines  
11 agent pays the surplus lines tax to the Florida Surplus Lines  
12 Service Office. Upon receipt of regular assessments from  
13 surplus lines agents, the Florida Surplus Lines Service Office  
14 shall transfer the assessments directly to the corporation as  
15 determined by the corporation.

16 d. Upon a determination by the board of governors that  
17 a deficit in an account exceeds the amount that will be  
18 recovered through regular assessments under sub-subparagraph  
19 a. or sub-subparagraph b., the board shall levy, after  
20 verification by the office ~~department~~, emergency assessments,  
21 for as many years as necessary to cover the deficits, to be  
22 collected by assessable insurers and the corporation and  
23 collected from assessable insureds upon issuance or renewal of  
24 policies for subject lines of business, excluding National  
25 Flood Insurance policies. The amount of the emergency  
26 assessment collected in a particular year shall be a uniform  
27 percentage of that year's direct written premium for subject  
28 lines of business and all accounts of the corporation,  
29 excluding National Flood Insurance Program policy premiums, as  
30 annually determined by the board and verified by the office  
31 ~~department~~. The office ~~department~~ shall verify the arithmetic

1 calculations involved in the board's determination within 30  
2 days after receipt of the information on which the  
3 determination was based. Notwithstanding any other provision  
4 of law, the corporation and each assessable insurer that  
5 writes subject lines of business shall collect emergency  
6 assessments from its policyholders without such obligation  
7 being affected by any credit, limitation, exemption, or  
8 deferment. Emergency assessments levied by the corporation on  
9 assessable insureds shall be collected by the surplus lines  
10 agent at the time the surplus lines agent collects the surplus  
11 lines tax required by s. 626.932 and shall be paid to the  
12 Florida Surplus Lines Service Office at the time the surplus  
13 lines agent pays the surplus lines tax to the Florida Surplus  
14 Lines Service Office. The emergency assessments so collected  
15 shall be transferred directly to the corporation on a periodic  
16 basis as determined by the corporation and shall be held by  
17 the corporation solely in the applicable account. The  
18 aggregate amount of emergency assessments levied for an  
19 account under this sub-subparagraph in any calendar year may  
20 not exceed the greater of 10 percent of the amount needed to  
21 cover the original deficit, plus interest, fees, commissions,  
22 required reserves, and other costs associated with financing  
23 of the original deficit, or 10 percent of the aggregate  
24 statewide direct written premium for subject lines of business  
25 and for all accounts of the corporation for the prior year,  
26 plus interest, fees, commissions, required reserves, and other  
27 costs associated with financing the original deficit.

28 e. The corporation may pledge the proceeds of  
29 assessments, projected recoveries from the Florida Hurricane  
30 Catastrophe Fund, other insurance and reinsurance  
31 recoverables, market equalization surcharges and other

1 surcharges, and other funds available to the corporation as  
2 the source of revenue for and to secure bonds issued under  
3 paragraph (g), bonds or other indebtedness issued under  
4 subparagraph (c)3., or lines of credit or other financing  
5 mechanisms issued or created under this subsection, or to  
6 retire any other debt incurred as a result of deficits or  
7 events giving rise to deficits, or in any other way that the  
8 board determines will efficiently recover such deficits. The  
9 purpose of the lines of credit or other financing mechanisms  
10 is to provide additional resources to assist the corporation  
11 in covering claims and expenses attributable to a catastrophe.  
12 As used in this subsection, the term "assessments" includes  
13 regular assessments under sub-subparagraph a.,  
14 sub-subparagraph b., or subparagraph (g)1. and emergency  
15 assessments under sub-subparagraph d. Emergency assessments  
16 collected under sub-subparagraph d. are not part of an  
17 insurer's rates, are not premium, and are not subject to  
18 premium tax, fees, or commissions; however, failure to pay the  
19 emergency assessment shall be treated as failure to pay  
20 premium. The emergency assessments under sub-subparagraph d.  
21 shall continue as long as any bonds issued or other  
22 indebtedness incurred with respect to a deficit for which the  
23 assessment was imposed remain outstanding, unless adequate  
24 provision has been made for the payment of such bonds or other  
25 indebtedness pursuant to the documents governing such bonds or  
26 other indebtedness.

27 f. As used in this subsection, the term "subject lines  
28 of business" means insurance written by assessable insurers or  
29 procured by assessable insureds on real or personal property,  
30 as defined in s. 624.604, including insurance for fire,  
31 industrial fire, allied lines, farmowners multiperil,

1 homeowners multiperil, commercial multiperil, and mobile  
2 homes, and including liability coverage on all such insurance,  
3 but excluding inland marine as defined in s. 624.607(3) and  
4 excluding vehicle insurance as defined in s. 624.605(1) other  
5 than insurance on mobile homes used as permanent dwellings.

6 g. The Florida Surplus Lines Service Office shall  
7 determine annually the aggregate statewide written premium in  
8 subject lines of business procured by assessable insureds and  
9 shall report that information to the corporation in a form and  
10 at a time the corporation specifies to ensure that the  
11 corporation can meet the requirements of this subsection and  
12 the corporation's financing obligations.

13 h. The Florida Surplus Lines Service Office shall  
14 verify the proper application by surplus lines agents of  
15 assessment percentages for regular assessments and emergency  
16 assessments levied under this subparagraph on assessable  
17 insureds and shall assist the corporation in ensuring the  
18 accurate, timely collection and payment of assessments by  
19 surplus lines agents as required by the corporation.

20 (c) The plan of operation of the corporation:

21 1. Must provide for adoption of residential property  
22 and casualty insurance policy forms and commercial residential  
23 and nonresidential property insurance forms, which forms must  
24 be approved by the office ~~department~~ prior to use. The  
25 corporation shall adopt the following policy forms:

26 a. Standard personal lines policy forms that are  
27 comprehensive multiperil policies providing full coverage of a  
28 residential property equivalent to the coverage provided in  
29 the private insurance market under an HO-3, HO-4, or HO-6  
30 policy.

31

1           b. Basic personal lines policy forms that are policies  
2 similar to an HO-8 policy or a dwelling fire policy that  
3 provide coverage meeting the requirements of the secondary  
4 mortgage market, but which coverage is more limited than the  
5 coverage under a standard policy.

6           c. Commercial lines residential policy forms that are  
7 generally similar to the basic perils of full coverage  
8 obtainable for commercial residential structures in the  
9 admitted voluntary market.

10           d. Personal lines and commercial lines residential  
11 property insurance forms that cover the peril of wind only.  
12 The forms are applicable only to residential properties  
13 located in areas eligible for coverage under the high-risk  
14 account referred to in sub-subparagraph (b)2.a.

15           e. Commercial lines nonresidential property insurance  
16 forms that cover the peril of wind only. The forms are  
17 applicable only to nonresidential properties located in areas  
18 eligible for coverage under the high-risk account referred to  
19 in sub-subparagraph (b)2.a.

20           2.a. Must provide that the corporation adopt a program  
21 in which the corporation and authorized insurers enter into  
22 quota share primary insurance agreements for hurricane  
23 coverage, as defined in s. 627.4025(2)(a), for eligible risks,  
24 and adopt property insurance forms for eligible risks which  
25 cover the peril of wind only. As used in this subsection, the  
26 term:

27           (I) "Quota share primary insurance" means an  
28 arrangement in which the primary hurricane coverage of an  
29 eligible risk is provided in specified percentages by the  
30 corporation and an authorized insurer. The corporation and  
31 authorized insurer are each solely responsible for a specified

1 percentage of hurricane coverage of an eligible risk as set  
2 forth in a quota share primary insurance agreement between the  
3 corporation and an authorized insurer and the insurance  
4 contract. The responsibility of the corporation or authorized  
5 insurer to pay its specified percentage of hurricane losses of  
6 an eligible risk, as set forth in the quota share primary  
7 insurance agreement, may not be altered by the inability of  
8 the other party to the agreement to pay its specified  
9 percentage of hurricane losses. Eligible risks that are  
10 provided hurricane coverage through a quota share primary  
11 insurance arrangement must be provided policy forms that set  
12 forth the obligations of the corporation and authorized  
13 insurer under the arrangement, clearly specify the percentages  
14 of quota share primary insurance provided by the corporation  
15 and authorized insurer, and conspicuously and clearly state  
16 that neither the authorized insurer nor the corporation may be  
17 held responsible beyond its specified percentage of coverage  
18 of hurricane losses.

19 (II) "Eligible risks" means personal lines residential  
20 and commercial lines residential risks that meet the  
21 underwriting criteria of the corporation and are located in  
22 areas that were eligible for coverage by the Florida Windstorm  
23 Underwriting Association on January 1, 2002.

24 b. The corporation may enter into quota share primary  
25 insurance agreements with authorized insurers at corporation  
26 coverage levels of 90 percent and 50 percent.

27 c. If the corporation determines that additional  
28 coverage levels are necessary to maximize participation in  
29 quota share primary insurance agreements by authorized  
30 insurers, the corporation may establish additional coverage  
31

1 levels. However, the corporation's quota share primary  
2 insurance coverage level may not exceed 90 percent.

3 d. Any quota share primary insurance agreement entered  
4 into between an authorized insurer and the corporation must  
5 provide for a uniform specified percentage of coverage of  
6 hurricane losses, by county or territory as set forth by the  
7 corporation board, for all eligible risks of the authorized  
8 insurer covered under the quota share primary insurance  
9 agreement.

10 e. Any quota share primary insurance agreement entered  
11 into between an authorized insurer and the corporation is  
12 subject to review and approval by the office ~~department~~.  
13 However, such agreement shall be authorized only as to  
14 insurance contracts entered into between an authorized insurer  
15 and an insured who is already insured by the corporation for  
16 wind coverage.

17 f. For all eligible risks covered under quota share  
18 primary insurance agreements, the exposure and coverage levels  
19 for both the corporation and authorized insurers shall be  
20 reported by the corporation to the Florida Hurricane  
21 Catastrophe Fund. For all policies of eligible risks covered  
22 under quota share primary insurance agreements, the  
23 corporation and the authorized insurer shall maintain complete  
24 and accurate records for the purpose of exposure and loss  
25 reimbursement audits as required by Florida Hurricane  
26 Catastrophe Fund rules. The corporation and the authorized  
27 insurer shall each maintain duplicate copies of policy  
28 declaration pages and supporting claims documents.

29 g. The corporation board shall establish in its plan  
30 of operation standards for quota share agreements which ensure  
31 that there is no discriminatory application among insurers as

1 to the terms of quota share agreements, pricing of quota share  
2 agreements, incentive provisions if any, and consideration  
3 paid for servicing policies or adjusting claims.

4 h. The quota share primary insurance agreement between  
5 the corporation and an authorized insurer must set forth the  
6 specific terms under which coverage is provided, including,  
7 but not limited to, the sale and servicing of policies issued  
8 under the agreement by the insurance agent of the authorized  
9 insurer producing the business, the reporting of information  
10 concerning eligible risks, the payment of premium to the  
11 corporation, and arrangements for the adjustment and payment  
12 of hurricane claims incurred on eligible risks by the claims  
13 adjuster and personnel of the authorized insurer. Entering  
14 into a quota sharing insurance agreement between the  
15 corporation and an authorized insurer shall be voluntary and  
16 at the discretion of the authorized insurer.

17 3. May provide that the corporation may employ or  
18 otherwise contract with individuals or other entities to  
19 provide administrative or professional services that may be  
20 appropriate to effectuate the plan. The corporation shall have  
21 the power to borrow funds, by issuing bonds or by incurring  
22 other indebtedness, and shall have other powers reasonably  
23 necessary to effectuate the requirements of this subsection.  
24 The corporation may, but is not required to, seek judicial  
25 validation of its bonds or other indebtedness under chapter  
26 75. The corporation may issue bonds or incur other  
27 indebtedness, or have bonds issued on its behalf by a unit of  
28 local government pursuant to subparagraph (g)2., in the  
29 absence of a hurricane or other weather-related event, upon a  
30 determination by the corporation, subject to approval by the  
31 office ~~department~~, that such action would enable it to

1 efficiently meet the financial obligations of the corporation  
2 and that such financings are reasonably necessary to  
3 effectuate the requirements of this subsection. The  
4 corporation is authorized to take all actions needed to  
5 facilitate tax-free status for any such bonds or indebtedness,  
6 including formation of trusts or other affiliated entities.  
7 The corporation shall have the authority to pledge  
8 assessments, projected recoveries from the Florida Hurricane  
9 Catastrophe Fund, other reinsurance recoverables, market  
10 equalization and other surcharges, and other funds available  
11 to the corporation as security for bonds or other  
12 indebtedness. In recognition of s. 10, Art. I of the State  
13 Constitution, prohibiting the impairment of obligations of  
14 contracts, it is the intent of the Legislature that no action  
15 be taken whose purpose is to impair any bond indenture or  
16 financing agreement or any revenue source committed by  
17 contract to such bond or other indebtedness.

18       4.~~a~~. Must require that the corporation operate subject  
19 to the supervision and approval of a board of governors  
20 consisting of 7 individuals who are residents of this state,  
21 from different geographical areas of this state, appointed by  
22 the Chief Financial Officer ~~Treasurer~~. The Chief Financial  
23 Officer ~~Treasurer~~ shall designate one of the appointees as  
24 chair. All board members serve at the pleasure of the Chief  
25 Financial Officer ~~Treasurer~~. All board members, including the  
26 chair, must be appointed to serve for 3-year terms beginning  
27 annually on a date designated by the plan. Any board vacancy  
28 shall be filled for the unexpired term by the Chief Financial  
29 Officer ~~Treasurer~~. The Chief Financial Officer ~~Treasurer~~ shall  
30 appoint a technical advisory group to provide information and  
31 advice to the board of governors in connection with the

1 board's duties under this subsection. The executive director  
2 and senior managers of the corporation shall be engaged by the  
3 Chief Financial Officer ~~Treasurer~~ and serve at the pleasure of  
4 the Chief Financial Officer ~~Treasurer~~. The executive director  
5 is responsible for employing other staff as the corporation  
6 may require, subject to review and concurrence by the Office  
7 of the Chief Financial Officer ~~Treasurer~~.

8       ~~b. To ensure the effective and efficient~~  
9 ~~implementation of this subsection, the Treasurer shall appoint~~  
10 ~~the board of governors by July 1, 2002. The board of governors~~  
11 ~~shall work in conjunction with the Residential Property~~  
12 ~~Insurance Market Coordinating Council to address appropriate~~  
13 ~~organizational, operational, and financial matters relating to~~  
14 ~~the corporation. In addition, after consultation with the~~  
15 ~~Residential Property Insurance Market Coordinating Council,~~  
16 ~~the bond trustees and rating agencies, the Treasurer may~~  
17 ~~postpone for a period not to exceed 180 days after the~~  
18 ~~effective date, the implementation of the corporation or the~~  
19 ~~implementation of one or more of the provisions relating to~~  
20 ~~transfer of Florida Windstorm Underwriting Association~~  
21 ~~policies, obligations, rights, assets, and liabilities into~~  
22 ~~the high-risk accounts and such other provisions that may be~~  
23 ~~affected thereby if the Treasurer determines that postponement~~  
24 ~~is necessary:~~

25           ~~(I) Due to emergency conditions;~~

26           ~~(II) To ensure the effective and efficient~~  
27 ~~implementation of the corporation's operations; or~~

28           ~~(III) To maintain existing financing arrangements~~  
29 ~~without a material adverse effect on the creditors of the~~  
30 ~~Residential Property and Casualty Joint Underwriting~~  
31 ~~Association or the Florida Windstorm Underwriting Association.~~

1           5. Must provide a procedure for determining the  
2 eligibility of a risk for coverage, as follows:

3           a. Subject to the provisions of s. 627.3517, with  
4 respect to personal lines residential risks, if the risk is  
5 offered coverage from an authorized insurer at the insurer's  
6 approved rate under either a standard policy including wind  
7 coverage or, if consistent with the insurer's underwriting  
8 rules as filed with the office ~~department~~, a basic policy  
9 including wind coverage, the risk is not eligible for any  
10 policy issued by the corporation ~~association~~. If the risk is  
11 not able to obtain any such offer, the risk is eligible for  
12 either a standard policy including wind coverage or a basic  
13 policy including wind coverage issued by the corporation  
14 ~~association~~; however, if the risk could not be insured under a  
15 standard policy including wind coverage regardless of market  
16 conditions, the risk shall be eligible for a basic policy  
17 including wind coverage unless rejected under subparagraph 8.  
18 The corporation ~~association~~ shall determine the type of policy  
19 to be provided on the basis of objective standards specified  
20 in the underwriting manual and based on generally accepted  
21 underwriting practices.

22           (I) If the risk accepts an offer of coverage through  
23 the market assistance plan or an offer of coverage through a  
24 mechanism established by the corporation ~~association~~ before a  
25 policy is issued to the risk by the corporation ~~association~~ or  
26 during the first 30 days of coverage by the corporation  
27 ~~association~~, and the producing agent who submitted the  
28 application to the plan or to the corporation ~~association~~ is  
29 not currently appointed by the insurer, the insurer shall:

30           (A) Pay to the producing agent of record of the  
31 policy, for the first year, an amount that is the greater of

1 the insurer's usual and customary commission for the type of  
2 policy written or a fee equal to the usual and customary  
3 commission of the corporation ~~association~~; or

4 (B) Offer to allow the producing agent of record of  
5 the policy to continue servicing the policy for a period of  
6 not less than 1 year and offer to pay the agent the greater of  
7 the insurer's or the corporation's ~~association's~~ usual and  
8 customary commission for the type of policy written.

9  
10 If the producing agent is unwilling or unable to accept  
11 appointment, the new insurer shall pay the agent in accordance  
12 with sub-sub-sub-subparagraph (A).

13 (II) When the corporation ~~association~~ enters into a  
14 contractual agreement for a take-out plan, the producing agent  
15 of record of the corporation ~~association~~ policy is entitled to  
16 retain any unearned commission on the policy, and the insurer  
17 shall:

18 (A) Pay to the producing agent of record of the  
19 corporation ~~association~~ policy, for the first year, an amount  
20 that is the greater of the insurer's usual and customary  
21 commission for the type of policy written or a fee equal to  
22 the usual and customary commission of the corporation  
23 ~~association~~; or

24 (B) Offer to allow the producing agent of record of  
25 the corporation ~~association~~ policy to continue servicing the  
26 policy for a period of not less than 1 year and offer to pay  
27 the agent the greater of the insurer's or the corporation's  
28 ~~association's~~ usual and customary commission for the type of  
29 policy written.

30  
31

1 If the producing agent is unwilling or unable to accept  
2 appointment, the new insurer shall pay the agent in accordance  
3 with sub-sub-sub-subparagraph (A).

4         b. With respect to commercial lines residential risks,  
5 if the risk is offered coverage under a policy including wind  
6 coverage from an authorized insurer at its approved rate, the  
7 risk is not eligible for any policy issued by the corporation  
8 ~~association~~. If the risk is not able to obtain any such offer,  
9 the risk is eligible for a policy including wind coverage  
10 issued by the corporation ~~association~~.

11         (I) If the risk accepts an offer of coverage through  
12 the market assistance plan or an offer of coverage through a  
13 mechanism established by the corporation ~~association~~ before a  
14 policy is issued to the risk by the corporation ~~association~~ or  
15 during the first 30 days of coverage by the corporation  
16 ~~association~~, and the producing agent who submitted the  
17 application to the plan or the corporation ~~association~~ is not  
18 currently appointed by the insurer, the insurer shall:

19             (A) Pay to the producing agent of record of the  
20 policy, for the first year, an amount that is the greater of  
21 the insurer's usual and customary commission for the type of  
22 policy written or a fee equal to the usual and customary  
23 commission of the corporation ~~association~~; or

24             (B) Offer to allow the producing agent of record of  
25 the policy to continue servicing the policy for a period of  
26 not less than 1 year and offer to pay the agent the greater of  
27 the insurer's or the corporation's ~~association's~~ usual and  
28 customary commission for the type of policy written.

29  
30  
31

1 If the producing agent is unwilling or unable to accept  
2 appointment, the new insurer shall pay the agent in accordance  
3 with sub-sub-sub-subparagraph (A).

4 (II) When the corporation ~~association~~ enters into a  
5 contractual agreement for a take-out plan, the producing agent  
6 of record of the corporation ~~association~~ policy is entitled to  
7 retain any unearned commission on the policy, and the insurer  
8 shall:

9 (A) Pay to the producing agent of record of the  
10 corporation ~~association~~ policy, for the first year, an amount  
11 that is the greater of the insurer's usual and customary  
12 commission for the type of policy written or a fee equal to  
13 the usual and customary commission of the corporation  
14 ~~association~~; or

15 (B) Offer to allow the producing agent of record of  
16 the corporation ~~association~~ policy to continue servicing the  
17 policy for a period of not less than 1 year and offer to pay  
18 the agent the greater of the insurer's or the corporation's  
19 ~~association's~~ usual and customary commission for the type of  
20 policy written.

21  
22 If the producing agent is unwilling or unable to accept  
23 appointment, the new insurer shall pay the agent in accordance  
24 with sub-sub-sub-subparagraph (A).

25 ~~c. This subparagraph does not require the association~~  
26 ~~to provide wind coverage or hurricane coverage in any area in~~  
27 ~~which such coverage is available through the Florida Windstorm~~  
28 ~~Underwriting Association.~~

29 6. Must include rules for classifications of risks and  
30 rates therefor.

31

1           7. Must provide that if premium and investment income  
2 for an account attributable to a particular calendar year are  
3 in excess of projected losses and expenses for the account  
4 attributable to that year, such excess shall be held in  
5 surplus in the account. Such surplus shall be available to  
6 defray deficits in that account as to future years and shall  
7 be used for that purpose prior to assessing assessable  
8 insurers and assessable insureds as to any calendar year.

9           8. Must provide objective criteria and procedures to  
10 be uniformly applied for all applicants in determining whether  
11 an individual risk is so hazardous as to be uninsurable. In  
12 making this determination and in establishing the criteria and  
13 procedures, the following shall be considered:

14           a. Whether the likelihood of a loss for the individual  
15 risk is substantially higher than for other risks of the same  
16 class; and

17           b. Whether the uncertainty associated with the  
18 individual risk is such that an appropriate premium cannot be  
19 determined.

20  
21 The acceptance or rejection of a risk by the corporation shall  
22 be construed as the private placement of insurance, and the  
23 provisions of chapter 120 shall not apply.

24           9. Must provide that the corporation shall make its  
25 best efforts to procure catastrophe reinsurance at reasonable  
26 rates, as determined by the board of governors.

27           10. Must provide that in the event of regular deficit  
28 assessments under sub-subparagraph (b)3.a. or sub-subparagraph  
29 (b)3.b., in the personal lines account, the commercial lines  
30 residential account, or the high-risk account, the corporation  
31 shall levy upon corporation policyholders in its next rate

1 filing, or by a separate rate filing solely for this purpose,  
2 a market equalization surcharge arising from a regular  
3 assessment in such account in a percentage equal to the total  
4 amount of such regular assessments divided by the aggregate  
5 statewide direct written premium for subject lines of business  
6 for the prior calendar year. Market equalization surcharges  
7 under this subparagraph are not considered premium and are not  
8 subject to commissions, fees, or premium taxes; however,  
9 failure to pay a market equalization surcharge shall be  
10 treated as failure to pay premium.

11 11. The policies issued by the corporation must  
12 provide that, if the corporation or the market assistance plan  
13 obtains an offer from an authorized insurer to cover the risk  
14 at its approved rates, the risk is no longer eligible for  
15 renewal through the corporation.

16 12. Corporation policies and applications must include  
17 a notice that the corporation policy could, under this  
18 section, be replaced with a policy issued by an authorized  
19 insurer that does not provide coverage identical to the  
20 coverage provided by the corporation. The notice shall also  
21 specify that acceptance of corporation coverage creates a  
22 conclusive presumption that the applicant or policyholder is  
23 aware of this potential.

24 13. May establish, subject to approval by the office  
25 ~~department~~, different eligibility requirements and operational  
26 procedures for any line or type of coverage for any specified  
27 county or area if the board determines that such changes to  
28 the eligibility requirements and operational procedures are  
29 justified due to the voluntary market being sufficiently  
30 stable and competitive in such area or for such line or type  
31 of coverage and that consumers who, in good faith, are unable

1 to obtain insurance through the voluntary market through  
2 ordinary methods would continue to have access to coverage  
3 from the corporation. When coverage is sought in connection  
4 with a real property transfer, such requirements and  
5 procedures shall not provide for an effective date of coverage  
6 later than the date of the closing of the transfer as  
7 established by the transferor, the transferee, and, if  
8 applicable, the lender.

9 14. Must provide that, with respect to the high-risk  
10 account, any assessable insurer with a surplus as to  
11 policyholders of \$25 million or less writing 25 percent or  
12 more of its total countrywide property insurance premiums in  
13 this state may petition the office department, within the  
14 first 90 days of each calendar year, to qualify as a limited  
15 apportionment company. In no event shall a limited  
16 apportionment company be required to participate in the  
17 portion of any assessment, within the high-risk account,  
18 pursuant to sub-subparagraph (b)3.a. or sub-subparagraph  
19 (b)3.b. in the aggregate which exceeds \$50 million after  
20 payment of available high-risk account funds in any calendar  
21 year. However, a limited apportionment company shall collect  
22 from its policyholders any emergency assessment imposed under  
23 sub-subparagraph (b)3.d. The plan shall provide that, if the  
24 office department determines that any regular assessment will  
25 result in an impairment of the surplus of a limited  
26 apportionment company, the office department may direct that  
27 all or part of such assessment be deferred as provided in  
28 subparagraph (g)4. However, there shall be no limitation or  
29 deferment of an emergency assessment to be collected from  
30 policyholders under sub-subparagraph (b)3.d.

31

1           15. Must provide that the corporation appoint as its  
2 licensed agents only those agents who also hold an appointment  
3 as defined in s. 626.104 with an insurer who at the time of  
4 the agent's initial appointment by the corporation is  
5 authorized to write and is actually writing personal lines  
6 residential property coverage, commercial residential property  
7 coverage, or commercial nonresidential property coverage  
8 within the state.

9           (d)1. It is the intent of the Legislature that the  
10 rates for coverage provided by the corporation be actuarially  
11 sound and not competitive with approved rates charged in the  
12 admitted voluntary market, so that the corporation functions  
13 as a residual market mechanism to provide insurance only when  
14 the insurance cannot be procured in the voluntary market.  
15 Rates shall include an appropriate catastrophe loading factor  
16 that reflects the actual catastrophic exposure of the  
17 corporation.

18           2. For each county, the average rates of the  
19 corporation for each line of business for personal lines  
20 residential policies excluding rates for wind-only policies  
21 shall be no lower than the average rates charged by the  
22 insurer that had the highest average rate in that county among  
23 the 20 insurers with the greatest total direct written premium  
24 in the state for that line of business in the preceding year,  
25 except that with respect to mobile home coverages, the average  
26 rates of the corporation shall be no lower than the average  
27 rates charged by the insurer that had the highest average rate  
28 in that county among the 5 insurers with the greatest total  
29 written premium for mobile home owner's policies in the state  
30 in the preceding year.

31

1           3. Rates for personal lines residential wind-only  
2 policies must be actuarially sound and not competitive with  
3 approved rates charged by authorized insurers. However, for  
4 personal lines residential wind-only policies issued or  
5 renewed between July 1, 2002, and June 30, 2003, the maximum  
6 premium increase must be no greater than 10 percent of the  
7 Florida Windstorm Underwriting Association premium for that  
8 policy in effect on June 30, 2002, as adjusted for coverage  
9 changes and seasonal occupancy surcharges. The personal lines  
10 residential wind-only rates for the corporation effective July  
11 1, 2003, must be based on a rate filing by the corporation  
12 which establishes rates which are actuarially sound and not  
13 competitive with approved rates charged by authorized  
14 insurers. Corporation rate manuals shall include a rate  
15 surcharge for seasonal occupancy. To ensure that personal  
16 lines residential wind-only rates effective on or after July  
17 1, 2003, are not competitive with approved rates charged by  
18 authorized insurers, the office department, by March 1 of each  
19 year, shall provide the corporation, for each county in which  
20 there are geographical areas in which personal lines  
21 residential wind-only policies may be issued, the average  
22 rates charged by the insurer that had the highest average rate  
23 in that county for wind coverage in that insurer's rating  
24 territories which most closely approximate the geographical  
25 area in that county in which personal lines residential  
26 wind-only policies may be written by the corporation. The  
27 average rates provided must be from an insurer among the 20  
28 insurers with the greatest total direct written premium in the  
29 state for personal lines residential property insurance for  
30 the preceding year. With respect to mobile homes, the five  
31 insurers with the greatest total written premium for that line

1 of business in the preceding year shall be used. The  
2 corporation shall certify to the office ~~department~~ that its  
3 average personal lines residential wind-only rates are no  
4 lower in each county than the average rates provided by the  
5 office ~~department~~. The commission may ~~department is authorized~~  
6 ~~to~~ adopt rules to establish reporting requirements to obtain  
7 the necessary wind-only rate information from insurers to  
8 implement this provision.

9           4. Rates for commercial lines coverage shall not be  
10 subject to the requirements of subparagraph 2., but shall be  
11 subject to all other requirements of this paragraph and s.  
12 627.062.

13           5. Nothing in this paragraph shall require or allow  
14 the corporation to adopt a rate that is inadequate under s.  
15 627.062.

16           6. The corporation shall make a rate filing at least  
17 once a year, but no more often than quarterly.

18           7. In addition to the rates otherwise determined  
19 pursuant to this paragraph, the corporation shall impose and  
20 collect an amount equal to the premium tax provided for in s.  
21 624.509 to augment the financial resources of the corporation.

22           (e) If coverage in an account is deactivated pursuant  
23 to paragraph (f), coverage through the corporation shall be  
24 reactivated by order of the office ~~department~~ only under one  
25 of the following circumstances:

26           1. If the market assistance plan receives a minimum of  
27 100 applications for coverage within a 3-month period, or 200  
28 applications for coverage within a 1-year period or less for  
29 residential coverage, unless the market assistance plan  
30 provides a quotation from admitted carriers at their filed  
31 rates for at least 90 percent of such applicants. Any market

1 assistance plan application that is rejected because an  
2 individual risk is so hazardous as to be uninsurable using the  
3 criteria specified in subparagraph (c)8. shall not be included  
4 in the minimum percentage calculation provided herein. In the  
5 event that there is a legal or administrative challenge to a  
6 determination by the office ~~department~~ that the conditions of  
7 this subparagraph have been met for eligibility for coverage  
8 in the corporation, any eligible risk may obtain coverage  
9 during the pendency of such challenge.

10 2. In response to a state of emergency declared by the  
11 Governor under s. 252.36, the office ~~department~~ may activate  
12 coverage by order for the period of the emergency upon a  
13 finding by the office ~~department~~ that the emergency  
14 significantly affects the availability of residential property  
15 insurance.

16 (f)1. The corporation shall file with the office  
17 ~~department~~ quarterly statements of financial condition, an  
18 annual statement of financial condition, and audited financial  
19 statements in the manner prescribed by law. In addition, the  
20 corporation shall report to the office ~~department~~ monthly on  
21 the types, premium, exposure, and distribution by county of  
22 its policies in force, and shall submit other reports as the  
23 office ~~department~~ requires to carry out its oversight of the  
24 corporation.

25 2. The activities of the corporation shall be reviewed  
26 at least annually by the office ~~department~~ to determine  
27 whether coverage shall be deactivated in an account on the  
28 basis that the conditions giving rise to its activation no  
29 longer exist.

30 (g)1. The corporation shall certify to the office  
31 ~~department~~ its needs for annual assessments as to a particular

1 calendar year, and for any interim assessments that it deems  
2 to be necessary to sustain operations as to a particular year  
3 pending the receipt of annual assessments. Upon verification,  
4 the office ~~department~~ shall approve such certification, and  
5 the corporation shall levy such annual or interim assessments.  
6 Such assessments shall be prorated as provided in paragraph  
7 (b). The corporation shall take all reasonable and prudent  
8 steps necessary to collect the amount of assessment due from  
9 each assessable insurer, including, if prudent, filing suit to  
10 collect such assessment. If the corporation is unable to  
11 collect an assessment from any assessable insurer, the  
12 uncollected assessments shall be levied as an additional  
13 assessment against the assessable insurers and any assessable  
14 insurer required to pay an additional assessment as a result  
15 of such failure to pay shall have a cause of action against  
16 such nonpaying assessable insurer. Assessments shall be  
17 included as an appropriate factor in the making of rates. The  
18 failure of a surplus lines agent to collect and remit any  
19 regular or emergency assessment levied by the corporation is  
20 considered to be a violation of s. 626.936 and subjects the  
21 surplus lines agent to the penalties provided in that section.

22         2. The governing body of any unit of local government,  
23 any residents of which are insured by the corporation, may  
24 issue bonds as defined in s. 125.013 or s. 166.101 from time  
25 to time to fund an assistance program, in conjunction with the  
26 corporation, for the purpose of defraying deficits of the  
27 corporation. In order to avoid needless and indiscriminate  
28 proliferation, duplication, and fragmentation of such  
29 assistance programs, any unit of local government, any  
30 residents of which are insured by the corporation, may provide  
31 for the payment of losses, regardless of whether or not the

1 losses occurred within or outside of the territorial  
2 jurisdiction of the local government. Revenue bonds under this  
3 subparagraph may not be issued until validated pursuant to  
4 chapter 75, unless a state of emergency is declared by  
5 executive order or proclamation of the Governor pursuant to s.  
6 252.36 making such findings as are necessary to determine that  
7 it is in the best interests of, and necessary for, the  
8 protection of the public health, safety, and general welfare  
9 of residents of this state and declaring it an essential  
10 public purpose to permit certain municipalities or counties to  
11 issue such bonds as will permit relief to claimants and  
12 policyholders of the corporation. Any such unit of local  
13 government may enter into such contracts with the corporation  
14 and with any other entity created pursuant to this subsection  
15 as are necessary to carry out this paragraph. Any bonds issued  
16 under this subparagraph shall be payable from and secured by  
17 moneys received by the corporation from emergency assessments  
18 under sub-subparagraph (b)3.d., and assigned and pledged to or  
19 on behalf of the unit of local government for the benefit of  
20 the holders of such bonds. The funds, credit, property, and  
21 taxing power of the state or of the unit of local government  
22 shall not be pledged for the payment of such bonds. If any of  
23 the bonds remain unsold 60 days after issuance, the office  
24 ~~department~~ shall require all insurers subject to assessment to  
25 purchase the bonds, which shall be treated as admitted assets;  
26 each insurer shall be required to purchase that percentage of  
27 the unsold portion of the bond issue that equals the insurer's  
28 relative share of assessment liability under this subsection.  
29 An insurer shall not be required to purchase the bonds to the  
30 extent that the office ~~department~~ determines that the purchase  
31 would endanger or impair the solvency of the insurer.

1           3.a. The corporation shall adopt one or more programs  
2 subject to approval by the office ~~department~~ for the reduction  
3 of both new and renewal writings in the corporation. The  
4 corporation may consider any prudent and not unfairly  
5 discriminatory approach to reducing corporation writings, and  
6 may adopt a credit against assessment liability or other  
7 liability that provides an incentive for insurers to take  
8 risks out of the corporation and to keep risks out of the  
9 corporation by maintaining or increasing voluntary writings in  
10 counties or areas in which corporation risks are highly  
11 concentrated and a program to provide a formula under which an  
12 insurer voluntarily taking risks out of the corporation by  
13 maintaining or increasing voluntary writings will be relieved  
14 wholly or partially from assessments under sub-subparagraphs  
15 (b)3.a. and b. When the corporation enters into a contractual  
16 agreement for a take-out plan, the producing agent of record  
17 of the corporation policy is entitled to retain any unearned  
18 commission on such policy, and the insurer shall either:

19           (I) Pay to the producing agent of record of the  
20 policy, for the first year, an amount which is the greater of  
21 the insurer's usual and customary commission for the type of  
22 policy written or a policy fee equal to the usual and  
23 customary commission of the corporation; or

24           (II) Offer to allow the producing agent of record of  
25 the policy to continue servicing the policy for a period of  
26 not less than 1 year and offer to pay the agent the insurer's  
27 usual and customary commission for the type of policy written.  
28 If the producing agent is unwilling or unable to accept  
29 appointment by the new insurer, the new insurer shall pay the  
30 agent in accordance with sub-sub-subparagraph (I).

31

1           b. Any credit or exemption from regular assessments  
2 adopted under this subparagraph shall last no longer than the  
3 3 years following the cancellation or expiration of the policy  
4 by the corporation. With the approval of the office  
5 ~~department~~, the board may extend such credits for an  
6 additional year if the insurer guarantees an additional year  
7 of renewability for all policies removed from the corporation,  
8 or for 2 additional years if the insurer guarantees 2  
9 additional years of renewability for all policies so removed.

10           c. There shall be no credit, limitation, exemption, or  
11 deferment from emergency assessments to be collected from  
12 policyholders pursuant to sub-subparagraph (b)3.d.

13           4. The plan shall provide for the deferment, in whole  
14 or in part, of the assessment of an assessable insurer, other  
15 than an emergency assessment collected from policyholders  
16 pursuant to sub-subparagraph (b)3.d., if the office ~~department~~  
17 finds that payment of the assessment would endanger or impair  
18 the solvency of the insurer. In the event an assessment  
19 against an assessable insurer is deferred in whole or in part,  
20 the amount by which such assessment is deferred may be  
21 assessed against the other assessable insurers in a manner  
22 consistent with the basis for assessments set forth in  
23 paragraph (b).

24           (h) Nothing in this subsection shall be construed to  
25 preclude the issuance of residential property insurance  
26 coverage pursuant to part VIII of chapter 626.

27           (i) There shall be no liability on the part of, and no  
28 cause of action of any nature shall arise against, any  
29 assessable insurer or its agents or employees, the corporation  
30 or its agents or employees, members of the board of governors  
31 or their respective designees at a board meeting, corporation

1 committee members, or the office ~~department~~ or its  
2 representatives, for any action taken by them in the  
3 performance of their duties or responsibilities under this  
4 subsection. Such immunity does not apply to:

5 1. Any of the foregoing persons or entities for any  
6 willful tort;

7 2. The corporation or its producing agents for breach  
8 of any contract or agreement pertaining to insurance coverage;

9 3. The corporation with respect to issuance or payment  
10 of debt; or

11 4. Any assessable insurer with respect to any action  
12 to enforce an assessable insurer's obligations to the  
13 corporation under this subsection.

14 (j) For the purposes of s. 199.183(1), the corporation  
15 shall be considered a political subdivision of the state and  
16 shall be exempt from the corporate income tax. The premiums,  
17 assessments, investment income, and other revenue of the  
18 corporation are funds received for providing property  
19 insurance coverage as required by this subsection, paying  
20 claims for Florida citizens insured by the corporation,  
21 securing and repaying debt obligations issued by the  
22 corporation, and conducting all other activities of the  
23 corporation, and shall not be considered taxes, fees,  
24 licenses, or charges for services imposed by the Legislature  
25 on individuals, businesses, or agencies outside state  
26 government. Bonds and other debt obligations issued by or on  
27 behalf of the corporation are not to be considered "state  
28 bonds" within the meaning of s. 215.58(8)~~s. 215.58(10)~~. The  
29 corporation is not subject to the procurement provisions of  
30 chapter 287, and policies and decisions of the corporation  
31 relating to incurring debt, levying of assessments and the

1 sale, issuance, continuation, terms and claims under  
2 corporation policies, and all services relating thereto, are  
3 not subject to the provisions of chapter 120. The corporation  
4 is not required to obtain or to hold a certificate of  
5 authority issued by the office ~~department~~, nor is it required  
6 to participate as a member insurer of the Florida Insurance  
7 Guaranty Association. However, the corporation is required to  
8 pay, in the same manner as an authorized insurer, assessments  
9 pledged by the Florida Insurance Guaranty Association to  
10 secure bonds issued or other indebtedness incurred to pay  
11 covered claims arising from insurer insolvencies caused by, or  
12 proximately related to, hurricane losses. It is the intent of  
13 the Legislature that the tax exemptions provided in this  
14 paragraph will augment the financial resources of the  
15 corporation to better enable the corporation to fulfill its  
16 public purposes. Any bonds issued by the corporation, their  
17 transfer, and the income therefrom, including any profit made  
18 on the sale thereof, shall at all times be free from taxation  
19 of every kind by the state and any political subdivision or  
20 local unit or other instrumentality thereof; however, this  
21 exemption does not apply to any tax imposed by chapter 220  
22 ~~chapter 200~~ on interest, income, or profits on debt  
23 obligations owned by corporations other than the corporation.

24 (k) Upon a determination by the office ~~department~~ that  
25 the conditions giving rise to the establishment and activation  
26 of the corporation no longer exist, the corporation is  
27 dissolved. Upon dissolution, the assets of the corporation  
28 ~~association~~ shall be applied first to pay all debts,  
29 liabilities, and obligations of the corporation, including the  
30 establishment of reasonable reserves for any contingent  
31 liabilities or obligations, and all remaining assets of the

1 corporation shall become property of the state and be  
2 deposited in the Florida Hurricane Catastrophe Fund. However,  
3 no dissolution shall take effect as long as the corporation  
4 has bonds or other financial obligations outstanding unless  
5 adequate provision has been made for the payment of the bonds  
6 or other financial obligations pursuant to the documents  
7 authorizing the issuance of the bonds or other financial  
8 obligations.

9           (1)1. Effective July 1, 2002, policies of the  
10 Residential Property and Casualty Joint Underwriting  
11 Association shall become policies of the corporation. All  
12 obligations, rights, assets and liabilities of the Residential  
13 Property and Casualty Joint Underwriting Association,  
14 including bonds, note and debt obligations, and the financing  
15 documents pertaining to them become those of the corporation  
16 as of July 1, 2002. The corporation is not required to issue  
17 endorsements or certificates of assumption to insureds during  
18 the remaining term of in-force transferred policies.

19           2. Effective July 1, 2002, policies of the Florida  
20 Windstorm Underwriting Association are transferred to the  
21 corporation and shall become policies of the corporation. All  
22 obligations, rights, assets, and liabilities of the Florida  
23 Windstorm Underwriting Association, including bonds, note, and  
24 debt obligations, and the financing documents pertaining to  
25 them are transferred to and assumed by the corporation on July  
26 1, 2002. The corporation is not required to issue endorsement  
27 or certificates of assumption to insureds during the remaining  
28 term of in-force transferred policies.

29           3. The Florida Windstorm Underwriting Association and  
30 the Residential Property and Casualty Joint Underwriting  
31 Association shall take all actions as may be proper to further

1 evidence the transfers and shall provide the documents and  
2 instruments of further assurance as may reasonably be  
3 requested by the corporation for that purpose. The corporation  
4 shall execute assumptions and instruments as the trustees or  
5 other parties to the financing documents of the Florida  
6 Windstorm Underwriting Association or the Residential Property  
7 and Casualty Joint Underwriting Association may reasonably  
8 request to further evidence the transfers and assumptions,  
9 which transfers and assumptions, however, are effective on the  
10 date provided under this paragraph whether or not, and  
11 regardless of the date on which, the assumptions or  
12 instruments are executed by the corporation. Subject to the  
13 relevant financing documents pertaining to their outstanding  
14 bonds, notes, indebtedness, or other financing obligations,  
15 the moneys, investments, receivables, choses in action, and  
16 other intangibles of the Florida Windstorm Underwriting  
17 Association shall be credited to the high-risk account of the  
18 corporation, and those of the personal lines residential  
19 coverage account and the commercial lines residential coverage  
20 account of the Residential Property and Casualty Joint  
21 Underwriting Association shall be credited to the personal  
22 lines account and the commercial lines account, respectively,  
23 of the corporation.

24           4. Effective July 1, 2002, a new applicant for  
25 property insurance coverage who would otherwise have been  
26 eligible for coverage in the Florida Windstorm Underwriting  
27 Association is eligible for coverage from the corporation as  
28 provided in this subsection.

29           5. The transfer of all policies, obligations, rights,  
30 assets, and liabilities from the Florida Windstorm  
31 Underwriting Association to the corporation and the renaming

1 of the Residential Property and Casualty Joint Underwriting  
2 Association as the corporation shall in no way affect the  
3 coverage with respect to covered policies as defined in s.  
4 215.555(2)(c) provided to these entities by the Florida  
5 Hurricane Catastrophe Fund. The coverage provided by the  
6 Florida Hurricane Catastrophe Fund to the Florida Windstorm  
7 Underwriting Association based on its exposures as of June 30,  
8 2002, and each June 30 thereafter shall be redesignated as  
9 coverage for the high-risk account of the corporation.  
10 Notwithstanding any other provision of law, the coverage  
11 provided by the Florida Hurricane Catastrophe Fund to the  
12 Residential Property and Casualty Joint Underwriting  
13 Association based on its exposures as of June 30, 2002, and  
14 each June 30 thereafter shall be transferred to the personal  
15 lines account and the commercial lines account of the  
16 corporation. Notwithstanding any other provision of law, the  
17 high-risk account shall be treated, for all Florida Hurricane  
18 Catastrophe Fund purposes, as if it were a separate  
19 participating insurer with its own exposures, reimbursement  
20 premium, and loss reimbursement. Likewise, the personal lines  
21 and commercial lines accounts shall be viewed together, for  
22 all Florida Hurricane Catastrophe Fund purposes, as if the two  
23 accounts were one and represent a single, separate  
24 participating insurer with its own exposures, reimbursement  
25 premium, and loss reimbursement. The coverage provided by the  
26 Florida Hurricane Catastrophe Fund to the corporation shall  
27 constitute and operate as a full transfer of coverage from the  
28 Florida Windstorm Underwriting Association and Residential  
29 Property and Casualty Joint Underwriting to the corporation.  
30 (m) Notwithstanding any other provision of law:  
31

1           1. The pledge or sale of, the lien upon, and the  
2 security interest in any rights, revenues, or other assets of  
3 the corporation created or purported to be created pursuant to  
4 any financing documents to secure any bonds or other  
5 indebtedness of the corporation shall be and remain valid and  
6 enforceable, notwithstanding the commencement of and during  
7 the continuation of, and after, any rehabilitation,  
8 insolvency, liquidation, bankruptcy, receivership,  
9 conservatorship, reorganization, or similar proceeding against  
10 the corporation under the laws of this state.

11           2. No such proceeding shall relieve the corporation of  
12 its obligation, or otherwise affect its ability to perform its  
13 obligation, to continue to collect, or levy and collect,  
14 assessments, market equalization or other surcharges under  
15 subparagraph (c)10., or any other rights, revenues, or other  
16 assets of the corporation pledged pursuant to any financing  
17 documents.

18           3. Each such pledge or sale of, lien upon, and  
19 security interest in, including the priority of such pledge,  
20 lien, or security interest, any such assessments, market  
21 equalization or other surcharges, or other rights, revenues,  
22 or other assets which are collected, or levied and collected,  
23 after the commencement of and during the pendency of, or  
24 after, any such proceeding shall continue unaffected by such  
25 proceeding. As used in this subsection, the term "financing  
26 documents" means any agreement or agreements, instrument or  
27 instruments, or other document or documents now existing or  
28 hereafter created evidencing any bonds or other indebtedness  
29 of the corporation or pursuant to which any such bonds or  
30 other indebtedness has been or may be issued and pursuant to  
31 which any rights, revenues, or other assets of the corporation

1 are pledged or sold to secure the repayment of such bonds or  
2 indebtedness, together with the payment of interest on such  
3 bonds or such indebtedness, or the payment of any other  
4 obligation or financial product, as defined in the plan of  
5 operation of the corporation related to such bonds or  
6 indebtedness.

7           4. Any such pledge or sale of assessments, revenues,  
8 contract rights, or other rights or assets of the corporation  
9 shall constitute a lien and security interest, or sale, as the  
10 case may be, that is immediately effective and attaches to  
11 such assessments, revenues, or contract rights or other rights  
12 or assets, whether or not imposed or collected at the time the  
13 pledge or sale is made. Any such pledge or sale is effective,  
14 valid, binding, and enforceable against the corporation or  
15 other entity making such pledge or sale, and valid and binding  
16 against and superior to any competing claims or obligations  
17 owed to any other person or entity, including policyholders in  
18 this state, asserting rights in any such assessments,  
19 revenues, or contract rights or other rights or assets to the  
20 extent set forth in and in accordance with the terms of the  
21 pledge or sale contained in the applicable financing  
22 documents, whether or not any such person or entity has notice  
23 of such pledge or sale and without the need for any physical  
24 delivery, recordation, filing, or other action.

25           (n)1. The following records of the corporation are  
26 confidential and exempt from the provisions of s. 119.07(1)  
27 and s. 24(a), Art. I of the State Constitution:

28           a. Underwriting files, except that a policyholder or  
29 an applicant shall have access to his or her own underwriting  
30 files.

31

1           b. Claims files, until termination of all litigation  
2 and settlement of all claims arising out of the same incident,  
3 although portions of the claims files may remain exempt, as  
4 otherwise provided by law. Confidential and exempt claims file  
5 records may be released to other governmental agencies upon  
6 written request and demonstration of need; such records held  
7 by the receiving agency remain confidential and exempt as  
8 provided for herein.

9           c. Records obtained or generated by an internal  
10 auditor pursuant to a routine audit, until the audit is  
11 completed, or if the audit is conducted as part of an  
12 investigation, until the investigation is closed or ceases to  
13 be active. An investigation is considered "active" while the  
14 investigation is being conducted with a reasonable, good faith  
15 belief that it could lead to the filing of administrative,  
16 civil, or criminal proceedings.

17           d. Matters reasonably encompassed in privileged  
18 attorney-client communications.

19           e. Proprietary information licensed to the corporation  
20 under contract and the contract provides for the  
21 confidentiality of such proprietary information.

22           f. All information relating to the medical condition  
23 or medical status of a corporation employee which is not  
24 relevant to the employee's capacity to perform his or her  
25 duties, except as otherwise provided in this paragraph.  
26 Information which is exempt shall include, but is not limited  
27 to, information relating to workers' compensation, insurance  
28 benefits, and retirement or disability benefits.

29           g. Upon an employee's entrance into the employee  
30 assistance program, a program to assist any employee who has a  
31 behavioral or medical disorder, substance abuse problem, or

1 emotional difficulty which affects the employee's job  
2 performance, all records relative to that participation shall  
3 be confidential and exempt from the provisions of s. 119.07(1)  
4 and s. 24(a), Art. I of the State Constitution, except as  
5 otherwise provided in s. 112.0455(11).

6 h. Information relating to negotiations for financing,  
7 reinsurance, depopulation, or contractual services, until the  
8 conclusion of the negotiations.

9 i. Minutes of closed meetings regarding underwriting  
10 files, and minutes of closed meetings regarding an open claims  
11 file until termination of all litigation and settlement of all  
12 claims with regard to that claim, except that information  
13 otherwise confidential or exempt by law will be redacted.

14

15 When an authorized insurer is considering underwriting a risk  
16 insured by the corporation, relevant underwriting files and  
17 confidential claims files may be released to the insurer  
18 provided the insurer agrees in writing, notarized and under  
19 oath, to maintain the confidentiality of such files. When a  
20 file is transferred to an insurer that file is no longer a  
21 public record because it is not held by an agency subject to  
22 the provisions of the public records law. Underwriting files  
23 and confidential claims files may also be released to staff of  
24 and the board of governors of the market assistance plan  
25 established pursuant to s. 627.3515, who must retain the  
26 confidentiality of such files, except such files may be  
27 released to authorized insurers that are considering assuming  
28 the risks to which the files apply, provided the insurer  
29 agrees in writing, notarized and under oath, to maintain the  
30 confidentiality of such files. Finally, the corporation or  
31 the board or staff of the market assistance plan may make the

1 following information obtained from underwriting files and  
2 confidential claims files available to licensed general lines  
3 insurance agents: name, address, and telephone number of the  
4 residential property owner or insured; location of the risk;  
5 rating information; loss history; and policy type. The  
6 receiving licensed general lines insurance agent must retain  
7 the confidentiality of the information received.

8           2. Portions of meetings of the corporation are exempt  
9 from the provisions of s. 286.011 and s. 24(b), Art. I of the  
10 State Constitution wherein confidential underwriting files or  
11 confidential open claims files are discussed. All portions of  
12 corporation meetings which are closed to the public shall be  
13 recorded by a court reporter. The court reporter shall record  
14 the times of commencement and termination of the meeting, all  
15 discussion and proceedings, the names of all persons present  
16 at any time, and the names of all persons speaking. No  
17 portion of any closed meeting shall be off the record.  
18 Subject to the provisions hereof and s. 119.07(2)(a), the  
19 court reporter's notes of any closed meeting shall be retained  
20 by the corporation for a minimum of 5 years. A copy of the  
21 transcript, less any exempt matters, of any closed meeting  
22 wherein claims are discussed shall become public as to  
23 individual claims after settlement of the claim.

24           (o) It is the intent of the Legislature that the  
25 amendments to this subsection enacted in 2002 should, over  
26 time, reduce the probable maximum windstorm losses in the  
27 residual markets and should reduce the potential assessments  
28 to be levied on property insurers and policyholders statewide.  
29 In furtherance of this intent:

30           1. The board shall, on or before February 1 of each  
31 year, provide a report to the President of the Senate and the

1 Speaker of the House of Representatives showing the reduction  
2 or increase in the 100-year probable maximum loss attributable  
3 to wind-only coverages and the quota share program under this  
4 subsection combined, as compared to the benchmark 100-year  
5 probable maximum loss of the Florida Windstorm Underwriting  
6 Association. For purposes of this paragraph, the benchmark  
7 100-year probable maximum loss of the Florida Windstorm  
8 Underwriting Association shall be the calculation dated  
9 February 2001 and based on November 30, 2000, exposures. In  
10 order to ensure comparability of data, the board shall use the  
11 same methods for calculating its probable maximum loss as were  
12 used to calculate the benchmark probable maximum loss.

13           2. Beginning February 1, 2007, if the report under  
14 subparagraph 1. for any year indicates that the 100-year  
15 probable maximum loss attributable to wind-only coverages and  
16 the quota share program combined does not reflect a reduction  
17 of at least 25 percent from the benchmark, the board shall  
18 reduce the boundaries of the high-risk area eligible for  
19 wind-only coverages under this subsection in a manner  
20 calculated to reduce such probable maximum loss to an amount  
21 at least 25 percent below the benchmark.

22           3. Beginning February 1, 2012, if the report under  
23 subparagraph 1. for any year indicates that the 100-year  
24 probable maximum loss attributable to wind-only coverages and  
25 the quota share program combined does not reflect a reduction  
26 of at least 50 percent from the benchmark, the boundaries of  
27 the high-risk area eligible for wind-only coverages under this  
28 subsection shall be reduced by the elimination of any area  
29 that is not seaward of a line 1,000 feet inland from the  
30 Intracoastal Waterway.

1           (p) In enacting the provisions of this section, the  
2 Legislature recognizes that both the Florida Windstorm  
3 Underwriting Association and the Residential Property and  
4 Casualty Joint Underwriting Association have entered into  
5 financing arrangements that obligate each entity to service  
6 its debts and maintain the capacity to repay funds secured  
7 under these financing arrangements. It is the intent of the  
8 Legislature that nothing in this section be construed to  
9 compromise, diminish, or interfere with the rights of  
10 creditors under such financing arrangements. It is further the  
11 intent of the Legislature to preserve the obligations of the  
12 Florida Windstorm Underwriting Association and Residential  
13 Property and Casualty Joint Underwriting Association with  
14 regard to outstanding financing arrangements, with such  
15 obligations passing entirely and unchanged to the corporation  
16 and, specifically, to the applicable account of the  
17 corporation. So long as any bonds, notes, indebtedness, or  
18 other financing obligations of the Florida Windstorm  
19 Underwriting Association or the Residential Property and  
20 Casualty Joint Underwriting Association are outstanding, under  
21 the terms of the financing documents pertaining to them, the  
22 governing board of the corporation shall have and shall  
23 exercise the authority to levy, charge, collect, and receive  
24 all premiums, assessments, surcharges, charges, revenues, and  
25 receipts that the associations had authority to levy, charge,  
26 collect, or receive under the provisions of subsection (2) and  
27 this subsection, respectively, as they existed on January 1,  
28 2002, to provide moneys, without exercise of the authority  
29 provided by this subsection, in at least the amounts, and by  
30 the times, as would be provided under those former provisions  
31 of subsection (2) or this subsection, respectively, so that

1 the value, amount, and collectability of any assets, revenues,  
2 or revenue source pledged or committed to, or any lien thereon  
3 securing such outstanding bonds, notes, indebtedness, or other  
4 financing obligations will not be diminished, impaired, or  
5 adversely affected by the amendments made by this act and to  
6 permit compliance with all provisions of financing documents  
7 pertaining to such bonds, notes, indebtedness, or other  
8 financing obligations, or the security or credit enhancement  
9 for them, and any reference in this subsection to bonds,  
10 notes, indebtedness, financing obligations, or similar  
11 obligations, of the corporation shall include like instruments  
12 or contracts of the Florida Windstorm Underwriting Association  
13 and the Residential Property and Casualty Joint Underwriting  
14 Association to the extent not inconsistent with the provisions  
15 of the financing documents pertaining to them.

16 ~~(q) Effective January 7, 2003, any reference in this~~  
17 ~~subsection to the Treasurer shall be deemed to be a reference~~  
18 ~~to the Chief Financial Officer and any reference to the~~  
19 ~~Department of Insurance shall be deemed to be a reference to~~  
20 ~~the Department of Insurance and Financial Services or other~~  
21 ~~successor to the Department of Insurance specified by law.~~

22 (q)(r) The corporation shall not require the securing  
23 of flood insurance as a condition of coverage if the insured  
24 or applicant executes a form approved by the office department  
25 affirming that flood insurance is not provided by the  
26 corporation and that if flood insurance is not secured by the  
27 applicant or insured in addition to coverage by the  
28 corporation, the risk will not be covered for flood damage. A  
29 corporation policyholder electing not to secure flood  
30 insurance and executing a form as provided herein making a  
31 claim for water damage against the corporation shall have the

1 | burden of proving the damage was not caused by flooding.  
2 | Notwithstanding other provisions of this subsection, the  
3 | corporation may deny coverage to an applicant or insured who  
4 | refuses to execute the form described herein.

5 |         Section 1101. Section 627.3511, Florida Statutes, is  
6 | amended to read:

7 |         627.3511 Depopulation of Citizens Property Insurance  
8 | Corporation Residential Property and Casualty Joint  
9 | Underwriting Association.--

10 |         (1) LEGISLATIVE INTENT.--The Legislature finds that  
11 | the public policy of this state requires the maintenance of a  
12 | residual market for residential property insurance. It is the  
13 | intent of the Legislature to provide a variety of financial  
14 | incentives to encourage the replacement of the highest  
15 | possible number of Citizens Property Insurance Corporation  
16 | Residential Property and Casualty Joint Underwriting  
17 | Association policies with policies written by admitted  
18 | insurers at approved rates.

19 |         (2) TAKE-OUT BONUS.--The Citizens Property Insurance  
20 | Corporation Residential Property and Casualty Joint  
21 | Underwriting Association shall pay the sum of up to \$100 to an  
22 | insurer for each risk that the insurer removes from the  
23 | corporation association, either by issuance of a policy upon  
24 | expiration or cancellation of the corporation association  
25 | policy or by assumption of the corporation's association's  
26 | obligations with respect to an in-force policy. Such payment  
27 | is subject to approval of the corporation association board.  
28 | In order to qualify for the bonus under this subsection, the  
29 | take-out plan must include a minimum of 25,000 policies.  
30 | Within 30 days after approval by the board, the office  
31 | department may reject the insurer's take-out plan and

1 disqualify the insurer from the bonus, based on the following  
2 criteria:

3 (a) The capacity of the insurer to absorb the policies  
4 proposed to be taken out of the corporation ~~association~~ and  
5 the concentration of risks of those policies.

6 (b) Whether the geographic and risk characteristics of  
7 policies in the proposed take-out plan serve to reduce the  
8 exposure of the corporation ~~association~~ sufficiently to  
9 justify the bonus.

10 (c) Whether coverage for risks to be taken out  
11 otherwise exists in the admitted voluntary market.

12 (d) The degree to which the take-out bonus is  
13 promoting new capital being allocated by the insurer to  
14 Florida residential property coverage.

15 (3) EXEMPTION FROM DEFICIT ASSESSMENTS.--

16 (a) The calculation of an insurer's assessment  
17 liability under s. 627.351(6)(b)3.a. or b. shall, for an  
18 insurer that in any calendar year removes 50,000 or more risks  
19 from the Citizens Property Insurance Corporation ~~Residential~~  
20 ~~Property and Casualty Joint Underwriting Association~~, either  
21 by issuance of a policy upon expiration or cancellation of the  
22 corporation ~~association~~ policy or by assumption of the  
23 corporation's ~~association's~~ obligations with respect to  
24 in-force policies, exclude such removed policies for the  
25 succeeding 3 years, as follows:

26 1. In the first year following removal of the risks,  
27 the risks are excluded from the calculation to the extent of  
28 100 percent.

29 2. In the second year following removal of the risks,  
30 the risks are excluded from the calculation to the extent of  
31 75 percent.

1           3. In the third year following removal of the risks,  
2 the risks are excluded from the calculation to the extent of  
3 50 percent.

4  
5 If the removal of risks is accomplished through assumption of  
6 obligations with respect to in-force policies, the corporation  
7 ~~association~~ shall pay to the assuming insurer all unearned  
8 premium with respect to such policies less any policy  
9 acquisition costs agreed to by the corporation ~~association~~ and  
10 assuming insurer. The term "policy acquisition costs" is  
11 defined as costs of issuance of the policy by the corporation  
12 ~~association~~ which includes agent commissions, servicing  
13 company fees, and premium tax. This paragraph does not apply  
14 to an insurer that, at any time within 5 years before removing  
15 the risks, had a market share in excess of 0.1 percent of the  
16 statewide aggregate gross direct written premium for any line  
17 of property insurance, or to an affiliate of such an insurer.  
18 This paragraph does not apply unless either at least 40  
19 percent of the risks removed from the corporation ~~association~~  
20 are located in Dade, Broward, and Palm Beach Counties, or at  
21 least 30 percent of the risks removed from the corporation  
22 ~~association~~ are located in such counties and an additional 50  
23 percent of the risks removed from the corporation ~~association~~  
24 are located in other coastal counties.

25           (b) An insurer that first wrote personal lines  
26 residential property coverage in this state on or after July  
27 1, 1994, is exempt from regular deficit assessments imposed  
28 pursuant to s. 627.351(6)(b)3.a. and b., but not emergency  
29 assessments collected from policyholders pursuant to s.  
30 627.351(6)(b)3.d., of the Citizens Property Insurance

31

1 ~~Corporation Residential Property and Casualty Joint~~  
2 ~~Underwriting Association~~ until the earlier of the following:  
3       1. The end of the calendar year in which it first  
4 wrote 0.5 percent or more of the statewide aggregate direct  
5 written premium for any line of residential property coverage;  
6 or  
7       2. December 31, 1997, or December 31 of the third year  
8 in which it wrote such coverage in this state, whichever is  
9 later.  
10       (c) Other than an insurer that is exempt under  
11 paragraph (b), an insurer that in any calendar year increases  
12 its total structure exposure subject to wind coverage by 25  
13 percent or more over its exposure for the preceding calendar  
14 year is, with respect to that year, exempt from deficit  
15 assessments imposed pursuant to s. 627.351(6)(b)3.a. and b.,  
16 but not emergency assessments collected from policyholders  
17 pursuant to s. 627.351(6)(b)3.d., of the Citizens Property  
18 Insurance Corporation Residential Property and Casualty Joint  
19 ~~Underwriting Association~~ attributable to such increase in  
20 exposure.  
21       (d) Any exemption or credit from regular assessments  
22 authorized by this section shall last no longer than 3 years  
23 following the cancellation or expiration of the policy by the  
24 corporation association. With the approval of the office  
25 ~~department~~, the board may extend such credits for an  
26 additional year if the insurer guarantees an additional year  
27 of renewability for all policies removed from the corporation  
28 ~~association~~, or for 2 additional years if the insurer  
29 guarantees 2 additional years of renewability for all policies  
30 so removed.  
31

1           (4) AGENT BONUS.--When the corporation ~~Residential~~  
2 ~~Property and Casualty Joint Underwriting Association~~ enters  
3 into a contractual agreement for a take-out plan that provides  
4 a bonus to the insurer, the producing agent of record of the  
5 corporation ~~association~~ policy is entitled to retain any  
6 unearned commission on such policy, and the insurer shall  
7 either:

8           (a) Pay to the producing agent of record of the  
9 association policy, for the first year, an amount that is the  
10 greater of the insurer's usual and customary commission for  
11 the type of policy written or a fee equal to the usual and  
12 customary commission of the corporation ~~association~~; or

13           (b) Offer to allow the producing agent of record of  
14 the corporation ~~association~~ policy to continue servicing the  
15 policy for a period of not less than 1 year and offer to pay  
16 the agent the greater of the insurer's or the corporation's  
17 ~~association's~~ usual and customary commission for the type of  
18 policy written.

19  
20 If the producing agent is unwilling or unable to accept  
21 appointment, the new insurer shall pay the agent in accordance  
22 with paragraph (a). The requirement of this subsection that  
23 the producing agent of record is entitled to retain the  
24 unearned commission on an association policy does not apply to  
25 a policy for which coverage has been provided in the  
26 association for 30 days or less or for which a cancellation  
27 notice has been issued pursuant to s. 627.351(6)(c)11. during  
28 the first 30 days of coverage.

29           (5) APPLICABILITY.--

30           (a) The take-out bonus provided by subsection (2) and  
31 the exemption from assessment provided by paragraph (3)(a)

1 apply only if the corporation ~~association~~ policy is replaced  
2 by either a standard policy including wind coverage or, if  
3 consistent with the insurer's underwriting rules as filed with  
4 the office ~~department~~, a basic policy including wind coverage;  
5 however, with respect to risks located in areas where coverage  
6 through the high-risk account of the corporation ~~Florida~~  
7 ~~Windstorm Underwriting Association~~ is available, the  
8 replacement policy need not provide wind coverage. The insurer  
9 must renew the replacement policy at approved rates on  
10 substantially similar terms for two additional 1-year terms,  
11 unless canceled by the insurer for a lawful reason other than  
12 reduction of hurricane exposure. If an insurer assumes the  
13 corporation's ~~association's~~ obligations for a policy, it must  
14 issue a replacement policy for a 1-year term upon expiration  
15 of the corporation ~~association~~ policy and must renew the  
16 replacement policy at approved rates on substantially similar  
17 terms for two additional 1-year terms, unless canceled by the  
18 insurer for a lawful reason other than reduction of hurricane  
19 exposure. For each replacement policy canceled or nonrenewed  
20 by the insurer for any reason during the 3-year coverage  
21 period required by this paragraph, the insurer must remove  
22 from the corporation ~~association~~ one additional policy  
23 covering a risk similar to the risk covered by the canceled or  
24 nonrenewed policy. In addition to these requirements, the  
25 corporation ~~association~~ must place the bonus moneys in escrow  
26 for a period of 3 years; such moneys may be released from  
27 escrow only to pay claims. A take-out bonus provided by  
28 subsection (2) or subsection (6) shall not be considered  
29 premium income for purposes of taxes and assessments under the  
30 Florida Insurance Code and shall remain the property of the  
31 corporation ~~Residential Property and Casualty Joint~~

1 ~~Underwriting Association~~, subject to the prior security  
2 interest of the insurer under the escrow agreement until it is  
3 released from escrow, and after it is released from escrow it  
4 shall be considered an asset of the insurer and credited to  
5 the insurer's capital and surplus.

6 (b) It is the intent of the Legislature that an  
7 insurer eligible for the exemption under paragraph (3)(a)  
8 establish a preference in appointment of agents for those  
9 agents who lose a substantial amount of business as a result  
10 of risks being removed from the corporation ~~association~~.

11 (6) COMMERCIAL RESIDENTIAL TAKE-OUT PLANS.--

12 (a) The corporation ~~Residential Property and Casualty~~  
13 ~~Joint Underwriting Association~~ shall pay a bonus to an insurer  
14 for each commercial residential policy that the insurer  
15 removes from the corporation ~~association~~ pursuant to an  
16 approved take-out plan, either by issuance of a new policy  
17 upon expiration of the corporation ~~association~~ policy or by  
18 assumption of the corporation's ~~association's~~ obligations with  
19 respect to an in-force policy. The corporation ~~association~~  
20 board shall determine the amount of the bonus based on such  
21 factors as the coverage provided, relative hurricane risk, the  
22 length of time that the property has been covered by the  
23 corporation ~~association~~, and the criteria specified in  
24 paragraphs (b) and (c). The amount of the bonus with respect  
25 to a particular policy may not exceed 25 percent of the  
26 corporation's ~~association's~~ 1-year premium for the policy.  
27 Such payment is subject to approval of the corporation  
28 ~~association~~ board. In order to qualify for the bonus under  
29 this subsection, the take-out plan must include policies  
30 reflecting at least \$100 million in structure exposure.

31 (b) In order for a plan to qualify for approval:

1           1. At least 40 percent of the policies removed from  
2 the corporation ~~association~~ under the plan must be located in  
3 Dade, Broward, and Palm Beach Counties, or at least 30 percent  
4 of the policies removed from the corporation ~~association~~ under  
5 the plan must be located in such counties and an additional 50  
6 percent of the policies removed from the corporation  
7 ~~association~~ must be located in other coastal counties.

8           2. The insurer must renew the replacement policy at  
9 approved rates on substantially similar terms for two  
10 additional 1-year terms, unless canceled or nonrenewed by the  
11 insurer for a lawful reason other than reduction of hurricane  
12 exposure. If an insurer assumes the corporation's  
13 ~~association's~~ obligations for a policy, it must issue a  
14 replacement policy for a 1-year term upon expiration of the  
15 corporation ~~association~~ policy and must renew the replacement  
16 policy at approved rates on substantially similar terms for  
17 two additional 1-year terms, unless canceled by the insurer  
18 for a lawful reason other than reduction of hurricane  
19 exposure. For each replacement policy canceled or nonrenewed  
20 by the insurer for any reason during the 3-year coverage  
21 period required by this subparagraph, the insurer must remove  
22 from the corporation ~~association~~ one additional policy  
23 covering a risk similar to the risk covered by the canceled or  
24 nonrenewed policy.

25           (c) A take-out plan is deemed approved unless the  
26 office ~~department~~, within 120 days after the board votes to  
27 recommend the plan, disapproves the plan based on:

28           1. The capacity of the insurer to absorb the policies  
29 proposed to be taken out of the corporation ~~association~~ and  
30 the concentration of risks of those policies.

31

1           2. Whether the geographic and risk characteristics of  
2 policies in the proposed take-out plan serve to reduce the  
3 exposure of the corporation ~~association~~ sufficiently to  
4 justify the bonus.

5           3. Whether coverage for risks to be taken out  
6 otherwise exists in the admitted voluntary market.

7           4. The degree to which the take-out bonus is promoting  
8 new capital being allocated by the insurer to residential  
9 property coverage in this state.

10           (d) The calculation of an insurer's regular assessment  
11 liability under s. 627.351(b)3.a. and b., but not emergency  
12 assessments collected from policyholders pursuant to s.  
13 627.351(6)(b)3.d., shall, with respect to commercial  
14 residential policies removed from the corporation ~~association~~  
15 under an approved take-out plan, exclude such removed policies  
16 for the succeeding 3 years, as follows:

17           1. In the first year following removal of the  
18 policies, the policies are excluded from the calculation to  
19 the extent of 100 percent.

20           2. In the second year following removal of the  
21 policies, the policies are excluded from the calculation to  
22 the extent of 75 percent.

23           3. In the third year following removal of the  
24 policies, the policies are excluded from the calculation to  
25 the extent of 50 percent.

26           (e) An insurer that first wrote commercial residential  
27 property coverage in this state on or after June 1, 1996, is  
28 exempt from regular assessments under s. 627.351(6)(b)3.a. and  
29 b., but not emergency assessments collected from policyholders  
30 pursuant to s. 627.351(6)(b)3.d., with respect to commercial  
31 residential policies until the earlier of:

1           1. The end of the calendar year in which such insurer  
2 first wrote 0.5 percent or more of the statewide aggregate  
3 direct written premium for commercial residential property  
4 coverage; or

5           2. December 31 of the third year in which such insurer  
6 wrote commercial residential property coverage in this state.

7           (f) An insurer that is not otherwise exempt from  
8 regular assessments under s. 627.351(6)(b)3.a. and b. with  
9 respect to commercial residential policies is, for any  
10 calendar year in which such insurer increased its total  
11 commercial residential hurricane exposure by 25 percent or  
12 more over its exposure for the preceding calendar year, exempt  
13 from regular assessments under s. 627.351(6)(b)3.a. and b.,  
14 but not emergency assessments collected from policyholders  
15 pursuant to s. 627.351(6)(b)3.d., attributable to such  
16 increased exposure.

17           (7) A minority business, which is at least 51 percent  
18 owned by minority persons as described in s. 288.703(3),  
19 desiring to operate or become licensed as a property and  
20 casualty insurer may exempt up to \$50 of the escrow  
21 requirements of the take-out bonus, as described in this  
22 section. Such minority business, which has applied for a  
23 certificate of authority to engage in business as a property  
24 and casualty insurer, may simultaneously file the business'  
25 proposed take-out plan, as described in this section, with the  
26 corporation to the Residential Property and Casualty Joint  
27 Underwriting Association.

28           Section 1102. Subsections (3) and (4) of section  
29 627.3512, Florida Statutes, are amended to read:

30           627.3512 Recoupment of residual market deficit  
31 assessments.--

1           (3) The insurer or insurer group shall file with the  
2 office ~~department~~ a statement setting forth the amount of the  
3 assessment factor and an explanation of how the factor will be  
4 applied, at least 15 days prior to the factor being applied to  
5 any policies. The statement shall include documentation of  
6 the assessment paid by the insurer or insurer group and the  
7 arithmetic calculations supporting the assessment factor. The  
8 office ~~department~~ shall complete its review within 15 days  
9 after receipt of the filing and shall limit its review to  
10 verification of the arithmetic calculations. The insurer or  
11 insurer group may use the assessment factor at any time after  
12 the expiration of the 15-day period unless the office  
13 ~~department~~ has notified the insurer or insurer group in  
14 writing that the arithmetic calculations are incorrect.

15           (4) The commission ~~department~~ may adopt rules to  
16 implement this section.

17           Section 1103. Section 627.3513, Florida Statutes, is  
18 amended to read:

19           627.3513 Standards for sale of bonds by Citizens  
20 Property Insurance Corporation ~~underwriting associations~~.--

21           (1)(a) The purpose of this section is to provide  
22 standards for the sale of bonds pursuant to s. 627.351(2) and  
23 (6).

24           (b) The term "corporation," as used in this section,  
25 means the Citizens Property Insurance Corporation.  
26 ~~"Association" or "associations," for purposes of this section,~~  
27 ~~means the Florida Windstorm Underwriting Association and the~~  
28 ~~Residential Property and Casualty Joint Underwriting~~  
29 ~~Association as established pursuant to s. 627.351(2) and (6),~~  
30 ~~and any corporation or other entity established pursuant to~~  
31 ~~those subsections.~~

1           (2) The plan of operation of the corporation ~~each~~  
2 ~~association~~ shall provide for the selection of financial  
3 services providers and underwriters. Such provisions shall  
4 include the method for publicizing or otherwise providing  
5 reasonable notice to potential financial services providers,  
6 underwriters, and other interested parties, which may include  
7 expedited procedures and methods for emergency situations. The  
8 corporation ~~associations~~ shall not engage the services of any  
9 person or firm as a securities broker or bond underwriter that  
10 is not eligible to be engaged by the state under the  
11 provisions of s. 215.684. The corporation ~~associations~~ shall  
12 make all selections of financial service providers and  
13 managing underwriters at a noticed public meeting.

14           (3) The plan of operation of the corporation ~~each~~  
15 ~~association~~ shall provide for any managing underwriter or  
16 financial adviser to provide to the corporation ~~association~~ a  
17 disclosure statement containing at least the following  
18 information:

19           (a) An itemized list setting forth the nature and  
20 estimated amounts of expenses to be incurred by the managing  
21 underwriter in connection with the issuance of such bonds.  
22 Notwithstanding the foregoing, any such list may include an  
23 item for miscellaneous expenses, provided such item includes  
24 only minor items of expense which cannot be easily categorized  
25 elsewhere in the statement.

26           (b) The names, addresses, and estimated amounts of  
27 compensation of any finders connected with the issuance of the  
28 bonds.

29           (c) The amount of underwriting spread expected to be  
30 realized and the amount of fees and expenses expected to be  
31 paid to the financial adviser.

1           (d) Any management fee charged by the managing  
2 underwriter.

3           (e) Any other fee, bonus, or compensation estimated to  
4 be paid by the managing underwriter in connection with the  
5 bond issue to any person not regularly employed or retained by  
6 it.

7           (f) The name and address of each financial adviser or  
8 managing underwriter, if any, connected with the bond issue.

9           (g) Any other disclosure which the corporation  
10 ~~association~~ may require.

11           (4)(a) No underwriter, commercial bank, investment  
12 banker, or financial consultant or adviser shall pay any  
13 finder any bonus, fee, or gratuity in connection with the sale  
14 of bonds issued by the corporation ~~association~~ unless full  
15 disclosure is made in writing to the corporation ~~association~~  
16 prior to or concurrently with the submission of a purchase  
17 proposal for bonds by the underwriter, commercial bank,  
18 investment banker, or financial consultant or adviser,  
19 providing the name and address of any finder and the amount of  
20 bonus, fee, or gratuity paid to such finder. A violation of  
21 this subsection shall not affect the validity of the bond  
22 issue.

23           (b) As used in this subsection, the term "finder"  
24 means a person who is neither regularly employed by, nor a  
25 partner or officer of, an underwriter, bank, banker, or  
26 financial consultant or adviser and who enters into an  
27 understanding with either the issuer or the managing  
28 underwriter, or both, for any paid or promised compensation or  
29 valuable consideration, directly or indirectly, expressed or  
30 implied, to act solely as an intermediary between such issuer  
31

1 and managing underwriter for the purpose of influencing any  
2 transaction in the purpose of such bonds.

3 (5) This section is not intended to restrict or  
4 prohibit the employment of professional services relating to  
5 bonds issued under s. 627.351(6)~~s. 627.351(2) or (6)~~ or the  
6 issuance of bonds by the corporation associations.

7 (6) The failure of the corporation association to  
8 comply with one or more provisions of this section shall not  
9 affect the validity of the bond issue; however, the failure of  
10 the corporation ~~either association~~ to comply in good faith  
11 both with this section and with the plan as amended shall be a  
12 violation of its plan of operation and a violation of the  
13 insurance code.

14 Section 1104. Section 627.3515, Florida Statutes, is  
15 amended to read:

16 627.3515 Market assistance plan; property and casualty  
17 risks.--

18 (1) The office department shall adopt a market  
19 assistance plan to assist in the placement of risks of  
20 applicants who are unable to procure property insurance as  
21 defined in s. 624.604 or casualty insurance as defined in s.  
22 624.605(1)(b), (e), (f), (g), or (h) from authorized insurers  
23 when such insurance is otherwise generally available from  
24 insurers authorized to transact and actually writing that kind  
25 and class of insurance in this state. Through such measures as  
26 are found appropriate by the board of governors, the market  
27 assistance plan shall take affirmative steps to assist in the  
28 removal from the Citizens Property Insurance Corporation  
29 ~~Residential Property and Casualty Joint Underwriting~~  
30 ~~Association~~ any risk that can be placed in the voluntary  
31

1 market. All property and casualty insurers licensed in this  
2 state shall participate in the plan.

3 (2)(a) Each person serving as a member of the board of  
4 governors of the Citizens Property Insurance Corporation  
5 ~~Residential Property and Casualty Joint Underwriting~~  
6 ~~Association~~ shall also serve as a member of the board of  
7 governors of the market assistance plan.

8 (b) The plan shall be funded through payments from the  
9 Citizens Property Insurance Corporation ~~Residential Property~~  
10 ~~and Casualty Joint Underwriting Association~~ and annual  
11 assessments of residential property insurers in the amount of  
12 \$450.

13 (c) The plan is not required to assist in the  
14 placement of any workers' compensation, employer's liability,  
15 malpractice, or motor vehicle insurance coverage.

16 Section 1105. Section 627.3517, Florida Statutes, is  
17 amended to read:

18 627.3517 Consumer choice.--No provision of s. 627.351,  
19 s. 627.3511, or s. 627.3515 shall be construed to impair the  
20 right of any insurance risk apportionment plan policyholder,  
21 upon receipt of any keepout or take-out offer, to retain his  
22 or her current agent, so long as that agent is duly licensed  
23 and appointed by the insurance risk apportionment plan or  
24 otherwise authorized to place business with the insurance risk  
25 apportionment plan. This right shall not be canceled,  
26 suspended, impeded, abridged, or otherwise compromised by any  
27 rule, plan of operation, or depopulation plan, whether through  
28 keepout, take-out, midterm assumption, or any other means, of  
29 any insurance risk apportionment plan or depopulation plan,  
30 including, but not limited to, those described in s. 627.351,  
31 s. 627.3511, or s. 627.3515. The commission ~~department~~ shall

1 adopt any rules necessary to cause any insurance risk  
2 apportionment plan or market assistance plan under such  
3 sections to demonstrate that the operations of the plan do not  
4 interfere with, promote, or allow interference with the rights  
5 created under this section. If the policyholder's current  
6 agent is unable or unwilling to be appointed with the insurer  
7 making the take-out or keepout offer, the policyholder shall  
8 not be disqualified from participation in the appropriate  
9 insurance risk apportionment plan because of an offer of  
10 coverage in the voluntary market. An offer of full property  
11 insurance coverage by the insurer currently insuring either  
12 the ex-wind or wind-only coverage on the policy to which the  
13 offer applies shall not be considered a take-out or keepout  
14 offer. Any rule, plan of operation, or plan of depopulation,  
15 through keepout, take-out, midterm assumption, or any other  
16 means, of any property insurance risk apportionment plan under  
17 s. 627.351(2) or (6) is subject to ss. 627.351(2)(b) and  
18 (6)(c) and 627.351(4).

19 Section 1106. Subsections (2), (4), and (6),  
20 paragraphs (c) and (h) of subsection (7), and subsection (8)  
21 of section 627.357, Florida Statutes, are amended to read:

22 627.357 Medical malpractice self-insurance.--

23 (2) A group or association of health care providers  
24 composed of any number of members, is authorized to  
25 self-insure against claims arising out of the rendering of, or  
26 failure to render, medical care or services, or against claims  
27 for injury or death to the insured's patients arising out of  
28 the insured's activities, upon obtaining approval from the  
29 office ~~department~~ and upon complying with the following  
30 conditions:  
31

1           (a) Establishment of a Medical Malpractice Risk  
2 Management Trust Fund to provide coverage against professional  
3 medical malpractice liability.

4           (b) Employment of professional consultants for loss  
5 prevention and claims management coordination under a risk  
6 management program.

7           (4) The fund is subject to regulation and  
8 investigation by the office ~~department~~. The fund is subject  
9 to rules of the commission ~~department~~ and to part IX of  
10 chapter 626, relating to trade practices and frauds.

11           (6) The commission ~~department~~ shall adopt rules to  
12 implement this section, including rules that ensure that a  
13 trust fund maintains a sufficient reserve to cover contingent  
14 liabilities under subsection (7) in the event of its  
15 dissolution.

16           (7)

17           (c) The trust fund may from time to time assess  
18 members of the fund liable therefor under the terms of their  
19 policies and pursuant to this section. The office ~~department~~  
20 may assess the members in the event of liquidation of the  
21 fund.

22           (h) If the trust fund fails to make an assessment as  
23 required by paragraph (g), the office ~~department~~ shall order  
24 the fund to do so. If the deficiency is not sufficiently made  
25 up within 60 days after the date of the order, the fund is  
26 deemed insolvent and grounds exist to proceed against the fund  
27 as provided for in part I of chapter 631.

28           (8) The expense factors associated with rates used by  
29 a fund shall be filed with the office ~~department~~ at least 30  
30 days prior to use and may not be used until approved by the  
31 office ~~department~~. The office ~~department~~ shall disapprove the

1 rates unless the filed expense factors associated therewith  
2 are justified and reasonable for the benefits and services  
3 provided.

4 Section 1107. Section 627.361, Florida Statutes, is  
5 amended to read:

6 627.361 False or misleading information.--No person  
7 shall willfully withhold information from or knowingly give  
8 false or misleading information to the office ~~department~~, any  
9 statistical agency designated by the office ~~department~~, any  
10 rating organization, or any insurer, which will affect the  
11 rates or premiums chargeable under this part.

12 Section 1108. Section 627.371, Florida Statutes, is  
13 amended to read:

14 627.371 Hearings.--

15 (1) Any person aggrieved by any rate charged, rating  
16 plan, rating system, or underwriting rule followed or adopted  
17 by an insurer, and any person aggrieved by any rating plan,  
18 rating system, or underwriting rule followed or adopted by a  
19 rating organization, may herself or himself or by her or his  
20 authorized representative make written request of the insurer  
21 or rating organization to review the manner in which the rate,  
22 plan, system, or rule has been applied with respect to  
23 insurance afforded her or him. If the request is not granted  
24 within 30 days after it is made, the requester may treat it as  
25 rejected. Any person aggrieved by the refusal of an insurer  
26 or rating organization to grant the review requested, or by  
27 the failure or refusal to grant all or part of the relief  
28 requested, may file a written complaint with the office  
29 ~~department~~, specifying the grounds relied upon. If the office  
30 ~~department~~ has already disposed of the issue as raised by a  
31 similar complaint or believes that probable cause for the

1 complaint does not exist or that the complaint is not made in  
2 good faith, it shall so notify the complainant. Otherwise, and  
3 if it also finds that the complaint charges a violation of  
4 this chapter and that the complainant would be aggrieved if  
5 the violation is proven, it shall proceed as provided in  
6 subsection (2).

7           (2) If after examination of an insurer, rating  
8 organization, advisory organization, or group, association, or  
9 other organization of insurers which engages in joint  
10 underwriting or joint reinsurance, upon the basis of other  
11 information, or upon sufficient complaint as provided in  
12 subsection (1), the office ~~department~~ has good cause to  
13 believe that such insurer, organization, group, or  
14 association, or any rate, rating plan, or rating system made  
15 or used by any such insurer or rating organization, does not  
16 comply with the requirements and standards of this part  
17 applicable to it, it shall, unless it has good cause to  
18 believe such noncompliance is willful, give notice in writing  
19 to such insurer, organization, group, or association stating  
20 therein in what manner and to what extent noncompliance is  
21 alleged to exist and specifying therein a reasonable time, not  
22 less than 10 days thereafter, in which the noncompliance may  
23 be corrected, including any premium adjustment.

24           (3) If the office ~~department~~ has good cause to believe  
25 that such noncompliance is willful or if, within the period  
26 prescribed by the office ~~department~~ in the notice required by  
27 subsection (2), the insurer, organization, group, or  
28 association does not make such changes as may be necessary to  
29 correct the noncompliance specified by the office ~~department~~  
30 or establish to the satisfaction of the office ~~department~~ that  
31 such specified noncompliance does not exist, then the office

1 ~~department~~ is required to proceed to further determine the  
2 matter. If no notice has been given as provided in subsection  
3 (2), the notice shall state in what manner and to what extent  
4 noncompliance is alleged to exist. The proceedings shall not  
5 consider any subject not specified in the notice required by  
6 subsections (2) and (3).

7 Section 1109. Section 627.381, Florida Statutes, is  
8 amended to read:

9 627.381 Penalty for violation.--

10 (1) The office ~~department~~ may, if it finds that any  
11 person or organization has violated any provision of this  
12 part, impose an administrative fine pursuant to s. 624.4211.

13 (2) The office ~~department~~ may suspend the license or  
14 authority of any rating organization or insurer which fails to  
15 comply with an order of the office ~~department~~ within the time  
16 limited by such order, or any extension thereof which the  
17 office ~~department~~ may grant. The office ~~department~~ shall not  
18 suspend the license or authority of any rating organization or  
19 insurer for failure to comply with an order until the time  
20 prescribed for an appeal therefrom has expired or, if an  
21 appeal has been taken, until such order has been affirmed. The  
22 office ~~department~~ may determine when a suspension of license  
23 or authority shall become effective and it shall remain in  
24 effect for the period fixed by it, unless it modifies or  
25 rescinds such suspension, or until the order upon which such  
26 suspension is based is modified, rescinded, or reversed.

27 Section 1110. Paragraph (i) of subsection (2) of  
28 section 627.4035, Florida Statutes, is amended to read:

29 627.4035 Cash payment of premiums; claims.--

30 (2) Subsection (1) is not applicable to:  
31

1           (i) Such other methods of paying for life insurance as  
2 may be permitted by the commission ~~department~~ pursuant to rule  
3 or regulation.

4           Section 1111. Section 627.410, Florida Statutes, is  
5 amended to read:

6           627.410 Filing, approval of forms.--

7           (1) No basic insurance policy or annuity contract  
8 form, or application form where written application is  
9 required and is to be made a part of the policy or contract,  
10 or group certificates issued under a master contract delivered  
11 in this state, or printed rider or endorsement form or form of  
12 renewal certificate, shall be delivered or issued for delivery  
13 in this state, unless the form has been filed with the office  
14 ~~department at its offices in Tallahassee~~ by or in behalf of  
15 the insurer which proposes to use such form and has been  
16 approved by the office ~~department~~. This provision does not  
17 apply to surety bonds or to policies, riders, endorsements, or  
18 forms of unique character which are designed for and used with  
19 relation to insurance upon a particular subject (other than as  
20 to health insurance), or which relate to the manner of  
21 distribution of benefits or to the reservation of rights and  
22 benefits under life or health insurance policies and are used  
23 at the request of the individual policyholder, contract  
24 holder, or certificateholder. As to group insurance policies  
25 effectuated and delivered outside this state but covering  
26 persons resident in this state, the group certificates to be  
27 delivered or issued for delivery in this state shall be filed  
28 with the office ~~department~~ for information purposes only.

29           (2) Every such filing must be made not less than 30  
30 days in advance of any such use or delivery. At the  
31 expiration of such 30 days, the form so filed will be deemed

1 approved unless prior thereto it has been affirmatively  
2 approved or disapproved by order of the office department. The  
3 approval of any such form by the office department constitutes  
4 a waiver of any unexpired portion of such waiting period. The  
5 office department may extend by not more than an additional 15  
6 days the period within which it may so affirmatively approve  
7 or disapprove any such form, by giving notice of such  
8 extension before expiration of the initial 30-day period. At  
9 the expiration of any such period as so extended, and in the  
10 absence of such prior affirmative approval or disapproval, any  
11 such form shall be deemed approved.

12 (3) The office department may, for cause, withdraw a  
13 previous approval. No insurer shall issue or use any form  
14 disapproved by the office department, or as to which the  
15 office department has withdrawn approval, after the effective  
16 date of the order of the office department.

17 (4) The office department may, by order, exempt from  
18 the requirements of this section for so long as it deems  
19 proper any insurance document or form or type thereof as  
20 specified in such order, to which, in its opinion, this  
21 section may not practicably be applied, or the filing and  
22 approval of which are, in its opinion, not desirable or  
23 necessary for the protection of the public.

24 (5) This section also applies to any such form used by  
25 domestic insurers for delivery in a jurisdiction outside this  
26 state if the insurance supervisory official of such  
27 jurisdiction informs the office department that such form is  
28 not subject to approval or disapproval by such official, and  
29 upon the order of the office department requiring the form to  
30 be submitted to it for the purpose. The applicable same

31

1 standards apply to such forms as apply to forms for domestic  
2 use.

3 (6)(a) An insurer shall not deliver or issue for  
4 delivery or renew in this state any health insurance policy  
5 form until it has filed with the office ~~department~~ a copy of  
6 every applicable rating manual, rating schedule, change in  
7 rating manual, and change in rating schedule; if rating  
8 manuals and rating schedules are not applicable, the insurer  
9 must file with the order ~~department~~ applicable premium rates  
10 and any change in applicable premium rates. This paragraph  
11 does not apply to group health insurance policies, effectuated  
12 and delivered in this state, insuring groups of 51 or more  
13 persons, except for Medicare supplement insurance, long-term  
14 care insurance, and any coverage under which the increase in  
15 claim costs over the lifetime of the contract due to advancing  
16 age or duration is prefunded in the premium.

17 (b) The commission ~~department~~ may establish by rule,  
18 for each type of health insurance form, procedures to be used  
19 in ascertaining the reasonableness of benefits in relation to  
20 premium rates and may, by rule, exempt from any requirement of  
21 paragraph (a) any health insurance policy form or type thereof  
22 (as specified in such rule) to which form or type such  
23 requirements may not be practically applied or to which form  
24 or type the application of such requirements is not desirable  
25 or necessary for the protection of the public. With respect to  
26 any health insurance policy form or type thereof which is  
27 exempted by rule from any requirement of paragraph (a),  
28 premium rates filed pursuant to ss. 627.640 and 627.662 shall  
29 be for informational purposes.

30 (c) Every filing made pursuant to this subsection  
31 shall be made within the same time period provided in, and

1 shall be deemed to be approved under the same conditions as  
2 those provided in, subsection (2).

3 (d) Every filing made pursuant to this subsection,  
4 except disability income policies and accidental death  
5 policies, shall be prohibited from applying the following  
6 rating practices:

7 1. Select and ultimate premium schedules.

8 2. Premium class definitions which classify insured  
9 based on year of issue or duration since issue.

10 3. Attained age premium structures on policy forms  
11 under which more than 50 percent of the policies are issued to  
12 persons age 65 or over.

13 (e) Except as provided in subparagraph 1., an insurer  
14 shall continue to make available for purchase any individual  
15 policy form issued on or after October 1, 1993. A policy form  
16 shall not be considered to be available for purchase unless  
17 the insurer has actively offered it for sale in the previous  
18 12 months.

19 1. An insurer may ~~discontinue~~ the availability of a  
20 policy form if the insurer provides to the office ~~department~~  
21 in writing its decision at least 30 days prior to  
22 discontinuing the availability of the form of the policy or  
23 certificate. After receipt of the notice by the office  
24 ~~department~~, the insurer shall no longer offer for sale the  
25 policy form or certificate form in this state.

26 2. An insurer that discontinues the availability of a  
27 policy form pursuant to subparagraph 1. shall not file for  
28 approval a new policy form providing similar benefits as the  
29 discontinued form for a period of 5 years after the insurer  
30 provides notice to the office ~~department~~ of the  
31 discontinuance. The period of discontinuance may be reduced if

1 the office ~~department~~ determines that a shorter period is  
2 appropriate.

3 3. The experience of all policy forms providing  
4 similar benefits shall be combined for all rating purposes.

5 (7)(a) Each insurer subject to the requirements of  
6 subsection (6) shall make an annual filing with the office  
7 ~~department~~ no later than 12 months after its previous filing,  
8 demonstrating the reasonableness of benefits in relation to  
9 premium rates. The office ~~department~~, after receiving a  
10 request to be exempted from the provisions of this section,  
11 may, for good cause due to insignificant numbers of policies  
12 in force or insignificant premium volume, exempt a company, by  
13 line of coverage, from filing rates or rate certification as  
14 required by this section.

15 (b) The filing required by this subsection shall be  
16 satisfied by one of the following methods:

17 1. A rate filing prepared by an actuary which contains  
18 documentation demonstrating the reasonableness of benefits in  
19 relation to premiums charged in accordance with the applicable  
20 rating laws and rules promulgated by the commission  
21 ~~department~~.

22 2. If no rate change is proposed, a filing which  
23 consists of a certification by an actuary that benefits are  
24 reasonable in relation to premiums currently charged in  
25 accordance with applicable laws and rules promulgated by the  
26 commission ~~department~~.

27 (c) As used in this section, "actuary" means an  
28 individual who is a member of the Society of Actuaries or the  
29 American Academy of Actuaries. If an insurer does not employ  
30 or otherwise retain the services of an actuary, the insurer's  
31 certification shall be prepared by insurer personnel or

1 consultants with a minimum of 5 years' experience in insurance  
2 ratemaking. The chief executive officer of the insurer shall  
3 review and sign the certification indicating his or her  
4 agreement with its conclusions.

5 (d) If at the time a filing is required under this  
6 section an insurer is in the process of completing a rate  
7 review, the insurer may apply to the office ~~department~~ for an  
8 extension of up to an additional 30 days in which to make the  
9 filing. The request for extension must be received by the  
10 office ~~department in its offices in Tallahassee~~ no later than  
11 the date the filing is due.

12 (e) If an insurer fails to meet the filing  
13 requirements of this subsection and does not submit the filing  
14 within 60 days following the date the filing is due, the  
15 office ~~department~~ may, in addition to any other penalty  
16 authorized by law, order the insurer to discontinue the  
17 issuance of policies for which the required filing was not  
18 made, until such time as the office ~~department~~ determines that  
19 the required filing is properly submitted.

20 (8)(a) For the purposes of subsections (6) and (7),  
21 benefits of an individual accident and health insurance policy  
22 form, including Medicare supplement policies as defined in s.  
23 627.672, when authorized by rules adopted by the commission  
24 ~~department~~, and excluding long-term care insurance policies as  
25 defined in s. 627.9404, and other policy forms under which  
26 more than 50 percent of the policies are issued to individuals  
27 age 65 and over, are deemed to be reasonable in relation to  
28 premium rates if the rates are filed pursuant to a loss ratio  
29 guarantee and both the initial rates and the durational and  
30 lifetime loss ratios have been approved by the office  
31 ~~department~~, and such benefits shall continue to be deemed

1 reasonable for renewal rates while the insurer complies with  
2 such guarantee, provided the currently expected lifetime loss  
3 ratio is not more than 5 percent less than the filed lifetime  
4 loss ratio as certified to by an actuary. The office  
5 ~~department~~ shall have the right to bring an administrative  
6 action should it deem that the lifetime loss ratio will not be  
7 met. For Medicare supplement filings, the office ~~department~~  
8 may withdraw a previously approved filing which was made  
9 pursuant to a loss ratio guarantee if it determines that the  
10 filing is not in compliance with ss. 627.671-627.675 or the  
11 currently expected lifetime loss ratio is less than the filed  
12 lifetime loss ratio as certified by an actuary in the initial  
13 guaranteed loss ratio filing. If this section conflicts with  
14 ss. 627.671-627.675, ss. 627.671-627.675 shall control.

15 (b) The renewal premium rates shall be deemed to be  
16 approved upon filing with the office ~~department~~ if the filing  
17 is accompanied by the most current approved loss ratio  
18 guarantee. The loss ratio guarantee shall be in writing, shall  
19 be signed by an officer of the insurer, and shall contain at  
20 least:

21 1. A recitation of the anticipated lifetime and  
22 durational target loss ratios contained in the actuarial  
23 memorandum filed with the policy form when it was originally  
24 approved. The durational target loss ratios shall be  
25 calculated for 1-year experience periods. If statutory  
26 changes have rendered any portion of such actuarial memorandum  
27 obsolete, the loss ratio guarantee shall also include an  
28 amendment to the actuarial memorandum reflecting current law  
29 and containing new lifetime and durational loss ratio targets.

30 2. A guarantee that the applicable loss ratios for the  
31 experience period in which the new rates will take effect, and

1 for each experience period thereafter until new rates are  
2 filed, will meet the loss ratios referred to in subparagraph  
3 1.

4 3. A guarantee that the applicable loss ratio results  
5 for the experience period will be independently audited at the  
6 insurer's expense. The audit shall be performed in the second  
7 calendar quarter of the year following the end of the  
8 experience period, and the audited results shall be reported  
9 to the office ~~department~~ no later than the end of such  
10 quarter. The commission ~~department~~ shall establish by rule  
11 the minimum information reasonably necessary to be included in  
12 the report. The audit shall be done in accordance with  
13 accepted accounting and actuarial principles.

14 4. A guarantee that affected policyholders in this  
15 state shall be issued a proportional refund, based on the  
16 premium earned, of the amount necessary to bring the  
17 applicable experience period loss ratio up to the durational  
18 target loss ratio referred to in subparagraph 1. The refund  
19 shall be made to all policyholders in this state who are  
20 insured under the applicable policy form as of the last day of  
21 the experience period, except that no refund need be made to a  
22 policyholder in an amount less than \$10. Refunds less than \$10  
23 shall be aggregated and paid pro rata to the policyholders  
24 receiving refunds. The refund shall include interest at the  
25 then-current variable loan interest rate for life insurance  
26 policies established by the National Association of Insurance  
27 Commissioners, from the end of the experience period until the  
28 date of payment. Payments shall be made during the third  
29 calendar quarter of the year following the experience period  
30 for which a refund is determined to be due. However, no  
31 refunds shall be made until 60 days after the filing of the

1 audit report in order that the office ~~department~~ has adequate  
2 time to review the report.

3 5. A guarantee that if the applicable loss ratio  
4 exceeds the durational target loss ratio for that experience  
5 period by more than 20 percent, provided there are at least  
6 2,000 policyholders on the form nationwide or, if not, then  
7 accumulated each calendar year until 2,000 policyholder years  
8 is reached, the insurer, if directed by the office ~~department~~,  
9 shall withdraw the policy form for the purposes of issuing new  
10 policies.

11 (c) As used in this subsection:

12 1. "Loss ratio" means the ratio of incurred claims to  
13 earned premium.

14 2. "Applicable loss ratio" means the loss ratio  
15 attributable solely to this state if there are 2,000 or more  
16 policyholders in the state. If there are 500 or more  
17 policyholders in this state but less than 2,000, it is the  
18 linear interpolation of the nationwide loss ratio and the loss  
19 ratio for this state. If there are less than 500  
20 policyholders in this state, it is the nationwide loss ratio.

21 3. "Experience period" means the period, ordinarily a  
22 calendar year, for which a loss ratio guarantee is calculated.

6           Section 1114. Section 627.411, Florida Statutes, is  
7 amended to read:

8           627.411 Grounds for disapproval.--

9           (1) The office ~~department~~ shall disapprove any form  
10 filed under s. 627.410, or withdraw any previous approval  
11 thereof, only if the form:

12           (a) Is in any respect in violation of, or does not  
13 comply with, this code.

14           (b) Contains or incorporates by reference, where such  
15 incorporation is otherwise permissible, any inconsistent,  
16 ambiguous, or misleading clauses, or exceptions and conditions  
17 which deceptively affect the risk purported to be assumed in  
18 the general coverage of the contract.

19           (c) Has any title, heading, or other indication of its  
20 provisions which is misleading.

21           (d) Is printed or otherwise reproduced in such manner  
22 as to render any material provision of the form substantially  
23 illegible.

24           (e) Is for health insurance, and provides benefits  
25 which are unreasonable in relation to the premium charged,  
26 contains provisions which are unfair or inequitable or  
27 contrary to the public policy of this state or which encourage  
28 misrepresentation, or which apply rating practices which  
29 result in premium escalations that are not viable for the  
30 policyholder market or result in unfair discrimination in  
31 sales practices.

1           (f) Excludes coverage for human immunodeficiency virus  
2 infection or acquired immune deficiency syndrome or contains  
3 limitations in the benefits payable, or in the terms or  
4 conditions of such contract, for human immunodeficiency virus  
5 infection or acquired immune deficiency syndrome which are  
6 different than those which apply to any other sickness or  
7 medical condition.

8           (2) In determining whether the benefits are reasonable  
9 in relation to the premium charged, the office ~~department~~, in  
10 accordance with reasonable actuarial techniques, shall  
11 consider:

12           (a) Past loss experience and prospective loss  
13 experience within and without this state.

26 insurance policy form if:

27           (a) It finds such provision unnecessary for the  
28 protection of the insured and inconsistent with the purposes  
29 of the policy; and

30           (b) The policy is otherwise approved by it.

31

1           (2) No policy shall contain any provision inconsistent  
2 with or contradictory to any standard or uniform provision  
3 used or required to be used, but the office ~~department~~ may  
4 approve any substitute provision which is, in its opinion, not  
5 less favorable in any particular to the insured or beneficiary  
6 than the provisions otherwise required.

7           (3) In lieu of the provisions required by this code  
8 for contracts for particular kinds of insurance, substantially  
9 similar provisions required by the law of the domicile of a  
10 foreign or alien insurer may be used when approved by the  
11 office ~~department~~.

12           Section 1116. Paragraph (g) of subsection (1) and  
13 subsections (4) and (5) of section 627.413, Florida Statutes,  
14 are amended to read:

15           627.413 Contents of policies, in general;  
16 identification.--

17           (1) Every policy shall specify:

18           (g) The form numbers and edition dates or numeric code

22 and health insurance policies only at the time of original  
23 issue.

24           (4) All policies and annuity contracts issued by  
25 insurers, and the forms thereof filed with the office  
26 ~~department~~, shall have printed thereon an appropriate  
27 designating letter or figure, or combination of letters or  
28 figures or terms identifying the respective forms of policies  
29 or contracts. Whenever any change is made in any such form,  
30 the designating letters, figures, or terms thereon shall be  
31 correspondingly changed.

1           (5) Any policy that is a minimum premium policy issued  
2 by an insurer pursuant to the minimum premium provisions of  
3 rules adopted by rating organizations licensed by the office  
4 ~~Department of Insurance~~, shall have typed, printed, stamped,  
5 or legibly handwritten on the certificate the words "minimum  
6 premium policy" or equivalent language. The office ~~department~~  
7 may impose an administrative fine pursuant to s. 624.4211 if  
8 the office ~~department~~ finds any violation of this subsection.

9           Section 1117. Subsections (1), (2), and (3) and  
10 paragraph (f) of subsection (5) of section 627.4145, Florida  
11 Statutes, are amended to read:

12           627.4145 Readable language in insurance policies.--

13           (1) Every policy shall be readable as required by this  
14 section. For the purposes of this section, the term "policy"  
15 means a policy form or endorsement. A policy is deemed  
16 readable if:

17           (a) The text achieves a minimum score of 45 on the  
18 Flesch reading ease test as computed in subsection (5) or an  
19 equivalent score on any other test comparable in result and  
20 approved by the office ~~department~~;

21           (b) It uses layout and spacing which separate the  
22 paragraphs from each other and from the border of the paper;

23           (c) It has section titles that are captioned in  
24 boldfaced type or that otherwise stand out significantly from  
25 the text;

26           (d) It avoids the use of unnecessarily long,  
27 complicated, or obscure words, sentences, paragraphs, or  
28 constructions;

29           (e) The style, arrangement, and overall appearance of  
30 the policy give no undue prominence to any portion of the text  
31 of the policy or to any endorsements or riders; and

1 (f) It contains a table of contents or an index of the  
2 principal sections of the policy, if the policy has more than  
3 3,000 words or more than three pages.

4 (2) The office ~~department~~ may authorize a lower score  
5 than the Flesch reading ease test score required in subsection  
6 (1) whenever it finds that a lower score will provide a more  
7 accurate reflection of the readability of a policy form, is  
8 warranted by the nature of a particular policy form or type or  
9 class of policy forms, or is the result of language which is  
10 used to conform to the requirements of any law.

11 (3) A filing subject to this section shall be  
12 accompanied by a certification signed by an officer of the  
13 insurer stating that the policy meets the requirements of  
14 subsection (1). Such certification shall state that the policy  
15 meets the minimum reading ease test score on the test used or  
16 that the score is lower than the minimum required but should  
17 be approved in accordance with subsection (2). The office  
18 ~~department~~ may require the submission of further information  
19 to verify any certification.

20 (5) A Flesch reading ease test score shall be measured  
21 by the following method:

22 (f) The term "text" as used in this subsection  
23 includes all printed matter except:

24 1. The name and address of the insurer; the name,  
25 number, or title of the policy; the table of contents or  
26 index; captions and subcaptions; specification pages;  
27 schedules; or tables;

28 2. Policy language required by any collectively  
29 bargained agreement;

30 3. Any medical terminology;

31 4. Words which are defined in the policy; and

1           5. Any policy language required by law, if the insurer  
2 identifies the language or terminology excepted by this  
3 paragraph and certifies to the office ~~department~~, in writing,  
4 that the language or terminology is entitled to be excepted  
5 under this paragraph.

6           Section 1118. Subsection (2) of section 627.417,  
7 Florida Statutes, is amended to read:

8           627.417 Underwriters' and combination policies.--

9           (2) Two or more authorized insurers may, with the  
10 approval of the office ~~department~~, issue a combination policy  
11 which shall contain provisions substantially as follows:

12           (a) That the insurers executing the policy shall be  
13 severally liable for the full amount of any loss or damage,  
14 according to the terms of the policy, or for specified  
15 percentages or amounts thereof, aggregating the full amount of  
16 insurance under the policy; and

17           (b) That service of process, or of any notice or proof  
18 of loss required by such policy, upon any of the insurers  
19 executing the policy, shall constitute service upon all such  
20 insurers.

21           Section 1119. Subsection (2) of section 627.418,  
22 Florida Statutes, is amended to read:

23           627.418 Validity of noncomplying contracts.--

24           (2) Any insurance contract delivered or issued for  
25 delivery in this state covering a subject or subjects of  
26 insurance resident, located, or to be performed in this state,  
27 which subjects, pursuant to the provisions of this code, the  
28 insurer may not lawfully insure under such a contract, shall  
29 be cancelable at any time by the insurer, any provision of the  
30 contract to the contrary notwithstanding; and the insurer  
31 shall promptly cancel the contract in accordance with the

1 request of the office ~~department~~ therefor. No such illegality  
2 or cancellation shall be deemed to relieve the insurer of any  
3 liability incurred by it under the contract while in force, or  
4 to prohibit the insurer from retaining the pro rata earned  
5 premium thereon. This provision does not relieve the insurer  
6 from any penalty otherwise incurred by the insurer under this  
7 code on account of any such violation.

8 Section 1120. Subsection (7) of section 627.4234,  
9 Florida Statutes, is amended to read:

10 627.4234 Health insurance cost containment provisions  
11 required.--A health insurance policy or health care services  
12 plan which provides medical, hospital, or surgical expense  
13 coverage delivered or issued for delivery in this state must  
14 contain one or more of the following procedures or provisions  
15 to contain health insurance costs or cost increases:

16 (7) Any lawful measure or combination of measures for  
17 which the insurer provides to the office ~~department~~  
18 information demonstrating that the measure or combination of  
19 measures is reasonably expected to have an effect toward  
20 containing health insurance costs or cost increases.

21 Section 1121. Paragraph (a) of subsection (3) of  
22 section 627.4236, Florida Statutes, is amended to read:

23 627.4236 Coverage for bone marrow transplant  
24 procedures.--

25 (3)(a) The Agency for Health Care Administration shall  
26 adopt rules specifying the bone marrow transplant procedures  
27 that are accepted within the appropriate oncological specialty  
28 and are not experimental for purposes of this section. The  
29 rules must be based upon recommendations of an advisory panel  
30 appointed by the secretary of the agency, composed of:

31

- 1           1. One adult oncologist, selected from a list of three
- 2 names recommended by the Florida Medical Association;
- 3           2. One pediatric oncologist, selected from a list of
- 4 three names recommended by the Florida Pediatric Society;
- 5           3. One representative of the J. Hillis Miller Health

- 20 Florida small group health insurance premium volume.

21           Section 1122. Section 627.4238, Florida Statutes, is

22 amended to read:

23           627.4238 Health insurer examinations.--The office

24 ~~department~~ may examine each authorized health insurer which

25 transacts health insurance in this state. The purpose of the

26 examination is to ascertain compliance by the insurer with the

27 applicable provisions of this chapter. In lieu of the

28 examination, the office ~~department~~ may accept the report of a

29 similar examination made by the insurance supervisory official

30 of this state or another state. The reasonable cost of the

31 examination shall be paid by the person examined, and such

1 person is subject to the provisions of s. 624.320. Any  
2 examination is also subject to the applicable provisions of  
3 ss. 624.318, 624.319, 624.321, and 624.322. An examination  
4 under this section may not exceed 10 working days in length,  
5 may not be conducted more often than annually, and may not be  
6 conducted during the same calendar year as a market conduct  
7 examination conducted by the office ~~department~~, except in a  
8 case in which the office ~~department~~ has prima facie evidence  
9 of a violation of this chapter or of chapter 626, which  
10 violation is of a nature so as to provide an immediate danger  
11 to the insurance-consuming public.

12 Section 1123. Subsection (2) of section 627.427,  
13 Florida Statutes, is amended to read:

14 627.427 Payment of judgment by insurer; penalty for  
15 failure.--

16 (2) If the judgment or decree is not satisfied as  
17 required under subsection (1), and proof of such failure to  
18 satisfy is made by filing with the office ~~department~~ a  
19 certified transcript of the docket of the judgment or decree  
20 together with a certificate by the clerk of the court wherein  
21 the judgment or decree was entered that the judgment or decree  
22 remains unsatisfied, in whole or in part, after the time  
23 aforesaid, the office ~~department~~ shall forthwith revoke the  
24 insurer's certificate of authority. The office ~~department~~  
25 shall not issue to such insurer any new certificate of  
26 authority until the judgment or decree is wholly paid and  
27 satisfied and proof thereof filed with the office ~~department~~  
28 under the official certificate of the clerk of the court  
29 wherein the judgment was recovered, showing that the same is  
30 satisfied of record, and until the expenses and fees incurred  
31 in the case are also paid by the insurer.

1           Section 1124. Paragraph (b) of subsection (4) of  
2 section 627.429, Florida Statutes, is amended to read:

3           627.429 Medical tests for HIV infection and AIDS for  
4 insurance purposes.--

5           (4) USE OF MEDICAL TESTS FOR UNDERWRITING.--

6           (b) Prior to testing, the insurer shall disclose its  
7 intent to test the person for the HIV infection or for a  
8 specific sickness or medical condition derived therefrom and  
9 shall obtain the person's written informed consent to  
10 administer the test. The written informed consent required by  
11 this paragraph shall include a fair explanation of the test,  
12 including its purpose, potential uses, and limitations, and  
13 the meaning of its results and the right to confidential  
14 treatment of information. Use of a form approved by the  
15 office ~~department~~ raises a conclusive presumption of informed  
16 consent.

17           Section 1125. Subsection (1) of section 627.452,  
18 Florida Statutes, is amended to read:

19           627.452 Standard provisions required.--

20           (1) No policy of life insurance, except as stated in  
21 subsection (3), shall be delivered or issued for delivery in  
22 this state unless it contains in substance each of the  
23 provisions as required by ss. 627.453-627.462 inclusive and  
24 ss. 627.475 and 627.476, or provisions which in the opinion of  
25 the office ~~department~~ are more favorable to the policyholder.

26           Section 1126. Subsection (1) of section 627.458,  
27 Florida Statutes, is amended to read:

28           627.458 Policy loan.--

29           (1) There shall be a provision that after the policy  
30 has a cash surrender value and while no premium is in default,  
31 the insurer will advance, on proper assignment or pledge of

1 the policy and on the sole security thereof, at a rate of  
2 interest not exceeding 10 percent per year, for policies  
3 issued prior to October 1, 1981, payable in advance, an amount  
4 equal to or, at the option of the party entitled thereto, less  
5 than the loan value of the policy. The loan value of the  
6 policy shall be at least equal to the cash surrender value at  
7 the end of the then-current policy year, except that the  
8 insurer may deduct, either from such loan value or from the  
9 proceeds of the loan, any existing indebtedness not already  
10 deducted in determining such cash surrender value, including  
11 any interest then accrued but not due, any unpaid balance of  
12 the premium for the current policy year, and interest on the  
13 loan to the end of the current policy year. However, as a  
14 condition for approval of a policy loan interest rate in  
15 excess of 6 percent per year, the office ~~department~~ shall  
16 require the insurer to furnish such assurances as the office  
17 ~~department~~ deems necessary that the interest rate on such  
18 loans will bear a reasonable relationship to other interest  
19 rates and that the holders of such policies will benefit  
20 through higher dividends or lower premiums, or both.

21 Section 1127. Section 627.462, Florida Statutes, is  
22 amended to read:

23 627.462 Table of installments.--If a policy provides  
24 for payment of its proceeds in installments, a table showing  
25 the amount and period of such installments shall be included  
26 in the policy; except that certain tables may be omitted from  
27 the policy if in the judgment of the office ~~department~~ it is  
28 not practical to include them.

29 Section 1128. Subsection (1) of section 627.464,  
30 Florida Statutes, is amended to read:

31

1           627.464 Annuity contracts, pure endowment contracts;  
2 standard provisions.--

3           (1) No fixed-dollar annuity, variable annuity, or pure  
4 endowment contract, other than a reversionary annuity,  
5 survivorship annuity, or group annuity, shall be delivered or  
6 issued for delivery in this state unless it contains in  
7 substance each of the provisions set forth in ss.

8 627.465-627.470, inclusive, or provisions which in the opinion  
9 of the office ~~department~~ are more favorable to the  
10 policyholder. Any of such provisions not applicable to  
11 single-premium annuities or single-premium pure endowment  
12 contracts shall not to that extent be incorporated therein.

13           Section 1129. Subsections (2) and (8), paragraphs (h)  
14 and (k) of subsection (9), and subsections (10) and (14) of  
15 section 627.476, Florida Statutes, are amended to read:

16           627.476 Standard Nonforfeiture Law for Life  
17 Insurance.--

18           (2) NONFORFEITURE PROVISIONS.--In the case of policies  
19 issued on or after the operative date of this section as  
20 defined in subsection (14), no policy of life insurance,  
21 except as set forth in subsection (13), shall be delivered or  
22 issued for delivery in this state unless it contains in  
23 substance the following provisions, or corresponding  
24 provisions which in the opinion of the office ~~department~~ are  
25 at least as favorable to the defaulting or surrendering  
26 policyholder as are the minimum requirements hereinafter  
27 specified and are essentially in compliance with subsection  
28 (12):

29           (a) That in the event of default in any premium  
30 payment, after premiums have been paid for at least 1 full  
31 year in the case of ordinary insurance or 3 full years in the

1 case of industrial insurance, the insurer will grant, upon  
2 proper request not later than 60 days after the due date of  
3 the premium in default, a paid-up nonforfeiture benefit on a  
4 plan stipulated in the policy, effective as of such due date,  
5 of such amount as may be hereinafter specified. In lieu of  
6 such stipulated paid-up nonforfeiture benefit, the company may  
7 substitute, upon proper request not later than 60 days after  
8 the due date of the premium in default, an actuarially  
9 equivalent alternative paid-up nonforfeiture benefit which  
10 provides a greater amount or longer period of death benefits  
11 or, if applicable, a greater amount or earlier payment of  
12 endowment benefits. With respect to all policy forms filed on  
13 or after October 1, 1990, the policy forms shall include, but  
14 not be limited to, a reduced paid-up nonforfeiture benefit.  
15 For the purposes of this subsection, the term "reduced paid-up  
16 nonforfeiture benefit" means a benefit whereby the policy may  
17 be continued at the option of the insured as reduced paid-up  
18 life insurance, the amount of which shall be as much as the  
19 surrender value of the policy will provide on the date of  
20 default, calculated using the surrender value of the policy as  
21 a net single premium on the due date of the first unpaid  
22 premium at the then-current age of the insured.

23 (b) That upon surrender of the policy within 60 days  
24 after the due date of any premium payment in default after  
25 premiums have been paid for at least 3 full years in the case  
26 of ordinary insurance or 5 full years in the case of  
27 industrial insurance, the insurer will pay, in lieu of any  
28 paid-up nonforfeiture benefit, a cash surrender value of such  
29 amount as may be hereinafter specified.

30 (c) That a specified paid-up nonforfeiture benefit  
31 shall become effective as specified in the policy unless the

1 person entitled to make such election elects another available  
2 option not later than 60 days after the due date of the  
3 premium in default.

4 (d) That if the policy becomes paid up by completion  
5 of all premium payments, or if it is continued under any  
6 paid-up nonforfeiture benefit which became effective on or  
7 after the third policy anniversary in the case of ordinary  
8 insurance or the fifth policy anniversary in the case of  
9 industrial insurance, the insurer will pay, upon surrender of  
10 the policy within 30 days after any policy anniversary, a cash  
11 surrender value of such amount as may be hereinafter  
12 specified.

13 (e) In the case of a policy which causes on a basis  
14 guaranteed in the policy unscheduled changes in benefits or  
15 premiums, or which provides an option for changes in benefits  
16 or premiums other than a change to a new policy, a statement  
17 of the mortality table, interest rate, and method used in  
18 calculating cash surrender values and the paid-up  
19 nonforfeiture benefits available under the policy. In the  
20 case of any other policy, a statement of the mortality table  
21 and interest rate used in calculating the cash surrender  
22 values and the paid-up nonforfeiture benefits available under  
23 the policy, together with a table showing the cash surrender  
24 value, if any, and paid-up nonforfeiture benefit, if any,  
25 available under the policy on each policy anniversary, either  
26 during the first 20 policy years or during the term of the  
27 policy, whichever is shorter, such values and benefits to be  
28 calculated upon the assumption that there are no dividends or  
29 paid-up additions credited to the policy and that there is no  
30 indebtedness to the insurer on the policy.

31

1           (f) A statement that the cash surrender values and the  
2 paid-up nonforfeiture benefits available under the policy are  
3 not less than the minimum values and benefits required by or  
4 pursuant to the insurance law of this state; an explanation of  
5 the manner in which the cash surrender values and the paid-up  
6 nonforfeiture benefits are altered by the existence of any  
7 paid-up additions credited to the policy or any indebtedness  
8 to the insurer on the policy; if a detailed statement of the  
9 method of computation of the values and benefits shown in the  
10 policy is not stated therein, a statement that such method of  
11 computation has been filed with the insurance supervisory  
12 official of the state in which the policy is delivered; and a  
13 statement of the method to be used in calculating the cash  
14 surrender value and paid-up nonforfeiture benefit available  
15 under the policy on any policy anniversary beyond the last  
16 anniversary for which such values and benefits are  
17 consecutively shown in the policy.

18           (8) MORTALITY TABLES; INTEREST.--This subsection shall  
19 not apply to policies issued on or after the operative date of  
20 subsection (9), as defined therein. All adjusted premiums and  
21 present values referred to in this section shall for all  
22 policies of ordinary insurance be calculated on the basis of  
23 the Commissioners' 1958 Standard Ordinary Mortality Table,  
24 except that, for any category of such policies issued on  
25 female risks, adjusted premiums and present values may be  
26 calculated according to an age not more than 6 years younger  
27 than the actual age of the insured. Such calculations for all  
28 policies of industrial insurance shall be made on the basis of  
29 the following tables:

30           (a) For policies issued on and after the operative  
31 date of this section but before January 1, 1968, the 1941

1 Standard Industrial Mortality Table, unless the Commissioners'  
2 1961 Standard Industrial Mortality Table is applicable  
3 according to subsection (14);

4 (b) For policies issued on and after January 1, 1968,  
5 the Commissioners' 1961 Standard Industrial Mortality Table.

6  
7 All calculations shall be made on the basis of the rate of  
8 interest specified in the policy for calculating cash  
9 surrender values and paid-up nonforfeiture benefits; however,  
10 such rate of interest shall not exceed 3.5 percent per year,  
11 except that a rate of interest not exceeding 4 percent per  
12 year may be used for policies issued on or after July 1, 1973,  
13 and prior to October 1, 1979, and a rate of interest not  
14 exceeding 4.5 percent per year may be used for policies issued  
15 on or after October 1, 1979, and a rate of interest not  
16 exceeding 5.5 percent per year may be used for policies issued  
17 on or after October 1, 1980. In calculating the present value  
18 of any paid-up term insurance with accompanying pure  
19 endowment, if any, offered as a nonforfeiture benefit, the  
20 rates of mortality assumed may be not more than those shown in  
21 the Commissioners' 1958 Extended Term Insurance Table, for  
22 ordinary policies. In the case of industrial policies:

23 (c) For policies issued on and after the operative  
24 date of this section but before January 1, 1968, not more than  
25 130 percent of the rates of mortality according to the 1941  
26 Standard Industrial Mortality Table, unless the Commissioners'  
27 1961 Industrial Extended Term Insurance Table is applicable  
28 according to subsection (14), in which case not more than  
29 those of the latter table;

30  
31

1           (d) For policies issued on and after January 1, 1968,  
2 not more than those of the Commissioners' 1961 Industrial  
3 Extended Term Insurance Table.

4  
5 For insurance issued on a substandard basis, the calculation  
6 of any such adjusted premiums and present values may be based  
7 on such other table of mortality as may be specified by the  
8 insurer and approved by the office ~~department~~.

9           (9) CALCULATION OF ADJUSTED PREMIUMS AND PRESENT  
10 VALUES FOR POLICIES ISSUED AFTER OPERATIVE DATE OF THIS  
11 SUBSECTION.--

12           (h) All adjusted premiums and present values referred  
13 to in this section shall for all policies of ordinary  
14 insurance be calculated on the basis of the Commissioners'  
15 1980 Standard Ordinary Mortality Table or, at the election of  
16 the insurer for any one or more specified plans of life  
17 insurance, the Commissioners' 1980 Standard Ordinary Mortality  
18 Table with Ten-Year Select Mortality Factors; shall for all  
19 policies of industrial insurance be calculated on the basis of  
20 the Commissioners' 1961 Standard Industrial Mortality Table;  
21 and shall for all policies issued in a particular calendar  
22 year be calculated on the basis of a rate of interest not  
23 exceeding the nonforfeiture interest rate as defined in this  
24 subsection for policies issued in that calendar year. However:

25           1. At the option of the insurer, calculations for all  
26 policies issued in a particular calendar year may be made on  
27 the basis of a rate of interest not exceeding the  
28 nonforfeiture interest rate, as defined in this subsection,  
29 for policies issued in the immediately preceding calendar  
30 year.

31

1           2. Under any paid-up nonforfeiture benefit, including  
2 any paid-up dividend additions, any cash surrender value  
3 available, whether or not required by subsection (2), shall be  
4 calculated on the basis of the mortality table and rate of  
5 interest used in determining the amount of such paid-up  
6 nonforfeiture benefit and paid-up dividend additions, if any.

7           3. An insurer may calculate the amount of any  
8 guaranteed paid-up nonforfeiture benefit, including any  
9 paid-up additions under the policy, on the basis of an  
10 interest rate no lower than that specified in the policy for  
11 calculating cash surrender values.

12           4. In calculating the present value of any paid-up  
13 term insurance with accompanying pure endowment, if any,  
14 offered as a nonforfeiture benefit, the rates of mortality  
15 assumed may be not more than those shown in the Commissioners'  
16 1980 Extended Term Insurance Table for policies of ordinary  
17 insurance and not more than the Commissioners' 1961 Industrial  
18 Extended Term Insurance Table for policies of industrial  
19 insurance.

20           5. In lieu of the mortality tables specified in this  
21 section, at the option of the insurance company and subject to  
22 rules adopted by the commission ~~department~~, the insurance  
23 company may substitute:

24           a. The 1958 CSO or CET Smoker and Nonsmoker Mortality  
25 Tables, whichever is applicable, for policies issued on or  
26 after the operative date of this subsection and before January  
27 1, 1989;

28           b. The 1980 CSO or CET Smoker and Nonsmoker Mortality  
29 Tables, whichever is applicable, for policies issued on or  
30 after the operative date of this subsection;

31

1           c. A mortality table that is a blend of the  
2 sex-distinct 1980 CSO or CET mortality table standard,  
3 whichever is applicable, or a mortality table that is a blend  
4 of the sex-distinct 1980 CSO or CET smoker and nonsmoker  
5 mortality table standards, whichever is applicable, for  
6 policies that are subject to the United States Supreme Court  
7 decision in Arizona Governing Committee v. Norris to prevent  
8 unfair discrimination in employment situations.

9           6. For insurance issued on a substandard basis, the  
10 calculation of any such adjusted premiums and present values  
11 may be based on appropriate modifications of the  
12 aforementioned tables.

13           (k) After October 1, 1981, any insurer may file with  
14 the office ~~department~~ a written notice of its election to  
15 comply with the provisions of this subsection after a  
16 specified date before January 1, 1989, which shall be the  
17 operative date of this subsection for that insurer. If an  
18 insurer makes no such election, the operative date of this  
19 subsection for the insurer shall be January 1, 1989.

20           (10) INDETERMINATE PREMIUMS OR MINIMUM VALUES.--In the  
21 case of any plan of life insurance which provides for future  
22 premium determination, the amounts of which are to be  
23 determined by the insurer based on then estimates of future  
24 experience, or in the case of any plan of life insurance which  
25 is of such a nature that minimum values cannot be determined  
26 by the methods described in subsections (2)-(9):

27           (a) The office ~~department~~ must be satisfied that the  
28 benefits provided under the plan are substantially as  
29 favorable to policyholders and insureds as the minimum  
30 benefits otherwise required by subsections (2)-(9);

31

1           (b) The office ~~department~~ must be satisfied that the  
2 benefits and the pattern of premiums of that plan are not such  
3 as to mislead prospective policyholders or insureds; and

4           (c) The cash surrender values and paid-up  
5 nonforfeiture benefits provided by such plan must not be less  
6 than the minimum values and benefits required for the plan  
7 computed by a method consistent with the principles of this  
8 Standard Nonforfeiture Law for Life Insurance, as determined  
9 by rules promulgated by the commission ~~department~~.

10           (14) OPERATIVE DATE.--After the effective date of this  
11 code, any insurer may file with the office ~~department~~ a  
12 written notice or notices of its election to comply with the  
13 provisions of this section on and after a specified date or  
14 dates before January 1, 1966, as to either or both of its

1           627.604 Nonresident insured.--If any health insurance  
2 policy is issued by an insurer domiciled in this state for  
3 delivery to a person residing in another state, and if the  
4 official having responsibility for the administration of the  
5 insurance laws of such other state has advised the office  
6 ~~department~~ that any such policy is not subject to approval or  
7 disapproval by such official, the commission ~~department~~ may by  
8 rule require that such policy meet the standards set forth in  
9 this part.

10           Section 1142. Section 627.605, Florida Statutes, is  
11 amended to read:

12           627.605 Required provisions; captions, omissions,  
13 substitutions.--

14           (1) Except as provided in subsection (2), each such  
15 policy delivered or issued for delivery to any person in this  
16 state shall contain the provisions specified in ss.  
17 627.606-627.617, inclusive, in the words in which the same  
18 appear; except that the insurer may, at its option, substitute  
19 for one or more of such provisions corresponding provisions of  
20 different wording approved by the office ~~department~~ which are  
21 in each instance not less favorable in any respect to the  
22 insured or the beneficiary. Each such provision shall be  
23 preceded individually by the applicable caption shown or, at  
24 the option of the insurer, by such appropriate individual or  
25 group captions or subcaptions as the office ~~department~~ may  
26 approve.

27           (2) If any such provision is in whole or in part  
28 inapplicable to or inconsistent with the coverage provided by  
29 a particular form of policy, the insurer, with the approval of  
30 the office ~~department~~, shall omit from such policy any  
31 inapplicable provision or part of a provision and shall modify

1 any inconsistent provision or part of a provision in such  
2 manner as to make the provision as contained in the policy  
3 consistent with the coverage provided by the policy.

4 Section 1143. Subsection (14) of section 627.6131,  
5 Florida Statutes, is amended to read:

6 627.6131 Payment of claims.--

7 (14) A permissible error ratio of 5 percent is  
8 established for insurer's claims payment violations of  
9 paragraphs (4)(a), (b), (c), and (e) and (5)(a), (b), (c), and  
10 (e). If the error ratio of a particular insurer does not  
11 exceed the permissible error ratio of 5 percent for an audit  
12 period, no fine shall be assessed for the noted claims  
13 violations for the audit period. The error ratio shall be  
14 determined by dividing the number of claims with violations  
15 found on a statistically valid sample of claims for the audit  
16 period by the total number of claims in the sample. If the  
17 error ratio exceeds the permissible error ratio of 5 percent,  
18 a fine may be assessed according to s. 624.4211 for those  
19 claims payment violations which exceed the error ratio.  
20 Notwithstanding the provisions of this section, the office  
21 ~~department~~ may fine a health insurer for claims payment  
22 violations of paragraphs (4)(e) and (5)(e) which create an  
23 uncontestable obligation to pay the claim. The office  
24 ~~department~~ shall not fine insurers for violations which the  
25 office department determines were due to circumstances beyond  
26 the insurer's control.

27 Section 1144. Section 627.618, Florida Statutes, is  
28 amended to read:

29 627.618 Optional policy provisions.--Except as  
30 provided in s. 627.605(2), no health insurance policy  
31 delivered or issued for delivery to any person in this state

1 shall contain any provision respecting the matters set forth  
2 in ss. 627.619-627.629, inclusive, unless such provision is in  
3 the words in which the same appears in the applicable section,  
4 except that the insurer may, at its option, use in lieu of any  
5 such provision a corresponding provision of different wording  
6 approved by the office ~~department~~ which is not less favorable  
7 in any respect to the insured or the beneficiary. Any such  
8 provision contained in the policy shall be preceded  
9 individually by the appropriate caption or, at the option of  
10 the insurer, by such appropriate individual or group captions  
11 or subcaptions as the office ~~department~~ may approve.

12 Section 1145. Subsection (2) of section 627.622,  
13 Florida Statutes, is amended to read:

14 627.622 Insurance with other insurers.--

15 (2) If the foregoing policy provision is included in a  
16 policy which also contains the policy provision set out in s.  
17 627.623, there shall be added to the caption of the foregoing  
18 provision the phrase: "--Expense-incurred Benefits." The  
19 insurer may, at its option, include in this provision a  
20 definition of "other valid coverage," approved as to form by  
21 the office ~~department~~, which definition shall be limited to  
22 coverage provided by organizations subject to regulation by  
23 the insurance law of any jurisdiction. In the absence of such  
24 definition, such term does not include group insurance,  
25 automobile medical payments insurance, or coverage provided by  
26 health care services plans or by union welfare plans or  
27 employer or employee benefit organizations. Any benefit  
28 provided for an insured pursuant to any compulsory benefit  
29 statute shall in all cases be deemed to be "other valid  
30 coverage" of which the insurer has had notice. In applying

31

1 the foregoing policy provision, no third-party liability  
2 coverage shall be included as "other valid coverage."

3 Section 1146. Subsection (2) of section 627.623,  
4 Florida Statutes, Florida Statutes, Florida Statutes, is  
5 amended to read:

6 627.623 Insurance with other insurers; other  
7 benefits.--

8 (2) If the foregoing policy provision is included in a  
9 policy which also contains the policy provision set out in s.  
10 627.622, there shall be added to the caption of the foregoing  
11 provision the phrase: "--Other Benefits." The insurer may, at  
12 its option, include in this provision a definition of "other  
13 valid coverage," approved as to form by the office ~~department~~,  
14 which definition shall be limited to coverage provided by  
15 organizations subject to regulation by the insurance law of  
16 any jurisdiction. In the absence of such definition, such  
17 term does not include group insurance, or benefits provided by  
18 union welfare plans or by employer or employee benefit  
19 organizations. Any benefit provided for an insured pursuant  
20 to any compulsory benefit statute shall in all cases be deemed  
21 to be "other valid coverage" of which the insurer has had  
22 notice. In applying the foregoing policy provision, no  
23 third-party liability coverage shall be included as "other  
24 valid coverage."

25 Section 1147. Subsection (2) of section 627.624,  
26 Florida Statutes, is amended to read:

27 627.624 Relation of earnings to insurance.--

28 (2) The foregoing policy provision may be inserted  
29 only in a policy which the insured has the right to continue  
30 in force subject to its terms by the timely payment of  
31 premiums until at least age 50 or, in the case of a policy

1 issued after age 44, for at least 5 years from its date of  
2 issue. The insurer may, at its option, include in this  
3 provision a definition of "valid loss-of-time coverage,"  
4 approved as to form by the office department, which definition  
5 shall be limited to coverage provided by governmental agencies  
6 or by organizations subject to regulation by insurance law, or  
7 any combination of such coverages. In the absence of such  
8 definition, such term does not include any coverage provided  
9 for such insured pursuant to any compulsory benefit statute or  
10 benefits provided by union welfare plans or by employer or  
11 employee benefit organizations.

12 Section 1148. Subsection (2) of section 627.635,  
13 Florida Statutes, is amended to read:

14 627.635 Excess insurance.--

15 (2) Any excess insurance policy, or any policy  
16 containing any excess insurance provision, shall have  
17 imprinted or stamped conspicuously upon the face thereof the  
18 designation "excess insurance" or appropriate words of similar  
19 import approved by the office department.

20 Section 1149. Section 627.640, Florida Statutes, is  
21 amended to read:

22 627.640 Filing of classifications and rates.--An  
23 insurer shall not deliver or issue for delivery in this state  
24 any health insurance policy until it has filed with the office  
25 ~~department~~ a copy of any applicable classification of risks  
26 and premium rates.

27 Section 1150. Paragraph (b) of subsection (3) of  
28 section 627.6425, Florida Statutes, is amended to read:

29 627.6425 Renewability of individual coverage.--

30 (3)

31

1 (b)1. Subject to subparagraph (a)3., in any case in  
2 which an insurer elects to discontinue offering all health  
3 insurance coverage in the individual market in this state,  
4 health insurance coverage may be discontinued by the insurer  
5 only if:

6 a. The insurer provides notice to the office  
7 ~~department~~ and to each individual of such discontinuation at  
8 least 180 days prior to the date of the nonrenewal of such  
9 coverage; and

10 b. All health insurance issued or delivered for  
11 issuance in the state in the individual market is discontinued  
12 and coverage under such health insurance coverage in such  
13 market is not renewed.

14 2. In the case of a discontinuation under subparagraph  
15 1. in the individual market, the insurer may not provide for  
16 the issuance of any individual health insurance coverage in  
17 this state during the 5-year period beginning on the date of  
18 the discontinuation of the last health insurance coverage not  
19 so renewed.

20 Section 1151. Section 627.643, Florida Statutes, is  
21 amended to read:

22 627.643 Uniform minimum standards.--

23 (1) The commission ~~department~~ shall adopt rules which  
24 establish minimum standards for the general content of forms  
25 of individual and family health insurance policies. The rules  
26 must include terms of renewability, initial and subsequent  
27 conditions of eligibility, termination of insurance,  
28 probationary periods, exclusions, limitations, and reductions.  
29 The minimum standards are in addition to, and must comply  
30 with, the individual health insurance policy provisions  
31 provided in part II and in this part.

1           (2) The commission ~~department~~ shall adopt rules which  
2 establish minimum standards of benefits and identification for  
3 each of the following categories of coverage in individual and  
4 family accident and health insurance policy forms, other than  
5 conversion policy forms:

- 6           (a) Basic hospital expense insurance.
- 7           (b) Basic medical expense insurance.
- 8           (c) Basic surgical expense insurance.
- 9           (d) Hospital confinement indemnity insurance.
- 10          (e) Major medical expense insurance.
- 11          (f) Disability income protection insurance.
- 12          (g) Accident-only insurance.
- 13          (h) Limited benefit insurance.
- 14          (i) Supplemental insurance.
- 15          (j) Home health care coverage.
- 16          (k) Nonconventional coverage.

17  
18 This subsection does not preclude the issuance of a policy  
19 which combines two or more of the categories of coverage  
20 enumerated in paragraphs (a)-(e). This subsection does not  
21 preclude the issuance of a policy that does not meet the  
22 prescribed minimum standards for categories of coverage in  
23 paragraphs (a)-(g) if the office ~~department~~ determines that  
24 the policy is either experimental in nature or is demonstrated  
25 to be a type of coverage that fulfills a reasonable need of  
26 the person or persons to be insured. Any policy not meeting  
27 the minimum standards that is approved by the office  
28 ~~department~~ must be identified as to category only as  
29 prescribed by the office ~~department~~.

30           (3) The office ~~department~~ may, within the time  
31 provided by law for the disapproval of an individual or family

1 form of accident or health insurance, disapprove any form if  
2 it finds that the form does not comply with applicable law or  
3 it finds that the form is unjust, unfair, or inequitable to  
4 the policyholder, any insured, or any beneficiary. In acting  
5 upon any submission, the office ~~department~~ shall consider  
6 whether the benefits afforded under the submitted policy or  
7 benefit form fulfill a reasonable need of a policyholder.

8 Section 1152. Subsection (1) of section 627.647,  
9 Florida Statutes, is amended to read:

10 627.647 Standard health claim form.--

11 (1) The commission ~~department~~ shall prescribe a  
12 standard health claim form to be used by all hospitals and a  
13 standard health claim form to be used by all physicians,  
14 dentists, and pharmacists. Such forms shall be in a format  
15 that allows for the use of generally accepted coding systems  
16 by providers in order to facilitate the processing of claims.  
17 Such forms shall provide for the disclosure by the claimant of  
18 the name, policy number, and address of every insurance policy  
19 which may cover the claimant with respect to the submitted  
20 claim except those policies specified in s. 627.4235(5). The  
21 required information on diagnosis, dental procedures, medical  
22 procedures, services, date of service, supplies, and fees may  
23 also be met by an attachment to the appropriate physician  
24 claim form. However, for the purpose of filing Medicaid  
25 claims, such attachments shall be prohibited. Such standard  
26 health claim forms shall be accepted by all insurers and all  
27 agencies, departments, and divisions of the state.

28 Section 1153. Paragraph (c) of subsection (14) of  
29 section 627.6472, Florida Statutes, is amended to read:

30 627.6472 Exclusive provider organizations.--

31 (14)

1           (c) The failure of the insurer to pay the assessment  
2 within the time specified in s. 641.58 constitutes grounds for  
3 suspension or revocation of the insurer's certificate of  
4 authority by the office ~~Department of Insurance~~.

5           Section 1154. Paragraphs (a) and (b) of subsection  
6 (5), subsection (6), paragraphs (b), (c), (e), and (g) of  
7 subsection (7), and subsection (9) of section 627.6475,  
8 Florida Statutes, are amended to read:

9           627.6475 Individual reinsurance pool.--

10           (5) ISSUER'S ELECTION TO BECOME A RISK-ASSUMING  
11 CARRIER.--

12           (a) Each health insurance issuer that offers  
13 individual health insurance must elect to become a  
14 risk-assuming carrier or a reinsuring carrier for purposes of  
15 this section. Each such issuer must make an initial election,  
16 binding through December 31, 1999. The issuer's initial  
17 election must be made no later than October 31, 1997. By  
18 October 31, 1997, all issuers must file a final election,  
19 which is binding for 2 years, from January 1, 1998, through  
20 December 31, 1999, after which an election shall be binding  
21 for a period of 5 years. The office ~~department~~ may permit an  
22 issuer to modify its election at any time for good cause  
23 shown, after a hearing.

24           (b) The office ~~department~~ shall establish an  
25 application process for issuers seeking to change their status  
26 under this subsection.

27           (6) ELECTION PROCESS TO BECOME A RISK-ASSUMING  
28 CARRIER.--

29           (a)1. A health insurance issuer that offers individual  
30 health insurance may become a risk-assuming carrier by filing  
31 with the office ~~department~~ a designation of election under

1 this subsection in a format and manner prescribed by the  
2 commission ~~department~~. The office ~~department~~ shall approve the  
3 election of a health insurance issuer to become a  
4 risk-assuming carrier if the office ~~department~~ finds that the  
5 issuer is capable of assuming that status pursuant to the  
6 criteria set forth in paragraph (b).

7         2. The office ~~department~~ must approve or disapprove  
8 any designation as a risk-assuming carrier within 60 days  
9 after a filing.

10         (b) In determining whether to approve an application  
11 by an issuer to become a risk-assuming carrier, the office  
12 ~~department~~ shall consider:

13             1. The issuer's financial ability to support the  
14 assumption of the risk of individuals.

15             2. The issuer's history of rating and underwriting  
16 individuals.

17             3. The issuer's commitment to market fairly to all  
18 individuals in the state or its service area, as applicable.

19             4. The issuer's ability to assume and manage the risk  
20 of enrolling individuals without the protection of the  
21 reinsurance program provided in subsection (7).

22         (c) The office ~~department~~ shall provide public notice  
23 of an issuer's designation of election under this subsection  
24 to become a risk-assuming carrier and shall provide at least a  
25 21-day period for public comment prior to making a decision on  
26 the election. The office ~~department~~ shall hold a hearing on  
27 the election at the request of the issuer.

28         (d) The office ~~department~~ may rescind the approval  
29 granted to a risk-assuming carrier under this subsection if  
30 the office ~~department~~ finds that the carrier no longer meets  
31 the criteria of paragraph (b).

- 1           (7) INDIVIDUAL HEALTH REINSURANCE PROGRAM.--
- 2           (b) A reinsuring carrier may reinsure with the program
- 3 coverage of an eligible individual, subject to each of the
- 4 following provisions:
- 5           1. A reinsuring carrier may reinsure an eligible
- 6 individual within 60 days after commencement of the coverage
- 7 of the eligible individual.
- 8           2. The program may not reimburse a participating
- 9 carrier with respect to the claims of a reinsured eligible
- 10 individual until the carrier has paid incurred claims of at
- 11 least \$5,000 in a calendar year for benefits covered by the
- 12 program. In addition, the reinsuring carrier is responsible
- 13 for 10 percent of the next \$50,000 and 5 percent of the next
- 14 \$100,000 of incurred claims during a calendar year, and the
- 15 program shall reinsure the remainder.
- 16           3. The board shall annually adjust the initial level
- 17 of claims and the maximum limit to be retained by the carrier
- 18 to reflect increases in costs and utilization within the
- 19 standard market for health benefit plans within the state. The
- 20 adjustment may not be less than the annual change in the
- 21 medical component of the "Commerce Price Index for All Urban
- 22 Consumers" of the Bureau of Labor Statistics of the United
- 23 States Department of Labor, unless the board proposes and the
- 24 office ~~department~~ approves a lower adjustment factor.
- 25           4. A reinsuring carrier may terminate reinsurance for
- 26 all reinsured eligible individuals on any plan anniversary.
- 27           5. The premium rate charged for reinsurance by the
- 28 program to a health maintenance organization that is approved
- 29 by the Secretary of Health and Human Services as a federally
- 30 qualified health maintenance organization pursuant to 42
- 31 U.S.C. s. 300e(c)(2)(A) and that, as such, is subject to

1 requirements that limit the amount of risk that may be ceded  
2 to the program, which requirements are more restrictive than  
3 subparagraph 2., shall be reduced by an amount equal to that  
4 portion of the risk, if any, which exceeds the amount set  
5 forth in subparagraph 2., which may not be ceded to the  
6 program.

7           6. The board may consider adjustments to the premium  
8 rates charged for reinsurance by the program or carriers that  
9 use effective cost-containment measures, including high-cost  
10 case management, as defined by the board.

11           7. A reinsuring carrier shall apply its  
12 case-management and claims-handling techniques, including, but  
13 not limited to, utilization review, individual case  
14 management, preferred provider provisions, other managed-care  
15 provisions, or methods of operation consistently with both  
16 reinsured business and nonreinsured business.

17           (c)1. The board, as part of the plan of operation,  
18 shall establish a methodology for determining premium rates to  
19 be charged by the program for reinsuring eligible individuals  
20 pursuant to this section. The methodology must include a  
21 system for classifying individuals which reflects the types of  
22 case characteristics commonly used by carriers in this state.  
23 The methodology must provide for the development of basic  
24 reinsurance premium rates, which shall be multiplied by the  
25 factors set for them in this paragraph to determine the  
26 premium rates for the program. The basic reinsurance premium  
27 rates shall be established by the board, subject to the  
28 approval of the office ~~department~~, and shall be set at levels  
29 that reasonably approximate gross premiums charged to eligible  
30 individuals for individual health insurance by health  
31 insurance issuers. The premium rates set by the board may vary

1 by geographical area, as determined under this section, to  
2 reflect differences in cost. An eligible individual may be  
3 reinsured for a rate that is five times the rate established  
4 by the board.

5         2. The board shall periodically review the methodology  
6 established, including the system of classification and any  
7 rating factors, to ensure that it reasonably reflects the  
8 claims experience of the program. The board may propose  
9 changes to the rates that are subject to the approval of the  
10 office ~~department~~.

11         (e)1. Before March 1 of each calendar year, the board  
12 shall determine and report to the office ~~department~~ the  
13 program net loss in the individual account for the previous  
14 year, including administrative expenses for that year and the  
15 incurred losses for that year, taking into account investment  
16 income and other appropriate gains and losses.

17         2. Any net loss in the individual account for the year  
18 shall be recouped by assessing the carriers as follows:

19         a. The operating losses of the program shall be  
20 assessed in the following order subject to the specified  
21 limitations. The first tier of assessments shall be made  
22 against reinsuring carriers in an amount that may not exceed 5  
23 percent of each reinsuring carrier's premiums for individual  
24 health insurance. If such assessments have been collected and  
25 additional moneys are needed, the board shall make a second  
26 tier of assessments in an amount that may not exceed 0.5  
27 percent of each carrier's health benefit plan premiums.

28         b. Except as provided in paragraph (f), risk-assuming  
29 carriers are exempt from all assessments authorized pursuant  
30 to this section. The amount paid by a reinsuring carrier for  
31

1 the first tier of assessments shall be credited against any  
2 additional assessments made.

3 c. The board shall equitably assess reinsuring  
4 carriers for operating losses of the individual account based  
5 on market share. The board shall annually assess each carrier  
6 a portion of the operating losses of the individual account.  
7 The first tier of assessments shall be determined by  
8 multiplying the operating losses by a fraction, the numerator  
9 of which equals the reinsuring carrier's earned premium  
10 pertaining to direct writings of individual health insurance  
11 in the state during the calendar year for which the assessment  
12 is levied, and the denominator of which equals the total of  
13 all such premiums earned by reinsuring carriers in the state  
14 during that calendar year. The second tier of assessments  
15 shall be based on the premiums that all carriers, except  
16 risk-assuming carriers, earned on all health benefit plans  
17 written in this state. The board may levy interim assessments  
18 against reinsuring carriers to ensure the financial ability of  
19 the plan to cover claims expenses and administrative expenses  
20 paid or estimated to be paid in the operation of the plan for  
21 the calendar year prior to the association's anticipated  
22 receipt of annual assessments for that calendar year. Any  
23 interim assessment is due and payable within 30 days after  
24 receipt by a carrier of the interim assessment notice. Interim  
25 assessment payments shall be credited against the carrier's  
26 annual assessment. Health benefit plan premiums and benefits  
27 paid by a carrier that are less than an amount determined by  
28 the board to justify the cost of collection may not be  
29 considered for purposes of determining assessments.

30 d. Subject to the approval of the office ~~department~~,  
31 the board shall adjust the assessment formula for reinsuring

1 carriers that are approved as federally qualified health  
2 maintenance organizations by the Secretary of Health and Human  
3 Services pursuant to 42 U.S.C. s. 300e(c)(2)(A) to the extent,  
4 if any, that restrictions are placed on them which are not  
5 imposed on other carriers.

6 3. Before March 1 of each year, the board shall  
7 determine and file with the office ~~department~~ an estimate of  
8 the assessments needed to fund the losses incurred by the  
9 program in the individual account for the previous calendar  
10 year.

11 4. If the board determines that the assessments needed  
12 to fund the losses incurred by the program in the individual  
13 account for the previous calendar year will exceed the amount  
14 specified in subparagraph 2., the board shall evaluate the  
15 operation of the program and report its findings and  
16 recommendations to the office ~~department~~ in the format  
17 established in s. 627.6699(11) for the comparable report for  
18 the small employer reinsurance program.

19 (g) Except as otherwise provided in this section, the  
20 board and the office ~~department~~ shall have all powers, duties,  
21 and responsibilities with respect to carriers that issue and  
22 reinsure individual health insurance, as specified for the  
23 board and the office ~~department~~ in s. 627.6699(11) with  
24 respect to small employer carriers, including, but not limited  
25 to, the provisions of s. 627.6699(11) relating to:

26 1. Use of assessments that exceed the amount of actual  
27 losses and expenses.

28 2. The annual determination of each carrier's

23 obligations to existing group contract holders and enrollees  
24 and individual enrollees; and

25           b. It is applying this paragraph uniformly to

13 disregard of the rights of the claimant.

14 (3) The association shall adopt a plan pursuant to  
15 this act and submit its articles, bylaws, and operating rules  
16 to the office ~~department~~ for approval. If the association  
17 fails to adopt such plan and suitable articles, bylaws, and

6 contractual obligations. In the event that an assessment  
7 against a participating insurer is abated or deferred, in  
8 whole or in part, the amount by which such assessment is

31

1           (e) The commission ~~department~~ shall adopt rules to

4 from adversely affecting any subsequent coverage of the  
5 individual under another group health plan or health insurance  
6 coverage. To the greatest extent possible, such rules must be  
7 consistent with regulations adopted by the United States  
8 Department of Health and Human Services.

9           (9)

10           (b) The commission ~~department~~ shall adopt rules that  
11 provide a process whereby individuals who need to establish  
12 creditable coverage for periods before July 1, 1996, and who  
13 would have such coverage credited but for paragraph (a), may  
14 be given credit for creditable coverage for such periods

16 greatest extent possible, such rules must be consistent with  
17 regulations adopted by the United States Department of Health  
18 and Human Services.

19           Section 1165. Paragraph (b) of subsection (3) of  
20 section 627.6571, Florida Statutes, is amended to read:

21           627.6571 Guaranteed renewability of coverage.--

22           (3)

24 discontinue offering all health insurance coverage in the  
25 small-group market or the large-group market, or both, in this  
26 state, health insurance coverage may be discontinued by the  
27 insurer only if:

28           a. The insurer provides notice to the office  
29 ~~department~~ and to each policyholder, and participants and  
30 beneficiaries covered under such coverage, of such

31

1 discontinuation at least 180 days prior to the date of the  
2 nonrenewal of such coverage; and

3       b. All health insurance issued or delivered for  
4 issuance in this state in such market is discontinued and  
5 coverage under such health insurance coverage in such market  
6 is not renewed.

7       2. In the case of a discontinuation under subparagraph  
8 1. in a market, the insurer may not provide for the issuance  
9 of any health insurance coverage in the market in this state  
10 during the 5-year period beginning on the date of the  
11 discontinuation of the last insurance coverage not renewed.

12       Section 1166. Section 627.6675, Florida Statutes, is  
13 amended to read:

14       627.6675 Conversion on termination of  
15 eligibility.--Subject to all of the provisions of this  
16 section, a group policy delivered or issued for delivery in  
17 this state by an insurer or nonprofit health care services  
18 plan that provides, on an expense-incurred basis, hospital,  
19 surgical, or major medical expense insurance, or any  
20 combination of these coverages, shall provide that an employee  
21 or member whose insurance under the group policy has been  
22 terminated for any reason, including discontinuance of the  
23 group policy in its entirety or with respect to an insured  
24 class, and who has been continuously insured under the group  
25 policy, and under any group policy providing similar benefits  
26 that the terminated group policy replaced, for at least 3  
27 months immediately prior to termination, shall be entitled to  
28 have issued to him or her by the insurer a policy or  
29 certificate of health insurance, referred to in this section  
30 as a "converted policy." A group insurer may meet the  
31 requirements of this section by contracting with another

1 insurer, authorized in this state, to issue an individual  
2 converted policy, which policy has been approved by the office  
3 ~~department~~ under s. 627.410. An employee or member shall not  
4 be entitled to a converted policy if termination of his or her  
5 insurance under the group policy occurred because he or she  
6 failed to pay any required contribution, or because any  
7 discontinued group coverage was replaced by similar group  
8 coverage within 31 days after discontinuance.

9 (1) TIME LIMIT.--Written application for the converted  
10 policy shall be made and the first premium must be paid to the  
11 insurer, not later than 63 days after termination of the group  
12 policy. However, if termination was the result of failure to  
13 pay any required premium or contribution and such nonpayment  
14 of premium was due to acts of an employer or policyholder  
15 other than the employee or certificateholder, written  
16 application for the converted policy must be made and the  
17 first premium must be paid to the insurer not later than 63  
18 days after notice of termination is mailed by the insurer or  
19 the employer, whichever is earlier, to the employee's or  
20 certificateholder's last address as shown by the record of the  
21 insurer or the employer, whichever is applicable. In such case  
22 of termination due to nonpayment of premium by the employer or  
23 policyholder, the premium for the converted policy may not  
24 exceed the rate for the prior group coverage for the period of  
25 coverage under the converted policy prior to the date notice  
26 of termination is mailed to the employee or certificateholder.  
27 For the period of coverage after such date, the premium for  
28 the converted policy is subject to the requirements of  
29 subsection (3).

30 (2) EVIDENCE OF INSURABILITY.--The converted policy  
31 shall be issued without evidence of insurability.

1           (3) CONVERSION PREMIUM; EFFECT ON PREMIUM RATES FOR  
2 GROUP COVERAGE.--

3           (a) The premium for the converted policy shall be  
4 determined in accordance with premium rates applicable to the  
5 age and class of risk of each person to be covered under the  
6 converted policy and to the type and amount of insurance  
7 provided. However, the premium for the converted policy may  
8 not exceed 200 percent of the standard risk rate as  
9 established by the office ~~department~~, pursuant to this  
10 subsection.

11           (b) Actual or expected experience under converted  
12 policies may be combined with such experience under group  
13 policies for the purposes of determining premium and loss  
14 experience and establishing premium rate levels for group  
15 coverage.

16           (c) The office ~~department~~ shall annually determine  
17 standard risk rates, using reasonable actuarial techniques and  
18 standards adopted by the commission ~~department~~ by rule. The  
19 standard risk rates must be determined as follows:

20           1. Standard risk rates for individual coverage must be  
21 determined separately for indemnity policies, preferred  
22 provider/exclusive provider policies, and health maintenance  
23 organization contracts.

24           2. The office ~~department~~ shall survey insurers and  
25 health maintenance organizations representing at least an 80  
26 percent market share, based on premiums earned in the state  
27 for the most recent calendar year, for each of the categories  
28 specified in subparagraph 1.

29           3. Standard risk rate schedules must be determined,  
30 computed as the average rates charged by the carriers

31

1 surveyed, giving appropriate weight to each carrier's  
2 statewide market share of earned premiums.

3 4. The rate schedule shall be determined from analysis  
4 of the one county with the largest market share in the state  
5 of all such carriers.

6 5. The rate for other counties must be determined by  
7 using the weighted average of each carrier's county factor  
8 relationship to the county determined in subparagraph 4.

9 6. The rate schedule must be determined for different  
10 age brackets and family size brackets.

11 (4) EFFECTIVE DATE OF COVERAGE.--The effective date of  
12 the converted policy shall be the day following the  
13 termination of insurance under the group policy.

14 (5) SCOPE OF COVERAGE.--The converted policy shall  
15 cover the employee or member and his or her dependents who  
16 were covered by the group policy on the date of termination of  
17 insurance. At the option of the insurer, a separate converted  
18 policy may be issued to cover any dependent.

19 (6) OPTIONAL COVERAGE.--The insurer shall not be  
20 required to issue a converted policy covering any person who  
21 is or could be covered by Medicare. The insurer shall not be  
22 required to issue a converted policy covering a person if  
23 paragraphs (a) and (b) apply to the person:

24 (a) If any of the following apply to the person:

25 1. The person is covered for similar benefits by  
26 another hospital, surgical, medical, or major medical expense  
27 insurance policy or hospital or medical service subscriber  
28 contract or medical practice or other prepayment plan, or by  
29 any other plan or program.

30 2. The person is eligible for similar benefits,  
31 whether or not actually provided coverage, under any

1 arrangement of coverage for individuals in a group, whether on  
2 an insured or uninsured basis.

3 3. Similar benefits are provided for or are available  
4 to the person under any state or federal law.

5 (b) If the benefits provided under the sources  
6 referred to in subparagraph (a)1. or the benefits provided or  
7 available under the sources referred to in subparagraphs (a)2.  
8 and 3., together with the benefits provided by the converted  
9 policy, would result in overinsurance according to the  
10 insurer's standards. The insurer's standards must bear some  
11 reasonable relationship to actual health care costs in the  
12 area in which the insured lives at the time of conversion and  
13 must be filed with the office ~~department~~ prior to their use in  
14 denying coverage.

15 (7) INFORMATION REQUESTED BY INSURER.--

16 (a) A converted policy may include a provision under  
17 which the insurer may request information, in advance of any  
18 premium due date, of any person covered thereunder as to  
19 whether:

20 1. The person is covered for similar benefits by  
21 another hospital, surgical, medical, or major medical expense  
22 insurance policy or hospital or medical service subscriber  
23 contract or medical practice or other prepayment plan or by  
24 any other plan or program.

25 2. The person is covered for similar benefits under  
26 any arrangement of coverage for individuals in a group,  
27 whether on an insured or uninsured basis.

28 3. Similar benefits are provided for or are available  
29 to the person under any state or federal law.

30  
31

1           (b) The converted policy may provide that the insurer  
2 may refuse to renew the policy or the coverage of any person  
3 only for one or more of the following reasons:

4           1. Either the benefits provided under the sources  
5 referred to in subparagraphs (a)1. and 2. for the person or  
6 the benefits provided or available under the sources referred  
7 to in subparagraph (a)3. for the person, together with the  
8 benefits provided by the converted policy, would result in  
9 overinsurance according to the insurer's standards on file  
10 with the office ~~department~~.

11           2. The converted policyholder fails to provide the  
12 information requested pursuant to paragraph (a).

13           3. Fraud or intentional misrepresentation in applying  
14 for any benefits under the converted policy.

15           4. Other reasons approved by the office ~~department~~.

16           (8) BENEFITS OFFERED.--

17           (a) An insurer shall not be required to issue a  
18 converted policy that provides benefits in excess of those  
19 provided under the group policy from which conversion is made.

20           (b) An insurer shall offer the benefits specified in  
21 s. 627.668 and the benefits specified in s. 627.669 if those  
22 benefits were provided in the group plan.

23           (c) An insurer shall offer maternity benefits and  
24 dental benefits if those benefits were provided in the group  
25 plan.

26           (9) PREEXISTING CONDITION PROVISION.--The converted  
27 policy shall not exclude a preexisting condition not excluded  
28 by the group policy. However, the converted policy may provide  
29 that any hospital, surgical, or medical benefits payable under  
30 the converted policy may be reduced by the amount of any such  
31 benefits payable under the group policy after the termination

1 of coverage ~~covered~~ under the group policy. The converted  
2 policy may also provide that during the first policy year the  
3 benefits payable under the converted policy, together with the  
4 benefits payable under the group policy, shall not exceed  
5 those that would have been payable had the individual's  
6 insurance under the group policy remained in force.

7 (10) REQUIRED OPTION FOR MAJOR MEDICAL  
8 COVERAGE.--Subject to the provisions and conditions of this  
9 part, the employee or member shall be entitled to obtain a  
10 converted policy providing major medical coverage under a plan  
11 meeting the following requirements:

12 (a) A maximum benefit equal to the lesser of the  
13 policy limit of the group policy from which the individual  
14 converted or \$500,000 per covered person for all covered  
15 medical expenses incurred during the covered person's  
16 lifetime.

17 (b) Payment of benefits at the rate of 80 percent of  
18 covered medical expenses which are in excess of the  
19 deductible, until 20 percent of such expenses in a benefit  
20 period reaches \$2,000, after which benefits will be paid at  
21 the rate of 90 percent during the remainder of the contract  
22 year unless the insured is in the insurer's case management  
23 program, in which case benefits shall be paid at the rate of  
24 100 percent during the remainder of the contract year. For  
25 the purposes of this paragraph, "case management program"  
26 means the specific supervision and management of the medical  
27 care provided or prescribed for a specific individual, which  
28 may include the use of health care providers designated by the  
29 insurer. Payment of benefits for outpatient treatment of  
30 mental illness, if provided in the converted policy, may be at  
31 a lesser rate but not less than 50 percent.

1 (c) A deductible for each calendar year that must be  
2 \$500, \$1,000, or \$2,000, at the option of the policyholder.

3 (d) The term "covered medical expenses," as used in  
4 this subsection, shall be consistent with those customarily  
5 offered by the insurer under group or individual health  
6 insurance policies but is not required to be identical to the  
7 covered medical expenses provided in the group policy from  
8 which the individual converted.

9 (11) ALTERNATIVE PLANS.--The insurer shall, in  
10 addition to the option required by subsection (10), offer the  
11 standard health benefit plan, as established pursuant to s.  
12 627.6699(12). The insurer may, at its option, also offer  
13 alternative plans for group health conversion in addition to  
14 the plans required by this section.

15 (12) RETIREMENT COVERAGE.--If coverage would be  
16 continued under the group policy on an employee following the  
17 employee's retirement prior to the time he or she is or could  
18 be covered by Medicare, the employee may elect, instead of  
19 such continuation of group insurance, to have the same  
20 conversion rights as would apply had his or her insurance  
21 terminated at retirement by reason or termination of  
22 employment or membership.

23 (13) REDUCTION OF COVERAGE DUE TO MEDICARE.--The  
24 converted policy may provide for reduction of coverage on any  
25 person upon his or her eligibility for coverage under Medicare  
26 or under any other state or federal law providing for benefits  
27 similar to those provided by the converted policy.

28 (14) CONVERSION PRIVILEGE ALLOWED.--The conversion  
29 privilege shall also be available to any of the following:

30 (a) The surviving spouse, if any, at the death of the  
31 employee or member, with respect to the spouse and the

1 children whose coverages under the group policy terminate by  
2 reason of the death, otherwise to each surviving child whose  
3 coverage under the group policy terminates by reason of such  
4 death, or, if the group policy provides for continuation of  
5 dependents' coverages following the employee's or member's  
6 death, at the end of such continuation.

7 (b) The former spouse whose coverage would otherwise  
8 terminate because of annulment or dissolution of marriage, if  
9 the former spouse is dependent for financial support.

10 (c) The spouse of the employee or member upon  
11 termination of coverage of the spouse, while the employee or  
12 member remains insured under the group policy, by reason of  
13 ceasing to be a qualified family member under the group  
14 policy, with respect to the spouse and the children whose  
15 coverages under the group policy terminate at the same time.

16 (d) A child solely with respect to himself or herself  
17 upon termination of his or her coverage by reason of ceasing  
18 to be a qualified family member under the group policy, if a  
19 conversion privilege is not otherwise provided in this  
20 subsection with respect to such termination.

21 (15) BENEFIT LEVELS.--If the benefit levels required  
22 in subsection (10) exceed the benefit levels provided under  
23 the group policy, the conversion policy may offer benefits  
24 which are substantially similar to those provided under the  
25 group policy in lieu of those required in subsection (10).

26 (16) GROUP COVERAGE INSTEAD OF INDIVIDUAL  
27 COVERAGE.--The insurer may elect to provide group insurance  
28 coverage instead of issuing a converted individual policy.

29 (17) NOTIFICATION.--A notification of the conversion  
30 privilege shall be included in each certificate of coverage.  
31 The insurer shall mail an election and premium notice form,

1 including an outline of coverage, on a form approved by the  
2 office department, within 14 days after an individual who is  
3 eligible for a converted policy gives notice to the insurer  
4 that the individual is considering applying for the converted  
5 policy or otherwise requests such information. The outline of  
6 coverage must contain a description of the principal benefits  
7 and coverage provided by the policy and its principal  
8 exclusions and limitations, including, but not limited to,  
9 deductibles and coinsurance.

10 (18) OUTSIDE CONVERSIONS.--A converted policy that is  
11 delivered outside of this state must be on a form that could  
12 be delivered in the other jurisdiction as a converted policy  
13 had the group policy been issued in that jurisdiction.

14 (19) APPLICABILITY.--This section does not require  
15 conversion on termination of eligibility for a policy or  
16 contract that provides benefits for specified diseases, or for  
17 accidental injuries only, disability income, Medicare  
18 supplement, hospital indemnity, limited benefit,  
19 nonconventional, or excess policies.

20 (20) Nothing in this section or in the incorporation  
21 of it into insurance policies shall be construed to require  
22 insurers to provide benefits equal to those provided in the  
23 group policy from which the individual converted; provided,  
24 however, that comprehensive benefits are offered which shall  
25 be subject to approval by the office ~~Insurance Commissioner~~.

26 Section 1167. Paragraph (a) of subsection (2) of  
27 section 627.6685, Florida Statutes, is amended to read:

28 627.6685 Mental health coverage.--

29 (2) BENEFITS.--

30 (a)1. In the case of a group health plan, or health  
31 insurance coverage offered in connection with such a plan,

1 which provides both medical and surgical benefits and mental  
2 health benefits:

3 a. If the plan or coverage does not include an  
4 aggregate lifetime limit on substantially all medical and  
5 surgical benefits, the plan or coverage may not impose any  
6 aggregate lifetime limit on mental health benefits.

7 b. If the plan or coverage includes an aggregate  
8 lifetime limit on substantially all medical and surgical  
9 benefits, the plan or coverage must:

10 (I) Apply that applicable lifetime limit both to the  
11 medical and surgical benefits to which it otherwise would  
12 apply and to mental health benefits and not distinguish in the  
13 application of such limit between such medical and surgical  
14 benefits and mental health benefits; or

15 (II) Not include any aggregate lifetime limit on  
16 mental health benefits which is less than that applicable  
17 lifetime limit.

18 c. For any plan or coverage that is not described in  
19 sub-subparagraph a. or sub-subparagraph b. and that includes  
20 no or different aggregate lifetime limits on different  
21 categories of medical and surgical benefits, the commission  
22 ~~department~~ shall establish rules under which sub-subparagraph  
23 b. is applied to such plan or coverage with respect to mental  
24 health benefits by substituting for the applicable lifetime  
25 limit an average aggregate lifetime limit that is computed  
26 taking into account the weighted average of the aggregate  
27 lifetime limits applicable to such categories.

28 2. In the case of a group health plan, or health  
29 insurance coverage offered in connection with such a plan,  
30 which provides both medical and surgical benefits and mental  
31 health benefits:

1           a. If the plan or coverage does not include an annual  
2 limit on substantially all medical and surgical benefits, the  
3 plan or coverage may not impose any annual limit on mental  
4 health benefits.

5           b. If the plan or coverage includes an annual limit on  
6 substantially all medical and surgical benefits, the plan or  
7 coverage must:

8           (I) Apply that applicable annual limit both to medical  
9 and surgical benefits to which it otherwise would apply and to  
10 mental health benefits and not distinguish in the application  
11 of such limit between such medical and surgical benefits and  
12 mental health benefits; or

13           (II) Not include any annual limit on mental health  
14 benefits which is less than the applicable annual limit.

15           c. For any plan or coverage that is not described in  
16 sub-subparagraph a. or sub-subparagraph b. and that includes  
17 no or different annual limits on different categories of  
18 medical and surgical benefits, the commission ~~department~~ shall  
19 establish rules under which sub-subparagraph b. is applied to  
20 such plan or coverage with respect to mental health benefits  
21 by substituting for the applicable annual limit an average  
22 annual limit that is computed taking into account the weighted  
23 average of the annual limits applicable to such categories.

24           Section 1168. Paragraph (d) of subsection (5) and  
25 subsection (9) of section 627.6692, Florida Statutes, are  
26 amended to read:

27           627.6692 Florida Health Insurance Coverage  
28 Continuation Act.--

29           (5) CONTINUATION OF COVERAGE UNDER GROUP HEALTH  
30 PLANS.--

31

1           (d)1. A qualified beneficiary must give written notice  
2 to the insurance carrier within 30 days after the occurrence  
3 of a qualifying event. Unless otherwise specified in the  
4 notice, a notice by any qualified beneficiary constitutes  
5 notice on behalf of all qualified beneficiaries. The written  
6 notice must inform the insurance carrier of the occurrence and  
7 type of the qualifying event giving rise to the potential  
8 election by a qualified beneficiary of continuation of  
9 coverage under the group health plan issued by that insurance  
10 carrier, except that in cases where the covered employee has  
11 been involuntarily discharged, the nature of such discharge  
12 need not be disclosed. The written notice must, at a minimum,  
13 identify the employer, the group health plan number, the name  
14 and address of all qualified beneficiaries, and such other  
15 information required by the insurance carrier under the terms  
16 of the group health plan or the commission ~~department~~ by rule,  
17 to the extent that such information is known by the qualified  
18 beneficiary.

19           2. Within 14 days after the receipt of written notice  
20 under subparagraph 1., the insurance carrier shall send each  
21 qualified beneficiary by certified mail an election and  
22 premium notice form, approved by the office ~~department~~, which  
23 form must provide for the qualified beneficiary's election or  
24 nonelection of continuation of coverage under the group health  
25 plan and the applicable premium amount due after the election  
26 to continue coverage. This subparagraph does not require  
27 separate mailing of notices to qualified beneficiaries  
28 residing in the same household, but requires a separate  
29 mailing for each separate household.

30  
31

1           (9) RULES.--The commission ~~department~~ shall adopt  
2 rules establishing standards for the initial notice of rights  
3 and as otherwise necessary to administer this section.

4           Section 1169. Paragraph (a) of subsection (3),  
5 paragraphs (c), (d), (e), and (i) of subsection (5),  
6 paragraphs (a) and (b) of subsection (6), paragraphs (b), (c),  
7 and (d) of subsection (8), paragraphs (a) and (b) of  
8 subsection (9), subsection (10), paragraphs (b), (c), (d),  
9 (e), (g), (h), (j), and (m) of subsection (11), subsection  
10 (12), paragraph (i) of subsection (13), paragraph (a) of  
11 subsection (15), and subsection (16) of section 627.6699,  
12 Florida Statutes, are amended to read:

13           627.6699 Employee Health Care Access Act.--

14           (3) DEFINITIONS.--As used in this section, the term:

15           (a) "Actuarial certification" means a written  
16 statement, by a member of the American Academy of Actuaries or  
17 another person acceptable to the office ~~department~~, that a  
18 small employer carrier is in compliance with subsection (6),  
19 based upon the person's examination, including a review of the  
20 appropriate records and of the actuarial assumptions and  
21 methods used by the carrier in establishing premium rates for  
22 applicable health benefit plans.

23           (5) AVAILABILITY OF COVERAGE.--

24           (c) Every small employer carrier must, as a condition  
25 of transacting business in this state:

26           1. ~~Beginning July 1, 2000,~~ Offer and issue all small  
27 employer health benefit plans on a guaranteed-issue basis to  
28 every eligible small employer, with 2 to 50 eligible  
29 employees, that elects to be covered under such plan, agrees  
30 to make the required premium payments, and satisfies the other  
31 provisions of the plan. A rider for additional or increased

1 benefits may be medically underwritten and may only be added  
2 to the standard health benefit plan. The increased rate  
3 charged for the additional or increased benefit must be rated  
4 in accordance with this section.

5 ~~2. Beginning July 1, 2000, and until July 31, 2001,~~  
6 ~~offer and issue basic and standard small employer health~~  
7 ~~benefit plans on a guaranteed-issue basis to every eligible~~  
8 ~~small employer which is eligible for guaranteed renewal, has~~  
9 ~~less than two eligible employees, is not formed primarily for~~  
10 ~~the purpose of buying health insurance, elects to be covered~~  
11 ~~under such plan, agrees to make the required premium payments,~~  
12 ~~and satisfies the other provisions of the plan. A rider for~~  
13 ~~additional or increased benefits may be medically underwritten~~  
14 ~~and may be added only to the standard benefit plan. The~~  
15 ~~increased rate charged for the additional or increased benefit~~  
16 ~~must be rated in accordance with this section. For purposes of~~  
17 ~~this subparagraph, a person, his or her spouse, and his or her~~  
18 ~~dependent children shall constitute a single eligible employee~~  
19 ~~if that person and spouse are employed by the same small~~  
20 ~~employer and either one has a normal work week of less than 25~~  
21 ~~hours.~~

22 2.3. ~~Beginning August 1, 2001,~~ Offer and issue basic  
23 and standard small employer health benefit plans on a  
24 guaranteed-issue basis, during a 31-day open enrollment period  
25 of August 1 through August 31 of each year, to every eligible  
26 small employer, with fewer than two eligible employees, which  
27 small employer is not formed primarily for the purpose of  
28 buying health insurance and which elects to be covered under  
29 such plan, agrees to make the required premium payments, and  
30 satisfies the other provisions of the plan. Coverage provided  
31 under this subparagraph shall begin on October 1 of the same

1 year as the date of enrollment, unless the small employer  
2 carrier and the small employer agree to a different date. A  
3 rider for additional or increased benefits may be medically  
4 underwritten and may only be added to the standard health  
5 benefit plan. The increased rate charged for the additional  
6 or increased benefit must be rated in accordance with this  
7 section. For purposes of this subparagraph, a person, his or  
8 her spouse, and his or her dependent children constitute a  
9 single eligible employee if that person and spouse are  
10 employed by the same small employer and either that person or  
11 his or her spouse has a normal work week of less than 25  
12 hours.

13 ~~3.4.~~ This paragraph does not limit a carrier's ability  
14 to offer other health benefit plans to small employers if the  
15 standard and basic health benefit plans are offered and  
16 rejected.

17 (d) A small employer carrier must file with the office  
18 ~~department~~, in a format and manner prescribed by the  
19 committee, a standard health care plan and a basic health care  
20 plan to be used by the carrier.

21 (e) The office ~~department~~ at any time may, after  
22 providing notice and an opportunity for a hearing, disapprove  
23 the continued use by the small employer carrier of the  
24 standard or basic health benefit plan on the grounds that such  
25 plan does not meet the requirements of this section.

26 (i)1. A small employer carrier need not offer coverage  
27 or accept applications pursuant to paragraph (a):

28 a. To a small employer if the small employer is not  
29 physically located in an established geographic service area  
30 of the small employer carrier, provided such geographic  
31 service area shall not be less than a county;

1           b. To an employee if the employee does not work or  
2 reside within an established geographic service area of the  
3 small employer carrier; or

4           c. To a small employer group within an area in which  
5 the small employer carrier reasonably anticipates, and  
6 demonstrates to the satisfaction of the office department,  
7 that it cannot, within its network of providers, deliver  
8 service adequately to the members of such groups because of  
9 obligations to existing group contract holders and enrollees.

10           2. A small employer carrier that cannot offer coverage  
11 pursuant to sub-subparagraph 1.c. may not offer coverage in  
12 the applicable area to new cases of employer groups having  
13 more than 50 eligible employees or small employer groups until  
14 the later of 180 days following each such refusal or the date  
15 on which the carrier notifies the office department that it  
16 has regained its ability to deliver services to small employer  
17 groups.

18           3.a. A small employer carrier may deny health  
19 insurance coverage in the small-group market if the carrier  
20 has demonstrated to the office department that:

21           (I) It does not have the financial reserves necessary  
22 to underwrite additional coverage; and

23           (II) It is applying this sub-subparagraph uniformly to  
24 all employers in the small-group market in this state  
25 consistent with this section and without regard to the claims  
26 experience of those employers and their employees and their  
27 dependents or any health-status-related factor that relates to  
28 such employees and dependents.

29           b. A small employer carrier, upon denying health  
30 insurance coverage in connection with health benefit plans in  
31 accordance with sub-subparagraph a., may not offer coverage in

1 connection with group health benefit plans in the small-group  
2 market in this state for a period of 180 days after the date  
3 such coverage is denied or until the insurer has demonstrated  
4 to the office ~~department~~ that the insurer has sufficient  
5 financial reserves to underwrite additional coverage,  
6 whichever is later. The office ~~department~~ may provide for the  
7 application of this sub-subparagraph on a  
8 service-area-specific basis.

9 4. ~~Beginning in 1994,~~The commission ~~department~~ shall,  
10 by rule, require each small employer carrier to report, on or  
11 before March 1 of each year, its gross annual premiums for all  
12 health benefit plans issued to small employers during the  
13 previous calendar year, and also to report its gross annual  
14 premiums for new, but not renewal, standard and basic health  
15 benefit plans subject to this section issued during the  
16 previous calendar year. No later than May 1 of each year, the  
17 office ~~department~~ shall calculate each carrier's percentage of  
18 all small employer group health premiums for the previous  
19 calendar year and shall calculate the aggregate gross annual  
20 premiums for new, but not renewal, standard and basic health  
21 benefit plans for the previous calendar year.

22 (6) RESTRICTIONS RELATING TO PREMIUM RATES.--

23 (a) The commission ~~department~~ may, by rule, establish  
24 regulations to administer this section and to assure that  
25 rating practices used by small employer carriers are  
26 consistent with the purpose of this section, including  
27 assuring that differences in rates charged for health benefit  
28 plans by small employer carriers are reasonable and reflect  
29 objective differences in plan design, not including  
30 differences due to the nature of the groups assumed to select  
31 particular health benefit plans.

1 (b) For all small employer health benefit plans that  
2 are subject to this section and are issued by small employer  
3 carriers on or after January 1, 1994, premium rates for health  
4 benefit plans subject to this section are subject to the  
5 following:

6 1. Small employer carriers must use a modified  
7 community rating methodology in which the premium for each  
8 small employer must be determined solely on the basis of the  
9 eligible employee's and eligible dependent's gender, age,  
10 family composition, tobacco use, or geographic area as  
11 determined under paragraph (5)(j) and in which the premium may  
12 be adjusted as permitted by this paragraph.

13 2. Rating factors related to age, gender, family  
14 composition, tobacco use, or geographic location may be  
15 developed by each carrier to reflect the carrier's experience.  
16 The factors used by carriers are subject to office ~~department~~  
17 review and approval.

18 3. Small employer carriers may not modify the rate for  
19 a small employer for 12 months from the initial issue date or  
20 renewal date, unless the composition of the group changes or  
21 benefits are changed. However, a small employer carrier may  
22 modify the rate one time prior to 12 months after the initial  
23 issue date for a small employer who enrolls under a previously  
24 issued group policy that has a common anniversary date for all  
25 employers covered under the policy if:

26 a. The carrier discloses to the employer in a clear  
27 and conspicuous manner the date of the first renewal and the  
28 fact that the premium may increase on or after that date.

29 b. The insurer demonstrates to the office ~~department~~  
30 that efficiencies in administration are achieved and reflected

31

1 | in the rates charged to small employers covered under the  
2 | policy.

3 |         4. A carrier may issue a group health insurance policy  
4 | to a small employer health alliance or other group association  
5 | with rates that reflect a premium credit for expense savings  
6 | attributable to administrative activities being performed by  
7 | the alliance or group association if such expense savings are  
8 | specifically documented in the insurer's rate filing and are  
9 | approved by the office ~~department~~. Any such credit may not be  
10 | based on different morbidity assumptions or on any other  
11 | factor related to the health status or claims experience of  
12 | any person covered under the policy. Nothing in this  
13 | subparagraph exempts an alliance or group association from  
14 | licensure for any activities that require licensure under the  
15 | insurance code. A carrier issuing a group health insurance  
16 | policy to a small employer health alliance or other group  
17 | association shall allow any properly licensed and appointed  
18 | agent of that carrier to market and sell the small employer  
19 | health alliance or other group association policy. Such agent  
20 | shall be paid the usual and customary commission paid to any  
21 | agent selling the policy.

22 |         5. Any adjustments in rates for claims experience,  
23 | health status, or duration of coverage may not be charged to  
24 | individual employees or dependents. For a small employer's  
25 | policy, such adjustments may not result in a rate for the  
26 | small employer which deviates more than 15 percent from the  
27 | carrier's approved rate. Any such adjustment must be applied  
28 | uniformly to the rates charged for all employees and  
29 | dependents of the small employer. A small employer carrier may  
30 | make an adjustment to a small employer's renewal premium, not  
31 | to exceed 10 percent annually, due to the claims experience,

1 health status, or duration of coverage of the employees or  
2 dependents of the small employer. Semiannually, small group  
3 carriers shall report information on forms adopted by rule by  
4 the commission ~~department~~, to enable the office ~~department~~ to  
5 monitor the relationship of aggregate adjusted premiums  
6 actually charged policyholders by each carrier to the premiums  
7 that would have been charged by application of the carrier's  
8 approved modified community rates. If the aggregate resulting  
9 from the application of such adjustment exceeds the premium  
10 that would have been charged by application of the approved  
11 modified community rate by 5 percent for the current reporting  
12 period, the carrier shall limit the application of such  
13 adjustments only to minus adjustments beginning not more than  
14 60 days after the report is sent to the office ~~department~~. For  
15 any subsequent reporting period, if the total aggregate  
16 adjusted premium actually charged does not exceed the premium  
17 that would have been charged by application of the approved  
18 modified community rate by 5 percent, the carrier may apply  
19 both plus and minus adjustments. A small employer carrier may  
20 provide a credit to a small employer's premium based on  
21 administrative and acquisition expense differences resulting  
22 from the size of the group. Group size administrative and  
23 acquisition expense factors may be developed by each carrier  
24 to reflect the carrier's experience and are subject to office  
25 ~~department~~ review and approval.

26           6. A small employer carrier rating methodology may  
27 include separate rating categories for one dependent child,  
28 for two dependent children, and for three or more dependent  
29 children for family coverage of employees having a spouse and  
30 dependent children or employees having dependent children  
31 only. A small employer carrier may have fewer, but not

1 greater, numbers of categories for dependent children than  
2 those specified in this subparagraph.

3 7. Small employer carriers may not use a composite  
4 rating methodology to rate a small employer with fewer than 10  
5 employees. For the purposes of this subparagraph, a "composite  
6 rating methodology" means a rating methodology that averages  
7 the impact of the rating factors for age and gender in the  
8 premiums charged to all of the employees of a small employer.

9 8.a. A carrier may separate the experience of small  
10 employer groups with less than 2 eligible employees from the  
11 experience of small employer groups with 2-50 eligible  
12 employees for purposes of determining an alternative modified  
13 community rating.

14 b. If a carrier separates the experience of small  
15 employer groups as provided in sub-subparagraph a., the rate  
16 to be charged to small employer groups of less than 2 eligible  
17 employees may not exceed 150 percent of the rate determined  
18 for small employer groups of 2-50 eligible employees. However,  
19 the carrier may charge excess losses of the experience pool  
20 consisting of small employer groups with less than 2 eligible  
21 employees to the experience pool consisting of small employer  
22 groups with 2-50 eligible employees so that all losses are  
23 allocated and the 150-percent rate limit on the experience  
24 pool consisting of small employer groups with less than 2  
25 eligible employees is maintained. Notwithstanding s.

26 627.411(1), the rate to be charged to a small employer group  
27 of fewer than 2 eligible employees, insured as of July 1,  
28 2002, may be up to 125 percent of the rate determined for  
29 small employer groups of 2-50 eligible employees for the first  
30 annual renewal and 150 percent for subsequent annual renewals.

31 (8) MAINTENANCE OF RECORDS.--

1           (b) Each small employer carrier must file with the  
2 office department on or before March 15 of each year an  
3 actuarial certification that the carrier is in compliance with  
4 this section and that the rating methods of the carrier are  
5 actuarially sound. The certification must be in a form and  
6 manner and contain the information prescribed by the  
7 commission department. The carrier must retain a copy of the  
8 certification at its principal place of business.

9           (c) A small employer carrier must make the information  
10 and documentation described in paragraph (a) available to the  
11 office department upon request. The information constitutes  
12 proprietary and trade secret information and may not be  
13 disclosed by the office department to persons outside the  
14 office department, except as agreed to by the carrier or as  
15 ordered by a court of competent jurisdiction.

16           (d) Each small employer carrier must file with the  
17 office department quarterly an enrollment report as directed  
18 by the office department. Such report shall not constitute  
19 proprietary or trade secret information.

20           (9) SMALL EMPLOYER CARRIER'S ELECTION TO BECOME A  
21 RISK-ASSUMING CARRIER OR A REINSURING CARRIER.--

22           (a) A small employer carrier must elect to become  
23 either a risk-assuming carrier or a reinsuring carrier. Each  
24 small employer carrier must make an initial election, binding  
25 through January 1, 1994. The carrier's initial election must  
26 be made no later than October 31, 1992. By October 31, 1993,  
27 all small employer carriers must file a final election, which  
28 is binding for 2 years, from January 1, 1994, through December  
29 31, 1995, after which an election shall be binding for a  
30 period of 5 years. Any carrier that is not a small employer  
31 carrier on October 31, 1992, and intends to become a small

1 employer carrier after October 31, 1992, must file its  
2 designation when it files the forms and rates it intends to  
3 use for small employer group health insurance; such  
4 designation shall be binding for 2 years after the date of  
5 approval of the forms and rates, and any subsequent  
6 designation is binding for 5 years. The office ~~department~~ may  
7 permit a carrier to modify its election at any time for good  
8 cause shown, after a hearing.

9 (b) The commission ~~department~~ shall establish an  
10 application process for small employer carriers seeking to  
11 change their status under this subsection.

12 (10) ELECTION PROCESS TO BECOME A RISK-ASSUMING  
13 CARRIER.--

14 (a)1. A small employer carrier may become a  
15 risk-assuming carrier by filing with the office ~~department~~ a  
16 designation of election under subsection (9) in a format and  
17 manner prescribed by the commission ~~department~~. The office  
18 ~~department~~ shall approve the election of a small employer  
19 carrier to become a risk-assuming carrier if the office  
20 ~~department~~ finds that the carrier is capable of assuming that  
21 status pursuant to the criteria set forth in paragraph (b).

22 2. The office ~~department~~ must approve or disapprove  
23 any designation as a risk-assuming carrier within 60 days  
24 after filing.

25 (b) In determining whether to approve an application  
26 by a small employer carrier to become a risk-assuming carrier,  
27 the office ~~department~~ shall consider:

28 1. The carrier's financial ability to support the  
29 assumption of the risk of small employer groups.

30 2. The carrier's history of rating and underwriting  
31 small employer groups.

1           3. The carrier's commitment to market fairly to all  
2 small employers in the state or its service area, as  
3 applicable.

4           4. The carrier's ability to assume and manage the risk  
5 of enrolling small employer groups without the protection of  
6 the reinsurance program provided in subsection (11).

7           (c) A small employer carrier that becomes a  
8 risk-assuming carrier pursuant to this subsection is not  
9 subject to the assessment provisions of subsection (11).

10           (d) The office ~~department~~ shall provide public notice  
11 of a small employer carrier's designation of election under  
12 subsection (9) to become a risk-assuming carrier and shall  
13 provide at least a 21-day period for public comment prior to  
14 making a decision on the election. The office ~~department~~  
15 shall hold a hearing on the election at the request of the  
16 carrier.

17           (e) The office ~~department~~ may rescind the approval  
18 granted to a risk-assuming carrier under this subsection if  
19 the office ~~department~~ finds that the carrier no longer meets  
20 the criteria of paragraph (b).

21           (11) SMALL EMPLOYER HEALTH REINSURANCE PROGRAM.--

22           (b)1. The program shall operate subject to the  
23 supervision and control of the board.

24           2. Effective upon this act becoming a law, the board  
25 shall consist of the Chief Financial Officer ~~commissioner~~ or  
26 his or her designee, who shall serve as the chairperson, and  
27 13 additional members who are representatives of carriers and  
28 insurance agents and are appointed by the Chief Financial  
29 Officer ~~commissioner~~ and serve as follows:

30           a. The Chief Financial Officer ~~commissioner~~ shall  
31 include representatives of small employer carriers subject to

1 assessment under this subsection. If two or more carriers  
2 elect to be risk-assuming carriers, the membership must  
3 include at least two representatives of risk-assuming  
4 carriers; if one carrier is risk-assuming, one member must be  
5 a representative of such carrier. At least one member must be  
6 a carrier who is subject to the assessments, but is not a  
7 small employer carrier. Subject to such restrictions, at  
8 least five members shall be selected from individuals  
9 recommended by small employer carriers pursuant to procedures  
10 provided by rule of the commission ~~department~~. Three members  
11 shall be selected from a list of health insurance carriers  
12 that issue individual health insurance policies. At least two  
13 of the three members selected must be reinsuring carriers. Two  
14 members shall be selected from a list of insurance agents who  
15 are actively engaged in the sale of health insurance.

16 b. A member appointed under this subparagraph shall  
17 serve a term of 4 years and shall continue in office until the  
18 member's successor takes office, except that, in order to  
19 provide for staggered terms, the Chief Financial Officer  
20 ~~commissioner~~ shall designate two of the initial appointees  
21 under this subparagraph to serve terms of 2 years and shall  
22 designate three of the initial appointees under this  
23 subparagraph to serve terms of 3 years.

24 3. The Chief Financial Officer ~~commissioner~~ may remove  
25 a member for cause.

26 4. Vacancies on the board shall be filled in the same  
27 manner as the original appointment for the unexpired portion  
28 of the term.

29 5. The Chief Financial Officer ~~commissioner~~ may  
30 require an entity that recommends persons for appointment to  
31 submit additional lists of recommended appointees.

1           (c)1. ~~No later than August 15, 1992,~~The board shall  
2 submit to the office ~~department~~ a plan of operation to assure  
3 the fair, reasonable, and equitable administration of the  
4 program. The board may at any time submit to the office  
5 ~~department~~ any amendments to the plan that the board finds to  
6 be necessary or suitable.

7           2. ~~No later than September 15, 1992,~~The office  
8 ~~department~~ shall, after notice and hearing, approve the plan  
9 of operation if it determines that the plan submitted by the  
10 board is suitable to assure the fair, reasonable, and  
11 equitable administration of the program and provides for the  
12 sharing of program gains and losses equitably and  
13 proportionately in accordance with paragraph (j).

14           3. The plan of operation, or any amendment thereto,  
15 becomes effective upon written approval of the office  
16 ~~department~~.

17           (d) The plan of operation must, among other things:

18           1. Establish procedures for handling and accounting  
19 for program assets and moneys and for an annual fiscal  
20 reporting to the office ~~department~~.

21           2. Establish procedures for selecting an administering  
22 carrier and set forth the powers and duties of the  
23 administering carrier.

24           3. Establish procedures for reinsuring risks.

25           4. Establish procedures for collecting assessments  
26 from participating carriers to provide for claims reinsured by  
27 the program and for administrative expenses, other than  
28 amounts payable to the administrative carrier, incurred or  
29 estimated to be incurred during the period for which the  
30 assessment is made.

31

1           5. Provide for any additional matters at the  
2 discretion of the board.

3           (e) The board shall recommend to the office ~~department~~  
4 market conduct requirements and other requirements for  
5 carriers and agents, including requirements relating to:

6           1. Registration by each carrier with the office  
7 ~~department~~ of its intention to be a small employer carrier  
8 under this section;

9           2. Publication by the office ~~department~~ of a list of  
10 all small employer carriers, including a requirement  
11 applicable to agents and carriers that a health benefit plan  
12 may not be sold by a carrier that is not identified as a small  
13 employer carrier;

14           3. The availability of a broadly publicized, toll-free  
15 telephone number for access by small employers to information  
16 concerning this section;

17           4. Periodic reports by carriers and agents concerning  
18 health benefit plans issued; and

19           5. Methods concerning periodic demonstration by small  
20 employer carriers and agents that they are marketing or  
21 issuing health benefit plans to small employers.

22           (g) A reinsuring carrier may reinsure with the program  
23 coverage of an eligible employee of a small employer, or any  
24 dependent of such an employee, subject to each of the  
25 following provisions:

26           1. With respect to a standard and basic health care  
27 plan, the program must reinsure the level of coverage  
28 provided; and, with respect to any other plan, the program  
29 must reinsure the coverage up to, but not exceeding, the level  
30 of coverage provided under the standard and basic health care  
31 plan.

1           2. Except in the case of a late enrollee, a reinsuring  
2 carrier may reinsure an eligible employee or dependent within  
3 60 days after the commencement of the coverage of the small  
4 employer. A newly employed eligible employee or dependent of a  
5 small employer may be reinsured within 60 days after the  
6 commencement of his or her coverage.

7           3. A small employer carrier may reinsure an entire  
8 employer group within 60 days after the commencement of the  
9 group's coverage under the plan. The carrier may choose to  
10 reinsure newly eligible employees and dependents of the  
11 reinsured group pursuant to subparagraph 1.

12           4. The program may not reimburse a participating  
13 carrier with respect to the claims of a reinsured employee or  
14 dependent until the carrier has paid incurred claims of at  
15 least \$5,000 in a calendar year for benefits covered by the  
16 program. In addition, the reinsuring carrier shall be  
17 responsible for 10 percent of the next \$50,000 and 5 percent  
18 of the next \$100,000 of incurred claims during a calendar year  
19 and the program shall reinsure the remainder.

20           5. The board annually shall adjust the initial level  
21 of claims and the maximum limit to be retained by the carrier  
22 to reflect increases in costs and utilization within the  
23 standard market for health benefit plans within the state. The  
24 adjustment shall not be less than the annual change in the  
25 medical component of the "Consumer Price Index for All Urban  
26 Consumers" of the Bureau of Labor Statistics of the Department  
27 of Labor, unless the board proposes and the office ~~department~~  
28 approves a lower adjustment factor.

29           6. A small employer carrier may terminate reinsurance  
30 for all reinsured employees or dependents on any plan  
31 anniversary.

1           7. The premium rate charged for reinsurance by the  
2 program to a health maintenance organization that is approved  
3 by the Secretary of Health and Human Services as a federally  
4 qualified health maintenance organization pursuant to 42  
5 U.S.C. s. 300e(c)(2)(A) and that, as such, is subject to  
6 requirements that limit the amount of risk that may be ceded  
7 to the program, which requirements are more restrictive than  
8 subparagraph 4., shall be reduced by an amount equal to that  
9 portion of the risk, if any, which exceeds the amount set  
10 forth in subparagraph 4. which may not be ceded to the  
11 program.

12           8. The board may consider adjustments to the premium  
13 rates charged for reinsurance by the program for carriers that  
14 use effective cost containment measures, including high-cost  
15 case management, as defined by the board.

16           9. A reinsuring carrier shall apply its  
17 case-management and claims-handling techniques, including, but  
18 not limited to, utilization review, individual case  
19 management, preferred provider provisions, other managed care  
20 provisions or methods of operation, consistently with both  
21 reinsured business and nonreinsured business.

22           (h)1. The board, as part of the plan of operation,  
23 shall establish a methodology for determining premium rates to  
24 be charged by the program for reinsuring small employers and  
25 individuals pursuant to this section. The methodology shall  
26 include a system for classification of small employers that  
27 reflects the types of case characteristics commonly used by  
28 small employer carriers in the state. The methodology shall  
29 provide for the development of basic reinsurance premium  
30 rates, which shall be multiplied by the factors set for them  
31 in this paragraph to determine the premium rates for the

1 program. The basic reinsurance premium rates shall be  
2 established by the board, subject to the approval of the  
3 office department, and shall be set at levels which reasonably  
4 approximate gross premiums charged to small employers by small  
5 employer carriers for health benefit plans with benefits  
6 similar to the standard and basic health benefit plan. The  
7 premium rates set by the board may vary by geographical area,  
8 as determined under this section, to reflect differences in  
9 cost. The multiplying factors must be established as follows:  
10 a. The entire group may be reinsured for a rate that  
11 is 1.5 times the rate established by the board.  
12 b. An eligible employee or dependent may be reinsured  
13 for a rate that is 5 times the rate established by the board.  
14 2. The board periodically shall review the methodology  
15 established, including the system of classification and any  
16 rating factors, to assure that it reasonably reflects the  
17 claims experience of the program. The board may propose  
18 changes to the rates which shall be subject to the approval of  
19 the office department.  
20 (j)1. Before March 1 of each calendar year, the board  
21 shall determine and report to the office department the  
22 program net loss for the previous year, including  
23 administrative expenses for that year, and the incurred losses  
24 for the year, taking into account investment income and other  
25 appropriate gains and losses.  
26 2. Any net loss for the year shall be recouped by  
27 assessment of the carriers, as follows:  
28 a. The operating losses of the program shall be  
29 assessed in the following order subject to the specified  
30 limitations. The first tier of assessments shall be made  
31 against reinsuring carriers in an amount which shall not

1 exceed 5 percent of each reinsuring carrier's premiums from  
2 health benefit plans covering small employers. If such  
3 assessments have been collected and additional moneys are  
4 needed, the board shall make a second tier of assessments in  
5 an amount which shall not exceed 0.5 percent of each carrier's  
6 health benefit plan premiums. Except as provided in paragraph  
7 (n), risk-assuming carriers are exempt from all assessments  
8 authorized pursuant to this section. The amount paid by a  
9 reinsuring carrier for the first tier of assessments shall be  
10 credited against any additional assessments made.

11       b. The board shall equitably assess carriers for  
12 operating losses of the plan based on market share. The board  
13 shall annually assess each carrier a portion of the operating  
14 losses of the plan. The first tier of assessments shall be  
15 determined by multiplying the operating losses by a fraction,  
16 the numerator of which equals the reinsuring carrier's earned  
17 premium pertaining to direct writings of small employer health  
18 benefit plans in the state during the calendar year for which  
19 the assessment is levied, and the denominator of which equals  
20 the total of all such premiums earned by reinsuring carriers  
21 in the state during that calendar year. The second tier of  
22 assessments shall be based on the premiums that all carriers,  
23 except risk-assuming carriers, earned on all health benefit  
24 plans written in this state. The board may levy interim  
25 assessments against carriers to ensure the financial ability  
26 of the plan to cover claims expenses and administrative  
27 expenses paid or estimated to be paid in the operation of the  
28 plan for the calendar year prior to the association's  
29 anticipated receipt of annual assessments for that calendar  
30 year. Any interim assessment is due and payable within 30  
31 days after receipt by a carrier of the interim assessment

1 notice. Interim assessment payments shall be credited against  
2 the carrier's annual assessment. Health benefit plan premiums  
3 and benefits paid by a carrier that are less than an amount  
4 determined by the board to justify the cost of collection may  
5 not be considered for purposes of determining assessments.

6 c. Subject to the approval of the office ~~department~~,  
7 the board shall make an adjustment to the assessment formula  
8 for reinsuring carriers that are approved as federally  
9 qualified health maintenance organizations by the Secretary of  
10 Health and Human Services pursuant to 42 U.S.C. s.  
11 300e(c)(2)(A) to the extent, if any, that restrictions are  
12 placed on them that are not imposed on other small employer  
13 carriers.

14 3. Before March 1 of each year, the board shall  
15 determine and file with the office ~~department~~ an estimate of  
16 the assessments needed to fund the losses incurred by the  
17 program in the previous calendar year.

18 4. If the board determines that the assessments needed  
19 to fund the losses incurred by the program in the previous  
20 calendar year will exceed the amount specified in subparagraph  
21 2., the board shall evaluate the operation of the program and  
22 report its findings, including any recommendations for changes  
23 to the plan of operation, to the office ~~department~~ within 90  
24 days following the end of the calendar year in which the  
25 losses were incurred. The evaluation shall include an  
26 estimate of future assessments, the administrative costs of  
27 the program, the appropriateness of the premiums charged and  
28 the level of carrier retention under the program, and the  
29 costs of coverage for small employers. If the board fails to  
30 file a report with the office ~~department~~ within 90 days  
31 following the end of the applicable calendar year, the office

1 ~~department~~ may evaluate the operations of the program and  
2 implement such amendments to the plan of operation the office  
3 ~~department~~ deems necessary to reduce future losses and  
4 assessments.

5           5. If assessments exceed the amount of the actual  
6 losses and administrative expenses of the program, the excess  
7 shall be held as interest and used by the board to offset  
8 future losses or to reduce program premiums. As used in this  
9 paragraph, the term "future losses" includes reserves for  
10 incurred but not reported claims.

11           6. Each carrier's proportion of the assessment shall  
12 be determined annually by the board, based on annual  
13 statements and other reports considered necessary by the board  
14 and filed by the carriers with the board.

15           7. Provision shall be made in the plan of operation  
16 for the imposition of an interest penalty for late payment of  
17 an assessment.

18           8. A carrier may seek, from the office ~~commissioner~~, a  
19 deferment, in whole or in part, from any assessment made by  
20 the board. The office ~~department~~ may defer, in whole or in  
21 part, the assessment of a carrier if, in the opinion of the  
22 office ~~department~~, the payment of the assessment would place  
23 the carrier in a financially impaired condition. If an  
24 assessment against a carrier is deferred, in whole or in part,  
25 the amount by which the assessment is deferred may be assessed  
26 against the other carriers in a manner consistent with the  
27 basis for assessment set forth in this section. The carrier  
28 receiving such deferment remains liable to the program for the  
29 amount deferred and is prohibited from reinsuring any  
30 individuals or groups in the program if it fails to pay  
31 assessments.

1 (m) The board shall monitor compliance with this  
2 section, including the market conduct of small employer  
3 carriers, and shall report to the office ~~department~~ any unfair  
4 trade practices and misleading or unfair conduct by a small  
5 employer carrier that has been reported to the board by  
6 agents, consumers, or any other person. The office ~~department~~  
7 shall investigate all reports and, upon a finding of  
8 noncompliance with this section or of unfair or misleading  
9 practices, shall take action against the small employer  
10 carrier as permitted under the insurance code or chapter 641.  
11 The board is not given investigatory or regulatory powers, but  
12 must forward all reports of cases or abuse or  
13 misrepresentation to the office ~~department~~.

14 (12) STANDARD, BASIC, AND LIMITED HEALTH BENEFIT  
15 PLANS.--

16 (a)1. ~~By May 15, 1993,~~The Chief Financial Officer  
17 ~~commissioner~~ shall appoint a health benefit plan committee  
18 composed of four representatives of carriers which shall  
19 include at least two representatives of HMOs, at least one of  
20 which is a staff model HMO, two representatives of agents,  
21 four representatives of small employers, and one employee of a  
22 small employer. The carrier members shall be selected from a  
23 list of individuals recommended by the board. The Chief  
24 Financial Officer ~~commissioner~~ may require the board to submit  
25 additional recommendations of individuals for appointment.

26 2. The plans shall comply with all of the requirements  
27 of this subsection.

28 3. The plans must be filed with and approved by the  
29 office ~~department~~ prior to issuance or delivery by any small  
30 employer carrier.

31

1           4. After approval of the revised health benefit plans,  
2 if the ~~office department~~ determines that modifications to a  
3 plan might be appropriate, the Chief Financial Officer  
4 ~~commissioner~~ shall appoint a new health benefit plan committee  
5 in the manner provided in subparagraph 1. to submit  
6 recommended modifications to the office department for  
7 approval.

8           (b)1. Each small employer carrier issuing new health  
9 benefit plans shall offer to any small employer, upon request,  
10 a standard health benefit plan and a basic health benefit plan  
11 that meets the criteria set forth in this section.

12           2. For purposes of this subsection, the terms  
13 "standard health benefit plan" and "basic health benefit plan"  
14 mean policies or contracts that a small employer carrier  
15 offers to eligible small employers that contain:

16           a. An exclusion for services that are not medically  
17 necessary or that are not covered preventive health services;  
18 and

19           b. A procedure for preauthorization by the small  
20 employer carrier, or its designees.

21           3. A small employer carrier may include the following  
22 managed care provisions in the policy or contract to control  
23 costs:

24           a. A preferred provider arrangement or exclusive  
25 provider organization or any combination thereof, in which a  
26 small employer carrier enters into a written agreement with  
27 the provider to provide services at specified levels of  
28 reimbursement or to provide reimbursement to specified  
29 providers. Any such written agreement between a provider and a  
30 small employer carrier must contain a provision under which  
31 the parties agree that the insured individual or covered

1 member has no obligation to make payment for any medical  
2 service rendered by the provider which is determined not to be  
3 medically necessary. A carrier may use preferred provider  
4 arrangements or exclusive provider arrangements to the same  
5 extent as allowed in group products that are not issued to  
6 small employers.

7 b. A procedure for utilization review by the small  
8 employer carrier or its designees.

9  
10 This subparagraph does not prohibit a small employer carrier  
11 from including in its policy or contract additional managed  
12 care and cost containment provisions, subject to the approval  
13 of the office department, which have potential for controlling  
14 costs in a manner that does not result in inequitable  
15 treatment of insureds or subscribers. The carrier may use  
16 such provisions to the same extent as authorized for group  
17 products that are not issued to small employers.

18 4. The standard health benefit plan shall include:

19 a. Coverage for inpatient hospitalization;

20 b. Coverage for outpatient services;

21 c. Coverage for newborn children pursuant to s.

22 627.6575;

23 d. Coverage for child care supervision services  
24 pursuant to s. 627.6579;

25 e. Coverage for adopted children upon placement in the  
26 residence pursuant to s. 627.6578;

27 f. Coverage for mammograms pursuant to s. 627.6613;

28 g. Coverage for handicapped children pursuant to s.

29 627.6615;

30 h. Emergency or urgent care out of the geographic  
31 service area; and

1 i. Coverage for services provided by a hospice  
2 licensed under s. 400.602 in cases where such coverage would  
3 be the most appropriate and the most cost-effective method for  
4 treating a covered illness.

5 5. The standard health benefit plan and the basic  
6 health benefit plan may include a schedule of benefit  
7 limitations for specified services and procedures. If the  
8 committee develops such a schedule of benefits limitation for  
9 the standard health benefit plan or the basic health benefit  
10 plan, a small employer carrier offering the plan must offer  
11 the employer an option for increasing the benefit schedule  
12 amounts by 4 percent annually.

13 6. The basic health benefit plan shall include all of  
14 the benefits specified in subparagraph 4.; however, the basic  
15 health benefit plan shall place additional restrictions on the  
16 benefits and utilization and may also impose additional cost  
17 containment measures.

18 7. Sections 627.419(2), (3), and (4), 627.6574,  
19 627.6612, 627.66121, 627.66122, 627.6616, 627.6618, 627.668,  
20 and 627.66911 apply to the standard health benefit plan and to  
21 the basic health benefit plan. However, notwithstanding said  
22 provisions, the plans may specify limits on the number of  
23 authorized treatments, if such limits are reasonable and do  
24 not discriminate against any type of provider.

25 8. Each small employer carrier that provides for  
26 inpatient and outpatient services by allopathic hospitals may  
27 provide as an option of the insured similar inpatient and  
28 outpatient services by hospitals accredited by the American  
29 Osteopathic Association when such services are available and  
30 the osteopathic hospital agrees to provide the service.

31

1 (c) If a small employer rejects, in writing, the  
2 standard health benefit plan and the basic health benefit  
3 plan, the small employer carrier may offer the small employer  
4 a limited benefit policy or contract.

5 (d)1. Upon offering coverage under a standard health  
6 benefit plan, a basic health benefit plan, or a limited  
7 benefit policy or contract for any small employer, the small  
8 employer carrier shall provide such employer group with a  
9 written statement that contains, at a minimum:

10 a. An explanation of those mandated benefits and  
11 providers that are not covered by the policy or contract;

12 b. An explanation of the managed care and cost control  
13 features of the policy or contract, along with all appropriate  
14 mailing addresses and telephone numbers to be used by insureds  
15 in seeking information or authorization; and

16 c. An explanation of the primary and preventive care  
17 features of the policy or contract.

18  
19 Such disclosure statement must be presented in a clear and  
20 understandable form and format and must be separate from the  
21 policy or certificate or evidence of coverage provided to the  
22 employer group.

23 2. Before a small employer carrier issues a standard  
24 health benefit plan, a basic health benefit plan, or a limited  
25 benefit policy or contract, it must obtain from the  
26 prospective policyholder a signed written statement in which  
27 the prospective policyholder:

28 a. Certifies as to eligibility for coverage under the  
29 standard health benefit plan, basic health benefit plan, or  
30 limited benefit policy or contract;

31

1           b. Acknowledges the limited nature of the coverage and  
2 an understanding of the managed care and cost control features  
3 of the policy or contract;

4           c. Acknowledges that if misrepresentations are made  
5 regarding eligibility for coverage under a standard health  
6 benefit plan, a basic health benefit plan, or a limited  
7 benefit policy or contract, the person making such  
8 misrepresentations forfeits coverage provided by the policy or  
9 contract; and

10          d. If a limited plan is requested, acknowledges that  
11 the prospective policyholder had been offered, at the time of  
12 application for the insurance policy or contract, the  
13 opportunity to purchase any health benefit plan offered by the  
14 carrier and that the prospective policyholder had rejected  
15 that coverage.

16  
17 A copy of such written statement shall be provided to the  
18 prospective policyholder no later than at the time of delivery  
19 of the policy or contract, and the original of such written  
20 statement shall be retained in the files of the small employer  
21 carrier for the period of time that the policy or contract  
22 remains in effect or for 5 years, whichever period is longer.

23          3. Any material statement made by an applicant for  
24 coverage under a health benefit plan which falsely certifies  
25 as to the applicant's eligibility for coverage serves as the  
26 basis for terminating coverage under the policy or contract.

27          4. Each marketing communication that is intended to be  
28 used in the marketing of a health benefit plan in this state  
29 must be submitted for review by the office ~~department~~ prior to  
30 use and must contain the disclosures stated in this  
31 subsection.

1           (e) A small employer carrier may not use any policy,  
2 contract, form, or rate under this section, including  
3 applications, enrollment forms, policies, contracts,  
4 certificates, evidences of coverage, riders, amendments,  
5 endorsements, and disclosure forms, until the insurer has  
6 filed it with the office ~~department~~ and the office ~~department~~  
7 has approved it under ss. 627.410 and 627.411 and this  
8 section.

9           (13) STANDARDS TO ASSURE FAIR MARKETING.--

10           (i) The commission ~~department~~ may establish  
11 regulations setting forth additional standards to provide for  
12 the fair marketing and broad availability of health benefit  
13 plans to small employers in this state.

14           (15) APPLICABILITY OF OTHER STATE LAWS.--

15           (a) Except as expressly provided in this section, a  
16 law requiring coverage for a specific health care service or  
17 benefit, or a law requiring reimbursement, utilization, or  
18 consideration of a specific category of licensed health care  
19 practitioner, does not apply to a standard or basic health  
20 benefit plan policy or contract or a limited benefit policy or  
21 contract offered or delivered to a small employer unless that  
22 law is made expressly applicable to such policies or  
23 contracts. A law restricting or limiting deductibles,  
24 coinsurance, copayments, or annual or lifetime maximum  
25 payments does not apply to any health plan policy, including a  
26 standard or basic health benefit plan policy or contract,  
27 offered or delivered to a small employer unless such law is  
28 made expressly applicable to such policy or contract. However,  
29 every small employer carrier must offer to eligible small  
30 employers the standard benefit plan and the basic benefit  
31

1 plan, as required by subsection (5), as such plans have been  
2 approved by the office ~~department~~ pursuant to subsection (12).

3 (16) RULEMAKING AUTHORITY.--The commission ~~department~~  
4 may adopt rules to administer this section, including rules  
5 governing compliance by small employer carriers and small  
6 employers.

7 Section 1170. Subsection (2) of section 627.673,  
8 Florida Statutes, is amended to read:

9 627.673 Designation as Medicare supplement policy;  
10 penalties for violations.--

11 (2) A violation of this part is punishable under s.  
12 624.4211. In addition, the office ~~department~~ may require  
13 insurers violating this part to cease marketing any Medicare  
14 supplement policy in this state which is related directly or  
15 indirectly to a violation of this part, or the office  
16 ~~department~~ may require the insurer to take any action  
17 necessary to comply with this part.

18 Section 1171. Section 627.6735, Florida Statutes, is  
19 amended to read:

20 627.6735 Order to discontinue certain advertising.--An  
21 insurer must file with the office ~~department~~ all  
22 advertisements for Medicare supplement policies pursuant to  
23 rules adopted by the commission ~~department~~. If, in the  
24 opinion of the office ~~department~~, any advertisement by a  
25 Medicare supplement policy insurer violates any of the  
26 provisions of part IX of chapter 626 or any rule of the  
27 commission ~~department~~, the office ~~department~~ may enter an  
28 immediate order requiring that the use of the advertisement be  
29 discontinued. If requested by the insurer, the office  
30 ~~department~~ shall conduct a hearing within 10 days of the entry  
31 of such order. If, after the hearing or by agreement with the

1 insurer, a final determination is made that the advertising  
2 was in fact violative of any provision of part IX of chapter  
3 626 or of any rule of the commission ~~department~~, the office  
4 ~~department~~ may, in lieu of revocation of the certificate of  
5 authority, require the publication of a corrective  
6 advertisement; impose an administrative penalty of up to  
7 \$10,000; and, in the case of an initial solicitation, require  
8 that the insurer, prior to accepting any application received  
9 in response to the advertisement, provide an acceptable  
10 clarification of the advertisement to each individual  
11 applicant.

12 Section 1172. Section 627.674, Florida Statutes, is  
13 amended to read:

14 627.674 Minimum standards; filing requirements.--

15 (1) An insurance policy or subscriber contract may not  
16 be advertised, solicited, or issued for delivery in this state  
17 as a Medicare supplement policy unless it meets the minimum  
18 standards adopted under this section. The minimum standards  
19 do not preclude other provisions or benefits which are not  
20 inconsistent with the minimum standards.

21 (2)(a) The commission ~~department~~ must adopt rules  
22 establishing minimum standards for Medicare supplement  
23 policies that, taken together with the requirements of this  
24 part, are no less comprehensive or beneficial to persons  
25 insured or covered under Medicare supplement policies issued,  
26 delivered, or issued for delivery in this state, including  
27 certificates under group or blanket policies issued,  
28 delivered, or issued for delivery in this state, than the  
29 standards provided in 42 U.S.C. s. 1395ss, or the most recent  
30 version of the NAIC Model Regulation To Implement the NAIC  
31 Medicare Supplement Insurance Minimum Standards Model Act

1 adopted by the National Association of Insurance  
2 Commissioners.

3 (b) The rules must establish specific standards,  
4 including standards of full and fair disclosure, that set  
5 forth the manner, content, and required disclosure for the  
6 sale of group, blanket, franchise, and individual Medicare  
7 supplement policies and Medicare supplement subscriber  
8 contracts of dental service plans and nonprofit health care  
9 services plans. The standards may cover, but not be limited  
10 to:

- 11 1. Terms of renewability.
- 12 2. Initial and subsequent conditions of eligibility.
- 13 3. Nonduplication of coverage.
- 14 4. Probationary periods.
- 15 5. Benefit limitations, exceptions, and reductions.
- 16 6. Elimination periods.
- 17 7. Requirements for replacement coverage.
- 18 8. Recurrent conditions.
- 19 9. Definitions of terms.
- 20 10. Application forms.

21 (c) The commission ~~department~~ may adopt rules that  
22 specify prohibited policies or policy provisions, not  
23 otherwise specifically authorized by statute, which in the  
24 opinion of the office ~~department~~ are unjust, unfair, or  
25 unfairly discriminatory to the policyholder, the person  
26 insured under the policy, or the beneficiary.

27 (d) For policies issued on or after January 1, 1991,  
28 the commission ~~department~~ may adopt rules to establish minimum  
29 policy standards to authorize the types of policies specified  
30 by 42 U.S.C. s. 1395ss(p)(2)(C) and any optional benefits to  
31 facilitate policy comparisons.

1           (3) A policy may not be filed with the office  
2 ~~department~~ as a Medicare supplement policy unless the policy  
3 meets or exceeds the requirements of 42 U.S.C. s. 1395ss, or  
4 the most recent version of the NAIC Medicare Supplement  
5 Insurance Minimum Standards Model Act, adopted by the National  
6 Association of Insurance Commissioners.

7           (4) A policy filed with the office ~~department~~ as a  
8 Medicare supplement policy must:

9           (a) Have a definition of "Medicare eligible expense"  
10 that is not more restrictive than health care expenses of the  
11 kinds covered by Medicare or to the extent recognized as  
12 reasonable by Medicare. Payment of benefits by insurers for  
13 Medicare eligible expenses may be conditioned upon the same or  
14 less restrictive payment conditions, including determinations  
15 of medical necessity, as apply to Medicare claims.

16           (b) Provide that benefits designed to cover  
17 cost-sharing amounts under Medicare will be changed  
18 automatically to coincide with any changes in the applicable  
19 Medicare deductible amount and copayment percentage factor.  
20 Premiums may be modified to correspond with such changes,  
21 subject to prior approval by the office ~~department~~.

22           (c) Be written in simplified language, be easily  
23 understood by purchasers, and otherwise comply with s.  
24 627.602.

25           (d) Contain a prominently displayed no-loss  
26 cancellation clause enabling the applicant to return the  
27 policy within 30 days after receiving the policy, or the  
28 certificate issued thereunder, with return in full of any  
29 premium paid. The insurer must, in a timely manner, pay a  
30 refund under this paragraph directly to the individual who  
31 paid the premium.

1           (e) Contain a prominently displayed notice of any  
2 coordination-of-benefits clause which might in any way  
3 restrict payment under the policy.

4           (f)1. Be accompanied by a copy of the Medicare  
5 Supplement Buyer's Guide developed jointly by the National  
6 Association of Insurance Commissioners and the Health Care  
7 Financing Administration of the United States Department of  
8 Health and Human Services.

9           2. A policy referred to in subparagraph (g)4. that  
10 does not qualify as a Medicare supplement policy under this  
11 part must also be accompanied by the buyer's guide pursuant to  
12 this paragraph.

13           3. Except in the case of a direct response insurer,  
14 delivery of the buyer's guide shall be made at the time of  
15 application, and acknowledgment of receipt or certification of  
16 delivery of the buyer's guide shall be provided to the  
17 insurer. Direct response insurers shall deliver the buyer's  
18 guide upon request, but not later than at the time the policy  
19 is delivered.

20           (g)1. Be accompanied by an outline of coverage in the  
21 form prescribed by the National Association of Insurance  
22 Commissioners in the NAIC Model Regulation To Implement the  
23 NAIC Medicare Supplement Insurance Minimum Standards Model  
24 Act, adopted by the National Association of Insurance  
25 Commissioners on July 31, 1991, and as prescribed in s.  
26 627.6743.

27           2. The outline shall be delivered to the applicant at  
28 the time application is made, and, except for the direct  
29 response policy, acknowledgment of receipt or certification of  
30 delivery of the outline of coverage shall be provided to the  
31 insurer.

1           3. If the policy is issued on a basis which would  
2 require revision of the outline, a substitute outline of  
3 coverage properly describing the policy, contract, or group  
4 certificate must accompany the policy, when it is delivered,  
5 and contain the following statement, in no less than 12-point  
6 type, immediately above the company name: "NOTICE: Read this  
7 outline of coverage carefully. It is not identical to the  
8 outline of coverage provided upon application, and the  
9 coverage originally applied for has not been issued."

10           4. The following language must be printed on or  
11 attached to the first page of the outline of coverage  
12 delivered in conjunction with an individual policy of hospital  
13 confinement insurance, indemnity insurance, specified disease  
14 insurance, specified accident insurance, supplemental health  
15 insurance other than Medicare supplement insurance, or  
16 nonconventional health insurance coverage, as defined by law  
17 in this state, to a person eligible for Medicare: "This policy  
18 IS NOT A MEDICARE SUPPLEMENT policy. If you are eligible for  
19 Medicare, review the Medicare Supplement Buyer's Guide  
20 available from the company."

21           (5) A Medicare supplement policy may not contain  
22 benefits which duplicate benefits provided by Medicare.

23           Section 1173. Subsection (5) of section 627.6741,  
24 Florida Statutes, is amended to read:

25           627.6741 Issuance, cancellation, nonrenewal, and  
26 replacement.--

27           (5) The commission ~~department~~ shall by rule prescribe  
28 standards relating to the guaranteed issue of coverage,  
29 without exclusions for preexisting conditions, for  
30 continuously covered individuals consistent with the  
31 provisions of 42 U.S.C. s. 1395ss(s)(3).

1           Section 1174. Subsection (1) of section 627.6742,  
2 Florida Statutes, is amended to read:

3           627.6742 Permitted compensation arrangements.--

4           (1) The commission ~~department~~ shall adopt rules  
5 governing the permitted compensation arrangements between  
6 insurers and agents with respect to Medicare supplement  
7 policies.

8           Section 1175. Subsection (1) of section 627.6744,  
9 Florida Statutes, is amended to read:

10          627.6744 Recommended purchase and excessive  
11 insurance.--

12          (1) Medicare supplement insurance may not be issued or  
13 sold, whether directly, through the mail, or otherwise, to an  
14 individual unless the issuer or seller obtains from the  
15 individual, as a part of the application, a written statement  
16 signed by the individual stating what Medicare supplement  
17 policies the individual has, from what source, and whether the  
18 individual has applied for and been determined to be entitled  
19 to Medicaid. The written statement must be accompanied by a  
20 written acknowledgment, signed by the seller, of the request  
21 for and receipt of the statement. The written acknowledgment  
22 does not constitute a verification or affirmation by the  
23 seller of the truth of any information supplied by the  
24 individual in the written statement. The written statement  
25 shall be on forms prescribed by the commission ~~department~~ in  
26 accordance with the Omnibus Budget Reconciliation Act of 1990  
27 (Pub. L. No. 101-508).

28          Section 1176. Subsections (4) and (7) of section  
29 627.6745, Florida Statutes, are amended to read:

30          627.6745 Loss ratio standards; public rate hearings.--

31

1           (4) Each insurer providing Medicare supplement  
2 insurance to residents of this state shall annually submit to  
3 the office ~~department~~ information on actual loss ratios on  
4 forms prescribed by the National Association of Insurance  
5 Commissioners pursuant to the Omnibus Budget Reconciliation  
6 Act of 1990 (Pub. L. No. 101-508).

7           (7) The commission ~~department~~ shall adopt a written  
8 policy statement regarding the holding of public hearings  
9 prior to approval of any premium increases for Medicare  
10 supplement insurance policies.

11           Section 1177. Section 627.678, Florida Statutes, is  
12 amended to read:

13           627.678 Rules.--

14           (1) For the effective protection of the public  
15 interest, the commission ~~department~~ shall have full power and  
16 authority to adopt, ~~promulgate,~~ and the office shall enforce,  
17 separate rules pertaining to issuance and use of each type of  
18 credit insurance defined in s. 627.677.

19           (2) Rules made pursuant to this section shall be  
20 principally designed, and shall be promulgated with the  
21 purpose of protecting the borrower from excessive charges by  
22 or collected through the lender for insurance in relation to  
23 the amount of the loan, to avoid duplication or overlapping of  
24 insurance coverage and to avoid loss of the borrower's funds  
25 by short-rate cancellation or termination of such insurance.  
26 However, nothing in such rules shall be construed to authorize  
27 the department, commission, or office to prohibit operation of  
28 normal dividend distributions under participating insurance  
29 contracts.

30           Section 1178. Subsections (1) and (2) of section  
31 627.6785, Florida Statutes, are amended to read:

1           627.6785 Filing of rates with department.--

2           (1) Credit disability and credit life insurers shall  
3 file with the office ~~department~~ a copy of all rates and any  
4 rate changes used in this state.

5           (2) No credit disability rate and no credit life rate  
6 shall exceed the maximum allowable rate promulgated by the  
7 commission ~~department~~.

8           Section 1179. Section 627.682, Florida Statutes, is  
9 amended to read:

10           627.682 Filing, approval of forms.--All forms of  
11 policies, certificates of insurance, statements of insurance,  
12 applications for insurance, binders, endorsements, and riders  
13 of credit life or disability insurance delivered or issued for  
14 delivery in this state shall be filed with and approved by the  
15 office ~~department~~ before use as provided in ss. 627.410 and  
16 627.411. In addition to grounds as specified in s. 627.411,  
17 the office ~~department~~, upon compliance with the procedures set  
18 forth in s. 627.410, shall disapprove any such form and may  
19 withdraw any previous approval thereof if the benefits  
20 provided therein are not reasonable in relation to the  
21 premiums charged, or if it contains provisions which are  
22 unjust, unfair, inequitable, misleading, or deceptive or which  
23 encourage misrepresentation of such policy.

24           Section 1180. Section 627.6844, Florida Statutes, is  
25 amended to read:

26           627.6844 Replacement rules.--Group-to-group  
27 consolidations are exempt from any rule of the commission  
28 ~~department~~ relating to the replacement of existing life or  
29 health insurance. Sections 627.6841-627.6845 do not create an  
30 exemption from any such rule for consolidations that involve  
31 individual policies.

1           Section 1181. Section 627.6845, Florida Statutes, is  
2 amended to read:

3           627.6845 Policy forms used in connection with  
4 consolidations.--A policy or group certificate of credit  
5 insurance used in connection with any consolidation, or an  
6 application, endorsement, or rider which becomes a part of any  
7 such policy or certificate, may not be issued or delivered in  
8 this state until a copy of the form has been filed with and  
9 approved by the office ~~department~~ pursuant to s. 627.682.

10           Section 1182. Subsection (2), paragraph (b) of  
11 subsection (3), paragraph (d) of subsection (5), and  
12 subsections (6) and (8) of section 627.701, Florida Statutes,  
13 are amended to read:

14           627.701 Liability of insureds; coinsurance;  
15 deductibles.--

16           (2) Unless the office ~~department~~ determines that the  
17 deductible provision is clear and unambiguous, a property  
18 insurer may not issue an insurance policy or contract covering  
19 real property in this state which contains a deductible  
20 provision that:

21           (a) Applies solely to hurricane losses.

22           (b) States the deductible as a percentage rather than  
23 as a specific amount of money.

24           (3)

25           (b)1. Except as otherwise provided in this paragraph,  
26 prior to issuing a personal lines residential property  
27 insurance policy on or after April 1, 1996, or prior to the  
28 first renewal of a residential property insurance policy on or  
29 after April 1, 1996, the insurer must offer alternative  
30 deductible amounts applicable to hurricane or wind losses  
31 equal to \$500 and 2 percent of the policy dwelling limits,

1 unless the 2 percent deductible is less than \$500. The written  
2 notice of the offer shall specify the hurricane or wind  
3 deductible to be applied in the event that the applicant or  
4 policyholder fails to affirmatively choose a hurricane  
5 deductible. The insurer must provide such policyholder with  
6 notice of the availability of the deductible amounts specified  
7 in this paragraph in a form approved ~~specified~~ by the office  
8 ~~department~~ in conjunction with each renewal of the policy. The  
9 failure to provide such notice constitutes a violation of this  
10 code but does not affect the coverage provided under the  
11 policy.

12           2. This paragraph does not apply with respect to a  
13 deductible program lawfully in effect on June 14, 1995, or to  
14 any similar deductible program, if the deductible program  
15 requires a minimum deductible amount of no less than 2 percent  
16 of the policy limits.

17           3. With respect to a policy covering a risk with  
18 dwelling limits of at least \$100,000, but less than \$250,000,  
19 the insurer may, in lieu of offering a policy with a \$500  
20 hurricane or wind deductible as required by subparagraph 1.,  
21 offer a policy that the insurer guarantees it will not  
22 nonrenew for reasons of reducing hurricane loss for one  
23 renewal period and that contains up to a 2 percent hurricane  
24 or wind deductible as required by subparagraph 1.

25           4. With respect to a policy covering a risk with  
26 dwelling limits of \$250,000 or more, the insurer need not  
27 offer the \$500 hurricane or wind deductible as required by  
28 subparagraph 1., but must, except as otherwise provided in  
29 this subsection, offer the 2 percent hurricane or wind  
30 deductible as required by subparagraph 1.

31           (5)

1           (d) The office ~~department~~ shall draft and formally  
2 propose as a rule the form for the certificate of security ~~no~~  
3 ~~later than July 1, 1996~~. The certificate of security may be  
4 issued in any of the following circumstances:

5           1. A mortgage lender or other financial institution  
6 may issue a certificate of security after granting the  
7 applicant a line of credit, secured by equity in real property  
8 or other reasonable security, which line of credit may be  
9 drawn on only to pay for the deductible portion of insured  
10 construction or reconstruction after a hurricane loss. In the  
11 sole discretion of the mortgage lender or other financial  
12 institution, the line of credit may be issued to an applicant  
13 on an unsecured basis.

14           2. A licensed insurance agent may issue a certificate  
15 of security after obtaining for an applicant a line of credit,  
16 secured by equity in real property or other reasonable  
17 security, which line of credit may be drawn on only to pay for  
18 the deductible portion of insured construction or  
19 reconstruction after a hurricane loss. The Florida Hurricane  
20 Catastrophe Fund shall negotiate agreements creating a  
21 financing consortium to serve as an additional source of lines  
22 of credit to secure deductibles. Any licensed insurance agent  
23 may act as the agent of such consortium.

24           3. Any person qualified to act as a trustee for any  
25 purpose may issue a certificate of security secured by a  
26 pledge of assets, with the restriction that the assets may be  
27 drawn on only to pay for the deductible portion of insured  
28 construction or reconstruction after a hurricane loss.

29           4. Any insurer, including any admitted insurer or any  
30 surplus lines insurer, may issue a certificate of security  
31 after issuing the applicant a policy of supplemental insurance

1 that will pay for 100 percent of the deductible portion of  
2 insured construction or reconstruction after a hurricane loss.

3         5. Any other method approved by the office ~~department~~  
4 upon finding that such other method provides a similar level  
5 of security as the methods specified in this paragraph and  
6 that such other method has no negative impact on residential  
7 property insurance catastrophic capacity. The legislative  
8 intent of this subparagraph is to provide the flexibility  
9 needed to achieve the public policy of expanding property  
10 insurance capacity while improving the affordability of  
11 property insurance.

12         (6) Prior to issuing a personal lines residential  
13 property insurance policy on or after April 1, 1997, or prior  
14 to the first renewal of a residential property insurance  
15 policy on or after April 1, 1997, the insurer must offer a  
16 deductible equal to \$500 applicable to losses from perils  
17 other than hurricane. The insurer must provide the  
18 policyholder with notice of the availability of the deductible  
19 specified in this subsection in a form approved ~~specified~~ by  
20 the office ~~department~~ at least once every 3 years. The failure  
21 to provide such notice constitutes a violation of this code  
22 but does not affect the coverage provided under the policy. An  
23 insurer may require a higher deductible only as part of a  
24 deductible program lawfully in effect on June 1, 1996, or as  
25 part of a similar deductible program.

26         (8) Notwithstanding the other provisions of this  
27 section or of other law, but only as to hurricane coverage as  
28 defined in s. 627.4025 for commercial lines residential  
29 coverages, an insurer may offer a deductible in an amount not  
30 exceeding 5 percent of the insured value with respect to a  
31 condominium association or cooperative association policy, or

1 in an amount not exceeding 10 percent of the insured value  
2 with respect to any other commercial lines residential policy,  
3 if, at the time of such offer and at each renewal, the insurer  
4 also offers to the policyholder a deductible in the amount of  
5 3 percent of the insured value. Nothing in this subsection  
6 prohibits any deductible otherwise authorized by this section.  
7 All forms by which the offers authorized in this subsection  
8 are made or required to be made shall be on forms that are  
9 adopted or approved by the commission or office ~~department~~.

10 Section 1183. Subsection (2) of section 627.7011,  
11 Florida Statutes, is amended to read:

12 627.7011 Homeowners' policies; offer of replacement  
13 cost coverage and law and ordinance coverage.--

14 (2) Unless the insurer obtains the policyholder's  
15 written refusal of the policies or endorsements specified in  
16 subsection (1), any policy covering the dwelling is deemed to  
17 include the coverage specified in paragraph (1)(b). The  
18 rejection or selection of alternative coverage shall be made  
19 on a form approved by the office ~~department~~. The form shall  
20 fully advise the applicant of the nature of the coverage being  
21 rejected. If this form is signed by a named insured, it will  
22 be conclusively presumed that there was an informed, knowing  
23 rejection of the coverage or election of the alternative  
24 coverage on behalf of all insureds. Unless the policyholder  
25 requests in writing the coverage specified in this section, it  
26 need not be provided in or supplemental to any other policy  
27 that renews, insures, extends, changes, supersedes, or  
28 replaces an existing policy when the policyholder has rejected  
29 the coverage specified in this section or has selected  
30 alternative coverage. The insurer must provide such  
31 policyholder with notice of the availability of such coverage

1 in a form approved ~~specified~~ by the office ~~department~~ at least  
2 once every 3 years. The failure to provide such notice  
3 constitutes a violation of this code, but does not affect the  
4 coverage provided under the policy.

5 Section 1184. Section 627.7012, Florida Statutes, is  
6 amended to read:

7 627.7012 Pools of insurance adjusters.--The Commission  
8 ~~Department of Insurance~~ may, by rule, establish a pool of  
9 qualified insurance adjusters. The rules must provide that, if  
10 a hurricane occurs or an emergency is declared, the office  
11 ~~department~~ may assign members of the pool to the affected area  
12 and that an insurer may request that a member of the pool  
13 adjust claims in the assigned area. The rules may not require  
14 that an insurer use those adjusters assigned by the office  
15 ~~department~~.

16 Section 1185. Section 627.7015, Florida Statutes, is  
17 amended to read:

18 627.7015 Alternative procedure for resolution of  
19 disputed property insurance claims.--

20 (1) PURPOSE AND SCOPE.--This section sets forth a  
21 nonadversarial alternative dispute resolution procedure for a  
22 mediated claim resolution conference prompted by the need for  
23 effective, fair, and timely handling of property insurance  
24 claims. There is a particular need for an informal,  
25 nonthreatening forum for helping parties who elect this  
26 procedure to resolve their claims disputes because most  
27 homeowner's insurance policies obligate insureds to  
28 participate in a potentially expensive and time-consuming  
29 adversarial appraisal process prior to litigation. The  
30 procedure set forth in this section is designed to bring the  
31 parties together for a mediated claims settlement conference

1 without any of the trappings or drawbacks of an adversarial  
2 process. Before resorting to these procedures, insureds and  
3 insurers are encouraged to resolve claims as quickly and  
4 fairly as possible. This section is available with respect to  
5 claims under personal lines policies for all claimants and  
6 insurers prior to commencing the appraisal process, or  
7 commencing litigation. If requested by the insured,  
8 participation by legal counsel shall be permitted. Mediation  
9 under this section is also available to litigants referred to  
10 the department by a county court or circuit court. This  
11 section does not apply to commercial coverages, to private  
12 passenger motor vehicle insurance coverages, or to disputes  
13 relating to liability coverages in policies of property  
14 insurance.

15 (2) At the time a first-party claim within the scope  
16 of this section is filed, the insurer shall notify all  
17 first-party claimants of their right to participate in the  
18 mediation program under this section. The department shall  
19 prepare a consumer information pamphlet for distribution to  
20 persons participating in mediation under this section.

21 (3) The costs of mediation shall be reasonable, and  
22 the insurer shall bear all of the cost of conducting mediation  
23 conferences, except as otherwise provided in this section. If  
24 an insured fails to appear at the conference, the conference  
25 shall be rescheduled upon the insured's payment of the costs  
26 of a rescheduled conference. If the insurer fails to appear at  
27 the conference, the insurer shall pay the insured's actual  
28 cash expenses incurred in attending the conference if the  
29 insurer's failure to attend was not due to a good cause  
30 acceptable to the department. An insurer will be deemed to  
31 have failed to appear if the insurer's representative lacks

1 authority to settle the full value of the claim. The insurer  
2 shall incur an additional fee for a rescheduled conference  
3 necessitated by the insurer's failure to appear at a scheduled  
4 conference. The fees assessed by the administrator shall  
5 include a charge necessary to defray the expenses of the  
6 department related to its duties under this section and shall  
7 be deposited in the Insurance ~~Commissioner's~~ Regulatory Trust  
8 Fund.

9 (4) The department shall adopt by rule a property  
10 insurance mediation program to be administered by the  
11 department or its designee. The department may also adopt  
12 special rules which are applicable in cases of an emergency  
13 within the state. The rules shall be modeled after practices  
14 and procedures set forth in mediation rules of procedure  
15 adopted by the Supreme Court. The rules shall provide for:

16 (a) Reasonable requirement for processing and  
17 scheduling of requests for mediation.

18 (b) Qualifications of mediators as provided in s.  
19 627.745 and in the Florida Rules of Certified and Court  
20 Appointed Mediators, and for such other individuals as are  
21 qualified by education, training, or experience as the  
22 department determines to be appropriate.

23 (c) Provisions governing who may attend mediation  
24 conferences.

25 (d) Selection of mediators.

26 (e) Criteria for the conduct of mediation conferences.

27 (f) Right to legal counsel.

28 (5) All statements made and documents produced at a  
29 mediation conference shall be deemed to be settlement  
30 negotiations in anticipation of litigation within the scope of  
31 s. 90.408. All parties to the mediation must negotiate in good

1 faith and must have the authority to immediately settle the  
2 claim. Mediators are deemed to be agents of the department and  
3 shall have the immunity from suit provided in s. 44.107.

4 (6) Mediation is nonbinding; however, if a written  
5 settlement is reached, the insured has 3 business days within  
6 which the insured may rescind the settlement unless the  
7 insured has cashed or deposited any check or draft disbursed  
8 to the insured for the disputed matters as a result of the  
9 conference. If a settlement agreement is reached and is not  
10 rescinded, it shall be binding and act as a release of all  
11 specific claims that were presented in that mediation  
12 conference.

13 (7) If the insurer requests the mediation, and the  
14 mediation results are rejected by either party, the insured  
15 shall not be required to submit to or participate in any  
16 contractual loss appraisal process of the property loss damage  
17 as a precondition to legal action for breach of contract  
18 against the insurer for its failure to pay the policyholder's  
19 claims covered by the policy.

20 (8) The department may designate an entity or person  
21 to serve as administrator to carry out any of the provisions  
22 of this section and may take this action by means of a written  
23 contract or agreement.

24 Section 1186. Section 627.7017, Florida Statutes, is  
25 amended to read:

26 627.7017 Hurricane loss mitigation projects.--In  
27 addition to any other hurricane loss mitigation activities  
28 authorized or required by law, the office ~~department~~ may  
29 contract with public or private entities for hurricane loss  
30 mitigation projects.

31

1           Section 1187. Subsection (6) of section 627.702,  
2 Florida Statutes, is amended to read:

3           627.702 Valued policy law.--

4           (6) With regard to mobile homes included in subsection  
5 (1), any total loss shall be adjusted on the basis of the  
6 amount of money for which such property was insured as  
7 specified in the policy, whether on an actual cash value  
8 basis, replacement cost basis, or stated amount, and for which  
9 a premium has been charged and paid only if the insured has  
10 elected to purchase such coverage at the inception of the  
11 policy. However, when coverage is written for a mobile home  
12 on any basis other than stated value, a complete disclosure of  
13 the relative cost between that policy and the stated value  
14 policy shall be made to the insured on a form and in a format  
15 approved by the office ~~department~~. Such forms shall disclose  
16 and describe the differences between the types of policies and  
17 shall be signed by the insured. Copies shall be maintained in  
18 the insurer's file, and a copy shall be made available to the  
19 insured. Each insurer licensed to write insurance covering  
20 mobile homes shall make such stated value coverage available  
21 at the option of the insured.

22           Section 1188. Subsection (4) of section 627.706,  
23 Florida Statutes, is amended to read:

24           627.706 Sinkhole insurance.--

25           (4) Every insurer authorized to transact property  
26 insurance in this state shall make a proper filing with the  
27 office ~~department~~ for the purpose of extending the appropriate  
28 forms of property insurance to include coverage for insurable  
29 sinkhole losses.

30           Section 1189. Subsections (1), (5), and (9) of section  
31 627.727, Florida Statutes, are amended to read:

1           627.727 Motor vehicle insurance; uninsured and  
2 underinsured vehicle coverage; insolvent insurer protection.--

3           (1) No motor vehicle liability insurance policy which  
4 provides bodily injury liability coverage shall be delivered  
5 or issued for delivery in this state with respect to any  
6 specifically insured or identified motor vehicle registered or  
7 principally garaged in this state unless uninsured motor  
8 vehicle coverage is provided therein or supplemental thereto  
9 for the protection of persons insured thereunder who are  
10 legally entitled to recover damages from owners or operators  
11 of uninsured motor vehicles because of bodily injury,  
12 sickness, or disease, including death, resulting therefrom.  
13 However, the coverage required under this section is not  
14 applicable when, or to the extent that, an insured named in  
15 the policy makes a written rejection of the coverage on behalf  
16 of all insureds under the policy. When a motor vehicle is  
17 leased for a period of 1 year or longer and the lessor of such  
18 vehicle, by the terms of the lease contract, provides  
19 liability coverage on the leased vehicle, the lessee of such  
20 vehicle shall have the sole privilege to reject uninsured  
21 motorist coverage or to select lower limits than the bodily  
22 injury liability limits, regardless of whether the lessor is  
23 qualified as a self-insurer pursuant to s. 324.171. Unless an  
24 insured, or lessee having the privilege of rejecting uninsured  
25 motorist coverage, requests such coverage or requests higher  
26 uninsured motorist limits in writing, the coverage or such  
27 higher uninsured motorist limits need not be provided in or  
28 supplemental to any other policy which renews, extends,  
29 changes, supersedes, or replaces an existing policy with the  
30 same bodily injury liability limits when an insured or lessee  
31 had rejected the coverage. When an insured or lessee has

1 initially selected limits of uninsured motorist coverage lower  
2 than her or his bodily injury liability limits, higher limits  
3 of uninsured motorist coverage need not be provided in or  
4 supplemental to any other policy which renews, extends,  
5 changes, supersedes, or replaces an existing policy with the  
6 same bodily injury liability limits unless an insured requests  
7 higher uninsured motorist coverage in writing. The rejection  
8 or selection of lower limits shall be made on a form approved  
9 by the office ~~Insurance Commissioner~~. The form shall fully  
10 advise the applicant of the nature of the coverage and shall  
11 state that the coverage is equal to bodily injury liability  
12 limits unless lower limits are requested or the coverage is  
13 rejected. The heading of the form shall be in 12-point bold  
14 type and shall state: "You are electing not to purchase  
15 certain valuable coverage which protects you and your family  
16 or you are purchasing uninsured motorist limits less than your  
17 bodily injury liability limits when you sign this form.  
18 Please read carefully." If this form is signed by a named  
19 insured, it will be conclusively presumed that there was an  
20 informed, knowing rejection of coverage or election of lower  
21 limits on behalf of all insureds. The insurer shall notify  
22 the named insured at least annually of her or his options as  
23 to the coverage required by this section. Such notice shall  
24 be part of, and attached to, the notice of premium, shall  
25 provide for a means to allow the insured to request such  
26 coverage, and shall be given in a manner approved by the  
27 office ~~department~~. Receipt of this notice does not constitute  
28 an affirmative waiver of the insured's right to uninsured  
29 motorist coverage where the insured has not signed a selection  
30 or rejection form. The coverage described under this section  
31 shall be over and above, but shall not duplicate, the benefits

1 available to an insured under any workers' compensation law,  
2 personal injury protection benefits, disability benefits law,  
3 or similar law; under any automobile medical expense coverage;  
4 under any motor vehicle liability insurance coverage; or from  
5 the owner or operator of the uninsured motor vehicle or any  
6 other person or organization jointly or severally liable  
7 together with such owner or operator for the accident; and  
8 such coverage shall cover the difference, if any, between the  
9 sum of such benefits and the damages sustained, up to the  
10 maximum amount of such coverage provided under this section.  
11 The amount of coverage available under this section shall not  
12 be reduced by a setoff against any coverage, including  
13 liability insurance. Such coverage shall not inure directly  
14 or indirectly to the benefit of any workers' compensation or  
15 disability benefits carrier or any person or organization  
16 qualifying as a self-insurer under any workers' compensation  
17 or disability benefits law or similar law.

18 (5) Any person having a claim against an insolvent  
19 insurer as defined in s. 631.54(5)~~s. 631.54(6)~~ under the  
20 provisions of this section shall present such claim for  
21 payment to the Florida Insurance Guaranty Association only.  
22 In the event of a payment to any person in settlement of a  
23 claim arising under the provisions of this section, the  
24 association is not subrogated or entitled to any recovery  
25 against the claimant's insurer. The association, however, has  
26 the rights of recovery as set forth in chapter 631 in the  
27 proceeds recoverable from the assets of the insolvent insurer.

28 (9) Insurers may offer policies of uninsured motorist  
29 coverage containing policy provisions, in language approved by  
30 the office ~~department~~, establishing that if the insured  
31 accepts this offer:

1           (a) The coverage provided as to two or more motor  
2 vehicles shall not be added together to determine the limit of  
3 insurance coverage available to an injured person for any one  
4 accident, except as provided in paragraph (c).

5           (b) If at the time of the accident the injured person  
6 is occupying a motor vehicle, the uninsured motorist coverage  
7 available to her or him is the coverage available as to that  
8 motor vehicle.

9           (c) If the injured person is occupying a motor vehicle  
10 which is not owned by her or him or by a family member  
11 residing with her or him, the injured person is entitled to  
12 the highest limits of uninsured motorist coverage afforded for  
13 any one vehicle as to which she or he is a named insured or  
14 insured family member. Such coverage shall be excess over the  
15 coverage on the vehicle the injured person is occupying.

16           (d) The uninsured motorist coverage provided by the  
17 policy does not apply to the named insured or family members  
18 residing in her or his household who are injured while  
19 occupying any vehicle owned by such insureds for which  
20 uninsured motorist coverage was not purchased.

21           (e) If, at the time of the accident the injured person  
22 is not occupying a motor vehicle, she or he is entitled to  
23 select any one limit of uninsured motorist coverage for any  
24 one vehicle afforded by a policy under which she or he is  
25 insured as a named insured or as an insured resident of the  
26 named insured's household.

27  
28 In connection with the offer authorized by this subsection,  
29 insurers shall inform the named insured, applicant, or lessee,  
30 on a form approved by the office ~~department~~, of the  
31 limitations imposed under this subsection and that such

1 coverage is an alternative to coverage without such  
2 limitations. If this form is signed by a named insured,  
3 applicant, or lessee, it shall be conclusively presumed that  
4 there was an informed, knowing acceptance of such limitations.  
5 When the named insured, applicant, or lessee has initially  
6 accepted such limitations, such acceptance shall apply to any  
7 policy which renews, extends, changes, supersedes, or replaces  
8 an existing policy unless the named insured requests deletion  
9 of such limitations and pays the appropriate premium for such  
10 coverage. Any insurer who provides coverage which includes  
11 the limitations provided in this subsection shall file revised  
12 premium rates with the office ~~department~~ for such uninsured  
13 motorist coverage to take effect prior to initially providing  
14 such coverage. The revised rates shall reflect the  
15 anticipated reduction in loss costs attributable to such  
16 limitations but shall in any event reflect a reduction in the  
17 uninsured motorist coverage premium of at least 20 percent for  
18 policies with such limitations. Such filing shall not  
19 increase the rates for coverage which does not contain the  
20 limitations authorized by this subsection, and such rates  
21 shall remain in effect until the insurer demonstrates the need  
22 for a change in uninsured motorist rates pursuant to s.  
23 627.0651.

24 Section 1190. Subsection (1) of section 627.7275,  
25 Florida Statutes, is amended to read:

26 627.7275 Motor vehicle property damage liability.--

27 (1) No motor vehicle insurance policy providing  
28 personal injury protection as set forth in s. 627.736 shall be  
29 delivered or issued for delivery in this state with respect to  
30 any specifically insured or identified motor vehicle  
31 registered or principally garaged in this state unless the

1 policy also provides coverage for property damage liability in  
2 the amount of at least \$10,000 because of damage to, or  
3 destruction of, property of others in any one accident arising  
4 out of the use of the motor vehicle or provides coverage in  
5 the amount of at least \$30,000 for combined property damage  
6 liability and bodily injury liability in any one accident  
7 arising out of the use of the motor vehicle. The policy, as  
8 to coverage of property damage liability, shall meet the  
9 applicable requirements of s. 324.151, subject to the usual  
10 policy exclusions such as have been approved in policy forms  
11 by the office ~~department~~.

12 Section 1191. Subsections (7), (8), and (9) of section  
13 627.728, Florida Statutes, are amended to read:

14 627.728 Cancellations; nonrenewals.--

15 (7) Except in the case of cancellation for nonpayment  
16 of premium or nonrenewal of the policy, the notice of  
17 cancellation as provided by this section must contain the  
18 following words which are to be prominently displayed: "You  
19 are permitted by law to appeal this cancellation. An appeal  
20 must be filed no later than 20 days before the effective date  
21 of cancellation set forth in this notice. Forms for such  
22 appeal and the regulations pertaining thereto may be obtained  
23 from the office ~~offices of the Department of Insurance~~. The  
24 office ~~Department of Insurance~~ does not have the authority to  
25 extend the effective date of cancellation; therefore you  
26 should obtain replacement coverage prior to the effective date  
27 of cancellation."

28 (8)(a) Within 2 working days after receipt of a timely  
29 appeal of the notice of cancellation, the office ~~department~~  
30 shall initiate a proceeding. If informal procedures fail to  
31 resolve the appeal, the office ~~department~~ shall, upon request

1 of the insured, call a hearing upon 10 days' notice to the  
2 parties to be held by a disinterested employee of the office  
3 ~~department~~. Proceedings pursuant to this subsection are not  
4 subject to the provisions of chapter 120.

5 (b) Each insurer subject to this section shall  
6 maintain on file with the office ~~department~~ the name and  
7 address of the person authorized to receive notices pursuant  
8 to this section on behalf of the insurer.

9 (c) The office ~~department~~ shall, at the conclusion of  
10 the proceeding or hearing or not later than 2 working days  
11 thereafter, issue its written findings to the parties; and, if  
12 it finds for the named insured, it shall either order the  
13 insurer to rescind its notice of cancellation or, if the date  
14 cancellation is to be effective has elapsed, order the policy  
15 reinstated from the date of cancellation, and such coverage  
16 shall be continuous to, and shall operate prospectively from,  
17 the date of cancellation. However, no policy shall be  
18 reinstated while the named insured is in arrears in payment of  
19 premium on such policy. If the office ~~department~~ finds for  
20 the insurer, its written findings shall so state.

21 (d) Reinstatement of a policy under this subsection  
22 shall not operate in any way to extend the expiration,  
23 termination, or anniversary date provided in the policy. Upon  
24 such reinstatement, costs and attorney's fees may be assessed  
25 by the office ~~department~~ and paid to the named insured by an  
26 insurer who has wrongfully canceled a policy, as determined by  
27 the proceeding or hearing provided for in paragraph (c).

28 (9) The office ~~department~~ shall deposit all fees  
29 provided for in this section into the Insurance ~~Commissioner's~~  
30 Regulatory Trust Fund.

31

1           Section 1192. Subsection (5) of section 627.7282,  
2 Florida Statutes, is amended to read:

3           627.7282 Notice of additional premium; cancellation  
4 upon nonpayment.--

5           (5) The commission ~~department~~ may adopt rules  
6 prescribing the format of the notice.

7           Section 1193. Paragraph (a) of subsection (5) of  
8 section 627.7295, Florida Statutes, is amended to read:

9           627.7295 Motor vehicle insurance contracts.--

10           (5)(a) A licensed general lines agent may charge a  
11 per-policy fee not to exceed \$10 to cover the administrative  
12 costs of the agent associated with selling the motor vehicle  
13 insurance policy if the policy covers only personal injury  
14 protection coverage as provided by s. 627.736 and property  
15 damage liability coverage as provided by s. 627.7275 and if no  
16 other insurance is sold or issued in conjunction with or  
17 collateral to the policy. The per-policy fee must be a  
18 component of the insurer's rate filing and may not be charged  
19 by an agent unless the fee is included in the filing. The fee  
20 is not considered part of the premium except for purposes of  
21 the office's ~~department's~~ review of expense factors in a  
22 filing made pursuant to s. 627.062.

23           Section 1194. Paragraph (c) of subsection (4),  
24 paragraphs (a) and (e) of subsection (5), paragraph (a) of  
25 subsection (6), and paragraph (c) of subsection (11) of  
26 section 627.736, Florida Statutes, are amended to read:

27           627.736 Required personal injury protection benefits;  
28 exclusions; priority; claims.--

29           (4) BENEFITS; WHEN DUE.--Benefits due from an insurer  
30 under ss. 627.730-627.7405 shall be primary, except that  
31 benefits received under any workers' compensation law shall be

1 credited against the benefits provided by subsection (1) and  
2 shall be due and payable as loss accrues, upon receipt of  
3 reasonable proof of such loss and the amount of expenses and  
4 loss incurred which are covered by the policy issued under ss.  
5 627.730-627.7405. When the Agency for Health Care  
6 Administration provides, pays, or becomes liable for medical  
7 assistance under the Medicaid program related to injury,  
8 sickness, disease, or death arising out of the ownership,  
9 maintenance, or use of a motor vehicle, benefits under ss.  
10 627.730-627.7405 shall be subject to the provisions of the  
11 Medicaid program.

12 (c) All overdue payments shall bear simple interest at  
13 the rate established ~~by the Comptroller~~ under s. 55.03 or the  
14 rate established in the insurance contract, whichever is  
15 greater, for the year in which the payment became overdue,  
16 calculated from the date the insurer was furnished with  
17 written notice of the amount of covered loss. Interest shall  
18 be due at the time payment of the overdue claim is made.

19 (5) CHARGES FOR TREATMENT OF INJURED PERSONS.--

20 (a) Any physician, hospital, clinic, or other person  
21 or institution lawfully rendering treatment to an injured  
22 person for a bodily injury covered by personal injury  
23 protection insurance may charge only a reasonable amount for  
24 the services and supplies rendered, and the insurer providing  
25 such coverage may pay for such charges directly to such person  
26 or institution lawfully rendering such treatment, if the  
27 insured receiving such treatment or his or her guardian has  
28 countersigned the invoice, bill, or claim form approved by the  
29 office ~~Department of Insurance~~ upon which such charges are to  
30 be paid for as having actually been rendered, to the best  
31 knowledge of the insured or his or her guardian. In no event,

1 | however, may such a charge be in excess of the amount the  
2 | person or institution customarily charges for like services or  
3 | supplies in cases involving no insurance.

4 |         (e) All statements and bills for medical services  
5 | rendered by any physician, hospital, clinic, or other person  
6 | or institution shall be submitted to the insurer on a Health  
7 | Care Finance Administration 1500 form, UB 92 forms, or any  
8 | other standard form approved by the office or adopted by the  
9 | commission ~~department~~ for purposes of this paragraph. All  
10 | billings for such services shall, to the extent applicable,  
11 | follow the Physicians' Current Procedural Terminology (CPT) in  
12 | the year in which services are rendered. No statement of  
13 | medical services may include charges for medical services of a  
14 | person or entity that performed such services without  
15 | possessing the valid licenses required to perform such  
16 | services. For purposes of paragraph (4)(b), an insurer shall  
17 | not be considered to have been furnished with notice of the  
18 | amount of covered loss or medical bills due unless the  
19 | statements or bills comply with this paragraph.

20 |         (6) DISCOVERY OF FACTS ABOUT AN INJURED PERSON;  
21 | DISPUTES.--

22 |         (a) Every employer shall, if a request is made by an  
23 | insurer providing personal injury protection benefits under  
24 | ss. 627.730-627.7405 against whom a claim has been made,  
25 | furnish forthwith, in a form approved by the office  
26 | ~~department~~, a sworn statement of the earnings, since the time  
27 | of the bodily injury and for a reasonable period before the  
28 | injury, of the person upon whose injury the claim is based.

29 |         (11) DEMAND LETTER.--

30 |         (c) Each notice required by this section must be  
31 | delivered to the insurer by United States certified or

1 registered mail, return receipt requested. Such postal costs  
2 shall be reimbursed by the insurer if so requested by the  
3 provider in the notice, when the insurer pays the overdue  
4 claim. Such notice must be sent to the person and address  
5 specified by the insurer for the purposes of receiving notices  
6 under this section, on the document denying or reducing the  
7 amount asserted by the filer to be overdue. Each licensed  
8 insurer, whether domestic, foreign, or alien, may file with  
9 the office ~~department~~ designation of the name and address of  
10 the person to whom notices pursuant to this section shall be  
11 sent when such document does not specify the name and address  
12 to whom the notices under this section are to be sent or when  
13 there is no such document. The name and address on file with  
14 the office ~~department~~ pursuant to s. 624.422 shall be deemed  
15 the authorized representative to accept notice pursuant to  
16 this section in the event no other designation has been made.

17 Section 1195. Subsection (5) of section 627.739,  
18 Florida Statutes, is amended to read:

19 627.739 Personal injury protection; optional  
20 limitations; deductibles.--

21 (5) All such offers shall be made in clear and  
22 unambiguous language at the time the initial application is  
23 taken and prior to each annual renewal and shall indicate that  
24 a premium reduction will result from each election. At the  
25 option of the insurer, the requirements of the preceding  
26 sentence are met by using forms of notice approved by the  
27 office ~~department~~, or by providing the following notice in  
28 10-point type in the insurer's application for initial  
29 issuance of a policy of motor vehicle insurance and the  
30 insurer's annual notice of renewal premium:

31

1           For personal injury protection insurance, the  
2           named insured may elect a deductible and to  
3           exclude coverage for loss of gross income and  
4           loss of earning capacity ("lost wages"). These  
5           elections apply to the named insured alone, or  
6           to the named insured and all dependent resident  
7           relatives. A premium reduction will result from  
8           these elections. The named insured is hereby  
9           advised not to elect the lost wage exclusion if  
10          the named insured or dependent resident  
11          relatives are employed, since lost wages will  
12          not be payable in the event of an accident.

13          Section 1196. Section 627.7401, Florida Statutes, is  
14 amended to read:

15           627.7401 Notification of insured's rights.--

16           (1) The commission ~~department~~, by rule, shall adopt a  
17 form for the notification of insureds of their right to  
18 receive personal injury protection benefits under the Florida  
19 Motor Vehicle No-Fault Law. Such notice shall include a  
20 description of the benefits provided by personal injury  
21 protection, including, but not limited to, the specific types  
22 of services for which medical benefits are paid, disability  
23 benefits, death benefits, significant exclusions from and  
24 limitations on personal injury protection benefits, when  
25 payments are due, how benefits are coordinated with other  
26 insurance benefits that the insured may have, penalties and  
27 interest that may be imposed on insurers for failure to make  
28 timely payments of benefits, and rights of parties regarding  
29 disputes as to benefits.

30           (2) Each insurer issuing a policy in this state  
31 providing personal injury protection benefits must mail or

1 deliver the notice as specified in subsection (1) to an  
2 insured within 21 days after receiving from the insured notice  
3 of an automobile accident or claim involving personal injury  
4 to an insured who is covered under the policy. The office  
5 ~~department~~ may allow an insurer additional time to provide the  
6 notice specified in subsection (1) not to exceed 30 days, upon  
7 a showing by the insurer that an emergency justifies an  
8 extension of time.

9 (3) The notice required by this section does not alter  
10 or modify the terms of the insurance contract or other  
11 requirements of this act.

12 Section 1197. Paragraph (h) of subsection (2) and  
13 subsections (4), (5), and (7) of section 627.744, Florida  
14 Statutes, are amended to read:

15 627.744 Required preinsurance inspection of private  
16 passenger motor vehicles.--

17 (2) This section does not apply:

18 (h) To any other vehicle or policy exempted by rule of  
19 the commission ~~department~~. The commission ~~department~~ may base  
20 a rule under this paragraph only on a determination that the  
21 likelihood of a fraudulent physical damage claim is remote or  
22 that the inspection would cause a serious hardship to the  
23 insurer or the applicant.

24 (4) The inspection required by this section shall be  
25 provided by the insurer or by a person or organization  
26 authorized by the insurer. The applicant may be required to  
27 pay the cost of the inspection, not to exceed \$5. The  
28 inspection shall be recorded on a form prescribed by the  
29 commission ~~department~~, and the form or a copy shall be  
30 retained by the insurer with its policy records for the  
31 insured. The insurer shall provide a copy of the form to the

1 insured upon request. Any inspection fee paid directly by the  
2 applicant may not be considered part of the premium. However,  
3 an insurer that provides the inspection at no cost to the  
4 applicant may include the expense of the inspection within a  
5 rate filing.

6 (5) The inspection shall include at least the  
7 following:

8 (a) Taking a physical imprint of the vehicle  
9 identification number of the vehicle or otherwise recording  
10 the vehicle identification number in a manner prescribed by  
11 the commission ~~department~~.

12 (b) Recording the presence of accessories required by  
13 the commission ~~department~~ to be recorded.

14 (c) Recording the locations of and a description of  
15 existing damage to the vehicle.

16 (7) The commission ~~department~~ may, by rule, establish  
17 such procedures and notice requirements that it finds  
18 necessary to implement this section.

19 Section 1198. Section 627.745, Florida Statutes, is  
20 amended to read:

21 627.745 Mediation of claims.--

22 (1)(a) In any claim filed with an insurer for personal  
23 injury in an amount of \$10,000 or less or any claim for  
24 property damage in any amount, arising out of the ownership,  
25 operation, use, or maintenance of a motor vehicle, either  
26 party may demand mediation of the claim prior to the  
27 institution of litigation.

28 (b) A request for mediation shall be filed with the  
29 office ~~department~~ on a form approved by the office ~~department~~.  
30 The request for mediation shall state the reason for the  
31 request for mediation and the issues in dispute which are to

1 be mediated. The filing of a request for mediation tolls the  
2 applicable time requirements for filing suit for a period of  
3 60 days following the conclusion of the mediation process or  
4 the time prescribed in s. 95.11, whichever is later.

5 (c) The insurance policy must specify in detail the  
6 terms and conditions for mediation of a first-party claim.

7 (d) The mediation shall be conducted as an informal  
8 process in which formal rules of evidence and procedure need  
9 not be observed. Any party participating in a mediation must  
10 have the authority to make a binding decision. All parties  
11 must mediate in good faith.

12 (e) The office ~~department~~ shall randomly select  
13 mediators. Each party may once reject the mediator selected,  
14 either originally or after the opposing side has exercised its  
15 option to reject a mediator.

16 (f) Costs of mediation shall be borne equally by both  
17 parties unless the mediator determines that one party has not  
18 mediated in good faith.

19 (g) Only one mediation may be requested for each  
20 claim, unless all parties agree to further mediation.

21 (2) Upon receipt of a request for mediation, the  
22 office ~~department~~ shall refer the request to a mediator. The  
23 mediator shall notify the applicant and all interested  
24 parties, as identified by the applicant, and any other parties  
25 the mediator believes may have an interest in the mediation,  
26 of the date, time, and place of the mediation conference. The  
27 conference may be held by telephone, if feasible. The  
28 mediation conference shall be held within 45 days after the  
29 request for mediation.

30 (3)(a) The office ~~department~~ shall approve mediators  
31 to conduct mediations pursuant to this section. All mediators

1 must file an application under oath for approval as a  
2 mediator.

3 (b) To qualify for approval as a mediator, a person  
4 must meet the following qualifications:

5 1. Possess a masters or doctorate degree in  
6 psychology, counseling, business, accounting, or economics, be  
7 a member of The Florida Bar, be licensed as a certified public  
8 accountant, or demonstrate that the applicant for approval has  
9 been actively engaged as a qualified mediator for at least 4  
10 years prior to July 1, 1990.

11 2. Within 4 years immediately preceding the date the  
12 application for approval is filed with the office ~~department~~,  
13 have completed a minimum of a 40-hour training program  
14 approved by the office ~~department~~ and successfully passed a  
15 final examination included in the training program and  
16 approved by the office ~~department~~. The training program shall  
17 include and address all of the following:

- 18 a. Mediation theory.  
19 b. Mediation process and techniques.  
20 c. Standards of conduct for mediators.  
21 d. Conflict management and intervention skills.  
22 e. Insurance nomenclature.

23 (4) The commission ~~department~~ must adopt rules of  
24 procedure for claims mediation, taking into consideration a  
25 system which:

- 26 (a) Is fair.  
27 (b) Promotes settlement.  
28 (c) Avoids delay.  
29 (d) Is nonadversarial.  
30 (e) Uses a framework for modern mediating technique.  
31 (f) Controls costs and expenses of mediation.

1           (5) Disclosures and information divulged in the  
2 mediation process are not admissible in any subsequent action  
3 or proceeding relating to the claim or to the cause of action  
4 giving rise to the claim. A person demanding mediation under  
5 this section may not demand or request mediation after a suit  
6 is filed relating to the same facts already mediated.

7           Section 1199. Subsections (1) and (2) of section  
8 627.758, Florida Statutes, are amended to read:

9           627.758 Surety on auto club traffic arrest bond;  
10 conditions, limit; bail bond.--

11           (1) Any authorized surety insurer may, in any year,  
12 become surety in an amount not to exceed \$1,000 with respect  
13 to any guaranteed traffic arrest bond certificate issued in  
14 such year by an automobile club or association by filing with  
15 the office ~~department~~ an undertaking to become surety.

16           (2) The undertaking shall be in the form prescribed by  
17 the commission ~~department~~ and shall state the following:

18           (a) The name and address of the automobile club or  
19 association with respect to the guaranteed traffic arrest bond  
20 certificates for which the surety insurer undertakes to be  
21 surety.

22           (b) The unqualified obligation of the surety insurer  
23 to pay the fine or forfeiture in an amount not to exceed  
24 \$1,000 for any person who, after posting a guaranteed traffic  
25 arrest bond certificate with respect to which the insurer has  
26 undertaken to be surety, fails to make the appearance for  
27 which the certificate was posted.

28           Section 1200. Subsection (2) of section 627.7711,  
29 Florida Statutes, is amended to read:

30           627.7711 Definitions.--As used in this part, the term:  
31

1           (2) "Premium" means the charge, as specified by rule  
2 of the commission ~~department~~, that is made by a title insurer  
3 for a title insurance policy, including the charge for  
4 performance of primary title services by a title insurer or  
5 title insurance agent or agency, and incurring the risks  
6 incident to such policy, under the several classifications of  
7 title insurance contracts and forms, and upon which charge a  
8 premium tax is paid under s. 624.509. As used in this part or  
9 in any other law, with respect to title insurance, the word  
10 "premium" does not include a commission.

11           Section 1201. Section 627.777, Florida Statutes, is  
12 amended to read:

13           627.777 Approval of forms.--A title insurer may not  
14 issue or agree to issue any form of title insurance  
15 commitment, title insurance policy, other contract of title  
16 insurance, or related form until it is filed with and approved  
17 by the office ~~department~~. The office ~~department~~ may not  
18 disapprove a title guarantee or policy form on the ground that  
19 it has on it a blank form for an attorney's opinion on the  
20 title.

21           Section 1202. Subsection (2) of section 627.7773,  
22 Florida Statutes, is amended to read:

23           627.7773 Accounting and auditing of forms by title  
24 insurers.--

25           (2) If the office ~~department~~ has reason to believe  
26 that an audit of outstanding forms should be required of any  
27 title insurer as to a title insurance agent or agency, the  
28 office ~~department~~ may require the title insurer to make a  
29 special audit of the forms. The title insurer shall complete  
30 the audit not later than 60 days after the request is received  
31 from the office ~~department~~, and shall report the results of

1 the special audit to the office ~~department~~ no later than 90  
2 days after the request is received.

3 Section 1203. Subsection (1) of section 627.780,  
4 Florida Statutes, is amended to read:

5 627.780 Illegal dealings in risk premium.--

6 (1) A person may not knowingly quote, charge, accept,

9 Section 1204. Subsections (1), (2), (7), and (8) of  
10 section 627.782, Florida Statutes, are amended to read:

11 627.782 Adoption of rates.--

12 (1) Subject to the rating provisions of this code, the  
13 commission ~~department~~ must adopt a rule specifying the premium  
14 to be charged in this state by title insurers for the  
15 respective types of title insurance contracts and, for  
16 policies issued through agents or agencies, the percentage of  
17 such premium required to be retained by the title insurer  
18 which shall not be less than 30 percent. However, in a  
19 transaction subject to the Real Estate Settlement Procedures  
20 Act of 1974, 12 U.S.C. ss. 2601 et seq., as amended, no  
21 portion of the premium attributable to providing a primary  
22 title service shall be paid to or retained by any person who  
23 does not actually perform or is not liable for the performance  
24 of such service. The commission ~~department~~ may, by rule,  
25 establish limitations on related title services charges made  
26 in addition to the premium based upon the expenses associated  
27 with the services rendered and other relevant factors.

28 (2) In adopting premium rates, the commission  
29 ~~department~~ must give due consideration to the following:

5 contingencies, including contingent liability under s.  
6 627.7865, sufficient to allow title insurers, agents, and  
7 agencies to earn a rate of return on their capital that will  
8 attract and retain adequate capital investment in the title  
9 insurance business and maintain an efficient title insurance  
10 delivery system.

11           (c) Past expenses and prospective expenses for  
12 administration and handling of risks.

13           (d) Liability for defalcation.

16 with the standards provided in subsection (2), review the  
17 premium as needed, but not less frequently than once every 3  
18 years, and shall, based upon the review required by this  
19 subsection, revise the premium if the results of the review so  
20 warrant.

21           (8) The commission ~~department~~ may, by rule, require  
22 licensees under this part to annually submit statistical  
23 information, including loss and expense data, as the  
24 department determines to be necessary to analyze premium  
25 rates, retention rates, and the condition of the title  
26 insurance industry.

27           Section 1205. Section 627.783, Florida Statutes, is

4 for related title services rendered specified in s.  
5 627.782(1). The petition shall be in writing and sworn to and  
6 shall set forth allegations of fact upon which the petitioner  
7 will rely, including the petitioner's reasons for requesting  
8 the deviation. Any authorized title insurer, agent, or agency  
9 may join in the petition for like authority to deviate or may  
10 file a separate petition praying for like authority or  
11 opposing the deviation. The office department shall rule on  
12 all such petitions simultaneously.

13 (2) If, in the judgment of the office department, the  
14 requested deviation is not justified, the office department  
15 may enter an order denying the petition. An order granting a  
16 petition constitutes an amendment to the adopted premium as to  
17 the petitioners named in the order, and is subject to s.  
18 627.782.

19 Section 1206. Subsection (3) of section 627.7843,  
20 Florida Statutes, is amended to read:

2 reasonable search and examination of the title to be preserved  
3 and retained in its files or in the files of its title

5 years after the title insurance commitment, title insurance  
6 policy, or guarantee of title was issued. The title insurer  
7 or agent or agency must produce the evidence required to be  
8 maintained by this subsection at its offices upon the demand  
9 of the office ~~department~~. Instead of retaining the original  
10 evidence, the title insurer or the title insurance agent or  
11 agency may, in the regular course of business, establish a  
12 system under which all or part of the evidence is recorded,  
13 copied, or reproduced by any photographic, photostatic,  
14 microfilm, microcard, miniature photographic, or other process  
15 which accurately reproduces or forms a durable medium for  
16 reproducing the original.

17           (3) The title insurer or its agent or agency must  
18 maintain a record of the actual risk premium and related title  
19 service charges made for issuance of the policy and any

31 fraud of, dishonesty of, misappropriation of funds by, or

11 which is liquidated with unpaid outstanding claims. The  
12 office ~~department~~ shall assess all title insurers on a pro  
13 rata basis determined by their writings in this state for  
14 amounts necessary to pay the claims. A title insurer is not

23 insurance-buying public or unless it has good reason to  
24 believe the management of the premium finance company is  
25 affiliated directly or indirectly through ownership, control,  
26 or in other business relations with any person whose business  
27 operations are or have been marked as detrimental to the  
28 public, policyholders, stockholders, investors, or creditors

2 shall retain the investigation fee to cover the costs of  
3 investigating the applicant.

4 (3) Each license shall remain in force until September  
5 30 of the year for which issued, unless earlier surrendered,  
6 suspended, or revoked, and may be renewed for the ensuing

23 comply with any order of the office ~~department~~.

24 (b) That the licensee has violated any provision of  
25 this part or any rule of the commission ~~department~~.

26 (c) That any fact or condition exists which, if it had

30 in obtaining the license or permit, or in attempting to obtain  
31 the license or permit.

1           (e) That the license or permit is being willfully

17           (2) A licensee may surrender a license by delivering

21 prior to such surrender.

22           (3) No revocation, suspension, or surrender of a  
23 license shall impair or affect the obligation of any insured

26           (4) Every license issued hereunder shall remain in  
27 force and effect until it has been surrendered, revoked, or

29 part; but the office may ~~department shall have authority to~~  
30 reinstate a suspended license or to issue a new license to a

3 of section 627.972, Florida Statutes, are amended to read:

4           627.972 Organization; financial requirements.--

5           (1) A financial guaranty insurance corporation must be  
6 organized and licensed in the manner prescribed in this code  
7 for stock property and casualty insurers except that:

8           (b)1. Prior to the issuance of a license, a  
9 corporation must submit to the office ~~department~~ for approval,  
10 a plan of operation detailing:

11           a. The types and projected diversification of  
12 guaranties to be issued;

13           b. The underwriting procedures to be followed;

14           c. The managerial oversight methods;

15           d. The investment policies; and

16           e. Any other matters prescribed by the office  
17 ~~department~~;

18           2. An insurer which is writing only the types of  
19 insurance allowed under this part on July 1, 1988, and  
20 otherwise meets the requirements of this part, is exempt from  
21 the requirements of this paragraph.

22           (3) An insurer may not transact financial guaranty  
23 insurance unless it establishes a contingency reserve, net of  
24 reinsurance, as follows:

25           (d) Withdrawals from the contingency reserve, to the  
26 extent of any excess, may be made with the approval of the  
27 office ~~department~~ from the earliest contributions to the  
28 reserve remaining therein:

29           1. In any year in which the actual incurred losses  
30 exceed 35 percent of earned premiums, or

3 and 20 quarters for reserves subject to subparagraph (b)2.,  
4 upon demonstration that the amount carried is excessive in  
5 relation to the insurer's outstanding obligations.

6           (4) In addition to the contingency reserve, the case  
7 basis method or other method prescribed by the office  
8 ~~department~~ is used to determine loss reserves, in a manner  
9 consistent with the requirements of part I of chapter 625,  
10 which must include a reserve for claims reported and unpaid  
11 net of collateral. A deduction from loss reserves shall be  
12 allowed for the time value of money by application of a  
13 discount rate equal to the average rate of return on the  
14 admitted assets of the insurer as of the date of the  
15 computation of any such reserve. The discount rate must be  
16 adjusted at the end of each calendar year.

17           (5) The insurer maintains an unearned premium reserve,  
18 net of reinsurance, computed on the monthly pro rata basis,  
19 where the premiums are paid on an installment basis. All  
20 other such premiums paid must be earned proportionately with  
21 the expiration of exposure or by such other method the office  
22 ~~department~~ prescribes or approves.

23           Section 1254. Section 627.973, Florida Statutes, is

30 financial guaranty insurance in this state if the following  
31 conditions are met:

- 1 (a) Total policyholders' surplus exceeds \$100 million;  
2 (b) Not more than 20 percent of total net premiums  
3 written are applicable to or for financial guaranty insurance;  
4 (c) The provisions of this part are applied to the  
5 insurer's financial guaranty insurance business;  
6 (d) Not more than 20 percent of the insurer's total  
7 policyholder's surplus is applied toward meeting the  
8 provisions of this part;  
9 (e) The policyholders' surplus once utilized to meet  
10 the requirements of this part shall not be available for  
11 meeting any policyholders' surplus requirements for any other  
12 type of insurance;  
13 (f) The insurer is licensed to write financial  
14 guaranty insurance; and  
15 (g) Unless the insurer is transacting financial  
16 guaranty insurance prior to July 1, 1988, and otherwise meets  
17 the requirements of this section, prior to the issuance of a  
18 license, the insurer must submit to the office ~~department~~ for  
19 approval, a plan of operation complying with s. 627.972(1)(b).  
20 (2) Financial guaranty insurance shall be written only  
21 to insure obligations defined in s. 627.971(1)(a)1., except  
22 that obligations defined in s. 627.971(1)(a)2., 3., 4., and 5.  
23 may be written with the prior written approval of the office  
24 ~~department~~ pursuant to limitations and restrictions  
25 promulgated by rule that the commission ~~department~~ deems  
26 appropriate and necessary to protect the policyholders of the  
27 insurer.  
28 (3) At least 95 percent of the outstanding total  
29 liability on municipal obligation bonds of an insurer  
30 transacting financial guaranty insurance must be investment  
31 grade.

1           (4) An insurer transacting financial guaranty  
2 insurance must at all times maintain capital, surplus, and  
3 contingency reserves, subject to the restrictions in paragraph  
4 (1)(d) if applicable, in the aggregate no less than the sum  
5 of:

6           (a) One-third of one percent of the total liabilities  
7 outstanding under guaranties of municipal obligation bonds;

8           (b) One percent of the total liabilities outstanding  
9 under guaranties of investment grade obligations, including  
10 industrial development bonds and investment grade consumer  
11 debt obligations;

12           (c) One and one-third percent of the total liabilities  
13 outstanding under guaranties of noninvestment grade consumer  
14 debt obligations;

15           (d) Two percent of the total liabilities outstanding  
16 under guaranties of other obligations not of investment grade,  
17 other than consumer debt obligations; and

18           (e) Surplus determined by the office ~~department~~ to be  
19 adequate to support the writing of residual value insurance,  
20 surety insurance, and credit insurance, if the corporation has  
21 elected to transact these kinds of insurance pursuant to s.  
22 627.972(1).

23           (5) An insurer transacting financial guaranty  
24 insurance must limit its exposure to loss, net of collateral  
25 and reinsurance, as follows:

26           (a) For municipal bonds:

27           1. The insured average annual debt service with  
28 respect to any one entity and backed by a single revenue  
29 source may not exceed 10 percent of the aggregate of the  
30 corporation's capital, surplus, and contingency reserves,  
31

1 subject to the restrictions of paragraph (1)(d) if applicable;  
2 and

3           2. The insured unpaid principal issued by a single  
4 entity and backed by a single revenue source may not exceed 75  
5 percent of the aggregate of the corporation's capital,  
6 surplus, and contingency reserves, subject to the restrictions  
7 in paragraph (1)(d) if applicable; and

8           (b) For all other financial guaranties, the insured  
9 unpaid principal for any one risk may not exceed 10 percent of  
10 the aggregate of the corporation's capital, surplus, and  
11 contingency reserves, subject to the restrictions in paragraph  
12 (1)(d) if applicable. Single risk liability shall be defined  
13 with respect to any one issuer, except that, if the risk is  
14 payable from a specified revenue source or adequately secured  
15 by loan obligations or other assets, such risk shall be  
16 defined by the revenue source.

17           (6) If the exposure to loss of an insurer transacting  
18 financial guaranty insurance exceeds the limitations in  
19 subsection (4), it may not transact any new financial guaranty  
20 insurance business until its exposure to loss no longer  
21 exceeds those limitations.

22           (7) An insurer which wrote financial guaranty  
23 insurance in this state during the 12-month period immediately  
24 preceding July 1, 1988, but which does not meet the  
25 requirements of subsection (1) or of s. 627.972(2), may,  
26 nevertheless, continue to write financial guaranty insurance  
27 as authorized by subsection (2) after July 1, 1988, subject to  
28 all other provisions of this part, provided:

29           (a) Within 45 days after such date the insurer files  
30 with the office ~~department~~ a statement of its intentions to  
31 limit its writings to financial guaranty, surety, and fidelity

1 insurance. Effective upon such filing, the insurer shall be  
2 subject to the requirements of this part except that the  
3 surplus to policyholders requirement of s. 627.972(2) shall  
4 not apply to such insurer until July 1, 1998, at which time  
5 such insurer shall have and thereafter maintain the minimum  
6 surplus requirement of at least \$35 million. Failure of the  
7 insurer to meet the conditions of such statement of intent  
8 filed with the office ~~department~~, until such time as it meets  
9 the requirements of subsection (1), shall be grounds to  
10 subject the insurer to the penalties provided under this code,  
11 including immediate suspension or revocation of its  
12 certificate of authority. If the insurer does not file such  
13 statement of intent, it shall cease writing any new financial  
14 guaranty insurance business within 6 months after the  
15 effective date of this act. The insurer may:

16       1. Reinsure its net in-force business with a licensed  
17 financial guaranty insurance corporation or an insurer exempt  
18 under subsection (1);

19       2. Subject to the prior approval of its domiciliary  
20 insurance commissioner, reinsure all or part of its net  
21 in-force business pursuant to s. 627.975(1)(b), except that  
22 subparagraphs 2. and 4. do not apply. The assuming insurer  
23 must maintain reserves for the reinsured business in the  
24 manner applicable to the ceding insurer under paragraph (b);  
25 or

26       3. May continue the risks in force and, with 30 days  
27 prior written notice to its domiciliary insurance  
28 commissioner, write new financial guaranty policies if the  
29 writing of those policies is reasonably prudent to mitigate  
30 either the amount of or possibility of loss in connection with  
31 business written prior to July 1, 1988. However, an insurer

1 must receive the prior approval of its domiciliary insurance  
2 commissioner before writing any new financial guaranty  
3 insurance policies that would increase its risk of loss.

4 (b) Must, for all guaranties in force prior to July 1,  
5 1988, including those which fall under the definition of  
6 financial guaranty insurance, maintain the reserves applicable  
7 for municipal bond guaranties in effect prior to July 1, 1988.  
8 If the insurer's contingency reserves maintained as of July 1,  
9 1988, are less than those required for municipal bond  
10 guaranties, the insurer has 3 years to bring its reserves into  
11 compliance, except that a part of the reserve may be released  
12 proportional to the reduction in net total liabilities  
13 resulting from reinsurance if the reinsurer, on the effective  
14 date of the reinsurance, establishes a reserve in an amount  
15 equal to the amount released and except that a part of the  
16 reserve may be released with office ~~departmental~~ approval,  
17 upon demonstration that the amount carried is excessive in  
18 relation to the corporation's outstanding obligations.

19 (c) Shall be subject to the reserve requirements  
20 applicable to financial guaranty insurance corporations, for  
21 business written on or after July 1, 1988.

22 (d) This subsection shall not apply to insurers  
23 permitted to write financial guaranty insurance pursuant to  
24 the exception set forth in subsection (1) and such insurers  
25 may write financial guaranty insurance subject to the  
26 requirements of the Florida Insurance Code.

27 Section 1255. Section 627.974, Florida Statutes, is  
28 amended to read:

29 627.974 Filing of policy forms and rates.--

30 (1) Policy forms and any amendments thereto must be  
31 filed with the office ~~department~~ within 30 days after their

1 use by the insurer. A policy may not provide coverage of the  
2 acceleration of payments due under the guaranteed obligations,  
3 including any payment in advance of scheduled maturity to be  
4 made by the issuer of the guaranteed obligations at the sole  
5 option of the owner of the guaranteed obligations, unless the  
6 acceleration is at the sole option of the insurer. Each  
7 policy must disclose that the insurance provided by the policy  
8 is not covered by the Florida Insurance Guaranty Association  
9 created under part II of chapter 631. The commission  
10 ~~department~~ may prescribe additional minimum policy provisions  
11 which are determined by the commission ~~department~~ to be  
12 necessary or appropriate to protect policyholders, claimants,  
13 obligees, or indemnitees.

14 (2) Rates may not be excessive, inadequate, unfairly  
15 discriminatory, destructive of competition, or detrimental to  
16 the solvency of the insurer.

17 (3) Criteria and guidelines used by insurers  
18 transacting financial guaranty insurance in establishing  
19 rating categories and ranges of rates to be used must be filed  
20 with the office ~~department~~ for information prior to their use  
21 by the insurer.

22 (4) All such filings must be available for public  
23 inspection at the office ~~department~~.

24 (5) This section is in lieu of the requirements of ss.  
25 627.062 and 627.410.

26 Section 1256. Section 627.986, Florida Statutes, is  
27 amended to read:

28 627.986 Replacement rules.--Group-to-group  
29 consolidations shall be exempt from any rule of the commission  
30 ~~department~~ relating to the replacement of existing life or  
31 health insurance. Nothing in this part shall be interpreted as

1 creating an exemption for consolidations which involve  
2 individual policies.

3 Section 1257. Section 627.987, Florida Statutes, is  
4 amended to read:

5 627.987 Policy forms.--No policy or group certificate  
6 of mortgage insurance used in connection with any  
7 consolidation, and no application, endorsement, or rider which  
8 becomes a part of any such policy or certificate, shall be  
9 issued or delivered in this state until a copy of the form has  
10 been filed with and approved by the office ~~department~~.

14 distribution the insurer will have at least 115 percent of  
15 required statutory surplus as to policyholders.

16           (4) The office ~~department~~ shall not approve a dividend  
17 or distribution in excess of the maximum amount allowed in  
18 subsection (1) unless, considering the following factors, it  
19 determines that the distribution or dividend would not  
20 jeopardize the financial condition of the insurer:

21           (a) The liquidity, quality, and diversification of the  
22 insurer's assets and the effect on its ability to meet its  
23 obligations.

24           (b) Reduction of investment portfolio and investment  
25 income.

26           (c) Effects on the written premium to surplus ratios  
27 as required by the Florida Insurance Code.

28           (d) Industrywide financial conditions.

29           (e) Prior dividend distributions of the insurer.

30           (f) Whether the dividend is only a "pass-through"  
31 dividend from a subsidiary of the insurer.

1           Section 1276. Subsection (3) of section 628.391,  
2 Florida Statutes, is amended to read:

3           628.391 Illegal dividends; penalty.--

4           (3) The office ~~department~~ may revoke or suspend the  
5 certificate of authority of an insurer which has declared or  
6 paid such an illegal dividend.

7           Section 1277. Subsections (3) and (4) of section  
8 628.401, Florida Statutes, are amended to read:

9           628.401 Borrowed surplus.--

10          (3) Any such loan to a domestic stock or mutual  
11 insurer shall be subject to the approval of the office  
12 ~~department~~ for the issue and the rate of interest to be paid.  
13 The insurer shall, in advance of the loan, file with the  
14 office ~~department~~ a statement of the purpose of the loan and a  
15 copy of the proposed loan agreement. The office ~~department~~  
16 shall disapprove any proposed loan or agreement if it finds  
17 that the loan is unnecessary or excessive for the purpose  
18 intended; that the terms of the loan agreement are not fair  
19 and equitable to the parties and to other similar lenders, if  
20 any, to the insurer; or that the information so filed by the  
21 insurer is inadequate.

22          (4) Any such loan to a domestic stock or mutual  
23 insurer, or a substantial portion thereof, shall be repaid by  
24 the insurer when no longer reasonably necessary for the  
25 purpose originally intended. No repayment of such a loan  
26 shall be made by a domestic stock or mutual insurer unless  
27 approved in advance by the office ~~department~~.

28          Section 1278. Subsections (1) and (4) of section  
29 628.411, Florida Statutes, are amended to read:

30          628.411 Impairment of capital or assets.--

31

1           (1) If a domestic stock insurer's capital, as  
2 represented by the aggregate par value of its outstanding  
3 capital stock, becomes impaired, or if the assets of a mutual  
4 insurer are less than the sum of its liabilities and the  
5 minimum amount of surplus required to be maintained by it, the  
6 office ~~department~~ shall at once determine the amount of  
7 deficiency and serve notice upon the insurer to make good the  
8 deficiency within 90 days after service of such notice.

9           (4) If the deficiency is not made good and proof  
10 thereof filed with the office ~~department~~ within such 90-day  
11 period, the insurer shall be deemed insolvent and the office  
12 ~~department~~ shall institute delinquency proceedings against it  
13 under chapter 631; except that if such deficiency exists  
14 because of increased loss reserves required by the office  
15 ~~department~~, or because of disallowance by the office  
16 ~~department~~ of certain assets or reduction of the value at  
17 which carried in the insurer's accounts, the office ~~department~~  
18 may, in its discretion and upon application and good cause  
19 shown, and if it finds that the establishment or maintenance  
20 of such inadequate reserves or overvalued assets was not  
21 willful on the part of the insurer, extend for not more than  
22 an additional 60 days the period within which such deficiency  
23 may be so made good and such proof thereof so filed.

24           Section 1279. Subsection (1) of section 628.421,  
25 Florida Statutes, is amended to read:

26           628.421 Assessment of stockholders or members.--

27           (1) Any insurer receiving the notice of the office  
28 ~~department~~ mentioned in s. 628.411(1):

29           (a) If a stock insurer, by resolution of its board of  
30 directors and subject to any limitations upon assessment  
31 contained in its certificate of incorporation, may assess its

1 stockholders for amounts necessary to cure the deficiency and  
2 provide the insurer with a reasonable amount of surplus in  
3 addition. If any stockholder fails to pay a lawful assessment  
4 after notice given to him or her in person or by advertisement  
5 in such time and manner as approved by the office ~~department~~,  
6 the insurer may require the return of the original certificate  
7 of stock held by the stockholder and, in cancellation and in  
8 lieu thereof, issue a new certificate for such number of  
9 shares as the stockholder may then be entitled to, upon the  
10 basis of the stockholder's proportionate interest in the  
11 amount of the insurer's capital stock as determined by the  
12 office ~~department~~ to be remaining at the time of determination  
13 of the amount of impairment under s. 628.411, after deducting  
14 from such proportionate interest the amount of such unpaid  
15 assessment. The insurer may pay for or issue fractional  
16 shares under this subsection.

17 (b) If a mutual insurer, shall levy such an assessment  
18 upon members as is provided for under s. 628.321.

19 Section 1280. Subsections (1) and (2) of section  
20 628.431, Florida Statutes, are amended to read:

21 628.431 Mutualization of stock insurers.--

22 (1) A stock insurer other than a title insurer may  
23 become a mutual insurer under such plan and procedure as may  
24 be approved by the office ~~department~~.

25 (2) The office ~~department~~ shall not approve any such  
26 plan, procedure, or mutualization unless:

27 (a) It is equitable to stockholders and policyholders;

28 (b) It is subject to approval by the holders of not  
29 less than three-fourths of the insurer's outstanding capital  
30 stock having voting rights and by not less than two-thirds of  
31 the insurer's policyholders who vote on such plan in person,

1 by proxy, or by mail pursuant to such notice and procedure as  
2 may be approved by the office ~~department~~;

3 (c) If a life insurer, the right to vote thereon is  
4 limited to holders of policies other than term or group  
5 policies, and whose policies have been in force for more than  
6 1 year;

7 (d) Mutualization will result in retirement of shares  
8 of the insurer's capital stock at a price not in excess of the  
9 fair market value thereof as determined by competent  
10 disinterested appraisers;

11 (e) The plan provides for the purchase of the shares  
12 of any nonconsenting stockholder in the same manner and  
13 subject to the same applicable conditions as provided by s.  
14 607.247, as to rights of nonconsenting stockholders, with  
15 respect to consolidation or merger of private corporations;

16 (f) The plan provides for definite conditions to be  
17 fulfilled by a designated early date upon which such  
18 mutualization will be deemed effective; and

19 (g) The mutualization leaves the insurer with surplus  
20 funds reasonably adequate for the security of its  
21 policyholders and to enable it to continue successfully in  
22 business in the states in which it is then authorized to  
23 transact insurance, and for the kinds of insurance included in  
24 its certificates of authority in such states.

25 Section 1281. Section 628.441, Florida Statutes, is  
26 amended to read:

27 628.441 Converting mutual insurer.--

28 (1) A mutual insurer may become a stock insurer under  
29 such plan and procedure as may be approved by the office  
30 ~~department~~.

31

1           (2) The office ~~department~~ shall not approve any such  
2 plan or procedure unless:

3           (a) It is equitable to the insurer's members;

4           (b) It is subject to approval by vote of not less than  
5 three-fourths of the insurer's current members voting thereon  
6 in person, by proxy, or by mail at a meeting of members called  
7 for the purpose pursuant to such reasonable notice and  
8 procedure as may be approved by the office ~~department~~; if a  
9 life insurer, the right to vote may be limited to members who  
10 hold policies other than term or group policies, and whose  
11 policies have been in force for not less than 1 year;

12           (c) The corporate equity of each policyholder in the  
13 insurer, other than as to unearned premiums, nonforfeiture  
14 rights, and benefit claims under his or her policy, is  
15 determinable under a fair formula approved by the office  
16 ~~department~~, which equity shall be based upon not less than the  
17 insurer's entire surplus, after deducting contributed or  
18 borrowed surplus funds, plus a reasonable present equity in  
19 its reserves and in all nonadmitted assets;

20           (d) The policyholders entitled to participate in the  
21 purchase of stock or distribution of assets shall include all  
22 current policyholders and all existing persons who had been  
23 policyholders of the insurer within 3 years prior to the date  
24 such plan was submitted to the office ~~department~~;

25           (e) The plan gives to each policyholder of the insurer  
26 as specified in paragraph (d) a preemptive right to acquire  
27 his or her proportionate part of all of the proposed capital  
28 stock of the insurer, within a designated reasonable period,  
29 and to apply upon the purchase thereof the amount of his or  
30 her equity in the insurer as determined under paragraph (c);

31

1 (f) Shares are so offered to policyholders at a price  
2 not greater than to be thereafter offered to others;

3 (g) The plan provides for payment of cash to each  
4 policyholder not electing to apply his or her equity in the  
5 insurer toward the purchase price of stock to which he or she  
6 is preemptively entitled. The amount so paid shall be not less  
7 than 50 percent of the amount of the policyholder's equity not  
8 so used for the purchase of stock. Such cash payment together  
9 with stock so purchased, if any, shall constitute full payment  
10 and discharge of the policyholder's corporate equity in such  
11 mutual insurer; and

12 (h) The plan, when completed, would provide for the  
13 converted insurer paid-in capital stock in an amount not less  
14 than the minimum paid-in capital required of a domestic stock  
15 insurer transacting like kinds of insurance, together with  
16 surplus funds in amounts not less than one-half of such  
17 required capital.

18 Section 1282. Subsection (2) of section 628.451,  
19 Florida Statutes, is amended to read:

20 628.451 Merger or share exchange of stock insurers and  
21 other entities.--

22 (2) No such merger or share exchange shall be  
23 effectuated unless in advance thereof the plan and agreement  
24 therefor have been filed with the office ~~department~~ and  
25 approved by it. The office ~~department~~ shall give such approval  
26 provided it finds such plan or agreement:

27 (a) Is in compliance with law;

28 (b) Is fair to the stockholders of or other holders of  
29 interests in any insurer or self-insurer involved; and

30  
31

1 (c) Would not substantially reduce the security of and  
2 service to be rendered to policyholders of the domestic  
3 insurer in this state or elsewhere.

4 Section 1283. Section 628.461, Florida Statutes, is  
5 amended to read:

6 628.461 Acquisition of controlling stock.--

7 (1) No person shall, individually or in conjunction  
8 with any affiliated person of such person, acquire directly or  
9 indirectly, conclude a tender offer or exchange offer for,  
10 enter into any agreement to exchange securities for, or  
11 otherwise finally acquire 5 percent or more of, the  
12 outstanding voting securities of a domestic stock insurer or  
13 of a controlling company, unless:

14 (a) The person or affiliated person has filed with the  
15 office ~~department~~ and sent to the insurer and controlling

17 than 5 days after any form of tender offer or exchange offer  
18 is proposed, or no later than 5 days after the acquisition of  
19 the securities if no tender offer or exchange offer is  
20 involved; and

21 (b) The office ~~department~~ has approved the tender or  
22 exchange offer, or acquisition if no tender offer or exchange  
23 offer is involved, and approval is in effect.

24  
25 In lieu of a filing as required under this subsection, a party  
26 acquiring less than 10 percent of the outstanding voting  
27 securities of an insurer may file a disclaimer of affiliation  
28 and control. The disclaimer shall fully disclose all material  
29 relationships and basis for affiliation between the person and  
30 the insurer as well as the basis for disclaiming the  
31 affiliation and control. After a disclaimer has been filed,

1 the insurer shall be relieved of any duty to register or  
2 report under this section which may arise out of the insurer's  
3 relationship with the person unless and until the office  
4 ~~department~~ disallows the disclaimer. The office ~~department~~  
5 shall disallow a disclaimer only after furnishing all parties  
6 in interest with notice and opportunity to be heard and after  
7 making specific findings of fact to support the disallowance.  
8 A filing as required under this subsection must be made as to  
9 any acquisition that equals or exceeds 10 percent of the  
10 outstanding voting securities.

11 (2) This section does not apply to any acquisition of

13 controlling company by any person who, on July 1, 1976, is the  
14 owner of a majority of such voting securities or who, on or  
15 after July 1, 1976, becomes the owner of a majority of such  
16 voting securities with the approval of the office ~~department~~  
17 pursuant to this section.

18 (3) The statement to be filed with the office  
19 ~~department~~ and furnished to the insurer and controlling  
20 company shall contain the following information and any  
21 additional information as the office deems ~~department may deem~~  
22 necessary to determine the character, experience, ability, and  
23 other qualifications of the person or affiliated person of  
24 such person for the protection of the policyholders and  
25 shareholders of the insurer and the public:

26 (a) The identity of, and the background information  
27 specified in subsection (4) on, each natural person by whom,  
28 or on whose behalf, the acquisition is to be made; and, if the  
29 acquisition is to be made by, or on behalf of, a corporation,  
30 association, or trust, as to the corporation, association, or  
31 trust and as to any person who controls either directly or

1 indirectly the corporation, association, or trust, the  
2 identity of, and the background information specified in  
3 subsection (4) on, each director, officer, trustee, or other  
4 natural person performing duties similar to those of a  
5 director, officer, or trustee for the corporation,  
6 association, or trust;

7 (b) The source and amount of the funds or other  
8 consideration used, or to be used, in making the acquisition;

9 (c) Any plans or proposals which such persons may have  
10 made to liquidate such insurer, to sell any of its assets or  
11 merge or consolidate it with any person, or to make any other  
12 major change in its business or corporate structure or  
13 management; and any plans or proposals which such persons may  
14 have made to liquidate any controlling company of such  
15 insurer, to sell any of its assets or merge or consolidate it  
16 with any person, or to make any other major change in its  
17 business or corporate structure or management;

18 (d) The number of shares or other securities which the  
19 person or affiliated person of such person proposes to  
20 acquire, the terms of the proposed acquisition, and the manner  
21 in which the securities are to be acquired; and

22 (e) Information as to any contract, arrangement, or  
23 understanding with any party with respect to any of the  
24 securities of the insurer or controlling company, including,  
25 but not limited to, information relating to the transfer of  
26 any of the securities, option arrangements, puts or calls, or  
27 the giving or withholding of proxies, which information names  
28 the party with whom the contract, arrangement, or  
29 understanding has been entered into and gives the details  
30 thereof.

31

1           (4)(a) The information as to the background and  
2 identity of each person, which information is required to be

13          4. Whether the person has been, during such 10-year  
14 period, the subject of any proceeding for the revocation of  
15 any license and, if so, the nature of the proceeding and the

17          5. Whether, during the 10-year period, the person has

21 the person was a director, officer, trustee, partner, or other  
22 official has been subject to any such proceeding, either

24 trustee, partner, or other official or within 12 months  
25 thereafter.

26          6. Whether, during the 10-year period, the person has  
27 been enjoined, either temporarily or permanently, by a court  
28 of competent jurisdiction from violating any federal or state  
29 law regulating the business of insurance, securities, or  
30 banking, or from carrying out any particular practice or  
31 practices in the course of the business of insurance,

1 securities, or banking, together with details as to any such  
2 event.

16 such insurer or controlling company pursuant to this section,  
17 an amendment setting forth such changes shall be filed  
18 immediately with the office ~~department~~ and sent immediately to  
19 such insurer and controlling company.

20 (5)(a) The acquisition of voting securities shall be  
21 deemed approved unless the office ~~department~~ disapproves the  
22 proposed acquisition within 90 days after the statement  
23 required by subsection (1) has been filed. The office  
24 ~~department~~ may on its own initiate, or if requested to do so  
25 in writing by a substantially affected party shall conduct, a

31 pendency of the proceeding or review period by the office

1 ~~department~~, any person or affiliated person complying with the  
2 filing requirements of this section may proceed and take all  
3 steps necessary to conclude the acquisition so long as the  
4 acquisition becoming final is conditioned upon obtaining

6 however, at any time that it finds an immediate danger to the  
7 public health, safety, and welfare of the domestic  
8 policyholders exists, immediately order, pursuant to s.

13 review of any acquisition subject to the provisions of this

20 ~~department~~. A material change in the operation of the insurer

2 shall promptly change management as acceptable to the office  
3 ~~department~~.

7 ~~department~~. A recommended order shall be issued within 20 days  
8 of the date of the close of the proceedings. A final order  
9 shall be issued within 20 days of the date of the recommended  
10 order or, if exceptions to the recommended order are filed,  
11 within 20 days of the date the exceptions are filed.

12 (6) The office ~~department~~ may disapprove any  
13 acquisition subject to the provisions of this section by any  
14 person or any affiliated person of such person who:

15 (a) Willfully violates this section;

16 (b) In violation of an order of the office ~~department~~  
17 issued pursuant to subsection (10), fails to divest himself or

27 required by subsection (1) shall have the burden of proof. The  
28 office ~~department~~ shall approve any such acquisition if it  
29 finds, on the basis of the record made during any proceeding  
30 or on the basis of the filed statement if no proceeding is  
31 conducted, that:

1 (a) Upon completion of the acquisition, the domestic  
2 stock insurer will be able to satisfy the requirements for the  
3 issuance of a license to write the line or lines of insurance  
4 for which it is presently licensed;

5 (b) The financial condition of the acquiring person or  
6 persons will not jeopardize the financial stability of the  
7 insurer or prejudice the interests of its policyholders or the  
8 public;

9 (c) Any plan or proposal which the acquiring person  
10 has, or acquiring persons have, made:

11 1. To liquidate the insurer, sell its assets, or merge  
12 or consolidate it with any person, or to make any other major  
13 change in its business or corporate structure or management;  
14 or

15 2. To liquidate any controlling company, sell its  
16 assets, or merge or consolidate it with any person, or to make  
17 any major change in its business or corporate structure or  
18 management which would have an effect upon the insurer

19  
20 is fair and free of prejudice to the policyholders of the  
21 domestic stock insurer or to the public;

22 (d) The competence, experience, and integrity of those  
23 persons who will control directly or indirectly the operation  
24 of the domestic stock insurer indicate that the acquisition is  
25 in the best interest of the policyholders of the insurer and  
26 in the public interest;

27 (e) The natural persons for whom background

30 best interests of the policyholders of the domestic stock

31

1 insurer, and in the public interest, to permit such persons to  
2 exercise control over such domestic stock insurer;

3 (f) The officers and directors to be employed after  
4 the acquisition have sufficient insurance experience and  
5 ability to assure reasonable promise of successful operation;

6 (g) The management of the insurer after the  
7 acquisition will be competent and trustworthy and will possess  
8 sufficient managerial experience so as to make the proposed  
9 operation of the insurer not hazardous to the insurance-buying  
10 public;

11 (h) The management of the insurer after the  
12 acquisition will not include any person who has directly or  
13 indirectly through ownership, control, reinsurance  
14 transactions, or other insurance or business relations  
15 unlawfully manipulated the assets, accounts, finances, or  
16 books of any insurer or otherwise acted in bad faith with  
17 respect thereto;

18 (i) The acquisition is not likely to be hazardous or

23 become effective unless filed with the office ~~department~~ and  
24 approved by it.

25           (2) The office ~~department~~ shall approve such agreement  
26 if it finds it to be fair and equitable to each domestic

28 would not substantially reduce the protection or service to  
29 its policyholders.

30           (3) The plan and agreement for such reinsurance must  
31 be approved by vote of not less than two-thirds of each

1 domestic mutual insurer's members voting thereon at meetings

27 insurer's certificate of authority, whichever date is the  
28 earlier; except, that if the office ~~department~~ has reason to  
29 believe that those in charge of the management of the insurer  
30 have caused or encouraged the reduction of the number of  
31 members of the insurer in anticipation of liquidation and for

1 the purpose of reducing thereby the number of persons who may  
2 be entitled to share in distribution of the insurer's assets,  
3 it may enlarge the 5 years' qualification period above  
4 provided for by such additional period as it may deem to be  
5 reasonable.

6 (2) The distributive share of each such member shall

9 periods of his or her membership bear to the aggregate of all  
10 premiums so earned on the policies of all such members. The  
11 insurer may, and if a life insurer shall, make a reasonable  
12 classification of its policies so held by such members, and a  
13 formula based upon such classification, for determining the  
14 equitable distributive share of each such member. Such  
15 classification and formula shall be subject to the approval of

3 insurance company or interim stock insurance company  
4 subsidiary of the mutual insurance holding company;

5           (e) Acquire the stock or assets of any other person to

18 The members of the foreign mutual insurance company may

14 such consultants. Such payments shall be made directly to the  
15 consultant. The office ~~department~~ shall give such approval  
16 unless it finds such plan or agreement:

19 mutual insurance holding company involved in the merger; or

20 2. Would substantially reduce the security of and  
21 service to be rendered to policyholders of a domestic insurer  
22 in this state.

23 (c) All of the initial shares of the capital stock of  
24 the reorganized subsidiary insurance company shall be issued  
25 either to the mutual insurance holding company, or to an

29 become membership interests in the mutual insurance holding  
30 company. Policyholders of the reorganized insurance company

8 period of 3 years after the merger, shall be the proportionate  
9 share of the total surplus of the merging entities as  
10 determined by the percentage of the surplus contributed by  
11 each of the merging entities to the total surplus of the  
12 surviving entity on the date of the merger.

5 shall be executed by the mutual insurance holding company's  
6 president or vice president and secretary or assistant  
7 secretary and acknowledged before an officer authorized to  
8 take acknowledgments. The mutual insurance holding company  
9 shall deliver the originals of the certificate to the office  
10 ~~department~~.

11           (b) The office ~~department~~ shall promptly examine the  
12 certificate of amendment, and, if the office ~~department~~ finds  
13 that the certificate and the amendment comply with law, the

9 directors or principal officers of the mutual insurance  
10 holding company within 45 days after such change. The written

13 holding company's subsidiary stock insurers will be in  
14 compliance with s. 624.404(3) and, at a minimum, shall contain

30 ~~department~~ has reason to believe that those in charge of the  
31 management of the mutual insurance holding company have caused

1 or encouraged the reduction of the number of members of the  
2 insurer in anticipation of liquidation and for the purpose of  
3 reducing thereby the number of persons who may be entitled to  
4 share in distribution of the insurer's assets, the office  
5 ~~department~~ may enlarge the 3-year qualification period by such  
6 additional time as the office ~~department~~ may deem to be

7 | accounting principles and practices and in a form generally  
8 | utilized by insurers for financial statements, sworn to by at  
9 | least two executive officers of the underwriting member. The  
10 | form of the financial statements shall be the approved form of

29 power to subpoena witnesses, compel their attendance and  
30 testimony, and require by subpoena the production of books,  
31 papers, records, files, correspondence, documents, or other

1 evidence which the examiner deems relevant to the inquiry. If  
2 any person refuses to comply with any such subpoena or to  
3 testify as to any matter concerning which he or she may be  
4 lawfully interrogated, the Circuit Court of Leon County or the  
5 circuit court of the county wherein such examination,

21         a. If any person asks to be excused from attending or  
22 testifying or from producing any books, papers, records,  
23 contracts, documents, or other evidence in connection with any  
24 examination, hearing, or investigation being conducted by the  
25 office ~~department~~ or its examiner, on the ground that the  
26 testimony or evidence required of the person may tend to  
27 incriminate him or her or subject him or her to a penalty or  
28 forfeiture, and the person notwithstanding is directed to give  
29 such testimony or produce such evidence, he or she shall, if  
30 so directed by the office ~~department~~ and the Department of  
31 Legal Affairs, nonetheless comply with such direction; but the

1 person shall not thereafter be prosecuted or subjected to any  
2 penalty or forfeiture for or on account of any transaction,  
3 matter, or thing concerning which he or she may have so

6 any criminal action, investigation, or proceeding; except that  
7 no such person so testifying shall be exempt from prosecution  
8 or punishment for any perjury committed by him or her in such  
9 testimony, and the testimony or evidence so given or produced  
10 shall be admissible against him or her upon any criminal  
11 action, investigation, or proceeding concerning such perjury,  
12 nor shall he or she be exempt from the refusal, suspension, or

18 transaction, matter, or thing specified in such statement, and  
19 thereupon the testimony of such individual or such evidence in  
20 relation to such transaction, matter, or thing may be received  
21 or produced before any judge or justice, court, tribunal,  
22 grand jury, or otherwise; and if such testimony or evidence is  
23 so received or produced, such individual shall not be entitled  
24 to any immunity or privileges on account of any testimony so  
25 given or evidence so produced.

26         20. Penalty for failure to testify.--Any person who  
27 refuses or fails, without lawful cause, to testify relative to  
28 the affairs of any member, associate broker, or other person  
29 when subpoenaed and requested by the office ~~department~~ to so  
30 testify, as provided in subparagraph 17., shall, in addition  
31 to the penalty provided in subparagraph 17., be guilty of a

3           21. Name selection.--No underwriting member shall be  
4 formed or authorized to transact insurance in this state under  
5 a name which is the same as that of any authorized insurer or  
6 is so nearly similar thereto as to cause or tend to cause  
7 confusion or under a name which would tend to mislead as to  
8 the type of organization of the insurer. Before incorporating  
9 under or using any name, the underwriting syndicate or  
10 proposed underwriting syndicate shall submit its name or  
11 proposed name to the office ~~department~~ for the approval of the  
12 office ~~department~~.

13           22. Capitalization.--An underwriting member approved  
14 on or after July 2, 1987, shall provide an initial paid-in  
15 capital and surplus of \$3 million and thereafter shall  
16 maintain a minimum policyholder surplus of \$2 million in order  
17 to be permitted to write insurance. Underwriting members  
18 approved prior to July 2, 1987, shall maintain a minimum  
19 policyholder surplus of \$1 million. After June 29, 1988,  
20 underwriting members approved prior to July 2, 1987, must

25 After December 30, 1989, all underwriting members, regardless  
26 of the date they were approved, must maintain a minimum  
27 policyholder surplus of \$2 million to write insurance. Except  
28 for that portion of the paid-in capital and surplus which  
29 shall be maintained in a security fund of an exchange, the  
30 paid-in capital and surplus shall be invested by an  
31 underwriting member in a manner consistent with ss.

2 surplus in any security fund of an exchange shall be invested  
3 in a manner limited to investments for life insurance  
4 companies under the Florida insurance laws.

5 23. Limitations on coverage written.--

6 a. Limit of risk.--No underwriting member shall expose  
7 itself to any loss on any one risk in an amount exceeding 10

11 state shall be deducted in determining the limitation of risk  
12 prescribed in this section.

13 b. Restrictions on premiums written.--If the office  
14 ~~department~~ has reason to believe that the underwriting  
15 member's ratio of actual or projected annual gross written  
16 premiums to policyholder surplus exceeds 8 to 1 or the  
17 underwriting member's ratio of actual or projected annual net  
18 premiums to policyholder surplus exceeds 4 to 1, the office  
19 ~~department~~ may establish maximum gross or net annual premiums

21 maintaining the ratios specified in this sub-subparagraph.

22 (I) Projected annual net or gross premiums shall be  
23 based on the actual writings to date for the underwriting  
24 member's current calendar year, its writings for the previous  
25 calendar year, or both. Ratios shall be computed on an  
26 annualized basis.

27 (II) For purposes of this sub-subparagraph, the term  
28 "gross written premiums" means direct premiums written and  
29 reinsurance assumed.

30 c. Surplus as to policyholders.--For the purpose of  
31 determining the limitation on coverage written, surplus as to

1 policyholders shall be deemed to include any voluntary  
2 reserves, or any part thereof, which are not required by or  
3 pursuant to law and shall be determined from the last sworn  
4 statement of such underwriting member with the office  
5 ~~department~~, or by the last report or examination filed by the  
6 office ~~department~~, whichever is more recent at the time of  
7 assumption of such risk.

8           24. Unearned premium reserves.--All unearned premium  
9 reserves for business written on the exchange shall be  
10 calculated on a monthly or more frequent basis or on such  
11 other basis as determined by the office ~~department~~; except

16 exchange shall maintain loss reserves, including a reserve for  
17 incurred but not reported claims. The reserves shall be  
18 subject to review by the office ~~department~~, and, if loss  
19 experience shows that an underwriting member's loss reserves  
20 are inadequate, the office ~~department~~ shall require the  
21 underwriting member to maintain loss reserves in such  
22 additional amount as is needed to make them adequate.

23           26. Distribution of profits.--An underwriting member  
24 shall not distribute any profits in the form of cash or other

27 operating profits on its business and realized capital gains.  
28 In any one year such payments to owners shall not exceed 30  
29 percent of such surplus as of December 31 of the immediately  
30 preceding year, unless otherwise approved by the office  
31 ~~department~~. No distribution of profits shall be made that

2 insolvent.

3           27. Stock dividends.--A stock dividend may be paid by  
4 an underwriting member out of any available surplus funds in  
5 excess of the aggregate amount of surplus advanced to the  
6 underwriting member under subparagraph 29.

7           28. Dividends from earned surplus.--A dividend  
8 otherwise lawful may be payable out of an underwriting  
9 member's earned surplus even though the total surplus of the

11 past contributed surplus resulting from issuance of its  
12 capital stock at a price in excess of the par value thereof.

13           29. Borrowing of money by underwriting members.--

14           a. An underwriting member may borrow money to defray

16 funds, or for any purpose of its business, upon a written  
17 agreement that such money is required to be repaid only out of  
18 the underwriting member's surplus in excess of that stipulated  
19 in such agreement. The agreement may provide for interest not  
20 exceeding 15 percent simple interest per annum. The interest  
21 shall or shall not constitute a liability of the underwriting  
22 member as to its funds other than such excess of surplus, as  
23 stipulated in the agreement. No commission or promotion  
24 expense shall be paid in connection with any such loan. The  
25 use of any surplus note and any repayments thereof shall be  
26 subject to the approval of the office ~~department~~.

27           b. Money so borrowed, together with any interest  
28 thereon if so stipulated in the agreement, shall not form a  
29 part of the underwriting member's legal liabilities except as  
30 to its surplus in excess of the amount thereof stipulated in  
31 the agreement, nor be the basis of any setoff; but until

1 repayment, financial statements filed or published by an  
2 underwriting member shall show as a footnote thereto the  
3 amount thereof then unpaid, together with any interest thereon  
4 accrued but unpaid.

5           30. Liquidation, rehabilitation, and  
6 restrictions.--The office ~~department~~, upon a showing that a  
7 member or associate broker of an exchange has met one or more  
8 of the grounds contained in part I of chapter 631, may  
9 restrict sales by type of risk, policy or contract limits,  
10 premium levels, or policy or contract provisions; increase  
11 surplus or capital requirements of underwriting members; issue  
12 cease and desist orders; suspend or restrict a member's or  
13 associate broker's right to transact business; place an  
14 underwriting member under conservatorship or rehabilitation;  
15 or seek an order of liquidation as authorized by part I of  
16 chapter 631.

17           31. Prohibited conduct.--The following acts by a  
18 member, associate broker, or affiliated person shall  
19 constitute prohibited conduct:

20           a. Fraud.

21           b. Fraudulent or dishonest acts committed by a member  
22 or associate broker prior to admission to an exchange, if the

16 further transaction of business on the exchange of any member  
17 or associate broker found to have engaged in prohibited  
18 conduct. In addition, any member or associate broker found to  
19 have engaged in prohibited conduct may be subject to  
20 reprimand, censure, and/or a fine not exceeding \$25,000  
21 imposed by the office ~~department~~.

22 b. Any member which has an affiliated person who is  
23 found to have engaged in prohibited conduct shall be subject

2 that is suspended shall be deprived, during the period of  
3 suspension, of all rights and privileges of a member or of an  
4 associate broker and may be proceeded against by the office  
5 ~~department~~ for any offense committed either before or after  
6 the date of suspension.

7           35. Reinstatement.--Any member or associate broker  
8 that is suspended may be reinstated at any time on such terms  
9 and conditions as the office ~~department~~ may specify.

10           36. Remittance of fines.--Fines imposed under this  
11 section shall be remitted to the office ~~department~~ and shall  
12 be paid into the Insurance ~~Commissioner's~~ Regulatory Trust  
13 Fund.

14           37. Failure to pay fines.--When a member or associate  
15 broker has failed to pay a fine for 15 days after it becomes  
16 payable, such member or associate broker shall be suspended,  
17 unless the office ~~department~~ has granted an extension of time  
18 to pay such fine.

19           38. Changes in ownership or assets.--In the event of a  
20 major change in the ownership or a major change in the assets  
21 of an underwriting member, the underwriting member shall  
22 report such change in writing to the office ~~department~~ within

9 of such other state or country continue in force or are so  
10 applied, the same taxes, licenses, and other fees, in the  
11 aggregate, or fines, penalties, deposit requirements, or other  
12 material obligations, prohibitions, or restrictions of

1 chapter 625; and if such withdrawal is requested in writing by  
2 the insurer's United States manager pursuant to general or  
3 specific written authority previously given or delegated by  
4 the insurer's board of directors or other similar governing  
5 body, and a copy of such authority has been filed with the

12 insurer's deposit in this state to an amount less than the  
13 minimum deposit required under s. 624.412. The trustee or  
14 trustees shall transfer any assets so withdrawn, and in the

27 of this chapter.

28 (3) If at any time the insurer becomes insolvent, or  
29 if its assets held in the United States are less in amount  
30 than as required under s. 624.412(1), upon determination  
31 thereof the office ~~department~~ shall in writing order the

1 trustee to suspend the right of the insurer or any other  
2 person to withdraw assets as otherwise authorized under  
3 paragraphs (1)(a), (b), and (c); and the trustee shall comply  
4 with such order until the further order of the office  
5 ~~department~~.

6 (4) In the case of withdrawal of trusted assets  
7 deposited in another state in which the insurer is authorized  
8 to do business, it shall be sufficient if the trust agreement  
9 requires similar written approval of the insurance supervisory  
10 official of such state in lieu of any required approval of the  
11 office ~~department~~. In all such cases, the insurer shall notify  
12 the office ~~department~~ in writing of the nature and extent of  
13 such withdrawal.

14 Section 1336. Section 630.091, Florida Statutes, is

21 thereof.

22 (2) If the trustee or trustees fail to file any such  
23 statement after request therefor and expiration of a  
24 reasonable time thereafter, the office ~~department~~ may suspend  
25 or revoke the certificate of authority of the insurer.

26 Section 1337. Section 630.101, Florida Statutes, is  
27 amended to read:

10 prior written approval of the office ~~department~~ and subject to  
11 the final approval of the office ~~department~~, domesticate its  
12 United States branch, if entered through this state, by

14 insurer providing for the acquisition by the domestic insurer  
15 of all the liabilities of the United States branch for no  
16 consideration other than the assumption of such liabilities;  
17 except that the agreement may further provide for additional  
18 consideration payable by the issuance by the acquiring  
19 domestic insurer of shares of its capital stock.

20 (2) Such shares of capital stock of the acquiring  
21 domestic insurer, or voting trust certificates representing  
22 such shares, as are held among the trustee assets of the  
23 United States branch of the alien insurer or are held in a  
24 trust created by the alien insurer and of which the alien  
25 insurer is a beneficiary shall be deemed to be shares held  
26 beneficially, but indirectly, by an alien insurer.

27 (3) The acquisition of assets and assumption of  
28 liabilities of the United States branch by the domestic  
29 insurer shall be effected by the filing with the office  
30 ~~department~~ of an instrument of transfer and assumption in form  
31

1 satisfactory to the office ~~department~~ and executed by the  
2 alien insurer and the domestic insurer.

3 (4) A domestic insurer may either be authorized to  
4 transact insurance in this state prior to entering into such  
5 domestication agreement or may, if the office ~~department~~ so  
6 approves, be authorized effective with the consummation of the  
7 domestication agreement in accordance with the provisions of

2 assumes all its liabilities as provided by ss.  
3 630.131-630.161, the domestication of the United States branch  
4 shall be deemed to be effective; and thereupon all the rights,  
5 franchises, and interests of the United States branch in and  
6 to every species of property, real, personal, and mixed, and  
7 things in action thereunto belonging shall be deemed as  
8 transferred to and vested in the domestic insurer, and  
9 simultaneously therewith the domestic insurer shall be deemed  
10 to have assumed all of the liabilities of the United States  
11 branch.

12 (2) All deposits of the United States branch held by  
13 the department, or state officers or other state regulatory

18 within the United States of the United States branch; and such  
19 deposits shall be deemed to be assets of the domestic insurer

4 amended to read:

5 631.221 Deposit of moneys collected.--The moneys  
6 collected by the department in a proceeding under this chapter

30 guaranty association may make reports and recommendations to  
31 the department or office upon any matter germane to the

1 solvency, liquidation, rehabilitation, or conservation of any  
2 member insurer or germane to the solvency of any company  
3 seeking to do an insurance business in this state. Such  
4 reports and recommendations are confidential and exempt from  
5 the provisions of s. 119.07(1) until the termination of a  
6 delinquency proceeding.

7 (2) The office ~~department~~ shall:

8 (a) Report to the board of directors of the  
9 appropriate insurance guaranty association when it has

13 (b) Seek the advice and recommendations of the board

1           2. The obligation under subparagraph 1. shall include  
2 only that amount of each covered claim which is in excess of  
3 \$100 and is less than \$300,000, except with respect to  
4 policies covering condominium associations or homeowners'  
5 associations, which associations have a responsibility to

7 association, the obligation shall include that amount of each  
8 covered property insurance claim which is less than \$100,000

10 residential units; however, as to homeowners' associations,  
11 this subparagraph applies only to claims for damage or loss to  
12 residential units and structures attached to residential  
13 units.

14           3. In no event shall the association be obligated to a  
15 policyholder or claimant in an amount in excess of the

17 which the claim arises.

18  
19 ~~The foregoing notwithstanding, the association shall have no~~  
20 ~~obligation to pay covered claims to be paid from the proceeds~~  
21 ~~of bonds issued under s. 166.111(2). However, the association~~

23 ~~such covered claims, and such assessments shall be assigned~~  
24 ~~and pledged under paragraph (3)(e) to or on behalf of the~~  
25 ~~issuer of such bonds for the benefit of the holders of such~~  
26 ~~bonds. The association shall administer any such covered~~

13 insurers for the preceding calendar year for the kinds of

16 manner specified by the approved plan. Each insurer so  
17 assessed shall have at least 30 days' written notice as to the  
18 date the assessment is due and payable. Every assessment  
19 shall be made as a uniform percentage applicable to the net  
20 direct written premiums of each insurer in the kinds of  
21 insurance included within the account in which the assessment  
22 is made. The assessments levied against any insurer shall not  
23 exceed in any one year more than 2 percent of that insurer's  
24 net direct written premiums in this state for the kinds of  
25 insurance included within such account during the calendar  
26 year next preceding the date of such assessments.

27           (b) If sufficient funds from such assessments,  
28 together with funds previously raised, are not available in  
29 any one year in the respective account to make all the  
30 payments or reimbursements then owing to insurers, the funds  
31

1 available shall be prorated and the unpaid portion shall be  
2 paid as soon thereafter as funds become available.

3 (c) Assessments shall be included as an appropriate  
4 factor in the making of rates.

5 (d) No state funds of any kind shall be allocated or  
6 paid to said association or any of its accounts.

7 ~~(e)1.a. In addition to assessments otherwise~~  
8 ~~authorized in paragraph (a), as a temporary measure related to~~  
9 ~~insolvencies caused by Hurricane Andrew, and to the extent~~  
10 ~~necessary to secure the funds for the account specified in s.~~  
11 ~~631.55(2)(c), or to retire indebtedness, including, without~~  
12 ~~limitation, the principal, redemption premium, if any, and~~  
13 ~~interest on, and related costs of issuance of, bonds issued~~  
14 ~~under s. 166.111(2), and the funding of any reserves and other~~  
15 ~~payments required under the bond resolution or trust indenture~~  
16 ~~pursuant to which such bonds have been issued, the department,~~  
17 ~~upon certification of the board of directors, shall levy~~  
18 ~~assessments upon insurers holding a certificate of authority~~  
19 ~~as follows:~~

20 ~~(I) Except as provided in sub-sub-subparagraph (II),~~  
21 ~~the assessments payable under this paragraph by any insurer~~  
22 ~~shall not exceed in any 1 year more than 2 percent of that~~  
23 ~~insurer's direct written premiums, net of refunds, in this~~  
24 ~~state during the preceding calendar year for the kinds of~~  
25 ~~insurance within the account specified in s. 631.55(2)(c).~~

26 ~~(II) If the amount levied under sub-sub-subparagraph~~  
27 ~~(I) is less than 2 percent of the insurer's direct written~~  
28 ~~premiums, net of refunds, in this state during calendar year~~  
29 ~~1991 for the kinds of insurance within the account specified~~  
30 ~~in s. 631.55(2)(c), in addition to and separate from such~~  
31 ~~assessment, the assessment shall also include the difference~~

1 ~~between the amount calculated based on calendar year 1991 and~~  
2 ~~the amount determined under sub-sub-subparagraph (I). If this~~  
3 ~~sub-sub-subparagraph is held invalid, the invalidity shall not~~  
4 ~~affect other provisions of this section, and to this end the~~  
5 ~~provisions of this section are declared severable.~~

6 ~~(III) In addition to any other insurers subject to~~  
7 ~~this subparagraph, this subparagraph also applies to any~~  
8 ~~insurer that held a certificate of authority on August 24,~~  
9 ~~1992. If this sub-sub-subparagraph is held invalid, the~~  
10 ~~invalidity shall not affect other provisions of this section,~~  
11 ~~and to this end the provisions of this section are declared~~  
12 ~~severable.~~

13 ~~b. Any assessments authorized under this paragraph~~  
14 ~~shall be levied by the department upon insurers referred to in~~  
15 ~~sub-subparagraph a., upon certification as to the need~~  
16 ~~therefor by the board of directors, in 1992 and in each year~~  
17 ~~that bonds issued under s. 166.111(2) are outstanding, in such~~  
18 ~~amounts up to such 2 percent limit as required in order to~~  
19 ~~provide for the full and timely payment of the principal of,~~  
20 ~~redemption premium, if any, and interest on, and related costs~~  
21 ~~of, issuance of bonds issued under s. 166.111(2). The~~  
22 ~~assessments provided for in this paragraph are hereby assigned~~  
23 ~~and pledged to a municipality issuing bonds under s.~~  
24 ~~166.111(2)(b), for the benefit of the holders of such bonds,~~  
25 ~~in order to enable such municipality to provide for the~~  
26 ~~payment of the principal of, redemption premium, if any, and~~  
27 ~~interest on such bonds, the cost of issuance of such bonds,~~  
28 ~~and the funding of any reserves and other payments required~~  
29 ~~under the bond resolution or trust indenture pursuant to which~~  
30 ~~such bonds have been issued, without the necessity of any~~  
31 ~~further action by the association, the department, or any~~

1 ~~other party. To the extent that bonds are issued under s.~~  
2 ~~166.111(2), the proceeds of assessments levied under this~~  
3 ~~paragraph shall be remitted directly to and administered by~~  
4 ~~the trustee appointed for such bonds.~~

5 ~~c. Assessments under this paragraph shall be payable~~  
6 ~~in 12 monthly installments with the first installment being~~  
7 ~~due and payable at the end of the month after an assessment is~~  
8 ~~levied, and subsequent installments being due not later than~~  
9 ~~the end of each succeeding month.~~

10 ~~d. The association shall issue a monthly report on the~~  
11 ~~status of the use of the bond proceeds as related to~~  
12 ~~insolvencies caused by Hurricane Andrew. The report must~~  
13 ~~contain the number of claims paid and the amount of claims~~  
14 ~~paid. The association shall also include an analysis of the~~  
15 ~~revenue generated from the additional assessment levied under~~  
16 ~~this subsection. The report must be sent to the Legislature~~  
17 ~~and the Insurance Commissioner monthly.~~

18 ~~2. In order to assure that insurers paying assessments~~  
19 ~~levied under this paragraph continue to charge rates that are~~  
20 ~~neither inadequate nor excessive, within 90 days after being~~  
21 ~~notified of such assessments, each insurer that is to be~~  
22 ~~assessed pursuant to this paragraph shall make a rate filing~~  
23 ~~for coverage included within the account specified in s.~~  
24 ~~631.55(2)(c) and for which rates are required to be filed~~  
25 ~~under s. 627.062. If the filing reflects a rate change that,~~  
26 ~~as a percentage, is equal to the difference between the rate~~  
27 ~~of such assessment and the rate of the previous year's~~  
28 ~~assessment under this paragraph, the filing shall consist of a~~  
29 ~~certification so stating and shall be deemed approved when~~  
30 ~~made, subject to the department's continuing authority to~~  
31 ~~require actuarial justification as to the adequacy of any rate~~

1 ~~at any time. Any rate change of a different percentage shall~~  
2 ~~be subject to the standards and procedures of s. 627.062.~~

22 shall take effect unless approved by the office ~~department~~,  
23 which shall approve such amendment if it finds that the  
24 amendment has been duly adopted and is not inconsistent with  
25 any requirement of the laws of this state or with the  
26 character, objects, and purposes of the society. Unless the  
27 office ~~department~~ shall disapprove any such amendment within  
28 90 days after the filing of same, the amendment shall be  
29 considered approved. The approval or disapproval of the  
30 office ~~department~~ shall be in writing and mailed to the  
31 secretary or corresponding officer of the society at its

1 principal office. In case the office ~~department~~ disapproves  
2 the amendment, the reasons therefor shall be stated in the  
3 written notice.

4 (3) Within 90 days from the approval thereof by the  
5 office ~~department~~, all such amendments or a synopsis thereof  
6 shall be furnished to all members of the society either by  
7 mail or by publication in full in the official publication of  
8 the society. The affidavit of any officer of the society or of  
9 anyone authorized by it to mail any amendments or a synopsis  
10 thereof, stating facts which show that same have been duly  
11 addressed and mailed, shall be prima facie evidence that such  
12 amendments or a synopsis thereof have been furnished the  
13 addressee.

14 (4) Every foreign or alien society authorized to do  
15 business in this state shall file with the office ~~department~~ a  
16 duly certified copy of all amendments of, or additions to, its  
17 laws within 90 days after the enactment of same.

18 Section 1375. Section 632.614, Florida Statutes, is  
19 amended to read:

20 632.614 Reinsurance.--

21 (1) A domestic society may, by a reinsurance  
22 agreement, cede any individual risk or risks in whole or in  
23 part to an insurer, other than another fraternal benefit  
24 society, having the power to make such reinsurance and  
25 authorized to do business in this state, or if not so  
26 authorized, to an insurer which is approved by the office  
27 ~~department~~. However, no domestic society may reinsure 75  
28 percent or more of its insurance in force without the written  
29 permission of the office ~~department~~. The domestic society may  
30 take credit for the reserves on such ceded risks to the extent  
31 reinsured, but no credit shall be allowed as an admitted asset

1 or as a deduction from liability, to a ceding society for  
2 reinsurance made, ceded, renewed, or otherwise becoming  
3 effective after the effective date of this act, unless the  
4 reinsurance is payable by the assuming insurer on the basis of  
5 the liability of the ceding society under the contract or  
6 contracts reinsured without diminution because of the  
7 insolvency of the ceding society.

8 (2) Notwithstanding the limitation in subsection (1),  
9 a society may reinsure the risks of another society in a  
10 consolidation or merger approved by the office ~~department~~  
11 under s. 632.615.

12 Section 1376. Subsections (1) and (2) of section  
13 632.615, Florida Statutes, are amended to read:

14 632.615 Consolidations and mergers.--

15 (1) A domestic society may not consolidate or merge  
16 with any other insurer other than another society. It may  
17 consolidate or merge with another society by complying with  
18 the provisions of this section. It shall file with the office  
19 ~~department~~:

20 (a) A certified copy of the written contract  
21 containing in full the terms and conditions of the  
22 consolidation or merger;

23 (b) A sworn statement by the president and secretary  
24 or corresponding officers of each society showing the  
25 financial condition thereof on a date fixed by the office  
26 ~~department~~ but not earlier than December 31 next preceding the  
27 date of the contract;

28 (c) A certificate of such officers, duly verified by  
29 their respective oaths, that the consolidation or merger has  
30 been approved by a two-thirds vote of the supreme governing  
31 body of each society, such vote being conducted at a regular

1 or special meeting of each such body, or, if the society's  
2 laws so permit, by mail; and

3 (d) Evidence that at least 60 days prior to the action  
4 of the supreme governing body of each society, the text of the  
5 contract has been furnished to all members of each society  
6 either by mail or by publication in full in the official  
7 publication of each society.

8 (2) If the office ~~department~~ finds that the contract  
9 is in conformity with the provisions of this section, that the  
10 financial statements are correct, and that the consolidation  
11 or merger is just and equitable to the members of each  
12 society, the office ~~department~~ shall approve the contract and  
13 issue a certificate to such effect. Upon such approval, the  
14 contract shall be in full force and effect unless any society  
15 which is a party to the contract is incorporated under the  
16 laws of any other state or territory. In such event the  
17 consolidation or merger shall not become effective unless and  
18 until it has been approved as provided by the laws of such  
19 state or territory and a certificate of such approval filed  
20 with the office ~~department~~ or, if the laws of such state or  
21 territory contain no such provision, then the consolidation or  
22 merger shall not become effective unless and until it has been  
23 approved by the insurance supervisory official of such state  
24 or territory and a certificate of such approval filed with the  
25 office ~~department~~.

26 Section 1377. Section 632.616, Florida Statutes, is  
27 amended to read:

29 mutual life insurance company.--Any domestic fraternal benefit  
30 society may be converted and licensed as a mutual life  
31 insurance company by compliance with all the requirements of

1 chapter 628. A plan of conversion shall be prepared in  
2 writing by the board of directors setting forth in full the  
3 terms and conditions of conversion. The affirmative vote of  
4 two-thirds of all members of the supreme governing body at a  
5 regular or special meeting shall be necessary for the approval  
6 of such plan. No such conversion shall take effect unless and  
7 until approved by the office ~~department~~, which may give such  
8 approval if it finds that the proposed change is in conformity  
9 with the requirements of law and not prejudicial to the  
10 certificateholders of the society.

11 Section 1378. Subsection (6) of section 632.621,  
12 Florida Statutes, is amended to read:

13 632.621 The benefit contract.--

15 delivery in this state unless a copy of the form has been  
16 filed with the office ~~department~~ in the manner provided for  
17 like policies issued by life insurers in this state. Every  
18 life, accident, health, or disability insurance certificate  
19 and every annuity certificate issued on or after one year from  
20 June 24, 1986, shall meet the standard contract provision  
21 requirements not inconsistent with this chapter for like  
22 policies issued by life insurers in this state, except that a  
23 society may provide for a grace period for payment of premiums  
24 of 1 full month in its certificates. The certificate shall  
25 also contain a provision stating the amount of premiums which  
26 are payable under the certificate and a provision reciting or  
27 setting forth the substance of any sections of the society's  
28 laws or rules in force at the time of issuance of the  
29 certificate which, if violated, will result in the termination  
30 or reduction of benefits payable under the certificate. If  
31 the laws of the society provide for expulsion or suspension of

1 a member, the certificate shall also contain a provision that  
2 any member so expelled or suspended, except for nonpayment of  
3 a premium or within the contestable period for material  
4 misrepresentation in the application for membership or  
5 insurance, shall have the privilege of maintaining the  
6 certificate in force by continuing payment of the required  
7 premium.

8 Section 1379. Subsection (2) of section 632.622,  
9 Florida Statutes, is amended to read:

16 life insurers under s. 625.121.

18 Florida Statutes, is amended to read:

19 632.627 Valuation.--

20 (3) The office ~~department~~ may, in its discretion,  
21 accept other standards for valuation if it finds that the  
22 reserves produced thereby will not be less in the aggregate  
23 than reserves computed in accordance with the minimum  
24 valuation standard herein prescribed. The office ~~department~~  
25 may, in its discretion, vary the standards of mortality  
26 applicable to all benefit contracts on substandard lives or  
27 other extra hazardous lives by any society authorized to do  
28 business in this state.

29 Section 1381. Section 632.628, Florida Statutes, is  
30 amended to read:

7 affairs for the preceding calendar year and pay a fee for  
8 filing same, as provided in s. 624.501(4). The statement  
9 shall be in general form and context as approved by the  
10 National Association of Insurance Commissioners for fraternal  
11 benefits societies and as supplemented by additional  
12 information required by the office ~~department~~.

18 filing such valuation for not more than 2 calendar months.  
19 Such valuation shall be done in accordance with the standards  
20 specified in s. 632.627. Such valuation and underlying data  
21 shall be certified by a qualified actuary or, at the expense  
22 of the society, verified by the actuary of the insurance  
23 ~~regulatory agency department of insurance~~ of the state of  
24 domicile of the society.

25           (3) A society neglecting to file the annual statement  
26 in the form and within the time provided by this section shall  
27 be subject to an administrative fine in an amount up to \$100  
28 for each day during which such neglect continues, and, upon  
29 notice by the office ~~department~~ to that effect, its authority  
30 to do business in this state shall cease while such default  
31 continues.

1           (4) The office ~~department~~ shall deposit all fees  
2 received under this section to the credit of the Insurance  
3 ~~Commissioner's~~ Regulatory Trust Fund.

8 business in this state unless authorized therefor under a  
9 subsisting license issued to the society by the office  
10 ~~department~~.

11           (2) A license issued or renewed under this chapter  
12 shall continue in force as long as the society is entitled  
13 thereto under this chapter and until suspended or revoked by  
14 the office ~~department~~ or terminated at the request of the  
15 society, provided:

16           (a) The society pays, prior to June 1, the annual

24 shall promptly notify the society of the impending expiration  
25 of its license.

26           (4) The office ~~department~~ may reinstate a license

29 the expiration and upon payment by the society of the fee for  
30 reinstatement in the amount provided in s. 624.501(1)(b).  
31 Otherwise, the society shall be granted another license only

1 after filing application therefor and meeting all other

3 (5) A duly certified copy or duplicate of such license

16 as provided in the laws regulating insurers shall also be  
17 applicable to the examination of societies.

18 (2) The expense of each examination and of each  
19 valuation, including compensation and actual expense of  
20 examiners, shall be paid by the society examined or whose

23 Section 1384. Section 632.632, Florida Statutes, is  
24 amended to read:

26 amended to read:

27           632.633 Additional grounds for suspension, revocation,  
28 or denial of certificate of authority; receivership;  
29 insolvency.--

30           (1) In addition to the grounds set forth in s.  
31 624.418, the office ~~department~~ may, in its discretion,

1 suspend, revoke, or deny the certificate of authority of a

4 (b) Has failed to comply with any provision of this  
5 chapter;  
6 (c) Is not fulfilling its contracts in good faith;  
7 (d) Has a membership of less than 400 after an  
8 existence of 1 year or more; or  
9 (e) Is conducting business fraudulently or in a manner  
10 hazardous to its members, creditors, the public, or the  
11 business.  
12 (2) In addition to the grounds set forth in s.  
13 626.9571, whenever the office ~~department~~ has reason to believe  
14 that any society is operating in violation of this chapter or  
15 of any provision of the Florida Insurance Code applicable to  
16 societies, the provisions of ss. 626.9571, 626.9581, 626.9591,  
17 and 626.9601 shall apply.  
18 (3) Any rehabilitation, liquidation, conservation, or  
19 dissolution of a society shall be conducted under the  
20 supervision of the department. The department and office  
21 shall have all the powers with respect to such rehabilitation,  
22 liquidation, conservation, or dissolution that are granted to  
23 the department and office under the laws governing the  
24 rehabilitation, liquidation, conservation, or dissolution of  
25 life insurance companies.  
26 Section 1386. Subsection (5) of section 632.637,  
27 Florida Statutes, is amended to read:  
28 632.637 Exemption of certain societies.--  
29 (5) The office ~~department~~ may require from any society

1 society or association is exempt from the provisions of this  
2 chapter.

3 Section 1387. Subsection (1) of section 633.01,  
4 Florida Statutes, is amended to read:

5 633.01 State Fire Marshal; powers and duties; rules.--

6 (1) The Chief Financial Officer is ~~head of the~~  
7 ~~Department of Insurance shall be~~ designated as "State Fire  
8 Marshal." The State Fire Marshal has authority to adopt rules  
9 pursuant to ss. 120.536(1) and 120.54 to implement the  
10 provisions of this chapter conferring powers or duties upon  
11 the department. Rules shall be in substantial conformity with  
12 generally accepted standards of firesafety; shall take into  
13 consideration the direct supervision of children in  
14 nonresidential child care facilities; and shall balance and  
15 temper the need of the State Fire Marshal to protect all  
16 Floridians from fire hazards with the social and economic  
17 inconveniences that may be caused or created by the rules. The  
18 department shall adopt the Florida Fire Prevention Code and  
19 the Life Safety Code.

20 Section 1388. Subsection (1) of section 633.022,  
21 Florida Statutes, is amended to read:

22 633.022 Uniform firesafety standards.--The Legislature  
23 hereby determines that to protect the public health, safety,  
24 and welfare it is necessary to provide for firesafety  
25 standards governing the construction and utilization of  
26 certain buildings and structures. The Legislature further  
27 determines that certain buildings or structures, due to their  
28 specialized use or to the special characteristics of the  
29 person utilizing or occupying these buildings or structures,  
30 should be subject to firesafety standards reflecting these  
31 special needs as may be appropriate.

1           (1) The department ~~of Insurance~~ shall establish  
2 uniform firesafety standards that apply to:

3           (a) All new, existing, and proposed state-owned and  
4 state-leased buildings.

5           (b) All new, existing, and proposed hospitals, nursing  
6 homes, assisted living facilities, adult family-care homes,  
7 correctional facilities, public schools, transient public  
8 lodging establishments, public food service establishments,  
9 elevators, migrant labor camps, mobile home parks, lodging  
10 parks, recreational vehicle parks, recreational camps,  
11 residential and nonresidential child care facilities,  
12 facilities for the developmentally disabled, motion picture  
13 and television special effects productions, and self-service  
14 gasoline stations, of which standards the State Fire Marshal  
15 is the final administrative interpreting authority.

16  
17 In the event there is a dispute between the owners of the  
18 buildings specified in paragraph (b) and a local authority  
19 requiring a more stringent uniform firesafety standard for  
20 sprinkler systems, the State Fire Marshal shall be the final  
21 administrative interpreting authority and the State Fire  
22 Marshal's interpretation regarding the uniform firesafety  
23 standards shall be considered final agency action.

24           Section 1389. Subsection (4) of section 633.025,  
25 Florida Statutes, is amended to read:

26           633.025 Minimum firesafety standards.--

27           (4) Such codes shall be minimum codes and a  
28 municipality, county, or special district with firesafety  
29 responsibilities may adopt more stringent firesafety  
30 standards, subject to the requirements of this subsection.  
31 Such county, municipality, or special district may establish

1 alternative requirements to those requirements which are  
2 required under the minimum firesafety standards on a  
3 case-by-case basis, in order to meet special situations  
4 arising from historic, geographic, or unusual conditions, if  
5 the alternative requirements result in a level of protection  
6 to life, safety, or property equal to or greater than the  
7 applicable minimum firesafety standards. For the purpose of  
8 this subsection, the term "historic" means that the building  
9 or structure is listed on the National Register of Historic  
10 Places of the United States Department of the Interior.

11 (a) The local governing body shall determine,  
12 following a public hearing which has been advertised in a  
13 newspaper of general circulation at least 10 days before the  
14 hearing, if there is a need to strengthen the requirements of  
15 the minimum firesafety code adopted by such governing body.  
16 The determination must be based upon a review of local  
17 conditions by the local governing body, which review  
18 demonstrates that local conditions justify more stringent  
19 requirements than those specified in the minimum firesafety  
20 code for the protection of life and property or justify  
21 requirements that meet special situations arising from  
22 historic, geographic, or unusual conditions.

23 (b) Such additional requirements shall not be  
24 discriminatory as to materials, products, or construction  
25 techniques of demonstrated capabilities.

26 (c) Paragraphs (a) and (b) apply solely to the local  
27 enforcing agency's adoption of requirements more stringent  
28 than those specified in the Florida Fire Prevention Code and  
29 the Life Safety Code that have the effect of amending building  
30 construction standards. Upon request, the enforcing agency  
31 shall provide a person making application for a building

1 permit, or any state agency or board with construction-related  
2 regulation responsibilities, a listing of all such  
3 requirements and codes.

4 (d) A local government which adopts amendments to the  
5 minimum firesafety code must provide a procedure by which the  
6 validity of such amendments may be challenged by any  
7 substantially affected party to test the amendment's  
8 compliance with the provisions of this section.

9 1. Unless the local government agrees to stay  
10 enforcement of the amendment, or other good cause is shown,  
11 the challenging party shall be entitled to a hearing on the  
12 challenge within 45 days.

13 2. For purposes of such challenge, the burden of proof  
14 shall be on the challenging party, but the amendment shall not  
15 be presumed to be valid or invalid.

16  
17 This subsection gives local government the authority to  
18 establish firesafety codes that exceed the minimum firesafety  
19 codes and standards adopted by the State Fire Marshal. The  
20 Legislature intends that local government give proper public  
21 notice and hold public hearings before adopting more stringent  
22 firesafety codes and standards. A substantially affected  
23 person may appeal, to the department ~~of Insurance~~, the local  
24 government's resolution of the challenge, and the department  
25 shall determine if the amendment complies with this section.  
26 Actions of the department are subject to judicial review  
27 pursuant to s. 120.68. The department shall consider reports  
28 of the Florida Building Commission, pursuant to part VII of  
29 chapter 553, when evaluating building code enforcement.

30 Section 1390. Paragraph (a) of subsection (1) of  
31 section 633.052, Florida Statutes, is amended to read:

1           633.052 Ordinances relating to firesafety;  
2 definitions; penalties.--

3           (1) As used in this section:

4           (a) A "firesafety inspector" is an individual  
5 certified by the Division of State Fire Marshal ~~of the~~  
6 ~~Department of Insurance~~, officially assigned the duties of  
7 conducting firesafety inspections of buildings and facilities  
8 on a recurring or regular basis, investigating civil  
9 infractions relating to firesafety, and issuing citations  
10 pursuant to this section on behalf of the state or any county,  
11 municipality, or special district with firesafety  
12 responsibilities.

13           Section 1391. Subsection (7) of section 633.061,  
14 Florida Statutes, is amended to read:

15           633.061 Fire suppression equipment; license to install  
16 or maintain.--

17           (7) The fees collected for any such licenses and  
18 permits and the filing fees for license and permit examination  
19 are hereby appropriated for the use of the State Fire Marshal  
20 in the administration of this chapter and shall be deposited  
21 in the Insurance ~~Commissioner's~~ Regulatory Trust Fund.

22           Section 1392. Subsections (4) and (7) of section  
23 633.081, Florida Statutes, are amended to read:

24           633.081 Inspection of buildings and equipment; orders;  
25 firesafety inspection training requirements; certification;  
26 disciplinary action.--The State Fire Marshal and her or his  
27 agents shall, at any reasonable hour, when the department has  
28 reasonable cause to believe that a violation of this chapter

15            Section 1413. Section 634.031, Florida Statutes, is  
16 amended to read:

17            634.031 License required.--

30 unless it holds a subsisting license issued to it by the  
31

1 ~~office department~~ authorizing it to transact the same kind or

3 (3) No person shall transact, administer, or market  
4 service agreements unless it holds a subsisting license issued  
5 by the ~~office department~~ authorizing it to transact the same  
6 kind or kinds of service agreement business in this state.

7 (4) The ~~office department~~ may, pursuant to s. 120.569,  
8 in its discretion and without advance notice or hearing issue  
9 an immediate final order to cease and desist to any person or  
10 entity which violates this section. The Legislature finds that  
11 a violation of this section constitutes an imminent and  
12 immediate threat to the public health, safety, and welfare of  
13 the residents of this state.

14 Section 1414. Section 634.041, Florida Statutes, is  
15 amended to read:

16 634.041 Qualifications for license.--To qualify for  
17 and hold a license to issue service agreements in this state,  
18 a service agreement company must be in compliance with this  
19 part, with applicable rules of the commission department, with  
20 related sections of the Florida Insurance Code, and with its  
21 charter powers and must comply with the following:

22 (1) Any service agreement company applying for a  
23 license must be a solvent corporation formed under the laws of  
24 this state or of another state or district of the United  
25 States and must meet minimum requirements under this section.

26 (2) The service agreement company must furnish the  
27 ~~office department~~ with evidence satisfactory to the office  
28 ~~department~~ that the management of the company is competent and  
29 trustworthy and can successfully and lawfully manage its  
30 affairs.

31

1           (3) The service agreement company must make the  
2 deposit required under s. 634.052.

3           (4) A service agreement company may not be licensed to  
4 transact service agreement business in this state unless it  
5 maintains the required reserves and the required ratio of  
6 liquid assets to the required reserves.

7           (5) A service agreement company may not be licensed to  
8 transact service agreement business in this state if, during  
9 the 3 years immediately preceding its application for a  
10 license, it has violated any requirement of this part or a  
11 rule adopted thereunder.

12           (6) In order to obtain or maintain a license, a  
13 service agreement company must have and maintain minimum net  
14 assets of \$500,000. However, a service agreement company that  
15 maintains a gross written premium of less than \$750,000 at all  
16 times, that has been licensed in Florida for more than 5  
17 years, and that has never had an administrative complaint  
18 filed by the office ~~department~~ against its operations under  
19 this part may reach this net asset requirement in equal  
20 increments over a 5-year period beginning on October 1, 1991.

21           (7) All assets used to maintain the minimum net asset  
22 requirement must be maintained in the United States.

23           (8)(a) A service agreement company must establish and  
24 maintain an unearned premium reserve in accordance with the  
25 following:

26           1. It must consist of unencumbered assets equal to a  
27 minimum of 50 percent of the unearned gross written premium on  
28 each service agreement and must amortize this reserve pro rata  
29 over the duration of the service agreement. Such assets must  
30 be held in the form of cash or invested in securities for  
31 investment under ss. 625.301-625.340.

1           2. In addition to the net asset requirements set forth  
2 in subsection (6), a company utilizing the 50-percent reserve  
3 must not allow its ratio of gross written premium in force to  
4 net assets to exceed 10 to 1. For companies that have  
5 utilized both contractual liability insurance and the  
6 50-percent reserve, this ratio must be calculated based only  
7 on that portion of gross written premium in force which is  
8 covered by the 50-percent reserve.

9           3. A company that uses an unearned premium reserve  
10 must deposit with the department securities of the type  
11 eligible for deposit by insurers under s. 625.52 equal to 15  
12 percent of the unearned premium reserve. This reserve deposit  
13 may be included as an asset for calculating the requirement of  
14 subparagraph 1. A request for release of the reserve deposit  
15 may be made quarterly only after the office ~~department~~ has  
16 approved the company's current quarterly or annual financial  
17 statement and a statement sworn to by two officers of the  
18 company, verifying that the release will not reduce the  
19 reserve deposit to less than 15 percent of the unearned  
20 premium reserve.

21           (b) A service agreement company does not have to  
22 establish and maintain an unearned premium reserve if it  
23 purchases and maintains contractual liability insurance in  
24 accordance with the following:

25           1. The insurance covers 100 percent of its claim  
26 exposure and is obtained from an insurer approved by the  
27 office ~~department~~ which holds a certificate of authority to do  
28 business within this state.

29           2. If the service agreement company does not meet its  
30 contractual obligations, the contractual liability insurance  
31 policy binds its issuer to pay or cause to be paid to the

1 service agreement holder all legitimate claims and  
2 cancellation refunds for all service agreements issued by the  
3 service agreement company while the policy was in effect.  
4 This requirement also applies to those service agreements for  
5 which no premium has been remitted to the insurer.

6           3. If the issuer of the contractual liability policy  
7 is fulfilling the service agreements covered by the  
8 contractual liability policy and the service agreement holder  
9 cancels the service agreement, the issuer must make a full  
10 refund of unearned premium to the consumer, subject to the  
11 cancellation fee provisions of s. 634.121(5). The sales  
12 representative and agent must refund to the contractual  
13 liability policy issuer their unearned pro rata commission.

14           4. The policy may not be canceled, terminated, or  
15 nonrenewed by the insurer or the service agreement company  
16 unless a 90-day written notice thereof has been given to the  
17 office ~~department~~ by the insurer before the date of the  
18 cancellation, termination, or nonrenewal.

19           5. The service agreement company must provide the  
20 office ~~department~~ with the claims statistics.

21  
22 All funds or premiums remitted to an insurer by a motor  
23 vehicle service agreement company under this part shall remain  
24 in the care, custody, and control of the insurer and shall be  
25 counted as an asset of the insurer; provided, however, this  
26 requirement does not apply when the insurer and the motor  
27 vehicle service agreement company are affiliated companies and  
28 members of an insurance holding company system. If the motor  
29 vehicle service agreement company chooses to comply with this  
30 paragraph but also maintains a reserve to pay claims, such  
31 reserve shall only be considered an asset of the covered motor

1 vehicle service agreement company and may not be  
2 simultaneously counted as an asset of any other entity.

3 (9) In meeting the requirements of this part, a  
4 service agreement company may not utilize both the 50-percent  
5 reserve and contractual liability insurance simultaneously.  
6 However, a company may have contractual liability coverage on  
7 service agreements previously sold and sell new service  
8 agreements covered by the 50-percent reserve, and the converse  
9 of this is also allowed. A service agreement company must be  
10 able to distinguish how each individual service agreement is  
11 covered.

12 (10) In addition to information called for and  
13 furnished with its annual statement, a service agreement  
14 company must furnish to the office ~~department~~, as soon as  
15 reasonably possible, any information as to its transactions or  
16 affairs that the office ~~department~~ requests in writing. All  
17 information furnished pursuant to the request of the office  
18 ~~department~~ must be verified by the oath of two executive  
19 officers of the service agreement company.

20 (11) A service agreement company offering service  
21 agreements providing vehicle protection expenses may meet the  
22 requirements for this part only by maintaining contractual  
23 liability insurance in accordance with paragraph (8)(b), which  
24 insurance must be issued by an insurance company not  
25 affiliated with the service agreement company, unless the  
26 insurance company had issued a contractual liability insurance  
27 policy to a service agreement company on or before January 1,  
28 2002. Service agreements providing vehicle protection  
29 expenses may be sold only to a service agreement holder that  
30 has in-force comprehensive motor vehicle insurance coverage  
31 for the vehicle to be covered by the service agreement.

1           Section 1415. Section 634.044, Florida Statutes, is  
2 amended to read:

20 records to support valuation of part inventories.

21           (e) The liquidation value of prepaid expenses.

22           (f) Other assets or receivables, not inconsistent with  
23 the provisions of this section, deemed by the office

26  
27 The office ~~department~~, upon determining that a service  
28 agreement company's asset has not been evaluated according to  
29 applicable law or that it does not qualify as an asset, shall  
30 require the service agreement company to properly reevaluate  
31 the asset or replace the asset with an asset suitable to the

1 ~~office department~~ within 30 days of written notification by

19 organization owns or controls, directly or indirectly, more  
20 than 25 percent of the ownership interest.

21 (d) Leasehold improvements, stationery, and

1           (a) Deposit with the department securities of the type  
2 eligible for deposit by insurers under s. 625.52, which  
3 securities shall have at all times a market value of not less  
4 than \$25,000; and

5           (b) File with the office ~~department~~ a surety bond in  
6 the amount of \$75,000. The bond shall be one issued by an  
7 authorized surety insurer, shall be for the same purpose as  
8 the deposit in lieu of which it is filed, and shall be subject  
9 to the approval of the office ~~department~~. The bond shall  
10 guarantee that the home warranty association will faithfully  
11 and truly perform all the conditions of any home warranty  
12 contract. No such bond may be canceled or subject to  
13 cancellation unless at least 60 days' advance notice thereof  
14 in writing is filed with the office ~~department~~. In the event  
15 that notice of termination of the bond is filed with the  
16 office ~~department~~, the home warranty association insured

18 termination, provide the office ~~department~~ with a replacement  
19 bond meeting the requirements of this part or deposit  
20 additional securities as required under subsection (1). The  
21 cancellation of a bond will not relieve the obligation of the  
22 issuer of the bond for claims arising out of contracts issued  
23 before cancellation of the bond unless a replacement bond or  
24 securities are filed pursuant to this section. In no event  
25 may the liability of the issuer under the bond exceed the face  
26 amount of the bond. If within 30 days of filing the notice of  
27 termination no replacement bond or additional security is  
28 provided, the office ~~department~~ shall suspend the license of  
29 the association until the deposit requirements are satisfied.

30           (6) Such deposit or bond shall be maintained  
31 unimpaired as long as the association continues in business in

1 this state. Whenever the association ceases to do business in  
2 this state and furnishes the office ~~department~~ proof  
3 satisfactory to the office ~~department~~ that it has discharged  
4 or otherwise adequately provided for all its obligations to  
5 its members or subscribers in this state, the office and  
6 department shall release the deposited securities to the  
7 parties entitled thereto, on presentation of the receipts of  
8 the department for such securities, or shall release any bond  
9 filed with it pursuant to this section.

10 Section 1452. Section 634.306, Florida Statutes, is  
11 amended to read:

2 the applicant, verified under oath of at least two of its

6 (4) Upon completion of the application for license,  
7 the office ~~department~~ shall examine the application and make  
8 any further investigation of the applicant as it deems  
9 advisable. If it finds that the applicant is qualified  
10 therefor, the office ~~department~~ shall issue to the applicant a  
11 license as a home warranty association. If the office  
12 ~~department~~ does not so find, it shall refuse to issue the  
13 license and shall give the applicant written notice of such  
14 refusal, setting forth the grounds therefor.

15 Section 1453. Section 634.307, Florida Statutes, is  
16 amended to read:

17 634.307 License expiration; renewal.--Each license as  
18 a home warranty association issued under this part shall  
19 expire on June 1 next following the date of issuance. If the  
20 association is then qualified therefor under the provisions of  
21 this part, its license may be renewed annually, upon its  
22 request and upon payment to the office ~~department~~ of the  
23 license tax in the amount of \$200, in advance, for each such

28 (3) An association shall not be required to set up an  
29 unearned premium reserve if it has purchased contractual  
30 liability insurance which demonstrates to the satisfaction of  
31 the office ~~department~~ that 100 percent of its claim exposure

1 is covered by such insurance. Such contractual liability  
2 insurance shall be obtained from an insurer that holds a  
3 certificate of authority to do business within the state or  
4 from an insurer approved by the office ~~department~~ as  
5 financially capable of meeting the obligations incurred  
6 pursuant to the policy. For purposes of this subsection, the  
7 contractual liability policy shall contain the following  
8 provisions:

9 (a) In the event that the home warranty association is  
10 unable to fulfill its obligation under its contracts issued in  
11 this state for any reason, including insolvency, bankruptcy,  
12 or dissolution, the contractual liability insurer will pay  
13 losses and unearned premiums under such plans directly to  
14 persons making claims under such contracts.

15 (b) The insurer issuing the policy shall assume full  
16 responsibility for the administration of claims in the event  
17 of the inability of the association to do so.

18 (c) The policy may not be canceled or not renewed by  
19 either the insurer or the association unless 60 days' written  
20 notice thereof has been given to the office ~~department~~ by the  
21 insurer before the date of such cancellation or nonrenewal.

22 (4) An association that purchases contractual  
23 liability insurance on the warranties that it issues shall  
24 provide the office ~~department~~ with claim statistics required  
25 to be filed by associations not purchasing such insurance.

19  
20 The office department, upon determining that a home warranty

22 applicable law or that it does not qualify as an asset, shall  
23 require the home warranty association to properly reevaluate  
24 the asset or replace the asset with an asset suitable to the  
25 office department within 30 days after written notification by

27 the asset from the organization's assets would impair the  
28 company's solvency.

9 any association issued under this part, the office ~~department~~  
10 may, in lieu of such revocation or suspension, impose a fine  
11 upon the association.

12 (2) With respect to any nonwillful violation, such  
13 fine may not exceed \$500 per violation. In no event may such

4 good faith is uncertain as to whether any restitution is due  
5 or as to the amount of such restitution, it shall promptly  
6 notify the office ~~department~~ of the circumstances, and the

5 solicit or induce any persons to enter into any home warranty  
6 agreement.

7 (2) Every such filing shall be made not less than 30  
8 days in advance of issuance or use. At the expiration of 30  
9 days from date of filing, a form so filed shall be deemed

31 634.405 Required deposit or bond.--

1           (1) To assure the faithful performance of its  
2 obligations to its members or subscribers in the event of  
3 insolvency, each service warranty association shall, before  
4 the issuance of its license by the office ~~department~~ and  
5 during such time as the association may have premiums in force  
6 in this state, deposit and maintain with the department  
7 securities of the type eligible for deposit by insurers under  
8 s. 625.52. Whenever the market value of the securities  
9 deposited with the department is less than 95 percent of the  
10 amount required, the association shall deposit additional  
11 securities or otherwise increase the deposit to the amount  
12 required. Such securities shall have at all times a market  
13 value as follows:

14           (a) Warrantors.--

15           1. Any warrantor which:

16           a. Was licensed under this part before October 1,  
17 1983;

18           b. Was transacting service warranty business in this  
19 state before June 14, 1978;

20           c. Has continuously transacted service warranty  
21 business in this state since June 14, 1978; and

22           d. Has not during any year since June 14, 1978,  
23 written more than \$100,000 of gross written premiums,

24  
25 shall place and maintain in trust with the department an  
26 amount equal to 50 percent of the gross written premiums in  
27 force.

28           2. A warrantor which has \$300,000 or less of gross  
29 written premiums in this state and to which the provisions of  
30 subparagraph 1. do not apply shall place and maintain in trust  
31 with the department an amount not less than \$50,000. A new

1 warrantor, before the issuance of its license and before  
2 receiving any premiums, shall place and maintain in trust with  
3 the department the amount of \$50,000.

4           3. A warrantor which has more than \$300,000 but less  
5 than \$750,000 of gross written premiums in this state shall  
6 place and maintain in trust with the department an amount not  
7 less than \$75,000.

8           4. A warrantor which has \$750,000 or more of gross  
9 written premiums in this state shall place and maintain in  
10 trust with the department an amount equal to \$100,000.

11           5. All warrantors, upon receipt of written notice from  
12 the office ~~department~~, shall have 30 calendar days in which to  
13 make additional deposits.

14           (b) Warranty sellers.--A warranty seller shall, before  
15 the issuance of its license, place in trust with the  
16 department an amount not less than \$100,000.

17           (2) In lieu of any deposit of securities required  
18 under subsection (1) and subject to the approval of the office  
19 ~~department~~, the service warranty association may file with the  
20 office ~~department~~ a surety bond issued by an authorized surety  
21 insurer. The bond shall be for the same purpose as the deposit  
22 in lieu of which it is filed. The office ~~department~~ may not  
23 approve any bond under the terms of which the protection  
24 afforded against insolvency is not equivalent to the  
25 protection afforded by those securities provided for in  
26 subsection (1). When a bond is deposited in lieu of the  
27 required securities, no warranties may be written which  
28 provide coverage for a time period beyond the duration of such  
29 bond. The bond shall guarantee that the service warranty  
30 association will faithfully and truly perform all the  
31 conditions of any service warranty contract. No such bond may

1 be canceled or subject to cancellation unless at least 60  
2 days' advance notice thereof, in writing, is filed with the  
3 office ~~department~~. In the event that notice of termination of  
4 the bond is filed with the office ~~department~~, the service  
5 warranty association insured thereunder shall, within 30 days  
6 of the filing of notice of termination, provide the office  
7 ~~department~~ with a replacement bond meeting the requirements of  
8 this part or deposit additional securities as required under  
9 subsection (1). The cancellation of a bond will not relieve  
10 the obligation of the issuer of the bond for claims arising  
11 out of contracts issued before cancellation of the bond unless  
12 a replacement bond or securities are filed. In no event may  
13 the liability of the issuer under the bond exceed the face  
14 amount of the bond. If within 30 days of filing the notice of  
15 termination no replacement bond or additional security is  
16 provided, the office ~~department~~ shall suspend the license of  
17 the association until the deposit requirements are satisfied.

18 (3) Securities and bonds posted by an association  
19 pursuant to this section are for the benefit of, and subject  
20 to action thereon in the event of insolvency or impairment of  
21 any association or insurer by, any person or persons  
22 sustaining an actionable injury due to the failure of the  
23 association to faithfully perform its obligations to its  
24 warranty holders.

25 (4) The state is responsible for the safekeeping of  
26 all securities deposited with the department under this part.  
27 Such securities are not, on account of being in this state,  
28 subject to taxation, but shall be held exclusively and solely  
29 to guarantee the faithful performance by the association of  
30 its obligations to its members or subscribers.

31

1           (5) The depositing association shall, during its  
2 solvency, have the right to exchange or substitute other  
3 securities of like quality and value for securities on  
4 deposit, to receive the interest and other income accruing to  
5 such securities, and to inspect the deposit at all reasonable  
6 times.

7           (6) Such deposit or bond shall be maintained  
8 unimpaired as long as the association continues in business in  
9 this state. Whenever the association ceases to do business in  
10 this state and furnishes the office ~~department~~ proof  
11 satisfactory to the office ~~department~~ that it has discharged  
12 or otherwise adequately provided for all its obligations to  
13 its members or subscribers in this state, the office and  
14 department shall release the deposited securities to the  
15 parties entitled thereto, on presentation of the receipts of  
16 the department for such securities, or shall release any bond  
17 filed with it in lieu of such deposit.

18           (7) Any business, or its affiliate, whose primary  
19 source of income is the sale of goods to the final consumer  
20 and derives more than 50 percent of its revenue through such  
21 sales and maintains a net worth of \$100 million, as evidenced  
22 by either filing a form 10-K or other similar statement with  
23 the Securities and Exchange Commission or which has an annual  
24 financial statement that is audited and certified by an  
25 independent public accounting firm, shall be presumed to have  
26 complied with this subsection if such forms or statement are  
27 filed with the office ~~department~~.

28           Section 1487. Subsections (2), (3), (6), and (7) of  
29 section 634.406, Florida Statutes, are amended to read:

30           634.406 Financial requirements.--

31

1           (2) An association utilizing an unearned premium  
2 reserve shall deposit with the department a reserve deposit  
3 equal to 10 percent of the gross written premium received on  
4 all warranty contracts in force. Such reserve deposit shall  
5 be of a type eligible for deposit by insurers under s. 625.52.  
6 Request for release of all or part of the reserve deposit may  
7 be made quarterly and only after the office ~~department~~ has  
8 received and approved the association's current financial  
9 statements, as well as a statement sworn to by two officers of  
10 the association verifying such release will not reduce the  
11 reserve deposit to less than 10 percent of the gross written  
12 premium. The reserve deposit required under this part shall be  
13 included in calculating the reserve required by subsection  
14 (1). The deposit required in s. 634.405(1)(b) shall be  
15 included in calculating the reserve requirements of this  
16 section.

17           (3) An association will not be required to establish  
18 an unearned premium reserve if it has purchased contractual  
19 liability insurance which demonstrates to the satisfaction of  
20 the office ~~department~~ that 100 percent of its claim exposure  
21 is covered by such policy. The contractual liability insurance  
22 shall be obtained from an insurer that holds a certificate of  
23 authority to do business within the state. For the purposes of  
24 this subsection, the contractual liability policy shall  
25 contain the following provisions:

26           (a) In the event that the service warranty association  
27 does not fulfill its obligation under contracts issued in this  
28 state for any reason, including insolvency, bankruptcy, or  
29 dissolution, the contractual liability insurer will pay losses  
30 and unearned premium refunds under such plans directly to the  
31 person making a claim under the contract.

1 (b) The insurer issuing the contractual liability  
2 policy shall assume full responsibility for the administration  
3 of claims in the event of the inability of the association to  
4 do so.

5 (c) The policy may not be canceled or not renewed by  
6 either the insurer or the association unless 60 days' written  
7 notice thereof has been given to the office ~~department~~ by the  
8 insurer before the date of such cancellation or nonrenewal.

9 (d) The contractual liability insurance policy shall  
10 insure all service warranty contracts which were issued while  
11 the policy was in effect whether or not the premium has been  
12 remitted to the insurer.

13 (e) In the event the issuer of the contractual  
14 liability policy is fulfilling the service warranty covered by  
15 policy and in the event the service warranty holder cancels  
16 the service warranty, it is the responsibility of the  
17 contractual liability policy issuer to effectuate a full  
18 refund of unearned premium to the consumer. This refund shall  
19 be subject to the cancellation fee provisions of s.  
20 634.414(3). The salesperson or agent shall refund to the  
21 contractual liability policy issuer the unearned pro rata  
22 commission.

23 (f) An association may not utilize both the unearned  
24 premium reserve and contractual liability insurance  
25 simultaneously. However, an association shall be allowed to  
26 have contractual liability coverage on service warranties  
27 previously sold and sell new service warranties covered by the  
28 unearned premium reserve, and the converse of this shall also  
29 be allowed. An association must be able to distinguish how  
30 each individual service warranty is covered.

31

1           (6) An association which holds a license under this  
2 part and which does not hold any other license under this  
3 chapter may allow its premiums to exceed the ratio to net  
4 assets limitations of this section if the association meets  
5 all of the following:

6           (a) Maintains net assets of at least \$750,000.

7           (b) Utilizes a contractual liability insurance policy  
8 approved by the office ~~department~~ which reimburses the service

18 association.

19           4. In conjunction with the warranty association's  
20 filing of the quarterly and annual reports, provides, on a

22 certifying the gross written premiums in force reported by the  
23 warranty association and a statement that all of the warranty  
24 association's gross written premium in force is covered under  
25 the contractual liability policy, whether or not it has been  
26 reported.

27           (7) ~~The department shall require that~~ A contractual  
28 liability policy must insure 100 percent of an association's  
29 claims exposure under all of the association's service  
30 warranty contracts, wherever written, unless all of the  
31 following are satisfied:

1 (a) The contractual liability policy contains a clause  
2 that specifically names the service warranty contract holders  
3 as sole beneficiaries of the contractual liability policy and  
4 claims are paid directly to the person making a claim under  
5 the contract;

6 (b) The contractual liability policy meets all other  
7 requirements of this part, including subsection (3) of this  
8 section, which are not inconsistent with this subsection;

9 (c) The association has been in existence for at least

21 revocation, impose a fine upon the insurer or service warranty  
22 association in an amount not to exceed \$1,000 per violation;

17 association and insurer shall, annually on or before March 1,  
18 file with the office ~~department~~ its annual statement, in the  
19 form prescribed by the commission ~~department~~, showing all  
20 premiums or assessments received by it in connection with the

26           (2) The gross amount of premiums and assessments is  
27 subject to the sales tax imposed by s. 212.0506.

11 audited financial statements of the warranty operations and  
12 corporate reports as filed by the manufacturer with the  
13 Securities and Exchange Commission, provided that the office  
14 ~~department~~ may require additional reporting by manufacturers  
15 upon a showing by the office ~~department~~ that annual reporting  
16 is insufficient to protect the interest of purchasers of  
17 service warranty agreements in this state or fails to provide  
18 sufficient proof of the financial status required by this  
19 part.

20 (5) The office ~~department~~ may suspend or revoke the  
21 license of a service warranty association failing to file its  
22 annual statement or quarterly report when due.

9 provided in this section. On or before May 1 of each year, an  
10 association may submit to the office ~~department~~ the Form 10-K,  
11 as filed with the United States Securities and Exchange

15 requirement; if the office ~~department~~ determines not to waive  
16 the examination, such examination will be limited to that

25 reason to believe that the association may be in violation of  
26 this part or is otherwise in an unsound financial condition.  
27 If the office ~~department~~ examines an association that has less  
28 than \$20,000 in gross written premiums, the examination fee  
29 may not exceed 5 percent of the gross written premiums of the  
30 association.

17 (17) Such other information as the commission or

25 satisfied that the organization is in compliance with this  
26 act.

27 Section 1523. Section 636.009, Florida Statutes, is  
28 amended to read:

29 636.009 Issuance of certificate of authority;  
30 denial.--

31

1           (1) Following receipt of an application filed pursuant  
2 to s. 636.008, the office ~~department~~ shall review such  
3 application and notify the applicant of any deficiencies  
4 contained therein. The office ~~department~~ shall issue a  
5 certificate of authority to an applicant who has filed a  
6 completed application in conformity with s. 636.008, upon  
7 payment of the fees specified by s. 636.057 and upon the  
8 office ~~department~~ being satisfied that the following  
9 conditions are met:

10           (a) The requirements of s. 636.008 have been  
11 fulfilled.

12           (b) The entity is actuarially sound.

13           (c) The entity has met the applicable minimum surplus  
14 requirements specified in s. 636.045.

15           (d) The procedures for offering limited health  
16 services and offering and terminating contracts to subscribers  
17 will not unfairly discriminate on the basis of age, sex, race,  
18 handicap, health, or economic status. However, this paragraph  
19 does not prohibit reasonable underwriting classifications for  
20 the purposes of establishing contract rates, nor does it  
21 prohibit prospective experience rating.

22           (e) The entity furnished evidence of adequate  
23 insurance coverage, including, but not limited to, general  
24 liability or professional liability coverage, or an adequate  
25 plan for self-insurance to respond to claims for injuries  
26 arising out of the furnishing covered services.

27           (f) The ownership, control, and management of the  
28 entity are competent and trustworthy and possess managerial  
29 experience that would make the proposed operation beneficial  
30 to the subscribers. The office ~~department~~ shall not grant or  
31 continue authority to transact the business of a prepaid

1 limited health service organization in this state at any time  
2 during which the office department has good reason to believe  
3 that the ownership, control, or management of the organization  
4 includes any person whose business operations are or have been  
5 marked by business practices or conduct that is to the  
6 detriment of the public, stockholders, investors, or  
7 creditors.

8 (g) The entity has demonstrated compliance with s.  
9 636.047 by obtaining a blanket fidelity bond in the amount of  
10 at least \$50,000, issued by a licensed insurance carrier in  
11 this state, that will reimburse the entity in the event that  
12 anyone handling the funds of the entity either misappropriates  
13 or absconds with the funds. All employees handling the funds  
14 must be covered by the blanket fidelity bond. However, the  
15 fidelity bond need not cover an individual who owns 100  
16 percent of the stock of the organization if such stockholder  
17 maintains total control of the organization's financial  
18 assets, books and records, and fidelity bond coverage is not  
19 available for such individual. An agent licensed under the  
20 provisions of the Florida Insurance Code may, either directly  
21 or indirectly, represent the prepaid limited health service  
22 organization in the solicitation, negotiation, effectuation,  
23 procurement, receipt, delivery, or forwarding of any  
24 subscriber's contract, or collect or forward any consideration  
25 paid by the subscriber to the prepaid limited health service  
26 organization. The licensed agent shall not be required to post  
27 the bond required by this subsection.

28 (h) The prepaid limited health service organization  
29 has a grievance procedure that will facilitate the resolution  
30 of subscriber grievances and that includes both formal and  
31 informal steps available within the organization.

1           (i) The applicant is financially responsible and may  
2 reasonably be expected to meet its obligations to enrollees  
3 and to prospective enrollees. In making this determination,  
4 the office ~~department~~ may consider:

5           1. The financial soundness of the applicant's  
6 arrangements for limited health services and the minimum  
7 standard rates, deductibles, copayments, and other patient  
8 charges used in connection therewith.

9           2. The adequacy of surplus, other sources of funding,  
10 and provisions for contingencies.

11           3. The manner in which the requirements of s. 636.046  
12 have been fulfilled.

13           (j) The agreements with providers for the provision of  
14 limited health services contain the provisions required by s.  
15 636.035.

16           (k) Any deficiencies identified by the office  
17 ~~department~~ have been corrected.

18           (1) All requirements of this chapter have been met.

19           (2) If the certificate of authority is denied, the  
20 office ~~department~~ shall notify the applicant and shall specify  
21 the reasons for denial in the notice.

22           Section 1524. Section 636.015, Florida Statutes, is  
23 amended to read:

24           636.015 Language used in contracts and advertisements;  
25 translations.--

26           (1)(a) All contracts or forms must be printed in  
27 English.

28           (b) If the negotiations leading up to the effectuation  
29 of a prepaid limited health service organization contract are  
30 conducted in a language other than English, the prepaid  
31 limited health service organization must supply to the member

1 a written translation of the contract, which translation  
2 accurately reflects the substance of the contract and is in  
3 the language used to negotiate the contract. The written  
4 translation must be affixed to, and shall become a part of,  
5 the contract or form, including a certification that the  
6 written translation is identical to the English version. Any  
7 such translation must be furnished to the office ~~department~~ as  
8 part of the filing of the prepaid limited health services  
9 contract form. No translation of a prepaid limited health  
10 services contract form may be approved by the office  
11 ~~department~~ unless the translation accurately reflects the  
12 substance of the prepaid limited health services contract form  
13 in translation.

14 (2) The text of all advertisements by a prepaid  
15 limited health service organization, if printed or broadcast  
16 in a language other than English, also must be available in  
17 English and must be furnished to the office ~~department~~ upon  
18 request. As used in this subsection, the term "advertisement"  
19 means any advertisement, circular, pamphlet, brochure, or  
20 other printed material disclosing or disseminating advertising  
21 material or information by a prepaid limited health service  
22 organization to prospective or existing subscribers and  
23 includes any radio or television transmittal of an  
24 advertisement or information.

25 Section 1525. Paragraph (a) of subsection (1) of  
26 section 636.016, Florida Statutes, is amended to read:

27 636.016 Prepaid limited health service contracts.--For  
28 any entity licensed prior to October 1, 1993, all subscriber  
29 contracts in force at such time shall be in compliance with  
30 this section upon renewal of such contract.

31

1           (1) Any entity issued a certificate of authority and  
2 otherwise in compliance with this act may enter into contracts  
3 in this state to provide an agreed-upon set of limited health  
4 services to subscribers in exchange for a prepaid per capita  
5 sum or a prepaid aggregate fixed sum.

6           (a) The office ~~department~~ shall disapprove any form  
7 filed under this subsection, or withdraw any previous approval  
8 thereof, if the form:

9           1. Is in any respect in violation of, or does not  
10 comply with, any provision of this act or rule adopted  
11 thereunder.

12           2. Contains or incorporates by reference, where such  
13 incorporation is otherwise permissible, any inconsistent,  
14 ambiguous, or misleading clauses or exceptions and conditions  
15 which deceptively affect the risk purported to be assumed in  
16 the general coverage of the contract.

17           3. Has any title, heading, or other indication of its  
18 provisions which is misleading.

19           4. Is printed or otherwise reproduced in such a manner  
20 as to render any material provision of the form substantially  
21 illegible.

22           5. Contains provisions which are unfair, inequitable,  
23 or contrary to the public policy of this state or which  
24 encourage misrepresentation.

25           6. Charges rates that are determined by the office  
26 ~~department~~ to be inadequate, excessive, or unfairly  
27 discriminatory, or if the rating methodology followed by the  
28 prepaid limited health service organization is determined by  
29 the office ~~department~~ to be inconsistent with the provisions  
30 of s. 636.017.

31

1           Section 1526. Section 636.017, Florida Statutes, is  
2 amended to read:

3           636.017 Rates and charges.--

4           (1) The rates charged by any prepaid limited health  
5 service organization to its subscribers shall not be  
6 excessive, inadequate, or unfairly discriminatory. The  
7 commission or office ~~department~~ may require whatever  
8 information it deems necessary to determine that a rate or  
9 proposed rate meets the requirements of this section.

10           (2) In determining whether a rate is in compliance  
11 with subsection (1), the office ~~department~~ must take into  
12 consideration the limited services provided, the method in  
13 which the services are provided, and the method of provider  
14 payment. This section may not be construed as authorizing the  
15 commission ~~department~~ to establish by rule minimum loss ratios  
16 for prepaid limited health service organizations' rates.

17           Section 1527. Section 636.018, Florida Statutes, is  
18 amended to read:

19           636.018 Changes in rates and benefits; material  
20 modifications; addition of limited health services.--

21           (1)(a) No prepaid limited health services contract,  
22 certificate of coverage, application, enrollment form, rider,  
23 endorsement, and applicable rates to be charged may be  
24 delivered in this state unless the forms and rates have been  
25 filed with the office ~~department~~ by or on behalf of the  
26 prepaid limited health service organization and have been  
27 approved by the office ~~department~~. Every form filed shall be  
28 identified by a unique form number placed in the lower left  
29 corner of each form. If a prepaid limited health service  
30 organization desires to amend any contract with its  
31 subscribers or any certificate or member handbook, or desires

1 to change any rate charged for the contract or to change any  
2 basic prepaid limited health services contract, certificate,  
3 grievance procedure, or member handbook form, or application  
4 form where written application is required and is to be made a  
5 part of the contract, or printed amendment, addendum, rider,  
6 or endorsement form or form renewal certificate, it must file  
7 such changes 30 days prior to the effective date of the  
8 proposed change. At least 30 days' written notice must be  
9 provided to the subscriber before application of any approved  
10 change in rates. In the case of a group enrollee, there may  
11 be a contractual agreement with the prepaid limited health  
12 service organization to have the contract holder provide the  
13 required notice to the individual enrollees of the group. Any  
14 proposed change must contain information as required by s.  
15 636.017.

16 (b) The prepaid limited health service organization's  
17 certification must be prepared by an independent actuary or a  
18 qualified employee. The chief executive officer of the  
19 prepaid limited health service organization must review and

31 specified in s. 641.225.

1           (4) The procedures for offering comprehensive health  
2 care services and offering and terminating contracts to  
3 subscribers will not unfairly discriminate on the basis of  
4 age, sex, race, health, or economic status. However, this  
5 section does not prohibit reasonable underwriting  
6 classifications for the purposes of establishing contract  
7 rates, nor does it prohibit experience rating.

8           (5) The entity furnishes evidence of adequate  
9 insurance coverage or an adequate plan for self-insurance to  
10 respond to claims for injuries arising out of the furnishing  
11 of comprehensive health care.

12           (6) The ownership, control, and management of the

21 organization includes any person:

- 22           1. Who is incompetent or untrustworthy;
- 23           2. Who is so lacking in health maintenance  
24 organization expertise as to make the operation of the health  
25 maintenance organization hazardous to potential and existing  
26 subscribers;
- 27           3. Who is so lacking in health maintenance  
28 organization experience, ability, and standing as to  
29 jeopardize the reasonable promise of successful operation;
- 30           4. Who is affiliated, directly or indirectly, through

4 creditors; or

6 by business practices or conduct that is to the detriment of  
7 the public, stockholders, investors, or creditors;

8           (b) Any person, including any stock subscriber,

17 to exercise effective control of the organization, or who  
18 influences or has the ability to influence the transaction of  
19 the business of the health maintenance organization, has been  
20 found guilty of, or has pled guilty or no contest to, any

23 under the laws of any other country, which involves moral  
24 turpitude, without regard to whether a judgment or conviction  
25 has been entered by the court having jurisdiction in such  
26 case. However, in the case of a health maintenance  
27 organization operating under a subsisting certificate of  
28 authority, the health maintenance organization shall remove  
29 any such person immediately upon discovery of the conditions  
30 set forth in this paragraph when applicable to such person or  
31 under the order of the office ~~department~~, and the failure to

1 so act by the organization is grounds for revocation or  
2 suspension of the health maintenance organization's  
3 certificate of authority; or

4 (d) Any person, including any stock subscriber,  
5 stockholder, or incorporator, who exercises or has the ability  
6 to exercise effective control of the organization, or who  
7 influences or has the ability to influence the transaction of  
8 the business of the health maintenance organization, is now or

17 operating under a subsisting certificate of authority, the  
18 health maintenance organization shall immediately remove such  
19 person or immediately notify the office ~~department~~ of such  
20 person upon discovery of the conditions set forth in this  
21 paragraph, either when applicable to such person or upon order  
22 of the office ~~department~~. The failure to remove such person,

24 grounds for suspension or revocation of the health maintenance  
25 organization's certificate of authority.

26 (7) The entity has a blanket fidelity bond in the  
27 amount of \$100,000, issued by a licensed insurance carrier in

21 (2) The office ~~department~~ shall not issue a  
22 certificate of authority, except as provided in subsection

4 uniform standards and criteria for the early warning that the  
5 continued operation of any health maintenance organization  
6 might be hazardous to its subscribers, creditors, or the  
7 general public, and to set standards for evaluating the  
8 financial condition of any health maintenance organization.

9 (6) In lieu of having any minimum surplus, the health  
10 maintenance organization may provide a written guarantee to  
11 assure payment of covered subscriber claims and all other  
12 liabilities of the health maintenance organization, provided  
13 that the written guarantee is made by a guaranteeing  
14 organization which:

15 (b) Submits a guarantee that is approved by the office  
16 ~~department~~ as meeting the requirements of this part, provided  
17 that the written guarantee contains a provision which requires  
18 that the guarantee be irrevocable unless the guaranteeing  
19 organization can demonstrate to the office ~~department~~ that the  
20 cancellation of the guarantee will not result in the  
21 insolvency of the health maintenance organization and the  
22 office ~~department~~ approves cancellation of the guarantee.

23 (d) Submits annually, within 3 months after the end of  
24 its fiscal year, an audited financial statement certified by

16 631.819(2)(a).

17           (3) The office ~~department~~ may suspend or revoke the  
18 certificate of authority of any health maintenance  
19 organization which does not timely pay its assessment to the  
20 Florida Health Maintenance Organization Consumer Assistance  
21 Plan.

22           Section 1560. Section 641.23, Florida Statutes, is

31 ~~department~~ to operate a health maintenance organization.

1 Denial or revocation of a health care provider certificate  
2 shall be deemed to be an automatic and immediate cancellation  
3 of a health maintenance organization's certificate of  
4 authority. At the discretion of the office ~~Department of~~  
5 ~~insurance~~, nonrenewal of a health care provider certificate  
6 may be deemed to be an automatic and immediate cancellation of

9 office ~~Department of Insurance~~, in writing, that the health  
10 care provider certificate will not be renewed.

26 to reinstatement of its authority to enroll new subscribers.  
27 The order of suspension is subject to rescission or  
28 modification by further order of the office ~~department~~ prior  
29 to the expiration of the suspension period. Reinstatement

13 business in this state shall cease while such default  
14 continues. The office department shall deposit all sums  
15 collected by it under this section to the credit of the

23 with the provisions of this part.

24 (a) The CPA shall provide to the HMO audited financial  
25 statements consistent with this part.

26 (b) Any determination by the CPA that the health  
27 maintenance organization does not meet minimum surplus  
28 requirements as set forth in this part shall be stated by the  
29 CPA, in writing, in the audited financial statement.

30 (c) The completed work papers and any written  
31 communications between the CPA firm and the health maintenance

1 organization relating to the audit of the health maintenance  
2 organization shall be made available for review on a  
3 visual-inspection-only basis by the office ~~department~~ at the  
4 offices of the health maintenance organization, at the office  
5 ~~department~~, or at any other reasonable place as mutually  
6 agreed between the office ~~department~~ and the health  
7 maintenance organization. The CPA must retain for review the  
8 work papers and written communications for a period of not  
9 less than 6 years.

10 (d) The CPA shall provide to the office ~~department~~ a  
11 written report describing material weaknesses in the health  
12 maintenance organization's internal control structure as noted  
13 during the audit.

14 (6) To facilitate uniformity in financial statements  
15 and to facilitate office ~~department~~ analysis, the commission  
16 ~~department~~ may by rule adopt the form for financial statements  
17 of a health maintenance organization, including supplements as  
18 approved by the National Association of Insurance  
19 Commissioners in 1995, and may adopt subsequent amendments  
20 thereto if the methodology remains substantially consistent,  
21 and may by rule require each health maintenance organization  
22 to submit to the office ~~department~~ all or part of the  
23 information contained in the annual statement in a  
24 computer-readable form compatible with the electronic data  
25 processing system specified by the office ~~department~~.

26 (7) In addition to information called for and  
27 furnished in connection with its annual or quarterly  
28 statements, the health maintenance organization shall furnish  
29 to the office ~~department~~ as soon as reasonably possible such  
30 information as to its material transactions which, in the  
31 office's ~~department's~~ opinion, may have a material adverse

1 effect on the health maintenance organization's financial  
2 condition, as the office requests ~~department may request~~ in  
3 writing. All such information furnished pursuant to the  
4 office's ~~department's~~ request must be verified by the oath of  
5 two executive officers of the health maintenance organization.

6 (8) Each health maintenance organization shall file  
7 one copy of its annual statement convention blank in  
8 electronic form, along with such additional filings as  
9 prescribed by the commission ~~department~~ for the preceding  
10 calendar year or quarter, with the National Association of  
11 Insurance Commissioners. Each health maintenance organization  
12 shall pay fees assessed by the National Association of  
13 Insurance Commissioners to cover costs associated with the  
14 filing and analysis of the documents by the National  
15 Association of Insurance Commissioners.

16 Section 1566. Section 641.27, Florida Statutes, is  
17 amended to read:

18 641.27 Examination by the department.--

19 (1) The office ~~department~~ shall examine the affairs,  
20 transactions, accounts, business records, and assets of any  
21 health maintenance organization as often as it deems it  
22 expedient for the protection of the people of this state, but  
23 not less frequently than once every 3 years. In lieu of  
24 making its own financial examination, the office ~~department~~  
25 may accept an independent certified public accountant's audit  
26 report prepared on a statutory accounting basis consistent  
27 with this part. However, except when the medical records are  
28 requested and copies furnished pursuant to s. 456.057, medical  
29 records of individuals and records of physicians providing  
30 service under contract to the health maintenance organization  
31 shall not be subject to audit, although they may be subject to

1 subpoena by court order upon a showing of good cause. For the  
2 purpose of examinations, the office ~~department~~ may administer  
3 oaths to and examine the officers and agents of a health  
4 maintenance organization concerning its business and affairs.  
5 The examination of each health maintenance organization by the  
6 office ~~department~~ shall be subject to the same terms and  
7 conditions as apply to insurers under chapter 624. In no  
8 event shall expenses of all examinations exceed a maximum of  
9 \$20,000 for any 1-year period. Any rehabilitation,  
10 liquidation, conservation, or dissolution of a health  
11 maintenance organization shall be conducted under the  
12 supervision of the department, which shall have all power with  
13 respect thereto granted to it under the laws governing the

18 sources to perform audits or examinations or portions thereof  
19 pertaining to the qualification of an entity for issuance of a  
20 certificate of authority or to determine continued compliance  
21 with the requirements of this part, in which case the payment  
22 must be made directly to the contracted examiner by the health  
23 maintenance organization examined, in accordance with the  
24 rates and terms agreed to by the office ~~department~~ and the  
25 examiner. Any contracted assistance shall be under the direct  
26 supervision of the office ~~department~~. The results of any  
27 contracted assistance shall be subject to the review of, and  
28 approval, disapproval, or modification by, the office  
29 ~~department~~.

30 Section 1567. Section 641.28, Florida Statutes, is  
31 amended to read:

1           641.28 Civil remedy.--In any civil action brought to  
2 enforce the terms and conditions of a health maintenance  
3 organization contract, the prevailing party is entitled to  
4 recover reasonable attorney's fees and court costs. This  
5 section shall not be construed to authorize a civil action  
6 against the commission, office, or department, their ~~its~~  
7 employees, or the Chief Financial Officer ~~Insurance~~

11 amended to read:

12           641.281 Injunction.--In addition to the penalties and  
13 other enforcement provisions of this part, the office and  
14 department, within the scope of their regulatory  
15 jurisdictions, are ~~is~~ vested with the power to seek both  
16 temporary and permanent injunctive relief when:

17           (1) A health maintenance organization is being  
18 operated by any person or entity without a subsisting  
19 certificate of authority.

20           (2) Any person, entity, or health maintenance  
21 organization has engaged in any activity prohibited by this  
22 part or any rule adopted pursuant thereto.

23           (3) Any health maintenance organization, person, or  
24 entity is renewing, issuing, or delivering a health  
25 maintenance contract or contracts without a subsisting  
26 certificate of authority.

27  
28 The office's and department's authority to seek injunctive  
29 relief shall not be conditioned on having conducted any  
30 proceeding pursuant to chapter 120.

31

1           Section 1569. Section 641.284, Florida Statutes, is  
2 amended to read:

3           641.284 Liquidation, rehabilitation, reorganization,  
4 and conservation; exclusive methods of remedy.--A delinquency  
5 proceeding under part I of chapter 631, or supervision by the  
6 office department under ss. 624.80-624.87, constitute the sole  
7 and exclusive means of liquidating, reorganizing,  
8 rehabilitating, or conserving a health maintenance  
9 organization.

10           Section 1570. Subsections (1), (2), and (3) of section  
11 641.285, Florida Statutes, are amended to read:

12           641.285 Insolvency protection.--

13           (1) Each health maintenance organization shall deposit  
14 with the department cash or securities of the type eligible  
15 under s. 625.52, which shall have at all times a market value  
16 in the amount set forth in this subsection. The amount of the  
17 deposit shall be reviewed annually, or more often, as the  
18 office department deems necessary. The market value of the  
19 deposit shall be a minimum of \$300,000.

20           (2) If securities or assets deposited by a health  
21 maintenance organization under this part are subject to  
22 material fluctuations in market value, the office department  
23 may, in its discretion, require the organization to deposit  
24 and maintain on deposit additional securities or assets in an  
25 amount as may be reasonably necessary to assure that the  
26 deposit will at all times have a market value of not less than  
27 the amount specified under this section. If for any reason the  
28 market value of assets and securities of a health maintenance  
29 organization held on deposit in this state under this code  
30 falls below the amount required, the organization shall  
31 promptly deposit other or additional assets or securities

1 eligible for deposit sufficient to cure the deficiency. If the  
2 health maintenance organization has failed to cure the  
3 deficiency within 30 days after receipt of notice thereof by  
4 registered or certified mail from the office department, the  
5 office department may revoke the certificate of authority of  
6 the health maintenance organization.

7 (3) Whenever the office department determines that the  
8 financial condition of a health maintenance organization has  
9 deteriorated to the point that the policyholders' or  
10 subscribers' best interests are not being preserved by the  
11 activities of a health maintenance organization, the office  
12 ~~department~~ may require such health maintenance organization to  
13 deposit and maintain deposited in trust with the department  
14 for the protection of the health maintenance organization's  
15 policyholders, subscribers, and creditors, for such time as  
16 the office department deems necessary, securities eligible for  
17 such deposit under s. 625.52 having a market value of not less  
18 than the amount that the office department determines is  
19 necessary, which amount must not be less than \$100,000 or  
20 greater than \$2 million. The deposit required under this  
21 subsection is in addition to any other deposits required of a  
22 health maintenance organization pursuant to subsections (1)  
23 and (2).

24 Section 1571. Section 641.29, Florida Statutes, is  
25 amended to read:

26 641.29 Fees.--Every health maintenance organization  
27 shall pay to the office department the following fees:

28 (1) For filing a copy of its application for a  
29 certificate of authority or amendment thereto, a nonrefundable  
30 fee in the amount of \$1,000.

31

1           (2) For filing each annual report, which must be filed  
2 by electronic means in a computer-readable form ~~on computer~~  
3 ~~diskettes~~, \$150.

4           Section 1572. Paragraph (b) of subsection (4) of  
5 section 641.3007, Florida Statutes, is amended to read:

6           641.3007 HIV infection and AIDS for contract

7           (4) UTILIZATION OF MEDICAL TESTS.--

8           (b) Prior to testing, the health maintenance  
9 organization must disclose its intent to test the person for  
10 the HIV infection or for a specific sickness or medical  
11 condition derived therefrom and must obtain the person's  
12 written informed consent to administer the test. Written  
13 informed consent shall include a fair explanation of the test,  
14 including its purpose, potential uses, and limitations, and  
15 the meaning of its results and the right to confidential  
16 treatment of information. Use of a form approved by the  
17 office ~~department~~ shall raise a conclusive presumption of  
18 informed consent.

19           Section 1573. Section 641.305, Florida Statutes, is  
20 amended to read:

21           641.305 Language used in contracts and advertisements;  
22 translations.--

23           (1)(a) All health maintenance contracts or forms shall  
24 be printed in English.

25           (b) If the negotiations by a health maintenance  
26 organization with a member leading up to the effectuation of a  
27 health maintenance contract are conducted in a language other  
28 than English, the health maintenance organization shall supply  
29 to the member a written translation of the contract, which  
30 translation accurately reflects the substance of the contract  
31 and is in the language used to negotiate the contract. The

1 written translation shall be affixed to and shall become a  
2 part of the contract or form. Any such translation shall be  
3 furnished to the office ~~department~~ as part of the filing of  
4 the health maintenance contract form. No translation of a  
5 health maintenance contract form shall be approved by the  
6 department unless the translation accurately reflects the  
7 substance of the health maintenance contract form in  
8 translation.

9 (2) The text of all advertisements by a health  
10 maintenance organization, if printed or broadcast in a  
11 language other than English, also shall be available in  
12 English and shall be furnished to the office ~~department~~ upon  
13 request. As used in this subsection, the term "advertisement"  
14 means any advertisement, circular, pamphlet, brochure, or  
15 other printed material disclosing or disseminating advertising  
16 material or information by a health maintenance organization  
17 to prospective or existing subscribers and includes any radio  
18 or television transmittal of an advertisement or information.

19 Section 1574. Subsections (2), (3), (5), and (12) and  
20 paragraphs (c) and (e) of subsection (38) of section 641.31,  
21 Florida Statutes, are amended to read:

22 641.31 Health maintenance contracts.--

23 (2) The rates charged by any health maintenance  
24 organization to its subscribers shall not be excessive,  
25 inadequate, or unfairly discriminatory or follow a rating  
26 methodology that is inconsistent, indeterminate, or ambiguous  
27 or encourages misrepresentation or misunderstanding. The  
28 commission ~~department~~, in accordance with generally accepted  
29 actuarial practice as applied to health maintenance  
30 organizations, may define by rule what constitutes excessive,  
31 inadequate, or unfairly discriminatory rates and may require

1 whatever information it deems necessary to determine that a  
2 rate or proposed rate meets the requirements of this  
3 subsection.

4 (3)(a) If a health maintenance organization desires to  
5 amend any contract with its subscribers or any certificate or  
6 member handbook, or desires to change any basic health  
7 maintenance contract, certificate, grievance procedure, or  
8 member handbook form, or application form where written  
9 application is required and is to be made a part of the  
10 contract, or printed amendment, addendum, rider, or  
11 endorsement form or form of renewal certificate, it may do so,  
12 upon filing with the office ~~department~~ the proposed change or  
13 amendment. Any proposed change shall be effective  
14 immediately, subject to disapproval by the office ~~department~~.  
15 Following receipt of notice of such disapproval or withdrawal  
16 of approval, no health maintenance organization shall issue or  
17 use any form disapproved by the office ~~department~~ or as to  
18 which the office ~~department~~ has withdrawn approval.

19 (b) Any change in the rate is subject to paragraph (d)  
20 and requires at least 30 days' advance written notice to the  
21 subscriber. In the case of a group member, there may be a  
22 contractual agreement with the health maintenance organization  
23 to have the employer provide the required notice to the  
24 individual members of the group.

25 (c) The office ~~department~~ shall disapprove any form  
26 filed under this subsection, or withdraw any previous approval  
27 thereof, if the form:

28 1. Is in any respect in violation of, or does not  
29 comply with, any provision of this part or rule adopted  
30 thereunder.

31

1           2. Contains or incorporates by reference, where such  
2 incorporation is otherwise permissible, any inconsistent,  
3 ambiguous, or misleading clauses or exceptions and conditions  
4 which deceptively affect the risk purported to be assumed in  
5 the general coverage of the contract.

6           3. Has any title, heading, or other indication of its  
7 provisions which is misleading.

8           4. Is printed or otherwise reproduced in such a manner  
9 as to render any material provision of the form substantially  
10 illegible.

11           5. Contains provisions which are unfair, inequitable,  
12 or contrary to the public policy of this state or which  
13 encourage misrepresentation.

14           6. Excludes coverage for human immunodeficiency virus  
15 infection or acquired immune deficiency syndrome or contains  
16 limitations in the benefits payable, or in the terms or  
17 conditions of such contract, for human immunodeficiency virus  
18 infection or acquired immune deficiency syndrome which are  
19 different than those which apply to any other sickness or  
20 medical condition.

21           (d) Any change in rates charged for the contract must  
22 be filed with the office ~~department~~ not less than 30 days in  
23 advance of the effective date. At the expiration of such 30  
24 days, the rate filing shall be deemed approved unless prior to  
25 such time the filing has been affirmatively approved or  
26 disapproved by order of the office ~~department~~. The approval of  
27 the filing by the office ~~department~~ constitutes a waiver of  
28 any unexpired portion of such waiting period. The office  
29 ~~department~~ may extend by not more than an additional 15 days  
30 the period within which it may so affirmatively approve or  
31 disapprove any such filing, by giving notice of such extension

1 before expiration of the initial 30-day period. At the  
2 expiration of any such period as so extended, and in the  
3 absence of such prior affirmative approval or disapproval, any  
4 such filing shall be deemed approved.

5 (e) It is not the intent of this subsection to  
6 restrict unduly the right to modify rates in the exercise of  
7 reasonable business judgment.

8 (5) Every subscriber shall receive a clear and  
9 understandable description of the method of the health  
10 maintenance organization for resolving subscriber grievances,  
11 and the method shall be set forth in the contract,  
12 certificate, and member handbook. The organization shall also  
13 furnish, at the time of initial enrollment and when necessary  
14 due to substantial changes to the grievance process a separate  
15 and additional communication prepared or approved by the  
16 office ~~department~~ notifying the contract holder of a group  
17 contract or subscriber of an individual contract of their  
18 rights and responsibilities under the grievance process.

19 (12) Each health maintenance contract, certificate, or  
20 member handbook shall state that emergency services and care  
21 shall be provided to subscribers in emergency situations not  
22 permitting treatment through the health maintenance  
23 organization's providers, without prior notification to and  
24 approval of the organization. Not less than 75 percent of the  
25 reasonable charges for covered services and supplies shall be  
26 paid by the organization, up to the subscriber contract  
27 benefit limits. Payment also may be subject to additional  
28 applicable copayment provisions, not to exceed \$100 per claim.  
29 The health maintenance contract, certificate, or member  
30 handbook shall contain the definitions of "emergency services  
31 and care" and "emergency medical condition" as specified in s.

1 641.19(6) and (7)~~s. 641.19(7) and (8)~~, shall describe  
2 procedures for determination by the health maintenance  
3 organization of whether the services qualify for reimbursement  
4 as emergency services and care, and shall contain specific  
5 examples of what does constitute an emergency. In providing  
6 for emergency services and care as a covered service, a health  
7 maintenance organization shall be governed by s. 641.513.

8 (38)

9 (c) Premiums paid in for the point-of-service riders  
10 may not exceed 15 percent of total premiums for all health  
11 plan products sold by the health maintenance organization  
12 offering the rider. If the premiums paid for point-of-service  
13 riders exceed 15 percent, the health maintenance organization  
14 must notify the office ~~department~~ and, once this fact is  
15 known, must immediately cease offering such a rider until it  
16 is in compliance with the rider premium cap.

17 (e) The term "point of service" may not be used by a  
18 health maintenance organization except with riders permitted  
19 under this section or with forms approved by the office  
20 ~~department~~ in which a point-of-service product is offered with  
21 an indemnity carrier.

22 Section 1575. Subsection (2) of section 641.3105,  
23 Florida Statutes, is amended to read:

24 641.3105 Validity of noncomplying contracts.--

25 (2) Any health maintenance contract delivered or  
26 issued for delivery in this state covering a subscriber, which  
27 subscriber, pursuant to the provisions of this part, the  
28 organization may not lawfully cover under the contract, shall  
29 be cancelable at any time by the organization, any provision  
30 of the contract to the contrary notwithstanding; and the  
31 organization shall promptly cancel the contract in accordance

1 with the request of the office ~~department~~ therefor. No such  
2 illegality or cancellation shall be deemed to relieve the  
3 organization of any liability incurred by it under the  
4 contract while in force or to prohibit the organization from  
5 retaining the pro rata earned premium or rate thereon. This  
6 provision does not relieve the organization from any penalty  
7 otherwise incurred by the organization under this part on  
8 account of any such violation.

9           Section 1576. Subsection (5), paragraph (b) of  
10 subsection (7), paragraphs (a) and (e) of subsection (8),  
11 paragraph (c) of subsection (9), and paragraph (b) of  
12 subsection (10) of section 641.31071, Florida Statutes, are

27 count as creditable coverage, coverage of benefits within each  
28 of several classes or categories of benefits specified in  
29 rules adopted by the commission ~~department~~ rather than as  
30 provided under paragraph (a). Such election shall be made on a  
31 uniform basis for all participants and beneficiaries. Under

1 such election, a health maintenance organization shall count a  
2 period of creditable coverage with respect to any class or  
3 category of benefits if any level of benefits is covered  
4 within such class or category.

5 (8)(a) Periods of creditable coverage with respect to  
6 an individual shall be established through presentation of  
7 certifications described in this subsection or in such other  
8 manner as may be specified in rules adopted by the commission  
9 ~~department~~.

10 (e) The commission ~~department~~ shall adopt rules to  
11 prevent an insurer's or health maintenance organization's  
12 failure to provide information under this subsection with  
13 respect to previous coverage of an individual from adversely  
14 affecting any subsequent coverage of the individual under  
15 another group health plan or health maintenance organization  
16 coverage.

17 (9)

18 (c) As an alternative to the method authorized by  
19 paragraph (a), a health maintenance organization may address  
20 adverse selection in a method approved by the office  
21 ~~department~~.

22 (10)

23 (b) The commission ~~department~~ shall adopt rules that  
24 provide a process whereby individuals who need to establish  
25 creditable coverage for periods before July 1, 1996, and who  
26 would have such coverage credited but for paragraph (a), may  
27 be given credit for creditable coverage for such periods  
28 through the presentation of documents or other means.

29 Section 1577. Paragraph (b) of subsection (3) of  
30 section 641.31074, Florida Statutes, is amended to read:

31 641.31074 Guaranteed renewability of coverage.--

1 (3)

2 (b)1. In any case in which a health maintenance  
3 organization elects to discontinue offering all coverage in  
4 the small group market or the large group market, or both, in  
5 this state, coverage may be discontinued by the insurer only  
6 if:

7 a. The health maintenance organization provides notice  
8 to the office ~~department~~ and to each contract holder, and  
9 participants and beneficiaries covered under such coverage, of  
10 such discontinuation at least 180 days prior to the date of  
11 the nonrenewal of such coverage; and

12 b. All health insurance issued or delivered for  
13 issuance in this state in such market is discontinued and  
14 coverage under such health insurance coverage in such market  
15 is not renewed.

16 2. In the case of a discontinuation under subparagraph  
17 1. in a market, the health maintenance organization may not  
18 provide for the issuance of any health maintenance  
19 organization contract coverage in the market in this state  
20 during the 5-year period beginning on the date of the  
21 discontinuation of the last insurance contract not renewed.

22 Section 1578. Subsection (2) of section 641.315,  
23 Florida Statutes, is amended to read:

24 641.315 Provider contracts.--

25 (2)(a) For all provider contracts executed after  
26 October 1, 1991, and within 180 days after October 1, 1991,  
27 for contracts in existence as of October 1, 1991:

28 1. The contracts must require the provider to give 60  
29 days' advance written notice to the health maintenance  
30 organization and the office ~~department~~ before canceling the  
31

1 contract with the health maintenance organization for any  
2 reason; and

3 2. The contract must also provide that nonpayment for  
4 goods or services rendered by the provider to the health  
5 maintenance organization is not a valid reason for avoiding  
6 the 60-day advance notice of cancellation.

7 (b) All provider contracts must provide that the  
8 health maintenance organization will provide 60 days' advance  
9 written notice to the provider and the office ~~department~~  
10 before canceling, without cause, the contract with the  
11 provider, except in a case in which a patient's health is  
12 subject to imminent danger or a physician's ability to  
13 practice medicine is effectively impaired by an action by the  
14 Board of Medicine or other governmental agency.

15 Section 1579. Subsections (4) and (5) of section  
16 641.3154, Florida Statutes, are amended to read:

17 641.3154 Organization liability; provider billing  
18 prohibited.--

19 (4) A provider or any representative of a provider,  
20 regardless of whether the provider is under contract with the  
21 health maintenance organization, may not collect or attempt to  
22 collect money from, maintain any action at law against, or  
23 report to a credit agency a subscriber of an organization for  
24 payment of services for which the organization is liable, if  
25 the provider in good faith knows or should know that the  
26 organization is liable. This prohibition applies during the  
27 pendency of any claim for payment made by the provider to the  
28 organization for payment of the services and any legal  
29 proceedings or dispute resolution process to determine whether  
30 the organization is liable for the services if the provider is  
31 informed that such proceedings are taking place. It is

1 presumed that a provider does not know and should not know  
2 that an organization is liable unless:  
3 (a) The provider is informed by the organization that  
4 it accepts liability;  
5 (b) A court of competent jurisdiction determines that  
6 the organization is liable;  
7 (c) The office ~~department~~ or agency makes a final  
8 determination that the organization is required to pay for  
9 such services subsequent to a recommendation made by the  
10 Statewide Provider and Subscriber Assistance Panel pursuant to  
11 s. 408.7056; or  
12 (d) The agency issues a final order that the  
13 organization is required to pay for such services subsequent  
14 to a recommendation made by a resolution organization pursuant  
15 to s. 408.7057.  
16 (5) An organization, the office, and the department  
17 shall report any suspected violation of this section by a  
18 health care practitioner to the Department of Health and by a  
19 facility to the agency, which shall take such action as  
20 authorized by law.  
21 Section 1580. Subsection (12) of section 641.3155,  
22 Florida Statutes, is amended to read:  
23 641.3155 Prompt payment of claims.--  
24 (12) A permissible error ratio of 5 percent is  
25 established for health maintenance organizations' claims  
26 payment violations of paragraphs (3)(a), (b), (c), and (e) and  
27 (4)(a), (b), (c), and (e). If the error ratio of a particular  
28 insurer does not exceed the permissible error ratio of 5  
29 percent for an audit period, no fine shall be assessed for the  
30 noted claims violations for the audit period. The error ratio  
31 shall be determined by dividing the number of claims with

1 violations found on a statistically valid sample of claims for  
2 the audit period by the total number of claims in the sample.  
3 If the error ratio exceeds the permissible error ratio of 5  
4 percent, a fine may be assessed according to s. 624.4211 for  
5 those claims payment violations which exceed the error ratio.  
6 Notwithstanding the provisions of this section, the office  
7 ~~department~~ may fine a health maintenance organization for  
8 claims payment violations of paragraphs (3)(e) and (4)(e)  
9 which create an uncontestable obligation to pay the claim.  
10 The office ~~department~~ shall not fine organizations for  
11 violations which the office ~~department~~ determines were due to  
12 circumstances beyond the organization's control.

13 Section 1581. Subsection (4), (6), and (7) of section  
14 641.316, Florida Statutes, are amended to read:

15 641.316 Fiscal intermediary services.--

16 (4) A fiscal intermediary services organization, as  
17 described in subsection (3), shall secure and maintain a  
18 surety bond on file with the office ~~department~~, naming the  
19 intermediary as principal. The bond must be obtained from a  
20 company authorized to write surety insurance in the state, and  
21 the office ~~department~~ shall be obligee on behalf of itself and  
22 third parties. The penal sum of the bond may not be less than  
23 5 percent of the funds handled by the intermediary in  
24 connection with its fiscal and fiduciary services during the  
25 prior year or \$250,000, whichever is less. The minimum bond  
26 amount must be \$10,000. The condition of the bond must be that  
27 the intermediary shall register with the office ~~department~~ and  
28 shall not misappropriate funds within its control or custody  
29 as a fiscal intermediary or fiduciary. The aggregate liability  
30 of the surety for any and all breaches of the conditions of  
31 the bond may not exceed the penal sum of the bond. The bond

1 must be continuous in form, must be renewed annually by a  
2 continuation certificate, and may be terminated by the surety  
3 upon its giving 30 days' written notice of termination to the  
4 office ~~department~~.

5 (6) Any fiscal intermediary services organization,  
6 other than a fiscal intermediary services organization owned,  
7 operated, or controlled by a hospital licensed under chapter  
8 395, an insurer licensed under chapter 624, a third-party  
9 administrator licensed under chapter 626, a prepaid limited  
10 health service organization licensed under chapter 636, a  
11 health maintenance organization licensed under this chapter,  
12 or physician group practices as defined in s. 456.053(3)(h),  
13 must register with the office ~~department~~ and meet the  
14 requirements of this section. In order to register as a fiscal  
15 intermediary services organization, the organization must  
16 comply with ss. 641.21(1)(c) and (d) and 641.22(6). Should the  
17 office ~~department~~ determine that the fiscal intermediary  
18 services organization does not meet the requirements of this  
19 section, the registration shall be denied. In the event that  
20 the registrant fails to maintain compliance with the  
21 provisions of this section, the office ~~department~~ may revoke  
22 or suspend the registration. In lieu of revocation or  
23 suspension of the registration, the office ~~department~~ may levy  
24 an administrative penalty in accordance with s. 641.25.

25 (7) The commission ~~department~~ shall adopt rules  
26 necessary to administer this section.

27 Section 1582. Subsections (1), (2), (3), and (4),  
28 paragraph (b) of subsection (6), subsection (8), paragraph (c)  
29 of subsection (10), subsections (11) and (12), paragraph (a)  
30 of subsection (14), and subsections (15), (16), and (17) of  
31 section 641.35, Florida Statutes, are amended to read:

1           641.35 Assets, liabilities, and investments.--  
2           (1) ASSETS.--In any determination of the financial  
3 condition of a health maintenance organization, there shall be  
4 allowed as "assets" only those assets that are owned by the  
5 health maintenance organization and that consist of:  
6           (a) Cash or cash equivalents in the possession of the  
7 health maintenance organization, or in transit under its  
8 control, including the true balance of any deposit in a  
9 solvent bank, savings and loan association, or trust company  
10 which is domiciled in the United States. Cash equivalents are  
11 short-term, highly liquid investments, with original  
12 maturities of 3 months or less, which are both readily  
13 convertible to known amounts of cash and so near their  
14 maturity that they present insignificant risk of changes in  
15 value because of changes in interest rates.  
16           (b) Investments, securities, properties, and loans  
17 acquired or held in accordance with this part, and in  
18 connection therewith the following items:  
19           1. Interest due or accrued on any bond or evidence of  
20 indebtedness which is not in default and which is not valued  
21 on a basis including accrued interest.  
22           2. Declared and unpaid dividends on stock and shares,  
23 unless the amount of the dividends has otherwise been allowed  
24 as an asset.  
25           3. Interest due or accrued upon a collateral loan  
26 which is not in default in an amount not to exceed 1 year's  
27 interest thereon.  
28           4. Interest due or accrued on deposits or certificates  
29 of deposit in solvent banks, savings and loan associations,  
30 and trust companies domiciled in the United States, and  
31

1 interest due or accrued on other assets, if such interest is  
2 in the judgment of the office ~~department~~ a collectible asset.

3 5. Interest due or accrued on current mortgage loans,  
4 in an amount not exceeding in any event the amount, if any, of  
5 the excess of the value of the property less delinquent taxes  
6 thereon over the unpaid principal; but in no event shall  
7 interest accrued for a period in excess of 90 days be allowed  
8 as an asset.

9 (c) Premiums in the course of collection, not more  
10 than 3 months past due, less commissions payable thereon. The  
11 foregoing limitation shall not apply to premiums payable  
12 directly or indirectly by any governmental body in the United  
13 States or by any of their instrumentalities.

14 (d) The full amount of reinsurance recoverable from a  
15 solvent reinsurer, which reinsurance is authorized under s.  
16 624.610.

17 (e) Pharmaceutical and medical supply inventories.

18 (f) Goodwill created by acquisitions and mergers  
19 occurring on or after January 1, 2001.

20 (g) Loans or advances by a health maintenance  
21 organization to its parent or principal owner if approved by  
22 the office ~~department~~.

23 (h) Other assets, not inconsistent with the provisions  
24 of this section, deemed by the office ~~department~~ to be  
25 available for the payment of losses and claims, at values to  
26 be determined by it.

27  
28 The office ~~department~~, upon determining that a health  
29 maintenance organization's asset has not been evaluated  
30 according to applicable law or that it does not qualify as an  
31 asset, shall require the health maintenance organization to

1 properly reevaluate the asset or replace the asset with an  
2 asset suitable to the office department within 30 days of  
3 receipt of written notification by the office department of  
4 this determination, if the removal of the asset from the  
5 organization's assets would impair the organization's  
6 solvency.

7 (2) ASSETS NOT ALLOWED.--In addition to assets  
8 impliedly excluded by the provisions of subsection (1), the  
9 following assets expressly shall not be allowed as assets in  
10 any determination of the financial condition of a health  
11 maintenance organization:

12 (a) Subscriber lists, patents, trade names, agreements  
13 not to compete, and other like intangible assets.

14 (b) Any note or account receivable from or advances to  
15 officers, directors, or controlling stockholders, whether  
16 secured or not, and advances to employees, agents, or other  
17 persons on personal security only, other than those  
18 transactions authorized under paragraph (1)(g).

19 (c) Stock of the health maintenance organization owned  
20 by it directly or owned by it through any entity in which the  
21 organization owns or controls, directly or indirectly, more  
22 than 25 percent of the ownership interest.

23 (d) Leasehold improvements, nonmedical libraries,  
24 stationery, literature, and nonmedical supply inventories,  
25 except that leasehold improvements made prior to October 1,  
26 1985, shall be allowed as an asset and shall be amortized over  
27 the shortest of the following periods:

- 28 1. The life of the lease.
- 29 2. The useful life of the improvements.
- 30 3. The 3-year period following October 1, 1985.

31

1 (e) Furniture, fixtures, furnishings, vehicles,  
2 medical libraries, and equipment.

3 (f) Notes or other evidences of indebtedness which are  
4 secured by mortgages or deeds of trust which are in default  
5 and beyond the express period specified in the instrument for  
6 curing the default.

7 (g) Bonds in default for more than 60 days.

8 (h) Prepaid and deferred expenses.

9 (i) Any note, account receivable, advance, or other  
10 evidence of indebtedness, or investment in:

11 1. The parent of the health maintenance organization;

12 2. Any entity directly or indirectly controlled by the  
13 health maintenance organization parent; or

14 3. An affiliate of the parent or the health  
15 maintenance organization,

16  
17 except as allowed in subsections (1), (11), and (12). The  
18 office department may, however, allow all or a portion of such  
19 asset, at values to be determined by the office department, if  
20 deemed by the office department to be available for the  
21 payment of losses and claims.

22 (3) LIABILITIES.--In any determination of the  
23 financial condition of a health maintenance organization,  
24 liabilities to be charged against its assets shall include:

25 (a) The amount, estimated consistently with the  
26 provisions of this part, necessary to pay all of its unpaid  
27 losses and claims incurred for or on behalf of a subscriber,  
28 on or prior to the end of the reporting period, whether  
29 reported or unreported, including contract and premium  
30 deficiency reserves. If a health maintenance organization,  
31 through a health care risk contract, transfers to any entity

1 the obligation to pay any provider for any claim arising from  
2 services provided to or for the benefit of any subscriber, the  
3 liabilities of the health maintenance organization under this  
4 section shall include the amount of those losses and claims to  
5 the extent that the provider has not received payment. No  
6 liability need be established if the entity has provided to  
7 the health maintenance organization a financial instrument  
8 acceptable to the office ~~department~~ securing the obligations  
9 under the contract or if the health maintenance organization  
10 has in place an escrow or withhold agreement approved by the  
11 office ~~department~~ which assures full payment of those claims.  
12 Financial instruments may include irrevocable, clean, and  
13 evergreen letters of credit. As used in this paragraph, the  
14 term "entity" does not include this state, the United States,  
15 or an agency thereof or an insurer or health maintenance  
16 organization authorized in this state.

17 (b) The amount equal to the unearned portions of the  
18 gross premiums charged on health maintenance contracts in  
19 force.

20 (c) Taxes, expenses, and other obligations due or  
21 accrued at the date of the statement.

22

23 The office ~~department~~, upon determining that a health  
24 maintenance organization has failed to report liabilities that  
25 should have been reported, shall require a corrected report  
26 which reflects the proper liabilities to be submitted by the  
27 organization to the office ~~department~~ within 10 working days  
28 of receipt of written notification.

29 (4) INVESTMENTS GENERALLY.--Health maintenance  
30 organizations may invest their funds only in accordance with  
31 the provisions of this part. Notwithstanding the provisions of

1 | this part, however, the office ~~department~~ may, after notice  
2 | and hearing, order a health maintenance organization to limit  
3 | or withdraw from certain investments or to discontinue certain  
4 | investment practices, to the extent that the office ~~department~~  
5 | finds the investment practices hazardous to the financial  
6 | condition of the organization. At any such hearing, the  
7 | office ~~department~~ shall have the burden of presenting a prima  
8 | facie case that the investment or investment practices are  
9 | hazardous to the financial condition of the organization. If  
10 | the office ~~department~~ presents such a prima facie case, then  
11 | it shall be the organization's burden to demonstrate that the  
12 | investment or investment practices are not hazardous to the  
13 | financial condition of the organization.

14 |         (6) GENERAL QUALIFICATIONS.--

15 |         (b) No security or investment shall be eligible for  
16 | purchase at a price above its market value unless it is  
17 | approved by the office ~~department~~.

18 |         (8) EXCESSIVE COMMISSIONS AND CERTAIN INTERESTS  
19 | PROHIBITED.--

20 |         (a) No health maintenance organization shall pay any  
21 | commission or brokerage for the purchase or sale of property,  
22 | whether real or personal, in excess of that usual and  
23 | customary at the time and in the locality where the purchases  
24 | or sales are made. Information regarding payments of  
25 | commissions and brokerage shall be maintained from the date of  
26 | the most recent examination by the office ~~department~~ pursuant  
27 | to s. 641.27 until the date of completion of the following  
28 | examination.

29 |         (b) No health maintenance organization shall knowingly  
30 | invest in or loan upon any property, directly or indirectly,  
31 | whether real or personal, in which any officer or director of

1 the organization has a financial interest, nor shall any  
2 organization make a loan of any kind to any officer or  
3 director of the organization, except that:

4 1. This paragraph shall not apply to loans in  
5 circumstances in which the financial interest of the officer  
6 or director is only nominal, trifling, or so remote as not to  
7 give rise to a conflict of interest; and

8 2. In any case, the office ~~department~~ may approve a  
9 transaction between an organization and its officers or  
10 directors under this paragraph if it is satisfied that:

11 a. The transaction is entered into in good faith for  
12 the advantage and benefit of the organization,

13 b. The amount of the proposed investment or loan does  
14 not violate any other provision of this part or exceed the  
15 reasonable, normal value of the property or the interest which  
16 the company proposed to acquire,

17 c. The transaction is otherwise fair and reasonable,  
18 and

19 d. The transaction will not adversely affect, to any  
20 substantial degree, the liquidity of the organization's  
21 investments or its ability thereafter to comply with  
22 requirements of this part or the payment of its claims and  
23 obligations.

24 (10) PROPERTY USED IN THE HEALTH MAINTENANCE  
25 ORGANIZATION'S BUSINESS.--Real estate, including leasehold  
26 estates, for the convenient accommodation of the  
27 organization's business operations, including home office,  
28 branch administrative offices, hospitals, medical clinics,  
29 medical professional buildings, and any other facility to be  
30 used in the provision of health care services, or real estate  
31 for rental to any health care provider under contract with the

1 organization to provide health care services which shall be  
2 used in the provision of health care services to members of  
3 the organization by that provider, is acceptable as an  
4 investment on the following conditions:

5 (c) The greater of the admitted value of the asset, as  
6 determined by statutory accounting principles, or, if approved  
7 by the office ~~department~~, the health maintenance  
8 organization's equity in the real estate plus all encumbrances  
9 on the real estate owned by the organization under this  
10 subsection, when added to the value of all personal and mixed  
11 property used in the organization's business, shall not exceed  
12 75 percent of its admitted assets unless, with the permission  
13 of the office ~~department~~, it finds that the percentage of its  
14 admitted assets is insufficient to provide convenient  
15 accommodation for the organization's business and the  
16 operations of the organization would not otherwise be  
17 impaired.

18 (11) INVESTMENTS IN ADMINISTRATIVE AND MANAGEMENT  
19 SERVICE ENTITIES AND OTHER HEALTH CARE PROVIDERS.--A health  
20 maintenance organization may invest directly or indirectly in  
21 real estate, common and preferred stocks, bonds or debentures,  
22 including convertible debentures, or other evidences of debts  
23 of or equity in an entity if the entity is owned by or, with  
24 the approval of the office ~~department~~, under contract to the  
25 organization to provide management services, administrative  
26 services, or health care services for the organization, on the  
27 following conditions:

28 (a) Investments authorized under this subsection shall  
29 not exceed 50 percent of admitted assets, and these  
30 investments shall be included in the calculation of the  
31

1 overall limitation in paragraph (10)(c) relating to all real  
2 and personal property.

3 (b) Investments may qualify under this section only  
4 insofar as a provider of management, administrative, or health  
5 care service relationship as defined herein exists. Upon  
6 cessation of such relationship, each investment shall be  
7 subject to the rules applicable to an investment of that type  
8 and must qualify under the appropriate limitation or, failing  
9 that, become ineligible and subject to disposal under  
10 subsection (17).

11 (12) EXCHANGES OF FACILITIES OR ASSETS.--Health care  
12 or administrative service entities, if subsidiaries of or  
13 under contract to the health maintenance organization to  
14 provide administrative or health care services to the  
15 organization's members, may exchange facilities or similar  
16 assets to be used in the organization's business for stock of  
17 the organization. However, any exchange involving an entity  
18 under contract with the health maintenance organization must  
19 have the approval of the office ~~department~~ prior to the  
20 exchange. These facilities or assets shall be valued in  
21 accordance with statutory accounting principles.

22 (14) SPECIAL LIMITATION INVESTMENTS.--

23 (a) After satisfying the requirements of this part,  
24 any funds of the health maintenance organization may be  
25 invested in the following investments, subject to a cost  
26 limitation of 10 percent of its admitted assets in each  
27 category of investment:

28 1. Anticipation obligations of political subdivisions  
29 of a state.--Anticipation obligations of any political  
30 subdivision of any state of the United States, including, but  
31 not limited to, bond anticipation notes, tax anticipation

1 notes, preliminary loan anticipation notes, revenue  
2 anticipation notes, and construction anticipation notes, for  
3 the payment of money within 12 months from the issuance of the  
4 obligation, on the following conditions:

5 a. The anticipation notes are a direct obligation of  
6 the issuer under conditions set forth in subsection (9).

7 b. The political subdivision is not in default in the  
8 payment of the principal or interest on any of its direct  
9 general obligations or any obligation guaranteed by such  
10 political subdivision.

11 c. The anticipated funds are specifically pledged to  
12 secure the obligations.

13 2. Revenue obligations of state or municipal public  
14 utilities.--Obligations of any state of the United States, a  
15 political subdivision thereof, or a public instrumentality of  
16 any one or more of the foregoing for the payment of money, on

31 such document.

1 (b) A copy of the constitution, bylaws, rules and  
2 regulations, or similar form of document, if any, regulating  
3 the conduct of the affairs of the applicant.

4 (c) A list of the names, addresses, and official  
5 capacities with the applicant of the persons who are to be  
6 responsible for the conduct of the affairs of the clinic,  
7 including all members of the governing body, the officers and  
8 directors in the case of a corporation, and the partners or  
9 associates in the case of a partnership or association. Such  
10 persons shall fully disclose to the office ~~department~~ and the  
11 governing body of the clinic the extent and nature of any  
12 contracts or arrangements between them and the clinic,  
13 including any possible conflicts of interest.

14 (d) A statement generally describing the clinic and  
15 its operations.

16 (e) Each form of prepaid health clinic contract that  
17 the applicant proposes to offer the subscribers, showing for  
18 each form of contract the benefits to which the subscribers  
19 are entitled, together with a table of the rates charged, or  
20 proposed to be charged.

21 (f) A copy of the applicant's Health Care Provider  
22 Certificate from the Agency for Health Care Administration,  
23 issued pursuant to part III of this chapter.

24 (g) A financial statement prepared on the basis of

28 Section 1598. Section 641.406, Florida Statutes, is  
29 amended to read:

30 641.406 Issuance of certificate of authority.--The  
31 office ~~department~~ shall issue a certificate of authority for a

1 prepaid health clinic to any applicant filing a properly  
2 completed application in conformity with s. 641.405, upon  
3 payment of the prescribed fees and upon the office's  
4 ~~department's~~ being satisfied that:

5 (1) As a condition precedent to the issuance of any  
6 certificate, the applicant has obtained a Health Care Provider  
7 Certificate from the Agency for Health Care Administration  
8 pursuant to part III of this chapter.

9 (2) The proposed rates are actuarially sound for the  
10 benefits provided, including administrative costs.

11 (3) The applicant has met the minimum surplus  
12 requirements of s. 641.407.

13 (4) The procedures for offering basic services and  
14 offering and terminating contracts to subscribers will not  
15 unfairly discriminate on the basis of age, health, or economic  
16 status. However, this subsection does not prohibit reasonable  
17 underwriting classifications for the purposes of establishing  
18 contract rates, nor does it prohibit experience rating.

19 (5) The procedures for offering basic services and  
20 offering and terminating contracts to subscribers will not  
21 discriminate on the basis of sex, race, or national origin.

22 (6) The applicant furnishes evidence of adequate  
23 insurance coverage or an adequate plan for self-insurance to  
24 respond to claims for injuries arising out of the furnishing  
25 of basic services.

26 (7) The ownership, control, or management of the  
27 applicant is competent and trustworthy and possesses  
28 managerial experience that would make the proposed clinic  
29 operation beneficial to the subscribers. The office ~~department~~  
30 shall not grant or continue authority to transact the business  
31 of a prepaid health clinic in this state at any time during

1 which the office ~~department~~ has good reason to believe that  
2 the ownership, control, or management of the clinic is under  
3 the control of any person whose business operations are or  
4 have been marked by business practices or conduct that is to  
5 the detriment of the public, stockholders, investors, or  
6 creditors; by the improper manipulation of assets or of  
7 accounts; or by bad faith.

8 (8) The application and the applicant are in  
9 conformity with all requirements of this part.

10 Section 1599. Section 641.4065, Florida Statutes, is  
11 amended to read:

12 641.4065 Insurance business not authorized.--Nothing  
13 in the Florida Insurance Code or this part shall be deemed to  
14 authorize any prepaid health clinic to transact any insurance  
15 business other than that issuing prepaid health clinic  
16 contracts or otherwise to engage in any other type of  
17 insurance unless it is authorized under a certificate of  
18 authority issued by the office ~~department~~ under the provisions  
19 of the Florida Insurance Code.

20 Section 1600. Subsection (2) of section 641.407,  
21 Florida Statutes, is amended to read:

22 641.407 Minimum surplus.--

23 (2) In lieu of having any minimum surplus, the prepaid  
24 health clinic may provide a written guaranty to assure payment  
25 of covered subscriber claims if the guaranteeing organization  
26 has been in operation for at least 3 years and has a surplus,  
27 not including land, buildings, and equipment, equal to the  
28 product of 2 times the amount of the required statutory  
29 surplus. Such guaranteeing organization and such written  
30 guaranty must be acceptable to, and approved by, the office  
31 ~~department~~. The office ~~department~~ shall consider the

1 likelihood of the payment of subscriber claims in granting or  
2 withholding such approval.

3 Section 1601. Section 641.409, Florida Statutes, is  
4 amended to read:

5 641.409 Insolvency protection.--

6 (1) Every prepaid health clinic shall comply with one  
7 of the following paragraphs:

8 (a) The prepaid health clinic shall secure insurance  
9 to the satisfaction of the office ~~department~~ to protect  
10 subscribers in the event the prepaid health clinic is unable  
11 to meet its obligations to subscribers under the terms of any  
12 prepaid health clinic contract issued to a subscriber.

13 (b) The prepaid health clinic shall file with the  
14 office ~~department~~ a surety bond issued by an authorized surety  
15 insurer. The bond shall be for the same purpose as the  
16 insurance in lieu of which the bond is filed. The office  
17 ~~department~~ shall not approve any bond under the terms of which  
18 the protection afforded against insolvency is not equivalent  
19 to the protection afforded by such insurance. The bond shall  
20 guarantee that the prepaid health clinic will faithfully and  
21 truly perform all the conditions of any prepaid health clinic  
22 contract. No such bond shall be canceled or subject to  
23 cancellation unless at least 60 days' notice of the  
24 cancellation, in writing, is filed with the office ~~department~~.  
25 In the event that the notice of termination of the bond is  
26 filed with the office ~~department~~, the prepaid health clinic  
27 insured under the bond shall, within 30 days of the filing of  
28 the notice of termination, provide the office ~~department~~ with  
29 a replacement bond meeting the requirements of this part or  
30 secure insurance as required by paragraph (a). The  
31 cancellation of a bond does not relieve the obligation of the

1 issuer of the bond for claims arising out of contracts issued  
2 prior to the cancellation of the bond unless a replacement  
3 bond or insurance is secured. In no event shall the issuer's  
4 aggregate liability under the bond exceed the face amount of  
5 the bond. If, within 30 days of filing the notice of  
6 termination, a replacement bond or insurance has not been  
7 secured and filed with the office ~~department~~, the office  
8 ~~department~~ shall suspend the certificate of the prepaid health  
9 clinic until the deposit requirements are satisfied. Whenever  
10 the prepaid health clinic ceases to do business in this state  
11 and furnishes to the office ~~department~~ satisfactory proof that  
12 it has discharged or otherwise adequately provided for all of  
13 its obligations to its subscribers, the office ~~department~~  
14 shall release any bond filed by the prepaid health clinic.

15 (2) In determining the sufficiency of the insurance  
16 required under paragraph (1)(a) or the surety bond required  
17 under paragraph (1)(b), the office ~~department~~ may consider the  
18 number of subscribers, the basic services included in  
19 subscriber contracts, and the cost of providing such basic  
20 services to subscribers in the geographic area served.

21 (3) Every prepaid health clinic shall deposit with the  
22 department a cash deposit in the amount of \$30,000 to  
23 guarantee that the obligations to the subscribers will be  
24 performed.

25 Section 1602. Section 641.41, Florida Statutes, is  
26 amended to read:

27 641.41 Annual report of prepaid health clinic;  
28 administrative penalty.--

29 (1) Each prepaid health clinic shall file a report  
30 with the office ~~department~~, annually on or before March 1, or  
31 within 3 months of the end of the reporting period of the

2 report as the office ~~department~~, for good cause, may grant.  
3 The report of the prepaid health clinic must be filed on forms  
4 prescribed by the commission ~~department~~ and must be verified  
5 under oath by two executive officers of the clinic or, if the  
6 clinic is not a corporation, verified under oath by two  
7 persons who are principal managing directors of the affairs of  
8 the clinic. The report of the clinic shall show the condition  
9 of the clinic on the last day of the immediately preceding  
10 reporting period. Such report shall include:

11 (a) A financial statement of the clinic, including its  
12 balance sheet and a statement of operations for the preceding  
13 year;

14 (b) A list of the name and residence address of every  
15 person responsible for the conduct of the affairs of the  
16 clinic, together with a disclosure of the extent and nature of  
17 any contract or arrangement between such person and the  
18 clinic, including any possible conflicts of interest;

19 (c) The number of prepaid health clinic contracts  
20 issued and outstanding, and the number of prepaid health  
21 clinic contracts terminated and a compilation of the reasons  
22 for such terminations;

23 (d) Such statistical information as is requested by  
24 the commission or office ~~department~~, which information shows  
25 the rates of the clinic for all basic services provided under  
26 prepaid health clinic contracts;

27 (e) The number and amount of damage claims for medical  
28 injury initiated against the clinic and any of the providers  
29 engaged by it during the reporting year, broken down into  
30 claims with and without formal legal process, and the  
31 disposition, if any, of each such claim; and

1           (f) Such other information relating to the performance  
2 of the clinic as is required by the commission or office  
3 ~~department~~.

4           (2) Any clinic which neglects to file the annual  
5 report in the form and within the time required by this  
6 section is subject to an administrative penalty, not to exceed  
7 \$100 for each day during which the neglect continues; and,  
8 upon notice by the office ~~department~~ to that effect, the  
9 authority of the clinic to do business in this state shall  
10 cease while such default continues.

11           Section 1603. Section 641.412, Florida Statutes, is  
12 amended to read:

13           641.412 Fees.--

14           (1) Every prepaid health clinic shall pay to the  
15 office ~~department~~ the following fees:

16           (a) For filing a copy of its application for a  
17 certificate of authority or an amendment to such certificate,  
18 a nonrefundable fee in the amount of \$150.

19           (b) For filing each annual report, a fee in the amount  
20 of \$150.

21           (2) The fees charged under this section shall be  
22 distributed as follows:

23           (a) One-third of the total amount of fees shall be  
24 distributed to the Agency for Health Care Administration; and

25           (b) Two-thirds of the total amount of fees shall be  
26 distributed to the office ~~Department of Insurance~~.

27           Section 1604. Section 641.418, Florida Statutes, is  
28 amended to read:

29           641.418 Examination of prepaid health clinic by the  
30 office ~~department~~.--The office ~~department~~ shall examine the  
31 affairs, transactions, accounts, business records, and assets

1 of any prepaid health clinic as often as the office department  
2 deems it expedient for the protection of the people of this  
3 state. Every clinic shall submit its books and records and  
4 take other appropriate action as may be necessary to  
5 facilitate an examination. However, medical records of  
6 individuals and records of physicians providing services under  
7 contracts to the clinic are not subject to audit, although  
8 such records may be subject to subpoena by court order upon a  
9 showing of good cause. For the purpose of examinations, the  
10 office department may administer oaths to and examine the  
11 officers and agents of a clinic concerning its business and  
12 affairs. The expenses for the examination of each clinic by  
13 the office department are subject to the same terms and  
14 conditions that apply to insurers under part II of chapter  
15 624. In no event shall the expenses of all examinations exceed  
16 the maximum amount of \$15,000 per year.

17 Section 1605. Subsections (2), (3), (5), and (7) of  
18 section 641.42, Florida Statutes, is amended to read:

19 641.42 Prepaid health clinic contracts.--

20 (2) The rates charged by any clinic to its subscribers  
21 shall not be excessive, inadequate, or unfairly  
22 discriminatory. The commission department, in accordance with  
23 generally accepted actuarial practice, may define by rule what  
24 constitutes excessive, inadequate, or unfairly discriminatory  
25 rates and may require whatever information the commission  
26 department deems necessary to determine that a rate or  
27 proposed rate meets the requirements of this subsection.

28 (3) No clinic shall issue or agree to issue any  
29 prepaid health clinic contract to a subscriber unless the  
30 contract has first been filed with, and approved by, the  
31 office department.

1           (5) Every subscriber shall receive a clear and  
2 understandable description of the method of the clinic for  
3 resolving subscriber grievances; such method shall be set  
4 forth in the contract and shall be approved by the office  
5 ~~department~~ on the basis of its underlying fairness.

6           (7)(a) If a clinic desires to amend any contract with  
7 any of its subscribers or desires to change any rate charged  
8 for the contract, the clinic may do so, upon filing with the  
9 office ~~department~~ the proposed amendment or change in rates.

10           (b) No prepaid health clinic contract form or  
11 application form when written application is required and is  
12 to be made a part of the policy or contract, or no printed  
13 amendment, addendum, rider, or endorsement form or form of  
14 renewal certificate, shall be delivered or issued for delivery  
15 in this state, unless the form has been filed with the office  
16 ~~department at its offices in Tallahassee~~ by or in behalf of  
17 the clinic which proposes to use such form and has been  
18 approved by the office ~~department~~. Every such filing shall be  
19 made not less than 30 days in advance of any such use or  
20 delivery. At the expiration of such 30 days, the form so filed  
21 shall be deemed approved unless prior to the end of the 30  
22 days the form has been affirmatively approved or disapproved  
23 by the office ~~department~~. The approval of any such form by the  
24 office ~~department~~ constitutes a waiver of any unexpired  
25 portion of such waiting period. The office ~~department~~ may  
26 extend by not more than an additional 15 days the period  
27 within which the office ~~department~~ may so affirmatively  
28 approve or disapprove any such form, by giving notice of such  
29 extension before the expiration of the initial 30-day period.  
30 At the expiration of any such period as so extended, and in  
31 the absence of such prior affirmative approval or disapproval,

1 such form shall be deemed approved. The office ~~department~~ may,  
2 for cause, withdraw a previous approval. No clinic shall issue  
3 or use any form which has been disapproved by the office  
4 ~~department~~ or any form for which the office ~~department~~ has  
5 withdrawn approval.

6 (c) The office ~~department~~ shall disapprove any form  
7 filed under this subsection, or withdraw any previous approval  
8 of the form, only if the form:

9 1. Is in any respect in violation of, or does not  
10 comply with, any provision of this part or rule adopted under  
11 this part.

12 2. Contains or incorporates by reference, where such  
13 incorporation is otherwise permissible, any inconsistent,  
14 ambiguous, or misleading clauses, or exceptions and conditions  
15 which deceptively affect the risk purported to be assumed in  
16 the general coverage of the contract.

17 3. Has a misleading title, misleading heading, or  
18 other indication of the provisions of the form which is  
19 misleading.

20 4. Is printed or otherwise reproduced in such manner  
21 as to render any material provision of the form substantially  
22 illegible.

23 5. Provides benefits which are unreasonable in  
24 relation to the rate charged or contains provisions which are  
25 unfair, inequitable, or contrary to the public policy of this  
26 state or encourage misrepresentation.

27 (d) In determining whether the benefits are reasonable  
28 in relation to the rate charged, the office ~~department~~, in  
29 accordance with reasonable actuarial techniques, shall  
30 consider:

31

1           1. Past loss experience and prospective loss  
2 experience.

3           2. Allocation of expenses.

4           3. Risk and contingency margins, along with  
5 justification of such margins.

6           4. Acquisition costs.

7           5. Other factors deemed appropriate by the office  
8 ~~department~~, based on sound actuarial techniques.

14 shall be printed in English.

15           (b) If the negotiations by a prepaid health clinic  
16 with a subscriber leading up to the effectuation of a prepaid  
17 health clinic contract are conducted in a language other than  
18 English, the prepaid health clinic shall supply to the  
19 subscriber a written translation of the contract, which  
20 translation accurately reflects the substance of the contract  
21 and is in the language used to negotiate the contract. Any  
22 such translation shall be furnished to the office ~~department~~  
23 as part of the filing of the prepaid health clinic contract  
24 form and shall be approved by the office ~~department~~ prior to  
25 use. No translation of a prepaid health clinic contract form  
26 shall be approved by the office ~~department~~ unless the  
27 translation accurately reflects the substance of the prepaid  
28 health clinic contract form in translation. When a translation

No such illegality or cancellation shall be deemed to relieve the clinic of any liability incurred by the clinic under the contract while the contract was in force or to prohibit the clinic from retaining the pro rata earned premium on the contract. This provision does not relieve the clinic from any penalty otherwise

1 incurred by the clinic under this part on account of any such  
2 violation.

3 Section 1608. Section 641.437, Florida Statutes, is  
4 amended to read:

6 office ~~department~~ has the power to examine and investigate the  
7 affairs of every person, entity, or prepaid health clinic in  
8 order to determine whether the person, entity, or prepaid  
9 health clinic is operating in accordance with the provisions  
10 of this part or has been or is engaged in any unfair method of  
11 competition or any unfair or deceptive act or practice  
12 prohibited by s. 641.44.

13 Section 1609. Section 641.443, Florida Statutes, is  
14 amended to read:

15 641.443 Temporary restraining orders.--

16 (1) The office ~~department~~ is vested with the power to  
17 seek a temporary restraining order:

18 (a) On behalf of the office ~~department~~ or on behalf of  
19 a subscriber or subscribers of a prepaid health clinic that is  
20 being operated by a person or entity without a subsisting  
21 certificate of authority; or

22 (b) On behalf of the office ~~department~~ or on behalf of  
23 a subscriber or subscribers to whom a prepaid health clinic,  
24 person, or entity is issuing, delivering, or renewing prepaid  
25 health clinic contracts without an existing certificate of  
26 authority.

27 (2) The office ~~department~~ and the Agency for Health  
28 Care Administration are each vested with the power to seek a  
29 temporary restraining order on their behalf or on behalf of a

14 permanent orders as the office ~~department~~ may deem necessary  
15 to restrain the person, entity, or prepaid health clinic from  
16 engaging in any such activity, until the person, entity, or  
17 prepaid health clinic complies with the provisions and rules.

18 Section 1611. Section 641.445, Florida Statutes, is  
19 amended to read:

20 641.445 Defined practices; hearings, witnesses,  
21 appearances, production of books, and service of process.--

22 (1) Whenever the office ~~department~~ has reason to

24 engaged, or is engaging, in this state in any unfair method of  
25 competition or any unfair or deceptive act or practice as  
26 defined in s. 641.441, or is operating a prepaid health clinic  
27 without a certificate of authority as required by this part or

14 to the person, entity, or prepaid health clinic affected by  
15 the statement, notice, or order or other process at his or her  
16 or its residence or principal office or place of business.  
17 The verified return by the person so serving such statement,  
18 notice, or order or other process, setting forth the manner of  
19 the service, is proof of such service; and the return postcard

13 is unable to find a participating attorney willing to perform  
14 the services or the attorney selected by the insurer is  
15 disqualified or otherwise unable to perform the services. The  
16 alternative benefit may consist of furnishing the services of  
17 an attorney selected and paid by the insurer or paying the fee

17 justified in accordance with generally accepted insurance  
18 principles, including, but not limited to, the experience or  
19 judgment of the insurer making the rate filing or actuarial  
20 computations. The office ~~department~~ may disapprove rates that  
21 are excessive, inadequate, or unfairly discriminatory. Rates  
22 are not unfairly discriminatory because they are averaged  
23 broadly among persons insured under group, blanket, or  
24 franchise policies. The office ~~department~~ may require the

2 bond agent who is responsible for the overall operation and

14 to subparagraphs 1. and 2.

15           (d) The agreements for continuing care to be entered  
16 into between the provider and residents which meet the minimum  
17 requirements of s. 651.055 and which include a statement  
18 describing the procedures required by law relating to the  
19 release of escrowed entrance fees. Such statement may be  
20 furnished through an addendum.

21           (e) Any advertisement or other written material  
22 proposed to be used in the solicitation of residents.

23           (f) Such other reasonable data, financial statements,  
24 and pertinent information as the commission or office  
25 ~~department~~ may reasonably require with respect to the provider  
26 or the facility, including the most recent audited financial  
27 statements of comparable facilities currently or previously  
28 owned, managed, or developed by the applicant or its  
29 principal, to assist in determining the financial viability of  
30 the project and the management capabilities of its managers  
31 and owners.

1           (3) In addition to the information required in  
2 subsection (2), an applicant for a provisional certificate of  
3 authority shall submit a market feasibility study. The market  
4 feasibility study shall include at least the following  
5 information:

6           (i) The application for a provisional certificate of  
7 authority shall be accompanied by the forms of the continuing  
8 care residency and reservation contracts and escrow agreements  
9 proposed to be used by the provider in the furnishing of care.  
10 If the office ~~department~~ finds that the continuing care  
11 contracts and escrow agreements comply with ss. 651.023(1)(c),  
12 651.033, and 651.055, it shall approve them. Thereafter, no  
13 other form of contract or agreement may be used by the  
14 provider until it has been submitted to the office ~~department~~  
15 and approved.

16           (5)(a) Within 30 days after receipt of an application  
17 for a provisional certificate of authority, the office  
18 ~~department~~ shall examine the application and shall notify the  
19 applicant in writing, specifically setting forth and  
20 specifically requesting any additional information the office  
21 ~~department~~ is permitted by law to require. If the application  
22 submitted is determined by the office ~~department~~ to be  
23 substantially incomplete so as to require substantial  
24 additional information, including biographical information,  
25 the office ~~department~~ may return the application to the  
26 applicant with a written notice that the application as  
27 received is substantially incomplete and, therefore,  
28 unacceptable for filing without further action required by the  
29 office ~~department~~. Any filing fee received shall be refunded  
30 to the applicant.

31

1           (b) Within 15 days after receipt of all of the  
2 requested additional information, the office ~~department~~ shall  
3 notify the applicant in writing that all of the requested  
4 information has been received and the application is deemed to  
5 be complete as of the date of the notice. Failure to so notify  
6 the applicant in writing within the 15-day period shall  
7 constitute acknowledgment by the office ~~department~~ that it has  
8 received all requested additional information, and the  
9 application shall be deemed to be complete for purposes of  
10 review upon the date of the filing of all of the requested  
11 additional information.

12           (6) Within 45 days from the date an application is  
13 deemed to be complete, as set forth in paragraph (5)(b), the  
14 office ~~department~~ shall complete its review and shall issue a  
15 provisional certificate of authority to the applicant based  
16 upon its review and a determination that the application meets  
17 all requirements of law and that the feasibility study was  
18 based on sufficient data and reasonable assumptions and that  
19 the applicant will be able to provide continuing care as  
20 proposed and meet all financial obligations related to its  
21 operations, including the financial requirements of this  
22 chapter to provide continuing care as proposed. If the  
23 application is denied, the office ~~department~~ shall notify the  
24 applicant in writing, citing the specific failures to meet the  
25 provisions of this chapter. Such denial shall entitle the  
26 applicant to a hearing pursuant to the provisions of chapter  
27 120.

28           (7) The issuance of a provisional certificate of  
29 authority entitles the applicant to collect entrance fees and  
30 reservation deposits from prospective residents. All or any  
31 part of an entrance fee or deposit collected shall be placed

1 in an escrow account or on deposit with the department,  
2 pursuant to s. 651.033, until a certificate of authority is  
3 issued by the office ~~department~~.

4 (8) The office ~~department~~ shall not approve any  
5 application which includes in the plan of financing any  
6 encumbrance of the operating reserves required by this  
7 chapter.

8 Section 1667. Section 651.023, Florida Statutes, is  
9 amended to read:

10 651.023 Certificate of authority; application.--

11 (1) After issuance of a provisional certificate of  
12 authority, the office ~~department~~ shall issue to the holder of  
13 such provisional certificate of authority a certificate of  
14 authority; provided, however, that no certificate of authority  
15 shall be issued until the holder of such provisional  
16 certificate of authority provides the office ~~department~~ with  
17 the following information:

18 (a) Any material change in status with respect to the  
19 information required to be filed under s. 651.022(2) in the  
20 application for a provisional certificate of authority.

21 (b) A feasibility study prepared by an independent  
22 consultant which contains all of the information required by  
23 s. 651.022(3) and contains financial forecasts or projections  
24 prepared in accordance with standards promulgated by the  
25 American Institute of Certified Public Accountants or  
26 financial forecasts or projections prepared in accordance with  
27 standards for feasibility studies or continuing care  
28 retirement communities promulgated by the Actuarial Standards  
29 Board. The study must also contain an independent evaluation  
30 and examination opinion, or a comparable opinion acceptable to  
31 the office ~~department~~, by the consultant who prepared the

1 study, of the underlying assumptions used as a basis for the  
2 forecasts or projections in the study and that the assumptions  
3 are reasonable and proper and that the project as proposed is  
4 feasible. The study shall take into account project costs,  
5 actual marketing results to date and marketing projections,  
6 resident fees and charges, competition, resident contract  
7 provisions, and any other factors which affect the feasibility  
8 of operating the facility.

9 (c) Subject to the requirements of subsection (2), a  
10 provider may submit an application for a certificate of  
11 authority and any required exhibits upon submission of proof  
12 that the project has a minimum of 30 percent of the units  
13 reserved for which the provider is charging an entrance fee;  
14 however, this provision shall not apply to an application for  
15 a certificate of authority for the acquisition of a facility  
16 for which a certificate of authority was issued prior to  
17 October 1, 1983, to a provider who subsequently becomes a  
18 debtor in a case under the United States Bankruptcy Code, 11  
19 U.S.C. ss. 101 et seq., or to a provider for which the  
20 department has been appointed receiver pursuant to the  
21 provisions of part II of chapter 631.

22 (d) Proof that commitments have been secured for both  
23 construction financing and long-term financing or a documented  
24 plan acceptable to the office ~~department~~ has been adopted by  
25 the applicant for long-term financing.

26 (e) Proof that all conditions of the lender have been  
27 satisfied to activate the commitment to disburse funds other  
28 than the obtaining of the certificate of authority, the  
29 completion of construction, or the closing of the purchase of  
30 realty or buildings for the facility.

31

1           (f) Proof that the aggregate amount of entrance fees  
2 received by or pledged to the applicant, plus anticipated  
3 proceeds from any long-term financing commitment, plus funds  
4 from all other sources in the actual possession of the  
5 applicant, equal not less than 100 percent of the aggregate  
6 cost of constructing or purchasing, equipping, and furnishing  
7 the facility plus 100 percent of the anticipated startup  
8 losses of the facility.

9           (g) Complete audited financial statements of the  
10 applicant, prepared by an independent certified public  
11 accountant in accordance with generally accepted accounting  
12 principles, as of the date the applicant commenced business  
13 operations or for the fiscal year that ended immediately  
14 preceding the date of application, whichever is later, and  
15 complete unaudited quarterly financial statements attested to  
16 by the applicant subsequent to the date of the last audit.

17           (h) Proof that the applicant has complied with the  
18 escrow requirements of subsection (3) or subsection (5) and  
19 will be able to comply with s. 651.035.

20           (i) Such other reasonable data, financial statements,  
21 and pertinent information as the commission or office  
22 ~~department~~ may require with respect to the applicant or the  
23 facility, to determine the financial status of the facility  
24 and the management capabilities of its managers and owners.

25           (j) Within 30 days of the receipt of the information  
26 required under paragraphs (a)-(h), the office ~~department~~ shall  
27 examine such information and shall notify the provider in  
28 writing, specifically requesting any additional information  
29 the office ~~department~~ is permitted by law to require. Within  
30 15 days after receipt of all of the requested additional  
31 information, the office ~~department~~ shall notify the provider

1 in writing that all of the requested information has been  
2 received and the application is deemed to be complete as of  
3 the date of the notice. Failure to so notify the applicant in  
4 writing within the 15-day period shall constitute  
5 acknowledgment by the office ~~department~~ that it has received  
6 all requested additional information, and the application  
7 shall be deemed to be complete for purposes of review upon the  
8 date of the filing of all of the required additional  
9 information.

10 (k) Within 45 days after an application is deemed  
11 complete as set forth in paragraph (j), and upon completion of  
12 the remaining requirements of this section, the office  
13 ~~department~~ shall complete its review and shall issue, or deny,  
14 to the holder of a provisional certificate of authority a  
15 certificate of authority. If a certificate of authority is  
16 denied, the office ~~department~~ shall notify the holder of the  
17 provisional certificate of authority in writing, citing the  
18 specific failures to satisfy the provisions of this chapter.  
19 If denied, the holder of the provisional certificate of  
20 authority shall be entitled to an administrative hearing  
21 pursuant to chapter 120.

22 (2)(a) The office ~~department~~ shall issue a certificate  
23 of authority upon its determination that the applicant meets  
24 all requirements of law and has submitted all of the  
25 information required by this section, that all escrow  
26 requirements have been satisfied, and that the fees prescribed  
27 in s. 651.015(2) have been paid. Notwithstanding satisfaction  
28 of the 30-percent minimum reservation requirement of paragraph  
29 (1)(c), no certificate of authority shall be issued until the  
30 project has a minimum of 50 percent of the units reserved for  
31

1 which the provider is charging an entrance fee, and proof  
2 thereof is provided to the office ~~department~~.

3 (b) In order for a unit to be considered reserved  
4 under this section, the provider must collect a minimum  
5 deposit of 10 percent of the then-current entrance fee for  
6 that unit, and must assess a forfeiture penalty of 2 percent  
7 of the entrance fee due to termination of the reservation  
8 contract after 30 days for any reason other than the death or  
9 serious illness of the resident, the failure of the provider  
10 to meet its obligations under the reservation contract, or  
11 other circumstances beyond the control of the resident that  
12 equitably entitle the resident to a refund of the resident's  
13 deposit. The reservation contract shall state the cancellation  
14 policy and the terms of the continuing care contract to be  
15 entered into.

16 (3) No more than 25 percent of the moneys paid for all  
17 or any part of an initial entrance fee may be included or  
18 pledged for the construction or purchase of the facility, or  
19 included or pledged as security for long-term financing. The  
20 term "initial entrance fee" means the total entrance fee  
21 charged by the facility to the first occupant of a unit. A  
22 minimum of 75 percent of the moneys paid for all or any part  
23 of an initial entrance fee collected shall be placed in an  
24 escrow account or ondeposit with the department as prescribed  
25 in s. 651.033.

26 (4) The provider shall be entitled to secure release  
27 of the moneys held in escrow within 7 days after receipt by  
28 the office ~~department~~ of an affidavit from the provider, along  
29 with appropriate copies to verify, and notification to the  
30 escrow agent by certified mail, that the following conditions  
31 have been satisfied:

1 (a) A certificate of occupancy has been issued.

2 (b) Payment in full has been received for no less than  
3 70 percent of the total units of a phase or of the total of  
4 the combined phases constructed.

5 (c) The consultant who prepared the feasibility study  
6 required by this section or a substitute approved by the  
7 office ~~department~~ certifies that there has been no material  
8 adverse change in status with regard to the feasibility study,  
9 with such statement dated not more than 12 months from the  
10 date of filing for office ~~department~~ approval. If a material  
11 adverse change should exist at the time of submission, then  
12 sufficient information acceptable to the office ~~department~~ and  
13 the feasibility consultant shall be submitted which remedies  
14 the adverse condition.

15 (d) Proof that commitments have been secured or a  
16 documented plan adopted by the applicant has been approved by  
17 the office ~~department~~ for long-term financing.

18 (e) Proof that the provider has sufficient funds to  
19 meet the requirements of s. 651.035, which may include funds  
20 deposited in the initial entrance fee account.

21 (f) Proof as to the intended application of the  
22 proceeds upon release and proof that the entrance fees when  
23 released will be applied as represented to the office  
24 ~~department~~.

25  
26 Notwithstanding any provision of chapter 120, no person, other  
27 than the provider, the escrow agent, and the office  
28 ~~department~~, shall have a substantial interest in any office  
29 ~~departmental~~ decision regarding release of escrow funds in any  
30 proceedings under chapter 120 or this chapter regarding  
31 release of escrow funds.

1           (5) In lieu of the provider fulfilling the  
2 requirements in subsection (3) and paragraphs (4)(b) and (d),  
3 the office ~~department~~ may authorize the release of escrowed  
4 funds to retire all outstanding debts on the facility and  
5 equipment upon application of the provider and upon the  
6 provider's showing that the provider will grant to the  
7 residents a first mortgage on the land, buildings, and  
8 equipment that constitute the facility, and that the provider  
9 satisfies the requirements of paragraphs (4)(a), (c), and (e).  
10 Such mortgage shall secure the refund of the entrance fee in  
11 the amount required by this chapter. The granting of such  
12 mortgage shall be subject to the following:

13           (a) The first mortgage shall be granted to an  
14 independent trust which is beneficially held by the residents.  
15 The document creating the trust shall contain a provision that  
16 it agrees to an annual audit and will furnish to the office  
17 ~~department~~ all information the office ~~department~~ may  
18 reasonably require. The mortgage may secure payment on bonds  
19 issued to the residents or trustee. Such bonds shall be  
20 redeemable after termination of the residency contract in the  
21 amount and manner required by this chapter for the refund of  
22 an entrance fee.

23           (b) Before granting a first mortgage to the residents,  
24 all construction shall be substantially completed and  
25 substantially all equipment shall be purchased. No part of  
26 the entrance fees may be pledged as security for a  
27 construction loan or otherwise used for construction expenses  
28 before the completion of construction.

29           (c) If the provider is leasing the land or buildings  
30 used by the facility, the leasehold interest shall be for a  
31 term of at least 30 years.

1           (6) The timeframes provided under s. 651.022(5) and  
2 (6) apply to applications submitted under s. 651.021(2). The  
3 office department may not issue a certificate of authority  
4 under this chapter to any facility which does not have a  
5 component which is to be licensed pursuant to part II or part  
6 III of chapter 400 or which will not offer personal services  
7 or nursing services through written contractual agreement. Any  
8 written contractual agreement must be disclosed in the  
9 continuing care contract and is subject to the provisions of  
10 s. 651.1151, relating to administrative, vendor, and  
11 management contracts.

12           (7) The office department shall not approve an  
13 application which includes in the plan of financing any  
14 encumbrance of the operating reserves required by this  
15 chapter.

16           Section 1668. Section 651.0235, Florida Statutes, is  
17 amended to read:

18           651.0235 Validity of provisional certificates of  
19 authority and certificates of authority.--

20           (1) The provisional certificate of authority and  
21 certificate of authority shall be valid for as long as the  
22 office department determines that the provider continues to  
23 meet the requirements of this chapter.

24           (2) If the provider fails to meet the requirements of  
25 this chapter for a provisional certificate of authority or a  
26 certificate of authority, the office department may notify the  
27 provider of any deficiencies and require the provider to  
28 correct such deficiencies within a period to be determined by  
29 the office department. If such deficiencies are not corrected  
30 within 20 days after the notice to the provider, or within  
31 less time at the discretion of the office department, the

1 office ~~department~~ shall notify the advisory council, which may  
2 assist the facility in formulating a remedial plan to be  
3 submitted to the office ~~department~~ no later than 60 days from  
4 the date of notification. The time period granted to correct  
5 deficiencies may be extended upon submission of a plan for  
6 corrective action approved by the office ~~department~~. If such  
7 deficiencies have not been cleared by the expiration of such  
8 time period, as extended, the office ~~department~~ shall petition  
9 for a delinquency proceeding or pursue such other relief as is  
10 provided for under this chapter, as the circumstances may  
11 require.

12 (3) The office ~~Department of Insurance~~ shall notify  
13 the Agency for Health Care Administration of any facility for  
14 which a provisional certificate of authority or certificate of  
15 authority is no longer valid.

16 Section 1669. Section 651.026, Florida Statutes, is  
17 amended to read:

18 651.026 Annual reports.--

19 (1) Annually, on or before May 1, the provider shall  
20 file an annual report and such other information and data  
21 showing its condition as of the last day of the preceding  
22 calendar year, except as provided in subsection (5). If the  
23 office ~~department~~ does not receive the required information on  
24 or before May 1, a late fee may be charged pursuant to s.  
25 651.015(2)(c). The office ~~department~~ may approve an extension  
26 of up to 30 days.

27 (2) The annual report shall be in such form as the  
28 commission ~~department~~ prescribes and shall contain at least  
29 the following:

30 (a) Any change in status with respect to the  
31 information required to be filed under s. 651.022(2).

1 (b) Financial statements audited by an independent  
2 certified public accountant, which shall contain, for two or  
3 more periods if the facility has been in existence that long,  
4 the following:

6 generally accepted accounting principles:

- 7 a. A balance sheet;  
8 b. A statement of income and expenses;  
9 c. A statement of equity or fund balances; and  
10 d. A statement of changes in cash flows; and  
11 2. Notes to the financial statements considered  
12 customary or necessary to full disclosure or adequate  
13 understanding of the financial statements, financial  
14 condition, and operation.

15 (c) The following financial information:

16 1. A detailed listing of the assets maintained in the  
17 liquid reserve as required in s. 651.035 and in accordance  
18 with part II of chapter 625;

19 2. A schedule giving additional information relating  
20 to property, plant, and equipment having an original cost of  
21 at least \$25,000, so as to show in reasonable detail with  
22 respect to each separate facility original costs, accumulated  
23 depreciation, net book value, appraised value or insurable  
24 value and date thereof, insurance coverage, encumbrances, and  
25 net equity of appraised or insured value over encumbrances.  
26 Any property not used in continuing care shall be shown  
27 separately from property used in continuing care;

28 3. The level of participation in Medicare or Medicaid  
29 programs, or both;

30 4. A statement of all fees required of residents,  
31 including, but not limited to, a statement of the entrance fee

1 charged, the monthly service charges, the proposed application  
2 of the proceeds of the entrance fee by the provider, and the  
3 plan by which the amount of the entrance fee is determined if  
4 the entrance fee is not the same in all cases; and

5         5. Any change or increase in fees when the provider  
6 changes either the scope of, or the rates for, care or  
7 services, regardless of whether the change involves the basic  
8 rate or only those services available at additional costs to  
9 the resident.

10         6.a. If the provider has more than one certificated  
11 facility, it shall submit a statement of operations for each  
12 facility as supplemental information to the audited financial  
13 statements required as part of the annual report.

14         b. If the provider has operations that are not Florida  
15 certificated facilities, the provider shall also submit as  
16 supplemental information to the audited financial statements,  
17 balance sheets, statements of changes in equity, and  
18 statements of cash flows for each Florida certificated  
19 facility.

20         (d) Such other reasonable data, financial statements,  
21 and pertinent information as the commission or office  
22 ~~department~~ may require with respect to the provider or the  
23 facility, or its directors, trustees, members, branches,  
24 subsidiaries, or affiliates, to determine the financial status  
25 of the facility and the management capabilities of its  
26 managers and owners.

27         (e) Each facility shall file with the office  
28 ~~department~~ annually, together with the annual report required  
29 by this section, a computation of its minimum liquid reserve  
30 calculated in accordance with s. 651.035 on a form prescribed  
31 by the commission ~~department~~.

1           (3) The commission ~~department~~ shall adopt by rule  
2 meaningful measures of assessing the financial viability of a  
3 provider. The rule may include the following factors:

4           (a) Debt service coverage ratios.

5           (b) Current ratios.

6           (c) Adjusted current ratios.

7           (d) Cash flows.

8           (e) Occupancy rates.

9           (f) Other measures, ratios, or trends.

10          (g) Other factors as may be appropriate.

11          (4) If the provider is an individual, the annual  
12 statement shall be sworn to by him or her; if a limited  
13 partnership, by the general partner; if a partnership other  
14 than a limited partnership, by all the partners; if any other  
15 unincorporated association, by all its members or officers and  
16 directors; if a trust, by all its trustees and officers; and,  
17 if a corporation, by the president and secretary thereof.

18          (5) A provider may declare at the time of application  
19 a fiscal year other than the calendar year, and may use such  
20 fiscal year for its accounting period. A provider may  
21 subsequently adopt a fiscal year upon providing the office  
22 ~~department~~ with a copy of the Internal Revenue Service  
23 approval of such change, if such approval is required. The  
24 annual report filing with the office ~~department~~ must be made  
25 within 120 days of the last day of the fiscal year of the  
26 provider.

27          (6) The workpapers, account analyses, descriptions of  
28 basic assumptions, and other information necessary for a full  
29 understanding of the annual statement of a provider as filed  
30 with the office ~~department~~ shall be made available for visual  
31 inspection by the office ~~department~~ at the facility or, if the

1 ~~office department~~ requests, at another agreed-upon site.

2 Photocopies may not be made unless consented to by the  
3 provider.

4 (7) A filing fee in the amount of \$100 shall accompany  
5 each annual report required by this section.

6 (8) All financial reports and any supplemental  
7 financial information submitted to the office ~~department~~ shall  
8 be prepared in conformity with generally accepted accounting  
9 principles.

10 Section 1670. Section 651.0261, Florida Statutes, is  
11 amended to read:

12 651.0261 Quarterly statements.--If the office  
13 ~~department~~ finds, pursuant to rules of the commission  
14 ~~department~~, that such information is needed to properly  
15 monitor the financial condition of a provider or facility or  
16 is otherwise needed to protect the public interest, the office  
17 ~~department~~ may require the provider to file, within 45 days  
18 after the end of each fiscal quarter, a quarterly unaudited  
19 financial statement of the provider or of the facility in the  
20 form prescribed by the commission ~~department~~ by rule.

21 Section 1671. Section 651.028, Florida Statutes, is  
22 amended to read:

23 651.028 Accredited facilities.--If a provider is  
24 accredited by a process found by the office ~~department~~ to be  
25 acceptable and substantially equivalent to the provisions of  
26 this chapter, the office ~~department~~ may, pursuant to rule of  
27 the commission, waive any requirements of this chapter with  
28 respect to the provider if the office ~~department~~ finds that  
29 such waivers are not inconsistent with the security  
30 protections intended by this chapter.

1           Section 1672. Section 651.033, Florida Statutes, is  
2 amended to read:

3           651.033 Escrow accounts.--

4           (1) When funds are required to be deposited in an  
5 escrow account pursuant to s. 651.022, s. 651.023, s. 651.035,  
6 or s. 651.055:

7           (a) The escrow account shall be established in a  
8 Florida bank, Florida savings and loan association, or Florida  
9 trust company acceptable to the office ~~department~~ or on  
10 deposit with the department; and the funds deposited therein  
11 shall be kept and maintained in an account separate and apart  
12 from the provider's business accounts.

13           (b) An escrow agreement shall be entered into between  
14 the bank, savings and loan association, or trust company and  
15 the provider of the facility; the agreement shall state that  
16 its purpose is to protect the resident or the prospective  
17 resident; and, upon presentation of evidence of compliance  
18 with applicable portions of this chapter, or upon order of a  
19 court of competent jurisdiction, the escrow agent shall  
20 release and pay over the funds, or portions thereof, together  
21 with any interest accrued thereon or earned from investment of  
22 the funds, to the provider or resident as directed.

23           (c) Any agreement establishing an escrow account  
24 required under the provisions of this chapter shall be subject  
25 to approval by the office ~~department~~. The agreement shall be  
26 in writing and shall contain, in addition to any other  
27 provisions required by law, a provision whereby the escrow  
28 agent agrees to abide by the duties imposed under this  
29 section.

30           (d) All funds deposited in an escrow account, if  
31 invested, shall be invested as set forth in part II of chapter

1 625; however, such investment shall not diminish the funds  
2 held in escrow below the amount required by this chapter. All  
3 funds deposited in an escrow account shall not be subject to  
4 any charges by the escrow agent except escrow agent fees  
5 associated with administering the accounts, or subject to any  
6 liens, judgments, garnishments, creditor's claims, or other  
7 encumbrances against the provider or facility except as  
8 provided in s. 651.035(2).

9 (e) At the request of either the provider or the  
10 office department, the escrow agent shall issue a statement  
11 indicating the status of the escrow account.

12 (2) In addition, the escrow agreement shall provide  
13 that the escrow agent or another person designated to act in  
14 the escrow agent's place and the provider, except as otherwise  
15 provided in s. 651.035, shall notify the office department in  
16 writing at least 10 days before the withdrawal of any portion  
17 of any funds required to be escrowed under the provisions of  
18 s. 651.035. However, in the event of an emergency and upon  
19 petition by the provider, the office department may waive the  
20 10-day notification period and allow a withdrawal of up to 10  
21 percent of the required minimum liquid reserve. The office  
22 ~~department~~ shall have 3 working days to deny the petition for  
23 the emergency 10-percent withdrawal. If the office department  
24 fails to deny the petition within 3 working days, the petition  
25 shall be deemed to have been granted by the office department.  
26 For the purpose of this section, "working day" means each day  
27 that is not a Saturday, Sunday, or legal holiday as defined by  
28 Florida law. Also for the purpose of this section, the day the  
29 petition is received by the office department shall not be  
30 counted as one of the 3 days.

31

1           (3) In addition, when entrance fees are required to be  
2 deposited in an escrow account pursuant to s. 651.022, s.  
3 651.023, or s. 651.055:

4           (a) The provider shall deliver to the resident a  
5 written receipt. The receipt shall show the payor's name and  
6 address, the date, the price of the care contract, and the  
7 amount of money paid. A copy of each receipt together with the  
8 funds shall be deposited with the escrow agent or as provided  
9 in paragraph (c). The escrow agent shall release such funds to  
10 the provider upon the expiration of 7 days after the date of  
11 receipt of the funds by the escrow agent if the provider,  
12 operating under a certificate of authority issued by the  
13 office ~~department~~, has met the requirements of s. 651.023(4).  
14 However, if the resident rescinds the contract within the  
15 7-day period, the escrow agent shall release the escrowed fees  
16 to the resident.

17           (b) At the request of an individual resident of a  
18 facility, the escrow agent shall issue a statement indicating  
19 the status of the resident's portion of the escrow account.

20           (c) At the request of an individual resident of a  
21 facility, the provider may hold the check for the 7-day period  
22 and shall not deposit it during this time period. If the  
23 resident rescinds the contract within the 7-day period, the  
24 check shall be immediately returned to the resident. Upon the  
25 expiration of the 7 days, the provider shall deposit the  
26 check.

27           (4) Any fees of \$1,500 or less which are assessed with  
28 respect to prospective residents to have their names placed on  
29 a facility's waiting list shall not be subject to the escrow  
30 provisions of this section.

31

1           (5) When funds are required to be deposited in an  
2 escrow account pursuant to s. 651.022, s. 651.023, or s.  
3 651.035, the following shall apply:

4           (a) The escrow agreement shall require that the escrow  
5 agent furnish the provider with a quarterly statement  
6 indicating the amount of any disbursements from or deposits to  
7 the escrow account and the condition of the account during the  
8 period covered by the statement. The agreement shall require  
9 that the statement be furnished to the provider by the escrow  
10 agent on or before the 10th day of the month following the end  
11 of the quarter for which the statement is due. If the escrow  
12 agent does not provide the quarterly statement to the provider  
13 on or before the 10th day of the month following the month for  
14 which the statement is due, the office ~~department~~ may, in its  
15 discretion, levy against the escrow agent a fine not to exceed  
16 \$25 a day for each day of noncompliance with the provisions of  
17 this subsection.

18           (b) If the escrow agent does not provide the quarterly  
19 statement to the provider on or before the 10th day of the  
20 month following the quarter for which the statement is due,  
21 the provider shall, on or before the 15th day of the month  
22 following the quarter for which the statement is due, send a  
23 written request for the statement to the escrow agent by  
24 certified mail return receipt requested.

25           (c) On or before the 20th day of the month following  
26 the quarter for which the statement is due, the provider shall  
27 file with the office ~~department~~ a copy of the escrow agent's  
28 statement or, if the provider has not received the escrow  
29 agent's statement, a copy of the written request to the escrow  
30 agent for the statement.

31

1           (d) The office ~~department~~ may, in its discretion, in  
2 addition to any other penalty that may be provided for under  
3 this chapter, levy a fine against the provider not to exceed  
4 \$25 a day for each day the provider fails to comply with the  
5 provisions of this subsection.

6           (e) Funds held on deposit with the department are  
7 exempt from the reporting requirements of this subsection.

8           Section 1673. Paragraphs (b) and (c) of subsection  
9 (2), paragraph (b) of subsection (4) and subsections (5), (6),  
10 (7), and (8) of section 651.035, Florida Statutes, are amended  
11 to read:

12           651.035 Minimum liquid reserve requirements.--

13           (2)

14           (b) A provider which has outstanding indebtedness  
15 which requires what is normally referred to as a "debt service  
16 reserve" to be held in escrow pursuant to a trust indenture or  
17 mortgage lien on the facility and for which the debt service  
18 reserve may only be used to pay principal and interest  
19 payments on the debt which the debtor is obligated to pay, and  
20 which may include taxes and insurance, may include such debt  
21 service reserve in its computation of its minimum liquid  
22 reserve to satisfy this subsection, provided that the provider  
23 furnishes to the office ~~Department of Insurance~~ a copy of the  
24 agreement under which such debt service is held, together with  
25 a statement of the amount being held in escrow for the debt  
26 service reserve, certified by the lender or trustee and the  
27 provider to be correct. The trustee shall provide the office  
28 ~~department~~ with any information concerning the debt service  
29 reserve account upon request of the provider or the office  
30 ~~department~~.

31

1           (c) Each provider shall maintain in escrow an  
2 operating reserve in an amount equal to 30 percent of the  
3 total operating expenses projected in the feasibility study  
4 required by s. 651.023 for the first 12 months of operation.  
5 Thereafter, each provider shall maintain in escrow an  
6 operating reserve in an amount equal to 15 percent of the  
7 total operating expenses in the annual report filed pursuant  
8 to s. 651.026. Where a provider has been in operation for more  
9 than 12 months, the total annual operating expenses shall be  
10 determined by averaging the total annual operating expenses  
11 reported to the office ~~department~~ by the number of annual  
12 reports filed with the office ~~department~~ within the immediate  
13 preceding 3-year period subject to adjustment in the event  
14 there is a change in the number of facilities owned. For  
15 purposes of this subsection, total annual operating expenses  
16 shall include all expenses of the facility except:  
17 depreciation and amortization; interest, insurance and taxes  
18 included in subsection (1); extraordinary expenses which are  
19 adequately explained and documented in accordance with  
20 generally accepted accounting principles; liability insurance  
21 premiums in excess of those paid in calendar year 1999; and  
22 changes in the obligation to provide future services to  
23 current residents. For providers initially licensed during or  
24 after calendar year 1999, liability insurance shall be  
25 included in the total operating expenses in an amount not to  
26 exceed the premium paid during the first 12 months of facility  
27 operation. Beginning January 1, 1993, the operating reserves  
28 required under this subsection shall be in an unencumbered  
29 account held in escrow for the benefit of the residents. Such  
30 funds may not be encumbered or subject to any liens or charges  
31 by the escrow agent or judgments, garnishments, or creditors'

1 claims against the provider or facility. However, if a  
2 facility had a lien, mortgage, trust indenture, or similar  
3 debt instrument in place prior to January 1, 1993, which  
4 encumbered all or any part of the reserves required by this  
5 subsection and such funds were used to meet the requirements  
6 of this subsection, then such arrangement may be continued,  
7 unless a refinancing or acquisition has occurred, and the  
8 provider shall be in compliance with this subsection.

9 (4)

10 (b) In facilities which have voluntarily and  
11 permanently discontinued marketing continuing care contracts,  
12 the office ~~department~~ may allow a reduced debt service reserve  
13 as required in subsection (1) based upon the ratio of  
14 residents under continuing care contracts to those residents  
15 who do not hold such contracts if the office ~~department~~ finds  
16 that such reduction is not inconsistent with the security  
17 protections intended by this chapter. In making this  
18 determination, the office ~~department~~ may consider such factors  
19 as the financial condition of the facility, the provisions of  
20 the outstanding continuing care contracts, the ratio of  
21 residents under continuing care agreements to those residents  
22 who do not hold a continuing care contract, current occupancy  
23 rates, previous sales and marketing efforts, life expectancy  
24 of the remaining contract holders, and the written policies of  
25 the board of directors of the provider or a similar board.

26 (5) When principal and interest payments are paid to a  
27 trust which is beneficially held by the residents as described  
28 in s. 651.023(5), the office ~~department~~ may waive all or any  
29 portion of the escrow requirements for mortgage principal and  
30 interest contained in subsection (1) if the office ~~department~~

31

1 finds that such waiver is not inconsistent with the security  
2 protections intended by this chapter.

3 (6) The office ~~department~~, upon approval of a plan for  
4 fulfilling the requirements of this section and upon  
5 demonstration by the facility of an annual increase in liquid  
6 reserves, may extend the time for compliance.

7 (7)(a) A provider may satisfy the minimum liquid  
8 reserve requirements of this section by acquiring from a  
9 financial institution, as specified in paragraph (b), a clean,  
10 unconditional irrevocable letter of credit in an amount equal  
11 to the requirements of this section. The letter of credit  
12 shall be issued by a financial institution participating in  
13 the State of Florida Treasury Certificate of Deposit Program,  
14 and the letter of credit shall be subject to the approval of  
15 the office ~~department~~ prior to issuance and prior to any  
16 renewal or modification thereof. At a minimum, the letter of  
17 credit shall provide for:

18 1. Ninety days' prior written notice to both the  
19 provider and the office ~~department~~ of the financial  
20 institution's determination not to renew or extend the term of  
21 the letter of credit.

22 2. Unless otherwise arranged by the provider to the  
23 satisfaction of the office ~~department~~, deposit by the  
24 financial institution of such letter of credit funds in an  
25 account designated by the office ~~department~~ no later than 30  
26 days prior to the expiration of the letter of credit.

27 3. Deposit by the financial institution of such letter  
28 of credit funds in an account designated by the office  
29 ~~department~~ no later than 4 business days following written  
30 instructions from the office ~~department~~ that, in the sole  
31

1 judgment of the office ~~department~~, funding of the minimum  
2 liquid reserve is required.

3 (b) The terms of such letter of credit shall be  
4 approved by the office ~~department~~ and the long-term debt of  
5 the financial institution providing such letter of credit  
6 shall be rated in one of their top three long-term debt rating  
7 categories by either Moody's Investors Service, Standard &  
8 Poor's Corporation, or a recognized securities rating agency  
9 acceptable to the office ~~department~~.

10 (c) The letter of credit shall name the office  
11 ~~department~~ as beneficiary.

12 (d) Notwithstanding any other provision of this  
13 section, a provider utilizing a letter of credit pursuant to  
14 this subsection shall, at all times, have and maintain in  
15 escrow an operating cash reserve equal to 2 months' operating  
16 expenses as determined pursuant to s. 651.026.

17 (e) In the event the issuing financial institution no  
18 longer participates in the State of Florida Treasury  
19 Certificate of Deposit Program, such financial institution  
20 shall deposit as collateral with the department ~~State of~~  
21 ~~Florida Treasury~~ eligible securities, as prescribed by s.  
22 625.52, having a market value equal to or greater than 100  
23 percent of the stated amount of the letter of credit.

24 (8)(a) Each fiscal year, a provider may withdraw up to  
25 33 percent of the total renewal and replacement reserve  
26 available. The reserve available is equal to the market value  
27 of the invested reserves at the end of the provider's prior  
28 fiscal year. The withdrawal is to be used for capital items or  
29 major repairs, and before any funds are eligible for  
30 withdrawal, the provider must obtain written permission from  
31 the office ~~department~~ by submitting the following information:

1           1. The amount of the withdrawal and the intended use  
2 of the proceeds.

3           2. A board resolution and sworn affidavit signed by  
4 two officers or general partners of the provider which  
5 indicates approval of the withdrawal and use of the funds.

6           3. Proof that the provider has met all funding  
7 requirements for the operating, debt service, and renewal and  
8 replacement reserves computed for the previous fiscal year.

9           4. Anticipated payment schedule for refunding the  
10 renewal and replacement reserve fund.

11           (b) Within 30 days after the withdrawal of funds from  
12 the renewal and replacement reserve fund, the provider must  
13 begin refunding the reserve account in equal monthly payments  
14 which allow for a complete funding of such withdrawal within  
15 36 months. If the payment schedule required under subparagraph  
16 (a)4. has changed, the provider must update the office  
17 ~~department~~ with the new payment schedule. If the provider  
18 fails to make a required monthly payment or the payment is  
19 late, the provider must notify the office ~~department~~ within 5  
20 days after the due date of the payment. No additional  
21 withdrawals from the renewal and replacement reserve will be  
22 allowed until all scheduled payments are current.

23           Section 1674. Section 651.051, Florida Statutes, is  
24 amended to read:

25           651.051 Maintenance of assets and records in  
26 state.--No records or assets may be removed from this state by  
27 a provider unless the office ~~department~~ consents to such  
28 removal in writing before such removal. Such consent shall be  
29 based upon the provider's submitting satisfactory evidence  
30 that the removal will facilitate and make more economical the  
31 operations of the provider and will not diminish the service

1 or protection thereafter to be given the provider's residents  
2 in this state. Prior to such removal, the provider shall give  
3 notice to the president or chair of the facility's residents'  
4 council. If such removal is part of a cash management system  
5 which has been approved by the office ~~department~~, disclosure  
6 of the system shall meet the notification requirements.

7 Section 1675. Subsection (1) of section 651.055,  
8 Florida Statutes, is amended to read:

9 651.055 Contracts; right to rescind.--

10 (1) Each continuing care contract and each addendum to  
11 such contract shall be submitted to and approved by the office  
12 ~~department~~ prior to its use in this state. Thereafter, no  
13 other form of contract shall be used by the provider unless it  
14 has been submitted to and approved by the office ~~department~~.

15 Each contract shall:

16 (a) Provide for the continuing care of only one  
17 resident, or for two persons occupying space designed for  
18 double occupancy, under appropriate regulations established by  
19 the provider and shall list all properties transferred and  
20 their market value at the time of transfer, including  
21 donations, subscriptions, fees, and any other amounts paid or  
22 payable by, or on behalf of, the resident or residents.

23 (b) Specify all services which are to be provided by  
24 the provider to each resident, including, in detail, all items  
25 which each resident will receive, whether the items will be  
26 provided for a designated time period or for life, and whether  
27 the services will be available on the premises or at another  
28 specified location. The provider shall indicate which services  
29 or items are included in the contract for continuing care and  
30 which services or items are made available at or by the  
31 facility at extra charge. Such items shall include, but are

1 not limited to, food, shelter, personal services or nursing  
2 care, drugs, burial, and incidentals.

3 (c) Describe the terms and conditions under which a  
4 contract for continuing care may be canceled by the provider  
5 or by a resident and the conditions, if any, under which all  
6 or any portion of the entrance fee will be refunded in the  
7 event of cancellation of the contract by the provider or by  
8 the resident, including the effect of any change in the health  
9 or financial condition of a person between the date of  
10 entering a contract for continuing care and the date of  
11 initial occupancy of a living unit by that person.

12 (d) Describe the health and financial conditions  
13 required for a person to be accepted as a resident and to  
14 continue as a resident, once accepted, including the effect of  
15 any change in the health or financial condition of a person  
16 between the date of entering into a continuing care contract  
17 and the date of taking occupancy in a unit.

18 (e) Describe the circumstances under which the  
19 resident will be permitted to remain in the facility in the  
20 event of financial difficulties of the resident. The stated  
21 policy may not be less than the terms stated in s. 651.061.

22 (f) State the fees that will be charged if the  
23 resident marries while at the designated facility, the terms  
24 concerning the entry of a spouse to the facility, and the  
25 consequences if the spouse does not meet the requirements for  
26 entry.

27 (g) Provide that the contract may be canceled upon the  
28 giving of written notice of cancellation of at least 30 days  
29 by the provider, the resident, or the person who provided the  
30 transfer of property or funds for the care of such resident;  
31 however, if a contract is canceled because there has been a

1 good faith determination that a resident is a danger to  
2 himself or herself or others, only such notice as is  
3 reasonable under the circumstances shall be required.

4         1. The contract shall further provide in clear and  
5 understandable language, in print no smaller than the largest  
6 type used in the body of the contract, the terms governing the  
7 refund of any portion of the entrance fee.

8         2. For a resident whose contract with the facility  
9 provides that the resident does not receive a transferable  
10 membership or ownership right in the facility, and who has  
11 occupied his or her unit, the refund shall be calculated on a  
12 pro rata basis with the facility retaining no more than 2  
13 percent per month of occupancy by the resident and no more  
14 than a 4-percent fee for processing. Such refund shall be paid  
15 no later than 120 days after the giving of notice of intention  
16 to cancel.

17         3. If the contract provides for the facility to retain  
18 no more than 1 percent per month of occupancy by the resident,  
19 it may provide that such refund will be paid from the proceeds  
20 of the next entrance fees received by the provider for units  
21 for which there are no prior claims by any resident until paid  
22 in full or, if the provider has discontinued marketing  
23 continuing care contracts, within 200 days after the date of  
24 notice.

25         4. Unless the provisions of subsection (5) apply, for  
26 any prospective resident, regardless of whether or not such a  
27 resident receives a transferable membership or ownership right  
28 in the facility, who cancels the contract prior to occupancy  
29 of the unit, the refund shall be the entire amount paid toward  
30 the entrance fee, less a processing fee not to exceed 4  
31 percent of the entire entrance fee, but in no event shall such

1 processing fee exceed the amount paid by the prospective  
2 resident. Such refund shall be paid no later than 60 days  
3 after the giving of notice of intention to cancel. For a  
4 resident who has occupied his or her unit and who has received  
5 a transferable membership or ownership right in the facility,  
6 the foregoing refund provisions shall not apply but shall be  
7 deemed satisfied by the acquisition or receipt of a  
8 transferable membership or an ownership right in the facility.  
9 The provider shall not charge any fee for the transfer of  
10 membership or sale of an ownership right.

11 (h) State the terms under which a contract is canceled  
12 by the death of the resident. These terms may contain a  
13 provision that, upon the death of a resident, the entrance fee  
14 of such resident shall be considered earned and shall become  
15 the property of the provider. When the unit is shared, the  
16 conditions with respect to the effect of the death or removal  
17 of one of the residents shall be included in the contract.

18 (i) Describe the policies which may lead to changes in  
19 monthly recurring and nonrecurring charges or fees for goods  
20 and services received. The contract shall provide for advance  
21 notice to the resident, of not less than 60 days, before any  
22 change in fees or charges or the scope of care or services may  
23 be effective, except for changes required by state or federal  
24 assistance programs.

25 (j) Provide that charges for care paid in one lump sum  
26 shall not be increased or changed during the duration of the  
27 agreed upon care, except for changes required by state or  
28 federal assistance programs.

29 (k) Specify whether or not the facility is, or is  
30 affiliated with, a religious, nonprofit, or proprietary  
31 organization or management entity; the extent to which the

1 affiliate organization will be responsible for the financial  
2 and contractual obligations of the provider; and the  
3 provisions of the federal Internal Revenue Code, if any, under  
4 which the provider or affiliate is exempt from the payment of  
5 federal income tax.

6 Section 1676. Subsection (3) of section 651.083,  
7 Florida Statutes, is amended to read:

8 651.083 Residents' rights.--

9 (3) Any violation of the residents' rights set forth  
10 in subsection (1) constitutes grounds for disciplinary action  
11 by the office ~~department~~ under ss. 651.106 and 651.108.

12 Section 1677. Subsection (1) of section 651.085,  
13 Florida Statutes, is amended to read:

14 651.085 Quarterly meetings between residents and the  
15 governing body of the provider; resident representation before  
16 the governing body of the provider.--

17 (1) The governing body of a provider, or the

8 the office ~~department~~ has otherwise notified the applicant.  
9 The office ~~department~~ shall disapprove any document which is a  
10 violation of any provision of part IX of chapter 626.

11           (2) After an application has been approved, a provider  
12 is not required to submit new advertising to the office  
13 ~~department~~ for approval; however, a provider may not use, and  
14 may not have published, and a person may not use or may not  
15 have published, any advertisement which is a violation of any  
16 provision of part IX of chapter 626 or which has previously  
17 been disapproved by the office ~~department~~.

18           Section 1680. Section 651.105, Florida Statutes, is  
19 amended to read:

20           651.105 Examination and inspections.--

21           (1) The office ~~department~~ may at any time, and shall  
22 at least once every 3 years, examine the business of any  
23 applicant for a certificate of authority and any provider  
24 engaged in the execution of care contracts or engaged in the  
25 performance of obligations under such contracts, in the same  
26 manner as is provided for examination of insurance companies  
27 pursuant to s. 624.316. Such examinations shall be made by a  
28 representative or examiner designated by the office  
29 ~~department~~, whose compensation will be fixed by the office  
30 ~~department~~ pursuant to s. 624.320. Routine examinations may be  
31 made by having the necessary documents submitted to the office

1 ~~department~~; and, for this purpose, financial documents and  
2 records conforming to commonly accepted accounting principles  
3 and practices, as required under s. 651.026, will be deemed  
4 adequate. The final written report of each such examination  
5 shall be filed with ~~in~~ the office ~~of the department~~ and, when  
6 so filed, will constitute a public record. Any provider being  
7 examined shall, upon request, give reasonable and timely  
8 access to all of its records. The representative or examiner  
9 designated by the office ~~department~~ may at any time examine

13 (2) Any duly authorized officer, employee, or agent of  
14 the office ~~department~~ may, upon presentation of proper  
15 identification, have access to, and inspect, any records, with

17 prevent a violation of, any provision of this chapter.

18 (3) Reports of the results of such financial  
19 examinations must be kept on file by the office ~~department~~.  
20 Any investigatory records, reports, or documents held by the  
21 office ~~department~~ are confidential and exempt from the  
22 provisions of s. 119.07(1), until the investigation is  
23 completed or ceases to be active. For the purpose of this  
24 section, an investigation is active while it is being  
25 conducted by the office ~~department~~ with a reasonable, good  
26 faith belief that it could lead to the filing of  
27 administrative, civil, or criminal proceedings. An  
28 investigation does not cease to be active if the office  
29 ~~department~~ is proceeding with reasonable dispatch and has a  
30 good faith belief that action could be initiated by the office  
31 ~~department~~ or other administrative or law enforcement agency.

1           (4) The office ~~department~~ shall notify the provider in  
2 writing of all deficiencies in its compliance with the

5 compliance by the provider. In addition, the office ~~department~~  
6 shall require corrective action or request a corrective action  
7 plan from the provider which plan demonstrates a good faith  
8 attempt to remedy the deficiencies by a specified date. If the  
9 provider fails to comply within the established length of  
10 time, the office ~~department~~ may initiate action against the  
11 provider in accordance with the provisions of this chapter.

12           Section 1681. Section 651.106, Florida Statutes, is  
13 amended to read:

14           651.106 Grounds for discretionary refusal, suspension,  
15 or revocation of certificate of authority.--The office  
16 ~~department~~, in its discretion, may deny, suspend, or revoke  
17 the provisional certificate of authority or the certificate of  
18 authority of any applicant or provider if it finds that any  
19 one or more of the following grounds applicable to the  
20 applicant or provider exist:

21           (1) Failure by the provider to continue to meet the  
22 requirements for the authority originally granted.

23           (2) Failure by the provider to meet one or more of the  
24 qualifications for the authority specified by this chapter.

25           (3) Material misstatement, misrepresentation, or fraud  
26 in obtaining the authority, or in attempting to obtain the  
27 same.

28           (4) Demonstrated lack of fitness or trustworthiness.

29           (5) Fraudulent or dishonest practices of management in  
30 the conduct of business.

31

- 1           (6) Misappropriation, conversion, or withholding of  
2 moneys.
- 3           (7) Failure to comply with, or violation of, any  
4 proper order or rule of the office or commission ~~department~~ or  
5 violation of any provision of this chapter.
- 6           (8) The insolvent condition of the provider or the  
7 provider's being in such condition or using such methods and  
8 practices in the conduct of its business as to render its  
9 further transactions in this state hazardous or injurious to  
10 the public.
- 11          (9) Refusal by the provider to be examined or to  
12 produce its accounts, records, and files for examination, or  
13 refusal by any of its officers to give information with  
14 respect to its affairs or to perform any other legal  
15 obligation under this chapter when required by the office  
16 ~~department~~.
- 17          (10) Failure by the provider to comply with the  
18 requirements of s. 651.026 or s. 651.033.
- 19          (11) Failure by the provider to maintain escrow  
20 accounts or funds as required by this chapter.
- 21          (12) Failure by the provider to meet the requirements

6 chapter 626.

7 (16) A pattern of bankrupt enterprises.  
8

9 Revocation of a certificate of authority under this section  
10 does not relieve a provider from the provider's obligation to  
11 residents under the terms and conditions of any continuing  
12 care contract between the provider and residents or the  
13 provisions of this chapter. The provider shall continue to  
14 file its annual statement and pay license fees to the office  
15 ~~department~~ as required under this chapter as if the  
16 certificate of authority had continued in full force, but the  
17 provider shall not issue any new continuing care contracts.  
18 The office ~~department~~ may seek an action in the circuit court  
19 of Leon County to enforce the office's ~~department's~~ order and  
20 the provisions of this section.

21 Section 1682. Subsections (1) and (3) of section  
22 651.107, Florida Statutes, are amended to read:

23 651.107 Duration of suspension; obligations during  
24 suspension period; reinstatement.--

25 (1) Suspension of a certificate of authority shall be  
26 for such period, not to exceed 1 year, as is fixed by the  
27 office ~~department~~ in the order of suspension, unless the  
28 office ~~department~~ shortens or rescinds such suspension or the  
29 order of suspension is modified, rescinded, or reversed.

30 (3) Upon expiration of the suspension period, if  
31 within such period the certificate of authority has not

1 otherwise terminated, the provider's certificate of authority  
2 shall automatically be reinstated unless the office ~~department~~  
3 finds that the causes for the suspension have not been removed  
4 or that the provider is otherwise not in compliance with the  
5 requirements of this chapter. If not so automatically  
6 reinstated, the certificate of authority shall be deemed to be  
7 revoked as of the end of the suspension period or upon failure  
8 of the provider to continue the certificate during the  
9 suspension period, whichever event first occurs.

10 Section 1683. Section 651.108, Florida Statutes, is  
11 amended to read:

12 651.108 Administrative fines.--

13 (1) If the office ~~department~~ finds that one or more  
14 grounds exist for the discretionary revocation or suspension  
15 of a certificate of authority issued under this chapter, the  
16 office ~~department~~, in lieu of such revocation or suspension,  
17 may impose a fine upon the provider in an amount not to exceed  
18 \$1,000 per violation.

19 (2) If it is found that the provider has knowingly and  
20 willfully violated a lawful order of the office ~~department~~ or  
21 a provision of this chapter, the office ~~department~~ may impose  
22 a fine in an amount not to exceed \$10,000 for each such  
23 violation.

24 Section 1684. Subsections (1) and (2) of section  
25 651.1081, Florida Statutes, are amended to read:

30 chapter, the office ~~department~~ may order the provider to cease  
31

1 sales and make a rescission offer to the resident in  
2 accordance with the provisions of this section.

3 (2) Upon such order by the office ~~department~~, every  
4 unlawful sale made in violation of this chapter may be  
5 rescinded at the election of the resident without penalty.

6 Section 1685. Subsections (1), (2), and (3) of section  
7 651.111, Florida Statutes, are amended to read:

8 651.111 Requests for inspections.--

9 (1) Any interested party may request an inspection of  
10 the records and related financial affairs of a provider

12 chapter by transmitting to the office ~~department~~ notice of an  
13 alleged violation of applicable requirements prescribed by  
14 statute or by rule, specifying to a reasonable extent the  
15 details of the alleged violation, which notice shall be signed  
16 by the complainant.

17 (2) The substance of the complaint shall be given to  
18 the provider no earlier than the time of the inspection.  
19 Unless the complainant specifically requests otherwise,  
20 neither the substance of the complaint which is provided to  
21 the provider nor any copy of the complaint or any record which  
22 is published, released, or otherwise made available to the  
23 provider shall disclose the name of any person mentioned in  
24 the complaint except the name of any duly authorized officer,  
25 employee, or agent of the office ~~department~~ conducting the  
26 investigation or inspection pursuant to this chapter.

27 (3) Upon receipt of a complaint, the office ~~department~~  
28 shall make a preliminary review; and, unless the office  
29 ~~department~~ determines that the complaint is without any  
30 reasonable basis, the office ~~department~~ shall make an  
31 inspection. The complainant shall be advised, within 30 days

1 after the receipt of the complaint by the office ~~department~~,  
2 of the proposed course of action of the office ~~department~~.

3 Section 1686. Section 651.114, Florida Statutes, is  
4 amended to read:

5 651.114 Delinquency proceedings; remedial rights.--

6 (1) Upon determination by the office ~~department~~ that a  
7 provider is not in compliance with this chapter, the office  
8 ~~department~~ may notify the chair of the advisory council, who  
9 may assist the office ~~department~~ in formulating a corrective  
10 action plan.

11 (2) A provider shall make available to the advisory  
12 council, no later than 30 days after being requested to do so  
13 by the advisory council, a plan for obtaining compliance or  
14 solvency.

15 (3) The council shall, no later than 30 days after  
16 notification:

17 (a) Consider and evaluate the plan submitted by the  
18 provider.

19 (b) Discuss the problem and solutions with the  
20 provider.

21 (c) Conduct such other business as is necessary.

22 (d) Report its findings and recommendations to the  
23 office ~~department~~, which may require additional modification  
24 of the plan.

25 (4)(a) Upon approval of a plan by the office  
26 ~~department~~, the provider shall submit monthly a progress  
27 report to the council or the office ~~department~~, or both, in a  
28 manner prescribed by the office ~~department~~.

29 (b) After a period of 3 months, or at any earlier time  
30 deemed necessary, the council shall evaluate the progress by  
31

1 the provider and shall advise the office ~~department~~ of its  
2 findings.

3 (5) Should the office ~~department~~ find that sufficient  
4 grounds exist for rehabilitation, liquidation, conservation,  
5 reorganization, seizure, or summary proceedings of an insurer  
6 as set forth in ss. 631.051, 631.061, and 631.071, the office  
7 ~~department~~ may petition for an appropriate court order or may  
8 pursue such other relief as is afforded in part I of chapter

20 corrected, its continued operation would result in insolvency,  
21 the office ~~department~~ may direct the provider to formulate and  
22 file with the office ~~department~~ a corrective action plan. If  
23 the provider fails to submit a plan within 30 days after the  
24 office's ~~department's~~ directive or submits a plan that is  
25 insufficient to correct the condition, the office ~~department~~  
26 may specify a plan and direct the provider to implement the  
27 plan.

28 (8)(a) The rights of the office ~~department~~ described  
29 in this section shall be subordinate to the rights of a  
30 trustee or lender pursuant to the terms of a resolution,  
31 ordinance, loan agreement, indenture of trust, mortgage,

1 | lease, security agreement, or other instrument creating or  
2 | securing bonds or notes issued to finance a facility, and the  
3 | office department, subject to the provisions of paragraph (c),  
4 | shall not exercise its remedial rights provided under this  
5 | section and ss. 651.018, 651.106, 651.108, and 651.116 with  
6 | respect to a facility that is subject to a lien, mortgage,  
7 | lease, or other encumbrance or trust indenture securing bonds  
8 | or notes issued in connection with the financing of the  
9 | facility, if the trustee or lender, by inclusion or by  
10 | amendment to the loan documents or by a separate contract with  
11 | the office department, agrees that the rights of residents  
12 | under a continuing care contract will be honored and will not  
13 | be disturbed by a foreclosure or conveyance in lieu thereof as  
14 | long as the resident:

- 15 |       1. Is current in the payment of all monetary  
16 | obligations required by the continuing care contract;
- 17 |       2. Is in compliance and continues to comply with all  
18 | provisions of the resident's continuing care contract; and
- 19 |       3. Has asserted no claim inconsistent with the rights  
20 | of the trustee or lender.

21 |       (b) Nothing in this subsection requires a trustee or  
22 | lender to:

- 23 |       1. Continue to engage in the marketing or resale of  
24 | new continuing care contracts;
- 25 |       2. Pay any rebate of entrance fees as may be required  
26 | by a resident's continuing care contract as of the date of  
27 | acquisition of the facility by the trustee or lender and until  
28 | expiration of the period described in paragraph (d);
- 29 |       3. Be responsible for any act or omission of any owner  
30 | or operator of the facility arising prior to the acquisition  
31 | of the facility by the trustee or lender; or

1           4. Provide services to the residents to the extent  
2 that the trustee or lender would be required to advance or  
3 expend funds that have not been designated or set aside for  
4 such purposes.

5           (c) Should the office ~~department~~ determine, at any  
6 time during the suspension of its remedial rights as provided  
7 in paragraph (a), that the trustee or lender is not in  
8 compliance with the provisions of paragraph (a), or that a  
9 lender or trustee has assigned or has agreed to assign all or  
10 a portion of a delinquent or defaulted loan to a third party  
11 without the office's ~~department's~~ written consent, the office  
12 ~~department~~ shall notify the trustee or lender in writing of  
13 its determination, setting forth the reasons giving rise to  
14 the determination and specifying those remedial rights  
15 afforded to the office ~~department~~ which the office ~~department~~  
16 shall then reinstate.

17           (d) Upon acquisition of a facility by a trustee or  
18 lender and evidence satisfactory to the office ~~department~~ that  
19 the requirements of paragraph (a) have been met, the office  
20 ~~department~~ shall issue a 90-day temporary certificate of  
21 authority granting the trustee or lender the authority to  
22 engage in the business of providing continuing care and to  
23 issue continuing care contracts subject to the office's  
24 ~~department's~~ right to immediately suspend or revoke the  
25 temporary certificate of authority if the office ~~department~~  
26 determines that any of the grounds described in s. 651.106  
27 apply to the trustee or lender or that the terms of the  
28 agreement used as the basis for the issuance of the temporary  
29 certificate of authority by the office ~~department~~ have not  
30 been or are not being met by the trustee or lender since the  
31 date of acquisition.

1           Section 1687. Section 651.1151, Florida Statutes, is

4 contracts.--

5           (1) The office ~~department~~ may require a provider to  
6 submit any contract for administrative, vendor, or management  
7 services if the office ~~department~~ has information and belief  
8 that a provider has entered into a contract with an affiliate,  
9 an entity controlled by the provider, or an entity controlled  
10 by an affiliate of the provider, which has not been disclosed  
11 to the office ~~department~~ or which contract requires the

13 the service provided.

14           (2) After review of the contract, the office  
15 ~~department~~ may order the provider to cancel the contract in  
16 accordance with the terms of the contract and applicable law  
17 if it determines that the fees to be paid are so unreasonably  
18 high as compared with similar contracts entered into by other  
19 providers in similar circumstances that the contract is  
20 detrimental to the facility or its residents.

21           (3) Any contract with an affiliate, an entity  
22 controlled by the provider, or an entity controlled by an  
23 affiliate of the provider for administrative, vendor, or  
24 management services entered into or renewed after October 1,  
25 1991, shall contain a provision that the contract shall be  
26 canceled upon issuance of an order by the office ~~department~~  
27 pursuant to this section. A copy of the current management  
28 services contract, pursuant to this section, if any, must be  
29 on file in the marketing office or other accessible area to  
30 residents and the appropriate resident organizations.

31

1           (4) Any action of the office ~~department~~ under this  
2 section is subject to review pursuant to the procedures  
3 provided in chapter 120.

4           Section 1688. Subsection (12) of section 651.118,  
5 Florida Statutes, is amended to read:

6           651.118 Agency for Health Care Administration;  
7 certificates of need; sheltered beds; community beds.--

8           (12) A facility that is under administrative  
9 supervision for financial problems pursuant to s. 651.018 may  
10 petition the Agency for Health Care Administration for the  
11 conversion of sheltered beds to community nursing home beds in  
12 accordance with the corrective action plan approved by the  
13 office ~~department~~. The agency shall, upon petition by the  
14 facility and through an expedited review, issue a certificate  
15 of need converting the sheltered nursing home beds to  
16 community nursing home beds.

17           Section 1689. Section 52 of chapter 2001-45, Laws of  
18 Florida, is amended to read:

19           Section 52. Notwithstanding the establishment of need  
20 as provided for in chapter 408, Florida Statutes, no  
21 certificate of need for additional community nursing home beds  
22 shall be approved by the agency until July 1, 2006. The  
23 Legislature finds that the continued growth in the Medicaid  
24 budget for nursing home care has constrained the ability of  
25 the state to meet the needs of its elderly residents through  
26 the use of less restrictive and less institutional methods of  
27 long-term care. It is therefore the intent of the Legislature  
28 to limit the increase in Medicaid nursing home expenditures in  
29 order to provide funds to invest in long-term care that is  
30 community-based and provides supportive services in a manner  
31 that is both more cost-effective and more in keeping with the

1 wishes of the elderly residents of this state. This moratorium  
2 on certificates of need shall not apply to sheltered nursing  
3 home beds in a continuing care retirement community certified  
4 by the former Department of Insurance or by the Office of  
5 Insurance Regulation pursuant to chapter 651, Florida  
6 Statutes.

7           Section 1690. Section 651.119, Florida Statutes, is  
8 amended to read:

9           651.119 Assistance to persons affected by closure due  
10 to liquidation or pending liquidation.--

11           (1) If a facility closes and ceases to operate as a  
12 result of liquidation or pending liquidation and residents are  
13 forced to relocate, the department shall become a creditor of  
14 the facility for the purpose of providing moving expenses for  
15 displaced residents and such other care or services as is made  
16 possible by the unencumbered assets of the facility. To the  
17 extent that another provider provides, as approved by the  
18 office ~~department~~, direct assistance to such residents, the  
19 cost of such direct assistance shall be offset against  
20 reserves pursuant to subsection (4). The department shall  
21 provide proportional reimbursements of such costs to the  
22 respective providers from such unencumbered assets.

23           (2) If the moneys and direct assistance made available  
24 under subsection (1) are not sufficient to cover moving costs,  
25 the office ~~department~~ may seek voluntary contributions from  
26 the reserves maintained by providers under s. 651.035 in  
27 amounts approved by the office ~~department~~ to provide for the  
28 moving expenses of the residents in moving to another  
29 residence within the state.

30           (3) If the moneys and direct assistance provided under  
31 subsections (1) and (2) are not sufficient to provide for the

1 moving expenses of displaced residents in moving to other  
2 residences within the state, the office ~~department~~ may levy  
3 pro rata assessments on the reserves of providers maintained  
4 under s. 651.035 for such moving expenses of any displaced  
5 resident who lacks sufficient assets to pay for such moving  
6 expenses. The assessments for such moving expenses on any  
7 particular provider may not exceed for any 12-month period an  
8 aggregate of 1 percent of the unencumbered portion of the  
9 reserves maintained by the provider under s. 651.035. If the  
10 office ~~department~~ determines that payment of an assessment  
11 under this subsection would impair the financial standing of a  
12 facility or its residents, the office ~~department~~ may waive or  
13 temporarily defer all or part of the assessment with respect  
14 to that provider. The office ~~department~~ shall apply any moneys  
15 voluntarily paid by a provider under subsection (1) or  
16 subsection (2) to satisfaction of assessments under this  
17 subsection.

18 (4) The office ~~department~~ shall permanently reduce the  
19 reserves required of a provider under s. 651.035 to the extent  
20 of the provider's costs under subsection (1), voluntary  
21 contributions under subsection (2), and assessments under  
22 subsection (3). However, the office ~~department~~ shall  
23 thereafter raise the reserve requirements of a provider to the  
24 extent of reimbursements paid to the provider under subsection  
25 (1) unless such increase would raise the reserve requirement  
26 above the amount required under s. 651.035.

27 (5) No payment, contribution, or assessment may be  
28 paid by a provider under this section if the release of funds  
29 from the reserves of the provider would violate a bond or  
30 lending commitment or covenant.

31

1           (6) Moneys received under this section for the support  
2 of residents shall be kept in a separate fund maintained and  
3 administered by the department. The Continuing Care Advisory  
4 Council shall monitor the collection and use of such funds and  
5 shall advise the office or department on plans for resident  
6 relocation. The council shall seek the assistance of providers  
7 licensed under this chapter and other service providers in  
8 locating alternative housing and care arrangements.

9           (7) For the purposes of this section, "moving  
10 expenses" means transportation expenses and the cost of  
11 packing and relocating personal belongings.

12           Section 1691. Subsections (1), (3), and (5) of section  
13 651.121, Florida Statutes, are amended to read:

14           651.121 Advisory council.--

15           (1) The Continuing Care Advisory Council to the office  
16 ~~department of insurance~~ is created to consist of 10 members  
17 who are residents of this state appointed by the Governor and  
18 geographically representative of this state. Three members  
19 shall be administrators of facilities which hold valid  
20 certificates of authority under this chapter and shall have  
21 been actively engaged in the offering of continuing care  
22 agreements in this state for 5 years before appointment. The  
23 remaining members shall include:

24           (a) A representative of the business community whose  
25 expertise is in the area of management.

26           (b) A representative of the financial community who is  
27 not a facility owner or administrator.

28           (c) A certified public accountant.

29           (d) An attorney.

30           (e) Three residents who hold continuing care  
31 agreements with a facility certified in this state.

1           (3) The council members shall serve without pay, but  
2 shall be reimbursed for per diem and travel expenses by the  
3 office ~~department~~ in accordance with s. 112.061.

4           (5) The council shall:

5           (a) Meet at least once a year and, at such annual  
6 meeting, elect a chair from their number and elect or appoint  
7 a secretary, each of whom shall hold office for 1 year and  
8 thereafter until a successor is elected and qualified.

9           (b) Hold other meetings at such times and places as  
10 the office ~~department~~ or the chair of the council may direct.

11           (c) Keep a record of its proceedings. The books and  
12 records of the council shall be prima facie evidence of all  
13 matters reported therein and, except for proceedings conducted  
14 under s. 651.018, shall be open to inspection at all times.

15           (d) Act in an advisory capacity to the office  
16 ~~department~~.

17           (e) Recommend to the office ~~department~~ needed changes  
18 in statutes and rules.

19           (f) Upon the request of the office ~~department~~, assist,  
20 with any corrective action, rehabilitation or cessation of  
21 business plan of a provider.

22           Section 1692. Section 651.123, Florida Statutes, is  
23 amended to read:

24           651.123 Alternative dispute resolution.--The  
25 commission ~~department~~ shall, by rule, adopt alternative  
26 procedures for resolution of disputes between residents and  
27 providers. The rules shall provide for an informal, nonbinding  
28 mediation process, and for binding arbitration when mediation  
29 fails to resolve a dispute, and shall provide minimum  
30 qualifications for arbitrators substantially similar to other  
31 arbitration programs under the Florida Insurance Code. The

1 rules shall specify the types of disputes that are subject to  
2 mediation or arbitration, and shall provide that disputes over  
3 increases in monthly maintenance fees are not subject to  
4 mediation or arbitration. Arbitration is available only if  
5 all parties agree in advance to be bound by the result.

6 Section 1693. Subsections (2), (3), and (4) of section  
7 651.125, Florida Statutes, are amended to read:

8 651.125 Criminal penalties; injunctive relief.--

9 (2) The state attorney for a circuit shall, upon  
10 application of the office ~~department~~ or its authorized  
11 representative, institute and conduct the prosecution of an  
12 action for violation, within such circuit, of any provision of  
13 this chapter.

14 (3) The office ~~department~~ may bring an action to  
15 enjoin a violation, threatened violation, or continued  
16 violation of this chapter in the circuit court in and for the  
17 county in which the violation occurred, is occurring, or is  
18 about to occur.

19 (4) Any action brought by the office ~~department~~  
20 against a provider shall not abate by reason of a sale or  
21 other transfer of ownership of the facility used to provide  
22 care, which provider is a party to the action, except with the  
23 express written consent of the director of the office  
24 ~~Treasurer and Insurance Commissioner.~~

25 Section 1694. Section 651.134, Florida Statutes, is  
26 amended to read:

27 651.134 Investigatory records.--Any active  
28 investigatory record of the office ~~department~~ made or received  
29 under this chapter, and any active examination record  
30 necessary to complete an active investigation, is confidential  
31 and exempt from s. 119.07(1) until such investigation is

1 completed or ceases to be active. For the purpose of this  
2 section, an investigation is active while it is being  
3 conducted by the office ~~department~~ with a reasonable, good  
4 faith belief that it could lead to the filing of  
5 administrative, civil, or criminal proceedings. An  
6 investigation does not cease to be active if the office  
7 ~~department~~ is proceeding with reasonable dispatch and has a  
8 good faith belief that action could be initiated by the office  
9 ~~department~~ or other administrative or law enforcement agency.

10 Section 1695. Subsection (1) and paragraph (j) of  
11 subsection (2) of section 655.001, Florida Statutes, are  
12 amended to read:

13 655.001 Purpose; application.--The purposes of the  
14 financial institutions codes are to:

15 (1) Provide general regulatory powers to be exercised  
16 by the Financial Services Commission and the Office of  
17 Financial Regulation ~~Department of Banking and Finance~~ in  
18 relation to the regulation of financial institutions. The  
19 financial institutions codes apply to all state-authorized or

22 legal, or other research, analyses, and testimony; and fees  
23 and expenses for witnesses. The failure to reimburse the  
24 office department is a ground for denial of the application or  
25 for revocation of any approval thereof.

26 Section 1702. Section 655.0321, Florida Statutes, is  
27 amended to read:

28 655.0321 Restricted access to certain hearings,  
29 proceedings, and related documents.--The office department  
30 shall consider the public purposes specified in s.  
31 119.14(4)(b) in determining whether the hearings and

1 proceedings conducted pursuant to s. 655.033 for the issuance  
2 of cease and desist orders and s. 655.037 for the issuance of  
3 suspension or removal orders shall be closed and exempt from  
4 the provisions of s. 286.011, and whether related documents  
5 shall be confidential and exempt from the provisions of s.  
6 119.07(1).

7 Section 1703. Subsections (1), (3), and (4) of section  
8 655.0322, Florida Statutes, are amended to read:

9 655.0322 Prohibited acts and practices; criminal  
10 penalties.--

11 (1) As used in this section, the term "financial  
12 institution" means a financial institution as defined in s.  
13 655.50 which includes a state trust company, state or national

15 bank, state or federal credit union, Edge Act or agreement  
16 corporation, international bank agency, representative office

18 by the commission ~~department~~ by rule, whether organized under  
19 the laws of this state, the laws of another state, or the laws  
20 of the United States, which institution is located in this  
21 state.

22 (3) It is unlawful for any financial  
23 institution-affiliated party to:

24 (a) Knowingly receive or possess himself or herself of  
25 any of its property otherwise than in payment of a just  
26 demand, and, with intent to deceive or defraud, to omit to  
27 make or cause to be made a full and true entry thereof in its  
28 books and accounts, or concur in omitting to make any material  
29 entry thereof;

30 (b) Embezzle, abstract, or misapply any money,  
31 property, or thing of value of the financial institution,

1 subsidiary, or service corporation with intent to deceive or  
2 defraud such financial institution, subsidiary, or service  
3 corporation;

4 (c) Knowingly make, draw, issue, put forth, or assign

8 of directors of such financial institution;

9 (d) Make any false entry in any book, report, or  
10 statement of such financial institution, subsidiary, or  
11 service corporation with intent to deceive or defraud such  
12 financial institution or another person, firm, or corporation,  
13 or with intent to deceive the office ~~department~~, any other  
14 appropriate federal regulatory agency, or any authorized  
15 representative appointed to examine the affairs of such  
16 financial institution, subsidiary, or service corporation; or

17 (e) Deliver or disclose to the office ~~department~~ or  
18 any of its employees any examination report, report of  
19 condition, report of income and dividends, internal audit,  
20 account, statement, or document known by him or her to be  
21 fraudulent or false as to any material matter.

22

23 Any person who violates this subsection is guilty of a felony  
24 of the third degree, punishable as provided in s. 775.082, s.  
25 775.083, or s. 775.084.

26 (4) It is unlawful for any financial  
27 institution-affiliated party to knowingly place among the  
28 assets of such financial institution, subsidiary, or service  
29 corporation any note, obligation, or security which the  
30 financial institution, subsidiary, or service corporation does  
31 not own or which to the individual's knowledge is fraudulent

1 or otherwise worthless or for any such individual to represent  
2 to the office ~~department~~ that any note, obligation, or  
3 security carried as an asset of such financial institution,  
4 subsidiary, or service corporation is the property of the  
5 financial institution, subsidiary, or service corporation and  
6 is genuine if it is known to such individual that such  
7 representation is false or that such note, obligation, or  
8 security is fraudulent or otherwise worthless. Any person who  
9 violates this subsection is guilty of a felony of the third  
10 degree, punishable as provided in s. 775.082, s. 775.083, or  
11 s. 775.084.

12 Section 1704. Subsections (1), (3), and (6) of section  
13 655.033, Florida Statutes, are amended to read:

14 655.033 Cease and desist orders.--

15 (1) The office ~~department~~ may issue and serve upon any  
16 state financial institution, subsidiary, or service  
17 corporation, or upon any financial institution-affiliated  
18 party, a complaint stating charges whenever the office  
19 ~~department~~ has reason to believe that such state financial  
20 institution, subsidiary, service corporation, financial  
21 institution-affiliated party, or individual named therein is  
22 engaging in or has engaged in conduct that is:

23 (a) An unsafe or unsound practice;

24 (b) A violation of any law relating to the operation  
25 of a financial institution;

26 (c) A violation of any rule of the commission  
27 ~~department~~;

28 (d) A violation of any order of the office ~~department~~;

29 (e) A breach of any written agreement with the office  
30 ~~department~~;

31

1 (f) A prohibited act or practice pursuant to s.  
2 655.0322; or

3 (g) A willful failure to provide information or  
4 documents to the office ~~department~~ or any appropriate federal  
5 agency, or any of its representatives, upon written request.

6 (3) If no hearing is requested within the time allowed  
7 by ss. 120.569 and 120.57, or if a hearing is held and the  
8 office ~~department~~ finds that any of the charges are true, the  
9 office ~~department~~ may enter an order directing the state  
10 financial institution, subsidiary, service corporation,  
11 financial institution-affiliated party, or the individual  
12 named therein to cease and desist from engaging in the conduct  
13 complained of and to take corrective action.

14 (6) Whenever the office ~~department~~ finds that conduct  
15 described in subsection (1) is likely to cause insolvency,  
16 substantial dissipation of assets or earnings of the state  
17 financial institution, subsidiary, or service corporation or  
18 substantial prejudice to the depositors, members, or  
19 shareholders, it may issue an emergency cease and desist order  
20 requiring the state financial institution, subsidiary, service  
21 corporation, or financial institution-affiliated party to  
22 immediately cease and desist from engaging in the conduct  
23 complained of and to take corrective action. The emergency  
24 order is effective immediately upon service of a copy of the  
25 order upon the state financial institution, subsidiary,  
26 service corporation, or financial institution-affiliated party  
27 and remains effective for 90 days. If the office ~~department~~  
28 begins nonemergency cease and desist proceedings under  
29 subsection (1), the emergency order remains effective until  
30 the conclusion of the proceedings under ss. 120.569 and  
31 120.57. Any emergency order entered under this subsection is

1 confidential and exempt from s. 119.07(1) until the emergency  
2 order is made permanent, unless the office ~~department~~ finds  
3 that such confidentiality will result in substantial risk of  
4 financial loss to the public.

5 Section 1705. Section 655.034, Florida Statutes, is  
6 amended to read:

7 655.034 Injunctions.--Whenever a violation of the  
8 financial institutions codes is threatened or impending and  
9 such violation will cause substantial injury to a state  
10 financial institution or to the depositors, members,  
11 creditors, or stockholders thereof, the circuit court has  
12 jurisdiction to hear any complaint filed by the office  
13 ~~department~~ and, upon proper showing, to issue an injunction  
14 restraining such violation or granting other such appropriate  
15 relief.

16 Section 1706. Section 655.037, Florida Statutes, is  
17 amended to read:

18 655.037 Removal of a financial institution-affiliated  
19 party by the office ~~department~~.--

20 (1) The office ~~department~~ may issue and serve upon any  
21 financial institution-affiliated party and upon the state  
22 financial institution, subsidiary, or service corporation  
23 involved, a complaint stating charges whenever the office  
24 ~~department~~ has reason to believe that the financial  
25 institution-affiliated party is engaging or has engaged in  
26 conduct that is:

- 27 (a) An unsafe or unsound practice;  
28 (b) A prohibited act or practice;  
29 (c) A willful violation of any law relating to  
30 financial institutions;

31

1 (d) A violation of any other law involving fraud or  
2 moral turpitude which constitutes a felony;

3 (e) A violation of s. 655.50, relating to the Florida  
4 Control of Money Laundering in Financial Institutions Act;  
5 chapter 896, relating to offenses related to financial  
6 transactions; or any similar state or federal law;

7 (f) A willful violation of any rule of the commission  
8 ~~department~~;

9 (g) A willful violation of any order of the office  
10 ~~department~~;

11 (h) A willful breach of any written agreement with the  
12 office ~~department~~; or

13 (i) An act of commission or omission or a practice  
14 which is a breach of trust or a breach of fiduciary duty.

15 (2) The complaint must contain the statement of facts  
16 and notice of opportunity for a hearing pursuant to ss.  
17 120.569 and 120.57.

18 (3) If no hearing is requested within the time allowed  
19 by ss. 120.569 and 120.57, or if a hearing is held and the  
20 office ~~department~~ finds that any of the charges in the  
21 complaint are true and that the state financial institution  
22 has suffered or will likely suffer loss or other damage or  
23 that the interests of the depositors, members, or shareholders  
24 could be seriously prejudiced by reason of such violation or  
25 practice or breach of fiduciary duty or that the financial  
26 institution-affiliated party has received financial gain by  
27 reason of such violation, practice, or breach of fiduciary  
28 duty, and that such violation, practice, or breach of  
29 fiduciary duty is one involving personal dishonesty on the  
30 part of such financial institution-affiliated party or a  
31 continuing disregard for the safety or soundness of the state

1 financial institution, subsidiary, or service corporation, the  
2 office department may enter an order removing the financial  
3 institution-affiliated party or restricting or prohibiting  
4 participation by such financial institution-affiliated party  
5 in the affairs of that particular state financial institution,  
6 subsidiary, or service corporation or any other state  
7 financial institution, subsidiary, or service corporation.

8 (4) If the financial institution-affiliated party  
9 fails to respond to the complaint within the time allowed in  
10 ss. 120.569 and 120.57, such failure constitutes a default and  
11 justifies the entry of an order of removal.

12 (5) A contested or default order of removal is  
13 effective when reduced to writing and served on the state  
14 financial institution, subsidiary, or service corporation and  
15 the financial institution-affiliated party. An uncontested  
16 order of removal is effective as agreed.

17 (6)(a) The chief executive officer, or the person  
18 holding the equivalent office, of a state financial  
19 institution shall promptly notify the office department if he  
20 or she has actual knowledge that any financial  
21 institution-affiliated party is charged with a felony in a  
22 state or federal court.

23 (b) Whenever any financial institution-affiliated  
24 party is charged with a felony in a state or federal court, or  
25 in the courts of any foreign country with which the United  
26 States maintains diplomatic relations, and such charge alleges  
27 violation of any law involving fraud, currency transaction  
28 reporting, money laundering, theft, or moral turpitude and the  
29 charge under such foreign law is equivalent to a felony charge  
30 under state or federal law, the office department may enter an  
31 emergency order suspending such financial

1 institution-affiliated party or restricting or prohibiting  
2 participation by such financial institution-affiliated party  
3 in the affairs of that particular state financial institution,  
4 subsidiary, or service corporation or any other financial  
5 institution, subsidiary, or service corporation, upon service  
6 of the order upon the state financial institution, subsidiary,  
7 or service corporation and the financial  
8 institution-affiliated party so charged. The order shall  
9 contain notice of opportunity for a hearing pursuant to ss.  
10 120.569 and 120.57, where the financial institution-affiliated  
11 party may request a postsuspension hearing to show that  
12 continued service to or participation in the affairs of the  
13 state financial institution, subsidiary, or service  
14 corporation does not pose a threat to the interests of the  
15 state financial institution's depositors, members, or  
16 stockholders, or threaten to impair public confidence in the  
17 state financial institution. In accordance with applicable  
18 commission ~~departmental~~ rules, the office ~~department~~ shall  
19 notify the financial institution-affiliated party whether the  
20 order suspending or prohibiting the financial  
21 institution-affiliated party from participation in the affairs  
22 of a state financial institution, subsidiary, or service  
23 corporation will be rescinded or otherwise modified. The  
24 emergency order will remain in effect, unless otherwise  
25 modified by the office ~~department~~, until the criminal charge  
26 is disposed of. The acquittal of the financial  
27 institution-affiliated party charged, or the final, unappealed  
28 dismissal of all charges against such person, will dissolve  
29 the emergency order, but will not prohibit the office  
30 ~~department~~ from instituting proceedings under subsection (1).  
31 If the financial institution-affiliated party charged is

1 convicted or pleads guilty or nolo contendere, whether or not  
2 an adjudication of guilt is entered by the court, the  
3 emergency order becomes final.

4 (7) Any financial institution-affiliated party removed  
5 from office pursuant to this section is not eligible for  
6 reelection to such position or to any official position in any  
7 financial institution in this state except with the written  
8 consent of the office ~~department~~. Any financial  
9 institution-affiliated party who is removed, restricted, or  
10 prohibited from participation in the affairs of a state  
11 financial institution pursuant to this section may petition  
12 the office ~~department~~ for modification or termination of any  
13 such removal, restriction, or prohibition.

14 (8) The resignation, termination of employment or  
15 participation, or separation from a state financial  
16 institution, subsidiary, or service corporation of the  
17 financial institution-affiliated party does not affect the  
18 jurisdiction and authority of the office ~~department~~ to issue  
19 any notice and proceed under this section against such  
20 financial institution-affiliated party, if such notice is  
21 served before the end of the 6-year period beginning on the  
22 date such person ceases to be such a financial  
23 institution-affiliated party with respect to such state  
24 financial institution, subsidiary, or service corporation.

25 Section 1707. Section 655.0385, Florida Statutes, is  
26 amended to read:

27 655.0385 Disapproval of directors and executive  
28 officers.--

29 (1) Each state financial institution shall notify the  
30 office ~~department~~ of the proposed appointment of any  
31 individual to the board of directors or the employment of any

1 individual as an executive officer or equivalent position at  
2 least 60 days before such appointment or employment becomes  
3 effective, if the state financial institution:

4 (a) Has been chartered for less than 2 years;

5 (b) Has undergone a change in control or conversion  
6 within the preceding 2 years. The office ~~department~~ may exempt  
7 a financial institution from this paragraph if it operates in  
8 a safe and sound manner;

9 (c) Is not in compliance with the minimum capital  
10 requirements applicable to such financial institution; or

11 (d) Is otherwise operating in an unsafe and unsound  
12 condition, as determined by the office ~~department~~, on the  
13 basis of such financial institution's most recent report of  
14 condition or report of examination.

15 (2) A state financial institution may not appoint any  
16 individual to the board of directors, or employ any individual  
17 as an executive officer or equivalent position, if the office  
18 ~~department~~ issues a notice of disapproval with respect to that  
19 person.

20 (3) The office ~~department~~ shall issue a notice of  
21 disapproval if the competence, experience, character, or  
22 integrity of the individual to be appointed or employed  
23 indicates that it is not in the best interests of the  
24 depositors, the members, or the public to permit the  
25 individual to be employed by or associated with the state  
26 financial institution.

27 (4) The commission ~~department~~ may adopt rules to  
28 implement this section.

29 Section 1708. Subsection (2) of section 655.0386,  
30 Florida Statutes, is amended to read:

31

1           655.0386 Transactions with financial  
2 institution-affiliated parties.--

3           (2) DISCLOSURE OF PERSONAL INTEREST.--Without  
4 limitation by any of the specific provisions of this section,  
5 the commission or office ~~department~~ may require the disclosure  
6 by financial institution-affiliated parties of their personal  
7 interests, directly or indirectly, in any business or  
8 transactions on behalf of or involving the state financial  
9 institution, subsidiary, or service corporation and of their  
10 control of or active participation in enterprises having  
11 activities related to the business of the state financial  
12 institution, subsidiary, or service corporation.

13           Section 1709. Section 655.0391, Florida Statutes, is  
14 amended to read:

15           655.0391 Retention of supervision by office  
16 ~~department~~.--A state financial institution may not cause to be  
17 performed, by contract or otherwise, any financial-institution  
18 services for itself, whether at or away from its main or  
19 branch office or on or off its premises, unless assurances  
20 satisfactory to the office ~~department~~ are furnished to the  
21 office ~~department~~ by both the state financial institution and  
22 the person performing such services that the performance  
23 thereof will be subject to regulation and examination by the  
24 office ~~department~~ to the same extent as if such services were  
25 being performed by the state financial institution itself on  
26 its own premises.

27           Section 1710. Section 655.041, Florida Statutes, is  
28 amended to read:

29           655.041 Administrative fines; enforcement.--

30           (1) The office ~~department~~ may, by complaint, initiate  
31 a proceeding pursuant to chapter 120 to impose an

1 administrative fine against any person found to have violated  
2 any provision of the financial institutions codes or a cease  
3 and desist order of the office ~~department~~ or any written  
4 agreement with the office ~~department~~. No such proceeding  
5 shall be initiated and no fine shall accrue pursuant to this  
6 section until after such person has been notified in writing  
7 of the nature of the violation and has been afforded a  
8 reasonable period of time, as set forth in the notice, to  
9 correct the violation and has failed to do so.

10 (2) Any such fine may not exceed \$2,500 a day for each  
11 violation except as provided in this section.

12 (a) If the office ~~department~~ determines that any such  
13 person has recklessly violated any provision of the financial  
14 institutions codes or a cease and desist order of the office  
15 ~~department~~ or any written agreement with the office  
16 ~~department~~, which violation results in more than a minimal  
17 loss to a financial institution, subsidiary, or service  
18 corporation, or a pecuniary benefit to such person, the office  
19 ~~department~~ may impose a fine not exceeding \$10,000 a day for  
20 each day the violation continues.

21 (b) If the office ~~department~~ determines that any such  
22 person has knowingly violated any provision of the financial  
23 institutions codes or a cease and desist order of the office  
24 ~~department~~ or any written agreement with the office  
25 ~~department~~, which violation results in more than a minimal  
26 loss to a financial institution, subsidiary, or service  
27 corporation, or a pecuniary benefit to such a person, the  
28 office ~~department~~ may impose a fine not exceeding the lesser  
29 of \$500,000 per day or 1 percent of the total assets in the  
30 case of a financial institution, or \$50,000 per day in any  
31 other case for each day the violation continues.

1           (c) The office ~~department~~ may by complaint impose an  
2 administrative fine, not exceeding \$10,000 a day, upon any  
3 financial institution-affiliated party, and upon a state  
4 financial institution, subsidiary, service corporation, or  
5 affiliate, who refuses to permit an examiner to examine a  
6 state financial institution, subsidiary, or service  
7 corporation, who refuses to permit an examiner to review the  
8 books and records of an affiliate, or who refuses to give an  
9 examiner any information required in the course of any  
10 examination or review of the books and records.

11           (3) Any administrative fine levied by the office  
12 ~~department~~ may be enforced by the office ~~department~~ by  
13 appropriate proceedings in the circuit court of the county in  
14 which such person resides or in which the principal office of  
15 a state financial institution is located. In any  
16 administrative or judicial proceeding arising under this  
17 section, a party may elect to correct the violation asserted  
18 by the office ~~department~~ and, upon doing so, any fine ceases  
19 to accrue; however, an election to correct the violation does  
20 not render any administrative or judicial proceeding moot.

21           Section 1711. Section 655.043, Florida Statutes, is  
22 amended to read:

23           655.043 Articles of incorporation; amendments;  
24 approval.--A bank, trust company, or association may not amend  
25 its articles of incorporation without the written approval of  
26 the office ~~department~~.

27           Section 1712. Subsections (1) and (2) of section  
28 655.044, Florida Statutes, are amended to read:

29           655.044 Accounting practices; bad debts ineligible to  
30 be carried as assets.--

31

1           (1) Except as otherwise provided by law, a state  
2 financial institution shall observe generally accepted  
3 accounting principles and practices. The commission  
4 ~~department~~ may authorize by rule exceptions to such accounting  
5 practices as necessary.

6           (2) A state financial institution, subsidiary, or  
7 service corporation may not carry as an asset any note,  
8 obligation, or security which it does not own absolutely or  
9 which is known by the state financial institution to be  
10 fraudulent or otherwise worthless; and a state financial  
11 institution may not carry as an asset, in any report to the  
12 office ~~department~~ or in any published report, any note or  
13 other obligation which is past due or upon which no interest  
14 has been paid for 1 year or longer or which has been  
15 determined by the office ~~department~~ to be a loss. However,  
16 past due paper may be carried to the extent of the reasonable  
17 value of any lien or other collateral given to secure such  
18 obligation; and, if the obligation is in the process of  
19 collection, it may be carried at its reasonable value as  
20 determined by the board of directors. The office ~~department~~  
21 may order the revision of any value so determined hereunder.

22           Section 1713. Section 655.045, Florida Statutes, is  
23 amended to read:

24           655.045 Examinations, reports, and internal audits;  
25 penalty.--

26           (1)(a) The office ~~department~~ shall conduct an  
27 examination of the condition of each state financial  
28 institution during each 18-month period, beginning July 1,  
29 1981. The office ~~department~~ may accept an examination made by  
30 the appropriate federal regulator, insuring or guaranteeing  
31 corporation, or agency with respect to the condition of the

1 state financial institution or may make a joint or concurrent  
2 examination with the appropriate federal regulator, insuring  
3 or guaranteeing corporation, or agency. However, at least  
4 once during each 36-month period beginning on July 3, 1992,  
5 the office ~~department~~ shall conduct an examination of each  
6 state financial institution in such a manner as to allow the  
7 preparation of a complete examination report not subject to  
8 the right of any federal or other non-Florida entity to limit  
9 access to the information contained therein. If, as a part of  
10 an examination or investigation of a state financial  
11 institution, subsidiary, or service corporation, the office  
12 ~~department~~ has reason to believe that an affiliate is engaged  
13 in an unsafe or unsound practice or that the affiliate has a  
14 negative impact on the state financial institution,  
15 subsidiary, or service corporation, then the office ~~department~~  
16 may review such books and records as are reasonably related to  
17 the examination or investigation. The office ~~department~~ may  
18 furnish a copy of all examinations or reviews made of such  
19 financial institutions or their affiliates to the state or  
20 federal financial institution regulators participating in the  
21 examination of a bank holding company; an association holding  
22 company; or any of their subsidiaries, service corporations,  
23 or affiliates; an insuring or guaranteeing corporation or  
24 agency or its representatives; or state financial institution  
25 regulators participating in the examination of a holding  
26 company or its subsidiaries.

27 (b) The office ~~department~~ may recover the costs of  
28 examination and supervision of a state financial institution,  
29 subsidiary, or service corporation that is determined by the  
30 office ~~department~~ to be engaged in an unsafe or unsound

9 by rule, prescribe.

10           (2) Any five or more residents of this state who

13 The fact that individuals within the proposed limited field of

12 required under this section.

13 (5) The application shall be approved if the office  
14 ~~department~~ determines that:

15 (a) There is a showing of sufficient interest on the  
16 part of the proposed limited field of membership;

17 (b) The qualifications of the proposed board of

23 its members; and

6           (6) If the organization of a proposed credit union  
7 would result in an overlapping limited field of membership,  
8 the office ~~department~~ may disapprove the application if it  
9 finds that the formation of the proposed credit union will  
10 result in a substantial, adverse financial impact to an  
11 existing credit union having the same or substantially the  
12 same limited field of membership.

13           (7) Concurrently with submission of the application to  
14 the office ~~department~~, the applicant shall apply for insurance  
15 of accounts with the National Credit Union Administration.

9 has been made for reserves and dividends. However, the credit  
10 union may reimburse, as an operating expense, for forms and  
11 supplies, insurance, rent, and other expenses applicable to or  
12 consumed in the period after opening in accordance with rules  
13 adopted by the commission ~~department~~.

14 (11) The commission shall adopt and the office  
15 ~~department~~ shall provide a form certificate of authorization

22 office ~~department~~. The office ~~department~~ shall approve or  
23 disapprove bylaw amendments within 60 days after receipt. The  
24 office ~~department~~ shall approve the proposed bylaw amendment  
25 unless it finds that the amendment:

26 (a) Is not in the best interest of the membership;

27 (b) Is not in accord with sound credit union  
28 practices; or

29 (c) Exposes the assets of the credit union to  
30 unnecessary risks.

31

1           (2) The commission ~~department~~ may, by rule, allow  
2 certain bylaw amendments that are ministerial in nature to  
3 become effective immediately upon filing with the office  
4 ~~department~~.

10 to the office ~~department~~, a credit union may maintain branches  
11 at locations other than its main office or relocate branches

14 necessary to furnish service to its members.

15           (5) A credit union may change its principal place of  
16 business within this state upon approval by the office  
17 ~~department~~.

18           (6)(a) The office ~~department~~ may authorize foreign

20 following criteria are met:

21           1. The state in which the foreign credit union's home  
22 office is located permits Florida credit unions to do business  
23 in the state under restrictions that are no greater than those  
24 placed upon a domestic credit union doing business in that  
25 state. For this purpose, such restrictions shall include, but  
26 are not limited to, any fees, bonds, or other charges levied  
27 on domestic credit unions doing business in that state.

28           2. The deposits of such foreign credit union and its

4 companies shall be subject to a determination by the office  
5 ~~department~~ that the insuring or guaranteeing agency or company  
6 is in sound financial condition and that its reserves with  
7 respect to its insured or guaranteed accounts are no less than  
8 those of the Florida Credit Union Guaranty Corporation.

9           3. The credit union's field of membership is so  
10 limited as to be within that meaning of that term as defined  
11 in s. 657.002.

12           (b) Every foreign credit union operating in Florida  
13 shall keep the office ~~department~~ informed of every location at  
14 which it is operating.

15           (c) If the office ~~department~~ has reason to believe  
16 that a foreign credit union is operating a branch in this  
17 state in an unsafe and unsound manner, it shall have the right  
18 to examine such branch. If, upon examination, the office  
19 ~~department~~ finds that such branch is operating in an unsafe  
20 and unsound manner, it shall require the branch office to make  
21 appropriate modifications to bring such branch operations into  
22 compliance with generally accepted credit union operation in  
23 this state. Such foreign credit union shall reimburse the  
24 office ~~department~~ for the full cost of this examination. Costs  
25 shall include examiner salaries, per diem, and travel  
26 expenses.

27           (d) Any foreign credit union operating in this state  
28 shall in any connection therewith be subject to suit in the  
29 courts of this state, by this state and the citizens of this  
30 state.

11 the loan portfolio and be consistent with the rules of the  
12 commission ~~department~~. The account must be provided for,  
13 before paying a dividend, in the manner provided by rule. This  
14 account constitutes part of the regular reserve for the  
15 purpose of determining the ratio of regular reserves to risk  
16 assets.

17 (3) USE OF REGULAR RESERVE.--The regular reserve shall  
18 belong to the credit union and shall be used to meet losses.  
19 In the event of a decrease, the office ~~department~~ may require  
20 additional transfers to the regular reserve above the amount  
21 required by subsection (1) until the decrease has been  
22 restored. The regular reserve may not be decreased without the

11 expenses.

12           (8) RESERVES.--The ratio of equity to total assets for  
13 each credit union must be maintained at not less than 5  
14 percent. At the end of the calendar quarter when this ratio  
15 is determined to be less than 5 percent, the credit union  
16 shall, within 60 days thereafter, prepare and file with the  
17 office ~~department~~ for approval a plan to achieve the minimum  
18 ratio within 4 years, or such longer period of time approved  
19 by the office ~~department~~. Once achieved, each credit union  
20 must maintain a ratio of equity to total assets of not less  
21 than 5 percent, unless otherwise authorized by the office  
22 ~~department~~. The commission ~~department~~, by rule, shall  
23 prescribe the information, types of restrictions and  
24 limitations on operations, reporting requirements, and other  
25 criteria that are required to be included in an acceptable  
26 plan. An acceptable plan must recognize the unique

5 this section shall be deemed to be maximum amounts. The  
6 commission ~~department~~ has the authority to establish, by rule,

15 applicable, to assume control of the property, assets, and  
16 business of its member credit union and to operate it subject  
17 to the directions of the office ~~department~~:

18           (a) Whenever the office ~~department~~ finds that the  
19 credit union:

20           1. Is engaging or has engaged in an unsafe or unsound  
21 practice;

22           2. Is violating or has violated any provision of this  
23 chapter; or

30  
31

1           (b) Whenever a majority of the members of the board of  
2 directors of the credit union have been removed by the office

4           (2) Except when prohibited by federal or state law, in  
5 the event of assumption of control, the guarantor or insurer  
6 may elect the board of directors and the operating committees  
7 and may, without penalty or liability, prepay any deposit  
8 accounts; terminate any contracts or agreements with  
9 employees, independent contractors, or consultants; terminate

13 unions or if such contract was entered into in violation of s.  
14 657.0315(1); and terminate or assign any lease for property.

15 The authority of the guarantor or insurer to continue

17 exceed 180 days, unless extended by the office ~~department~~ for  
18 an additional period not to exceed 180 days at the request of  
19 the guarantor or insurer, or unless involuntary liquidation  
20 proceedings have been initiated by the office ~~department~~. In  
21 the event that the guarantor or insurer does assume control  
22 pursuant to the direction of the office ~~department~~, a meeting  
23 of the credit union shall be called within 180 days, or within  
24 the period of extension as approved by the office ~~department~~,  
25 for the specific purpose of electing a new board of directors,  
26 who shall take office when the guarantor or insurer surrenders  
27 control, or considering such other recommendations as the  
28 guarantor or insurer and the office ~~department~~ may make.

30 amended to read:

31           657.063 Involuntary liquidation.--

1           (1) If the office ~~department~~ finds that any credit  
2 union is bankrupt or insolvent, or is transacting its business  
3 in an unsound, unsafe, or unauthorized manner such that it is  
4 threatened with imminent insolvency, and liquidation is in the  
5 best interest of the members, the office ~~department~~ may, in  
6 its discretion, order the credit union placed in involuntary  
7 liquidation and designate and appoint a liquidator to take  
8 charge of the assets and affairs of the credit union. The  
9 order shall set forth the specific findings and reasons for  
10 the action taken.

11           (2) The liquidator must be appointed by the office  
12 ~~department~~. The corporation or the National Credit Union  
13 Administration, whichever is applicable, must be given the  
14 right of first refusal. The office ~~department~~ may appoint  
15 another entity if refused by the primary guarantor or insurer.

16           (3) Upon appointment and in accordance with the  
17 directions of the office ~~department~~, the liquidator shall take  
18 possession and charge of all of the assets, books, and records  
19 of the credit union and shall take charge of the affairs,  
20 business, and operations of the credit union and shall have  
21 all of the powers of the board of directors, credit committee,  
22 credit manager, and supervisory committee of the credit union.  
23 The liquidator shall continue the business operation of the  
24 credit union for a period not to exceed 180 days, subject to

28 except that during the period of such operation by the  
29 liquidator, no withdrawal from any account or accounts which  
30 are not fully insured or guaranteed shall be permitted.

1 may, without penalty or liability, prepay any deposit  
2 accounts; terminate any contracts or agreements with  
3 employees, independent contractors, or consultants; terminate  
4 any contract or agreement that was entered into in violation  
5 of s. 657.0315(1) or s. 657.062(2); and terminate or assign

7 liquidation of assets by sale or transfer of assets and  
8 conversion of assets into cash or liquid investments in  
9 preparation for distribution to members on account of shares  
10 and deposits. The liquidator shall have specific authority to  
11 sell loan assets. The liquidator may enter into agreements for  
12 the sale or transfer of loans and other assets with the  
13 assumption of outstanding share and deposit accounts, which  
14 assumption constitutes full and complete distribution to  
15 members on account of shares and deposits.

16 (4) On the completion of the liquidation and  
17 certification by the liquidator that the distribution of the  
18 assets of the credit union has been completed, the office  
19 ~~department~~ shall cancel the certificate of authorization of  
20 the credit union. The office ~~department~~ may designate a  
21 custodian to maintain the books and records of the liquidated  
22 credit union.

23 (5) When the liquidating agent of the credit union has  
24 been appointed, the office ~~department~~ may waive or deem  
25 inapplicable the fees required by this chapter and the  
26 examination required by s. 655.045(1)(a), provided the  
27 liquidating agent submits periodic reports to the office  
28 ~~department~~ on the status of the liquidation.

15 the office ~~department~~ and the corporation or the National  
16 Credit Union Administration, whichever is applicable, in

19 been appointed, the office ~~department~~ may waive or hold  
20 inapplicable the fees required by this chapter and the

22 liquidating agent submits periodic reports to the office  
23 ~~department~~ on the status of the liquidation.

24           (9) Whenever the board of directors or liquidator

27 to the members, a certificate of dissolution on forms  
28 prescribed by the commission ~~department~~ shall be prepared and  
29 filed with the office ~~department~~ together with all pertinent  
30 books and records of the credit union, and thereupon the  
31 credit union shall be dissolved and its certificate of

2 custodian to maintain the books and records of the liquidated  
3 credit union.

24 office ~~department~~ for its approval.

25 (5) A merger application shall be accompanied by a

28 (6) Notwithstanding any other provisions of this  
29 chapter or of chapter 120, a credit union may merge without a  
30 vote of the membership when the office ~~department~~ determines  
31

1 that the credit union is in danger of insolvency and that the  
2 merger will enable the credit union to avoid liquidation.

3 (7) A merger with a resulting state credit union may  
4 not take place or be effective unless the office ~~department~~  
5 issues a certificate of merger. Upon consummation of the  
6 merger, the certificate of authorization of the merged credit

19 financial institutions; or any similar state or federal law.  
20 At least two of the proposed directors who are not also  
21 proposed officers shall have had at least 1 year direct  
22 experience as an executive officer, regulator, or director of  
23 a financial institution within 3 years of the date of the

25 least one of the proposed directors has very substantial  
26 experience as an executive officer, director, or regulator of

28  
29 The office ~~department~~ shall provide to the proposed directors  
30 form articles of incorporation which shall include only those  
31 provisions required by this section or by chapter 607. The

1 form articles shall be acknowledged by the proposed directors  
2 and returned to the office ~~department~~ for filing with the  
3 Department of State.

4 (3) Within 30 days of receipt of the executed articles  
5 of incorporation in the form previously approved, and the

18 Department of State, unless otherwise provided in the articles

20 banking corporation or trust company corporation may perform  
21 all acts necessary to perfect its organization, obtain and  
22 equip a place of business, and otherwise prepare to conduct a  
23 general banking business or trust business. However, no  
24 banking corporation or trust company corporation shall become  
25 a state bank or a state trust company or transact any banking  
26 business or trust business until it has received a certificate  
27 of authority to transact business as provided in s. 658.25.

28 (5) Unless the articles of incorporation provide  
29 otherwise, the board of directors shall have authority to

31 may have been adopted by the stockholders. The bylaws shall

1 be for the government of the bank or trust company,  
2 subordinate only to the articles of incorporation and the laws  
3 of the United States and of this state. A current copy of the  
4 bylaws shall be filed with the office ~~department~~ at all times.

5 (6) A bank or trust company may not amend its articles  
6 of incorporation without the prior written approval of the  
7 office ~~department~~.

19 (2) The directors shall also provide such detailed  
20 financial, business, and biographical information as the  
21 commission or office ~~department~~ may reasonably require for  
22 each person who, together with related interests, subscribes  
23 to 10 percent or more of the voting stock or nonvoting stock  
24 which is convertible into voting stock of the proposed bank or  
25 trust company. The office ~~department~~ shall make an  
26 investigation of the character, financial responsibility, and  
27 financial standing of each such person in order to determine  
28 whether he or she is likely to control the bank or trust  
29 company in a manner which would jeopardize the interests of  
30 the depositors and creditors of the bank or trust company, the  
31 other stockholders, or the general public. This investigation

1 shall include a determination of whether any such person has  
2 been convicted of, or pled guilty or nolo contendere to, a  
3 violation of s. 655.50, relating to the Florida Control of  
4 Money Laundering in Financial Institutions Act; chapter 896,

15 amended to read:

16 658.24 Organizational procedures.--After the corporate  
17 existence of a bank or trust company corporation has commenced  
18 and the stock has been issued, but no less than 30 days prior  
19 to the intended opening date, a shareholders' meeting shall be  
20 held to elect directors already approved by the office  
21 ~~department~~, to approve organizational expenses, and to conduct  
22 such other business relating to the corporation as may be  
23 appropriate. Immediately after the board of directors has been  
24 elected by the shareholders, the board shall meet to adopt  
25 bylaws, elect officers, and conduct such other business  
26 relating to the corporation as may be appropriate. Within 10  
27 days after the shareholders' and directors' meetings, the  
28 corporation shall file with the office ~~department~~ a copy of  
29 the minutes of the meetings together with a copy of the bylaws  
30 that were adopted, a list showing the names and residence  
31 addresses of the officers elected and the title of each, and a

1 detailed accounting of the organization expenses approved by  
2 the shareholders.

3 Section 1766. Subsections (2) and (3) of section  
4 658.25, Florida Statutes, are amended to read:

5 658.25 Opening for business.--

6 (2) At least 30 days prior to its intended opening  
7 date, the corporation shall notify the office ~~department~~ of  
8 its proposed opening date and confirm its compliance with all  
9 conditions imposed in the order or orders issued by the office  
10 ~~department~~ relating to its organization.

11 (3) The office ~~department~~ shall perform a preopening  
12 examination to verify good faith compliance with all the  
13 requirements of law and that the bank or trust company  
14 corporation is ready to engage in a general commercial bank or  
15 trust business. If the office ~~department~~ finds that such  
16 requirements have been met, it shall issue a certificate of  
17 authorization to transact a general commercial bank or trust  
18 business. Upon the issuance of the certificate of  
19 authorization, the bank or trust company corporation shall  
20 become a state bank or a state trust company and the  
21 certificate shall constitute its charter.

22 Section 1767. Subsections (2), (3), and (4) of section  
23 658.26, Florida Statutes, are amended to read:

24 658.26 Places of transacting business; branches;  
25 facilities.--

26 (2)(a) In addition, with the approval of the office  
27 ~~department~~ and upon such conditions as the commission or  
28 office ~~department~~ prescribes, any bank or trust company may  
29 establish branches within or outside the state. With the  
30 approval of the office ~~department~~ upon a determination that  
31 the resulting bank or trust company will be of sound financial

1 condition, any bank or trust company incorporated pursuant to  
2 this chapter may establish branches by merger with any other  
3 bank or trust company.

4 (b) An application for a branch by a bank that does  
5 not meet the requirements for the branch notification process  
6 shall be in writing in such form as the commission ~~department~~  
7 prescribes and be supported by such information, data, and  
8 records as the commission or office ~~department~~ may require to  
9 make findings necessary for approval. Applications filed  
10 pursuant to this subsection shall not be published in the  
11 Florida Administrative Weekly but shall otherwise be subject  
12 to the provisions of chapter 120. Upon the filing of an  
13 application and a nonrefundable filing fee for the  
14 establishment of any branch permitted by paragraph (a), the  
15 office ~~department~~ shall make an investigation with respect to  
16 compliance with the requirements of paragraph (a) and shall  
17 investigate and consider all factors relevant to such  
18 requirements, including the following:

19 1. The sufficiency of capital accounts in relation to  
20 the deposit liabilities of the bank, or in relation to the  
21 number and valuation of fiduciary accounts of the trust  
22 company, including the proposed branch, and the additional  
23 fixed assets, if any, which are proposed for the branch and  
24 its operations, without undue risk to the bank or its  
25 depositors, or undue risk to the trust company or its  
26 fiduciary accounts;

27 2. The sufficiency of earnings and earning prospects  
28 of the bank or trust company to support the anticipated  
29 expenses and any anticipated operating losses of the branch  
30 during its formative or initial years;

31

1           3. The sufficiency and quality of management available  
2 to operate the branch;

3           4. The name of the proposed branch to determine if it  
4 reasonably identifies the branch as a branch of the main  
5 office and is not likely to unduly confuse the public; and

6           5. Substantial compliance by the applicants with  
7 applicable law governing their operations.

8           (c) As provided by commission ~~departmental~~ rule, a  
9 financial institution operating in a safe and sound manner may  
10 establish a branch by filing a written notice with the office  
11 ~~department~~ at least 30 days before opening that branch. In  
12 such case, the financial institution need not file a branch  
13 application or pay a branch application fee.

14           (3)(a) An office in this state may be relocated with  
15 prior written approval of the office ~~department~~. An  
16 application for relocation shall be in writing in such form as  
17 the commission ~~department~~ prescribes and shall be supported by  
18 such information, data, and records as the commission or  
19 office ~~department~~ may require to make findings necessary for  
20 approval.

21           (b) Applications filed pursuant to this subsection  
22 shall not be published in the Florida Administrative Weekly  
23 but shall otherwise be subject to the provisions of chapter  
24 120. Upon the filing of a relocation application and a  
25 nonrefundable filing fee, the office ~~department~~ shall  
26 investigate to determine substantial compliance by the  
27 financial institution with applicable law governing its  
28 operations. Additional investments in land, buildings, leases,  
29 and leasehold improvements resulting from such relocation  
30 shall comply with the limitations imposed by s. 658.67(7)(a).  
31 A main office may not be moved outside this state unless

1 expressly authorized by the financial institutions codes or by  
2 federal law.

3 (c) A relocation application filed by a state bank or  
4 trust company that is operating in a safe and sound manner  
5 which is not denied within 10 working days after receipt shall  
6 be deemed approved unless the office ~~department~~ notifies the  
7 financial institution in writing that the application was not  
8 complete.

9 (d) In addition to the application required by  
10 paragraph (a), a financial institution whose main office in  
11 this state has been in operation less than 24 months must  
12 provide evidence that the criteria of s. 658.21(1) will be  
13 met.

14 (e) A branch office may be closed with 30 days' prior  
15 written notice to the office ~~department~~. The notice shall  
16 include any information the commission prescribes ~~department~~  
17 ~~may prescribe~~ by rule.

18 (4) With prior written notification to the office  
19 ~~department~~, any bank may operate facilities which are not  
20 physically connected to the main or branch office of the bank,  
21 provided that the facilities are situated on the property of  
22 the main or branch office or property contiguous thereto.  
23 Property which is separated from the main or branch office of  
24 a bank by only a street, and one or more walkways and  
25 alleyways are determined to be, for purposes of this  
26 subsection, contiguous to the property of the main or branch  
27 office.

28 Section 1768. Subsections (1), (2), (4), and (5) of  
29 section 658.27, Florida Statutes, are amended to read:

30 658.27 Control of bank or trust company; definitions  
31 and related provisions.--

1           (1) In ss. 658.27-658.29, unless the context clearly  
2 requires otherwise:

3           (a) "Bank holding company" means any business  
4 organization which has or acquires control over any bank or  
5 trust company or over any business organization that is or  
6 becomes a bank holding company by virtue of ss. 658.27-658.29.

7           (b) "Business organization" means a corporation,  
8 association, partnership, or business trust and includes any  
9 similar organization (including a trust company and including  
10 a bank, whether or not authorized to engage in trust business,  
11 but only if such bank is, or by virtue of ss. 658.27-658.29  
12 becomes, a bank holding company), whether created, organized,  
13 or existing under the laws of the United States; this state or  
14 any other state of the United States; or any other country,  
15 government, or jurisdiction. "Business organization" does not  
16 include any corporation the majority of the shares of which  
17 are owned by the United States or by this state. "Business  
18 organization" also includes any other trust, unless by its  
19 terms it must terminate within 25 years or not later than 21  
20 years and 10 months after the death of individuals living on  
21 the effective date of the trust, unless the office ~~department~~  
22 determines, after notice and opportunity for hearing, that a  
23 purpose for the creation of such trust was the evasion of the  
24 provisions of ss. 658.27-658.29.

25           (c) "Edge Act corporation" means a corporation  
26 organized and existing under the provisions of s. 25(a) of the  
27 Federal Reserve Act, 12 U.S.C. ss. 611-632.

28           (d) "Subsidiary," with respect to a specified bank,  
29 trust company, or bank holding company, means:

30           1. Any business organization 25 percent or more of the  
31 voting shares of which, excluding shares owned by the United

1 States or by any business organization wholly owned by the  
2 United States, are directly or indirectly owned or controlled  
3 by such bank, trust company, or bank holding company or are  
4 held by such bank, trust company, or bank holding company with  
5 power to vote;

6 2. Any business organization the election of a  
7 majority of the directors of which is controlled in any manner  
8 by such bank, trust company, or bank holding company; or

9 3. Any business organization with respect to the  
10 management or policies of which such bank, trust company, or  
11 bank holding company has the power, directly or indirectly, to  
12 exercise a controlling influence, as determined by the office  
13 ~~department~~ after notice and opportunity for hearing.

14 (e) "Successor," with respect to a specified bank  
15 holding company, means any business organization which  
16 acquires directly or indirectly from the bank holding company  
17 shares of any bank or trust company, when and if the  
18 relationship between such business organization and the bank  
19 holding company is such that the transaction effects no  
20 substantial change in the control of the bank or trust company  
21 or beneficial ownership of such shares of such bank or trust  
22 company. The commission ~~department~~ may, by rule, further  
23 define the term "successor" to the extent necessary to prevent  
24 evasion of the purposes of ss. 658.27-658.29. For the  
25 purposes of ss. 658.27-658.29, any successor to a bank holding  
26 company shall be deemed to have been a bank holding company  
27 from the date on which the predecessor business organization  
28 became a bank holding company.

29 (2) A business organization has control over a bank or  
30 over any other business organization if:

31

1           (a) The business organization directly or indirectly  
2 or acting through one or more other persons owns, controls, or  
3 has power to vote 25 percent or more of any class of voting  
4 securities of the bank or other business organization;

5           (b) The business organization controls in any manner  
6 the election of a majority of the directors, trustees, or  
7 other governing body of the bank or other business  
8 organization;

9           (c) The business organization owns, controls, or has  
10 power to vote 10 percent or more of any class of voting  
11 securities of the bank or other business organization and  
12 exercises a controlling influence over the management or  
13 policies of the bank or other business organization; or

14           (d) The office ~~department~~ determines, after notice and  
15 opportunity for hearing, that the business organization  
16 directly or indirectly exercises a controlling influence over  
17 the management or policies of the bank or other business  
18 organization.

19           (4) Shares of any kind or class of voting securities,  
20 and assets, of a bank or business organization which, after  
21 March 28, 1972, the effective date of former s. 659.141(2)(g),  
22 are transferred by any bank holding company, or by any bank or  
23 any business organization which, but for such transfer, would  
24 be a bank holding company, directly or indirectly to any  
25 transferee that is indebted to the transferor, or has one or  
26 more officers, directors, trustees, or beneficiaries in common  
27 with or subject to control by the transferor, shall be deemed  
28 to be indirectly owned or controlled by the transferor unless  
29 the office ~~department~~, after opportunity for hearing,  
30 determines that the transferor is not in fact capable of  
31 controlling the transferee.

1           (5) Notwithstanding any other provision of this  
2 section, no bank and no business organization shall be deemed  
3 to own or control voting shares or assets of another bank or  
4 another business organization if:

5           (a) The ownership or control of such shares or assets  
6 is in a fiduciary capacity, except as provided in paragraph  
7 (3)(b) and subsection (4). For the purposes of the preceding  
8 sentence, shares of a bank or a business organization shall  
9 not be deemed to have been acquired in a fiduciary capacity if  
10 the acquiring bank or business organization has sole  
11 discretionary authority to exercise voting rights with respect  
12 thereto, except that this limitation is applicable in the case  
13 of a bank or business organization acquiring such shares prior  
14 to March 28, 1972, the effective date of former s.

15 659.141(3)(a), only if the bank or business organization has  
16 the right, consistent with its obligations under the  
17 instrument, agreement, or other arrangement establishing the  
18 fiduciary relationship, to divest itself of such voting rights  
19 and fails to exercise that right to divest within 1 year after  
20 that date;

21           (b) The shares are acquired in connection with the  
22 underwriting of securities by a business organization, in good  
23 faith and without any intent or purpose to evade the purposes  
24 of ss. 658.27-658.29, and if such shares are held only for  
25 such period of time, not exceeding 3 months from date of  
26 acquisition, as will permit the sale thereof on a reasonable  
27 basis; however, upon application by the underwriting business  
28 organization, and after notice and opportunity for hearing, if  
29 the office ~~department~~ finds that the sale of such shares  
30 within that period of time would create an unreasonable  
31 hardship on the underwriting business organization, that there

1 is no intent or purpose to evade the purposes of ss.  
2 658.27-658.29 by the continued ownership or control of such  
3 shares by such underwriting business organization, and that an  
4 extension of such period of time would not be detrimental to  
5 the public interest, the office ~~department~~ is authorized to  
6 extend, from time to time, for not more than 1 month at a

1 approval only after it has made an investigation and  
2 determined that the proposed new owner or owners of the  
3 interest are qualified by reputation, character, experience,  
4 and financial responsibility to control and operate the bank  
5 or trust company in a legal and proper manner and that the  
6 interests of the other stockholders, if any, and the  
7 depositors and creditors of the bank or trust company and the  
8 interests of the public generally will not be jeopardized by  
9 the proposed change in ownership, controlling interest, or  
10 management. No person who has been convicted of, or pled

26 trust company; but the office ~~department~~ is not limited to  
27 those standards or criteria in determining whether any such  
28 person shall be deemed to be acting by or through one or more  
29 other persons.

30 (3) In any case in which a proposed purchase or  
31 acquisition of voting securities of a state bank or trust

1 company would give rise to the presumption created under s.  
2 658.27(2)(c), the person or group of persons who propose to  
3 purchase or acquire the voting securities shall first give  
4 written notice of the proposal to the office department. Such

6 acquisition will not result in control. The office department  
7 shall afford the person seeking to rebut the presumption an  
8 opportunity to present views in writing or orally before its  
9 designated representatives at an informal conference. If the  
10 office department determines, pursuant to the informal

20 merger transaction involving a Florida bank shall notify the  
21 office ~~department~~ of the proposed merger within 15 days after  
22 the date on which it files an application for an interstate  
23 merger transaction with the appropriate federal regulatory  
24 agency.

25           (9) EXAMINATIONS; PERIODIC REPORTS; COOPERATIVE  
26 AGREEMENTS; ASSESSMENT OF FEES.--

27           (a) The office ~~department~~ may examine any Florida  
28 branch of an out-of-state state bank which the office  
29 ~~department~~ deems necessary for the purpose of determining  
30 whether the branch is being operated in compliance with the  
31

1 laws of this state and in accordance with safe and sound  
2 banking practices.

3 (b) The office ~~department~~ may enter into cooperative,  
4 coordinating or information-sharing agreements with other bank  
5 regulatory agencies or any organization affiliated with or  
6 representing one or more bank regulatory agencies to  
7 facilitate the regulation of out-of-state state branches doing  
8 business in this state.

9 (c) The office ~~department~~ may accept reports of  
10 examinations or investigations, or other records from other  
11 regulatory agencies having concurrent jurisdiction over a  
12 state bank or a bank holding company that controls  
13 out-of-state state banks that operate branches in this state  
14 in lieu of conducting its own examinations or investigations.

15 (d) The office ~~department~~ may assess supervisory and  
16 examination fees that shall be payable by state banks and  
17 out-of-state state bank holding companies doing business in  
18 this state in connection with the office's ~~department's~~  
19 performance of its duties under this section and as prescribed  
20 by the commission ~~department~~. Such fees may be shared with  
21 other bank regulatory agencies or any organizations affiliated  
22 with or representing one or more bank regulatory agencies in  
23 accordance with agreements between them and the office  
24 ~~department~~.

25 (11) ENFORCEMENT.--

26 (a) If the office ~~department~~ determines that a branch  
27 maintained by an out-of-state state bank in this state is  
28 being operated in violation of any provision of law of this  
29 state, or that such branch is being operated in an unsafe and  
30 unsound manner, the office ~~department~~ may take all such  
31 enforcement actions as it would be empowered to take if the

1 branch were a state bank, provided that the office ~~department~~  
2 shall promptly give notice to the home state regulator of each  
3 enforcement action taken against an out-of-state state bank  
4 and, to the extent practicable, shall consult and cooperate  
5 with the home state regulator in pursuing and resolving said  
6 enforcement action.

7 (b) The office ~~department~~ may take any action jointly  
8 with other regulatory agencies having concurrent jurisdiction  
9 over out-of-state banks and bank holding companies that  
10 operate branches in this state, or take such action  
11 independently, to carry out its responsibilities.

12 (12) NOTICE OF SUBSEQUENT MERGER.--

13 (a) Each out-of-state state bank that has established  
14 and maintains a branch in this state pursuant to this section  
15 shall give at least 30 days' prior written notice to the  
16 office ~~department~~ of any merger, consolidation, or other  
17 transaction that would cause a change of control pursuant to  
18 home state or federal law with respect to such bank or any  
19 bank holding company that controls such bank.

20 (b) Notwithstanding any other provisions of the  
21 financial institutions' codes or of chapter 120, in the case  
22 of a failing financial entity, the office ~~department~~ shall  
23 have the power, with the concurrence of the appropriate  
24 regulatory agency, to issue an emergency order authorizing:

25 1. The merger or interstate merger transaction of any  
26 such failing financial entity with a state bank or bank  
27 holding company that controls a state bank;

28 2. Any bank to acquire assets and assume liabilities  
29 of the Florida branches of any such failing financial entity;

30 3. The conversion of any such failing financial entity  
31 into a state bank or trust company;

1           4. The chartering of a new state bank to acquire the  
2 Florida branches of any such failing financial entity; or

3           5. The chartering of a new state trust company to  
4 acquire assets and assume liabilities and rights, powers, and  
5 responsibilities as fiduciary of such failing financial  
6 entity.

7           (13) DE NOVO INTERSTATE BRANCHING BY STATE BANKS.--

8           (a) With the prior approval of the office ~~department~~,  
9 any state bank may establish and maintain a de novo branch or  
10 acquire a branch in a state other than this state.

11           (b) A state bank desiring to establish and maintain a  
12 branch in another state pursuant to s. 658.26 shall pay the  
13 branch application fee set forth in s. 658.73. In acting on  
14 the application, the office ~~department~~ shall consider the  
15 views of the appropriate bank regulatory agencies.

16           Section 1773. Paragraph (d) of subsection (1) and  
17 subsection (4) of section 658.296, Florida Statutes, are  
18 amended to read:

19           658.296 Control of deposit-taking institutions.--

20           (1) As used in this section, unless the context  
21 clearly requires otherwise:

22           (d) "Control" has the meaning set forth in s. 2(a)(2)  
23 and (3) of the federal Bank Holding Company Act of 1956, as  
24 amended, 12 U.S.C. s. 1841(a)(2) and (3), except that the  
25 reference therein to "the Board" shall be deemed to refer to  
26 the office ~~department~~.

27           (4) The office ~~department~~ shall have the power to  
28 enforce the prohibitions of this section by seeking to enjoin  
29 any violation, by issuing cease and desist orders, by imposing  
30 administrative fines, or by any other remedies that are  
31 provided by law.

1           Section 1774. Section 658.32, Florida Statutes, is

4 the office ~~department~~, the annual meeting of stockholders of a  
5 state bank or trust company shall be held on such day in the  
6 first 4 months of each year as is specified therefor in the  
7 articles of incorporation or in the bylaws of the corporation;  
8 however, when the day fixed in the articles of incorporation  
9 or in the bylaws for the regular annual meeting of the  
10 stockholders falls on a legal holiday, the annual meeting of  
11 stockholders shall be held on the next following day which is

13           Section 1775. Subsections (3), (4), and (5) of section  
14 658.33, Florida Statutes, are amended to read:

15           658.33 Directors, number, qualifications; officers.--

16           (3) Within 30 days following the annual meeting or any  
17 other meeting at which directors or officers are elected, the  
18 bank or trust company must submit to the office ~~department~~ the  
19 names and residence addresses of those persons on a form  
20 adopted by the commission and provided by the office  
21 ~~department~~.

22           (4) Each director, upon assuming office, must  
23 acknowledge that he or she is familiar with his or her  
24 responsibilities as a director and that he or she will  
25 diligently and honestly administer the affairs of the bank or  
26 trust company and will not knowingly violate, or willfully  
27 permit to be violated, any of the provisions of the financial  
28 institutions codes or pertinent rules of the commission

6 considering the overall experience and expertise of the  
7 proposed officer.

8           Section 1776. Subsections (3) and (4) of section

13 classes in an amount and with a par value as approved by the  
14 office ~~department~~.

15           (4) With the approval of the office ~~department~~, a bank  
16 or trust company may issue less than all the number of shares  
17 of any of its capital stock authorized by its articles of  
18 incorporation. Such authorized but unissued shares may be  
19 issued only for the following purposes:

20           (a) To provide for stock options as provided in s.  
21 658.35.

22           (b) To declare or pay a stock dividend; however, any  
23 such stock dividend must comply with the provisions of this  
24 section and s. 658.37.

25           (c) To increase the capital of the bank or trust  
26 company, with the approval of the office ~~department~~.

27           Section 1777. Subsection (1) of section 658.35,  
28 Florida Statutes, is amended to read:

3 trust company may, for the purpose of providing share options  
4 for or issuing warrants to one or more of its directors,  
5 officers, or employees, hold authorized but unissued, or  
6 purchase or otherwise acquire and hold, shares of its own  
7 capital stock in an amount not to exceed 20 percent of the  
8 total number of shares outstanding.

9 Section 1778. Section 658.36, Florida Statutes, is  
10 amended to read:

11 658.36 Changes in capital.--

12 (1) No state bank or trust company shall reduce its  
13 outstanding capital stock without first obtaining the approval  
14 of the office ~~department~~, and such approval shall be withheld  
15 if the reduction will cause the outstanding capital stock to  
16 be less than the minimum required pursuant to the financial  
17 institutions codes.

18 (2) Any state bank or trust company may, with the  
19 approval of the office ~~department~~, provide for an increase in  
20 its capital stock.

21 Section 1779. Section 658.37, Florida Statutes, is  
22 amended to read:

23 658.37 Dividends and surplus.--The directors of any  
24 bank or trust company, after charging off bad debts,  
25 depreciation, and other worthless assets if any, and making  
26 provision for reasonably anticipated future losses on loans  
27 and other assets, may quarterly, semiannually, or annually  
28 declare a dividend of so much of the aggregate of the net  
29 profits of that period combined with its retained net profits  
30 of the preceding 2 years as they shall judge expedient, and,  
31 with the approval of the office ~~department~~, any bank or trust

1 company may declare a dividend from retained net profits which  
2 accrued prior to the preceding 2 years, but each bank or trust  
3 company shall, before the declaration of a dividend on its  
4 common stock, carry 20 percent of its net profits for such  
5 preceding period as is covered by the dividend to its surplus  
6 fund, until the same shall at least equal the amount of its  
7 common and preferred stock then issued and outstanding. No  
8 bank or trust company shall declare any dividend at any time  
9 at which its net income from the current year combined with  
10 the retained net income from the preceding 2 years is a loss  
11 or which would cause the capital accounts of the bank or trust  
12 company to fall below the minimum amount required by law,  
13 regulation, order, or any written agreement with the office  
14 ~~department~~ or a state or federal regulatory agency. A bank or  
15 trust company may, however, split up or divide the issued  
16 shares of capital stock into a greater number of shares  
17 without increasing or decreasing the capital accounts of the  
18 bank or trust company, and such shall not be construed to be a  
19 dividend within the meaning of this section.

20 Section 1780. Section 658.39, Florida Statutes, is  
21 amended to read:

22 658.39 Stockholders; examination of records.--No bank,  
23 trust company, or financial institution-affiliated party shall  
24 permit any stockholder, other than a qualified director,  
25 officer, or employee thereof, to have access to, or to examine  
26 or inspect, any of the books or records of such bank or trust  
27 company other than its general statement of condition of its  
28 general assets and liabilities, the quarterly reports of  
29 condition and quarterly reports of income required to be  
30 submitted to the office ~~department~~ pursuant to s. 655.045, and  
31 a list of shareholders as provided in s. 655.057.

1           Section 1781. Subsection (4) of section 658.40,  
2 Florida Statutes, is amended to read:

3           658.40 Definitions for merger and consolidation.--As  
4 used in the provisions of this code relating to the merger and  
5 consolidation of banks and trust companies, unless the context  
6 requires otherwise:

7           (4) "Successor institution" means a banking  
8 corporation or a trust company organized under the laws of  
9 this state to which the office ~~department~~ has not issued a  
10 certificate of authorization, as provided in s. 658.25, to  
11 conduct a banking business or trust business, the sole purpose  
12 of the organization of which is to facilitate a plan of  
13 merger, reorganization, or consolidation.

14           Section 1782. Subsection (1) of section 658.41,  
15 Florida Statutes, is amended to read:

16           658.41 Merger; resulting state or national bank.--

17           (1) Upon filing of an application with the office  
18 ~~department~~ by the constituent banks or trust companies, and  
19 upon approval by the office ~~department~~, banks and state trust  
20 companies may be merged with a resulting state bank or state  
21 trust company, as prescribed in this code, except that the  
22 action by a constituent national bank shall be taken in the  
23 manner prescribed by, and shall be subject to, any limitations  
24 or requirements imposed by any law of the United States  
25 applicable thereto, which shall also govern the rights of its  
26 dissenting shareholders; and the terms and provisions of the  
27 plan of merger and merger agreement required by s. 658.42, as  
28 they relate to a constituent national bank, shall conform with  
29 such federal laws. The application shall be accompanied by a  
30 plan of merger and merger agreement as provided in s. 658.42.

31

1           Section 1783. Paragraphs (d) and (f) of subsection (1)  
2 and subsection (2) of section 658.42, Florida Statutes, are  
3 amended to read:

4           658.42 Plan of merger and merger agreement.--

5           (1) If the resulting bank or trust company will be a  
6 state bank or a state trust company, the constituent banks or  
7 trust companies shall adopt a plan of merger and merger  
8 agreement stating the method, terms, and conditions of the  
9 merger, including the rights of the stockholders of each  
10 constituent bank or trust company and all agreements  
11 concerning the merger. The board of directors of each  
12 constituent bank or trust company shall, by a majority of the  
13 entire board, approve the plan of merger and merger agreement  
14 which shall contain:

15           (d) A statement that the plan and agreement are  
16 subject to approval by the office ~~department~~ and by the  
17 stockholders of each constituent bank or trust company.

18           (f) Such additional provisions not contrary to law as  
19 may be agreed upon by the constituent banks and trust  
20 companies and such other provisions as the office ~~department~~  
21 requires to enable it to discharge its duties with respect to  
22 the merger.

23           (2) In connection with the organization of a successor  
24 institution, a showing and finding of public convenience and  
25 advantage for the organization of a new state bank or state  
26 trust company is not required; and the commission ~~department~~  
27 shall adopt special rules relating to the formation,  
28 organization, approval, and chartering of successor  
29 institutions which omit or waive such of the provisions of ss.  
30 658.16-658.26 as are not essential to safeguard the public  
31 interest and the safety and soundness of state banks and state

1 trust companies, but no certificate of authorization to  
2 conduct a banking business or trust business shall be issued  
3 to a successor institution unless a certificate of merger, as  
4 provided in s. 658.45, is issued pursuant to the plan of  
5 merger and merger agreement. However, nothing in this  
6 subsection shall be construed as waiving or otherwise  
7 impairing the public-interest requirement in s. 658.43(3)(d).

8 Section 1784. Section 658.43, Florida Statutes, is  
9 amended to read:

10 658.43 Approval by office ~~department~~; valuation of  
11 assets; emergency action.--

12 (1) After approval by the board of directors of each  
13 constituent bank or trust company, the plan of merger and  
14 merger agreement shall be submitted to the office ~~department~~  
15 for approval, together with a certified copy of the  
16 authorizing resolutions of the board of directors of each  
17 constituent state bank or state trust company showing approval  
18 by a majority of the entire board of directors of each such  
19 state bank or state trust company, and evidence of proper  
20 action by the board of directors of any constituent national  
21 bank.

22 (2) Without approval by the office ~~department~~, no  
23 asset shall be carried on the books of the resulting state  
24 bank or state trust company at a valuation higher than that on  
25 the books of the constituent bank or trust company at the time  
26 of the last examination by a state or national bank or trust  
27 company examiner before the effective date of the merger.

28 (3) The office ~~department~~ shall approve the plan of  
29 merger and merger agreement if it appears that:

30 (a) The resulting state bank or state trust company  
31 meets all the requirements of state law as to the formation of

1 a new state bank or state trust company, except that this  
2 provision shall not apply to the establishment of branches by  
3 merger as provided in s. 658.26.

4 (b) The agreement provides an adequate capital  
5 structure, including surplus, of the resulting state bank or  
6 state trust company in relation to its activities which are to  
7 continue or are to be undertaken, and also in relation to its  
8 deposit liabilities in the case of a resulting state bank.

9 (c) The valuation is fair.

10 (d) The merger is not contrary to the public interest.

11  
12 If the office ~~department~~ disapproves a plan of merger or  
13 merger agreement, it shall state its objections and, the  
14 provisions of chapter 120 notwithstanding, give an opportunity  
15 to the constituent banks, trust companies, or banks and trust  
16 companies to amend the plan of merger and merger agreement to  
17 obviate such objections.

18 (4) If the resulting state bank is not to have trust  
19 powers, the office ~~department~~ shall not approve a merger until  
20 adequate provision has been made for successors to fiduciary  
21 positions held by any constituent trust company or any  
22 constituent bank.

23 (5) Approval by the office ~~department~~, by final order  
24 or otherwise, of a plan of merger or merger agreement shall be  
25 deemed subject to approval of the plan of merger and merger  
26 agreement by the stockholders of each constituent bank or  
27 trust company as provided in s. 658.44(1) and shall also be  
28 deemed subject to approval of the merger and the plan of  
29 merger and merger agreement by each appropriate federal  
30 regulatory agency. Unless all such approvals have been  
31 obtained and proper evidence thereof submitted to the office

1 ~~department~~ within 6 months after the approval by the office  
2 ~~department~~, the approval by the office ~~department~~ of the plan  
3 of merger and merger agreement shall be deemed to be revoked  
4 and terminated; however, the office ~~department~~ on its own  
5 motion, or at the request of the constituent banks or trust  
6 companies for good cause shown, may extend the time for a  
7 period not exceeding 6 months.

8 (6) No merger with a resulting state bank or trust  
9 company shall take place or be effective without the issuance  
10 by the office ~~department~~ of a certificate of merger.

11 (7) Notwithstanding any other provisions of the  
12 financial institutions codes or of chapter 120, if the office  
13 ~~department~~ or the appropriate federal regulatory agency finds  
14 that immediate action is necessary in order to prevent the  
15 probable failure of one or more banks, associations, or trust  
16 companies, which in this subsection may be referred to as a  
17 "failing financial entity," the office ~~department~~ shall have  
18 the power, with the concurrence of the appropriate federal  
19 regulatory agency in the case of any bank or association the  
20 deposits of which are insured by the Federal Deposit Insurance  
21 Corporation, to issue an emergency order authorizing:

22 (a) The merger of any such failing financial entity  
23 with a state bank;

24 (b) The merger of any such failing financial entity  
25 with a state trust company;

26 (c) Any state bank to acquire assets and assume  
27 liabilities of any such failing financial entity, including  
28 all rights, powers, and responsibilities as fiduciary in  
29 instances where the failing financial institution is actively  
30 engaged in the exercise of trust powers;

31

1           (d) Any state trust company to acquire assets and  
2 assume liabilities of any such failing trust company and  
3 rights, powers, and responsibilities as fiduciary of such  
4 failing trust company;

5           (e) The conversion of any such failing financial  
6 entity into a state bank or trust company;

7           (f) The chartering of a new state bank or state  
8 association to acquire assets and assume liabilities of any  
9 such failing financial entity and to assume rights, powers,  
10 and responsibilities as fiduciary in cases where such failing  
11 financial entity is engaged in the exercise of trust powers;  
12 or

13           (g) The chartering of a new state trust company to  
14 acquire assets and assume liabilities and rights, powers, and  
15 responsibilities as fiduciary of such failing trust company.  
16

17 Any such finding by the office ~~department~~ shall be based upon  
18 reports furnished to it by a state bank, association, or trust  
19 company examiner or by a federal bank or association examiner  
20 or upon other evidence from which it is reasonable to conclude  
21 that any such bank, association, or trust company is insolvent  
22 or is threatened with imminent insolvency. The office  
23 ~~department~~ may disallow illegally obtained currency, monetary  
24 instruments, funds, or other financial resources from the  
25 capitalization requirements of this section. The stockholders  
26 of a failing bank, association, or trust company that is  
27 acquired by another bank or trust company pursuant to this  
28 subsection shall be entitled to the same procedural rights and  
29 to compensation for the remaining value of their shares as is  
30 provided for dissenters in s. 658.44, except that they shall  
31 have no right to vote against the transaction. Any transaction

1 authorized by this subsection may be accomplished through the  
2 organization of a successor institution.

3 Section 1785. Subsections (1), (5), and (9) of section  
4 658.44, Florida Statutes, are amended to read:

5 658.44 Approval by stockholders; rights of dissenters;  
6 preemptive rights.--

7 (1) The office ~~department~~ shall not issue a  
8 certificate of merger to a resulting state bank or trust  
9 company unless the plan of merger and merger agreement, as  
10 adopted by a majority of the entire board of directors of each  
11 constituent bank or trust company, and as approved by each  
12 appropriate federal regulatory agency and by the office  
13 ~~department~~, has been approved:

14 (a) By the stockholders of each constituent national  
15 bank as provided by, and in accordance with the procedures  
16 required by, the laws of the United States applicable thereto,  
17 and

18 (b) After notice as hereinafter provided, by the  
19 affirmative vote or written consent of the holders of at least  
20 a majority of the shares entitled to vote thereon of each  
21 constituent state bank or state trust company, unless any  
22 class of shares of any constituent state bank or state trust  
23 company is entitled to vote thereon as a class, in which event  
24 as to such constituent state bank or state trust company the  
25 plan of merger and merger agreement shall be approved by the  
26 stockholders upon receiving the affirmative vote or written  
27 consent of the holders of a majority of the shares of each  
28 class of shares entitled to vote thereon as a class and of the  
29 total shares entitled to vote thereon. Such vote of  
30 stockholders of a constituent state bank or state trust  
31 company shall be at an annual or special meeting of

1 stockholders or by written consent of the stockholders without  
2 a meeting as provided in s. 607.0704.

3

4 Approval by the stockholders of a constituent bank or trust  
5 company of a plan of merger and merger agreement shall  
6 constitute the adoption by the stockholders of the articles of  
7 incorporation of the resulting state bank or state trust  
8 company as set forth in the plan of merger and merger  
9 agreement.

10 (5) The value of dissenting shares of each constituent  
11 state bank or state trust company, the owners of which have  
12 not accepted an offer for such shares made pursuant to  
13 subsection (3), shall be determined as of the effective date  
14 of the merger by three appraisers, one to be selected by the  
15 owners of at least two-thirds of such dissenting shares, one  
16 to be selected by the board of directors of the resulting  
17 state bank, and the third to be selected by the two so chosen.  
18 The value agreed upon by any two of the appraisers shall  
19 control and be final and binding on all parties. If, within  
20 90 days from the effective date of the merger, for any reason  
21 one or more of the appraisers is not selected as herein  
22 provided, or the appraisers fail to determine the value of  
23 such dissenting shares, the office ~~department~~ shall cause an  
24 appraisal of such dissenting shares to be made which will be  
25 final and binding on all parties. The expenses of appraisal  
26 shall be paid by the resulting state bank or trust company.

27 (9) After approval of the plan of merger and merger  
28 agreement by the stockholders as provided in subsection (1),  
29 there shall be filed with the office ~~department~~, within 30  
30 days after the time limit in s. 658.43(5), a fully executed  
31 counterpart of the plan of merger and merger agreement as so

1 approved if it differs in any respect from any fully executed  
2 counterpart thereof theretofore filed with the office  
3 ~~department~~, and copies of the resolutions approving the same  
4 by the stockholders of each constituent bank or trust company,  
5 certified by the president, or chief executive officer if  
6 other than the president, and the cashier or corporate  
7 secretary of each constituent bank or trust company,  
8 respectively, with the corporate seal impressed thereon.

9 Section 1786. Subsections (1) and (4) of section  
10 658.45, Florida Statutes, are amended to read:

11 658.45 Certificate of merger and effective date;  
12 effect on charters and powers.--

13 (1) Promptly upon compliance with the provisions of s.  
14 658.44(9), the office ~~department~~ shall issue to the resulting  
15 bank a certificate of merger setting forth the name of each  
16 constituent bank and trust company, the name of the resulting  
17 bank or trust company, and the effective date of the merger  
18 which, unless the office ~~department~~ for good cause determines  
19 otherwise, shall be the date requested by the resulting bank  
20 if such request was made at the time of compliance with the  
21 requirements of s. 658.44(9), but not later than 3 months  
22 after the date of such compliance. On the effective date of  
23 the merger, the charters and franchises of the constituent  
24 banks and trust companies, other than the resulting bank or  
25 trust company, shall be deemed terminated and surrendered. The  
26 certificate of merger shall be conclusive evidence of the  
27 merger and of the correctness of all proceedings therefor in  
28 all courts and places and may be recorded in any office for  
29 the recording of deeds.

30 (4)(a) If the resulting state bank is to have trust  
31 powers and if one or more of the parties to the merger is a

1 state trust company or a bank having an existing trust  
2 department operating pursuant to trust powers theretofore  
3 granted by the office ~~department~~, in the case of a constituent  
4 state bank, or by the appropriate federal regulatory  
5 authority, in the case of a constituent national bank, such  
6 trust powers shall pass to the resulting state bank; and it  
7 shall have and may exercise trust powers in the same manner  
8 and to the same extent as the constituent banks or trust  
9 companies to which such trust powers were originally issued,  
10 and no application to have or to continue to have or exercise  
11 trust powers shall be required. However, if the name of the  
12 resulting state bank differs from that of a constituent state  
13 trust company or a constituent bank having trust powers, the  
14 office ~~department~~ shall issue a certificate to the resulting  
15 state bank showing its right to exercise the trust powers  
16 theretofore granted to the constituent banks or trust  
17 companies. All fiduciary relationships and capacities of all  
18 the constituent banks and trust companies shall, by operation  
19 of law, pass to and be assumed by the resulting bank having  
20 trust powers, in the same manner and to the same extent as  
21 such fiduciary capacities and relationships were held by any  
22 constituent bank or trust company.

23 (b) Upon the merger of two or more state trust  
24 companies, the resulting state trust company shall continue to  
25 have and exercise the trust powers of the constituent trust  
26 companies, and no application to have or to continue to  
27 exercise trust powers shall be required. However, if the name  
28 of the resulting state trust company differs from that of any  
29 of the constituent trust companies, the office ~~department~~  
30 shall issue a certificate to the resulting state trust company  
31 showing its right to exercise the trust powers theretofore

1 granted to the constituent trust companies. All fiduciary  
2 relationships and capacities of the constituent state trust  
3 companies shall pass to and be assumed by the resulting state  
4 trust company by operation of law.

5 Section 1787. Paragraph (b) of subsection (1),  
6 paragraph (e) of subsection (5), and subsection (9) of section  
7 658.48, Florida Statutes, are amended to read:

8 658.48 Loans.--A state bank may make loans and  
9 extensions of credit, with or without security, subject to the  
10 following limitations and provisions:

11 (1) LOANS; GENERAL LIMITATIONS.--

12 (b) The commission ~~department~~ may provide by rule for  
13 securities margin requirements.

14 (5) SPECIAL PROVISIONS.--

15 (e) Loans based upon the security of real estate  
16 mortgages shall be documented as first liens, except that  
17 liens other than first liens may be taken:

18 1. To protect a loan previously made in good faith;

19 2. To further secure a loan otherwise amply and  
20 entirely secured;

21 3. As additional security for Federal Housing  
22 Administration Title 1 loans or loans made with participation  
23 or guaranty by the Small Business Administration;

24 4. To secure a loan not in excess of 15 percent of the  
25 capital accounts of the bank; or

26 5. As provided by rules of the commission ~~department~~.

27 (9) When a bank's capital has been diminished by  
28 losses so that its ability to honor legally binding written  
29 loan commitments is impaired, the office ~~department~~ may  
30 approve limited expansion of the lending limitations set forth  
31 in this section.

1           Section 1788. Subsection (2) and paragraph (i) of  
2 subsection (3) of section 658.53, Florida Statutes, are  
3 amended to read:

4           658.53 Borrowing; limits of indebtedness.--

5           (2) A state bank may at any time, pursuant to action  
6 taken by its board of directors, and after obtaining the  
7 written approval of the office ~~department~~ and the approval of  
8 stockholders holding not less than two-thirds of the  
9 outstanding stock of the bank entitled to vote, evidenced  
10 either in a writing signed by the stockholders or by vote at a  
11 legally called and held meeting of the stockholders, issue and  
12 sell convertible and nonconvertible capital notes and  
13 convertible and nonconvertible capital debentures having a  
14 final maturity of not more than 25 years from the date of  
15 issue, in such amounts and under such terms and conditions as  
16 shall be approved by the office ~~department~~. If deemed  
17 necessary by the office ~~department~~, reasonable provisions for  
18 the amortization of the principal amount thereof may be  
19 required. The principal amount of the capital notes and  
20 capital debentures is subject to the limitations imposed by  
21 this chapter on indebtedness of state banks and trust  
22 companies. Capital notes and capital debentures issued  
23 pursuant to the provisions of this subsection, and the claims  
24 of holders thereof, shall be subordinate to the claims of  
25 depositors and all other creditors of the issuing state bank,  
26 regardless of whether the claims of, or the liability of the  
27 issuing bank to, the depositors arose before or after the  
28 issuance of such capital notes or debentures, but shall be  
29 superior to the claims of shareholders for dividends, reserve  
30 profits, or other claims on account of shares of capital stock  
31 held by them. The holders of the capital notes and the

1 holders of the capital debentures shall not be held  
2 individually responsible as such holders for any debts,  
3 contracts, or engagements of the issuing state bank and shall  
4 not be liable for assessments.

5 (3) No state bank or trust company shall at any time  
6 be indebted, or in any way liable, to an amount exceeding the  
7 amount of its unimpaired capital stock plus 50 percent of the  
8 amount of its unimpaired surplus fund and unimpaired undivided  
9 profits fund, except on account of demands of the nature  
10 following:

11 (i) Liabilities incurred for moneys borrowed from a  
12 bank when such borrowing is made with the express written  
13 approval of the office ~~department~~.

14 Section 1789. Subsections (6), (7), and (8), paragraph  
15 (c) of subsection (9), paragraph (a) of subsection (10), and  
16 subsection (11) of section 658.67, Florida Statutes, are  
17 amended to read:

18 658.67 Investment powers and limitations.--A bank may  
19 invest its funds, and a trust company may invest its corporate  
20 funds, subject to the following definitions, restrictions, and  
21 limitations:

22 (6) INVESTMENTS IN CORPORATIONS.--Up to an aggregate  
23 of 10 percent of the total assets of a bank may be invested in  
24 the stock, obligations, or other securities of subsidiary  
25 corporations or other corporations or entities, except that  
26 during the first 3 years of existence of a bank, such  
27 investments are limited to 5 percent of the total assets. Any  
28 bank whose aggregate investment on June 30, 1992, exceeds the  
29 limitation in this subsection has 5 years within which to  
30 achieve compliance; additional time may be approved by the  
31 office ~~department~~ if the office ~~department~~ finds that

1 compliance with this subsection will result in more than a  
2 minimal loss to the bank. The commission ~~department~~ may, by  
3 rule, further limit any type of investment made pursuant to  
4 this subsection if it finds that such investment would  
5 constitute an unsafe or unsound practice.

6 (7) INVESTMENTS IN REAL ESTATE AND EQUIPMENT.--A bank  
7 or trust company may invest in real estate and equipment to  
8 the extent hereinafter defined:

9 (a)1. Up to 60 percent of the capital accounts of the  
10 bank or trust company may be invested in the direct ownership  
11 of, or in leasehold interests in, land and buildings utilized  
12 or to be utilized by the bank or trust company in the  
13 transaction of its business. This limitation applies to  
14 assets subject to a lease agreement which is required to be  
15 capitalized under criteria issued by the Financial Accounting  
16 Standards Board. In lieu of such investment in real estate,  
17 with the prior written approval of the office ~~department~~, up  
18 to 60 percent of the capital accounts of the bank or trust  
19 company may be invested in the stock of a corporation which  
20 owns the land and buildings within which the business of the  
21 bank or trust company is or will be transacted.

22 2. The real estate investment limitations provided by  
23 this subsection may not be exceeded except with the prior  
24 written approval of the office ~~department~~.

25 (b) A bank or trust company may own or lease  
26 furniture, fixtures, machinery, and equipment such as may be  
27 necessary to the transaction of its business.

28 (8) INVESTMENTS IN PERSONAL PROPERTY.--A bank or trust  
29 company may own or lease personal property acquired upon the  
30 specific request and for the use of a customer and may incur  
31 such additional obligations as may be incident to becoming an

1 owner and lessor of such property. In addition, a bank or  
2 trust company may purchase leases as provided by rules of the  
3 commission ~~department~~.

4 (9) ACQUISITIONS OF PROPERTY AS SECURITY.--A bank or  
5 trust company may acquire property of any kind to secure,  
6 protect, or satisfy a loan or investment previously made in  
7 good faith, and such property shall be entered on the books of  
8 the bank or trust company and held and disposed of subject to  
9 the following conditions and limitations:

10 (c) Unless an extension of time is approved in writing  
11 by the office ~~department~~, real estate shall be sold or charged  
12 off within 5 years of the date of acquisition, and personal  
13 property shall be sold or charged off within 6 months of the  
14 date of acquisition.

15 (10) SPECIAL PROVISIONS.--

16 (a) None of the bonds or other obligations described  
17 in this section shall be eligible for investment in any amount  
18 unless current as to all payments of principal and interest  
19 and unless rated in one of the four highest classifications,  
20 or, in the case of commercial paper, unless it is of prime  
21 quality and of the highest letter and numerical rating, as  
22 established by a nationally recognized rating service or any  
23 comparable rating as determined by the office ~~department~~.  
24 Bonds or other obligations which are unrated shall not be  
25 eligible for investment unless otherwise supported as to  
26 investment quality and marketability by a credit rating file  
27 compiled and maintained in current status by the purchasing  
28 bank or trust company.

29 (11) OTHER INVESTMENTS; SUBJECT TO ~~DEPARTMENTAL~~  
30 APPROVAL.--A bank or trust company may make such other  
31 investments as the commission ~~department~~ approves by rule.

5 position equal to at least 15 percent of its total transaction  
6 accounts and 8 percent of its total nontransaction accounts,  
7 less those deposits of public funds for which security has  
8 been pledged as provided by law. Bank assets eligible to meet  
9 the liquidity requirement are cash on hand, demand deposits  
10 due from correspondent banks, and other investments and  
11 short-term marketable securities as determined by rule of the  
12 commission ~~department~~.

13           (2) Whenever a state bank fails to demonstrate  
14 compliance with subsection (1), the bank shall not further  
15 diminish its liquidity by making any new loans or discounts  
16 otherwise than by discounting or purchasing bills of exchange  
17 payable at sight, nor by paying any dividends of its profits  
18 until compliance with the liquidity requirement of either has  
19 been met. The office ~~department~~ may notify any bank whose  
20 liquidity is below the amount required to be maintained to  
21 make good such liquidity, and if the bank fails within 30 days  
22 thereafter to achieve its liquidity requirement, the office  
23 ~~department~~ may determine the bank insolvent and may appoint a  
24 liquidator to wind up the business as provided in ss.

25 658.79-658.96.

5 shown on the statement of condition of the bank or trust  
6 company as of the last business day in June and the last  
7 business day in December in each year. In its determination,  
8 the commission ~~department~~ may consider examination fees and  
9 application fees received from banks and trust companies in  
10 setting the semiannual assessment for purposes of meeting the  
11 cost of regulation of banks and trust companies subject to  
12 this chapter.

13 (2) Applications filed with the office ~~department~~  
14 shall be accompanied by payment of the following nonrefundable  
15 fees:

18 (b) Two thousand five hundred dollars for each  
19 application by an existing bank or association for trust  
20 powers.

21 (c) Seven thousand five hundred dollars for each  
22 application for authority to acquire a controlling interest in  
23 a state bank or state trust company; however, if more than one

28 (d) Seven thousand five hundred dollars for each  
29 application for conversion of a national bank to a state bank.

30 (e) One thousand five hundred dollars for each  
31 application to establish a branch by any other state bank or

1 state trust company that does not qualify for the branch  
2 notification process.

3 (f) One thousand five hundred dollars for each  
4 application for authority to establish a trust service office  
5 of a state trust company or of a trust department of a state  
6 bank or association, and a like amount for each application by  
7 a bank or association with trust powers which is not a state  
8 bank or state association for authority to establish a trust  
9 service office at a state bank, state association, or state  
10 credit union.

15 institution. However, in no event shall the fee exceed  
16 \$15,000.

31

1           (4) Each state bank and state trust company shall pay  
2 to the office ~~department~~ \$25 for each "certificate of good  
3 standing" certifying that a state-chartered financial  
4 institution is licensed to conduct business in this state  
5 under the financial institutions codes. All such requests  
6 shall be in writing. The office ~~department~~ shall waive this  
7 fee when the request is by a state or federal regulatory  
8 agency or law enforcement agency.

9           (5) The amounts of all fees and assessments provided  
10 for in this section shall be deemed to be maximum amounts; and  
11 the commission ~~department~~ has the authority to establish, by  
12 rule, and from time to time to change, fees and assessments in  
13 amounts less than the maximum amounts stated in this section.

13 (3) The trust company or trust department shall have  
14 the power to conduct any trust business at a trust service

8 succeed to all the powers, rights, duties, and privileges of  
9 the bank or association as fiduciary of all such estates,  
10 trusts, guardianships, and other fiduciary relationships in  
11 which the bank or association is serving to which the trust  
12 company or trust department shall have been lawfully  
13 substituted.

14           2. During the time the trust company or trust

16 the bank or association, the trust company or trust department  
17 shall be deemed to be named the fiduciary in all instruments  
18 in which the bank or association is named the fiduciary, even  
19 if the bank or association is not serving as fiduciary at the  
20 time the trust service office is established, in the manner,

6 bank or association as fiduciary shall occur and be effective  
7 on the day the trust company or trust department opens the  
8 trust service office for business, or on such later date as  
9 may be specified by court order, or by any written consent or  
10 agreement, which lawfully effectuates the designation, by  
11 substitution or otherwise, of the trust company or trust  
12 department as the fiduciary with respect to any particular  
13 fiduciary account.

14 (c)1. Anything in this section or any other law to the

17 bank's trust department, if authorized to exercise trust  
18 powers in this state, shall be deemed substituted as fiduciary  
19 without further authorization where the successor has an

24 permitted to conduct in this state, but it may not accept  
25 deposits at the offices of the predecessor bank except as  
26 incidental to the trust business.

27 2. To effect the substitution referred to in  
28 subparagraph 1., a predecessor shall enter into an agreement  
29 with the successor that sets forth the fiduciary powers,  
30 rights, privileges, duties, and liabilities of the parties  
31 and, more specifically, those to which the successor will

1 succeed, including, but not limited to, those described in  
2 subparagraph 7. The agreement will be approved by the boards  
3 of directors of the predecessor, successor, and parent  
4 corporations. The agreement shall then be filed with the  
5 office ~~department~~. The effective date of the agreement shall  
6 be the date on which the office ~~department~~ approves the  
7 agreement under subparagraph 6. unless another, later date is  
8 specified in the agreement, which other date shall be no later  
9 than 75 days after the date on which the agreement is filed  
10 with the office ~~department~~ under this subparagraph; however,  
11 no such agreement may take effect without approval by the  
12 office ~~department~~.

13 3.a. Not sooner than 30 days before or later than 30  
14 days after the date on which the agreement is filed with the  
15 office ~~department~~ under subparagraph 2., the predecessor and  
16 successor shall cause notice of the filing of such agreement  
17 with the office ~~department~~, along with the procedure for  
18 objection thereto as hereinafter provided, to be published in  
19 a newspaper of general circulation in the county in which the  
20 predecessor's principal place of business is located and file  
21 a copy of such written notice in any applicable

2 predecessor serves as guardian of the property for their ward;

3           (VI) Each beneficiary or the beneficiary's legal or  
4 natural guardian, when applicable, currently receiving or  
5 entitled as a matter of right to receive a current mandatory  
6 or discretionary distribution, as opposed to a remainder  
7 distribution, of principal or income from a trust, estate, or  
8 other fund with respect to which a substitution of fiduciary  
9 under this subsection is to be effected. However, when  
10 applicable and in lieu thereof, such service will be made upon  
11 the sole holder or a majority of the coholders of a general or  
12 limited power of appointment, including one in the form of a  
13 power of amendment, or revocation, in which case they shall be  
14 deemed to act for any beneficiary who may take by virtue of  
15 the exercise or failure to exercise the power;

16           (VII) Upon any other person or entity required by the  
17 court in any referenced court-administered fiduciary  
18 proceeding; and

19           (VIII) In the case of a trust described in the  
20 Internal Revenue Code of 1986 s. 401(a) as it may from time to  
21 time hereafter be amended, upon the employer or employee  
22 organization or both responsible for the maintenance of such  
23 trust.

24           b. Service of such written notice will not be required  
25 upon the persons or entities listed in sub-subparagraph a.  
26 when the documents or other writings that created the  
27 fiduciary relationship permit a substitution of fiduciaries.

28           c. Service of written notice shall be made upon the  
29 persons or entities listed in sub-subparagraph a. in the  
30 manner provided for the service of formal notice under the

1 mail shall be completed upon receipt or refusal of the notice  
2 by the persons or entities listed in sub-subparagraph a. If  
3 such written notice is made by mail or delivery, proof of  
4 mailing or delivery shall be by verified statement of the  
5 person mailing or delivering the written notice, and there  
6 shall be attached to the verified statement the signed  
7 receipt, appropriate affidavit of delivery by the person  
8 effecting such delivery, or other evidence satisfactory to the  
9 office ~~department~~ or to a court of competent jurisdiction that  
10 notice was given properly to or refused by the addressee or  
11 agent of the addressee. The original of such proof shall be  
12 filed with the office ~~department~~ with copies to the file or  
13 the account maintained by the predecessor or successor and to  
14 the court in any court-administered fiduciary administration.

15         4. Within 60 days after the date on which newspaper  
16 notice is published under subparagraph 3., after any date of a  
17 signed or refused receipt pertaining to the written notice by  
18 mail under subparagraph 3., after any date of delivery as set  
19 forth in the affidavit referenced in subparagraph 3., or after  
20 the date on which service is otherwise accomplished, the  
21 latest date being operative, but not thereafter, the persons  
22 or entities listed in subparagraph 3. or the court in a  
23 court-administered fiduciary proceeding on its own motion may  
24 object to such substitution of fiduciaries by serving written  
25 notice, executed by the persons, entities, or court, upon the  
26 predecessor, successor, and office ~~department~~. Such notice  
27 shall be served in the same manner as provided for service of  
28 the original notice upon interested persons or entities in  
29 subparagraph 3. Execution of such notice shall be in the same  
30 manner as is required for the execution and recordation of  
31 deeds to real property in this state except that notice by a

1 court may be signed by the judge. If such notice of objection  
2 is executed by all of the cofiduciaries that serve with the  
3 predecessor, by each surviving grantor of a revocable trust,  
4 by all of the persons that have the power to remove the  
5 predecessor as fiduciary, by all of the principals for whom  
6 the predecessor serves as agent or custodian, by the guardian  
7 of the person for whom the predecessor serves as guardian of  
8 the property for their ward, by all of the beneficiaries  
9 currently receiving or entitled as a matter of right to  
10 receive a current mandatory or discretionary distribution, as  
11 opposed to a remainder distribution, of principal or income,  
12 or by the sole holder or a majority of the coholders of a  
13 general or limited power of appointment including one in the  
14 form of a power of amendment or revocation, the successor will  
15 not be substituted for the predecessor and the predecessor  
16 will remain or be reinstated as fiduciary but only as to the  
17 fiduciary relationship that is the subject of such objection.  
18 Reinstatement shall take effect immediately upon receipt of  
19 such notice by the predecessor, successor, and office  
20 ~~department~~. If the notice of objection is executed by less  
21 than all of the persons or entities of any category specified  
22 in this subparagraph, or if entered by the court of a  
23 court-administered fiduciary proceeding on its own motion,  
24 then, with regard to the fiduciary relationship that is the  
25 subject of such notice of objection, the predecessor and  
26 successor may elect to do either of the following:  
27 a. File a subsequent agreement with the office  
28 ~~department~~, with copies of such agreement to be mailed to all  
29 of the specified persons or entities, which states that the  
30 successor will not be substituted for the predecessor as to  
31 that fiduciary relationship, and such agreement shall cause

1 the predecessor to remain or be reinstated, instanter, as  
2 fiduciary in that fiduciary relationship. The filing of such  
3 subsequent agreement with the office ~~department~~ does not  
4 prejudice the predecessor or the successor from filing another  
5 agreement that affects such fiduciary relationship under  
6 subparagraph 2.; or

7         b. File a petition with the court having jurisdiction  
8 of any court-administered fiduciary proceeding or commence a  
9 civil action in a court of competent jurisdiction as to any  
10 other applicable fiduciary relationship. The court shall then  
11 determine whether such substitution is appropriate and whether  
12 it is in the best interest of those specifically interested in  
13 the premises. The court shall then enter judgment accordingly  
14 and specify the party to serve thereafter as the fiduciary.  
15 The predecessor, the successor, the office ~~department~~, and  
16 those for whom the fiduciary relationship is the subject of  
17 the civil action and upon whom service of written notice was  
18 required under subparagraph 3. shall be necessary parties in  
19 any civil action that concerns an objection to the  
20 substitution. Any such petition or separate civil action must  
21 be filed within 60 days after service of the notice of  
22 objection. Failure to do so will be deemed to be an agreement  
23 pursuant to sub-subparagraph a., and the alternative provided  
24 in sub-subparagraph a. will be deemed to have been selected  
25 automatically.

26         5. At any time while a civil action is pending  
27 pursuant to sub-subparagraph 4.b., the predecessor and  
28 successor may file a subsequent agreement with the office  
29 ~~department~~ in the same manner set forth under alternative  
30 sub-subparagraph 4.a. and file a copy of the same along with a  
31 withdrawal of the petition or a voluntary dismissal with the

1 court in which the petition was filed or the civil action is  
2 pending. Such filing will have the same force and effect as  
3 set forth under sub-subparagraph 4.a.; however, it shall be  
4 without prejudice to the right of the predecessor or successor  
5 to file another agreement that affects such fiduciary  
6 relationship under subparagraph 2.

7           6. Within 30 days after the date on which a fiduciary  
8 agreement is filed with the office ~~department~~ under  
9 subparagraph 2., the office ~~department~~ shall approve the  
10 agreement if it finds both that the successor is:

11           a. Legally authorized to exercise trust powers in this  
12 state; and

13           b. Has otherwise met the requirements for the  
14 establishment of a trust service office at the predecessor's  
15 principal place of business or branch.

16           7. Upon the effective date of an agreement filed under  
17 subparagraph 2. and regardless of any petition filed or any  
18 civil action pending pursuant to subparagraph 4., the  
19 successor will be deemed substituted for the predecessor as  
20 fiduciary without further authorization of any kind such that  
21 the successor shall succeed to and be substituted for the  
22 predecessor as to all fiduciary powers, rights, privileges,  
23 duties, and liabilities of the predecessor in its capacity as  
24 fiduciary for all estate, trust, guardianship, agency, and  
25 custodial accounts and any other fiduciary relationship for  
26 which the predecessor is then, or but for such agreement would  
27 be, serving as fiduciary, except as may be otherwise specified  
28 in such agreement and in any subsequent agreement filed with  
29 the office ~~department~~ under subparagraph 4. or subparagraph 5.  
30 The successor shall also be deemed the fiduciary in all  
31 writings, including, but not limited to, wills, trusts, deeds,

1 policies of insurance, stock certificates, court orders, and  
2 similar documents and instruments which name or have named the  
3 predecessor as fiduciary and which were signed before or after  
4 the effective date of such agreement except as may be  
5 otherwise specified in such agreement and any subsequent  
6 agreement filed with the office ~~department~~ under subparagraph  
7 4. or subparagraph 5. This section does not absolve or  
8 discharge any predecessor exercising trust powers from  
9 liability arising out of any breach of its fiduciary duties or  
10 obligations which occurred before the effective date of such  
11 agreement.

12 8. As used herein:

13 a. Trust companies, banks, or associations are  
14 "affiliated" if they are connected through stock ownership  
15 with a common parent corporation that is a registered  
16 multibank or multiassociation holding company and such parent  
17 owns directly stock that possesses at least 80 percent of the  
18 total voting power of the stock of such trust company, bank,  
19 or association and has a value equal to at least 80 percent of  
20 the total value of the stock of such trust company, bank, or  
21 association.

22 b. The term "predecessor" refers to an affiliated  
23 trust company or affiliated bank's or affiliated association's  
24 trust department for the position of which in its trust  
25 relations the successor is substituted.

26 c. The term "successor" refers to an affiliated trust  
27 company or affiliated bank's or affiliated association's trust  
28 department which is substituted for a predecessor in the  
29 predecessor's trust relationships including all powers,  
30 duties, and responsibilities associated therewith.

31

1           (d) When a trust service office is established at a  
2 bank or association that has retained its trust powers in an  
3 active status, the trust company or trust department may at  
4 any time be substituted as fiduciary as provided in paragraph  
5 (b) by filing an election with the office ~~department~~. The  
6 election to substitute the trust company or trust department  
7 for the bank or association as fiduciary must contain the  
8 consent of a majority of the stockholders or members entitled  
9 to vote on such proposal at a meeting of stockholders or  
10 members and of a majority of the board of directors, of the  
11 bank or association at which the trust service office has been  
12 established.

13           (e) This subsection shall not affect any substitution  
14 of fiduciaries made under former s. 659.061(6) prior to May  
15 31, 1976.

16           (5) Nothing in the financial institutions codes shall  
17 be construed to prohibit a person from serving in a dual  
18 capacity as an officer or director of a bank, association, or  
19 credit union at which a trust service office is located and an  
20 officer or director of the trust company or trust department  
21 which has a trust service office at that bank, association, or  
22 credit union.

23           (6) A trust company or trust department may terminate  
24 a trust service office only with the prior approval of the  
25 office ~~department~~, which shall only grant its approval after  
26 being satisfied that the interests of all beneficiaries of the  
27 estates, trusts, and other fiduciary relationships being  
28 serviced by the trust company or trust department as fiduciary  
29 at that trust service office will be adequately protected.  
30 Upon termination of the trust service office, the trust  
31 company or trust department shall continue to exercise its

1 fiduciary powers, rights, duties, and privileges as fiduciary  
2 of the estates, trusts, and other fiduciary relationships  
3 which, at the time of such termination, were being serviced at  
4 that trust service office and shall continue to be deemed the  
5 named fiduciary of all instruments naming the bank or  
6 association as fiduciary which became effective and operative  
7 prior to the termination of the trust service office. However,  
8 any beneficiary of an estate or trust being serviced at the  
9 trust service office at the time of the termination of the  
10 trust service office may petition the court of competent  
11 jurisdiction in the county where, at the time of such  
12 termination, the trust service office was located for removal  
13 of the trust company or the trust department as fiduciary and  
14 for appointment of a successor fiduciary. The court shall  
15 grant the petition upon being satisfied that such action is in  
16 the best interests of the beneficiaries of the trust or  
17 estate.

18 (7) A trust service office as provided for in this  
19 section is a special service facility and is not a branch or a  
20 branch office of a trust company or a trust department.

21 Section 1808. Subsection (2) of section 660.40,  
22 Florida Statutes, is amended to read:

23 660.40 Self dealing.--

24 (2) Assets of a fiduciary account held by a trust  
25 company or a trust department shall not be sold or  
26 transferred, by loan or otherwise, to the trust company or the  
27 bank or association of which the trust department is a part or  
28 to its directors, officers, or employees except:

29 (a) When lawfully authorized by the governing  
30 instrument or by court order;

31 (b) As provided in ss. 660.42-660.45;

1           (c) With the approval of, or when required by, the  
2 office ~~department~~ in order to prevent loss to a fiduciary  
3 account in any case where the trust company or the trust  
4 department has incurred a liability in the handling of the  
5 assets of the fiduciary account.

6           Section 1809. Section 660.47, Florida Statutes, is  
7 amended to read:

8           660.47 Surrender of fiduciary powers.--Any state bank  
9 or association which has been granted trust powers and which  
10 desires to surrender such rights shall file with the office  
11 ~~department~~ a certified copy of the resolution of its board of  
12 directors signifying such desire. Upon receipt of such  
13 resolution, the office ~~department~~ shall make an investigation,  
14 and when it is satisfied that the trust department has been  
15 discharged from all fiduciary duties which it has undertaken,  
16 it shall issue a certificate to such bank or association  
17 certifying that it is no longer authorized to exercise trust  
18 powers.

19           Section 1810. Subsection (1) of section 660.48,  
20 Florida Statutes, is amended to read:

21           660.48 Receivership or voluntary liquidation.--

22           (1) If a liquidator or receiver is appointed for a  
23 trust company or a state bank or association having a trust  
24 department, the liquidator or receiver shall, pursuant to the  
25 instructions of the office ~~department~~ and the orders of any  
26 court and the federal regulatory agency having jurisdiction,  
27 proceed to close such fiduciary accounts as can be closed  
28 promptly and transfer all other fiduciary accounts to  
29 substitute fiduciaries.

30           Section 1811. Subsection (1) of section 663.02,  
31 Florida Statutes, is amended to read:

1           663.02 Applicability of state banking laws.--  
2           (1) International banking corporations having offices  
3 in this state shall be subject to all the provisions of the  
4 financial institutions codes and chapter 655 as though such  
5 international banking corporations were state banks, except  
6 where it may appear, from the context or otherwise, that such  
7 provisions are clearly applicable only to banks or trust  
8 companies organized under the laws of this state or the United  
9 States. Without limiting the foregoing general provisions, it  
10 is the intent of the Legislature that the following provisions  
11 shall be applicable to such banks or corporations: s. 655.031,  
12 relating to administrative enforcement guidelines; s. 655.032,  
13 relating to investigations, subpoenas, hearings, and  
14 witnesses; s. 655.0321, relating to hearings, proceedings, and  
15 related documents and restricted access thereto; s. 655.033,  
16 relating to cease and desist orders; s. 655.037, relating to  
17 removal by the office ~~department~~ of an officer, director,  
18 committee member, employee, or other person; s. 655.041,  
19 relating to administrative fines and enforcement; and s.  
20 658.49, relating to loans by banks not exceeding \$50,000.  
21 International banking corporations shall not have the powers  
22 conferred on domestic banks by the provisions of s. 658.60,  
23 relating to deposits of public funds. International banking  
24 corporations shall not be subject to the provisions of s.  
25 658.68, relating to liquidity. The provisions of chapter 687,  
26 relating to interest and usury, shall apply to all loans not  
27 subject to s. 658.49.

28           Section 1812. Subsections (2), (3), and (4) of section  
29 663.04, Florida Statutes, are amended to read:

30           663.04 Requirements for carrying on banking  
31 business.--No international banking corporation shall transact

1 a banking business, or maintain in this state any office for  
2 carrying on such business, or any part thereof, unless such  
3 corporation has:

4 (2) Furnished to the office ~~department~~ such proof as  
5 to the nature and character of its business and as to its  
6 financial condition as the commission or office requires  
7 ~~department may require.~~

8 (3) Filed with the office ~~department~~ a certified copy  
9 of that information required to be supplied to the Department  
10 of State by those provisions of chapter 607 which are  
11 applicable to foreign corporations.

12 (4) Received a license duly issued to it by the office  
13 ~~department.~~

14 Section 1813. Subsections (1), (2), (3), (4), (5),  
15 (6), and (9) of section 663.05, Florida Statutes, are amended  
16 to read:

17 663.05 Application for license; approval or  
18 disapproval.--

19 (1) Every international banking corporation, before  
20 being licensed by the office ~~department~~ to maintain any office  
21 in this state, shall subscribe and acknowledge, and submit to  
22 the office ~~department~~, an application which shall contain:

23 (a) The name of the international banking corporation.

24 (b) The proposed location by street and post office  
25 address and county where its business is to be transacted in  
26 this state and the name of the person who shall be in charge  
27 of the business and affairs of the office.

28 (c) The location where its initial registered office  
29 will be located in this state.

30 (d) The total amount of the capital accounts of the  
31 international banking corporation.

1           (e) A complete and detailed statement of its financial  
2 condition as of a date within 180 days prior to the date of  
3 such application, except that the office ~~department~~ in its  
4 discretion may, when necessary or expedient, accept such  
5 statement of financial condition as of a date within 240 days  
6 prior to the date of such application. The office ~~department~~  
7 in its discretion may, when necessary or expedient, require an  
8 independent opinion audit or the equivalent satisfactory to  
9 the office ~~department~~.

10           (f) A listing of any occasion within the preceding  
11 10-year period in which either the international banking  
12 corporation or any of its directors, executive officers, or  
13 principal shareholders has been convicted of, or pled guilty  
14 or nolo contendere to, any offense with respect to which the  
15 penalties include the possibility of imprisonment for 1 year  
16 or more, or to any offense involving money laundering or  
17 otherwise related to the operation of a financial institution.

18           (2) The office ~~department~~ shall disallow any illegally  
19 obtained currency, monetary instruments, funds, or other  
20 financial resources from the capitalization requirements of  
21 this section, and the existence of such illegally obtained  
22 resources shall be grounds for denial of the application for  
23 license.

24           (3) At the time an application is submitted to the  
25 office ~~department~~, the international banking corporation shall  
26 also submit a duly authenticated copy of its articles of  
27 incorporation and a copy of its bylaws, or an equivalent  
28 thereof satisfactory to the office ~~department~~. Such  
29 corporation shall also submit a certificate issued by the  
30 banking or supervisory authority of the country in which the  
31 international banking corporation is chartered stating that

1 the international banking corporation is duly organized and  
2 licensed and lawfully existing in good standing and listing  
3 any instance in which the international banking corporation  
4 has been convicted of, or pled guilty or nolo contendere to, a  
5 violation of any currency transaction reporting or money  
6 laundering law which may exist in that country.

7 (4) Application shall be made on a form prescribed by  
8 the commission ~~department~~ and shall contain such information  
9 as the commission or office requires ~~department may require~~.

10 (5) The office ~~department~~ may, in its discretion,  
11 approve or disapprove the application, but it shall not  
12 approve the application unless, in its opinion, the applicant  
13 meets each and every requirement of this part and any other  
14 applicable provision of the financial institutions codes. The  
15 office ~~department~~ shall approve the application only if it has  
16 determined that the directors, executive officers, and  
17 principal shareholders of the international banking  
18 corporation are qualified by reason of their financial  
19 ability, reputation, and integrity and have sufficient banking  
20 and other business experience to indicate that they will  
21 manage and direct the affairs of the international banking  
22 corporation in a safe, sound, and lawful manner. In the  
23 processing of applications, the time limitations under the  
24 Administrative Procedure Act shall not apply as to approval or  
25 disapproval of the application.

26 (6) The office ~~department~~ shall not issue a license to  
27 an international banking corporation unless:

28 (a) It is chartered in a jurisdiction in which any  
29 bank having its principal place of business in this state may  
30 establish similar facilities or exercise similar powers; or

31

1 (b) Federal law permits the appropriate federal  
2 regulatory authority to issue a comparable license to the  
3 international banking corporation.

4 (9) The commission ~~department~~ shall establish, by  
5 rule, the general principles which shall determine the  
6 adequacy of supervision of an international banking  
7 corporation's foreign establishments. These principles shall  
8 be based upon the need for cooperative supervisory efforts and  
9 consistent regulatory guidelines and shall address, at a  
10 minimum, the capital adequacy, asset quality, management,  
11 earnings, liquidity, internal controls, audits, and foreign  
12 exchange operations and positions of the international banking  
13 corporation. This subsection shall not require examination by  
14 the home-country regulatory authorities of any office of an  
15 international banking corporation in this state. The  
16 commission ~~department~~ may also establish, by rule, other  
17 standards for approval of an application for a license as  
18 considered necessary to ensure the safe and sound operations  
19 of the international bank office in this state.

20 Section 1814. Subsections (2), (3), and (4) of section  
21 663.055, Florida Statutes, are amended to read:

22 663.055 Capital requirements.--

23 (2) Notwithstanding the provisions of paragraph  
24 (1)(a), the office ~~department~~ may approve an application for a  
25 license to establish an international bank agency, an  
26 international branch, or an international administrative  
27 office if:

28 (a) The international banking corporation is licensed  
29 to receive deposits from the general public in the country  
30 where it is organized and licensed and to engage in such other  
31

1 activities as are usual in connection with the business of  
2 banking in such country;

3 (b) The office ~~department~~ receives a certificate that  
4 is issued by the banking or supervisory authority of the  
5 country in which the international banking corporation is  
6 organized and licensed and states that the international  
7 banking corporation is duly organized and licensed and  
8 lawfully existing in good standing, and is empowered to  
9 conduct a banking business; and

10 (c) The international banking corporation has been in  
11 the business of banking for at least 10 years and is ranked by  
12 the banking or supervisory authority of the country in which  
13 it is organized and licensed as one of the five largest banks  
14 in that country in terms of domestic deposits, as of the date  
15 of its most recent statement of financial condition. However,  
16 in no event shall the office ~~department~~ approve an application  
17 under this subsection for any international banking  
18 corporation with capital accounts of less than \$10 million.

19 (3) The office ~~department~~ may specify such other  
20 conditions as it determines appropriate, considering the  
21 public interest, the need to maintain a sound and competitive  
22 banking system, and the preservation of an environment  
23 conducive to the conduct of an international banking business  
24 in this state. In translating the capital accounts of an  
25 international banking corporation, the office ~~department~~ may  
26 consider monetary corrections accounts that reflect results  
27 consistent with the requirements of generally accepted  
28 accounting principles in the United States.

29 (4) For the purpose of this part, the capital accounts  
30 of an international banking corporation shall be determined in  
31 accordance with rules adopted by the commission ~~department~~.

1 In adopting such rules, the commission ~~department~~ shall  
2 consider similar rules adopted by bank regulatory agencies in  
3 the United States and the need to provide reasonably  
4 consistent regulatory requirements for international banking  
5 corporations which will maintain the safe and sound condition  
6 of international banking corporations doing business in this  
7 state.

8 Section 1815. Subsections (1), (2), (3), and (4) of  
9 section 663.06, Florida Statutes, are amended to read:

10 663.06 Licenses; permissible activities.--

11 (1) An international banking corporation licensed to  
12 operate an office in this state may engage in the business  
13 authorized by this part at the office specified in such  
14 license for an indefinite period. An international banking  
15 corporation may operate more than one international bank  
16 agency, international branch, or international representative  
17 office, each at a different place of business, provided that  
18 each office shall be separately licensed. No license to  
19 operate an international bank office is transferable or  
20 assignable. However, the location of an international bank  
21 office may be changed after notification of the office  
22 ~~department~~. Every such license shall be, at all times,  
23 conspicuously displayed in the place of business specified  
24 therein.

25 (2) An international banking corporation which  
26 proposes to terminate the operations of its international bank  
27 agency, international branch, international representative  
28 office, or international administrative office shall surrender  
29 its license to the office ~~department~~ and comply with such  
30 procedures as the commission ~~department~~ may prescribe by rule.

31

1           (3) An international bank agency, international  
2 branch, international representative office, or international  
3 administrative office license may be suspended or revoked by  
4 the office department, with or without examination, upon its  
5 determination that the international banking corporation does  
6 not meet all requirements for original licensing. The  
7 commission department may by rule prescribe additional  
8 conditions or standards under which the license of an  
9 international bank agency, international branch, international  
10 representative office, or international administrative office  
11 may be suspended or revoked.

12           (4) In the event any such license is surrendered by  
13 the international banking corporation or is suspended or  
14 revoked by the office department, all rights and privileges of

15 amended to read:

16 663.17 Liquidation; possession of business and  
17 property; inventory of assets; wages; depositing collected  
18 assets; appointing agents; appointment of judges.--

19 (1) The office ~~department~~ may, at its discretion, take  
20 possession of the business and property in this state of any  
21 international banking corporation that has been licensed to  
22 operate in this state upon finding that the corporation's  
23 international bank agency operating in this state has violated  
24 any law, has neglected or refused to comply with the terms of  
25 a duly issued order of the office ~~department~~, is insolvent or  
26 imminently insolvent, or is transacting business in an  
27 unsound, unsafe, or unauthorized manner such that the  
28 corporation is threatened with imminent insolvency, or that  
29 the corporation is in liquidation at its domicile or  
30 elsewhere. Title to such business and property shall vest by  
31 operation of law in the office ~~department~~ upon taking

1 possession. Thereafter, the office ~~department~~ shall liquidate

10 banking corporation's international bank agency or agencies  
11 located in this state shall be accepted by the office  
12 ~~department~~ for payment out of the business and property which  
13 it has taken possession of in this state. Acceptance or  
14 rejection of such claims by the office ~~department~~ shall not  
15 prejudice any creditor's rights to otherwise share in other  
16 assets of the international banking corporation. The following  
17 claims shall not be accepted by the office ~~department~~ for  
18 payment out of the business and property in the office's  
19 ~~department's~~ possession in this state:

20 (a) Claims which would not represent an enforceable  
21 legal obligation against an international bank agency if such  
22 agency were a separate and independent legal entity.

23 (b) Amounts due and other liabilities to other  
24 offices, agencies, and branches of and affiliates of such  
25 international banking corporation.

26 (2) Whenever all accepted claims, together with  
27 interest on such claims, and the expenses of the liquidation  
28 have been paid in full or properly provided for, the office  
29 ~~department~~, upon the order of a court of competent  
30 jurisdiction, shall transfer the remaining assets to the  
31 principal office of such international banking corporation, or

3 unclaimed or unpaid and are in the possession of the office  
4 ~~department~~ for 6 months after such transfer shall be deposited  
5 by the office ~~department~~ as provided by law.

6 (3) When the office ~~department~~ takes possession of the  
7 property and business of any international banking  
8 corporation, the office ~~department~~ shall:

9 (a) Give notice of such fact to all corporations,  
10 unincorporated associations, partnerships, governmental  
11 entities, and other entities and individuals known by the  
12 office ~~department~~ to hold any assets of such corporation. No  
13 corporation, unincorporated association, partnership,  
14 governmental entity, or other entity or individual having  
15 notice or knowledge that the office ~~department~~ has taken  
16 possession of such corporation shall have a lien or charge for  
17 any payment, advance, or clearance thereafter made against any  
18 of the assets of such corporation for liability thereafter  
19 incurred.

20 (b) Upon written demand of the office ~~department~~, any  
21 corporation, unincorporated association, partnership,  
22 governmental entity, or other entity or individual holding  
23 assets of such corporation shall deliver such assets to the  
24 office ~~department~~ and shall be discharged from liability with  
25 respect to any claim upon such assets; provided, such demand  
26 shall not affect the right of a secured creditor with a  
27 perfected security interest, or other valid lien or security  
28 interest enforceable against third parties, to retain  
29 collateral, including any right of such secured creditor under  
30 any security agreement related to a qualified financial  
31 contract to retain collateral and apply such collateral in

1 accordance with the provisions of the financial institutions  
2 codes.

3 (c) Nothing in paragraphs (a) and (b) shall affect any  
4 right of setoff permitted under applicable law; provided, in  
5 connection with the liquidation of an international bank  
6 agency of any other international banking corporation pursuant  
7 to this part, no entity or individual may set off the business  
8 and property in this state of an international banking  
9 corporation being liquidated under this subsection, against  
10 the liabilities of such corporation other than those that  
11 arise out of transactions engaged in by such entity or  
12 individual with such international bank agency. For purposes  
13 of this paragraph, liabilities shall be deemed to include, in  
14 the case of qualified financial contracts, the lesser of the  
15 two amounts calculated with respect to any such qualified  
16 financial contract pursuant to s. 663.172(3), and this  
17 paragraph shall not be deemed to authorize setoff except as  
18 otherwise permissible under applicable law.

19 (4) Any international banking corporation of which the  
20 office ~~department~~ has taken possession or which is operating  
21 under restrictions imposed by duly constituted authority may  
22 be permitted to resume business subject to the office's  
23 ~~department's~~ discretion and any conditions that ~~which~~ the  
24 office ~~department~~ may impose.

25 (5) After the office ~~department~~ takes possession of  
26 and determines to liquidate the property and business of any  
27 international banking corporation, the office ~~department~~ shall  
28 make an inventory, in duplicate, of the assets of such  
29 corporation. One copy of such inventory shall be filed with  
30 the ~~in an~~ office of the ~~department~~ and one copy shall be filed  
31

1 with a court of competent jurisdiction in the county in which  
2 the principal office of such corporation is located.

3 (6) Notwithstanding s. 658.84, all wages actually  
4 owing to the employees of an international banking corporation  
5 for services rendered within 3 months prior to the date  
6 possession was taken by the office department, and not  
7 exceeding \$2,000 to each employee, shall be paid prior to the  
8 payment of any other debt or claim, and, in the discretion of  
9 the office department, may be paid as soon as practicable  
10 after taking possession, except that at all times the office  
11 ~~department~~ shall reserve such funds as will, in the office's  
12 ~~department's~~ opinion, be sufficient for the expenses of  
13 administration.

14 (7) The office department is authorized, upon taking  
15 possession of any international banking corporation, to  
16 liquidate the affairs of such corporation and to do all acts  
17 and to make such expenditures as in the office's ~~department's~~  
18 judgment are necessary to conserve the assets and business of  
19 the corporation. The office department shall proceed to  
20 collect the debts due to the corporation. The office  
21 ~~department~~ may, upon an order of a court of competent  
22 jurisdiction, sell, assign, compromise, or otherwise dispose  
23 of all bad or doubtful debts held by, and compromise claims  
24 against, such corporation, other than deposit claims,  
25 provided, whenever the principal amount of any such debt or  
26 claim owed by or owing to such corporation does not exceed  
27 \$50,000, the office department may sell, assign, compromise,  
28 or otherwise dispose of such debt or claim upon such terms as  
29 the office department may deem to be in the best interests of  
30 such corporation wherever situated. When the real property of  
31 an international banking corporation, to be disposed of

1 pursuant to this subsection, is located in a county in this  
2 state other than a county in which an application to the court  
3 for leave to dispose is made, the office ~~department~~ shall file  
4 a certified copy of the order of such court authorizing such  
5 disposal in the office of the clerk of the county in which  
6 such real property is located.

7 (8) Moneys collected by the office ~~department~~ in  
8 liquidating an international banking corporation shall be:

9 (a) Deposited on demand, time or otherwise, in one or  
10 more banks, associations, or trust companies organized under  
11 the laws of this state and, in the case of insolvency or  
12 voluntary or involuntary liquidation of the depositary, such  
13 deposits shall be entitled to priority of payment equally with  
14 any other priority given under the financial institutions  
15 codes;

16 (b) Deposited on demand, time or otherwise, in one or  
17 more national banks with a principal office located in this  
18 state and with total assets exceeding \$1 billion; or

20 obligation for which the full faith and credit of the United  
21 States is pledged to provide for the payment of interest and  
22 principal.

23 (9) The office ~~department~~ may appoint one or more  
24 persons as agent or agents to assist in the liquidation of the  
25 business and affairs of any international banking corporation  
26 in the office's ~~department's~~ possession. The office ~~department~~  
27 shall file a certificate of such appointment in the  
28 headquarters of the office ~~one of the department's offices~~ and  
29 shall file a certified copy of such certificate with a court  
30 of competent jurisdiction in the county in which the principal  
31 office of such corporation is located in this state. The

1 ~~office department~~ may employ such counsel and expert  
2 assistants under such titles that the ~~office department~~ shall  
3 assign to them, and may retain such officers or employees of  
4 such corporation as the ~~office department~~ deems necessary in  
5 the liquidation and distribution of the corporation's assets.  
6 The ~~office department~~ may require such security as it may deem  
7 proper from the agents and assistants appointed pursuant to  
8 the provisions of this subsection.

9           (10) When the ~~office department~~ has taken possession  
10 of and is liquidating the business and property in this state  
11 of any international banking corporation under the provisions  
12 of this part, the ~~office department~~ shall be entitled to the  
13 appointment of a single judge to supervise the liquidation in  
14 the judicial circuit in which the principal office of such  
15 corporation is located. Such judge shall have the power to  
16 order expedited or simplified procedures or order a reference  
17 whenever necessary to resolve a matter in such liquidation.

18           (11) The compensation of agents and any other  
19 employees appointed by the ~~office department~~ to assist in the  
20 liquidation of an international bank agency, the distribution  
21 of its assets, or the expenses of supervision, shall be paid  
22 out of the assets of the agency in the hands of the ~~office~~  
23 ~~department~~. Expenses of liquidation and approved claims for  
24 fees and assessments due the ~~office department~~ shall be given  
25 first priority among unsecured creditors.

26           Section 1830. Section 663.171, Florida Statutes, is  
27 amended to read:

28           663.171 Liquidation; repudiation of contracts.--

29           (1) Except as otherwise provided in this section, when  
30 the ~~office department~~ has taken possession of the business and  
31 property in this state of an international banking

1 corporation, the office ~~department~~ may assume or repudiate any  
2 contract, including an unexpired lease, of the corporation:

3 (a) To which such corporation is a party.

4 (b) The performance of which the office ~~department~~, in  
5 its discretion, determines to be burdensome.

6 (c) The repudiation of which the office ~~department~~, in  
7 its discretion, determines will promote the orderly  
8 administration of the corporation's affairs.

9 (2) After the expiration of 90 days after the date the  
10 office ~~department~~ takes possession of an international banking  
11 corporation, any party to a contract with such corporation may  
12 demand in writing that the office ~~department~~ assume or  
13 repudiate such contract. If the office ~~department~~ has not  
14 assumed or repudiated the contract within 15 calendar days  
15 after the date of receipt of such demand, the affected party  
16 may bring an action in a court of competent jurisdiction in  
17 the county in which the principal office of the corporation is  
18 located to obtain an order requiring the office ~~department~~ to  
19 assume or repudiate the contract. If the office ~~department~~ has  
20 not assumed or repudiated the contract by at least 1 month  
21 before the last date for filing claims against the  
22 corporation, such contract shall be deemed repudiated.

23 (3) Notwithstanding subsection (2), with respect to an  
24 unexpired lease of the corporation for rental of real property  
25 under which the corporation was a lessee, if the office  
26 ~~department~~ remains in possession of the leasehold, the office  
27 ~~department~~ shall not be required to assume or repudiate such  
28 lease and may continue in possession of such leasehold for the  
29 remainder of the term of the lease in accordance with the  
30 terms of the lease; provided, if the office ~~department~~ later  
31 repudiates the lease before the end of the lease term, any

1 amounts that may be due the lessor with respect to such lease  
2 shall be calculated as provided by law.

3 (4) Notwithstanding any other provision of this  
4 section relating to liquidating an international banking  
5 corporation, the office ~~department~~ shall not assume or  
6 repudiate any qualified financial contract that the  
7 international bank agency entered into which is subject to a  
8 multibranch or multiagency netting agreement or arrangement  
9 that provides for netting present or future payment  
10 obligations or payment entitlements, including termination or  
11 closeout values relating to the obligations or entitlements,  
12 among the parties to the contract and agreement or arrangement  
13 and the office ~~department~~ may, but shall not be required to,  
14 assume or repudiate any other qualified financial contract an  
15 international bank agency entered into; provided, upon the  
16 repudiation of any qualified financial contract or the  
17 termination or liquidation of any qualified financial contract  
18 in accordance with its terms, the liability of the office  
19 ~~department~~ under such qualified financial contract shall be  
20 determined in accordance with s. 663.172.

21 Section 1831. Section 663.172, Florida Statutes, is  
22 amended to read:

23 663.172 Liability on repudiation or termination of  
24 contracts.--

25 (1) Except as otherwise provided in this section, upon  
26 the repudiation or termination of any contract pursuant to s.  
27 663.171, the liability of the office ~~department~~ shall be  
28 limited to the actual direct compensatory damages of the  
29 parties to the contract, determined as of the date the office  
30 ~~department~~ took possession of the international banking  
31 corporation. The office ~~department~~ shall not be liable for any

1 future wages other than severance payments, to the extent such  
2 payments are reasonable standards, or for payments for future  
3 service, costs of cover, or any consequential, punitive, or  
4 exemplary damages, damages for lost profits or lost  
5 opportunity, or damages for pain and suffering.

6 (2) Except as otherwise provided in this section, the  
7 liability of the office ~~department~~, upon the repudiation of  
8 any qualified financial contract or in connection with the  
9 termination or liquidation of any qualified financial contract  
10 in accordance with the terms of such contract, shall be  
11 limited as provided in subsection (1), except compensatory  
12 damages shall be deemed to include normal and reasonable costs  
13 of cover or other reasonable measures of damages used among  
14 participants in the market for qualified financial contract  
15 claims, calculated as of the date of repudiation or the date  
16 of the termination of such qualified financial contract in  
17 accordance with the terms of the contract. Upon the  
18 repudiation of any qualified financial contract or in  
19 connection with the termination or liquidation of any  
20 qualified financial contract in accordance with the terms of  
21 such contract, the office ~~department~~ shall be entitled to  
22 damages and such damages shall be paid to the office  
23 ~~department~~ upon written demand from the office ~~department~~ to  
24 the other party or parties to the contract.

25 (3) In the case of the liquidation of an international  
26 bank agency of an international banking corporation by the  
27 office ~~department~~, with respect to qualified financial  
28 contracts subject to netting agreements or arrangements that  
29 provide for netting present or future payment obligations or  
30 payment entitlements, including termination or closeout values  
31 relating to the obligations or entitlements, among the parties

1 to the contracts and agreements or arrangements, the liability  
2 of the office department to any party to any such qualified  
3 financial contract upon the repudiation or in any connection  
4 with the termination or liquidation of such qualified  
5 financial contract in accordance with the terms of such  
6 contract shall be limited to the lesser of:

7 (a) The global net payment obligation; or

8 (b) The branch-to-agency or agency-to-agency net  
9 payment obligation.

10 (4) The liability of the office department to a party  
11 under this section shall be reduced by any amount otherwise  
12 paid or received by the party with respect to the global net  
13 payment obligation pursuant to such qualified financial  
14 contract which, if added to the liability of the office  
15 ~~department~~ under subsection (1), would exceed the global net  
16 payment obligation. The liability of the office department  
17 under this section to a party to a qualified financial  
18 contract also shall be reduced by the fair market value or the  
19 amount of any proceeds of collateral that secures and has been  
20 applied to satisfy the obligations of the international  
21 banking corporation to the party pursuant to such qualified  
22 financial contract. If netting under the applicable netting  
23 agreement or arrangement results in a branch-to-agency net  
24 payment entitlement, notwithstanding any provision in any such  
25 contract that purports to effect a forfeiture of such  
26 entitlement, the office department may make written demand for  
27 and shall be entitled to receive from the party to such  
28 contract an amount not to exceed the lesser of the global net  
29 payment entitlement or the branch-to-agency net payment  
30 entitlement.

31

1           (5) The liability of a party under this section shall  
2 be reduced by any amount otherwise paid to or received by the  
3 office department or any other liquidator or receiver of the  
4 international banking corporation with respect to the global  
5 net payment entitlement pursuant to such qualified financial  
6 contract which, if added to the liability of the party under  
7 this section, would exceed the global net payments  
8 entitlement. The liability of a party under this section to  
9 the office department pursuant to such qualified financial  
10 contract also shall be reduced by the fair market value of the  
11 amount of any proceeds of the collateral that secures and has  
12 been applied to satisfy the obligations of the party to the  
13 international banking corporation pursuant to such qualified  
14 financial contract.

15           Section 1832. Section 663.173, Florida Statutes, is  
16 amended to read:

17           663.173 Qualified financial contract; net obligation  
18 and net entitlement.--A party to a qualified financial  
19 contract with an international banking corporation, possession  
20 of which has been taken by the office department pursuant to  
21 s. 663.17, which party has a perfected security interest in  
22 collateral or other valid lien or security interest in  
23 collateral enforceable against third parties pursuant to a  
24 security arrangement related to such qualified financial  
25 contract, may retain all such collateral and, upon repudiation  
26 or termination of such qualified financial contract in  
27 accordance with the terms of the contract, may apply such  
28 collateral in satisfaction of any claims secured by the  
29 collateral provided the total amount so applied to such claims  
30 shall in no event exceed the global net payment obligation, if  
31 any.

1           Section 1833. Section 663.174, Florida Statutes, is  
2 amended to read:

3           663.174 Repudiation; lease, lessee, or lessor; real or  
4 personal property.--

5           (1) If the office ~~department~~ repudiates a lease of an  
6 international banking corporation, the real or personal  
7 property under which the corporation was a lessee, the lessor  
8 under such lease shall be entitled to file a claim with the  
9 office ~~department~~ for the lesser of:

10           (a) The amount designated as liquidated damages  
11 contained in the lease between the corporation and the lessor;

12           (b) The amount equal to 1 year's rent under the terms  
13 of the repudiated lease; or

14           (c) An amount equal to the rent for the remaining term  
15 of the lease.

16           (2) If the office ~~department~~ repudiates the lease of  
17 an international banking corporation for the rental of real  
18 property under which the corporation was the lessor and the  
19 lease was not in default at the time of the repudiation, the  
20 lessee under such lease may:

21           (a) Treat the lease as terminated by such repudiation  
22 and vacate the premises; or

23           (b) Remain in possession of the leasehold interest for  
24 the balance of the term of the lease, and for any renewal or  
25 extension of such term that is enforceable by such lessee  
26 under applicable noninsolvency law, unless the lessee defaults  
27 under the terms of the lease after the date of such  
28 repudiation. If the lessee remains in possession of the  
29 leasehold interest, the lessee shall continue to pay to the  
30 office ~~department~~ the contractual rent pursuant to the terms  
31 of the lease after the date of the repudiation of such lease

1 and may offset against such rent payment any damages which may  
2 accrue due to nonperformance of any obligation of the  
3 corporation under the lease after the date of repudiation.

4  
5 The office ~~department~~ shall not be liable to the lessee for  
6 any damages arising after such date as a result of the  
7 repudiation other than the amount of any offset allowed under  
8 this paragraph. Nothing in this subsection prohibits the  
9 office ~~department~~ from entering into a new contract with the  
10 lessee for the rental of the leasehold which was the subject  
11 of the repudiated lease.

12 (3) Except as otherwise provided, notwithstanding any  
13 provision in an unexpired lease or other contract or in  
14 applicable law, a contract or unexpired lease of an  
15 international banking corporation may not be terminated or  
16 modified by any party other than the office ~~department~~ without  
17 the concurrence of the office ~~department~~, and any right or  
18 obligation under such contract or lease may not be terminated  
19 or modified, at any time after the office ~~department~~ has taken  
20 possession, solely pursuant to a provision in such contract or  
21 lease purporting to allow termination or modification upon the  
22 office's ~~department's~~ taking possession or upon the insolvency  
23 or liquidation or deterioration of the financial condition of  
24 the corporation.

25 (4) Nothing in this section affects the right of a  
26 party to contract with an international banking corporation to  
27 seek performance of such contract or damages under such  
28 contract in any other jurisdiction; provided, the office  
29 ~~department~~ shall not be liable for the performance of such  
30 contract or damages under such contract in any other  
31 jurisdiction.

1           (5) The rights granted in this section are in addition  
2 to any other rights available to the office ~~department~~ under  
3 common law or any other law.

2 of the notice required in subsection (1), the office  
3 ~~department~~ may apply to a court of competent jurisdiction for  
4 an order authorizing the office ~~department~~ to sell, destroy,  
5 or otherwise dispose of the contents of such package.  
6 Whenever, pursuant to the provisions of this subsection, the  
7 office ~~department~~ is given the power to sell the contents of  
8 any package, such power to sell shall be deemed a power to  
9 sell in satisfaction of a lien for nonpayment of rental or  
10 storage charges accrued, and all other charges and expenses  
11 paid or incurred to the date of sale with respect to such  
12 package and the contents of the package, including charges and  
13 expenses described in subsection (3).

14           (5) The provisions of this section do not affect or  
15 preclude any other remedy, by action or otherwise, for the  
16 enforcement of claims or rights of the office ~~department~~, or  
17 of an international banking corporation of which the office  
18 ~~department~~ is in possession, against the person in whose name  
19 any property or any safe, vault, box, package, parcel, or  
20 receptacle is recorded, or affect or bar the right of the  
21 office ~~department~~ or the corporation to recover, before sale,  
22 any debt or claim due to the office ~~department~~ or the  
23 corporation, or, after sale, so much of the debt or claim as  
24 is not paid by the proceeds of the sale.

25           Section 1837. Section 663.178, Florida Statutes, is  
26 amended to read:

27           663.178 Claims; valuation; priority; listing; filing;  
28 objection; endorsement; adverse interest.--

29           (1) Proof of claim shall consist of a written  
30 statement under oath signed by the claimant or his or her  
31

1 attorney in fact and shall be in such form as the office  
2 ~~department~~ requires.

3 (2) The office ~~department~~ shall not accept a claim  
4 based on an agreement with an international banking  
5 corporation unless the agreement is reflected on the accounts,  
6 books, or records of the corporation or a creditor provides  
7 documentary evidence of such agreement. The commission  
8 ~~department~~ may adopt any rules determined necessary to  
9 implement this section.

10 (3) No claim or account of any secured claimant or  
11 creditor shall be accepted at a sum greater than the  
12 difference between the face value of the claim or account and  
13 the value of the security itself as of the commencement of the  
14 liquidation unless the claimant or creditor, prior to the  
15 expiration of the time fixed by the office ~~department~~ for the  
16 presentation of claims, surrenders his or her security to the  
17 office ~~department~~, in which event the claim or account may be  
18 accepted in its full face amount.

19 (4) The office ~~department~~ shall not determine  
20 priorities in accepting or rejecting claims and the acceptance  
21 by the office ~~department~~ of a claim in which priority of  
22 payment is demanded shall not entitle the claimant to  
23 priority. Accepted claims in which priority of payment is  
24 demanded shall be presented to a court of competent  
25 jurisdiction on notice to the claimant for determination as to  
26 the priority of payment of such claims. Except as otherwise  
27 provided in ss. 663.17-663.181, all claims entitled to  
28 priority of payment shall be paid ratably and proportionately.

29 (5) The office ~~department~~ shall prepare in duplicate a  
30 complete list of all claims presented, specifying the name of  
31 the claimant, the nature of the claim, and the amount of such

1 claim. Such list shall also contain a statement of accounts  
2 payable as shown by the books and records of the corporation  
3 and as to which no claims have been presented, specifying the  
4 name of each person to whom such account appears to be  
5 payable, the nature of the debt, and the amount of such claim.  
6 Within 60 days after the last date fixed in the notice to  
7 creditors to present and make proof of claims, the office  
8 ~~department~~ shall file one copy of such list in one of its  
9 offices for public inspection and shall file one copy with a  
10 court of competent jurisdiction in the county in which the  
11 principal office of the corporation is located.

12 (6) Within 40 days after the office ~~department~~ has  
13 filed in its headquarters ~~office~~ a copy of the list of claims  
14 required by subsection (5), objections to any claim presented  
15 or to any account appearing on such list may be made by any  
16 party interested by filing such objections with the office  
17 ~~department~~, in writing, signed by the objector, and verified.  
18 Unless the office ~~department~~ rejects any claim or accounts to  
19 which objections have been filed with it, the office  
20 ~~department~~ shall, within 60 days after the time to file such  
21 objections has expired, apply to a court of competent  
22 jurisdiction, upon notice to the objector, for an order  
23 directing the office ~~department~~ as to the disposition of such  
24 claim or account. The court may then dispose of such  
25 objections or may order a reference for that purpose.

26 (7) The office ~~department~~ shall, not later than 60  
27 days after the time has expired to file objections to claims  
28 presented, accept or reject, in whole or in part, every filed  
29 claim, except claims as to which objections are still pending  
30 before a court, and shall accept or reject, in whole or in  
31 part, every account payable as shown by the books and records

1 and as to which no claim has been presented, except accounts  
2 as to which objections are still pending before a court.  
3 Whenever the office ~~department~~ accepts a portion of a claim or  
4 account and rejects the remainder, the portion accepted and  
5 the portion rejected shall, for the purpose of this section,  
6 each be deemed separate claims or accounts.

7 (8) Every claim or account payable accepted by the  
8 office ~~department~~ shall be endorsed as "accepted" and be filed  
9 so endorsed. If the office ~~department~~ is unable, from the  
10 books, accounts, or records of an international banking  
11 corporation, to determine the ownership of a claim or account  
12 payable or if for any other reason the office ~~department~~  
13 doubts the validity of any claim or account payable, the  
14 office ~~department~~ shall reject such claim or account payable  
15 and shall endorse the claim or account payable as "rejected"  
16 and file it as so endorsed. The office ~~department~~ shall mail  
17 notice of such acceptance or rejection within 14 calendar days  
18 after the office ~~department~~ has accepted or rejected all  
19 claims filed. If a proof of claim has been filed, such notice  
20 need be mailed only to the address appearing on such claim  
21 and, if no proof of claim has been filed, the notice need be  
22 mailed only to the address appearing upon the books of the  
23 corporation. If the office ~~department~~ is unable from the proof  
24 of claim or the books and records of the corporation to  
25 identify a name or address, such notice of rejection need not  
26 be given.

27 (9) Within 30 days after the office ~~department~~ has  
28 accepted or rejected all claims filed, and all accounts  
29 payable as shown by the books and records as to which no  
30 claims have been presented, the office ~~department~~ shall make a  
31 list of all such claims and accounts accepted or rejected by

1 the office ~~department~~ for public inspection and file one copy  
2 of such list with the ~~in an office of the department~~ and one  
3 copy with a court of competent jurisdiction in the county in  
4 which the principal Florida office of such corporation is  
5 located.

6 (10) When the office ~~department~~ has accepted a filed  
7 claim and has filed such claim, endorsed as "accepted," the  
8 claimant, unless priority of payment has been demanded and  
9 such claim is entitled by law to priority of payment, shall be  
10 entitled to share ratably with other general creditors in the  
11 distribution of the proceeds of the liquidation of the assets  
12 of the international banking corporation; provided, any  
13 accepted claim or claims for taxes owed to any taxing  
14 authority shall be paid in full, to the extent that assets of  
15 the corporation are available, prior to the payment of any  
16 other accepted claim pursuant to this section. If the claimant  
17 has demanded priority of payment, the receipt and acceptance  
18 of ratable dividends shall be without prejudice to the right  
19 of such priority of payment.

20 (11) Any person who fails to demand in writing  
21 priority of payment as specified in the notice to file claims  
22 shall be deemed to have waived and abandoned any right to such  
23 priority of payment. Any person who fails to demand in writing  
24 priority of payment as provided in this section is not  
25 entitled to maintain any action or proceeding for any priority  
26 of payment. In any action or proceeding for priority of  
27 payment, the claimant shall allege and prove that the claim  
28 upon which the action is instituted was filed and demand for  
29 priority of payment was made in writing.

30 (12) Within 6 months after the date the office  
31 ~~department~~ files the list of claims and accounts payable which

1 are accepted or rejected by the office ~~department~~, a claimant  
2 whose claim has been filed and has not been accepted by the  
3 office ~~department~~, or any person whose account payable as  
4 shown by the books and records as to which no claim has been  
5 presented, has not been accepted by the office ~~department~~, may  
6 institute and maintain an action against the international  
7 banking corporation. Such action may be maintained only in a  
8 court of competent jurisdiction in the county in which the  
9 principal Florida office of such international banking  
10 corporation is located.

11 (13) A lien shall not attach to any property or assets  
12 of an international banking corporation as a result of any  
13 judicial process after the office ~~department~~ has taken  
14 possession of the assets of the corporation.

15 (14) No action shall be maintained against an  
16 international banking corporation while the office ~~department~~  
17 is in possession of the affairs and business of the  
18 corporation unless brought within the period of limitation  
19 specified in s. 663.17. In any action instituted against such  
20 corporation while the office ~~department~~ is in possession of  
21 the corporation's property and business, the plaintiff shall  
22 be required to allege and prove that the claim upon which the  
23 action is instituted was filed and that such claim has not  
24 been accepted or, in the case of an action upon an account as  
25 to which no claim has been presented, the plaintiff shall be  
26 required to allege and prove that such account appeared upon  
27 the books and records and that such account has not been  
28 accepted.

29 (15) Notice to the office ~~department~~ of an adverse  
30 interest in a claim or account payable accepted by the office  
31 ~~department~~ to the credit of any person shall not require the

1 ~~office department~~ to recognize such adverse claimant unless  
2 the adverse claimant also:

5 of competent jurisdiction in a cause instituted by the office  
6 ~~department~~ in which the person to whose credit such claim or  
7 account payable was accepted or his or her executor or  
8 administrator is made a party and served with summons; or

9 (b) Executes to the office department, in a form and  
10 with sureties acceptable to the office department, a bond  
11 indemnifying the office department from any and all liability,  
12 loss, damage, cost, and expenses for and on account of the  
13 payment of dividends.

14 (16) In any action or proceeding against the office  
15 ~~department~~ to recover dividends accepted, if there is any  
16 person who is not a party to the action who makes such a  
17 claim, the court in which the action or proceeding is pending  
18 may, on the motion of the office department, make an order  
19 amending the proceedings making such person a party to such  
20 action or proceeding and the court shall thereafter proceed to  
21 determine the rights and interests of the parties to such  
22 funds. The remedy provided in this section is in addition to  
23 and not exclusive of that provided in any other interpleader.

30 or certificate of, or authenticating or exemplifying, any

3 whether or not such paper, record, or instrument is executed  
4 by the ~~office department~~ and whether or not it is connected  
5 with an action. The term "action" is construed as including a  
6 special proceeding in any action.

8 amended to read:

13 apply to a court of competent jurisdiction in the county in  
14 which its principal office is located in this state for an  
15 order requiring the office ~~department~~ to show cause why the  
16 office ~~department~~ should not be enjoined from continuing such  
17 possession. The court may, upon good cause shown, direct the  
18 office ~~department~~ to refrain from such proceedings and to

3 ~~department~~ shall not approve the proposed acquisition unless:

4 1. The laws of the state in which the foreign  
5 association has its principal place of business permit  
6 associations in that state to be acquired by Florida  
7 associations; and

8 2. The Florida association which is to be acquired has  
9 been in existence and continuously operating for more than 2

18 this subsection or s. 665.0315.

4 the purposes of this section and any other law of this state  
5 prohibiting, limiting, or regulating the doing of business in  
6 this state by foreign associations or foreign corporations of  
7 any type, any federal association, the principal office of  
8 which is located outside this state, and any foreign

13 state by reason of engaging in any of the following  
14 activities:

16 assignment, transfer, collecting, and enforcement of  
17 obligations or any interest therein secured by real estate  
18 mortgages or other instruments in the nature of a mortgage,  
19 covering real property located in this state, or the  
20 foreclosure of such instruments, or the acquisition of title  
21 to such property by foreclosure, or otherwise, as a result of  
22 default under such instruments, or the holding, protection,  
23 rental, maintenance, and operation of the property so

3 ~~department~~ which are accepted as liquid assets for federally  
4 insured savings banks by the appropriate federal regulatory  
5 agency.

6           Section 1862. Subsections (4), (26), (40), and (44) of  
7 section 667.003, Florida Statutes, are amended to read:

8           667.003 Applicability of chapter 658.--Any state  
9 savings bank is subject to all the provisions, and entitled to

11 where it appears, from the context or otherwise, that such  
12 provisions clearly apply only to banks or trust companies  
13 organized under the laws of this state or the United States.  
14 Without limiting the foregoing general provisions, it is the  
15 intent of the Legislature that the following provisions apply  
16 to a savings bank to the same extent as if the savings bank  
17 were a "bank" operating under such provisions:

18           (4) Section 658.20, relating to investigation by  
19 office ~~department~~.

20           (26) Section 658.43, relating to approval by office

29 a foreign savings bank.--

30           (1) A savings bank shall have the power to reorganize,  
31 merge, or consolidate with a foreign savings bank, as defined

1 in s. 667.013, subject to the approval of the office  
2 ~~department~~.

3 (2) If the resulting or surviving savings bank is to  
4 be a foreign savings bank, the office ~~department~~ shall not  
5 approve the proposed transaction unless:

6 (a) The laws of the state in which the foreign savings  
7 bank has its principal place of business permit savings banks  
8 in that state to reorganize, merge, or consolidate with  
9 Florida savings banks in transactions in which the resulting  
10 or surviving savings bank is a Florida savings bank.

11 (b) The constituent Florida savings bank has been in  
12 existence and continuously operating for more than 2 years.

13 Section 1864. Subsections (1), (2), (3), and (5) of  
14 section 667.006, Florida Statutes, are amended to read:

15 667.006 Conversion of state or federal mutual savings  
16 bank or state or federal mutual association to capital stock  
17 savings bank.--

18 (1) CONVERSION INTO CAPITAL STOCK SAVINGS BANK.--Any  
19 state or federal mutual savings bank or state or federal  
20 mutual association may apply to the office ~~department~~ for  
21 permission to convert itself into a capital stock savings bank  
22 operated under the provisions of this chapter in accordance  
23 with the following procedures:

24 (a) The board of directors shall approve a plan of  
25 conversion by resolution adopted by a majority vote of all the  
26 directors. The plan shall include, but not be limited to:

27 1. Financial statements of the savings bank as of the  
28 last day of the month preceding adoption of the plan.

29 2. Such financial data as may be required to determine  
30 compliance with applicable regulatory requirements respecting  
31 financial condition.

1           3. A provision that each savings account holder of the  
2 mutual savings bank will receive a withdrawable account in the  
3 capital stock savings bank equal in amount to his or her  
4 withdrawable account in the mutual savings bank.

5           4. A provision that each member of record will be  
6 entitled to receive rights to purchase voting common stock.

7           5. Pro forma financial statements of the savings bank  
8 as a capital stock savings bank, which shall include data

18 members.

19           (c) The office ~~department~~ may approve or disapprove  
20 the plan in its discretion, but it shall not approve the plan  
21 unless it finds that the savings bank will comply sufficiently  
22 with the requirements of the financial institutions codes  
23 after conversion to entitle it to become a savings bank  
24 operating under the financial institutions codes and the rules  
25 of the commission ~~department~~. The office ~~department~~ may deny  
26 any application from any federal savings bank that is subject  
27 to any cease and desist order or other supervisory restriction  
28 or order imposed by any state or the federal supervisory  
29 authority, or insurer, or guarantor or that has been convicted  
30 of, or pled guilty or nolo contendere to, a violation of s.  
31 655.50, relating to the Florida Control of Money Laundering in

1 Financial Institutions Act; chapter 896, relating to offenses  
2 related to financial transactions; or any similar state or  
3 federal law.

4 (d) If the office ~~department~~ approves the plan of  
5 conversion, the question of such conversion may be submitted  
6 to the members at a meeting of voting members called to  
7 consider such action. A vote of 51 percent or more of the  
8 total number of votes eligible to be cast shall be required  
9 for approval, unless federal law permits a lesser percentage  
10 of votes for a federal mutual savings bank to convert, in  
11 which case that percentage shall control. Notice of the  
12 meeting, giving the time, place, and purpose thereof, together  
13 with a proxy statement and proxy form covering all matters to  
14 be brought before the meeting, shall be mailed at least 30  
15 days prior to the meeting to the office ~~department~~ for review  
16 and to each voting member at his or her last address as shown  
17 on the books of the savings bank.

18 (2) MINUTES OF MEETING.--Copies of the minutes of the  
19 meeting of members, verified by the affidavit of the secretary  
20 or assistant secretary of the savings bank, shall be filed  
21 with the office ~~department~~ and with the appropriate federal  
22 regulatory agency, within a reasonable time after the meeting.  
23 When so filed, the verified copies of the minutes are  
24 presumptive evidence of the holding of the meeting and of the  
25 action taken.

26 (3) FILING OF ARTICLES OF INCORPORATION AND COMMITMENT  
27 FOR INSURANCE OF ACCOUNTS.--The directors of the savings bank  
28 shall have executed and filed with the office ~~department~~  
29 proposed articles of incorporation as provided in s. 658.23,  
30 together with the application for conversion and a firm  
31 commitment for, or evidence of, insurance of deposits and

1 other accounts of a withdrawable type. The articles shall  
2 contain a statement that the savings bank resulted from the  
3 conversion of a state or federal mutual savings bank to a  
4 capital stock savings bank. Approval by the office ~~department~~  
5 shall be affixed to the articles of incorporation. A copy of  
6 the articles of incorporation shall be filed with the

23 reorganization, merger; consolidation; acquisition of  
24 assets.--

26 or federal savings bank is a supervisory case if it finds  
27 that:

- 28 (a) The savings bank is insolvent; or  
29 (b) The savings bank is imminently insolvent.

30  
31

1 Any such finding by the office ~~department~~ shall be based upon  
2 reports furnished to it by a state or federal regulatory  
3 agency or upon other evidence from which it is reasonable to  
4 conclude that the savings bank is a supervisory case.

5 (2) Notwithstanding any other provision of this  
6 chapter or chapter 120, if the office ~~department~~ finds that  
7 immediate action is necessary to protect the interests of  
8 depositors and reduce the potential for claims against the  
9 insurance fund, or in order to prevent the probable failure of  
10 a state or federal savings bank which is a supervisory case,  
11 the office may ~~department shall have the power~~, with the  
12 concurrence of the appropriate federal regulatory agency in  
13 the case of any savings bank the deposits of which are  
14 federally insured, ~~to~~ issue an emergency order authorizing:

15 (a) The conversion of such savings bank from a state  
16 to a federal charter, or vice versa, without change of  
17 business form;

18 (b) The reorganization, merger, or consolidation of  
19 such state or federal savings bank with another state or  
20 federal savings bank;

21 (c) The conversion of such state or federal savings  
22 bank into a state or federal capital stock savings bank; or

23 (d) Any state or federal savings bank to acquire the  
24 assets of, and assume the liabilities of, such failing savings  
25 bank.

26 Section 1866. Subsections (1) and (2), paragraph (d)  
27 of subsection (4), and paragraph (a) of subsection (5) of  
28 section 667.008, Florida Statutes, are amended to read:

29 667.008 Acquisition of assets of or control over a  
30 savings bank.--

31

1           (1)(a) In any case in which a person or group of  
2 persons proposes to purchase or acquire voting common stock of  
3 any capital stock savings bank, which purchase or acquisition  
4 would cause such person or group of persons to have control,  
5 as defined herein, of that savings bank, such person or group  
6 of persons must first make application to the office  
7 ~~department~~ for a certificate of approval of such purchase or  
8 acquisition.

9           (b) An application for control shall be in such form  
10 and request such information as the commission requires  
11 ~~department may require~~ by rule.

12           (c) The application for control shall be accompanied  
13 by a nonrefundable filing fee of \$7,500; however, if more than

15 the fee shall be increased by \$3,000 for each additional  
16 savings bank.

17           (2) The office ~~department~~ shall issue the certificate  
18 of approval only after it has made an investigation and  
19 determined that:

20           (a) The proposed new owner or owners of voting capital  
21 stock are qualified by character, experience, and financial  
22 responsibility to control the savings bank in a legal and  
23 proper manner and none of the proposed new owners have been  
24 convicted of, or pled guilty or nolo contendere to, a  
25 violation of s. 655.50, relating to the Florida Control of  
26 Money Laundering in Financial Institutions Act; chapter 896,  
27 relating to offenses related to financial transactions; or any  
28 similar state or federal law.

29           (b) The interests of the public generally will not be  
30 jeopardized by the proposed purchase or acquisition of voting  
31 capital stock.

1           (4) For purposes of this section, a person or group of  
2 persons shall be deemed to have control of a savings bank if  
3 such person or group of persons:

4           (d) Owns, controls, or has power to vote 10 percent or  
5 more of any class of voting securities of the savings bank, if  
6 no other person or group of persons owns, controls, or has  
7 power to vote a greater proportion of that class of voting  
8 securities. In any case in which a proposed purchase or  
9 acquisition of voting securities of a savings bank would give  
10 rise to the presumption created under this paragraph, the  
11 person or group of persons who proposes to purchase or acquire  
12 the voting securities shall first give written notice of the  
13 proposal to the office ~~department~~. Such notice may present  
14 information that the proposed purchase or acquisition will not  
15 result in control. The office ~~department~~ shall afford the  
16 person seeking to rebut the presumption an opportunity to  
17 present views in writing or orally before its designated  
18 representatives at an informal conference.

19           (5)(a) A foreign savings bank, as defined in s.  
20 667.013, whether controlled directly or indirectly by another  
21 business organization, may acquire a Florida savings bank,  
22 subject to approval by the office ~~department~~. The office  
23 ~~department~~ shall not approve the proposed acquisition unless:

24           1. The laws of the state in which the foreign savings  
25 bank has its principal place of business permit savings banks  
26 in that state to be acquired by Florida savings banks.

27           2. The Florida savings bank which is to be acquired  
28 has been in existence and continuously operating for more than  
29 2 years.

13 this state by foreign savings banks or foreign corporations of  
14 any type, any federal savings bank, the principal office of  
15 which is located outside this state, and any foreign savings  
16 bank which is subject to state or federal supervision, or  
17 both, which by law are subject to periodic examination by such  
18 supervisory authority and to a requirement of periodic audit,  
19 shall not be considered to be doing business in this state by  
20 reason of engaging in any of the following activities:

27 to such property by foreclosure, or otherwise, as a result of  
28 default under such instruments, or the holding, protection,  
29 rental, maintenance, and operation of the property so

28 718.501 Powers and duties of Division of Florida Land  
29 Sales, Condominiums, and Mobile Homes.--

30 (1) The Division of Florida Land Sales, Condominiums,  
31 and Mobile Homes of the Department of Business and

1 Professional Regulation, referred to as the "division" in this  
2 part, in addition to other powers and duties prescribed by  
3 chapter 498, has the power to enforce and ensure compliance  
4 with the provisions of this chapter and rules promulgated  
5 pursuant hereto relating to the development, construction,  
6 sale, lease, ownership, operation, and management of  
7 residential condominium units. In performing its duties, the  
8 division has the following powers and duties:

9 (d) Notwithstanding any remedies available to unit  
10 owners and associations, if the division has reasonable cause  
11 to believe that a violation of any provision of this chapter  
12 or rule promulgated pursuant hereto has occurred, the division  
13 may institute enforcement proceedings in its own name against  
14 any developer, association, officer, or member of the board of  
15 administration, or its assignees or agents, as follows:

16 1. The division may permit a person whose conduct or  
17 actions may be under investigation to waive formal proceedings  
18 and enter into a consent proceeding whereby orders, rules, or  
19 letters of censure or warning, whether formal or informal, may  
20 be entered against the person.

21 2. The division may issue an order requiring the  
22 developer, association, officer, or member of the board of  
23 administration, or its assignees or agents, to cease and  
24 desist from the unlawful practice and take such affirmative  
25 action as in the judgment of the division will carry out the  
26 purposes of this chapter. Such affirmative action may include,  
27 but is not limited to, an order requiring a developer to pay  
28 moneys determined to be owed to a condominium association.

29 3. The division may bring an action in circuit court  
30 on behalf of a class of unit owners, lessees, or purchasers  
31 for declaratory relief, injunctive relief, or restitution.

1           4. The division may impose a civil penalty against a  
2 developer or association, or its assignee or agent, for any  
3 violation of this chapter or a rule promulgated pursuant  
4 hereto. The division may impose a civil penalty individually  
5 against any officer or board member who willfully and  
6 knowingly violates a provision of this chapter, a rule adopted  
7 pursuant hereto, or a final order of the division. The term  
8 "willfully and knowingly" means that the division informed the  
9 officer or board member that his or her action or intended  
10 action violates this chapter, a rule adopted under this  
11 chapter, or a final order of the division and that the officer  
12 or board member refused to comply with the requirements of  
13 this chapter, a rule adopted under this chapter, or a final  
14 order of the division. The division, prior to initiating  
15 formal agency action under chapter 120, shall afford the  
16 officer or board member an opportunity to voluntarily comply  
17 with this chapter, a rule adopted under this chapter, or a  
18 final order of the division. An officer or board member who  
19 complies within 10 days is not subject to a civil penalty. A  
20 penalty may be imposed on the basis of each day of continuing  
21 violation, but in no event shall the penalty for any offense  
22 exceed \$5,000. By January 1, 1998, the division shall adopt,  
23 by rule, penalty guidelines applicable to possible violations  
24 or to categories of violations of this chapter or rules  
25 adopted by the division. The guidelines must specify a  
26 meaningful range of civil penalties for each such violation of  
27 the statute and rules and must be based upon the harm caused  
28 by the violation, the repetition of the violation, and upon  
29 such other factors deemed relevant by the division. For  
30 example, the division may consider whether the violations were  
31 committed by a developer or owner-controlled association, the

1 size of the association, and other factors. The guidelines  
2 must designate the possible mitigating or aggravating  
3 circumstances that justify a departure from the range of  
4 penalties provided by the rules. It is the legislative intent  
5 that minor violations be distinguished from those which  
6 endanger the health, safety, or welfare of the condominium  
7 residents or other persons and that such guidelines provide  
8 reasonable and meaningful notice to the public of likely  
9 penalties that may be imposed for proscribed conduct. This  
10 subsection does not limit the ability of the division to  
11 informally dispose of administrative actions or complaints by  
12 stipulation, agreed settlement, or consent order. All amounts  
13 collected shall be deposited with the Chief Financial Officer  
14 ~~Treasurer~~ to the credit of the Division of Florida Land Sales,  
15 Condominiums, and Mobile Homes Trust Fund. If a developer  
16 fails to pay the civil penalty, the division shall thereupon  
17 issue an order directing that such developer cease and desist  
18 from further operation until such time as the civil penalty is  
19 paid or may pursue enforcement of the penalty in a court of  
20 competent jurisdiction. If an association fails to pay the  
21 civil penalty, the division shall thereupon pursue enforcement  
22 in a court of competent jurisdiction, and the order imposing  
23 the civil penalty or the cease and desist order will not  
24 become effective until 20 days after the date of such order.  
25 Any action commenced by the division shall be brought in the  
26 county in which the division has its executive offices or in  
27 the county where the violation occurred.

28 Section 1888. Paragraph (d) of subsection (1) of  
29 section 719.501, Florida Statutes, is amended to read:

30 719.501 Powers and duties of Division of Florida Land  
31 Sales, Condominiums, and Mobile Homes.--

1           (1) The Division of Florida Land Sales, Condominiums,  
2 and Mobile Homes of the Department of Business and  
3 Professional Regulation, referred to as the "division" in this  
4 part, in addition to other powers and duties prescribed by  
5 chapter 498, has the power to enforce and ensure compliance  
6 with the provisions of this chapter and rules promulgated  
7 pursuant hereto relating to the development, construction,  
8 sale, lease, ownership, operation, and management of  
9 residential cooperative units. In performing its duties, the  
10 division shall have the following powers and duties:

11           (d) Notwithstanding any remedies available to unit  
12 owners and associations, if the division has reasonable cause  
13 to believe that a violation of any provision of this chapter  
14 or rule promulgated pursuant hereto has occurred, the division  
15 may institute enforcement proceedings in its own name against  
16 a developer, association, officer, or member of the board, or  
17 its assignees or agents, as follows:

18           1. The division may permit a person whose conduct or  
19 actions may be under investigation to waive formal proceedings  
20 and enter into a consent proceeding whereby orders, rules, or  
21 letters of censure or warning, whether formal or informal, may  
22 be entered against the person.

23           2. The division may issue an order requiring the  
24 developer, association, officer, or member of the board, or  
25 its assignees or agents, to cease and desist from the unlawful  
26 practice and take such affirmative action as in the judgment  
27 of the division will carry out the purposes of this chapter.  
28 Such affirmative action may include, but is not limited to, an  
29 order requiring a developer to pay moneys determined to be  
30 owed to a condominium association.

31

1           3. The division may bring an action in circuit court  
2 on behalf of a class of unit owners, lessees, or purchasers  
3 for declaratory relief, injunctive relief, or restitution.

4           4. The division may impose a civil penalty against a  
5 developer or association, or its assignees or agents, for any  
6 violation of this chapter or a rule promulgated pursuant  
7 hereto. The division may impose a civil penalty individually  
8 against any officer or board member who willfully and  
9 knowingly violates a provision of this chapter, a rule adopted  
10 pursuant to this chapter, or a final order of the division.  
11 The term "willfully and knowingly" means that the division  
12 informed the officer or board member that his or her action or  
13 intended action violates this chapter, a rule adopted under  
14 this chapter, or a final order of the division, and that the  
15 officer or board member refused to comply with the  
16 requirements of this chapter, a rule adopted under this  
17 chapter, or a final order of the division. The division, prior  
18 to initiating formal agency action under chapter 120, shall  
19 afford the officer or board member an opportunity to  
20 voluntarily comply with this chapter, a rule adopted under  
21 this chapter, or a final order of the division. An officer or  
22 board member who complies within 10 days is not subject to a  
23 civil penalty. A penalty may be imposed on the basis of each  
24 day of continuing violation, but in no event shall the penalty  
25 for any offense exceed \$5,000. By January 1, 1998, the  
26 division shall adopt, by rule, penalty guidelines applicable  
27 to possible violations or to categories of violations of this  
28 chapter or rules adopted by the division. The guidelines must  
29 specify a meaningful range of civil penalties for each such  
30 violation of the statute and rules and must be based upon the  
31 harm caused by the violation, the repetition of the violation,

1 and upon such other factors deemed relevant by the division.  
2 For example, the division may consider whether the violations  
3 were committed by a developer or owner-controlled association,  
4 the size of the association, and other factors. The guidelines  
5 must designate the possible mitigating or aggravating  
6 circumstances that justify a departure from the range of  
7 penalties provided by the rules. It is the legislative intent  
8 that minor violations be distinguished from those which  
9 endanger the health, safety, or welfare of the cooperative  
10 residents or other persons and that such guidelines provide  
11 reasonable and meaningful notice to the public of likely  
12 penalties that may be imposed for proscribed conduct. This  
13 subsection does not limit the ability of the division to  
14 informally dispose of administrative actions or complaints by  
15 stipulation, agreed settlement, or consent order. All amounts  
16 collected shall be deposited with the Chief Financial Officer  
17 ~~Treasurer~~ to the credit of the Division of Florida Land Sales,  
18 Condominiums, and Mobile Homes Trust Fund. If a developer  
19 fails to pay the civil penalty, the division shall thereupon  
20 issue an order directing that such developer cease and desist  
21 from further operation until such time as the civil penalty is  
22 paid or may pursue enforcement of the penalty in a court of  
23 competent jurisdiction. If an association fails to pay the  
24 civil penalty, the division shall thereupon pursue enforcement  
25 in a court of competent jurisdiction, and the order imposing  
26 the civil penalty or the cease and desist order shall not  
27 become effective until 20 days after the date of such order.  
28 Any action commenced by the division shall be brought in the  
29 county in which the division has its executive offices or in  
30 the county where the violation occurred.

1           Section 1889. Subsection (3) of section 721.24,  
2 Florida Statutes, is amended to read:

3           721.24 Firesafety.--

4           (3) The Division of State Fire Marshal of the  
5 Department of Financial Services ~~Insurance~~ may prescribe  
6 uniform standards for firesafety equipment for timeshare units  
7 of timeshare plans for which the construction contracts were  
8 let before October 1, 1983. An entire building shall be  
9 equipped as outlined, except that the approved sprinkler  
10 system may be delayed by the Division of State Fire Marshal  
11 until October 1, 1991, on a schedule for complete compliance  
12 in accordance with rules adopted by the Division of State Fire  
13 Marshal, which schedule shall include a provision for a 1-year  
14 extension which may be granted not more than three times for  
15 any individual requesting an extension. The entire system  
16 must be installed and operational by October 1, 1994. The  
17 Division of State Fire Marshal shall not grant an extension  
18 for the approved sprinkler system unless a written request for  
19 the extension and a construction work schedule is submitted.  
20 The Division of State Fire Marshal may grant an extension upon  
21 demonstration that compliance with this section by the date  
22 required would impose an extreme hardship and a  
23 disproportionate financial impact. Any establishment that has  
24 been granted an extension by the Division of State Fire  
25 Marshal shall post, in a conspicuous place on the premises, a  
26 public notice stating that the establishment has not yet  
27 installed the approved sprinkler system required by law.

28           Section 1890. Paragraph (e) of subsection (5) of  
29 section 721.26, Florida Statutes, is amended to read:

30           721.26 Regulation by division.--The division has the  
31 power to enforce and ensure compliance with the provisions of

1 this chapter, except for parts III and IV, using the powers  
2 provided in this chapter, as well as the powers prescribed in  
3 chapters 498, 718, and 719. In performing its duties, the  
4 division shall have the following powers and duties:

5 (5) Notwithstanding any remedies available to  
6 purchasers, if the division has reasonable cause to believe  
7 that a violation of this chapter, or of any division rule or  
8 order promulgated or issued pursuant to this chapter, has  
9 occurred, the division may institute enforcement proceedings  
10 in its own name against any regulated party, as such term is  
11 defined in this subsection:

12 (e)1. The division may impose a penalty against any  
13 regulated party for a violation of this chapter or any rule  
14 adopted thereunder. A penalty may be imposed on the basis of  
15 each day of continuing violation, but in no event may the  
16 penalty for any offense exceed \$10,000. All accounts  
17 collected shall be deposited with the Chief Financial Officer  
18 ~~Treasurer~~ to the credit of the Division of Florida Land Sales,  
19 Condominiums, and Mobile Homes Trust Fund.

20 2.a. If a regulated party fails to pay a penalty, the  
21 division shall thereupon issue an order directing that such  
22 regulated party cease and desist from further operation until  
23 such time as the penalty is paid; or the division may pursue  
24 enforcement of the penalty in a court of competent  
25 jurisdiction.

26 b. If an association or managing entity fails to pay a  
27 civil penalty, the division may pursue enforcement in a court  
28 of competent jurisdiction.

29 Section 1891. Paragraph (e) of subsection (5) of  
30 section 723.006, Florida Statutes, is amended to read:

31

1           723.006 Powers and duties of division.--In performing  
2 its duties, the division has the following powers and duties:

3           (5) Notwithstanding any remedies available to mobile  
4 home owners, mobile home park owners, and homeowners'  
5 associations, if the division has reasonable cause to believe  
6 that a violation of any provision of this chapter or any rule  
7 promulgated pursuant hereto has occurred, the division may  
8 institute enforcement proceedings in its own name against a  
9 developer, mobile home park owner, or homeowners' association,  
10 or its assignee or agent, as follows:

11           (e)1. The division may impose a civil penalty against  
12 a mobile home park owner or homeowners' association, or its  
13 assignee or agent, for any violation of this chapter, a  
14 properly promulgated park rule or regulation, or a rule or  
15 regulation promulgated pursuant hereto. A penalty may be  
16 imposed on the basis of each separate violation and, if the  
17 violation is a continuing one, for each day of continuing  
18 violation, but in no event may the penalty for each separate  
19 violation or for each day of continuing violation exceed  
20 \$5,000. All amounts collected shall be deposited with the  
21 Chief Financial Officer ~~Treasurer~~ to the credit of the  
22 Division of Florida Land Sales, Condominiums, and Mobile Homes  
23 Trust Fund.

24           2. If a violator fails to pay the civil penalty, the  
25 division shall thereupon issue an order directing that such  
26 violator cease and desist from further violation until such  
27 time as the civil penalty is paid or may pursue enforcement of  
28 the penalty in a court of competent jurisdiction. If a  
29 homeowners' association fails to pay the civil penalty, the  
30 division shall thereupon pursue enforcement in a court of  
31 competent jurisdiction, and the order imposing the civil

1 penalty or the cease and desist order shall not become  
2 effective until 20 days after the date of such order. Any  
3 action commenced by the division shall be brought in the  
4 county in which the division has its executive offices or in  
5 which the violation occurred.

6 Section 1892. Subsections (2) and (3) and paragraph  
7 (a) of subsection (5) of section 732.107, Florida Statutes,  
8 are amended to read:

9 732.107 Escheat.--

10 (2) Property that escheats shall be sold as provided  
11 in the Florida Probate Rules and the proceeds paid to the  
12 Chief Financial Officer ~~Treasurer~~ of the state and deposited  
13 in the State School Fund.

14 (3) At any time within 10 years after the payment to  
15 the Chief Financial Officer ~~Treasurer~~, a person claiming to be  
16 entitled to the proceeds may reopen the administration to  
17 assert entitlement to the proceeds. If no claim is timely  
18 asserted, the state's rights to the proceeds shall become  
19 absolute.

20 (5)(a) If a person entitled to the proceeds assigns  
21 the rights to receive payment to an attorney,  
22 Florida-certified public accountant, or private investigative  
23 agency which is duly licensed to do business in this state  
24 pursuant to a written agreement with that person, the  
25 Department of Financial Services ~~Banking and Finance~~ is  
26 authorized to make distribution in accordance with the  
27 assignment.

28 Section 1893. Subsections (1), (2), and (3) and  
29 paragraph (a) of subsection (5) of section 733.816, Florida  
30 Statutes, are amended to read:

31

1           733.816 Disposition of unclaimed property held by  
2 personal representatives.--

3           (1) In all cases in which there is unclaimed property  
4 in the hands of a personal representative that cannot be  
5 distributed or paid because of the inability to find the  
6 lawful owner or because no lawful owner is known or because  
7 the lawful owner refuses to accept the property after a  
8 reasonable attempt to distribute it and after notice to that  
9 lawful owner, the court shall order the personal  
10 representative to sell the property and deposit the proceeds  
11 and cash already in hand, after retaining those amounts  
12 provided for in subsection (4), with the clerk and receive a  
13 receipt, and the clerk shall deposit the funds in the registry  
14 of the court to be disposed of as follows:

15           (a) If the value of the funds is \$500 or less, the  
16 clerk shall post a notice for 30 days at the courthouse door  
17 giving the amount involved, the name of the personal  
18 representative, and the other pertinent information that will  
19 put interested persons on notice.

20           (b) If the value of the funds is over \$500, the clerk  
21 shall publish the notice once a month for 2 consecutive months  
22 in a newspaper of general circulation in the county.

28           (2) Upon receipt of the funds, the Chief Financial  
29 Officer ~~State Treasurer~~ shall deposit them to the credit of  
30 the State School Fund, to become a part of the school fund.  
31 All interest and all income that may accrue from the money

2 deposited shall constitute and be a permanent appropriation  
3 for payments by the Chief Financial Officer ~~State Treasurer~~ in  
4 obedience to court orders entered as provided by subsection  
5 (3).

6 (3) Within 10 years from the date of deposit with the  
7 Chief Financial Officer ~~State Treasurer~~, on written petition  
8 to the court that directed the deposit of the funds and  
9 informal notice to the Department of Legal Affairs, and after  
10 proof of entitlement, any person entitled to the funds before

20 private investigative agency which is duly licensed to do  
21 business in this state pursuant to a written agreement with  
22 that person, the Department of Financial Services ~~Banking and~~  
23 ~~Finance~~ is authorized to make distribution in accordance with  
24 the assignment.

25 Section 1894. Paragraphs (a), (b), and (c) of  
26 subsection (2) of section 744.534, Florida Statutes, are  
27 amended to read:

28 744.534 Disposition of unclaimed funds held by  
29 guardian.--

30 (2)(a) In those cases in which it is appropriate for  
31 the guardianship to terminate pursuant to s. 744.521 and in

1 which property in the hands of a guardian cannot be  
2 distributed to the ward or the ward's estate solely because  
3 the guardian is unable to locate the ward through diligent  
4 search, the court shall order the guardian of the property to  
5 sell the property of the ward and deposit the proceeds and  
6 cash already on hand after retaining those amounts provided  
7 for in paragraph (e) with the clerk of the court exercising

18           3. After the expiration of 6 months from the posting  
19 or first publication, the clerk shall deposit the funds with  
20 the Chief Financial Officer ~~State Treasurer~~ after deducting  
21 his or her fees and the costs of publication.

22           (b) Upon receipt of the funds, the Chief Financial  
23 Officer ~~State Treasurer~~ shall deposit them to the credit of  
24 public guardianship. All interest and all income that may

26 fund. The funds so deposited shall constitute and be a  
27 permanent appropriation for payments by the Chief Financial  
28 Officer ~~State Treasurer~~ in obedience to court orders entered  
29 as provided by paragraph (c).

30           (c) Within 5 years from the date of deposit with the  
31 Chief Financial Officer ~~State Treasurer~~, on written petition

1 to the court that directed the deposit of the funds and  
2 informal notice to the Department of Legal Affairs, and after  
3 proof of his or her right to them, any person entitled to the  
4 funds, before or after payment to the Chief Financial Officer  
5 ~~State Treasurer~~ and deposit as provided for in paragraph (a),  
6 may obtain a court order directing the payment of the funds to  
7 him or her. All funds deposited with the Chief Financial  
8 Officer ~~State Treasurer~~ and not claimed within 5 years from

14 Section 1895. Paragraphs (b), (c), (d), (e), and (g)  
15 of subsection (3) of section 766.105, Florida Statutes, are  
16 amended to read:

17 766.105 Florida Patient's Compensation Fund.--

18 (3) THE FUND.--

19 (b) Fund administration and operation.--

20 1. The fund shall operate subject to the supervision  
21 and approval of a board of governors consisting of a  
22 representative of the insurance industry appointed by the  
23 Chief Financial Officer ~~Insurance Commissioner~~, an attorney  
24 appointed by The Florida Bar, a representative of physicians  
25 appointed by the Florida Medical Association, a representative  
26 of physicians' insurance appointed by the Chief Financial  
27 Officer ~~Insurance Commissioner~~, a representative of  
28 physicians' self-insurance appointed by the Chief Financial  
29 Officer ~~Insurance Commissioner~~, two representatives of  
30 hospitals appointed by the Florida Hospital Association, a  
31 representative of hospital insurance appointed by the Chief

1 Financial Officer ~~Insurance Commissioner~~, a representative of  
2 hospital self-insurance appointed by the Chief Financial  
3 Officer ~~Insurance Commissioner~~, a representative of the  
4 osteopathic physicians' or podiatric physicians' insurance or  
5 self-insurance appointed by the Chief Financial Officer  
6 ~~Insurance Commissioner~~, and a representative of the general  
7 public appointed by the Chief Financial Officer ~~Insurance~~  
8 ~~Commissioner~~. The board of governors shall, during the first  
9 meeting after June 30 of each year, choose one of its members  
10 to serve as chair of the board and another member to serve as  
11 vice chair of the board. The members of the board shall be  
12 appointed to serve terms of 4 years, except that the initial  
13 appointments of a representative of the general public by the  
14 Chief Financial Officer ~~Insurance Commissioner~~, an attorney by  
15 The Florida Bar, a representative of physicians by the Florida  
16 Medical Association, and one of the two representatives of the  
17 Florida Hospital Association shall be for terms of 3 years;  
18 thereafter, such representatives shall be appointed for terms  
19 of 4 years. Subsequent to initial appointments for 4-year  
20 terms, the representative of the osteopathic physicians' or  
21 podiatric physicians' insurance or self-insurance appointed by  
22 the Chief Financial Officer ~~Insurance Commissioner~~ and the  
23 representative of hospital self-insurance appointed by the  
24 Chief Financial Officer ~~Insurance Commissioner~~ shall be  
25 appointed for 2-year terms; thereafter, such representatives  
26 shall be appointed for terms of 4 years. Each appointed member  
27 may designate in writing to the chair an alternate to act in  
28 the member's absence or incapacity. A member of the board, or  
29 the member's alternate, may be reimbursed from the assets of  
30 the fund for expenses incurred by him or her as a member, or  
31 alternate member, of the board and for committee work, but he

1 or she may not otherwise be compensated by the fund for his or  
2 her service as a board member or alternate.

3 2. There shall be no liability on the part of, and no  
4 cause of action of any nature shall arise against, the fund or  
5 its agents or employees, professional advisers or consultants,  
6 members of the board of governors or their alternates, or the  
7 Department of Financial Services or the Office of Insurance  
8 Regulation of the Financial Services Commission ~~Insurance~~ or  
9 their ~~its~~ representatives for any action taken by them in the  
10 performance of their powers and duties pursuant to this  
11 section.

12 (c) Powers of the fund.--The fund has the power to:

13 1. Sue and be sued, and appear and defend, in all  
14 actions and proceedings in its name to the same extent as a  
15 natural person.

16 2. Adopt, change, amend, and repeal a plan of  
17 operation, not inconsistent with law, for the regulation and  
18 administration of the affairs of the fund. The plan and any  
19 changes thereto shall be filed with the Office of Insurance  
20 Regulation of the Financial Services Commission ~~Insurance~~  
21 ~~Commissioner~~ and are all subject to its ~~his or her~~ approval  
22 before implementation by the fund. All fund members, board  
23 members, and employees shall comply with the plan of  
24 operation.

25 3. Have and exercise all powers necessary or  
26 convenient to effect any or all of the purposes for which the  
27 fund is created.

28 4. Enter into such contracts as are necessary or  
29 proper to carry out the provisions and purposes of this  
30 section.

31

1           5. Employ or retain such persons as are necessary to  
2 perform the administrative and financial transactions and  
3 responsibilities of the fund and to perform other necessary or  
4 proper functions unless prohibited by law.

5           6. Take such legal action as may be necessary to avoid  
6 payment of improper claims.

7           7. Indemnify any employee, agent, member of the board  
8 of governors or his or her alternate, or person acting on  
9 behalf of the fund in an official capacity, for expenses,  
10 including attorney's fees, judgments, fines, and amounts paid  
11 in settlement actually and reasonably incurred by him or her  
12 in connection with any action, suit, or proceeding, including  
13 any appeal thereof, arising out of his or her capacity in  
14 acting on behalf of the fund, if he or she acted in good faith  
15 and in a manner he or she reasonably believed to be in, or not  
16 opposed to, the best interests of the fund and, with respect  
17 to any criminal action or proceeding, he or she had reasonable  
18 cause to believe his or her conduct was lawful.

19           (d) Fees and assessments.--Each health care provider,  
20 as set forth in subsection (2), electing to comply with  
21 paragraph (2)(b) for a given fiscal year shall pay the fees  
22 and any assessments established under this section relative to  
23 such fiscal year, for deposit into the fund. Those entering  
24 the fund after the fiscal year has begun shall pay a prorated  
25 share of the yearly fees for a prorated membership.  
26 Actuarially sound membership fees payable annually,  
27 semiannually, or quarterly with appropriate service charges  
28 shall be established by the fund before January 1 of each  
29 fiscal year, based on the following considerations:  
30  
31

1           1. Past and prospective loss and expense experience in  
2 different types of practice and in different geographical  
3 areas within the state;

4           2. The prior claims experience of the members covered  
5 under the fund; and

6           3. Risk factors for persons who are retired,  
7 semiretired, or part-time professionals.

8  
9 Such fees shall be based on not more than three geographical  
10 areas, not necessarily contiguous, with five categories of  
11 practice and with categories which contemplate separate risk  
12 ratings for hospitals, for health maintenance organizations,  
13 for ambulatory surgical facilities, and for other medical  
14 facilities. The fund is authorized to adjust the fees of an  
15 individual member to reflect the claims experience of such  
16 member. Each fiscal year of the fund shall operate  
17 independently of preceding fiscal years. Participants shall  
18 only be liable for assessments for claims from years during  
19 which they were members of the fund; in cases in which a  
20 participant is a member of the fund for less than the total  
21 fiscal year, a member shall be subject to assessments for that  
22 year on a pro rata basis determined by the percentage of  
23 participation for the year. The fund shall submit to the  
24 Office of Insurance Regulation ~~Insurance Commissioner~~ the  
25 classifications and membership fees to be charged, and the  
26 Office of Insurance Regulation ~~Insurance Commissioner~~ shall  
27 review such fees and shall approve them if they comply with  
28 all the requirements of this section and fairly reflect the  
29 considerations provided for in this section. If the  
30 classifications or membership fees do not comply with this  
31 section, the Office of Insurance Regulation ~~Insurance~~

1 ~~Commissioner~~ shall set classifications or membership fees  
2 which do comply and which give due recognition to all  
3 considerations provided for in this section. Nothing  
4 contained herein shall be construed as imposing liability for  
5 payment of any part of a fund deficit on the Joint  
6 Underwriting Association authorized by s. 627.351(4) or its  
7 member insurers. If the fund determines that the amount of  
8 money in an account for a given fiscal year is in excess of or  
9 not sufficient to satisfy the claims made against the account,  
10 the fund shall certify the amount of the projected excess or  
11 insufficiency to the Office of Insurance Regulation ~~Insurance~~  
12 ~~Commissioner~~ and request the office ~~Insurance Commissioner~~ to  
13 levy an assessment against or refund to all participants in  
14 the fund for that fiscal year, prorated, based on the number  
15 of days of participation during the year in question. The  
16 Office of Insurance Regulation ~~Insurance Commissioner~~ shall  
17 approve the request of the fund to refund to, or levy any  
18 assessment against, the participants, provided the refund or  
19 assessment fairly reflects the same considerations and  
20 classifications upon which the membership fees were based. The  
21 assessment shall be in an amount sufficient to satisfy reserve  
22 requirements for known claims, including expenses to satisfy  
23 the claims, made against the account for a given fiscal year.  
24 In any proceeding to challenge the amount of the refund or  
25 assessment, it is to be presumed that the amount of refund or  
26 assessment requested by the fund is correct, if the fund

13 assessments are a result of the liability of certain  
14 individuals and entities specified in paragraph (2)(e), only  
15 hospitals shall be subject to such assessments. Before  
16 approving the request of the fund to charge membership fees,  
17 issue refunds, or levy assessments, the Office of Insurance  
18 Regulation ~~Insurance Commissioner~~ shall publish notice of the  
19 request in the Florida Administrative Weekly. Pursuant to  
20 chapter 120, any party substantially affected may request an  
21 appropriate proceeding. Any petition for such a proceeding

28  
29 The fund shall establish a schedule of fee surcharges which it

13 subsection (4) on a proportional basis as needed.

20 Section 1899. Subsection (3), paragraphs (a) and (d)  
21 of subsection (6), and subsection (7) of section 768.28,

3 unless the claimant presents the claim in writing to the  
4 appropriate agency, and also, except as to any claim against a  
5 municipality or the Florida Space Authority, presents such  
6 claim in writing to the Department of Financial Services  
7 ~~insurance~~, within 3 years after such claim accrues and the  
8 Department of Financial Services ~~insurance~~ or the appropriate  
9 agency denies the claim in writing; except that, if such claim  
10 is for contribution pursuant to s. 768.31, it must be so
