11 any such transaction of business; and such transaction of
12 business shall constitute the agreement of the insurer or
13 person representing or aiding such insurer that any such
14 process against it or any such notice or order which is so
15 served shall be of the same legal force and validity as if
16 served personally within this state on the insurer or person
17 representing or aiding such insurer. Service of process shall
18 be in accordance with and in the same manner as now provided

15 Section 1014. Section 626.912, Florida Statutes, is
16 amended to read:

17 626.912 Exemptions from ss. 626.904-626.911.--The
18 provisions of ss. 626.904-626.911 do not apply to any action,

10 beneficiary arising out of any such contract of insurance; and
11 service of process effected on such Chief Financial Officer
12 ~~Insurance Commissioner and Treasurer, his or her successor or~~
13 ~~successors in office,~~ or such resident agent shall be deemed
14 to confer complete jurisdiction over such unauthorized insurer
15 or person representing or aiding such insurer in such action.

16 Section 1015. Subsection (2) of section 626.914,
17 Florida Statutes, is amended to read:

18 626.914 Definitions.--As used in this Surplus Lines
19 Law, the term:

20 (2) "Eligible surplus lines insurer" means an
21 unauthorized insurer which has been made eligible by the
22 office ~~department~~ to issue insurance coverage under this
23 Surplus Lines Law.

24 Section 1016. Subsections (1) and (2) of section
25 626.916, Florida Statutes, are amended to read:

26 626.916 Eligibility for export.--

27 (1) No insurance coverage shall be eligible for export
28 unless it meets all of the following conditions:

29 (a) The full amount of insurance required must not be
30 procurable, after a diligent effort has been made by the
31 producing agent to do so, from among the insurers authorized

1 to transact and actually writing that kind and class of
2 insurance in this state, and the amount of insurance exported
3 shall be only the excess over the amount so procurable from
4 authorized insurers. Surplus lines agents must verify that a
5 diligent effort has been made by requiring a properly
6 documented statement of diligent effort from the retail or
7 producing agent. However, to be in compliance with the
8 diligent effort requirement, the surplus lines agent's
9 reliance must be reasonable under the particular circumstances
10 surrounding the export of that particular risk. Reasonableness
11 shall be assessed by taking into account factors which
12 include, but are not limited to, a regularly conducted program
13 of verification of the information provided by the retail or
14 producing agent. Declinations must be documented on a
15 risk-by-risk basis. If it is not possible to obtain the full
16 amount of insurance required by layering the risk, it is
17 permissible to export the full amount.

18 (b) The premium rate at which the coverage is exported
19 shall not be lower than that rate applicable, if any, in
20 actual and current use by a majority of the authorized
21 insurers for the same coverage on a similar risk.

22 (c) The policy or contract form under which the
23 insurance is exported shall not be more favorable to the
24 insured as to the coverage or rate than under similar
25 contracts on file and in actual current use in this state by
26 the majority of authorized insurers actually writing similar
27 coverages on similar risks; except that a coverage may be
28 exported under a unique form of policy designed for use with
29 respect to a particular subject of insurance if a copy of such
30 form is filed with the office ~~department~~ by the surplus lines
31 agent desiring to use the same and is subject to the

1 disapproval of the office ~~department~~ within 10 days of filing
2 such form exclusive of Saturdays, Sundays, and legal holidays
3 if it finds that the use of such special form is not
4 reasonably necessary for the principal purposes of the
5 coverage or that its use would be contrary to the purposes of
6 this Surplus Lines Law with respect to the reasonable
7 protection of authorized insurers from unwarranted competition
8 by unauthorized insurers.

9 (d) Except as to extended coverage in connection with
10 fire insurance policies and except as to windstorm insurance,
11 the policy or contract under which the insurance is exported
12 shall not provide for deductible amounts, in determining the
13 existence or extent of the insurer's liability, other than
14 those available under similar policies or contracts in actual
15 and current use by one or more authorized insurers.

16 (2) The commission ~~department~~ may by rule ~~rules and~~
17 ~~regulations~~ declare eligible for export generally, and
18 notwithstanding the provisions of paragraphs (a), (b), (c),
19 and (d) of subsection (1), any class or classes of insurance
20 coverage or risk for which it finds, after a hearing, that
21 there is no reasonable or adequate market among authorized
22 insurers. Any such rules ~~and regulations~~ shall continue in
23 effect during the existence of the conditions upon which
24 predicated, but subject to termination by the commission
25 ~~department~~.

26 Section 1017. Subsection (1) of section 626.917,
27 Florida Statutes, is amended to read:

28 626.917 Eligibility for export; wet marine and
29 transportation, aviation risks.--

30 (1) Insurance coverage of wet marine and
31 transportation risks, as defined in this code in s.

1 624.607(2), or aviation risks, including airport and products
2 liability incidental thereto and hangarkeeper's liability, may
3 be exported under the following conditions:

4 (a) The insurance must be placed only by or through a
5 licensed Florida surplus lines agent; and

6 (b) The insurer must be one made eligible by the
7 office ~~department~~ specifically for such coverages, based upon
8 information furnished by the insurer and indicating that the
9 insurer is well able to meet its financial obligations.

10 Section 1018. Section 626.918, Florida Statutes, is
11 amended to read:

12 626.918 Eligible surplus lines insurers.--

13 (1) No surplus lines agent shall place any coverage
14 with any unauthorized insurer which is not then an eligible
15 surplus lines insurer, except as permitted under subsections
16 (5) and (6).

17 (2) No unauthorized insurer shall be or become an
18 eligible surplus lines insurer unless made eligible by the
19 office ~~department~~ in accordance with the following conditions:

20 (a) Eligibility of the insurer must be requested in
21 writing by the Florida Surplus Lines Service Office;

22 (b) The insurer must be currently an authorized
23 insurer in the state or country of its domicile as to the kind
24 or kinds of insurance proposed to be so placed and must have
25 been such an insurer for not less than the 3 years next
26 preceding or must be the wholly owned subsidiary of such
27 authorized insurer or must be the wholly owned subsidiary of
28 an already eligible surplus lines insurer as to the kind or
29 kinds of insurance proposed for a period of not less than the
30 3 years next preceding. However, the office ~~department~~ may
31 waive the 3-year requirement if the insurer provides a product

1 or service not readily available to the consumers of this
2 state or has operated successfully for a period of at least 1
3 year next preceding and has capital and surplus of not less
4 than \$25 million;

5 (c) Before granting eligibility, the requesting
6 surplus lines agent or the insurer shall furnish the office
7 ~~department~~ with a duly authenticated copy of its current
8 annual financial statement in the English language and with
9 all monetary values therein expressed in United States
10 dollars, at an exchange rate (in the case of statements
11 originally made in the currencies of other countries)
12 then-current and shown in the statement, and with such
13 additional information relative to the insurer as the office
14 ~~department~~ may request;

15 (d)1. The insurer must have and maintain surplus as to
16 policyholders of not less than \$15 million; in addition, an
17 alien insurer must also have and maintain in the United States
18 a trust fund for the protection of all its policyholders in
19 the United States under terms deemed by the office ~~department~~
20 to be reasonably adequate, in an amount not less than \$5.4
21 million. Any such surplus as to policyholders or trust fund
22 shall be represented by investments consisting of eligible
23 investments for like funds of like domestic insurers under
24 part II of chapter 625 provided, however, that in the case of
25 an alien insurance company, any such surplus as to
26 policyholders may be represented by investments permitted by
27 the domestic regulator of such alien insurance company if such
28 investments are substantially similar in terms of quality,
29 liquidity, and security to eligible investments for like funds
30 of like domestic insurers under part II of chapter 625;

31

1 2. For those surplus lines insurers that were eligible
2 on January 1, 1994, and that maintained their eligibility
3 thereafter, the required surplus as to policyholders shall be:
4 a. On December 31, 1994, and until December 30, 1995,
5 \$2.5 million.
6 b. On December 31, 1995, and until December 30, 1996,
7 \$3.5 million.
8 c. On December 31, 1996, and until December 30, 1997,
9 \$4.5 million.
10 d. On December 31, 1997, and until December 30, 1998,
11 \$5.5 million.
12 e. On December 31, 1998, and until December 30, 1999,
13 \$6.5 million.
14 f. On December 31, 1999, and until December 30, 2000,
15 \$8 million.
16 g. On December 31, 2000, and until December 30, 2001,
17 \$9.5 million.
18 h. On December 31, 2001, and until December 30, 2002,
19 \$11 million.
20 i. On December 31, 2002, and until December 30, 2003,
21 \$13 million.
22 j. On December 31, 2003, and thereafter, \$15 million.
23 3. The capital and surplus requirements as set forth
24 in subparagraph 2. do not apply in the case of an insurance
25 exchange created by the laws of individual states, where the
26 exchange maintains capital and surplus pursuant to the
27 requirements of that state, or maintains capital and surplus
28 in an amount not less than \$50 million in the aggregate. For
29 an insurance exchange which maintains funds in the amount of
30 at least \$12 million for the protection of all insurance
31 exchange policyholders, each individual syndicate shall

1 maintain minimum capital and surplus in an amount not less
2 than \$3 million. If the insurance exchange does not maintain
3 funds in the amount of at least \$12 million for the protection
4 of all insurance exchange policyholders, each individual
5 syndicate shall meet the minimum capital and surplus
6 requirements set forth in subparagraph 2.;

7 4. A surplus lines insurer which is a member of an
8 insurance holding company that includes a member which is a
9 Florida domestic insurer as set forth in its holding company
10 registration statement, as set forth in s. 628.801 and rules
11 adopted thereunder, may elect to maintain surplus as to
12 policyholders in an amount equal to the requirements of s.
13 624.408, subject to the requirement that the surplus lines
14 insurer shall at all times be in compliance with the
15 requirements of chapter 625.

16
17 The election shall be submitted to the office ~~department~~ and
18 shall be effective upon the office's ~~department's~~ being
19 satisfied that the requirements of subparagraph 4. have been
20 met. The initial date of election shall be the date of office
21 ~~department~~ approval. The election approval application shall
22 be on a form adopted by commission ~~department~~ rule. The office
23 ~~department~~ may approve an election form submitted pursuant to
24 subparagraph 4. only if it was on file with the former
25 Department of Insurance before February 28, 1998;

26 (e) The insurer must be of good reputation as to the
27 providing of service to its policyholders and the payment of
28 losses and claims;

29 (f) The insurer must be eligible, as for authority to
30 transact insurance in this state, under s. 624.404(3); and

31

1 (g) This subsection does not apply as to unauthorized
2 insurers made eligible under s. 626.917 as to wet marine and
3 aviation risks.

4 (3) The office ~~department~~ shall from time to time
5 publish a list of all currently eligible surplus lines
6 insurers and shall mail a copy thereof to each licensed
7 surplus lines agent at his or her office of record with the
8 office ~~department~~.

9 (4) This section shall not be deemed to cast upon the
10 office ~~department~~ any duty or responsibility to determine the
11 actual financial condition or claims practices of any
12 unauthorized insurer; and the status of eligibility, if
13 granted by the office ~~department~~, shall indicate only that the
14 insurer appears to be sound financially and to have
15 satisfactory claims practices and that the office ~~department~~
16 has no credible evidence to the contrary.

17 (5) When it appears that any particular insurance risk
18 which is eligible for export, but on which insurance coverage,
19 in whole or in part, is not procurable from the eligible
20 surplus lines insurers, after a search of eligible surplus
21 lines insurers, then the surplus lines agent may file a
22 supplemental signed statement setting forth such facts and
23 advising the office ~~department~~ that such part of the risk as
24 shall be unprocurable, as aforesaid, is being placed with
25 named unauthorized insurers, in the amounts and percentages
26 set forth in the statement. Such named unauthorized insurer
27 shall, however, before accepting any risk in this state,
28 deposit with the department cash or securities acceptable to
29 the office and ~~department~~ of the market value of \$50,000 for
30 each individual risk, contract, or certificate, which deposit
31 shall be held by the department for the benefit of Florida

1 policyholders only; and the surplus lines agent shall procure
2 from such unauthorized insurer and file with the office
3 ~~department~~ a certified copy of its statement of condition as
4 of the close of the last calendar year. If such statement
5 reveals, including both capital and surplus, net assets of at
6 least that amount required for licensure of a domestic
7 insurer, then the surplus lines agent may proceed to
8 consummate such contract of insurance. Whenever any insurance
9 risk, or any part thereof, is placed with an unauthorized
10 insurer, as provided herein, the policy, binder, or cover note
11 shall contain a statement signed by the insured and the agent
12 with the following notation: "The insured is aware that
13 certain insurers participating in this risk have not been
14 approved to transact business in Florida nor have they been
15 declared eligible as surplus lines insurers by the Office of
16 Insurance Regulation ~~Department of Insurance~~ of Florida. The
17 placing of such insurance by a duly licensed surplus lines
18 agent in Florida shall not be construed as approval of such
19 insurer by the Office of Insurance Regulation ~~Department of~~
20 ~~insurance~~ of Florida. Consequently, the insured is aware that
21 the insured has severely limited the assistance available
22 under the insurance laws of Florida. The insured is further
23 aware that he or she may be charged a reasonable per policy
24 fee, as provided in s. 626.916(4), Florida Statutes, for each
25 policy certified for export." All other provisions of this
26 code shall apply to such placement the same as if such risks
27 were placed with an eligible surplus lines insurer.

28 (6) When any particular insurance risk subject to
29 subsection (5) is eligible for placement with an unauthorized
30 insurer and not more than 12.5 percent of the risk is so
31 subject, the office ~~Department of Insurance~~ may, at its

1 discretion, permit the agent to obtain from the insured a
2 signed statement as indicated in subsection (5). All other
3 provisions of this code apply to such placement the same as if
4 such risks were placed with an eligible surplus lines insurer.

5 Section 1019. Section 626.919, Florida Statutes, is
6 amended to read:

7 626.919 Withdrawal of eligibility; surplus lines
8 insurer.--

9 (1) If at any time the office ~~department~~ has reason to
10 believe that any unauthorized insurer then on the list of
11 eligible surplus lines insurers is insolvent or in unsound
12 financial condition, or does not make reasonable prompt
13 payment of just losses and claims in this state, or that it is
14 no longer eligible under the conditions therefor provided in
15 s. 626.918, it shall withdraw the eligibility of the insurer
16 to insure surplus lines risks in this state.

17 (2) If the office ~~department~~ finds that an insurer
18 currently eligible as a surplus lines insurer has willfully
19 violated the laws of this state or a rule of the commission
20 ~~department~~, it may, in its discretion, withdraw the
21 eligibility of the insurer to insure surplus lines risks in
22 this state.

23 (3) The office ~~department~~ shall promptly mail notice
24 of all such withdrawals of eligibility to each surplus lines
25 agent at his or her address of record with the department.

26 Section 1020. Subsections (3), (5), (6), (7), and (8)
27 of section 626.921, Florida Statutes, is amended to read:

30 a plan of operation adopted under subsection (5). It shall
31 exercise its powers through a board of governors established

18 service office. The plan of operation and any amendments
19 thereto shall become effective upon approval by order of the
20 office ~~department~~.

21 (b) If the association fails to submit a suitable plan
22 of operation within 180 days following the effective date of
23 this act, or if at any time thereafter the association fails
24 to submit suitable amendments to the plan of operation, the
25 office ~~department~~ shall, after notice and hearing, adopt by
26 order a plan of operation, or amendments to a plan of
27 operation, and the commission shall adopt such rules as are
28 necessary or advisable to effectuate the provisions of this
29 section. Such rules shall continue in force until modified by
30 the commission ~~department~~ or superseded by a plan of operation
31

1 submitted by the association and approved by order of the
2 office ~~department~~.

3 (c) All surplus lines agents licensed in this state
4 must comply with the plan of operation.

5 (6) The office ~~department~~ shall, at such times deemed
6 necessary, make or cause to be made an examination of the
7 association. The costs of any such examination shall be paid
8 by the association. During the course of such examination,
9 the governors, officers, agents, employees, and members of the

20 performance of their duties or responsibilities under this
21 subsection. Such immunity does not apply to actions for breach
22 of any contract or agreement pertaining to insurance, or any
23 willful tort.

24 (8)(a) Information furnished to the department under
25 s. 626.923 or contained in the records subject to examination
26 by the department under s. 626.930 is confidential and exempt
27 from the provisions of s. 119.07(1) and s. 24(a), Art. I of
28 the State Constitution if the disclosure of the information

30 policyholder. The exemption does not apply to any proceeding
31

3 (b) Information furnished to the Florida Surplus Lines

27 corporation, association, or partnership, or any dividends or
28 profits accrued thereon, or anything of value whatsoever not
29 specified in the insurance contract.

30

31

1 2. Nothing in paragraph (g) or subparagraph 1. of this
2 paragraph shall be construed as including within the
3 definition of discrimination or unlawful rebates:

4 a. In the case of any contract of life insurance or
5 life annuity, paying bonuses to all policyholders or otherwise
6 abating their premiums in whole or in part out of surplus

9 all policyholders and for the best interests of the company
10 and its policyholders.

11 b. In the case of life insurance policies issued on
12 the industrial debit plan, making allowance to policyholders
13 who have continuously for a specified period made premium
14 payments directly to an office of the insurer in an amount

16 c. Readjustment of the rate of premium for a group

30 attorney, agent, agency, or solicitor thereof, shall pay,
31 allow, or give, or offer to pay, allow, or give, directly or

1 indirectly, as inducement to title insurance, or after such
2 insurance has been effected, any rebate or abatement of the
3 agent's, agency's, or title insurer's share of the premium or
4 any charge for related title services below the cost for
5 providing such services, or provide any special favor or
6 advantage, or any monetary consideration or inducement
7 whatever. Nothing herein contained shall preclude an
8 abatement in an attorney's fee charged for legal services.

9 b. Nothing in this subparagraph shall be construed as
10 prohibiting the payment of fees to attorneys at law duly
11 licensed to practice law in the courts of this state, for
12 professional services, or as prohibiting the payment of earned
13 portions of the premium to duly appointed agents or agencies
14 who actually perform services for the title insurer.

15 c. No insured named in a policy, or any other person
16 directly or indirectly connected with the transaction

24 (o) Illegal dealings in premiums; excess or reduced
25 charges for insurance.--

26 1. Knowingly collecting any sum as a premium or charge
27 for insurance, which is not then provided, or is not in due
28 course to be provided, subject to acceptance of the risk by
29 the insurer, by an insurance policy issued by an insurer as
30 permitted by this code.

31

1 2. Knowingly collecting as a premium or charge for
2 insurance any sum in excess of or less than the premium or
3 charge applicable to such insurance, in accordance with the
4 applicable classifications and rates as filed with and
5 approved by the office ~~department~~, and as specified in the
6 policy; or, in cases when classifications, premiums, or rates
7 are not required by this code to be so filed and approved,
8 premiums and charges in excess of or less than those specified
9 in the policy and as fixed by the insurer. This provision
10 shall not be deemed to prohibit the charging and collection,
11 by surplus lines agents licensed under part VIII of this
12 chapter, of the amount of applicable state and federal taxes,
13 or fees as authorized by s. 626.916(4), in addition to the
14 premium required by the insurer or the charging and
15 collection, by licensed agents, of the exact amount of any
16 discount or other such fee charged by a credit card facility
17 in connection with the use of a credit card, as authorized by
18 subparagraph (q)3., in addition to the premium required by the
19 insurer. This subparagraph shall not be construed to prohibit
20 collection of a premium for a universal life or a variable or
21 indeterminate value insurance policy made in accordance with
22 the terms of the contract.

23 3.a. Imposing or requesting an additional premium for
24 a policy of motor vehicle liability, personal injury
25 protection, medical payment, or collision insurance or any
26 combination thereof or refusing to renew the policy solely
27 because the insured was involved in a motor vehicle accident
28 unless the insurer's file contains information from which the
29 insurer in good faith determines that the insured was
30 substantially at fault in the accident.

31

1 b. An insurer which imposes and collects such a
2 surcharge or which refuses to renew such policy shall, in
3 conjunction with the notice of premium due or notice of
4 nonrenewal, notify the named insured that he or she is
5 entitled to reimbursement of such amount or renewal of the
6 policy under the conditions listed below and will subsequently
7 reimburse him or her or renew the policy, if the named insured
8 demonstrates that the operator involved in the accident was:

9 (I) Lawfully parked;

10 (II) Reimbursed by, or on behalf of, a person
11 responsible for the accident or has a judgment against such
12 person;

13 (III) Struck in the rear by another vehicle headed in
14 the same direction and was not convicted of a moving traffic
15 violation in connection with the accident;

16 (IV) Hit by a "hit-and-run" driver, if the accident
17 was reported to the proper authorities within 24 hours after
18 discovering the accident;

19 (V) Not convicted of a moving traffic violation in
20 connection with the accident, but the operator of the other
21 automobile involved in such accident was convicted of a moving
22 traffic violation;

23 (VI) Finally adjudicated not to be liable by a court
24 of competent jurisdiction;

25 (VII) In receipt of a traffic citation which was
26 dismissed or nolle prossed; or

27 (VIII) Not at fault as evidenced by a written
28 statement from the insured establishing facts demonstrating
29 lack of fault which are not rebutted by information in the
30 insurer's file from which the insurer in good faith determines
31 that the insured was substantially at fault.

1 c. In addition to the other provisions of this
2 subparagraph, an insurer may not fail to renew a policy if the
3 insured has had only one accident in which he or she was at
4 fault within the current 3-year period. However, an insurer
5 may nonrenew a policy for reasons other than accidents in
6 accordance with s. 627.728. This subparagraph does not
7 prohibit nonrenewal of a policy under which the insured has
8 had three or more accidents, regardless of fault, during the
9 most recent 3-year period.

10 4. Imposing or requesting an additional premium for,
11 or refusing to renew, a policy for motor vehicle insurance
12 solely because the insured committed a noncriminal traffic
13 infraction as described in s. 318.14 unless the infraction is:

14 a. A second infraction committed within an 18-month
15 period, or a third or subsequent infraction committed within a
16 36-month period.

17 b. A violation of s. 316.183, when such violation is a
18 result of exceeding the lawful speed limit by more than 15
19 miles per hour.

20 5. Upon the request of the insured, the insurer and
21 licensed agent shall supply to the insured the complete proof
22 of fault or other criteria which justifies the additional
23 charge or cancellation.

24 6. No insurer shall impose or request an additional
25 premium for motor vehicle insurance, cancel or refuse to issue
26 a policy, or refuse to renew a policy because the insured or
27 the applicant is a handicapped or physically disabled person,
28 so long as such handicap or physical disability does not
29 substantially impair such person's mechanically assisted
30 driving ability.

31

1 7. No insurer may cancel or otherwise terminate any
2 insurance contract or coverage, or require execution of a
3 consent to rate endorsement, during the stated policy term for
4 the purpose of offering to issue, or issuing, a similar or
5 identical contract or coverage to the same insured with the
6 same exposure at a higher premium rate or continuing an
7 existing contract or coverage with the same exposure at an
8 increased premium.

9 8. No insurer may issue a nonrenewal notice on any
10 insurance contract or coverage, or require execution of a
11 consent to rate endorsement, for the purpose of offering to
12 issue, or issuing, a similar or identical contract or coverage
13 to the same insured at a higher premium rate or continuing an
14 existing contract or coverage at an increased premium without
15 meeting any applicable notice requirements.

16 9. No insurer shall, with respect to premiums charged
17 for motor vehicle insurance, unfairly discriminate solely on
18 the basis of age, sex, marital status, or scholastic
19 achievement.

20 10. Imposing or requesting an additional premium for
21 motor vehicle comprehensive or uninsured motorist coverage
22 solely because the insured was involved in a motor vehicle
23 accident or was convicted of a moving traffic violation.

24 11. No insurer shall cancel or issue a nonrenewal
25 notice on any insurance policy or contract without complying
26 with any applicable cancellation or nonrenewal provision
27 required under the Florida Insurance Code.

28 12. No insurer shall impose or request an additional
29 premium, cancel a policy, or issue a nonrenewal notice on any
30 insurance policy or contract because of any traffic infraction
31 when adjudication has been withheld and no points have been

1 assessed pursuant to s. 318.14(9) and (10). However, this
2 subparagraph does not apply to traffic infractions involving
3 accidents in which the insurer has incurred a loss due to the
4 fault of the insured.

5 (w) Soliciting or accepting new or renewal insurance
6 risks by insolvent or impaired insurer prohibited; penalty.--

7 1. Whether or not delinquency proceedings as to the
8 insurer have been or are to be initiated, but while such
9 insolvency or impairment exists, no director or officer of an
10 insurer, except with the written permission of the office
11 ~~Department of Insurance~~, shall authorize or permit the insurer
12 to solicit or accept new or renewal insurance risks in this
13 state after such director or officer knew, or reasonably
14 should have known, that the insurer was insolvent or impaired.
15 "Impaired" includes impairment of capital or surplus, as
16 defined in s. 631.011(12) and (13).

17 2. Any such director or officer, upon conviction of a
18 violation of this paragraph, is guilty of a felony of the
19 third degree, punishable as provided in s. 775.082, s.
20 775.083, or s. 775.084.

21 (aa) Churning.--

22 1. Churning is the practice whereby policy values in
23 an existing life insurance policy or annuity contract,
24 including, but not limited to, cash, loan values, or dividend
25 values, and in any riders to that policy or contract, are
26 utilized to purchase another insurance policy or annuity
27 contract with that same insurer for the purpose of earning
28 additional premiums, fees, commissions, or other compensation:

29 a. Without an objectively reasonable basis for
30 believing that the replacement or extraction will result in an
31 actual and demonstrable benefit to the policyholder;

1 b. In a fashion that is fraudulent, deceptive, or
2 otherwise misleading or that involves a deceptive omission;

3 c. ~~Effective October 1, 1995,~~When the applicant is
4 not informed that the policy values including cash values,
5 dividends, and other assets of the existing policy or contract
6 will be reduced, forfeited, or utilized in the purchase of the
7 replacing or additional policy or contract, if this is the
8 case; or

9 d. ~~Effective October 1, 1995,~~Without informing the
10 applicant that the replacing or additional policy or contract
11 will not be a paid-up policy or that additional premiums will
12 be due, if this is the case.

13
14 Churning by an insurer or an agent is an unfair method of
15 competition and an unfair or deceptive act or practice.

16 2. ~~Effective October 1, 1995,~~Each insurer shall
17 comply with sub-subparagraphs 1.c. and 1.d. by disclosing to
18 the applicant at the time of the offer on a form designed and
19 adopted by rule by the commission ~~department~~ if, how, and the
20 extent to which the policy or contract values (including cash
21 value, dividends, and other assets) of a previously issued
22 policy or contract will be used to purchase a replacing or
23 additional policy or contract with the same insurer. The form
24 shall include disclosure of the premium, the death benefit of
25 the proposed replacing or additional policy, and the date when
26 the policy values of the existing policy or contract will be
27 insufficient to pay the premiums of the replacing or
28 additional policy or contract.

29 3. ~~Effective October 1, 1995,~~Each insurer shall adopt
30 written procedures to reasonably avoid churning of policies or
31 contracts that it has issued, and failure to adopt written

1 procedures sufficient to reasonably avoid churning shall be an
2 unfair method of competition and an unfair or deceptive act or
3 practice.

5 amended to read:

6 626.9545 Improper charge identification incentive
7 program.--No section or provision of the Florida Insurance
8 Code shall be construed as prohibiting an insurer from
9 establishing a financial incentive program for remunerating a
10 policyholder or an insured person with a selected percentage
11 or stated portion of any health care charge identified by the
12 policyholder or the insured person as an error or overcharge

21 later than 90 days after receipt of the request or upon

18 about entering into a viatical settlement purchase agreement.
19 The invitation to inquire may not quote rates of return, may
20 not include material attendant to the execution of any
21 specific viatical settlement purchase agreement, and may not
22 relate to any specific viator.

23 Section 1054. Section 626.99245, Florida Statutes, is
24 amended to read:

25 626.99245 Conflict of regulation of viaticals.--

26 (1) A viatical settlement provider who from this state
27 enters into a viatical settlement purchase agreement with a
28 purchaser who is a resident of another state that has enacted
29 statutes or adopted regulations governing viatical settlement
30 purchase agreements, shall be governed in the effectuation of
31 that viatical settlement purchase agreement by the statutes

1 and regulations of the purchaser's state of residence. If the
2 state in which the purchaser is a resident has not enacted
3 statutes or regulations governing viatical settlement purchase
4 agreements, the provider shall give the purchaser notice that
5 neither Florida nor his or her state regulates the transaction
6 upon which he or she is entering. For transactions in these
7 states, however, the viatical settlement provider is to
8 maintain all records required as if the transactions were
9 executed in Florida. However, the forms used in those states
10 need not be approved by the office ~~department~~.

11 (2) A viatical settlement provider who from this state
12 enters into a viatical settlement contract with a viator who
13 is a resident of another state that has enacted statutes or
14 adopted regulations governing viatical settlement contracts
15 shall be governed in the effectuation of that viatical
16 settlement contract by the statutes and regulations of the
17 viator's state of residence. If the state in which the viator
18 is a resident has not enacted statutes or regulations
19 governing viatical settlement agreements, the provider shall
20 give the viator notice that neither Florida nor his or her
21 state regulates the transaction upon which he or she is
22 entering. For transactions in those states, however, the
23 viatical settlement provider is to maintain all records
24 required as if the transactions were executed in Florida. The
25 forms used in those states need not be approved by the office
26 ~~department~~.

27 (3) This section does not affect the requirement of
28 ss. 626.9911(5)~~626.9911(6)~~ and 626.9912(1) that a viatical
29 settlement provider doing business from this state must obtain
30 a viatical settlement license from the office ~~department~~. As
31 used in this subsection, the term "doing business from this

1 state" includes effectuating viatical settlement contracts and
2 effectuating viatical settlement purchase agreements from
3 offices in this state, regardless of the state of residence of
4 the viator or the viatical settlement purchaser.

5 Section 1055. Section 626.9925, Florida Statutes, is
6 amended to read:

7 626.9925 Rules.--The commission ~~department~~ may adopt
8 rules to administer this act, including rules establishing
9 standards for evaluating advertising by licensees; rules
10 providing for the collection of data, for disclosures to
11 viators or purchasers, and for the reporting of life
12 expectancies; and rules defining terms used in this act and
13 prescribing recordkeeping requirements relating to executed
14 viatical settlement contracts and viatical settlement purchase
15 agreements.

17 amended to read:

26 injunctions; civil remedy.--

27 (2) In addition to the penalties and other enforcement
28 provisions of this act, if any person violates this act or any
29 rule implementing this act, the office or department, as
30 appropriate, may seek an injunction in the circuit court of
31 the county where the person resides or has a principal place

1 of business and may apply for temporary and permanent orders
2 that the office or department determines necessary to restrain
3 the person from committing the violation.

4 Section 1058. Section 626.99272, Florida Statutes, is
5 amended to read:

6 626.99272 Cease and desist orders and fines.--

7 (1) The office or department as appropriate may issue
8 a cease and desist order upon a person that violates any
9 provision of this part, any rule or order adopted by the
10 commission, office, or department, or any written agreement
11 entered into with the office or department.

12 (2) When the office or department finds that such an
13 action presents an immediate danger to the public which
14 requires an immediate final order, it may issue an emergency
15 cease and desist order reciting with particularity the facts
16 underlying such findings. The emergency cease and desist order
17 is effective immediately upon service of a copy of the order
18 on the respondent and remains effective for 90 days. If the
19 office or department begins nonemergency cease and desist
20 proceedings under subsection (1), the emergency cease and
21 desist order remains effective, absent an order by an
22 appellate court of competent jurisdiction pursuant to s.
23 120.68, until the conclusion of proceedings under ss. 120.569
24 and 120.57.

25 (3) The office or department may impose and collect an
26 administrative fine not to exceed \$10,000 for each nonwillful
27 violation and \$25,000 for each willful violation of any
28 provision of this part.

29 Section 1059. Section 626.99285, Florida Statutes, is
30 amended to read:

31

1 626.99285 Applicability of insurance code.--In
2 addition to other applicable provisions cited in the insurance
3 code, the office or department, as appropriate, has the
4 authority granted under ss. 624.310, 626.901, and 626.989 to
5 regulate viatical settlement providers, viatical settlement
6 brokers, viatical settlement sales agents, viatical settlement
7 contracts, viatical settlement purchase agreements, and
8 viatical settlement transactions.

9 Section 1060. Section 626.99295, Florida Statutes, is
10 amended to read:

11 626.99295 Grace period.--An unlicensed viatical
12 settlement provider or viatical settlement broker that was
13 legally transacting business in this state on June 30, 2000,
14 may continue to transact such business, in the absence of any
15 orders by the office, department, or the former Department of
16 Insurance to the contrary, until the office or department, as
17 applicable, approves or disapproves the viatical settlement
18 provider's application for licensure if the viatical
19 settlement provider or viatical settlement broker filed files
20 with the former department an application for licensure no
21 later than August 1, 2000, and if the viatical settlement
22 provider or viatical settlement broker complies with all other
23 provisions of this act. Any form for which former department
24 approval was is required under this part must have been be
25 filed by August 1, 2000, and may continue to be used until
26 disapproved by the office or department.

27 Section 1061. Subsection (2) of section 627.031,
28 Florida Statutes, is amended to read:

29 627.031 Purposes of this part; interpretation.--

30 (2) It is the purpose of this part to protect
31 policyholders and the public against the adverse effects of

1 excessive, inadequate, or unfairly discriminatory insurance
2 rates, and to authorize the office ~~department~~ to regulate such
3 rates. If at any time the office ~~department~~ has reason to
4 believe any such rate is excessive, inadequate, or unfairly
5 discriminatory under the law, it is directed to take the
6 necessary action to cause such rate to comply with the laws of
7 this state.

8 Section 1062. Section 627.0612, Florida Statutes, is
9 amended to read:

10 627.0612 Administrative proceedings in rating
11 determinations.--In any proceeding to determine whether rates,
12 rating plans, or other matters governed by this part comply
13 with the law, the appellate court shall set aside a final
14 order of the office ~~department~~ if the office ~~department~~ has
15 violated s. 120.57(1)(k) by substituting its findings of fact
16 for findings of an administrative law judge which were
17 supported by competent substantial evidence.

18 Section 1063. Section 627.0613, Florida Statutes, is
19 amended to read:

20 627.0613 Consumer advocate.--The Chief Financial
21 Officer ~~Insurance Commissioner~~ must appoint a consumer
22 advocate who must represent the general public of the state
23 before the department and the office. The consumer advocate
24 must report directly to the Chief Financial Officer ~~Insurance~~
25 ~~Commissioner~~, but is not otherwise under the authority of the
26 department or of any employee of the department. The consumer
27 advocate has such powers as are necessary to carry out the
28 duties of the office of consumer advocate, including, but not
29 limited to, the powers to:

30 (1) Recommend to the department or office, by
31 petition, the commencement of any proceeding or action; appear

1 in any proceeding or action before the department or office;

6 data of the department or office.

7 (3) Examine rate and form filings submitted to the
8 office ~~department~~, hire consultants as necessary to aid in the
9 review process, and recommend to the department or office any
10 position deemed by the consumer advocate to be in the public
11 interest.

12 (4) Prepare an annual budget for presentation to the
13 Legislature by the department, which budget must be adequate
14 to carry out the duties of the office of consumer advocate.

15 Section 1064. Subsections (2), (3), and (6) of section
16 627.062, Florida Statutes, are amended to read:

17 627.062 Rate standards.--

18 (2) As to all such classes of insurance:

19 (a) Insurers or rating organizations shall establish
20 and use rates, rating schedules, or rating manuals to allow
21 the insurer a reasonable rate of return on such classes of
22 insurance written in this state. A copy of rates, rating
23 schedules, rating manuals, premium credits or discount
24 schedules, and surcharge schedules, and changes thereto, shall
25 be filed with the office ~~department~~ under one of the following
26 procedures:

27 1. If the filing is made at least 90 days before the
28 proposed effective date and the filing is not implemented
29 during the office's ~~department's~~ review of the filing and any
30 proceeding and judicial review, then such filing shall be
31 considered a "file and use" filing. In such case, the office

1 ~~department~~ shall finalize its review by issuance of a notice
2 of intent to approve or a notice of intent to disapprove
3 within 90 days after receipt of the filing. The notice of
4 intent to approve and the notice of intent to disapprove
5 constitute agency action for purposes of the Administrative
6 Procedure Act. Requests for supporting information, requests
7 for mathematical or mechanical corrections, or notification to
8 the insurer by the office ~~department~~ of its preliminary
9 findings shall not toll the 90-day period during any such
10 proceedings and subsequent judicial review. The rate shall be
11 deemed approved if the office ~~department~~ does not issue a
12 notice of intent to approve or a notice of intent to
13 disapprove within 90 days after receipt of the filing.

14 2. If the filing is not made in accordance with the
15 provisions of subparagraph 1., such filing shall be made as
16 soon as practicable, but no later than 30 days after the
17 effective date, and shall be considered a "use and file"
18 filing. An insurer making a "use and file" filing is
19 potentially subject to an order by the office ~~department~~ to
20 return to policyholders portions of rates found to be
21 excessive, as provided in paragraph (h).

22 (b) Upon receiving a rate filing, the office
23 ~~department~~ shall review the rate filing to determine if a rate
24 is excessive, inadequate, or unfairly discriminatory. In
25 making that determination, the office ~~department~~ shall, in
26 accordance with generally accepted and reasonable actuarial
27 techniques, consider the following factors:

28 1. Past and prospective loss experience within and
29 without this state.

30 2. Past and prospective expenses.

31

1 3. The degree of competition among insurers for the
2 risk insured.

3 4. Investment income reasonably expected by the
4 insurer, consistent with the insurer's investment practices,
5 from investable premiums anticipated in the filing, plus any
6 other expected income from currently invested assets
7 representing the amount expected on unearned premium reserves
8 and loss reserves. The commission ~~department~~ may adopt
9 ~~promulgate~~ rules utilizing reasonable techniques of actuarial
10 science and economics to specify the manner in which insurers
11 shall calculate investment income attributable to such classes
12 of insurance written in this state and the manner in which
13 such investment income shall be used in the calculation of
14 insurance rates. Such manner shall contemplate allowances for
15 an underwriting profit factor and full consideration of
16 investment income which produce a reasonable rate of return;
17 however, investment income from invested surplus shall not be
18 considered. ~~The profit and contingency factor as specified in~~
19 ~~the filing shall be utilized in computing excess profits in~~
20 ~~conjunction with s. 627.0625.~~

21 5. The reasonableness of the judgment reflected in the
22 filing.

23 6. Dividends, savings, or unabsorbed premium deposits
24 allowed or returned to Florida policyholders, members, or
25 subscribers.

26 7. The adequacy of loss reserves.

27 8. The cost of reinsurance.

28 9. Trend factors, including trends in actual losses
29 per insured unit for the insurer making the filing.

30 10. Conflagration and catastrophe hazards, if
31 applicable.

1 11. A reasonable margin for underwriting profit and
2 contingencies.

3 12. The cost of medical services, if applicable.

4 13. Other relevant factors which impact upon the
5 frequency or severity of claims or upon expenses.

6 (c) In the case of fire insurance rates, consideration
7 shall be given to the availability of water supplies and the
8 experience of the fire insurance business during a period of
9 not less than the most recent 5-year period for which such
10 experience is available.

11 (d) If conflagration or catastrophe hazards are given
12 consideration by an insurer in its rates or rating plan,
13 including surcharges and discounts, the insurer shall
14 establish a reserve for that portion of the premium allocated
15 to such hazard and shall maintain the premium in a catastrophe
16 reserve. Any removal of such premiums from the reserve for
17 purposes other than paying claims associated with a
18 catastrophe or purchasing reinsurance for catastrophes shall
19 be subject to approval of the office ~~department~~. Any ceding
20 commission received by an insurer purchasing reinsurance for
21 catastrophes shall be placed in the catastrophe reserve.

22 (e) After consideration of the rate factors provided
23 in paragraphs (b), (c), and (d), a rate may be found by the
24 office ~~department~~ to be excessive, inadequate, or unfairly
25 discriminatory based upon the following standards:

26 1. Rates shall be deemed excessive if they are likely
27 to produce a profit from Florida business that is unreasonably
28 high in relation to the risk involved in the class of business
29 or if expenses are unreasonably high in relation to services
30 rendered.

31

1 2. Rates shall be deemed excessive if, among other
2 things, the rate structure established by a stock insurance
3 company provides for replenishment of surpluses from premiums,
4 when the replenishment is attributable to investment losses.

5 3. Rates shall be deemed inadequate if they are
6 clearly insufficient, together with the investment income
7 attributable to them, to sustain projected losses and expenses
8 in the class of business to which they apply.

9 4. A rating plan, including discounts, credits, or
10 surcharges, shall be deemed unfairly discriminatory if it
11 fails to clearly and equitably reflect consideration of the
12 policyholder's participation in a risk management program
13 adopted pursuant to s. 627.0625.

14 5. A rate shall be deemed inadequate as to the premium
15 charged to a risk or group of risks if discounts or credits
16 are allowed which exceed a reasonable reflection of expense
17 savings and reasonably expected loss experience from the risk
18 or group of risks.

19 6. A rate shall be deemed unfairly discriminatory as
20 to a risk or group of risks if the application of premium
21 discounts, credits, or surcharges among such risks does not
22 bear a reasonable relationship to the expected loss and
23 expense experience among the various risks.

24 (f) In reviewing a rate filing, the office ~~department~~
25 may require the insurer to provide at the insurer's expense
26 all information necessary to evaluate the condition of the
27 company and the reasonableness of the filing according to the
28 criteria enumerated in this section.

29 (g) The office ~~department~~ may at any time review a
30 rate, rating schedule, rating manual, or rate change; the
31 pertinent records of the insurer; and market conditions. If

1 the office ~~department~~ finds on a preliminary basis that a rate
2 may be excessive, inadequate, or unfairly discriminatory, the
3 office ~~department~~ shall initiate proceedings to disapprove the
4 rate and shall so notify the insurer. However, the office
5 ~~department~~ may not disapprove as excessive any rate for which
6 it has given final approval or which has been deemed approved
7 for a period of 1 year after the effective date of the filing
8 unless the office ~~department~~ finds that a material
9 misrepresentation or material error was made by the insurer or
10 was contained in the filing. Upon being so notified, the
11 insurer or rating organization shall, within 60 days, file
12 with the office ~~department~~ all information which, in the
13 belief of the insurer or organization, proves the
14 reasonableness, adequacy, and fairness of the rate or rate
15 change. The office ~~department~~ shall issue a notice of intent
16 to approve or a notice of intent to disapprove pursuant to the
17 procedures of paragraph (a) within 90 days after receipt of
18 the insurer's initial response. In such instances and in any
19 administrative proceeding relating to the legality of the
20 rate, the insurer or rating organization shall carry the
21 burden of proof by a preponderance of the evidence to show
22 that the rate is not excessive, inadequate, or unfairly
23 discriminatory. After the office ~~department~~ notifies an
24 insurer that a rate may be excessive, inadequate, or unfairly
25 discriminatory, unless the office ~~department~~ withdraws the
26 notification, the insurer shall not alter the rate except to
27 conform with the office's ~~department's~~ notice until the
28 earlier of 120 days after the date the notification was
29 provided or 180 days after the date of the implementation of
30 the rate. The office ~~department~~ may, subject to chapter 120,
31 disapprove without the 60-day notification any rate increase

1 filed by an insurer within the prohibited time period or
2 during the time that the legality of the increased rate is
3 being contested.

4 (h) In the event the office ~~department~~ finds that a
5 rate or rate change is excessive, inadequate, or unfairly
6 discriminatory, the office ~~department~~ shall issue an order of
7 disapproval specifying that a new rate or rate schedule which
8 responds to the findings of the office ~~department~~ be filed by
9 the insurer. The office ~~department~~ shall further order, for
10 any "use and file" filing made in accordance with subparagraph
11 (a)2., that premiums charged each policyholder constituting
12 the portion of the rate above that which was actuarially
13 justified be returned to such policyholder in the form of a
14 credit or refund. If the office ~~department~~ finds that an
15 insurer's rate or rate change is inadequate, the new rate or
16 rate schedule filed with the office ~~department~~ in response to
17 such a finding shall be applicable only to new or renewal
18 business of the insurer written on or after the effective date
19 of the responsive filing.

20 (i) Except as otherwise specifically provided in this
21 chapter, the office ~~department~~ shall not prohibit any insurer,
22 including any residual market plan or joint underwriting
23 association, from paying acquisition costs based on the full
24 amount of premium, as defined in s. 627.403, applicable to any
25 policy, or prohibit any such insurer from including the full
26 amount of acquisition costs in a rate filing.

27
28 The provisions of this subsection shall not apply to workers'
29 compensation and employer's liability insurance and to motor
30 vehicle insurance.

31

1 (3)(a) For individual risks that are not rated in
2 accordance with the insurer's rates, rating schedules, rating
3 manuals, and underwriting rules filed with the office
4 ~~department~~ and which have been submitted to the insurer for
5 individual rating, the insurer must maintain documentation on
6 each risk subject to individual risk rating. The
7 documentation must identify the named insured and specify the
8 characteristics and classification of the risk supporting the
9 reason for the risk being individually risk rated, including
10 any modifications to existing approved forms to be used on the
11 risk. The insurer must maintain these records for a period of
12 at least 5 years after the effective date of the policy.

13 (b) Individual risk rates and modifications to
14 existing approved forms are not subject to this part or part
15 II, except for paragraph (a) and ss. 627.402, 627.403,
16 627.4035, 627.404, 627.405, 627.406, 627.407, 627.4085,
17 627.409, 627.4132, 627.4133, 627.415, 627.416, 627.417,
18 627.419, 627.425, 627.426, 627.4265, 627.427, and 627.428, but
19 are subject to all other applicable provisions of this code
20 and rules adopted thereunder.

21 (c) This subsection does not apply to private
22 passenger motor vehicle insurance.

23 (6)(a) After any action with respect to a rate filing
24 that constitutes agency action for purposes of the
25 Administrative Procedure Act, an insurer may, in lieu of
26 demanding a hearing under s. 120.57, require arbitration of
27 the rate filing. Arbitration shall be conducted by a board of
28 arbitrators consisting of an arbitrator selected by the office
29 ~~department~~, an arbitrator selected by the insurer, and an
30 arbitrator selected jointly by the other two arbitrators. Each
31 arbitrator must be certified by the American Arbitration

1 Association. A decision is valid only upon the affirmative
2 vote of at least two of the arbitrators. No arbitrator may be
3 an employee of any insurance regulator or regulatory body or
4 of any insurer, regardless of whether or not the employing
5 insurer does business in this state. The office ~~department~~ and
6 the insurer must treat the decision of the arbitrators as the
7 final approval of a rate filing. Costs of arbitration shall be
8 paid by the insurer.

9 (b) Arbitration under this subsection shall be
10 conducted pursuant to the procedures specified in ss.
11 682.06-682.10. Either party may apply to the circuit court to
12 vacate or modify the decision pursuant to s. 682.13 or s.
13 682.14. The commission ~~department~~ shall adopt rules for
14 arbitration under this subsection, which rules may not be
15 inconsistent with the arbitration rules of the American
16 Arbitration Association as of January 1, 1996.

17 (c) Upon initiation of the arbitration process, the
18 insurer waives all rights to challenge the action of the
19 office ~~department~~ under the Administrative Procedure Act or
20 any other provision of law; however, such rights are restored
21 to the insurer if the arbitrators fail to render a decision
22 within 90 days after initiation of the arbitration process.

23 Section 1065. Subsection (3) of section 627.0625,
24 Florida Statutes, is amended to read:

28 casualty insurance or commercial property insurance covering
29 risks located in this state shall develop and make available

31 management program shall include the following:

1 (a) Safety measures, including, as applicable, the
2 following areas:

- 3 1. Pollution and environmental hazards;
- 4 2. Disease hazards;

11 insureds.

12 (b) Training to insureds in safety management
13 techniques.

14 (c) Safety management counseling services.
15

16 There shall be no civil cause of action against any insurer or
17 its agents or employees for acts or omissions in any way
18 connected with the requirements of this subsection. This
19 shall not limit the authority for the office ~~department~~ to
20 enforce the provisions of this subsection.

21 Section 1066. Paragraphs (a), (b), and (c) of
22 subsection (2) and paragraph (c) of subsection (3) of section
23 627.0628, Florida Statutes, are amended to read:

20 (3) ADOPTION AND EFFECT OF STANDARDS AND GUIDELINES.--

21 (c) With respect to a rate filing under s. 627.062, an
22 insurer may employ actuarial methods, principles, standards,
23 models, or output ranges found by the commission to be
24 accurate or reliable to determine hurricane loss factors for
25 use in a rate filing under s. 627.062, which findings and
26 factors are admissible and relevant in consideration of a rate
27 filing by the office ~~department~~ or in any arbitration or
28 administrative or judicial review.

29 Section 1067. Paragraph (b) of subsection (2) and
30 subsections (5), (6), and (9) of section 627.0629, Florida
31 Statutes, are amended to read:

1 627.0629 Residential property insurance; rate

3 (2)
4 (b) A rate filing for residential property insurance
5 made more than 150 days after approval by the office
6 ~~department~~ of a building code rating factor plan submitted by
7 a statewide rating organization shall include positive and
8 negative rate factors that reflect the manner in which
9 building code enforcement in a particular jurisdiction
10 addresses risk of wind damage. The rate filing shall include
11 variations from standard rate factors on an individual basis
12 based on inspection of a particular structure by a licensed
13 home inspector. If an inspection is requested by the insured,
14 the insurer may require the insured to pay the reasonable cost
15 of the inspection. This paragraph applies to structures
16 constructed or renovated after the implementation of this
17 paragraph.
18 (5) In order to provide an appropriate transition
19 period, an insurer may, in its sole discretion, implement an
20 approved rate filing for residential property insurance over a
21 period of years. An insurer electing to phase in its rate
22 filing must provide an informational notice to the office
23 ~~department~~ setting out its schedule for implementation of the
24 phased-in rate filing.
25 (6) An insurer may not write a residential property
26 insurance policy without providing windstorm coverage or
27 hurricane coverage as defined in s. 627.4025. This subsection

1 ~~627.351(6) Florida Windstorm Underwriting Association under s.~~
2 ~~627.351(2).~~

3 (9) EVALUATION OF RESIDENTIAL PROPERTY STRUCTURAL
4 SOUNDNESS.--

5 (a) It is the intent of the Legislature to provide a
6 program whereby homeowners may obtain an evaluation of the
7 wind resistance of their homes with respect to preventing
8 damage from hurricanes, together with a recommendation of
9 reasonable steps that may be taken to upgrade their homes to
10 better withstand hurricane force winds.

11 (b) To the extent that funds are provided for this
12 purpose in the General Appropriations Act, the Legislature
13 hereby authorizes the establishment of a program to be
14 administered by the Citizens Property Insurance Corporation
15 for homeowners insured in the high-risk account Florida
16 ~~Windstorm Underwriting Association.~~

17 (c) The program shall provide grants to homeowners,
18 for the purpose of providing homeowner applicants with funds
19 to conduct an evaluation of the integrity of their homes with
20 respect to withstanding hurricane force winds, recommendations
21 to retrofit the homes to better withstand damage from such
22 winds, and the estimated cost to make the recommended
23 retrofits.

24 (d) The Department of Community Affairs shall
25 establish by rule standards to govern the quality of the
26 evaluation, the quality of the recommendations for
27 retrofitting, the eligibility of the persons conducting the
28 evaluation, and the selection of applicants under the program.
29 In establishing the rule, the Department of Community Affairs
30 shall consult with the advisory committee to minimize the
31 possibility of fraud or abuse in the evaluation and

1 retrofitting process, and to ensure that funds spent by
2 homeowners acting on the recommendations achieve positive
3 results.

4 (e) The Citizens Property Insurance Corporation
5 ~~Florida Windstorm Underwriting Association~~ shall identify
6 areas of this state with the greatest wind risk to residential
7 properties and recommend annually to the Department of
8 Community Affairs priority target areas for such evaluations
9 and inclusion with the associated residential construction
10 mitigation program.

11 Section 1068. Subsection (1), paragraph (b) of
12 subsection (2), paragraph (a) of subsection (3), and
13 subsections (6), (7), and (9) of section 627.0645, Florida
14 Statutes, are amended to read:

15 627.0645 Annual filings.--

16 (1) Each rating organization filing rates for, and
17 each insurer writing, any line of property or casualty
18 insurance to which this part applies, except:

19 (a) Workers' compensation and employer's liability
20 insurance; or

21 (b) Commercial property and casualty insurance as
22 defined in s. 627.0625(1) other than commercial multiple line
23 and commercial motor vehicle,

24
25 shall make an annual base rate filing for each such line with
26 the office ~~department~~ no later than 12 months after its
27 previous base rate filing, demonstrating that its rates are
28 not inadequate.

29 (2)

30 (b) The office ~~department~~, after receiving a request
31 to be exempted from the provisions of this section, may, for

1 good cause due to insignificant numbers of policies in force
2 or insignificant premium volume, exempt a company, by line of
3 coverage, from filing rates or rate certification as required
4 by this section.

5 (3) The filing requirements of this section shall be
6 satisfied by one of the following methods:

7 (a) A rate filing prepared by an actuary which
8 contains documentation demonstrating that the proposed rates
9 are not excessive, inadequate, or unfairly discriminatory
10 pursuant to the applicable rating laws and pursuant to rules
11 of the commission ~~department~~.

12 (6) If at the time a filing is required under this
13 section an insurer is in the process of completing a rate
14 review, the insurer may apply to the office ~~department~~ for an
15 extension of up to an additional 30 days in which to make the
16 filing. The request for extension must be received by the
17 office ~~department~~ no later than the date the filing is due.

18 (7) Nothing in this section limits the office's
19 ~~department's~~ authority to review rates at any time or to find
20 that a rate or rate change is excessive, inadequate, or
21 unfairly discriminatory pursuant to s. 627.062.

22 (9) If an insurer fails to meet the filing
23 requirements of this section and does not submit the filing
24 within 60 days after the date the filing is due, the office
25 ~~department~~ may, in addition to any other penalty authorized by
26 law, order the insurer to discontinue the issuance of policies
27 for the line of insurance for which the required filing was
28 not made until such time as the office ~~department~~ determines
29 that the required filing is properly submitted.

30 Section 1069. Subsection (1) of section 627.06501,
31 Florida Statutes, is amended to read:

1 627.06501 Insurance discounts for certain persons
2 completing driver improvement course.--

3 (1) Any rate, rating schedule, or rating manual for
4 the liability, personal injury protection, and collision
5 coverages of a motor vehicle insurance policy filed with the
6 office ~~department~~ may provide for an appropriate reduction in
7 premium charges as to such coverages when the principal
8 operator on the covered vehicle has successfully completed a
9 driver improvement course approved and certified by the
10 Department of Highway Safety and Motor Vehicles which is
11 effective in reducing crash or violation rates, or both, as
12 determined pursuant to s. 318.1451(5). Any discount, not to
13 exceed 10 percent, used by an insurer is presumed to be
14 appropriate unless credible data demonstrates otherwise.

15 Section 1070. Subsections (1) and (2), paragraph (b)
16 of subsection (5), subsections (9), (10), and (11), and
17 paragraph (b) of subsection (13) of section 627.0651, Florida
18 Statutes, are amended to read:

19 627.0651 Making and use of rates for motor vehicle
20 insurance.--

21 (1) Insurers shall establish and use rates, rating
22 schedules, or rating manuals to allow the insurer a reasonable
23 rate of return on motor vehicle insurance written in this
24 state. A copy of rates, rating schedules, and rating manuals,
25 and changes therein, shall be filed with the office ~~department~~
26 under one of the following procedures:

27 (a) If the filing is made at least 60 days before the
28 proposed effective date and the filing is not implemented
29 during the office's ~~department's~~ review of the filing and any
30 proceeding and judicial review, such filing shall be
31 considered a "file and use" filing. In such case, the office

1 ~~department~~ shall initiate proceedings to disapprove the rate
2 and so notify the insurer or shall finalize its review within
3 60 days after receipt of the filing. Notification to the
4 insurer by the office ~~department~~ of its preliminary findings
5 shall toll the 60-day period during any such proceedings and
6 subsequent judicial review. The rate shall be deemed approved
7 if the office ~~department~~ does not issue notice to the insurer
8 of its preliminary findings within 60 days after the filing.

9 (b) If the filing is not made in accordance with the
10 provisions of paragraph (a), such filing shall be made as soon
11 as practicable, but no later than 30 days after the effective
12 date, and shall be considered a "use and file" filing. An
13 insurer making a "use and file" filing is potentially subject
14 to an order by the office ~~department~~ to return to
15 policyholders portions of rates found to be excessive, as
16 provided in subsection (11).

17 (2) Upon receiving notice of a rate filing or rate
18 change, the office ~~department~~ shall review the rate or rate
19 change to determine if the rate is excessive, inadequate, or
20 unfairly discriminatory. In making that determination, the
21 office ~~department~~ shall in accordance with generally accepted
22 and reasonable actuarial techniques consider the following
23 factors:

24 (a) Past and prospective loss experience within and
25 outside this state.

26 (b) The past and prospective expenses.

27 (c) The degree of competition among insurers for the
28 risk insured.

29 (d) Investment income reasonably expected by the
30 insurer, consistent with the insurer's investment practices,
31 from investable premiums anticipated in the filing, plus any

1 other expected income from currently invested assets
2 representing the amount expected on unearned premium reserves
3 and loss reserves. Such investment income shall not include
4 income from invested surplus. The commission ~~department~~ may
5 adopt ~~promulgate~~ rules utilizing reasonable techniques of
6 actuarial science and economics to specify the manner in which
7 insurers shall calculate investment income attributable to
8 motor vehicle insurance policies written in this state and the
9 manner in which such investment income is used in the
10 calculation of insurance rates. Such manner shall contemplate
11 the use of a positive underwriting profit allowance in the
12 rates that will be compatible with a reasonable rate of return
13 plus provisions for contingencies. The total of the profit and
14 contingency factor as specified in the filing shall be
15 utilized in computing excess profits in conjunction with s.
16 627.066. In adopting ~~promulgating~~ such rules, the commission
17 ~~department~~ shall in all instances adhere to and implement the
18 provisions of this paragraph.

19 (e) The reasonableness of the judgment reflected in
20 the filing.

21 (f) Dividends, savings, or unabsorbed premium deposits
22 allowed or returned to Florida policyholders, members, or
23 subscribers.

24 (g) The cost of repairs to motor vehicles.

25 (h) The cost of medical services, if applicable.

26 (i) The adequacy of loss reserves.

27 (j) The cost of reinsurance.

28 (k) Trend factors, including trends in actual losses
29 per insured unit for the insurer making the filing.

30 (l) Other relevant factors which impact upon the
31 frequency or severity of claims or upon expenses.

1 (5)

2 (b) The office has ~~Insurance Commissioner shall have~~
3 the responsibility to ensure that rates for private passenger
4 vehicle insurance are adequate. To that end, the commission
5 ~~department~~ shall adopt ~~promulgate~~ rules and regulations
6 establishing standards defining inadequate rates on private
7 passenger vehicle insurance as defined in s. 627.041(8). In
8 the event that the office ~~department~~ finds that a rate or rate
9 change is inadequate, the office ~~department~~ shall order that a
10 new rate or rate schedule be thereafter filed by the insurer
11 and shall further provide information as to the manner in
12 which noncompliance of the standards may be corrected. When a
13 violation of this provision occurs, the office ~~department~~
14 shall impose an administrative fine pursuant to s. 624.4211.

15 (9) In reviewing the rate or rate change filed, the
16 office ~~department~~ may require the insurer to provide at the
17 insurer's expense all information necessary to evaluate the
18 condition of the company and the reasonableness of the filing
19 according to the criteria enumerated herein.

20 (10) The office ~~department~~ may, at any time, review a
21 rate or rate change, the pertinent records of the insurer, and
22 market conditions; and, if the office ~~department~~ finds on a
23 preliminary basis that the rate or rate change may be
24 excessive, inadequate, or unfairly discriminatory, the office
25 ~~department~~ shall so notify the insurer. However, the office
26 ~~department~~ may not disapprove as excessive any rate for which
27 it has given final approval or which has been deemed approved
28 for a period of 1 year after the effective date of the filing
29 unless the office ~~department~~ finds that a material
30 misrepresentation or material error was made by the insurer or
31 was contained in the filing. Upon being so notified, the

1 insurer or rating organization shall, within 60 days, file
2 with the office ~~department~~ all information which, in the
3 belief of the insurer or organization, proves the
4 reasonableness, adequacy, and fairness of the rate or rate
5 change. In such instances and in any administrative
6 proceeding relating to the legality of the rate, the insurer
7 or rating organization shall carry the burden of proof by a
8 preponderance of the evidence to show that the rate is not
9 excessive, inadequate, or unfairly discriminatory. After the
10 office ~~department~~ notifies an insurer that a rate may be
11 excessive, inadequate, or unfairly discriminatory, unless the
12 office ~~department~~ withdraws the notification, the insurer
13 shall not increase the rate until the earlier of 120 days
14 after the date the notification was provided or 180 days after
15 the date of the implementation of the rate. The office
16 ~~department~~ may, subject to chapter 120, disapprove without the
17 60-day notification any rate increase filed by an insurer
18 within the prohibited time period or during the time that the
19 legality of the increased rate is being contested.

20 (11) In the event the office ~~department~~ finds that a
21 rate or rate change is excessive, inadequate, or unfairly
22 discriminatory, the office ~~department~~ shall issue an order of
23 disapproval specifying that a new rate or rate schedule which
24 responds to the findings of the office ~~department~~ be filed by
25 the insurer. The office ~~department~~ shall further order for
26 any "use and file" filing made in accordance with paragraph
27 (1)(b), that premiums charged each policyholder constituting
28 the portion of the rate above that which was actuarially
29 justified be returned to such policyholder in the form of a
30 credit or refund. If the office ~~department~~ finds that an
31 insurer's rate or rate change is inadequate, the new rate or

1 rate schedule filed with the office ~~department~~ in response to
2 such a finding shall be applicable only to new or renewal
3 business of the insurer written on or after the effective date
4 of the responsive filing.

5 (13)

6 (b) The submission of rates, rating schedules, and
7 rating manuals to the office ~~department~~ by a licensed rating
8 organization of which an insurer is a member or subscriber
9 will be sufficient compliance with this subsection for any
10 insurer maintaining membership or subscribership in such
11 organization, to the extent that the insurer uses the rates,
12 rating schedules, and rating manuals of such organization.
13 All such information shall be available for public inspection,
14 upon receipt by the office ~~department~~, during usual business
15 hours.

16 Section 1071. Subsection (1) of section 627.0652,
17 Florida Statutes, is amended to read:

18 627.0652 Insurance discounts for certain persons
19 completing safety course.--

20 (1) Any rates, rating schedules, or rating manuals for
21 the liability, personal injury protection, and collision
22 coverages of a motor vehicle insurance policy filed with the
23 office ~~department~~ shall provide for an appropriate reduction
24 in premium charges as to such coverages when the principal
25 operator on the covered vehicle is an insured 55 years of age
26 or older who has successfully completed a motor vehicle
27 accident prevention course approved by the Department of
28 Highway Safety and Motor Vehicles. Any discount used by an
29 insurer is presumed to be appropriate unless credible data
30 demonstrates otherwise.

31

1 Section 1072. Section 627.0653, Florida Statutes, is
2 amended to read:

3 627.0653 Insurance discounts for specified motor
4 vehicle equipment.--

5 (1) Any rates, rating schedules, or rating manuals for
6 the liability, personal injury protection, and collision
7 coverages of a motor vehicle insurance policy filed with the
8 office ~~department~~ shall provide a premium discount if the
9 insured vehicle is equipped with factory-installed, four-wheel
10 antilock brakes.

11 (2) Each insurer writing motor vehicle comprehensive
12 coverage in this state shall include in its rating manual
13 discount provisions for comprehensive coverage which
14 specifically relate to an antitheft device or vehicle recovery
15 system utilized in the insured vehicle which are factory
16 installed or approved by the office ~~department~~. The
17 commission ~~department~~ shall adopt, by rule, procedures under
18 which manufacturers, distributors, or sellers may apply to the
19 office ~~department~~ for approval of non-factory-installed
20 devices under this subsection. The rules must include, at a
21 minimum, the test results that must accompany the application
22 and the standards for approval.

23 (3) Any rates, rating schedules, or rating manuals for
24 personal injury protection coverage and medical payments
25 coverage, if offered, of a motor vehicle insurance policy
26 filed with the office ~~department~~ shall provide a premium
27 discount if the insured vehicle is equipped with one or more
28 air bags which are factory installed.

29 (4) The removal of a discount or credit does not
30 constitute the imposition of, or request for, additional
31

1 premium or a surcharge if the basis for the discount or credit
2 no longer exists or is substantially eliminated.

3 (5) Each insurer writing motor vehicle comprehensive
4 coverage in this state may provide a premium discount for this
5 coverage if the insured vehicle has the complete
6 manufacturer's vehicle identification number permanently
7 etched on the windshield and all windows of the vehicle. The
8 etching must be by a tool or process that does not destroy the
9 integrity of the glass or visibility for the operator of the
10 motor vehicle. The identification numbers and letters must be
11 at least 1/4 inch in height. A sticker may identify the
12 presence of this identification system. The commission
13 ~~department~~ may, by rule, set forth appropriate guidelines to
14 implement this subsection.

15 Section 1073. Section 627.06535, Florida Statutes, is
16 amended to read:

17 627.06535 Electric vehicles; restrictions on imposing
18 surcharges.--An insurer may not impose a surcharge on the
19 premium for motor vehicle insurance written on an electric
20 vehicle, as defined in s. 320.01, if the surcharge is based on
21 a factor such as new technology, passenger payload,
22 weight-to-horsepower ratio, or types of materials, including
23 composite materials or aluminum, used to manufacture the
24 vehicle, unless the office ~~Department of Insurance~~ determines
25 from actuarial data submitted to it that the surcharge is
26 justified.

27 Section 1074. Subsections (2), (7), (10), (11), and
28 (13) of section 627.066, Florida Statutes, are amended to
29 read:

30 627.066 Excessive profits for motor vehicle insurance
31 prohibited.--

1 (2) Each Florida private passenger automobile insurer
2 group shall file with the office ~~department~~, prior to July 1
3 of each year on forms prescribed by the commission ~~department~~,
4 the following data for Florida private passenger automobile
5 business. The data filed for the group shall be a
6 consolidation of the data of the individual insurers of the
7 group. The data shall include both voluntary and joint
8 underwriting association business, as follows:

9 (a) Calendar-year total limits earned premium.

10 (b) Accident-year incurred losses and loss adjustment
11 expenses.

12 (c) The administrative and selling expenses incurred
13 in this state or allocated to this state for the calendar
14 year.

15 (d) Policyholder dividends incurred during the
16 applicable calendar year.

17 (7) If the insurer group has realized an excessive
18 profit, the office ~~department~~ shall order a return of the
19 excessive amounts after affording the insurer group an
20 opportunity for hearing and otherwise complying with the
21 requirements of chapter 120. Such excessive amounts shall be
22 refunded in all instances unless the insurer group
23 affirmatively demonstrates to the office ~~department~~ that the
24 refund of the excessive amounts will render a member of the
25 insurer group financially impaired or will render it insolvent
26 under the provisions of the Florida Insurance Code.

27 (10)(a) Cash refunds to policyholders may be rounded
28 to the nearest dollar.

29 (b) Data in required reports to the office ~~department~~
30 may be rounded to the nearest dollar.

31

1 (c) Rounding, if elected by the insurer group, shall
2 be applied consistently.

3 (11)(a) Refunds shall be completed in one of the
4 following ways:

5 1. If the insurer group elects to make a cash refund,
6 the refund shall be completed within 60 days of entry of a
7 final order indicating that excessive profits have been
8 realized.

9 2. If the insurer group elects to make refunds in the
10 form of a credit to renewal policies, such credits shall be
11 applied to policy renewal premium notices which are forwarded
12 to insureds more than 60 calendar days after entry of a final
13 order indicating that excessive profits have been realized.
14 If an insurer group has made this election but an insured
15 thereafter cancels his or her policy or otherwise allows the
16 policy to terminate, the insurer group shall make a cash
17 refund not later than 60 days after termination of such
18 coverage.

19 (b) Upon completion of the renewal credits or refund
20 payments, the insurer group shall immediately certify to the
21 office department that the refunds have been made.

22 ~~(13) Since it appears to the Legislature that private~~
23 ~~passenger automobile insurer groups have realized excessive~~
24 ~~profits during all or part of the years 1977, 1978, and 1979~~
25 ~~and that such profits were realized in part due to statutory~~
26 ~~changes for which rates were not adequately adjusted, it is~~
27 ~~the desire and intent of the Legislature that the provisions~~
28 ~~of this section, as amended by chapter 80-236, Laws of~~
29 ~~Florida, shall apply retroactively to excessive profits~~
30 ~~realized during the years 1977, 1978, and 1979. In the event~~
31 ~~that such retroactive application is judicially determined to~~

1 ~~be unconstitutional, it is the intent of the Legislature that~~
2 ~~the act be given prospective application as stated~~
3 ~~hereinafter. Prior to July 1, 1982, the data required by this~~
4 ~~section shall be submitted to the department for the years~~
5 ~~1979, 1980, and 1981. Excessive profits shall be calculated~~
6 ~~in accordance with the provisions of this section. However,~~
7 ~~only the excessive profits realized by the insurer group in~~
8 ~~1981 shall be refunded to policyholders, and such refunds~~
9 ~~shall be made in accordance with this section. Prior to July~~
10 ~~1, 1983, the data required by this section shall be submitted~~
11 ~~to the department for the years 1980, 1981, and 1982.~~
12 ~~Excessive profits shall be calculated in accordance with this~~
13 ~~section; however, refunds shall only be made for excessive~~
14 ~~profits realized in the years 1981 and 1982. Thereafter,~~
15 ~~excessive profits shall be calculated and refunded on the~~
16 ~~basis of 3 years as set forth in this section.~~

17 Section 1075. Subsection (4) of section 627.072,
18 Florida Statutes, is amended to read:

19 627.072 Making and use of rates.--

20 (4)(a) In the case of workers' compensation and
21 employer's liability insurance, the office department shall
22 consider utilizing the following methodology in rate
23 determinations: Premiums, expenses, and expected claim costs
24 would be discounted to a common point of time, such as the
25 initial point of a policy year, in the determination of rates;
26 the cash-flow pattern of premiums, expenses, and claim costs
27 would be determined initially by using data from 8 to 10 of
28 the largest insurers writing workers' compensation insurance
29 in the state; such insurers may be selected for their
30 statistical ability to report the data on an accident-year
31 basis and in accordance with subparagraphs (b)1., 2., and 3.,

1 for at least 2 1/2 years; such a cash-flow pattern would be
 2 modified when necessary in accordance with the data and
 3 whenever a radical change in the payout pattern is expected in
 4 the policy year under consideration.

5 (b) If the methodology set forth in paragraph (a) is
 6 utilized, to facilitate the determination of such a cash-flow
 7 pattern methodology:

8 1. Each insurer shall include in its statistical
 9 reporting to the rating bureau and the office ~~department~~ the
 10 accident year by calendar quarter data for paid-claim costs;

11 2. Each insurer shall submit financial reports to the
 12 rating bureau and the office ~~department~~ which shall include
 13 total incurred claim amounts and paid-claim amounts by policy
 14 year and by injury types as of December 31 of each calendar
 15 year; and

16 3. Each insurer shall submit to the rating bureau and
 17 the office ~~department~~ paid-premium data on an individual risk
 18 basis in which risks are to be subdivided by premium size as
 19 follows:

21	Number of Risks in	
22	Premium Range	Standard Premium Size
23		
24	...(to be filled in by carrier)...	\$300--999
25	...(to be filled in by carrier)...	1,000--4,999
26	...(to be filled in by carrier)...	5,000--49,999
27	...(to be filled in by carrier)...	50,000--99,999
28	...(to be filled in by carrier)...	100,000 or more
29	Total:	

30 Section 1076. Section 627.091, Florida Statutes, is
 31 amended to read:

1 627.091 Rate filings; workers' compensation and
2 employer's liability insurances.--

3 (1) As to workers' compensation and employer's
4 liability insurances, every insurer shall file with the office
5 ~~department~~ every manual of classifications, rules, and rates,
6 every rating plan, and every modification of any of the
7 foregoing which it proposes to use. Every insurer is
8 authorized to include deductible provisions in its manual of
9 classifications, rules, and rates. Such deductibles shall in
10 all cases be in a form and manner which is consistent with the
11 underlying purpose of chapter 440.

12 (2) Every such filing shall state the proposed
13 effective date thereof, and shall indicate the character and
14 extent of the coverage contemplated. When a filing is not
15 accompanied by the information upon which the insurer supports
16 the filing and the office ~~department~~ does not have sufficient
17 information to determine whether the filing meets the
18 applicable requirements of this part, it shall within 15 days
19 after the date of filing require the insurer to furnish the
20 information upon which it supports the filing. The
21 information furnished in support of a filing may include:

22 (a) The experience or judgment of the insurer or
23 rating organization making the filing;

24 (b) Its interpretation of any statistical data it
25 relies upon;

26 (c) The experience of other insurers or rating
27 organizations; or

28 (d) Any other factors which the insurer or rating
29 organization deems relevant.

30 (3) A filing and any supporting information shall be
31 open to public inspection as provided in s. 119.07(1).

1 (4) An insurer may satisfy its obligation to make such
2 filings by becoming a member of, or a subscriber to, a
3 licensed rating organization which makes such filings and by
4 authorizing the office ~~department~~ to accept such filings in
5 its behalf; but nothing contained in this chapter shall be
6 construed as requiring any insurer to become a member or a
7 subscriber to any rating organization.

8 (5) Pursuant to the provisions of s. 624.3161, the
9 office ~~department~~ may examine the underlying statistical data
10 used in such filings.

11 (6) Whenever the committee of a recognized rating
12 organization with responsibility for workers' compensation and
13 employer's liability insurance rates in this state meets to
14 discuss the necessity for, or a request for, Florida rate
15 increases or decreases, the determination of Florida rates,
16 the rates to be requested, and any other matters pertaining
17 specifically and directly to such Florida rates, such meetings
18 shall be held in this state and shall be subject to s.
19 286.011. The committee of such a rating organization shall
20 provide at least 3 weeks' prior notice of such meetings to the
21 office ~~department~~ and shall provide at least 14 days' prior
22 notice of such meetings to the public by publication in the
23 Florida Administrative Weekly.

24 Section 1077. Section 627.0915, Florida Statutes, is
25 amended to read:

27 drug-free workplace, and safe employers.--The office
28 ~~Department of Insurance~~ shall approve rating plans for
29 workers' compensation insurance that give specific
30 identifiable consideration in the setting of rates to
31 employers that either implement a drug-free workplace program

ENROLLED

2003 Legislature

1 pursuant to rules adopted by the commission ~~Department of~~
2 ~~Insurance~~ or implement a safety program pursuant to provisions
3 of the rating plan or implement both a drug-free workplace
4 program and a safety program. The plans must be actuarially
5 sound and must state the savings anticipated to result from
6 such drug-testing and safety programs.

7 Section 1078. Section 627.0916, Florida Statutes, is
8 amended to read:

9 627.0916 Agricultural horse farms.--Notwithstanding
10 any other provision of this chapter to the contrary, any
11 rates, rating schedules, or rating manuals for workers'
12 compensation and employer's liability insurance filed with the
13 office ~~Department of Insurance~~ shall provide for the rates of
14 an agricultural horse farm engaged in breeding or training to
15 be separated into the following three rate classifications and
16 the premium paid shall be applied proportionately according to
17 payroll: breeding activity involving stallions; breeding
18 activity not involving stallions, including but not limited to
19 boarding and foaling; and training.

20 Section 1079. Section 627.092, Florida Statutes, is
21 amended to read:

22 627.092 Workers' Compensation Administrator.--There is

28 amended to read:

29 627.096 Workers' Compensation Rating Bureau.--

30 (1) There is created within the office ~~department~~ a
31 Workers' Compensation Rating Bureau, which shall make an

1 investigation and study of all insurers authorized to issue
2 workers' compensation and employer's liability coverage in
3 this state. Such bureau shall study the data, statistics,
4 schedules, or other information as it may deem necessary to
5 assist and advise the office ~~department~~ in its review of
6 filings made by or on behalf of workers' compensation and
7 employer's liability insurers. The commission may adopt
8 ~~department shall have the authority to promulgate~~ rules
9 requiring all workers' compensation and employer's liability
10 insurers to submit to the rating bureau any data, statistics,
11 schedules, and other information deemed necessary to the
12 rating bureau's study and advisement.

13 (2) The acquisition by the Department of Management
14 Services of data processing software, hardware, and services
15 necessary to carry out the provisions of this act for the
16 department or office ~~Treasurer's Management Information Center~~
17 ~~of the Department of Insurance~~ shall be exempt from the
18 provisions of part I of chapter 287.

19 Section 1081. Section 627.101, Florida Statutes, is
20 amended to read:

21 627.101 When filing becomes effective; workers'
22 compensation and employer's liability insurances.--

23 (1) The office ~~department~~ shall review filings as to
24 workers' compensation and employer's liability insurances as
25 soon as reasonably possible after they have been made in order
26 to determine whether they meet the applicable requirements of
27 this part. If the office ~~department~~ determines that part of a
28 rate filing does not meet the applicable requirements of this
29 part, it may reject so much of the filing as does not meet
30 these requirements, and approve the remainder of the filing.

31

1 (2) The office ~~department~~ shall specifically approve
2 the filing before it becomes effective, unless the office
3 ~~department~~ has concluded it to be in the public interest to
4 hold a public hearing to determine whether the filing meets
5 the requirements of this chapter and has given notice of such
6 hearing to the insurer or rating organization that made the
7 filing, and in which case the effectiveness of the filing
8 shall be subject to the further order of the office ~~department~~
9 made as provided in s. 627.111. If the office ~~department~~
10 specifically disapproves the filing, the provisions of
11 subsection (4) shall apply.

12 (3) An insurer or rating organization may, at the time
13 it makes a filing with the office ~~department~~, request a public
14 hearing thereon. In such event, the office ~~department~~ shall
15 give notice of the hearing.

16 (4) If the office ~~department~~ disapproves a filing, it
17 shall promptly give notice of such disapproval to the insurer
18 or rating organization that made the filing, stating the
19 respects in which it finds that the filing does not meet the
20 requirements of this chapter. If the office ~~department~~
21 approves a filing, it shall give prompt notice thereof to the
22 insurer or rating organization that made the filing, and in
23 which case the filing shall become effective upon such
24 approval or upon such subsequent date as may be satisfactory
25 to the office ~~department~~ and the insurer or rating
26 organization that made the filing.

27 Section 1082. Section 627.111, Florida Statutes, is
28 amended to read:

29 627.111 Effective date of filing.--

30 (1) If, pursuant to s. 627.101(2), the office
31 ~~department~~ determines to hold a public hearing as to a filing,

1 or it holds such a public hearing pursuant to request therefor
2 under s. 627.101(3), it shall give written notice thereof to
3 the rating organization or insurer that made the filing and
4 shall hold such hearing within 30 days, and not less than 10
5 days prior to the date of the hearing, it shall give written
6 notice of the hearing to the insurer or rating organization
7 that made the filing. The office ~~department~~ may also, in its
8 discretion, give advance public notice of such hearing by
9 publication of notice in one or more daily newspapers of
10 general circulation in this state.

11 (2) If the order of the office ~~department~~ disapproves
12 the filing, the filing shall not become effective during the
13 effectiveness of such order. If the order of the office
14 ~~department~~ approves the filing, the filing shall become
15 effective upon the date of the order or upon such subsequent
16 date as may be satisfactory to the insurer or rating
17 organization that made the filing.

18 Section 1083. Section 627.141, Florida Statutes, is
19 amended to read:

20 627.141 Subsequent disapproval of filing; workers'
21 compensation and employer's liability insurances.--If at any
22 time after a filing has been approved by it or has otherwise
23 become effective the office ~~department~~ finds that the filing
24 no longer meets the requirements of this chapter, it shall
25 issue an order specifying in what respects it finds that such
26 filing fails to meet such requirements and stating when,
27 within a reasonable period thereafter, such filing shall be
28 deemed no longer effective. The order shall not affect any
29 insurance contract or policy made or issued prior to the
30 expiration of the period set forth in the order.

31

1 Section 1084. Subsection (1) of section 627.151,
2 Florida Statutes, is amended to read:

3 627.151 Basis of approval or disapproval of workers'
4 compensation or employer's liability insurance filing; scope
5 of disapproval power.--

6 (1) In determining at any time whether to approve or
7 disapprove a filing as to workers' compensation or employer's
8 liability insurance, or to permit the filing otherwise to
9 become effective, the office ~~department~~ shall give
10 consideration only to the applicable standards and factors
11 referred to in ss. 627.062 and 627.072.

12 Section 1085. Subsection (1) of section 627.171,
13 Florida Statutes, is amended to read:

14 627.171 Excess rates.--

15 (1) With written consent of the insured signed prior
16 to the policy inception date and filed with the insurer, the
17 insurer may use a rate in excess of the otherwise applicable
18 filed rate on any specific risk. The signed consent form must
19 include the filed rate as well as the excess rate for the risk
20 insured and a copy of the form must be maintained by the
21 insurer for 3 years and be available for review by the office
22 ~~department~~.

23 Section 1086. Paragraph (f) of subsection (2) of
24 section 627.192, Florida Statutes, is amended to read:

25 627.192 Workers' compensation insurance; employee
26 leasing arrangements.--

27 (2) For purposes of the Florida Insurance Code:

28 (f) "Premium subject to dispute" means that the
29 insured has provided a written notice of dispute to the
30 insurer or service carrier, has initiated any applicable
31 proceeding for resolving such disputes as prescribed by law or

1 rating organization procedures approved by the office
2 ~~department~~, or has initiated litigation regarding the premium
3 dispute. The insured must have detailed the specific areas of
4 dispute and provided an estimate of the premium the insured
5 believes to be correct. The insured must have paid any
6 undisputed portion of the bill.

7 Section 1087. Section 627.211, Florida Statutes, is
8 amended to read:

9 627.211 Deviations; workers' compensation and
10 employer's liability insurances.--

11 (1) Every member or subscriber to a rating
12 organization shall, as to workers' compensation or employer's
13 liability insurance, adhere to the filings made on its behalf
14 by such organization; except that any such insurer may make
15 written application to the office ~~department~~ for permission to
16 file a uniform percentage decrease or increase to be applied
17 to the premiums produced by the rating system so filed for a
18 kind of insurance, for a class of insurance which is found by
19 the office ~~department~~ to be a proper rating unit for the
20 application of such uniform percentage decrease or increase,
21 or for a subdivision of workers' compensation or employer's
22 liability insurance:

23 (a) Comprised of a group of manual classifications
24 which is treated as a separate unit for ratemaking purposes;
25 or

26 (b) For which separate expense provisions are included
27 in the filings of the rating organization.

28
29 Such application shall specify the basis for the modification
30 and shall be accompanied by the data upon which the applicant
31

1 relies. A copy of the application and data shall be sent
2 simultaneously to the rating organization.

3 (2) Every member or subscriber to a rating
4 organization may, as to workers' compensation and employer's
5 liability insurance, file a plan or plans to use deviations
6 that vary according to factors present in each insured's
7 individual risk. The insurer that files for the deviations
8 provided in this subsection shall file the qualifications for
9 the plans, schedules of rating factors, and the maximum
10 deviation factors which shall be subject to the approval of
11 the office ~~department~~ pursuant to s. 627.091. The actual
12 deviation which shall be used for each insured that qualifies
13 under this subsection may not exceed the maximum filed
14 deviation under that plan and shall be based on the merits of
15 each insured's individual risk as determined by using
16 schedules of rating factors which shall be applied uniformly.
17 Insurers shall maintain statistical data in accordance with
18 the schedule of rating factors. Such data shall be available
19 to support the continued use of such varying deviations.

20 (3) In considering an application for the deviation,
21 the office ~~department~~ shall give consideration to the
22 applicable principles for ratemaking as set forth in ss.
23 627.062 and 627.072, the financial condition of the insurer,
24 and the impact of the deviation on the current market
25 conditions including the composition of the market, the
26 stability of rates, and the level of competition in the
27 market. In evaluating the financial condition of the insurer,
28 the office ~~department~~ may consider: (1) the insurer's audited
29 financial statements and whether the statements provide
30 unqualified opinions or contain significant qualifications or
31 "subject to" provisions; (2) any independent or other

1 actuarial certification of loss reserves; (3) whether workers'
2 compensation and employer's liability reserves are above the
3 midpoint or best estimate of the actuary's reserve range
4 estimate; (4) the adequacy of the proposed rate; (5)
5 historical experience demonstrating the profitability of the
6 insurer; (6) the existence of excess or other reinsurance
7 that contains a sufficiently low attachment point and maximums
8 that provide adequate protection to the insurer; and (7) other
9 factors considered relevant to the financial condition of the
10 insurer by the office ~~department~~. The office ~~department~~ shall
11 approve the deviation if it finds it to be justified, it would
12 not endanger the financial condition of the insurer, it would
13 not adversely affect the current market conditions including
14 the composition of the market, the stability of rates, and the
15 level of competition in the market, and that the deviation
16 would not constitute predatory pricing. It shall disapprove
17 the deviation if it finds that the resulting premiums would be
18 excessive, inadequate, or unfairly discriminatory, would
19 endanger the financial condition of the insurer, or would
20 adversely affect current market conditions including the
21 composition of the marketplace, the stability of rates, and
22 the level of competition in the market, or would result in
23 predatory pricing. The insurer may not use a deviation unless
24 the deviation is specifically approved by the office
25 ~~department~~.

26 (4) Each deviation permitted to be filed shall be
27 effective for a period of 1 year unless terminated, extended,
28 or modified with the approval of the office ~~department~~. If at
29 any time after a deviation has been approved the office
30 ~~department~~ finds that the deviation no longer meets the
31 requirements of this code, it shall notify the insurer in what

1 respects it finds that the deviation fails to meet such
2 requirements and specify when, within a reasonable period
3 thereafter, the deviation shall be deemed no longer effective.
4 The notice shall not affect any insurance contract or policy
5 made or issued prior to the expiration of the period set forth
6 in the notice.

7 (5) For purposes of this section, the office
8 ~~department~~, when considering the experience of any insurer,
9 shall consider the experience of any predecessor insurer when
10 the business and the liabilities of the predecessor insurer
11 were assumed by the insurer pursuant to an order of the office
12 ~~department~~ which approves the assumption of the business and
13 the liabilities.

14 Section 1088. Section 627.212, Florida Statutes, is
15 amended to read:

16 627.212 Workplace safety program surcharge.--The
17 office ~~department~~ shall approve a rating plan for workers'
18 compensation coverage insurance that provides for carriers
19 voluntarily to impose a surcharge of no more than 10 percent
20 on the premium of a policyholder or fund member if that
21 policyholder or fund member has been identified by the
22 department ~~of Labor and Employment Security~~ as having been
23 required to implement a safety program and having failed to
24 establish or maintain, either in whole or in part, a safety
25 program. The department ~~division~~ shall adopt rules prescribing
26 the criteria for the employee safety programs.

27 Section 1089. Paragraph (a) of subsection (1),
28 subsection (9), paragraph (b) of subsection (11), and
29 paragraph (b) of subsection (12) of section 627.215, Florida
30 Statutes, are amended to read:

31

1 627.215 Excessive profits for workers' compensation,
2 employer's liability, commercial property, and commercial
3 casualty insurance prohibited.--

4 (1)(a) Each insurer group writing workers'
5 compensation and employer's liability insurance as defined in
6 s. 624.605(1)(c), commercial property insurance as defined in
7 s. 627.0625, commercial umbrella liability insurance as
8 defined in s. 627.0625, or commercial casualty insurance as
9 defined in s. 627.0625 shall file with the office ~~department~~
10 prior to July 1 of each year, on a form prescribed by the
11 commission ~~department~~, the following data for the component
12 types of such insurance as provided in the form:

- 13 1. Calendar-year earned premium.
- 14 2. Accident-year incurred losses and loss adjustment
15 expenses.
- 16 3. The administrative and selling expenses incurred in
17 this state or allocated to this state for the calendar year.
- 18 4. Policyholder dividends applicable to the calendar
19 year.

20
21 Nothing herein is intended to prohibit an insurer from filing
22 on a calendar-year basis.

23 (9) If the insurer group has realized an excessive
24 profit, the office ~~department~~ shall order a return of the
25 excessive amounts after affording the insurer group an
26 opportunity for hearing and otherwise complying with the
27 requirements of chapter 120. Such excessive amounts shall be
28 refunded in all instances unless the insurer group
29 affirmatively demonstrates to the office ~~department~~ that the
30 refund of the excessive amounts will render a member of the
31

1 insurer group financially impaired or will render it insolvent
2 under the provisions of the Florida Insurance Code.

3 (11)

4 (b) Data in required reports to the office ~~department~~
5 may be rounded to the nearest dollar.

6 (12)

7 (b) Upon completion of the renewal credits or refund
8 payments, the insurer group shall immediately certify to the
9 office ~~department~~ that the refunds have been made.

10 Section 1090. Section 627.221, Florida Statutes, is
11 amended to read:

12 627.221 Rating organizations; licensing; fee.--

13 (1) A person, whether located within or outside this
14 state, may make application to the office ~~department~~ for a
15 license as a rating organization. As to property or inland
16 marine insurance, the application shall be for such kinds of
17 insurance or subdivisions thereof or classes of risk or a part
18 or combination thereof as are specified in the application. As
19 to casualty and surety insurances, the application shall be
20 for such kinds of insurance or subdivisions thereof as are
21 specified in the application. The applicant shall file with
22 its application:

23 (a) A copy of its constitution, its articles of
24 agreement or association or its certificate of incorporation,
25 and of its bylaws, rules, and regulations governing the
26 conduct of its business;

27 (b) A list of its members and subscribers;

28 (c) The name and address of a resident of this state
29 upon whom notices or orders of the office ~~department~~ or
30 process affecting such rating organization may be served; and

31

1 (d) A statement of its qualifications as a rating
2 organization.

3
4 If the office ~~department~~ finds that the applicant is
5 competent, trustworthy, and otherwise qualified to act as a
6 rating organization and that its constitution, articles of
7 agreement or association or certificate of incorporation, and
8 its bylaws, rules, and regulations governing the conduct of
9 its business conform to the requirements of law, it shall
10 issue a license specifying (in the case of a casualty or
11 surety rating organization) the kinds of insurance or
12 subdivisions thereof, or (in the case of a property insurance
13 rating organization) the kinds of insurance or subdivisions
14 thereof or classes of risk or a part or combination thereof,
15 for which the applicant is authorized to act as a rating
16 organization.

17 (2) Licenses issued pursuant to this section shall
18 expire on the September 30 next following date of issuance and
19 shall be subject to annual renewal.

20 (3) The fee for the license shall be in the amount
21 specified therefor in s. 624.501. This fee, when collected,
22 shall be deposited to the credit of the Insurance
23 ~~Commissioner's~~ Regulatory Trust Fund.

24 Section 1091. Section 627.231, Florida Statutes, is
25 amended to read:

26 627.231 Subscribers to rating organizations.--

27 (1) Subject to rules and regulations which have been
28 approved by the office ~~department~~ as reasonable, each rating
29 organization shall permit any insurer, not a member, to
30 subscribe to its rating services. As to property and marine
31 rating organizations, an insurer shall be so permitted to

1 subscribe to rating services for any kind of insurance,
2 subdivision thereof, or class of risk or a part or combination
3 thereof for which the rating organization is authorized so to
4 act. As to casualty and surety rating organizations, an
5 insurer shall be so permitted to subscribe to rating services
6 for any kind of insurance or subdivision thereof for which the
7 rating organization is authorized so to act. The rating
8 organization shall give notice to subscribers of proposed
9 changes in such rules and regulations.

10 (2) The reasonableness of any rule or regulation in
11 its application to subscribers, or the refusal of any rating
12 organization to admit an insurer as a subscriber, shall, at
13 the request of any subscriber or any such insurer, be reviewed
14 by the office ~~department~~. If the office ~~department~~ finds that
15 such rule or regulation is unreasonable in its application to
16 subscribers, it shall order that such rule or regulation shall
17 not be applicable to subscribers. If the rating organization
18 fails to grant or reject an insurer's application for
19 subscribership within 30 days after it was made, the insurer
20 may request a review by the office ~~department~~ as if the
21 application had been rejected. If the office ~~department~~ finds
22 that the insurer has been refused admittance to the rating
23 organization as a subscriber without justification, it shall
24 order the rating organization to admit the insurer as a
25 subscriber. If it finds that the action of the rating
26 organization was justified, it shall make an order affirming
27 its action.

28 (3) Each rating organization shall furnish its rating
29 services without discrimination to its members and
30 subscribers.

31

1 Section 1092. Section 627.241, Florida Statutes, is
2 amended to read:

3 627.241 Notice of changes.--Every rating organization
4 shall notify the office ~~department~~ promptly of every change
5 in:

6 (1) Its constitution, its articles of agreement or
7 association, or its certificate of incorporation, and its
8 bylaws, rules and regulations governing the conduct of its
9 business;

10 (2) Its list of members and subscribers; and

11 (3) The name and address of the resident of this state
12 designated by it upon whom notices or orders of the office
13 ~~department~~ or process affecting such rating organization may
14 be served.

15 Section 1093. Section 627.281, Florida Statutes, is
16 amended to read:

17 627.281 Appeal from rating organization; workers'
18 compensation and employer's liability insurance filings.--

19 (1) Any member or subscriber to a rating organization
20 may appeal to the office ~~department~~ from the action or
21 decision of such rating organization in approving or rejecting
22 any proposed change in or addition to the workers'
23 compensation or employer's liability insurance filings of such
24 rating organization, and the office ~~department~~ shall issue an
25 order approving the decision of such rating organization or
26 directing it to give further consideration to such proposal.
27 If such appeal is from the action or decision of the rating
28 organization in rejecting a proposed addition to its filings,
29 the office ~~department~~ may, in the event it finds that such
30 action or decision was unreasonable, issue an order directing
31 the rating organization to make an addition to its filings, on

1 behalf of its members and subscribers, in a manner consistent
2 with its findings, within a reasonable time after the issuance
3 of such order.

4 (2) If such appeal is based upon the failure of the
5 rating organization to make a filing on behalf of such member
6 or subscriber which is based on a system of expense provisions
7 which differs, in accordance with the right granted in s.
8 627.072(2), from the system of expense provisions included in
9 a filing made by the rating organization, the office
10 ~~department~~ shall, if it grants the appeal, order the rating
11 organization to make the requested filing for use by the
12 appellant. In deciding such appeal, the office ~~department~~
13 shall apply the applicable standards set forth in ss. 627.062
14 and 627.072.

15 Section 1094. Subsection (2) of section 627.291,
16 Florida Statutes, is amended to read:

17 627.291 Information to be furnished insureds; appeal
18 by insureds; workers' compensation and employer's liability
19 insurances.--

20 (2) As to workers' compensation and employer's
21 liability insurances, every rating organization and every
22 insurer which makes its own rates shall provide within this
23 state reasonable means whereby any person aggrieved by the
24 application of its rating system may be heard, in person or by
25 his or her authorized representative, on his or her written
26 request to review the manner in which such rating system has
27 been applied in connection with the insurance afforded him or
28 her. If the rating organization or insurer fails to grant or
29 rejects such request within 30 days after it is made, the
30 applicant may proceed in the same manner as if his or her
31 application had been rejected. Any party affected by the

1 action of such rating organization or insurer on such request
2 may, within 30 days after written notice of such action,
3 appeal to the office ~~department~~, which may affirm or reverse
4 such action.

5 Section 1095. Section 627.301, Florida Statutes, is
6 amended to read:

7 627.301 Advisory organizations.--

8 (1) No advisory organization shall conduct its
9 operations in this state unless and until it has filed with
10 the office ~~department~~:

11 (a) A copy of its constitution, articles of
12 incorporation, articles of agreement or of association, and
13 bylaws or rules and regulations governing its activities, all
14 duly certified by the custodian of the originals thereof;

15 (b) A list of its members and subscribers; and

16 (c) The name and address of a resident of this state
17 upon whom notices or orders of the office ~~department~~ or
18 process may be served.

19 (2) Every such advisory organization shall notify the
20 office ~~department~~ promptly of every change in:

21 (a) Its constitution;

22 (b) Its articles of incorporation, agreement, or
23 association;

24 (c) Its bylaws, rules and regulations governing the
25 conduct of its business;

26 (d) The list of members and subscribers; and

27 (e) The name and address of the resident of this state
28 designated by it upon whom notices or orders of the office
29 ~~department~~ or process affecting such organization may be
30 served.

31

1 (3) No such advisory organization shall engage in any
2 unfair or unreasonable practice with respect to such
3 activities.

4 Section 1096. Subsections (2) and (3) and paragraphs
5 (a), (b), (c), (e), (f), and (g) of subsection (4) of section
6 627.311, Florida Statutes, are amended to read:

7 627.311 Joint underwriters and joint reinsurers.--

8 (2) If the office ~~department~~ finds that any activity
9 or practice of any such group, association, or other
10 organization is unfair or unreasonable or otherwise
11 inconsistent with the provisions of this chapter, it may issue
12 a written order specifying in what respects such activity or
13 practice is unfair or unreasonable or otherwise inconsistent
14 with the provisions of this chapter, and requiring the
15 discontinuance of such activity or practice.

16 (3) The office ~~department~~ may, after consultation with
17 insurers licensed to write automobile insurance in this state,
18 approve a joint underwriting plan for purposes of equitable
19 apportionment or sharing among insurers of automobile
20 liability insurance and other motor vehicle insurance, as an
21 alternate to the plan required in s. 627.351(1). All insurers
22 authorized to write automobile insurance in this state shall
23 subscribe to the plan and participate therein. The plan shall
24 be subject to continuous review by the office ~~department~~ which
25 may at any time disapprove the entire plan or any part thereof
26 if it determines that conditions have changed since prior
27 approval and that in view of the purposes of the plan changes
28 are warranted. Any disapproval by the office ~~department~~ shall
29 be subject to the provisions of chapter 120. If adopted, the
30 plan and the association created under the plan:

31

1 (a) Must be subject to all provisions of s.
2 627.351(1), except apportionment of applicants.

3 (b) May provide for one or more designated insurers,
4 able and willing to provide policy and claims service, to act
5 on behalf of all other insurers to provide insurance for
6 applicants who are in good faith entitled to, but unable to,
7 procure insurance through the voluntary insurance market at
8 standard rates.

9 (c) Must provide that designated insurers will issue
10 policies of insurance and provide policyholder and claims
11 service on behalf of all insurers for the joint underwriting
12 association.

13 (d) Must provide for the equitable apportionment among
14 insurers of losses and expenses incurred.

15 (e) Must provide that the joint underwriting
16 association will operate subject to the supervision and
17 approval of a board of governors consisting of 11 individuals,
18 including 1 who will be elected as chair. Five members of the
19 board must be appointed by the Chief Financial Officer
20 ~~Insurance Commissioner~~. Two of the Chief Financial Officer's
21 ~~commissioner's~~ appointees must be chosen from the insurance
22 industry. Any board member appointed by the Chief Financial
23 Officer ~~Insurance Commissioner~~ may be removed and replaced by
24 her or him at any time without cause. Six members of the board
25 must be appointed by the participating insurers, two of whom
26 must be from the insurance agents' associations. All board
27 members, including the chair, must be appointed to serve for
28 2-year terms beginning annually on a date designated by the
29 plan.

30 (f) Must provide that an agent appointed to a
31 servicing carrier must be a licensed general lines agent of an

1 insurer which is authorized to write automobile liability and
2 physical damage insurance in the state and which is actively
3 writing such coverage in the county in which the agent is
4 located, or the immediately adjoining counties, or an agent
5 who places a volume of other property and casualty insurance
6 in an amount equal to the premium volume placed with the
7 Florida Joint Underwriting Association. The office ~~department~~
8 may, however, determine that an agent may be appointed to a
9 servicing carrier if, after public hearing, the office
10 ~~department~~ finds that consumers in the agent's operating area
11 would not have adequate and reasonable access to the purchase
12 of automobile insurance if the agent were not appointed to a
13 servicing carrier.

14 (g) Must make available noncancelable coverage as
15 provided in s. 627.7275(2).

16 (h) Must provide for the furnishing of a list of
17 insureds and their mailing addresses upon the request of a
18 member of the association or an insurance agent licensed to
19 place business with an association member. The list must
20 indicate whether the insured is currently receiving a good
21 driver discount from the association. The plan may charge a
22 reasonable fee to cover the cost incurred in providing the
23 list.

24 (i) Must not provide a renewal credit or discount or
25 any other inducement designed to retain a risk.

26 (j) Must not provide any other good driver credit or
27 discount that is not actuarially sound. In addition to other
28 criteria that the plan may specify, to be eligible for a good
29 driver credit, an insured must not have any criminal traffic
30 violations within the most recent 36-month period preceding
31 the date the discount is received.

1 (k) Shall have no liability, and no cause of action of
2 any nature shall arise against, any member insurer or its
3 agents or employees, agents or employees of the association,
4 members of the board of governors of the association, the
5 Chief Financial Officer, or the office ~~department~~ or its
6 representatives, for any action taken by them in the
7 performance of their duties or responsibilities under this
8 subsection. Such immunity does not apply to actions for or
9 arising out of breach of any contract or agreement pertaining
10 to insurance, or any willful tort.

11 (1)1. Shall be subject to the public records
12 requirements of chapter 119 and the public meeting
13 requirements of s. 286.011. However, the following records of
14 the Florida Automobile Joint Underwriting Association are
15 confidential and exempt from s. 119.07(1) and s. 24(a), Art. I
16 of the State Constitution:

17 a. Underwriting files, except that a policyholder or
18 an applicant shall have access to his or her own underwriting
19 files.

20 b. Claims files, until termination of all litigation
21 and settlement of all claims arising out of the same incident,
22 although portions of the claims files may remain exempt, as
23 otherwise provided by law. Confidential and exempt claims file
24 records may be released to other governmental agencies upon
25 written request and demonstration of need; such records held
26 by the receiving agency remain confidential and exempt as
27 provided by this paragraph.

28 c. Records obtained or generated by an internal
29 auditor pursuant to a routine audit, until the audit is
30 completed or, if the audit is conducted as part of an
31 investigation, until the investigation is closed or ceases to

1 be active. An investigation is considered "active" while the
2 investigation is being conducted with a reasonable, good faith
3 belief that it could lead to the filing of administrative,
4 civil, or criminal proceedings.

5 d. Matters reasonably encompassed in privileged
6 attorney-client communications.

7 e. Proprietary information licensed to the association
8 under contract when the contract provides for the
9 confidentiality of such proprietary information.

10 f. All information relating to the medical condition
11 or medical status of an association employee which is not
12 relevant to the employee's capacity to perform his or her
13 duties, except as otherwise provided in this paragraph.

14 Information which is exempt shall include, but is not limited
15 to, information relating to workers' compensation, insurance
16 benefits, and retirement or disability benefits.

17 g. All records relative to an employee's participation
18 in an employee assistance program designed to assist any
19 employee who has a behavioral or medical disorder, substance
20 abuse problem, or emotional difficulty which affects the
21 employee's job performance, except as otherwise provided in s.
22 112.0455(11).

23 h. Information relating to negotiations for financing,
24 reinsurance, depopulation, or contractual services, until the
25 conclusion of the negotiations.

26 i. Minutes of closed meetings regarding underwriting
27 files, and minutes of closed meetings regarding an open claims
28 file until termination of all litigation and settlement of all
29 claims with regard to that claim, except that information
30 otherwise confidential or exempt by law must be redacted.

31

1 When an authorized insurer is considering underwriting a risk
2 insured by the association, relevant underwriting files and
3 confidential claims files may be released to the insurer
4 provided the insurer agrees in writing, notarized and under
5 oath, to maintain the confidentiality of such files. When a
6 file is transferred to an insurer, that file is no longer a
7 public record because it is not held by an agency subject to
8 the provisions of the public records law. The association may
9 make the following information obtained from underwriting
10 files and confidential claims files available to licensed
11 general lines insurance agents: name, address, and telephone
12 number of the automobile owner or insured; location of the
13 risk; rating information; loss history; and policy type. The
14 receiving licensed general lines insurance agent must retain
15 the confidentiality of the information received.

16 2. Portions of meetings of the Florida Automobile
17 Joint Underwriting Association during which confidential
18 underwriting files or confidential open claims files are
19 discussed are exempt from the provisions of s. 286.011 and s.
20 24(b), Art. I of the State Constitution. All portions of
21 association meetings which are closed to the public shall be
22 recorded by a court reporter. The court reporter shall record
23 the times of commencement and termination of the meeting, all
24 discussion and proceedings, the names of all persons present
25 at any time, and the names of all persons speaking. No
26 portion of any closed meeting shall be off the record.
27 Subject to the provisions of this paragraph and s.
28 119.07(2)(a), the court reporter's notes of any closed meeting
29 shall be retained by the association for a minimum of 5 years.
30 A copy of the transcript, less any exempt matters, of any
31

1 closed meeting during which claims are discussed shall become
2 public as to individual claims after settlement of the claim.

3
4 This paragraph is subject to the Open Government Sunset Review
5 Act of 1995 in accordance with s. 119.15, and shall stand
6 repealed on October 2, 2003, unless reviewed and saved from
7 repeal through reenactment by the Legislature.

8 (4)(a) ~~Effective upon this act becoming a law,~~The
9 office department shall, after consultation with insurers,
10 approve a joint underwriting plan of insurers which shall
11 operate as a nonprofit entity. For the purposes of this
12 subsection, the term "insurer" includes group self-insurance
13 funds authorized by s. 624.4621, commercial self-insurance
14 funds authorized by s. 624.462, assessable mutual insurers
15 authorized under s. 628.6011, and insurers licensed to write
16 workers' compensation and employer's liability insurance in
17 this state. The purpose of the plan is to provide workers'
18 compensation and employer's liability insurance to applicants
19 who are required by law to maintain workers' compensation and
20 employer's liability insurance and who are in good faith
21 entitled to but who are unable to purchase such insurance
22 through the voluntary market. ~~The joint underwriting plan~~
23 ~~shall issue policies beginning January 1, 1994.~~The plan must
24 have actuarially sound rates that assure that the plan is
25 self-supporting.

26 (b) The operation of the plan is subject to the
27 supervision of a 13-member board of governors. The board of
28 governors shall be comprised of:

29 1. Five of the 20 domestic insurers, as defined in s.
30 624.06(1), having the largest voluntary direct premiums
31 written in this state for workers' compensation and employer's

1 liability insurance, which shall be elected by those 20
2 domestic insurers;

3 2. Five of the 20 foreign insurers as defined in s.
4 624.06(2) having the largest voluntary direct premiums written
5 in this state for workers' compensation and employer's
6 liability insurance, which shall be elected by those 20
7 foreign insurers;

8 3. One person, who shall serve as the chair, appointed
9 by the Chief Financial Officer ~~Insurance Commissioner~~;

10 4. One person appointed by the largest property and
11 casualty insurance agents' association in this state; and

12 5. The consumer advocate appointed under s. 627.0613
13 or the consumer advocate's designee.

14

15 Each board member shall serve a 4-year term and may serve
16 consecutive terms. No board member shall be an insurer which
17 provides service to the plan or which has an affiliate which
18 provides services to the plan or which is serviced by a
19 service company or third-party administrator which provides
20 services to the plan or which has an affiliate which provides
21 services to the plan. The minutes, audits, and procedures of
22 the board of governors are subject to chapter 119.

23 (c) The operation of the plan shall be governed by a
24 plan of operation that is prepared at the direction of the
25 board of governors. The plan of operation may be changed at
26 any time by the board of governors or upon request of the
27 office department. The plan of operation and all changes
28 thereto are subject to the approval of the office department.
29 The plan of operation shall:

30

31

1 1. Authorize the board to engage in the activities
2 necessary to implement this subsection, including, but not
3 limited to, borrowing money.

4 2. Develop criteria for eligibility for coverage by
5 the plan, including, but not limited to, documented rejection
6 by at least two insurers which reasonably assures that
7 insureds covered under the plan are unable to acquire coverage
8 in the voluntary market. Any insured may voluntarily elect to
9 accept coverage from an insurer for a premium equal to or
10 greater than the plan premium if the insurer writing the
11 coverage adheres to the provisions of s. 627.171.

12 3. Require notice from the agent to the insured at the
13 time of the application for coverage that the application is
14 for coverage with the plan and that coverage may be available
15 through an insurer, group self-insurers' fund, commercial
16 self-insurance fund, or assessable mutual insurer through
17 another agent at a lower cost.

18 4. Establish programs to encourage insurers to provide
19 coverage to applicants of the plan in the voluntary market and
20 to insureds of the plan, including, but not limited to:

21 a. Establishing procedures for an insurer to use in
22 notifying the plan of the insurer's desire to provide coverage
23 to applicants to the plan or existing insureds of the plan and
24 in describing the types of risks in which the insurer is
25 interested. The description of the desired risks must be on a
26 form developed by the plan.

27 b. Developing forms and procedures that provide an
28 insurer with the information necessary to determine whether
29 the insurer wants to write particular applicants to the plan
30 or insureds of the plan.

31

1 c. Developing procedures for notice to the plan and
2 the applicant to the plan or insured of the plan that an
3 insurer will insure the applicant or the insured of the plan,
4 and notice of the cost of the coverage offered; and developing
5 procedures for the selection of an insuring entity by the
6 applicant or insured of the plan.

7 d. Provide for a market-assistance plan to assist in
8 the placement of employers. All applications for coverage in
9 the plan received 45 days before the effective date for
10 coverage shall be processed through the market-assistance
11 plan. A market-assistance plan specifically designed to serve
12 the needs of small good policyholders as defined by the board
13 must be finalized by January 1, 1994.

14 5. Provide for policy and claims services to the
15 insureds of the plan of the nature and quality provided for
16 insureds in the voluntary market.

17 6. Provide for the review of applications for coverage
18 with the plan for reasonableness and accuracy, using any
19 available historic information regarding the insured.

20 7. Provide for procedures for auditing insureds of the
21 plan which are based on reasonable business judgment and are
22 designed to maximize the likelihood that the plan will collect
23 the appropriate premiums.

24 8. Authorize the plan to terminate the coverage of and
25 refuse future coverage for any insured that submits a
26 fraudulent application to the plan or provides fraudulent or
27 grossly erroneous records to the plan or to any service
28 provider of the plan in conjunction with the activities of the
29 plan.

30 9. Establish service standards for agents who submit
31 business to the plan.

1 10. Establish criteria and procedures to prohibit any
2 agent who does not adhere to the established service standards
3 from placing business with the plan or receiving, directly or
4 indirectly, any commissions for business placed with the plan.

5 11. Provide for the establishment of reasonable safety
6 programs for all insureds in the plan.

7 12. Authorize the plan to terminate the coverage of
8 and refuse future coverage to any insured who fails to pay
9 premiums or surcharges when due; who, at the time of
10 application, is delinquent in payments of workers'
11 compensation or employer's liability insurance premiums or
12 surcharges owed to an insurer, group self-insurers' fund,
13 commercial self-insurance fund, or assessable mutual insurer
14 licensed to write such coverage in this state; or who refuses
15 to substantially comply with any safety programs recommended
16 by the plan.

17 13. Authorize the board of governors to provide the
18 services required by the plan through staff employed by the
19 plan, through reasonably compensated service providers who
20 contract with the plan to provide services as specified by the
21 board of governors, or through a combination of employees and
22 service providers.

23 14. Provide for service standards for service
24 providers, methods of determining adherence to those service
25 standards, incentives and disincentives for service, and
26 procedures for terminating contracts for service providers
27 that fail to adhere to service standards.

28 15. Provide procedures for selecting service providers
29 and standards for qualification as a service provider that
30 reasonably assure that any service provider selected will
31

1 continue to operate as an ongoing concern and is capable of
2 providing the specified services in the manner required.

3 16. Provide for reasonable accounting and
4 data-reporting practices.

5 17. Provide for annual review of costs associated with
6 the administration and servicing of the policies issued by the
7 plan to determine alternatives by which costs can be reduced.

8 18. Authorize the acquisition of such excess insurance
9 or reinsurance as is consistent with the purposes of the plan.

10 19. Provide for an annual report to the office
11 ~~department~~ on a date specified by the office ~~department~~ and
12 containing such information as the office ~~department~~
13 reasonably requires.

14 20. Establish multiple rating plans for various
15 classifications of risk which reflect risk of loss, hazard
16 grade, actual losses, size of premium, and compliance with
17 loss control. At least one of such plans must be a
18 preferred-rating plan to accommodate small-premium
19 policyholders with good experience as defined in
20 sub-subparagraph 22.a.

21 21. Establish agent commission schedules.

22 22. Establish three subplans as follows:

23 a. Subplan "A" must include those insureds whose
24 annual premium does not exceed \$2,500 and who have neither
25 incurred any lost-time claims nor incurred medical-only claims
26 exceeding 50 percent of their premium for the immediate 2
27 years.

28 b. Subplan "B" must include insureds that are
29 employers identified by the board of governors as high-risk
30 employers due solely to the nature of the operations being
31 performed by those insureds and for whom no market exists in

1 the voluntary market, and whose experience modifications are
2 less than 1.00.

3 c. Subplan "C" must include all other insureds within
4 the plan.

5 (e) The plan shall establish and use its rates and
6 rating plans, and the plan may establish and use changes in
7 rating plans at any time, but no more frequently than two
8 times per any rating class for any calendar year. By December
9 1, 1993, and December 1 of each year thereafter, the board
10 shall establish and use actuarially sound rates for use by the
11 plan to assure that the plan is self-funding while those rates
12 are in effect. Such rates and rating plans must be filed with
13 the office ~~department~~ within 30 calendar days after their
14 effective dates, and shall be considered a "use and file"
15 filing. Any disapproval by the office ~~department~~ must have an
16 effective date that is at least 60 days from the date of
17 disapproval of the rates and rating plan and must have
18 prospective effect only. The plan may not be subject to any
19 order by the office ~~department~~ to return to policyholders any
20 portion of the rates disapproved by the office ~~department~~. The
21 office ~~department~~ may not disapprove any rates or rating plans
22 unless it demonstrates that such rates and rating plans are
23 excessive, inadequate, or unfairly discriminatory.

24 (f) No later than June 1 of each year, the plan shall
25 obtain an independent actuarial certification of the results
26 of the operations of the plan for prior years, and shall
27 furnish a copy of the certification to the office ~~department~~.
28 If, after the effective date of the plan, the projected
29 ultimate incurred losses and expenses and dividends for prior
30 years exceed collected premiums, accrued net investment
31 income, and prior assessments for prior years, the

1 certification is subject to review and approval by the office
2 ~~department~~ before it becomes final.

3 (g) Whenever a deficit exists, the plan shall, within
4 90 days, provide the office ~~department~~ with a program to
5 eliminate the deficit within a reasonable time. The deficit
6 may be funded through increased premiums charged to insureds
7 of the plan for subsequent years, through the use of
8 policyholder surplus attributable to any year, and through
9 assessments on insureds in the plan if the plan uses
10 assessable policies.

11 Section 1097. Section 627.3111, Florida Statutes, is
12 transferred, renumbered as section 624.23, Florida Statutes,
13 and amended to read:

14 624.23 ~~627.3111~~ Public records exemption.--All bank
15 account numbers and debit, charge, and credit card numbers,
16 and all other personal financial and health information of a
17 consumer held by the department or office ~~of insurance~~ or
18 their ~~its~~ service providers or agents, relating to a
19 consumer's complaint or inquiry regarding a matter or activity
20 regulated under the Florida Insurance Code, are confidential
21 and exempt from s. 119.07(1) and s. 24(a), Art. I of the State
22 Constitution. For the purpose of this section, the term
23 "consumer" includes but is not limited to a prospective
24 purchaser, purchaser, or beneficiary of, or applicant for, any
25 product or service regulated under the Florida Insurance Code,
26 and a family member or dependent of a consumer, a subscriber
27 under a group policy, or a policyholder. This information
28 shall be redacted from records that contain nonexempt
29 information prior to disclosure. This exemption applies to
30 information made confidential and exempt by this section held
31 by the department or office ~~of insurance~~ or their ~~its~~ service

1 providers or agents before, on, or after the effective date of
2 this exemption. Such confidential and exempt information may
3 be disclosed to another governmental entity, if disclosure is
4 necessary for the receiving entity to perform its duties and
5 responsibilities, and may be disclosed to the National
6 Association of Insurance Commissioners. The receiving
7 governmental entity and the association must maintain the
8 confidential and exempt status of such information. The
9 information made confidential and exempt by this section may
10 be used in a criminal, civil, or administrative proceeding so
11 long as the confidential and exempt status of such information
12 is maintained. This exemption does not include the name and
13 address of an inquirer or complainant to the department or
14 office or the name of an insurer or other regulated entity
15 which is the subject of the inquiry or complaint. This section
16 is subject to the Open Government Sunset Review Act of 1995 in
17 accordance with s. 119.15 and shall stand repealed on October
18 2, 2007, unless reviewed and saved from repeal through
19 reenactment by the Legislature.

20 Section 1098. Subsection (6) of section 627.314,
21 Florida Statutes, is amended to read:

22 627.314 Concerted action by two or more insurers.--
23 (6) Notwithstanding any other provisions of this part,
24 insurers shall not participate directly or indirectly in the
25 deliberations or decisions of rating organizations on private
26 passenger automobile insurance. However, such rating
27 organizations shall, upon request of individual insurers, be
28 required to furnish at reasonable cost the rate indications
29 resulting from the loss and expense statistics gathered by
30 them. Individual insurers may modify the indications to
31 reflect their individual experience in determining their own

1 rates. Such rates shall be filed with the office ~~department~~
2 for public inspection whenever requested and shall be
3 available for public announcement only by the press, office
4 ~~department~~, or insurer.

5 Section 1099. Section 627.318, Florida Statutes, is
6 amended to read:

7 627.318 Records.--Every insurer, rating organization,
8 and advisory organization and every group, association, or
9 other organization of insurers which engages in joint
10 underwriting or joint reinsurance shall maintain reasonable
11 records, of the type and kind reasonably adapted to its method
12 of operation, of its experience or the experience of its
13 members and of the data, statistics, or information collected
14 or used by it in connection with the rates, rating plans,
15 rating systems, underwriting rules, policy or bond forms,
16 surveys, or inspections made or used by it, so that such
17 records will be available at all reasonable times to enable
18 the office ~~department~~ to determine whether such organization,
19 insurer, group, or association, and, in the case of an insurer
20 or rating organization, every rate, rating plan, and rating
21 system made or used by it, complies with the provisions of
22 this part applicable to it. The maintenance of such records
23 in the office of a licensed rating organization of which an
24 insurer is a member or subscriber will be sufficient
25 compliance with this section for any such insurer maintaining
26 membership or subscribership in such organization, to the
27 extent that the insurer uses the rates, rating plans, rating
28 systems, or underwriting rules of such organization. Such
29 records shall be maintained in an office within this state or
30 shall be made available for examination or inspection within
31

1 this state by the department at any time upon reasonable
2 notice.

3 Section 1100. Section 627.331, Florida Statutes, is
4 amended to read:

5 627.331 Recording and reporting of loss, expense, and
6 claims experience; rating information.--

7 (1) The commission ~~department~~ may promulgate rules and
8 statistical plans which shall thereafter be used by each
9 insurer in the recording and reporting of its loss, expense,
10 and claims experience, in order that the experience of all
11 insurers may be made available at least annually in such form
12 and detail as may be necessary to aid the office ~~department~~ in
13 determining whether the insurer's activities comply with the
14 applicable standards of this code.

15 (2) In promulgating such rules and plans, the
16 commission ~~department~~ shall give due consideration to the
17 rating systems in use in this state and, in order that such
18 rules and plans may be as uniform as is practicable among the
19 several states, to the rules and to the form of the plans used
20 for such rating systems in other states. No insurer shall be
21 required to record or report its loss experience on a
22 classification basis that is inconsistent with the rating
23 system used by it, except for motor vehicle insurance as
24 otherwise provided by law.

25 (3) The office ~~department~~ may designate one or more
26 rating organizations or other agencies to assist it in
27 gathering such experience and making compilations thereof; and
28 such compilations shall be made available, subject to
29 reasonable rules adopted ~~promulgated~~ by the commission
30 ~~department~~, to insurers and rating organizations.

31

1 Section 1101. Subsection (1), paragraphs (a) and (c)
2 of subsection (3), paragraphs (a), (c), and (d) of subsection
3 (4), and subsections (5) and (6) of section 627.351, Florida
4 Statutes, are amended, and paragraph (f) is added to
5 subsection (2) of that section to read:

6 627.351 Insurance risk apportionment plans.--

7 (1) MOTOR VEHICLE INSURANCE RISK

8 APPORTIONMENT.--Agreements may be made among casualty and
9 surety insurers with respect to the equitable apportionment
10 among them of insurance which may be afforded applicants who
11 are in good faith entitled to, but are unable to, procure such
12 insurance through ordinary methods, and such insurers may
13 agree among themselves on the use of reasonable rate
14 modifications for such insurance. Such agreements and rate
15 modifications shall be subject to the approval of the office
16 ~~department~~. The office department shall, after consultation
17 with the insurers licensed to write automobile liability
18 insurance in this state, adopt a reasonable plan or plans for
19 the equitable apportionment among such insurers of applicants
20 for such insurance who are in good faith entitled to, but are
21 unable to, procure such insurance through ordinary methods,
22 and, when such plan has been adopted, all such insurers shall
23 subscribe thereto and shall participate therein. Such plan or
24 plans shall include rules for classification of risks and
25 rates therefor. The plan or plans shall make available
26 noncancelable coverage as provided in s. 627.7275(2). Any
27 insured placed with the plan shall be notified of the fact
28 that insurance coverage is being afforded through the plan and
29 not through the private market, and such notification shall be
30 given in writing within 10 days of such placement. To assure
31 that plan rates are made adequate to pay claims and expenses,

1 insurers shall develop a means of obtaining loss and expense
2 experience at least annually, and the plan shall file such
3 experience, when available, with the office ~~department~~ in
4 sufficient detail to make a determination of rate adequacy.
5 Prior to the filing of such experience with the office
6 ~~department~~, the plan shall poll each member insurer as to the
7 need for an actuary who is a member of the Casualty Actuarial
8 Society and who is not affiliated with the plan's statistical
9 agent to certify the plan's rate adequacy. If a majority of
10 those insurers responding indicate a need for such
11 certification, the plan shall include the certification as
12 part of its experience filing. Such experience shall be filed
13 with the office ~~department~~ not more than 9 months following
14 the end of the annual statistical period under review,
15 together with a rate filing based on said experience. The
16 office ~~department~~ shall initiate proceedings to disapprove the
17 rate and so notify the plan or shall finalize its review
18 within 60 days of receipt of the filing. Notification to the
19 plan by the office ~~department~~ of its preliminary findings,
20 which include a point of entry to the plan pursuant to chapter
21 120, shall toll the 60-day period during any such proceedings
22 and subsequent judicial review. The rate shall be deemed
23 approved if the office ~~department~~ does not issue notice to the
24 plan of its preliminary findings within 60 days of the filing.
25 In addition to provisions for claims and expenses, the
26 ratemaking formula shall include a factor for projected claims
27 trending and 5 percent for contingencies. In no instance shall
28 the formula include a renewal discount for plan insureds.
29 However, the plan shall reunderwrite each insured on an annual
30 basis, based upon all applicable rating factors approved by
31 the office ~~department~~. Trend factors shall not be found to be

1 inappropriate if not in excess of trend factors normally used
2 in the development of residual market rates by the appropriate
3 licensed rating organization. Each application for coverage
4 in the plan shall include, in boldfaced 12-point type
5 immediately preceding the applicant's signature, the following
6 statement:

7

8 "THIS INSURANCE IS BEING AFFORDED THROUGH THE
9 FLORIDA JOINT UNDERWRITING ASSOCIATION AND NOT
10 THROUGH THE PRIVATE MARKET. PLEASE BE ADVISED
11 THAT COVERAGE WITH A PRIVATE INSURER MAY BE
12 AVAILABLE FROM ANOTHER AGENT AT A LOWER COST.
13 AGENT AND COMPANY LISTINGS ARE AVAILABLE IN THE
14 LOCAL YELLOW PAGES."

15

16 The plan shall annually report to the office
17 ~~department~~ the number and percentage of plan insureds
18 who are not surcharged due to their driving record.

19 (2) WINDSTORM INSURANCE RISK APPORTIONMENT.--

20 (f) As used in this subsection, the term "department"
21 means the former Department of Insurance.

22 (3) POLITICAL SUBDIVISION; CASUALTY INSURANCE RISK
23 APPORTIONMENT.--

24 (a) The office ~~department~~ shall, after consultation
25 with the casualty insurers licensed in this state, adopt a
26 plan or plans for the equitable apportionment among them of
27 casualty insurance coverage which may be afforded political
28 subdivisions which are in good faith entitled to, but are
29 unable to, procure such coverage through the voluntary market
30 at standard rates or through a statutorily approved plan
31 authorized by the office ~~department~~. The office ~~department~~ may

1 adopt a joint underwriting plan which shall provide for one or
2 more designated insurers able and willing to provide
3 policyholder and claims service, including the issuance of
4 insurance policies, to act on behalf of all other insurers
5 required to participate in the joint underwriting plan. Any
6 joint underwriting plan adopted shall provide for the
7 equitable apportionment of any profits realized, or of losses
8 and expenses incurred, among participating insurers. The plan
9 shall include, but shall not be limited to:

10 1. Rules for the classification of risks and rates
11 which reflect the past loss experience and prospective loss
12 experience in different geographic areas.

13 2. A rating plan which reasonably reflects the prior
14 claims experience of the insureds.

15 3. Excess coverage by insurers if the office ~~insurance~~
16 ~~Commissioner~~, in its ~~his or her~~ discretion, requires such
17 coverage by insurers participating in the joint underwriting
18 plan.

19 (c) Any deficit sustained under the plan shall first
20 be recovered through a premium contingency assessment.
21 Concurrently, the rates for insureds shall be adjusted for the
22 next year so as to be actuarially sound in conformance with
23 rules adopted by ~~of the~~ commission ~~department~~.

24 (4) MEDICAL MALPRACTICE RISK APPORTIONMENT.--

25 (a) The office ~~department~~ shall, after consultation
26 with insurers as set forth in paragraph (b), adopt a joint
27 underwriting plan as set forth in paragraph (d).

28 (c) The Joint Underwriting Association shall operate
29 subject to the supervision and approval of a board of
30 governors consisting of representatives of five of the
31 insurers participating in the Joint Underwriting Association,

1 an attorney to be named by The Florida Bar, a physician to be
2 named by the Florida Medical Association, a dentist to be
3 named by the Florida Dental Association, and a hospital
4 representative to be named by the Florida Hospital
5 Association. The Chief Financial Officer shall select the
6 representatives of the five insurers. One insurer
7 representative shall be selected from recommendations of the
8 American Insurance Association. One insurer representative
9 shall be selected from recommendations of the Alliance of
10 American Insurers. One insurer representative shall be
11 selected from recommendations of the National Association of
12 Independent Insurers. Two insurer representatives shall be
13 selected to represent insurers that are not affiliated with
14 these associations.The board of governors shall choose,
15 during the first meeting of the board after June 30 of each
16 year, one of its members to serve as chair of the board and
17 another member to serve as vice chair of the board. There
18 shall be no liability on the part of, and no cause of action
19 of any nature shall arise against, any member insurer,
20 self-insurer, or its agents or employees, the Joint
21 Underwriting Association or its agents or employees, members
22 of the board of governors, or the office ~~department~~ or its
23 representatives for any action taken by them in the
24 performance of their powers and duties under this subsection.

25 (d) The plan shall provide coverage for claims arising
26 out of the rendering of, or failure to render, medical care or
27 services and, in the case of health care facilities, coverage
28 for bodily injury or property damage to the person or property
29 of any patient arising out of the insured's activities, in
30 appropriate policy forms for all health care providers as
31

1 defined in paragraph (h). The plan shall include, but shall
2 not be limited to:

3 1. Classifications of risks and rates which reflect
4 past and prospective loss and expense experience in different
5 areas of practice and in different geographical areas. To
6 assure that plan rates are adequate to pay claims and
7 expenses, the Joint Underwriting Association shall develop a
8 means of obtaining loss and expense experience; and the plan
9 shall file such experience, when available, with the office
10 ~~department~~ in sufficient detail to make a determination of
11 rate adequacy. Within 60 days after a rate filing, the office
12 ~~department~~ shall approve such rates or rate revisions as are
13 fully supported by the filing. In addition to provisions for
14 claims and expenses, the ratemaking formula may include a
15 factor for projected claims trending and a margin for
16 contingencies. The use of trend factors shall not be found to
17 be inappropriate.

18 2. A rating plan which reasonably recognizes the prior
19 claims experience of insureds.

20 3. Provisions as to rates for:

21 a. Insureds who are retired or semiretired.

22 b. The estates of deceased insureds.

23 c. Part-time professionals.

24 4. Protection in an amount not to exceed \$250,000 per
25 claim, \$750,000 annual aggregate for health care providers
26 other than hospitals and in an amount not to exceed \$1.5
27 million per claim, \$5 million annual aggregate for hospitals.
28 Such coverage for health care providers other than hospitals
29 shall be available as primary coverage and as excess coverage
30 for the layer of coverage between the primary coverage and the
31 total limits of \$250,000 per claim, \$750,000 annual aggregate.

1 The plan shall also provide tail coverage in these amounts to
2 insureds whose claims-made coverage with another insurer or
3 trust has or will be terminated. Such tail coverage shall
4 provide coverage for incidents that occurred during the
5 claims-made policy period for which a claim is made after the
6 policy period.

7 5. A risk management program for insureds of the
8 association. This program shall include, but not be limited
9 to: investigation and analysis of frequency, severity, and
10 causes of adverse or untoward medical injuries; development of
11 measures to control these injuries; systematic reporting of
12 medical incidents; investigation and analysis of patient
13 complaints; and auditing of association members to assure
14 implementation of this program. The plan may refuse to insure
15 any insured who refuses or fails to comply with the risk
16 management program implemented by the association. Prior to
17 cancellation or refusal to renew an insured, the association
18 shall provide the insured 60 days' notice of intent to cancel
19 or nonrenew and shall further notify the insured of any action
20 which must be taken to be in compliance with the risk
21 management program.

22 (5) PROPERTY AND CASUALTY INSURANCE RISK
23 APPORTIONMENT.--The commission ~~department~~ shall adopt by rule
24 a joint underwriting plan to equitably apportion among
25 insurers authorized in this state to write property insurance
26 as defined in s. 624.604 or casualty insurance as defined in
27 s. 624.605, the underwriting of one or more classes of
28 property insurance or casualty insurance, except for the types
29 of insurance that are included within property insurance or
30 casualty insurance for which an equitable apportionment plan,
31 assigned risk plan, or joint underwriting plan is authorized

1 under s. 627.311 or subsection (1), subsection (2), subsection
2 (3), subsection (4), or subsection (5) and except for risks
3 eligible for flood insurance written through the federal flood
4 insurance program to persons with risks eligible under
5 subparagraph (a)1. and who are in good faith entitled to, but
6 are unable to, obtain such property or casualty insurance
7 coverage, including excess coverage, through the voluntary
8 market. For purposes of this subsection, an adequate level of
9 coverage means that coverage which is required by state law or
10 by responsible or prudent business practices. The Joint
11 Underwriting Association shall not be required to provide
12 coverage for any type of risk for which there are no insurers
13 providing similar coverage in this state. The office
14 ~~department~~ may designate one or more participating insurers
15 who agree to provide policyholder and claims service,
16 including the issuance of policies, on behalf of the
17 participating insurers.

18 (a) The plan shall provide:

19 1. A means of establishing eligibility of a risk for
20 obtaining insurance through the plan, which provides that:

21 a. A risk shall be eligible for such property
22 insurance or casualty insurance as is required by Florida law
23 if the insurance is unavailable in the voluntary market,
24 including the market assistance program and the surplus lines
25 market.

26 b. A commercial risk not eligible under
27 sub-subparagraph a. shall be eligible for property or casualty
28 insurance if:

29 (I) The insurance is unavailable in the voluntary
30 market, including the market assistance plan and the surplus
31 lines market;

1 (II) Failure to secure the insurance would
2 substantially impair the ability of the entity to conduct its
3 affairs; and

4 (III) The risk is not determined by the Risk
5 Underwriting Committee to be uninsurable.

6 c. In the event the Federal Government terminates the
7 Federal Crime Insurance Program established under 44 C.F.R.
8 ss. 80-83, Florida commercial and residential risks previously
9 insured under the federal program shall be eligible under the
10 plan.

11 d.(I) In the event a risk is eligible under this
12 paragraph and in the event the market assistance plan receives
13 a minimum of 100 applications for coverage within a 3-month
14 period, or 200 applications for coverage within a 1-year
15 period or less, for a given class of risk contained in the
16 classification system defined in the plan of operation of the
17 Joint Underwriting Association, and unless the market
18 assistance plan provides a quotation for at least 80 percent
19 of such applicants, such classification shall immediately be
20 eligible for coverage in the Joint Underwriting Association.

21 (II) Any market assistance plan application which is
22 rejected because an individual risk is so hazardous as to be
23 practically uninsurable, considering whether the likelihood of
24 a loss for such a risk is substantially higher than for other
25 risks of the same class due to individual risk
26 characteristics, prior loss experience, unwillingness to
27 cooperate with a prior insurer, physical characteristics and
28 physical location shall not be included in the minimum
29 percentage calculation provided above. In the event that there
30 is any legal or administrative challenge to a determination by
31 the office ~~department~~ that the conditions of this subparagraph

1 have been met for eligibility for coverage in the Joint
2 Underwriting Association for a given classification, any
3 eligible risk may obtain coverage during the pendency of any
4 such challenge.

5 e. In order to qualify as a quotation for the purpose
6 of meeting the minimum percentage calculation in this
7 subparagraph, the quoted premium must meet the following
8 criteria:

9 (I) In the case of an admitted carrier, the quoted
10 premium must not exceed the premium available for a given
11 classification currently in use by the Joint Underwriting
12 Association or the premium developed by using the rates and
13 rating plans on file with the office ~~department~~ by the quoting
14 insurer, whichever is greater.

15 (II) In the case of an authorized surplus lines
16 insurer, the quoted premium must not exceed the premium
17 available for a given classification currently in use by the
18 Joint Underwriting Association by more than 25 percent, after
19 consideration of any individual risk surcharge or credit.

20 f. Any agent who falsely certifies the unavailability
21 of coverage as provided by sub-subparagraphs a. and b., is
22 subject to the penalties provided in s. 626.611.

23 2. A means for the equitable apportionment of profits
24 or losses and expenses among participating insurers.

25 3. Rules for the classification of risks and rates
26 which reflect the past and prospective loss experience.

27 4. A rating plan which reasonably reflects the prior
28 claims experience of the insureds. Such rating plan shall
29 include at least two levels of rates for risks that have
30 favorable loss experience and risks that have unfavorable loss
31 experience, as established by the plan.

1 5. Reasonable limits to available amounts of
2 insurance. Such limits may not be less than the amounts of
3 insurance required of eligible risks by Florida law.

4 6. Risk management requirements for insurance where
5 such requirements are reasonable and are expected to reduce
6 losses.

7 7. Deductibles as may be necessary to meet the needs
8 of insureds.

9 8. Policy forms which are consistent with the forms in
10 use by the majority of the insurers providing coverage in the
11 voluntary market for the coverage requested by the applicant.

12 9. A means to remove risks from the plan once such
13 risks no longer meet the eligibility requirements of this
14 paragraph. For this purpose, the plan shall include the
15 following requirements: At each 6-month interval after the
16 activation of any class of insureds, the board of governors or
17 its designated committee shall review the number of
18 applications to the market assistance plan for that class. If,
19 based on these latest numbers, at least 90 percent of such
20 applications have been provided a quotation, the Joint
21 Underwriting Association shall cease underwriting new
22 applications for such class within 30 days, and notification
23 of this decision shall be sent to the office Insurance
24 ~~Commissioner~~, the major agents' associations, and the board of
25 directors of the market assistance plan. A quotation for the
26 purpose of this subparagraph shall meet the same criteria for
27 a quotation as provided in sub-subparagraph 1.e
28 ~~sub-subparagraph d~~. All policies which were previously written
29 for that class shall continue in force until their normal
30 expiration date, at which time, subject to the required timely
31 notification of nonrenewal by the Joint Underwriting

1 Association, the insured may then elect to reapply to the
2 Joint Underwriting Association according to the requirements
3 of eligibility. If, upon reapplication, those previously
4 insured Joint Underwriting Association risks meet the
5 eligibility requirements, the Joint Underwriting Association
6 shall provide the coverage requested.

7 10. A means for providing credits to insurers against
8 any deficit assessment levied pursuant to paragraph (c), for
9 risks voluntarily written through the market assistance plan
10 by such insurers.

11 11. That the Joint Underwriting Association shall
12 operate subject to the supervision and approval of a board of
13 governors consisting of 13 individuals appointed by the Chief
14 Financial Officer ~~Insurance Commissioner~~, and shall have an
15 executive or underwriting committee. At least four of the
16 members shall be representatives of insurance trade
17 associations as follows: one member from the American
18 Insurance Association, one member from the Alliance of
19 American Insurers, one member from the National Association of
20 Independent Insurers, and one member from an unaffiliated
21 insurer writing coverage on a national basis. Two
22 representatives shall be from two of the statewide agents'
23 associations. Each board member shall be appointed to serve
24 for 2-year terms beginning on a date designated by the plan
25 and shall serve at the pleasure of the Chief Financial Officer
26 ~~commissioner~~. Members may be reappointed for subsequent terms.

27 (b) Rates used by the Joint Underwriting Association
28 shall be actuarially sound. To the extent applicable, the rate
29 standards set forth in s. 627.062 shall be considered by the
30 office ~~department~~ in establishing rates to be used by the
31 joint underwriting plan. The initial rate level shall be

1 determined using the rates, rules, rating plans, and
2 classifications contained in the most current Insurance
3 Services Office (ISO) filing with the office ~~department~~ or the
4 filing of other licensed rating organizations with an
5 additional increment of 25 percent of premium. For any type of
6 coverage or classification which lends itself to manual rating
7 for which the Insurance Services Office or another licensed
8 rating organization does not file or publish a rate, the Joint
9 Underwriting Association shall file and use an initial rate
10 based on the average current market rate. The initial rate
11 level for the rate plan shall also be subject to an experience
12 and schedule rating plan which may produce a maximum of 25
13 percent debits or credits. For any risk which does not lend
14 itself to manual rating and for which no rate has been
15 promulgated under the rate plan, the board shall develop and
16 file with the office ~~commissioner~~, subject to its ~~his or her~~
17 approval, appropriate criteria and factors for rating the
18 individual risk. Such criteria and factors shall include, but
19 not be limited to, loss rating plans, composite rating plans,
20 and unique and unusual risk rating plans. The initial rates
21 required under this paragraph shall be adjusted in conformity
22 with future filings by the Insurance Services Office with the
23 office ~~department~~ and shall remain in effect until such time
24 as the Joint Underwriting Association has sufficient data as
25 to independently justify an actuarially sound change in such
26 rates.

27 (c)1. In the event an underwriting deficit exists for
28 any policy year the plan is in effect, any surplus which has
29 accrued from previous years and is not projected within
30 reasonable actuarial certainty to be needed for payment for
31

1 claims in the year the surplus arose shall be used to offset
2 the deficit to the extent available.

3 2. As to any remaining deficit, the board of governors
4 of the Joint Underwriting Association shall levy and collect
5 an assessment in an amount sufficient to offset such deficit.
6 Such assessment shall be levied against the insurers
7 participating in the plan during the year giving rise to the
8 assessment. Any assessments against insurers for the lines of
9 property and casualty insurance issued to commercial risks
10 shall be recovered from the participating insurers in the
11 proportion that the net direct premium of each insurer for
12 commercial risks written during the preceding calendar year
13 bears to the aggregate net direct premium written for
14 commercial risks by all members of the plan for the lines of
15 insurance included in the plan. Any assessments against
16 insurers for the lines of property and casualty insurance
17 issued to personal risks eligible under sub-subparagraph
18 (a)1.a. or sub-subparagraph (a)1.c. shall be recovered from
19 the participating insurers in the proportion that the net
20 direct premium of each insurer for personal risks written
21 during the preceding calendar year bears to the aggregate net
22 direct premium written for personal risks by all members of
23 the plan for the lines of insurance included in the plan.

24 3. The board shall take all reasonable and prudent
25 steps necessary to collect the amount of assessment due from
26 each participating insurer and policyholder, including, if
27 prudent, filing suit to collect such assessment. If the board
28 is unable to collect an assessment from any insurer, the
29 uncollected assessments shall be levied as an additional
30 assessment against the participating insurers and any
31 participating insurer required to pay an additional assessment

1 as a result of such failure to pay shall have a cause of
2 action against such nonpaying insurer.

3 4. Any funds or entitlements that the state may be
4 eligible to receive by virtue of the Federal Government's
5 termination of the Federal Crime Insurance Program referenced
6 in sub-subparagraph (a)1.c. may be used under the plan to
7 offset any subsequent underwriting deficits that may occur
8 from risks previously insured with the Federal Crime Insurance
9 Program.

10 5. Assessments shall be included as an appropriate
11 factor in the making of rates as provided in s. 627.3512.

12 6.a. The Legislature finds that the potential for
13 unlimited assessments under this paragraph may induce insurers
14 to attempt to reduce their writings in the voluntary market,
15 and that such actions would worsen the availability problems
16 that the association was created to remedy. It is the intent
17 of the Legislature that insurers remain fully responsible for
18 covering any deficits of the association; however, it is also
19 the intent of the Legislature to provide a means by which
20 assessment liabilities may be amortized over a period of
21 years.

22 b. The total amount of deficit assessments under this
23 paragraph with respect to any year may not exceed 10 percent
24 of the statewide total gross written premium for all insurers
25 for the coverages referred to in the introductory language of
26 this subsection for the prior year, except that if the deficit
27 with respect to any plan year exceeds such amount and bonds
28 are issued under sub-subparagraph c. to defray the deficit,
29 the total amount of assessments with respect to such deficit
30 may not in any year exceed 10 percent of the deficit, or such
31 lesser percentage as is sufficient to retire the bonds as

1 determined by the board, and shall continue annually until the
2 bonds are retired.

3 c. The governing body of any unit of local government,
4 any residents or businesses of which are insured by the
5 association, may issue bonds as defined in s. 125.013 or s.
6 166.101 from time to time to fund an assistance program, in
7 conjunction with the association, for the purpose of defraying
8 deficits of the association. Revenue bonds may not be issued
9 until validated pursuant to chapter 75, unless a state of
10 emergency is declared by executive order or proclamation of
11 the Governor pursuant to s. 252.36 making such findings as are
12 necessary to determine that it is in the best interests of,
13 and necessary for, the protection of the public health,
14 safety, and general welfare of residents of this state and the
15 protection and preservation of the economic stability of
16 insurers operating in this state, and declaring it an
17 essential public purpose to permit certain municipalities or
18 counties to issue such bonds as will provide relief to
19 claimants and policyholders of the joint underwriting
20 association and insurers responsible for apportionment of
21 association losses. The unit of local government shall enter
22 into such contracts with the association as are necessary to
23 carry out this paragraph. Any bonds issued under this
24 sub-subparagraph shall be payable from and secured by moneys
25 received by the association from assessments under this
26 paragraph, and assigned and pledged to or on behalf of the
27 unit of local government for the benefit of the holders of
28 such bonds. The funds, credit, property, and taxing power of
29 the state or of the unit of local government shall not be
30 pledged for the payment of such bonds. If any of the bonds
31 remain unsold 60 days after issuance, the office ~~department~~

1 shall require all insurers subject to assessment to purchase
2 the bonds, which shall be treated as admitted assets; each
3 insurer shall be required to purchase that percentage of the
4 unsold portion of the bond issue that equals the insurer's
5 relative share of assessment liability under this subsection.
6 An insurer shall not be required to purchase the bonds to the
7 extent that the office ~~department~~ determines that the purchase
8 would endanger or impair the solvency of the insurer.

9 7. The plan shall provide for the deferment, in whole
10 or in part, of the assessment of an insurer if the office
11 ~~department~~ finds that payment of the assessment would endanger
12 or impair the solvency of the insurer. In the event an
13 assessment against an insurer is deferred in whole or in part,
14 the amount by which such assessment is deferred may be
15 assessed against the other member insurers in a manner
16 consistent with the basis for assessments set forth in
17 subparagraph 2.

18 (d) Upon adoption of the plan, all insurers authorized
19 in this state to underwrite property or casualty insurance
20 shall participate in the plan.

21 (e) A Risk Underwriting Committee of the Joint
22 Underwriting Association composed of three members experienced
23 in evaluating insurance risks is created to review risks
24 rejected by the voluntary market for which application is made
25 for insurance through the joint underwriting plan. The
26 committee shall consist of a representative of the market
27 assistance plan created under s. 627.3515, a member selected
28 by the insurers participating in the Joint Underwriting
29 Association, and a member named by the Chief Financial Officer
30 ~~Insurance Commissioner~~. The Risk Underwriting Committee shall
31 appoint such advisory committees as are provided for in the

1 plan and are necessary to conduct its functions. The salaries
2 and expenses of the members of the Risk Underwriting Committee
3 and its advisory committees shall be paid by the joint
4 underwriting plan. The plan approved by the office ~~department~~
5 shall establish criteria and procedures for use by the Risk
6 Underwriting Committee for determining whether an individual
7 risk is so hazardous as to be uninsurable. In making this
8 determination and in establishing the criteria and procedures,
9 the following shall be considered:

10 1. Whether the likelihood of a loss for the individual
11 risk is substantially higher than for other risks of the same
12 class; and

13 2. Whether the uncertainty associated with the
14 individual risk is such that an appropriate premium cannot be
15 determined.

16
17 The acceptance or rejection of a risk by the underwriting
18 committee shall be construed as the private placement of
19 insurance, and the provisions of chapter 120 shall not apply.

20 (f) There shall be no liability on the part of, and no
21 cause of action of any nature shall arise against, any member
22 insurer or its agents or employees, the Florida Property and
23 Casualty Joint Underwriting Association or its agents or
24 employees, members of the board of governors, the Chief
25 Financial Officer, or the office ~~department~~ or its
26 representatives for any action taken by them in the
27 performance of their duties under this subsection. Such
28 immunity does not apply to actions for breach of any contract
29 or agreement pertaining to insurance, or any other willful
30 tort.

31 (6) CITIZENS PROPERTY INSURANCE CORPORATION.--

1 (a)1. The Legislature finds that actual and threatened
2 catastrophic losses to property in this state from hurricanes
3 have caused insurers to be unwilling or unable to provide
4 property insurance coverage to the extent sought and needed.
5 It is in the public interest and a public purpose to assist in
6 assuring that property in the state is insured so as to
7 facilitate the remediation, reconstruction, and replacement of
8 damaged or destroyed property in order to reduce or avoid the
9 negative effects otherwise resulting to the public health,
10 safety, and welfare; to the economy of the state; and to the
11 revenues of the state and local governments needed to provide
12 for the public welfare. It is necessary, therefore, to provide
13 property insurance to applicants who are in good faith
14 entitled to procure insurance through the voluntary market but
15 are unable to do so. The Legislature intends by this
16 subsection that property insurance be provided and that it
17 continues, as long as necessary, through an entity organized
18 to achieve efficiencies and economies, all toward the
19 achievement of the foregoing public purposes. Because it is
20 essential for the corporation to have the maximum financial
21 resources to pay claims following a catastrophic hurricane, it
22 is the intent of the Legislature that the income of the
23 corporation be exempt from federal income taxation and that
24 interest on the debt obligations issued by the corporation be
25 exempt from federal income taxation.

26 2. The Residential Property and Casualty Joint
27 Underwriting Association originally created by this statute
28 shall be known, as of July 1, 2002, as the Citizens Property
29 Insurance Corporation. The corporation shall provide insurance
30 for residential and commercial property, for applicants who
31 are in good faith entitled, but are unable, to procure

1 insurance through the voluntary market. The corporation shall
2 operate pursuant to a plan of operation approved by order of
3 the office department. The plan is subject to continuous
4 review by the office department. The office department may, by
5 order, withdraw approval of all or part of a plan if the
6 office department determines that conditions have changed
7 since approval was granted and that the purposes of the plan
8 require changes in the plan. For the purposes of this
9 subsection, residential coverage includes both personal lines
10 residential coverage, which consists of the type of coverage
11 provided by homeowner's, mobile home owner's, dwelling,
12 tenant's, condominium unit owner's, and similar policies, and
13 commercial lines residential coverage, which consists of the
14 type of coverage provided by condominium association,
15 apartment building, and similar policies.

16 (b)1. All insurers authorized to write one or more
17 subject lines of business in this state are subject to
18 assessment by the corporation and, for the purposes of this
19 subsection, are referred to collectively as "assessable
20 insurers." Insurers writing one or more subject lines of
21 business in this state pursuant to part VIII of chapter 626
22 are not assessable insurers, but insureds who procure one or
23 more subject lines of business in this state pursuant to part
24 VIII of chapter 626 are subject to assessment by the
25 corporation and are referred to collectively as "assessable
26 insureds." An authorized insurer's assessment liability shall
27 begin on the first day of the calendar year following the year
28 in which the insurer was issued a certificate of authority to
29 transact insurance for subject lines of business in this state
30 and shall terminate 1 year after the end of the first calendar
31 year during which the insurer no longer holds a certificate of

1 authority to transact insurance for subject lines of business
2 in this state.

3 2.a. All revenues, assets, liabilities, losses, and
4 expenses of the corporation shall be divided into three
5 separate accounts as follows:

6 (I) A personal lines account for personal residential
7 policies issued by the corporation or issued by the
8 Residential Property and Casualty Joint Underwriting
9 Association and renewed by the corporation that provide
10 comprehensive, multiperil coverage on risks that are not
11 located in areas eligible for coverage in the Florida
12 Windstorm Underwriting Association as those areas were defined
13 on January 1, 2002 and for such policies that do not provide
14 coverage for the peril of wind on risks that are located in
15 such areas;

16 (II) A commercial lines account for commercial
17 residential policies issued by the corporation or issued by
18 the Residential Property and Casualty Joint Underwriting
19 Association and renewed by the corporation that provide
20 coverage for basic property perils on risks that are not
21 located in areas eligible for coverage in the Florida
22 Windstorm Underwriting Association as those areas were defined
23 on January 1, 2002, and for such policies that do not provide
24 coverage for the peril of wind on risks that are located in
25 such areas; and

26 (III) A high-risk account for personal residential
27 policies and commercial residential and commercial
28 nonresidential property policies issued by the corporation or
29 transferred to the corporation that provide coverage for the
30 peril of wind on risks that are located in areas eligible for
31 coverage in the Florida Windstorm Underwriting Association as

1 those areas were defined on January 1, 2002. The high-risk
2 account must also include quota share primary insurance under
3 subparagraph (c)2. The area eligible for coverage under the
4 high-risk account also includes the area within Port
5 Canaveral, which is bordered on the south by the City of Cape
6 Canaveral, bordered on the west by the Banana River, and
7 bordered on the north by Federal Government property. The
8 office ~~department~~ may remove territory from the area eligible
9 for wind-only and quota share coverage if, after a public
10 hearing, the office ~~department~~ finds that authorized insurers
11 in the voluntary market are willing and able to write
12 sufficient amounts of personal and commercial residential
13 coverage for all perils in the territory, including coverage
14 for the peril of wind, such that risks covered by wind-only
15 policies in the removed territory could be issued a policy by
16 the corporation in either the personal lines or commercial
17 lines account without a significant increase in the
18 corporation's probable maximum loss in such account. Removal
19 of territory from the area eligible for wind-only or quota
20 share coverage does not alter the assignment of wind coverage
21 written in such areas to the high-risk account.

22 b. The three separate accounts must be maintained as
23 long as financing obligations entered into by the Florida
24 Windstorm Underwriting Association or Residential Property and
25 Casualty Joint Underwriting Association are outstanding, in
26 accordance with the terms of the corresponding financing
27 documents. When the financing obligations are no longer
28 outstanding, in accordance with the terms of the corresponding
29 financing documents, the corporation may use a single account
30 for all revenues, assets, liabilities, losses, and expenses of
31 the corporation.

1 c. Creditors of the Residential Property and Casualty
2 Joint Underwriting Association shall have a claim against, and
3 recourse to, the accounts referred to in sub-sub-subparagraphs
4 a.(I) and (II) and shall have no claim against, or recourse
5 to, the account referred to in sub-sub-subparagraph a.(III).
6 Creditors of the Florida Windstorm Underwriting Association
7 shall have a claim against, and recourse to, the account
8 referred to in sub-sub-subparagraph a.(III) and shall have no
9 claim against, or recourse to, the accounts referred to in
10 sub-sub-subparagraphs a.(I) and (II).

11 d. Revenues, assets, liabilities, losses, and expenses
12 not attributable to particular accounts shall be prorated
13 among the accounts.

14 e. The Legislature finds that the revenues of the
15 corporation are revenues that are necessary to meet the
16 requirements set forth in documents authorizing the issuance
17 of bonds under this subsection.

18 f. No part of the income of the corporation may inure
19 to the benefit of any private person.

20 3. With respect to a deficit in an account:

21 a. When the deficit incurred in a particular calendar
22 year is not greater than 10 percent of the aggregate statewide
23 direct written premium for the subject lines of business for
24 the prior calendar year, the entire deficit shall be recovered
25 through regular assessments of assessable insurers under
26 paragraph (g) and assessable insureds.

27 b. When the deficit incurred in a particular calendar
28 year exceeds 10 percent of the aggregate statewide direct
29 written premium for the subject lines of business for the
30 prior calendar year, the corporation shall levy regular
31 assessments on assessable insurers under paragraph (g) and on

1 assessable insureds in an amount equal to the greater of 10
2 percent of the deficit or 10 percent of the aggregate
3 statewide direct written premium for the subject lines of
4 business for the prior calendar year. Any remaining deficit
5 shall be recovered through emergency assessments under
6 sub-subparagraph d.

7 c. Each assessable insurer's share of the amount being
8 assessed under sub-subparagraph a. or sub-subparagraph b.
9 shall be in the proportion that the assessable insurer's
10 direct written premium for the subject lines of business for
11 the year preceding the assessment bears to the aggregate
12 statewide direct written premium for the subject lines of
13 business for that year. The assessment percentage applicable
14 to each assessable insured is the ratio of the amount being
15 assessed under sub-subparagraph a. or sub-subparagraph b. to
16 the aggregate statewide direct written premium for the subject
17 lines of business for the prior year. Assessments levied by
18 the corporation on assessable insurers under sub-subparagraphs
19 a. and b. shall be paid as required by the corporation's plan
20 of operation and paragraph (g). Assessments levied by the
21 corporation on assessable insureds under sub-subparagraphs a.
22 and b. shall be collected by the surplus lines agent at the
23 time the surplus lines agent collects the surplus lines tax
24 required by s. 626.932 and shall be paid to the Florida
25 Surplus Lines Service Office at the time the surplus lines
26 agent pays the surplus lines tax to the Florida Surplus Lines
27 Service Office. Upon receipt of regular assessments from
28 surplus lines agents, the Florida Surplus Lines Service Office
29 shall transfer the assessments directly to the corporation as
30 determined by the corporation.
31

1 d. Upon a determination by the board of governors that
2 a deficit in an account exceeds the amount that will be
3 recovered through regular assessments under sub-subparagraph
4 a. or sub-subparagraph b., the board shall levy, after
5 verification by the office ~~department~~, emergency assessments,
6 for as many years as necessary to cover the deficits, to be
7 collected by assessable insurers and the corporation and
8 collected from assessable insureds upon issuance or renewal of
9 policies for subject lines of business, excluding National
10 Flood Insurance policies. The amount of the emergency
11 assessment collected in a particular year shall be a uniform
12 percentage of that year's direct written premium for subject
13 lines of business and all accounts of the corporation,
14 excluding National Flood Insurance Program policy premiums, as
15 annually determined by the board and verified by the office
16 ~~department~~. The office ~~department~~ shall verify the arithmetic
17 calculations involved in the board's determination within 30
18 days after receipt of the information on which the
19 determination was based. Notwithstanding any other provision
20 of law, the corporation and each assessable insurer that
21 writes subject lines of business shall collect emergency
22 assessments from its policyholders without such obligation
23 being affected by any credit, limitation, exemption, or
24 deferment. Emergency assessments levied by the corporation on
25 assessable insureds shall be collected by the surplus lines
26 agent at the time the surplus lines agent collects the surplus
27 lines tax required by s. 626.932 and shall be paid to the
28 Florida Surplus Lines Service Office at the time the surplus
29 lines agent pays the surplus lines tax to the Florida Surplus
30 Lines Service Office. The emergency assessments so collected
31 shall be transferred directly to the corporation on a periodic

1 basis as determined by the corporation and shall be held by
2 the corporation solely in the applicable account. The
3 aggregate amount of emergency assessments levied for an
4 account under this sub-subparagraph in any calendar year may
5 not exceed the greater of 10 percent of the amount needed to
6 cover the original deficit, plus interest, fees, commissions,
7 required reserves, and other costs associated with financing
8 of the original deficit, or 10 percent of the aggregate
9 statewide direct written premium for subject lines of business
10 and for all accounts of the corporation for the prior year,
11 plus interest, fees, commissions, required reserves, and other
12 costs associated with financing the original deficit.

13 e. The corporation may pledge the proceeds of
14 assessments, projected recoveries from the Florida Hurricane
15 Catastrophe Fund, other insurance and reinsurance
16 recoverables, market equalization surcharges and other
17 surcharges, and other funds available to the corporation as
18 the source of revenue for and to secure bonds issued under
19 paragraph (g), bonds or other indebtedness issued under
20 subparagraph (c)3., or lines of credit or other financing
21 mechanisms issued or created under this subsection, or to
22 retire any other debt incurred as a result of deficits or
23 events giving rise to deficits, or in any other way that the
24 board determines will efficiently recover such deficits. The
25 purpose of the lines of credit or other financing mechanisms
26 is to provide additional resources to assist the corporation
27 in covering claims and expenses attributable to a catastrophe.
28 As used in this subsection, the term "assessments" includes
29 regular assessments under sub-subparagraph a.,
30 sub-subparagraph b., or subparagraph (g)1. and emergency
31 assessments under sub-subparagraph d. Emergency assessments

1 collected under sub-subparagraph d. are not part of an
2 insurer's rates, are not premium, and are not subject to
3 premium tax, fees, or commissions; however, failure to pay the
4 emergency assessment shall be treated as failure to pay
5 premium. The emergency assessments under sub-subparagraph d.
6 shall continue as long as any bonds issued or other
7 indebtedness incurred with respect to a deficit for which the
8 assessment was imposed remain outstanding, unless adequate
9 provision has been made for the payment of such bonds or other
10 indebtedness pursuant to the documents governing such bonds or
11 other indebtedness.

12 f. As used in this subsection, the term "subject lines
13 of business" means insurance written by assessable insurers or
14 procured by assessable insureds on real or personal property,
15 as defined in s. 624.604, including insurance for fire,
16 industrial fire, allied lines, farmowners multiperil,
17 homeowners multiperil, commercial multiperil, and mobile
18 homes, and including liability coverage on all such insurance,
19 but excluding inland marine as defined in s. 624.607(3) and
20 excluding vehicle insurance as defined in s. 624.605(1) other
21 than insurance on mobile homes used as permanent dwellings.

22 g. The Florida Surplus Lines Service Office shall
23 determine annually the aggregate statewide written premium in
24 subject lines of business procured by assessable insureds and
25 shall report that information to the corporation in a form and
26 at a time the corporation specifies to ensure that the
27 corporation can meet the requirements of this subsection and
28 the corporation's financing obligations.

29 h. The Florida Surplus Lines Service Office shall
30 verify the proper application by surplus lines agents of
31 assessment percentages for regular assessments and emergency

1 assessments levied under this subparagraph on assessable
2 insureds and shall assist the corporation in ensuring the
3 accurate, timely collection and payment of assessments by
4 surplus lines agents as required by the corporation.

5 (c) The plan of operation of the corporation:

6 1. Must provide for adoption of residential property
7 and casualty insurance policy forms and commercial residential
8 and nonresidential property insurance forms, which forms must
9 be approved by the office ~~department~~ prior to use. The
10 corporation shall adopt the following policy forms:

11 a. Standard personal lines policy forms that are
12 comprehensive multiperil policies providing full coverage of a
13 residential property equivalent to the coverage provided in
14 the private insurance market under an HO-3, HO-4, or HO-6
15 policy.

16 b. Basic personal lines policy forms that are policies
17 similar to an HO-8 policy or a dwelling fire policy that
18 provide coverage meeting the requirements of the secondary
19 mortgage market, but which coverage is more limited than the
20 coverage under a standard policy.

21 c. Commercial lines residential policy forms that are
22 generally similar to the basic perils of full coverage
23 obtainable for commercial residential structures in the
24 admitted voluntary market.

25 d. Personal lines and commercial lines residential
26 property insurance forms that cover the peril of wind only.
27 The forms are applicable only to residential properties
28 located in areas eligible for coverage under the high-risk
29 account referred to in sub-subparagraph (b)2.a.

30 e. Commercial lines nonresidential property insurance
31 forms that cover the peril of wind only. The forms are

1 applicable only to nonresidential properties located in areas
2 eligible for coverage under the high-risk account referred to
3 in sub-subparagraph (b)2.a.

4 2.a. Must provide that the corporation adopt a program
5 in which the corporation and authorized insurers enter into
6 quota share primary insurance agreements for hurricane
7 coverage, as defined in s. 627.4025(2)(a), for eligible risks,
8 and adopt property insurance forms for eligible risks which
9 cover the peril of wind only. As used in this subsection, the
10 term:

11 (I) "Quota share primary insurance" means an
12 arrangement in which the primary hurricane coverage of an
13 eligible risk is provided in specified percentages by the
14 corporation and an authorized insurer. The corporation and
15 authorized insurer are each solely responsible for a specified
16 percentage of hurricane coverage of an eligible risk as set
17 forth in a quota share primary insurance agreement between the
18 corporation and an authorized insurer and the insurance
19 contract. The responsibility of the corporation or authorized
20 insurer to pay its specified percentage of hurricane losses of
21 an eligible risk, as set forth in the quota share primary
22 insurance agreement, may not be altered by the inability of
23 the other party to the agreement to pay its specified
24 percentage of hurricane losses. Eligible risks that are
25 provided hurricane coverage through a quota share primary
26 insurance arrangement must be provided policy forms that set
27 forth the obligations of the corporation and authorized
28 insurer under the arrangement, clearly specify the percentages
29 of quota share primary insurance provided by the corporation
30 and authorized insurer, and conspicuously and clearly state
31 that neither the authorized insurer nor the corporation may be

1 held responsible beyond its specified percentage of coverage
2 of hurricane losses.

3 (II) "Eligible risks" means personal lines residential
4 and commercial lines residential risks that meet the
5 underwriting criteria of the corporation and are located in
6 areas that were eligible for coverage by the Florida Windstorm
7 Underwriting Association on January 1, 2002.

8 b. The corporation may enter into quota share primary
9 insurance agreements with authorized insurers at corporation
10 coverage levels of 90 percent and 50 percent.

11 c. If the corporation determines that additional
12 coverage levels are necessary to maximize participation in
13 quota share primary insurance agreements by authorized
14 insurers, the corporation may establish additional coverage
15 levels. However, the corporation's quota share primary
16 insurance coverage level may not exceed 90 percent.

17 d. Any quota share primary insurance agreement entered
18 into between an authorized insurer and the corporation must
19 provide for a uniform specified percentage of coverage of
20 hurricane losses, by county or territory as set forth by the
21 corporation board, for all eligible risks of the authorized
22 insurer covered under the quota share primary insurance
23 agreement.

24 e. Any quota share primary insurance agreement entered
25 into between an authorized insurer and the corporation is
26 subject to review and approval by the office ~~department~~.
27 However, such agreement shall be authorized only as to
28 insurance contracts entered into between an authorized insurer
29 and an insured who is already insured by the corporation for
30 wind coverage.

31

1 f. For all eligible risks covered under quota share
2 primary insurance agreements, the exposure and coverage levels
3 for both the corporation and authorized insurers shall be
4 reported by the corporation to the Florida Hurricane
5 Catastrophe Fund. For all policies of eligible risks covered
6 under quota share primary insurance agreements, the
7 corporation and the authorized insurer shall maintain complete
8 and accurate records for the purpose of exposure and loss
9 reimbursement audits as required by Florida Hurricane
10 Catastrophe Fund rules. The corporation and the authorized
11 insurer shall each maintain duplicate copies of policy
12 declaration pages and supporting claims documents.

13 g. The corporation board shall establish in its plan
14 of operation standards for quota share agreements which ensure
15 that there is no discriminatory application among insurers as
16 to the terms of quota share agreements, pricing of quota share
17 agreements, incentive provisions if any, and consideration
18 paid for servicing policies or adjusting claims.

19 h. The quota share primary insurance agreement between
20 the corporation and an authorized insurer must set forth the
21 specific terms under which coverage is provided, including,
22 but not limited to, the sale and servicing of policies issued
23 under the agreement by the insurance agent of the authorized
24 insurer producing the business, the reporting of information
25 concerning eligible risks, the payment of premium to the
26 corporation, and arrangements for the adjustment and payment
27 of hurricane claims incurred on eligible risks by the claims
28 adjuster and personnel of the authorized insurer. Entering
29 into a quota sharing insurance agreement between the
30 corporation and an authorized insurer shall be voluntary and
31 at the discretion of the authorized insurer.

1 3. May provide that the corporation may employ or
2 otherwise contract with individuals or other entities to
3 provide administrative or professional services that may be
4 appropriate to effectuate the plan. The corporation shall have
5 the power to borrow funds, by issuing bonds or by incurring
6 other indebtedness, and shall have other powers reasonably
7 necessary to effectuate the requirements of this subsection.
8 The corporation may, but is not required to, seek judicial
9 validation of its bonds or other indebtedness under chapter
10 75. The corporation may issue bonds or incur other
11 indebtedness, or have bonds issued on its behalf by a unit of
12 local government pursuant to subparagraph (g)2., in the
13 absence of a hurricane or other weather-related event, upon a
14 determination by the corporation, subject to approval by the
15 office ~~department~~, that such action would enable it to
16 efficiently meet the financial obligations of the corporation
17 and that such financings are reasonably necessary to
18 effectuate the requirements of this subsection. The
19 corporation is authorized to take all actions needed to
20 facilitate tax-free status for any such bonds or indebtedness,
21 including formation of trusts or other affiliated entities.
22 The corporation shall have the authority to pledge
23 assessments, projected recoveries from the Florida Hurricane
24 Catastrophe Fund, other reinsurance recoverables, market
25 equalization and other surcharges, and other funds available
26 to the corporation as security for bonds or other
27 indebtedness. In recognition of s. 10, Art. I of the State
28 Constitution, prohibiting the impairment of obligations of
29 contracts, it is the intent of the Legislature that no action
30 be taken whose purpose is to impair any bond indenture or
31

1 financing agreement or any revenue source committed by
2 contract to such bond or other indebtedness.

3 4.a. Must require that the corporation operate subject
4 to the supervision and approval of a board of governors
5 consisting of 7 individuals who are residents of this state,
6 from different geographical areas of this state, appointed by
7 the Chief Financial Officer ~~Treasurer~~. The Chief Financial
8 Officer ~~Treasurer~~ shall designate one of the appointees as
9 chair. All board members serve at the pleasure of the Chief
10 Financial Officer ~~Treasurer~~. All board members, including the
11 chair, must be appointed to serve for 3-year terms beginning
12 annually on a date designated by the plan. Any board vacancy
13 shall be filled for the unexpired term by the Chief Financial
14 Officer ~~Treasurer~~. The Chief Financial Officer ~~Treasurer~~ shall
15 appoint a technical advisory group to provide information and
16 advice to the board of governors in connection with the
17 board's duties under this subsection. The executive director
18 and senior managers of the corporation shall be engaged by the
19 Chief Financial Officer ~~Treasurer~~ and serve at the pleasure of
20 the Chief Financial Officer ~~Treasurer~~. The executive director
21 is responsible for employing other staff as the corporation
22 may require, subject to review and concurrence by the Office
23 of the Chief Financial Officer ~~Treasurer~~.

24 b. ~~To ensure the effective and efficient~~
25 ~~implementation of this subsection, the Treasurer shall appoint~~
26 ~~the board of governors by July 1, 2002. The board of governors~~
27 ~~shall work in conjunction with the Residential Property~~
28 ~~Insurance Market Coordinating Council to address appropriate~~
29 ~~organizational, operational, and financial matters relating to~~
30 ~~the corporation. In addition, after consultation with the~~
31 ~~Residential Property Insurance Market Coordinating Council,~~

1 ~~the bond trustees and rating agencies, the Treasurer may~~
2 ~~postpone for a period not to exceed 180 days after the~~
3 ~~effective date, the implementation of the corporation or the~~
4 ~~implementation of one or more of the provisions relating to~~
5 ~~transfer of Florida Windstorm Underwriting Association~~
6 ~~policies, obligations, rights, assets, and liabilities into~~
7 ~~the high-risk accounts and such other provisions that may be~~
8 ~~affected thereby if the Treasurer determines that postponement~~
9 ~~is necessary;~~

10 ~~(I) Due to emergency conditions;~~

11 ~~(II) To ensure the effective and efficient~~
12 ~~implementation of the corporation's operations; or~~

13 ~~(III) To maintain existing financing arrangements~~

14 ~~without a material adverse effect on the creditors of the~~
15 ~~Residential Property and Casualty Joint Underwriting~~
16 ~~Association or the Florida Windstorm Underwriting Association.~~

17 5. Must provide a procedure for determining the
18 eligibility of a risk for coverage, as follows:

19 a. Subject to the provisions of s. 627.3517, with
20 respect to personal lines residential risks, if the risk is
21 offered coverage from an authorized insurer at the insurer's
22 approved rate under either a standard policy including wind
23 coverage or, if consistent with the insurer's underwriting
24 rules as filed with the office department, a basic policy
25 including wind coverage, the risk is not eligible for any
26 policy issued by the corporation association. If the risk is
27 not able to obtain any such offer, the risk is eligible for
28 either a standard policy including wind coverage or a basic
29 policy including wind coverage issued by the corporation
30 association; however, if the risk could not be insured under a
31 standard policy including wind coverage regardless of market

1 conditions, the risk shall be eligible for a basic policy
2 including wind coverage unless rejected under subparagraph 8.
3 The corporation ~~association~~ shall determine the type of policy
4 to be provided on the basis of objective standards specified
5 in the underwriting manual and based on generally accepted
6 underwriting practices.

7 (I) If the risk accepts an offer of coverage through
8 the market assistance plan or an offer of coverage through a
9 mechanism established by the corporation ~~association~~ before a
10 policy is issued to the risk by the corporation ~~association~~ or
11 during the first 30 days of coverage by the corporation
12 ~~association~~, and the producing agent who submitted the
13 application to the plan or to the corporation ~~association~~ is
14 not currently appointed by the insurer, the insurer shall:

15 (A) Pay to the producing agent of record of the
16 policy, for the first year, an amount that is the greater of
17 the insurer's usual and customary commission for the type of
18 policy written or a fee equal to the usual and customary
19 commission of the corporation ~~association~~; or

20 (B) Offer to allow the producing agent of record of
21 the policy to continue servicing the policy for a period of
22 not less than 1 year and offer to pay the agent the greater of
23 the insurer's or the corporation's ~~association's~~ usual and
24 customary commission for the type of policy written.

25
26 If the producing agent is unwilling or unable to accept
27 appointment, the new insurer shall pay the agent in accordance
28 with sub-sub-sub-subparagraph (A).

29 (II) When the corporation ~~association~~ enters into a
30 contractual agreement for a take-out plan, the producing agent
31 of record of the corporation ~~association~~ policy is entitled to

1 retain any unearned commission on the policy, and the insurer
2 shall:

3 (A) Pay to the producing agent of record of the
4 corporation ~~association~~ policy, for the first year, an amount
5 that is the greater of the insurer's usual and customary
6 commission for the type of policy written or a fee equal to
7 the usual and customary commission of the corporation
8 ~~association~~; or

9 (B) Offer to allow the producing agent of record of
10 the corporation ~~association~~ policy to continue servicing the
11 policy for a period of not less than 1 year and offer to pay
12 the agent the greater of the insurer's or the corporation's
13 ~~association's~~ usual and customary commission for the type of
14 policy written.

15
16 If the producing agent is unwilling or unable to accept
17 appointment, the new insurer shall pay the agent in accordance
18 with sub-sub-sub-subparagraph (A).

19 b. With respect to commercial lines residential risks,
20 if the risk is offered coverage under a policy including wind
21 coverage from an authorized insurer at its approved rate, the
22 risk is not eligible for any policy issued by the corporation
23 ~~association~~. If the risk is not able to obtain any such offer,
24 the risk is eligible for a policy including wind coverage
25 issued by the corporation ~~association~~.

26 (I) If the risk accepts an offer of coverage through
27 the market assistance plan or an offer of coverage through a
28 mechanism established by the corporation ~~association~~ before a
29 policy is issued to the risk by the corporation ~~association~~ or
30 during the first 30 days of coverage by the corporation
31 ~~association~~, and the producing agent who submitted the

1 application to the plan or the corporation ~~association~~ is not
2 currently appointed by the insurer, the insurer shall:

3 (A) Pay to the producing agent of record of the
4 policy, for the first year, an amount that is the greater of
5 the insurer's usual and customary commission for the type of
6 policy written or a fee equal to the usual and customary
7 commission of the corporation ~~association~~; or

8 (B) Offer to allow the producing agent of record of
9 the policy to continue servicing the policy for a period of
10 not less than 1 year and offer to pay the agent the greater of
11 the insurer's or the corporation's ~~association's~~ usual and
12 customary commission for the type of policy written.

13

14 If the producing agent is unwilling or unable to accept
15 appointment, the new insurer shall pay the agent in accordance
16 with sub-sub-sub-subparagraph (A).

17 (II) When the corporation ~~association~~ enters into a
18 contractual agreement for a take-out plan, the producing agent
19 of record of the corporation ~~association~~ policy is entitled to
20 retain any unearned commission on the policy, and the insurer
21 shall:

22 (A) Pay to the producing agent of record of the
23 corporation ~~association~~ policy, for the first year, an amount
24 that is the greater of the insurer's usual and customary
25 commission for the type of policy written or a fee equal to
26 the usual and customary commission of the corporation
27 ~~association~~; or

28 (B) Offer to allow the producing agent of record of
29 the corporation ~~association~~ policy to continue servicing the
30 policy for a period of not less than 1 year and offer to pay
31 the agent the greater of the insurer's or the corporation's

1 ~~association's~~ usual and customary commission for the type of
2 policy written.

3
4 If the producing agent is unwilling or unable to accept
5 appointment, the new insurer shall pay the agent in accordance
6 with sub-sub-sub-subparagraph (A).

7 ~~c. This subparagraph does not require the association~~
8 ~~to provide wind coverage or hurricane coverage in any area in~~
9 ~~which such coverage is available through the Florida Windstorm~~
10 ~~Underwriting Association.~~

11 6. Must include rules for classifications of risks and
12 rates therefor.

13 7. Must provide that if premium and investment income
14 for an account attributable to a particular calendar year are
15 in excess of projected losses and expenses for the account
16 attributable to that year, such excess shall be held in
17 surplus in the account. Such surplus shall be available to
18 defray deficits in that account as to future years and shall
19 be used for that purpose prior to assessing assessable
20 insurers and assessable insureds as to any calendar year.

21 8. Must provide objective criteria and procedures to
22 be uniformly applied for all applicants in determining whether
23 an individual risk is so hazardous as to be uninsurable. In
24 making this determination and in establishing the criteria and
25 procedures, the following shall be considered:

26 a. Whether the likelihood of a loss for the individual
27 risk is substantially higher than for other risks of the same
28 class; and

29 b. Whether the uncertainty associated with the
30 individual risk is such that an appropriate premium cannot be
31 determined.

1
2 The acceptance or rejection of a risk by the corporation shall
3 be construed as the private placement of insurance, and the
4 provisions of chapter 120 shall not apply.

5 9. Must provide that the corporation shall make its
6 best efforts to procure catastrophe reinsurance at reasonable
7 rates, as determined by the board of governors.

8 10. Must provide that in the event of regular deficit
9 assessments under sub-subparagraph (b)3.a. or sub-subparagraph
10 (b)3.b., in the personal lines account, the commercial lines
11 residential account, or the high-risk account, the corporation
12 shall levy upon corporation policyholders in its next rate
13 filing, or by a separate rate filing solely for this purpose,
14 a market equalization surcharge arising from a regular
15 assessment in such account in a percentage equal to the total
16 amount of such regular assessments divided by the aggregate
17 statewide direct written premium for subject lines of business
18 for the prior calendar year. Market equalization surcharges
19 under this subparagraph are not considered premium and are not
20 subject to commissions, fees, or premium taxes; however,
21 failure to pay a market equalization surcharge shall be
22 treated as failure to pay premium.

23 11. The policies issued by the corporation must
24 provide that, if the corporation or the market assistance plan
25 obtains an offer from an authorized insurer to cover the risk
26 at its approved rates, the risk is no longer eligible for
27 renewal through the corporation.

28 12. Corporation policies and applications must include
29 a notice that the corporation policy could, under this
30 section, be replaced with a policy issued by an authorized
31 insurer that does not provide coverage identical to the

1 coverage provided by the corporation. The notice shall also
2 specify that acceptance of corporation coverage creates a
3 conclusive presumption that the applicant or policyholder is
4 aware of this potential.

5 13. May establish, subject to approval by the office
6 ~~department~~, different eligibility requirements and operational
7 procedures for any line or type of coverage for any specified
8 county or area if the board determines that such changes to
9 the eligibility requirements and operational procedures are
10 justified due to the voluntary market being sufficiently
11 stable and competitive in such area or for such line or type
12 of coverage and that consumers who, in good faith, are unable
13 to obtain insurance through the voluntary market through
14 ordinary methods would continue to have access to coverage
15 from the corporation. When coverage is sought in connection
16 with a real property transfer, such requirements and
17 procedures shall not provide for an effective date of coverage
18 later than the date of the closing of the transfer as
19 established by the transferor, the transferee, and, if
20 applicable, the lender.

21 14. Must provide that, with respect to the high-risk
22 account, any assessable insurer with a surplus as to
23 policyholders of \$25 million or less writing 25 percent or
24 more of its total countrywide property insurance premiums in
25 this state may petition the office ~~department~~, within the
26 first 90 days of each calendar year, to qualify as a limited
27 apportionment company. In no event shall a limited
28 apportionment company be required to participate in the
29 portion of any assessment, within the high-risk account,
30 pursuant to sub-subparagraph (b)3.a. or sub-subparagraph
31 (b)3.b. in the aggregate which exceeds \$50 million after

1 payment of available high-risk account funds in any calendar
2 year. However, a limited apportionment company shall collect
3 from its policyholders any emergency assessment imposed under
4 sub-subparagraph (b)3.d. The plan shall provide that, if the
5 office ~~department~~ determines that any regular assessment will
6 result in an impairment of the surplus of a limited
7 apportionment company, the office ~~department~~ may direct that
8 all or part of such assessment be deferred as provided in
9 subparagraph (g)4. However, there shall be no limitation or
10 deferment of an emergency assessment to be collected from
11 policyholders under sub-subparagraph (b)3.d.

12 15. Must provide that the corporation appoint as its
13 licensed agents only those agents who also hold an appointment
14 as defined in s. 626.104 with an insurer who at the time of
15 the agent's initial appointment by the corporation is
16 authorized to write and is actually writing personal lines
17 residential property coverage, commercial residential property
18 coverage, or commercial nonresidential property coverage
19 within the state.

20 (d)1. It is the intent of the Legislature that the
21 rates for coverage provided by the corporation be actuarially
22 sound and not competitive with approved rates charged in the
23 admitted voluntary market, so that the corporation functions
24 as a residual market mechanism to provide insurance only when
25 the insurance cannot be procured in the voluntary market.
26 Rates shall include an appropriate catastrophe loading factor
27 that reflects the actual catastrophic exposure of the
28 corporation.

29 2. For each county, the average rates of the
30 corporation for each line of business for personal lines
31 residential policies excluding rates for wind-only policies

1 shall be no lower than the average rates charged by the
2 insurer that had the highest average rate in that county among
3 the 20 insurers with the greatest total direct written premium
4 in the state for that line of business in the preceding year,
5 except that with respect to mobile home coverages, the average
6 rates of the corporation shall be no lower than the average
7 rates charged by the insurer that had the highest average rate
8 in that county among the 5 insurers with the greatest total
9 written premium for mobile home owner's policies in the state
10 in the preceding year.

11 3. Rates for personal lines residential wind-only
12 policies must be actuarially sound and not competitive with
13 approved rates charged by authorized insurers. However, for
14 personal lines residential wind-only policies issued or
15 renewed between July 1, 2002, and June 30, 2003, the maximum
16 premium increase must be no greater than 10 percent of the
17 Florida Windstorm Underwriting Association premium for that
18 policy in effect on June 30, 2002, as adjusted for coverage
19 changes and seasonal occupancy surcharges. The personal lines
20 residential wind-only rates for the corporation effective July
21 1, 2003, must be based on a rate filing by the corporation
22 which establishes rates which are actuarially sound and not
23 competitive with approved rates charged by authorized
24 insurers. Corporation rate manuals shall include a rate
25 surcharge for seasonal occupancy. To ensure that personal
26 lines residential wind-only rates effective on or after July
27 1, 2003, are not competitive with approved rates charged by
28 authorized insurers, the office department, by March 1 of each
29 year, shall provide the corporation, for each county in which
30 there are geographical areas in which personal lines
31 residential wind-only policies may be issued, the average

1 rates charged by the insurer that had the highest average rate
2 in that county for wind coverage in that insurer's rating
3 territories which most closely approximate the geographical
4 area in that county in which personal lines residential
5 wind-only policies may be written by the corporation. The
6 average rates provided must be from an insurer among the 20
7 insurers with the greatest total direct written premium in the
8 state for personal lines residential property insurance for
9 the preceding year. With respect to mobile homes, the five
10 insurers with the greatest total written premium for that line
11 of business in the preceding year shall be used. The
12 corporation shall certify to the office ~~department~~ that its
13 average personal lines residential wind-only rates are no
14 lower in each county than the average rates provided by the
15 office ~~department~~. The commission may ~~department is authorized~~
16 ~~to~~ adopt rules to establish reporting requirements to obtain
17 the necessary wind-only rate information from insurers to
18 implement this provision.

19 4. Rates for commercial lines coverage shall not be
20 subject to the requirements of subparagraph 2., but shall be
21 subject to all other requirements of this paragraph and s.
22 627.062.

23 5. Nothing in this paragraph shall require or allow
24 the corporation to adopt a rate that is inadequate under s.
25 627.062.

26 6. The corporation shall make a rate filing at least
27 once a year, but no more often than quarterly.

28 7. In addition to the rates otherwise determined
29 pursuant to this paragraph, the corporation shall impose and
30 collect an amount equal to the premium tax provided for in s.
31 624.509 to augment the financial resources of the corporation.

1 (e) If coverage in an account is deactivated pursuant
2 to paragraph (f), coverage through the corporation shall be
3 reactivated by order of the office ~~department~~ only under one
4 of the following circumstances:

5 1. If the market assistance plan receives a minimum of
6 100 applications for coverage within a 3-month period, or 200
7 applications for coverage within a 1-year period or less for
8 residential coverage, unless the market assistance plan
9 provides a quotation from admitted carriers at their filed
10 rates for at least 90 percent of such applicants. Any market
11 assistance plan application that is rejected because an
12 individual risk is so hazardous as to be uninsurable using the
13 criteria specified in subparagraph (c)8. shall not be included
14 in the minimum percentage calculation provided herein. In the
15 event that there is a legal or administrative challenge to a
16 determination by the office ~~department~~ that the conditions of
17 this subparagraph have been met for eligibility for coverage
18 in the corporation, any eligible risk may obtain coverage
19 during the pendency of such challenge.

20 2. In response to a state of emergency declared by the
21 Governor under s. 252.36, the office ~~department~~ may activate
22 coverage by order for the period of the emergency upon a
23 finding by the office ~~department~~ that the emergency
24 significantly affects the availability of residential property
25 insurance.

26 (f)1. The corporation shall file with the office
27 ~~department~~ quarterly statements of financial condition, an
28 annual statement of financial condition, and audited financial
29 statements in the manner prescribed by law. In addition, the
30 corporation shall report to the office ~~department~~ monthly on
31 the types, premium, exposure, and distribution by county of

1 its policies in force, and shall submit other reports as the
2 office ~~department~~ requires to carry out its oversight of the
3 corporation.

4 2. The activities of the corporation shall be reviewed
5 at least annually by the office ~~department~~ to determine
6 whether coverage shall be deactivated in an account on the
7 basis that the conditions giving rise to its activation no
8 longer exist.

9 (g)1. The corporation shall certify to the office
10 ~~department~~ its needs for annual assessments as to a particular
11 calendar year, and for any interim assessments that it deems
12 to be necessary to sustain operations as to a particular year
13 pending the receipt of annual assessments. Upon verification,
14 the office ~~department~~ shall approve such certification, and
15 the corporation shall levy such annual or interim assessments.
16 Such assessments shall be prorated as provided in paragraph
17 (b). The corporation shall take all reasonable and prudent
18 steps necessary to collect the amount of assessment due from
19 each assessable insurer, including, if prudent, filing suit to
20 collect such assessment. If the corporation is unable to
21 collect an assessment from any assessable insurer, the
22 uncollected assessments shall be levied as an additional
23 assessment against the assessable insurers and any assessable
24 insurer required to pay an additional assessment as a result
25 of such failure to pay shall have a cause of action against
26 such nonpaying assessable insurer. Assessments shall be
27 included as an appropriate factor in the making of rates. The
28 failure of a surplus lines agent to collect and remit any
29 regular or emergency assessment levied by the corporation is
30 considered to be a violation of s. 626.936 and subjects the
31 surplus lines agent to the penalties provided in that section.

1 2. The governing body of any unit of local government,
2 any residents of which are insured by the corporation, may
3 issue bonds as defined in s. 125.013 or s. 166.101 from time
4 to time to fund an assistance program, in conjunction with the
5 corporation, for the purpose of defraying deficits of the
6 corporation. In order to avoid needless and indiscriminate
7 proliferation, duplication, and fragmentation of such
8 assistance programs, any unit of local government, any
9 residents of which are insured by the corporation, may provide
10 for the payment of losses, regardless of whether or not the
11 losses occurred within or outside of the territorial
12 jurisdiction of the local government. Revenue bonds under this
13 subparagraph may not be issued until validated pursuant to
14 chapter 75, unless a state of emergency is declared by
15 executive order or proclamation of the Governor pursuant to s.
16 252.36 making such findings as are necessary to determine that
17 it is in the best interests of, and necessary for, the
18 protection of the public health, safety, and general welfare
19 of residents of this state and declaring it an essential
20 public purpose to permit certain municipalities or counties to
21 issue such bonds as will permit relief to claimants and
22 policyholders of the corporation. Any such unit of local
23 government may enter into such contracts with the corporation
24 and with any other entity created pursuant to this subsection
25 as are necessary to carry out this paragraph. Any bonds issued
26 under this subparagraph shall be payable from and secured by
27 moneys received by the corporation from emergency assessments
28 under sub-subparagraph (b)3.d., and assigned and pledged to or
29 on behalf of the unit of local government for the benefit of
30 the holders of such bonds. The funds, credit, property, and
31 taxing power of the state or of the unit of local government

1 shall not be pledged for the payment of such bonds. If any of
2 the bonds remain unsold 60 days after issuance, the office
3 ~~department~~ shall require all insurers subject to assessment to
4 purchase the bonds, which shall be treated as admitted assets;
5 each insurer shall be required to purchase that percentage of
6 the unsold portion of the bond issue that equals the insurer's
7 relative share of assessment liability under this subsection.
8 An insurer shall not be required to purchase the bonds to the
9 extent that the office ~~department~~ determines that the purchase
10 would endanger or impair the solvency of the insurer.

11 3.a. The corporation shall adopt one or more programs
12 subject to approval by the office ~~department~~ for the reduction
13 of both new and renewal writings in the corporation. The
14 corporation may consider any prudent and not unfairly
15 discriminatory approach to reducing corporation writings, and
16 may adopt a credit against assessment liability or other
17 liability that provides an incentive for insurers to take
18 risks out of the corporation and to keep risks out of the
19 corporation by maintaining or increasing voluntary writings in
20 counties or areas in which corporation risks are highly
21 concentrated and a program to provide a formula under which an
22 insurer voluntarily taking risks out of the corporation by
23 maintaining or increasing voluntary writings will be relieved
24 wholly or partially from assessments under sub-subparagraphs
25 (b)3.a. and b. When the corporation enters into a contractual
26 agreement for a take-out plan, the producing agent of record
27 of the corporation policy is entitled to retain any unearned
28 commission on such policy, and the insurer shall either:

29 (I) Pay to the producing agent of record of the
30 policy, for the first year, an amount which is the greater of
31 the insurer's usual and customary commission for the type of

1 policy written or a policy fee equal to the usual and
2 customary commission of the corporation; or
3 (II) Offer to allow the producing agent of record of
4 the policy to continue servicing the policy for a period of
5 not less than 1 year and offer to pay the agent the insurer's
6 usual and customary commission for the type of policy written.
7 If the producing agent is unwilling or unable to accept
8 appointment by the new insurer, the new insurer shall pay the
9 agent in accordance with sub-sub-subparagraph (I).
10 b. Any credit or exemption from regular assessments
11 adopted under this subparagraph shall last no longer than the
12 3 years following the cancellation or expiration of the policy
13 by the corporation. With the approval of the office
14 ~~department~~, the board may extend such credits for an
15 additional year if the insurer guarantees an additional year
16 of renewability for all policies removed from the corporation,
17 or for 2 additional years if the insurer guarantees 2
18 additional years of renewability for all policies so removed.
19 c. There shall be no credit, limitation, exemption, or
20 deferment from emergency assessments to be collected from
21 policyholders pursuant to sub-subparagraph (b)3.d.
22 4. The plan shall provide for the deferment, in whole
23 or in part, of the assessment of an assessable insurer, other
24 than an emergency assessment collected from policyholders
25 pursuant to sub-subparagraph (b)3.d., if the office ~~department~~
26 finds that payment of the assessment would endanger or impair
27 the solvency of the insurer. In the event an assessment
28 against an assessable insurer is deferred in whole or in part,
29 the amount by which such assessment is deferred may be
30 assessed against the other assessable insurers in a manner
31

1 consistent with the basis for assessments set forth in
2 paragraph (b).

3 (h) Nothing in this subsection shall be construed to
4 preclude the issuance of residential property insurance
5 coverage pursuant to part VIII of chapter 626.

6 (i) There shall be no liability on the part of, and no
7 cause of action of any nature shall arise against, any
8 assessable insurer or its agents or employees, the corporation
9 or its agents or employees, members of the board of governors
10 or their respective designees at a board meeting, corporation
11 committee members, or the office ~~department~~ or its
12 representatives, for any action taken by them in the
13 performance of their duties or responsibilities under this
14 subsection. Such immunity does not apply to:

15 1. Any of the foregoing persons or entities for any
16 willful tort;

17 2. The corporation or its producing agents for breach
18 of any contract or agreement pertaining to insurance coverage;

19 3. The corporation with respect to issuance or payment
20 of debt; or

21 4. Any assessable insurer with respect to any action
22 to enforce an assessable insurer's obligations to the
23 corporation under this subsection.

24 (j) For the purposes of s. 199.183(1), the corporation
25 shall be considered a political subdivision of the state and
26 shall be exempt from the corporate income tax. The premiums,
27 assessments, investment income, and other revenue of the
28 corporation are funds received for providing property
29 insurance coverage as required by this subsection, paying
30 claims for Florida citizens insured by the corporation,
31 securing and repaying debt obligations issued by the

1 corporation, and conducting all other activities of the
2 corporation, and shall not be considered taxes, fees,
3 licenses, or charges for services imposed by the Legislature
4 on individuals, businesses, or agencies outside state
5 government. Bonds and other debt obligations issued by or on
6 behalf of the corporation are not to be considered "state
7 bonds" within the meaning of s. 215.58(8)~~s. 215.58(10)~~. The
8 corporation is not subject to the procurement provisions of
9 chapter 287, and policies and decisions of the corporation
10 relating to incurring debt, levying of assessments and the
11 sale, issuance, continuation, terms and claims under
12 corporation policies, and all services relating thereto, are
13 not subject to the provisions of chapter 120. The corporation
14 is not required to obtain or to hold a certificate of
15 authority issued by the office ~~department~~, nor is it required
16 to participate as a member insurer of the Florida Insurance
17 Guaranty Association. However, the corporation is required to
18 pay, in the same manner as an authorized insurer, assessments
19 pledged by the Florida Insurance Guaranty Association to
20 secure bonds issued or other indebtedness incurred to pay
21 covered claims arising from insurer insolvencies caused by, or
22 proximately related to, hurricane losses. It is the intent of
23 the Legislature that the tax exemptions provided in this
24 paragraph will augment the financial resources of the
25 corporation to better enable the corporation to fulfill its
26 public purposes. Any bonds issued by the corporation, their
27 transfer, and the income therefrom, including any profit made
28 on the sale thereof, shall at all times be free from taxation
29 of every kind by the state and any political subdivision or
30 local unit or other instrumentality thereof; however, this
31 exemption does not apply to any tax imposed by chapter 220

1 ~~chapter 200~~ on interest, income, or profits on debt
2 obligations owned by corporations other than the corporation.
3 (k) Upon a determination by the office ~~department~~ that
4 the conditions giving rise to the establishment and activation
5 of the corporation no longer exist, the corporation is
6 dissolved. Upon dissolution, the assets of the corporation
7 ~~association~~ shall be applied first to pay all debts,
8 liabilities, and obligations of the corporation, including the
9 establishment of reasonable reserves for any contingent
10 liabilities or obligations, and all remaining assets of the
11 corporation shall become property of the state and be
12 deposited in the Florida Hurricane Catastrophe Fund. However,
13 no dissolution shall take effect as long as the corporation
14 has bonds or other financial obligations outstanding unless
15 adequate provision has been made for the payment of the bonds
16 or other financial obligations pursuant to the documents
17 authorizing the issuance of the bonds or other financial
18 obligations.

19 (l)1. Effective July 1, 2002, policies of the
20 Residential Property and Casualty Joint Underwriting
21 Association shall become policies of the corporation. All
22 obligations, rights, assets and liabilities of the Residential
23 Property and Casualty Joint Underwriting Association,
24 including bonds, note and debt obligations, and the financing
25 documents pertaining to them become those of the corporation
26 as of July 1, 2002. The corporation is not required to issue
27 endorsements or certificates of assumption to insureds during
28 the remaining term of in-force transferred policies.

29 2. Effective July 1, 2002, policies of the Florida
30 Windstorm Underwriting Association are transferred to the
31 corporation and shall become policies of the corporation. All

1 obligations, rights, assets, and liabilities of the Florida
2 Windstorm Underwriting Association, including bonds, note, and
3 debt obligations, and the financing documents pertaining to
4 them are transferred to and assumed by the corporation on July
5 1, 2002. The corporation is not required to issue endorsement
6 or certificates of assumption to insureds during the remaining
7 term of in-force transferred policies.

8 3. The Florida Windstorm Underwriting Association and
9 the Residential Property and Casualty Joint Underwriting
10 Association shall take all actions as may be proper to further
11 evidence the transfers and shall provide the documents and
12 instruments of further assurance as may reasonably be
13 requested by the corporation for that purpose. The corporation
14 shall execute assumptions and instruments as the trustees or
15 other parties to the financing documents of the Florida
16 Windstorm Underwriting Association or the Residential Property
17 and Casualty Joint Underwriting Association may reasonably
18 request to further evidence the transfers and assumptions,
19 which transfers and assumptions, however, are effective on the
20 date provided under this paragraph whether or not, and
21 regardless of the date on which, the assumptions or
22 instruments are executed by the corporation. Subject to the
23 relevant financing documents pertaining to their outstanding
24 bonds, notes, indebtedness, or other financing obligations,
25 the moneys, investments, receivables, choses in action, and
26 other intangibles of the Florida Windstorm Underwriting
27 Association shall be credited to the high-risk account of the
28 corporation, and those of the personal lines residential
29 coverage account and the commercial lines residential coverage
30 account of the Residential Property and Casualty Joint
31 Underwriting Association shall be credited to the personal

1 lines account and the commercial lines account, respectively,
2 of the corporation.

3 4. Effective July 1, 2002, a new applicant for
4 property insurance coverage who would otherwise have been
5 eligible for coverage in the Florida Windstorm Underwriting
6 Association is eligible for coverage from the corporation as
7 provided in this subsection.

8 5. The transfer of all policies, obligations, rights,
9 assets, and liabilities from the Florida Windstorm
10 Underwriting Association to the corporation and the renaming
11 of the Residential Property and Casualty Joint Underwriting
12 Association as the corporation shall in no way affect the
13 coverage with respect to covered policies as defined in s.
14 215.555(2)(c) provided to these entities by the Florida
15 Hurricane Catastrophe Fund. The coverage provided by the
16 Florida Hurricane Catastrophe Fund to the Florida Windstorm
17 Underwriting Association based on its exposures as of June 30,
18 2002, and each June 30 thereafter shall be redesignated as
19 coverage for the high-risk account of the corporation.
20 Notwithstanding any other provision of law, the coverage
21 provided by the Florida Hurricane Catastrophe Fund to the
22 Residential Property and Casualty Joint Underwriting
23 Association based on its exposures as of June 30, 2002, and
24 each June 30 thereafter shall be transferred to the personal
25 lines account and the commercial lines account of the
26 corporation. Notwithstanding any other provision of law, the
27 high-risk account shall be treated, for all Florida Hurricane
28 Catastrophe Fund purposes, as if it were a separate
29 participating insurer with its own exposures, reimbursement
30 premium, and loss reimbursement. Likewise, the personal lines
31 and commercial lines accounts shall be viewed together, for

1 all Florida Hurricane Catastrophe Fund purposes, as if the two
2 accounts were one and represent a single, separate
3 participating insurer with its own exposures, reimbursement
4 premium, and loss reimbursement. The coverage provided by the
5 Florida Hurricane Catastrophe Fund to the corporation shall
6 constitute and operate as a full transfer of coverage from the
7 Florida Windstorm Underwriting Association and Residential
8 Property and Casualty Joint Underwriting to the corporation.

9 (m) Notwithstanding any other provision of law:

10 1. The pledge or sale of, the lien upon, and the
11 security interest in any rights, revenues, or other assets of
12 the corporation created or purported to be created pursuant to
13 any financing documents to secure any bonds or other
14 indebtedness of the corporation shall be and remain valid and
15 enforceable, notwithstanding the commencement of and during
16 the continuation of, and after, any rehabilitation,
17 insolvency, liquidation, bankruptcy, receivership,
18 conservatorship, reorganization, or similar proceeding against
19 the corporation under the laws of this state.

20 2. No such proceeding shall relieve the corporation of
21 its obligation, or otherwise affect its ability to perform its
22 obligation, to continue to collect, or levy and collect,
23 assessments, market equalization or other surcharges under
24 subparagraph (c)10., or any other rights, revenues, or other
25 assets of the corporation pledged pursuant to any financing
26 documents.

27 3. Each such pledge or sale of, lien upon, and
28 security interest in, including the priority of such pledge,
29 lien, or security interest, any such assessments, market
30 equalization or other surcharges, or other rights, revenues,
31 or other assets which are collected, or levied and collected,

1 after the commencement of and during the pendency of, or
2 after, any such proceeding shall continue unaffected by such
3 proceeding. As used in this subsection, the term "financing
4 documents" means any agreement or agreements, instrument or
5 instruments, or other document or documents now existing or
6 hereafter created evidencing any bonds or other indebtedness
7 of the corporation or pursuant to which any such bonds or
8 other indebtedness has been or may be issued and pursuant to
9 which any rights, revenues, or other assets of the corporation
10 are pledged or sold to secure the repayment of such bonds or
11 indebtedness, together with the payment of interest on such
12 bonds or such indebtedness, or the payment of any other
13 obligation or financial product, as defined in the plan of
14 operation of the corporation related to such bonds or
15 indebtedness.

16 4. Any such pledge or sale of assessments, revenues,
17 contract rights, or other rights or assets of the corporation
18 shall constitute a lien and security interest, or sale, as the
19 case may be, that is immediately effective and attaches to
20 such assessments, revenues, or contract rights or other rights
21 or assets, whether or not imposed or collected at the time the
22 pledge or sale is made. Any such pledge or sale is effective,
23 valid, binding, and enforceable against the corporation or
24 other entity making such pledge or sale, and valid and binding
25 against and superior to any competing claims or obligations
26 owed to any other person or entity, including policyholders in
27 this state, asserting rights in any such assessments,
28 revenues, or contract rights or other rights or assets to the
29 extent set forth in and in accordance with the terms of the
30 pledge or sale contained in the applicable financing
31 documents, whether or not any such person or entity has notice

1 of such pledge or sale and without the need for any physical
2 delivery, recordation, filing, or other action.

3 (n)1. The following records of the corporation are
4 confidential and exempt from the provisions of s. 119.07(1)
5 and s. 24(a), Art. I of the State Constitution:

6 a. Underwriting files, except that a policyholder or
7 an applicant shall have access to his or her own underwriting
8 files.

9 b. Claims files, until termination of all litigation
10 and settlement of all claims arising out of the same incident,
11 although portions of the claims files may remain exempt, as
12 otherwise provided by law. Confidential and exempt claims file
13 records may be released to other governmental agencies upon
14 written request and demonstration of need; such records held
15 by the receiving agency remain confidential and exempt as
16 provided for herein.

17 c. Records obtained or generated by an internal
18 auditor pursuant to a routine audit, until the audit is
19 completed, or if the audit is conducted as part of an
20 investigation, until the investigation is closed or ceases to
21 be active. An investigation is considered "active" while the
22 investigation is being conducted with a reasonable, good faith
23 belief that it could lead to the filing of administrative,
24 civil, or criminal proceedings.

25 d. Matters reasonably encompassed in privileged
26 attorney-client communications.

27 e. Proprietary information licensed to the corporation
28 under contract and the contract provides for the
29 confidentiality of such proprietary information.

30 f. All information relating to the medical condition
31 or medical status of a corporation employee which is not

1 relevant to the employee's capacity to perform his or her
2 duties, except as otherwise provided in this paragraph.
3 Information which is exempt shall include, but is not limited
4 to, information relating to workers' compensation, insurance
5 benefits, and retirement or disability benefits.

6 g. Upon an employee's entrance into the employee
7 assistance program, a program to assist any employee who has a
8 behavioral or medical disorder, substance abuse problem, or
9 emotional difficulty which affects the employee's job
10 performance, all records relative to that participation shall
11 be confidential and exempt from the provisions of s. 119.07(1)
12 and s. 24(a), Art. I of the State Constitution, except as
13 otherwise provided in s. 112.0455(11).

14 h. Information relating to negotiations for financing,
15 reinsurance, depopulation, or contractual services, until the
16 conclusion of the negotiations.

17 i. Minutes of closed meetings regarding underwriting
18 files, and minutes of closed meetings regarding an open claims
19 file until termination of all litigation and settlement of all
20 claims with regard to that claim, except that information
21 otherwise confidential or exempt by law will be redacted.

22
23 When an authorized insurer is considering underwriting a risk
24 insured by the corporation, relevant underwriting files and
25 confidential claims files may be released to the insurer
26 provided the insurer agrees in writing, notarized and under
27 oath, to maintain the confidentiality of such files. When a
28 file is transferred to an insurer that file is no longer a
29 public record because it is not held by an agency subject to
30 the provisions of the public records law. Underwriting files
31 and confidential claims files may also be released to staff of

1 and the board of governors of the market assistance plan
2 established pursuant to s. 627.3515, who must retain the
3 confidentiality of such files, except such files may be
4 released to authorized insurers that are considering assuming
5 the risks to which the files apply, provided the insurer
6 agrees in writing, notarized and under oath, to maintain the
7 confidentiality of such files. Finally, the corporation or
8 the board or staff of the market assistance plan may make the
9 following information obtained from underwriting files and
10 confidential claims files available to licensed general lines
11 insurance agents: name, address, and telephone number of the
12 residential property owner or insured; location of the risk;
13 rating information; loss history; and policy type. The
14 receiving licensed general lines insurance agent must retain
15 the confidentiality of the information received.

16 2. Portions of meetings of the corporation are exempt
17 from the provisions of s. 286.011 and s. 24(b), Art. I of the
18 State Constitution wherein confidential underwriting files or
19 confidential open claims files are discussed. All portions of
20 corporation meetings which are closed to the public shall be
21 recorded by a court reporter. The court reporter shall record
22 the times of commencement and termination of the meeting, all
23 discussion and proceedings, the names of all persons present
24 at any time, and the names of all persons speaking. No
25 portion of any closed meeting shall be off the record.
26 Subject to the provisions hereof and s. 119.07(2)(a), the
27 court reporter's notes of any closed meeting shall be retained
28 by the corporation for a minimum of 5 years. A copy of the
29 transcript, less any exempt matters, of any closed meeting
30 wherein claims are discussed shall become public as to
31 individual claims after settlement of the claim.

1 (o) It is the intent of the Legislature that the
2 amendments to this subsection enacted in 2002 should, over
3 time, reduce the probable maximum windstorm losses in the
4 residual markets and should reduce the potential assessments
5 to be levied on property insurers and policyholders statewide.
6 In furtherance of this intent:

7 1. The board shall, on or before February 1 of each
8 year, provide a report to the President of the Senate and the
9 Speaker of the House of Representatives showing the reduction
10 or increase in the 100-year probable maximum loss attributable
11 to wind-only coverages and the quota share program under this
12 subsection combined, as compared to the benchmark 100-year
13 probable maximum loss of the Florida Windstorm Underwriting
14 Association. For purposes of this paragraph, the benchmark
15 100-year probable maximum loss of the Florida Windstorm
16 Underwriting Association shall be the calculation dated
17 February 2001 and based on November 30, 2000, exposures. In
18 order to ensure comparability of data, the board shall use the
19 same methods for calculating its probable maximum loss as were
20 used to calculate the benchmark probable maximum loss.

21 2. Beginning February 1, 2007, if the report under
22 subparagraph 1. for any year indicates that the 100-year
23 probable maximum loss attributable to wind-only coverages and
24 the quota share program combined does not reflect a reduction
25 of at least 25 percent from the benchmark, the board shall
26 reduce the boundaries of the high-risk area eligible for
27 wind-only coverages under this subsection in a manner
28 calculated to reduce such probable maximum loss to an amount
29 at least 25 percent below the benchmark.

30 3. Beginning February 1, 2012, if the report under
31 subparagraph 1. for any year indicates that the 100-year

1 probable maximum loss attributable to wind-only coverages and
2 the quota share program combined does not reflect a reduction
3 of at least 50 percent from the benchmark, the boundaries of
4 the high-risk area eligible for wind-only coverages under this
5 subsection shall be reduced by the elimination of any area
6 that is not seaward of a line 1,000 feet inland from the
7 Intracoastal Waterway.

8 (p) In enacting the provisions of this section, the
9 Legislature recognizes that both the Florida Windstorm
10 Underwriting Association and the Residential Property and
11 Casualty Joint Underwriting Association have entered into
12 financing arrangements that obligate each entity to service
13 its debts and maintain the capacity to repay funds secured
14 under these financing arrangements. It is the intent of the
15 Legislature that nothing in this section be construed to
16 compromise, diminish, or interfere with the rights of
17 creditors under such financing arrangements. It is further the
18 intent of the Legislature to preserve the obligations of the
19 Florida Windstorm Underwriting Association and Residential
20 Property and Casualty Joint Underwriting Association with
21 regard to outstanding financing arrangements, with such
22 obligations passing entirely and unchanged to the corporation
23 and, specifically, to the applicable account of the
24 corporation. So long as any bonds, notes, indebtedness, or
25 other financing obligations of the Florida Windstorm
26 Underwriting Association or the Residential Property and
27 Casualty Joint Underwriting Association are outstanding, under
28 the terms of the financing documents pertaining to them, the
29 governing board of the corporation shall have and shall
30 exercise the authority to levy, charge, collect, and receive
31 all premiums, assessments, surcharges, charges, revenues, and

1 receipts that the associations had authority to levy, charge,
2 collect, or receive under the provisions of subsection (2) and
3 this subsection, respectively, as they existed on January 1,
4 2002, to provide moneys, without exercise of the authority
5 provided by this subsection, in at least the amounts, and by
6 the times, as would be provided under those former provisions
7 of subsection (2) or this subsection, respectively, so that
8 the value, amount, and collectability of any assets, revenues,
9 or revenue source pledged or committed to, or any lien thereon
10 securing such outstanding bonds, notes, indebtedness, or other
11 financing obligations will not be diminished, impaired, or
12 adversely affected by the amendments made by this act and to
13 permit compliance with all provisions of financing documents
14 pertaining to such bonds, notes, indebtedness, or other
15 financing obligations, or the security or credit enhancement
16 for them, and any reference in this subsection to bonds,
17 notes, indebtedness, financing obligations, or similar
18 obligations, of the corporation shall include like instruments
19 or contracts of the Florida Windstorm Underwriting Association
20 and the Residential Property and Casualty Joint Underwriting
21 Association to the extent not inconsistent with the provisions
22 of the financing documents pertaining to them.

23 ~~(q) Effective January 7, 2003, any reference in this~~
24 ~~subsection to the Treasurer shall be deemed to be a reference~~
25 ~~to the Chief Financial Officer and any reference to the~~
26 ~~Department of Insurance shall be deemed to be a reference to~~
27 ~~the Department of Insurance and Financial Services or other~~
28 ~~successor to the Department of Insurance specified by law.~~

29 (q)(r) The corporation shall not require the securing
30 of flood insurance as a condition of coverage if the insured
31 or applicant executes a form approved by the office ~~department~~

1 affirming that flood insurance is not provided by the
2 corporation and that if flood insurance is not secured by the
3 applicant or insured in addition to coverage by the
4 corporation, the risk will not be covered for flood damage. A
5 corporation policyholder electing not to secure flood
6 insurance and executing a form as provided herein making a
7 claim for water damage against the corporation shall have the
8 burden of proving the damage was not caused by flooding.
9 Notwithstanding other provisions of this subsection, the
10 corporation may deny coverage to an applicant or insured who
11 refuses to execute the form described herein.

12 Section 1102. Section 627.3511, Florida Statutes, is
13 amended to read:

14 627.3511 Depopulation of Citizens Property Insurance
15 Corporation Residential Property and Casualty Joint
16 Underwriting Association.--

17 (1) LEGISLATIVE INTENT.--The Legislature finds that
18 the public policy of this state requires the maintenance of a
19 residual market for residential property insurance. It is the
20 intent of the Legislature to provide a variety of financial
21 incentives to encourage the replacement of the highest
22 possible number of Citizens Property Insurance Corporation
23 Residential Property and Casualty Joint Underwriting
24 Association policies with policies written by admitted
25 insurers at approved rates.

26 (2) TAKE-OUT BONUS.--The Citizens Property Insurance
27 Corporation Residential Property and Casualty Joint
28 Underwriting Association shall pay the sum of up to \$100 to an
29 insurer for each risk that the insurer removes from the
30 corporation association, either by issuance of a policy upon
31 expiration or cancellation of the corporation association

1 policy or by assumption of the corporation's ~~association's~~
2 obligations with respect to an in-force policy. Such payment
3 is subject to approval of the corporation ~~association~~ board.
4 In order to qualify for the bonus under this subsection, the
5 take-out plan must include a minimum of 25,000 policies.
6 Within 30 days after approval by the board, the office
7 ~~department~~ may reject the insurer's take-out plan and
8 disqualify the insurer from the bonus, based on the following
9 criteria:

10 (a) The capacity of the insurer to absorb the policies
11 proposed to be taken out of the corporation ~~association~~ and
12 the concentration of risks of those policies.

13 (b) Whether the geographic and risk characteristics of
14 policies in the proposed take-out plan serve to reduce the
15 exposure of the corporation ~~association~~ sufficiently to
16 justify the bonus.

17 (c) Whether coverage for risks to be taken out
18 otherwise exists in the admitted voluntary market.

19 (d) The degree to which the take-out bonus is
20 promoting new capital being allocated by the insurer to
21 Florida residential property coverage.

22 (3) EXEMPTION FROM DEFICIT ASSESSMENTS.--

23 (a) The calculation of an insurer's assessment
24 liability under s. 627.351(6)(b)3.a. or b. shall, for an
25 insurer that in any calendar year removes 50,000 or more risks
26 from the Citizens Property Insurance Corporation ~~Residential~~
27 ~~Property and Casualty Joint Underwriting Association~~, either
28 by issuance of a policy upon expiration or cancellation of the
29 corporation ~~association~~ policy or by assumption of the
30 corporation's ~~association's~~ obligations with respect to
31

1 in-force policies, exclude such removed policies for the
2 succeeding 3 years, as follows:

3 1. In the first year following removal of the risks,
4 the risks are excluded from the calculation to the extent of
5 100 percent.

6 2. In the second year following removal of the risks,
7 the risks are excluded from the calculation to the extent of
8 75 percent.

9 3. In the third year following removal of the risks,
10 the risks are excluded from the calculation to the extent of
11 50 percent.

12

13 If the removal of risks is accomplished through assumption of
14 obligations with respect to in-force policies, the corporation
15 ~~association~~ shall pay to the assuming insurer all unearned
16 premium with respect to such policies less any policy
17 acquisition costs agreed to by the corporation ~~association~~ and
18 assuming insurer. The term "policy acquisition costs" is
19 defined as costs of issuance of the policy by the corporation
20 ~~association~~ which includes agent commissions, servicing
21 company fees, and premium tax. This paragraph does not apply
22 to an insurer that, at any time within 5 years before removing
23 the risks, had a market share in excess of 0.1 percent of the
24 statewide aggregate gross direct written premium for any line
25 of property insurance, or to an affiliate of such an insurer.
26 This paragraph does not apply unless either at least 40
27 percent of the risks removed from the corporation ~~association~~
28 are located in Dade, Broward, and Palm Beach Counties, or at
29 least 30 percent of the risks removed from the corporation
30 ~~association~~ are located in such counties and an additional 50
31

1 percent of the risks removed from the corporation ~~association~~
2 are located in other coastal counties.

3 (b) An insurer that first wrote personal lines
4 residential property coverage in this state on or after July
5 1, 1994, is exempt from regular deficit assessments imposed
6 pursuant to s. 627.351(6)(b)3.a. and b., but not emergency
7 assessments collected from policyholders pursuant to s.
8 627.351(6)(b)3.d., of the Citizens Property Insurance
9 Corporation ~~Residential Property and Casualty Joint~~

10 ~~Underwriting Association~~ until the earlier of the following:

11 1. The end of the calendar year in which it first
12 wrote 0.5 percent or more of the statewide aggregate direct
13 written premium for any line of residential property coverage;
14 or

15 2. December 31, 1997, or December 31 of the third year
16 in which it wrote such coverage in this state, whichever is
17 later.

18 (c) Other than an insurer that is exempt under
19 paragraph (b), an insurer that in any calendar year increases
20 its total structure exposure subject to wind coverage by 25
21 percent or more over its exposure for the preceding calendar
22 year is, with respect to that year, exempt from deficit
23 assessments imposed pursuant to s. 627.351(6)(b)3.a. and b.,
24 but not emergency assessments collected from policyholders
25 pursuant to s. 627.351(6)(b)3.d., of the Citizens Property
26 Insurance Corporation ~~Residential Property and Casualty Joint~~
27 ~~Underwriting Association~~ attributable to such increase in
28 exposure.

29 (d) Any exemption or credit from regular assessments
30 authorized by this section shall last no longer than 3 years
31 following the cancellation or expiration of the policy by the

1 corporation ~~association~~. With the approval of the office
2 ~~department~~, the board may extend such credits for an
3 additional year if the insurer guarantees an additional year
4 of renewability for all policies removed from the corporation
5 ~~association~~, or for 2 additional years if the insurer
6 guarantees 2 additional years of renewability for all policies
7 so removed.

8 (4) AGENT BONUS.--When the corporation ~~Residential~~
9 ~~Property and Casualty Joint Underwriting Association~~ enters
10 into a contractual agreement for a take-out plan that provides
11 a bonus to the insurer, the producing agent of record of the
12 corporation ~~association~~ policy is entitled to retain any
13 unearned commission on such policy, and the insurer shall
14 either:

15 (a) Pay to the producing agent of record of the
16 association policy, for the first year, an amount that is the
17 greater of the insurer's usual and customary commission for
18 the type of policy written or a fee equal to the usual and
19 customary commission of the corporation ~~association~~; or

20 (b) Offer to allow the producing agent of record of
21 the corporation ~~association~~ policy to continue servicing the
22 policy for a period of not less than 1 year and offer to pay
23 the agent the greater of the insurer's or the corporation's
24 ~~association's~~ usual and customary commission for the type of
25 policy written.

26
27 If the producing agent is unwilling or unable to accept
28 appointment, the new insurer shall pay the agent in accordance
29 with paragraph (a). The requirement of this subsection that
30 the producing agent of record is entitled to retain the
31 unearned commission on an association policy does not apply to

1 a policy for which coverage has been provided in the
2 association for 30 days or less or for which a cancellation
3 notice has been issued pursuant to s. 627.351(6)(c)11. during
4 the first 30 days of coverage.

5 (5) APPLICABILITY.--

6 (a) The take-out bonus provided by subsection (2) and
7 the exemption from assessment provided by paragraph (3)(a)
8 apply only if the corporation ~~association~~ policy is replaced
9 by either a standard policy including wind coverage or, if
10 consistent with the insurer's underwriting rules as filed with
11 the office ~~department~~, a basic policy including wind coverage;
12 however, with respect to risks located in areas where coverage
13 through the high-risk account of the corporation ~~Florida~~
14 ~~Windstorm Underwriting Association~~ is available, the
15 replacement policy need not provide wind coverage. The insurer
16 must renew the replacement policy at approved rates on
17 substantially similar terms for two additional 1-year terms,
18 unless canceled by the insurer for a lawful reason other than
19 reduction of hurricane exposure. If an insurer assumes the
20 corporation's ~~association's~~ obligations for a policy, it must
21 issue a replacement policy for a 1-year term upon expiration
22 of the corporation ~~association~~ policy and must renew the
23 replacement policy at approved rates on substantially similar
24 terms for two additional 1-year terms, unless canceled by the
25 insurer for a lawful reason other than reduction of hurricane
26 exposure. For each replacement policy canceled or nonrenewed
27 by the insurer for any reason during the 3-year coverage
28 period required by this paragraph, the insurer must remove
29 from the corporation ~~association~~ one additional policy
30 covering a risk similar to the risk covered by the canceled or
31 nonrenewed policy. In addition to these requirements, the

1 corporation ~~association~~ must place the bonus moneys in escrow
2 for a period of 3 years; such moneys may be released from
3 escrow only to pay claims. A take-out bonus provided by
4 subsection (2) or subsection (6) shall not be considered
5 premium income for purposes of taxes and assessments under the
6 Florida Insurance Code and shall remain the property of the
7 corporation ~~Residential Property and Casualty Joint~~
8 ~~Underwriting Association~~, subject to the prior security
9 interest of the insurer under the escrow agreement until it is
10 released from escrow, and after it is released from escrow it
11 shall be considered an asset of the insurer and credited to
12 the insurer's capital and surplus.

13 (b) It is the intent of the Legislature that an
14 insurer eligible for the exemption under paragraph (3)(a)
15 establish a preference in appointment of agents for those
16 agents who lose a substantial amount of business as a result
17 of risks being removed from the corporation ~~association~~.

18 (6) COMMERCIAL RESIDENTIAL TAKE-OUT PLANS.--

19 (a) The corporation ~~Residential Property and Casualty~~
20 ~~Joint Underwriting Association~~ shall pay a bonus to an insurer
21 for each commercial residential policy that the insurer
22 removes from the corporation ~~association~~ pursuant to an
23 approved take-out plan, either by issuance of a new policy
24 upon expiration of the corporation ~~association~~ policy or by
25 assumption of the corporation's ~~association's~~ obligations with
26 respect to an in-force policy. The corporation ~~association~~
27 board shall determine the amount of the bonus based on such
28 factors as the coverage provided, relative hurricane risk, the
29 length of time that the property has been covered by the
30 corporation ~~association~~, and the criteria specified in
31 paragraphs (b) and (c). The amount of the bonus with respect

1 to a particular policy may not exceed 25 percent of the
2 corporation's ~~association's~~ 1-year premium for the policy.

3 Such payment is subject to approval of the corporation
4 ~~association~~ board. In order to qualify for the bonus under
5 this subsection, the take-out plan must include policies
6 reflecting at least \$100 million in structure exposure.

7 (b) In order for a plan to qualify for approval:

8 1. At least 40 percent of the policies removed from
9 the corporation ~~association~~ under the plan must be located in
10 Dade, Broward, and Palm Beach Counties, or at least 30 percent
11 of the policies removed from the corporation ~~association~~ under
12 the plan must be located in such counties and an additional 50
13 percent of the policies removed from the corporation
14 ~~association~~ must be located in other coastal counties.

15 2. The insurer must renew the replacement policy at
16 approved rates on substantially similar terms for two
17 additional 1-year terms, unless canceled or nonrenewed by the
18 insurer for a lawful reason other than reduction of hurricane
19 exposure. If an insurer assumes the corporation's
20 ~~association's~~ obligations for a policy, it must issue a
21 replacement policy for a 1-year term upon expiration of the
22 corporation ~~association~~ policy and must renew the replacement
23 policy at approved rates on substantially similar terms for
24 two additional 1-year terms, unless canceled by the insurer
25 for a lawful reason other than reduction of hurricane
26 exposure. For each replacement policy canceled or nonrenewed
27 by the insurer for any reason during the 3-year coverage
28 period required by this subparagraph, the insurer must remove
29 from the corporation ~~association~~ one additional policy
30 covering a risk similar to the risk covered by the canceled or
31 nonrenewed policy.

1 (c) A take-out plan is deemed approved unless the
2 office department, within 120 days after the board votes to
3 recommend the plan, disapproves the plan based on:

4 1. The capacity of the insurer to absorb the policies
5 proposed to be taken out of the corporation ~~association~~ and
6 the concentration of risks of those policies.

7 2. Whether the geographic and risk characteristics of
8 policies in the proposed take-out plan serve to reduce the
9 exposure of the corporation ~~association~~ sufficiently to
10 justify the bonus.

11 3. Whether coverage for risks to be taken out
12 otherwise exists in the admitted voluntary market.

13 4. The degree to which the take-out bonus is promoting
14 new capital being allocated by the insurer to residential
15 property coverage in this state.

16 (d) The calculation of an insurer's regular assessment
17 liability under s. 627.351(b)3.a. and b., but not emergency
18 assessments collected from policyholders pursuant to s.
19 627.351(6)(b)3.d., shall, with respect to commercial
20 residential policies removed from the corporation ~~association~~
21 under an approved take-out plan, exclude such removed policies
22 for the succeeding 3 years, as follows:

23 1. In the first year following removal of the
24 policies, the policies are excluded from the calculation to
25 the extent of 100 percent.

26 2. In the second year following removal of the
27 policies, the policies are excluded from the calculation to
28 the extent of 75 percent.

29 3. In the third year following removal of the
30 policies, the policies are excluded from the calculation to
31 the extent of 50 percent.

1 (e) An insurer that first wrote commercial residential
2 property coverage in this state on or after June 1, 1996, is
3 exempt from regular assessments under s. 627.351(6)(b)3.a. and
4 b., but not emergency assessments collected from policyholders
5 pursuant to s. 627.351(6)(b)3.d., with respect to commercial
6 residential policies until the earlier of:

7 1. The end of the calendar year in which such insurer
8 first wrote 0.5 percent or more of the statewide aggregate
9 direct written premium for commercial residential property
10 coverage; or

11 2. December 31 of the third year in which such insurer
12 wrote commercial residential property coverage in this state.

13 (f) An insurer that is not otherwise exempt from
14 regular assessments under s. 627.351(6)(b)3.a. and b. with
15 respect to commercial residential policies is, for any
16 calendar year in which such insurer increased its total
17 commercial residential hurricane exposure by 25 percent or
18 more over its exposure for the preceding calendar year, exempt
19 from regular assessments under s. 627.351(6)(b)3.a. and b.,
20 but not emergency assessments collected from policyholders
21 pursuant to s. 627.351(6)(b)3.d., attributable to such
22 increased exposure.

23 (7) A minority business, which is at least 51 percent
24 owned by minority persons as described in s. 288.703(3),
25 desiring to operate or become licensed as a property and
26 casualty insurer may exempt up to \$50 of the escrow
27 requirements of the take-out bonus, as described in this
28 section. Such minority business, which has applied for a
29 certificate of authority to engage in business as a property
30 and casualty insurer, may simultaneously file the business'
31 proposed take-out plan, as described in this section, with the

1 ~~corporation to the Residential Property and Casualty Joint~~
2 ~~Underwriting Association.~~

3 Section 1103. Subsections (3) and (4) of section
4 627.3512, Florida Statutes, are amended to read:

5 627.3512 Recoupment of residual market deficit
6 assessments.--

7 (3) The insurer or insurer group shall file with the
8 office ~~department~~ a statement setting forth the amount of the
9 assessment factor and an explanation of how the factor will be
10 applied, at least 15 days prior to the factor being applied to
11 any policies. The statement shall include documentation of
12 the assessment paid by the insurer or insurer group and the
13 arithmetic calculations supporting the assessment factor. The
14 office ~~department~~ shall complete its review within 15 days
15 after receipt of the filing and shall limit its review to
16 verification of the arithmetic calculations. The insurer or
17 insurer group may use the assessment factor at any time after
18 the expiration of the 15-day period unless the office
19 ~~department~~ has notified the insurer or insurer group in
20 writing that the arithmetic calculations are incorrect.

21 (4) The commission ~~department~~ may adopt rules to
22 implement this section.

23 Section 1104. Section 627.3513, Florida Statutes, is
24 amended to read:

25 627.3513 Standards for sale of bonds by Citizens
26 Property Insurance Corporation ~~underwriting associations~~.--

27 (1)(a) The purpose of this section is to provide
28 standards for the sale of bonds pursuant to s. 627.351(2) and
29 (6).

30 (b) The term "corporation," as used in this section,
31 means the Citizens Property Insurance Corporation.

1 ~~"Association" or "associations," for purposes of this section,~~
2 ~~means the Florida Windstorm Underwriting Association and the~~
3 ~~Residential Property and Casualty Joint Underwriting~~
4 ~~Association as established pursuant to s. 627.351(2) and (6),~~
5 ~~and any corporation or other entity established pursuant to~~
6 ~~those subsections.~~

7 (2) The plan of operation of the corporation ~~each~~
8 ~~association~~ shall provide for the selection of financial
9 services providers and underwriters. Such provisions shall
10 include the method for publicizing or otherwise providing
11 reasonable notice to potential financial services providers,
12 underwriters, and other interested parties, which may include
13 expedited procedures and methods for emergency situations. The
14 corporation ~~associations~~ shall not engage the services of any
15 person or firm as a securities broker or bond underwriter that
16 is not eligible to be engaged by the state under the
17 provisions of s. 215.684. The corporation ~~associations~~ shall
18 make all selections of financial service providers and
19 managing underwriters at a noticed public meeting.

20 (3) The plan of operation of the corporation ~~each~~
21 ~~association~~ shall provide for any managing underwriter or
22 financial adviser to provide to the corporation ~~association~~ a
23 disclosure statement containing at least the following
24 information:

25 (a) An itemized list setting forth the nature and
26 estimated amounts of expenses to be incurred by the managing
27 underwriter in connection with the issuance of such bonds.
28 Notwithstanding the foregoing, any such list may include an
29 item for miscellaneous expenses, provided such item includes
30 only minor items of expense which cannot be easily categorized
31 elsewhere in the statement.

1 (b) The names, addresses, and estimated amounts of
2 compensation of any finders connected with the issuance of the
3 bonds.

4 (c) The amount of underwriting spread expected to be
5 realized and the amount of fees and expenses expected to be
6 paid to the financial adviser.

7 (d) Any management fee charged by the managing
8 underwriter.

9 (e) Any other fee, bonus, or compensation estimated to
10 be paid by the managing underwriter in connection with the
11 bond issue to any person not regularly employed or retained by
12 it.

13 (f) The name and address of each financial adviser or
14 managing underwriter, if any, connected with the bond issue.

15 (g) Any other disclosure which the corporation
16 ~~association~~ may require.

17 (4)(a) No underwriter, commercial bank, investment
18 banker, or financial consultant or adviser shall pay any
19 finder any bonus, fee, or gratuity in connection with the sale
20 of bonds issued by the corporation ~~association~~ unless full
21 disclosure is made in writing to the corporation ~~association~~
22 prior to or concurrently with the submission of a purchase
23 proposal for bonds by the underwriter, commercial bank,
24 investment banker, or financial consultant or adviser,
25 providing the name and address of any finder and the amount of
26 bonus, fee, or gratuity paid to such finder. A violation of
27 this subsection shall not affect the validity of the bond
28 issue.

29 (b) As used in this subsection, the term "finder"
30 means a person who is neither regularly employed by, nor a
31 partner or officer of, an underwriter, bank, banker, or

1 financial consultant or adviser and who enters into an
2 understanding with either the issuer or the managing
3 underwriter, or both, for any paid or promised compensation or
4 valuable consideration, directly or indirectly, expressed or
5 implied, to act solely as an intermediary between such issuer
6 and managing underwriter for the purpose of influencing any
7 transaction in the purpose of such bonds.

8 (5) This section is not intended to restrict or
9 prohibit the employment of professional services relating to
10 bonds issued under s. 627.351(6)~~s. 627.351(2) or (6)~~ or the
11 issuance of bonds by the corporation ~~associations~~.

12 (6) The failure of the corporation ~~association~~ to
13 comply with one or more provisions of this section shall not
14 affect the validity of the bond issue; however, the failure of
15 the corporation ~~either association~~ to comply in good faith
16 both with this section and with the plan as amended shall be a
17 violation of its plan of operation and a violation of the
18 insurance code.

19 Section 1105. Section 627.3515, Florida Statutes, is
20 amended to read:

21 627.3515 Market assistance plan; property and casualty
22 risks.--

23 (1) The office ~~department~~ shall adopt a market
24 assistance plan to assist in the placement of risks of
25 applicants who are unable to procure property insurance as
26 defined in s. 624.604 or casualty insurance as defined in s.
27 624.605(1)(b), (e), (f), (g), or (h) from authorized insurers
28 when such insurance is otherwise generally available from
29 insurers authorized to transact and actually writing that kind
30 and class of insurance in this state. Through such measures as
31 are found appropriate by the board of governors, the market

1 assistance plan shall take affirmative steps to assist in the
2 removal from the Citizens Property Insurance Corporation
3 ~~Residential Property and Casualty Joint Underwriting~~
4 ~~Association~~ any risk that can be placed in the voluntary
5 market. All property and casualty insurers licensed in this
6 state shall participate in the plan.

7 (2)(a) Each person serving as a member of the board of
8 governors of the Citizens Property Insurance Corporation
9 ~~Residential Property and Casualty Joint Underwriting~~
10 ~~Association~~ shall also serve as a member of the board of
11 governors of the market assistance plan.

12 (b) The plan shall be funded through payments from the
13 Citizens Property Insurance Corporation ~~Residential Property~~
14 ~~and Casualty Joint Underwriting Association~~ and annual
15 assessments of residential property insurers in the amount of
16 \$450.

17 (c) The plan is not required to assist in the
18 placement of any workers' compensation, employer's liability,
19 malpractice, or motor vehicle insurance coverage.

20 Section 1106. Section 627.3517, Florida Statutes, is
21 amended to read:

22 627.3517 Consumer choice.--No provision of s. 627.351,
23 s. 627.3511, or s. 627.3515 shall be construed to impair the
24 right of any insurance risk apportionment plan policyholder,
25 upon receipt of any keepout or take-out offer, to retain his
26 or her current agent, so long as that agent is duly licensed
27 and appointed by the insurance risk apportionment plan or
28 otherwise authorized to place business with the insurance risk
29 apportionment plan. This right shall not be canceled,
30 suspended, impeded, abridged, or otherwise compromised by any
31 rule, plan of operation, or depopulation plan, whether through

1 keepout, take-out, midterm assumption, or any other means, of
2 any insurance risk apportionment plan or depopulation plan,
3 including, but not limited to, those described in s. 627.351,
4 s. 627.3511, or s. 627.3515. The commission ~~department~~ shall
5 adopt any rules necessary to cause any insurance risk
6 apportionment plan or market assistance plan under such
7 sections to demonstrate that the operations of the plan do not
8 interfere with, promote, or allow interference with the rights
9 created under this section. If the policyholder's current
10 agent is unable or unwilling to be appointed with the insurer
11 making the take-out or keepout offer, the policyholder shall
12 not be disqualified from participation in the appropriate
13 insurance risk apportionment plan because of an offer of
14 coverage in the voluntary market. An offer of full property
15 insurance coverage by the insurer currently insuring either
16 the ex-wind or wind-only coverage on the policy to which the
17 offer applies shall not be considered a take-out or keepout
18 offer. Any rule, plan of operation, or plan of depopulation,
19 through keepout, take-out, midterm assumption, or any other
20 means, of any property insurance risk apportionment plan under
21 s. 627.351(2) or (6) is subject to ss. 627.351(2)(b) and
22 (6)(c) and 627.3511(4).

23 Section 1107. Subsections (2), (4), and (6),
24 paragraphs (c) and (h) of subsection (7), and subsection (8)
25 of section 627.357, Florida Statutes, are amended to read:

26 627.357 Medical malpractice self-insurance.--

27 (2) A group or association of health care providers
28 composed of any number of members, is authorized to
29 self-insure against claims arising out of the rendering of, or
30 failure to render, medical care or services, or against claims
31 for injury or death to the insured's patients arising out of

1 the insured's activities, upon obtaining approval from the
2 office ~~department~~ and upon complying with the following
3 conditions:

4 (a) Establishment of a Medical Malpractice Risk
5 Management Trust Fund to provide coverage against professional
6 medical malpractice liability.

7 (b) Employment of professional consultants for loss
8 prevention and claims management coordination under a risk
9 management program.

10 (4) The fund is subject to regulation and
11 investigation by the office ~~department~~. The fund is subject
12 to rules of the commission ~~department~~ and to part IX of
13 chapter 626, relating to trade practices and frauds.

14 (6) The commission ~~department~~ shall adopt rules to
15 implement this section, including rules that ensure that a
16 trust fund maintains a sufficient reserve to cover contingent
17 liabilities under subsection (7) in the event of its
18 dissolution.

19 (7)

20 (c) The trust fund may from time to time assess
21 members of the fund liable therefor under the terms of their
22 policies and pursuant to this section. The office ~~department~~
23 may assess the members in the event of liquidation of the
24 fund.

25 (h) If the trust fund fails to make an assessment as
26 required by paragraph (g), the office ~~department~~ shall order
27 the fund to do so. If the deficiency is not sufficiently made
28 up within 60 days after the date of the order, the fund is
29 deemed insolvent and grounds exist to proceed against the fund
30 as provided for in part I of chapter 631.

31

1 (8) The expense factors associated with rates used by
2 a fund shall be filed with the office ~~department~~ at least 30
3 days prior to use and may not be used until approved by the
4 office ~~department~~. The office ~~department~~ shall disapprove the
5 rates unless the filed expense factors associated therewith
6 are justified and reasonable for the benefits and services
7 provided.

8 Section 1108. Section 627.361, Florida Statutes, is
9 amended to read:

10 627.361 False or misleading information.--No person
11 shall willfully withhold information from or knowingly give
12 false or misleading information to the office ~~department~~, any
13 statistical agency designated by the office ~~department~~, any
14 rating organization, or any insurer, which will affect the
15 rates or premiums chargeable under this part.

16 Section 1109. Section 627.371, Florida Statutes, is
17 amended to read:

18 627.371 Hearings.--

19 (1) Any person aggrieved by any rate charged, rating
20 plan, rating system, or underwriting rule followed or adopted
21 by an insurer, and any person aggrieved by any rating plan,
22 rating system, or underwriting rule followed or adopted by a
23 rating organization, may herself or himself or by her or his
24 authorized representative make written request of the insurer
25 or rating organization to review the manner in which the rate,
26 plan, system, or rule has been applied with respect to
27 insurance afforded her or him. If the request is not granted
28 within 30 days after it is made, the requester may treat it as
29 rejected. Any person aggrieved by the refusal of an insurer
30 or rating organization to grant the review requested, or by
31 the failure or refusal to grant all or part of the relief

1 requested, may file a written complaint with the office
2 ~~department~~, specifying the grounds relied upon. If the office
3 ~~department~~ has already disposed of the issue as raised by a
4 similar complaint or believes that probable cause for the
5 complaint does not exist or that the complaint is not made in
6 good faith, it shall so notify the complainant. Otherwise, and
7 if it also finds that the complaint charges a violation of
8 this chapter and that the complainant would be aggrieved if
9 the violation is proven, it shall proceed as provided in
10 subsection (2).

11 (2) If after examination of an insurer, rating
12 organization, advisory organization, or group, association, or
13 other organization of insurers which engages in joint
14 underwriting or joint reinsurance, upon the basis of other
15 information, or upon sufficient complaint as provided in
16 subsection (1), the office ~~department~~ has good cause to
17 believe that such insurer, organization, group, or
18 association, or any rate, rating plan, or rating system made
19 or used by any such insurer or rating organization, does not
20 comply with the requirements and standards of this part
21 applicable to it, it shall, unless it has good cause to
22 believe such noncompliance is willful, give notice in writing
23 to such insurer, organization, group, or association stating
24 therein in what manner and to what extent noncompliance is
25 alleged to exist and specifying therein a reasonable time, not
26 less than 10 days thereafter, in which the noncompliance may
27 be corrected, including any premium adjustment.

28 (3) If the office ~~department~~ has good cause to believe
29 that such noncompliance is willful or if, within the period
30 prescribed by the office ~~department~~ in the notice required by
31 subsection (2), the insurer, organization, group, or

1 association does not make such changes as may be necessary to
2 correct the noncompliance specified by the office ~~department~~
3 or establish to the satisfaction of the office ~~department~~ that
4 such specified noncompliance does not exist, then the office
5 ~~department~~ is required to proceed to further determine the
6 matter. If no notice has been given as provided in subsection
7 (2), the notice shall state in what manner and to what extent
8 noncompliance is alleged to exist. The proceedings shall not
9 consider any subject not specified in the notice required by
10 subsections (2) and (3).

11 Section 1110. Section 627.381, Florida Statutes, is
12 amended to read:

13 627.381 Penalty for violation.--

14 (1) The office ~~department~~ may, if it finds that any
15 person or organization has violated any provision of this
16 part, impose an administrative fine pursuant to s. 624.4211.

17 (2) The office ~~department~~ may suspend the license or
18 authority of any rating organization or insurer which fails to
19 comply with an order of the office ~~department~~ within the time
20 limited by such order, or any extension thereof which the
21 office ~~department~~ may grant. The office ~~department~~ shall not
22 suspend the license or authority of any rating organization or
23 insurer for failure to comply with an order until the time
24 prescribed for an appeal therefrom has expired or, if an
25 appeal has been taken, until such order has been affirmed. The
26 office ~~department~~ may determine when a suspension of license
27 or authority shall become effective and it shall remain in
28 effect for the period fixed by it, unless it modifies or
29 rescinds such suspension, or until the order upon which such
30 suspension is based is modified, rescinded, or reversed.

31

1 Section 1111. Paragraph (i) of subsection (2) of
2 section 627.4035, Florida Statutes, is amended to read:

3 627.4035 Cash payment of premiums; claims.--

4 (2) Subsection (1) is not applicable to:

5 (i) Such other methods of paying for life insurance as
6 may be permitted by the commission ~~department~~ pursuant to rule
7 or regulation.

8 Section 1112. Section 627.410, Florida Statutes, is
9 amended to read:

10 627.410 Filing, approval of forms.--

11 (1) No basic insurance policy or annuity contract
12 form, or application form where written application is
13 required and is to be made a part of the policy or contract,
14 or group certificates issued under a master contract delivered
15 in this state, or printed rider or endorsement form or form of
16 renewal certificate, shall be delivered or issued for delivery
17 in this state, unless the form has been filed with the office
18 ~~department at its offices in Tallahassee~~ by or in behalf of
19 the insurer which proposes to use such form and has been
20 approved by the office ~~department~~. This provision does not
21 apply to surety bonds or to policies, riders, endorsements, or
22 forms of unique character which are designed for and used with
23 relation to insurance upon a particular subject (other than as
24 to health insurance), or which relate to the manner of
25 distribution of benefits or to the reservation of rights and
26 benefits under life or health insurance policies and are used
27 at the request of the individual policyholder, contract
28 holder, or certificateholder. As to group insurance policies
29 effectuated and delivered outside this state but covering
30 persons resident in this state, the group certificates to be

31

1 delivered or issued for delivery in this state shall be filed
2 with the office ~~department~~ for information purposes only.

3 (2) Every such filing must be made not less than 30
4 days in advance of any such use or delivery. At the
5 expiration of such 30 days, the form so filed will be deemed
6 approved unless prior thereto it has been affirmatively
7 approved or disapproved by order of the office ~~department~~. The
8 approval of any such form by the office ~~department~~ constitutes
9 a waiver of any unexpired portion of such waiting period. The
10 office ~~department~~ may extend by not more than an additional 15
11 days the period within which it may so affirmatively approve
12 or disapprove any such form, by giving notice of such
13 extension before expiration of the initial 30-day period. At
14 the expiration of any such period as so extended, and in the
15 absence of such prior affirmative approval or disapproval, any
16 such form shall be deemed approved.

17 (3) The office ~~department~~ may, for cause, withdraw a
18 previous approval. No insurer shall issue or use any form
19 disapproved by the office ~~department~~, or as to which the
20 office ~~department~~ has withdrawn approval, after the effective
21 date of the order of the office ~~department~~.

22 (4) The office ~~department~~ may, by order, exempt from
23 the requirements of this section for so long as it deems
24 proper any insurance document or form or type thereof as
25 specified in such order, to which, in its opinion, this
26 section may not practicably be applied, or the filing and
27 approval of which are, in its opinion, not desirable or
28 necessary for the protection of the public.

29 (5) This section also applies to any such form used by
30 domestic insurers for delivery in a jurisdiction outside this
31 state if the insurance supervisory official of such

1 jurisdiction informs the office ~~department~~ that such form is
2 not subject to approval or disapproval by such official, and
3 upon the order of the office ~~department~~ requiring the form to
4 be submitted to it for the purpose. The applicable same
5 standards apply to such forms as apply to forms for domestic
6 use.

7 (6)(a) An insurer shall not deliver or issue for
8 delivery or renew in this state any health insurance policy
9 form until it has filed with the office ~~department~~ a copy of
10 every applicable rating manual, rating schedule, change in
11 rating manual, and change in rating schedule; if rating
12 manuals and rating schedules are not applicable, the insurer
13 must file with the order ~~department~~ applicable premium rates
14 and any change in applicable premium rates. This paragraph
15 does not apply to group health insurance policies, effectuated
16 and delivered in this state, insuring groups of 51 or more
17 persons, except for Medicare supplement insurance, long-term
18 care insurance, and any coverage under which the increase in
19 claim costs over the lifetime of the contract due to advancing
20 age or duration is prefunded in the premium.

21 (b) The commission ~~department~~ may establish by rule,
22 for each type of health insurance form, procedures to be used
23 in ascertaining the reasonableness of benefits in relation to
24 premium rates and may, by rule, exempt from any requirement of
25 paragraph (a) any health insurance policy form or type thereof
26 (as specified in such rule) to which form or type such
27 requirements may not be practically applied or to which form
28 or type the application of such requirements is not desirable
29 or necessary for the protection of the public. With respect to
30 any health insurance policy form or type thereof which is
31 exempted by rule from any requirement of paragraph (a),

1 premium rates filed pursuant to ss. 627.640 and 627.662 shall
2 be for informational purposes.

3 (c) Every filing made pursuant to this subsection
4 shall be made within the same time period provided in, and
5 shall be deemed to be approved under the same conditions as
6 those provided in, subsection (2).

7 (d) Every filing made pursuant to this subsection,
8 except disability income policies and accidental death
9 policies, shall be prohibited from applying the following
10 rating practices:

11 1. Select and ultimate premium schedules.

12 2. Premium class definitions which classify insured
13 based on year of issue or duration since issue.

14 3. Attained age premium structures on policy forms
15 under which more than 50 percent of the policies are issued to
16 persons age 65 or over.

17 (e) Except as provided in subparagraph 1., an insurer
18 shall continue to make available for purchase any individual
19 policy form issued on or after October 1, 1993. A policy form
20 shall not be considered to be available for purchase unless
21 the insurer has actively offered it for sale in the previous
22 12 months.

23 1. An insurer may discontinue the availability of a
24 policy form if the insurer provides to the office ~~department~~
25 in writing its decision at least 30 days prior to
26 discontinuing the availability of the form of the policy or
27 certificate. After receipt of the notice by the office
28 ~~department~~, the insurer shall no longer offer for sale the
29 policy form or certificate form in this state.

30 2. An insurer that discontinues the availability of a
31 policy form pursuant to subparagraph 1. shall not file for

1 approval a new policy form providing similar benefits as the
2 discontinued form for a period of 5 years after the insurer
3 provides notice to the office ~~department~~ of the
4 discontinuance. The period of discontinuance may be reduced if
5 the office ~~department~~ determines that a shorter period is
6 appropriate.

7 3. The experience of all policy forms providing
8 similar benefits shall be combined for all rating purposes.

9 (7)(a) Each insurer subject to the requirements of
10 subsection (6) shall make an annual filing with the office
11 ~~department~~ no later than 12 months after its previous filing,
12 demonstrating the reasonableness of benefits in relation to
13 premium rates. The office ~~department~~, after receiving a
14 request to be exempted from the provisions of this section,
15 may, for good cause due to insignificant numbers of policies
16 in force or insignificant premium volume, exempt a company, by
17 line of coverage, from filing rates or rate certification as
18 required by this section.

19 (b) The filing required by this subsection shall be
20 satisfied by one of the following methods:

21 1. A rate filing prepared by an actuary which contains
22 documentation demonstrating the reasonableness of benefits in
23 relation to premiums charged in accordance with the applicable
24 rating laws and rules promulgated by the commission
25 ~~department~~.

26 2. If no rate change is proposed, a filing which
27 consists of a certification by an actuary that benefits are
28 reasonable in relation to premiums currently charged in
29 accordance with applicable laws and rules promulgated by the
30 commission ~~department~~.

31

1 (c) As used in this section, "actuary" means an
2 individual who is a member of the Society of Actuaries or the
3 American Academy of Actuaries. If an insurer does not employ
4 or otherwise retain the services of an actuary, the insurer's
5 certification shall be prepared by insurer personnel or
6 consultants with a minimum of 5 years' experience in insurance
7 ratemaking. The chief executive officer of the insurer shall
8 review and sign the certification indicating his or her
9 agreement with its conclusions.

10 (d) If at the time a filing is required under this
11 section an insurer is in the process of completing a rate
12 review, the insurer may apply to the office ~~department~~ for an
13 extension of up to an additional 30 days in which to make the
14 filing. The request for extension must be received by the
15 office ~~department in its offices in Tallahassee~~ no later than
16 the date the filing is due.

17 (e) If an insurer fails to meet the filing
18 requirements of this subsection and does not submit the filing
19 within 60 days following the date the filing is due, the
20 office ~~department~~ may, in addition to any other penalty
21 authorized by law, order the insurer to discontinue the
22 issuance of policies for which the required filing was not
23 made, until such time as the office ~~department~~ determines that
24 the required filing is properly submitted.

25 (8)(a) For the purposes of subsections (6) and (7),
26 benefits of an individual accident and health insurance policy
27 form, including Medicare supplement policies as defined in s.
28 627.672, when authorized by rules adopted by the commission
29 ~~department~~, and excluding long-term care insurance policies as
30 defined in s. 627.9404, and other policy forms under which
31 more than 50 percent of the policies are issued to individuals

1 age 65 and over, are deemed to be reasonable in relation to
2 premium rates if the rates are filed pursuant to a loss ratio
3 guarantee and both the initial rates and the durational and
4 lifetime loss ratios have been approved by the office
5 ~~department~~, and such benefits shall continue to be deemed
6 reasonable for renewal rates while the insurer complies with
7 such guarantee, provided the currently expected lifetime loss
8 ratio is not more than 5 percent less than the filed lifetime
9 loss ratio as certified to by an actuary. The office
10 ~~department~~ shall have the right to bring an administrative
11 action should it deem that the lifetime loss ratio will not be
12 met. For Medicare supplement filings, the office ~~department~~
13 may withdraw a previously approved filing which was made
14 pursuant to a loss ratio guarantee if it determines that the
15 filing is not in compliance with ss. 627.671-627.675 or the
16 currently expected lifetime loss ratio is less than the filed
17 lifetime loss ratio as certified by an actuary in the initial
18 guaranteed loss ratio filing. If this section conflicts with
19 ss. 627.671-627.675, ss. 627.671-627.675 shall control.

20 (b) The renewal premium rates shall be deemed to be
21 approved upon filing with the office ~~department~~ if the filing
22 is accompanied by the most current approved loss ratio
23 guarantee. The loss ratio guarantee shall be in writing, shall
24 be signed by an officer of the insurer, and shall contain at
25 least:

26 1. A recitation of the anticipated lifetime and
27 durational target loss ratios contained in the actuarial
28 memorandum filed with the policy form when it was originally
29 approved. The durational target loss ratios shall be
30 calculated for 1-year experience periods. If statutory
31 changes have rendered any portion of such actuarial memorandum

1 obsolete, the loss ratio guarantee shall also include an
2 amendment to the actuarial memorandum reflecting current law
3 and containing new lifetime and durational loss ratio targets.

4 2. A guarantee that the applicable loss ratios for the
5 experience period in which the new rates will take effect, and
6 for each experience period thereafter until new rates are
7 filed, will meet the loss ratios referred to in subparagraph
8 1.

9 3. A guarantee that the applicable loss ratio results
10 for the experience period will be independently audited at the
11 insurer's expense. The audit shall be performed in the second
12 calendar quarter of the year following the end of the
13 experience period, and the audited results shall be reported
14 to the office ~~department~~ no later than the end of such
15 quarter. The commission ~~department~~ shall establish by rule
16 the minimum information reasonably necessary to be included in
17 the report. The audit shall be done in accordance with
18 accepted accounting and actuarial principles.

19 4. A guarantee that affected policyholders in this
20 state shall be issued a proportional refund, based on the
21 premium earned, of the amount necessary to bring the
22 applicable experience period loss ratio up to the durational
23 target loss ratio referred to in subparagraph 1. The refund
24 shall be made to all policyholders in this state who are
25 insured under the applicable policy form as of the last day of
26 the experience period, except that no refund need be made to a
27 policyholder in an amount less than \$10. Refunds less than \$10
28 shall be aggregated and paid pro rata to the policyholders
29 receiving refunds. The refund shall include interest at the
30 then-current variable loan interest rate for life insurance
31 policies established by the National Association of Insurance

1 Commissioners, from the end of the experience period until the
2 date of payment. Payments shall be made during the third
3 calendar quarter of the year following the experience period
4 for which a refund is determined to be due. However, no
5 refunds shall be made until 60 days after the filing of the
6 audit report in order that the office ~~department~~ has adequate
7 time to review the report.

8 5. A guarantee that if the applicable loss ratio
9 exceeds the durational target loss ratio for that experience
10 period by more than 20 percent, provided there are at least
11 2,000 policyholders on the form nationwide or, if not, then
12 accumulated each calendar year until 2,000 policyholder years
13 is reached, the insurer, if directed by the office ~~department~~,
14 shall withdraw the policy form for the purposes of issuing new
15 policies.

16 (c) As used in this subsection:

17 1. "Loss ratio" means the ratio of incurred claims to
18 earned premium.

19 2. "Applicable loss ratio" means the loss ratio
20 attributable solely to this state if there are 2,000 or more
21 policyholders in the state. If there are 500 or more
22 policyholders in this state but less than 2,000, it is the
23 linear interpolation of the nationwide loss ratio and the loss
24 ratio for this state. If there are less than 500
25 policyholders in this state, it is the nationwide loss ratio.

26 3. "Experience period" means the period, ordinarily a
27 calendar year, for which a loss ratio guarantee is calculated.

28 Section 1113. Section 627.4101, Florida Statutes, is
29 amended to read:

30 627.4101 Credit insurance enrollment forms.--~~Effective~~
31 ~~October 1, 2002,~~All credit insurance enrollment forms must be

1 approved by the office ~~Department of Insurance~~ pursuant to the
2 provisions of s. 627.410 or s. 627.682.

3 Section 1114. Section 627.4105, Florida Statutes, is
4 amended to read:

5 627.4105 Life and health insurance; reduced premiums
6 upon rigorous physical examination.--Upon request, the office
7 ~~department~~ may approve special life and health insurance
8 policy forms providing for reduced premiums for each applicant
9 passing a rigorous physical examination.

10 Section 1115. Section 627.411, Florida Statutes, is
11 amended to read:

12 627.411 Grounds for disapproval.--

13 (1) The office ~~department~~ shall disapprove any form
14 filed under s. 627.410, or withdraw any previous approval
15 thereof, only if the form:

16 (a) Is in any respect in violation of, or does not
17 comply with, this code.

18 (b) Contains or incorporates by reference, where such
19 incorporation is otherwise permissible, any inconsistent,
20 ambiguous, or misleading clauses, or exceptions and conditions
21 which deceptively affect the risk purported to be assumed in
22 the general coverage of the contract.

23 (c) Has any title, heading, or other indication of its
24 provisions which is misleading.

25 (d) Is printed or otherwise reproduced in such manner
26 as to render any material provision of the form substantially
27 illegible.

28 (e) Is for health insurance, and provides benefits
29 which are unreasonable in relation to the premium charged,
30 contains provisions which are unfair or inequitable or
31 contrary to the public policy of this state or which encourage

1 misrepresentation, or which apply rating practices which
2 result in premium escalations that are not viable for the
3 policyholder market or result in unfair discrimination in
4 sales practices.

5 (f) Excludes coverage for human immunodeficiency virus
6 infection or acquired immune deficiency syndrome or contains
7 limitations in the benefits payable, or in the terms or
8 conditions of such contract, for human immunodeficiency virus
9 infection or acquired immune deficiency syndrome which are
10 different than those which apply to any other sickness or
11 medical condition.

12 (2) In determining whether the benefits are reasonable
13 in relation to the premium charged, the office ~~department~~, in
14 accordance with reasonable actuarial techniques, shall
15 consider:

16 (a) Past loss experience and prospective loss
17 experience within and without this state.

18 (b) Allocation of expenses.

19 (c) Risk and contingency margins, along with
20 justification of such margins.

21 (d) Acquisition costs.

22 Section 1116. Section 627.412, Florida Statutes, is
23 amended to read:

24 627.412 Standard provisions, in general.--

25 (1) Insurance contracts shall contain such standard or
26 uniform provisions as are required by the applicable
27 provisions of this code pertaining to contracts of particular
28 kinds of insurance. The office ~~department~~ may waive the
29 required use of a particular provision in a particular
30 insurance policy form if:

31

1 (a) It finds such provision unnecessary for the
2 protection of the insured and inconsistent with the purposes
3 of the policy; and

4 (b) The policy is otherwise approved by it.

5 (2) No policy shall contain any provision inconsistent
6 with or contradictory to any standard or uniform provision
7 used or required to be used, but the office ~~department~~ may
8 approve any substitute provision which is, in its opinion, not
9 less favorable in any particular to the insured or beneficiary
10 than the provisions otherwise required.

11 (3) In lieu of the provisions required by this code
12 for contracts for particular kinds of insurance, substantially
13 similar provisions required by the law of the domicile of a
14 foreign or alien insurer may be used when approved by the
15 office ~~department~~.

16 Section 1117. Paragraph (g) of subsection (1) and
17 subsections (4) and (5) of section 627.413, Florida Statutes,
18 are amended to read:

19 627.413 Contents of policies, in general;
20 identification.--

21 (1) Every policy shall specify:

22 (g) The form numbers and edition dates or numeric code
23 indicating edition dates, when such code has been supplied to
24 the office ~~department~~, of all endorsements attached to a
25 policy. This requirement applies to life insurance policies
26 and health insurance policies only at the time of original
27 issue.

28 (4) All policies and annuity contracts issued by
29 insurers, and the forms thereof filed with the office
30 ~~department~~, shall have printed thereon an appropriate
31 designating letter or figure, or combination of letters or

1 figures or terms identifying the respective forms of policies
2 or contracts. Whenever any change is made in any such form,
3 the designating letters, figures, or terms thereon shall be
4 correspondingly changed.

5 (5) Any policy that is a minimum premium policy issued
6 by an insurer pursuant to the minimum premium provisions of
7 rules adopted by rating organizations licensed by the office
8 ~~Department of Insurance~~, shall have typed, printed, stamped,
9 or legibly handwritten on the certificate the words "minimum
10 premium policy" or equivalent language. The office ~~department~~
11 may impose an administrative fine pursuant to s. 624.4211 if
12 the office ~~department~~ finds any violation of this subsection.

13 Section 1118. Subsections (1), (2), and (3) and
14 paragraph (f) of subsection (5) of section 627.4145, Florida
15 Statutes, are amended to read:

16 627.4145 Readable language in insurance policies.--

17 (1) Every policy shall be readable as required by this
18 section. For the purposes of this section, the term "policy"
19 means a policy form or endorsement. A policy is deemed
20 readable if:

21 (a) The text achieves a minimum score of 45 on the
22 Flesch reading ease test as computed in subsection (5) or an
23 equivalent score on any other test comparable in result and
24 approved by the office ~~department~~;

25 (b) It uses layout and spacing which separate the
26 paragraphs from each other and from the border of the paper;

27 (c) It has section titles that are captioned in
28 boldfaced type or that otherwise stand out significantly from
29 the text;

30
31

1 (d) It avoids the use of unnecessarily long,
2 complicated, or obscure words, sentences, paragraphs, or
3 constructions;

4 (e) The style, arrangement, and overall appearance of
5 the policy give no undue prominence to any portion of the text
6 of the policy or to any endorsements or riders; and

7 (f) It contains a table of contents or an index of the
8 principal sections of the policy, if the policy has more than
9 3,000 words or more than three pages.

10 (2) The office ~~department~~ may authorize a lower score
11 than the Flesch reading ease test score required in subsection
12 (1) whenever it finds that a lower score will provide a more
13 accurate reflection of the readability of a policy form, is
14 warranted by the nature of a particular policy form or type or
15 class of policy forms, or is the result of language which is
16 used to conform to the requirements of any law.

17 (3) A filing subject to this section shall be
18 accompanied by a certification signed by an officer of the
19 insurer stating that the policy meets the requirements of
20 subsection (1). Such certification shall state that the policy
21 meets the minimum reading ease test score on the test used or
22 that the score is lower than the minimum required but should
23 be approved in accordance with subsection (2). The office
24 ~~department~~ may require the submission of further information
25 to verify any certification.

26 (5) A Flesch reading ease test score shall be measured
27 by the following method:

28 (f) The term "text" as used in this subsection
29 includes all printed matter except:

30 1. The name and address of the insurer; the name,
31 number, or title of the policy; the table of contents or

1 index; captions and subcaptions; specification pages;
2 schedules; or tables;
3 2. Policy language required by any collectively
4 bargained agreement;
5 3. Any medical terminology;
6 4. Words which are defined in the policy; and
7 5. Any policy language required by law, if the insurer
8 identifies the language or terminology excepted by this
9 paragraph and certifies to the office department, in writing,
10 that the language or terminology is entitled to be excepted
11 under this paragraph.

12 Section 1119. Subsection (2) of section 627.417,
13 Florida Statutes, is amended to read:

14 627.417 Underwriters' and combination policies.--

15 (2) Two or more authorized insurers may, with the
16 approval of the office department, issue a combination policy
17 which shall contain provisions substantially as follows:

30 (2) Any insurance contract delivered or issued for
31 delivery in this state covering a subject or subjects of

1 insurance resident, located, or to be performed in this state,
2 which subjects, pursuant to the provisions of this code, the
3 insurer may not lawfully insure under such a contract, shall
4 be cancelable at any time by the insurer, any provision of the
5 contract to the contrary notwithstanding; and the insurer
6 shall promptly cancel the contract in accordance with the
7 request of the office ~~department~~ therefor. No such illegality
8 or cancellation shall be deemed to relieve the insurer of any
9 liability incurred by it under the contract while in force, or
10 to prohibit the insurer from retaining the pro rata earned
11 premium thereon. This provision does not relieve the insurer
12 from any penalty otherwise incurred by the insurer under this
13 code on account of any such violation.

14 Section 1121. Subsection (7) of section 627.4234,
15 Florida Statutes, is amended to read:

16 627.4234 Health insurance cost containment provisions
17 required.--A health insurance policy or health care services
18 plan which provides medical, hospital, or surgical expense
19 coverage delivered or issued for delivery in this state must
20 contain one or more of the following procedures or provisions
21 to contain health insurance costs or cost increases:

22 (7) Any lawful measure or combination of measures for
23 which the insurer provides to the office ~~department~~

31

1 (3)(a) The Agency for Health Care Administration shall

9 2. One pediatric oncologist, selected from a list of

26 Florida small group health insurance premium volume.

27 Section 1123. Section 627.4238, Florida Statutes, is
28 amended to read:

29 627.4238 Health insurer examinations.--The office
30 ~~department~~ may examine each authorized health insurer which

2 applicable provisions of this chapter. In lieu of the
3 examination, the office ~~department~~ may accept the report of a
4 similar examination made by the insurance supervisory official
5 of this state or another state. The reasonable cost of the
6 examination shall be paid by the person examined, and such
7 person is subject to the provisions of s. 624.320. Any
8 examination is also subject to the applicable provisions of
9 ss. 624.318, 624.319, 624.321, and 624.322. An examination
10 under this section may not exceed 10 working days in length,
11 may not be conducted more often than annually, and may not be
12 conducted during the same calendar year as a market conduct
13 examination conducted by the office ~~department~~, except in a
14 case in which the office ~~department~~ has prima facie evidence
15 of a violation of this chapter or of chapter 626, which
16 violation is of a nature so as to provide an immediate danger
17 to the insurance-consuming public.

18 Section 1124. Subsection (2) of section 627.427,
19 Florida Statutes, is amended to read:

20 627.427 Payment of judgment by insurer; penalty for
21 failure.--

22 (2) If the judgment or decree is not satisfied as
23 required under subsection (1), and proof of such failure to
24 satisfy is made by filing with the office ~~department~~ a
25 certified transcript of the docket of the judgment or decree
26 together with a certificate by the clerk of the court wherein
27 the judgment or decree was entered that the judgment or decree
28 remains unsatisfied, in whole or in part, after the time
29 aforesaid, the office ~~department~~ shall forthwith revoke the
30 insurer's certificate of authority. The office ~~department~~
31 shall not issue to such insurer any new certificate of

1 authority until the judgment or decree is wholly paid and
2 satisfied and proof thereof filed with the office ~~department~~
3 under the official certificate of the clerk of the court
4 wherein the judgment was recovered, showing that the same is
5 satisfied of record, and until the expenses and fees incurred
6 in the case are also paid by the insurer.

7 Section 1125. Paragraph (b) of subsection (4) of
8 section 627.429, Florida Statutes, is amended to read:

9 627.429 Medical tests for HIV infection and AIDS for
10 insurance purposes.--

11 (4) USE OF MEDICAL TESTS FOR UNDERWRITING.--

12 (b) Prior to testing, the insurer shall disclose its
13 intent to test the person for the HIV infection or for a
14 specific sickness or medical condition derived therefrom and
15 shall obtain the person's written informed consent to
16 administer the test. The written informed consent required by
17 this paragraph shall include a fair explanation of the test,
18 including its purpose, potential uses, and limitations, and
19 the meaning of its results and the right to confidential
20 treatment of information. Use of a form approved by the
21 office ~~department~~ raises a conclusive presumption of informed
22 consent.

23 Section 1126. Subsection (1) of section 627.452,
24 Florida Statutes, is amended to read:

25 627.452 Standard provisions required.--

26 (1) No policy of life insurance, except as stated in
27 subsection (3), shall be delivered or issued for delivery in
28 this state unless it contains in substance each of the
29 provisions as required by ss. 627.453-627.462 inclusive and
30 ss. 627.475 and 627.476, or provisions which in the opinion of
31 the office ~~department~~ are more favorable to the policyholder.

1 Section 1127. Subsection (1) of section 627.458,
2 Florida Statutes, is amended to read:

3 627.458 Policy loan.--

4 (1) There shall be a provision that after the policy
5 has a cash surrender value and while no premium is in default,
6 the insurer will advance, on proper assignment or pledge of
7 the policy and on the sole security thereof, at a rate of
8 interest not exceeding 10 percent per year, for policies
9 issued prior to October 1, 1981, payable in advance, an amount
10 equal to or, at the option of the party entitled thereto, less
11 than the loan value of the policy. The loan value of the
12 policy shall be at least equal to the cash surrender value at
13 the end of the then-current policy year, except that the
14 insurer may deduct, either from such loan value or from the
15 proceeds of the loan, any existing indebtedness not already
16 deducted in determining such cash surrender value, including
17 any interest then accrued but not due, any unpaid balance of
18 the premium for the current policy year, and interest on the
19 loan to the end of the current policy year. However, as a
20 condition for approval of a policy loan interest rate in
21 excess of 6 percent per year, the office ~~department~~ shall
22 require the insurer to furnish such assurances as the office
23 ~~department~~ deems necessary that the interest rate on such
24 loans will bear a reasonable relationship to other interest
25 rates and that the holders of such policies will benefit
26 through higher dividends or lower premiums, or both.

27 Section 1128. Section 627.462, Florida Statutes, is
28 amended to read:

29 627.462 Table of installments.--If a policy provides
30 for payment of its proceeds in installments, a table showing
31 the amount and period of such installments shall be included

1 in the policy; except that certain tables may be omitted from
2 the policy if in the judgment of the office ~~department~~ it is
3 not practical to include them.

4 Section 1129. Subsection (1) of section 627.464,
5 Florida Statutes, is amended to read:

6 627.464 Annuity contracts, pure endowment contracts;
7 standard provisions.--

8 (1) No fixed-dollar annuity, variable annuity, or pure
9 endowment contract, other than a reversionary annuity,
10 survivorship annuity, or group annuity, shall be delivered or
11 issued for delivery in this state unless it contains in
12 substance each of the provisions set forth in ss.

13 627.465-627.470, inclusive, or provisions which in the opinion
14 of the office ~~department~~ are more favorable to the
15 policyholder. Any of such provisions not applicable to
16 single-premium annuities or single-premium pure endowment
17 contracts shall not to that extent be incorporated therein.

18 Section 1130. Subsections (2) and (8), paragraphs (h)
19 and (k) of subsection (9), and subsections (10) and (14) of
20 section 627.476, Florida Statutes, are amended to read:

21 627.476 Standard Nonforfeiture Law for Life
22 Insurance.--

23 (2) NONFORFEITURE PROVISIONS.--In the case of policies
24 issued on or after the operative date of this section as
25 defined in subsection (14), no policy of life insurance,
26 except as set forth in subsection (13), shall be delivered or
27 issued for delivery in this state unless it contains in
28 substance the following provisions, or corresponding
29 provisions which in the opinion of the office ~~department~~ are
30 at least as favorable to the defaulting or surrendering
31 policyholder as are the minimum requirements hereinafter

1 specified and are essentially in compliance with subsection
2 (12):

3 (a) That in the event of default in any premium
4 payment, after premiums have been paid for at least 1 full
5 year in the case of ordinary insurance or 3 full years in the
6 case of industrial insurance, the insurer will grant, upon
7 proper request not later than 60 days after the due date of
8 the premium in default, a paid-up nonforfeiture benefit on a
9 plan stipulated in the policy, effective as of such due date,
10 of such amount as may be hereinafter specified. In lieu of
11 such stipulated paid-up nonforfeiture benefit, the company may
12 substitute, upon proper request not later than 60 days after
13 the due date of the premium in default, an actuarially
14 equivalent alternative paid-up nonforfeiture benefit which
15 provides a greater amount or longer period of death benefits
16 or, if applicable, a greater amount or earlier payment of
17 endowment benefits. With respect to all policy forms filed on
18 or after October 1, 1990, the policy forms shall include, but
19 not be limited to, a reduced paid-up nonforfeiture benefit.
20 For the purposes of this subsection, the term "reduced paid-up
21 nonforfeiture benefit" means a benefit whereby the policy may
22 be continued at the option of the insured as reduced paid-up
23 life insurance, the amount of which shall be as much as the
24 surrender value of the policy will provide on the date of
25 default, calculated using the surrender value of the policy as
26 a net single premium on the due date of the first unpaid
27 premium at the then-current age of the insured.

28 (b) That upon surrender of the policy within 60 days
29 after the due date of any premium payment in default after
30 premiums have been paid for at least 3 full years in the case
31 of ordinary insurance or 5 full years in the case of

1 industrial insurance, the insurer will pay, in lieu of any
2 paid-up nonforfeiture benefit, a cash surrender value of such
3 amount as may be hereinafter specified.

4 (c) That a specified paid-up nonforfeiture benefit
5 shall become effective as specified in the policy unless the
6 person entitled to make such election elects another available
7 option not later than 60 days after the due date of the
8 premium in default.

9 (d) That if the policy becomes paid up by completion
10 of all premium payments, or if it is continued under any
11 paid-up nonforfeiture benefit which became effective on or
12 after the third policy anniversary in the case of ordinary
13 insurance or the fifth policy anniversary in the case of
14 industrial insurance, the insurer will pay, upon surrender of
15 the policy within 30 days after any policy anniversary, a cash
16 surrender value of such amount as may be hereinafter
17 specified.

18 (e) In the case of a policy which causes on a basis
19 guaranteed in the policy unscheduled changes in benefits or
20 premiums, or which provides an option for changes in benefits
21 or premiums other than a change to a new policy, a statement
22 of the mortality table, interest rate, and method used in
23 calculating cash surrender values and the paid-up
24 nonforfeiture benefits available under the policy. In the
25 case of any other policy, a statement of the mortality table
26 and interest rate used in calculating the cash surrender
27 values and the paid-up nonforfeiture benefits available under
28 the policy, together with a table showing the cash surrender
29 value, if any, and paid-up nonforfeiture benefit, if any,
30 available under the policy on each policy anniversary, either
31 during the first 20 policy years or during the term of the

1 policy, whichever is shorter, such values and benefits to be
2 calculated upon the assumption that there are no dividends or
3 paid-up additions credited to the policy and that there is no
4 indebtedness to the insurer on the policy.

5 (f) A statement that the cash surrender values and the
6 paid-up nonforfeiture benefits available under the policy are
7 not less than the minimum values and benefits required by or
8 pursuant to the insurance law of this state; an explanation of
9 the manner in which the cash surrender values and the paid-up
10 nonforfeiture benefits are altered by the existence of any
11 paid-up additions credited to the policy or any indebtedness
12 to the insurer on the policy; if a detailed statement of the
13 method of computation of the values and benefits shown in the
14 policy is not stated therein, a statement that such method of
15 computation has been filed with the insurance supervisory
16 official of the state in which the policy is delivered; and a
17 statement of the method to be used in calculating the cash
18 surrender value and paid-up nonforfeiture benefit available
19 under the policy on any policy anniversary beyond the last
20 anniversary for which such values and benefits are
21 consecutively shown in the policy.

22 (8) MORTALITY TABLES; INTEREST.--This subsection shall
23 not apply to policies issued on or after the operative date of
24 subsection (9), as defined therein. All adjusted premiums and
25 present values referred to in this section shall for all
26 policies of ordinary insurance be calculated on the basis of
27 the Commissioners' 1958 Standard Ordinary Mortality Table,
28 except that, for any category of such policies issued on
29 female risks, adjusted premiums and present values may be
30 calculated according to an age not more than 6 years younger
31 than the actual age of the insured. Such calculations for all

1 policies of industrial insurance shall be made on the basis of
2 the following tables:

3 (a) For policies issued on and after the operative
4 date of this section but before January 1, 1968, the 1941
5 Standard Industrial Mortality Table, unless the Commissioners'
6 1961 Standard Industrial Mortality Table is applicable
7 according to subsection (14);

8 (b) For policies issued on and after January 1, 1968,
9 the Commissioners' 1961 Standard Industrial Mortality Table.

10

11 All calculations shall be made on the basis of the rate of
12 interest specified in the policy for calculating cash
13 surrender values and paid-up nonforfeiture benefits; however,
14 such rate of interest shall not exceed 3.5 percent per year,
15 except that a rate of interest not exceeding 4 percent per
16 year may be used for policies issued on or after July 1, 1973,
17 and prior to October 1, 1979, and a rate of interest not
18 exceeding 4.5 percent per year may be used for policies issued
19 on or after October 1, 1979, and a rate of interest not
20 exceeding 5.5 percent per year may be used for policies issued
21 on or after October 1, 1980. In calculating the present value
22 of any paid-up term insurance with accompanying pure
23 endowment, if any, offered as a nonforfeiture benefit, the
24 rates of mortality assumed may be not more than those shown in
25 the Commissioners' 1958 Extended Term Insurance Table, for
26 ordinary policies. In the case of industrial policies:

27 (c) For policies issued on and after the operative
28 date of this section but before January 1, 1968, not more than
29 130 percent of the rates of mortality according to the 1941
30 Standard Industrial Mortality Table, unless the Commissioners'
31 1961 Industrial Extended Term Insurance Table is applicable

1 according to subsection (14), in which case not more than
2 those of the latter table;

3 (d) For policies issued on and after January 1, 1968,
4 not more than those of the Commissioners' 1961 Industrial
5 Extended Term Insurance Table.

6
7 For insurance issued on a substandard basis, the calculation
8 of any such adjusted premiums and present values may be based
9 on such other table of mortality as may be specified by the
10 insurer and approved by the office ~~department~~.

11 (9) CALCULATION OF ADJUSTED PREMIUMS AND PRESENT
12 VALUES FOR POLICIES ISSUED AFTER OPERATIVE DATE OF THIS
13 SUBSECTION.--

14 (h) All adjusted premiums and present values referred
15 to in this section shall for all policies of ordinary
16 insurance be calculated on the basis of the Commissioners'
17 1980 Standard Ordinary Mortality Table or, at the election of
18 the insurer for any one or more specified plans of life
19 insurance, the Commissioners' 1980 Standard Ordinary Mortality
20 Table with Ten-Year Select Mortality Factors; shall for all
21 policies of industrial insurance be calculated on the basis of
22 the Commissioners' 1961 Standard Industrial Mortality Table;
23 and shall for all policies issued in a particular calendar
24 year be calculated on the basis of a rate of interest not
25 exceeding the nonforfeiture interest rate as defined in this
26 subsection for policies issued in that calendar year. However:

27 1. At the option of the insurer, calculations for all
28 policies issued in a particular calendar year may be made on
29 the basis of a rate of interest not exceeding the
30 nonforfeiture interest rate, as defined in this subsection,
31

1 for policies issued in the immediately preceding calendar
2 year.

3 2. Under any paid-up nonforfeiture benefit, including
4 any paid-up dividend additions, any cash surrender value
5 available, whether or not required by subsection (2), shall be
6 calculated on the basis of the mortality table and rate of
7 interest used in determining the amount of such paid-up
8 nonforfeiture benefit and paid-up dividend additions, if any.

9 3. An insurer may calculate the amount of any
10 guaranteed paid-up nonforfeiture benefit, including any
11 paid-up additions under the policy, on the basis of an
12 interest rate no lower than that specified in the policy for
13 calculating cash surrender values.

14 4. In calculating the present value of any paid-up
15 term insurance with accompanying pure endowment, if any,
16 offered as a nonforfeiture benefit, the rates of mortality
17 assumed may be not more than those shown in the Commissioners'
18 1980 Extended Term Insurance Table for policies of ordinary
19 insurance and not more than the Commissioners' 1961 Industrial
20 Extended Term Insurance Table for policies of industrial
21 insurance.

22 5. In lieu of the mortality tables specified in this
23 section, at the option of the insurance company and subject to
24 rules adopted by the commission ~~department~~, the insurance
25 company may substitute:

26 a. The 1958 CSO or CET Smoker and Nonsmoker Mortality
27 Tables, whichever is applicable, for policies issued on or
28 after the operative date of this subsection and before January
29 1, 1989;

30
31

1 b. The 1980 CSO or CET Smoker and Nonsmoker Mortality
2 Tables, whichever is applicable, for policies issued on or
3 after the operative date of this subsection;

4 c. A mortality table that is a blend of the
5 sex-distinct 1980 CSO or CET mortality table standard,
6 whichever is applicable, or a mortality table that is a blend
7 of the sex-distinct 1980 CSO or CET smoker and nonsmoker
8 mortality table standards, whichever is applicable, for
9 policies that are subject to the United States Supreme Court
10 decision in Arizona Governing Committee v. Norris to prevent
11 unfair discrimination in employment situations.

12 6. For insurance issued on a substandard basis, the
13 calculation of any such adjusted premiums and present values
14 may be based on appropriate modifications of the
15 aforementioned tables.

16 (k) After October 1, 1981, any insurer may file with
17 the office ~~department~~ a written notice of its election to
18 comply with the provisions of this subsection after a
19 specified date before January 1, 1989, which shall be the
20 operative date of this subsection for that insurer. If an
21 insurer makes no such election, the operative date of this
22 subsection for the insurer shall be January 1, 1989.

23 (10) INDETERMINATE PREMIUMS OR MINIMUM VALUES.--In the
24 case of any plan of life insurance which provides for future
25 premium determination, the amounts of which are to be
26 determined by the insurer based on then estimates of future
27 experience, or in the case of any plan of life insurance which
28 is of such a nature that minimum values cannot be determined
29 by the methods described in subsections (2)-(9):

30 (a) The office ~~department~~ must be satisfied that the
31 benefits provided under the plan are substantially as

1 favorable to policyholders and insureds as the minimum
2 benefits otherwise required by subsections (2)-(9);

3 (b) The office ~~department~~ must be satisfied that the
4 benefits and the pattern of premiums of that plan are not such
5 as to mislead prospective policyholders or insureds; and

6 (c) The cash surrender values and paid-up
7 nonforfeiture benefits provided by such plan must not be less
8 than the minimum values and benefits required for the plan
9 computed by a method consistent with the principles of this
10 Standard Nonforfeiture Law for Life Insurance, as determined
11 by rules promulgated by the commission ~~department~~.

12 (14) OPERATIVE DATE.--After the effective date of this
13 code, any insurer may file with the office ~~department~~ a
14 written notice or notices of its election to comply with the
15 provisions of this section on and after a specified date or
16 dates before January 1, 1966, as to either or both of its
17 policies of ordinary and industrial insurance, in which case
18 such specified date or dates shall be the operative date of
19 this section with respect to such policies. The operative
20 date of this section for policies of both ordinary and
21 industrial insurance shall be the earlier of January 1, 1966,
22 and any prior operative date or dates resulting from such
23 previously filed written notices. With respect to policies of
24 industrial insurance issued on and after the operative date of
25 this section for such policies but before January 1, 1968, any
26 insurer may file with the office ~~department~~ written notice of
27 its election to have the Commissioners' 1961 Standard
28 Industrial Mortality Table and the Commissioners' 1961
29 Industrial Extended Term Insurance Table applicable with
30 respect to subsection (8) for policies issued on and after the
31 date specified in such election.

2 627.479, Florida Statutes, are amended to read:

3 627.479 Prohibited policy plans.--

4 (2) No insurer shall issue policies containing annual
5 endowments or other specialty-type policies such as founder's
6 policies or coupon-bearing policies. The commission
7 ~~department~~ shall, by rule, define such prohibited policies.

8 (3) The office ~~department~~ shall revoke the certificate
9 of authority of any insurer which violates this section.

11 amended to read:

12 627.480 Cash payments of single-premium life
13 policies.--Premiums for single-premium life insurance policies
14 shall be paid in cash. This section is not applicable to the
15 use of dividends to purchase paid-up additional insurance or
16 to such other usual and customary methods of paying for life
17 insurance as may be permitted by rule of the commission
18 ~~department~~.

19 Section 1133. Paragraph (a) of subsection (2) and
20 subsections (4), (6), and (11) of section 627.481, Florida
21 Statutes, are amended to read:

22 627.481 Requirements for certain annuity agreements.--

23 (2)(a) Every such domestic corporation or such
24 domestic or foreign trust shall have and maintain admitted
25 assets at least equal to the sum of the reserves on its
26 outstanding annuity agreements, and a surplus of 10 percent of
27 such reserves, calculated using:

28 1.a. The present value of future guaranteed benefits
29 for individual annuities that have either commenced paying
30 benefits or have fixed a future date of the first benefit
31 payment.

1 b. The commissioner's annuity reserve method, as set
2 forth in s. 625.121(7)(c), for individual deferred annuities
3 that have not fixed a date for the first benefit payment.

12 its option, include in this provision a definition of "other
13 valid coverage," approved as to form by the office ~~department~~,
14 which definition shall be limited to coverage provided by
15 organizations subject to regulation by the insurance law of
16 any jurisdiction. In the absence of such definition, such
17 term does not include group insurance, or benefits provided by
18 union welfare plans or by employer or employee benefit
19 organizations. Any benefit provided for an insured pursuant

4 approved as to form by the office ~~department~~, which definition
5 shall be limited to coverage provided by governmental agencies
6 or by organizations subject to regulation by insurance law, or
7 any combination of such coverages. In the absence of such
8 definition, such term does not include any coverage provided
9 for such insured pursuant to any compulsory benefit statute or

20 enumerated in paragraphs (a)-(e). This subsection does not
21 preclude the issuance of a policy that does not meet the
22 prescribed minimum standards for categories of coverage in
23 paragraphs (a)-(g) if the office ~~department~~ determines that
24 the policy is either experimental in nature or is demonstrated
25 to be a type of coverage that fulfills a reasonable need of
26 the person or persons to be insured. Any policy not meeting
27 the minimum standards that is approved by the office
28 ~~department~~ must be identified as to category only as
29 prescribed by the office ~~department~~.

30 (3) The office ~~department~~ may, within the time
31 provided by law for the disapproval of an individual or family

1 form of accident or health insurance, disapprove any form if
2 it finds that the form does not comply with applicable law or
3 it finds that the form is unjust, unfair, or inequitable to
4 the policyholder, any insured, or any beneficiary. In acting
5 upon any submission, the office ~~department~~ shall consider
6 whether the benefits afforded under the submitted policy or
7 benefit form fulfill a reasonable need of a policyholder.

17 Such forms shall provide for the disclosure by the claimant of
18 the name, policy number, and address of every insurance policy
19 which may cover the claimant with respect to the submitted

23 also be met by an attachment to the appropriate physician
24 claim form. However, for the purpose of filing Medicaid
25 claims, such attachments shall be prohibited. Such standard
26 health claim forms shall be accepted by all insurers and all
27 agencies, departments, and divisions of the state.

15 this section. Each such issuer must make an initial election,
16 binding through December 31, 1999. The issuer's initial
17 election must be made no later than October 31, 1997. By
18 October 31, 1997, all issuers must file a final election,
19 which is binding for 2 years, from January 1, 1998, through
20 December 31, 1999, after which an election shall be binding
21 for a period of 5 years. The office ~~department~~ may permit an
22 issuer to modify its election at any time for good cause
23 shown, after a hearing.

24 (b) The office ~~department~~ shall establish an
25 application process for issuers seeking to change their status
26 under this subsection.

27 (6) ELECTION PROCESS TO BECOME A RISK-ASSUMING

7 2. The office ~~department~~ must approve or disapprove
8 any designation as a risk-assuming carrier within 60 days
9 after a filing.

10 (b) In determining whether to approve an application
11 by an issuer to become a risk-assuming carrier, the office
12 ~~department~~ shall consider:

13 1. The issuer's financial ability to support the
14 assumption of the risk of individuals.

15 2. The issuer's history of rating and underwriting
16 individuals.

17 3. The issuer's commitment to market fairly to all
18 individuals in the state or its service area, as applicable.

19 4. The issuer's ability to assume and manage the risk
20 of enrolling individuals without the protection of the
21 reinsurance program provided in subsection (7).

22 (c) The office ~~department~~ shall provide public notice
23 of an issuer's designation of election under this subsection
24 to become a risk-assuming carrier and shall provide at least a
25 21-day period for public comment prior to making a decision on
26 the election. The office ~~department~~ shall hold a hearing on
27 the election at the request of the issuer.

28 (d) The office ~~department~~ may rescind the approval
29 granted to a risk-assuming carrier under this subsection if

6 individual within 60 days after commencement of the coverage
7 of the eligible individual.

8 2. The program may not reimburse a participating

12 program. In addition, the reinsuring carrier is responsible
13 for 10 percent of the next \$50,000 and 5 percent of the next
14 \$100,000 of incurred claims during a calendar year, and the
15 program shall reinsure the remainder.

16 3. The board shall annually adjust the initial level
17 of claims and the maximum limit to be retained by the carrier
18 to reflect increases in costs and utilization within the
19 standard market for health benefit plans within the state. The
20 adjustment may not be less than the annual change in the
21 medical component of the "Commerce Price Index for All Urban
22 Consumers" of the Bureau of Labor Statistics of the United
23 States Department of Labor, unless the board proposes and the
24 office ~~department~~ approves a lower adjustment factor.

25 4. A reinsuring carrier may terminate reinsurance for
26 all reinsured eligible individuals on any plan anniversary.

29 by the Secretary of Health and Human Services as a federally
30 qualified health maintenance organization pursuant to 42
31 U.S.C. s. 300e(c)(2)(A) and that, as such, is subject to

1 requirements that limit the amount of risk that may be ceded
2 to the program, which requirements are more restrictive than
3 subparagraph 2., shall be reduced by an amount equal to that
4 portion of the risk, if any, which exceeds the amount set
5 forth in subparagraph 2., which may not be ceded to the
6 program.

7 6. The board may consider adjustments to the premium
8 rates charged for reinsurance by the program or carriers that
9 use effective cost-containment measures, including high-cost
10 case management, as defined by the board.

11 7. A reinsuring carrier shall apply its
12 case-management and claims-handling techniques, including, but
13 not limited to, utilization review, individual case
14 management, preferred provider provisions, other managed-care
15 provisions, or methods of operation consistently with both
16 reinsured business and nonreinsured business.

17 (c)1. The board, as part of the plan of operation,
18 shall establish a methodology for determining premium rates to
19 be charged by the program for reinsuring eligible individuals
20 pursuant to this section. The methodology must include a
21 system for classifying individuals which reflects the types of
22 case characteristics commonly used by carriers in this state.
23 The methodology must provide for the development of basic
24 reinsurance premium rates, which shall be multiplied by the
25 factors set for them in this paragraph to determine the
26 premium rates for the program. The basic reinsurance premium
27 rates shall be established by the board, subject to the
28 approval of the office ~~department~~, and shall be set at levels
29 that reasonably approximate gross premiums charged to eligible
30 individuals for individual health insurance by health
31 insurance issuers. The premium rates set by the board may vary

1 by geographical area, as determined under this section, to
2 reflect differences in cost. An eligible individual may be
3 reinsured for a rate that is five times the rate established
4 by the board.

5 2. The board shall periodically review the methodology
6 established, including the system of classification and any
7 rating factors, to ensure that it reasonably reflects the
8 claims experience of the program. The board may propose
9 changes to the rates that are subject to the approval of the
10 office ~~department~~.

11 (e)1. Before March 1 of each calendar year, the board
12 shall determine and report to the office ~~department~~ the
13 program net loss in the individual account for the previous
14 year, including administrative expenses for that year and the
15 incurred losses for that year, taking into account investment
16 income and other appropriate gains and losses.

17 2. Any net loss in the individual account for the year
18 shall be recouped by assessing the carriers as follows:

19 a. The operating losses of the program shall be
20 assessed in the following order subject to the specified
21 limitations. The first tier of assessments shall be made
22 against reinsuring carriers in an amount that may not exceed 5
23 percent of each reinsuring carrier's premiums for individual
24 health insurance. If such assessments have been collected and
25 additional moneys are needed, the board shall make a second
26 tier of assessments in an amount that may not exceed 0.5
27 percent of each carrier's health benefit plan premiums.

28 b. Except as provided in paragraph (f), risk-assuming
29 carriers are exempt from all assessments authorized pursuant
30 to this section. The amount paid by a reinsuring carrier for
31

1 the first tier of assessments shall be credited against any
2 additional assessments made.

3 c. The board shall equitably assess reinsuring
4 carriers for operating losses of the individual account based
5 on market share. The board shall annually assess each carrier
6 a portion of the operating losses of the individual account.
7 The first tier of assessments shall be determined by
8 multiplying the operating losses by a fraction, the numerator
9 of which equals the reinsuring carrier's earned premium
10 pertaining to direct writings of individual health insurance
11 in the state during the calendar year for which the assessment
12 is levied, and the denominator of which equals the total of
13 all such premiums earned by reinsuring carriers in the state
14 during that calendar year. The second tier of assessments
15 shall be based on the premiums that all carriers, except
16 risk-assuming carriers, earned on all health benefit plans
17 written in this state. The board may levy interim assessments
18 against reinsuring carriers to ensure the financial ability of
19 the plan to cover claims expenses and administrative expenses
20 paid or estimated to be paid in the operation of the plan for
21 the calendar year prior to the association's anticipated
22 receipt of annual assessments for that calendar year. Any
23 interim assessment is due and payable within 30 days after
24 receipt by a carrier of the interim assessment notice. Interim
25 assessment payments shall be credited against the carrier's
26 annual assessment. Health benefit plan premiums and benefits
27 paid by a carrier that are less than an amount determined by
28 the board to justify the cost of collection may not be
29 considered for purposes of determining assessments.

30 d. Subject to the approval of the office ~~department~~,
31 the board shall adjust the assessment formula for reinsuring

1 carriers that are approved as federally qualified health
2 maintenance organizations by the Secretary of Health and Human
3 Services pursuant to 42 U.S.C. s. 300e(c)(2)(A) to the extent,
4 if any, that restrictions are placed on them which are not
5 imposed on other carriers.

6 3. Before March 1 of each year, the board shall
7 determine and file with the office ~~department~~ an estimate of
8 the assessments needed to fund the losses incurred by the
9 program in the individual account for the previous calendar
10 year.

11 4. If the board determines that the assessments needed
12 to fund the losses incurred by the program in the individual
13 account for the previous calendar year will exceed the amount
14 specified in subparagraph 2., the board shall evaluate the
15 operation of the program and report its findings and
16 recommendations to the office ~~department~~ in the format
17 established in s. 627.6699(11) for the comparable report for
18 the small employer reinsurance program.

19 (g) Except as otherwise provided in this section, the
20 board and the office ~~department~~ shall have all powers, duties,
21 and responsibilities with respect to carriers that issue and
22 reinsure individual health insurance, as specified for the
23 board and the office ~~department~~ in s. 627.6699(11) with
24 respect to small employer carriers, including, but not limited
25 to, the provisions of s. 627.6699(11) relating to:

26 1. Use of assessments that exceed the amount of actual
27 losses and expenses.

28 2. The annual determination of each carrier's
29 proportion of the assessment.

30 3. Interest for late payment of assessments.

31

1 4. Authority for the office ~~department~~ to approve
2 deferment of an assessment against a carrier.

3 5. Limited immunity from legal actions or carriers.

4 6. Development of standards for compensation to be
5 paid to agents. Such standards shall be limited to those
6 specifically enumerated in s. 627.6699(13)(d).

7 7. Monitoring compliance by carriers with this
8 section.

9 (9) RULEMAKING AUTHORITY.--The commission ~~department~~
10 may adopt rules to administer this section, including rules
11 governing compliance by carriers.

12 Section 1156. Subsections (11) and (12) of section
13 627.6482, Florida Statutes, are amended to read:

14 627.6482 Definitions.--As used in ss.
15 627.648-627.6498, the term:

16 (11) "Plan" means the comprehensive health insurance
17 plan adopted by the association or by rule of the commission
18 ~~Department of Insurance~~.

19 (12) "Premium" means the entire cost of an insurance
20 plan, including the administrative fee, the risk assumption
21 charge, and, in the instance of a minimum premium plan or
22 stop-loss coverage, the incurred claims whether or not such
23 claims are paid directly by the insurer. "Premium" shall not
24 include a health maintenance organization's annual earned
25 premium revenue for Medicare and Medicaid contracts for any
26 assessment due for calendar years 1990 and 1991. For
27 assessments due for calendar year 1992 and subsequent years, a
28 health maintenance organization's annual earned premium
29 revenue for Medicare and Medicaid contracts is subject to
30 assessments unless the office ~~department~~ determines that the
31 health maintenance organization has made a reasonable effort

1 to amend its Medicare or Medicaid government contract for 1992
2 and subsequent years to provide reimbursement for any
3 assessment on Medicare or Medicaid premiums paid by the health
4 maintenance organization and the contract does not provide for
5 such reimbursement.

6 Section 1157. Subsections (1) and (2) of section
7 627.6484, Florida Statutes, are amended to read:

8 627.6484 Termination of enrollment; availability of
9 other coverage.--

10 (1) The association shall accept applications for
11 insurance only until June 30, 1991, after which date no
12 further applications may be accepted. Upon receipt of an
13 application for insurance, the association shall issue
14 coverage for an eligible applicant. When appropriate, the
15 administrator shall forward a copy of the application to a
16 market assistance plan created by the office ~~department~~, which
17 shall conduct a diligent search of the private marketplace for
18 a carrier willing to accept the application.

19 (2) The office ~~department~~ shall, after consultation
20 with the health insurers licensed in this state, adopt a
21 market assistance plan to assist in the placement of risks of
22 Florida Comprehensive Health Association applicants. All
23 health insurers and health maintenance organizations licensed
24 in this state shall participate in the plan.

25 Section 1158. Paragraph (b) of subsection (4),
26 paragraph (a) of subsection (5), and subsection (6) of section
27 627.6487, Florida Statutes, are amended to read:

28 627.6487 Guaranteed availability of individual health
29 insurance coverage to eligible individuals.--

30 (4)

31

1 (b) The requirement of this subsection is met for
2 health insurance coverage policy forms offered by an issuer in
3 the individual market if the issuer offers the policy forms
4 for individual health insurance coverage with the largest, and
5 next to largest, premium volume of all such policy forms
6 offered by the issuer in this state or applicable marketing or
7 service area, as prescribed in rules adopted by the commission
8 ~~department~~, in the individual market in the period involved.
9 To the greatest extent possible, such rules must be consistent
10 with regulations adopted by the United States Department of
11 Health and Human Services.

12 (5)(a) In the case of a health insurance issuer that
13 offers individual health insurance coverage through a network
14 plan, the issuer may:

15 1. Limit the individuals who may be enrolled under
16 such coverage to those who live, reside, or work within the
17 service area for such network plan; and

18 2. Within the service area of such plan, deny such
19 coverage to such individuals if the issuer has demonstrated to
20 the office ~~department~~ that:

21 a. It will not have the capacity to deliver services
22 adequately to additional individual enrollees because of its
23 obligations to existing group contract holders and enrollees
24 and individual enrollees; and

25 b. It is applying this paragraph uniformly to
26 individuals without regard to any health-status-related factor
27 of such individuals and without regard to whether the
28 individuals are eligible individuals.

29 (6)(a) A health insurance issuer may deny individual
30 health insurance coverage to an eligible individual if the
31 issuer has demonstrated to the office ~~department~~ that:

1 1. It does not have the financial reserves necessary
2 to underwrite additional coverage; and

3 2. It is applying this paragraph uniformly to all
4 individuals in the individual market in this state consistent
5 with the laws of this state and without regard to any
6 health-status-related factor of such individuals and without
7 regard to whether the individuals are eligible individuals.

8 (b) An issuer, upon denying individual health
9 insurance coverage in any service area in accordance with
10 paragraph (a), may not offer such coverage in the individual
11 market within such service area for a period of 180 days after
12 the date such coverage is denied or until the issuer has
13 demonstrated to the office ~~department~~ that the issuer has
14 sufficient financial reserves to underwrite additional
15 coverage, whichever occurs later.

16 Section 1159. Paragraphs (a) and (e) of subsection
17 (2), subsection (3), paragraphs (e), (j), and (k) of
18 subsection (4), and subsection (6) of section 627.6488,
19 Florida Statutes, are amended to read:

20 627.6488 Florida Comprehensive Health Association.--

21 (2)(a) The association shall operate subject to the
22 supervision and approval of a three-member board of directors.
23 The board of directors shall be appointed by the Chief
24 Financial Officer ~~Insurance Commissioner~~ as follows:

25 1. The chair of the board shall be the Chief Financial
26 Officer ~~Insurance Commissioner~~ or his or her designee.

27 2. One representative of policyholders who is not
28 associated with the medical profession, a hospital, or an
29 insurer.

30 3. One representative of insurers.

31

1 The administrator or his or her affiliate shall not be a
2 member of the board. Any board member appointed by the Chief
3 Financial Officer ~~commissioner~~ may be removed and replaced by
4 him or her at any time without cause.

5 (e) There shall be no liability on the part of, and no
6 cause of action of any nature shall arise against, any member
7 insurer, or its agents or employees, agents or employees of
8 the association, members of the board of directors of the
9 association, or the Chief Financial Officer's ~~departmental~~
10 representatives for any act or omission taken by them in the
11 performance of their powers and duties under this act, unless
12 such act or omission by such person is in intentional
13 disregard of the rights of the claimant.

14 (3) The association shall adopt a plan pursuant to
15 this act and submit its articles, bylaws, and operating rules
16 to the office ~~department~~ for approval. If the association
17 fails to adopt such plan and suitable articles, bylaws, and
18 operating rules within 180 days after the appointment of the
19 board, the commission ~~department~~ shall adopt rules to
20 effectuate the provisions of this act; and such rules shall
21 remain in effect until superseded by a plan and articles,
22 bylaws, and operating rules submitted by the association and
23 approved by the office ~~department~~.

24 (4) The association shall:

25 (e) Require that all policy forms issued by the
26 association conform to standard forms developed by the
27 association. The forms shall be approved by the office
28 ~~department~~.

29 (j) Make a report to the Governor, the office
30 ~~Insurance Commissioner~~, the President of the Senate, the
31 Speaker of the House of Representatives, and the Minority

1 Leaders of the Senate and House of Representatives, not later
2 than 45 days after the close of each calendar quarter, which
3 includes, for the prior quarter, current data and estimates of
4 net written and earned premiums, the expenses of
5 administration, and the paid and incurred losses. The report
6 shall identify any statutorily mandated program that has not
7 been fully implemented by the board.

8 (k) To facilitate preparation of assessments and for
9 other purposes, the board shall direct preparation of annual
10 audited financial statements for each calendar year as soon as
11 feasible following the conclusion of that calendar year, and
12 shall, within 30 days after rendition of such statements, file
13 with the office ~~department~~ the annual report containing such
14 information as required by the office ~~department~~ to be filed
15 on March 1 of each year.

16 (6) The office ~~department~~ shall examine and
17 investigate the association in the manner provided in part II
18 of chapter 624.

19 Section 1160. Paragraph (f) of subsection (3) of
20 section 627.649, Florida Statutes, is amended to read:

21 627.649 Administrator.--

22 (3) The administrator shall:

23 (f) Following the close of each calendar year,
24 determine net premiums, reinsurance premiums less
25 administrative expense allowance, the expense of
26 administration pertaining to the reinsurance operations of the
27 association, and the incurred losses of the year and report
28 this information to the association and the office ~~department~~.

29 Section 1161. Subsection (2) of section 627.6494,
30 Florida Statutes, is amended to read:

31 627.6494 Assessments; deferment, limitation.--

1 (2) The association, upon approval of the office
2 ~~department~~, may abate or defer, in whole or in part, the
3 assessment of a participating insurer if, in the opinion of
4 the board, payment of the assessment would endanger the
5 ability of the participating insurer to fulfill its
6 contractual obligations. In the event that an assessment
7 against a participating insurer is abated or deferred, in
8 whole or in part, the amount by which such assessment is
9 abated or deferred may be assessed against the other
10 participating insurers in a manner consistent with the basis
11 for assessments set forth in s. 627.6492; and the insurer
12 receiving such abatement or deferment shall remain liable to
13 the association for the deficiency for 4 years.

14 Section 1162. Paragraph (a) of subsection (4) of
15 section 627.6498, Florida Statutes, is amended to read:

16 627.6498 Minimum benefits coverage; exclusions;
17 premiums; deductibles.--

18 (4) PREMIUMS, DEDUCTIBLES, AND COINSURANCE.--

19 (a) The plan shall provide for annual deductibles for
20 major medical expense coverage in the amount of \$1,000 or any
21 higher amounts proposed by the board and approved by the
22 office ~~department~~, plus the benefits payable under any other
23 type of insurance coverage or workers' compensation. The
24 schedule of premiums and deductibles shall be established by
25 the association. With regard to any preferred provider
26 arrangement utilized by the association, the deductibles
27 provided in this paragraph shall be the minimum deductibles
28 applicable to the preferred providers and higher deductibles,
29 as approved by the office ~~department~~, may be applied to
30 providers who are not preferred providers.

31

1 1. Separate schedules of premium rates based on age
2 may apply for individual risks.

3 2. Rates are subject to approval by the office
4 ~~department~~.

5 3. Standard risk rates for coverages issued by the
6 association shall be established by the office ~~department~~,
7 pursuant to s. 627.6675(3).

8 4. The board shall establish separate premium
9 schedules for low-risk individuals, medium-risk individuals,
10 and high-risk individuals and shall revise premium schedules
11 annually beginning January 1999. No rate shall exceed 200
12 percent of the standard risk rate for low-risk individuals,
13 225 percent of the standard risk rate for medium-risk
14 individuals, or 250 percent of the standard risk rate for
15 high-risk individuals. For the purpose of determining what
16 constitutes a low-risk individual, medium-risk individual, or
17 high-risk individual, the board shall consider the anticipated
18 claims payment for individuals based upon an individual's
19 health condition.

20 Section 1163. Section 627.6499, Florida Statutes, is
21 amended to read:

22 627.6499 Reporting by insurers and third-party
23 administrators.--The office ~~department~~ may require any
24 insurer, third-party administrator, or service company to
25 report any information reasonably required to assist the board
26 in assessing insurers as required by this act.

27 Section 1164. Subsections (4) and (5) of section
28 627.6515, Florida Statutes, are amended to read:

29 627.6515 Out-of-state groups.--

30 (4) Prior to solicitation in this state, a copy of the
31 master policy and a copy of the form of the certificate

1 evidencing coverage that will be issued to residents of this
2 state shall be filed with the office ~~department~~ for
3 informational purposes.

4 (5) Prior to solicitation in this state, an officer of
5 the insurer shall truthfully certify to the office ~~department~~
6 that the policy and certificates evidencing coverage have been
7 reviewed and approved by the state in which the group policy
8 is issued.

9 Section 1165. Paragraphs (a), (b), and (c) of
10 subsection (5), paragraph (b) of subsection (7), paragraphs
11 (a) and (e) of subsection (8), and paragraph (b) of subsection
12 (9) of section 627.6561, Florida Statutes, are amended to
13 read:

14 627.6561 Preexisting conditions.--

15 (5)(a) The term, "creditable coverage," means, with
16 respect to an individual, coverage of the individual under any
17 of the following:

18 1. A group health plan, as defined in s. 2791 of the
19 Public Health Service Act.

20 2. Health insurance coverage consisting of medical
21 care, provided directly, through insurance or reimbursement,
22 or otherwise and including terms and services paid for as
23 medical care, under any hospital or medical service policy or
24 certificate, hospital or medical service plan contract, or
25 health maintenance contract offered by a health insurance
26 issuer.

27 3. Part A or part B of Title XVIII of the Social
28 Security Act.

29 4. Title XIX of the Social Security Act, other than
30 coverage consisting solely of benefits under s. 1928.

1 6. A medical care program of the Indian Health Service
2 or of a tribal organization.

3 7. The Florida Comprehensive Health Association or
4 another state health benefit risk pool.

5 8. A health plan offered under chapter 89 of Title 5,
6 United States Code.

7 9. A public health plan as defined by rules adopted by
8 the commission ~~department~~. To the greatest extent possible,
9 such rules must be consistent with regulations adopted by the
10 United States Department of Health and Human Services.

11 10. A health benefit plan under s. 5(e) of the Peace
12 Corps Act (22 U.S.C. s. 2504(e)).

13 (b) Creditable coverage does not include coverage that

15 the following excepted benefits:

16 1. Coverage only for accident, or disability income
17 insurance, or any combination thereof.

18 2. Coverage issued as a supplement to liability
19 insurance.

20 3. Liability insurance, including general liability

26 prepaid health clinics under part II of chapter 641.

27 8. Other similar insurance coverage, specified in
28 rules adopted by the commission ~~department~~, under which
29 benefits for medical care are secondary or incidental to other
30 insurance benefits. To the extent possible, such rules must be
31

1 consistent with regulations adopted by the United States
2 Department of Health and Human Services.

3 (c) The following benefits are not subject to the
4 creditable coverage requirements, if offered separately:

5 1. Limited scope dental or vision benefits.

6 2. Benefits for long-term care, nursing home care,
7 home health care, community-based care, or any combination
8 thereof.

9 3. Such other similar, limited benefits as are
10 specified in rules adopted by the commission ~~department~~.

11 (7)

12 (b) An insurer may elect to count, as creditable
13 coverage, coverage of benefits within each of several classes
14 or categories of benefits specified in rules adopted by the
15 commission ~~department~~ rather than as provided under paragraph
16 (a). To the extent possible, such rules must be consistent
17 with regulations adopted by the United States Department of
18 Health and Human Services. Such election shall be made on a
19 uniform basis for all participants and beneficiaries. Under
20 such election, an insurer shall count a period of creditable
21 coverage with respect to any class or category of benefits if
22 any level of benefits is covered within such class or
23 category.

24 (8)(a) Periods of creditable coverage with respect to
25 an individual shall be established through presentation of
26 certifications described in this subsection or in such other
27 manner as is specified in rules adopted by the commission
28 ~~department~~. To the extent possible, such rules must be
29 consistent with regulations adopted by the United States
30 Department of Health and Human Services.

31

1 (e) The commission ~~department~~ shall adopt rules to
2 prevent an insurer's failure to provide information under this
3 subsection with respect to previous coverage of an individual
4 from adversely affecting any subsequent coverage of the
5 individual under another group health plan or health insurance
6 coverage. To the greatest extent possible, such rules must be
7 consistent with regulations adopted by the United States
8 Department of Health and Human Services.

9 (9)

10 (b) The commission ~~department~~ shall adopt rules that
11 provide a process whereby individuals who need to establish
12 creditable coverage for periods before July 1, 1996, and who
13 would have such coverage credited but for paragraph (a), may
14 be given credit for creditable coverage for such periods
15 through the presentation of documents or other means. To the
16 greatest extent possible, such rules must be consistent with
17 regulations adopted by the United States Department of Health
18 and Human Services.

19 Section 1166. Paragraph (b) of subsection (3) of
20 section 627.6571, Florida Statutes, is amended to read:

21 627.6571 Guaranteed renewability of coverage.--

22 (3)

23 (b)1. In any case in which an insurer elects to
24 discontinue offering all health insurance coverage in the
25 small-group market or the large-group market, or both, in this
26 state, health insurance coverage may be discontinued by the
27 insurer only if:

28 a. The insurer provides notice to the office
29 ~~department~~ and to each policyholder, and participants and
30 beneficiaries covered under such coverage, of such

31

1 discontinuation at least 180 days prior to the date of the
2 nonrenewal of such coverage; and

3 b. All health insurance issued or delivered for
4 issuance in this state in such market is discontinued and
5 coverage under such health insurance coverage in such market
6 is not renewed.

7 2. In the case of a discontinuation under subparagraph
8 1. in a market, the insurer may not provide for the issuance
9 of any health insurance coverage in the market in this state
10 during the 5-year period beginning on the date of the
11 discontinuation of the last insurance coverage not renewed.

12 Section 1167. Section 627.6675, Florida Statutes, is
13 amended to read:

14 627.6675 Conversion on termination of
15 eligibility.--Subject to all of the provisions of this
16 section, a group policy delivered or issued for delivery in
17 this state by an insurer or nonprofit health care services
18 plan that provides, on an expense-incurred basis, hospital,
19 surgical, or major medical expense insurance, or any
20 combination of these coverages, shall provide that an employee
21 or member whose insurance under the group policy has been
22 terminated for any reason, including discontinuance of the
23 group policy in its entirety or with respect to an insured
24 class, and who has been continuously insured under the group
25 policy, and under any group policy providing similar benefits
26 that the terminated group policy replaced, for at least 3
27 months immediately prior to termination, shall be entitled to
28 have issued to him or her by the insurer a policy or
29 certificate of health insurance, referred to in this section
30 as a "converted policy." A group insurer may meet the
31 requirements of this section by contracting with another

1 insurer, authorized in this state, to issue an individual
2 converted policy, which policy has been approved by the office
3 ~~department~~ under s. 627.410. An employee or member shall not
4 be entitled to a converted policy if termination of his or her
5 insurance under the group policy occurred because he or she
6 failed to pay any required contribution, or because any
7 discontinued group coverage was replaced by similar group
8 coverage within 31 days after discontinuance.

9 (1) TIME LIMIT.--Written application for the converted
10 policy shall be made and the first premium must be paid to the
11 insurer, not later than 63 days after termination of the group
12 policy. However, if termination was the result of failure to
13 pay any required premium or contribution and such nonpayment
14 of premium was due to acts of an employer or policyholder
15 other than the employee or certificateholder, written
16 application for the converted policy must be made and the
17 first premium must be paid to the insurer not later than 63
18 days after notice of termination is mailed by the insurer or
19 the employer, whichever is earlier, to the employee's or
20 certificateholder's last address as shown by the record of the
21 insurer or the employer, whichever is applicable. In such case
22 of termination due to nonpayment of premium by the employer or
23 policyholder, the premium for the converted policy may not
24 exceed the rate for the prior group coverage for the period of
25 coverage under the converted policy prior to the date notice
26 of termination is mailed to the employee or certificateholder.
27 For the period of coverage after such date, the premium for
28 the converted policy is subject to the requirements of
29 subsection (3).

30 (2) EVIDENCE OF INSURABILITY.--The converted policy
31 shall be issued without evidence of insurability.

1 (3) CONVERSION PREMIUM; EFFECT ON PREMIUM RATES FOR
2 GROUP COVERAGE.--

3 (a) The premium for the converted policy shall be
4 determined in accordance with premium rates applicable to the
5 age and class of risk of each person to be covered under the
6 converted policy and to the type and amount of insurance
7 provided. However, the premium for the converted policy may
8 not exceed 200 percent of the standard risk rate as
9 established by the office ~~department~~, pursuant to this
10 subsection.

11 (b) Actual or expected experience under converted
12 policies may be combined with such experience under group
13 policies for the purposes of determining premium and loss
14 experience and establishing premium rate levels for group
15 coverage.

16 (c) The office ~~department~~ shall annually determine
17 standard risk rates, using reasonable actuarial techniques and
18 standards adopted by the commission ~~department~~ by rule. The
19 standard risk rates must be determined as follows:

20 1. Standard risk rates for individual coverage must be
21 determined separately for indemnity policies, preferred
22 provider/exclusive provider policies, and health maintenance
23 organization contracts.

24 2. The office ~~department~~ shall survey insurers and
25 health maintenance organizations representing at least an 80
26 percent market share, based on premiums earned in the state
27 for the most recent calendar year, for each of the categories
28 specified in subparagraph 1.

29 3. Standard risk rate schedules must be determined,
30 computed as the average rates charged by the carriers

31

1 surveyed, giving appropriate weight to each carrier's
2 statewide market share of earned premiums.

3 4. The rate schedule shall be determined from analysis
4 of the one county with the largest market share in the state
5 of all such carriers.

6 5. The rate for other counties must be determined by
7 using the weighted average of each carrier's county factor
8 relationship to the county determined in subparagraph 4.

9 6. The rate schedule must be determined for different
10 age brackets and family size brackets.

11 (4) EFFECTIVE DATE OF COVERAGE.--The effective date of
12 the converted policy shall be the day following the
13 termination of insurance under the group policy.

14 (5) SCOPE OF COVERAGE.--The converted policy shall
15 cover the employee or member and his or her dependents who
16 were covered by the group policy on the date of termination of
17 insurance. At the option of the insurer, a separate converted
18 policy may be issued to cover any dependent.

19 (6) OPTIONAL COVERAGE.--The insurer shall not be
20 required to issue a converted policy covering any person who
21 is or could be covered by Medicare. The insurer shall not be
22 required to issue a converted policy covering a person if
23 paragraphs (a) and (b) apply to the person:

24 (a) If any of the following apply to the person:

25 1. The person is covered for similar benefits by
26 another hospital, surgical, medical, or major medical expense
27 insurance policy or hospital or medical service subscriber
28 contract or medical practice or other prepayment plan, or by
29 any other plan or program.

30 2. The person is eligible for similar benefits,
31 whether or not actually provided coverage, under any

1 arrangement of coverage for individuals in a group, whether on
2 an insured or uninsured basis.

3 3. Similar benefits are provided for or are available
4 to the person under any state or federal law.

5 (b) If the benefits provided under the sources
6 referred to in subparagraph (a)1. or the benefits provided or
7 available under the sources referred to in subparagraphs (a)2.
8 and 3., together with the benefits provided by the converted
9 policy, would result in overinsurance according to the
10 insurer's standards. The insurer's standards must bear some
11 reasonable relationship to actual health care costs in the
12 area in which the insured lives at the time of conversion and
13 must be filed with the office ~~department~~ prior to their use in
14 denying coverage.

15 (7) INFORMATION REQUESTED BY INSURER.--

16 (a) A converted policy may include a provision under
17 which the insurer may request information, in advance of any
18 premium due date, of any person covered thereunder as to
19 whether:

20 1. The person is covered for similar benefits by
21 another hospital, surgical, medical, or major medical expense
22 insurance policy or hospital or medical service subscriber
23 contract or medical practice or other prepayment plan or by
24 any other plan or program.

25 2. The person is covered for similar benefits under
26 any arrangement of coverage for individuals in a group,
27 whether on an insured or uninsured basis.

28 3. Similar benefits are provided for or are available
29 to the person under any state or federal law.

30
31

1 (b) The converted policy may provide that the insurer
2 may refuse to renew the policy or the coverage of any person
3 only for one or more of the following reasons:

4 1. Either the benefits provided under the sources
5 referred to in subparagraphs (a)1. and 2. for the person or
6 the benefits provided or available under the sources referred
7 to in subparagraph (a)3. for the person, together with the
8 benefits provided by the converted policy, would result in
9 overinsurance according to the insurer's standards on file
10 with the office department.

11 2. The converted policyholder fails to provide the
12 information requested pursuant to paragraph (a).

13 3. Fraud or intentional misrepresentation in applying
14 for any benefits under the converted policy.

15 4. Other reasons approved by the office department.

16 (8) BENEFITS OFFERED.--

17 (a) An insurer shall not be required to issue a
18 converted policy that provides benefits in excess of those
19 provided under the group policy from which conversion is made.

20 (b) An insurer shall offer the benefits specified in
21 s. 627.668 and the benefits specified in s. 627.669 if those
22 benefits were provided in the group plan.

23 (c) An insurer shall offer maternity benefits and
24 dental benefits if those benefits were provided in the group
25 plan.

26 (9) PREEXISTING CONDITION PROVISION.--The converted
27 policy shall not exclude a preexisting condition not excluded
28 by the group policy. However, the converted policy may provide
29 that any hospital, surgical, or medical benefits payable under
30 the converted policy may be reduced by the amount of any such
31 benefits payable under the group policy after the termination

1 of coverage ~~covered~~ under the group policy. The converted
2 policy may also provide that during the first policy year the
3 benefits payable under the converted policy, together with the
4 benefits payable under the group policy, shall not exceed
5 those that would have been payable had the individual's
6 insurance under the group policy remained in force.

7 (10) REQUIRED OPTION FOR MAJOR MEDICAL
8 COVERAGE.--Subject to the provisions and conditions of this
9 part, the employee or member shall be entitled to obtain a
10 converted policy providing major medical coverage under a plan
11 meeting the following requirements:

12 (a) A maximum benefit equal to the lesser of the
13 policy limit of the group policy from which the individual
14 converted or \$500,000 per covered person for all covered
15 medical expenses incurred during the covered person's
16 lifetime.

17 (b) Payment of benefits at the rate of 80 percent of
18 covered medical expenses which are in excess of the
19 deductible, until 20 percent of such expenses in a benefit
20 period reaches \$2,000, after which benefits will be paid at
21 the rate of 90 percent during the remainder of the contract
22 year unless the insured is in the insurer's case management
23 program, in which case benefits shall be paid at the rate of
24 100 percent during the remainder of the contract year. For
25 the purposes of this paragraph, "case management program"
26 means the specific supervision and management of the medical
27 care provided or prescribed for a specific individual, which
28 may include the use of health care providers designated by the
29 insurer. Payment of benefits for outpatient treatment of
30 mental illness, if provided in the converted policy, may be at
31 a lesser rate but not less than 50 percent.

1 (c) A deductible for each calendar year that must be
2 \$500, \$1,000, or \$2,000, at the option of the policyholder.

3 (d) The term "covered medical expenses," as used in
4 this subsection, shall be consistent with those customarily
5 offered by the insurer under group or individual health
6 insurance policies but is not required to be identical to the
7 covered medical expenses provided in the group policy from
8 which the individual converted.

9 (11) ALTERNATIVE PLANS.--The insurer shall, in
10 addition to the option required by subsection (10), offer the
11 standard health benefit plan, as established pursuant to s.
12 627.6699(12). The insurer may, at its option, also offer
13 alternative plans for group health conversion in addition to
14 the plans required by this section.

15 (12) RETIREMENT COVERAGE.--If coverage would be
16 continued under the group policy on an employee following the
17 employee's retirement prior to the time he or she is or could
18 be covered by Medicare, the employee may elect, instead of
19 such continuation of group insurance, to have the same
20 conversion rights as would apply had his or her insurance
21 terminated at retirement by reason or termination of
22 employment or membership.

23 (13) REDUCTION OF COVERAGE DUE TO MEDICARE.--The
24 converted policy may provide for reduction of coverage on any
25 person upon his or her eligibility for coverage under Medicare
26 or under any other state or federal law providing for benefits
27 similar to those provided by the converted policy.

28 (14) CONVERSION PRIVILEGE ALLOWED.--The conversion
29 privilege shall also be available to any of the following:

30 (a) The surviving spouse, if any, at the death of the
31 employee or member, with respect to the spouse and the

1 children whose coverages under the group policy terminate by
2 reason of the death, otherwise to each surviving child whose
3 coverage under the group policy terminates by reason of such
4 death, or, if the group policy provides for continuation of
5 dependents' coverages following the employee's or member's
6 death, at the end of such continuation.

7 (b) The former spouse whose coverage would otherwise
8 terminate because of annulment or dissolution of marriage, if
9 the former spouse is dependent for financial support.

10 (c) The spouse of the employee or member upon
11 termination of coverage of the spouse, while the employee or
12 member remains insured under the group policy, by reason of
13 ceasing to be a qualified family member under the group
14 policy, with respect to the spouse and the children whose
15 coverages under the group policy terminate at the same time.

16 (d) A child solely with respect to himself or herself
17 upon termination of his or her coverage by reason of ceasing
18 to be a qualified family member under the group policy, if a
19 conversion privilege is not otherwise provided in this
20 subsection with respect to such termination.

21 (15) BENEFIT LEVELS.--If the benefit levels required
22 in subsection (10) exceed the benefit levels provided under
23 the group policy, the conversion policy may offer benefits
24 which are substantially similar to those provided under the
25 group policy in lieu of those required in subsection (10).

26 (16) GROUP COVERAGE INSTEAD OF INDIVIDUAL
27 COVERAGE.--The insurer may elect to provide group insurance
28 coverage instead of issuing a converted individual policy.

29 (17) NOTIFICATION.--A notification of the conversion
30 privilege shall be included in each certificate of coverage.
31 The insurer shall mail an election and premium notice form,

1 including an outline of coverage, on a form approved by the
2 office ~~department~~, within 14 days after an individual who is
3 eligible for a converted policy gives notice to the insurer
4 that the individual is considering applying for the converted
5 policy or otherwise requests such information. The outline of
6 coverage must contain a description of the principal benefits
7 and coverage provided by the policy and its principal
8 exclusions and limitations, including, but not limited to,
9 deductibles and coinsurance.

10 (18) OUTSIDE CONVERSIONS.--A converted policy that is
11 delivered outside of this state must be on a form that could
12 be delivered in the other jurisdiction as a converted policy
13 had the group policy been issued in that jurisdiction.

14 (19) APPLICABILITY.--This section does not require
15 conversion on termination of eligibility for a policy or
16 contract that provides benefits for specified diseases, or for
17 accidental injuries only, disability income, Medicare
18 supplement, hospital indemnity, limited benefit,
19 nonconventional, or excess policies.

20 (20) Nothing in this section or in the incorporation
21 of it into insurance policies shall be construed to require
22 insurers to provide benefits equal to those provided in the
23 group policy from which the individual converted; provided,
24 however, that comprehensive benefits are offered which shall
25 be subject to approval by the office ~~Insurance Commissioner~~.

26 Section 1168. Paragraph (a) of subsection (2) of
27 section 627.6685, Florida Statutes, is amended to read:

28 627.6685 Mental health coverage.--

29 (2) BENEFITS.--

30 (a)1. In the case of a group health plan, or health
31 insurance coverage offered in connection with such a plan,

1 which provides both medical and surgical benefits and mental
2 health benefits:

3 a. If the plan or coverage does not include an
4 aggregate lifetime limit on substantially all medical and
5 surgical benefits, the plan or coverage may not impose any
6 aggregate lifetime limit on mental health benefits.

7 b. If the plan or coverage includes an aggregate
8 lifetime limit on substantially all medical and surgical
9 benefits, the plan or coverage must:

10 (I) Apply that applicable lifetime limit both to the
11 medical and surgical benefits to which it otherwise would
12 apply and to mental health benefits and not distinguish in the
13 application of such limit between such medical and surgical
14 benefits and mental health benefits; or

15 (II) Not include any aggregate lifetime limit on
16 mental health benefits which is less than that applicable
17 lifetime limit.

18 c. For any plan or coverage that is not described in
19 sub-subparagraph a. or sub-subparagraph b. and that includes
20 no or different aggregate lifetime limits on different
21 categories of medical and surgical benefits, the commission
22 ~~department~~ shall establish rules under which sub-subparagraph
23 b. is applied to such plan or coverage with respect to mental
24 health benefits by substituting for the applicable lifetime
25 limit an average aggregate lifetime limit that is computed
26 taking into account the weighted average of the aggregate
27 lifetime limits applicable to such categories.

28 2. In the case of a group health plan, or health
29 insurance coverage offered in connection with such a plan,
30 which provides both medical and surgical benefits and mental
31 health benefits:

1 a. If the plan or coverage does not include an annual
2 limit on substantially all medical and surgical benefits, the
3 plan or coverage may not impose any annual limit on mental
4 health benefits.

5 b. If the plan or coverage includes an annual limit on
6 substantially all medical and surgical benefits, the plan or
7 coverage must:

8 (I) Apply that applicable annual limit both to medical
9 and surgical benefits to which it otherwise would apply and to
10 mental health benefits and not distinguish in the application
11 of such limit between such medical and surgical benefits and
12 mental health benefits; or

13 (II) Not include any annual limit on mental health
14 benefits which is less than the applicable annual limit.

15 c. For any plan or coverage that is not described in
16 sub-subparagraph a. or sub-subparagraph b. and that includes
17 no or different annual limits on different categories of
18 medical and surgical benefits, the commission ~~department~~ shall
19 establish rules under which sub-subparagraph b. is applied to
20 such plan or coverage with respect to mental health benefits
21 by substituting for the applicable annual limit an average
22 annual limit that is computed taking into account the weighted
23 average of the annual limits applicable to such categories.

24 Section 1169. Paragraph (d) of subsection (5) and
25 subsection (9) of section 627.6692, Florida Statutes, are
26 amended to read:

27 627.6692 Florida Health Insurance Coverage
28 Continuation Act.--

29 (5) CONTINUATION OF COVERAGE UNDER GROUP HEALTH
30 PLANS.--

31

1 (d)1. A qualified beneficiary must give written notice
2 to the insurance carrier within 30 days after the occurrence
3 of a qualifying event. Unless otherwise specified in the
4 notice, a notice by any qualified beneficiary constitutes
5 notice on behalf of all qualified beneficiaries. The written
6 notice must inform the insurance carrier of the occurrence and
7 type of the qualifying event giving rise to the potential
8 election by a qualified beneficiary of continuation of
9 coverage under the group health plan issued by that insurance
10 carrier, except that in cases where the covered employee has
11 been involuntarily discharged, the nature of such discharge
12 need not be disclosed. The written notice must, at a minimum,
13 identify the employer, the group health plan number, the name
14 and address of all qualified beneficiaries, and such other
15 information required by the insurance carrier under the terms
16 of the group health plan or the commission ~~department~~ by rule,
17 to the extent that such information is known by the qualified
18 beneficiary.

19 2. Within 14 days after the receipt of written notice
20 under subparagraph 1., the insurance carrier shall send each
21 qualified beneficiary by certified mail an election and
22 premium notice form, approved by the office ~~department~~, which
23 form must provide for the qualified beneficiary's election or
24 nonelection of continuation of coverage under the group health
25 plan and the applicable premium amount due after the election
26 to continue coverage. This subparagraph does not require
27 separate mailing of notices to qualified beneficiaries
28 residing in the same household, but requires a separate
29 mailing for each separate household.

30
31

1 (9) RULES.--The commission ~~department~~ shall adopt
2 rules establishing standards for the initial notice of rights
3 and as otherwise necessary to administer this section.

4 Section 1170. Paragraph (a) of subsection (3),
5 paragraphs (c), (d), (e), and (i) of subsection (5),
6 paragraphs (a) and (b) of subsection (6), paragraphs (b), (c),
7 and (d) of subsection (8), paragraphs (a) and (b) of
8 subsection (9), subsection (10), paragraphs (b), (c), (d),
9 (e), (g), (h), (j), and (m) of subsection (11), subsection
10 (12), paragraph (i) of subsection (13), paragraph (a) of
11 subsection (15), and subsection (16) of section 627.6699,
12 Florida Statutes, are amended to read:

13 627.6699 Employee Health Care Access Act.--

14 (3) DEFINITIONS.--As used in this section, the term:

15 (a) "Actuarial certification" means a written
16 statement, by a member of the American Academy of Actuaries or
17 another person acceptable to the office ~~department~~, that a
18 small employer carrier is in compliance with subsection (6),
19 based upon the person's examination, including a review of the
20 appropriate records and of the actuarial assumptions and
21 methods used by the carrier in establishing premium rates for
22 applicable health benefit plans.

23 (5) AVAILABILITY OF COVERAGE.--

24 (c) Every small employer carrier must, as a condition
25 of transacting business in this state:

26 1. ~~Beginning July 1, 2000,~~ Offer and issue all small
27 employer health benefit plans on a guaranteed-issue basis to
28 every eligible small employer, with 2 to 50 eligible
29 employees, that elects to be covered under such plan, agrees
30 to make the required premium payments, and satisfies the other
31 provisions of the plan. A rider for additional or increased

1 benefits may be medically underwritten and may only be added
2 to the standard health benefit plan. The increased rate
3 charged for the additional or increased benefit must be rated
4 in accordance with this section.

5 ~~2. Beginning July 1, 2000, and until July 31, 2001,~~
6 ~~offer and issue basic and standard small employer health~~
7 ~~benefit plans on a guaranteed-issue basis to every eligible~~
8 ~~small employer which is eligible for guaranteed renewal, has~~
9 ~~less than two eligible employees, is not formed primarily for~~
10 ~~the purpose of buying health insurance, elects to be covered~~
11 ~~under such plan, agrees to make the required premium payments,~~
12 ~~and satisfies the other provisions of the plan. A rider for~~
13 ~~additional or increased benefits may be medically underwritten~~
14 ~~and may be added only to the standard benefit plan. The~~
15 ~~increased rate charged for the additional or increased benefit~~
16 ~~must be rated in accordance with this section. For purposes of~~
17 ~~this subparagraph, a person, his or her spouse, and his or her~~
18 ~~dependent children shall constitute a single eligible employee~~
19 ~~if that person and spouse are employed by the same small~~
20 ~~employer and either one has a normal work week of less than 25~~
21 ~~hours.~~

22 2.3. ~~Beginning August 1, 2001,~~ Offer and issue basic
23 and standard small employer health benefit plans on a
24 guaranteed-issue basis, during a 31-day open enrollment period
25 of August 1 through August 31 of each year, to every eligible
26 small employer, with fewer than two eligible employees, which
27 small employer is not formed primarily for the purpose of
28 buying health insurance and which elects to be covered under
29 such plan, agrees to make the required premium payments, and
30 satisfies the other provisions of the plan. Coverage provided
31 under this subparagraph shall begin on October 1 of the same

1 year as the date of enrollment, unless the small employer
2 carrier and the small employer agree to a different date. A
3 rider for additional or increased benefits may be medically
4 underwritten and may only be added to the standard health
5 benefit plan. The increased rate charged for the additional
6 or increased benefit must be rated in accordance with this
7 section. For purposes of this subparagraph, a person, his or
8 her spouse, and his or her dependent children constitute a
9 single eligible employee if that person and spouse are
10 employed by the same small employer and either that person or
11 his or her spouse has a normal work week of less than 25
12 hours.

13 ~~3.4.~~ This paragraph does not limit a carrier's ability
14 to offer other health benefit plans to small employers if the
15 standard and basic health benefit plans are offered and
16 rejected.

17 (d) A small employer carrier must file with the office
18 ~~department~~, in a format and manner prescribed by the
19 committee, a standard health care plan and a basic health care
20 plan to be used by the carrier.

21 (e) The office ~~department~~ at any time may, after
22 providing notice and an opportunity for a hearing, disapprove
23 the continued use by the small employer carrier of the
24 standard or basic health benefit plan on the grounds that such
25 plan does not meet the requirements of this section.

26 (i)1. A small employer carrier need not offer coverage
27 or accept applications pursuant to paragraph (a):

28 a. To a small employer if the small employer is not
29 physically located in an established geographic service area
30 of the small employer carrier, provided such geographic
31 service area shall not be less than a county;

1 b. To an employee if the employee does not work or
2 reside within an established geographic service area of the
3 small employer carrier; or

4 c. To a small employer group within an area in which
5 the small employer carrier reasonably anticipates, and
6 demonstrates to the satisfaction of the office ~~department~~,
7 that it cannot, within its network of providers, deliver
8 service adequately to the members of such groups because of
9 obligations to existing group contract holders and enrollees.

10 2. A small employer carrier that cannot offer coverage
11 pursuant to sub-subparagraph 1.c. may not offer coverage in
12 the applicable area to new cases of employer groups having
13 more than 50 eligible employees or small employer groups until
14 the later of 180 days following each such refusal or the date
15 on which the carrier notifies the office ~~department~~ that it
16 has regained its ability to deliver services to small employer
17 groups.

18 3.a. A small employer carrier may deny health
19 insurance coverage in the small-group market if the carrier
20 has demonstrated to the office ~~department~~ that:

21 (I) It does not have the financial reserves necessary
22 to underwrite additional coverage; and

23 (II) It is applying this sub-subparagraph uniformly to
24 all employers in the small-group market in this state
25 consistent with this section and without regard to the claims
26 experience of those employers and their employees and their
27 dependents or any health-status-related factor that relates to
28 such employees and dependents.

29 b. A small employer carrier, upon denying health
30 insurance coverage in connection with health benefit plans in
31 accordance with sub-subparagraph a., may not offer coverage in

1 connection with group health benefit plans in the small-group
2 market in this state for a period of 180 days after the date
3 such coverage is denied or until the insurer has demonstrated
4 to the office ~~department~~ that the insurer has sufficient
5 financial reserves to underwrite additional coverage,
6 whichever is later. The office ~~department~~ may provide for the
7 application of this sub-subparagraph on a
8 service-area-specific basis.

9 4. ~~Beginning in 1994,~~The commission ~~department~~ shall,
10 by rule, require each small employer carrier to report, on or
11 before March 1 of each year, its gross annual premiums for all
12 health benefit plans issued to small employers during the
13 previous calendar year, and also to report its gross annual
14 premiums for new, but not renewal, standard and basic health
15 benefit plans subject to this section issued during the
16 previous calendar year. No later than May 1 of each year, the
17 office ~~department~~ shall calculate each carrier's percentage of
18 all small employer group health premiums for the previous
19 calendar year and shall calculate the aggregate gross annual
20 premiums for new, but not renewal, standard and basic health
21 benefit plans for the previous calendar year.

22 (6) RESTRICTIONS RELATING TO PREMIUM RATES.--

23 (a) The commission ~~department~~ may, by rule, establish
24 regulations to administer this section and to assure that
25 rating practices used by small employer carriers are
26 consistent with the purpose of this section, including
27 assuring that differences in rates charged for health benefit
28 plans by small employer carriers are reasonable and reflect
29 objective differences in plan design, not including
30 differences due to the nature of the groups assumed to select
31 particular health benefit plans.

1 (b) For all small employer health benefit plans that
2 are subject to this section and are issued by small employer
3 carriers on or after January 1, 1994, premium rates for health
4 benefit plans subject to this section are subject to the
5 following:

6 1. Small employer carriers must use a modified
7 community rating methodology in which the premium for each
8 small employer must be determined solely on the basis of the
9 eligible employee's and eligible dependent's gender, age,
10 family composition, tobacco use, or geographic area as
11 determined under paragraph (5)(j) and in which the premium may
12 be adjusted as permitted by this paragraph.

13 2. Rating factors related to age, gender, family
14 composition, tobacco use, or geographic location may be
15 developed by each carrier to reflect the carrier's experience.
16 The factors used by carriers are subject to office ~~department~~
17 review and approval.

18 3. Small employer carriers may not modify the rate for
19 a small employer for 12 months from the initial issue date or
20 renewal date, unless the composition of the group changes or
21 benefits are changed. However, a small employer carrier may
22 modify the rate one time prior to 12 months after the initial
23 issue date for a small employer who enrolls under a previously
24 issued group policy that has a common anniversary date for all
25 employers covered under the policy if:

26 a. The carrier discloses to the employer in a clear
27 and conspicuous manner the date of the first renewal and the
28 fact that the premium may increase on or after that date.

29 b. The insurer demonstrates to the office ~~department~~
30 that efficiencies in administration are achieved and reflected
31

1 in the rates charged to small employers covered under the
2 policy.

3 4. A carrier may issue a group health insurance policy
4 to a small employer health alliance or other group association
5 with rates that reflect a premium credit for expense savings
6 attributable to administrative activities being performed by
7 the alliance or group association if such expense savings are
8 specifically documented in the insurer's rate filing and are
9 approved by the office ~~department~~. Any such credit may not be
10 based on different morbidity assumptions or on any other
11 factor related to the health status or claims experience of
12 any person covered under the policy. Nothing in this
13 subparagraph exempts an alliance or group association from
14 licensure for any activities that require licensure under the
15 insurance code. A carrier issuing a group health insurance
16 policy to a small employer health alliance or other group
17 association shall allow any properly licensed and appointed
18 agent of that carrier to market and sell the small employer
19 health alliance or other group association policy. Such agent
20 shall be paid the usual and customary commission paid to any
21 agent selling the policy.

22 5. Any adjustments in rates for claims experience,
23 health status, or duration of coverage may not be charged to
24 individual employees or dependents. For a small employer's
25 policy, such adjustments may not result in a rate for the
26 small employer which deviates more than 15 percent from the
27 carrier's approved rate. Any such adjustment must be applied
28 uniformly to the rates charged for all employees and
29 dependents of the small employer. A small employer carrier may
30 make an adjustment to a small employer's renewal premium, not
31 to exceed 10 percent annually, due to the claims experience,

1 health status, or duration of coverage of the employees or
2 dependents of the small employer. Semiannually, small group
3 carriers shall report information on forms adopted by rule by
4 the commission ~~department~~, to enable the office ~~department~~ to
5 monitor the relationship of aggregate adjusted premiums
6 actually charged policyholders by each carrier to the premiums
7 that would have been charged by application of the carrier's
8 approved modified community rates. If the aggregate resulting
9 from the application of such adjustment exceeds the premium
10 that would have been charged by application of the approved
11 modified community rate by 5 percent for the current reporting
12 period, the carrier shall limit the application of such
13 adjustments only to minus adjustments beginning not more than
14 60 days after the report is sent to the office ~~department~~. For
15 any subsequent reporting period, if the total aggregate
16 adjusted premium actually charged does not exceed the premium
17 that would have been charged by application of the approved
18 modified community rate by 5 percent, the carrier may apply
19 both plus and minus adjustments. A small employer carrier may
20 provide a credit to a small employer's premium based on
21 administrative and acquisition expense differences resulting
22 from the size of the group. Group size administrative and
23 acquisition expense factors may be developed by each carrier
24 to reflect the carrier's experience and are subject to office
25 ~~department~~ review and approval.

26 6. A small employer carrier rating methodology may
27 include separate rating categories for one dependent child,
28 for two dependent children, and for three or more dependent
29 children for family coverage of employees having a spouse and
30 dependent children or employees having dependent children
31 only. A small employer carrier may have fewer, but not

1 greater, numbers of categories for dependent children than
2 those specified in this subparagraph.

3 7. Small employer carriers may not use a composite
4 rating methodology to rate a small employer with fewer than 10
5 employees. For the purposes of this subparagraph, a "composite
6 rating methodology" means a rating methodology that averages
7 the impact of the rating factors for age and gender in the
8 premiums charged to all of the employees of a small employer.

9 8.a. A carrier may separate the experience of small
10 employer groups with less than 2 eligible employees from the
11 experience of small employer groups with 2-50 eligible
12 employees for purposes of determining an alternative modified
13 community rating.

14 b. If a carrier separates the experience of small
15 employer groups as provided in sub-subparagraph a., the rate
16 to be charged to small employer groups of less than 2 eligible
17 employees may not exceed 150 percent of the rate determined
18 for small employer groups of 2-50 eligible employees. However,
19 the carrier may charge excess losses of the experience pool
20 consisting of small employer groups with less than 2 eligible
21 employees to the experience pool consisting of small employer
22 groups with 2-50 eligible employees so that all losses are
23 allocated and the 150-percent rate limit on the experience
24 pool consisting of small employer groups with less than 2
25 eligible employees is maintained. Notwithstanding s.

26 627.411(1), the rate to be charged to a small employer group
27 of fewer than 2 eligible employees, insured as of July 1,
28 2002, may be up to 125 percent of the rate determined for
29 small employer groups of 2-50 eligible employees for the first
30 annual renewal and 150 percent for subsequent annual renewals.

31 (8) MAINTENANCE OF RECORDS.--

1 (b) Each small employer carrier must file with the
2 office department on or before March 15 of each year an
3 actuarial certification that the carrier is in compliance with
4 this section and that the rating methods of the carrier are
5 actuarially sound. The certification must be in a form and
6 manner and contain the information prescribed by the
7 commission department. The carrier must retain a copy of the
8 certification at its principal place of business.

9 (c) A small employer carrier must make the information
10 and documentation described in paragraph (a) available to the
11 office department upon request. The information constitutes
12 proprietary and trade secret information and may not be
13 disclosed by the office department to persons outside the
14 office department, except as agreed to by the carrier or as
15 ordered by a court of competent jurisdiction.

16 (d) Each small employer carrier must file with the
17 office department quarterly an enrollment report as directed
18 by the office department. Such report shall not constitute
19 proprietary or trade secret information.

20 (9) SMALL EMPLOYER CARRIER'S ELECTION TO BECOME A
21 RISK-ASSUMING CARRIER OR A REINSURING CARRIER.--

22 (a) A small employer carrier must elect to become
23 either a risk-assuming carrier or a reinsuring carrier. Each
24 small employer carrier must make an initial election, binding
25 through January 1, 1994. The carrier's initial election must
26 be made no later than October 31, 1992. By October 31, 1993,
27 all small employer carriers must file a final election, which
28 is binding for 2 years, from January 1, 1994, through December
29 31, 1995, after which an election shall be binding for a
30 period of 5 years. Any carrier that is not a small employer
31 carrier on October 31, 1992, and intends to become a small

1 employer carrier after October 31, 1992, must file its
2 designation when it files the forms and rates it intends to
3 use for small employer group health insurance; such
4 designation shall be binding for 2 years after the date of
5 approval of the forms and rates, and any subsequent
6 designation is binding for 5 years. The office ~~department~~ may
7 permit a carrier to modify its election at any time for good
8 cause shown, after a hearing.

9 (b) The commission ~~department~~ shall establish an
10 application process for small employer carriers seeking to
11 change their status under this subsection.

12 (10) ELECTION PROCESS TO BECOME A RISK-ASSUMING
13 CARRIER.--

14 (a)1. A small employer carrier may become a
15 risk-assuming carrier by filing with the office ~~department~~ a
16 designation of election under subsection (9) in a format and
17 manner prescribed by the commission ~~department~~. The office
18 ~~department~~ shall approve the election of a small employer
19 carrier to become a risk-assuming carrier if the office
20 ~~department~~ finds that the carrier is capable of assuming that
21 status pursuant to the criteria set forth in paragraph (b).

22 2. The office ~~department~~ must approve or disapprove
23 any designation as a risk-assuming carrier within 60 days
24 after filing.

25 (b) In determining whether to approve an application
26 by a small employer carrier to become a risk-assuming carrier,
27 the office ~~department~~ shall consider:

28 1. The carrier's financial ability to support the
29 assumption of the risk of small employer groups.

30 2. The carrier's history of rating and underwriting
31 small employer groups.

1 3. The carrier's commitment to market fairly to all
2 small employers in the state or its service area, as
3 applicable.

4 4. The carrier's ability to assume and manage the risk
5 of enrolling small employer groups without the protection of
6 the reinsurance program provided in subsection (11).

7 (c) A small employer carrier that becomes a
8 risk-assuming carrier pursuant to this subsection is not
9 subject to the assessment provisions of subsection (11).

10 (d) The office department shall provide public notice
11 of a small employer carrier's designation of election under
12 subsection (9) to become a risk-assuming carrier and shall
13 provide at least a 21-day period for public comment prior to
14 making a decision on the election. The office department
15 shall hold a hearing on the election at the request of the
16 carrier.

17 (e) The office department may rescind the approval
18 granted to a risk-assuming carrier under this subsection if
19 the office department finds that the carrier no longer meets
20 the criteria of paragraph (b).

21 (11) SMALL EMPLOYER HEALTH REINSURANCE PROGRAM.--

22 (b)1. The program shall operate subject to the
23 supervision and control of the board.

24 2. Effective upon this act becoming a law, the board
25 shall consist of the Chief Financial Officer ~~commissioner~~ or
26 his or her designee, who shall serve as the chairperson, and
27 13 additional members who are representatives of carriers and
28 insurance agents and are appointed by the Chief Financial
29 Officer ~~commissioner~~ and serve as follows:

30 a. The Chief Financial Officer ~~commissioner~~ shall
31 include representatives of small employer carriers subject to

1 assessment under this subsection. If two or more carriers
2 elect to be risk-assuming carriers, the membership must
3 include at least two representatives of risk-assuming
4 carriers; if one carrier is risk-assuming, one member must be
5 a representative of such carrier. At least one member must be
6 a carrier who is subject to the assessments, but is not a
7 small employer carrier. Subject to such restrictions, at
8 least five members shall be selected from individuals
9 recommended by small employer carriers pursuant to procedures
10 provided by rule of the commission ~~department~~. Three members
11 shall be selected from a list of health insurance carriers
12 that issue individual health insurance policies. At least two
13 of the three members selected must be reinsuring carriers. Two
14 members shall be selected from a list of insurance agents who
15 are actively engaged in the sale of health insurance.

16 b. A member appointed under this subparagraph shall
17 serve a term of 4 years and shall continue in office until the
18 member's successor takes office, except that, in order to
19 provide for staggered terms, the Chief Financial Officer
20 ~~commissioner~~ shall designate two of the initial appointees
21 under this subparagraph to serve terms of 2 years and shall
22 designate three of the initial appointees under this
23 subparagraph to serve terms of 3 years.

24 3. The Chief Financial Officer ~~commissioner~~ may remove
25 a member for cause.

26 4. Vacancies on the board shall be filled in the same
27 manner as the original appointment for the unexpired portion
28 of the term.

29 5. The Chief Financial Officer ~~commissioner~~ may
30 require an entity that recommends persons for appointment to
31 submit additional lists of recommended appointees.

1 (c)1. ~~No later than August 15, 1992,~~The board shall
2 submit to the office ~~department~~ a plan of operation to assure
3 the fair, reasonable, and equitable administration of the
4 program. The board may at any time submit to the office
5 ~~department~~ any amendments to the plan that the board finds to
6 be necessary or suitable.

7 2. ~~No later than September 15, 1992,~~The office
8 ~~department~~ shall, after notice and hearing, approve the plan
9 of operation if it determines that the plan submitted by the
10 board is suitable to assure the fair, reasonable, and
11 equitable administration of the program and provides for the
12 sharing of program gains and losses equitably and
13 proportionately in accordance with paragraph (j).

14 3. The plan of operation, or any amendment thereto,
15 becomes effective upon written approval of the office
16 ~~department~~.

17 (d) The plan of operation must, among other things:

18 1. Establish procedures for handling and accounting
19 for program assets and moneys and for an annual fiscal
20 reporting to the office ~~department~~.

21 2. Establish procedures for selecting an administering
22 carrier and set forth the powers and duties of the
23 administering carrier.

24 3. Establish procedures for reinsuring risks.

25 4. Establish procedures for collecting assessments
26 from participating carriers to provide for claims reinsured by
27 the program and for administrative expenses, other than
28 amounts payable to the administrative carrier, incurred or
29 estimated to be incurred during the period for which the
30 assessment is made.

31

1 5. Provide for any additional matters at the
2 discretion of the board.

3 (e) The board shall recommend to the office ~~department~~
4 market conduct requirements and other requirements for
5 carriers and agents, including requirements relating to:

6 1. Registration by each carrier with the office
7 ~~department~~ of its intention to be a small employer carrier
8 under this section;

9 2. Publication by the office ~~department~~ of a list of
10 all small employer carriers, including a requirement
11 applicable to agents and carriers that a health benefit plan
12 may not be sold by a carrier that is not identified as a small
13 employer carrier;

14 3. The availability of a broadly publicized, toll-free
15 telephone number for access by small employers to information
16 concerning this section;

17 4. Periodic reports by carriers and agents concerning
18 health benefit plans issued; and

19 5. Methods concerning periodic demonstration by small
20 employer carriers and agents that they are marketing or
21 issuing health benefit plans to small employers.

22 (g) A reinsuring carrier may reinsure with the program
23 coverage of an eligible employee of a small employer, or any
24 dependent of such an employee, subject to each of the
25 following provisions:

26 1. With respect to a standard and basic health care
27 plan, the program must reinsure the level of coverage
28 provided; and, with respect to any other plan, the program
29 must reinsure the coverage up to, but not exceeding, the level
30 of coverage provided under the standard and basic health care
31 plan.

1 2. Except in the case of a late enrollee, a reinsuring
2 carrier may reinsure an eligible employee or dependent within
3 60 days after the commencement of the coverage of the small
4 employer. A newly employed eligible employee or dependent of a
5 small employer may be reinsured within 60 days after the
6 commencement of his or her coverage.

7 3. A small employer carrier may reinsure an entire
8 employer group within 60 days after the commencement of the
9 group's coverage under the plan. The carrier may choose to
10 reinsure newly eligible employees and dependents of the
11 reinsured group pursuant to subparagraph 1.

12 4. The program may not reimburse a participating
13 carrier with respect to the claims of a reinsured employee or
14 dependent until the carrier has paid incurred claims of at
15 least \$5,000 in a calendar year for benefits covered by the
16 program. In addition, the reinsuring carrier shall be
17 responsible for 10 percent of the next \$50,000 and 5 percent
18 of the next \$100,000 of incurred claims during a calendar year
19 and the program shall reinsure the remainder.

20 5. The board annually shall adjust the initial level
21 of claims and the maximum limit to be retained by the carrier
22 to reflect increases in costs and utilization within the
23 standard market for health benefit plans within the state. The
24 adjustment shall not be less than the annual change in the
25 medical component of the "Consumer Price Index for All Urban
26 Consumers" of the Bureau of Labor Statistics of the Department
27 of Labor, unless the board proposes and the office ~~department~~
28 approves a lower adjustment factor.

29 6. A small employer carrier may terminate reinsurance
30 for all reinsured employees or dependents on any plan
31 anniversary.

1 7. The premium rate charged for reinsurance by the
2 program to a health maintenance organization that is approved
3 by the Secretary of Health and Human Services as a federally
4 qualified health maintenance organization pursuant to 42
5 U.S.C. s. 300e(c)(2)(A) and that, as such, is subject to
6 requirements that limit the amount of risk that may be ceded
7 to the program, which requirements are more restrictive than
8 subparagraph 4., shall be reduced by an amount equal to that
9 portion of the risk, if any, which exceeds the amount set
10 forth in subparagraph 4. which may not be ceded to the
11 program.

12 8. The board may consider adjustments to the premium
13 rates charged for reinsurance by the program for carriers that
14 use effective cost containment measures, including high-cost
15 case management, as defined by the board.

16 9. A reinsuring carrier shall apply its
17 case-management and claims-handling techniques, including, but
18 not limited to, utilization review, individual case
19 management, preferred provider provisions, other managed care
20 provisions or methods of operation, consistently with both
21 reinsured business and nonreinsured business.

22 (h)1. The board, as part of the plan of operation,
23 shall establish a methodology for determining premium rates to
24 be charged by the program for reinsuring small employers and
25 individuals pursuant to this section. The methodology shall
26 include a system for classification of small employers that
27 reflects the types of case characteristics commonly used by
28 small employer carriers in the state. The methodology shall
29 provide for the development of basic reinsurance premium
30 rates, which shall be multiplied by the factors set for them
31 in this paragraph to determine the premium rates for the

1 program. The basic reinsurance premium rates shall be
2 established by the board, subject to the approval of the
3 office ~~department~~, and shall be set at levels which reasonably
4 approximate gross premiums charged to small employers by small
5 employer carriers for health benefit plans with benefits
6 similar to the standard and basic health benefit plan. The
7 premium rates set by the board may vary by geographical area,
8 as determined under this section, to reflect differences in
9 cost. The multiplying factors must be established as follows:

10 a. The entire group may be reinsured for a rate that
11 is 1.5 times the rate established by the board.

12 b. An eligible employee or dependent may be reinsured
13 for a rate that is 5 times the rate established by the board.

14 2. The board periodically shall review the methodology
15 established, including the system of classification and any
16 rating factors, to assure that it reasonably reflects the
17 claims experience of the program. The board may propose
18 changes to the rates which shall be subject to the approval of
19 the office ~~department~~.

20 (j)1. Before March 1 of each calendar year, the board
21 shall determine and report to the office ~~department~~ the
22 program net loss for the previous year, including
23 administrative expenses for that year, and the incurred losses
24 for the year, taking into account investment income and other
25 appropriate gains and losses.

26 2. Any net loss for the year shall be recouped by
27 assessment of the carriers, as follows:

28 a. The operating losses of the program shall be
29 assessed in the following order subject to the specified
30 limitations. The first tier of assessments shall be made
31 against reinsuring carriers in an amount which shall not

1 exceed 5 percent of each reinsuring carrier's premiums from
2 health benefit plans covering small employers. If such
3 assessments have been collected and additional moneys are
4 needed, the board shall make a second tier of assessments in
5 an amount which shall not exceed 0.5 percent of each carrier's
6 health benefit plan premiums. Except as provided in paragraph
7 (n), risk-assuming carriers are exempt from all assessments
8 authorized pursuant to this section. The amount paid by a
9 reinsuring carrier for the first tier of assessments shall be
10 credited against any additional assessments made.

11 b. The board shall equitably assess carriers for
12 operating losses of the plan based on market share. The board
13 shall annually assess each carrier a portion of the operating
14 losses of the plan. The first tier of assessments shall be
15 determined by multiplying the operating losses by a fraction,
16 the numerator of which equals the reinsuring carrier's earned
17 premium pertaining to direct writings of small employer health
18 benefit plans in the state during the calendar year for which
19 the assessment is levied, and the denominator of which equals
20 the total of all such premiums earned by reinsuring carriers
21 in the state during that calendar year. The second tier of
22 assessments shall be based on the premiums that all carriers,
23 except risk-assuming carriers, earned on all health benefit
24 plans written in this state. The board may levy interim
25 assessments against carriers to ensure the financial ability
26 of the plan to cover claims expenses and administrative
27 expenses paid or estimated to be paid in the operation of the
28 plan for the calendar year prior to the association's
29 anticipated receipt of annual assessments for that calendar
30 year. Any interim assessment is due and payable within 30
31 days after receipt by a carrier of the interim assessment

1 notice. Interim assessment payments shall be credited against
2 the carrier's annual assessment. Health benefit plan premiums
3 and benefits paid by a carrier that are less than an amount
4 determined by the board to justify the cost of collection may
5 not be considered for purposes of determining assessments.

6 c. Subject to the approval of the office ~~department~~,
7 the board shall make an adjustment to the assessment formula
8 for reinsuring carriers that are approved as federally
9 qualified health maintenance organizations by the Secretary of
10 Health and Human Services pursuant to 42 U.S.C. s.
11 300e(c)(2)(A) to the extent, if any, that restrictions are
12 placed on them that are not imposed on other small employer
13 carriers.

14 3. Before March 1 of each year, the board shall
15 determine and file with the office ~~department~~ an estimate of
16 the assessments needed to fund the losses incurred by the
17 program in the previous calendar year.

18 4. If the board determines that the assessments needed
19 to fund the losses incurred by the program in the previous
20 calendar year will exceed the amount specified in subparagraph
21 2., the board shall evaluate the operation of the program and
22 report its findings, including any recommendations for changes
23 to the plan of operation, to the office ~~department~~ within 90
24 days following the end of the calendar year in which the
25 losses were incurred. The evaluation shall include an
26 estimate of future assessments, the administrative costs of
27 the program, the appropriateness of the premiums charged and
28 the level of carrier retention under the program, and the
29 costs of coverage for small employers. If the board fails to
30 file a report with the office ~~department~~ within 90 days
31 following the end of the applicable calendar year, the office

1 ~~department~~ may evaluate the operations of the program and
2 implement such amendments to the plan of operation the office
3 ~~department~~ deems necessary to reduce future losses and
4 assessments.

5 5. If assessments exceed the amount of the actual
6 losses and administrative expenses of the program, the excess
7 shall be held as interest and used by the board to offset
8 future losses or to reduce program premiums. As used in this
9 paragraph, the term "future losses" includes reserves for
10 incurred but not reported claims.

11 6. Each carrier's proportion of the assessment shall
12 be determined annually by the board, based on annual
13 statements and other reports considered necessary by the board
14 and filed by the carriers with the board.

15 7. Provision shall be made in the plan of operation
16 for the imposition of an interest penalty for late payment of
17 an assessment.

18 8. A carrier may seek, from the office ~~commissioner~~, a
19 deferment, in whole or in part, from any assessment made by
20 the board. The office ~~department~~ may defer, in whole or in
21 part, the assessment of a carrier if, in the opinion of the
22 office ~~department~~, the payment of the assessment would place
23 the carrier in a financially impaired condition. If an
24 assessment against a carrier is deferred, in whole or in part,
25 the amount by which the assessment is deferred may be assessed
26 against the other carriers in a manner consistent with the
27 basis for assessment set forth in this section. The carrier
28 receiving such deferment remains liable to the program for the
29 amount deferred and is prohibited from reinsuring any
30 individuals or groups in the program if it fails to pay
31 assessments.

1 (m) The board shall monitor compliance with this
2 section, including the market conduct of small employer
3 carriers, and shall report to the office ~~department~~ any unfair
4 trade practices and misleading or unfair conduct by a small
5 employer carrier that has been reported to the board by
6 agents, consumers, or any other person. The office ~~department~~
7 shall investigate all reports and, upon a finding of
8 noncompliance with this section or of unfair or misleading
9 practices, shall take action against the small employer
10 carrier as permitted under the insurance code or chapter 641.
11 The board is not given investigatory or regulatory powers, but
12 must forward all reports of cases or abuse or
13 misrepresentation to the office ~~department~~.

14 (12) STANDARD, BASIC, AND LIMITED HEALTH BENEFIT
15 PLANS.--

16 (a)1. ~~By May 15, 1993,~~The Chief Financial Officer
17 ~~commissioner~~ shall appoint a health benefit plan committee
18 composed of four representatives of carriers which shall
19 include at least two representatives of HMOs, at least one of
20 which is a staff model HMO, two representatives of agents,
21 four representatives of small employers, and one employee of a
22 small employer. The carrier members shall be selected from a
23 list of individuals recommended by the board. The Chief
24 Financial Officer ~~commissioner~~ may require the board to submit
25 additional recommendations of individuals for appointment.

26 2. The plans shall comply with all of the requirements
27 of this subsection.

28 3. The plans must be filed with and approved by the
29 office ~~department~~ prior to issuance or delivery by any small
30 employer carrier.

31

1 4. After approval of the revised health benefit plans,
2 if the office ~~department~~ determines that modifications to a
3 plan might be appropriate, the Chief Financial Officer
4 ~~commissioner~~ shall appoint a new health benefit plan committee
5 in the manner provided in subparagraph 1. to submit
6 recommended modifications to the office ~~department~~ for
7 approval.

8 (b)1. Each small employer carrier issuing new health
9 benefit plans shall offer to any small employer, upon request,
10 a standard health benefit plan and a basic health benefit plan
11 that meets the criteria set forth in this section.

12 2. For purposes of this subsection, the terms
13 "standard health benefit plan" and "basic health benefit plan"
14 mean policies or contracts that a small employer carrier
15 offers to eligible small employers that contain:

16 a. An exclusion for services that are not medically
17 necessary or that are not covered preventive health services;
18 and

19 b. A procedure for preauthorization by the small
20 employer carrier, or its designees.

21 3. A small employer carrier may include the following
22 managed care provisions in the policy or contract to control
23 costs:

24 a. A preferred provider arrangement or exclusive
25 provider organization or any combination thereof, in which a
26 small employer carrier enters into a written agreement with
27 the provider to provide services at specified levels of
28 reimbursement or to provide reimbursement to specified
29 providers. Any such written agreement between a provider and a
30 small employer carrier must contain a provision under which
31 the parties agree that the insured individual or covered

1 member has no obligation to make payment for any medical
2 service rendered by the provider which is determined not to be
3 medically necessary. A carrier may use preferred provider
4 arrangements or exclusive provider arrangements to the same
5 extent as allowed in group products that are not issued to
6 small employers.

7 b. A procedure for utilization review by the small
8 employer carrier or its designees.

9
10 This subparagraph does not prohibit a small employer carrier
11 from including in its policy or contract additional managed
12 care and cost containment provisions, subject to the approval
13 of the office ~~department~~, which have potential for controlling
14 costs in a manner that does not result in inequitable
15 treatment of insureds or subscribers. The carrier may use
16 such provisions to the same extent as authorized for group
17 products that are not issued to small employers.

18 4. The standard health benefit plan shall include:

19 a. Coverage for inpatient hospitalization;

20 b. Coverage for outpatient services;

21 c. Coverage for newborn children pursuant to s.

22 627.6575;

23 d. Coverage for child care supervision services

24 pursuant to s. 627.6579;

25 e. Coverage for adopted children upon placement in the
26 residence pursuant to s. 627.6578;

27 f. Coverage for mammograms pursuant to s. 627.6613;

28 g. Coverage for handicapped children pursuant to s.

29 627.6615;

30 h. Emergency or urgent care out of the geographic
31 service area; and

1 i. Coverage for services provided by a hospice
2 licensed under s. 400.602 in cases where such coverage would
3 be the most appropriate and the most cost-effective method for
4 treating a covered illness.

5 5. The standard health benefit plan and the basic
6 health benefit plan may include a schedule of benefit
7 limitations for specified services and procedures. If the
8 committee develops such a schedule of benefits limitation for
9 the standard health benefit plan or the basic health benefit
10 plan, a small employer carrier offering the plan must offer
11 the employer an option for increasing the benefit schedule
12 amounts by 4 percent annually.

13 6. The basic health benefit plan shall include all of
14 the benefits specified in subparagraph 4.; however, the basic
15 health benefit plan shall place additional restrictions on the
16 benefits and utilization and may also impose additional cost
17 containment measures.

18 7. Sections 627.419(2), (3), and (4), 627.6574,
19 627.6612, 627.66121, 627.66122, 627.6616, 627.6618, 627.668,
20 and 627.66911 apply to the standard health benefit plan and to
21 the basic health benefit plan. However, notwithstanding said
22 provisions, the plans may specify limits on the number of
23 authorized treatments, if such limits are reasonable and do
24 not discriminate against any type of provider.

25 8. Each small employer carrier that provides for
26 inpatient and outpatient services by allopathic hospitals may
27 provide as an option of the insured similar inpatient and
28 outpatient services by hospitals accredited by the American
29 Osteopathic Association when such services are available and
30 the osteopathic hospital agrees to provide the service.

31

1 (c) If a small employer rejects, in writing, the
2 standard health benefit plan and the basic health benefit
3 plan, the small employer carrier may offer the small employer
4 a limited benefit policy or contract.

5 (d)1. Upon offering coverage under a standard health
6 benefit plan, a basic health benefit plan, or a limited
7 benefit policy or contract for any small employer, the small
8 employer carrier shall provide such employer group with a
9 written statement that contains, at a minimum:

10 a. An explanation of those mandated benefits and
11 providers that are not covered by the policy or contract;

12 b. An explanation of the managed care and cost control
13 features of the policy or contract, along with all appropriate
14 mailing addresses and telephone numbers to be used by insureds
15 in seeking information or authorization; and

16 c. An explanation of the primary and preventive care
17 features of the policy or contract.

18
19 Such disclosure statement must be presented in a clear and
20 understandable form and format and must be separate from the
21 policy or certificate or evidence of coverage provided to the
22 employer group.

23 2. Before a small employer carrier issues a standard
24 health benefit plan, a basic health benefit plan, or a limited
25 benefit policy or contract, it must obtain from the
26 prospective policyholder a signed written statement in which
27 the prospective policyholder:

28 a. Certifies as to eligibility for coverage under the
29 standard health benefit plan, basic health benefit plan, or
30 limited benefit policy or contract;

31

1 b. Acknowledges the limited nature of the coverage and
2 an understanding of the managed care and cost control features
3 of the policy or contract;

4 c. Acknowledges that if misrepresentations are made
5 regarding eligibility for coverage under a standard health
6 benefit plan, a basic health benefit plan, or a limited
7 benefit policy or contract, the person making such
8 misrepresentations forfeits coverage provided by the policy or
9 contract; and

10 d. If a limited plan is requested, acknowledges that
11 the prospective policyholder had been offered, at the time of
12 application for the insurance policy or contract, the
13 opportunity to purchase any health benefit plan offered by the
14 carrier and that the prospective policyholder had rejected
15 that coverage.

16
17 A copy of such written statement shall be provided to the
18 prospective policyholder no later than at the time of delivery
19 of the policy or contract, and the original of such written
20 statement shall be retained in the files of the small employer
21 carrier for the period of time that the policy or contract
22 remains in effect or for 5 years, whichever period is longer.

23 3. Any material statement made by an applicant for
24 coverage under a health benefit plan which falsely certifies
25 as to the applicant's eligibility for coverage serves as the
26 basis for terminating coverage under the policy or contract.

27 4. Each marketing communication that is intended to be
28 used in the marketing of a health benefit plan in this state
29 must be submitted for review by the office ~~department~~ prior to
30 use and must contain the disclosures stated in this
31 subsection.

1 (e) A small employer carrier may not use any policy,
2 contract, form, or rate under this section, including
3 applications, enrollment forms, policies, contracts,
4 certificates, evidences of coverage, riders, amendments,
5 endorsements, and disclosure forms, until the insurer has
6 filed it with the office ~~department~~ and the office ~~department~~
7 has approved it under ss. 627.410 and 627.411 and this
8 section.

9 (13) STANDARDS TO ASSURE FAIR MARKETING.--

10 (i) The commission ~~department~~ may establish
11 regulations setting forth additional standards to provide for
12 the fair marketing and broad availability of health benefit
13 plans to small employers in this state.

14 (15) APPLICABILITY OF OTHER STATE LAWS.--

15 (a) Except as expressly provided in this section, a
16 law requiring coverage for a specific health care service or
17 benefit, or a law requiring reimbursement, utilization, or
18 consideration of a specific category of licensed health care
19 practitioner, does not apply to a standard or basic health
20 benefit plan policy or contract or a limited benefit policy or
21 contract offered or delivered to a small employer unless that
22 law is made expressly applicable to such policies or
23 contracts. A law restricting or limiting deductibles,
24 coinsurance, copayments, or annual or lifetime maximum
25 payments does not apply to any health plan policy, including a
26 standard or basic health benefit plan policy or contract,
27 offered or delivered to a small employer unless such law is
28 made expressly applicable to such policy or contract. However,
29 every small employer carrier must offer to eligible small
30 employers the standard benefit plan and the basic benefit
31

1 plan, as required by subsection (5), as such plans have been
2 approved by the office ~~department~~ pursuant to subsection (12).

3 (16) RULEMAKING AUTHORITY.--The commission ~~department~~
4 may adopt rules to administer this section, including rules
5 governing compliance by small employer carriers and small
6 employers.

7 Section 1171. Subsection (2) of section 627.673,
8 Florida Statutes, is amended to read:

9 627.673 Designation as Medicare supplement policy;
10 penalties for violations.--

11 (2) A violation of this part is punishable under s.
12 624.4211. In addition, the office ~~department~~ may require
13 insurers violating this part to cease marketing any Medicare
14 supplement policy in this state which is related directly or
15 indirectly to a violation of this part, or the office
16 ~~department~~ may require the insurer to take any action
17 necessary to comply with this part.

18 Section 1172. Section 627.6735, Florida Statutes, is
19 amended to read:

20 627.6735 Order to discontinue certain advertising.--An
21 insurer must file with the office ~~department~~ all
22 advertisements for Medicare supplement policies pursuant to
23 rules adopted by the commission ~~department~~. If, in the
24 opinion of the office ~~department~~, any advertisement by a
25 Medicare supplement policy insurer violates any of the
26 provisions of part IX of chapter 626 or any rule of the
27 commission ~~department~~, the office ~~department~~ may enter an
28 immediate order requiring that the use of the advertisement be
29 discontinued. If requested by the insurer, the office
30 ~~department~~ shall conduct a hearing within 10 days of the entry
31 of such order. If, after the hearing or by agreement with the

1 insurer, a final determination is made that the advertising
2 was in fact violative of any provision of part IX of chapter
3 626 or of any rule of the commission ~~department~~, the office
4 ~~department~~ may, in lieu of revocation of the certificate of
5 authority, require the publication of a corrective
6 advertisement; impose an administrative penalty of up to
7 \$10,000; and, in the case of an initial solicitation, require
8 that the insurer, prior to accepting any application received
9 in response to the advertisement, provide an acceptable
10 clarification of the advertisement to each individual
11 applicant.

12 Section 1173. Section 627.674, Florida Statutes, is
13 amended to read:

14 627.674 Minimum standards; filing requirements.--

15 (1) An insurance policy or subscriber contract may not
16 be advertised, solicited, or issued for delivery in this state
17 as a Medicare supplement policy unless it meets the minimum
18 standards adopted under this section. The minimum standards
19 do not preclude other provisions or benefits which are not
20 inconsistent with the minimum standards.

21 (2)(a) The commission ~~department~~ must adopt rules
22 establishing minimum standards for Medicare supplement
23 policies that, taken together with the requirements of this
24 part, are no less comprehensive or beneficial to persons
25 insured or covered under Medicare supplement policies issued,
26 delivered, or issued for delivery in this state, including
27 certificates under group or blanket policies issued,
28 delivered, or issued for delivery in this state, than the
29 standards provided in 42 U.S.C. s. 1395ss, or the most recent
30 version of the NAIC Model Regulation To Implement the NAIC
31 Medicare Supplement Insurance Minimum Standards Model Act

1 adopted by the National Association of Insurance
2 Commissioners.

3 (b) The rules must establish specific standards,
4 including standards of full and fair disclosure, that set
5 forth the manner, content, and required disclosure for the
6 sale of group, blanket, franchise, and individual Medicare
7 supplement policies and Medicare supplement subscriber
8 contracts of dental service plans and nonprofit health care
9 services plans. The standards may cover, but not be limited
10 to:

- 11 1. Terms of renewability.
- 12 2. Initial and subsequent conditions of eligibility.
- 13 3. Nonduplication of coverage.
- 14 4. Probationary periods.
- 15 5. Benefit limitations, exceptions, and reductions.
- 16 6. Elimination periods.
- 17 7. Requirements for replacement coverage.
- 18 8. Recurrent conditions.
- 19 9. Definitions of terms.
- 20 10. Application forms.

21 (c) The commission ~~department~~ may adopt rules that
22 specify prohibited policies or policy provisions, not
23 otherwise specifically authorized by statute, which in the
24 opinion of the office ~~department~~ are unjust, unfair, or
25 unfairly discriminatory to the policyholder, the person
26 insured under the policy, or the beneficiary.

27 (d) For policies issued on or after January 1, 1991,
28 the commission ~~department~~ may adopt rules to establish minimum
29 policy standards to authorize the types of policies specified
30 by 42 U.S.C. s. 1395ss(p)(2)(C) and any optional benefits to
31 facilitate policy comparisons.

1 (3) A policy may not be filed with the office
2 ~~department~~ as a Medicare supplement policy unless the policy
3 meets or exceeds the requirements of 42 U.S.C. s. 1395ss, or
4 the most recent version of the NAIC Medicare Supplement
5 Insurance Minimum Standards Model Act, adopted by the National
6 Association of Insurance Commissioners.

7 (4) A policy filed with the office ~~department~~ as a
8 Medicare supplement policy must:

9 (a) Have a definition of "Medicare eligible expense"
10 that is not more restrictive than health care expenses of the
11 kinds covered by Medicare or to the extent recognized as
12 reasonable by Medicare. Payment of benefits by insurers for
13 Medicare eligible expenses may be conditioned upon the same or
14 less restrictive payment conditions, including determinations
15 of medical necessity, as apply to Medicare claims.

16 (b) Provide that benefits designed to cover
17 cost-sharing amounts under Medicare will be changed
18 automatically to coincide with any changes in the applicable
19 Medicare deductible amount and copayment percentage factor.
20 Premiums may be modified to correspond with such changes,
21 subject to prior approval by the office ~~department~~.

22 (c) Be written in simplified language, be easily
23 understood by purchasers, and otherwise comply with s.
24 627.602.

25 (d) Contain a prominently displayed no-loss
26 cancellation clause enabling the applicant to return the
27 policy within 30 days after receiving the policy, or the
28 certificate issued thereunder, with return in full of any
29 premium paid. The insurer must, in a timely manner, pay a
30 refund under this paragraph directly to the individual who
31 paid the premium.

1 (e) Contain a prominently displayed notice of any
2 coordination-of-benefits clause which might in any way
3 restrict payment under the policy.

4 (f)1. Be accompanied by a copy of the Medicare
5 Supplement Buyer's Guide developed jointly by the National
6 Association of Insurance Commissioners and the Health Care
7 Financing Administration of the United States Department of
8 Health and Human Services.

9 2. A policy referred to in subparagraph (g)4. that
10 does not qualify as a Medicare supplement policy under this
11 part must also be accompanied by the buyer's guide pursuant to
12 this paragraph.

13 3. Except in the case of a direct response insurer,
14 delivery of the buyer's guide shall be made at the time of
15 application, and acknowledgment of receipt or certification of
16 delivery of the buyer's guide shall be provided to the
17 insurer. Direct response insurers shall deliver the buyer's
18 guide upon request, but not later than at the time the policy
19 is delivered.

20 (g)1. Be accompanied by an outline of coverage in the
21 form prescribed by the National Association of Insurance
22 Commissioners in the NAIC Model Regulation To Implement the
23 NAIC Medicare Supplement Insurance Minimum Standards Model
24 Act, adopted by the National Association of Insurance
25 Commissioners on July 31, 1991, and as prescribed in s.
26 627.6743.

27 2. The outline shall be delivered to the applicant at
28 the time application is made, and, except for the direct
29 response policy, acknowledgment of receipt or certification of
30 delivery of the outline of coverage shall be provided to the
31 insurer.

1 3. If the policy is issued on a basis which would
2 require revision of the outline, a substitute outline of
3 coverage properly describing the policy, contract, or group
4 certificate must accompany the policy, when it is delivered,
5 and contain the following statement, in no less than 12-point
6 type, immediately above the company name: "NOTICE: Read this
7 outline of coverage carefully. It is not identical to the
8 outline of coverage provided upon application, and the
9 coverage originally applied for has not been issued."

10 4. The following language must be printed on or
11 attached to the first page of the outline of coverage
12 delivered in conjunction with an individual policy of hospital
13 confinement insurance, indemnity insurance, specified disease
14 insurance, specified accident insurance, supplemental health
15 insurance other than Medicare supplement insurance, or
16 nonconventional health insurance coverage, as defined by law
17 in this state, to a person eligible for Medicare: "This policy
18 IS NOT A MEDICARE SUPPLEMENT policy. If you are eligible for
19 Medicare, review the Medicare Supplement Buyer's Guide
20 available from the company."

21 (5) A Medicare supplement policy may not contain
22 benefits which duplicate benefits provided by Medicare.

23 Section 1174. Subsection (5) of section 627.6741,
24 Florida Statutes, is amended to read:

25 627.6741 Issuance, cancellation, nonrenewal, and
26 replacement.--

27 (5) The commission ~~department~~ shall by rule prescribe
28 standards relating to the guaranteed issue of coverage,
29 without exclusions for preexisting conditions, for
30 continuously covered individuals consistent with the
31 provisions of 42 U.S.C. s. 1395ss(s)(3).

1 Section 1175. Subsection (1) of section 627.6742,
2 Florida Statutes, is amended to read:

3 627.6742 Permitted compensation arrangements.--

4 (1) The commission ~~department~~ shall adopt rules
5 governing the permitted compensation arrangements between
6 insurers and agents with respect to Medicare supplement
7 policies.

8 Section 1176. Subsection (1) of section 627.6744,
9 Florida Statutes, is amended to read:

10 627.6744 Recommended purchase and excessive
11 insurance.--

12 (1) Medicare supplement insurance may not be issued or
13 sold, whether directly, through the mail, or otherwise, to an
14 individual unless the issuer or seller obtains from the
15 individual, as a part of the application, a written statement
16 signed by the individual stating what Medicare supplement
17 policies the individual has, from what source, and whether the
18 individual has applied for and been determined to be entitled
19 to Medicaid. The written statement must be accompanied by a
20 written acknowledgment, signed by the seller, of the request
21 for and receipt of the statement. The written acknowledgment
22 does not constitute a verification or affirmation by the
23 seller of the truth of any information supplied by the
24 individual in the written statement. The written statement
25 shall be on forms prescribed by the commission ~~department~~ in
26 accordance with the Omnibus Budget Reconciliation Act of 1990
27 (Pub. L. No. 101-508).

28 Section 1177. Subsections (4) and (7) of section
29 627.6745, Florida Statutes, are amended to read:

30 627.6745 Loss ratio standards; public rate hearings.--

31

1 (4) Each insurer providing Medicare supplement
2 insurance to residents of this state shall annually submit to
3 the office ~~department~~ information on actual loss ratios on
4 forms prescribed by the National Association of Insurance
5 Commissioners pursuant to the Omnibus Budget Reconciliation
6 Act of 1990 (Pub. L. No. 101-508).

7 (7) The commission ~~department~~ shall adopt a written
8 policy statement regarding the holding of public hearings
9 prior to approval of any premium increases for Medicare
10 supplement insurance policies.

11 Section 1178. Section 627.678, Florida Statutes, is
12 amended to read:

13 627.678 Rules.--

14 (1) For the effective protection of the public
15 interest, the commission ~~department~~ shall have full power and
16 authority to adopt, ~~promulgate,~~ and the office shall enforce,
17 separate rules pertaining to issuance and use of each type of
18 credit insurance defined in s. 627.677.

19 (2) Rules made pursuant to this section shall be
20 principally designed, and shall be promulgated with the
21 purpose of protecting the borrower from excessive charges by
22 or collected through the lender for insurance in relation to
23 the amount of the loan, to avoid duplication or overlapping of
24 insurance coverage and to avoid loss of the borrower's funds
25 by short-rate cancellation or termination of such insurance.
26 However, nothing in such rules shall be construed to authorize
27 the department, commission, or office to prohibit operation of
28 normal dividend distributions under participating insurance
29 contracts.

30 Section 1179. Subsections (1) and (2) of section
31 627.6785, Florida Statutes, are amended to read:

1 627.6785 Filing of rates with department.--

2 (1) Credit disability and credit life insurers shall
3 file with the office ~~department~~ a copy of all rates and any
4 rate changes used in this state.

5 (2) No credit disability rate and no credit life rate
6 shall exceed the maximum allowable rate promulgated by the
7 commission ~~department~~.

8 Section 1180. Section 627.682, Florida Statutes, is
9 amended to read:

10 627.682 Filing, approval of forms.--All forms of
11 policies, certificates of insurance, statements of insurance,
12 applications for insurance, binders, endorsements, and riders
13 of credit life or disability insurance delivered or issued for
14 delivery in this state shall be filed with and approved by the
15 office ~~department~~ before use as provided in ss. 627.410 and
16 627.411. In addition to grounds as specified in s. 627.411,
17 the office ~~department~~, upon compliance with the procedures set
18 forth in s. 627.410, shall disapprove any such form and may
19 withdraw any previous approval thereof if the benefits
20 provided therein are not reasonable in relation to the
21 premiums charged, or if it contains provisions which are
22 unjust, unfair, inequitable, misleading, or deceptive or which
23 encourage misrepresentation of such policy.

24 Section 1181. Section 627.6844, Florida Statutes, is
25 amended to read:

26 627.6844 Replacement rules.--Group-to-group
27 consolidations are exempt from any rule of the commission
28 ~~department~~ relating to the replacement of existing life or
29 health insurance. Sections 627.6841-627.6845 do not create an
30 exemption from any such rule for consolidations that involve
31 individual policies.

1 Section 1182. Section 627.6845, Florida Statutes, is
2 amended to read:

3 627.6845 Policy forms used in connection with
4 consolidations.--A policy or group certificate of credit
5 insurance used in connection with any consolidation, or an
6 application, endorsement, or rider which becomes a part of any
7 such policy or certificate, may not be issued or delivered in
8 this state until a copy of the form has been filed with and
9 approved by the office ~~department~~ pursuant to s. 627.682.

10 Section 1183. Subsection (2), paragraph (b) of
11 subsection (3), paragraph (d) of subsection (5), and
12 subsections (6) and (8) of section 627.701, Florida Statutes,
13 are amended to read:

14 627.701 Liability of insureds; coinsurance;
15 deductibles.--

16 (2) Unless the office ~~department~~ determines that the
17 deductible provision is clear and unambiguous, a property
18 insurer may not issue an insurance policy or contract covering
19 real property in this state which contains a deductible
20 provision that:

21 (a) Applies solely to hurricane losses.

22 (b) States the deductible as a percentage rather than
23 as a specific amount of money.

24 (3)

25 (b)1. Except as otherwise provided in this paragraph,
26 prior to issuing a personal lines residential property
27 insurance policy on or after April 1, 1996, or prior to the
28 first renewal of a residential property insurance policy on or
29 after April 1, 1996, the insurer must offer alternative
30 deductible amounts applicable to hurricane or wind losses
31 equal to \$500 and 2 percent of the policy dwelling limits,

1 unless the 2 percent deductible is less than \$500. The written
2 notice of the offer shall specify the hurricane or wind
3 deductible to be applied in the event that the applicant or
4 policyholder fails to affirmatively choose a hurricane
5 deductible. The insurer must provide such policyholder with
6 notice of the availability of the deductible amounts specified
7 in this paragraph in a form approved ~~specified~~ by the office
8 ~~department~~ in conjunction with each renewal of the policy. The
9 failure to provide such notice constitutes a violation of this
10 code but does not affect the coverage provided under the
11 policy.

12 2. This paragraph does not apply with respect to a
13 deductible program lawfully in effect on June 14, 1995, or to
14 any similar deductible program, if the deductible program
15 requires a minimum deductible amount of no less than 2 percent
16 of the policy limits.

17 3. With respect to a policy covering a risk with
18 dwelling limits of at least \$100,000, but less than \$250,000,
19 the insurer may, in lieu of offering a policy with a \$500
20 hurricane or wind deductible as required by subparagraph 1.,
21 offer a policy that the insurer guarantees it will not
22 nonrenew for reasons of reducing hurricane loss for one
23 renewal period and that contains up to a 2 percent hurricane
24 or wind deductible as required by subparagraph 1.

25 4. With respect to a policy covering a risk with
26 dwelling limits of \$250,000 or more, the insurer need not
27 offer the \$500 hurricane or wind deductible as required by
28 subparagraph 1., but must, except as otherwise provided in
29 this subsection, offer the 2 percent hurricane or wind
30 deductible as required by subparagraph 1.

31 (5)

1 (d) The office ~~department~~ shall draft and formally
2 propose as a rule the form for the certificate of security ~~no~~
3 ~~later than July 1, 1996~~. The certificate of security may be
4 issued in any of the following circumstances:

5 1. A mortgage lender or other financial institution
6 may issue a certificate of security after granting the
7 applicant a line of credit, secured by equity in real property
8 or other reasonable security, which line of credit may be
9 drawn on only to pay for the deductible portion of insured
10 construction or reconstruction after a hurricane loss. In the
11 sole discretion of the mortgage lender or other financial
12 institution, the line of credit may be issued to an applicant
13 on an unsecured basis.

14 2. A licensed insurance agent may issue a certificate
15 of security after obtaining for an applicant a line of credit,
16 secured by equity in real property or other reasonable
17 security, which line of credit may be drawn on only to pay for
18 the deductible portion of insured construction or
19 reconstruction after a hurricane loss. The Florida Hurricane
20 Catastrophe Fund shall negotiate agreements creating a
21 financing consortium to serve as an additional source of lines
22 of credit to secure deductibles. Any licensed insurance agent
23 may act as the agent of such consortium.

24 3. Any person qualified to act as a trustee for any
25 purpose may issue a certificate of security secured by a
26 pledge of assets, with the restriction that the assets may be
27 drawn on only to pay for the deductible portion of insured
28 construction or reconstruction after a hurricane loss.

29 4. Any insurer, including any admitted insurer or any
30 surplus lines insurer, may issue a certificate of security
31 after issuing the applicant a policy of supplemental insurance

1 that will pay for 100 percent of the deductible portion of
2 insured construction or reconstruction after a hurricane loss.

3 5. Any other method approved by the office ~~department~~
4 upon finding that such other method provides a similar level
5 of security as the methods specified in this paragraph and
6 that such other method has no negative impact on residential
7 property insurance catastrophic capacity. The legislative
8 intent of this subparagraph is to provide the flexibility
9 needed to achieve the public policy of expanding property
10 insurance capacity while improving the affordability of
11 property insurance.

12 (6) Prior to issuing a personal lines residential
13 property insurance policy on or after April 1, 1997, or prior
14 to the first renewal of a residential property insurance
15 policy on or after April 1, 1997, the insurer must offer a
16 deductible equal to \$500 applicable to losses from perils
17 other than hurricane. The insurer must provide the
18 policyholder with notice of the availability of the deductible
19 specified in this subsection in a form approved ~~specified~~ by
20 the office ~~department~~ at least once every 3 years. The failure
21 to provide such notice constitutes a violation of this code
22 but does not affect the coverage provided under the policy. An
23 insurer may require a higher deductible only as part of a
24 deductible program lawfully in effect on June 1, 1996, or as
25 part of a similar deductible program.

26 (8) Notwithstanding the other provisions of this
27 section or of other law, but only as to hurricane coverage as
28 defined in s. 627.4025 for commercial lines residential
29 coverages, an insurer may offer a deductible in an amount not
30 exceeding 5 percent of the insured value with respect to a
31 condominium association or cooperative association policy, or

1 in an amount not exceeding 10 percent of the insured value
2 with respect to any other commercial lines residential policy,
3 if, at the time of such offer and at each renewal, the insurer
4 also offers to the policyholder a deductible in the amount of
5 3 percent of the insured value. Nothing in this subsection
6 prohibits any deductible otherwise authorized by this section.
7 All forms by which the offers authorized in this subsection
8 are made or required to be made shall be on forms that are
9 adopted or approved by the commission or office ~~department~~.

10 Section 1184. Subsection (2) of section 627.7011,
11 Florida Statutes, is amended to read:

12 627.7011 Homeowners' policies; offer of replacement
13 cost coverage and law and ordinance coverage.--

14 (2) Unless the insurer obtains the policyholder's
15 written refusal of the policies or endorsements specified in
16 subsection (1), any policy covering the dwelling is deemed to
17 include the coverage specified in paragraph (1)(b). The
18 rejection or selection of alternative coverage shall be made
19 on a form approved by the office ~~department~~. The form shall
20 fully advise the applicant of the nature of the coverage being
21 rejected. If this form is signed by a named insured, it will
22 be conclusively presumed that there was an informed, knowing
23 rejection of the coverage or election of the alternative
24 coverage on behalf of all insureds. Unless the policyholder
25 requests in writing the coverage specified in this section, it
26 need not be provided in or supplemental to any other policy
27 that renews, insures, extends, changes, supersedes, or
28 replaces an existing policy when the policyholder has rejected
29 the coverage specified in this section or has selected
30 alternative coverage. The insurer must provide such
31 policyholder with notice of the availability of such coverage

1 in a form approved ~~specified~~ by the office ~~department~~ at least
2 once every 3 years. The failure to provide such notice
3 constitutes a violation of this code, but does not affect the
4 coverage provided under the policy.

5 Section 1185. Section 627.7012, Florida Statutes, is
6 amended to read:

7 627.7012 Pools of insurance adjusters.--The Commission
8 ~~Department of Insurance~~ may, by rule, establish a pool of
9 qualified insurance adjusters. The rules must provide that, if
10 a hurricane occurs or an emergency is declared, the office
11 ~~department~~ may assign members of the pool to the affected area
12 and that an insurer may request that a member of the pool
13 adjust claims in the assigned area. The rules may not require
14 that an insurer use those adjusters assigned by the office
15 ~~department~~.

16 Section 1186. Section 627.7015, Florida Statutes, is
17 amended to read:

18 627.7015 Alternative procedure for resolution of
19 disputed property insurance claims.--

20 (1) PURPOSE AND SCOPE.--This section sets forth a
21 nonadversarial alternative dispute resolution procedure for a
22 mediated claim resolution conference prompted by the need for
23 effective, fair, and timely handling of property insurance
24 claims. There is a particular need for an informal,
25 nonthreatening forum for helping parties who elect this
26 procedure to resolve their claims disputes because most
27 homeowner's insurance policies obligate insureds to
28 participate in a potentially expensive and time-consuming
29 adversarial appraisal process prior to litigation. The
30 procedure set forth in this section is designed to bring the
31 parties together for a mediated claims settlement conference

1 without any of the trappings or drawbacks of an adversarial
2 process. Before resorting to these procedures, insureds and
3 insurers are encouraged to resolve claims as quickly and
4 fairly as possible. This section is available with respect to
5 claims under personal lines policies for all claimants and
6 insurers prior to commencing the appraisal process, or
7 commencing litigation. If requested by the insured,
8 participation by legal counsel shall be permitted. Mediation
9 under this section is also available to litigants referred to
10 the department by a county court or circuit court. This
11 section does not apply to commercial coverages, to private
12 passenger motor vehicle insurance coverages, or to disputes
13 relating to liability coverages in policies of property
14 insurance.

15 (2) At the time a first-party claim within the scope
16 of this section is filed, the insurer shall notify all
17 first-party claimants of their right to participate in the
18 mediation program under this section. The department shall
19 prepare a consumer information pamphlet for distribution to
20 persons participating in mediation under this section.

21 (3) The costs of mediation shall be reasonable, and
22 the insurer shall bear all of the cost of conducting mediation
23 conferences, except as otherwise provided in this section. If
24 an insured fails to appear at the conference, the conference
25 shall be rescheduled upon the insured's payment of the costs
26 of a rescheduled conference. If the insurer fails to appear at
27 the conference, the insurer shall pay the insured's actual
28 cash expenses incurred in attending the conference if the
29 insurer's failure to attend was not due to a good cause
30 acceptable to the department. An insurer will be deemed to
31 have failed to appear if the insurer's representative lacks

1 authority to settle the full value of the claim. The insurer
2 shall incur an additional fee for a rescheduled conference
3 necessitated by the insurer's failure to appear at a scheduled
4 conference. The fees assessed by the administrator shall
5 include a charge necessary to defray the expenses of the
6 department related to its duties under this section and shall
7 be deposited in the Insurance ~~Commissioner's~~ Regulatory Trust
8 Fund.

9 (4) The department shall adopt by rule a property
10 insurance mediation program to be administered by the
11 department or its designee. The department may also adopt
12 special rules which are applicable in cases of an emergency
13 within the state. The rules shall be modeled after practices
14 and procedures set forth in mediation rules of procedure
15 adopted by the Supreme Court. The rules shall provide for:

16 (a) Reasonable requirement for processing and
17 scheduling of requests for mediation.

18 (b) Qualifications of mediators as provided in s.
19 627.745 and in the Florida Rules of Certified and Court
20 Appointed Mediators, and for such other individuals as are
21 qualified by education, training, or experience as the
22 department determines to be appropriate.

23 (c) Provisions governing who may attend mediation
24 conferences.

25 (d) Selection of mediators.

26 (e) Criteria for the conduct of mediation conferences.

27 (f) Right to legal counsel.

28 (5) All statements made and documents produced at a
29 mediation conference shall be deemed to be settlement
30 negotiations in anticipation of litigation within the scope of
31 s. 90.408. All parties to the mediation must negotiate in good

1 faith and must have the authority to immediately settle the
2 claim. Mediators are deemed to be agents of the department and
3 shall have the immunity from suit provided in s. 44.107.

4 (6) Mediation is nonbinding; however, if a written
5 settlement is reached, the insured has 3 business days within
6 which the insured may rescind the settlement unless the
7 insured has cashed or deposited any check or draft disbursed
8 to the insured for the disputed matters as a result of the
9 conference. If a settlement agreement is reached and is not
10 rescinded, it shall be binding and act as a release of all
11 specific claims that were presented in that mediation
12 conference.

13 (7) If the insurer requests the mediation, and the
14 mediation results are rejected by either party, the insured
15 shall not be required to submit to or participate in any
16 contractual loss appraisal process of the property loss damage
17 as a precondition to legal action for breach of contract
18 against the insurer for its failure to pay the policyholder's
19 claims covered by the policy.

20 (8) The department may designate an entity or person
21 to serve as administrator to carry out any of the provisions
22 of this section and may take this action by means of a written
23 contract or agreement.

24 Section 1187. Section 627.7017, Florida Statutes, is
25 amended to read:

26 627.7017 Hurricane loss mitigation projects.--In
27 addition to any other hurricane loss mitigation activities
28 authorized or required by law, the office ~~department~~ may
29 contract with public or private entities for hurricane loss
30 mitigation projects.

31

1 Section 1188. Subsection (6) of section 627.702,
2 Florida Statutes, is amended to read:

3 627.702 Valued policy law.--

4 (6) With regard to mobile homes included in subsection
5 (1), any total loss shall be adjusted on the basis of the
6 amount of money for which such property was insured as
7 specified in the policy, whether on an actual cash value
8 basis, replacement cost basis, or stated amount, and for which
9 a premium has been charged and paid only if the insured has
10 elected to purchase such coverage at the inception of the
11 policy. However, when coverage is written for a mobile home
12 on any basis other than stated value, a complete disclosure of
13 the relative cost between that policy and the stated value
14 policy shall be made to the insured on a form and in a format
15 approved by the office ~~department~~. Such forms shall disclose
16 and describe the differences between the types of policies and
17 shall be signed by the insured. Copies shall be maintained in
18 the insurer's file, and a copy shall be made available to the
19 insured. Each insurer licensed to write insurance covering
20 mobile homes shall make such stated value coverage available
21 at the option of the insured.

22 Section 1189. Subsection (4) of section 627.706,
23 Florida Statutes, is amended to read:

24 627.706 Sinkhole insurance.--

25 (4) Every insurer authorized to transact property
26 insurance in this state shall make a proper filing with the
27 office ~~department~~ for the purpose of extending the appropriate
28 forms of property insurance to include coverage for insurable
29 sinkhole losses.

30 Section 1190. Subsections (1), (5), and (9) of section
31 627.727, Florida Statutes, are amended to read:

1 627.727 Motor vehicle insurance; uninsured and
2 underinsured vehicle coverage; insolvent insurer protection.--

3 (1) No motor vehicle liability insurance policy which
4 provides bodily injury liability coverage shall be delivered
5 or issued for delivery in this state with respect to any
6 specifically insured or identified motor vehicle registered or
7 principally garaged in this state unless uninsured motor
8 vehicle coverage is provided therein or supplemental thereto
9 for the protection of persons insured thereunder who are
10 legally entitled to recover damages from owners or operators
11 of uninsured motor vehicles because of bodily injury,
12 sickness, or disease, including death, resulting therefrom.
13 However, the coverage required under this section is not
14 applicable when, or to the extent that, an insured named in
15 the policy makes a written rejection of the coverage on behalf
16 of all insureds under the policy. When a motor vehicle is
17 leased for a period of 1 year or longer and the lessor of such
18 vehicle, by the terms of the lease contract, provides
19 liability coverage on the leased vehicle, the lessee of such
20 vehicle shall have the sole privilege to reject uninsured
21 motorist coverage or to select lower limits than the bodily
22 injury liability limits, regardless of whether the lessor is
23 qualified as a self-insurer pursuant to s. 324.171. Unless an
24 insured, or lessee having the privilege of rejecting uninsured
25 motorist coverage, requests such coverage or requests higher
26 uninsured motorist limits in writing, the coverage or such
27 higher uninsured motorist limits need not be provided in or
28 supplemental to any other policy which renews, extends,
29 changes, supersedes, or replaces an existing policy with the
30 same bodily injury liability limits when an insured or lessee
31 had rejected the coverage. When an insured or lessee has

1 initially selected limits of uninsured motorist coverage lower
2 than her or his bodily injury liability limits, higher limits
3 of uninsured motorist coverage need not be provided in or
4 supplemental to any other policy which renews, extends,
5 changes, supersedes, or replaces an existing policy with the
6 same bodily injury liability limits unless an insured requests
7 higher uninsured motorist coverage in writing. The rejection
8 or selection of lower limits shall be made on a form approved
9 by the office ~~Insurance Commissioner~~. The form shall fully
10 advise the applicant of the nature of the coverage and shall
11 state that the coverage is equal to bodily injury liability
12 limits unless lower limits are requested or the coverage is
13 rejected. The heading of the form shall be in 12-point bold
14 type and shall state: "You are electing not to purchase
15 certain valuable coverage which protects you and your family
16 or you are purchasing uninsured motorist limits less than your
17 bodily injury liability limits when you sign this form.
18 Please read carefully." If this form is signed by a named
19 insured, it will be conclusively presumed that there was an
20 informed, knowing rejection of coverage or election of lower
21 limits on behalf of all insureds. The insurer shall notify
22 the named insured at least annually of her or his options as
23 to the coverage required by this section. Such notice shall
24 be part of, and attached to, the notice of premium, shall
25 provide for a means to allow the insured to request such
26 coverage, and shall be given in a manner approved by the
27 office ~~department~~. Receipt of this notice does not constitute
28 an affirmative waiver of the insured's right to uninsured
29 motorist coverage where the insured has not signed a selection
30 or rejection form. The coverage described under this section
31 shall be over and above, but shall not duplicate, the benefits

1 available to an insured under any workers' compensation law,
2 personal injury protection benefits, disability benefits law,
3 or similar law; under any automobile medical expense coverage;
4 under any motor vehicle liability insurance coverage; or from
5 the owner or operator of the uninsured motor vehicle or any
6 other person or organization jointly or severally liable
7 together with such owner or operator for the accident; and
8 such coverage shall cover the difference, if any, between the
9 sum of such benefits and the damages sustained, up to the
10 maximum amount of such coverage provided under this section.
11 The amount of coverage available under this section shall not
12 be reduced by a setoff against any coverage, including
13 liability insurance. Such coverage shall not inure directly
14 or indirectly to the benefit of any workers' compensation or
15 disability benefits carrier or any person or organization
16 qualifying as a self-insurer under any workers' compensation
17 or disability benefits law or similar law.

18 (5) Any person having a claim against an insolvent
19 insurer as defined in s. 631.54(5)~~s. 631.54(6)~~ under the
20 provisions of this section shall present such claim for
21 payment to the Florida Insurance Guaranty Association only.
22 In the event of a payment to any person in settlement of a
23 claim arising under the provisions of this section, the
24 association is not subrogated or entitled to any recovery
25 against the claimant's insurer. The association, however, has
26 the rights of recovery as set forth in chapter 631 in the
27 proceeds recoverable from the assets of the insolvent insurer.

28 (9) Insurers may offer policies of uninsured motorist
29 coverage containing policy provisions, in language approved by
30 the office ~~department~~, establishing that if the insured
31 accepts this offer:

1 (a) The coverage provided as to two or more motor
2 vehicles shall not be added together to determine the limit of
3 insurance coverage available to an injured person for any one
4 accident, except as provided in paragraph (c).

5 (b) If at the time of the accident the injured person
6 is occupying a motor vehicle, the uninsured motorist coverage
7 available to her or him is the coverage available as to that
8 motor vehicle.

9 (c) If the injured person is occupying a motor vehicle
10 which is not owned by her or him or by a family member
11 residing with her or him, the injured person is entitled to
12 the highest limits of uninsured motorist coverage afforded for
13 any one vehicle as to which she or he is a named insured or
14 insured family member. Such coverage shall be excess over the
15 coverage on the vehicle the injured person is occupying.

16 (d) The uninsured motorist coverage provided by the
17 policy does not apply to the named insured or family members
18 residing in her or his household who are injured while
19 occupying any vehicle owned by such insureds for which
20 uninsured motorist coverage was not purchased.

21 (e) If, at the time of the accident the injured person
22 is not occupying a motor vehicle, she or he is entitled to
23 select any one limit of uninsured motorist coverage for any
24 one vehicle afforded by a policy under which she or he is
25 insured as a named insured or as an insured resident of the
26 named insured's household.

27
28 In connection with the offer authorized by this subsection,
29 insurers shall inform the named insured, applicant, or lessee,
30 on a form approved by the office ~~department~~, of the
31 limitations imposed under this subsection and that such

1 coverage is an alternative to coverage without such
2 limitations. If this form is signed by a named insured,
3 applicant, or lessee, it shall be conclusively presumed that
4 there was an informed, knowing acceptance of such limitations.
5 When the named insured, applicant, or lessee has initially
6 accepted such limitations, such acceptance shall apply to any
7 policy which renews, extends, changes, supersedes, or replaces
8 an existing policy unless the named insured requests deletion
9 of such limitations and pays the appropriate premium for such
10 coverage. Any insurer who provides coverage which includes
11 the limitations provided in this subsection shall file revised
12 premium rates with the office ~~department~~ for such uninsured
13 motorist coverage to take effect prior to initially providing
14 such coverage. The revised rates shall reflect the
15 anticipated reduction in loss costs attributable to such
16 limitations but shall in any event reflect a reduction in the
17 uninsured motorist coverage premium of at least 20 percent for
18 policies with such limitations. Such filing shall not
19 increase the rates for coverage which does not contain the
20 limitations authorized by this subsection, and such rates
21 shall remain in effect until the insurer demonstrates the need
22 for a change in uninsured motorist rates pursuant to s.
23 627.0651.

24 Section 1191. Subsection (1) of section 627.7275,
25 Florida Statutes, is amended to read:

26 627.7275 Motor vehicle property damage liability.--

27 (1) No motor vehicle insurance policy providing
28 personal injury protection as set forth in s. 627.736 shall be
29 delivered or issued for delivery in this state with respect to
30 any specifically insured or identified motor vehicle
31 registered or principally garaged in this state unless the

1 policy also provides coverage for property damage liability in
2 the amount of at least \$10,000 because of damage to, or
3 destruction of, property of others in any one accident arising
4 out of the use of the motor vehicle or provides coverage in
5 the amount of at least \$30,000 for combined property damage
6 liability and bodily injury liability in any one accident
7 arising out of the use of the motor vehicle. The policy, as
8 to coverage of property damage liability, shall meet the
9 applicable requirements of s. 324.151, subject to the usual
10 policy exclusions such as have been approved in policy forms
11 by the office ~~department~~.

12 Section 1192. Subsections (7), (8), and (9) of section
13 627.728, Florida Statutes, are amended to read:

14 627.728 Cancellations; nonrenewals.--

15 (7) Except in the case of cancellation for nonpayment
16 of premium or nonrenewal of the policy, the notice of
17 cancellation as provided by this section must contain the
18 following words which are to be prominently displayed: "You
19 are permitted by law to appeal this cancellation. An appeal
20 must be filed no later than 20 days before the effective date
21 of cancellation set forth in this notice. Forms for such
22 appeal and the regulations pertaining thereto may be obtained
23 from the office ~~offices of the Department of Insurance~~. The
24 office ~~Department of Insurance~~ does not have the authority to
25 extend the effective date of cancellation; therefore you
26 should obtain replacement coverage prior to the effective date
27 of cancellation."

28 (8)(a) Within 2 working days after receipt of a timely
29 appeal of the notice of cancellation, the office ~~department~~
30 shall initiate a proceeding. If informal procedures fail to
31 resolve the appeal, the office ~~department~~ shall, upon request

1 of the insured, call a hearing upon 10 days' notice to the
2 parties to be held by a disinterested employee of the office
3 ~~department~~. Proceedings pursuant to this subsection are not
4 subject to the provisions of chapter 120.

5 (b) Each insurer subject to this section shall
6 maintain on file with the office ~~department~~ the name and
7 address of the person authorized to receive notices pursuant
8 to this section on behalf of the insurer.

9 (c) The office ~~department~~ shall, at the conclusion of
10 the proceeding or hearing or not later than 2 working days
11 thereafter, issue its written findings to the parties; and, if
12 it finds for the named insured, it shall either order the
13 insurer to rescind its notice of cancellation or, if the date
14 cancellation is to be effective has elapsed, order the policy
15 reinstated from the date of cancellation, and such coverage
16 shall be continuous to, and shall operate prospectively from,
17 the date of cancellation. However, no policy shall be
18 reinstated while the named insured is in arrears in payment of
19 premium on such policy. If the office ~~department~~ finds for
20 the insurer, its written findings shall so state.

21 (d) Reinstatement of a policy under this subsection
22 shall not operate in any way to extend the expiration,
23 termination, or anniversary date provided in the policy. Upon
24 such reinstatement, costs and attorney's fees may be assessed
25 by the office ~~department~~ and paid to the named insured by an
26 insurer who has wrongfully canceled a policy, as determined by
27 the proceeding or hearing provided for in paragraph (c).

28 (9) The office ~~department~~ shall deposit all fees
29 provided for in this section into the Insurance ~~Commissioner's~~
30 Regulatory Trust Fund.

31

1 Section 1193. Subsection (5) of section 627.7282,
2 Florida Statutes, is amended to read:

3 627.7282 Notice of additional premium; cancellation
4 upon nonpayment.--

5 (5) The commission ~~department~~ may adopt rules
6 prescribing the format of the notice.

7 Section 1194. Paragraph (a) of subsection (5) of
8 section 627.7295, Florida Statutes, is amended to read:

9 627.7295 Motor vehicle insurance contracts.--

10 (5)(a) A licensed general lines agent may charge a
11 per-policy fee not to exceed \$10 to cover the administrative
12 costs of the agent associated with selling the motor vehicle
13 insurance policy if the policy covers only personal injury
14 protection coverage as provided by s. 627.736 and property
15 damage liability coverage as provided by s. 627.7275 and if no
16 other insurance is sold or issued in conjunction with or
17 collateral to the policy. The per-policy fee must be a
18 component of the insurer's rate filing and may not be charged
19 by an agent unless the fee is included in the filing. The fee
20 is not considered part of the premium except for purposes of
21 the office's ~~department's~~ review of expense factors in a
22 filing made pursuant to s. 627.062.

23 Section 1195. Paragraph (c) of subsection (4),
24 paragraphs (a) and (e) of subsection (5), paragraph (a) of
25 subsection (6), and paragraph (c) of subsection (11) of
26 section 627.736, Florida Statutes, are amended to read:

27 627.736 Required personal injury protection benefits;
28 exclusions; priority; claims.--

29 (4) BENEFITS; WHEN DUE.--Benefits due from an insurer
30 under ss. 627.730-627.7405 shall be primary, except that
31 benefits received under any workers' compensation law shall be

1 credited against the benefits provided by subsection (1) and
2 shall be due and payable as loss accrues, upon receipt of
3 reasonable proof of such loss and the amount of expenses and
4 loss incurred which are covered by the policy issued under ss.
5 627.730-627.7405. When the Agency for Health Care
6 Administration provides, pays, or becomes liable for medical
7 assistance under the Medicaid program related to injury,
8 sickness, disease, or death arising out of the ownership,
9 maintenance, or use of a motor vehicle, benefits under ss.
10 627.730-627.7405 shall be subject to the provisions of the
11 Medicaid program.

12 (c) All overdue payments shall bear simple interest at
13 the rate established ~~by the Comptroller~~ under s. 55.03 or the
14 rate established in the insurance contract, whichever is
15 greater, for the year in which the payment became overdue,
16 calculated from the date the insurer was furnished with
17 written notice of the amount of covered loss. Interest shall
18 be due at the time payment of the overdue claim is made.

19 (5) CHARGES FOR TREATMENT OF INJURED PERSONS.--

20 (a) Any physician, hospital, clinic, or other person
21 or institution lawfully rendering treatment to an injured
22 person for a bodily injury covered by personal injury
23 protection insurance may charge only a reasonable amount for
24 the services and supplies rendered, and the insurer providing
25 such coverage may pay for such charges directly to such person
26 or institution lawfully rendering such treatment, if the
27 insured receiving such treatment or his or her guardian has
28 countersigned the invoice, bill, or claim form approved by the
29 office ~~Department of Insurance~~ upon which such charges are to
30 be paid for as having actually been rendered, to the best
31 knowledge of the insured or his or her guardian. In no event,

1 however, may such a charge be in excess of the amount the
2 person or institution customarily charges for like services or
3 supplies in cases involving no insurance.

4 (e) All statements and bills for medical services
5 rendered by any physician, hospital, clinic, or other person
6 or institution shall be submitted to the insurer on a Health
7 Care Finance Administration 1500 form, UB 92 forms, or any
8 other standard form approved by the office or adopted by the
9 commission ~~department~~ for purposes of this paragraph. All
10 billings for such services shall, to the extent applicable,
11 follow the Physicians' Current Procedural Terminology (CPT) in
12 the year in which services are rendered. No statement of
13 medical services may include charges for medical services of a
14 person or entity that performed such services without
15 possessing the valid licenses required to perform such
16 services. For purposes of paragraph (4)(b), an insurer shall
17 not be considered to have been furnished with notice of the
18 amount of covered loss or medical bills due unless the
19 statements or bills comply with this paragraph.

20 (6) DISCOVERY OF FACTS ABOUT AN INJURED PERSON;
21 DISPUTES.--

22 (a) Every employer shall, if a request is made by an
23 insurer providing personal injury protection benefits under
24 ss. 627.730-627.7405 against whom a claim has been made,
25 furnish forthwith, in a form approved by the office
26 ~~department~~, a sworn statement of the earnings, since the time
27 of the bodily injury and for a reasonable period before the
28 injury, of the person upon whose injury the claim is based.

29 (11) DEMAND LETTER.--

30 (c) Each notice required by this section must be
31 delivered to the insurer by United States certified or

1 registered mail, return receipt requested. Such postal costs
2 shall be reimbursed by the insurer if so requested by the
3 provider in the notice, when the insurer pays the overdue
4 claim. Such notice must be sent to the person and address
5 specified by the insurer for the purposes of receiving notices
6 under this section, on the document denying or reducing the
7 amount asserted by the filer to be overdue. Each licensed
8 insurer, whether domestic, foreign, or alien, may file with
9 the office ~~department~~ designation of the name and address of
10 the person to whom notices pursuant to this section shall be
11 sent when such document does not specify the name and address
12 to whom the notices under this section are to be sent or when
13 there is no such document. The name and address on file with
14 the office ~~department~~ pursuant to s. 624.422 shall be deemed
15 the authorized representative to accept notice pursuant to
16 this section in the event no other designation has been made.

17 Section 1196. Subsection (5) of section 627.739,
18 Florida Statutes, is amended to read:

19 627.739 Personal injury protection; optional
20 limitations; deductibles.--

21 (5) All such offers shall be made in clear and
22 unambiguous language at the time the initial application is
23 taken and prior to each annual renewal and shall indicate that
24 a premium reduction will result from each election. At the
25 option of the insurer, the requirements of the preceding
26 sentence are met by using forms of notice approved by the
27 office ~~department~~, or by providing the following notice in
28 10-point type in the insurer's application for initial
29 issuance of a policy of motor vehicle insurance and the
30 insurer's annual notice of renewal premium:

31

1 For personal injury protection insurance, the
2 named insured may elect a deductible and to
3 exclude coverage for loss of gross income and
4 loss of earning capacity ("lost wages"). These
5 elections apply to the named insured alone, or
6 to the named insured and all dependent resident
7 relatives. A premium reduction will result from
8 these elections. The named insured is hereby
9 advised not to elect the lost wage exclusion if
10 the named insured or dependent resident
11 relatives are employed, since lost wages will
12 not be payable in the event of an accident.

13 Section 1197. Section 627.7401, Florida Statutes, is
14 amended to read:

15 627.7401 Notification of insured's rights.--

16 (1) The commission ~~department~~, by rule, shall adopt a
17 form for the notification of insureds of their right to
18 receive personal injury protection benefits under the Florida
19 Motor Vehicle No-Fault Law. Such notice shall include a
20 description of the benefits provided by personal injury
21 protection, including, but not limited to, the specific types
22 of services for which medical benefits are paid, disability
23 benefits, death benefits, significant exclusions from and
24 limitations on personal injury protection benefits, when
25 payments are due, how benefits are coordinated with other
26 insurance benefits that the insured may have, penalties and
27 interest that may be imposed on insurers for failure to make
28 timely payments of benefits, and rights of parties regarding
29 disputes as to benefits.

30 (2) Each insurer issuing a policy in this state
31 providing personal injury protection benefits must mail or

1 deliver the notice as specified in subsection (1) to an
2 insured within 21 days after receiving from the insured notice
3 of an automobile accident or claim involving personal injury
4 to an insured who is covered under the policy. The office
5 ~~department~~ may allow an insurer additional time to provide the
6 notice specified in subsection (1) not to exceed 30 days, upon
7 a showing by the insurer that an emergency justifies an
8 extension of time.

9 (3) The notice required by this section does not alter
10 or modify the terms of the insurance contract or other
11 requirements of this act.

12 Section 1198. Paragraph (h) of subsection (2) and
13 subsections (4), (5), and (7) of section 627.744, Florida
14 Statutes, are amended to read:

15 627.744 Required preinsurance inspection of private
16 passenger motor vehicles.--

17 (2) This section does not apply:

18 (h) To any other vehicle or policy exempted by rule of
19 the commission ~~department~~. The commission ~~department~~ may base
20 a rule under this paragraph only on a determination that the
21 likelihood of a fraudulent physical damage claim is remote or
22 that the inspection would cause a serious hardship to the
23 insurer or the applicant.

24 (4) The inspection required by this section shall be
25 provided by the insurer or by a person or organization
26 authorized by the insurer. The applicant may be required to
27 pay the cost of the inspection, not to exceed \$5. The
28 inspection shall be recorded on a form prescribed by the
29 commission ~~department~~, and the form or a copy shall be
30 retained by the insurer with its policy records for the
31 insured. The insurer shall provide a copy of the form to the

1 insured upon request. Any inspection fee paid directly by the
2 applicant may not be considered part of the premium. However,
3 an insurer that provides the inspection at no cost to the
4 applicant may include the expense of the inspection within a
5 rate filing.

6 (5) The inspection shall include at least the
7 following:

8 (a) Taking a physical imprint of the vehicle
9 identification number of the vehicle or otherwise recording
10 the vehicle identification number in a manner prescribed by
11 the commission ~~department~~.

12 (b) Recording the presence of accessories required by
13 the commission ~~department~~ to be recorded.

14 (c) Recording the locations of and a description of
15 existing damage to the vehicle.

16 (7) The commission ~~department~~ may, by rule, establish
17 such procedures and notice requirements that it finds
18 necessary to implement this section.

19 Section 1199. Subsections (1) and (2) of section
20 627.758, Florida Statutes, are amended to read:

21 627.758 Surety on auto club traffic arrest bond;
22 conditions, limit; bail bond.--

23 (1) Any authorized surety insurer may, in any year,
24 become surety in an amount not to exceed \$1,000 with respect
25 to any guaranteed traffic arrest bond certificate issued in
26 such year by an automobile club or association by filing with
27 the office ~~department~~ an undertaking to become surety.

28 (2) The undertaking shall be in the form prescribed by
29 the commission ~~department~~ and shall state the following:

30 (a) The name and address of the automobile club or
31 association with respect to the guaranteed traffic arrest bond

1 certificates for which the surety insurer undertakes to be
2 surety.

3 (b) The unqualified obligation of the surety insurer
4 to pay the fine or forfeiture in an amount not to exceed
5 \$1,000 for any person who, after posting a guaranteed traffic
6 arrest bond certificate with respect to which the insurer has
7 undertaken to be surety, fails to make the appearance for
8 which the certificate was posted.

9 Section 1200. Subsection (2) of section 627.7711,
10 Florida Statutes, is amended to read:

11 627.7711 Definitions.--As used in this part, the term:

12 (2) "Premium" means the charge, as specified by rule
13 of the commission ~~department~~, that is made by a title insurer
14 for a title insurance policy, including the charge for
15 performance of primary title services by a title insurer or
16 title insurance agent or agency, and incurring the risks
17 incident to such policy, under the several classifications of
18 title insurance contracts and forms, and upon which charge a
19 premium tax is paid under s. 624.509. As used in this part or
20 in any other law, with respect to title insurance, the word
21 "premium" does not include a commission.

22 Section 1201. Section 627.777, Florida Statutes, is
23 amended to read:

24 627.777 Approval of forms.--A title insurer may not
25 issue or agree to issue any form of title insurance
26 commitment, title insurance policy, other contract of title
27 insurance, or related form until it is filed with and approved
28 by the office ~~department~~. The office ~~department~~ may not
29 disapprove a title guarantee or policy form on the ground that
30 it has on it a blank form for an attorney's opinion on the
31 title.

1 Section 1202. Subsection (2) of section 627.7773,
2 Florida Statutes, is amended to read:

3 627.7773 Accounting and auditing of forms by title
4 insurers.--

5 (2) If the office ~~department~~ has reason to believe
6 that an audit of outstanding forms should be required of any
7 title insurer as to a title insurance agent or agency, the
8 office ~~department~~ may require the title insurer to make a
9 special audit of the forms. The title insurer shall complete
10 the audit not later than 60 days after the request is received
11 from the office ~~department~~, and shall report the results of
12 the special audit to the office ~~department~~ no later than 90
13 days after the request is received.

14 Section 1203. Subsection (1) of section 627.780,
15 Florida Statutes, is amended to read:

16 627.780 Illegal dealings in risk premium.--

17 (1) A person may not knowingly quote, charge, accept,
18 collect, or receive a premium for title insurance other than
19 the premium adopted by the commission ~~department~~.

20 Section 1204. Subsections (1), (2), (7), and (8) of
21 section 627.782, Florida Statutes, are amended to read:

22 627.782 Adoption of rates.--

23 (1) Subject to the rating provisions of this code, the
24 commission ~~department~~ must adopt a rule specifying the premium
25 to be charged in this state by title insurers for the
26 respective types of title insurance contracts and, for
27 policies issued through agents or agencies, the percentage of
28 such premium required to be retained by the title insurer
29 which shall not be less than 30 percent. However, in a
30 transaction subject to the Real Estate Settlement Procedures
31 Act of 1974, 12 U.S.C. ss. 2601 et seq., as amended, no

1 portion of the premium attributable to providing a primary
2 title service shall be paid to or retained by any person who
3 does not actually perform or is not liable for the performance
4 of such service. The commission ~~department~~ may, by rule,
5 establish limitations on related title services charges made
6 in addition to the premium based upon the expenses associated
7 with the services rendered and other relevant factors.

8 (2) In adopting premium rates, the commission
9 ~~department~~ must give due consideration to the following:

10 (a) The title insurers' loss experience and
11 prospective loss experience under closing protection letters
12 and policy liabilities.

13 (b) A reasonable margin for underwriting profit and
14 contingencies, including contingent liability under s.
15 627.7865, sufficient to allow title insurers, agents, and
16 agencies to earn a rate of return on their capital that will
17 attract and retain adequate capital investment in the title
18 insurance business and maintain an efficient title insurance
19 delivery system.

20 (c) Past expenses and prospective expenses for
21 administration and handling of risks.

22 (d) Liability for defalcation.

23 (e) Other relevant factors.

24 (7) The commission ~~department~~ shall, in accordance
25 with the standards provided in subsection (2), review the
26 premium as needed, but not less frequently than once every 3
27 years, and shall, based upon the review required by this
28 subsection, revise the premium if the results of the review so
29 warrant.

30 (8) The commission ~~department~~ may, by rule, require
31 licensees under this part to annually submit statistical

1 information, including loss and expense data, as the
2 department determines to be necessary to analyze premium
3 rates, retention rates, and the condition of the title
4 insurance industry.

5 Section 1205. Section 627.783, Florida Statutes, is
6 amended to read:

7 627.783 Rate deviation.--

8 (1) A title insurer may petition the office ~~department~~
9 for an order authorizing a specific deviation from the adopted
10 premium, and a title insurer or title insurance agent may
11 petition the office ~~department~~ for an order authorizing and
12 permitting a specific deviation above the reasonable charge
13 for related title services rendered specified in s.

14 627.782(1). The petition shall be in writing and sworn to and
15 shall set forth allegations of fact upon which the petitioner
16 will rely, including the petitioner's reasons for requesting
17 the deviation. Any authorized title insurer, agent, or agency
18 may join in the petition for like authority to deviate or may
19 file a separate petition praying for like authority or
20 opposing the deviation. The office ~~department~~ shall rule on
21 all such petitions simultaneously.

22 (2) If, in the judgment of the office ~~department~~, the
23 requested deviation is not justified, the office ~~department~~
24 may enter an order denying the petition. An order granting a
25 petition constitutes an amendment to the adopted premium as to
26 the petitioners named in the order, and is subject to s.
27 627.782.

28 Section 1206. Subsection (3) of section 627.7843,
29 Florida Statutes, is amended to read:

30 627.7843 Ownership and encumbrance reports.--

31

1 (3) Any ownership and encumbrance report or similar
2 report that is relied on or intended to be relied on by a
3 consumer must be on forms approved by the office ~~department~~,
4 and must provide for a maximum liability for incorrect
5 information of not more than \$1,000.

6 Section 1207. Subsections (2) and (3) of section
7 627.7845, Florida Statutes, are amended to read:

8 627.7845 Determination of insurability required;
9 preservation of evidence of title search and examination.--

10 (2) The title insurer shall cause the evidence of the
11 reasonable search and examination of the title to be preserved
12 and retained in its files or in the files of its title
13 insurance agent or agency for a period of not less than 7
14 years after the title insurance commitment, title insurance
15 policy, or guarantee of title was issued. The title insurer
16 or agent or agency must produce the evidence required to be
17 maintained by this subsection at its offices upon the demand
18 of the office ~~department~~. Instead of retaining the original
19 evidence, the title insurer or the title insurance agent or
20 agency may, in the regular course of business, establish a
21 system under which all or part of the evidence is recorded,
22 copied, or reproduced by any photographic, photostatic,
23 microfilm, microcard, miniature photographic, or other process
24 which accurately reproduces or forms a durable medium for
25 reproducing the original.

26 (3) The title insurer or its agent or agency must
27 maintain a record of the actual risk premium and related title
28 service charges made for issuance of the policy and any
29 endorsements in its files for a period of not less than 7
30 years. The title insurer, agent, or agency must produce the
31 record at its office upon demand of the office ~~department~~.

1 Section 1208. Subsection (3) of section 627.786,
2 Florida Statutes, is amended to read:

3 627.786 Transaction of title insurance and any other
4 kind of insurance prohibited.--

5 (3) Subsection (1) does not preclude a title insurer
6 from providing instruments to any prospective insured, in the
7 form and content approved by the office ~~department~~, under
8 which the title insurer assumes liability for loss due to the
9 fraud of, dishonesty of, misappropriation of funds by, or
10 failure to comply with written closing instructions by, its
11 contract agents, agencies, or approved attorneys in connection
12 with a real property transaction for which the title insurer
13 is to issue a title insurance policy.

14 Section 1209. Section 627.7865, Florida Statutes, is
15 amended to read:

16 627.7865 Title insurer assessments.--As a condition of
17 doing business in this state, each title insurer shall be
18 liable for an assessment to pay all unpaid title insurance
19 claims on real property in this state for any title insurer
20 which is liquidated with unpaid outstanding claims. The
21 office ~~department~~ shall assess all title insurers on a pro
22 rata basis determined by their writings in this state for
23 amounts necessary to pay the claims. A title insurer is not
24 required to pay an amount in excess of one-tenth of its
25 surplus as to policyholders.

26 Section 1210. Section 627.791, Florida Statutes, is
27 amended to read:

28 627.791 Penalties against title insurers for
29 violations by persons or entities not licensed.--A title
30 insurer is subject to the penalties in ss. 624.418(2) and
31 624.4211 for any violation of a lawful order or rule of the

1 office or commission ~~department~~, or for any violation of this
2 code, committed by:

3 (1) A person, firm, association, corporation,
4 cooperative, joint-stock company, or other legal entity not
5 licensed under this part when issuing and countersigning
6 commitments or policies of title insurance on behalf of the
7 title insurer.

8 (2) An attorney when issuing and countersigning
9 commitments or policies of title insurance on behalf of the
10 title insurer.

11 Section 1211. Section 627.793, Florida Statutes, is
12 amended to read:

13 627.793 Rulemaking authority.--The commission may
14 ~~department is authorized to~~ adopt rules implementing the
15 provisions of this part.

16 Section 1212. Section 627.798, Florida Statutes, is
17 amended to read:

18 627.798 Rulemaking authority.--The commission
19 ~~department~~ shall by rule adopt a form to be used to provide
20 notice to a purchaser-mortgagor that the purchaser-mortgagor
21 is not protected by the title policy of the mortgagee.

22 Section 1213. Section 627.805, Florida Statutes, is
23 amended to read:

24 627.805 ~~Departmental~~ Regulation of variable and
25 indeterminate value contracts; rules.--The office ~~department~~,
26 notwithstanding any other provision of law, shall have the
27 sole authority to regulate the issuance and sale of variable
28 and indeterminate value contracts, and the commission has
29 authority to adopt rules pursuant to ss. 120.536(1) and 120.54
30 to implement the provisions of this part.

31

1 Section 1214. Section 627.8055, Florida Statutes, is
2 amended to read:

3 627.8055 Qualification of companies to issue variable
4 or indeterminate value contracts.--No insurance company shall
5 issue or deliver any contract on a variable or indeterminate
6 value basis until it has satisfied the office ~~department~~ that
7 its financial condition, management, history, and methods of
8 operation are not such as would render its operation harmful
9 to the public welfare.

10 Section 1215. Section 627.828, Florida Statutes, is
11 amended to read:

12 627.828 License required.--

13 (1) Except as provided in ss. 627.901 and 627.902, no
14 person shall engage in the business of a premium finance
15 company unless licensed by the office ~~department~~. Every
16 premium finance company licensed under the provisions of this
17 part shall maintain at all times a net worth of \$35,000.
18 However, in lieu of having a net worth of \$35,000, a premium
19 finance company that has a net worth of \$10,000 may file a
20 surety bond with the office or other acceptable collateral
21 with the department as approved by the office or department ~~it~~
22 in the amount of \$35,000, which bond or collateral must be
23 maintained.

24 (2) The application for a license shall be in writing
25 and in the form prescribed by the commission ~~department~~.
26 Every applicant shall provide evidence of a net worth of
27 \$35,000 attested by two officers of the company, or a \$35,000
28 surety bond and evidence of a net worth of \$10,000 attested by
29 two officers of the company. Assets to be used in computing
30 the required net worth shall be determined by rules adopted by
31 the commission ~~department~~.

1 (3)(a) Each premium finance company authorized under
2 the provisions of this part shall maintain at all times an
3 errors and omissions insurance policy of no less than \$500,000
4 covering the acts of its officers, employees, and agents. The
5 policy may contain reasonable deductibles not to exceed 2
6 percent of the policy limits.

7 (b)1. A premium finance company with an unencumbered
8 net worth of at least \$15 million may self-insure the errors
9 and omissions coverage if it meets the requirements of this
10 paragraph.

11 2. To qualify as a self-insurer the premium finance
12 company must:

13 a. Have and maintain an unencumbered net worth of \$15
14 million, which shall be determined based on assets permissible
15 for insurers pursuant to ss. 625.012 and 625.031;

16 b. Annually demonstrate as part of its annual report,
17 to the satisfaction of the department, that the net-worth
18 requirement is being met; and

19 c. Obtain, as a part of its annual application for
20 licensure as a premium finance company, a certificate of
21 self-insurance from the office ~~department~~ to be renewed

25 a. Is not maintaining at all times an unencumbered net
26 worth of at least \$15 million; or

27 b. Is not, in good faith, covering the errors and
28 omissions of its officers, employees and agents,

29
30 the office ~~department~~ shall, in addition to other penalties
31 under this code, revoke or suspend the certificate of

1 self-insurance, and the premium finance company shall be
2 subject to the requirements of paragraph (a).

3 (c) The commission ~~department~~ may adopt rules
4 necessary to administer this subsection, including rules
5 prescribing the necessary forms.

6 (4) A single license shall entitle the holder to
7 operate more than one office.

8 (5) At the time of filing an application for a
9 license, the applicant shall pay to the office ~~department~~ the
10 license fee and, upon original application or upon application
11 subsequent to denial of application, or revocation, suspension
12 or surrender of a license, an investigation fee.

13 (6) Such license shall state the name and address of
14 the licensee, and a copy shall be kept conspicuously posted in
15 each office of the licensee and shall not be transferable or
16 assignable.

17 (7) Prior to moving an existing office to another
18 location, a licensee shall notify the office ~~department~~ in
19 writing of its intention to do so.

20 Section 1216. Section 627.829, Florida Statutes, is
21 amended to read:

22 627.829 Approval, disapproval of application; license
23 renewal.--

24 (1) The office ~~department~~ shall issue the license,
25 unless it finds that the management of the premium finance
26 company filing the application is so lacking in managerial
27 experience as to make the proposed operation hazardous to the
28 insurance-buying public or unless it has good reason to
29 believe the management of the premium finance company is
30 affiliated directly or indirectly through ownership, control,
31 or in other business relations with any person whose business

1 operations are or have been marked as detrimental to the
2 public, policyholders, stockholders, investors, or creditors
3 by manipulation of assets or of accounts or by bad faith.

4 (2) If the office ~~department~~ refuses to issue a
5 license, it shall notify the applicant of the denial and
6 return to the applicant the sum paid as a license fee, but
7 shall retain the investigation fee to cover the costs of
8 investigating the applicant.

9 (3) Each license shall remain in force until September
10 30 of the year for which issued, unless earlier surrendered,
11 suspended, or revoked, and may be renewed for the ensuing
12 license year upon the filing of an application therefor. If
13 an application for renewal is filed with the office ~~department~~
14 before October 1 of any year, the license sought to be renewed
15 shall be continued in force either until the issuance by the
16 office ~~department~~ of the renewal license applied for or until
17 5 days after the office ~~department~~ refuses to renew the
18 license.

19 Section 1217. Section 627.832, Florida Statutes, is
20 amended to read:

21 627.832 Grounds for refusal, suspension, or revocation
22 of license.--

23 (1) The office ~~department~~ may deny, suspend, revoke,
24 or refuse to renew any license, if it finds:

25 (a) That the licensee has failed to pay the annual
26 license fee or any sum of money lawfully demanded under
27 authority of any other section of this part or has failed to
28 comply with any order of the office ~~department~~.

29 (b) That the licensee has violated any provision of
30 this part or any rule of the commission ~~department~~.

31

1 (c) That any fact or condition exists which, if it had
2 existed at the time of the original application, clearly would
3 have warranted a refusal to issue the license.

4 (d) Material misstatement, misrepresentation, or fraud
5 in obtaining the license or permit, or in attempting to obtain
6 the license or permit.

7 (e) That the license or permit is being willfully
8 used, or is to be used, to circumvent any of the requirements
9 or prohibitions of this code.

10 (f) Willful misrepresentation of any premium finance
11 contract or willful deception with regard to any such
12 contract, accomplished either in person or by any form of
13 dissemination of information.

14 (g) A demonstrated lack of fitness or trustworthiness.

15 (h) Fraudulent or dishonest practices in the conduct
16 of business.

17 (i) Misappropriation, conversion, or unlawful
18 withholding of moneys belonging to insurers, insureds, or
19 beneficiaries or to others and received in the conduct of
20 business.

21 (j) That the licensee has been found guilty of, or has
22 pleaded guilty to, a felony in this state or any other state.

23 (2) A licensee may surrender a license by delivering
24 to the office ~~department~~ written notice that she or he thereby
25 surrenders such license, but such surrender shall not affect
26 such licensee's civil or criminal liability for acts committed
27 prior to such surrender.

28 (3) No revocation, suspension, or surrender of a
29 license shall impair or affect the obligation of any insured
30 under any lawful premium finance agreement previously acquired
31 or held by the licensee.

1 (4) Every license issued hereunder shall remain in
2 force and effect until it has been surrendered, revoked, or
3 suspended or expires in accordance with the provisions of this
4 part; but the office ~~may department~~ shall have authority to
5 reinstate a suspended license or to issue a new license to a
6 licensee whose license has been revoked, if no fact or
7 condition then exists which clearly would have warranted

18 violation or prohibiting the soliciting, selling, or
19 transacting of insurance or otherwise operating or conducting
20 business in this state in violation of the laws of this state.
21 The office ~~department~~ may obtain an order from a court of
22 competent jurisdiction to enjoin a risk retention group from

21 the payment of debt service.

22 (10) An "investment grade obligation" means an

13 Section 1253. Paragraph (b) of subsection (1),
14 paragraph (d) of subsection (3), and subsections (4) and (5)
15 of section 627.972, Florida Statutes, are amended to read:

16 627.972 Organization; financial requirements.--

17 (1) A financial guaranty insurance corporation must be
18 organized and licensed in the manner prescribed in this code
19 for stock property and casualty insurers except that:

20 (b)1. Prior to the issuance of a license, a
21 corporation must submit to the office ~~department~~ for approval,
22 a plan of operation detailing:

23 a. The types and projected diversification of
24 guaranties to be issued;

25 b. The underwriting procedures to be followed;

26 c. The managerial oversight methods;

27 d. The investment policies; and

28 e. Any other matters prescribed by the office
29 ~~department~~;

30 2. An insurer which is writing only the types of
31 insurance allowed under this part on July 1, 1988, and

1 otherwise meets the requirements of this part, is exempt from
2 the requirements of this paragraph.

3 (3) An insurer may not transact financial guaranty
4 insurance unless it establishes a contingency reserve, net of
5 reinsurance, as follows:

6 (d) Withdrawals from the contingency reserve, to the
7 extent of any excess, may be made with the approval of the
8 office ~~department~~ from the earliest contributions to the
9 reserve remaining therein:

10 1. In any year in which the actual incurred losses
11 exceed 35 percent of earned premiums, or

12 2. If the contingency reserve has been in existence
13 for 40 quarters for reserves subject to subparagraph (b)1.,
14 and 20 quarters for reserves subject to subparagraph (b)2.,
15 upon demonstration that the amount carried is excessive in
16 relation to the insurer's outstanding obligations.

17 (4) In addition to the contingency reserve, the case
18 basis method or other method prescribed by the office
19 ~~department~~ is used to determine loss reserves, in a manner
20 consistent with the requirements of part I of chapter 625,
21 which must include a reserve for claims reported and unpaid
22 net of collateral. A deduction from loss reserves shall be
23 allowed for the time value of money by application of a
24 discount rate equal to the average rate of return on the
25 admitted assets of the insurer as of the date of the
26 computation of any such reserve. The discount rate must be
27 adjusted at the end of each calendar year.

28 (5) The insurer maintains an unearned premium reserve,
29 net of reinsurance, computed on the monthly pro rata basis,
30 where the premiums are paid on an installment basis. All
31 other such premiums paid must be earned proportionately with

1 the expiration of exposure or by such other method the office
2 ~~department~~ prescribes or approves.

3 Section 1254. Section 627.973, Florida Statutes, is
4 amended to read:

5 627.973 Limitations.--

6 (1) Financial guaranty insurance shall be transacted
7 in this state only by a corporation licensed for such purpose,
8 except that a property and casualty insurer transacting
9 business pursuant to the provisions of this code may transact
10 financial guaranty insurance in this state if the following
11 conditions are met:

12 (a) Total policyholders' surplus exceeds \$100 million;

13 (b) Not more than 20 percent of total net premiums
14 written are applicable to or for financial guaranty insurance;

15 (c) The provisions of this part are applied to the
16 insurer's financial guaranty insurance business;

17 (d) Not more than 20 percent of the insurer's total
18 policyholder's surplus is applied toward meeting the
19 provisions of this part;

20 (e) The policyholders' surplus once utilized to meet
21 the requirements of this part shall not be available for
22 meeting any policyholders' surplus requirements for any other
23 type of insurance;

24 (f) The insurer is licensed to write financial
25 guaranty insurance; and

26 (g) Unless the insurer is transacting financial
27 guaranty insurance prior to July 1, 1988, and otherwise meets
28 the requirements of this section, prior to the issuance of a
29 license, the insurer must submit to the office ~~department~~ for
30 approval, a plan of operation complying with s. 627.972(1)(b).

31

1 (2) Financial guaranty insurance shall be written only
2 to insure obligations defined in s. 627.971(1)(a)1., except
3 that obligations defined in s. 627.971(1)(a)2., 3., 4., and 5.
4 may be written with the prior written approval of the office
5 ~~department~~ pursuant to limitations and restrictions
6 promulgated by rule that the commission ~~department~~ deems
7 appropriate and necessary to protect the policyholders of the
8 insurer.

9 (3) At least 95 percent of the outstanding total
10 liability on municipal obligation bonds of an insurer
11 transacting financial guaranty insurance must be investment
12 grade.

13 (4) An insurer transacting financial guaranty
14 insurance must at all times maintain capital, surplus, and
15 contingency reserves, subject to the restrictions in paragraph
16 (1)(d) if applicable, in the aggregate no less than the sum
17 of:

18 (a) One-third of one percent of the total liabilities
19 outstanding under guaranties of municipal obligation bonds;

20 (b) One percent of the total liabilities outstanding
21 under guaranties of investment grade obligations, including
22 industrial development bonds and investment grade consumer
23 debt obligations;

24 (c) One and one-third percent of the total liabilities
25 outstanding under guaranties of noninvestment grade consumer
26 debt obligations;

27 (d) Two percent of the total liabilities outstanding
28 under guaranties of other obligations not of investment grade,
29 other than consumer debt obligations; and

30 (e) Surplus determined by the office ~~department~~ to be
31 adequate to support the writing of residual value insurance,

1 surety insurance, and credit insurance, if the corporation has
2 elected to transact these kinds of insurance pursuant to s.
3 627.972(1).

4 (5) An insurer transacting financial guaranty
5 insurance must limit its exposure to loss, net of collateral
6 and reinsurance, as follows:

7 (a) For municipal bonds:

8 1. The insured average annual debt service with
9 respect to any one entity and backed by a single revenue
10 source may not exceed 10 percent of the aggregate of the
11 corporation's capital, surplus, and contingency reserves,
12 subject to the restrictions of paragraph (1)(d) if applicable;
13 and

14 2. The insured unpaid principal issued by a single
15 entity and backed by a single revenue source may not exceed 75
16 percent of the aggregate of the corporation's capital,
17 surplus, and contingency reserves, subject to the restrictions
18 in paragraph (1)(d) if applicable; and

19 (b) For all other financial guaranties, the insured
20 unpaid principal for any one risk may not exceed 10 percent of
21 the aggregate of the corporation's capital, surplus, and
22 contingency reserves, subject to the restrictions in paragraph
23 (1)(d) if applicable. Single risk liability shall be defined
24 with respect to any one issuer, except that, if the risk is
25 payable from a specified revenue source or adequately secured
26 by loan obligations or other assets, such risk shall be
27 defined by the revenue source.

28 (6) If the exposure to loss of an insurer transacting
29 financial guaranty insurance exceeds the limitations in
30 subsection (4), it may not transact any new financial guaranty
31

1 insurance business until its exposure to loss no longer
2 exceeds those limitations.

3 (7) An insurer which wrote financial guaranty
4 insurance in this state during the 12-month period immediately
5 preceding July 1, 1988, but which does not meet the
6 requirements of subsection (1) or of s. 627.972(2), may,
7 nevertheless, continue to write financial guaranty insurance
8 as authorized by subsection (2) after July 1, 1988, subject to
9 all other provisions of this part, provided:

10 (a) Within 45 days after such date the insurer files
11 with the office ~~department~~ a statement of its intentions to
12 limit its writings to financial guaranty, surety, and fidelity
13 insurance. Effective upon such filing, the insurer shall be
14 subject to the requirements of this part except that the
15 surplus to policyholders requirement of s. 627.972(2) shall
16 not apply to such insurer until July 1, 1998, at which time
17 such insurer shall have and thereafter maintain the minimum
18 surplus requirement of at least \$35 million. Failure of the
19 insurer to meet the conditions of such statement of intent
20 filed with the office ~~department~~, until such time as it meets
21 the requirements of subsection (1), shall be grounds to
22 subject the insurer to the penalties provided under this code,
23 including immediate suspension or revocation of its
24 certificate of authority. If the insurer does not file such
25 statement of intent, it shall cease writing any new financial
26 guaranty insurance business within 6 months after the
27 effective date of this act. The insurer may:

28 1. Reinsure its net in-force business with a licensed
29 financial guaranty insurance corporation or an insurer exempt
30 under subsection (1);

31

1 2. Subject to the prior approval of its domiciliary
2 insurance commissioner, reinsure all or part of its net
3 in-force business pursuant to s. 627.975(1)(b), except that
4 subparagraphs 2. and 4. do not apply. The assuming insurer
5 must maintain reserves for the reinsured business in the
6 manner applicable to the ceding insurer under paragraph (b);
7 or

8 3. May continue the risks in force and, with 30 days
9 prior written notice to its domiciliary insurance
10 commissioner, write new financial guaranty policies if the
11 writing of those policies is reasonably prudent to mitigate
12 either the amount of or possibility of loss in connection with
13 business written prior to July 1, 1988. However, an insurer
14 must receive the prior approval of its domiciliary insurance
15 commissioner before writing any new financial guaranty
16 insurance policies that would increase its risk of loss.

17 (b) Must, for all guaranties in force prior to July 1,
18 1988, including those which fall under the definition of
19 financial guaranty insurance, maintain the reserves applicable
20 for municipal bond guaranties in effect prior to July 1, 1988.
21 If the insurer's contingency reserves maintained as of July 1,
22 1988, are less than those required for municipal bond
23 guaranties, the insurer has 3 years to bring its reserves into
24 compliance, except that a part of the reserve may be released
25 proportional to the reduction in net total liabilities
26 resulting from reinsurance if the reinsurer, on the effective
27 date of the reinsurance, establishes a reserve in an amount
28 equal to the amount released and except that a part of the
29 reserve may be released with office ~~departmental~~ approval,
30 upon demonstration that the amount carried is excessive in
31 relation to the corporation's outstanding obligations.

1 (c) Shall be subject to the reserve requirements
2 applicable to financial guaranty insurance corporations, for
3 business written on or after July 1, 1988.

4 (d) This subsection shall not apply to insurers
5 permitted to write financial guaranty insurance pursuant to
6 the exception set forth in subsection (1) and such insurers
7 may write financial guaranty insurance subject to the
8 requirements of the Florida Insurance Code.

9 Section 1255. Section 627.974, Florida Statutes, is
10 amended to read:

11 627.974 Filing of policy forms and rates.--

12 (1) Policy forms and any amendments thereto must be
13 filed with the office ~~department~~ within 30 days after their
14 use by the insurer. A policy may not provide coverage of the
15 acceleration of payments due under the guaranteed obligations,
16 including any payment in advance of scheduled maturity to be
17 made by the issuer of the guaranteed obligations at the sole
18 option of the owner of the guaranteed obligations, unless the
19 acceleration is at the sole option of the insurer. Each
20 policy must disclose that the insurance provided by the policy
21 is not covered by the Florida Insurance Guaranty Association
22 created under part II of chapter 631. The commission
23 ~~department~~ may prescribe additional minimum policy provisions
24 which are determined by the commission ~~department~~ to be
25 necessary or appropriate to protect policyholders, claimants,
26 obligees, or indemnitees.

27 (2) Rates may not be excessive, inadequate, unfairly
28 discriminatory, destructive of competition, or detrimental to
29 the solvency of the insurer.

30 (3) Criteria and guidelines used by insurers
31 transacting financial guaranty insurance in establishing

1 rating categories and ranges of rates to be used must be filed
2 with the office ~~department~~ for information prior to their use
3 by the insurer.

4 (4) All such filings must be available for public
5 inspection at the office ~~department~~.

6 (5) This section is in lieu of the requirements of ss.
7 627.062 and 627.410.

8 Section 1256. Section 627.986, Florida Statutes, is
9 amended to read:

10 627.986 Replacement rules.--Group-to-group
11 consolidations shall be exempt from any rule of the commission
12 ~~department~~ relating to the replacement of existing life or
13 health insurance. Nothing in this part shall be interpreted as
14 creating an exemption for consolidations which involve
15 individual policies.

16 Section 1257. Section 627.987, Florida Statutes, is
17 amended to read:

18 627.987 Policy forms.--No policy or group certificate
19 of mortgage insurance used in connection with any
20 consolidation, and no application, endorsement, or rider which
21 becomes a part of any such policy or certificate, shall be
22 issued or delivered in this state until a copy of the form has
23 been filed with and approved by the office ~~department~~.

24 Section 1258. Section 628.051, Florida Statutes, is
25 amended to read:

26 628.051 Application for permit to form insurer;
27 contents; fee.--

28 (1) No domestic insurer shall be formed unless the
29 persons so proposing have received a permit from the office
30 ~~department~~.

31

1 (2) Written application for such permit shall be filed
2 with the office ~~department~~. Such application and filing shall
3 include:

4 (a) The name, type, and purpose of insurer.

5 (b) The name, residence address, business background,
6 and qualifications of each person associated or to be
7 associated in the formation or financing of the insurer. Each
8 such person with an ownership interest of 10 percent or more,
9 or who will hold a position as an officer or director, must
10 furnish on forms adopted by the commission and supplied by the
11 office ~~department~~ a sworn biographical statement, legible
12 copies of fingerprints, and authority for release of
13 information in regard to the investigation of such person's
14 background.

15 (c) A full disclosure of the terms of all
16 understandings and agreements existing or proposed among
17 persons so associated relative to the insurer, or the
18 formation or financing thereof, accompanied by a copy of each
19 such agreement or understanding.

20 (d) A full disclosure of the terms of all
21 understandings and agreements existing or proposed for
22 management or exclusive agency contracts.

23 (e) A copy of all proposed articles or certificates of
24 incorporation and proposed bylaws of the proposed insurer.

25 (f) A copy of all articles or certificates of
26 incorporation of involved corporations, if a copy of the same
27 is not already on file in the office ~~department~~.

28 (g) A copy of all syndicate, association, firm,
29 partnership, organization, or other similar agreements, by
30 whatever name called, involved in the formation of the
31 proposed insurer or its financing.

1 (h) If the applicant is a reciprocal insurer, a copy

26 required statutory surplus as to policyholders.

27 (4) The office ~~department~~ shall not approve a dividend
28 or distribution in excess of the maximum amount allowed in

30 determines that the distribution or dividend would not
31 jeopardize the financial condition of the insurer:

31

1 any, to the insurer; or that the information so filed by the
2 insurer is inadequate.

3 (4) Any such loan to a domestic stock or mutual
4 insurer, or a substantial portion thereof, shall be repaid by
5 the insurer when no longer reasonably necessary for the
6 purpose originally intended. No repayment of such a loan

22 period, the insurer shall be deemed insolvent and the office
23 ~~department~~ shall institute delinquency proceedings against it
24 under chapter 631; except that if such deficiency exists
25 because of increased loss reserves required by the office
26 ~~department~~, or because of disallowance by the office
27 ~~department~~ of certain assets or reduction of the value at
28 which carried in the insurer's accounts, the office ~~department~~
29 may, in its discretion and upon application and good cause
30 shown, and if it finds that the establishment or maintenance
31 of such inadequate reserves or overvalued assets was not

1 willful on the part of the insurer, extend for not more than
2 an additional 60 days the period within which such deficiency
3 may be so made good and such proof thereof so filed.

4 Section 1279. Subsection (1) of section 628.421,

18 of stock held by the stockholder and, in cancellation and in
19 lieu thereof, issue a new certificate for such number of
20 shares as the stockholder may then be entitled to, upon the
21 basis of the stockholder's proportionate interest in the
22 amount of the insurer's capital stock as determined by the
23 office ~~department~~ to be remaining at the time of determination
24 of the amount of impairment under s. 628.411, after deducting
25 from such proportionate interest the amount of such unpaid
26 assessment. The insurer may pay for or issue fractional
27 shares under this subsection.

28 (b) If a mutual insurer, shall levy such an assessment
29 upon members as is provided for under s. 628.321.

30 Section 1280. Subsections (1) and (2) of section
31 628.431, Florida Statutes, are amended to read:

1 628.431 Mutualization of stock insurers.--

2 (1) A stock insurer other than a title insurer may
3 become a mutual insurer under such plan and procedure as may
4 be approved by the office ~~department~~.

5 (2) The office ~~department~~ shall not approve any such
6 plan, procedure, or mutualization unless:

7 (a) It is equitable to stockholders and policyholders;

8 (b) It is subject to approval by the holders of not
9 less than three-fourths of the insurer's outstanding capital
10 stock having voting rights and by not less than two-thirds of
11 the insurer's policyholders who vote on such plan in person,
12 by proxy, or by mail pursuant to such notice and procedure as
13 may be approved by the office ~~department~~;

14 (c) If a life insurer, the right to vote thereon is
15 limited to holders of policies other than term or group
16 policies, and whose policies have been in force for more than
17 1 year;

18 (d) Mutualization will result in retirement of shares
19 of the insurer's capital stock at a price not in excess of the
20 fair market value thereof as determined by competent
21 disinterested appraisers;

22 (e) The plan provides for the purchase of the shares
23 of any nonconsenting stockholder in the same manner and
24 subject to the same applicable conditions as provided by s.
25 607.247, as to rights of nonconsenting stockholders, with
26 respect to consolidation or merger of private corporations;

27 (f) The plan provides for definite conditions to be
28 fulfilled by a designated early date upon which such
29 mutualization will be deemed effective; and

30 (g) The mutualization leaves the insurer with surplus
31 funds reasonably adequate for the security of its

1 policyholders and to enable it to continue successfully in
2 business in the states in which it is then authorized to
3 transact insurance, and for the kinds of insurance included in
4 its certificates of authority in such states.

5 Section 1281. Section 628.441, Florida Statutes, is
6 amended to read:

7 628.441 Converting mutual insurer.--

8 (1) A mutual insurer may become a stock insurer under
9 such plan and procedure as may be approved by the office
10 ~~department~~.

11 (2) The office ~~department~~ shall not approve any such
12 plan or procedure unless:

13 (a) It is equitable to the insurer's members;

14 (b) It is subject to approval by vote of not less than
15 three-fourths of the insurer's current members voting thereon
16 in person, by proxy, or by mail at a meeting of members called
17 for the purpose pursuant to such reasonable notice and
18 procedure as may be approved by the office ~~department~~; if a
19 life insurer, the right to vote may be limited to members who
20 hold policies other than term or group policies, and whose
21 policies have been in force for not less than 1 year;

22 (c) The corporate equity of each policyholder in the
23 insurer, other than as to unearned premiums, nonforfeiture
24 rights, and benefit claims under his or her policy, is
25 determinable under a fair formula approved by the office
26 ~~department~~, which equity shall be based upon not less than the
27 insurer's entire surplus, after deducting contributed or
28 borrowed surplus funds, plus a reasonable present equity in
29 its reserves and in all nonadmitted assets;

30 (d) The policyholders entitled to participate in the
31 purchase of stock or distribution of assets shall include all

1 current policyholders and all existing persons who had been
2 policyholders of the insurer within 3 years prior to the date
3 such plan was submitted to the office ~~department~~;

4 (e) The plan gives to each policyholder of the insurer
5 as specified in paragraph (d) a preemptive right to acquire
6 his or her proportionate part of all of the proposed capital
7 stock of the insurer, within a designated reasonable period,
8 and to apply upon the purchase thereof the amount of his or
9 her equity in the insurer as determined under paragraph (c);

10 (f) Shares are so offered to policyholders at a price
11 not greater than to be thereafter offered to others;

12 (g) The plan provides for payment of cash to each
13 policyholder not electing to apply his or her equity in the
14 insurer toward the purchase price of stock to which he or she
15 is preemptively entitled. The amount so paid shall be not less
16 than 50 percent of the amount of the policyholder's equity not
17 so used for the purchase of stock. Such cash payment together
18 with stock so purchased, if any, shall constitute full payment
19 and discharge of the policyholder's corporate equity in such
20 mutual insurer; and

21 (h) The plan, when completed, would provide for the
22 converted insurer paid-in capital stock in an amount not less
23 than the minimum paid-in capital required of a domestic stock
24 insurer transacting like kinds of insurance, together with
25 surplus funds in amounts not less than one-half of such
26 required capital.

27 Section 1282. Subsection (2) of section 628.451,
28 Florida Statutes, is amended to read:

29 628.451 Merger or share exchange of stock insurers and
30 other entities.--

31

1 (2) No such merger or share exchange shall be
2 effectuated unless in advance thereof the plan and agreement
3 therefor have been filed with the office ~~department~~ and
4 approved by it. The office ~~department~~ shall give such approval
5 provided it finds such plan or agreement:

6 (a) Is in compliance with law;

7 (b) Is fair to the stockholders of or other holders of
8 interests in any insurer or self-insurer involved; and

9 (c) Would not substantially reduce the security of and
10 service to be rendered to policyholders of the domestic
11 insurer in this state or elsewhere.

12 Section 1283. Section 628.461, Florida Statutes, is
13 amended to read:

14 628.461 Acquisition of controlling stock.--

15 (1) No person shall, individually or in conjunction
16 with any affiliated person of such person, acquire directly or
17 indirectly, conclude a tender offer or exchange offer for,
18 enter into any agreement to exchange securities for, or
19 otherwise finally acquire 5 percent or more of, the
20 outstanding voting securities of a domestic stock insurer or

22 (a) The person or affiliated person has filed with the
23 office ~~department~~ and sent to the insurer and controlling
24 company a statement as specified in subsection (3) no later
25 than 5 days after any form of tender offer or exchange offer
26 is proposed, or no later than 5 days after the acquisition of
27 the securities if no tender offer or exchange offer is
28 involved; and

9 the insurer shall be relieved of any duty to register or
10 report under this section which may arise out of the insurer's
11 relationship with the person unless and until the office
12 ~~department~~ disallows the disclaimer. The office ~~department~~
13 shall disallow a disclaimer only after furnishing all parties
14 in interest with notice and opportunity to be heard and after
15 making specific findings of fact to support the disallowance.
16 A filing as required under this subsection must be made as to
17 any acquisition that equals or exceeds 10 percent of the
18 outstanding voting securities.

19 (2) This section does not apply to any acquisition of

27 ~~department~~ and furnished to the insurer and controlling
28 company shall contain the following information and any
29 additional information as the office deems ~~department may deem~~

31 other qualifications of the person or affiliated person of

1 such person for the protection of the policyholders and
2 shareholders of the insurer and the public:

3 (a) The identity of, and the background information
4 specified in subsection (4) on, each natural person by whom,
5 or on whose behalf, the acquisition is to be made; and, if the
6 acquisition is to be made by, or on behalf of, a corporation,

31 understanding with any party with respect to any of the

1 securities of the insurer or controlling company, including,
2 but not limited to, information relating to the transfer of
3 any of the securities, option arrangements, puts or calls, or
4 the giving or withholding of proxies, which information names
5 the party with whom the contract, arrangement, or
6 understanding has been entered into and gives the details
7 thereof.

8 (4)(a) The information as to the background and
9 identity of each person, which information is required to be

8 practices in the course of the business of insurance,
9 securities, or banking, together with details as to any such
10 event.

11 (b) Any corporation, association, or trust filing the
12 statement required by this section shall give all required

25 an amendment setting forth such changes shall be filed
26 immediately with the office ~~department~~ and sent immediately to
27 such insurer and controlling company.

28 (5)(a) The acquisition of voting securities shall be

2 in writing by a substantially affected party shall conduct, a

7 days of the date notice of the filing is given. During the
8 pendency of the proceeding or review period by the office
9 ~~department~~, any person or affiliated person complying with the
10 filing requirements of this section may proceed and take all
11 steps necessary to conclude the acquisition so long as the
12 acquisition becoming final is conditioned upon obtaining
13 office ~~departmental~~ approval. The office ~~department~~ shall,
14 however, at any time that it finds an immediate danger to the
15 public health, safety, and welfare of the domestic
16 policyholders exists, immediately order, pursuant to s.
17 120.569(2)(n), the proposed acquisition temporarily
18 disapproved and any further steps to conclude the acquisition

21 review of any acquisition subject to the provisions of this
22 section, the acquiring person shall not make any material
23 change in the operation of the insurer or controlling company
24 unless the office ~~department~~ has specifically approved the
25 change nor shall the acquiring person make any material change
26 in the management of the insurer unless advance written notice

1 management involving officers or directors of the insurer or
2 any person of the insurer or controlling company having
3 authority to dispose of or obligate 5 percent or more of the
4 insurer's capital or surplus. The office ~~department~~ shall
5 approve a material change in operation if it finds the
6 applicable provisions of subsection (7) have been met. The
7 office ~~department~~ may disapprove a material change in
8 management if it finds that the applicable provisions of
9 subsection (7) have not been met and in such case the insurer
10 shall promptly change management as acceptable to the office
11 ~~department~~.

12 (c) If a request for a proceeding is filed, the
13 proceeding shall be conducted within 60 days after the date
14 the written request for a proceeding is received by the office
15 ~~department~~. A recommended order shall be issued within 20 days
16 of the date of the close of the proceedings. A final order
17 shall be issued within 20 days of the date of the recommended
18 order or, if exceptions to the recommended order are filed,
19 within 20 days of the date the exceptions are filed.

20 (6) The office ~~department~~ may disapprove any
21 acquisition subject to the provisions of this section by any
22 person or any affiliated person of such person who:

23 (a) Willfully violates this section;

24 (b) In violation of an order of the office ~~department~~
25 issued pursuant to subsection (10), fails to divest himself or

2 complying with this section.

3 (7) The person or persons filing the statement
4 required by subsection (1) shall have the burden of proof. The
5 office ~~department~~ shall approve any such acquisition if it
6 finds, on the basis of the record made during any proceeding
7 or on the basis of the filed statement if no proceeding is
8 conducted, that:

9 (a) Upon completion of the acquisition, the domestic
10 stock insurer will be able to satisfy the requirements for the
11 issuance of a license to write the line or lines of insurance
12 for which it is presently licensed;

13 (b) The financial condition of the acquiring person or
14 persons will not jeopardize the financial stability of the
15 insurer or prejudice the interests of its policyholders or the
16 public;

17 (c) Any plan or proposal which the acquiring person
18 has, or acquiring persons have, made:

19 1. To liquidate the insurer, sell its assets, or merge
20 or consolidate it with any person, or to make any other major
21 change in its business or corporate structure or management;
22 or

23 2. To liquidate any controlling company, sell its
24 assets, or merge or consolidate it with any person, or to make
25 any major change in its business or corporate structure or
26 management which would have an effect upon the insurer

27

29 domestic stock insurer or to the public;

30 (d) The competence, experience, and integrity of those
31 persons who will control directly or indirectly the operation

1 of the domestic stock insurer indicate that the acquisition is
2 in the best interest of the policyholders of the insurer and
3 in the public interest;

4 (e) The natural persons for whom background
5 information is required to be furnished pursuant to this
6 section have such backgrounds as to indicate that it is in the
7 best interests of the policyholders of the domestic stock
8 insurer, and in the public interest, to permit such persons to
9 exercise control over such domestic stock insurer;

10 (f) The officers and directors to be employed after
11 the acquisition have sufficient insurance experience and
12 ability to assure reasonable promise of successful operation;

13 (g) The management of the insurer after the
14 acquisition will be competent and trustworthy and will possess
15 sufficient managerial experience so as to make the proposed
16 operation of the insurer not hazardous to the insurance-buying
17 public;

18 (h) The management of the insurer after the
19 acquisition will not include any person who has directly or
20 indirectly through ownership, control, reinsurance
21 transactions, or other insurance or business relations
22 unlawfully manipulated the assets, accounts, finances, or
23 books of any insurer or otherwise acted in bad faith with
24 respect thereto;

25 (i) The acquisition is not likely to be hazardous or
26 prejudicial to the insurer's policyholders or the public; and

27 (j) The effect of the acquisition of control would not
28 substantially lessen competition in insurance in this state or
29 would not tend to create a monopoly therein.

30 (8) No vote by the stockholder of record, or by any
31 other person, of any security acquired in contravention of the

1 provisions of this section is valid. Any acquisition of any
2 security contrary to the provisions of this section is void.
3 Upon the petition of the domestic stock insurer or controlling
4 company, the circuit court for the county in which the
5 principal office of such domestic stock insurer is located
6 may, without limiting the generality of its authority, order
7 the issuance or entry of an injunction or other order to
8 enforce the provisions of this section. There shall be a
9 private right of action in favor of the domestic stock insurer
10 or controlling company to enforce the provisions of this
11 section. No demand upon the office ~~department~~ that it perform
12 its functions shall be required as a prerequisite to any suit
13 by the domestic stock insurer or controlling company against
14 any other person, and in no case shall the office ~~department~~
15 be deemed a necessary party to any action by such domestic
16 stock insurer or controlling company to enforce the provisions
17 of this section. Any person who makes or proposes an
18 acquisition requiring the filing of a statement pursuant to
19 this section, or who files such a statement, shall be deemed
20 to have thereby designated the Chief Financial Officer
21 ~~Insurance Commissioner and Treasurer~~, or his or her assistant
22 or deputy or another person in charge of his or her office, as

24 and shall thereby be deemed to have submitted himself or
25 herself to the administrative jurisdiction of the office
26 ~~department~~ and to the jurisdiction of the circuit court.

27 (9) Any approval by the office ~~department~~ under this
28 section does not constitute a recommendation by the office
29 ~~department~~ for an acquisition, tender offer, or exchange
30 offer. It is unlawful for a person to represent that the
31 office's ~~department's~~ approval constitutes a recommendation. A

1 person who violates the provisions of this subsection is
2 guilty of a felony of the third degree, punishable as provided
3 in s. 775.082, s. 775.083, or s. 775.084. The
4 statute-of-limitations period for the prosecution of an
5 offense committed under this subsection is 5 years.

6 (10) Upon notification to the office ~~department~~ by the
7 domestic stock insurer or a controlling company that any
8 person or any affiliated person of such person has acquired 5
9 percent or more of the outstanding voting securities of the
10 domestic stock insurer or controlling company without
11 complying with the provisions of this section, the office
12 ~~department~~ shall order that the person and any affiliated
13 person of such person cease acquisition of any further
14 securities of the domestic stock insurer or controlling
15 company; however, the person or any affiliated person of such
16 person may request a proceeding, which proceeding shall be
17 convened within 7 days after the rendering of the order for
18 the sole purpose of determining whether the person,
19 individually or in connection with any affiliated person of
20 such person, has acquired 5 percent or more of the outstanding
21 voting securities of a domestic stock insurer or controlling
22 company. Upon the failure of the person or affiliated person
23 to request a hearing within 7 days, or upon a determination at
24 a hearing convened pursuant to this subsection that the person
25 or affiliated person has acquired voting securities of a
26 domestic stock insurer or controlling company in violation of
27 this section, the office ~~department~~ may order the person and
28 affiliated person to divest themselves of any voting
29 securities so acquired.

30

15 revocation pursuant to paragraph (a), the insurer shall be
16 deemed to be in such condition, or to be using or to have been
17 subject to such methods or practices in the conduct of its

12 be approved by vote of not less than two-thirds of each

6 time within 5 years next preceding the date such liquidation
7 was authorized or ordered, or date of last termination of the
8 insurer's certificate of authority, whichever date is the

14 be entitled to share in distribution of the insurer's assets,
15 it may enlarge the 5 years' qualification period above

28 shall or shall not constitute a liability of the underwriting
29 member as to its funds other than such excess of surplus, as
30 stipulated in the agreement. No commission or promotion
31 expense shall be paid in connection with any such loan. The

1 use of any surplus note and any repayments thereof shall be
2 subject to the approval of the office ~~department~~.

7 the agreement, nor be the basis of any setoff; but until
8 repayment, financial statements filed or published by an
9 underwriting member shall show as a footnote thereto the

12 ~~department~~.

13 (4) In the case of withdrawal of trusted assets
14 deposited in another state in which the insurer is authorized
15 to do business, it shall be sufficient if the trust agreement
16 requires similar written approval of the insurance supervisory

17 prior written approval of the office ~~department~~ and subject to
18 the final approval of the office ~~department~~, domesticate its
19 United States branch, if entered through this state, by
20 entering into an agreement in writing with the domestic
21 insurer providing for the acquisition by the domestic insurer
22 of all the liabilities of the United States branch for no

21 approving, adopting, and authorizing the execution of the
22 domestication agreement, shall be submitted to the office
23 ~~department~~ for its approval. The office ~~department~~ shall
24 thereupon consider the agreement; and, if it finds that the

25 within the United States of the United States branch; and such
26 deposits shall be deemed to be assets of the domestic insurer
27 and shall be reported as such in the annual financial

22 would violate a stay against legal proceedings involving an
23 insurer that is the subject of delinquency proceedings or
24 would violate any orders of the circuit court governing a
25 delinquency proceeding. The person denied service may petition
26 the circuit court having jurisdiction over the delinquency
27 proceeding for relief from the receiver's refusal to accept
28 service. This subsection shall be strictly construed and any
29 purported service on the receiver or the department that is
30 not in accordance with this subsection shall be null and void.

12 (1) The association shall:

14 existing:

15 a. Prior to adjudication of insolvency and arising
16 within 30 days after the determination of insolvency;

17 b. Before the policy expiration date if less than 30
18 days after the determination; or

19 c. Before the insured replaces the policy or causes
20 its cancellation, if she or he does so within 30 days of the
21 determination.

22 2. The obligation under subparagraph 1. shall include
23 only that amount of each covered claim which is in excess of
24 \$100 and is less than \$300,000, except with respect to
25 policies covering condominium associations or homeowners'
26 associations, which associations have a responsibility to
27 provide insurance coverage on residential units within the
28 association, the obligation shall include that amount of each
29 covered property insurance claim which is less than \$100,000
30 multiplied by the number of condominium units or other
31 residential units; however, as to homeowners' associations,

1 this subparagraph applies only to claims for damage or loss to
2 residential units and structures attached to residential
3 units.

4 3. In no event shall the association be obligated to a
5 policyholder or claimant in an amount in excess of the
6 obligation of the insolvent insurer under the policy from
7 which the claim arises.

8
9 ~~The foregoing notwithstanding, the association shall have no~~
10 ~~obligation to pay covered claims to be paid from the proceeds~~
11 ~~of bonds issued under s. 166.111(2). However, the association~~
12 ~~shall cause assessments to be made under paragraph (3)(e) for~~
13 ~~such covered claims, and such assessments shall be assigned~~
14 ~~and pledged under paragraph (3)(e) to or on behalf of the~~
15 ~~issuer of such bonds for the benefit of the holders of such~~
16 ~~bonds. The association shall administer any such covered~~
17 ~~claims and present valid covered claims for payment in~~
18 ~~accordance with the provisions of the assistance program in~~
19 ~~connection with which such bonds have been issued.~~

20 (b) Be deemed the insurer to the extent of its
21 obligation on the covered claims, and, to such extent, shall
22 have all rights, duties, defenses, and obligations of the
23 insolvent insurer as if the insurer had not become insolvent.
24 In no event shall the association be liable for any penalties
25 or interest.

26 (3)(a) To the extent necessary to secure the funds for
27 the respective accounts for the payment of covered claims and
28 also to pay the reasonable costs to administer the same, the
29 office department, upon certification of the board of
30 directors, shall levy assessments in the proportion that each
31 insurer's net direct written premiums in this state in the

1 classes protected by the account bears to the total of said
2 net direct written premiums received in this state by all such
3 insurers for the preceding calendar year for the kinds of
4 insurance included within such account. Assessments shall be
5 remitted to and administered by the board of directors in the
6 manner specified by the approved plan. Each insurer so
7 assessed shall have at least 30 days' written notice as to the
8 date the assessment is due and payable. Every assessment
9 shall be made as a uniform percentage applicable to the net
10 direct written premiums of each insurer in the kinds of
11 insurance included within the account in which the assessment
12 is made. The assessments levied against any insurer shall not
13 exceed in any one year more than 2 percent of that insurer's
14 net direct written premiums in this state for the kinds of
15 insurance included within such account during the calendar
16 year next preceding the date of such assessments.

17 (b) If sufficient funds from such assessments,
18 together with funds previously raised, are not available in
19 any one year in the respective account to make all the
20 payments or reimbursements then owing to insurers, the funds
21 available shall be prorated and the unpaid portion shall be
22 paid as soon thereafter as funds become available.

23 (c) Assessments shall be included as an appropriate
24 factor in the making of rates.

25 (d) No state funds of any kind shall be allocated or
26 paid to said association or any of its accounts.

27 ~~(e)1.a. In addition to assessments otherwise~~
28 ~~authorized in paragraph (a), as a temporary measure related to~~
29 ~~insolvencies caused by Hurricane Andrew, and to the extent~~
30 ~~necessary to secure the funds for the account specified in s.~~
31 ~~631.55(2)(c), or to retire indebtedness, including, without~~

1 ~~limitation, the principal, redemption premium, if any, and~~
2 ~~interest on, and related costs of issuance of, bonds issued~~
3 ~~under s. 166.111(2), and the funding of any reserves and other~~
4 ~~payments required under the bond resolution or trust indenture~~
5 ~~pursuant to which such bonds have been issued, the department,~~
6 ~~upon certification of the board of directors, shall levy~~
7 ~~assessments upon insurers holding a certificate of authority~~
8 ~~as follows:~~

9 ~~(I) Except as provided in sub-sub-subparagraph (II),~~
10 ~~the assessments payable under this paragraph by any insurer~~
11 ~~shall not exceed in any 1 year more than 2 percent of that~~
12 ~~insurer's direct written premiums, net of refunds, in this~~
13 ~~state during the preceding calendar year for the kinds of~~
14 ~~insurance within the account specified in s. 631.55(2)(c).~~

15 ~~(II) If the amount levied under sub-sub-subparagraph~~
16 ~~(I) is less than 2 percent of the insurer's direct written~~
17 ~~premiums, net of refunds, in this state during calendar year~~
18 ~~1991 for the kinds of insurance within the account specified~~
19 ~~in s. 631.55(2)(c), in addition to and separate from such~~
20 ~~assessment, the assessment shall also include the difference~~
21 ~~between the amount calculated based on calendar year 1991 and~~
22 ~~the amount determined under sub-sub-subparagraph (I). If this~~
23 ~~sub-sub-subparagraph is held invalid, the invalidity shall not~~
24 ~~affect other provisions of this section, and to this end the~~
25 ~~provisions of this section are declared severable.~~

26 ~~(III) In addition to any other insurers subject to~~
27 ~~this subparagraph, this subparagraph also applies to any~~
28 ~~insurer that held a certificate of authority on August 24,~~
29 ~~1992. If this sub-sub-subparagraph is held invalid, the~~
30 ~~invalidity shall not affect other provisions of this section,~~

31

1 ~~and to this end the provisions of this section are declared~~
2 ~~severable.~~

3 ~~b. Any assessments authorized under this paragraph~~
4 ~~shall be levied by the department upon insurers referred to in~~
5 ~~sub-subparagraph a., upon certification as to the need~~
6 ~~therefor by the board of directors, in 1992 and in each year~~
7 ~~that bonds issued under s. 166.111(2) are outstanding, in such~~
8 ~~amounts up to such 2 percent limit as required in order to~~
9 ~~provide for the full and timely payment of the principal of,~~
10 ~~redemption premium, if any, and interest on, and related costs~~
11 ~~of, issuance of bonds issued under s. 166.111(2). The~~
12 ~~assessments provided for in this paragraph are hereby assigned~~
13 ~~and pledged to a municipality issuing bonds under s.~~
14 ~~166.111(2)(b), for the benefit of the holders of such bonds,~~
15 ~~in order to enable such municipality to provide for the~~
16 ~~payment of the principal of, redemption premium, if any, and~~
17 ~~interest on such bonds, the cost of issuance of such bonds,~~
18 ~~and the funding of any reserves and other payments required~~
19 ~~under the bond resolution or trust indenture pursuant to which~~
20 ~~such bonds have been issued, without the necessity of any~~
21 ~~further action by the association, the department, or any~~
22 ~~other party. To the extent that bonds are issued under s.~~
23 ~~166.111(2), the proceeds of assessments levied under this~~
24 ~~paragraph shall be remitted directly to and administered by~~
25 ~~the trustee appointed for such bonds.~~

26 ~~c. Assessments under this paragraph shall be payable~~
27 ~~in 12 monthly installments with the first installment being~~
28 ~~due and payable at the end of the month after an assessment is~~
29 ~~levied, and subsequent installments being due not later than~~
30 ~~the end of each succeeding month.~~

31

1 ~~d. The association shall issue a monthly report on the~~
2 ~~status of the use of the bond proceeds as related to~~
3 ~~insolvencies caused by Hurricane Andrew. The report must~~
4 ~~contain the number of claims paid and the amount of claims~~
5 ~~paid. The association shall also include an analysis of the~~
6 ~~revenue generated from the additional assessment levied under~~
7 ~~this subsection. The report must be sent to the Legislature~~
8 ~~and the Insurance Commissioner monthly.~~

9 ~~2. In order to assure that insurers paying assessments~~
10 ~~levied under this paragraph continue to charge rates that are~~
11 ~~neither inadequate nor excessive, within 90 days after being~~
12 ~~notified of such assessments, each insurer that is to be~~
13 ~~assessed pursuant to this paragraph shall make a rate filing~~
14 ~~for coverage included within the account specified in s.~~
15 ~~631.55(2)(c) and for which rates are required to be filed~~
16 ~~under s. 627.062. If the filing reflects a rate change that,~~
17 ~~as a percentage, is equal to the difference between the rate~~
18 ~~of such assessment and the rate of the previous year's~~
19 ~~assessment under this paragraph, the filing shall consist of a~~
20 ~~certification so stating and shall be deemed approved when~~
21 ~~made, subject to the department's continuing authority to~~
22 ~~require actuarial justification as to the adequacy of any rate~~
23 ~~at any time. Any rate change of a different percentage shall~~
24 ~~be subject to the standards and procedures of s. 627.062.~~

12 pursuant to ss. 120.536(1) and 120.54 to implement the
13 provisions of this chapter conferring powers or duties upon
14 the department. Rules shall be in substantial conformity with
15 generally accepted standards of firesafety; shall take into
16 consideration the direct supervision of children in
17 nonresidential child care facilities; and shall balance and
18 temper the need of the State Fire Marshal to protect all
19 Floridians from fire hazards with the social and economic
20 inconveniences that may be caused or created by the rules. The
21 department shall adopt the Florida Fire Prevention Code and
22 the Life Safety Code.

23 Section 1392. Subsection (1) of section 633.022,
24 Florida Statutes, is amended to read:

25 633.022 Uniform firesafety standards.--The Legislature
26 hereby determines that to protect the public health, safety,
27 and welfare it is necessary to provide for firesafety
28 standards governing the construction and utilization of
29 certain buildings and structures. The Legislature further
30 determines that certain buildings or structures, due to their
31 specialized use or to the special characteristics of the

1 person utilizing or occupying these buildings or structures,
2 should be subject to firesafety standards reflecting these
3 special needs as may be appropriate.

4 (1) The department ~~of insurance~~ shall establish
5 uniform firesafety standards that apply to:

6 (a) All new, existing, and proposed state-owned and

15 facilities for the developmentally disabled, motion picture
16 and television special effects productions, and self-service
17 gasoline stations, of which standards the State Fire Marshal
18 is the final administrative interpreting authority.

19
20 In the event there is a dispute between the owners of the
21 buildings specified in paragraph (b) and a local authority
22 requiring a more stringent uniform firesafety standard for
23 sprinkler systems, the State Fire Marshal shall be the final
24 administrative interpreting authority and the State Fire
25 Marshal's interpretation regarding the uniform firesafety
26 standards shall be considered final agency action.

27 Section 1393. Subsection (4) of section 633.025,
28 Florida Statutes, is amended to read:

29 633.025 Minimum firesafety standards.--

30 (4) Such codes shall be minimum codes and a
31 municipality, county, or special district with firesafety

1 responsibilities may adopt more stringent firesafety
2 standards, subject to the requirements of this subsection.
3 Such county, municipality, or special district may establish
4 alternative requirements to those requirements which are
5 required under the minimum firesafety standards on a
6 case-by-case basis, in order to meet special situations
7 arising from historic, geographic, or unusual conditions, if
8 the alternative requirements result in a level of protection
9 to life, safety, or property equal to or greater than the
10 applicable minimum firesafety standards. For the purpose of
11 this subsection, the term "historic" means that the building
12 or structure is listed on the National Register of Historic
13 Places of the United States Department of the Interior.

14 (a) The local governing body shall determine,
15 following a public hearing which has been advertised in a
16 newspaper of general circulation at least 10 days before the
17 hearing, if there is a need to strengthen the requirements of
18 the minimum firesafety code adopted by such governing body.
19 The determination must be based upon a review of local
20 conditions by the local governing body, which review
21 demonstrates that local conditions justify more stringent
22 requirements than those specified in the minimum firesafety
23 code for the protection of life and property or justify
24 requirements that meet special situations arising from
25 historic, geographic, or unusual conditions.

26 (b) Such additional requirements shall not be
27 discriminatory as to materials, products, or construction
28 techniques of demonstrated capabilities.

29 (c) Paragraphs (a) and (b) apply solely to the local
30 enforcing agency's adoption of requirements more stringent
31 than those specified in the Florida Fire Prevention Code and

1 the Life Safety Code that have the effect of amending building
2 construction standards. Upon request, the enforcing agency
3 shall provide a person making application for a building
4 permit, or any state agency or board with construction-related
5 regulation responsibilities, a listing of all such
6 requirements and codes.

7 (d) A local government which adopts amendments to the
8 minimum firesafety code must provide a procedure by which the
9 validity of such amendments may be challenged by any
10 substantially affected party to test the amendment's
11 compliance with the provisions of this section.

12 1. Unless the local government agrees to stay
13 enforcement of the amendment, or other good cause is shown,
14 the challenging party shall be entitled to a hearing on the
15 challenge within 45 days.

16 2. For purposes of such challenge, the burden of proof
17 shall be on the challenging party, but the amendment shall not
18 be presumed to be valid or invalid.

19
20 This subsection gives local government the authority to
21 establish firesafety codes that exceed the minimum firesafety
22 codes and standards adopted by the State Fire Marshal. The
23 Legislature intends that local government give proper public
24 notice and hold public hearings before adopting more stringent
25 firesafety codes and standards. A substantially affected
26 person may appeal, to the department ~~of Insurance~~, the local
27 government's resolution of the challenge, and the department
28 shall determine if the amendment complies with this section.
29 Actions of the department are subject to judicial review
30 pursuant to s. 120.68. The department shall consider reports
31

1 of the Florida Building Commission, pursuant to part VII of
2 chapter 553, when evaluating building code enforcement.

3 Section 1394. Paragraph (a) of subsection (1) of
4 section 633.052, Florida Statutes, is amended to read:

18 Florida Statutes, is amended to read:

19 633.061 Fire suppression equipment; license to install
20 or maintain.--

21 (7) The fees collected for any such licenses and

23 are hereby appropriated for the use of the State Fire Marshal
24 in the administration of this chapter and shall be deposited
25 in the Insurance ~~Commissioner's~~ Regulatory Trust Fund.

26 Section 1396. Subsections (4) and (7) of section
27 633.081, Florida Statutes, are amended to read:

28 633.081 Inspection of buildings and equipment; orders;
29 firesafety inspection training requirements; certification;
30 disciplinary action.--The State Fire Marshal and her or his
31 agents shall, at any reasonable hour, when the department has

1 reasonable cause to believe that a violation of this chapter
2 or s. 509.215, or a rule promulgated thereunder, or a minimum
3 firesafety code adopted by a local authority, may exist,
4 inspect any and all buildings and structures which are subject
5 to the requirements of this chapter or s. 509.215 and rules
6 promulgated thereunder. The authority to inspect shall extend
7 to all equipment, vehicles, and chemicals which are located
8 within the premises of any such building or structure.

9 (4) A firefighter certified pursuant to s. 633.35 may
10 conduct firesafety inspections, under the supervision of a
11 certified firesafety inspector, while on duty as a member of a
12 fire department company conducting inservice firesafety
13 inspections without being certified as a firesafety inspector,
14 if such firefighter has satisfactorily completed an inservice
15 fire department company inspector training program of at least
16 24 hours' duration as provided by rule of the department ~~of~~
17 insurance.

18 (7) The department ~~of insurance~~ shall provide by rule
19 for the certification of firesafety inspectors.

20 Section 1397. Section 633.111, Florida Statutes, is
21 amended to read:

22 633.111 State Fire Marshal to keep records of fires;
23 reports of agents.--The State Fire Marshal shall keep in her
24 or his office a record of all fires occurring in this state
25 upon which she or he had caused an investigation to be made
26 and all facts concerning the same. These records, obtained or
27 prepared by the State Fire Marshal pursuant to her or his
28 investigation, include documents, papers, letters, maps,
29 diagrams, tapes, photographs, films, sound recordings, and
30 evidence. These records are confidential and exempt from the
31 provisions of s. 119.07(1) until the investigation is

1 completed or ceases to be active. For purposes of this
2 section, an investigation is considered "active" while such
3 investigation is being conducted by the department with a
4 reasonable, good faith belief that it may lead to the filing
5 of administrative, civil, or criminal proceedings. An
6 investigation does not cease to be active if the department is
7 proceeding with reasonable dispatch, and there is a good faith
8 belief that action may be initiated by the department or other
9 administrative or law enforcement agency. Further, these
10 documents, papers, letters, maps, diagrams, tapes,
11 photographs, films, sound recordings, and evidence relative to
12 the subject of an investigation shall not be subject to
13 subpoena until the investigation is completed or ceases to be
14 active, unless the State Fire Marshal consents. These records
15 shall be made daily from the reports furnished the State Fire
16 Marshal by her or his agents or others. Whenever the State
17 Fire Marshal releases an investigative report, any person
18 requesting a copy of the report shall pay in advance, and the
19 State Fire Marshal shall collect in advance, notwithstanding
20 the provisions of s. 624.501(19)(a) and (b), a fee of \$10 for
21 the copy of the report, which fee shall be deposited into the
22 Insurance ~~Commissioner's~~ Regulatory Trust Fund. The State Fire

25 safety, or property.

26 (d) A building or structure which contains explosive

14 in its discretion and without advance notice or hearing issue
15 an immediate final order to cease and desist to any person or
16 entity which violates this section. The Legislature finds that
17 a violation of this section constitutes an imminent and
18 immediate threat to the public health, safety, and welfare of
19 the residents of this state.

20 Section 1418. Section 634.041, Florida Statutes, is
21 amended to read:

22 634.041 Qualifications for license.--To qualify for
23 and hold a license to issue service agreements in this state,
24 a service agreement company must be in compliance with this
25 part, with applicable rules of the commission ~~department~~, with
26 related sections of the Florida Insurance Code, and with its
27 charter powers and must comply with the following:

28 (1) Any service agreement company applying for a
29 license must be a solvent corporation formed under the laws of
30 this state or of another state or district of the United
31 States and must meet minimum requirements under this section.

1 (2) The service agreement company must furnish the
2 office ~~department~~ with evidence satisfactory to the office
3 ~~department~~ that the management of the company is competent and
4 trustworthy and can successfully and lawfully manage its
5 affairs.

6 (3) The service agreement company must make the
7 deposit required under s. 634.052.

8 (4) A service agreement company may not be licensed to
9 transact service agreement business in this state unless it
10 maintains the required reserves and the required ratio of
11 liquid assets to the required reserves.

12 (5) A service agreement company may not be licensed to
13 transact service agreement business in this state if, during
14 the 3 years immediately preceding its application for a
15 license, it has violated any requirement of this part or a
16 rule adopted thereunder.

17 (6) In order to obtain or maintain a license, a
18 service agreement company must have and maintain minimum net
19 assets of \$500,000. However, a service agreement company that
20 maintains a gross written premium of less than \$750,000 at all
21 times, that has been licensed in Florida for more than 5
22 years, and that has never had an administrative complaint
23 filed by the office ~~department~~ against its operations under
24 this part may reach this net asset requirement in equal
25 increments over a 5-year period beginning on October 1, 1991.

26 (7) All assets used to maintain the minimum net asset
27 requirement must be maintained in the United States.

28 (8)(a) A service agreement company must establish and
29 maintain an unearned premium reserve in accordance with the
30 following:

31

1 1. It must consist of unencumbered assets equal to a
2 minimum of 50 percent of the unearned gross written premium on
3 each service agreement and must amortize this reserve pro rata
4 over the duration of the service agreement. Such assets must
5 be held in the form of cash or invested in securities for
6 investment under ss. 625.301-625.340.

7 2. In addition to the net asset requirements set forth
8 in subsection (6), a company utilizing the 50-percent reserve
9 must not allow its ratio of gross written premium in force to
10 net assets to exceed 10 to 1. For companies that have
11 utilized both contractual liability insurance and the
12 50-percent reserve, this ratio must be calculated based only
13 on that portion of gross written premium in force which is
14 covered by the 50-percent reserve.

15 3. A company that uses an unearned premium reserve
16 must deposit with the department securities of the type
17 eligible for deposit by insurers under s. 625.52 equal to 15
18 percent of the unearned premium reserve. This reserve deposit
19 may be included as an asset for calculating the requirement of
20 subparagraph 1. A request for release of the reserve deposit
21 may be made quarterly only after the office ~~department~~ has
22 approved the company's current quarterly or annual financial
23 statement and a statement sworn to by two officers of the
24 company, verifying that the release will not reduce the
25 reserve deposit to less than 15 percent of the unearned
26 premium reserve.

27 (b) A service agreement company does not have to
28 establish and maintain an unearned premium reserve if it
29 purchases and maintains contractual liability insurance in
30 accordance with the following:
31

1 1. The insurance covers 100 percent of its claim
2 exposure and is obtained from an insurer approved by the
3 office department which holds a certificate of authority to do
4 business within this state.

5 2. If the service agreement company does not meet its
6 contractual obligations, the contractual liability insurance
7 policy binds its issuer to pay or cause to be paid to the
8 service agreement holder all legitimate claims and
9 cancellation refunds for all service agreements issued by the
10 service agreement company while the policy was in effect.
11 This requirement also applies to those service agreements for
12 which no premium has been remitted to the insurer.

13 3. If the issuer of the contractual liability policy
14 is fulfilling the service agreements covered by the
15 contractual liability policy and the service agreement holder
16 cancels the service agreement, the issuer must make a full
17 refund of unearned premium to the consumer, subject to the
18 cancellation fee provisions of s. 634.121(5). The sales
19 representative and agent must refund to the contractual
20 liability policy issuer their unearned pro rata commission.

21 4. The policy may not be canceled, terminated, or
22 nonrenewed by the insurer or the service agreement company
23 unless a 90-day written notice thereof has been given to the
24 office department by the insurer before the date of the
25 cancellation, termination, or nonrenewal.

26 5. The service agreement company must provide the
27 office department with the claims statistics.

28
29 All funds or premiums remitted to an insurer by a motor
30 vehicle service agreement company under this part shall remain
31 in the care, custody, and control of the insurer and shall be

1 counted as an asset of the insurer; provided, however, this
2 requirement does not apply when the insurer and the motor
3 vehicle service agreement company are affiliated companies and
4 members of an insurance holding company system. If the motor
5 vehicle service agreement company chooses to comply with this
6 paragraph but also maintains a reserve to pay claims, such
7 reserve shall only be considered an asset of the covered motor
8 vehicle service agreement company and may not be
9 simultaneously counted as an asset of any other entity.

10 (9) In meeting the requirements of this part, a
11 service agreement company may not utilize both the 50-percent
12 reserve and contractual liability insurance simultaneously.
13 However, a company may have contractual liability coverage on
14 service agreements previously sold and sell new service
15 agreements covered by the 50-percent reserve, and the converse
16 of this is also allowed. A service agreement company must be
17 able to distinguish how each individual service agreement is
18 covered.

19 (10) In addition to information called for and
20 furnished with its annual statement, a service agreement
21 company must furnish to the office ~~department~~, as soon as
22 reasonably possible, any information as to its transactions or
23 affairs that the office ~~department~~ requests in writing. All
24 information furnished pursuant to the request of the office
25 ~~department~~ must be verified by the oath of two executive
26 officers of the service agreement company.

27 (11) A service agreement company offering service
28 agreements providing vehicle protection expenses may meet the
29 requirements for this part only by maintaining contractual
30 liability insurance in accordance with paragraph (8)(b), which
31 insurance must be issued by an insurance company not

1 affiliated with the service agreement company, unless the
2 insurance company had issued a contractual liability insurance
3 policy to a service agreement company on or before January 1,
4 2002. Service agreements providing vehicle protection
5 expenses may be sold only to a service agreement holder that
6 has in-force comprehensive motor vehicle insurance coverage
7 for the vehicle to be covered by the service agreement.

8 Section 1419. Section 634.044, Florida Statutes, is
9 amended to read:

10 634.044 Assets and liabilities.--

11 (1) ASSETS.--In any determination of the financial
12 condition of a service agreement company, there shall be
13 allowed as assets only those assets that are owned by the

19 States.

20 (b) Investments, securities, properties, and loans
21 acquired or held in accordance with this part, and in

31 interest thereon.

1 4. Interest due or accrued on deposits or certificates
2 of deposit in solvent banks, savings and loan associations,
3 and trust companies domiciled in the United States, and
4 interest due or accrued on other assets, if such interest is
5 in the judgment of the office ~~department~~ a collectible asset.

6 5. Interest due or accrued on current mortgage loans,
7 in an amount not exceeding in any event the amount, if any, of
8 the excess of the value of the property less delinquent taxes
9 thereon over the unpaid principal; but in the property less
10 delinquent taxes thereon over the unpaid principal; but in no
11 event shall interest accrued for a period in excess of 90 days
12 be allowed as an asset.

13 6. Rent due or accrued on real property if such rent
14 is not in arrears for more than 3 months. However, in no
15 event shall rent accrued for a period in excess of 90 days be
16 allowed as an asset.

17 7. The unaccrued portion of taxes paid prior to the
18 due date on real property.

19 (c) Furniture, fixtures, furnishings, vehicles, and
20 equipment, if the original cost of each item is at least \$200,
21 which cost shall be amortized in full over a period not to
22 exceed 5 calendar years, unless otherwise approved by the
23 office ~~department~~.

24 (d) Part inventories maintained for the purpose of
25 servicing products warranted. Part inventories must be listed
26 at cost. Service agreement companies are required to maintain
27 records to support valuation of part inventories.

28 (e) The liquidation value of prepaid expenses.

29 (f) Other assets or receivables, not inconsistent with
30 the provisions of this section, deemed by the office

31

1 ~~department~~ to be available for the payment of losses and
2 claims, at values to be determined by the office ~~department~~.

3
4 The office ~~department~~, upon determining that a service
5 agreement company's asset has not been evaluated according to
6 applicable law or that it does not qualify as an asset, shall
7 require the service agreement company to properly reevaluate
8 the asset or replace the asset with an asset suitable to the
9 office ~~department~~ within 30 days of written notification by
10 the office ~~department~~ of this determination, if the removal of
11 the asset from the organization's assets would impair the
12 company's solvency.

13 (2) ASSETS NOT ALLOWED.--In addition to assets
14 impliedly excluded by the provisions of subsection (1), the
15 following assets expressly shall not be allowed as assets in
16 any determination of the financial condition of a service
17 agreement company:

18 (a) Goodwill, agreement holder lists, patents, trade
19 names, agreements not to compete, and other like intangible
20 assets.

21 (b) Any note or account receivable from or advances to
22 officers, directors, or controlling stockholders, whether
23 secured or not, and advances to employees, agents, or other
24 persons on personal security only.

25 (c) Stock of the service agreement company owned by it
26 directly or owned by it through any entity in which the
27 organization owns or controls, directly or indirectly, more
28 than 25 percent of the ownership interest.

29 (d) Leasehold improvements, stationery, and
30 literature, except that leasehold improvements made prior to
31

1 October 1, 1991, shall be allowed as an asset and shall be
2 amortized over the shortest of the following periods:

- 3 1. The life of the lease.
- 4 2. The useful life of the improvements.
- 5 3. The 3-year period following October 1, 1991.

6 (e) Furniture, fixtures, furnishings, vehicles, and
7 equipment, other than those items authorized under paragraph
8 (1)(c).

9 (f) Notes or other evidences of indebtedness which are
10 secured by mortgages or deeds of trust which are in default
11 and beyond the express period specified in the instrument for
12 curing the default.

13 (g) Bonds in default for more than 60 days.

14 (h) Deferred costs other than the liquidation value of
15 prepaid expenses except for those companies that reserve 100
16 percent of gross written premium.

17 (i) Any note, account receivable, advance, or other
18 evidence of indebtedness, or investment in:

- 19 1. The parent of the service agreement company;
- 20 2. Any entity directly or indirectly controlled by the
21 service agreement company parent;

22 3. An affiliate of the parent or the service agreement
23 company; however, receivables from the parent or affiliated
24 companies shall be considered an admitted asset of the company
25 when the office ~~department~~ is satisfied that the repayment of
26 receivables, loans, and advances from the parent or the
27 affiliated company are guaranteed by an organization in
28 accordance with s. 634.045; or

- 29 4. Officers, directors, shareholders, employees, or

6 ~~department~~, if deemed by the office ~~department~~ to be available
7 for the payment of losses and claims.

8 (3) LIABILITIES.--In any determination of the
9 financial condition of a service agreement company,
10 liabilities to be charged against its assets shall include,
11 but not be limited to:

12 (a) The amount, in conformity with generally accepted

26 days of receipt of written notification.

27 Section 1420. Subsections (2) and (4) of section
28 634.045, Florida Statutes, are amended to read:

31 634.041, the motor vehicle service agreement company shall

1 provide a written guarantee to assure repayment of all
2 receivables, loans, and advances from affiliated companies,
3 provided that the written guarantee is made by a guaranteeing
4 organization which:

5 (2) Submits a guarantee that is approved by the office
6 ~~department~~ as meeting the requirements of this part, provided
7 that the written guarantee contains a provision which requires
8 that the guarantee be irrevocable unless the guaranteeing
9 organization can demonstrate to the office ~~department~~ that the
10 cancellation of the guarantee will not result in the net
11 assets of the motor vehicle service agreement company falling
12 below its minimum net asset requirement and the office
13 ~~department~~ approves cancellation of the guarantee.

14 (4) Submits annually, within 3 months after the end of
15 its fiscal year, an audited financial statement certified by
16 an independent certified public accountant, prepared in
17 accordance with generally accepted accounting principles. The
18 office ~~department~~ may, as it deems necessary, require
19 quarterly financial statements from the guaranteeing
20 organization.

21 Section 1421. Section 634.052, Florida Statutes, is
22 amended to read:

23 634.052 Required deposit.--

24 (1) To assure the faithful performance of its
25 obligations to its members or subscribers, each motor vehicle
26 service agreement company shall, prior to issuance of its
27 license by the office ~~department~~, deposit with the department
28 securities of the type eligible for deposit by insurers under
29 s. 625.52 and having at all times a market value of not less
30 than \$200,000; however, service agreement companies
31 maintaining an unearned gross written premium of less than

1 \$750,000 shall have on deposit with the department \$100,000.
2 After 1 year from the date of initial licensure, a service
3 agreement company may file a request for the release of a
4 portion of the deposit and thereafter requests may be made
5 quarterly. A request may be granted only after the office
6 ~~department~~ has received and approved the company's current
7 quarterly or annual financial statement. However, at no time
8 shall the deposit be less than \$100,000.

9 (2) In addition to the deposits otherwise required
10 pursuant to this section, the office ~~department~~ may, after
11 notice and hearing, require any company for good cause shown
12 to deposit and maintain deposited in trust for the protection
13 of the contract holders and creditors of the company, for such
14 time as the office ~~department~~ deems necessary, securities
15 eligible for such deposit under s. 625.52 having a value of
16 not less than the amount which the office ~~department~~
17 determines is necessary, which amount shall be neither less
18 than \$100,000, nor more than \$500,000, depending on the

21 of all securities deposited with the department under this
22 act. Such securities shall not, on account of being in this
23 state, be subject to taxation, but shall be held exclusively
24 and solely to guarantee the faithful performance by the
25 company of its obligations to its members or subscribers.

26 (4) The depositing company shall, during its solvency,
27 have the right to exchange or substitute other securities of
28 like quality and value for securities so on deposit, to

30 securities, and to inspect the deposit at all reasonable
31 times.

1 (5) Such deposit shall be maintained unimpaired as
2 long as the company continues in business or from offices in
3 this state. Whenever the company ceases to do business in or
4 from offices in this state and furnishes to the office
5 ~~department~~ proof satisfactory to it that it has discharged or
6 otherwise adequately provided for all its obligations to its
7 members or subscribers in this state, the office and
8 department shall release the deposited securities to the
9 parties entitled thereto, on presentation of the receipts of
10 the department for such securities.

11 Section 1422. Section 634.053, Florida Statutes, is
12 amended to read:

13 634.053 Levy upon deposit limited.--A judgment
14 creditor or other claimant of a motor vehicle service
15 agreement company does not have the right to levy upon any of
16 the assets or securities held in this state as a deposit under
17 s. 634.052. However, to pay any unpaid obligation to this
18 state, the office ~~department~~ may levy upon any of the assets
19 of a motor vehicle service agreement company found to be
20 insolvent or found to be bankrupt by any court.

21 Section 1423. Subsections (1), (2), and (4) of section
22 634.061, Florida Statutes, are amended to read:

23 634.061 Application for and issuance of license.--

24 (1) A sworn application for a license as a motor
25 vehicle service agreement company shall be made to and filed
26 with the office ~~department~~ on forms as prescribed by the
27 commission and furnished by the office ~~it~~.

28 (2) In addition to information relative to its
29 qualifications as called for under s. 634.041, the application
30 shall show:

1 (b) The name and residence address of each director,
2 officer, and 10-percent or greater stockholder of the
3 applicant.

4 (c) Other pertinent information as required by the
5 commission or office ~~department~~.

6 (4) Upon completion of the application for license,
7 the office ~~department~~ shall examine the same and make such
8 further investigation of the applicant as it deems advisable.
9 If it finds that the applicant is qualified therefor under
10 this part, it shall issue to the applicant a license as a
11 motor vehicle service agreement company. If the office
12 ~~department~~ does not so find, it shall refuse to issue the
13 license.

14 Section 1424. Subsections (1), (2), (3), and (5) of
15 section 634.081, Florida Statutes, are amended to read:

16 634.081 Suspension or revocation of license;
17 grounds.--

18 (1) The office ~~department~~ may, in its discretion,
19 suspend or revoke the license of any motor vehicle service
20 agreement company if it finds that the company has violated
21 any lawful order of the office ~~department~~ or any provision of
22 this part.

23 (2) The office ~~department~~ shall suspend or revoke the
24 license of a motor vehicle service agreement company if it
25 finds that the company:

26 (a) Is impaired or insolvent as defined in s. 631.011
27 or in unsound condition, or in a condition, or using methods
28 and practices in the conduct of its business, as to render its
29 further transaction of service agreements in this state
30 hazardous or injurious to its service agreement holders or to
31 the public.

1 (b) Has refused to be examined or to produce its
2 accounts, records, and files for examination, or if any of its

8 (d) Has failed to pay any final judgment rendered
9 against it in this state within 90 days after the judgment

18 (f) Is affiliated with, or under the same general

24 written request of the agreement holder within a reasonable
25 time after notification of the claim.

26 (h) Fails to promptly provide a reasonable explanation
27 in writing if requested by the agreement holder of the basis
28 in the service agreement in relation to the facts or
29 applicable law for denial of a claim or for the offer of a
30 compromise settlement.

31

1 (3) The office ~~department~~ may, in its discretion,
2 suspend the license of any motor vehicle service agreement
3 company as to which a proceeding for receivership,
4 conservatorship, or rehabilitation or other delinquency
5 proceeding has been commenced against it or its affiliate in
6 any state.

7 (5) The office ~~department~~ shall suspend or revoke the
8 license of a company if it finds that the ratio of gross
9 written premiums written to net assets exceeds 10 to 1 unless
10 the company has in excess of \$750,000 in net assets and is
11 utilizing contractual liability insurance which cedes 100
12 percent of the service agreement company's claims liabilities
13 to the contractual liability insurer or is utilizing
14 contractual liability insurance which reimburses the service
15 agreement company for 100 percent of its paid claims.

16 However, if a service agreement company has been licensed by
17 the office ~~department~~ in excess of 10 years, is in compliance
18 with all applicable provisions of this part, and has net
19 assets at all times in excess of \$3 million that comply with
20 the provisions of part II of chapter 625, such company may not
21 exceed a ratio of gross written premiums written to net assets
22 of 15 to 1.

23 Section 1425. Paragraph (b) of subsection (3) of
24 section 634.095, Florida Statutes, is amended to read:

25 634.095 Prohibited acts.--Any service agreement
26 company or salesperson that engages in one or more of the

4 comply with this part, applicable provisions of the Florida
5 Insurance Code, or applicable rule of the commission
6 ~~department~~.

7 Section 1426. Section 634.101, Florida Statutes, is
8 amended to read:

10 license; effect; publication.--

11 (1) Suspension or revocation of the license of a
12 company shall be by the order of the office ~~department~~ mailed
13 to the company by registered or certified mail. The office

15 or revocation to the salespersons of the company in this state
16 of record with ~~in the office of~~ the department. The company

18 state during the period of any such suspension or revocation,

26 the effective date of the surrender or order of revocation, to
27 conclude its affairs transacted under this part. The service
28 agreement company shall not solicit, negotiate, advertise, or
29 effectuate new or renewal of service agreements. The office
30 ~~department~~ retains jurisdiction over the service agreement
31 company as it may find to be in the best interest of the

1 insured until all contracts have been fulfilled, canceled, or
2 expired.

3 Section 1427. Section 634.111, Florida Statutes, is
4 amended to read:

5 634.111 Duration of suspension; obligations of company
6 during suspension period; reinstatement.--

7 (1) The suspension of the license of a company shall
8 be for such period not to exceed 1 year as is fixed by the
9 office ~~department~~ in the order of suspension, unless the
10 office ~~department~~ shortens or rescinds such suspension or the
11 order upon which the suspension is based is modified,
12 rescinded, or reversed.

13 (2) During the period of suspension, the company shall
14 file its annual statement and quarterly reports, pay fees, pay
15 licenses, and pay taxes as required under this chapter as if
16 the license had continued in full force.

17 (3) Upon expiration of the suspension period, if
18 within such period the license has not otherwise terminated,
19 the license of the company shall be reinstated automatically
20 unless the office ~~department~~ finds that the causes of the
21 suspension have not been removed or that the company is

30 the absence of prior affirmative disapproval, the form becomes
31 approved.

24 (6) In lieu of the provisions of subsections (1)-(5)
25 of this section and s. 634.407, a manufacturer or affiliate as
26 defined in this part is eligible for licensure as a service
27 warranty association under the provisions of this part and
28 shall complete an application evidencing its qualifications as
29 set forth in this section. The application for license as a
30 service warranty association from a manufacturer or affiliate
31 shall be made to, and filed with, the office ~~department~~ on

1 printed forms as promulgated by the commission ~~department~~ to
2 be specifically and exclusively applicable to qualifying

23 part. Applicants shall be advised of any inadequate responses
24 or missing information.

25 (d) Information as required in this section shall be
26 updated as to changes thereto no less than two times annually,
27 once at the time of the submission of the service warranty
28 association's submission of its annual report, and the second
29 time, no later than September 30 of each year.

30 Section 1490. Section 634.405, Florida Statutes, is
31 amended to read:

1 634.405 Required deposit or bond.--

2 (1) To assure the faithful performance of its
3 obligations to its members or subscribers in the event of
4 insolvency, each service warranty association shall, before
5 the issuance of its license by the office ~~department~~ and
6 during such time as the association may have premiums in force
7 in this state, deposit and maintain with the department
8 securities of the type eligible for deposit by insurers under
9 s. 625.52. Whenever the market value of the securities
10 deposited with the department is less than 95 percent of the
11 amount required, the association shall deposit additional
12 securities or otherwise increase the deposit to the amount
13 required. Such securities shall have at all times a market
14 value as follows:

15 (a) Warrantors.--

16 1. Any warrantor which:

17 a. Was licensed under this part before October 1,
18 1983;

19 b. Was transacting service warranty business in this
20 state before June 14, 1978;

21 c. Has continuously transacted service warranty
22 business in this state since June 14, 1978; and

23 d. Has not during any year since June 14, 1978,
24 written more than \$100,000 of gross written premiums,

25
26 shall place and maintain in trust with the department an
27 amount equal to 50 percent of the gross written premiums in
28 force.

29 2. A warrantor which has \$300,000 or less of gross
30 written premiums in this state and to which the provisions of
31 subparagraph 1. do not apply shall place and maintain in trust

1 with the department an amount not less than \$50,000. A new
2 warrantor, before the issuance of its license and before
3 receiving any premiums, shall place and maintain in trust with
4 the department the amount of \$50,000.

5 3. A warrantor which has more than \$300,000 but less
6 than \$750,000 of gross written premiums in this state shall
7 place and maintain in trust with the department an amount not
8 less than \$75,000.

9 4. A warrantor which has \$750,000 or more of gross
10 written premiums in this state shall place and maintain in
11 trust with the department an amount equal to \$100,000.

12 5. All warrantors, upon receipt of written notice from
13 the office ~~department~~, shall have 30 calendar days in which to
14 make additional deposits.

15 (b) Warranty sellers.--A warranty seller shall, before
16 the issuance of its license, place in trust with the
17 department an amount not less than \$100,000.

18 (2) In lieu of any deposit of securities required
19 under subsection (1) and subject to the approval of the office
20 ~~department~~, the service warranty association may file with the
21 office ~~department~~ a surety bond issued by an authorized surety
22 insurer. The bond shall be for the same purpose as the deposit
23 in lieu of which it is filed. The office ~~department~~ may not
24 approve any bond under the terms of which the protection
25 afforded against insolvency is not equivalent to the
26 protection afforded by those securities provided for in
27 subsection (1). When a bond is deposited in lieu of the
28 required securities, no warranties may be written which
29 provide coverage for a time period beyond the duration of such
30 bond. The bond shall guarantee that the service warranty
31 association will faithfully and truly perform all the

1 conditions of any service warranty contract. No such bond may
2 be canceled or subject to cancellation unless at least 60
3 days' advance notice thereof, in writing, is filed with the
4 office ~~department~~. In the event that notice of termination of
5 the bond is filed with the office ~~department~~, the service
6 warranty association insured thereunder shall, within 30 days
7 of the filing of notice of termination, provide the office
8 ~~department~~ with a replacement bond meeting the requirements of
9 this part or deposit additional securities as required under
10 subsection (1). The cancellation of a bond will not relieve
11 the obligation of the issuer of the bond for claims arising
12 out of contracts issued before cancellation of the bond unless
13 a replacement bond or securities are filed. In no event may
14 the liability of the issuer under the bond exceed the face
15 amount of the bond. If within 30 days of filing the notice of
16 termination no replacement bond or additional security is
17 provided, the office ~~department~~ shall suspend the license of
18 the association until the deposit requirements are satisfied.

19 (3) Securities and bonds posted by an association
20 pursuant to this section are for the benefit of, and subject
21 to action thereon in the event of insolvency or impairment of
22 any association or insurer by, any person or persons
23 sustaining an actionable injury due to the failure of the
24 association to faithfully perform its obligations to its
25 warranty holders.

26 (4) The state is responsible for the safekeeping of
27 all securities deposited with the department under this part.
28 Such securities are not, on account of being in this state,
29 subject to taxation, but shall be held exclusively and solely
30 to guarantee the faithful performance by the association of
31 its obligations to its members or subscribers.

1 (5) The depositing association shall, during its
2 solvency, have the right to exchange or substitute other
3 securities of like quality and value for securities on
4 deposit, to receive the interest and other income accruing to
5 such securities, and to inspect the deposit at all reasonable
6 times.

7 (6) Such deposit or bond shall be maintained
8 unimpaired as long as the association continues in business in
9 this state. Whenever the association ceases to do business in
10 this state and furnishes the office ~~department~~ proof
11 satisfactory to the office ~~department~~ that it has discharged
12 or otherwise adequately provided for all its obligations to
13 its members or subscribers in this state, the office and
14 department shall release the deposited securities to the
15 parties entitled thereto, on presentation of the receipts of
16 the department for such securities, or shall release any bond
17 filed with it in lieu of such deposit.

18 (7) Any business, or its affiliate, whose primary
19 source of income is the sale of goods to the final consumer
20 and derives more than 50 percent of its revenue through such
21 sales and maintains a net worth of \$100 million, as evidenced
22 by either filing a form 10-K or other similar statement with
23 the Securities and Exchange Commission or which has an annual
24 financial statement that is audited and certified by an
25 independent public accounting firm, shall be presumed to have
26 complied with this subsection if such forms or statement are
27 filed with the office ~~department~~.

28 Section 1491. Subsections (2), (3), (6), and (7) of
29 section 634.406, Florida Statutes, are amended to read:

30 634.406 Financial requirements.--

31

1 (2) An association utilizing an unearned premium
2 reserve shall deposit with the department a reserve deposit
3 equal to 10 percent of the gross written premium received on
4 all warranty contracts in force. Such reserve deposit shall
5 be of a type eligible for deposit by insurers under s. 625.52.
6 Request for release of all or part of the reserve deposit may
7 be made quarterly and only after the office ~~department~~ has
8 received and approved the association's current financial
9 statements, as well as a statement sworn to by two officers of
10 the association verifying such release will not reduce the
11 reserve deposit to less than 10 percent of the gross written
12 premium. The reserve deposit required under this part shall be
13 included in calculating the reserve required by subsection
14 (1). The deposit required in s. 634.405(1)(b) shall be
15 included in calculating the reserve requirements of this
16 section.

17 (3) An association will not be required to establish
18 an unearned premium reserve if it has purchased contractual
19 liability insurance which demonstrates to the satisfaction of
20 the office ~~department~~ that 100 percent of its claim exposure
21 is covered by such policy. The contractual liability insurance
22 shall be obtained from an insurer that holds a certificate of
23 authority to do business within the state. For the purposes of
24 this subsection, the contractual liability policy shall
25 contain the following provisions:

26 (a) In the event that the service warranty association
27 does not fulfill its obligation under contracts issued in this
28 state for any reason, including insolvency, bankruptcy, or
29 dissolution, the contractual liability insurer will pay losses
30 and unearned premium refunds under such plans directly to the
31 person making a claim under the contract.

1 (b) The insurer issuing the contractual liability
2 policy shall assume full responsibility for the administration
3 of claims in the event of the inability of the association to
4 do so.

5 (c) The policy may not be canceled or not renewed by
6 either the insurer or the association unless 60 days' written
7 notice thereof has been given to the office ~~department~~ by the
8 insurer before the date of such cancellation or nonrenewal.

9 (d) The contractual liability insurance policy shall
10 insure all service warranty contracts which were issued while
11 the policy was in effect whether or not the premium has been
12 remitted to the insurer.

13 (e) In the event the issuer of the contractual
14 liability policy is fulfilling the service warranty covered by
15 policy and in the event the service warranty holder cancels
16 the service warranty, it is the responsibility of the
17 contractual liability policy issuer to effectuate a full
18 refund of unearned premium to the consumer. This refund shall
19 be subject to the cancellation fee provisions of s.
20 634.414(3). The salesperson or agent shall refund to the
21 contractual liability policy issuer the unearned pro rata
22 commission.

23 (f) An association may not utilize both the unearned
24 premium reserve and contractual liability insurance
25 simultaneously. However, an association shall be allowed to
26 have contractual liability coverage on service warranties
27 previously sold and sell new service warranties covered by the
28 unearned premium reserve, and the converse of this shall also
29 be allowed. An association must be able to distinguish how
30 each individual service warranty is covered.

31

1 (6) An association which holds a license under this
2 part and which does not hold any other license under this
3 chapter may allow its premiums to exceed the ratio to net
4 assets limitations of this section if the association meets
5 all of the following:

6 (a) Maintains net assets of at least \$750,000.

7 (b) Utilizes a contractual liability insurance policy
8 approved by the office ~~department~~ which reimburses the service
9 warranty association for 100 percent of its claims liability.

10 (c) The insurer issuing the contractual liability
11 insurance policy:

12 1. Maintains a policyholder surplus of at least \$100
13 million.

14 2. Is rated "A" or higher by A.M. Best Company or an

16 acceptable to the office ~~department~~.

17 3. Is in no way affiliated with the warranty
18 association.

19 4. In conjunction with the warranty association's
20 filing of the quarterly and annual reports, provides, on a
21 form prescribed by the commission ~~department~~, a statement
22 certifying the gross written premiums in force reported by the
23 warranty association and a statement that all of the warranty
24 association's gross written premium in force is covered under
25 the contractual liability policy, whether or not it has been
26 reported.

27 (7) ~~The department shall require that~~ A contractual
28 liability policy must insure 100 percent of an association's
29 claims exposure under all of the association's service
30 warranty contracts, wherever written, unless all of the
31 following are satisfied:

2 that specifically names the service warranty contract holders
3 as sole beneficiaries of the contractual liability policy and
4 claims are paid directly to the person making a claim under
5 the contract;

6 (b) The contractual liability policy meets all other
7 requirements of this part, including subsection (3) of this
8 section, which are not inconsistent with this subsection;

9 (c) The association has been in existence for at least
10 5 years or the association is a wholly owned subsidiary of a

18 to file either of Forms 10-K, 100, or 20-G with the United

26 to file Form 10-K, Form 100, or Form 20-G with the United
27 States Securities and Exchange Commission; or has American
28 Depository Receipts listed on a recognized stock exchange and
29 is publicly traded;

30

31

1 2. Maintains outstanding debt obligations, if any,
2 rated in the top four rating categories by a recognized rating
3 service;

4 3. Has and maintains at all times a minimum net worth
5 of not less than \$10 million as evidenced by audited financial
6 statements prepared by an independent certified public
7 accountant in accordance with generally accepted accounting
8 principles and submitted to the office ~~department~~ annually;
9 and

10 4. Is authorized to do business in this state; and

11 (d) The insurer issuing the contractual liability

23
24 If all the preceding conditions are satisfied, then the scope
25 of coverage under a contractual liability policy shall not be
26 required to exceed an association's claims exposure under
27 service warranty contracts delivered in this state.

18 sufficient proof of the financial status required by this
19 part.

20 (5) The office department may suspend or revoke the
21 license of a service warranty association failing to file its
22 annual statement or quarterly report when due.

23 (6) The commission department may by rule require each

10 association may submit to the office ~~department~~ the Form 10-K,
11 as filed with the United States Securities and Exchange

24 office ~~department~~ may examine such an association if it has
25 reason to believe that the association may be in violation of
26 this part or is otherwise in an unsound financial condition.
27 If the office ~~department~~ examines an association that has less

18 employment interest in the prepaid limited health service
19 organization.

20 (10)~~(12)~~ "Reporting period" means the annual
21 accounting period or fiscal year, or any part thereof, of the

23 Actuaries or the Society of Actuaries and has experience in

25 Section 1524. Section 636.006, Florida Statutes, is
26 amended to read:

27 636.006 Insurance business not authorized.--Nothing in
28 the Florida Insurance Code or this act authorizes any prepaid
29 limited health service organization to transact any insurance
30 business other than that specifically authorized by this act,
31 or otherwise to engage in any other type of insurance unless

1 it is authorized under a certificate of authority issued by
2 the office ~~department~~ under the provisions of the Florida
3 Insurance Code.

4 Section 1525. Section 636.007, Florida Statutes, is
5 amended to read:

6 636.007 Certificate of authority required.--A person,
7 corporation, partnership, or other entity may not operate a
8 prepaid limited health service organization in this state
9 without obtaining and maintaining a certificate of authority
10 from the office ~~department~~ pursuant to this act. A political
11 subdivision of this state which is operating an emergency
12 medical services system and offers a prepaid ambulance service
13 plan as a part of its emergency medical services system shall
14 be exempt from the provisions of this act and all other
15 provisions of the insurance code. An insurer, while authorized
16 to transact health insurance in this state, or a health
17 maintenance organization possessing a valid certificate of
18 authority in this state, may also provide services under this
19 act without additional qualification or authority, but shall
20 be otherwise subject to the applicable provisions of this act.

21 Section 1526. Section 636.008, Florida Statutes, is
22 amended to read:

23 636.008 Application for certificate of
24 authority.--Before any entity may operate a prepaid limited
25 health service organization, it must obtain a certificate of
26 authority from the office ~~department~~. An application for a
27 certificate of authority to operate a prepaid limited health
28 service organization must be filed with the office ~~department~~
29 on a form prescribed by the commission ~~department~~. Such
30 application must be sworn to by an officer or authorized
31

1 representative of the applicant and be accompanied by the
2 following:

3 (1) A copy of the applicant's basic organizational
4 document, including the articles of incorporation, articles of
5 association, partnership agreements, trust agreement, or other
6 applicable documents and all amendments to such documents.

7 (2) A copy of all bylaws, rules, and regulations, or
8 similar documents, if any, regulating the conduct of the
9 applicant's internal affairs.

10 (3) A list of the names, addresses, official
11 positions, and biographical information of the individuals who
12 are responsible for conducting the applicant's affairs,
13 including, but not limited to, all members of the board of
14 directors, board of trustees, executive committee, or other
15 governing board or committee, the officers, contracted
16 management company personnel, and any person or entity owning
17 or having the right to acquire 10 percent or more of the
18 voting securities of the applicant. Such listing must fully
19 disclose the extent and nature of any contracts or
20 arrangements between any individual who is responsible for
21 conducting the applicant's affairs and the prepaid limited
22 health service organization, including any possible conflicts
23 of interest.

24 (4) A complete biographical statement, on forms
25 prescribed by the commission ~~department~~, an independent
26 investigation report, and a set of fingerprints, as provided
27 in chapter 624, with respect to each individual identified
28 under subsection (3).

29 (5) A statement generally describing the applicant,
30 its facilities and personnel, and the limited health service
31 or services to be offered.

1 (6) A copy of the form of all contracts made or to be
2 made between the applicant and any providers regarding the
3 provision of limited health services to enrollees.

4 (7) A copy of the form of any contract made or
5 arrangement to be made between the applicant and any person
6 listed in subsection (3).

7 (8) A copy of the form of any contract made or to be
8 made between the applicant and any person, corporation,
9 partnership, or other entity for the performance on the
10 applicant's behalf of any function, including, but not limited
11 to, marketing, administration, enrollment, investment
12 management, and subcontracting for the provision of limited
13 health services to enrollees.

14 (9) A copy of the form of any prepaid limited health
15 service contract which is to be issued to employers, unions,
16 trustees, individuals, or other organizations and a copy of
17 any form of evidence of coverage to be issued to subscribers.

18 (10) A copy of the applicant's most recent financial
19 statements audited by an independent certified public
20 accountant.

21 (11) A copy of the applicant's financial plan,
22 including a 3-year projection of anticipated operating
23 results, a statement of the sources of funding, and provisions
24 for contingencies, for which projection all material
25 assumptions shall be disclosed.

26 (12) A schedule of rates and charges for each contract
27 to be used which contains an opinion from a qualified
28 independent actuary or a qualified employee that the rates are
29 not inadequate, excessive, or discriminatory. If a prepaid
30 limited health service organization does not employ or
31 otherwise retain the services of an independent actuary, the

1 chief executive officer of the prepaid limited health service
2 organization must review and sign the certification indicating
3 her or his agreement with its conclusions. If the office
4 ~~department~~ determines that, based upon documents filed with
5 the office ~~department~~, the qualified employee is not
6 qualified, the organization shall retain the services of a
7 qualified independent actuary.

8 (13) A description of the proposed method of
9 marketing.

10 (14) A description of the subscriber complaint
11 procedures to be established and maintained as required under
12 s. 636.038.

13 (15) A description of how the applicant will comply
14 with s. 636.046.

15 (16) The fee for issuance of a certificate of
16 authority as provided in s. 636.057.

17 (17) Such other information as the commission or
18 office ~~department~~ may reasonably require to make the
19 determinations required by this act.

20
21 The office ~~department~~ shall issue a certificate of authority
22 which shall expire on June 1 each year and which the office
23 ~~department~~ shall renew if the applicant pays the license fees
24 provided in s. 636.057 and if the office ~~department~~ is
25 satisfied that the organization is in compliance with this
26 act.

27 Section 1527. Section 636.009, Florida Statutes, is
28 amended to read:

29 636.009 Issuance of certificate of authority;
30 denial.--

31

1 (1) Following receipt of an application filed pursuant
2 to s. 636.008, the office ~~department~~ shall review such
3 application and notify the applicant of any deficiencies
4 contained therein. The office ~~department~~ shall issue a
5 certificate of authority to an applicant who has filed a
6 completed application in conformity with s. 636.008, upon
7 payment of the fees specified by s. 636.057 and upon the
8 office ~~department~~ being satisfied that the following
9 conditions are met:

10 (a) The requirements of s. 636.008 have been
11 fulfilled.

12 (b) The entity is actuarially sound.

13 (c) The entity has met the applicable minimum surplus
14 requirements specified in s. 636.045.

15 (d) The procedures for offering limited health
16 services and offering and terminating contracts to subscribers
17 will not unfairly discriminate on the basis of age, sex, race,
18 handicap, health, or economic status. However, this paragraph
19 does not prohibit reasonable underwriting classifications for
20 the purposes of establishing contract rates, nor does it
21 prohibit prospective experience rating.

22 (e) The entity furnished evidence of adequate
23 insurance coverage, including, but not limited to, general
24 liability or professional liability coverage, or an adequate
25 plan for self-insurance to respond to claims for injuries
26 arising out of the furnishing covered services.

27 (f) The ownership, control, and management of the
28 entity are competent and trustworthy and possess managerial
29 experience that would make the proposed operation beneficial
30 to the subscribers. The office ~~department~~ shall not grant or
31 continue authority to transact the business of a prepaid

1 limited health service organization in this state at any time
2 during which the office ~~department~~ has good reason to believe
3 that the ownership, control, or management of the organization
4 includes any person whose business operations are or have been
5 marked by business practices or conduct that is to the
6 detriment of the public, stockholders, investors, or
7 creditors.

8 (g) The entity has demonstrated compliance with s.
9 636.047 by obtaining a blanket fidelity bond in the amount of
10 at least \$50,000, issued by a licensed insurance carrier in
11 this state, that will reimburse the entity in the event that
12 anyone handling the funds of the entity either misappropriates
13 or absconds with the funds. All employees handling the funds
14 must be covered by the blanket fidelity bond. However, the
15 fidelity bond need not cover an individual who owns 100
16 percent of the stock of the organization if such stockholder
17 maintains total control of the organization's financial
18 assets, books and records, and fidelity bond coverage is not
19 available for such individual. An agent licensed under the
20 provisions of the Florida Insurance Code may, either directly
21 or indirectly, represent the prepaid limited health service
22 organization in the solicitation, negotiation, effectuation,
23 procurement, receipt, delivery, or forwarding of any
24 subscriber's contract, or collect or forward any consideration
25 paid by the subscriber to the prepaid limited health service
26 organization. The licensed agent shall not be required to post
27 the bond required by this subsection.

28 (h) The prepaid limited health service organization
29 has a grievance procedure that will facilitate the resolution
30 of subscriber grievances and that includes both formal and
31 informal steps available within the organization.

1 (i) The applicant is financially responsible and may
2 reasonably be expected to meet its obligations to enrollees
3 and to prospective enrollees. In making this determination,
4 the office ~~department~~ may consider:

5 1. The financial soundness of the applicant's
6 arrangements for limited health services and the minimum
7 standard rates, deductibles, copayments, and other patient
8 charges used in connection therewith.

9 2. The adequacy of surplus, other sources of funding,
10 and provisions for contingencies.

11 3. The manner in which the requirements of s. 636.046
12 have been fulfilled.

13 (j) The agreements with providers for the provision of
14 limited health services contain the provisions required by s.
15 636.035.

16 (k) Any deficiencies identified by the office
17 ~~department~~ have been corrected.

18 (1) All requirements of this chapter have been met.

19 (2) If the certificate of authority is denied, the
20 office ~~department~~ shall notify the applicant and shall specify
21 the reasons for denial in the notice.

22 Section 1528. Section 636.015, Florida Statutes, is
23 amended to read:

24 636.015 Language used in contracts and advertisements;
25 translations.--

26 (1)(a) All contracts or forms must be printed in
27 English.

28 (b) If the negotiations leading up to the effectuation
29 of a prepaid limited health service organization contract are
30 conducted in a language other than English, the prepaid
31 limited health service organization must supply to the member

1 a written translation of the contract, which translation
2 accurately reflects the substance of the contract and is in
3 the language used to negotiate the contract. The written
4 translation must be affixed to, and shall become a part of,
5 the contract or form, including a certification that the
6 written translation is identical to the English version. Any
7 such translation must be furnished to the office ~~department~~ as
8 part of the filing of the prepaid limited health services
9 contract form. No translation of a prepaid limited health
10 services contract form may be approved by the office
11 ~~department~~ unless the translation accurately reflects the
12 substance of the prepaid limited health services contract form
13 in translation.

14 (2) The text of all advertisements by a prepaid
15 limited health service organization, if printed or broadcast
16 in a language other than English, also must be available in
17 English and must be furnished to the office ~~department~~ upon
18 request. As used in this subsection, the term "advertisement"
19 means any advertisement, circular, pamphlet, brochure, or
20 other printed material disclosing or disseminating advertising
21 material or information by a prepaid limited health service
22 organization to prospective or existing subscribers and
23 includes any radio or television transmittal of an
24 advertisement or information.

25 Section 1529. Paragraph (a) of subsection (1) of
26 section 636.016, Florida Statutes, is amended to read:

27 636.016 Prepaid limited health service contracts.--For
28 any entity licensed prior to October 1, 1993, all subscriber
29 contracts in force at such time shall be in compliance with
30 this section upon renewal of such contract.

31

1 (1) Any entity issued a certificate of authority and
2 otherwise in compliance with this act may enter into contracts
3 in this state to provide an agreed-upon set of limited health
4 services to subscribers in exchange for a prepaid per capita
5 sum or a prepaid aggregate fixed sum.

6 (a) The office ~~department~~ shall disapprove any form
7 filed under this subsection, or withdraw any previous approval
8 thereof, if the form:

9 1. Is in any respect in violation of, or does not
10 comply with, any provision of this act or rule adopted
11 thereunder.

12 2. Contains or incorporates by reference, where such
13 incorporation is otherwise permissible, any inconsistent,
14 ambiguous, or misleading clauses or exceptions and conditions
15 which deceptively affect the risk purported to be assumed in
16 the general coverage of the contract.

17 3. Has any title, heading, or other indication of its
18 provisions which is misleading.

19 4. Is printed or otherwise reproduced in such a manner
20 as to render any material provision of the form substantially
21 illegible.

22 5. Contains provisions which are unfair, inequitable,
23 or contrary to the public policy of this state or which
24 encourage misrepresentation.

25 6. Charges rates that are determined by the office
26 ~~department~~ to be inadequate, excessive, or unfairly
27 discriminatory, or if the rating methodology followed by the
28 prepaid limited health service organization is determined by
29 the office ~~department~~ to be inconsistent with the provisions
30 of s. 636.017.

31

1 Section 1530. Section 636.017, Florida Statutes, is
2 amended to read:

3 636.017 Rates and charges.--

4 (1) The rates charged by any prepaid limited health
5 service organization to its subscribers shall not be
6 excessive, inadequate, or unfairly discriminatory. The
7 commission or office ~~department~~ may require whatever
8 information it deems necessary to determine that a rate or
9 proposed rate meets the requirements of this section.

10 (2) In determining whether a rate is in compliance
11 with subsection (1), the office ~~department~~ must take into
12 consideration the limited services provided, the method in
13 which the services are provided, and the method of provider
14 payment. This section may not be construed as authorizing the
15 commission ~~department~~ to establish by rule minimum loss ratios
16 for prepaid limited health service organizations' rates.

17 Section 1531. Section 636.018, Florida Statutes, is
18 amended to read:

19 636.018 Changes in rates and benefits; material
20 modifications; addition of limited health services.--

21 (1)(a) No prepaid limited health services contract,
22 certificate of coverage, application, enrollment form, rider,
23 endorsement, and applicable rates to be charged may be
24 delivered in this state unless the forms and rates have been
25 filed with the office ~~department~~ by or on behalf of the
26 prepaid limited health service organization and have been
27 approved by the office ~~department~~. Every form filed shall be
28 identified by a unique form number placed in the lower left
29 corner of each form. If a prepaid limited health service
30 organization desires to amend any contract with its
31 subscribers or any certificate or member handbook, or desires

1 to change any rate charged for the contract or to change any
2 basic prepaid limited health services contract, certificate,
3 grievance procedure, or member handbook form, or application
4 form where written application is required and is to be made a
5 part of the contract, or printed amendment, addendum, rider,
6 or endorsement form or form renewal certificate, it must file
7 such changes 30 days prior to the effective date of the
8 proposed change. At least 30 days' written notice must be
9 provided to the subscriber before application of any approved
10 change in rates. In the case of a group enrollee, there may
11 be a contractual agreement with the prepaid limited health
12 service organization to have the contract holder provide the
13 required notice to the individual enrollees of the group. Any
14 proposed change must contain information as required by s.
15 636.017.

16 (b) The prepaid limited health service organization's
17 certification must be prepared by an independent actuary or a
18 qualified employee. The chief executive officer of the
19 prepaid limited health service organization must review and
20 sign the certification indicating her or his agreement with
21 its conclusions. Following receipt of notice of any
22 disapproval or withdrawal of approval, no prepaid limited
23 health service organization may issue or use any form
24 disapproved by the office ~~department~~ or as to which the office
25 ~~department~~ has withdrawn approval.

26 (2) If such filings are disapproved, the office
27 ~~department~~ shall notify the prepaid limited health service
28 organization and shall specify the reasons for disapproval in
29 the notice. The prepaid limited health service organization
30 has 21 days from the date of receipt of notice to request a
31 hearing before the office ~~department~~ pursuant to chapter 120.

1 Section 1532. Subsection (2) of section 636.025,
2 Florida Statutes, is amended to read:

3 636.025 Validity of noncomplying contracts.--

4 (2) Any prepaid limited health services contract
5 delivered or issued for delivery in this state covering a
6 subscriber, which subscriber pursuant to the provisions of
7 this act the organization may not lawfully cover under the
8 contract, is cancelable at any time by the organization, any
9 provision of the contract to the contrary notwithstanding, and
10 the organization must promptly cancel the contract in
11 accordance with the request of the office ~~department~~ therefor.
12 No such illegality or cancellation may be deemed to relieve
13 the organization of any liability incurred by it under the
14 contract while in force or to prohibit the organization from
15 retaining the pro rata earned premium or rate thereon. This
16 subsection does not relieve the organization from any penalty
17 otherwise incurred by the organization under this act for any
18 such violation.

19 Section 1533. Subsection (3) of section 636.029,
20 Florida Statutes, is amended to read:

21 636.029 Construction and relationship with other
22 laws.--

23 (3) The department and office are ~~is~~ vested with all
24 powers granted to it under the insurance code with respect to
25 the investigation of any violation of this act within their
26 respective regulatory jurisdictions.

27 Section 1534. Section 636.036, Florida Statutes, is
28 amended to read:

29 636.036 Administrative, provider, and management
30 contracts.--

31

1 (1) The office ~~department~~ may require a prepaid
2 limited health service organization to submit any contract for
3 administrative services, contract with a provider physician,
4 contract for management services, or contract with an
5 affiliated entity to the office ~~department~~ if the office
6 ~~department~~ has information that the prepaid limited health
7 service organization has entered into a contract which
8 requires it to pay a fee which is unreasonably high in
9 relation to the service provided.

10 (2) After review of a contract, the office ~~department~~
11 may order the prepaid limited health service organization to
12 cancel the contract if it determines that the fees to be paid
13 by the prepaid limited health service organization under the
14 contract are so unreasonably high as compared with similar
15 contracts entered into by the prepaid limited health service
16 organization in similar circumstances that the contract is
17 detrimental to the subscribers, stockholders, investors, or
18 creditors of the prepaid limited health service organization.

19 (3) All contracts for administrative services,
20 management services, or provider services or contracts with
21 affiliated entities, entered into or renewed by a prepaid
22 limited health service organization on or after October 1,
23 1993, must contain a provision that the contract will be
24 canceled upon issuance of an order by the office ~~department~~
25 pursuant to this section.

26 Section 1535. Section 636.037, Florida Statutes, is
27 amended to read:

28 636.037 Contract providers.--Each prepaid limited
29 health service organization must, upon the request of the
30 office ~~department~~, file financial statements for all contract
31 providers of limited health care services who have assumed

1 through capitation or other means more than 10 percent of the
2 health care risks of the prepaid limited health service
3 organization.

4 Section 1536. Section 636.038, Florida Statutes, is
5 amended to read:

6 636.038 Complaint system; annual report.--

7 (1) Every prepaid limited health service organization
8 must establish and maintain a complaint system providing
9 reasonable procedures for resolving written complaints
10 initiated by enrollees and providers. This section does not
11 preclude an enrollee or a provider from filing a complaint
12 with the department or office or limit the department's or
13 office's ability to investigate such complaints.

14 (2) Every prepaid limited health service organization
15 shall report annually to the department and office the total
16 number of grievances handled, a categorization of the cases
17 underlying the grievances, and the final disposition of the
18 grievances.

19 Section 1537. Section 636.039, Florida Statutes, is
20 amended to read:

21 636.039 Examination by the office ~~department~~.--The
22 office ~~department~~ shall examine the affairs, transactions,
23 accounts, business records, and assets of any prepaid limited
24 health service organization, in the same manner and subject to
25 the same terms and conditions that apply to insurers under
26 part II of chapter 624, as often as it deems it expedient for
27 the protection of the people of this state, but not less
28 frequently than once every 3 years. In lieu of making its own
29 financial examination, the office ~~department~~ may accept an
30 independent certified public accountant's audit report
31 prepared on a statutory accounting basis consistent with this

1 act. However, except when the medical records are requested
2 and copies furnished pursuant to s. 456.057, medical records
3 of individuals and records of physicians providing service
4 under contract to the prepaid limited health service
5 organization are not subject to audit, but may be subject to
6 subpoena by court order upon a showing of good cause. For the
7 purpose of examinations, the office ~~department~~ may administer
8 oaths to and examine the officers and agents of a prepaid
9 limited health service organization concerning its business
10 and affairs. The expenses of examination of each prepaid
11 limited health service organization by the office ~~department~~
12 are subject to the same terms and conditions as apply to
13 insurers under part II of chapter 624. Expenses of all
14 examinations of a prepaid limited health service organization
15 may never exceed a maximum of \$20,000 for any 1-year period.

16 Section 1538. Section 636.043, Florida Statutes, is
17 amended to read:

18 636.043 Annual, quarterly, and miscellaneous
19 reports.--

20 (1) Each prepaid limited health service organization
21 must file with the office ~~department~~ annually, within 3 months
22 after the end of its fiscal year, a report verified by the
23 oath of at least two officers covering the preceding calendar
24 year. Any organization licensed prior to October 1, 1993,
25 shall not be required to file a financial statement, as
26 required by paragraph (2)(a), based on statutory accounting
27 principles until the first annual report for fiscal years
28 ending after December 31, 1994.

29 (2) Such report must be on forms prescribed by the
30 commission ~~department~~ and must include:

31

1 (a)1. A statutory financial statement of the
2 organization prepared in accordance with statutory accounting
3 principles, including its balance sheet, income statement, and
4 statement of changes in cash flow for the preceding year,
5 certified by an independent certified public accountant, or a
6 consolidated audited financial statement of its parent company
7 prepared on the basis of statutory accounting principles,
8 certified by an independent certified public accountant,
9 attached to which must be consolidating financial statements
10 of the parent company, including the prepaid limited health
11 service organization.

12 2. Any entity subject to this chapter may make written
13 application to the office ~~department~~ for approval to file

6 representatives of labor unions, professional associations,
7 and trade associations, so long as it does not enter into,

11 has been issued a certificate of authority by the office
12 ~~department~~. Any such activities, oral or written, shall
13 include a statement that the entity does not possess a valid
14 certificate of authority and cannot enter into health
15 maintenance contracts until such time as it has been issued a
16 certificate of authority by the office ~~department~~.

17 Section 1559. Section 641.215, Florida Statutes, is
18 amended to read:

19 641.215 Conditions precedent to issuance or

20 office ~~department~~ shall issue a certificate of authority to
21 any entity filing a completed application in conformity with
22 s. 641.21, upon payment of the prescribed fees and upon the
23 office's ~~department's~~ being satisfied that:

24 organization expertise as to make the operation of the health
25 maintenance organization hazardous to potential and existing
26 subscribers;
- 27 3. Who is so lacking in health maintenance
28 organization experience, ability, and standing as to
29 jeopardize the reasonable promise of successful operation;
- 30 4. Who is affiliated, directly or indirectly, through
31 ownership, control, reinsurance transactions, or other

11 influences or has the ability to influence the transaction of
12 the business of the health maintenance organization, does not
13 possess the financial standing and business experience for the
14 successful operation of the health maintenance organization;

15 (c) Any person, including any stock subscriber,

20 found guilty of, or has pled guilty or no contest to, any
21 felony or crime punishable by imprisonment of 1 year or more
22 under the laws of the United States or any state thereof or
23 under the laws of any other country, which involves moral
24 turpitude, without regard to whether a judgment or conviction
25 has been entered by the court having jurisdiction in such
26 case. However, in the case of a health maintenance
27 organization operating under a subsisting certificate of
28 authority, the health maintenance organization shall remove
29 any such person immediately upon discovery of the conditions

14 imprisonment for 1 year or more under the laws of the United
15 States, any state, or any other country, regardless of

18 health maintenance organization shall immediately remove such
19 person or immediately notify the office ~~department~~ of such
20 person upon discovery of the conditions set forth in this
21 paragraph, either when applicable to such person or upon order
22 of the office ~~department~~. The failure to remove such person,
23 provide such notice, or comply with such order constitutes
24 grounds for suspension or revocation of the health maintenance
25 organization's certificate of authority.

26 (7) The entity has a blanket fidelity bond in the
27 amount of \$100,000, issued by a licensed insurance carrier in
28 this state, that will reimburse the entity in the event that
29 anyone handling the funds of the entity either misappropriates

8 shall not be required to post the bond required by this
9 subsection.

31 profits, projected to be incurred on their startup projection

1 until the projection reflects statutory net profits for 12
2 consecutive months.

3 (4) The commission ~~department~~ may adopt rules to set
4 uniform standards and criteria for the early warning that the
5 continued operation of any health maintenance organization
6 might be hazardous to its subscribers, creditors, or the
7 general public, and to set standards for evaluating the
8 financial condition of any health maintenance organization.

9 (6) In lieu of having any minimum surplus, the health
10 maintenance organization may provide a written guarantee to
11 assure payment of covered subscriber claims and all other
12 liabilities of the health maintenance organization, provided
13 that the written guarantee is made by a guaranteeing
14 organization which:

15 (b) Submits a guarantee that is approved by the office
16 ~~department~~ as meeting the requirements of this part, provided
17 that the written guarantee contains a provision which requires

20 cancellation of the guarantee will not result in the
21 insolvency of the health maintenance organization and the
22 office ~~department~~ approves cancellation of the guarantee.

23 (d) Submits annually, within 3 months after the end of
24 its fiscal year, an audited financial statement certified by
25 an independent certified public accountant, prepared in
26 accordance with generally accepted accounting principles. The
27 office ~~department~~ may, as it deems necessary, require
28 quarterly financial statements from the guaranteeing

25 authority; suspension of enrollment of new subscribers; terms
26 of suspension.--

27 (1) The maintenance of a valid and current health care
28 provider certificate issued pursuant to part III of this
29 chapter is a condition of the maintenance of a valid and
30 current certificate of authority issued by the office
31 ~~department~~ to operate a health maintenance organization.

1 Denial or revocation of a health care provider certificate
2 shall be deemed to be an automatic and immediate cancellation
3 of a health maintenance organization's certificate of
4 authority. At the discretion of the office ~~Department of~~
5 ~~Insurance~~, nonrenewal of a health care provider certificate
6 may be deemed to be an automatic and immediate cancellation of
7 a health maintenance organization's certificate of authority
8 if the Agency for Health Care Administration notifies the
9 office ~~Department of Insurance~~, in writing, that the health

15 (h) Such other information relating to the performance
16 of health maintenance organizations as is required by the
17 commission or office ~~department~~.

18 (2) The office ~~department~~ may require updates of the

22 materially misstating the financial position of the health
23 maintenance organization. Workpapers in support of the
24 statement of the updated actuarial certification must be
25 provided to the office ~~department~~ upon request.

26 (3) Every health maintenance organization shall file

17 ~~department~~ shall not collect more than \$100,000 for each
18 report.

19 (5) Each authorized health maintenance organization
20 shall retain an independent certified public accountant,
21 referred to in this section as "CPA," who agrees by written
22 contract with the health maintenance organization to comply
23 with the provisions of this part.

24 (a) The CPA shall provide to the HMO audited financial
25 statements consistent with this part.

26 (b) Any determination by the CPA that the health
27 maintenance organization does not meet minimum surplus
28 requirements as set forth in this part shall be stated by the

13 during the audit.

14 (6) To facilitate uniformity in financial statements
15 and to facilitate office ~~department~~ analysis, the commission
16 ~~department~~ may by rule adopt the form for financial statements
17 of a health maintenance organization, including supplements as
18 approved by the National Association of Insurance
19 Commissioners in 1995, and may adopt subsequent amendments
20 thereto if the methodology remains substantially consistent,
21 and may by rule require each health maintenance organization
22 to submit to the office ~~department~~ all or part of the
23 information contained in the annual statement in a
24 computer-readable form compatible with the electronic data
25 processing system specified by the office ~~department~~.

26 (7) In addition to information called for and
27 furnished in connection with its annual or quarterly
28 statements, the health maintenance organization shall furnish
29 to the office ~~department~~ as soon as reasonably possible such

9 prescribed by the commission ~~department~~ for the preceding
10 calendar year or quarter, with the National Association of
11 Insurance Commissioners. Each health maintenance organization
12 shall pay fees assessed by the National Association of
13 Insurance Commissioners to cover costs associated with the
14 filing and analysis of the documents by the National

20 transactions, accounts, business records, and assets of any
21 health maintenance organization as often as it deems it
22 expedient for the protection of the people of this state, but
23 not less frequently than once every 3 years. In lieu of
24 making its own financial examination, the office ~~department~~
25 may accept an independent certified public accountant's audit
26 report prepared on a statutory accounting basis consistent
27 with this part. However, except when the medical records are
28 requested and copies furnished pursuant to s. 456.057, medical

4 maintenance organization concerning its business and affairs.
5 The examination of each health maintenance organization by the
6 office ~~department~~ shall be subject to the same terms and
7 conditions as apply to insurers under chapter 624. In no

12 supervision of the department, which shall have all power with
13 respect thereto granted to it under the laws governing the
14 rehabilitation, liquidation, reorganization, conservation, or
15 dissolution of life insurance companies.

16 (2) The office ~~department~~ may contract, at reasonable
17 fees for work performed, with qualified, impartial outside
18 sources to perform audits or examinations or portions thereof
19 pertaining to the qualification of an entity for issuance of a
20 certificate of authority or to determine continued compliance
21 with the requirements of this part, in which case the payment
22 must be made directly to the contracted examiner by the health
23 maintenance organization examined, in accordance with the
24 rates and terms agreed to by the office ~~department~~ and the
25 examiner. Any contracted assistance shall be under the direct
26 supervision of the office ~~department~~. The results of any
27 contracted assistance shall be subject to the review of, and
28 approval, disapproval, or modification by, the office
29 ~~department~~.

31 amended to read:

1 641.28 Civil remedy.--In any civil action brought to
2 enforce the terms and conditions of a health maintenance
3 organization contract, the prevailing party is entitled to
4 recover reasonable attorney's fees and court costs. This
5 section shall not be construed to authorize a civil action
6 against the commission, office, or department, their ~~its~~
7 employees, or the Chief Financial Officer ~~Insurance~~
8 Commissioner or against the Agency for Health Care
9 Administration, its employees, or the director of the agency.

10 Section 1572. Section 641.281, Florida Statutes, is
11 amended to read:

13 other enforcement provisions of this part, the office and

18 operated by any person or entity without a subsisting
19 certificate of authority.

20 (2) Any person, entity, or health maintenance
21 organization has engaged in any activity prohibited by this
22 part or any rule adopted pursuant thereto.

23 (3) Any health maintenance organization, person, or

27
28 The office's and department's authority to seek injunctive
29 relief shall not be conditioned on having conducted any
30 proceeding pursuant to chapter 120.

31

1 Section 1573. Section 641.284, Florida Statutes, is
2 amended to read:

3 641.284 Liquidation, rehabilitation, reorganization,
4 and conservation; exclusive methods of remedy.--A delinquency
5 proceeding under part I of chapter 631, or supervision by the

16 in the amount set forth in this subsection. The amount of the
17 deposit shall be reviewed annually, or more often, as the
18 office ~~department~~ deems necessary. The market value of the
19 deposit shall be a minimum of \$300,000.

20 (2) If securities or assets deposited by a health
21 maintenance organization under this part are subject to
22 material fluctuations in market value, the office ~~department~~
23 may, in its discretion, require the organization to deposit
24 and maintain on deposit additional securities or assets in an
25 amount as may be reasonably necessary to assure that the
26 deposit will at all times have a market value of not less than
27 the amount specified under this section. If for any reason the
28 market value of assets and securities of a health maintenance
29 organization held on deposit in this state under this code
30 falls below the amount required, the organization shall
31 promptly deposit other or additional assets or securities

1 eligible for deposit sufficient to cure the deficiency. If the
2 health maintenance organization has failed to cure the
3 deficiency within 30 days after receipt of notice thereof by
4 registered or certified mail from the office department, the
5 office department may revoke the certificate of authority of
6 the health maintenance organization.

7 (3) Whenever the office department determines that the
8 financial condition of a health maintenance organization has
9 deteriorated to the point that the policyholders' or
10 subscribers' best interests are not being preserved by the
11 activities of a health maintenance organization, the office
12 department may require such health maintenance organization to
13 deposit and maintain deposited in trust with the department
14 for the protection of the health maintenance organization's
15 policyholders, subscribers, and creditors, for such time as
16 the office department deems necessary, securities eligible for
17 such deposit under s. 625.52 having a market value of not less
18 than the amount that the office department determines is
19 necessary, which amount must not be less than \$100,000 or
20 greater than \$2 million. The deposit required under this
21 subsection is in addition to any other deposits required of a
22 health maintenance organization pursuant to subsections (1)
23 and (2).

12 written informed consent to administer the test. Written
13 informed consent shall include a fair explanation of the test,
14 including its purpose, potential uses, and limitations, and
15 the meaning of its results and the right to confidential
16 treatment of information. Use of a form approved by the
17 office ~~department~~ shall raise a conclusive presumption of
18 informed consent.

19 Section 1577. Section 641.305, Florida Statutes, is
20 amended to read:

21 641.305 Language used in contracts and advertisements;
22 translations.--

23 (1)(a) All health maintenance contracts or forms shall
24 be printed in English.

25 (b) If the negotiations by a health maintenance
26 organization with a member leading up to the effectuation of a
27 health maintenance contract are conducted in a language other
28 than English, the health maintenance organization shall supply
29 to the member a written translation of the contract, which
30 translation accurately reflects the substance of the contract
31 and is in the language used to negotiate the contract. The

1 written translation shall be affixed to and shall become a
2 part of the contract or form. Any such translation shall be
3 furnished to the office ~~department~~ as part of the filing of
4 the health maintenance contract form. No translation of a
5 health maintenance contract form shall be approved by the
6 department unless the translation accurately reflects the
7 substance of the health maintenance contract form in
8 translation.

9 (2) The text of all advertisements by a health
10 maintenance organization, if printed or broadcast in a
11 language other than English, also shall be available in

20 paragraphs (c) and (e) of subsection (38) of section 641.31,
21 Florida Statutes, are amended to read:

22 641.31 Health maintenance contracts.--

23 (2) The rates charged by any health maintenance
24 organization to its subscribers shall not be excessive,
25 inadequate, or unfairly discriminatory or follow a rating
26 methodology that is inconsistent, indeterminate, or ambiguous
27 or encourages misrepresentation or misunderstanding. The
28 commission ~~department~~, in accordance with generally accepted
29 actuarial practice as applied to health maintenance
30 organizations, may define by rule what constitutes excessive,
31 inadequate, or unfairly discriminatory rates and may require

1 whatever information it deems necessary to determine that a
2 rate or proposed rate meets the requirements of this
3 subsection.

4 (3)(a) If a health maintenance organization desires to
5 amend any contract with its subscribers or any certificate or
6 member handbook, or desires to change any basic health
7 maintenance contract, certificate, grievance procedure, or
8 member handbook form, or application form where written
9 application is required and is to be made a part of the
10 contract, or printed amendment, addendum, rider, or
11 endorsement form or form of renewal certificate, it may do so,
12 upon filing with the office ~~department~~ the proposed change or
13 amendment. Any proposed change shall be effective
14 immediately, subject to disapproval by the office ~~department~~.
15 Following receipt of notice of such disapproval or withdrawal
16 of approval, no health maintenance organization shall issue or
17 use any form disapproved by the office ~~department~~ or as to
18 which the office ~~department~~ has withdrawn approval.

19 (b) Any change in the rate is subject to paragraph (d)
20 and requires at least 30 days' advance written notice to the
21 subscriber. In the case of a group member, there may be a
22 contractual agreement with the health maintenance organization
23 to have the employer provide the required notice to the
24 individual members of the group.

25 (c) The office ~~department~~ shall disapprove any form
26 filed under this subsection, or withdraw any previous approval
27 thereof, if the form:

28 1. Is in any respect in violation of, or does not
29 comply with, any provision of this part or rule adopted
30 thereunder.

31

1 2. Contains or incorporates by reference, where such
2 incorporation is otherwise permissible, any inconsistent,
3 ambiguous, or misleading clauses or exceptions and conditions
4 which deceptively affect the risk purported to be assumed in
5 the general coverage of the contract.

6 3. Has any title, heading, or other indication of its
7 provisions which is misleading.

8 4. Is printed or otherwise reproduced in such a manner
9 as to render any material provision of the form substantially
10 illegible.

11 5. Contains provisions which are unfair, inequitable,
12 or contrary to the public policy of this state or which
13 encourage misrepresentation.

14 6. Excludes coverage for human immunodeficiency virus
15 infection or acquired immune deficiency syndrome or contains
16 limitations in the benefits payable, or in the terms or
17 conditions of such contract, for human immunodeficiency virus
18 infection or acquired immune deficiency syndrome which are
19 different than those which apply to any other sickness or
20 medical condition.

21 (d) Any change in rates charged for the contract must
22 be filed with the office ~~department~~ not less than 30 days in
23 advance of the effective date. At the expiration of such 30
24 days, the rate filing shall be deemed approved unless prior to
25 such time the filing has been affirmatively approved or
26 disapproved by order of the office ~~department~~. The approval of
27 the filing by the office ~~department~~ constitutes a waiver of
28 any unexpired portion of such waiting period. The office
29 ~~department~~ may extend by not more than an additional 15 days
30 the period within which it may so affirmatively approve or
31 disapprove any such filing, by giving notice of such extension

1 before expiration of the initial 30-day period. At the
2 expiration of any such period as so extended, and in the
3 absence of such prior affirmative approval or disapproval, any
4 such filing shall be deemed approved.

5 (e) It is not the intent of this subsection to
6 restrict unduly the right to modify rates in the exercise of
7 reasonable business judgment.

8 (5) Every subscriber shall receive a clear and
9 understandable description of the method of the health
10 maintenance organization for resolving subscriber grievances,
11 and the method shall be set forth in the contract,

16 office ~~department~~ notifying the contract holder of a group
17 contract or subscriber of an individual contract of their
18 rights and responsibilities under the grievance process.

19 (12) Each health maintenance contract, certificate, or
20 member handbook shall state that emergency services and care
21 shall be provided to subscribers in emergency situations not
22 permitting treatment through the health maintenance
23 organization's providers, without prior notification to and
24 approval of the organization. Not less than 75 percent of the
25 reasonable charges for covered services and supplies shall be
26 paid by the organization, up to the subscriber contract
27 benefit limits. Payment also may be subject to additional
28 applicable copayment provisions, not to exceed \$100 per claim.
29 The health maintenance contract, certificate, or member

4 as emergency services and care, and shall contain specific
5 examples of what does constitute an emergency. In providing
6 for emergency services and care as a covered service, a health
7 maintenance organization shall be governed by s. 641.513.

8 (38)

9 (c) Premiums paid in for the point-of-service riders
10 may not exceed 15 percent of total premiums for all health
11 plan products sold by the health maintenance organization
12 offering the rider. If the premiums paid for point-of-service
13 riders exceed 15 percent, the health maintenance organization
14 must notify the office ~~department~~ and, once this fact is
15 known, must immediately cease offering such a rider until it
16 is in compliance with the rider premium cap.

17 (e) The term "point of service" may not be used by a

26 issued for delivery in this state covering a subscriber, which
27 subscriber, pursuant to the provisions of this part, the
28 organization may not lawfully cover under the contract, shall
29 be cancelable at any time by the organization, any provision
30 of the contract to the contrary notwithstanding; and the
31 organization shall promptly cancel the contract in accordance

1 with the request of the office ~~department~~ therefor. No such
2 illegality or cancellation shall be deemed to relieve the
3 organization of any liability incurred by it under the
4 contract while in force or to prohibit the organization from
5 retaining the pro rata earned premium or rate thereon. This
6 provision does not relieve the organization from any penalty
7 otherwise incurred by the organization under this part on
8 account of any such violation.

9 Section 1580. Subsection (5), paragraph (b) of
10 subsection (7), paragraphs (a) and (e) of subsection (8),

28 1. The contracts must require the provider to give 60
29 days' advance written notice to the health maintenance
30 organization and the office ~~department~~ before canceling the
31

1 contract with the health maintenance organization for any
2 reason; and

3 2. The contract must also provide that nonpayment for
4 goods or services rendered by the provider to the health
5 maintenance organization is not a valid reason for avoiding
6 the 60-day advance notice of cancellation.

7 (b) All provider contracts must provide that the
8 health maintenance organization will provide 60 days' advance
9 written notice to the provider and the office ~~department~~
10 before canceling, without cause, the contract with the
11 provider, except in a case in which a patient's health is
12 subject to imminent danger or a physician's ability to
13 practice medicine is effectively impaired by an action by the
14 Board of Medicine or other governmental agency.

15 Section 1583. Subsections (4) and (5) of section
16 641.3154, Florida Statutes, are amended to read:

17 641.3154 Organization liability; provider billing
18 prohibited.--

19 (4) A provider or any representative of a provider,
20 regardless of whether the provider is under contract with the
21 health maintenance organization, may not collect or attempt to
22 collect money from, maintain any action at law against, or
23 report to a credit agency a subscriber of an organization for
24 payment of services for which the organization is liable, if
25 the provider in good faith knows or should know that the
26 organization is liable. This prohibition applies during the
27 pendency of any claim for payment made by the provider to the
28 organization for payment of the services and any legal
29 proceedings or dispute resolution process to determine whether
30 the organization is liable for the services if the provider is
31 informed that such proceedings are taking place. It is

1 presumed that a provider does not know and should not know
2 that an organization is liable unless:

3 (a) The provider is informed by the organization that
4 it accepts liability;

5 (b) A court of competent jurisdiction determines that
6 the organization is liable;

7 (c) The office ~~department~~ or agency makes a final
8 determination that the organization is required to pay for
9 such services subsequent to a recommendation made by the
10 Statewide Provider and Subscriber Assistance Panel pursuant to
11 s. 408.7056; or

12 (d) The agency issues a final order that the
13 organization is required to pay for such services subsequent
14 to a recommendation made by a resolution organization pursuant
15 to s. 408.7057.

16 (5) An organization, the office, and the department
17 shall report any suspected violation of this section by a
18 health care practitioner to the Department of Health and by a
19 facility to the agency, which shall take such action as
20 authorized by law.

21 Section 1584. Subsection (12) of section 641.3155,
22 Florida Statutes, is amended to read:

23 641.3155 Prompt payment of claims.--

24 (12) A permissible error ratio of 5 percent is
25 established for health maintenance organizations' claims
26 payment violations of paragraphs (3)(a), (b), (c), and (e) and
27 (4)(a), (b), (c), and (e). If the error ratio of a particular
28 insurer does not exceed the permissible error ratio of 5
29 percent for an audit period, no fine shall be assessed for the
30 noted claims violations for the audit period. The error ratio
31 shall be determined by dividing the number of claims with

1 violations found on a statistically valid sample of claims for
2 the audit period by the total number of claims in the sample.
3 If the error ratio exceeds the permissible error ratio of 5
4 percent, a fine may be assessed according to s. 624.4211 for
5 those claims payment violations which exceed the error ratio.
6 Notwithstanding the provisions of this section, the office
7 ~~department~~ may fine a health maintenance organization for
8 claims payment violations of paragraphs (3)(e) and (4)(e)
9 which create an uncontestable obligation to pay the claim.
10 The office ~~department~~ shall not fine organizations for
11 violations which the office ~~department~~ determines were due to
12 circumstances beyond the organization's control.

13 Section 1585. Subsection (4), (6), and (7) of section
14 641.316, Florida Statutes, are amended to read:

15 641.316 Fiscal intermediary services.--

16 (4) A fiscal intermediary services organization, as
17 described in subsection (3), shall secure and maintain a
18 surety bond on file with the office ~~department~~, naming the
19 intermediary as principal. The bond must be obtained from a
20 company authorized to write surety insurance in the state, and
21 the office ~~department~~ shall be obligee on behalf of itself and
22 third parties. The penal sum of the bond may not be less than
23 5 percent of the funds handled by the intermediary in
24 connection with its fiscal and fiduciary services during the
25 prior year or \$250,000, whichever is less. The minimum bond
26 amount must be \$10,000. The condition of the bond must be that
27 the intermediary shall register with the office ~~department~~ and
28 shall not misappropriate funds within its control or custody
29 as a fiscal intermediary or fiduciary. The aggregate liability
30 of the surety for any and all breaches of the conditions of
31 the bond may not exceed the penal sum of the bond. The bond

1 must be continuous in form, must be renewed annually by a
2 continuation certificate, and may be terminated by the surety
3 upon its giving 30 days' written notice of termination to the
4 office ~~department~~.

5 (6) Any fiscal intermediary services organization,
6 other than a fiscal intermediary services organization owned,
7 operated, or controlled by a hospital licensed under chapter
8 395, an insurer licensed under chapter 624, a third-party
9 administrator licensed under chapter 626, a prepaid limited
10 health service organization licensed under chapter 636, a
11 health maintenance organization licensed under this chapter,
12 or physician group practices as defined in s. 456.053(3)(h),
13 must register with the office ~~department~~ and meet the
14 requirements of this section. In order to register as a fiscal
15 intermediary services organization, the organization must
16 comply with ss. 641.21(1)(c) and (d) and 641.22(6). Should the
17 office ~~department~~ determine that the fiscal intermediary
18 services organization does not meet the requirements of this
19 section, the registration shall be denied. In the event that
20 the registrant fails to maintain compliance with the
21 provisions of this section, the office ~~department~~ may revoke
22 or suspend the registration. In lieu of revocation or
23 suspension of the registration, the office ~~department~~ may levy
24 an administrative penalty in accordance with s. 641.25.

25 (7) The commission ~~department~~ shall adopt rules
26 necessary to administer this section.

27 Section 1586. Subsections (1), (2), (3), and (4),
28 paragraph (b) of subsection (6), subsection (8), paragraph (c)
29 of subsection (10), subsections (11) and (12), paragraph (a)
30 of subsection (14), and subsections (15), (16), and (17) of
31 section 641.35, Florida Statutes, are amended to read:

1 641.35 Assets, liabilities, and investments.--

2 (1) ASSETS.--In any determination of the financial
3 condition of a health maintenance organization, there shall be
4 allowed as "assets" only those assets that are owned by the
5 health maintenance organization and that consist of:

6 (a) Cash or cash equivalents in the possession of the
7 health maintenance organization, or in transit under its
8 control, including the true balance of any deposit in a
9 solvent bank, savings and loan association, or trust company
10 which is domiciled in the United States. Cash equivalents are
11 short-term, highly liquid investments, with original
12 maturities of 3 months or less, which are both readily
13 convertible to known amounts of cash and so near their
14 maturity that they present insignificant risk of changes in
15 value because of changes in interest rates.

16 (b) Investments, securities, properties, and loans
17 acquired or held in accordance with this part, and in
18 connection therewith the following items:

19 1. Interest due or accrued on any bond or evidence of
20 indebtedness which is not in default and which is not valued
21 on a basis including accrued interest.

22 2. Declared and unpaid dividends on stock and shares,
23 unless the amount of the dividends has otherwise been allowed
24 as an asset.

25 3. Interest due or accrued upon a collateral loan
26 which is not in default in an amount not to exceed 1 year's
27 interest thereon.

28 4. Interest due or accrued on deposits or certificates
29 of deposit in solvent banks, savings and loan associations,
30 and trust companies domiciled in the United States, and
31

1 interest due or accrued on other assets, if such interest is
2 in the judgment of the office department a collectible asset.

3 5. Interest due or accrued on current mortgage loans,
4 in an amount not exceeding in any event the amount, if any, of
5 the excess of the value of the property less delinquent taxes
6 thereon over the unpaid principal; but in no event shall
7 interest accrued for a period in excess of 90 days be allowed
8 as an asset.

9 (c) Premiums in the course of collection, not more
10 than 3 months past due, less commissions payable thereon. The
11 foregoing limitation shall not apply to premiums payable
12 directly or indirectly by any governmental body in the United
13 States or by any of their instrumentalities.

14 (d) The full amount of reinsurance recoverable from a
15 solvent reinsurer, which reinsurance is authorized under s.
16 624.610.

17 (e) Pharmaceutical and medical supply inventories.

18 (f) Goodwill created by acquisitions and mergers
19 occurring on or after January 1, 2001.

20 (g) Loans or advances by a health maintenance
21 organization to its parent or principal owner if approved by
22 the office department.

23 (h) Other assets, not inconsistent with the provisions
24 of this section, deemed by the office department to be
25 available for the payment of losses and claims, at values to
26 be determined by it.

27
28 The office department, upon determining that a health
29 maintenance organization's asset has not been evaluated
30 according to applicable law or that it does not qualify as an
31 asset, shall require the health maintenance organization to

1 properly reevaluate the asset or replace the asset with an
2 asset suitable to the office ~~department~~ within 30 days of
3 receipt of written notification by the office ~~department~~ of
4 this determination, if the removal of the asset from the
5 organization's assets would impair the organization's
6 solvency.

7 (2) ASSETS NOT ALLOWED.--In addition to assets
8 impliedly excluded by the provisions of subsection (1), the
9 following assets expressly shall not be allowed as assets in
10 any determination of the financial condition of a health
11 maintenance organization:

12 (a) Subscriber lists, patents, trade names, agreements
13 not to compete, and other like intangible assets.

14 (b) Any note or account receivable from or advances to
15 officers, directors, or controlling stockholders, whether
16 secured or not, and advances to employees, agents, or other
17 persons on personal security only, other than those
18 transactions authorized under paragraph (1)(g).

19 (c) Stock of the health maintenance organization owned
20 by it directly or owned by it through any entity in which the
21 organization owns or controls, directly or indirectly, more
22 than 25 percent of the ownership interest.

23 (d) Leasehold improvements, nonmedical libraries,
24 stationery, literature, and nonmedical supply inventories,
25 except that leasehold improvements made prior to October 1,
26 1985, shall be allowed as an asset and shall be amortized over
27 the shortest of the following periods:

- 28 1. The life of the lease.
- 29 2. The useful life of the improvements.
- 30 3. The 3-year period following October 1, 1985.

31

1 (e) Furniture, fixtures, furnishings, vehicles,
2 medical libraries, and equipment.

3 (f) Notes or other evidences of indebtedness which are
4 secured by mortgages or deeds of trust which are in default
5 and beyond the express period specified in the instrument for
6 curing the default.

7 (g) Bonds in default for more than 60 days.

8 (h) Prepaid and deferred expenses.

9 (i) Any note, account receivable, advance, or other
10 evidence of indebtedness, or investment in:

11 1. The parent of the health maintenance organization;

12 2. Any entity directly or indirectly controlled by the
13 health maintenance organization parent; or

14 3. An affiliate of the parent or the health
15 maintenance organization,

16
17 except as allowed in subsections (1), (11), and (12). The
18 office department may, however, allow all or a portion of such
19 asset, at values to be determined by the office department, if
20 deemed by the office department to be available for the
21 payment of losses and claims.

22 (3) LIABILITIES.--In any determination of the
23 financial condition of a health maintenance organization,
24 liabilities to be charged against its assets shall include:

25 (a) The amount, estimated consistently with the
26 provisions of this part, necessary to pay all of its unpaid
27 losses and claims incurred for or on behalf of a subscriber,
28 on or prior to the end of the reporting period, whether
29 reported or unreported, including contract and premium
30 deficiency reserves. If a health maintenance organization,
31 through a health care risk contract, transfers to any entity

1 the obligation to pay any provider for any claim arising from
2 services provided to or for the benefit of any subscriber, the
3 liabilities of the health maintenance organization under this
4 section shall include the amount of those losses and claims to
5 the extent that the provider has not received payment. No
6 liability need be established if the entity has provided to
7 the health maintenance organization a financial instrument
8 acceptable to the office ~~department~~ securing the obligations
9 under the contract or if the health maintenance organization
10 has in place an escrow or withhold agreement approved by the
11 office ~~department~~ which assures full payment of those claims.
12 Financial instruments may include irrevocable, clean, and
13 evergreen letters of credit. As used in this paragraph, the
14 term "entity" does not include this state, the United States,
15 or an agency thereof or an insurer or health maintenance
16 organization authorized in this state.

17 (b) The amount equal to the unearned portions of the
18 gross premiums charged on health maintenance contracts in
19 force.

20 (c) Taxes, expenses, and other obligations due or
21 accrued at the date of the statement.

22
23 The office ~~department~~, upon determining that a health
24 maintenance organization has failed to report liabilities that
25 should have been reported, shall require a corrected report
26 which reflects the proper liabilities to be submitted by the
27 organization to the office ~~department~~ within 10 working days
28 of receipt of written notification.

29 (4) INVESTMENTS GENERALLY.--Health maintenance
30 organizations may invest their funds only in accordance with
31 the provisions of this part. Notwithstanding the provisions of

1 this part, however, the office ~~department~~ may, after notice
2 and hearing, order a health maintenance organization to limit
3 or withdraw from certain investments or to discontinue certain
4 investment practices, to the extent that the office ~~department~~
5 finds the investment practices hazardous to the financial
6 condition of the organization. At any such hearing, the
7 office ~~department~~ shall have the burden of presenting a prima
8 facie case that the investment or investment practices are
9 hazardous to the financial condition of the organization. If
10 the office ~~department~~ presents such a prima facie case, then
11 it shall be the organization's burden to demonstrate that the
12 investment or investment practices are not hazardous to the
13 financial condition of the organization.

14 (6) GENERAL QUALIFICATIONS.--

15 (b) No security or investment shall be eligible for
16 purchase at a price above its market value unless it is
17 approved by the office ~~department~~.

18 (8) EXCESSIVE COMMISSIONS AND CERTAIN INTERESTS
19 PROHIBITED.--

20 (a) No health maintenance organization shall pay any
21 commission or brokerage for the purchase or sale of property,
22 whether real or personal, in excess of that usual and
23 customary at the time and in the locality where the purchases
24 or sales are made. Information regarding payments of
25 commissions and brokerage shall be maintained from the date of
26 the most recent examination by the office ~~department~~ pursuant
27 to s. 641.27 until the date of completion of the following
28 examination.

29 (b) No health maintenance organization shall knowingly
30 invest in or loan upon any property, directly or indirectly,
31 whether real or personal, in which any officer or director of

1 the organization has a financial interest, nor shall any
2 organization make a loan of any kind to any officer or
3 director of the organization, except that:

4 1. This paragraph shall not apply to loans in
5 circumstances in which the financial interest of the officer
6 or director is only nominal, trifling, or so remote as not to
7 give rise to a conflict of interest; and

8 2. In any case, the office ~~department~~ may approve a

27 applicant is competent and trustworthy and possesses
28 managerial experience that would make the proposed clinic
29 operation beneficial to the subscribers. The office ~~department~~
30 shall not grant or continue authority to transact the business
31 of a prepaid health clinic in this state at any time during

1 which the office ~~department~~ has good reason to believe that
2 the ownership, control, or management of the clinic is under
3 the control of any person whose business operations are or
4 have been marked by business practices or conduct that is to
5 the detriment of the public, stockholders, investors, or
6 creditors; by the improper manipulation of assets or of
7 accounts; or by bad faith.

8 (8) The application and the applicant are in
9 conformity with all requirements of this part.

10 Section 1603. Section 641.4065, Florida Statutes, is
11 amended to read:

12 641.4065 Insurance business not authorized.--Nothing
13 in the Florida Insurance Code or this part shall be deemed to
14 authorize any prepaid health clinic to transact any insurance
15 business other than that issuing prepaid health clinic
16 contracts or otherwise to engage in any other type of
17 insurance unless it is authorized under a certificate of
18 authority issued by the office ~~department~~ under the provisions
19 of the Florida Insurance Code.

20 Section 1604. Subsection (2) of section 641.407,
21 Florida Statutes, is amended to read:

22 641.407 Minimum surplus.--

23 (2) In lieu of having any minimum surplus, the prepaid
24 health clinic may provide a written guaranty to assure payment
25 of covered subscriber claims if the guaranteeing organization
26 has been in operation for at least 3 years and has a surplus,
27 not including land, buildings, and equipment, equal to the
28 product of 2 times the amount of the required statutory
29 surplus. Such guaranteeing organization and such written
30 guaranty must be acceptable to, and approved by, the office
31 ~~department~~. The office ~~department~~ shall consider the

1 likelihood of the payment of subscriber claims in granting or
2 withholding such approval.

3 Section 1605. Section 641.409, Florida Statutes, is
4 amended to read:

5 641.409 Insolvency protection.--

6 (1) Every prepaid health clinic shall comply with one
7 of the following paragraphs:

8 (a) The prepaid health clinic shall secure insurance
9 to the satisfaction of the office ~~department~~ to protect
10 subscribers in the event the prepaid health clinic is unable
11 to meet its obligations to subscribers under the terms of any
12 prepaid health clinic contract issued to a subscriber.

13 (b) The prepaid health clinic shall file with the
14 office ~~department~~ a surety bond issued by an authorized surety
15 insurer. The bond shall be for the same purpose as the
16 insurance in lieu of which the bond is filed. The office
17 ~~department~~ shall not approve any bond under the terms of which
18 the protection afforded against insolvency is not equivalent
19 to the protection afforded by such insurance. The bond shall
20 guarantee that the prepaid health clinic will faithfully and
21 truly perform all the conditions of any prepaid health clinic
22 contract. No such bond shall be canceled or subject to
23 cancellation unless at least 60 days' notice of the
24 cancellation, in writing, is filed with the office ~~department~~.
25 In the event that the notice of termination of the bond is
26 filed with the office ~~department~~, the prepaid health clinic
27 insured under the bond shall, within 30 days of the filing of
28 the notice of termination, provide the office ~~department~~ with
29 a replacement bond meeting the requirements of this part or
30 secure insurance as required by paragraph (a). The
31 cancellation of a bond does not relieve the obligation of the

1 issuer of the bond for claims arising out of contracts issued
2 prior to the cancellation of the bond unless a replacement
3 bond or insurance is secured. In no event shall the issuer's
4 aggregate liability under the bond exceed the face amount of
5 the bond. If, within 30 days of filing the notice of
6 termination, a replacement bond or insurance has not been
7 secured and filed with the office ~~department~~, the office
8 ~~department~~ shall suspend the certificate of the prepaid health
9 clinic until the deposit requirements are satisfied. Whenever
10 the prepaid health clinic ceases to do business in this state
11 and furnishes to the office ~~department~~ satisfactory proof that
12 it has discharged or otherwise adequately provided for all of
13 its obligations to its subscribers, the office ~~department~~
14 shall release any bond filed by the prepaid health clinic.

15 (2) In determining the sufficiency of the insurance
16 required under paragraph (1)(a) or the surety bond required
17 under paragraph (1)(b), the office ~~department~~ may consider the
18 number of subscribers, the basic services included in
19 subscriber contracts, and the cost of providing such basic
20 services to subscribers in the geographic area served.

21 (3) Every prepaid health clinic shall deposit with the
22 department a cash deposit in the amount of \$30,000 to
23 guarantee that the obligations to the subscribers will be
24 performed.

25 Section 1606. Section 641.41, Florida Statutes, is
26 amended to read:

27 641.41 Annual report of prepaid health clinic;
28 administrative penalty.--

29 (1) Each prepaid health clinic shall file a report
30 with the office ~~department~~, annually on or before March 1, or
31 within 3 months of the end of the reporting period of the

1 clinic, or within such extension of time for the filing of the
2 report as the office ~~department~~, for good cause, may grant.
3 The report of the prepaid health clinic must be filed on forms
4 prescribed by the commission ~~department~~ and must be verified
5 under oath by two executive officers of the clinic or, if the
6 clinic is not a corporation, verified under oath by two
7 persons who are principal managing directors of the affairs of
8 the clinic. The report of the clinic shall show the condition
9 of the clinic on the last day of the immediately preceding
10 reporting period. Such report shall include:

11 (a) A financial statement of the clinic, including its
12 balance sheet and a statement of operations for the preceding
13 year;

14 (b) A list of the name and residence address of every
15 person responsible for the conduct of the affairs of the
16 clinic, together with a disclosure of the extent and nature of
17 any contract or arrangement between such person and the
18 clinic, including any possible conflicts of interest;

19 (c) The number of prepaid health clinic contracts
20 issued and outstanding, and the number of prepaid health
21 clinic contracts terminated and a compilation of the reasons
22 for such terminations;

23 (d) Such statistical information as is requested by
24 the commission or office ~~department~~, which information shows
25 the rates of the clinic for all basic services provided under
26 prepaid health clinic contracts;

27 (e) The number and amount of damage claims for medical
28 injury initiated against the clinic and any of the providers
29 engaged by it during the reporting year, broken down into
30 claims with and without formal legal process, and the
31 disposition, if any, of each such claim; and

1 (f) Such other information relating to the performance
2 of the clinic as is required by the commission or office
3 ~~department~~.

4 (2) Any clinic which neglects to file the annual
5 report in the form and within the time required by this
6 section is subject to an administrative penalty, not to exceed
7 \$100 for each day during which the neglect continues; and,
8 upon notice by the office ~~department~~ to that effect, the
9 authority of the clinic to do business in this state shall
10 cease while such default continues.

11 Section 1607. Section 641.412, Florida Statutes, is
12 amended to read:

13 641.412 Fees.--

14 (1) Every prepaid health clinic shall pay to the
15 office ~~department~~ the following fees:

16 (a) For filing a copy of its application for a
17 certificate of authority or an amendment to such certificate,
18 a nonrefundable fee in the amount of \$150.

19 (b) For filing each annual report, a fee in the amount
20 of \$150.

21 (2) The fees charged under this section shall be
22 distributed as follows:

23 (a) One-third of the total amount of fees shall be
24 distributed to the Agency for Health Care Administration; and

25 (b) Two-thirds of the total amount of fees shall be
26 distributed to the office ~~Department of Insurance~~.

27 Section 1608. Section 641.418, Florida Statutes, is
28 amended to read:

29 641.418 Examination of prepaid health clinic by the
30 office ~~department~~.--The office ~~department~~ shall examine the
31 affairs, transactions, accounts, business records, and assets

1 of any prepaid health clinic as often as the office ~~department~~
2 deems it expedient for the protection of the people of this
3 state. Every clinic shall submit its books and records and
4 take other appropriate action as may be necessary to
5 facilitate an examination. However, medical records of
6 individuals and records of physicians providing services under
7 contracts to the clinic are not subject to audit, although
8 such records may be subject to subpoena by court order upon a
9 showing of good cause. For the purpose of examinations, the
10 office ~~department~~ may administer oaths to and examine the
11 officers and agents of a clinic concerning its business and
12 affairs. The expenses for the examination of each clinic by
13 the office ~~department~~ are subject to the same terms and
14 conditions that apply to insurers under part II of chapter
15 624. In no event shall the expenses of all examinations exceed
16 the maximum amount of \$15,000 per year.

17 Section 1609. Subsections (2), (3), (5), and (7) of
18 section 641.42, Florida Statutes, is amended to read:

19 641.42 Prepaid health clinic contracts.--

20 (2) The rates charged by any clinic to its subscribers
21 shall not be excessive, inadequate, or unfairly
22 discriminatory. The commission ~~department~~, in accordance with
23 generally accepted actuarial practice, may define by rule what
24 constitutes excessive, inadequate, or unfairly discriminatory
25 rates and may require whatever information the commission
26 ~~department~~ deems necessary to determine that a rate or
27 proposed rate meets the requirements of this subsection.

28 (3) No clinic shall issue or agree to issue any
29 prepaid health clinic contract to a subscriber unless the
30 contract has first been filed with, and approved by, the
31 office ~~department~~.

1 (5) Every subscriber shall receive a clear and
2 understandable description of the method of the clinic for
3 resolving subscriber grievances; such method shall be set
4 forth in the contract and shall be approved by the office
5 ~~department~~ on the basis of its underlying fairness.

6 (7)(a) If a clinic desires to amend any contract with
7 any of its subscribers or desires to change any rate charged
8 for the contract, the clinic may do so, upon filing with the
9 office ~~department~~ the proposed amendment or change in rates.

10 (b) No prepaid health clinic contract form or
11 application form when written application is required and is
12 to be made a part of the policy or contract, or no printed
13 amendment, addendum, rider, or endorsement form or form of
14 renewal certificate, shall be delivered or issued for delivery
15 in this state, unless the form has been filed with the office
16 ~~department at its offices in Tallahassee~~ by or in behalf of
17 the clinic which proposes to use such form and has been
18 approved by the office ~~department~~. Every such filing shall be
19 made not less than 30 days in advance of any such use or
20 delivery. At the expiration of such 30 days, the form so filed
21 shall be deemed approved unless prior to the end of the 30
22 days the form has been affirmatively approved or disapproved
23 by the office ~~department~~. The approval of any such form by the
24 office ~~department~~ constitutes a waiver of any unexpired
25 portion of such waiting period. The office ~~department~~ may
26 extend by not more than an additional 15 days the period
27 within which the office ~~department~~ may so affirmatively
28 approve or disapprove any such form, by giving notice of such
29 extension before the expiration of the initial 30-day period.
30 At the expiration of any such period as so extended, and in
31 the absence of such prior affirmative approval or disapproval,

1 such form shall be deemed approved. The office ~~department~~ may,
2 for cause, withdraw a previous approval. No clinic shall issue
3 or use any form which has been disapproved by the office
4 ~~department~~ or any form for which the office ~~department~~ has
5 withdrawn approval.

6 (c) The office ~~department~~ shall disapprove any form
7 filed under this subsection, or withdraw any previous approval
8 of the form, only if the form:

9 1. Is in any respect in violation of, or does not
10 comply with, any provision of this part or rule adopted under
11 this part.

12 2. Contains or incorporates by reference, where such
13 incorporation is otherwise permissible, any inconsistent,
14 ambiguous, or misleading clauses, or exceptions and conditions
15 which deceptively affect the risk purported to be assumed in
16 the general coverage of the contract.

17 3. Has a misleading title, misleading heading, or
18 other indication of the provisions of the form which is
19 misleading.

20 4. Is printed or otherwise reproduced in such manner
21 as to render any material provision of the form substantially
22 illegible.

23 5. Provides benefits which are unreasonable in
24 relation to the rate charged or contains provisions which are
25 unfair, inequitable, or contrary to the public policy of this
26 state or encourage misrepresentation.

27 (d) In determining whether the benefits are reasonable
28 in relation to the rate charged, the office ~~department~~, in
29 accordance with reasonable actuarial techniques, shall
30 consider:

31

1 1. Past loss experience and prospective loss
2 experience.

3 2. Allocation of expenses.

4 3. Risk and contingency margins, along with
5 justification of such margins.

6 4. Acquisition costs.

7 5. Other factors deemed appropriate by the office
8 ~~department~~, based on sound actuarial techniques.

12 translations.--

13 (1)(a) All prepaid health clinic contracts or forms
14 shall be printed in English.

15 (b) If the negotiations by a prepaid health clinic
16 with a subscriber leading up to the effectuation of a prepaid
17 health clinic contract are conducted in a language other than
18 English, the prepaid health clinic shall supply to the
19 subscriber a written translation of the contract, which
20 translation accurately reflects the substance of the contract
21 and is in the language used to negotiate the contract. Any
22 such translation shall be furnished to the office ~~department~~
23 as part of the filing of the prepaid health clinic contract
24 form and shall be approved by the office ~~department~~ prior to
25 use. No translation of a prepaid health clinic contract form
26 shall be approved by the office ~~department~~ unless the
27 translation accurately reflects the substance of the prepaid
28 health clinic contract form in translation. When a translation
29 of a prepaid health clinic contract is used, the translation
30 shall clearly and conspicuously state on its face and in the

No such illegality or cancellation shall be deemed to relieve the clinic of any liability incurred by the clinic under the contract while the contract was in force or to prohibit the clinic from retaining the pro rata earned premium on the contract. This provision does not relieve the clinic from any penalty otherwise

1 incurred by the clinic under this part on account of any such

19 a subscriber or subscribers of a prepaid health clinic that is
20 being operated by a person or entity without a subsisting
21 certificate of authority; or

22 (b) On behalf of the office ~~department~~ or on behalf of
23 a subscriber or subscribers to whom a prepaid health clinic,
24 person, or entity is issuing, delivering, or renewing prepaid
25 health clinic contracts without an existing certificate of
26 authority.

27 (2) The office ~~department~~ and the Agency for Health
28 Care Administration are each vested with the power to seek a
29 temporary restraining order on their behalf or on behalf of a
30 subscriber or subscribers of a prepaid health clinic that is
31 being operated in violation of any provision of this part or

1 any rule promulgated under this part, or any other applicable
2 law or rule.

3 Section 1614. Section 641.444, Florida Statutes, is
4 amended to read:

9 part, the office ~~department~~ may resort to a proceeding for
10 injunction in the circuit court of the county where such
11 person, entity, or prepaid health clinic is located or has her
12 or his or its principal place of business; and the office
13 ~~department~~ may apply in such court for such temporary and

24 engaged, or is engaging, in this state in any unfair method of
25 competition or any unfair or deceptive act or practice as
26 defined in s. 641.441, or is operating a prepaid health clinic
27 without a certificate of authority as required by this part or

21 certified and mailed as provided in this subsection, is proof
22 of the service of the statement, notice, or order or other
23 process.

24 Section 1616. Section 641.446, Florida Statutes, is
25 amended to read:

27 the hearing provided in s. 641.445, the office ~~department~~

13 applicant to a hearing pursuant to the provisions of chapter

15 (7) The issuance of a provisional certificate of
16 authority entitles the applicant to collect entrance fees and
17 reservation deposits from prospective residents. All or any
18 part of an entrance fee or deposit collected shall be placed
19 in an escrow account or on deposit with the department,
20 pursuant to s. 651.033, until a certificate of authority is

21 are reasonable and proper and that the project as proposed is
22 feasible. The study shall take into account project costs,
23 actual marketing results to date and marketing projections,
24 resident fees and charges, competition, resident contract
25 provisions, and any other factors which affect the feasibility
26 of operating the facility.

27 (c) Subject to the requirements of subsection (2), a
28 provider may submit an application for a certificate of

13 (e) Proof that all conditions of the lender have been
14 satisfied to activate the commitment to disburse funds other
15 than the obtaining of the certificate of authority, the
16 completion of construction, or the closing of the purchase of
17 realty or buildings for the facility.

18 (f) Proof that the aggregate amount of entrance fees
19 received by or pledged to the applicant, plus anticipated
20 proceeds from any long-term financing commitment, plus funds
21 from all other sources in the actual possession of the
22 applicant, equal not less than 100 percent of the aggregate
23 cost of constructing or purchasing, equipping, and furnishing
24 the facility plus 100 percent of the anticipated startup
25 losses of the facility.

26 (g) Complete audited financial statements of the
27 applicant, prepared by an independent certified public

7 and pertinent information as the commission or office
8 ~~department~~ may require with respect to the applicant or the
9 facility, to determine the financial status of the facility
10 and the management capabilities of its managers and owners.

11 (j) Within 30 days of the receipt of the information
12 required under paragraphs (a)-(h), the office ~~department~~ shall
13 examine such information and shall notify the provider in
14 writing, specifically requesting any additional information
15 the office ~~department~~ is permitted by law to require. Within
16 15 days after receipt of all of the requested additional
17 information, the office ~~department~~ shall notify the provider
18 in writing that all of the requested information has been
19 received and the application is deemed to be complete as of
20 the date of the notice. Failure to so notify the applicant in
21 writing within the 15-day period shall constitute
22 acknowledgment by the office ~~department~~ that it has received
23 all requested additional information, and the application
24 shall be deemed to be complete for purposes of review upon the
25 date of the filing of all of the required additional
26 information.

27 (k) Within 45 days after an application is deemed
28 complete as set forth in paragraph (j), and upon completion of
29 the remaining requirements of this section, the office

22 that unit, and must assess a forfeiture penalty of 2 percent
23 of the entrance fee due to termination of the reservation
24 contract after 30 days for any reason other than the death or
25 serious illness of the resident, the failure of the provider
26 to meet its obligations under the reservation contract, or
27 other circumstances beyond the control of the resident that
28 equitably entitle the resident to a refund of the resident's
29 deposit. The reservation contract shall state the cancellation
30 policy and the terms of the continuing care contract to be
31 entered into.

1 (3) No more than 25 percent of the moneys paid for all
2 or any part of an initial entrance fee may be included or
3 pledged for the construction or purchase of the facility, or
4 included or pledged as security for long-term financing. The
5 term "initial entrance fee" means the total entrance fee
6 charged by the facility to the first occupant of a unit. A
7 minimum of 75 percent of the moneys paid for all or any part
8 of an initial entrance fee collected shall be placed in an
9 escrow account or on deposit with the department as prescribed
10 in s. 651.033.

11 (4) The provider shall be entitled to secure release
12 of the moneys held in escrow within 7 days after receipt by
13 the office ~~department~~ of an affidavit from the provider, along
14 with appropriate copies to verify, and notification to the
15 escrow agent by certified mail, that the following conditions
16 have been satisfied:

17 (a) A certificate of occupancy has been issued.

18 (b) Payment in full has been received for no less than
19 70 percent of the total units of a phase or of the total of
20 the combined phases constructed.

21 (c) The consultant who prepared the feasibility study
22 required by this section or a substitute approved by the
23 office ~~department~~ certifies that there has been no material
24 adverse change in status with regard to the feasibility study,
25 with such statement dated not more than 12 months from the
26 date of filing for office ~~department~~ approval. If a material
27 adverse change should exist at the time of submission, then
28 sufficient information acceptable to the office ~~department~~ and
29 the feasibility consultant shall be submitted which remedies
30 the adverse condition.

31

1 (d) Proof that commitments have been secured or a
2 documented plan adopted by the applicant has been approved by
3 the office ~~department~~ for long-term financing.

4 (e) Proof that the provider has sufficient funds to
5 meet the requirements of s. 651.035, which may include funds
6 deposited in the initial entrance fee account.

7 (f) Proof as to the intended application of the
8 proceeds upon release and proof that the entrance fees when
9 released will be applied as represented to the office
10 ~~department~~.

11
12 Notwithstanding any provision of chapter 120, no person, other
13 than the provider, the escrow agent, and the office
14 ~~department~~, shall have a substantial interest in any office
15 ~~departmental~~ decision regarding release of escrow funds in any
16 proceedings under chapter 120 or this chapter regarding
17 release of escrow funds.

18 (5) In lieu of the provider fulfilling the
19 requirements in subsection (3) and paragraphs (4)(b) and (d),
20 the office ~~department~~ may authorize the release of escrowed
21 funds to retire all outstanding debts on the facility and
22 equipment upon application of the provider and upon the
23 provider's showing that the provider will grant to the
24 residents a first mortgage on the land, buildings, and
25 equipment that constitute the facility, and that the provider
26 satisfies the requirements of paragraphs (4)(a), (c), and (e).
27 Such mortgage shall secure the refund of the entrance fee in
28 the amount required by this chapter. The granting of such
29 mortgage shall be subject to the following:

30 (a) The first mortgage shall be granted to an
31 independent trust which is beneficially held by the residents.

1 The document creating the trust shall contain a provision that
2 it agrees to an annual audit and will furnish to the office
3 ~~department~~ all information the office ~~department~~ may
4 reasonably require. The mortgage may secure payment on bonds
5 issued to the residents or trustee. Such bonds shall be
6 redeemable after termination of the residency contract in the
7 amount and manner required by this chapter for the refund of
8 an entrance fee.

9 (b) Before granting a first mortgage to the residents,
10 all construction shall be substantially completed and
11 substantially all equipment shall be purchased. No part of
12 the entrance fees may be pledged as security for a
13 construction loan or otherwise used for construction expenses
14 before the completion of construction.

15 (c) If the provider is leasing the land or buildings
16 used by the facility, the leasehold interest shall be for a
17 term of at least 30 years.

18 (6) The timeframes provided under s. 651.022(5) and
19 (6) apply to applications submitted under s. 651.021(2). The
20 office ~~department~~ may not issue a certificate of authority
21 under this chapter to any facility which does not have a
22 component which is to be licensed pursuant to part II or part
23 III of chapter 400 or which will not offer personal services
24 or nursing services through written contractual agreement. Any
25 written contractual agreement must be disclosed in the
26 continuing care contract and is subject to the provisions of
27 s. 651.1151, relating to administrative, vendor, and
28 management contracts.

29 (7) The office ~~department~~ shall not approve an
30 application which includes in the plan of financing any
31

1 encumbrance of the operating reserves required by this
2 chapter.

3 Section 1672. Section 651.0235, Florida Statutes, is
4 amended to read:

5 651.0235 Validity of provisional certificates of
6 authority and certificates of authority.--

7 (1) The provisional certificate of authority and
8 certificate of authority shall be valid for as long as the
9 office department determines that the provider continues to
10 meet the requirements of this chapter.

11 (2) If the provider fails to meet the requirements of
12 this chapter for a provisional certificate of authority or a
13 certificate of authority, the office department may notify the
14 provider of any deficiencies and require the provider to
15 correct such deficiencies within a period to be determined by
16 the office department. If such deficiencies are not corrected
17 within 20 days after the notice to the provider, or within
18 less time at the discretion of the office department, the
19 office department shall notify the advisory council, which may
20 assist the facility in formulating a remedial plan to be
21 submitted to the office department no later than 60 days from
22 the date of notification. The time period granted to correct
23 deficiencies may be extended upon submission of a plan for
24 corrective action approved by the office department. If such
25 deficiencies have not been cleared by the expiration of such
26 time period, as extended, the office department shall petition
27 for a delinquency proceeding or pursue such other relief as is
28 provided for under this chapter, as the circumstances may
29 require.

30 (3) The office ~~Department of Insurance~~ shall notify
31 the Agency for Health Care Administration of any facility for

1 which a provisional certificate of authority or certificate of
2 authority is no longer valid.

3 Section 1673. Section 651.026, Florida Statutes, is
4 amended to read:

5 651.026 Annual reports.--

6 (1) Annually, on or before May 1, the provider shall
7 file an annual report and such other information and data
8 showing its condition as of the last day of the preceding
9 calendar year, except as provided in subsection (5). If the
10 office ~~department~~ does not receive the required information on
11 or before May 1, a late fee may be charged pursuant to s.
12 651.015(2)(c). The office ~~department~~ may approve an extension
13 of up to 30 days.

14 (2) The annual report shall be in such form as the
15 commission ~~department~~ prescribes and shall contain at least
16 the following:

17 (a) Any change in status with respect to the
18 information required to be filed under s. 651.022(2).

19 (b) Financial statements audited by an independent
20 certified public accountant, which shall contain, for two or
21 more periods if the facility has been in existence that long,
22 the following:

23 1. An accountant's opinion and, in accordance with
24 generally accepted accounting principles:

25 a. A balance sheet;

26 b. A statement of income and expenses;

27 c. A statement of equity or fund balances; and

28 d. A statement of changes in cash flows; and

29 2. Notes to the financial statements considered
30 customary or necessary to full disclosure or adequate

31

1 understanding of the financial statements, financial
2 condition, and operation.

3 (c) The following financial information:

4 1. A detailed listing of the assets maintained in the
5 liquid reserve as required in s. 651.035 and in accordance
6 with part II of chapter 625;

7 2. A schedule giving additional information relating
8 to property, plant, and equipment having an original cost of
9 at least \$25,000, so as to show in reasonable detail with
10 respect to each separate facility original costs, accumulated
11 depreciation, net book value, appraised value or insurable
12 value and date thereof, insurance coverage, encumbrances, and
13 net equity of appraised or insured value over encumbrances.
14 Any property not used in continuing care shall be shown
15 separately from property used in continuing care;

16 3. The level of participation in Medicare or Medicaid
17 programs, or both;

18 4. A statement of all fees required of residents,
19 including, but not limited to, a statement of the entrance fee
20 charged, the monthly service charges, the proposed application
21 of the proceeds of the entrance fee by the provider, and the
22 plan by which the amount of the entrance fee is determined if
23 the entrance fee is not the same in all cases; and

24 5. Any change or increase in fees when the provider
25 changes either the scope of, or the rates for, care or
26 services, regardless of whether the change involves the basic
27 rate or only those services available at additional costs to
28 the resident.

29 6.a. If the provider has more than one certificated
30 facility, it shall submit a statement of operations for each
31

1 facility as supplemental information to the audited financial
2 statements required as part of the annual report.

3 b. If the provider has operations that are not Florida
4 certificated facilities, the provider shall also submit as
5 supplemental information to the audited financial statements,
6 balance sheets, statements of changes in equity, and
7 statements of cash flows for each Florida certificated
8 facility.

9 (d) Such other reasonable data, financial statements,
10 and pertinent information as the commission or office
11 ~~department~~ may require with respect to the provider or the
12 facility, or its directors, trustees, members, branches,
13 subsidiaries, or affiliates, to determine the financial status
14 of the facility and the management capabilities of its
15 managers and owners.

16 (e) Each facility shall file with the office
17 ~~department~~ annually, together with the annual report required
18 by this section, a computation of its minimum liquid reserve
19 calculated in accordance with s. 651.035 on a form prescribed
20 by the commission ~~department~~.

21 (3) The commission ~~department~~ shall adopt by rule
22 meaningful measures of assessing the financial viability of a
23 provider. The rule may include the following factors:

- 24 (a) Debt service coverage ratios.
25 (b) Current ratios.
26 (c) Adjusted current ratios.
27 (d) Cash flows.
28 (e) Occupancy rates.
29 (f) Other measures, ratios, or trends.
30 (g) Other factors as may be appropriate.

31

1 (4) If the provider is an individual, the annual
2 statement shall be sworn to by him or her; if a limited
3 partnership, by the general partner; if a partnership other
4 than a limited partnership, by all the partners; if any other
5 unincorporated association, by all its members or officers and
6 directors; if a trust, by all its trustees and officers; and,
7 if a corporation, by the president and secretary thereof.

8 (5) A provider may declare at the time of application
9 a fiscal year other than the calendar year, and may use such
10 fiscal year for its accounting period. A provider may
11 subsequently adopt a fiscal year upon providing the office
12 ~~department~~ with a copy of the Internal Revenue Service
13 approval of such change, if such approval is required. The
14 annual report filing with the office ~~department~~ must be made
15 within 120 days of the last day of the fiscal year of the
16 provider.

17 (6) The workpapers, account analyses, descriptions of
18 basic assumptions, and other information necessary for a full
19 understanding of the annual statement of a provider as filed
20 with the office ~~department~~ shall be made available for visual
21 inspection by the office ~~department~~ at the facility or, if the
22 office ~~department~~ requests, at another agreed-upon site.
23 Photocopies may not be made unless consented to by the
24 provider.

25 (7) A filing fee in the amount of \$100 shall accompany
26 each annual report required by this section.

27 (8) All financial reports and any supplemental
28 financial information submitted to the office ~~department~~ shall
29 be prepared in conformity with generally accepted accounting
30 principles.

31

1 Section 1674. Section 651.0261, Florida Statutes, is
2 amended to read:

3 651.0261 Quarterly statements.--If the office
4 ~~department~~ finds, pursuant to rules of the commission
5 ~~department~~, that such information is needed to properly
6 monitor the financial condition of a provider or facility or
7 is otherwise needed to protect the public interest, the office
8 ~~department~~ may require the provider to file, within 45 days
9 after the end of each fiscal quarter, a quarterly unaudited
10 financial statement of the provider or of the facility in the
11 form prescribed by the commission ~~department~~ by rule.

12 Section 1675. Section 651.028, Florida Statutes, is
13 amended to read:

14 651.028 Accredited facilities.--If a provider is
15 accredited by a process found by the office ~~department~~ to be
16 acceptable and substantially equivalent to the provisions of
17 this chapter, the office ~~department~~ may, pursuant to rule of
18 the commission, waive any requirements of this chapter with
19 respect to the provider if the office ~~department~~ finds that
20 such waivers are not inconsistent with the security
21 protections intended by this chapter.

22 Section 1676. Section 651.033, Florida Statutes, is
23 amended to read:

24 651.033 Escrow accounts.--

25 (1) When funds are required to be deposited in an
26 escrow account pursuant to s. 651.022, s. 651.023, s. 651.035,
27 or s. 651.055:

28 (a) The escrow account shall be established in a
29 Florida bank, Florida savings and loan association, or Florida
30 trust company acceptable to the office ~~department~~ or on
31 deposit with the department; and the funds deposited therein

1 shall be kept and maintained in an account separate and apart
2 from the provider's business accounts.

3 (b) An escrow agreement shall be entered into between
4 the bank, savings and loan association, or trust company and
5 the provider of the facility; the agreement shall state that
6 its purpose is to protect the resident or the prospective
7 resident; and, upon presentation of evidence of compliance
8 with applicable portions of this chapter, or upon order of a
9 court of competent jurisdiction, the escrow agent shall
10 release and pay over the funds, or portions thereof, together
11 with any interest accrued thereon or earned from investment of
12 the funds, to the provider or resident as directed.

13 (c) Any agreement establishing an escrow account
14 required under the provisions of this chapter shall be subject
15 to approval by the office ~~department~~. The agreement shall be
16 in writing and shall contain, in addition to any other
17 provisions required by law, a provision whereby the escrow
18 agent agrees to abide by the duties imposed under this
19 section.

20 (d) All funds deposited in an escrow account, if
21 invested, shall be invested as set forth in part II of chapter
22 625; however, such investment shall not diminish the funds
23 held in escrow below the amount required by this chapter. All
24 funds deposited in an escrow account shall not be subject to
25 any charges by the escrow agent except escrow agent fees
26 associated with administering the accounts, or subject to any
27 liens, judgments, garnishments, creditor's claims, or other
28 encumbrances against the provider or facility except as
29 provided in s. 651.035(2).

30
31

1 (e) At the request of either the provider or the
2 office department, the escrow agent shall issue a statement
3 indicating the status of the escrow account.

4 (2) In addition, the escrow agreement shall provide
5 that the escrow agent or another person designated to act in
6 the escrow agent's place and the provider, except as otherwise
7 provided in s. 651.035, shall notify the office department in
8 writing at least 10 days before the withdrawal of any portion
9 of any funds required to be escrowed under the provisions of
10 s. 651.035. However, in the event of an emergency and upon
11 petition by the provider, the office department may waive the
12 10-day notification period and allow a withdrawal of up to 10
13 percent of the required minimum liquid reserve. The office
14 ~~department~~ shall have 3 working days to deny the petition for
15 the emergency 10-percent withdrawal. If the office department
16 fails to deny the petition within 3 working days, the petition
17 shall be deemed to have been granted by the office department.
18 For the purpose of this section, "working day" means each day
19 that is not a Saturday, Sunday, or legal holiday as defined by
20 Florida law. Also for the purpose of this section, the day the
21 petition is received by the office department shall not be
22 counted as one of the 3 days.

23 (3) In addition, when entrance fees are required to be
24 deposited in an escrow account pursuant to s. 651.022, s.
25 651.023, or s. 651.055:

26 (a) The provider shall deliver to the resident a
27 written receipt. The receipt shall show the payor's name and
28 address, the date, the price of the care contract, and the
29 amount of money paid. A copy of each receipt together with the
30 funds shall be deposited with the escrow agent or as provided
31 in paragraph (c). The escrow agent shall release such funds to

1 the provider upon the expiration of 7 days after the date of
2 receipt of the funds by the escrow agent if the provider,
3 operating under a certificate of authority issued by the
4 office ~~department~~, has met the requirements of s. 651.023(4).
5 However, if the resident rescinds the contract within the
6 7-day period, the escrow agent shall release the escrowed fees
7 to the resident.

8 (b) At the request of an individual resident of a
9 facility, the escrow agent shall issue a statement indicating
10 the status of the resident's portion of the escrow account.

11 (c) At the request of an individual resident of a
12 facility, the provider may hold the check for the 7-day period
13 and shall not deposit it during this time period. If the
14 resident rescinds the contract within the 7-day period, the
15 check shall be immediately returned to the resident. Upon the
16 expiration of the 7 days, the provider shall deposit the
17 check.

18 (4) Any fees of \$1,500 or less which are assessed with
19 respect to prospective residents to have their names placed on
20 a facility's waiting list shall not be subject to the escrow
21 provisions of this section.

22 (5) When funds are required to be deposited in an
23 escrow account pursuant to s. 651.022, s. 651.023, or s.
24 651.035, the following shall apply:

25 (a) The escrow agreement shall require that the escrow
26 agent furnish the provider with a quarterly statement
27 indicating the amount of any disbursements from or deposits to
28 the escrow account and the condition of the account during the
29 period covered by the statement. The agreement shall require
30 that the statement be furnished to the provider by the escrow
31 agent on or before the 10th day of the month following the end

1 of the quarter for which the statement is due. If the escrow
2 agent does not provide the quarterly statement to the provider
3 on or before the 10th day of the month following the month for
4 which the statement is due, the office ~~department~~ may, in its
5 discretion, levy against the escrow agent a fine not to exceed
6 \$25 a day for each day of noncompliance with the provisions of
7 this subsection.

8 (b) If the escrow agent does not provide the quarterly
9 statement to the provider on or before the 10th day of the
10 month following the quarter for which the statement is due,
11 the provider shall, on or before the 15th day of the month
12 following the quarter for which the statement is due, send a
13 written request for the statement to the escrow agent by
14 certified mail return receipt requested.

15 (c) On or before the 20th day of the month following
16 the quarter for which the statement is due, the provider shall
17 file with the office ~~department~~ a copy of the escrow agent's
18 statement or, if the provider has not received the escrow
19 agent's statement, a copy of the written request to the escrow
20 agent for the statement.

21 (d) The office ~~department~~ may, in its discretion, in
22 addition to any other penalty that may be provided for under
23 this chapter, levy a fine against the provider not to exceed
24 \$25 a day for each day the provider fails to comply with the
25 provisions of this subsection.

26 (e) Funds held on deposit with the department are
27 exempt from the reporting requirements of this subsection.

28 Section 1677. Paragraphs (b) and (c) of subsection
29 (2), paragraph (b) of subsection (4) and subsections (5), (6),
30 (7), and (8) of section 651.035, Florida Statutes, are amended
31 to read:

1 651.035 Minimum liquid reserve requirements.--

2 (2)

3 (b) A provider which has outstanding indebtedness
4 which requires what is normally referred to as a "debt service
5 reserve" to be held in escrow pursuant to a trust indenture or
6 mortgage lien on the facility and for which the debt service
7 reserve may only be used to pay principal and interest
8 payments on the debt which the debtor is obligated to pay, and
9 which may include taxes and insurance, may include such debt
10 service reserve in its computation of its minimum liquid
11 reserve to satisfy this subsection, provided that the provider
12 furnishes to the office ~~Department of Insurance~~ a copy of the
13 agreement under which such debt service is held, together with
14 a statement of the amount being held in escrow for the debt
15 service reserve, certified by the lender or trustee and the
16 provider to be correct. The trustee shall provide the office
17 ~~department~~ with any information concerning the debt service
18 reserve account upon request of the provider or the office
19 ~~department~~.

20 (c) Each provider shall maintain in escrow an
21 operating reserve in an amount equal to 30 percent of the
22 total operating expenses projected in the feasibility study
23 required by s. 651.023 for the first 12 months of operation.
24 Thereafter, each provider shall maintain in escrow an
25 operating reserve in an amount equal to 15 percent of the
26 total operating expenses in the annual report filed pursuant
27 to s. 651.026. Where a provider has been in operation for more
28 than 12 months, the total annual operating expenses shall be
29 determined by averaging the total annual operating expenses
30 reported to the office ~~department~~ by the number of annual
31 reports filed with the office ~~department~~ within the immediate

1 preceding 3-year period subject to adjustment in the event
2 there is a change in the number of facilities owned. For
3 purposes of this subsection, total annual operating expenses
4 shall include all expenses of the facility except:
5 depreciation and amortization; interest, insurance and taxes
6 included in subsection (1); extraordinary expenses which are
7 adequately explained and documented in accordance with
8 generally accepted accounting principles; liability insurance
9 premiums in excess of those paid in calendar year 1999; and
10 changes in the obligation to provide future services to
11 current residents. For providers initially licensed during or
12 after calendar year 1999, liability insurance shall be
13 included in the total operating expenses in an amount not to
14 exceed the premium paid during the first 12 months of facility
15 operation. Beginning January 1, 1993, the operating reserves
16 required under this subsection shall be in an unencumbered
17 account held in escrow for the benefit of the residents. Such
18 funds may not be encumbered or subject to any liens or charges
19 by the escrow agent or judgments, garnishments, or creditors'
20 claims against the provider or facility. However, if a
21 facility had a lien, mortgage, trust indenture, or similar
22 debt instrument in place prior to January 1, 1993, which
23 encumbered all or any part of the reserves required by this
24 subsection and such funds were used to meet the requirements
25 of this subsection, then such arrangement may be continued,
26 unless a refinancing or acquisition has occurred, and the
27 provider shall be in compliance with this subsection.

28 (4)

29 (b) In facilities which have voluntarily and
30 permanently discontinued marketing continuing care contracts,
31 the office ~~department~~ may allow a reduced debt service reserve

1 as required in subsection (1) based upon the ratio of
2 residents under continuing care contracts to those residents
3 who do not hold such contracts if the office ~~department~~ finds
4 that such reduction is not inconsistent with the security
5 protections intended by this chapter. In making this
6 determination, the office ~~department~~ may consider such factors
7 as the financial condition of the facility, the provisions of
8 the outstanding continuing care contracts, the ratio of
9 residents under continuing care agreements to those residents
10 who do not hold a continuing care contract, current occupancy
11 rates, previous sales and marketing efforts, life expectancy
12 of the remaining contract holders, and the written policies of
13 the board of directors of the provider or a similar board.

14 (5) When principal and interest payments are paid to a
15 trust which is beneficially held by the residents as described
16 in s. 651.023(5), the office ~~department~~ may waive all or any
17 portion of the escrow requirements for mortgage principal and
18 interest contained in subsection (1) if the office ~~department~~
19 finds that such waiver is not inconsistent with the security
20 protections intended by this chapter.

21 (6) The office ~~department~~, upon approval of a plan for
22 fulfilling the requirements of this section and upon
23 demonstration by the facility of an annual increase in liquid
24 reserves, may extend the time for compliance.

25 (7)(a) A provider may satisfy the minimum liquid
26 reserve requirements of this section by acquiring from a
27 financial institution, as specified in paragraph (b), a clean,
28 unconditional irrevocable letter of credit in an amount equal
29 to the requirements of this section. The letter of credit
30 shall be issued by a financial institution participating in
31 the State of Florida Treasury Certificate of Deposit Program,

1 and the letter of credit shall be subject to the approval of
2 the office ~~department~~ prior to issuance and prior to any
3 renewal or modification thereof. At a minimum, the letter of
4 credit shall provide for:

5 1. Ninety days' prior written notice to both the
6 provider and the office ~~department~~ of the financial
7 institution's determination not to renew or extend the term of
8 the letter of credit.

9 2. Unless otherwise arranged by the provider to the
10 satisfaction of the office ~~department~~, deposit by the
11 financial institution of such letter of credit funds in an
12 account designated by the office ~~department~~ no later than 30
13 days prior to the expiration of the letter of credit.

14 3. Deposit by the financial institution of such letter
15 of credit funds in an account designated by the office
16 ~~department~~ no later than 4 business days following written
17 instructions from the office ~~department~~ that, in the sole
18 judgment of the office ~~department~~, funding of the minimum
19 liquid reserve is required.

20 (b) The terms of such letter of credit shall be
21 approved by the office ~~department~~ and the long-term debt of

23 shall be rated in one of their top three long-term debt rating
24 categories by either Moody's Investors Service, Standard &
25 Poor's Corporation, or a recognized securities rating agency
26 acceptable to the office ~~department~~.

27 (c) The letter of credit shall name the office
28 ~~department~~ as beneficiary.

29 (d) Notwithstanding any other provision of this

31 this subsection shall, at all times, have and maintain in

1 escrow an operating cash reserve equal to 2 months' operating
2 expenses as determined pursuant to s. 651.026.

9 percent of the stated amount of the letter of credit.

10 (8)(a) Each fiscal year, a provider may withdraw up to
11 33 percent of the total renewal and replacement reserve
12 available. The reserve available is equal to the market value
13 of the invested reserves at the end of the provider's prior
14 fiscal year. The withdrawal is to be used for capital items or
15 major repairs, and before any funds are eligible for
16 withdrawal, the provider must obtain written permission from
17 the office ~~department~~ by submitting the following information:

18 1. The amount of the withdrawal and the intended use
19 of the proceeds.

20 2. A board resolution and sworn affidavit signed by
21 two officers or general partners of the provider which
22 indicates approval of the withdrawal and use of the funds.

28 (b) Within 30 days after the withdrawal of funds from
29 the renewal and replacement reserve fund, the provider must
30 begin refunding the reserve account in equal monthly payments
31 which allow for a complete funding of such withdrawal within

1 36 months. If the payment schedule required under subparagraph
2 (a)4. has changed, the provider must update the office
3 ~~department~~ with the new payment schedule. If the provider
4 fails to make a required monthly payment or the payment is
5 late, the provider must notify the office ~~department~~ within 5
6 days after the due date of the payment. No additional
7 withdrawals from the renewal and replacement reserve will be
8 allowed until all scheduled payments are current.

10 amended to read:

11 651.051 Maintenance of assets and records in
12 state.--No records or assets may be removed from this state by
13 a provider unless the office ~~department~~ consents to such
14 removal in writing before such removal. Such consent shall be
15 based upon the provider's submitting satisfactory evidence
16 that the removal will facilitate and make more economical the
17 operations of the provider and will not diminish the service
18 or protection thereafter to be given the provider's residents
19 in this state. Prior to such removal, the provider shall give
20 notice to the president or chair of the facility's residents'
21 council. If such removal is part of a cash management system
22 which has been approved by the office ~~department~~, disclosure
23 of the system shall meet the notification requirements.

24 Section 1679. Subsection (1) of section 651.055,
25 Florida Statutes, is amended to read:

26 651.055 Contracts; right to rescind.--

27 (1) Each continuing care contract and each addendum to
28 such contract shall be submitted to and approved by the office
29 ~~department~~ prior to its use in this state. Thereafter, no
30 other form of contract shall be used by the provider unless it
31

1 has been submitted to and approved by the office ~~department~~.

2 Each contract shall:

3 (a) Provide for the continuing care of only one
4 resident, or for two persons occupying space designed for
5 double occupancy, under appropriate regulations established by
6 the provider and shall list all properties transferred and
7 their market value at the time of transfer, including
8 donations, subscriptions, fees, and any other amounts paid or
9 payable by, or on behalf of, the resident or residents.

10 (b) Specify all services which are to be provided by
11 the provider to each resident, including, in detail, all items
12 which each resident will receive, whether the items will be
13 provided for a designated time period or for life, and whether
14 the services will be available on the premises or at another
15 specified location. The provider shall indicate which services
16 or items are included in the contract for continuing care and
17 which services or items are made available at or by the
18 facility at extra charge. Such items shall include, but are
19 not limited to, food, shelter, personal services or nursing
20 care, drugs, burial, and incidentals.

21 (c) Describe the terms and conditions under which a
22 contract for continuing care may be canceled by the provider
23 or by a resident and the conditions, if any, under which all
24 or any portion of the entrance fee will be refunded in the
25 event of cancellation of the contract by the provider or by
26 the resident, including the effect of any change in the health
27 or financial condition of a person between the date of
28 entering a contract for continuing care and the date of
29 initial occupancy of a living unit by that person.

30 (d) Describe the health and financial conditions
31 required for a person to be accepted as a resident and to

1 continue as a resident, once accepted, including the effect of
2 any change in the health or financial condition of a person
3 between the date of entering into a continuing care contract
4 and the date of taking occupancy in a unit.

5 (e) Describe the circumstances under which the
6 resident will be permitted to remain in the facility in the
7 event of financial difficulties of the resident. The stated
8 policy may not be less than the terms stated in s. 651.061.

9 (f) State the fees that will be charged if the
10 resident marries while at the designated facility, the terms
11 concerning the entry of a spouse to the facility, and the
12 consequences if the spouse does not meet the requirements for
13 entry.

14 (g) Provide that the contract may be canceled upon the
15 giving of written notice of cancellation of at least 30 days
16 by the provider, the resident, or the person who provided the
17 transfer of property or funds for the care of such resident;
18 however, if a contract is canceled because there has been a
19 good faith determination that a resident is a danger to
20 himself or herself or others, only such notice as is
21 reasonable under the circumstances shall be required.

22 1. The contract shall further provide in clear and
23 understandable language, in print no smaller than the largest
24 type used in the body of the contract, the terms governing the
25 refund of any portion of the entrance fee.

26 2. For a resident whose contract with the facility
27 provides that the resident does not receive a transferable
28 membership or ownership right in the facility, and who has
29 occupied his or her unit, the refund shall be calculated on a
30 pro rata basis with the facility retaining no more than 2
31 percent per month of occupancy by the resident and no more

1 than a 4-percent fee for processing. Such refund shall be paid
2 no later than 120 days after the giving of notice of intention
3 to cancel.

4 3. If the contract provides for the facility to retain
5 no more than 1 percent per month of occupancy by the resident,
6 it may provide that such refund will be paid from the proceeds
7 of the next entrance fees received by the provider for units
8 for which there are no prior claims by any resident until paid
9 in full or, if the provider has discontinued marketing
10 continuing care contracts, within 200 days after the date of
11 notice.

12 4. Unless the provisions of subsection (5) apply, for
13 any prospective resident, regardless of whether or not such a
14 resident receives a transferable membership or ownership right
15 in the facility, who cancels the contract prior to occupancy
16 of the unit, the refund shall be the entire amount paid toward
17 the entrance fee, less a processing fee not to exceed 4
18 percent of the entire entrance fee, but in no event shall such
19 processing fee exceed the amount paid by the prospective
20 resident. Such refund shall be paid no later than 60 days
21 after the giving of notice of intention to cancel. For a
22 resident who has occupied his or her unit and who has received
23 a transferable membership or ownership right in the facility,
24 the foregoing refund provisions shall not apply but shall be
25 deemed satisfied by the acquisition or receipt of a
26 transferable membership or an ownership right in the facility.
27 The provider shall not charge any fee for the transfer of
28 membership or sale of an ownership right.

29 (h) State the terms under which a contract is canceled
30 by the death of the resident. These terms may contain a
31 provision that, upon the death of a resident, the entrance fee

1 of such resident shall be considered earned and shall become
2 the property of the provider. When the unit is shared, the
3 conditions with respect to the effect of the death or removal
4 of one of the residents shall be included in the contract.

5 (i) Describe the policies which may lead to changes in
6 monthly recurring and nonrecurring charges or fees for goods
7 and services received. The contract shall provide for advance
8 notice to the resident, of not less than 60 days, before any
9 change in fees or charges or the scope of care or services may
10 be effective, except for changes required by state or federal
11 assistance programs.

12 (j) Provide that charges for care paid in one lump sum
13 shall not be increased or changed during the duration of the
14 agreed upon care, except for changes required by state or
15 federal assistance programs.

16 (k) Specify whether or not the facility is, or is
17 affiliated with, a religious, nonprofit, or proprietary
18 organization or management entity; the extent to which the
19 affiliate organization will be responsible for the financial
20 and contractual obligations of the provider; and the
21 provisions of the federal Internal Revenue Code, if any, under
22 which the provider or affiliate is exempt from the payment of
23 federal income tax.

24 Section 1680. Subsection (3) of section 651.083,
25 Florida Statutes, is amended to read:

5 designated representative of the provider, shall hold
6 quarterly meetings with the residents of the continuing care
7 facility for the purpose of free discussion of subjects
8 including, but not limited to, income, expenditures, and
9 financial trends and problems as they apply to the facility,
10 as well as a discussion on proposed changes in policies,
11 programs, and services. Upon request of the residents'
12 organization, a member of the governing body of the provider,
13 such as a board member, a general partner, or a principal
14 owner shall attend such meetings. Residents shall be entitled
15 to at least 7 days' advance notice of each quarterly meeting.
16 An agenda and any materials that will be distributed by the
17 governing body or representative of the provider shall be
18 posted in a conspicuous place at the facility and shall be
19 available upon request to residents of the facility. The
20 office ~~department~~ shall request verification from a facility
21 that quarterly meetings are held and open to all residents
22 when it receives a complaint from the residents' council that
23 a facility is not in compliance with the provisions of this
24 subsection. In addition, a facility shall report to the office
25 ~~department~~ in the annual report required under s. 651.026 the

6 not less than 5 years from the date the report is filed or
7 issued. Each facility shall also maintain as public
8 information, available upon request, all annual statements
9 that have been filed with the office ~~department~~.

10 (2) Every continuing care facility shall:

12 conspicuous place inside the facility.

13 (b) Post in a prominent position in the facility so as
14 to be accessible to all residents and to the general public a
15 concise summary of the last examination report issued by the
16 office ~~department~~, with references to the page numbers of the
17 full report noting any deficiencies found by the office

17 relating to disclosure, the provider shall make available for
18 review, master plans approved by the provider's governing
19 board and any plans for expansion or phased development, to
20 the extent that the availability of such plans will not put at

22 other implementation of operational plans and thus jeopardize
23 the success of negotiations, operations, and development.

24 (e) Copies of the rules and regulations of the
25 facility and an explanation of the responsibilities of the

20 651.095 Advertisements; requirements; penalties.--

21 (1) Upon application for a provisional certificate of
22 authority, the office ~~department~~ shall require the applicant
23 to submit for approval all advertising. Approval of the
24 application constitutes approval of the advertising, unless
25 the office ~~department~~ has otherwise notified the applicant.
26 The office ~~department~~ shall disapprove any document which is a
27 violation of any provision of part IX of chapter 626.

28 (2) After an application has been approved, a provider
29 is not required to submit new advertising to the office
30 ~~department~~ for approval; however, a provider may not use, and

3 been disapproved by the office ~~department~~.

4 Section 1684. Section 651.105, Florida Statutes, is
5 amended to read:

6 651.105 Examination and inspections.--

7 (1) The office ~~department~~ may at any time, and shall
8 at least once every 3 years, examine the business of any
9 applicant for a certificate of authority and any provider
10 engaged in the execution of care contracts or engaged in the
11 performance of obligations under such contracts, in the same
12 manner as is provided for examination of insurance companies
13 pursuant to s. 624.316. Such examinations shall be made by a
14 representative or examiner designated by the office
15 ~~department~~, whose compensation will be fixed by the office
16 ~~department~~ pursuant to s. 624.320. Routine examinations may be
17 made by having the necessary documents submitted to the office
18 ~~department~~; and, for this purpose, financial documents and
19 records conforming to commonly accepted accounting principles
20 and practices, as required under s. 651.026, will be deemed
21 adequate. The final written report of each such examination
22 shall be filed with ~~in~~ the office ~~of the department~~ and, when
23 so filed, will constitute a public record. Any provider being
24 examined shall, upon request, give reasonable and timely
25 access to all of its records. The representative or examiner
26 designated by the office ~~department~~ may at any time examine
27 the records and affairs and inspect the physical property of
28 any provider, whether in connection with a formal examination
29 or not.

30 (2) Any duly authorized officer, employee, or agent of
31 the office ~~department~~ may, upon presentation of proper

5 examinations must be kept on file by the office ~~department~~.
6 Any investigatory records, reports, or documents held by the
7 office ~~department~~ are confidential and exempt from the

13 administrative, civil, or criminal proceedings. An
14 investigation does not cease to be active if the office

16 good faith belief that action could be initiated by the office
17 ~~department~~ or other administrative or law enforcement agency.

18 (4) The office ~~department~~ shall notify the provider in
19 writing of all deficiencies in its compliance with the
20 provisions of this chapter and the rules adopted pursuant to
21 this chapter and shall set a reasonable length of time for
22 compliance by the provider. In addition, the office ~~department~~
23 shall require corrective action or request a corrective action
24 plan from the provider which plan demonstrates a good faith
25 attempt to remedy the deficiencies by a specified date. If the
26 provider fails to comply within the established length of
27 time, the office ~~department~~ may initiate action against the
28 provider in accordance with the provisions of this chapter.

2 or revocation of certificate of authority.--The office
3 ~~department~~, in its discretion, may deny, suspend, or revoke

7 applicant or provider exist:

8 (1) Failure by the provider to continue to meet the
9 requirements for the authority originally granted.

10 (2) Failure by the provider to meet one or more of the
11 qualifications for the authority specified by this chapter.

12 (3) Material misstatement, misrepresentation, or fraud
13 in obtaining the authority, or in attempting to obtain the
14 same.

15 (4) Demonstrated lack of fitness or trustworthiness.

16 (5) Fraudulent or dishonest practices of management in
17 the conduct of business.

18 (6) Misappropriation, conversion, or withholding of
19 moneys.

20 (7) Failure to comply with, or violation of, any
21 proper order or rule of the office or commission ~~department~~ or
22 violation of any provision of this chapter.

23 (8) The insolvent condition of the provider or the
24 provider's being in such condition or using such methods and
25 practices in the conduct of its business as to render its
26 further transactions in this state hazardous or injurious to
27 the public.

28 (9) Refusal by the provider to be examined or to
29 produce its accounts, records, and files for examination, or
30 refusal by any of its officers to give information with

13 have been refused had it then existed and been known to the
14 office ~~department~~.

15 (14) Having been found guilty of, or having pleaded
16 guilty or nolo contendere to, a felony in this state or any

20 (15) In the conduct of business under the license,
21 engaging in unfair methods of competition or in unfair or
22 deceptive acts or practices prohibited under part IX of
23 chapter 626.

24 (16) A pattern of bankrupt enterprises.

25
26 Revocation of a certificate of authority under this section
27 does not relieve a provider from the provider's obligation to
28 residents under the terms and conditions of any continuing
29 care contract between the provider and residents or the
30 provisions of this chapter. The provider shall continue to
31 file its annual statement and pay license fees to the office

1 ~~department~~ as required under this chapter as if the
2 certificate of authority had continued in full force, but the
3 provider shall not issue any new continuing care contracts.
4 The office ~~department~~ may seek an action in the circuit court
5 of Leon County to enforce the office's ~~department's~~ order and
6 the provisions of this section.

7 Section 1686. Subsections (1) and (3) of section

9 651.107 Duration of suspension; obligations during
10 suspension period; reinstatement.--

11 (1) Suspension of a certificate of authority shall be
12 for such period, not to exceed 1 year, as is fixed by the
13 office ~~department~~ in the order of suspension, unless the
14 office ~~department~~ shortens or rescinds such suspension or the
15 order of suspension is modified, rescinded, or reversed.

16 (3) Upon expiration of the suspension period, if
17 within such period the certificate of authority has not
18 otherwise terminated, the provider's certificate of authority
19 shall automatically be reinstated unless the office ~~department~~
20 finds that the causes for the suspension have not been removed
21 or that the provider is otherwise not in compliance with the
22 requirements of this chapter. If not so automatically
23 reinstated, the certificate of authority shall be deemed to be
24 revoked as of the end of the suspension period or upon failure
25 of the provider to continue the certificate during the
26 suspension period, whichever event first occurs.

27 Section 1687. Section 651.108, Florida Statutes, is
28 amended to read:

29 651.108 Administrative fines.--

30 (1) If the office ~~department~~ finds that one or more
31 grounds exist for the discretionary revocation or suspension

1 of a certificate of authority issued under this chapter, the
2 office department, in lieu of such revocation or suspension,
3 may impose a fine upon the provider in an amount not to exceed
4 \$1,000 per violation.

5 (2) If it is found that the provider has knowingly and
6 willfully violated a lawful order of the office department or
7 a provision of this chapter, the office department may impose
8 a fine in an amount not to exceed \$10,000 for each such
9 violation.

11 651.1081, Florida Statutes, are amended to read:

12 651.1081 Remedies available in cases of unlawful
13 sale.--

14 (1) Upon a determination by the office department that
15 a provider is or has been violating the provisions of this
16 chapter, the office department may order the provider to cease
17 sales and make a rescission offer to the resident in
18 accordance with the provisions of this section.

19 (2) Upon such order by the office department, every
20 unlawful sale made in violation of this chapter may be
21 rescinded at the election of the resident without penalty.

22 Section 1689. Subsections (1), (2), and (3) of section
23 651.111, Florida Statutes, are amended to read:

24 651.111 Requests for inspections.--

25 (1) Any interested party may request an inspection of
26 the records and related financial affairs of a provider
27 providing care in accordance with the provisions of this
28 chapter by transmitting to the office department notice of an
29 alleged violation of applicable requirements prescribed by
30 statute or by rule, specifying to a reasonable extent the
31

1 details of the alleged violation, which notice shall be signed
2 by the complainant.

3 (2) The substance of the complaint shall be given to
4 the provider no earlier than the time of the inspection.

14 shall make a preliminary review; and, unless the office
15 ~~department~~ determines that the complaint is without any
16 reasonable basis, the office ~~department~~ shall make an
17 inspection. The complainant shall be advised, within 30 days
18 after the receipt of the complaint by the office ~~department~~,
19 of the proposed course of action of the office ~~department~~.

20 Section 1690. Section 651.114, Florida Statutes, is
21 amended to read:

22 651.114 Delinquency proceedings; remedial rights.--

23 (1) Upon determination by the office ~~department~~ that a
24 provider is not in compliance with this chapter, the office
25 ~~department~~ may notify the chair of the advisory council, who
26 may assist the office ~~department~~ in formulating a corrective
27 action plan.

28 (2) A provider shall make available to the advisory
29 council, no later than 30 days after being requested to do so
30 by the advisory council, a plan for obtaining compliance or
31 solvency.

- 1 (3) The council shall, no later than 30 days after
2 notification:
- 3 (a) Consider and evaluate the plan submitted by the
4 provider.
- 5 (b) Discuss the problem and solutions with the
6 provider.
- 7 (c) Conduct such other business as is necessary.
- 8 (d) Report its findings and recommendations to the
9 office ~~department~~, which may require additional modification
10 of the plan.
- 11 (4)(a) Upon approval of a plan by the office
12 ~~department~~, the provider shall submit monthly a progress
13 report to the council or the office ~~department~~, or both, in a
14 manner prescribed by the office ~~department~~.
- 15 (b) After a period of 3 months, or at any earlier time
16 deemed necessary, the council shall evaluate the progress by
17 the provider and shall advise the office ~~department~~ of its
18 findings.
- 19 (5) Should the office ~~department~~ find that sufficient
20 grounds exist for rehabilitation, liquidation, conservation,
21 reorganization, seizure, or summary proceedings of an insurer
22 as set forth in ss. 631.051, 631.061, and 631.071, the office
23 ~~department~~ may petition for an appropriate court order or may
24 pursue such other relief as is afforded in part I of chapter
25 631. Before invoking its powers under part I of chapter 631,
26 the office ~~department~~ shall notify the chair of the advisory
27 council.
- 28 (6) In the event an order of rehabilitation,
29 liquidation, conservation, reorganization, seizure, or summary
30 proceeding has been entered against a provider, the department
31 and office are ~~is~~ vested with all of the powers and duties

1 they have ~~it has~~ under the provisions of part I of chapter 631
2 in regard to delinquency proceedings of insurance companies.

3 (7) If the financial condition of the continuing care
4 facility or provider is such that, if not modified or
5 corrected, its continued operation would result in insolvency,
6 the office ~~department~~ may direct the provider to formulate and
7 file with the office ~~department~~ a corrective action plan. If
8 the provider fails to submit a plan within 30 days after the
9 office's ~~department's~~ directive or submits a plan that is
10 insufficient to correct the condition, the office ~~department~~
11 may specify a plan and direct the provider to implement the
12 plan.

13 (8)(a) The rights of the office ~~department~~ described
14 in this section shall be subordinate to the rights of a
15 trustee or lender pursuant to the terms of a resolution,
16 ordinance, loan agreement, indenture of trust, mortgage,
17 lease, security agreement, or other instrument creating or
18 securing bonds or notes issued to finance a facility, and the
19 office ~~department~~, subject to the provisions of paragraph (c),
20 shall not exercise its remedial rights provided under this
21 section and ss. 651.018, 651.106, 651.108, and 651.116 with
22 respect to a facility that is subject to a lien, mortgage,
23 lease, or other encumbrance or trust indenture securing bonds
24 or notes issued in connection with the financing of the
25 facility, if the trustee or lender, by inclusion or by
26 amendment to the loan documents or by a separate contract with
27 the office ~~department~~, agrees that the rights of residents
28 under a continuing care contract will be honored and will not
29 be disturbed by a foreclosure or conveyance in lieu thereof as
30 long as the resident:

31

1 1. Is current in the payment of all monetary
2 obligations required by the continuing care contract;

3 2. Is in compliance and continues to comply with all
4 provisions of the resident's continuing care contract; and

5 3. Has asserted no claim inconsistent with the rights
6 of the trustee or lender.

7 (b) Nothing in this subsection requires a trustee or
8 lender to:

9 1. Continue to engage in the marketing or resale of
10 new continuing care contracts;

11 2. Pay any rebate of entrance fees as may be required
12 by a resident's continuing care contract as of the date of
13 acquisition of the facility by the trustee or lender and until
14 expiration of the period described in paragraph (d);

15 3. Be responsible for any act or omission of any owner
16 or operator of the facility arising prior to the acquisition
17 of the facility by the trustee or lender; or

18 4. Provide services to the residents to the extent
19 that the trustee or lender would be required to advance or
20 expend funds that have not been designated or set aside for
21 such purposes.

22 (c) Should the office ~~department~~ determine, at any
23 time during the suspension of its remedial rights as provided
24 in paragraph (a), that the trustee or lender is not in
25 compliance with the provisions of paragraph (a), or that a
26 lender or trustee has assigned or has agreed to assign all or
27 a portion of a delinquent or defaulted loan to a third party
28 without the office's ~~department's~~ written consent, the office
29 ~~department~~ shall notify the trustee or lender in writing of
30 its determination, setting forth the reasons giving rise to
31 the determination and specifying those remedial rights

1 afforded to the office ~~department~~ which the office ~~department~~
2 shall then reinstate.

3 (d) Upon acquisition of a facility by a trustee or
4 lender and evidence satisfactory to the office ~~department~~ that
5 the requirements of paragraph (a) have been met, the office
6 ~~department~~ shall issue a 90-day temporary certificate of
7 authority granting the trustee or lender the authority to
8 engage in the business of providing continuing care and to
9 issue continuing care contracts subject to the office's
10 ~~department's~~ right to immediately suspend or revoke the
11 temporary certificate of authority if the office ~~department~~
12 determines that any of the grounds described in s. 651.106
13 apply to the trustee or lender or that the terms of the
14 agreement used as the basis for the issuance of the temporary
15 certificate of authority by the office ~~department~~ have not
16 been or are not being met by the trustee or lender since the
17 date of acquisition.

18 Section 1691. Section 651.1151, Florida Statutes, is
19 amended to read:

20 651.1151 Administrative, vendor, and management
21 contracts.--

22 (1) The office ~~department~~ may require a provider to
23 submit any contract for administrative, vendor, or management
24 services if the office ~~department~~ has information and belief
25 that a provider has entered into a contract with an affiliate,
26 an entity controlled by the provider, or an entity controlled
27 by an affiliate of the provider, which has not been disclosed
28 to the office ~~department~~ or which contract requires the
29 provider to pay a fee that is unreasonably high in relation to
30 the service provided.

31

1 (2) After review of the contract, the office
2 ~~department~~ may order the provider to cancel the contract in
3 accordance with the terms of the contract and applicable law
4 if it determines that the fees to be paid are so unreasonably
5 high as compared with similar contracts entered into by other
6 providers in similar circumstances that the contract is
7 detrimental to the facility or its residents.

8 (3) Any contract with an affiliate, an entity
9 controlled by the provider, or an entity controlled by an
10 affiliate of the provider for administrative, vendor, or
11 management services entered into or renewed after October 1,
12 1991, shall contain a provision that the contract shall be
13 canceled upon issuance of an order by the office ~~department~~
14 pursuant to this section. A copy of the current management
15 services contract, pursuant to this section, if any, must be
16 on file in the marketing office or other accessible area to
17 residents and the appropriate resident organizations.

18 (4) Any action of the office ~~department~~ under this
19 section is subject to review pursuant to the procedures
20 provided in chapter 120.

21 Section 1692. Subsection (12) of section 651.118,
22 Florida Statutes, is amended to read:

23 651.118 Agency for Health Care Administration;
24 certificates of need; sheltered beds; community beds.--

25 (12) A facility that is under administrative
26 supervision for financial problems pursuant to s. 651.018 may
27 petition the Agency for Health Care Administration for the
28 conversion of sheltered beds to community nursing home beds in
29 accordance with the corrective action plan approved by the
30 office ~~department~~. The agency shall, upon petition by the
31 facility and through an expedited review, issue a certificate

1 of need converting the sheltered nursing home beds to
2 community nursing home beds.

3 Section 1693. Section 52 of chapter 2001-45, Laws of
4 Florida, is amended to read:

5 Section 52. Notwithstanding the establishment of need
6 as provided for in chapter 408, Florida Statutes, no
7 certificate of need for additional community nursing home beds
8 shall be approved by the agency until July 1, 2006. The
9 Legislature finds that the continued growth in the Medicaid
10 budget for nursing home care has constrained the ability of
11 the state to meet the needs of its elderly residents through
12 the use of less restrictive and less institutional methods of
13 long-term care. It is therefore the intent of the Legislature
14 to limit the increase in Medicaid nursing home expenditures in
15 order to provide funds to invest in long-term care that is
16 community-based and provides supportive services in a manner
17 that is both more cost-effective and more in keeping with the
18 wishes of the elderly residents of this state. This moratorium
19 on certificates of need shall not apply to sheltered nursing
20 home beds in a continuing care retirement community certified
21 by the former Department of Insurance or by the Office of
22 Insurance Regulation pursuant to chapter 651, Florida
23 Statutes.

24 Section 1694. Section 651.119, Florida Statutes, is
25 amended to read:

26 651.119 Assistance to persons affected by closure due
27 to liquidation or pending liquidation.--

28 (1) If a facility closes and ceases to operate as a
29 result of liquidation or pending liquidation and residents are
30 forced to relocate, the department shall become a creditor of
31 the facility for the purpose of providing moving expenses for

1 displaced residents and such other care or services as is made
2 possible by the unencumbered assets of the facility. To the
3 extent that another provider provides, as approved by the
4 office department, direct assistance to such residents, the
5 cost of such direct assistance shall be offset against
6 reserves pursuant to subsection (4). The department shall
7 provide proportional reimbursements of such costs to the
8 respective providers from such unencumbered assets.

9 (2) If the moneys and direct assistance made available
10 under subsection (1) are not sufficient to cover moving costs,
11 the office department may seek voluntary contributions from
12 the reserves maintained by providers under s. 651.035 in
13 amounts approved by the office department to provide for the
14 moving expenses of the residents in moving to another
15 residence within the state.

16 (3) If the moneys and direct assistance provided under
17 subsections (1) and (2) are not sufficient to provide for the
18 moving expenses of displaced residents in moving to other
19 residences within the state, the office department may levy
20 pro rata assessments on the reserves of providers maintained
21 under s. 651.035 for such moving expenses of any displaced
22 resident who lacks sufficient assets to pay for such moving
23 expenses. The assessments for such moving expenses on any
24 particular provider may not exceed for any 12-month period an
25 aggregate of 1 percent of the unencumbered portion of the
26 reserves maintained by the provider under s. 651.035. If the
27 office department determines that payment of an assessment
28 under this subsection would impair the financial standing of a
29 facility or its residents, the office department may waive or
30 temporarily defer all or part of the assessment with respect
31 to that provider. The office department shall apply any moneys

1 voluntarily paid by a provider under subsection (1) or
2 subsection (2) to satisfaction of assessments under this
3 subsection.

4 (4) The office ~~department~~ shall permanently reduce the
5 reserves required of a provider under s. 651.035 to the extent
6 of the provider's costs under subsection (1), voluntary
7 contributions under subsection (2), and assessments under
8 subsection (3). However, the office ~~department~~ shall
9 thereafter raise the reserve requirements of a provider to the
10 extent of reimbursements paid to the provider under subsection
11 (1) unless such increase would raise the reserve requirement
12 above the amount required under s. 651.035.

13 (5) No payment, contribution, or assessment may be
14 paid by a provider under this section if the release of funds
15 from the reserves of the provider would violate a bond or
16 lending commitment or covenant.

17 (6) Moneys received under this section for the support
18 of residents shall be kept in a separate fund maintained and
19 administered by the department. The Continuing Care Advisory
20 Council shall monitor the collection and use of such funds and
21 shall advise the office or ~~department~~ on plans for resident
22 relocation. The council shall seek the assistance of providers
23 licensed under this chapter and other service providers in
24 locating alternative housing and care arrangements.

25 (7) For the purposes of this section, "moving
26 expenses" means transportation expenses and the cost of
27 packing and relocating personal belongings.

28 Section 1695. Subsections (1), (3), and (5) of section
29 651.121, Florida Statutes, are amended to read:

30 651.121 Advisory council.--

31

1 (1) The Continuing Care Advisory Council to the office
2 ~~department of Insurance~~ is created to consist of 10 members
3 who are residents of this state appointed by the Governor and
4 geographically representative of this state. Three members
5 shall be administrators of facilities which hold valid
6 certificates of authority under this chapter and shall have
7 been actively engaged in the offering of continuing care
8 agreements in this state for 5 years before appointment. The
9 remaining members shall include:

10 (a) A representative of the business community whose
11 expertise is in the area of management.

12 (b) A representative of the financial community who is
13 not a facility owner or administrator.

14 (c) A certified public accountant.

15 (d) An attorney.

16 (e) Three residents who hold continuing care
17 agreements with a facility certified in this state.

18 (3) The council members shall serve without pay, but
19 shall be reimbursed for per diem and travel expenses by the
20 office ~~department~~ in accordance with s. 112.061.

21 (5) The council shall:

22 (a) Meet at least once a year and, at such annual
23 meeting, elect a chair from their number and elect or appoint
24 a secretary, each of whom shall hold office for 1 year and
25 thereafter until a successor is elected and qualified.

26 (b) Hold other meetings at such times and places as
27 the office ~~department~~ or the chair of the council may direct.

28 (c) Keep a record of its proceedings. The books and
29 records of the council shall be prima facie evidence of all
30 matters reported therein and, except for proceedings conducted
31 under s. 651.018, shall be open to inspection at all times.

1 (d) Act in an advisory capacity to the office
2 ~~department~~.

3 (e) Recommend to the office ~~department~~ needed changes
4 in statutes and rules.

5 (f) Upon the request of the office ~~department~~, assist,
6 with any corrective action, rehabilitation or cessation of
7 business plan of a provider.

8 Section 1696. Section 651.123, Florida Statutes, is
9 amended to read:

10 651.123 Alternative dispute resolution.--The
11 commission ~~department~~ shall, by rule, adopt alternative
12 procedures for resolution of disputes between residents and
13 providers. The rules shall provide for an informal, nonbinding
14 mediation process, and for binding arbitration when mediation
15 fails to resolve a dispute, and shall provide minimum
16 qualifications for arbitrators substantially similar to other
17 arbitration programs under the Florida Insurance Code. The
18 rules shall specify the types of disputes that are subject to
19 mediation or arbitration, and shall provide that disputes over
20 increases in monthly maintenance fees are not subject to
21 mediation or arbitration. Arbitration is available only if
22 all parties agree in advance to be bound by the result.

23 Section 1697. Subsections (2), (3), and (4) of section
24 651.125, Florida Statutes, are amended to read:

25 651.125 Criminal penalties; injunctive relief.--

26 (2) The state attorney for a circuit shall, upon
27 application of the office ~~department~~ or its authorized
28 representative, institute and conduct the prosecution of an
29 action for violation, within such circuit, of any provision of
30 this chapter.

31

1 (3) The office ~~department~~ may bring an action to
2 enjoin a violation, threatened violation, or continued
3 violation of this chapter in the circuit court in and for the
4 county in which the violation occurred, is occurring, or is
5 about to occur.

6 (4) Any action brought by the office ~~department~~
7 against a provider shall not abate by reason of a sale or
8 other transfer of ownership of the facility used to provide
9 care, which provider is a party to the action, except with the
10 express written consent of the director of the office
11 ~~Treasurer and Insurance Commissioner.~~

12 Section 1698. Section 651.134, Florida Statutes, is
13 amended to read:

14 651.134 Investigatory records.--Any active
15 investigatory record of the office ~~department~~ made or received
16 under this chapter, and any active examination record
17 necessary to complete an active investigation, is confidential
18 and exempt from s. 119.07(1) until such investigation is
19 completed or ceases to be active. For the purpose of this
20 section, an investigation is active while it is being
21 conducted by the office ~~department~~ with a reasonable, good
22 faith belief that it could lead to the filing of
23 administrative, civil, or criminal proceedings. An
24 investigation does not cease to be active if the office
25 ~~department~~ is proceeding with reasonable dispatch and has a
26 good faith belief that action could be initiated by the office
27 ~~department~~ or other administrative or law enforcement agency.

28 Section 1699. Subsection (1) and paragraph (j) of
29 subsection (2) of section 655.001, Florida Statutes, are
30 amended to read:

31

1 655.001 Purpose; application.--The purposes of the
2 financial institutions codes are to:

3 (1) Provide general regulatory powers to be exercised
4 by the Financial Services Commission and the Office of
5 Financial Regulation ~~Department of Banking and Finance~~ in
6 relation to the regulation of financial institutions. The
7 financial institutions codes apply to all state-authorized or
8 state-chartered financial institutions and to the enforcement
9 of all laws relating to state-authorized or state-chartered
10 financial institutions.

11 (2) Provide for and promote:

12 (j) The delegation to the commission ~~department~~ of
13 adequate rulemaking power and to the office adequate
14 administrative discretion, subject to the provisions of the
15 financial institutions codes and to the purposes and policies
16 stated in this section, in order that the supervision and
17 regulation of financial institutions may be flexible and
18 readily responsive to changes in economic conditions, in
19 technology, and in financial institution practices.

20 Section 1700. Paragraphs (e), (i), (m), (q), and (r)
21 of subsection (1) of section 655.005, Florida Statutes, are
22 amended, and paragraph (s) is added to that subsection, to

22 or violation creates the likelihood of loss, insolvency, or
23 dissipation of assets or otherwise prejudices the interest of
24 the specific financial institution or its depositors or
25 members. In making this determination, the office ~~department~~

15 by certified mail, return receipt requested, delivered to
16 addressee only; by personal delivery; or in accordance with
17 chapter 48. The service provided for hereunder is effective
18 from the date of delivery.

19 Section 1705. Section 655.032, Florida Statutes, is
20 amended to read:

21 655.032 Investigations, subpoenas, hearings, and
22 witnesses.--

23 (1) The office ~~department~~ may make investigations,
24 within or outside this state, which it deems necessary to
25 determine whether a person has violated or is about to violate
26 any provision of the financial institutions codes or of the
27 rules adopted by the commission ~~department~~ pursuant to such
28 codes.

29 (2)(a) In the course of or in connection with an
30 investigation by the office ~~department~~ pursuant to the
31 provisions of subsection (1) or an investigation or

1 examination in connection with any application to the office
2 ~~department~~ for the organization or establishment of a state
3 financial institution or a branch thereof, and in connection
4 with an examination of a state financial institution,
5 subsidiary, or service corporation by the office ~~department~~,
6 the office ~~department~~, or any of its officers holding no
7 lesser title and position than examiner in charge or attorney
8 at law, shall have the power:

9 1. To administer oaths and affirmations;

10 2. To take or cause to be taken testimony and
11 depositions; and

12 3. To issue, revoke, quash, or modify subpoenas and
13 subpoenas duces tecum under the seal of the office ~~department~~
14 or to cause any such subpoena or subpoena duces tecum to be
15 issued by any county court judge or clerk of the circuit court
16 or county court to require persons to be or appear before the
17 office ~~department~~ at a time and place to be therein named and
18 to bring such books, records, and documents for inspection as
19 may be therein designated. Such subpoenas may be served by a
20 representative of the office ~~department~~ or may be served as
21 otherwise provided for by law for the service of subpoenas.

22 (b) In connection with any such investigation or
23 examination, the office ~~department~~ may permit a person to file
24 a statement in writing, under oath or otherwise as the office
25 ~~department~~ determines, as to facts and circumstances specified
26 by the office ~~department~~.

27 (3)(a) In the event of noncompliance with a subpoena
28 issued or caused to be issued by the office ~~department~~
29 pursuant to this section, the office ~~department~~ may petition
30 the circuit court of the county in which the person subpoenaed
31 resides or has its principal place of business for an order

1 requiring the subpoenaed person to appear and testify and to
2 produce such books, records, and documents as are specified in
3 such subpoena duces tecum. The office ~~department~~ is entitled
4 to the summary procedure provided in s. 51.011, and the court
5 shall advance the cause on its calendar.

6 (b) A copy of the petition shall be served upon the
7 person subpoenaed by any person authorized by this section to
8 serve subpoenas, who shall make and file with the court an
9 affidavit showing the time, place, and date of service.

10 (c) At any hearing on any such petition, the person
11 subpoenaed, or any person whose interests will be
12 substantially affected by the investigation, examination, or
13 subpoena, may appear and object to the subpoena and to the
14 granting of the petition. The court may make any order which
15 justice requires to protect a party or other person and his or
16 her personal and property rights, including, but not limited
17 to, protection from annoyance, embarrassment, oppression, or
18 undue burden or expense.

19 (d) Failure to comply with an order granting, in whole
20 or in part, a petition for enforcement of a subpoena is a
21 contempt of court.

22 (4) Witnesses shall be entitled to the same fees and
23 mileage to which they might be entitled by law for attending
24 as witnesses in the circuit court, except that no fees or
25 mileage shall be allowed in the case of testimony of a
26 financial institution-affiliated party if such testimony is
27 taken at the principal office of the state financial
28 institution, subsidiary, or service corporation or at the
29 residence of the financial institution-affiliated party.

30 (5) Reasonable and necessary expenses incurred by the
31 office ~~department~~ and payable to persons in investigations may

1 be assessed against such an applicant, state financial
2 institution, subsidiary, service corporation, or financial
3 institution-affiliated party on the basis of actual costs
4 incurred. Assessable expenses include, but are not limited to:
5 expenses for interpreters; expenses for communications;
6 expenses for legal representation; expenses for economic,
7 legal, or other research, analyses, and testimony; and fees
8 and expenses for witnesses. The failure to reimburse the
9 office ~~department~~ is a ground for denial of the application or
10 for revocation of any approval thereof.

11 Section 1706. Section 655.0321, Florida Statutes, is
12 amended to read:

13 655.0321 Restricted access to certain hearings,
14 proceedings, and related documents.--The office ~~department~~
15 shall consider the public purposes specified in s.
16 119.14(4)(b) in determining whether the hearings and
17 proceedings conducted pursuant to s. 655.033 for the issuance
18 of cease and desist orders and s. 655.037 for the issuance of
19 suspension or removal orders shall be closed and exempt from
20 the provisions of s. 286.011, and whether related documents
21 shall be confidential and exempt from the provisions of s.
22 119.07(1).

23 Section 1707. Subsections (1), (3), and (4) of section
24 655.0322, Florida Statutes, are amended to read:

25 655.0322 Prohibited acts and practices; criminal
26 penalties.--

27 (1) As used in this section, the term "financial
28 institution" means a financial institution as defined in s.
29 655.50 which includes a state trust company, state or national
30 bank, state or federal association, state or federal savings

2 or administrative office or other business entity as defined
3 by the commission ~~department~~ by rule, whether organized under
4 the laws of this state, the laws of another state, or the laws
5 of the United States, which institution is located in this
6 state.

7 (3) It is unlawful for any financial
8 institution-affiliated party to:

9 (a) Knowingly receive or possess himself or herself of
10 any of its property otherwise than in payment of a just
11 demand, and, with intent to deceive or defraud, to omit to
12 make or cause to be made a full and true entry thereof in its
13 books and accounts, or concur in omitting to make any material
14 entry thereof;

15 (b) Embezzle, abstract, or misapply any money,
16 property, or thing of value of the financial institution,
17 subsidiary, or service corporation with intent to deceive or
18 defraud such financial institution, subsidiary, or service
19 corporation;

20 (c) Knowingly make, draw, issue, put forth, or assign
21 any certificate of deposit, draft, order, bill of exchange,
22 acceptance, note, debenture, bond or other obligation,
23 mortgage, judgment, or decree without authority from the board
24 of directors of such financial institution;

25 (d) Make any false entry in any book, report, or
26 statement of such financial institution, subsidiary, or
27 service corporation with intent to deceive or defraud such
28 financial institution or another person, firm, or corporation,
29 or with intent to deceive the office ~~department~~, any other
30 appropriate federal regulatory agency, or any authorized
31

1 representative appointed to examine the affairs of such
2 financial institution, subsidiary, or service corporation; or
3 (e) Deliver or disclose to the office ~~department~~ or
4 any of its employees any examination report, report of
5 condition, report of income and dividends, internal audit,
6 account, statement, or document known by him or her to be
7 fraudulent or false as to any material matter.

8
9 Any person who violates this subsection is guilty of a felony
10 of the third degree, punishable as provided in s. 775.082, s.
11 775.083, or s. 775.084.

12 (4) It is unlawful for any financial
13 institution-affiliated party to knowingly place among the
14 assets of such financial institution, subsidiary, or service
15 corporation any note, obligation, or security which the
16 financial institution, subsidiary, or service corporation does
17 not own or which to the individual's knowledge is fraudulent
18 or otherwise worthless or for any such individual to represent
19 to the office ~~department~~ that any note, obligation, or
20 security carried as an asset of such financial institution,
21 subsidiary, or service corporation is the property of the
22 financial institution, subsidiary, or service corporation and
23 is genuine if it is known to such individual that such
24 representation is false or that such note, obligation, or
25 security is fraudulent or otherwise worthless. Any person who
26 violates this subsection is guilty of a felony of the third
27 degree, punishable as provided in s. 775.082, s. 775.083, or
28 s. 775.084.

29 Section 1708. Subsections (1), (3), and (6) of section
30 655.033, Florida Statutes, are amended to read:

31 655.033 Cease and desist orders.--

1 (1) The office ~~department~~ may issue and serve upon any
2 state financial institution, subsidiary, or service
3 corporation, or upon any financial institution-affiliated
4 party, a complaint stating charges whenever the office
5 ~~department~~ has reason to believe that such state financial
6 institution, subsidiary, service corporation, financial
7 institution-affiliated party, or individual named therein is
8 engaging in or has engaged in conduct that is:
9 (a) An unsafe or unsound practice;
10 (b) A violation of any law relating to the operation
11 of a financial institution;
12 (c) A violation of any rule of the commission
13 ~~department~~;
14 (d) A violation of any order of the office ~~department~~;
15 (e) A breach of any written agreement with the office
16 ~~department~~;
17 (f) A prohibited act or practice pursuant to s.
18 655.0322; or
19 (g) A willful failure to provide information or
20 documents to the office ~~department~~ or any appropriate federal
21 agency, or any of its representatives, upon written request.
22 (3) If no hearing is requested within the time allowed
23 by ss. 120.569 and 120.57, or if a hearing is held and the
24 office ~~department~~ finds that any of the charges are true, the
25 office ~~department~~ may enter an order directing the state
26 financial institution, subsidiary, service corporation,
27 financial institution-affiliated party, or the individual
28 named therein to cease and desist from engaging in the conduct
29 complained of and to take corrective action.
30 (6) Whenever the office ~~department~~ finds that conduct
31 described in subsection (1) is likely to cause insolvency,

1 substantial dissipation of assets or earnings of the state
2 financial institution, subsidiary, or service corporation or
3 substantial prejudice to the depositors, members, or
4 shareholders, it may issue an emergency cease and desist order
5 requiring the state financial institution, subsidiary, service
6 corporation, or financial institution-affiliated party to
7 immediately cease and desist from engaging in the conduct
8 complained of and to take corrective action. The emergency
9 order is effective immediately upon service of a copy of the
10 order upon the state financial institution, subsidiary,
11 service corporation, or financial institution-affiliated party
12 and remains effective for 90 days. If the office ~~department~~
13 begins nonemergency cease and desist proceedings under
14 subsection (1), the emergency order remains effective until
15 the conclusion of the proceedings under ss. 120.569 and
16 120.57. Any emergency order entered under this subsection is
17 confidential and exempt from s. 119.07(1) until the emergency
18 order is made permanent, unless the office ~~department~~ finds
19 that such confidentiality will result in substantial risk of
20 financial loss to the public.

21 Section 1709. Section 655.034, Florida Statutes, is
22 amended to read:

23 655.034 Injunctions.--Whenever a violation of the
24 financial institutions codes is threatened or impending and
25 such violation will cause substantial injury to a state
26 financial institution or to the depositors, members,
27 creditors, or stockholders thereof, the circuit court has
28 jurisdiction to hear any complaint filed by the office
29 ~~department~~ and, upon proper showing, to issue an injunction
30 restraining such violation or granting other such appropriate
31 relief.

1 Section 1710. Section 655.037, Florida Statutes, is
2 amended to read:

3 655.037 Removal of a financial institution-affiliated
4 party by the office ~~department~~.--

5 (1) The office ~~department~~ may issue and serve upon any
6 financial institution-affiliated party and upon the state
7 financial institution, subsidiary, or service corporation
8 involved, a complaint stating charges whenever the office
9 ~~department~~ has reason to believe that the financial
10 institution-affiliated party is engaging or has engaged in
11 conduct that is:

12 (a) An unsafe or unsound practice;

13 (b) A prohibited act or practice;

14 (c) A willful violation of any law relating to
15 financial institutions;

16 (d) A violation of any other law involving fraud or
17 moral turpitude which constitutes a felony;

18 (e) A violation of s. 655.50, relating to the Florida
19 Control of Money Laundering in Financial Institutions Act;
20 chapter 896, relating to offenses related to financial
21 transactions; or any similar state or federal law;

22 (f) A willful violation of any rule of the commission
23 ~~department~~;

24 (g) A willful violation of any order of the office
25 ~~department~~;

26 (h) A willful breach of any written agreement with the
27 office ~~department~~; or

28 (i) An act of commission or omission or a practice
29 which is a breach of trust or a breach of fiduciary duty.
30
31

1 (2) The complaint must contain the statement of facts
2 and notice of opportunity for a hearing pursuant to ss.
3 120.569 and 120.57.

4 (3) If no hearing is requested within the time allowed
5 by ss. 120.569 and 120.57, or if a hearing is held and the
6 office ~~department~~ finds that any of the charges in the
7 complaint are true and that the state financial institution
8 has suffered or will likely suffer loss or other damage or
9 that the interests of the depositors, members, or shareholders
10 could be seriously prejudiced by reason of such violation or
11 practice or breach of fiduciary duty or that the financial
12 institution-affiliated party has received financial gain by
13 reason of such violation, practice, or breach of fiduciary
14 duty, and that such violation, practice, or breach of
15 fiduciary duty is one involving personal dishonesty on the
16 part of such financial institution-affiliated party or a
17 continuing disregard for the safety or soundness of the state
18 financial institution, subsidiary, or service corporation, the
19 office ~~department~~ may enter an order removing the financial
20 institution-affiliated party or restricting or prohibiting
21 participation by such financial institution-affiliated party
22 in the affairs of that particular state financial institution,
23 subsidiary, or service corporation or any other state
24 financial institution, subsidiary, or service corporation.

25 (4) If the financial institution-affiliated party
26 fails to respond to the complaint within the time allowed in
27 ss. 120.569 and 120.57, such failure constitutes a default and
28 justifies the entry of an order of removal.

29 (5) A contested or default order of removal is
30 effective when reduced to writing and served on the state
31 financial institution, subsidiary, or service corporation and

1 the financial institution-affiliated party. An uncontested
2 order of removal is effective as agreed.

3 (6)(a) The chief executive officer, or the person
4 holding the equivalent office, of a state financial
5 institution shall promptly notify the office ~~department~~ if he
6 or she has actual knowledge that any financial
7 institution-affiliated party is charged with a felony in a
8 state or federal court.

9 (b) Whenever any financial institution-affiliated
10 party is charged with a felony in a state or federal court, or
11 in the courts of any foreign country with which the United
12 States maintains diplomatic relations, and such charge alleges
13 violation of any law involving fraud, currency transaction
14 reporting, money laundering, theft, or moral turpitude and the
15 charge under such foreign law is equivalent to a felony charge
16 under state or federal law, the office ~~department~~ may enter an
17 emergency order suspending such financial
18 institution-affiliated party or restricting or prohibiting
19 participation by such financial institution-affiliated party
20 in the affairs of that particular state financial institution,
21 subsidiary, or service corporation or any other financial
22 institution, subsidiary, or service corporation, upon service
23 of the order upon the state financial institution, subsidiary,
24 or service corporation and the financial
25 institution-affiliated party so charged. The order shall
26 contain notice of opportunity for a hearing pursuant to ss.
27 120.569 and 120.57, where the financial institution-affiliated
28 party may request a postsuspension hearing to show that
29 continued service to or participation in the affairs of the
30 state financial institution, subsidiary, or service
31 corporation does not pose a threat to the interests of the

1 state financial institution's depositors, members, or
2 stockholders, or threaten to impair public confidence in the
3 state financial institution. In accordance with applicable
4 commission ~~departmental~~ rules, the office ~~department~~ shall
5 notify the financial institution-affiliated party whether the
6 order suspending or prohibiting the financial
7 institution-affiliated party from participation in the affairs
8 of a state financial institution, subsidiary, or service
9 corporation will be rescinded or otherwise modified. The
10 emergency order will remain in effect, unless otherwise
11 modified by the office ~~department~~, until the criminal charge
12 is disposed of. The acquittal of the financial
13 institution-affiliated party charged, or the final, unappealed
14 dismissal of all charges against such person, will dissolve
15 the emergency order, but will not prohibit the office
16 ~~department~~ from instituting proceedings under subsection (1).
17 If the financial institution-affiliated party charged is
18 convicted or pleads guilty or nolo contendere, whether or not
19 an adjudication of guilt is entered by the court, the
20 emergency order becomes final.

21 (7) Any financial institution-affiliated party removed
22 from office pursuant to this section is not eligible for
23 reelection to such position or to any official position in any
24 financial institution in this state except with the written
25 consent of the office ~~department~~. Any financial
26 institution-affiliated party who is removed, restricted, or
27 prohibited from participation in the affairs of a state
28 financial institution pursuant to this section may petition
29 the office ~~department~~ for modification or termination of any
30 such removal, restriction, or prohibition.

31

1 (8) The resignation, termination of employment or
2 participation, or separation from a state financial
3 institution, subsidiary, or service corporation of the
4 financial institution-affiliated party does not affect the
5 jurisdiction and authority of the office ~~department~~ to issue
6 any notice and proceed under this section against such
7 financial institution-affiliated party, if such notice is
8 served before the end of the 6-year period beginning on the
9 date such person ceases to be such a financial
10 institution-affiliated party with respect to such state
11 financial institution, subsidiary, or service corporation.

12 Section 1711. Section 655.0385, Florida Statutes, is
13 amended to read:

14 655.0385 Disapproval of directors and executive
15 officers.--

16 (1) Each state financial institution shall notify the
17 office ~~department~~ of the proposed appointment of any
18 individual to the board of directors or the employment of any
19 individual as an executive officer or equivalent position at
20 least 60 days before such appointment or employment becomes
21 effective, if the state financial institution:

22 (a) Has been chartered for less than 2 years;

23 (b) Has undergone a change in control or conversion
24 within the preceding 2 years. The office ~~department~~ may exempt
25 a financial institution from this paragraph if it operates in
26 a safe and sound manner;

27 (c) Is not in compliance with the minimum capital
28 requirements applicable to such financial institution; or

29 (d) Is otherwise operating in an unsafe and unsound
30 condition, as determined by the office ~~department~~, on the
31

1 basis of such financial institution's most recent report of
2 condition or report of examination.

3 (2) A state financial institution may not appoint any
4 individual to the board of directors, or employ any individual
5 as an executive officer or equivalent position, if the office
6 ~~department~~ issues a notice of disapproval with respect to that
7 person.

8 (3) The office ~~department~~ shall issue a notice of
9 disapproval if the competence, experience, character, or
10 integrity of the individual to be appointed or employed
11 indicates that it is not in the best interests of the
12 depositors, the members, or the public to permit the
13 individual to be employed by or associated with the state
14 financial institution.

15 (4) The commission ~~department~~ may adopt rules to
16 implement this section.

17 Section 1712. Subsection (2) of section 655.0386,
18 Florida Statutes, is amended to read:

19 655.0386 Transactions with financial
20 institution-affiliated parties.--

21 (2) DISCLOSURE OF PERSONAL INTEREST.--Without
22 limitation by any of the specific provisions of this section,
23 the commission or office ~~department~~ may require the disclosure
24 by financial institution-affiliated parties of their personal
25 interests, directly or indirectly, in any business or
26 transactions on behalf of or involving the state financial
27 institution, subsidiary, or service corporation and of their
28 control of or active participation in enterprises having
29 activities related to the business of the state financial
30 institution, subsidiary, or service corporation.

31

1 Section 1713. Section 655.0391, Florida Statutes, is
2 amended to read:

3 655.0391 Retention of supervision by office
4 ~~department~~.--A state financial institution may not cause to be
5 performed, by contract or otherwise, any financial-institution
6 services for itself, whether at or away from its main or
7 branch office or on or off its premises, unless assurances
8 satisfactory to the office ~~department~~ are furnished to the
9 office ~~department~~ by both the state financial institution and
10 the person performing such services that the performance
11 thereof will be subject to regulation and examination by the
12 office ~~department~~ to the same extent as if such services were
13 being performed by the state financial institution itself on
14 its own premises.

15 Section 1714. Section 655.041, Florida Statutes, is
16 amended to read:

17 655.041 Administrative fines; enforcement.--

18 (1) The office ~~department~~ may, by complaint, initiate
19 a proceeding pursuant to chapter 120 to impose an
20 administrative fine against any person found to have violated
21 any provision of the financial institutions codes or a cease
22 and desist order of the office ~~department~~ or any written
23 agreement with the office ~~department~~. No such proceeding
24 shall be initiated and no fine shall accrue pursuant to this
25 section until after such person has been notified in writing
26 of the nature of the violation and has been afforded a
27 reasonable period of time, as set forth in the notice, to
28 correct the violation and has failed to do so.

29 (2) Any such fine may not exceed \$2,500 a day for each
30 violation except as provided in this section.

31

1 (a) If the office ~~department~~ determines that any such
2 person has recklessly violated any provision of the financial
3 institutions codes or a cease and desist order of the office
4 ~~department~~ or any written agreement with the office
5 ~~department~~, which violation results in more than a minimal
6 loss to a financial institution, subsidiary, or service
7 corporation, or a pecuniary benefit to such person, the office
8 ~~department~~ may impose a fine not exceeding \$10,000 a day for
9 each day the violation continues.

10 (b) If the office ~~department~~ determines that any such
11 person has knowingly violated any provision of the financial
12 institutions codes or a cease and desist order of the office
13 ~~department~~ or any written agreement with the office
14 ~~department~~, which violation results in more than a minimal
15 loss to a financial institution, subsidiary, or service
16 corporation, or a pecuniary benefit to such a person, the
17 office ~~department~~ may impose a fine not exceeding the lesser
18 of \$500,000 per day or 1 percent of the total assets in the
19 case of a financial institution, or \$50,000 per day in any
20 other case for each day the violation continues.

21 (c) The office ~~department~~ may by complaint impose an
22 administrative fine, not exceeding \$10,000 a day, upon any
23 financial institution-affiliated party, and upon a state
24 financial institution, subsidiary, service corporation, or
25 affiliate, who refuses to permit an examiner to examine a
26 state financial institution, subsidiary, or service
27 corporation, who refuses to permit an examiner to review the
28 books and records of an affiliate, or who refuses to give an
29 examiner any information required in the course of any
30 examination or review of the books and records.

31

1 (3) Any administrative fine levied by the office
2 ~~department~~ may be enforced by the office ~~department~~ by
3 appropriate proceedings in the circuit court of the county in
4 which such person resides or in which the principal office of
5 a state financial institution is located. In any
6 administrative or judicial proceeding arising under this
7 section, a party may elect to correct the violation asserted
8 by the office ~~department~~ and, upon doing so, any fine ceases
9 to accrue; however, an election to correct the violation does
10 not render any administrative or judicial proceeding moot.

11 Section 1715. Section 655.043, Florida Statutes, is
12 amended to read:

13 655.043 Articles of incorporation; amendments;
14 approval.--A bank, trust company, or association may not amend
15 its articles of incorporation without the written approval of
16 the office ~~department~~.

17 Section 1716. Subsections (1) and (2) of section
18 655.044, Florida Statutes, are amended to read:

19 655.044 Accounting practices; bad debts ineligible to
20 be carried as assets.--

21 (1) Except as otherwise provided by law, a state
22 financial institution shall observe generally accepted
23 accounting principles and practices. The commission
24 ~~department~~ may authorize by rule exceptions to such accounting
25 practices as necessary.

26 (2) A state financial institution, subsidiary, or
27 service corporation may not carry as an asset any note,
28 obligation, or security which it does not own absolutely or
29 which is known by the state financial institution to be
30 fraudulent or otherwise worthless; and a state financial
31 institution may not carry as an asset, in any report to the

1 ~~office department~~ or in any published report, any note or
2 other obligation which is past due or upon which no interest
3 has been paid for 1 year or longer or which has been
4 determined by the ~~office department~~ to be a loss. However,
5 past due paper may be carried to the extent of the reasonable
6 value of any lien or other collateral given to secure such
7 obligation; and, if the obligation is in the process of
8 collection, it may be carried at its reasonable value as
9 determined by the board of directors. The ~~office department~~
10 may order the revision of any value so determined hereunder.

11 Section 1717. Section 655.045, Florida Statutes, is
12 amended to read:

13 655.045 Examinations, reports, and internal audits;
14 penalty.--

15 (1)(a) The ~~office department~~ shall conduct an
16 examination of the condition of each state financial
17 institution during each 18-month period, beginning July 1,
18 1981. The ~~office department~~ may accept an examination made by
19 the appropriate federal regulator, insuring or guaranteeing
20 corporation, or agency with respect to the condition of the
21 state financial institution or may make a joint or concurrent
22 examination with the appropriate federal regulator, insuring
23 or guaranteeing corporation, or agency. However, at least
24 once during each 36-month period beginning on July 3, 1992,
25 the ~~office department~~ shall conduct an examination of each
26 state financial institution in such a manner as to allow the
27 preparation of a complete examination report not subject to
28 the right of any federal or other non-Florida entity to limit
29 access to the information contained therein. If, as a part of
30 an examination or investigation of a state financial
31 institution, subsidiary, or service corporation, the office

1 ~~department~~ has reason to believe that an affiliate is engaged
2 in an unsafe or unsound practice or that the affiliate has a
3 negative impact on the state financial institution,
4 subsidiary, or service corporation, then the office ~~department~~
5 may review such books and records as are reasonably related to
6 the examination or investigation. The office ~~department~~ may
7 furnish a copy of all examinations or reviews made of such
8 financial institutions or their affiliates to the state or
9 federal financial institution regulators participating in the
10 examination of a bank holding company; an association holding
11 company; or any of their subsidiaries, service corporations,
12 or affiliates; an insuring or guaranteeing corporation or
13 agency or its representatives; or state financial institution
14 regulators participating in the examination of a holding
15 company or its subsidiaries.

16 (b) The office ~~department~~ may recover the costs of
17 examination and supervision of a state financial institution,
18 subsidiary, or service corporation that is determined by the
19 office ~~department~~ to be engaged in an unsafe or unsound
20 practice. The office ~~department~~ may also recover the costs of
21 any review conducted pursuant to paragraph (a) of any
22 affiliate of a state financial institution determined by the
23 office ~~department~~ to have contributed to an unsafe or unsound
24 practice at a state financial institution, subsidiary, or
25 service corporation.

26 (c) For the purposes of this section, the term "costs"
27 means the salary and travel expenses directly attributable to
28 the field staff examining the state financial institution,
29 subsidiary, or service corporation, and the travel expenses of
30 any supervisory staff required as a result of examination
31 findings. The mailing of any costs incurred under this

1 subsection must be postmarked not later than 30 days after the
2 date of receipt of a notice stating that such costs are due.
3 The office ~~department~~ may levy a late payment of up to \$100
4 per day or part thereof that a payment is overdue, unless it
5 is excused for good cause. However, for intentional late
6 payment of costs, the office ~~department~~ may levy an
7 administrative fine of up to \$1,000 per day for each day the
8 payment is overdue.

9 (d) The office ~~department~~ may require an audit of any
10 state financial institution, subsidiary, or service
11 corporation by an independent certified public accountant
12 approved by the office ~~department~~ whenever the office
13 ~~department~~, after conducting an examination of such state
14 financial institution, subsidiary, or service corporation, or
15 after accepting an examination of such state financial
16 institution by the appropriate state or federal regulatory
17 agency, determines that such an audit is necessary in order to
18 ascertain the condition of the financial institution,
19 subsidiary, or service corporation. The cost of such audit
20 shall be paid by the state financial institution, subsidiary,
21 or state service corporation.

22 (2)(a) ~~The department shall require~~ Each state
23 financial institution, subsidiary, or service corporation
24 shall ~~to~~ submit a report, at least four times each calendar
25 year, as of such dates as the commission or office determines
26 ~~department may determine~~. Such report must include such
27 information as the commission ~~department~~ by rule requires for
28 that type of institution.

29 (b) The office ~~department~~ shall levy an administrative
30 fine of up to \$100 per day for each day the report is past
31 due, unless it is excused for good cause. However, for

1 intentional late filing of the report required under paragraph
2 (a), the office ~~department~~ shall levy an administrative fine
3 of up to \$1,000 per day for each day the report is past due.

4 (3)(a) ~~The department shall require~~ The board of
5 directors of each state financial institution or, in the case
6 of a credit union, the supervisory committee or audit
7 committee shall ~~to~~ perform or cause to be performed, within
8 each calendar year, an internal audit of each state financial
9 institution, subsidiary, or service corporation and to file a
10 copy of the report and findings of such audit with the office
11 ~~department~~ on a timely basis. Such internal audit must
12 include such information as the commission ~~department~~ by rule
13 requires for that type of institution.

14 (b) With the approval of the office ~~department~~, the
15 board of directors or, in the case of a credit union, the
16 supervisory committee may elect, in lieu of such periodic
17 audits, to adopt and implement an adequate continuous audit
18 system and procedure which must include full, adequate, and
19 continuous written reports to, and review by, the board of
20 directors or, in the case of a credit union, the supervisory
21 committee, together with written statements of the actions
22 taken thereon and reasons for omissions to take actions, all
23 of which shall be noted in the minutes and filed among the
24 records of the board of directors or, in the case of a credit
25 union, the supervisory committee. If at any time such
26 continuous audit system and procedure, including the reports
27 and statements, becomes inadequate, in the judgment of the
28 office ~~department~~, the state financial institution shall
29 promptly make such changes as may be required by the office
30 ~~department~~ to cause the same to accomplish the purpose of this
31 section.

1 (4) A copy of the report of each examination must be
2 furnished to the financial institution examined. Such report
3 of examination shall be presented to the board of directors at
4 its next regular or special meeting.

6 amended to read:

9 office department a semiannual assessment based on the total
10 assets as shown on the statement of condition of the financial
11 institution on the last business day in December and the last
12 business day in June of each year.

13 (2) The mailing of a semiannual assessment must be
14 postmarked on or before January 31 and July 31 of each year.
15 The office department may levy a late payment penalty of up to
16 \$100 per day or part thereof that a semiannual assessment
17 payment is overdue, unless it is excused for good cause.
18 However, for intentional late payment of a semiannual
19 assessment, the office department shall levy an administrative
20 fine of up to \$1,000 a day for each day the semiannual
21 assessment is overdue.

22 (3) The assessments required by this section cover the
23 6-month period following the first day of the month in which
24 they are due. The office department may prorate the amount of
25 the semiannual assessment; however, no portion of a semiannual
26 assessment is refundable.

27 Section 1719. Section 655.049, Florida Statutes, is
28 amended to read:

29 655.049 Deposit of fees and assessments.--The
30 assessments, application fees, late payment penalties, civil
31 penalties, administrative fines, and other fees or penalties

1 provided for in the financial institutions codes shall, in all
2 cases, be paid directly to the office ~~department~~, which shall
3 deposit all thereof in the Financial Institutions' Regulatory
4 Trust Fund, which fund shall be used by the office ~~department~~
5 to pay its costs for administration of the financial
6 institutions codes. The office ~~department~~ shall determine and
7 report to the Legislature whether the fees and assessments

9 against and collected from the financial institutions that are
10 subject to the financial institutions codes support the
11 office's ~~department's~~ expenditures. The Financial
12 Institutions' Regulatory Trust Fund is subject to the service
13 charge imposed pursuant to chapter 215.

21 investigation by the office ~~department~~ are confidential and
22 exempt from the provisions of s. 119.07(1) until such
23 investigation is completed or ceases to be active. For
24 purposes of this subsection, an investigation is considered
25 "active" while such investigation is being conducted by the
26 office ~~department~~ with a reasonable, good faith belief that it
27 may lead to the filing of administrative, civil, or criminal
28 proceedings. An investigation does not cease to be active if
29 the office ~~department~~ is proceeding with reasonable dispatch,
30 and there is a good faith belief that action may be initiated
31 by the office ~~department~~ or other administrative or law

1 enforcement agency. After an investigation is completed or
2 ceases to be active, portions of such records relating to the

11 financial institution's board of directors. However, a
12 fidelity insurance company may receive only that portion of an

31 information shall provide for inspection in camera by the

1 court or the administrative law judge and, after the court or
2 administrative law judge has made a determination that the
3 documents requested are relevant or would likely lead to the
4 discovery of admissible evidence, said documents shall be
5 subject to further orders by the court or the administrative
6 law judge to protect the confidentiality thereof. Any order
7 directing the release of information shall be immediately
8 reviewable, and a petition by the office ~~department~~ for review
9 of such order shall automatically stay further proceedings in
10 the trial court or the administrative hearing until the
11 disposition of such petition by the reviewing court. If any

30 authority, during business hours of each business day. A
31 current list of members shall be made available to the

1 office's ~~department's~~ examiners for their inspection and, upon
2 the request of the office department, shall be submitted to
3 the office department. Except as otherwise provided in this
4 subsection, the list of the members of the credit union or
5 mutual association is confidential and exempt from the
6 provisions of s. 119.07(1).

9 and soundness of the corporation.

10 3. The books and records pertaining to customer
11 deposit, investment, and custodial accounts are not disclosed
12 to the supervisor.

13 4. At any time during the conduct of the examination,
14 the office ~~department~~ reserves the right to have an examiner

8 state as a federally chartered or regulated financial
9 institution of the same type and are entitled to all
10 privileges and protections granted federally chartered or
11 regulated financial institutions of the same type under
12 federal statutes and regulations. The provisions of this
13 section take precedence over, and must be given effect over,
14 any other general or specific provisions of the financial
15 institutions codes to the contrary. In issuing an order or
16 rule under this section, the office or commission ~~department~~
17 shall consider the importance of maintaining a competitive
18 dual system of financial institutions and whether such an
19 order or rule is in the public interest.

20 Section 1723. Section 655.071, Florida Statutes, is
21 amended to read:

31

1 (2) The commission ~~department~~ shall by rule define the
2 terms "deposit," "borrowing," and "extension of credit" as

8 When adopting ~~promulgating~~ such rules, the commission
9 ~~department~~ shall also consider the public interest, including
10 the need to maintain a sound and competitive banking system,
11 as well as the purpose of this act, which is to create an
12 environment conducive to the conduct of an international
13 banking business in the state.

14 (3) Before establishing an international banking
15 facility, a state-chartered or state-licensed banking
16 organization shall notify the office ~~department~~ in the manner

25 with the following procedures:

26 (a) The board of directors must approve a plan of
27 conversion by a vote of a majority of all the directors. The
28 plan must include a statement of:

29 1. The type of financial entity which would result if
30 the application were approved and the proposed name under
31 which it would do business.

1 2. The method and schedule for terminating any
2 activities and disposing of any assets or liabilities which
3 would not conform to the requirements applicable to the
4 resulting financial entity.

5 3. The competitive impact of such change, including
6 any effect on the availability of particular financial
7 services in the market area served by the financial entity.

8 4. Such financial data as may be required to determine
9 compliance with the capital, reserve, and liquidity
10 requirements applicable to the resulting financial entity.

11 5. Such other information as the commission ~~department~~
12 may by rule require.

13 (b) Following approval by the board of directors, the
14 conversion plan, together with a certified copy of the
15 authorizing resolution adopted by the board, must be submitted
16 to the office ~~department~~ for approval before being submitted
17 to the members or stockholders of the financial entity. The
18 application for conversion must be in the ~~such~~ form prescribed
19 by the commission, ~~and~~ contain such additional information as
20 the commission or office ~~department~~ reasonably requires, and
21 ~~must~~ be accompanied by a filing fee in accordance with s.

23 is authorized to assess any financial entity, applying to
24 convert pursuant to this section, a nonrefundable examination
25 fee to cover the actual costs of any examination required as a
26 part of the application process.

27 (c) The office ~~department~~ shall approve the plan if it
28 finds that:

29 1. The resulting financial entity would have an
30 adequate capital structure with regard to its activities and
31 its deposit liabilities.

1 2. The proposed conversion would not cause a
2 substantially adverse effect on the financial condition of any
3 financial entity already established in the primary service
4 area.

5 3. The officers and directors have sufficient
6 experience, ability, and standing to indicate reasonable
7 promise for successful operation of the resulting financial
8 entity.

9 4. The schedule for termination of any nonconforming
10 activities and disposition of any nonconforming assets and
11 liabilities is reasonably prompt, and the plan for such
12 termination and disposition does not include any unsafe or
13 unsound practice.

14 5. None of the officers or directors has been
15 convicted of, or pled guilty or nolo contendere to, a
16 violation of s. 655.50, relating to the Florida Control of
17 Money Laundering in Financial Institutions Act; chapter 896,
18 relating to offenses related to financial transactions; or any
19 similar state or federal law.

20
21 If the office ~~department~~ disapproves the plan, it shall state
22 its objections and give an opportunity to the parties to amend
23 the plan to overcome such objections. The office ~~department~~
24 may deny an application by any financial entity which is
25 subject to a cease and desist order or other supervisory
26 restriction or order imposed by any state or federal
27 supervisory authority, insurer, or guarantor.

28 (d) If the office ~~department~~ approves the plan, it may
29 be submitted to the members or stockholders at an annual
30 meeting or at any special meeting called to consider such
31 action. Upon a favorable vote of a majority of the total

1 number of votes eligible to be cast or, in the case of a
2 credit union, a majority of the members present at the
3 meeting, the plan is adopted. Copies of the minutes of the
4 proceedings of such meeting of the members or stockholders,
5 verified by the affidavit of an officer, as established in the
6 bylaws of the financial institution, must be filed with the
7 office ~~department~~ within 10 days after such meeting. Such
8 verified copies of the proceedings of such meeting are
9 presumptive evidence of the holding and action of such
10 meeting. If the members or stockholders approve the plan of
11 conversion, the directors shall then execute new articles of
12 incorporation or amendments to existing articles and two
13 copies of the new bylaws. The directors shall insert in the
14 articles of incorporation the following: "This ...(bank,
15 association, etc.)... is incorporated by conversion from a
16 ...(national bank, state association, etc.)...."

17 (e) If the members or stockholders adopt the plan of
18 conversion, the financial entity shall apply to the
19 appropriate insurer for a commitment for insurance of accounts
20 for the shares and deposits of the resulting financial entity.

21 (f) The plan shall not take effect until the office
22 ~~department~~ has received notice that the commitment for
23 insurance of accounts has been given by the insurer. Upon
24 receipt of such notice, the office ~~department~~ shall issue a
25 new charter to the financial entity authorizing it to transact
26 business pursuant to applicable law.

27 (2) The commission ~~department~~ may provide by rule for
28 any additional procedures to be followed by any national or

19 not impaired by losses that exceed applicable reserves.

20 Section 1741. Section 657.005, Florida Statutes, is
21 amended to read:

22 657.005 Notice of intent to organize; investigation ~~by~~
23 ~~department~~; application for authority to organize a credit
24 union.--

25 (1) The proposed organizers of the proposed credit
26 union shall file with the office ~~department~~ a notice of intent
27 to organize, upon such form as the commission ~~department~~ may,
28 by rule, prescribe.

29 (2) Any five or more residents of this state who
30 represent a limited field of membership may apply to the
31 office ~~department~~ for permission to organize a credit union.

1 The fact that individuals within the proposed limited field of
2 membership have credit union services available to them
3 through another limited field of membership shall not preclude
4 the granting of a certificate of authorization to engage in
5 the business of a credit union.

6 (3) The application shall be submitted to the office
7 ~~department~~ on forms and in the manner prescribed by rules
8 adopted by the commission ~~department~~ and shall be accompanied
9 by a nonrefundable filing fee of \$250. Such application shall
10 include:

11 (a) The proposed name and the proposed location where
12 the proposed credit union is to have its principal place of
13 business.

14 (b) Designation of the par value of each share of the
15 credit union.

16 (c) Designation of at least five persons who agree to
17 serve on the board of directors, and at least three other
18 persons who agree to serve on the supervisory committee or
19 audit committee, with a signed agreement to serve in these
20 capacities until the first annual meeting or until the
21 election of their successors, whichever is later, executed by
22 those who so agree.

23 (d) Any information required by the commission or
24 office ~~department~~ to be submitted to the corporation or
25 insuring agency.

26 (e) Bylaws of the credit union, which bylaws shall be
27 in the form and substance as required by the commission
28 ~~department~~.

29 (4) The office ~~department~~ shall have the power of
30 investigation to the extent necessary to make the finding
31 required under this section.

1 (5) The application shall be approved if the office
2 ~~department~~ determines that:

3 (a) There is a showing of sufficient interest on the
4 part of the proposed limited field of membership;

5 (b) The qualifications of the proposed board of
6 directors and committee members are such as to indicate a
7 reasonable likelihood that the affairs of the proposed credit
8 union will be administered consistently with sound financial
9 and credit union practices;

10 (c) The organization of the credit union would benefit
11 its members; and

12 (d) The limited field of membership is of sufficient
13 financial viability to indicate reasonable promise of
14 successful operation of the proposed credit union. In
15 determining the financial viability of the proposed limited
16 field of membership and chances for reasonable promise of
17 success of the proposed credit union, the office ~~department~~
18 shall consider:

19 1. The size of the proposed limited field of
20 membership, excluding potential members based upon familial
21 relationships; and

22 2. Any other evidence that tends to indicate the
23 reasonable promise of success of the proposed credit union.

24 (6) If the organization of a proposed credit union
25 would result in an overlapping limited field of membership,
26 the office ~~department~~ may disapprove the application if it
27 finds that the formation of the proposed credit union will
28 result in a substantial, adverse financial impact to an
29 existing credit union having the same or substantially the
30 same limited field of membership.

31

1 (7) Concurrently with submission of the application to
2 the office ~~department~~, the applicant shall apply for insurance
3 of accounts with the National Credit Union Administration.

4 (8) The applicant shall not accept any payments for
5 credit to share or deposit accounts, or commence business
6 operations as a credit union, until the certificate of
7 authorization and the insurance certificate have been
8 delivered to the credit union.

9 (9) The office ~~department~~ shall perform a preopening
10 examination to verify good faith compliance with all the
11 requirements of law. If the office ~~department~~ finds that such
12 requirements have been met, it shall issue and deliver the
13 certificate of authorization to transact business. Any credit
14 union which fails to open for business within 6 months after
15 the issuance of such certificate will forfeit its existence as
16 a credit union, and the certificate of authorization shall be
17 revoked. For good cause shown, the office ~~department~~ may
18 extend the opening date for an additional 6 months on its own
19 motion or at the request of the credit union. Amounts
20 credited on share accounts, less expenditures authorized by
21 law, shall be returned pro rata to the respective account
22 holders.

23 (10) All preopening costs and expenses in connection
24 with the organization of the credit union and preparation for
25 opening for business may be paid only from funds provided by
26 the organizers or a sponsor and may be reimbursed by the
27 credit union only out of undivided earnings, after provision
28 has been made for reserves and dividends. However, the credit
29 union may reimburse, as an operating expense, for forms and
30 supplies, insurance, rent, and other expenses applicable to or
31

1 consumed in the period after opening in accordance with rules
2 adopted by the commission ~~department~~.

3 (11) The commission shall adopt and the office
4 ~~department~~ shall provide a form certificate of authorization
5 and bylaws consistent with this chapter which shall be used by
6 applicants for credit unions.

7 Section 1742. Section 657.0061, Florida Statutes, is
8 amended to read:

9 657.0061 Amendments to bylaws.--

10 (1) All bylaw amendments must be submitted to the
11 office ~~department~~. The office ~~department~~ shall approve or
12 disapprove bylaw amendments within 60 days after receipt. The
13 office ~~department~~ shall approve the proposed bylaw amendment
14 unless it finds that the amendment:

15 (a) Is not in the best interest of the membership;

16 (b) Is not in accord with sound credit union
17 practices; or

18 (c) Exposes the assets of the credit union to
19 unnecessary risks.

20 (2) The commission ~~department~~ may, by rule, allow
21 certain bylaw amendments that are ministerial in nature to
22 become effective immediately upon filing with the office
23 ~~department~~.

24 Section 1743. Paragraph (a) of subsection (2) and
25 subsections (5) and (6) of section 657.008, Florida Statutes,
26 are amended to read:

27 657.008 Place of doing business.--

28 (2)(a) With 30 days ~~days~~ prior written notification
29 to the office ~~department~~, a credit union may maintain branches
30 at locations other than its main office or relocate branches
31 previously established if the maintenance of such branches is

1 determined by the board of directors to be reasonably
2 necessary to furnish service to its members.

3 (5) A credit union may change its principal place of
4 business within this state upon approval by the office
5 ~~department~~.

6 (6)(a) The office ~~department~~ may authorize foreign
7 credit unions to establish branches in Florida if all of the
8 following criteria are met:

9 1. The state in which the foreign credit union's home
10 office is located permits Florida credit unions to do business
11 in the state under restrictions that are no greater than those
12 placed upon a domestic credit union doing business in that
13 state. For this purpose, such restrictions shall include, but
14 are not limited to, any fees, bonds, or other charges levied
15 on domestic credit unions doing business in that state.

16 2. The deposits of such foreign credit union and its
17 proposed Florida branch will be insured or guaranteed by an
18 insurer or guarantor acceptable to the office ~~department~~.
19 Insurance or guarantee of accounts comparable to that provided
20 by the Florida Credit Union Guaranty Corporation is deemed to
21 be acceptable; however, acceptance of insurance or guarantee
22 of accounts by any insuring or guaranteeing agencies or
23 companies shall be subject to a determination by the office
24 ~~department~~ that the insuring or guaranteeing agency or company
25 is in sound financial condition and that its reserves with
26 respect to its insured or guaranteed accounts are no less than
27 those of the Florida Credit Union Guaranty Corporation.

28 3. The credit union's field of membership is so
29 limited as to be within that meaning of that term as defined
30 in s. 657.002.

31

1 (b) Every foreign credit union operating in Florida
2 shall keep the office ~~department~~ informed of every location at
3 which it is operating.

4 (c) If the office ~~department~~ has reason to believe
5 that a foreign credit union is operating a branch in this
6 state in an unsafe and unsound manner, it shall have the right
7 to examine such branch. If, upon examination, the office
8 ~~department~~ finds that such branch is operating in an unsafe
9 and unsound manner, it shall require the branch office to make
10 appropriate modifications to bring such branch operations into
11 compliance with generally accepted credit union operation in
12 this state. Such foreign credit union shall reimburse the
13 office ~~department~~ for the full cost of this examination. Costs
14 shall include examiner salaries, per diem, and travel
15 expenses.

16 (d) Any foreign credit union operating in this state
17 shall in any connection therewith be subject to suit in the
18 courts of this state, by this state and the citizens of this
19 state.

20 Section 1744. Subsection (3) and paragraphs (a) and
21 (e) of subsection (7) of section 657.021, Florida Statutes,
22 are amended to read:

23 657.021 Board of directors; executive committee.--

24 (3) Each director, upon assuming office, shall
25 acknowledge that he or she is familiar with his or her
26 responsibilities as a director and that he or she will
27 diligently and honestly administer the affairs of such credit
28 union and will not knowingly violate, or willfully permit to
29 be violated, any of the provisions of the financial
30 institution's codes or pertinent rules of the commission

4 duties which are nondelegable:

5 (a) Require any officer or employee who has custody of
6 or handles funds to give bond with good and sufficient surety
7 in an amount and character determined by the board of
8 directors in compliance with rules adopted by the commission
9 ~~department~~.

10 (e) Adequately provide for reserves as required by
11 this part or by rules or order of the commission or office
12 ~~department~~ or as otherwise determined necessary by the board.

13 Section 1745. Subsections (3) and (4) of section
14 657.026, Florida Statutes, are amended to read:

15 657.026 Supervisory or audit committee.--

16 (3) The supervisory or audit committee shall:

17 (a) Make or cause to be made a comprehensive annual
18 audit of the credit union, in accordance with the rules of the
19 commission ~~department~~.

20 (b) Make or cause to be made such supplementary audits
21 or examinations as it deems necessary or as are requested by
22 the board of directors or the office ~~department~~.

23 (c) Submit a report of every required audit or
24 examination within a reasonable time to the board of directors
25 with a copy to the office ~~department~~ and, depending upon which
26 organization is applicable, a copy to the corporation or the
27 National Credit Union Administration.

2 the board of directors, the office ~~department~~, and, as
3 applicable, either the corporation or the National Credit
4 Union Administration of any violation of this part, any
5 violation of the certificate of authorization or bylaws of the
6 credit union, or any practice of the credit union deemed by
7 the supervisory or audit committee to be unsafe, unsound, or
8 unauthorized.

9
10 For the purposes of this subsection, two-thirds of the members
11 of the supervisory or audit committee constitutes a quorum.

16 (3) A person may not serve as an officer, director, or
17 committee member of a credit union if she or he:

18 (a) Has been convicted of a felony or of an offense

21 office ~~department~~ upon a showing of rehabilitation;

22 (b) Has been adjudicated bankrupt within the previous
23 7 years;

24 (c) Has been removed by any regulatory agency as a
25 director, officer, committee member, or employee of any

27 office ~~department~~ upon a showing of rehabilitation and upon
28 showing of ability to be bondable;

29 (d) Has performed acts of fraud or dishonesty, or has
30 failed to perform duties, resulting in a loss which was
31 subject to a paid claim under a fidelity bond, except with the

15 657.031 Powers.--A credit union shall have the power
16 to:

17 (19) Perform tasks and render any services requested
18 by the Federal Government or by this state or any agency,
19 political subdivision, or municipality thereof, if approved by
20 the office ~~department~~.

21 (26) Participate in systems which allow the transfer,
22 withdrawal, or deposit of funds of credit unions or credit
23 union members by automated or electronic means and hold
24 membership in entities established to promote and effectuate

28 against unreasonable risks.

29 (27) Issue credit cards and debit cards to allow
30 members to obtain access to their shares, deposits, and

12 no limitation with respect to the capital of the investing
13 credit union on the following investments:

14 (i) Stock of the Federal National Mortgage
15 Association, or any other similar entity designated by the
16 office ~~department~~, designed to promote investment in

20 (2) INVESTMENTS SUBJECT TO LIMITATION OF 25 PERCENT OF
21 CAPITAL OF THE CREDIT UNION.--Up to 25 percent of the capital
22 of the credit union may be invested in:

23 (a) The shares or deposit accounts in any one
24 corporate credit union or other insured financial depository
25 institution. The credit union may exceed the 25-percent
26 investment limitation in the corporate credit union, subject
27 to the prior written approval of the office ~~department~~.

28 (5) INVESTMENTS IN REAL ESTATE AND EQUIPMENT FOR THE
29 CREDIT UNION.--

30 (b) The limitations provided by this subsection may be
31 exceeded with the prior written approval of the office

1 ~~department~~. The office ~~department~~ shall grant such approval if
2 it is satisfied that:

3 1. The proposed investment is necessary.

4 2. The amount thereof is commensurate with the size
5 and needs of the credit union.

6 3. The investment will be beneficial to the members.

7 (6) INVESTMENTS SUBJECT TO ~~DEPARTMENT~~ APPROVAL.--A
8 credit union may invest its funds in such other investments,
9 including the capital stock of other financial institutions,
10 as the commission or office ~~department~~ approves by rule or
11 order.

12 (7) SPECIAL PROVISIONS.--

13 (a) None of the bonds or other obligations described
14 in this section shall be eligible for investment by credit

18 unless it is of prime quality and of the highest letter and
19 numerical rating, as established by a nationally recognized
20 investment rating service, or any comparable rating as
21 determined by the office ~~department~~.

22 (b) With prior approval of the office ~~department~~, any
23 investment permitted in this section may also be made
24 indirectly by investment in a trust or mutual, the investments
25 of which are limited as set forth in this section, provided
26 that the credit union must maintain a current file on each
27 investment which contains sufficient information to determine
28 whether the investment complies with the requirements of this
29 section. If the investment fails to comply with the
30 requirements of this section, the credit union must divest
31

1 itself of its investment, unless otherwise approved by the
2 office ~~department~~.

3 Section 1752. Subsections (1), (2), (3), (5), (6),
4 (7), and (8) of section 657.043, Florida Statutes, are amended
5 to read:

6 657.043 Reserves.--

7 (1) TRANSFERS TO REGULAR RESERVE.--Immediately before
8 paying each dividend, the total of all income for the period
9 shall be determined. From this amount, there shall be set
10 aside sums as a regular reserve in accordance with the
11 following schedule:

12 (a) A credit union shall set aside:

13 1. Five percent of the total of all income for the
14 period, until the regular reserve equals 6 percent of the risk
15 assets, then,

16 2. Two percent of the total of all income for the
17 period, until the regular reserve equals 8 percent of the risk
18 assets.

19 (b) Whenever the ratio of regular reserves to risk
20 assets falls below the stated percent, it shall be replenished
21 by regular contributions as provided in paragraph (a).

22 (c) The office ~~department~~ may decrease the reserve
23 requirements set forth in this subsection when in its opinion
24 such a decrease is necessary to preserve the fiscal soundness
25 of the credit union.

26 (2) ALLOWANCE FOR LOAN LOSSES ACCOUNT.--The credit
27 union shall maintain an account for loan losses. The amount
28 in the account must equal the board's estimate of losses in
29 the loan portfolio and be consistent with the rules of the
30 commission ~~department~~. The account must be provided for,
31 before paying a dividend, in the manner provided by rule. This

1 account constitutes part of the regular reserve for the
2 purpose of determining the ratio of regular reserves to risk
3 assets.

4 (3) USE OF REGULAR RESERVE.--The regular reserve shall
5 belong to the credit union and shall be used to meet losses.
6 In the event of a decrease, the office ~~department~~ may require
7 additional transfers to the regular reserve above the amount
8 required by subsection (1) until the decrease has been
9 restored. The regular reserve may not be decreased without the
10 prior written approval of the office ~~department~~ or as provided
11 by rule of the commission.

12 (5) ALLOWANCE FOR INVESTMENT LOSSES.--The credit union
13 may maintain a contra asset account to provide an allowance
14 for investment losses, which will not be included in the
15 determination of equity. The account must be maintained
16 consistent with the rules of the commission ~~department~~.

17 (6) SPECIAL RESERVES.--In addition to such regular
18 reserve, special reserves shall be established:

19 (a) To protect members against losses resulting from
20 credit extended or from risk assets when required by rule, or
21 when found by the office ~~department~~, in any special case, to
22 be necessary for that purpose; or

23 (b) As authorized by the board of directors.

24 (7) RESERVE FOR CONTINGENCIES.--The board of directors
25 may, after the regular reserve required by this section and
26 rules of the commission ~~department~~ has been set aside,
27 transfer a portion of undivided earnings to an auxiliary
28 reserve account to provide for additional possible losses and
29 expenses.

30 (8) RESERVES.--The ratio of equity to total assets for
31 each credit union must be maintained at not less than 5

1 percent. At the end of the calendar quarter when this ratio
2 is determined to be less than 5 percent, the credit union
3 shall, within 60 days thereafter, prepare and file with the
4 office ~~department~~ for approval a plan to achieve the minimum
5 ratio within 4 years, or such longer period of time approved
6 by the office ~~department~~. Once achieved, each credit union
7 must maintain a ratio of equity to total assets of not less
8 than 5 percent, unless otherwise authorized by the office
9 ~~department~~. The commission ~~department~~, by rule, shall
10 prescribe the information, types of restrictions and
11 limitations on operations, reporting requirements, and other
12 criteria that are required to be included in an acceptable
13 plan. An acceptable plan must recognize the unique
14 characteristics and risk differences for the individual credit
15 union.

16 Section 1753. Section 657.053, Florida Statutes, is
17 amended to read:

18 657.053 Assessments; state credit unions.--Each state
19 credit union shall pay to the office ~~department~~ a semiannual
20 assessment equal to \$500 plus 15 cents for each \$1,000 of
21 total assets. The amounts of all assessments provided for in
22 this section shall be deemed to be maximum amounts. The
23 commission ~~department~~ has the authority to establish, by rule,
24 and from time to time to change, assessments in amounts less
25 than the maximum amounts stated in this section.

26 Section 1754. Section 657.062, Florida Statutes, is
27 amended to read:

28 657.062 Assumption of control by guarantor or
29 insurer.--

30 (1) The office ~~department~~ may direct the corporation
31 or the National Credit Union Administration, whichever is

1 applicable, to assume control of the property, assets, and
2 business of its member credit union and to operate it subject
3 to the directions of the office ~~department~~:

4 (a) Whenever the office ~~department~~ finds that the
5 credit union:

6 1. Is engaging or has engaged in an unsafe or unsound
7 practice;

8 2. Is violating or has violated any provision of this
9 chapter; or

10 3. Is violating or has violated any commission
11 ~~department~~ rule, office ~~department~~ order, or written agreement
12 entered into with the office ~~department~~,
13

14 in such a manner that the credit union is threatened with
15 imminent insolvency.

16 (b) Whenever a majority of the members of the board of
17 directors of the credit union have been removed by the office
18 ~~department~~ or shall have resigned.

19 (2) Except when prohibited by federal or state law, in
20 the event of assumption of control, the guarantor or insurer
21 may elect the board of directors and the operating committees
22 and may, without penalty or liability, prepay any deposit
23 accounts; terminate any contracts or agreements with
24 employees, independent contractors, or consultants; terminate
25 any contract or agreement with any person to provide goods,
26 products, or services if the performance of such contract
27 would adversely affect the safety or soundness of the credit
28 unions or if such contract was entered into in violation of s.
29 657.0315(1); and terminate or assign any lease for property.
30 The authority of the guarantor or insurer to continue
31 operation of a credit union shall continue for a period not to

1 exceed 180 days, unless extended by the office ~~department~~ for
2 an additional period not to exceed 180 days at the request of
3 the guarantor or insurer, or unless involuntary liquidation
4 proceedings have been initiated by the office ~~department~~. In
5 the event that the guarantor or insurer does assume control
6 pursuant to the direction of the office ~~department~~, a meeting
7 of the credit union shall be called within 180 days, or within
8 the period of extension as approved by the office ~~department~~,
9 for the specific purpose of electing a new board of directors,
10 who shall take office when the guarantor or insurer surrenders
11 control, or considering such other recommendations as the
12 guarantor or insurer and the office ~~department~~ may make.

13 Section 1755. Section 657.063, Florida Statutes, is
14 amended to read:

15 657.063 Involuntary liquidation.--

16 (1) If the office ~~department~~ finds that any credit
17 union is bankrupt or insolvent, or is transacting its business
18 in an unsound, unsafe, or unauthorized manner such that it is
19 threatened with imminent insolvency, and liquidation is in the
20 best interest of the members, the office ~~department~~ may, in
21 its discretion, order the credit union placed in involuntary
22 liquidation and designate and appoint a liquidator to take
23 charge of the assets and affairs of the credit union. The
24 order shall set forth the specific findings and reasons for
25 the action taken.

26 (2) The liquidator must be appointed by the office
27 ~~department~~. The corporation or the National Credit Union
28 Administration, whichever is applicable, must be given the
29 right of first refusal. The office ~~department~~ may appoint
30 another entity if refused by the primary guarantor or insurer.

6 to the intended opening date, a shareholders' meeting shall be
7 held to elect directors already approved by the office
8 ~~department~~, to approve organizational expenses, and to conduct
9 such other business relating to the corporation as may be
10 appropriate. Immediately after the board of directors has been
11 elected by the shareholders, the board shall meet to adopt

13 relating to the corporation as may be appropriate. Within 10
14 days after the shareholders' and directors' meetings, the
15 corporation shall file with the office ~~department~~ a copy of
16 the minutes of the meetings together with a copy of the bylaws
17 that were adopted, a list showing the names and residence

20 the shareholders.

21 Section 1770. Subsections (2) and (3) of section
22 658.25, Florida Statutes, are amended to read:

23 658.25 Opening for business.--

24 (2) At least 30 days prior to its intended opening
25 date, the corporation shall notify the office ~~department~~ of
26 its proposed opening date and confirm its compliance with all
27 conditions imposed in the order or orders issued by the office
28 ~~department~~ relating to its organization.

29 (3) The office ~~department~~ shall perform a preopening
30 examination to verify good faith compliance with all the
31 requirements of law and that the bank or trust company

1 corporation is ready to engage in a general commercial bank or
2 trust business. If the office ~~department~~ finds that such
3 requirements have been met, it shall issue a certificate of
4 authorization to transact a general commercial bank or trust
5 business. Upon the issuance of the certificate of
6 authorization, the bank or trust company corporation shall
7 become a state bank or a state trust company and the
8 certificate shall constitute its charter.

9 Section 1771. Subsections (2), (3), and (4) of section
10 658.26, Florida Statutes, are amended to read:

11 658.26 Places of transacting business; branches;
12 facilities.--

13 (2)(a) In addition, with the approval of the office
14 ~~department~~ and upon such conditions as the commission or
15 office ~~department~~ prescribes, any bank or trust company may
16 establish branches within or outside the state. With the
17 approval of the office ~~department~~ upon a determination that
18 the resulting bank or trust company will be of sound financial
19 condition, any bank or trust company incorporated pursuant to
20 this chapter may establish branches by merger with any other
21 bank or trust company.

22 (b) An application for a branch by a bank that does
23 not meet the requirements for the branch notification process
24 shall be in writing in such form as the commission ~~department~~
25 prescribes and be supported by such information, data, and
26 records as the commission or office ~~department~~ may require to
27 make findings necessary for approval. Applications filed
28 pursuant to this subsection shall not be published in the
29 Florida Administrative Weekly but shall otherwise be subject
30 to the provisions of chapter 120. Upon the filing of an
31 application and a nonrefundable filing fee for the

1 establishment of any branch permitted by paragraph (a), the
2 office ~~department~~ shall make an investigation with respect to
3 compliance with the requirements of paragraph (a) and shall
4 investigate and consider all factors relevant to such
5 requirements, including the following:

6 1. The sufficiency of capital accounts in relation to
7 the deposit liabilities of the bank, or in relation to the
8 number and valuation of fiduciary accounts of the trust
9 company, including the proposed branch, and the additional
10 fixed assets, if any, which are proposed for the branch and
11 its operations, without undue risk to the bank or its
12 depositors, or undue risk to the trust company or its
13 fiduciary accounts;

14 2. The sufficiency of earnings and earning prospects
15 of the bank or trust company to support the anticipated
16 expenses and any anticipated operating losses of the branch
17 during its formative or initial years;

18 3. The sufficiency and quality of management available
19 to operate the branch;

20 4. The name of the proposed branch to determine if it
21 reasonably identifies the branch as a branch of the main
22 office and is not likely to unduly confuse the public; and

23 5. Substantial compliance by the applicants with
24 applicable law governing their operations.

25 (c) As provided by commission ~~departmental~~ rule, a
26 financial institution operating in a safe and sound manner may
27 establish a branch by filing a written notice with the office
28 ~~department~~ at least 30 days before opening that branch. In
29 such case, the financial institution need not file a branch
30 application or pay a branch application fee.

31

1 (3)(a) An office in this state may be relocated with
2 prior written approval of the office ~~department~~. An
3 application for relocation shall be in writing in such form as
4 the commission ~~department~~ prescribes and shall be supported by
5 such information, data, and records as the commission or
6 office ~~department~~ may require to make findings necessary for
7 approval.

8 (b) Applications filed pursuant to this subsection
9 shall not be published in the Florida Administrative Weekly
10 but shall otherwise be subject to the provisions of chapter
11 120. Upon the filing of a relocation application and a
12 nonrefundable filing fee, the office ~~department~~ shall
13 investigate to determine substantial compliance by the
14 financial institution with applicable law governing its
15 operations. Additional investments in land, buildings, leases,
16 and leasehold improvements resulting from such relocation
17 shall comply with the limitations imposed by s. 658.67(7)(a).
18 A main office may not be moved outside this state unless
19 expressly authorized by the financial institutions codes or by
20 federal law.

21 (c) A relocation application filed by a state bank or
22 trust company that is operating in a safe and sound manner
23 which is not denied within 10 working days after receipt shall
24 be deemed approved unless the office ~~department~~ notifies the
25 financial institution in writing that the application was not
26 complete.

27 (d) In addition to the application required by
28 paragraph (a), a financial institution whose main office in
29 this state has been in operation less than 24 months must
30 provide evidence that the criteria of s. 658.21(1) will be
31 met.

1 (e) A branch office may be closed with 30 days' prior
2 written notice to the office ~~department~~. The notice shall
3 include any information the commission prescribes ~~department~~
4 ~~may prescribe~~ by rule.

5 (4) With prior written notification to the office
6 ~~department~~, any bank may operate facilities which are not
7 physically connected to the main or branch office of the bank,
8 provided that the facilities are situated on the property of
9 the main or branch office or property contiguous thereto.
10 Property which is separated from the main or branch office of
11 a bank by only a street, and one or more walkways and
12 alleyways are determined to be, for purposes of this
13 subsection, contiguous to the property of the main or branch
14 office.

15 Section 1772. Subsections (1), (2), (4), and (5) of
16 section 658.27, Florida Statutes, are amended to read:

17 658.27 Control of bank or trust company; definitions
18 and related provisions.--

19 (1) In ss. 658.27-658.29, unless the context clearly
20 requires otherwise:

21 (a) "Bank holding company" means any business
22 organization which has or acquires control over any bank or
23 trust company or over any business organization that is or
24 becomes a bank holding company by virtue of ss. 658.27-658.29.

25 (b) "Business organization" means a corporation,
26 association, partnership, or business trust and includes any
27 similar organization (including a trust company and including
28 a bank, whether or not authorized to engage in trust business,
29 but only if such bank is, or by virtue of ss. 658.27-658.29
30 becomes, a bank holding company), whether created, organized,
31 or existing under the laws of the United States; this state or

1 any other state of the United States; or any other country,
2 government, or jurisdiction. "Business organization" does not
3 include any corporation the majority of the shares of which
4 are owned by the United States or by this state. "Business
5 organization" also includes any other trust, unless by its
6 terms it must terminate within 25 years or not later than 21
7 years and 10 months after the death of individuals living on
8 the effective date of the trust, unless the office ~~department~~
9 determines, after notice and opportunity for hearing, that a
10 purpose for the creation of such trust was the evasion of the
11 provisions of ss. 658.27-658.29.

12 (c) "Edge Act corporation" means a corporation
13 organized and existing under the provisions of s. 25(a) of the
14 Federal Reserve Act, 12 U.S.C. ss. 611-632.

15 (d) "Subsidiary," with respect to a specified bank,
16 trust company, or bank holding company, means:

17 1. Any business organization 25 percent or more of the
18 voting shares of which, excluding shares owned by the United
19 States or by any business organization wholly owned by the
20 United States, are directly or indirectly owned or controlled
21 by such bank, trust company, or bank holding company or are
22 held by such bank, trust company, or bank holding company with
23 power to vote;

24 2. Any business organization the election of a
25 majority of the directors of which is controlled in any manner
26 by such bank, trust company, or bank holding company; or

27 3. Any business organization with respect to the
28 management or policies of which such bank, trust company, or
29 bank holding company has the power, directly or indirectly, to
30 exercise a controlling influence, as determined by the office
31 ~~department~~ after notice and opportunity for hearing.

1 (e) "Successor," with respect to a specified bank
2 holding company, means any business organization which
3 acquires directly or indirectly from the bank holding company
4 shares of any bank or trust company, when and if the
5 relationship between such business organization and the bank
6 holding company is such that the transaction effects no
7 substantial change in the control of the bank or trust company
8 or beneficial ownership of such shares of such bank or trust
9 company. The commission ~~department~~ may, by rule, further
10 define the term "successor" to the extent necessary to prevent
11 evasion of the purposes of ss. 658.27-658.29. For the
12 purposes of ss. 658.27-658.29, any successor to a bank holding
13 company shall be deemed to have been a bank holding company
14 from the date on which the predecessor business organization
15 became a bank holding company.

16 (2) A business organization has control over a bank or
17 over any other business organization if:

18 (a) The business organization directly or indirectly
19 or acting through one or more other persons owns, controls, or
20 has power to vote 25 percent or more of any class of voting
21 securities of the bank or other business organization;

22 (b) The business organization controls in any manner
23 the election of a majority of the directors, trustees, or
24 other governing body of the bank or other business
25 organization;

26 (c) The business organization owns, controls, or has
27 power to vote 10 percent or more of any class of voting
28 securities of the bank or other business organization and
29 exercises a controlling influence over the management or
30 policies of the bank or other business organization; or
31

1 (d) The office ~~department~~ determines, after notice and
2 opportunity for hearing, that the business organization
3 directly or indirectly exercises a controlling influence over
4 the management or policies of the bank or other business
5 organization.

6 (4) Shares of any kind or class of voting securities,
7 and assets, of a bank or business organization which, after
8 March 28, 1972, the effective date of former s. 659.141(2)(g),
9 are transferred by any bank holding company, or by any bank or
10 any business organization which, but for such transfer, would
11 be a bank holding company, directly or indirectly to any
12 transferee that is indebted to the transferor, or has one or
13 more officers, directors, trustees, or beneficiaries in common
14 with or subject to control by the transferor, shall be deemed
15 to be indirectly owned or controlled by the transferor unless
16 the office ~~department~~, after opportunity for hearing,
17 determines that the transferor is not in fact capable of
18 controlling the transferee.

19 (5) Notwithstanding any other provision of this
20 section, no bank and no business organization shall be deemed
21 to own or control voting shares or assets of another bank or
22 another business organization if:

23 (a) The ownership or control of such shares or assets
24 is in a fiduciary capacity, except as provided in paragraph
25 (3)(b) and subsection (4). For the purposes of the preceding
26 sentence, shares of a bank or a business organization shall
27 not be deemed to have been acquired in a fiduciary capacity if
28 the acquiring bank or business organization has sole
29 discretionary authority to exercise voting rights with respect
30 thereto, except that this limitation is applicable in the case
31 of a bank or business organization acquiring such shares prior

1 to March 28, 1972, the effective date of former s.
2 659.141(3)(a), only if the bank or business organization has
3 the right, consistent with its obligations under the
4 instrument, agreement, or other arrangement establishing the
5 fiduciary relationship, to divest itself of such voting rights
6 and fails to exercise that right to divest within 1 year after
7 that date;

8 (b) The shares are acquired in connection with the
9 underwriting of securities by a business organization, in good
10 faith and without any intent or purpose to evade the purposes
11 of ss. 658.27-658.29, and if such shares are held only for
12 such period of time, not exceeding 3 months from date of
13 acquisition, as will permit the sale thereof on a reasonable
14 basis; however, upon application by the underwriting business
15 organization, and after notice and opportunity for hearing, if
16 the office ~~department~~ finds that the sale of such shares
17 within that period of time would create an unreasonable
18 hardship on the underwriting business organization, that there
19 is no intent or purpose to evade the purposes of ss.
20 658.27-658.29 by the continued ownership or control of such
21 shares by such underwriting business organization, and that an
22 extension of such period of time would not be detrimental to
23 the public interest, the office ~~department~~ is authorized to
24 extend, from time to time, for not more than 1 month at a
25 time, the 3-month period, but the aggregate of such extensions
26 shall not exceed 3 months;

27 (c) Control of voting rights of such shares is
28 acquired in good faith, and without any purpose or intent to
29 evade the purposes of ss. 658.27-658.29, in the course of
30 participating in a proxy solicitation by a business
31 organization formed in good faith, and without any purpose or

1 intent to evade the purposes of ss. 658.27-658.29, for the
2 sole purpose of participating in such proxy solicitation, and
3 such control of voting rights terminates immediately upon the
4 conclusion of the sole purpose for which such business
5 organization was formed; or
6 (d) The ownership or control of such shares or assets
7 is acquired in securing or collecting a debt previously
8 contracted in good faith, unless the office ~~department~~, after
9 notice and opportunity for hearing, finds that a purpose of
10 any part of any transaction was an evasion of the purposes of
11 ss. 658.27-658.29 and if the ownership or control of such
12 shares or assets is held only for such reasonable period of
13 time, not exceeding 2 years after the date of acquisition, as
14 will permit the divestiture thereof on a reasonable basis.
15 Upon application by the bank or business organization which
16 acquired such ownership or control in accordance with the
17 preceding provisions of this paragraph, and after notice and
18 opportunity for hearing, if the office ~~department~~ finds that
19 the bank or business organization has made reasonable and good
20 faith efforts to divest itself of such ownership or control on
21 a reasonable basis within the 2-year period but has been
22 unable to do so, that immediate divestiture of such ownership
23 or control would create an unreasonable hardship on such bank
24 or business organization, that continuation of such ownership
25 or control involves no purpose or intent to evade the purposes
26 of ss. 658.27-658.29, and that an extension of the 2-year
27 period would not be detrimental to the public interest, the
28 office ~~department~~ is authorized to extend, from time to time
29 and for not more than 1 year at a time, the 2-year period, but
30 the aggregate of all such extensions shall not exceed 3 years.
31

1 Section 1773. Subsections (1), (2), and (3) of section
2 658.28, Florida Statutes, are amended to read:

3 658.28 Acquisition of control of a bank or trust
4 company.--

5 (1) In any case in which a person or a group of
6 persons, directly or indirectly or acting by or through one or
7 more persons, proposes to purchase or acquire a controlling
8 interest in any state bank or state trust company, and thereby
9 to change the control of that bank or trust company, each
10 person or group of persons shall first make application to the
11 office ~~department~~ for a certificate of approval of such
12 proposed change of control of the bank or trust company. The
13 application shall contain the name and address, and such other
14 relevant information as the commission or office requires
15 ~~department may require~~, including information relating to
16 other and former addresses and the reputation, character,
17 responsibility, and business affiliations, of the proposed new
18 owner or each of the proposed new owners of the controlling
19 interest. The office ~~department~~ shall issue a certificate of
20 approval only after it has made an investigation and
21 determined that the proposed new owner or owners of the
22 interest are qualified by reputation, character, experience,
23 and financial responsibility to control and operate the bank
24 or trust company in a legal and proper manner and that the
25 interests of the other stockholders, if any, and the
26 depositors and creditors of the bank or trust company and the
27 interests of the public generally will not be jeopardized by
28 the proposed change in ownership, controlling interest, or
29 management. No person who has been convicted of, or pled
30 guilty or nolo contendere to, a violation of s. 655.50,
31 relating to the Florida Control of Money Laundering in

1 Financial Institutions Act; chapter 896, relating to offenses
2 related to financial transactions; or any similar state or
3 federal law shall be given a certificate of approval by the
4 office ~~department~~.

5 (2) For the purposes of this section, the standards,
6 criteria, and exceptions contained in s. 658.27(2), (3), (4),
7 and (5) relating to control by a business organization of a
8 bank or another business organization apply to the persons
9 mentioned in this section and constitute the standards,
10 criteria, and exceptions which determine whether any person or
11 group of persons shall be deemed to be purchasing or
12 acquiring, or to have purchased or acquired, directly or
13 indirectly a "controlling interest" in a state bank or a state
14 trust company; but the office ~~department~~ is not limited to
15 those standards or criteria in determining whether any such
16 person shall be deemed to be acting by or through one or more
17 other persons.

18 (3) In any case in which a proposed purchase or
19 acquisition of voting securities of a state bank or trust
20 company would give rise to the presumption created under s.
21 658.27(2)(c), the person or group of persons who propose to
22 purchase or acquire the voting securities shall first give
23 written notice of the proposal to the office ~~department~~. Such
24 notice may present information that the proposed purchase or
25 acquisition will not result in control. The office ~~department~~
26 shall afford the person seeking to rebut the presumption an
27 opportunity to present views in writing or orally before its
28 designated representatives at an informal conference. If the
29 office ~~department~~ determines, pursuant to the informal
30 conference, that the person or group of persons seeking to
31 rebut the presumption exercises a controlling influence over

1 the bank, an application for change of control must be filed
2 pursuant to this section.

3 Section 1774. Section 658.285, Florida Statutes, is
4 amended to read:

5 658.285 Acquisition or ownership of state banks by
6 international banking corporations.--An international banking

25 trust companies, but no certificate of authorization to
26 conduct a banking business or trust business shall be issued
27 to a successor institution unless a certificate of merger, as
28 provided in s. 658.45, is issued pursuant to the plan of
29 merger and merger agreement. However, nothing in this
30 subsection shall be construed as waiving or otherwise
31 impairing the public-interest requirement in s. 658.43(3)(d).

1 Section 1788. Section 658.43, Florida Statutes, is
2 amended to read:

3 658.43 Approval by office ~~department~~; valuation of
4 assets; emergency action.--

5 (1) After approval by the board of directors of each
6 constituent bank or trust company, the plan of merger and
7 merger agreement shall be submitted to the office ~~department~~
8 for approval, together with a certified copy of the
9 authorizing resolutions of the board of directors of each
10 constituent state bank or state trust company showing approval
11 by a majority of the entire board of directors of each such
12 state bank or state trust company, and evidence of proper
13 action by the board of directors of any constituent national
14 bank.

15 (2) Without approval by the office ~~department~~, no
16 asset shall be carried on the books of the resulting state
17 bank or state trust company at a valuation higher than that on
18 the books of the constituent bank or trust company at the time
19 of the last examination by a state or national bank or trust
20 company examiner before the effective date of the merger.

21 (3) The office ~~department~~ shall approve the plan of
22 merger and merger agreement if it appears that:

23 (a) The resulting state bank or state trust company
24 meets all the requirements of state law as to the formation of
25 a new state bank or state trust company, except that this
26 provision shall not apply to the establishment of branches by
27 merger as provided in s. 658.26.

28 (b) The agreement provides an adequate capital
29 structure, including surplus, of the resulting state bank or
30 state trust company in relation to its activities which are to
31

1 continue or are to be undertaken, and also in relation to its
2 deposit liabilities in the case of a resulting state bank.

3 (c) The valuation is fair.

4 (d) The merger is not contrary to the public interest.

5
6 If the office ~~department~~ disapproves a plan of merger or
7 merger agreement, it shall state its objections and, the
8 provisions of chapter 120 notwithstanding, give an opportunity
9 to the constituent banks, trust companies, or banks and trust
10 companies to amend the plan of merger and merger agreement to
11 obviate such objections.

12 (4) If the resulting state bank is not to have trust
13 powers, the office ~~department~~ shall not approve a merger until
14 adequate provision has been made for successors to fiduciary
15 positions held by any constituent trust company or any
16 constituent bank.

17 (5) Approval by the office ~~department~~, by final order
18 or otherwise, of a plan of merger or merger agreement shall be
19 deemed subject to approval of the plan of merger and merger
20 agreement by the stockholders of each constituent bank or
21 trust company as provided in s. 658.44(1) and shall also be
22 deemed subject to approval of the merger and the plan of
23 merger and merger agreement by each appropriate federal
24 regulatory agency. Unless all such approvals have been
25 obtained and proper evidence thereof submitted to the office
26 ~~department~~ within 6 months after the approval by the office
27 ~~department~~, the approval by the office ~~department~~ of the plan
28 of merger and merger agreement shall be deemed to be revoked
29 and terminated; however, the office ~~department~~ on its own
30 motion, or at the request of the constituent banks or trust
31

1 companies for good cause shown, may extend the time for a
2 period not exceeding 6 months.

3 (6) No merger with a resulting state bank or trust
4 company shall take place or be effective without the issuance
5 by the office ~~department~~ of a certificate of merger.

6 (7) Notwithstanding any other provisions of the
7 financial institutions codes or of chapter 120, if the office
8 ~~department~~ or the appropriate federal regulatory agency finds
9 that immediate action is necessary in order to prevent the
10 probable failure of one or more banks, associations, or trust
11 companies, which in this subsection may be referred to as a
12 "failing financial entity," the office ~~department~~ shall have
13 the power, with the concurrence of the appropriate federal
14 regulatory agency in the case of any bank or association the
15 deposits of which are insured by the Federal Deposit Insurance
16 Corporation, to issue an emergency order authorizing:

17 (a) The merger of any such failing financial entity
18 with a state bank;

19 (b) The merger of any such failing financial entity
20 with a state trust company;

21 (c) Any state bank to acquire assets and assume
22 liabilities of any such failing financial entity, including
23 all rights, powers, and responsibilities as fiduciary in
24 instances where the failing financial institution is actively
25 engaged in the exercise of trust powers;

26 (d) Any state trust company to acquire assets and
27 assume liabilities of any such failing trust company and
28 rights, powers, and responsibilities as fiduciary of such
29 failing trust company;

30 (e) The conversion of any such failing financial
31 entity into a state bank or trust company;

1 (f) The chartering of a new state bank or state
2 association to acquire assets and assume liabilities of any
3 such failing financial entity and to assume rights, powers,
4 and responsibilities as fiduciary in cases where such failing
5 financial entity is engaged in the exercise of trust powers;
6 or

7 (g) The chartering of a new state trust company to
8 acquire assets and assume liabilities and rights, powers, and
9 responsibilities as fiduciary of such failing trust company.

10
11 Any such finding by the office ~~department~~ shall be based upon
12 reports furnished to it by a state bank, association, or trust
13 company examiner or by a federal bank or association examiner
14 or upon other evidence from which it is reasonable to conclude
15 that any such bank, association, or trust company is insolvent
16 or is threatened with imminent insolvency. The office
17 ~~department~~ may disallow illegally obtained currency, monetary
18 instruments, funds, or other financial resources from the
19 capitalization requirements of this section. The stockholders
20 of a failing bank, association, or trust company that is
21 acquired by another bank or trust company pursuant to this
22 subsection shall be entitled to the same procedural rights and
23 to compensation for the remaining value of their shares as is
24 provided for dissenters in s. 658.44, except that they shall
25 have no right to vote against the transaction. Any transaction
26 authorized by this subsection may be accomplished through the
27 organization of a successor institution.

28 Section 1789. Subsections (1), (5), and (9) of section
29 658.44, Florida Statutes, are amended to read:

30 658.44 Approval by stockholders; rights of dissenters;
31 preemptive rights.--

1 (1) The office ~~department~~ shall not issue a
2 certificate of merger to a resulting state bank or trust
3 company unless the plan of merger and merger agreement, as
4 adopted by a majority of the entire board of directors of each
5 constituent bank or trust company, and as approved by each
6 appropriate federal regulatory agency and by the office
7 ~~department~~, has been approved:

8 (a) By the stockholders of each constituent national
9 bank as provided by, and in accordance with the procedures
10 required by, the laws of the United States applicable thereto,
11 and

12 (b) After notice as hereinafter provided, by the
13 affirmative vote or written consent of the holders of at least
14 a majority of the shares entitled to vote thereon of each
15 constituent state bank or state trust company, unless any
16 class of shares of any constituent state bank or state trust
17 company is entitled to vote thereon as a class, in which event
18 as to such constituent state bank or state trust company the
19 plan of merger and merger agreement shall be approved by the
20 stockholders upon receiving the affirmative vote or written
21 consent of the holders of a majority of the shares of each
22 class of shares entitled to vote thereon as a class and of the
23 total shares entitled to vote thereon. Such vote of
24 stockholders of a constituent state bank or state trust
25 company shall be at an annual or special meeting of
26 stockholders or by written consent of the stockholders without
27 a meeting as provided in s. 607.0704.

28
29 Approval by the stockholders of a constituent bank or trust
30 company of a plan of merger and merger agreement shall
31 constitute the adoption by the stockholders of the articles of

1 incorporation of the resulting state bank or state trust
2 company as set forth in the plan of merger and merger
3 agreement.

4 (5) The value of dissenting shares of each constituent
5 state bank or state trust company, the owners of which have
6 not accepted an offer for such shares made pursuant to
7 subsection (3), shall be determined as of the effective date
8 of the merger by three appraisers, one to be selected by the
9 owners of at least two-thirds of such dissenting shares, one
10 to be selected by the board of directors of the resulting
11 state bank, and the third to be selected by the two so chosen.
12 The value agreed upon by any two of the appraisers shall
13 control and be final and binding on all parties. If, within
14 90 days from the effective date of the merger, for any reason
15 one or more of the appraisers is not selected as herein
16 provided, or the appraisers fail to determine the value of
17 such dissenting shares, the office ~~department~~ shall cause an
18 appraisal of such dissenting shares to be made which will be
19 final and binding on all parties. The expenses of appraisal
20 shall be paid by the resulting state bank or trust company.

21 (9) After approval of the plan of merger and merger
22 agreement by the stockholders as provided in subsection (1),
23 there shall be filed with the office ~~department~~, within 30
24 days after the time limit in s. 658.43(5), a fully executed
25 counterpart of the plan of merger and merger agreement as so
26 approved if it differs in any respect from any fully executed
27 counterpart thereof theretofore filed with the office
28 ~~department~~, and copies of the resolutions approving the same
29 by the stockholders of each constituent bank or trust company,
30 certified by the president, or chief executive officer if
31 other than the president, and the cashier or corporate

1 secretary of each constituent bank or trust company,
2 respectively, with the corporate seal impressed thereon.

3 Section 1790. Subsections (1) and (4) of section
4 658.45, Florida Statutes, are amended to read:

5 658.45 Certificate of merger and effective date;
6 effect on charters and powers.--

7 (1) Promptly upon compliance with the provisions of s.
8 658.44(9), the office ~~department~~ shall issue to the resulting
9 bank a certificate of merger setting forth the name of each
10 constituent bank and trust company, the name of the resulting
11 bank or trust company, and the effective date of the merger
12 which, unless the office ~~department~~ for good cause determines
13 otherwise, shall be the date requested by the resulting bank
14 if such request was made at the time of compliance with the
15 requirements of s. 658.44(9), but not later than 3 months
16 after the date of such compliance. On the effective date of
17 the merger, the charters and franchises of the constituent
18 banks and trust companies, other than the resulting bank or
19 trust company, shall be deemed terminated and surrendered. The
20 certificate of merger shall be conclusive evidence of the
21 merger and of the correctness of all proceedings therefor in
22 all courts and places and may be recorded in any office for
23 the recording of deeds.

24 (4)(a) If the resulting state bank is to have trust
25 powers and if one or more of the parties to the merger is a
26 state trust company or a bank having an existing trust
27 department operating pursuant to trust powers theretofore
28 granted by the office ~~department~~, in the case of a constituent
29 state bank, or by the appropriate federal regulatory
30 authority, in the case of a constituent national bank, such
31 trust powers shall pass to the resulting state bank; and it

1 shall have and may exercise trust powers in the same manner
2 and to the same extent as the constituent banks or trust
3 companies to which such trust powers were originally issued,
4 and no application to have or to continue to have or exercise
5 trust powers shall be required. However, if the name of the
6 resulting state bank differs from that of a constituent state
7 trust company or a constituent bank having trust powers, the
8 office ~~department~~ shall issue a certificate to the resulting
9 state bank showing its right to exercise the trust powers
10 theretofore granted to the constituent banks or trust
11 companies. All fiduciary relationships and capacities of all
12 the constituent banks and trust companies shall, by operation
13 of law, pass to and be assumed by the resulting bank having
14 trust powers, in the same manner and to the same extent as
15 such fiduciary capacities and relationships were held by any
16 constituent bank or trust company.

17 (b) Upon the merger of two or more state trust
18 companies, the resulting state trust company shall continue to
19 have and exercise the trust powers of the constituent trust
20 companies, and no application to have or to continue to
21 exercise trust powers shall be required. However, if the name
22 of the resulting state trust company differs from that of any
23 of the constituent trust companies, the office ~~department~~
24 shall issue a certificate to the resulting state trust company
25 showing its right to exercise the trust powers theretofore
26 granted to the constituent trust companies. All fiduciary
27 relationships and capacities of the constituent state trust
28 companies shall pass to and be assumed by the resulting state
29 trust company by operation of law.

1 Section 1791. Paragraph (b) of subsection (1),
2 paragraph (e) of subsection (5), and subsection (9) of section
3 658.48, Florida Statutes, are amended to read:

4 658.48 Loans.--A state bank may make loans and
5 extensions of credit, with or without security, subject to the
6 following limitations and provisions:

7 (1) LOANS; GENERAL LIMITATIONS.--

8 (b) The commission ~~department~~ may provide by rule for
9 securities margin requirements.

10 (5) SPECIAL PROVISIONS.--

11 (e) Loans based upon the security of real estate
12 mortgages shall be documented as first liens, except that
13 liens other than first liens may be taken:

14 1. To protect a loan previously made in good faith;

15 2. To further secure a loan otherwise amply and
16 entirely secured;

17 3. As additional security for Federal Housing
18 Administration Title 1 loans or loans made with participation
19 or guaranty by the Small Business Administration;

20 4. To secure a loan not in excess of 15 percent of the
21 capital accounts of the bank; or

22 5. As provided by rules of the commission ~~department~~.

23 (9) When a bank's capital has been diminished by
24 losses so that its ability to honor legally binding written
25 loan commitments is impaired, the office ~~department~~ may
26 approve limited expansion of the lending limitations set forth
27 in this section.

28 Section 1792. Subsection (2) and paragraph (i) of
29 subsection (3) of section 658.53, Florida Statutes, are
30 amended to read:

31 658.53 Borrowing; limits of indebtedness.--

1 (2) A state bank may at any time, pursuant to action
2 taken by its board of directors, and after obtaining the
3 written approval of the office department and the approval of
4 stockholders holding not less than two-thirds of the
5 outstanding stock of the bank entitled to vote, evidenced
6 either in a writing signed by the stockholders or by vote at a
7 legally called and held meeting of the stockholders, issue and
8 sell convertible and nonconvertible capital notes and
9 convertible and nonconvertible capital debentures having a
10 final maturity of not more than 25 years from the date of
11 issue, in such amounts and under such terms and conditions as
12 shall be approved by the office department. If deemed
13 necessary by the office department, reasonable provisions for
14 the amortization of the principal amount thereof may be
15 required. The principal amount of the capital notes and
16 capital debentures is subject to the limitations imposed by
17 this chapter on indebtedness of state banks and trust
18 companies. Capital notes and capital debentures issued
19 pursuant to the provisions of this subsection, and the claims
20 of holders thereof, shall be subordinate to the claims of
21 depositors and all other creditors of the issuing state bank,
22 regardless of whether the claims of, or the liability of the
23 issuing bank to, the depositors arose before or after the
24 issuance of such capital notes or debentures, but shall be
25 superior to the claims of shareholders for dividends, reserve
26 profits, or other claims on account of shares of capital stock
27 held by them. The holders of the capital notes and the
28 holders of the capital debentures shall not be held
29 individually responsible as such holders for any debts,
30 contracts, or engagements of the issuing state bank and shall
31 not be liable for assessments.

1 (3) No state bank or trust company shall at any time
2 be indebted, or in any way liable, to an amount exceeding the
3 amount of its unimpaired capital stock plus 50 percent of the
4 amount of its unimpaired surplus fund and unimpaired undivided
5 profits fund, except on account of demands of the nature
6 following:

7 (i) Liabilities incurred for moneys borrowed from a
8 bank when such borrowing is made with the express written
9 approval of the office ~~department~~.

10 Section 1793. Subsections (6), (7), and (8), paragraph
11 (c) of subsection (9), paragraph (a) of subsection (10), and
12 subsection (11) of section 658.67, Florida Statutes, are
13 amended to read:

14 658.67 Investment powers and limitations.--A bank may
15 invest its funds, and a trust company may invest its corporate
16 funds, subject to the following definitions, restrictions, and
17 limitations:

18 (6) INVESTMENTS IN CORPORATIONS.--Up to an aggregate
19 of 10 percent of the total assets of a bank may be invested in
20 the stock, obligations, or other securities of subsidiary
21 corporations or other corporations or entities, except that
22 during the first 3 years of existence of a bank, such
23 investments are limited to 5 percent of the total assets. Any
24 bank whose aggregate investment on June 30, 1992, exceeds the
25 limitation in this subsection has 5 years within which to
26 achieve compliance; additional time may be approved by the
27 office ~~department~~ if the office ~~department~~ finds that
28 compliance with this subsection will result in more than a
29 minimal loss to the bank. The commission ~~department~~ may, by
30 rule, further limit any type of investment made pursuant to
31

1 this subsection if it finds that such investment would
2 constitute an unsafe or unsound practice.

3 (7) INVESTMENTS IN REAL ESTATE AND EQUIPMENT.--A bank
4 or trust company may invest in real estate and equipment to
5 the extent hereinafter defined:

6 (a)1. Up to 60 percent of the capital accounts of the
7 bank or trust company may be invested in the direct ownership
8 of, or in leasehold interests in, land and buildings utilized
9 or to be utilized by the bank or trust company in the
10 transaction of its business. This limitation applies to
11 assets subject to a lease agreement which is required to be
12 capitalized under criteria issued by the Financial Accounting
13 Standards Board. In lieu of such investment in real estate,
14 with the prior written approval of the office ~~department~~, up
15 to 60 percent of the capital accounts of the bank or trust
16 company may be invested in the stock of a corporation which
17 owns the land and buildings within which the business of the
18 bank or trust company is or will be transacted.

19 2. The real estate investment limitations provided by
20 this subsection may not be exceeded except with the prior
21 written approval of the office ~~department~~.

22 (b) A bank or trust company may own or lease
23 furniture, fixtures, machinery, and equipment such as may be
24 necessary to the transaction of its business.

25 (8) INVESTMENTS IN PERSONAL PROPERTY.--A bank or trust
26 company may own or lease personal property acquired upon the
27 specific request and for the use of a customer and may incur
28 such additional obligations as may be incident to becoming an
29 owner and lessor of such property. In addition, a bank or
30 trust company may purchase leases as provided by rules of the
31 commission ~~department~~.

1 (9) ACQUISITIONS OF PROPERTY AS SECURITY.--A bank or
2 trust company may acquire property of any kind to secure,
3 protect, or satisfy a loan or investment previously made in
4 good faith, and such property shall be entered on the books of
5 the bank or trust company and held and disposed of subject to
6 the following conditions and limitations:

7 (c) Unless an extension of time is approved in writing
8 by the office ~~department~~, real estate shall be sold or charged
9 off within 5 years of the date of acquisition, and personal
10 property shall be sold or charged off within 6 months of the
11 date of acquisition.

12 (10) SPECIAL PROVISIONS.--

13 (a) None of the bonds or other obligations described
14 in this section shall be eligible for investment in any amount
15 unless current as to all payments of principal and interest
16 and unless rated in one of the four highest classifications,
17 or, in the case of commercial paper, unless it is of prime
18 quality and of the highest letter and numerical rating, as
19 established by a nationally recognized rating service or any
20 comparable rating as determined by the office ~~department~~.
21 Bonds or other obligations which are unrated shall not be
22 eligible for investment unless otherwise supported as to
23 investment quality and marketability by a credit rating file
24 compiled and maintained in current status by the purchasing
25 bank or trust company.

26 (11) OTHER INVESTMENTS; SUBJECT TO ~~DEPARTMENTAL~~
27 APPROVAL.--A bank or trust company may make such other
28 investments as the commission ~~department~~ approves by rule.

29 Section 1794. Section 658.68, Florida Statutes, is
30 amended to read:

31 658.68 Liquidity.--

1 (1) A state bank must maintain a daily liquidity
2 position equal to at least 15 percent of its total transaction
3 accounts and 8 percent of its total nontransaction accounts,
4 less those deposits of public funds for which security has
5 been pledged as provided by law. Bank assets eligible to meet
6 the liquidity requirement are cash on hand, demand deposits
7 due from correspondent banks, and other investments and
8 short-term marketable securities as determined by rule of the
9 commission ~~department~~.

10 (2) Whenever a state bank fails to demonstrate
11 compliance with subsection (1), the bank shall not further
12 diminish its liquidity by making any new loans or discounts
13 otherwise than by discounting or purchasing bills of exchange
14 payable at sight, nor by paying any dividends of its profits
15 until compliance with the liquidity requirement of either has
16 been met. The office ~~department~~ may notify any bank whose
17 liquidity is below the amount required to be maintained to
18 make good such liquidity, and if the bank fails within 30 days
19 thereafter to achieve its liquidity requirement, the office
20 ~~department~~ may determine the bank insolvent and may appoint a
21 liquidator to wind up the business as provided in ss.
22 658.79-658.96.

23 Section 1795. Section 658.73, Florida Statutes, is
24 amended to read:

25 658.73 Fees and assessments.--

26 (1) Each state bank and state trust company shall pay
27 to the office ~~department~~ examination fees and assessments as
28 follows:

29 (a) A semiannual fee of \$2,500; and

30 (b) A semiannual assessment, each in such amount as
31 may be determined by the commission ~~department~~, by rule, but

1 not exceeding 15 cents for each \$1,000 of total assets as
2 shown on the statement of condition of the bank or trust
3 company as of the last business day in June and the last
4 business day in December in each year. In its determination,
5 the commission ~~department~~ may consider examination fees and
6 application fees received from banks and trust companies in
7 setting the semiannual assessment for purposes of meeting the
8 cost of regulation of banks and trust companies subject to
9 this chapter.

10 (2) Applications filed with the office ~~department~~
11 shall be accompanied by payment of the following nonrefundable
12 fees:

13 (a) Fifteen thousand dollars for each application for
14 authority to organize a new state bank or state trust company.

15 (b) Two thousand five hundred dollars for each
16 application by an existing bank or association for trust
17 powers.

18 (c) Seven thousand five hundred dollars for each
19 application for authority to acquire a controlling interest in
20 a state bank or state trust company; however, if more than one
21 bank or trust company is being acquired in any such
22 application, the fee shall be increased by \$3,500 for each
23 additional bank or trust company. However, in no event shall
24 the fee exceed \$15,000.

25 (d) Seven thousand five hundred dollars for each
26 application for conversion of a national bank to a state bank.

27 (e) One thousand five hundred dollars for each
28 application to establish a branch by any other state bank or
29 state trust company that does not qualify for the branch
30 notification process.

31

1 (f) One thousand five hundred dollars for each
2 application for authority to establish a trust service office
3 of a state trust company or of a trust department of a state
4 bank or association, and a like amount for each application by
5 a bank or association with trust powers which is not a state
6 bank or state association for authority to establish a trust
7 service office at a state bank, state association, or state
8 credit union.

9 (g) Seven thousand five hundred dollars for each
10 application for a merger or consolidation; however, if three
11 or more banks or trust companies are involved in any such
12 application, the fee shall be \$3,500 for each involved
13 institution. However, in no event shall the fee exceed
14 \$15,000.

15 (h) Two thousand five hundred dollars to establish a
16 successor institution.

17 (i) Seven hundred fifty dollars for each application
18 by a state bank or trust company not operating in a safe and
19 sound manner for relocation of its main office.

20 (j) Two thousand five hundred dollars for each
21 application for the purchase of assets and the assumption of
22 liabilities.

23 (3) If, as a result of any application filed with the
24 office ~~department~~, the office ~~department~~ determines that an
25 examination is necessary to assess the financial condition of
26 any financial institution, the applying financial institution
27 shall pay to the office ~~department~~ a nonrefundable examination
28 fee, pursuant to s. 655.045(1).

29 (4) Each state bank and state trust company shall pay
30 to the office ~~department~~ \$25 for each "certificate of good
31 standing" certifying that a state-chartered financial

1 institution is licensed to conduct business in this state
2 under the financial institutions codes. All such requests
3 shall be in writing. The office ~~department~~ shall waive this
4 fee when the request is by a state or federal regulatory
5 agency or law enforcement agency.

6 (5) The amounts of all fees and assessments provided
7 for in this section shall be deemed to be maximum amounts; and
8 the commission ~~department~~ has the authority to establish, by
9 rule, and from time to time to change, fees and assessments in
10 amounts less than the maximum amounts stated in this section.

11 Section 1796. Section 658.79, Florida Statutes, is
12 amended to read:

13 658.79 Taking possession of insolvent state banks or
14 trust companies.--Whenever the office ~~department~~ has reason to
15 conclude, based upon the reports furnished to it by a state
16 bank or trust company examiner or upon other satisfactory
17 evidence, that any state bank or trust company:

- 18 (1) Is insolvent or imminently insolvent; or
19 (2) Is transacting its business in an unsound, unsafe,
20 or unauthorized manner such that it is threatened with
21 imminent insolvency,

22
23 the office ~~department~~ may, in its discretion, forthwith
24 designate and appoint a liquidator or receiver to take charge
25 of the assets and affairs of such bank or trust company and
26 require of him or her such bond and security as the office
27 ~~department~~ deems proper, not exceeding double the amount that
28 may come into his or her hands. The office ~~department~~ may
29 enlist the services of any state or local law enforcement

1 of directors of the predecessor, successor, and parent
2 corporations. The agreement shall then be filed with the
3 office ~~department~~. The effective date of the agreement shall
4 be the date on which the office ~~department~~ approves the
5 agreement under subparagraph 6. unless another, later date is
6 specified in the agreement, which other date shall be no later
7 than 75 days after the date on which the agreement is filed
8 with the office ~~department~~ under this subparagraph; however,
9 no such agreement may take effect without approval by the
10 office ~~department~~.

11 3.a. Not sooner than 30 days before or later than 30
12 days after the date on which the agreement is filed with the
13 office ~~department~~ under subparagraph 2., the predecessor and
14 successor shall cause notice of the filing of such agreement
15 with the office ~~department~~, along with the procedure for
16 objection thereto as hereinafter provided, to be published in
17 a newspaper of general circulation in the county in which the
18 predecessor's principal place of business is located and file
19 a copy of such written notice in any applicable
20 court-administered fiduciary proceeding, including, but not
21 limited to, probate and guardianship proceedings, and
22 additionally, they shall serve written notice upon the
23 following:

- 24 (I) Each cofiduciary that serves with the predecessor;
25 (II) Each surviving grantor of a revocable trust;
26 (III) Each person who alone or in conjunction with
27 others has the power to remove the predecessor;
28 (IV) Each principal for whom the predecessor serves as
29 agent or custodian;
30 (V) Each guardian of the person for whom the
31 predecessor serves as guardian of the property for their ward;

1 (VI) Each beneficiary or the beneficiary's legal or
2 natural guardian, when applicable, currently receiving or
3 entitled as a matter of right to receive a current mandatory
4 or discretionary distribution, as opposed to a remainder
5 distribution, of principal or income from a trust, estate, or
6 other fund with respect to which a substitution of fiduciary
7 under this subsection is to be effected. However, when
8 applicable and in lieu thereof, such service will be made upon
9 the sole holder or a majority of the coholders of a general or
10 limited power of appointment, including one in the form of a
11 power of amendment, or revocation, in which case they shall be
12 deemed to act for any beneficiary who may take by virtue of
13 the exercise or failure to exercise the power;

14 (VII) Upon any other person or entity required by the
15 court in any referenced court-administered fiduciary
16 proceeding; and

17 (VIII) In the case of a trust described in the
18 Internal Revenue Code of 1986 s. 401(a) as it may from time to
19 time hereafter be amended, upon the employer or employee
20 organization or both responsible for the maintenance of such
21 trust.

22 b. Service of such written notice will not be required
23 upon the persons or entities listed in sub-subparagraph a.
24 when the documents or other writings that created the
25 fiduciary relationship permit a substitution of fiduciaries.

26 c. Service of written notice shall be made upon the
27 persons or entities listed in sub-subparagraph a. in the
28 manner provided for the service of formal notice under the
29 applicable Florida Probate Rules. Service of written notice by
30 mail shall be completed upon receipt or refusal of the notice
31 by the persons or entities listed in sub-subparagraph a. If

1 such written notice is made by mail or delivery, proof of
2 mailing or delivery shall be by verified statement of the
3 person mailing or delivering the written notice, and there
4 shall be attached to the verified statement the signed
5 receipt, appropriate affidavit of delivery by the person
6 effecting such delivery, or other evidence satisfactory to the
7 office ~~department~~ or to a court of competent jurisdiction that
8 notice was given properly to or refused by the addressee or
9 agent of the addressee. The original of such proof shall be
10 filed with the office ~~department~~ with copies to the file or
11 the account maintained by the predecessor or successor and to
12 the court in any court-administered fiduciary administration.

13 4. Within 60 days after the date on which newspaper
14 notice is published under subparagraph 3., after any date of a
15 signed or refused receipt pertaining to the written notice by
16 mail under subparagraph 3., after any date of delivery as set
17 forth in the affidavit referenced in subparagraph 3., or after
18 the date on which service is otherwise accomplished, the
19 latest date being operative, but not thereafter, the persons
20 or entities listed in subparagraph 3. or the court in a
21 court-administered fiduciary proceeding on its own motion may
22 object to such substitution of fiduciaries by serving written
23 notice, executed by the persons, entities, or court, upon the
24 predecessor, successor, and office ~~department~~. Such notice
25 shall be served in the same manner as provided for service of
26 the original notice upon interested persons or entities in
27 subparagraph 3. Execution of such notice shall be in the same
28 manner as is required for the execution and recordation of
29 deeds to real property in this state except that notice by a
30 court may be signed by the judge. If such notice of objection
31 is executed by all of the cofiduciaries that serve with the

1 predecessor, by each surviving grantor of a revocable trust,
2 by all of the persons that have the power to remove the
3 predecessor as fiduciary, by all of the principals for whom
4 the predecessor serves as agent or custodian, by the guardian
5 of the person for whom the predecessor serves as guardian of
6 the property for their ward, by all of the beneficiaries
7 currently receiving or entitled as a matter of right to
8 receive a current mandatory or discretionary distribution, as
9 opposed to a remainder distribution, of principal or income,
10 or by the sole holder or a majority of the coholders of a
11 general or limited power of appointment including one in the
12 form of a power of amendment or revocation, the successor will
13 not be substituted for the predecessor and the predecessor
14 will remain or be reinstated as fiduciary but only as to the
15 fiduciary relationship that is the subject of such objection.
16 Reinstatement shall take effect immediately upon receipt of
17 such notice by the predecessor, successor, and office
18 ~~department~~. If the notice of objection is executed by less
19 than all of the persons or entities of any category specified
20 in this subparagraph, or if entered by the court of a
21 court-administered fiduciary proceeding on its own motion,
22 then, with regard to the fiduciary relationship that is the
23 subject of such notice of objection, the predecessor and
24 successor may elect to do either of the following:

25 a. File a subsequent agreement with the office
26 ~~department~~, with copies of such agreement to be mailed to all
27 of the specified persons or entities, which states that the
28 successor will not be substituted for the predecessor as to
29 that fiduciary relationship, and such agreement shall cause
30 the predecessor to remain or be reinstated, instanter, as
31 fiduciary in that fiduciary relationship. The filing of such

1 subsequent agreement with the office ~~department~~ does not
2 prejudice the predecessor or the successor from filing another
3 agreement that affects such fiduciary relationship under
4 subparagraph 2.; or

5 b. File a petition with the court having jurisdiction
6 of any court-administered fiduciary proceeding or commence a
7 civil action in a court of competent jurisdiction as to any
8 other applicable fiduciary relationship. The court shall then
9 determine whether such substitution is appropriate and whether
10 it is in the best interest of those specifically interested in
11 the premises. The court shall then enter judgment accordingly
12 and specify the party to serve thereafter as the fiduciary.
13 The predecessor, the successor, the office ~~department~~, and
14 those for whom the fiduciary relationship is the subject of
15 the civil action and upon whom service of written notice was
16 required under subparagraph 3. shall be necessary parties in
17 any civil action that concerns an objection to the
18 substitution. Any such petition or separate civil action must
19 be filed within 60 days after service of the notice of
20 objection. Failure to do so will be deemed to be an agreement
21 pursuant to sub-subparagraph a., and the alternative provided
22 in sub-subparagraph a. will be deemed to have been selected
23 automatically.

24 5. At any time while a civil action is pending
25 pursuant to sub-subparagraph 4.b., the predecessor and
26 successor may file a subsequent agreement with the office
27 ~~department~~ in the same manner set forth under alternative
28 sub-subparagraph 4.a. and file a copy of the same along with a
29 withdrawal of the petition or a voluntary dismissal with the
30 court in which the petition was filed or the civil action is
31 pending. Such filing will have the same force and effect as

1 set forth under sub-subparagraph 4.a.; however, it shall be
2 without prejudice to the right of the predecessor or successor
3 to file another agreement that affects such fiduciary
4 relationship under subparagraph 2.

5 6. Within 30 days after the date on which a fiduciary
6 agreement is filed with the office ~~department~~ under
7 subparagraph 2., the office ~~department~~ shall approve the
8 agreement if it finds both that the successor is:

9 a. Legally authorized to exercise trust powers in this
10 state; and

11 b. Has otherwise met the requirements for the
12 establishment of a trust service office at the predecessor's
13 principal place of business or branch.

14 7. Upon the effective date of an agreement filed under
15 subparagraph 2. and regardless of any petition filed or any
16 civil action pending pursuant to subparagraph 4., the
17 successor will be deemed substituted for the predecessor as
18 fiduciary without further authorization of any kind such that
19 the successor shall succeed to and be substituted for the
20 predecessor as to all fiduciary powers, rights, privileges,
21 duties, and liabilities of the predecessor in its capacity as
22 fiduciary for all estate, trust, guardianship, agency, and
23 custodial accounts and any other fiduciary relationship for
24 which the predecessor is then, or but for such agreement would
25 be, serving as fiduciary, except as may be otherwise specified
26 in such agreement and in any subsequent agreement filed with
27 the office ~~department~~ under subparagraph 4. or subparagraph 5.
28 The successor shall also be deemed the fiduciary in all
29 writings, including, but not limited to, wills, trusts, deeds,
30 policies of insurance, stock certificates, court orders, and
31 similar documents and instruments which name or have named the

1 predecessor as fiduciary and which were signed before or after
2 the effective date of such agreement except as may be
3 otherwise specified in such agreement and any subsequent
4 agreement filed with the office ~~department~~ under subparagraph
5 4. or subparagraph 5. This section does not absolve or
6 discharge any predecessor exercising trust powers from
7 liability arising out of any breach of its fiduciary duties or
8 obligations which occurred before the effective date of such
9 agreement.

10 8. As used herein:

11 a. Trust companies, banks, or associations are
12 "affiliated" if they are connected through stock ownership
13 with a common parent corporation that is a registered
14 multibank or multiassociation holding company and such parent
15 owns directly stock that possesses at least 80 percent of the
16 total voting power of the stock of such trust company, bank,
17 or association and has a value equal to at least 80 percent of
18 the total value of the stock of such trust company, bank, or
19 association.

20 b. The term "predecessor" refers to an affiliated
21 trust company or affiliated bank's or affiliated association's
22 trust department for the position of which in its trust
23 relations the successor is substituted.

24 c. The term "successor" refers to an affiliated trust
25 company or affiliated bank's or affiliated association's trust
26 department which is substituted for a predecessor in the
27 predecessor's trust relationships including all powers,
28 duties, and responsibilities associated therewith.

29 (d) When a trust service office is established at a
30 bank or association that has retained its trust powers in an
31 active status, the trust company or trust department may at

1 any time be substituted as fiduciary as provided in paragraph
2 (b) by filing an election with the office ~~department~~. The
3 election to substitute the trust company or trust department
4 for the bank or association as fiduciary must contain the
5 consent of a majority of the stockholders or members entitled
6 to vote on such proposal at a meeting of stockholders or
7 members and of a majority of the board of directors, of the
8 bank or association at which the trust service office has been
9 established.

10 (e) This subsection shall not affect any substitution
11 of fiduciaries made under former s. 659.061(6) prior to May
12 31, 1976.

13 (5) Nothing in the financial institutions codes shall
14 be construed to prohibit a person from serving in a dual
15 capacity as an officer or director of a bank, association, or
16 credit union at which a trust service office is located and an
17 officer or director of the trust company or trust department
18 which has a trust service office at that bank, association, or
19 credit union.

20 (6) A trust company or trust department may terminate
21 a trust service office only with the prior approval of the
22 office ~~department~~, which shall only grant its approval after
23 being satisfied that the interests of all beneficiaries of the
24 estates, trusts, and other fiduciary relationships being
25 serviced by the trust company or trust department as fiduciary
26 at that trust service office will be adequately protected.
27 Upon termination of the trust service office, the trust
28 company or trust department shall continue to exercise its
29 fiduciary powers, rights, duties, and privileges as fiduciary
30 of the estates, trusts, and other fiduciary relationships
31 which, at the time of such termination, were being serviced at

1 that trust service office and shall continue to be deemed the
2 named fiduciary of all instruments naming the bank or
3 association as fiduciary which became effective and operative
4 prior to the termination of the trust service office. However,
5 any beneficiary of an estate or trust being serviced at the
6 trust service office at the time of the termination of the
7 trust service office may petition the court of competent
8 jurisdiction in the county where, at the time of such
9 termination, the trust service office was located for removal
10 of the trust company or the trust department as fiduciary and
11 for appointment of a successor fiduciary. The court shall
12 grant the petition upon being satisfied that such action is in
13 the best interests of the beneficiaries of the trust or
14 estate.

15 (7) A trust service office as provided for in this
16 section is a special service facility and is not a branch or a
17 branch office of a trust company or a trust department.

18 Section 1812. Subsection (2) of section 660.40,
19 Florida Statutes, is amended to read:

20 660.40 Self dealing.--

21 (2) Assets of a fiduciary account held by a trust
22 company or a trust department shall not be sold or
23 transferred, by loan or otherwise, to the trust company or the
24 bank or association of which the trust department is a part or
25 to its directors, officers, or employees except:

26 (a) When lawfully authorized by the governing
27 instrument or by court order;

28 (b) As provided in ss. 660.42-660.45;

29 (c) With the approval of, or when required by, the
30 office ~~department~~ in order to prevent loss to a fiduciary
31 account in any case where the trust company or the trust

1 department has incurred a liability in the handling of the
2 assets of the fiduciary account.

3 Section 1813. Section 660.47, Florida Statutes, is
4 amended to read:

5 660.47 Surrender of fiduciary powers.--Any state bank
6 or association which has been granted trust powers and which
7 desires to surrender such rights shall file with the office
8 ~~department~~ a certified copy of the resolution of its board of
9 directors signifying such desire. Upon receipt of such
10 resolution, the office ~~department~~ shall make an investigation,
11 and when it is satisfied that the trust department has been
12 discharged from all fiduciary duties which it has undertaken,
13 it shall issue a certificate to such bank or association
14 certifying that it is no longer authorized to exercise trust
15 powers.

16 Section 1814. Subsection (1) of section 660.48,
17 Florida Statutes, is amended to read:

18 660.48 Receivership or voluntary liquidation.--

19 (1) If a liquidator or receiver is appointed for a
20 trust company or a state bank or association having a trust
21 department, the liquidator or receiver shall, pursuant to the
22 instructions of the office ~~department~~ and the orders of any
23 court and the federal regulatory agency having jurisdiction,
24 proceed to close such fiduciary accounts as can be closed
25 promptly and transfer all other fiduciary accounts to
26 substitute fiduciaries.

27 Section 1815. Subsection (1) of section 663.02,
28 Florida Statutes, is amended to read:

29 663.02 Applicability of state banking laws.--

30 (1) International banking corporations having offices
31 in this state shall be subject to all the provisions of the

1 financial institutions codes and chapter 655 as though such
2 international banking corporations were state banks, except
3 where it may appear, from the context or otherwise, that such
4 provisions are clearly applicable only to banks or trust
5 companies organized under the laws of this state or the United
6 States. Without limiting the foregoing general provisions, it
7 is the intent of the Legislature that the following provisions
8 shall be applicable to such banks or corporations: s. 655.031,
9 relating to administrative enforcement guidelines; s. 655.032,
10 relating to investigations, subpoenas, hearings, and
11 witnesses; s. 655.0321, relating to hearings, proceedings, and
12 related documents and restricted access thereto; s. 655.033,
13 relating to cease and desist orders; s. 655.037, relating to
14 removal by the office ~~department~~ of an officer, director,
15 committee member, employee, or other person; s. 655.041,
16 relating to administrative fines and enforcement; and s.
17 658.49, relating to loans by banks not exceeding \$50,000.
18 International banking corporations shall not have the powers
19 conferred on domestic banks by the provisions of s. 658.60,
20 relating to deposits of public funds. International banking
21 corporations shall not be subject to the provisions of s.
22 658.68, relating to liquidity. The provisions of chapter 687,
23 relating to interest and usury, shall apply to all loans not
24 subject to s. 658.49.

25 Section 1816. Subsections (2), (3), and (4) of section
26 663.04, Florida Statutes, are amended to read:

27 663.04 Requirements for carrying on banking
28 business.--No international banking corporation shall transact
29 a banking business, or maintain in this state any office for
30 carrying on such business, or any part thereof, unless such
31 corporation has:

1 (2) Furnished to the office ~~department~~ such proof as
2 to the nature and character of its business and as to its
3 financial condition as the commission or office requires
4 ~~department may require~~.

5 (3) Filed with the office ~~department~~ a certified copy
6 of that information required to be supplied to the Department
7 of State by those provisions of chapter 607 which are
8 applicable to foreign corporations.

9 (4) Received a license duly issued to it by the office
10 ~~department~~.

11 Section 1817. Subsections (1), (2), (3), (4), (5),
12 (6), and (9) of section 663.05, Florida Statutes, are amended
13 to read:

14 663.05 Application for license; approval or
15 disapproval.--

16 (1) Every international banking corporation, before
17 being licensed by the office ~~department~~ to maintain any office
18 in this state, shall subscribe and acknowledge, and submit to
19 the office ~~department~~, an application which shall contain:

20 (a) The name of the international banking corporation.

21 (b) The proposed location by street and post office
22 address and county where its business is to be transacted in
23 this state and the name of the person who shall be in charge
24 of the business and affairs of the office.

25 (c) The location where its initial registered office
26 will be located in this state.

27 (d) The total amount of the capital accounts of the
28 international banking corporation.

29 (e) A complete and detailed statement of its financial
30 condition as of a date within 180 days prior to the date of
31 such application, except that the office ~~department~~ in its

1 discretion may, when necessary or expedient, accept such
2 statement of financial condition as of a date within 240 days
3 prior to the date of such application. The office ~~department~~
4 in its discretion may, when necessary or expedient, require an
5 independent opinion audit or the equivalent satisfactory to
6 the office ~~department~~.

7 (f) A listing of any occasion within the preceding
8 10-year period in which either the international banking
9 corporation or any of its directors, executive officers, or
10 principal shareholders has been convicted of, or pled guilty
11 or nolo contendere to, any offense with respect to which the
12 penalties include the possibility of imprisonment for 1 year
13 or more, or to any offense involving money laundering or
14 otherwise related to the operation of a financial institution.

15 (2) The office ~~department~~ shall disallow any illegally
16 obtained currency, monetary instruments, funds, or other
17 financial resources from the capitalization requirements of
18 this section, and the existence of such illegally obtained
19 resources shall be grounds for denial of the application for
20 license.

21 (3) At the time an application is submitted to the
22 office ~~department~~, the international banking corporation shall
23 also submit a duly authenticated copy of its articles of
24 incorporation and a copy of its bylaws, or an equivalent
25 thereof satisfactory to the office ~~department~~. Such
26 corporation shall also submit a certificate issued by the
27 banking or supervisory authority of the country in which the
28 international banking corporation is chartered stating that
29 the international banking corporation is duly organized and
30 licensed and lawfully existing in good standing and listing
31 any instance in which the international banking corporation

1 has been convicted of, or pled guilty or nolo contendere to, a
2 violation of any currency transaction reporting or money
3 laundering law which may exist in that country.

4 (4) Application shall be made on a form prescribed by
5 the commission ~~department~~ and shall contain such information
6 as the commission or office requires ~~department may require~~.

7 (5) The office ~~department~~ may, in its discretion,
8 approve or disapprove the application, but it shall not
9 approve the application unless, in its opinion, the applicant
10 meets each and every requirement of this part and any other
11 applicable provision of the financial institutions codes. The
12 office ~~department~~ shall approve the application only if it has
13 determined that the directors, executive officers, and
14 principal shareholders of the international banking
15 corporation are qualified by reason of their financial
16 ability, reputation, and integrity and have sufficient banking
17 and other business experience to indicate that they will
18 manage and direct the affairs of the international banking
19 corporation in a safe, sound, and lawful manner. In the
20 processing of applications, the time limitations under the
21 Administrative Procedure Act shall not apply as to approval or
22 disapproval of the application.

23 (6) The office ~~department~~ shall not issue a license to
24 an international banking corporation unless:

25 (a) It is chartered in a jurisdiction in which any
26 bank having its principal place of business in this state may
27 establish similar facilities or exercise similar powers; or

28 (b) Federal law permits the appropriate federal
29 regulatory authority to issue a comparable license to the
30 international banking corporation.

31

1 (9) The commission ~~department~~ shall establish, by
2 rule, the general principles which shall determine the
3 adequacy of supervision of an international banking
4 corporation's foreign establishments. These principles shall
5 be based upon the need for cooperative supervisory efforts and
6 consistent regulatory guidelines and shall address, at a
7 minimum, the capital adequacy, asset quality, management,
8 earnings, liquidity, internal controls, audits, and foreign
9 exchange operations and positions of the international banking
10 corporation. This subsection shall not require examination by
11 the home-country regulatory authorities of any office of an
12 international banking corporation in this state. The
13 commission ~~department~~ may also establish, by rule, other
14 standards for approval of an application for a license as
15 considered necessary to ensure the safe and sound operations
16 of the international bank office in this state.

17 Section 1818. Subsections (2), (3), and (4) of section
18 663.055, Florida Statutes, are amended to read:

19 663.055 Capital requirements.--

20 (2) Notwithstanding the provisions of paragraph
21 (1)(a), the office ~~department~~ may approve an application for a
22 license to establish an international bank agency, an
23 international branch, or an international administrative
24 office if:

25 (a) The international banking corporation is licensed
26 to receive deposits from the general public in the country
27 where it is organized and licensed and to engage in such other
28 activities as are usual in connection with the business of
29 banking in such country;

30 (b) The office ~~department~~ receives a certificate that
31 is issued by the banking or supervisory authority of the

1 country in which the international banking corporation is
2 organized and licensed and states that the international
3 banking corporation is duly organized and licensed and
4 lawfully existing in good standing, and is empowered to
5 conduct a banking business; and

6 (c) The international banking corporation has been in
7 the business of banking for at least 10 years and is ranked by
8 the banking or supervisory authority of the country in which
9 it is organized and licensed as one of the five largest banks
10 in that country in terms of domestic deposits, as of the date
11 of its most recent statement of financial condition. However,
12 in no event shall the office ~~department~~ approve an application
13 under this subsection for any international banking
14 corporation with capital accounts of less than \$10 million.

15 (3) The office ~~department~~ may specify such other
16 conditions as it determines appropriate, considering the
17 public interest, the need to maintain a sound and competitive
18 banking system, and the preservation of an environment
19 conducive to the conduct of an international banking business
20 in this state. In translating the capital accounts of an
21 international banking corporation, the office ~~department~~ may
22 consider monetary corrections accounts that reflect results
23 consistent with the requirements of generally accepted
24 accounting principles in the United States.

25 (4) For the purpose of this part, the capital accounts
26 of an international banking corporation shall be determined in
27 accordance with rules adopted by the commission ~~department~~.
28 In adopting such rules, the commission ~~department~~ shall
29 consider similar rules adopted by bank regulatory agencies in
30 the United States and the need to provide reasonably
31 consistent regulatory requirements for international banking

1 corporations which will maintain the safe and sound condition
2 of international banking corporations doing business in this
3 state.

4 Section 1819. Subsections (1), (2), (3), and (4) of
5 section 663.06, Florida Statutes, are amended to read:

6 663.06 Licenses; permissible activities.--

7 (1) An international banking corporation licensed to
8 operate an office in this state may engage in the business
9 authorized by this part at the office specified in such
10 license for an indefinite period. An international banking
11 corporation may operate more than one international bank
12 agency, international branch, or international representative
13 office, each at a different place of business, provided that
14 each office shall be separately licensed. No license to
15 operate an international bank office is transferable or
16 assignable. However, the location of an international bank
17 office may be changed after notification of the office
18 ~~department~~. Every such license shall be, at all times,
19 conspicuously displayed in the place of business specified
20 therein.

21 (2) An international banking corporation which
22 proposes to terminate the operations of its international bank
23 agency, international branch, international representative
24 office, or international administrative office shall surrender
25 its license to the office ~~department~~ and comply with such
26 procedures as the commission ~~department~~ may prescribe by rule.

27 (3) An international bank agency, international
28 branch, international representative office, or international
29 administrative office license may be suspended or revoked by
30 the office ~~department~~, with or without examination, upon its
31 determination that the international banking corporation does

1 not meet all requirements for original licensing. The
2 commission ~~department~~ may by rule prescribe additional
3 conditions or standards under which the license of an
4 international bank agency, international branch, international
5 representative office, or international administrative office
6 may be suspended or revoked.

15 property; inventory of assets; wages; depositing collected
16 assets; appointing agents; appointment of judges.--

17 (1) The office ~~department~~ may, at its discretion, take
18 possession of the business and property in this state of any
19 international banking corporation that has been licensed to
20 operate in this state upon finding that the corporation's
21 international bank agency operating in this state has violated
22 any law, has neglected or refused to comply with the terms of

15 claims shall not be accepted by the office ~~department~~ for
16 payment out of the business and property in the office's
17 ~~department's~~ possession in this state:

21 (b) Amounts due and other liabilities to other
22 offices, agencies, and branches of and affiliates of such
23 international banking corporation.

24 (2) Whenever all accepted claims, together with
25 interest on such claims, and the expenses of the liquidation
26 have been paid in full or properly provided for, the office

15 any payment, advance, or clearance thereafter made against any
16 of the assets of such corporation for liability thereafter
17 incurred.

18 (b) Upon written demand of the office ~~department~~, any
19 corporation, unincorporated association, partnership,
20 governmental entity, or other entity or individual holding
21 assets of such corporation shall deliver such assets to the
22 office ~~department~~ and shall be discharged from liability with
23 respect to any claim upon such assets; provided, such demand
24 shall not affect the right of a secured creditor with a
25 perfected security interest, or other valid lien or security
26 interest enforceable against third parties, to retain
27 collateral, including any right of such secured creditor under
28 any security agreement related to a qualified financial
29 contract to retain collateral and apply such collateral in
30 accordance with the provisions of the financial institutions
31 codes.

1 (c) Nothing in paragraphs (a) and (b) shall affect any
2 right of setoff permitted under applicable law; provided, in
3 connection with the liquidation of an international bank
4 agency of any other international banking corporation pursuant
5 to this part, no entity or individual may set off the business
6 and property in this state of an international banking
7 corporation being liquidated under this subsection, against
8 the liabilities of such corporation other than those that

3 for services rendered within 3 months prior to the date
4 possession was taken by the office department, and not
5 exceeding \$2,000 to each employee, shall be paid prior to the
6 payment of any other debt or claim, and, in the discretion of
7 the office department, may be paid as soon as practicable
8 after taking possession, except that at all times the office
9 ~~department~~ shall reserve such funds as will, in the office's
10 ~~department's~~ opinion, be sufficient for the expenses of
11 administration.

12 (7) The office department is authorized, upon taking
13 possession of any international banking corporation, to
14 liquidate the affairs of such corporation and to do all acts
15 and to make such expenditures as in the office's ~~department's~~

8 office ~~department~~ takes possession of an international banking
9 corporation, any party to a contract with such corporation may
10 demand in writing that the office ~~department~~ assume or
11 repudiate such contract. If the office ~~department~~ has not
12 assumed or repudiated the contract within 15 calendar days
13 after the date of receipt of such demand, the affected party
14 may bring an action in a court of competent jurisdiction in
15 the county in which the principal office of the corporation is
16 located to obtain an order requiring the office ~~department~~ to
17 assume or repudiate the contract. If the office ~~department~~ has
18 not assumed or repudiated the contract by at least 1 month
19 before the last date for filing claims against the
20 corporation, such contract shall be deemed repudiated.

21 (3) Notwithstanding subsection (2), with respect to an
22 unexpired lease of the corporation for rental of real property
23 under which the corporation was a lessee, if the office
24 ~~department~~ remains in possession of the leasehold, the office
25 ~~department~~ shall not be required to assume or repudiate such
26 lease and may continue in possession of such leasehold for the

10 among the parties to the contract and agreement or arrangement
11 and the office ~~department~~ may, but shall not be required to,
12 assume or repudiate any other qualified financial contract an
13 international bank agency entered into; provided, upon the
14 repudiation of any qualified financial contract or the
15 termination or liquidation of any qualified financial contract
16 in accordance with its terms, the liability of the office
17 ~~department~~ under such qualified financial contract shall be
18 determined in accordance with s. 663.172.

19 Section 1835. Section 663.172, Florida Statutes, is
20 amended to read:

21 663.172 Liability on repudiation or termination of
22 contracts.--

23 (1) Except as otherwise provided in this section, upon
24 the repudiation or termination of any contract pursuant to s.
25 663.171, the liability of the office ~~department~~ shall be
26 limited to the actual direct compensatory damages of the
27 parties to the contract, determined as of the date the office
28 ~~department~~ took possession of the international banking
29 corporation. The office ~~department~~ shall not be liable for any
30 future wages other than severance payments, to the extent such
31 payments are reasonable standards, or for payments for future

1 service, costs of cover, or any consequential, punitive, or
2 exemplary damages, damages for lost profits or lost
3 opportunity, or damages for pain and suffering.

4 (2) Except as otherwise provided in this section, the
5 liability of the office ~~department~~, upon the repudiation of
6 any qualified financial contract or in connection with the
7 termination or liquidation of any qualified financial contract
8 in accordance with the terms of such contract, shall be
9 limited as provided in subsection (1), except compensatory
10 damages shall be deemed to include normal and reasonable costs
11 of cover or other reasonable measures of damages used among
12 participants in the market for qualified financial contract
13 claims, calculated as of the date of repudiation or the date
14 of the termination of such qualified financial contract in
15 accordance with the terms of the contract. Upon the
16 repudiation of any qualified financial contract or in
17 connection with the termination or liquidation of any
18 qualified financial contract in accordance with the terms of
19 such contract, the office ~~department~~ shall be entitled to
20 damages and such damages shall be paid to the office
21 ~~department~~ upon written demand from the office ~~department~~ to
22 the other party or parties to the contract.

23 (3) In the case of the liquidation of an international
24 bank agency of an international banking corporation by the
25 office ~~department~~, with respect to qualified financial
26 contracts subject to netting agreements or arrangements that
27 provide for netting present or future payment obligations or
28 payment entitlements, including termination or closeout values
29 relating to the obligations or entitlements, among the parties
30 to the contracts and agreements or arrangements, the liability
31 of the office ~~department~~ to any party to any such qualified

1 financial contract upon the repudiation or in any connection
2 with the termination or liquidation of such qualified
3 financial contract in accordance with the terms of such
4 contract shall be limited to the lesser of:

5 (a) The global net payment obligation; or
6 (b) The branch-to-agency or agency-to-agency net
7 payment obligation.

8 (4) The liability of the office ~~department~~ to a party
9 under this section shall be reduced by any amount otherwise
10 paid or received by the party with respect to the global net
11 payment obligation pursuant to such qualified financial
12 contract which, if added to the liability of the office
13 ~~department~~ under subsection (1), would exceed the global net
14 payment obligation. The liability of the office ~~department~~
15 under this section to a party to a qualified financial
16 contract also shall be reduced by the fair market value or the
17 amount of any proceeds of collateral that secures and has been
18 applied to satisfy the obligations of the international
19 banking corporation to the party pursuant to such qualified
20 financial contract. If netting under the applicable netting
21 agreement or arrangement results in a branch-to-agency net
22 payment entitlement, notwithstanding any provision in any such
23 contract that purports to effect a forfeiture of such
24 entitlement, the office ~~department~~ may make written demand for
25 and shall be entitled to receive from the party to such
26 contract an amount not to exceed the lesser of the global net
27 payment entitlement or the branch-to-agency net payment
28 entitlement.

29 (5) The liability of a party under this section shall
30 be reduced by any amount otherwise paid to or received by the
31 office ~~department~~ or any other liquidator or receiver of the

1 international banking corporation with respect to the global
2 net payment entitlement pursuant to such qualified financial
3 contract which, if added to the liability of the party under
4 this section, would exceed the global net payments
5 entitlement. The liability of a party under this section to
6 the office ~~department~~ pursuant to such qualified financial
7 contract also shall be reduced by the fair market value of the
8 amount of any proceeds of the collateral that secures and has
9 been applied to satisfy the obligations of the party to the
10 international banking corporation pursuant to such qualified
11 financial contract.

12 Section 1836. Section 663.173, Florida Statutes, is
13 amended to read:

14 663.173 Qualified financial contract; net obligation
15 and net entitlement.--A party to a qualified financial
16 contract with an international banking corporation, possession
17 of which has been taken by the office ~~department~~ pursuant to
18 s. 663.17, which party has a perfected security interest in
19 collateral or other valid lien or security interest in
20 collateral enforceable against third parties pursuant to a
21 security arrangement related to such qualified financial
22 contract, may retain all such collateral and, upon repudiation
23 or termination of such qualified financial contract in
24 accordance with the terms of the contract, may apply such
25 collateral in satisfaction of any claims secured by the
26 collateral provided the total amount so applied to such claims
27 shall in no event exceed the global net payment obligation, if
28 any.

29 Section 1837. Section 663.174, Florida Statutes, is
30 amended to read:

31

1 663.174 Repudiation; lease, lessee, or lessor; real or
2 personal property.--

3 (1) If the office ~~department~~ repudiates a lease of an
4 international banking corporation, the real or personal
5 property under which the corporation was a lessee, the lessor
6 under such lease shall be entitled to file a claim with the
7 office ~~department~~ for the lesser of:

8 (a) The amount designated as liquidated damages
9 contained in the lease between the corporation and the lessor;

10 (b) The amount equal to 1 year's rent under the terms
11 of the repudiated lease; or

12 (c) An amount equal to the rent for the remaining term
13 of the lease.

14 (2) If the office ~~department~~ repudiates the lease of
15 an international banking corporation for the rental of real
16 property under which the corporation was the lessor and the
17 lease was not in default at the time of the repudiation, the
18 lessee under such lease may:

19 (a) Treat the lease as terminated by such repudiation
20 and vacate the premises; or

21 (b) Remain in possession of the leasehold interest for
22 the balance of the term of the lease, and for any renewal or
23 extension of such term that is enforceable by such lessee
24 under applicable noninsolvency law, unless the lessee defaults
25 under the terms of the lease after the date of such
26 repudiation. If the lessee remains in possession of the
27 leasehold interest, the lessee shall continue to pay to the
28 office ~~department~~ the contractual rent pursuant to the terms
29 of the lease after the date of the repudiation of such lease
30 and may offset against such rent payment any damages which may
31

1 accrue due to nonperformance of any obligation of the
2 corporation under the lease after the date of repudiation.

3
4 The office ~~department~~ shall not be liable to the lessee for
5 any damages arising after such date as a result of the
6 repudiation other than the amount of any offset allowed under
7 this paragraph. Nothing in this subsection prohibits the
8 office ~~department~~ from entering into a new contract with the
9 lessee for the rental of the leasehold which was the subject
10 of the repudiated lease.

11 (3) Except as otherwise provided, notwithstanding any
12 provision in an unexpired lease or other contract or in
13 applicable law, a contract or unexpired lease of an
14 international banking corporation may not be terminated or
15 modified by any party other than the office ~~department~~ without
16 the concurrence of the office ~~department~~, and any right or
17 obligation under such contract or lease may not be terminated
18 or modified, at any time after the office ~~department~~ has taken
19 possession, solely pursuant to a provision in such contract or
20 lease purporting to allow termination or modification upon the
21 office's ~~department's~~ taking possession or upon the insolvency
22 or liquidation or deterioration of the financial condition of
23 the corporation.

24 (4) Nothing in this section affects the right of a
25 party to contract with an international banking corporation to
26 seek performance of such contract or damages under such
27 contract in any other jurisdiction; provided, the office
28 ~~department~~ shall not be liable for the performance of such
29 contract or damages under such contract in any other
30 jurisdiction.

31

1 (5) The rights granted in this section are in addition
2 to any other rights available to the office ~~department~~ under
3 common law or any other law.

4 Section 1838. Section 663.175, Florida Statutes, is
5 amended to read:

3 does not operate as a stay of or as an injunction against the

29 under or in connection with one or more such qualified
30 financial contracts; or
31

1 7. The commencement of an action under s. 663.181 or
2 any other action relating to the liquidation of the
3 corporation before the court of competent jurisdiction
4 overseeing the liquidation of the corporation.

5 (b) The commencement or continuation of a criminal
6 action or proceeding against the corporation.

29 this section shall continue until the office ~~department~~ has
30 concluded liquidating the corporation.

31

1 (4) For good cause shown, on request of a party in
2 interest and after notice and hearing, a court of competent

1 to be mailed to all persons whose names appear as creditors
2 upon the books of the corporation. Such notice to persons
3 appearing as depositors shall be mailed to the address
4 appearing upon the deposit records or ledger of the
5 corporation. The office ~~department~~ shall also cause such
6 notice to be published biweekly in such newspaper or

11 be published more than 90 days before the last day fixed in
12 such notice for presenting proof of claims. However, if the
13 notice requires claims to be presented within less than 4
14 months, the office ~~department~~ shall cause such notice to be
15 published weekly in such newspaper or newspapers as the office
16 ~~department~~ may direct for 3 consecutive weeks, the first
17 publication to be published more than 21 days before the last
18 day fixed in such notice for presenting claims. Such notice
19 shall specify that all persons having claims for priority of
20 payment shall make demand in writing for priority in the proof
21 of their claims. The office ~~department~~ shall have no power to
22 accept any claim presented after the date specified in such
23 notice as the last date for presenting claims.

6 or box opened after taking possession of such property for
7 nonpayment of any rent; or

8 (b) The lessee of any safe, vault, or box, to such
9 person's last address appearing on the books of the
10 international banking corporation or the last known address if
11 no address appears on such books, notifying such person to
12 remove all such property or the contents of any such safe,
13 vault, or box, within a period stated in such notice which
14 period shall be not less than 60 days after the date of such
15 notice. The contract of bailment or of deposit for hire, or
16 lease of safe, vault, or box, if any, between the person to
17 whom such notice is mailed and the corporation shall cease
18 upon the date for removal fixed in such notice. Such persons
19 shall have a claim against the corporation for the amount of
20 unearned rent or charges, if any, paid by such person from the
21 date fixed in such notice, if the property or contents are
22 removed on or before such date, or from the date of actual
23 removal, if the property or contents are removed after such
24 date.

25 (2) If such property or contents are not removed, and
26 all rent or storage and other charges accrued up to that time,
27 if any, are not paid, within the time fixed by such notice,
28 the office ~~department~~ may cause such property to be
29 inventoried, or such safe, vault, or box, or any package,
30 parcel, or receptacle in the custody or possession of the
31 corporation as bailee or depositary for hire or otherwise, to

1 be opened and the contents, if any, to be removed and
2 inventoried. Such property or contents shall be sealed by a
3 notary public in a package distinctly marked by the office
4 ~~department~~ with the name of the person in whose name such
5 property or such safe, vault, box, package, parcel, or
6 receptacle is recorded upon the books of the corporation, and
7 a copy of such inventory shall be certified and attached to
8 such package by such notary public. The package shall be kept
9 in a place that the office ~~department~~ determines at the
10 expense and risk of the person in whose name it is recorded
11 until delivered to such person or until sold, destroyed, or
12 otherwise disposed of. Such package may, pending final
13 disposition of its contents, be opened by the office
14 ~~department~~ for inspection or appraisal or to enable the office
15 ~~department~~ to exercise any powers conferred or duties imposed
16 by this part. Whenever such package is opened, the office
17 ~~department~~ shall endorse on the outside of the package the
18 date of opening and resealing and shall prepare an affidavit
19 which shall be attached to the package showing the reason for
20 opening and the articles, if any, removed from the package or
21 placed or replaced in the package.

22 (3) At any time prior to the sale, destruction, or
23 other disposition of the contents of the package, the person
24 in whose name the package is recorded may require the delivery
25 of the package upon the payment of all rental or storage
26 charges accrued, and all other charges or expenses paid or
27 incurred to the date of delivery with respect to such package
28 or contents of the package including the cost of inventorying
29 or of opening and inventorying, the fees of the notary public,
30 the cost of preparing and mailing the notice, and advertising,
31 if any.

1 (4) After the expiration of 1 year after the mailing
2 of the notice required in subsection (1), the office
3 ~~department~~ may apply to a court of competent jurisdiction for
4 an order authorizing the office ~~department~~ to sell, destroy,
5 or otherwise dispose of the contents of such package.
6 Whenever, pursuant to the provisions of this subsection, the
7 office ~~department~~ is given the power to sell the contents of
8 any package, such power to sell shall be deemed a power to
9 sell in satisfaction of a lien for nonpayment of rental or
10 storage charges accrued, and all other charges and expenses
11 paid or incurred to the date of sale with respect to such
12 package and the contents of the package, including charges and
13 expenses described in subsection (3).

14 (5) The provisions of this section do not affect or
15 preclude any other remedy, by action or otherwise, for the
16 enforcement of claims or rights of the office ~~department~~, or
17 of an international banking corporation of which the office
18 ~~department~~ is in possession, against the person in whose name
19 any property or any safe, vault, box, package, parcel, or
20 receptacle is recorded, or affect or bar the right of the
21 office ~~department~~ or the corporation to recover, before sale,
22 any debt or claim due to the office ~~department~~ or the
23 corporation, or, after sale, so much of the debt or claim as
24 is not paid by the proceeds of the sale.

25 Section 1841. Section 663.178, Florida Statutes, is
26 amended to read:

27 663.178 Claims; valuation; priority; listing; filing;
28 objection; endorsement; adverse interest.--

29 (1) Proof of claim shall consist of a written
30 statement under oath signed by the claimant or his or her
31

1 attorney in fact and shall be in such form as the office
2 ~~department~~ requires.

3 (2) The office ~~department~~ shall not accept a claim
4 based on an agreement with an international banking
5 corporation unless the agreement is reflected on the accounts,
6 books, or records of the corporation or a creditor provides
7 documentary evidence of such agreement. The commission
8 ~~department~~ may adopt any rules determined necessary to
9 implement this section.

10 (3) No claim or account of any secured claimant or
11 creditor shall be accepted at a sum greater than the
12 difference between the face value of the claim or account and
13 the value of the security itself as of the commencement of the
14 liquidation unless the claimant or creditor, prior to the
15 expiration of the time fixed by the office ~~department~~ for the
16 presentation of claims, surrenders his or her security to the
17 office ~~department~~, in which event the claim or account may be
18 accepted in its full face amount.

19 (4) The office ~~department~~ shall not determine
20 priorities in accepting or rejecting claims and the acceptance
21 by the office ~~department~~ of a claim in which priority of
22 payment is demanded shall not entitle the claimant to
23 priority. Accepted claims in which priority of payment is
24 demanded shall be presented to a court of competent
25 jurisdiction on notice to the claimant for determination as to
26 the priority of payment of such claims. Except as otherwise
27 provided in ss. 663.17-663.181, all claims entitled to
28 priority of payment shall be paid ratably and proportionately.

29 (5) The office ~~department~~ shall prepare in duplicate a
30 complete list of all claims presented, specifying the name of
31 the claimant, the nature of the claim, and the amount of such

1 claim. Such list shall also contain a statement of accounts
2 payable as shown by the books and records of the corporation
3 and as to which no claims have been presented, specifying the
4 name of each person to whom such account appears to be
5 payable, the nature of the debt, and the amount of such claim.
6 Within 60 days after the last date fixed in the notice to
7 creditors to present and make proof of claims, the office
8 ~~department~~ shall file one copy of such list in one of its
9 offices for public inspection and shall file one copy with a
10 court of competent jurisdiction in the county in which the
11 principal office of the corporation is located.

12 (6) Within 40 days after the office ~~department~~ has
13 filed in its headquarters ~~office~~ a copy of the list of claims
14 required by subsection (5), objections to any claim presented
15 or to any account appearing on such list may be made by any
16 party interested by filing such objections with the office
17 ~~department~~, in writing, signed by the objector, and verified.
18 Unless the office ~~department~~ rejects any claim or accounts to
19 which objections have been filed with it, the office
20 ~~department~~ shall, within 60 days after the time to file such
21 objections has expired, apply to a court of competent
22 jurisdiction, upon notice to the objector, for an order
23 directing the office ~~department~~ as to the disposition of such
24 claim or account. The court may then dispose of such
25 objections or may order a reference for that purpose.

26 (7) The office ~~department~~ shall, not later than 60
27 days after the time has expired to file objections to claims
28 presented, accept or reject, in whole or in part, every filed
29 claim, except claims as to which objections are still pending
30 before a court, and shall accept or reject, in whole or in
31 part, every account payable as shown by the books and records

1 and as to which no claim has been presented, except accounts
2 as to which objections are still pending before a court.
3 Whenever the office ~~department~~ accepts a portion of a claim or
4 account and rejects the remainder, the portion accepted and
5 the portion rejected shall, for the purpose of this section,
6 each be deemed separate claims or accounts.

7 (8) Every claim or account payable accepted by the
8 office ~~department~~ shall be endorsed as "accepted" and be filed
9 so endorsed. If the office ~~department~~ is unable, from the
10 books, accounts, or records of an international banking
11 corporation, to determine the ownership of a claim or account
12 payable or if for any other reason the office ~~department~~
13 doubts the validity of any claim or account payable, the
14 office ~~department~~ shall reject such claim or account payable
15 and shall endorse the claim or account payable as "rejected"
16 and file it as so endorsed. The office ~~department~~ shall mail
17 notice of such acceptance or rejection within 14 calendar days
18 after the office ~~department~~ has accepted or rejected all
19 claims filed. If a proof of claim has been filed, such notice
20 need be mailed only to the address appearing on such claim
21 and, if no proof of claim has been filed, the notice need be
22 mailed only to the address appearing upon the books of the
23 corporation. If the office ~~department~~ is unable from the proof
24 of claim or the books and records of the corporation to
25 identify a name or address, such notice of rejection need not
26 be given.

27 (9) Within 30 days after the office ~~department~~ has
28 accepted or rejected all claims filed, and all accounts
29 payable as shown by the books and records as to which no
30 claims have been presented, the office ~~department~~ shall make a
31 list of all such claims and accounts accepted or rejected by

1 the office ~~department~~ for public inspection and file one copy
2 of such list with the ~~in an office of the department~~ and one
3 copy with a court of competent jurisdiction in the county in
4 which the principal Florida office of such corporation is
5 located.

6 (10) When the office ~~department~~ has accepted a filed
7 claim and has filed such claim, endorsed as "accepted," the
8 claimant, unless priority of payment has been demanded and
9 such claim is entitled by law to priority of payment, shall be
10 entitled to share ratably with other general creditors in the
11 distribution of the proceeds of the liquidation of the assets
12 of the international banking corporation; provided, any
13 accepted claim or claims for taxes owed to any taxing
14 authority shall be paid in full, to the extent that assets of
15 the corporation are available, prior to the payment of any
16 other accepted claim pursuant to this section. If the claimant
17 has demanded priority of payment, the receipt and acceptance
18 of ratable dividends shall be without prejudice to the right
19 of such priority of payment.

20 (11) Any person who fails to demand in writing
21 priority of payment as specified in the notice to file claims
22 shall be deemed to have waived and abandoned any right to such
23 priority of payment. Any person who fails to demand in writing
24 priority of payment as provided in this section is not
25 entitled to maintain any action or proceeding for any priority
26 of payment. In any action or proceeding for priority of
27 payment, the claimant shall allege and prove that the claim
28 upon which the action is instituted was filed and demand for
29 priority of payment was made in writing.

30 (12) Within 6 months after the date the office
31 ~~department~~ files the list of claims and accounts payable which

1 are accepted or rejected by the office ~~department~~, a claimant
2 whose claim has been filed and has not been accepted by the
3 office ~~department~~, or any person whose account payable as
4 shown by the books and records as to which no claim has been
5 presented, has not been accepted by the office ~~department~~, may
6 institute and maintain an action against the international
7 banking corporation. Such action may be maintained only in a
8 court of competent jurisdiction in the county in which the
9 principal Florida office of such international banking
10 corporation is located.

11 (13) A lien shall not attach to any property or assets
12 of an international banking corporation as a result of any
13 judicial process after the office ~~department~~ has taken
14 possession of the assets of the corporation.

15 (14) No action shall be maintained against an
16 international banking corporation while the office ~~department~~
17 is in possession of the affairs and business of the
18 corporation unless brought within the period of limitation
19 specified in s. 663.17. In any action instituted against such
20 corporation while the office ~~department~~ is in possession of
21 the corporation's property and business, the plaintiff shall
22 be required to allege and prove that the claim upon which the
23 action is instituted was filed and that such claim has not
24 been accepted or, in the case of an action upon an account as
25 to which no claim has been presented, the plaintiff shall be
26 required to allege and prove that such account appeared upon
27 the books and records and that such account has not been
28 accepted.

29 (15) Notice to the office ~~department~~ of an adverse
30 interest in a claim or account payable accepted by the office
31 ~~department~~ to the credit of any person shall not require the

1 ~~office department~~ to recognize such adverse claimant unless
2 the adverse claimant also:

3 (a) Procures a restraining order, injunction, or other
4 appropriate process against the ~~office department~~ from a court
5 of competent jurisdiction in a cause instituted by the office
6 ~~department~~ in which the person to whose credit such claim or
7 account payable was accepted or his or her executor or
8 administrator is made a party and served with summons; or
9 (b) Executes to the office department, in a form and
10 with sureties acceptable to the ~~office department~~, a bond
11 indemnifying the office department from any and all liability,
12 loss, damage, cost, and expenses for and on account of the
13 payment of dividends.

14 (16) In any action or proceeding against the office
15 ~~department~~ to recover dividends accepted, if there is any
16 person who is not a party to the action who makes such a
17 claim, the court in which the action or proceeding is pending
18 may, on the motion of the office department, make an order
19 amending the proceedings making such person a party to such
20 action or proceeding and the court shall thereafter proceed to
21 determine the rights and interests of the parties to such
22 funds. The remedy provided in this section is in addition to
23 and not exclusive of that provided in any other interpleader.

24 Section 1842. Section 663.18, Florida Statutes, is
25 amended to read:

26 663.18 Fees.--The office department is not required to
27 pay any fee to any clerk, sheriff, register, or other public

29 recording, executing, or issuing a copy, transcript, extract,
30 or certificate of, or authenticating or exemplifying, any
31 paper, record, or instrument pertaining to the exercise by the

1 ~~office department~~ of any powers conferred or duties imposed
2 upon the ~~office department~~ by the provisions of this part,
3 whether or not such paper, record, or instrument is executed
4 by the ~~office department~~ and whether or not it is connected
5 with an action. The term "action" is construed as including a
6 special proceeding in any action.

7 Section 1843. Section 663.181, Florida Statutes, is
8 amended to read:

9 663.181 Manner and time within which taking possession
10 may be tested.--At any time within 10 days after the office
11 ~~department~~ has taken possession of the property and business
12 of an international banking corporation, such corporation may
13 apply to a court of competent jurisdiction in the county in
14 which its principal office is located in this state for an
15 order requiring the ~~office department~~ to show cause why the
16 office department should not be enjoined from continuing such
17 possession. The court may, upon good cause shown, direct the
18 ~~office department~~ to refrain from such proceedings and to
19 surrender such possession.

2 majority of the board of directors and submitted to the office
3 ~~department~~ for approval prior to any vote on conversion by the

7 unless it finds that the association will comply sufficiently
8 with the requirements of the financial institutions codes
9 after conversion to entitle it to become an association
10 operating under the financial institutions codes and the rules
11 of the commission ~~department~~. The office ~~department~~ may deny
12 any application from any federal association that is subject
13 to any cease and desist order or other supervisory restriction
14 or order imposed by any state or the federal supervisory
15 authority, or insurer, or guarantor or that has been convicted
16 of, or pled guilty or nolo contendere to, a violation of s.

18 Financial Institutions Act; chapter 896, relating to offenses

13 FOR INSURANCE OF ACCOUNTS.--The directors of the association
14 shall have executed and filed with the office ~~department~~
15 proposed articles of incorporation as provided for in s.

22 shall be affixed to the articles of incorporation. An
23 authenticated copy of the articles of incorporation shall be
24 filed with the Department of State and one copy of the
25 articles of incorporation and the certificate of incorporation
26 shall be returned to the association. The association shall
27 cease to be a mutual association at the time and on the date
28 specified in the approved articles of incorporation.

29 (5) FEE.--The application for conversion from a state
30 or federal mutual to a state capital stock association shall
31 be accompanied by a nonrefundable filing fee of \$7,500.

1 Additionally, the office ~~department~~ is authorized to assess
2 any association, applying to convert pursuant to this section,
3 a nonrefundable examination fee to cover the actual costs of
4 any examination required as part of the application process.

5 Section 1860. Section 665.0335, Florida Statutes, is
6 amended to read:

7 665.0335 Supervisory case; emergency conversion,
8 reorganization, merger; consolidation; acquisition of
9 assets.--

10 (1) The office ~~department~~ may determine that a state
11 or federal association is a supervisory case if it finds that:

12 (a) The association is in an impaired condition; or

13 (b) The association is in imminent danger of being in
14 an impaired condition.

15

16 Any such finding by the office ~~department~~ shall be based upon
17 reports furnished to it by a state or federal savings and loan
18 association examiner or upon other evidence from which it is
19 reasonable to conclude that the association is a supervisory
20 case.

21 (2) Notwithstanding any other provision of this
22 chapter or chapter 120, if the office ~~department~~ finds that
23 immediate action is necessary to protect the interests of
24 depositors and reduce the potential for claims against the
25 insurance fund, or in order to prevent the probable failure of
26 a state or federal association which is a supervisory case,
27 the office may ~~department shall have the power~~, with the
28 concurrence of the appropriate federal regulatory agency in
29 the case of any association the deposits of which are
30 federally insured, ~~to~~ issue an emergency order authorizing:

31

1 (a) The conversion of such association from a state to
2 a federal charter, or vice versa, without change of business
3 form;

4 (b) The reorganization, merger, or consolidation of
5 such state or federal association with another state or
6 federal association;

7 (c) The conversion of such state or federal
8 association into a state or federal capital stock association;
9 or

10 (d) Any state or federal association to acquire the
11 assets of, and assume the liabilities of, such failing
12 association.

13 Section 1861. Paragraphs (a) and (b) of subsection
14 (1), subsection (2), paragraph (e) of subsection (4), and
15 paragraphs (a) and (c) of subsection (5) of section 665.034,
16 Florida Statutes, are amended to read:

17 665.034 Acquisition of assets of or control over an
18 association.--

19 (1)(a) In any case in which a person or group of
20 persons propose to purchase or acquire voting common stock of
21 any capital stock association, which purchase or acquisition
22 would cause such person or group of persons to have control,
23 as defined herein, of that association, such person or group
24 of persons must first make application to the office
25 ~~department~~ for a certificate of approval of such purchase or
26 acquisition.

27 (b) An application for control shall be in such form
28 and request such information as the commission requires
29 ~~department may, by rule, require~~.

30
31

1 (2) The office ~~department~~ shall issue the certificate
2 of approval only after it has made an investigation and
3 determined that:

4 (a) The proposed new owner or owners of voting capital
5 stock are qualified by character, experience, and financial
6 responsibility to control the association in a legal and
7 proper manner and none of the proposed new owners have been
8 convicted of, or pled guilty or nolo contendere to, a
9 violation of s. 655.50, relating to the Florida Control of
10 Money Laundering in Financial Institutions Act; chapter 896,
11 relating to offenses related to financial transactions; or any
12 similar state or federal law.

13 (b) The interests of the public generally will not be
14 jeopardized by the proposed purchase or acquisition of voting
15 capital stock.

16 (4) For purposes of this section, a person or group of
17 persons shall be deemed to have control of an association if
18 such person or group of persons:

19 (e) In any case in which a proposed purchase or
20 acquisition of voting securities of an association would give
21 rise to the presumption created under paragraph (d), the
22 person or group of persons who propose to purchase or acquire
23 the voting securities shall first give written notice of the
24 proposal to the office ~~department~~. Such notice may present
25 information that the proposed purchase or acquisition will not
26 result in control. The office ~~department~~ shall afford the
27 person seeking to rebut the presumption an opportunity to
28 present views in writing or orally before its designated
29 representatives at an informal conference.

30 (5)(a) A foreign association, as defined in s.
31 665.1001, whether controlled directly or indirectly by another

1 business organization, may acquire a Florida association,
2 subject to approval by the office ~~department~~. The office
3 ~~department~~ shall not approve the proposed acquisition unless:

4 1. The laws of the state in which the foreign
5 association has its principal place of business permit
6 associations in that state to be acquired by Florida
7 associations; and

8 2. The Florida association which is to be acquired has
9 been in existence and continuously operating for more than 2
10 years.

11 (c) A foreign association which has a subsidiary
12 association in Florida is authorized to acquire a Florida
13 association upon approval by the office ~~department~~ pursuant to
14 the laws and rules which are applicable to the acquisition of
15 a Florida association by an association having its principal
16 place of business in this state, but such acquired association
17 shall not be considered a Florida association for purposes of
18 this subsection or s. 665.0315.

19 Section 1862. Section 665.0345, Florida Statutes, is
20 amended to read:

21 665.0345 Regulatory supervision of foreign
22 associations.--The office ~~may department~~ is authorized to
23 enter into cooperative agreements with other regulatory
24 agencies to facilitate the regulation of foreign associations
25 doing business in this state. The office ~~department~~ may accept
26 reports of examinations and other records from such other
27 agencies in lieu of conducting its own examinations of foreign
28 associations. The office ~~department~~ may take any action
29 jointly with other regulatory agencies having concurrent
30 jurisdiction over associations doing business in this state or
31

1 may take such actions independently in order to carry out its

8 real estate loans or interests therein on home property or
9 primarily residential property for terms not in excess of 40
10 years or for such additional terms as may be provided by rule.
11 Recognizing that associations are chartered to serve the
12 convenience and needs of the communities in which they are
13 chartered to do business, that the convenience and needs of
14 communities include the need for credit services as well as
15 deposit services, and that associations have a continuing and
16 affirmative obligation to help meet the credit needs of the
17 local communities in which they are chartered, at least 40
18 percent of the assets required to be invested by this section
19 shall be secured by property within this state, unless a lower
20 percentage is established by the commission or office
21 ~~department~~ pursuant to s. 655.061, except that loans insured
22 or guaranteed in whole or in part by the United States are not
23 subject to this restriction.

24 Section 1864. Subsection (3) and paragraph (a) of
25 subsection (4) of section 665.1001, Florida Statutes, are
26 amended to read:

27 665.1001 Foreign associations.--

28 (3) ACTION BY OFFICE ~~DEPARTMENT~~.--The office
29 ~~department~~ is authorized, empowered, and directed to obtain an
30 injunction or to take any other action necessary to prevent
31

1 any foreign association from doing any business of an
2 association in this state.

3 (4) ACTIVITIES NOT CONSIDERED "DOING BUSINESS."--For
4 the purposes of this section and any other law of this state
5 prohibiting, limiting, or regulating the doing of business in
6 this state by foreign associations or foreign corporations of
7 any type, any federal association, the principal office of
8 which is located outside this state, and any foreign
9 association which is subject to state or federal supervision,
10 or both, which by law are subject to periodic examination by
11 such supervisory authority and to a requirement of periodic
12 audit, shall not be considered to be doing business in this
13 state by reason of engaging in any of the following
14 activities:

15 (a) The purchase, acquisition, holding, sale,
16 assignment, transfer, collecting, and enforcement of
17 obligations or any interest therein secured by real estate
18 mortgages or other instruments in the nature of a mortgage,
19 covering real property located in this state, or the
20 foreclosure of such instruments, or the acquisition of title
21 to such property by foreclosure, or otherwise, as a result of
22 default under such instruments, or the holding, protection,
23 rental, maintenance, and operation of the property so
24 acquired, or the disposition thereof; provided such
25 associations shall not hold, own, or operate such property for
26 a period exceeding 5 years without securing the approval of
27 the office ~~department~~.

28 Section 1865. Paragraph (d) of subsection (5) of
29 section 667.002, Florida Statutes, is amended to read:

30 667.002 Definitions.--Except to the extent
31 specifically qualified by context, when used in this chapter:

2 (d) Such other assets as ~~may be~~ approved by the office
3 ~~department~~ which are accepted as liquid assets for federally
4 insured savings banks by the appropriate federal regulatory
5 agency.

6 Section 1866. Subsections (4), (26), (40), and (44) of
7 section 667.003, Florida Statutes, are amended to read:

8 667.003 Applicability of chapter 658.--Any state
9 savings bank is subject to all the provisions, and entitled to
10 all the privileges, of the financial institutions codes except
11 where it appears, from the context or otherwise, that such
12 provisions clearly apply only to banks or trust companies
13 organized under the laws of this state or the United States.
14 Without limiting the foregoing general provisions, it is the
15 intent of the Legislature that the following provisions apply
16 to a savings bank to the same extent as if the savings bank
17 were a "bank" operating under such provisions:

18 (4) Section 658.20, relating to investigation by
19 office ~~department~~.

20 (26) Section 658.43, relating to approval by office

24 (44) Section 658.90, relating to receivers or
25 liquidators under supervision of office ~~department~~.

26 Section 1867. Subsections (1) and (2) of section
27 667.005, Florida Statutes, are amended to read:

28 667.005 Reorganization, merger, or consolidation with
29 a foreign savings bank.--

30 (1) A savings bank shall have the power to reorganize,
31 merge, or consolidate with a foreign savings bank, as defined

1 in s. 667.013, subject to the approval of the office
2 ~~department~~.

3 (2) If the resulting or surviving savings bank is to
4 be a foreign savings bank, the office ~~department~~ shall not
5 approve the proposed transaction unless:

6 (a) The laws of the state in which the foreign savings
7 bank has its principal place of business permit savings banks
8 in that state to reorganize, merge, or consolidate with
9 Florida savings banks in transactions in which the resulting
10 or surviving savings bank is a Florida savings bank.

11 (b) The constituent Florida savings bank has been in
12 existence and continuously operating for more than 2 years.

13 Section 1868. Subsections (1), (2), (3), and (5) of
14 section 667.006, Florida Statutes, are amended to read:

15 667.006 Conversion of state or federal mutual savings
16 bank or state or federal mutual association to capital stock
17 savings bank.--

18 (1) CONVERSION INTO CAPITAL STOCK SAVINGS BANK.--Any
19 state or federal mutual savings bank or state or federal
20 mutual association may apply to the office ~~department~~ for
21 permission to convert itself into a capital stock savings bank
22 operated under the provisions of this chapter in accordance
23 with the following procedures:

24 (a) The board of directors shall approve a plan of
25 conversion by resolution adopted by a majority vote of all the
26 directors. The plan shall include, but not be limited to:

27 1. Financial statements of the savings bank as of the
28 last day of the month preceding adoption of the plan.

29 2. Such financial data as may be required to determine
30 compliance with applicable regulatory requirements respecting
31 financial condition.

1 3. A provision that each savings account holder of the
2 mutual savings bank will receive a withdrawable account in the
3 capital stock savings bank equal in amount to his or her
4 withdrawable account in the mutual savings bank.

5 4. A provision that each member of record will be
6 entitled to receive rights to purchase voting common stock.

7 5. Pro forma financial statements of the savings bank
8 as a capital stock savings bank, which shall include data
9 required to determine compliance with applicable regulatory
10 requirements respecting financial condition.

11 6. With particularity, the business purpose to be
12 accomplished by the conversion.

13 7. Such other information as the commission requires
14 ~~department may require~~ by rule.

15 (b) The plan of conversion shall be executed by a
16 majority of the board of directors and submitted to the office
17 ~~department~~ for approval prior to any vote on conversion by the
18 members.

19 (c) The office ~~department~~ may approve or disapprove
20 the plan in its discretion, but it shall not approve the plan
21 unless it finds that the savings bank will comply sufficiently
22 with the requirements of the financial institutions codes
23 after conversion to entitle it to become a savings bank
24 operating under the financial institutions codes and the rules
25 of the commission ~~department~~. The office ~~department~~ may deny
26 any application from any federal savings bank that is subject
27 to any cease and desist order or other supervisory restriction

1 Financial Institutions Act; chapter 896, relating to offenses
2 related to financial transactions; or any similar state or
3 federal law.

4 (d) If the office ~~department~~ approves the plan of
5 conversion, the question of such conversion may be submitted
6 to the members at a meeting of voting members called to
7 consider such action. A vote of 51 percent or more of the
8 total number of votes eligible to be cast shall be required
9 for approval, unless federal law permits a lesser percentage
10 of votes for a federal mutual savings bank to convert, in
11 which case that percentage shall control. Notice of the
12 meeting, giving the time, place, and purpose thereof, together
13 with a proxy statement and proxy form covering all matters to
14 be brought before the meeting, shall be mailed at least 30
15 days prior to the meeting to the office ~~department~~ for review
16 and to each voting member at his or her last address as shown
17 on the books of the savings bank.

18 (2) MINUTES OF MEETING.--Copies of the minutes of the
19 meeting of members, verified by the affidavit of the secretary
20 or assistant secretary of the savings bank, shall be filed
21 with the office ~~department~~ and with the appropriate federal
22 regulatory agency, within a reasonable time after the meeting.
23 When so filed, the verified copies of the minutes are
24 presumptive evidence of the holding of the meeting and of the
25 action taken.

26 (3) FILING OF ARTICLES OF INCORPORATION AND COMMITMENT
27 FOR INSURANCE OF ACCOUNTS.--The directors of the savings bank
28 shall have executed and filed with the office ~~department~~
29 proposed articles of incorporation as provided in s. 658.23,
30 together with the application for conversion and a firm
31 commitment for, or evidence of, insurance of deposits and

1 other accounts of a withdrawable type. The articles shall
2 contain a statement that the savings bank resulted from the
3 conversion of a state or federal mutual savings bank to a
4 capital stock savings bank. Approval by the office ~~department~~
5 shall be affixed to the articles of incorporation. A copy of
6 the articles of incorporation shall be filed with the
7 Department of State, and one copy of the articles of
8 incorporation and the certificate of incorporation shall be
9 returned to the savings bank. The savings bank shall cease to
10 be a mutual savings bank at the time and on the date specified
11 in the approved articles of incorporation.

12 (5) FEE.--The application for conversion from a state
13 or federal mutual to a state capital stock savings bank shall
14 be accompanied by a nonrefundable filing fee of \$7,500.

17 Section 1890. Section 717.138, Florida Statutes, is
18 amended to read:

19 717.138 Rulemaking authority.--The department ~~of~~
20 ~~Banking and Finance~~ shall administer and provide for the
21 enforcement of this chapter. The department has authority to
22 adopt rules pursuant to ss. 120.536(1) and 120.54 to implement
23 the provisions of this chapter. The department may adopt rules
24 to allow for electronic filing of fees, forms, and reports
25 required by this chapter.

26 Section 1891. Paragraph (d) of subsection (1) of
27 section 718.501, Florida Statutes, is amended to read:

28 718.501 Powers and duties of Division of Florida Land
29 Sales, Condominiums, and Mobile Homes.--

30 (1) The Division of Florida Land Sales, Condominiums,
31 and Mobile Homes of the Department of Business and

1 Professional Regulation, referred to as the "division" in this
2 part, in addition to other powers and duties prescribed by
3 chapter 498, has the power to enforce and ensure compliance
4 with the provisions of this chapter and rules promulgated
5 pursuant hereto relating to the development, construction,
6 sale, lease, ownership, operation, and management of
7 residential condominium units. In performing its duties, the
8 division has the following powers and duties:

9 (d) Notwithstanding any remedies available to unit
10 owners and associations, if the division has reasonable cause
11 to believe that a violation of any provision of this chapter
12 or rule promulgated pursuant hereto has occurred, the division
13 may institute enforcement proceedings in its own name against
14 any developer, association, officer, or member of the board of
15 administration, or its assignees or agents, as follows:

16 1. The division may permit a person whose conduct or
17 actions may be under investigation to waive formal proceedings
18 and enter into a consent proceeding whereby orders, rules, or
19 letters of censure or warning, whether formal or informal, may
20 be entered against the person.

21 2. The division may issue an order requiring the
22 developer, association, officer, or member of the board of
23 administration, or its assignees or agents, to cease and
24 desist from the unlawful practice and take such affirmative
25 action as in the judgment of the division will carry out the
26 purposes of this chapter. Such affirmative action may include,
27 but is not limited to, an order requiring a developer to pay
28 moneys determined to be owed to a condominium association.

29 3. The division may bring an action in circuit court
30 on behalf of a class of unit owners, lessees, or purchasers
31 for declaratory relief, injunctive relief, or restitution.

1 4. The division may impose a civil penalty against a
2 developer or association, or its assignee or agent, for any
3 violation of this chapter or a rule promulgated pursuant
4 hereto. The division may impose a civil penalty individually
5 against any officer or board member who willfully and
6 knowingly violates a provision of this chapter, a rule adopted
7 pursuant hereto, or a final order of the division. The term
8 "willfully and knowingly" means that the division informed the
9 officer or board member that his or her action or intended
10 action violates this chapter, a rule adopted under this
11 chapter, or a final order of the division and that the officer
12 or board member refused to comply with the requirements of
13 this chapter, a rule adopted under this chapter, or a final
14 order of the division. The division, prior to initiating
15 formal agency action under chapter 120, shall afford the
16 officer or board member an opportunity to voluntarily comply
17 with this chapter, a rule adopted under this chapter, or a
18 final order of the division. An officer or board member who
19 complies within 10 days is not subject to a civil penalty. A
20 penalty may be imposed on the basis of each day of continuing
21 violation, but in no event shall the penalty for any offense
22 exceed \$5,000. By January 1, 1998, the division shall adopt,
23 by rule, penalty guidelines applicable to possible violations
24 or to categories of violations of this chapter or rules
25 adopted by the division. The guidelines must specify a
26 meaningful range of civil penalties for each such violation of
27 the statute and rules and must be based upon the harm caused
28 by the violation, the repetition of the violation, and upon
29 such other factors deemed relevant by the division. For
30 example, the division may consider whether the violations were
31 committed by a developer or owner-controlled association, the

1 size of the association, and other factors. The guidelines
2 must designate the possible mitigating or aggravating
3 circumstances that justify a departure from the range of
4 penalties provided by the rules. It is the legislative intent
5 that minor violations be distinguished from those which
6 endanger the health, safety, or welfare of the condominium
7 residents or other persons and that such guidelines provide
8 reasonable and meaningful notice to the public of likely
9 penalties that may be imposed for proscribed conduct. This
10 subsection does not limit the ability of the division to
11 informally dispose of administrative actions or complaints by
12 stipulation, agreed settlement, or consent order. All amounts
13 collected shall be deposited with the Chief Financial Officer
14 ~~Treasurer~~ to the credit of the Division of Florida Land Sales,
15 Condominiums, and Mobile Homes Trust Fund. If a developer
16 fails to pay the civil penalty, the division shall thereupon
17 issue an order directing that such developer cease and desist
18 from further operation until such time as the civil penalty is
19 paid or may pursue enforcement of the penalty in a court of
20 competent jurisdiction. If an association fails to pay the
21 civil penalty, the division shall thereupon pursue enforcement
22 in a court of competent jurisdiction, and the order imposing
23 the civil penalty or the cease and desist order will not
24 become effective until 20 days after the date of such order.
25 Any action commenced by the division shall be brought in the
26 county in which the division has its executive offices or in
27 the county where the violation occurred.

28 Section 1892. Paragraph (d) of subsection (1) of
29 section 719.501, Florida Statutes, is amended to read:

30 719.501 Powers and duties of Division of Florida Land
31 Sales, Condominiums, and Mobile Homes.--

1 (1) The Division of Florida Land Sales, Condominiums,
2 and Mobile Homes of the Department of Business and
3 Professional Regulation, referred to as the "division" in this
4 part, in addition to other powers and duties prescribed by
5 chapter 498, has the power to enforce and ensure compliance
6 with the provisions of this chapter and rules promulgated
7 pursuant hereto relating to the development, construction,
8 sale, lease, ownership, operation, and management of
9 residential cooperative units. In performing its duties, the
10 division shall have the following powers and duties:

11 (d) Notwithstanding any remedies available to unit
12 owners and associations, if the division has reasonable cause
13 to believe that a violation of any provision of this chapter
14 or rule promulgated pursuant hereto has occurred, the division
15 may institute enforcement proceedings in its own name against
16 a developer, association, officer, or member of the board, or
17 its assignees or agents, as follows:

18 1. The division may permit a person whose conduct or
19 actions may be under investigation to waive formal proceedings
20 and enter into a consent proceeding whereby orders, rules, or
21 letters of censure or warning, whether formal or informal, may
22 be entered against the person.

23 2. The division may issue an order requiring the
24 developer, association, officer, or member of the board, or
25 its assignees or agents, to cease and desist from the unlawful
26 practice and take such affirmative action as in the judgment
27 of the division will carry out the purposes of this chapter.
28 Such affirmative action may include, but is not limited to, an
29 order requiring a developer to pay moneys determined to be
30 owed to a condominium association.

31

1 3. The division may bring an action in circuit court
2 on behalf of a class of unit owners, lessees, or purchasers
3 for declaratory relief, injunctive relief, or restitution.

4 4. The division may impose a civil penalty against a
5 developer or association, or its assignees or agents, for any
6 violation of this chapter or a rule promulgated pursuant
7 hereto. The division may impose a civil penalty individually
8 against any officer or board member who willfully and
9 knowingly violates a provision of this chapter, a rule adopted
10 pursuant to this chapter, or a final order of the division.
11 The term "willfully and knowingly" means that the division
12 informed the officer or board member that his or her action or
13 intended action violates this chapter, a rule adopted under
14 this chapter, or a final order of the division, and that the
15 officer or board member refused to comply with the
16 requirements of this chapter, a rule adopted under this
17 chapter, or a final order of the division. The division, prior
18 to initiating formal agency action under chapter 120, shall
19 afford the officer or board member an opportunity to
20 voluntarily comply with this chapter, a rule adopted under
21 this chapter, or a final order of the division. An officer or
22 board member who complies within 10 days is not subject to a
23 civil penalty. A penalty may be imposed on the basis of each
24 day of continuing violation, but in no event shall the penalty
25 for any offense exceed \$5,000. By January 1, 1998, the
26 division shall adopt, by rule, penalty guidelines applicable
27 to possible violations or to categories of violations of this
28 chapter or rules adopted by the division. The guidelines must
29 specify a meaningful range of civil penalties for each such
30 violation of the statute and rules and must be based upon the
31 harm caused by the violation, the repetition of the violation,

1 and upon such other factors deemed relevant by the division.
2 For example, the division may consider whether the violations
3 were committed by a developer or owner-controlled association,
4 the size of the association, and other factors. The guidelines
5 must designate the possible mitigating or aggravating
6 circumstances that justify a departure from the range of
7 penalties provided by the rules. It is the legislative intent
8 that minor violations be distinguished from those which
9 endanger the health, safety, or welfare of the cooperative
10 residents or other persons and that such guidelines provide
11 reasonable and meaningful notice to the public of likely
12 penalties that may be imposed for proscribed conduct. This
13 subsection does not limit the ability of the division to
14 informally dispose of administrative actions or complaints by
15 stipulation, agreed settlement, or consent order. All amounts
16 collected shall be deposited with the Chief Financial Officer
17 ~~Treasurer~~ to the credit of the Division of Florida Land Sales,
18 Condominiums, and Mobile Homes Trust Fund. If a developer
19 fails to pay the civil penalty, the division shall thereupon
20 issue an order directing that such developer cease and desist
21 from further operation until such time as the civil penalty is
22 paid or may pursue enforcement of the penalty in a court of
23 competent jurisdiction. If an association fails to pay the
24 civil penalty, the division shall thereupon pursue enforcement
25 in a court of competent jurisdiction, and the order imposing
26 the civil penalty or the cease and desist order shall not
27 become effective until 20 days after the date of such order.
28 Any action commenced by the division shall be brought in the
29 county in which the division has its executive offices or in
30 the county where the violation occurred.
31

1 Section 1893. Subsection (3) of section 721.24,
2 Florida Statutes, is amended to read:

3 721.24 Firesafety.--

4 (3) The Division of State Fire Marshal of the
5 Department of Financial Services ~~Insurance~~ may prescribe
6 uniform standards for firesafety equipment for timeshare units
7 of timeshare plans for which the construction contracts were
8 let before October 1, 1983. An entire building shall be
9 equipped as outlined, except that the approved sprinkler
10 system may be delayed by the Division of State Fire Marshal
11 until October 1, 1991, on a schedule for complete compliance
12 in accordance with rules adopted by the Division of State Fire
13 Marshal, which schedule shall include a provision for a 1-year
14 extension which may be granted not more than three times for
15 any individual requesting an extension. The entire system
16 must be installed and operational by October 1, 1994. The
17 Division of State Fire Marshal shall not grant an extension
18 for the approved sprinkler system unless a written request for
19 the extension and a construction work schedule is submitted.
20 The Division of State Fire Marshal may grant an extension upon
21 demonstration that compliance with this section by the date
22 required would impose an extreme hardship and a
23 disproportionate financial impact. Any establishment that has
24 been granted an extension by the Division of State Fire
25 Marshal shall post, in a conspicuous place on the premises, a
26 public notice stating that the establishment has not yet
27 installed the approved sprinkler system required by law.

28 Section 1894. Paragraph (e) of subsection (5) of
29 section 721.26, Florida Statutes, is amended to read:

30 721.26 Regulation by division.--The division has the
31 power to enforce and ensure compliance with the provisions of

1 this chapter, except for parts III and IV, using the powers
2 provided in this chapter, as well as the powers prescribed in
3 chapters 498, 718, and 719. In performing its duties, the
4 division shall have the following powers and duties:

5 (5) Notwithstanding any remedies available to
6 purchasers, if the division has reasonable cause to believe
7 that a violation of this chapter, or of any division rule or
8 order promulgated or issued pursuant to this chapter, has
9 occurred, the division may institute enforcement proceedings
10 in its own name against any regulated party, as such term is
11 defined in this subsection:

12 (e)1. The division may impose a penalty against any
13 regulated party for a violation of this chapter or any rule
14 adopted thereunder. A penalty may be imposed on the basis of
15 each day of continuing violation, but in no event may the
16 penalty for any offense exceed \$10,000. All accounts
17 collected shall be deposited with the Chief Financial Officer
18 ~~Treasurer~~ to the credit of the Division of Florida Land Sales,
19 Condominiums, and Mobile Homes Trust Fund.

20 2.a. If a regulated party fails to pay a penalty, the
21 division shall thereupon issue an order directing that such
22 regulated party cease and desist from further operation until
23 such time as the penalty is paid; or the division may pursue
24 enforcement of the penalty in a court of competent
25 jurisdiction.

26 b. If an association or managing entity fails to pay a
27 civil penalty, the division may pursue enforcement in a court
28 of competent jurisdiction.

29 Section 1895. Paragraph (e) of subsection (5) of
30 section 723.006, Florida Statutes, is amended to read:

31

1 723.006 Powers and duties of division.--In performing
2 its duties, the division has the following powers and duties:

3 (5) Notwithstanding any remedies available to mobile
4 home owners, mobile home park owners, and homeowners'
5 associations, if the division has reasonable cause to believe
6 that a violation of any provision of this chapter or any rule
7 promulgated pursuant hereto has occurred, the division may
8 institute enforcement proceedings in its own name against a
9 developer, mobile home park owner, or homeowners' association,
10 or its assignee or agent, as follows:

11 (e)1. The division may impose a civil penalty against
12 a mobile home park owner or homeowners' association, or its
13 assignee or agent, for any violation of this chapter, a
14 properly promulgated park rule or regulation, or a rule or
15 regulation promulgated pursuant hereto. A penalty may be
16 imposed on the basis of each separate violation and, if the
17 violation is a continuing one, for each day of continuing
18 violation, but in no event may the penalty for each separate
19 violation or for each day of continuing violation exceed
20 \$5,000. All amounts collected shall be deposited with the
21 Chief Financial Officer ~~Treasurer~~ to the credit of the
22 Division of Florida Land Sales, Condominiums, and Mobile Homes
23 Trust Fund.

24 2. If a violator fails to pay the civil penalty, the

26 violator cease and desist from further violation until such
27 time as the civil penalty is paid or may pursue enforcement of
28 the penalty in a court of competent jurisdiction. If a

30 division shall thereupon pursue enforcement in a court of
31 competent jurisdiction, and the order imposing the civil

1 penalty or the cease and desist order shall not become

15 the Chief Financial Officer ~~Treasurer~~, a person claiming to be

17 Florida Hospital Association shall be for terms of 3 years;
18 thereafter, such representatives shall be appointed for terms
19 of 4 years. Subsequent to initial appointments for 4-year
20 terms, the representative of the osteopathic physicians' or
21 podiatric physicians' insurance or self-insurance appointed by
22 the Chief Financial Officer ~~Insurance Commissioner~~ and the
23 representative of hospital self-insurance appointed by the
24 Chief Financial Officer ~~Insurance Commissioner~~ shall be
25 appointed for 2-year terms; thereafter, such representatives
26 shall be appointed for terms of 4 years. Each appointed member
27 may designate in writing to the chair an alternate to act in
28 the member's absence or incapacity. A member of the board, or
29 the member's alternate, may be reimbursed from the assets of
30 the fund for expenses incurred by him or her as a member, or
31 alternate member, of the board and for committee work, but he

1 or she may not otherwise be compensated by the fund for his or
2 her service as a board member or alternate.

3 2. There shall be no liability on the part of, and no
4 cause of action of any nature shall arise against, the fund or
5 its agents or employees, professional advisers or consultants,
6 members of the board of governors or their alternates, or the
7 Department of Financial Services or the Office of Insurance
8 Regulation of the Financial Services Commission ~~Insurance~~ or
9 their ~~its~~ representatives for any action taken by them in the
10 performance of their powers and duties pursuant to this
11 section.

12 (c) Powers of the fund.--The fund has the power to:

13 1. Sue and be sued, and appear and defend, in all
14 actions and proceedings in its name to the same extent as a
15 natural person.

16 2. Adopt, change, amend, and repeal a plan of
17 operation, not inconsistent with law, for the regulation and
18 administration of the affairs of the fund. The plan and any
19 changes thereto shall be filed with the Office of Insurance
20 Regulation of the Financial Services Commission ~~Insurance~~
21 ~~Commissioner~~ and are all subject to its ~~his or her~~ approval
22 before implementation by the fund. All fund members, board
23 members, and employees shall comply with the plan of
24 operation.

25 3. Have and exercise all powers necessary or
26 convenient to effect any or all of the purposes for which the
27 fund is created.

28 4. Enter into such contracts as are necessary or
29 proper to carry out the provisions and purposes of this
30 section.

31

1 5. Employ or retain such persons as are necessary to
2 perform the administrative and financial transactions and
3 responsibilities of the fund and to perform other necessary or
4 proper functions unless prohibited by law.

5 6. Take such legal action as may be necessary to avoid
6 payment of improper claims.

7 7. Indemnify any employee, agent, member of the board
8 of governors or his or her alternate, or person acting on
9 behalf of the fund in an official capacity, for expenses,
10 including attorney's fees, judgments, fines, and amounts paid
11 in settlement actually and reasonably incurred by him or her
12 in connection with any action, suit, or proceeding, including
13 any appeal thereof, arising out of his or her capacity in
14 acting on behalf of the fund, if he or she acted in good faith
15 and in a manner he or she reasonably believed to be in, or not
16 opposed to, the best interests of the fund and, with respect
17 to any criminal action or proceeding, he or she had reasonable
18 cause to believe his or her conduct was lawful.

19 (d) Fees and assessments.--Each health care provider,
20 as set forth in subsection (2), electing to comply with
21 paragraph (2)(b) for a given fiscal year shall pay the fees
22 and any assessments established under this section relative to
23 such fiscal year, for deposit into the fund. Those entering
24 the fund after the fiscal year has begun shall pay a prorated
25 share of the yearly fees for a prorated membership.
26 Actuarially sound membership fees payable annually,
27 semiannually, or quarterly with appropriate service charges
28 shall be established by the fund before January 1 of each
29 fiscal year, based on the following considerations:
30
31

1 1. Past and prospective loss and expense experience in
2 different types of practice and in different geographical
3 areas within the state;

4 2. The prior claims experience of the members covered
5 under the fund; and

6 3. Risk factors for persons who are retired,
7 semiretired, or part-time professionals.

8
9 Such fees shall be based on not more than three geographical
10 areas, not necessarily contiguous, with five categories of
11 practice and with categories which contemplate separate risk
12 ratings for hospitals, for health maintenance organizations,
13 for ambulatory surgical facilities, and for other medical
14 facilities. The fund is authorized to adjust the fees of an
15 individual member to reflect the claims experience of such
16 member. Each fiscal year of the fund shall operate
17 independently of preceding fiscal years. Participants shall
18 only be liable for assessments for claims from years during
19 which they were members of the fund; in cases in which a
20 participant is a member of the fund for less than the total
21 fiscal year, a member shall be subject to assessments for that
22 year on a pro rata basis determined by the percentage of
23 participation for the year. The fund shall submit to the
24 Office of Insurance Regulation ~~Insurance Commissioner~~ the
25 classifications and membership fees to be charged, and the
26 Office of Insurance Regulation ~~Insurance Commissioner~~ shall
27 review such fees and shall approve them if they comply with
28 all the requirements of this section and fairly reflect the
29 considerations provided for in this section. If the
30 classifications or membership fees do not comply with this
31 section, the Office of Insurance Regulation ~~Insurance~~

1 ~~Commissioner~~ shall set classifications or membership fees
2 which do comply and which give due recognition to all
3 considerations provided for in this section. Nothing
4 contained herein shall be construed as imposing liability for
5 payment of any part of a fund deficit on the Joint
6 Underwriting Association authorized by s. 627.351(4) or its
7 member insurers. If the fund determines that the amount of
8 money in an account for a given fiscal year is in excess of or
9 not sufficient to satisfy the claims made against the account,
10 the fund shall certify the amount of the projected excess or
11 insufficiency to the Office of Insurance Regulation ~~Insurance~~
12 ~~Commissioner~~ and request the office ~~Insurance Commissioner~~ to
13 levy an assessment against or refund to all participants in
14 the fund for that fiscal year, prorated, based on the number
15 of days of participation during the year in question. The
16 Office of Insurance Regulation ~~Insurance Commissioner~~ shall
17 approve the request of the fund to refund to, or levy any
18 assessment against, the participants, provided the refund or
19 assessment fairly reflects the same considerations and
20 classifications upon which the membership fees were based. The
21 assessment shall be in an amount sufficient to satisfy reserve
22 requirements for known claims, including expenses to satisfy
23 the claims, made against the account for a given fiscal year.
24 In any proceeding to challenge the amount of the refund or
25 assessment, it is to be presumed that the amount of refund or
26 assessment requested by the fund is correct, if the fund
27 demonstrates that it has used reasonable claims handling and
28 reserving procedures. Additional assessments may be certified
29 and levied in accordance with this paragraph as necessary for
30 any fiscal year. If a fund member objects to his or her
31 assessment, he or she shall, as a condition precedent to

1 bringing legal action contesting the assessment, pay the
2 assessment, under protest, to the fund. The fund may borrow
3 money needed for current operations, if necessary to pay
4 claims and related expenses, fees, and costs timely for a
5 given fiscal year, from an account for another fiscal year
6 until such time as sufficient funds have been obtained through
7 the assessment process. Any such money, together with
8 interest at the mean interest rate earned on the investment
9 portfolio of the fund, shall be repaid from the next
10 assessment for the given fiscal year. If any assessments are
11 levied in accordance with this subsection as a result of
12 claims in excess of \$500,000 per occurrence, and such
13 assessments are a result of the liability of certain
14 individuals and entities specified in paragraph (2)(e), only
15 hospitals shall be subject to such assessments. Before
16 approving the request of the fund to charge membership fees,
17 issue refunds, or levy assessments, the Office of Insurance
18 Regulation ~~Insurance Commissioner~~ shall publish notice of the
19 request in the Florida Administrative Weekly. Pursuant to
20 chapter 120, any party substantially affected may request an
21 appropriate proceeding. Any petition for such a proceeding
22 shall be filed with the Office of Insurance Regulation
23 ~~Department of Insurance~~ within 21 days after the date of
24 publication of the notice in the Florida Administrative
25 Weekly.

26 (e) Fund accounting and audit.--

27 1. Money shall be withdrawn from the fund only upon a
28 voucher as authorized by the board of governors.

29 2. All books, records, and audits of the fund shall be
30 open for reasonable inspection to the general public, except
31 that a claim file in possession of the fund, fund members, and

1 their insurers is confidential and exempt from the provisions
2 of s. 119.07(1) and s. 24(a), Art. I of the State Constitution
3 until termination of litigation or settlement of the claim,
4 although medical records and other portions of the claim file
5 may remain confidential and exempt as otherwise provided by
6 law. Any book, record, document, audit, or asset acquired by,
7 prepared for, or paid for by the fund is subject to the
8 authority of the board of governors, which shall be
9 responsible therefor.

10 3. Persons authorized to receive deposits, issue
11 vouchers, or withdraw or otherwise disburse any fund moneys
12 shall post a blanket fidelity bond in an amount reasonably
13 sufficient to protect fund assets. The cost of such bond shall
14 be paid from the fund.

15 4. Annually, the fund shall furnish, upon request,
16 audited financial reports to any fund participant and to the
17 Office of Insurance Regulation ~~Department of Insurance~~ and the
18 Joint Legislative Auditing Committee. The reports shall be
19 prepared in accordance with accepted accounting procedures and
20 shall include income and such other information as may be
21 required by the Office of Insurance Regulation ~~Department of~~
22 ~~Insurance~~ or the Joint Legislative Auditing Committee.

23 5. Any money held in the fund shall be invested in
24 interest-bearing investments by the board of governors of the
25 fund as administrator. However, in no case may any such money
26 be invested in the stock of any insurer participating in the
27 Joint Underwriting Association authorized by s. 627.351(4) or
28 in the parent company of, or company owning a controlling
29 interest in, such insurer. All income derived from such
30 investments shall be credited to the fund.

31

1 6. Any health care provider participating in the fund
2 may withdraw from such participation only at the end of a
3 fiscal year; however, such health care provider shall remain
4 subject to any assessment or any refund pertaining to any year
5 in which such member participated in the fund.

6 (g) Risk management program.--The fund shall establish
7 a risk management program as part of its administrative
8 functions. All health care providers, as defined in
9 subparagraphs (1)(b)1., 5., 6., and 7., participating in the
10 fund shall comply with the provisions of the risk management
11 program established by the fund. The risk management program
12 shall include the following components:

13 1. The investigation and analysis of the frequency and
14 causes of general categories and specific types of adverse
15 incidents causing injury to patients;

16 2. The development of appropriate measures to minimize
17 the risk of injuries and adverse incidents to patients;

18 3. The analysis of patient grievances which relate to
19 patient care and the quality of medical services;

20 4. The development and implementation of an incident
21 reporting system based upon the affirmative duty of all health
22 care providers and all agents and employees of health care
23 providers and health care facilities to report injuries and
24 incidents; and

25 5. Auditing of participating health care providers to
26 assure compliance with the provisions of the risk management
27 program.

28
29 The fund shall establish a schedule of fee surcharges which it
30 shall levy upon participating health care providers found to
31 be in violation of the provisions of the risk management

1 program. Such schedule shall be subject to approval by the
2 Office of Insurance Regulation ~~department~~ and shall provide an
3 escalating scale of surcharges based upon the frequency and
4 severity of the incidents in violation of the risk management
5 program. No health care provider shall be required to pay a
6 surcharge if it has corrected all violations of the provisions
7 of the risk management program and established an affirmative
8 program to remain in compliance by the time its next fee or
9 assessment is due.

10 Section 1900. Subsection (7) of section 766.1115,
11 Florida Statutes, is amended to read:

12 766.1115 Health care providers; creation of agency
13 relationship with governmental contractors.--

14 (7) RISK MANAGEMENT REPORT.--The Division of Risk
15 Management of the Department of Financial Services ~~Insurance~~
16 shall annually compile a report of all claims statistics for
17 all entities participating in the risk management program
18 administered by the division, which shall include the number
19 and total of all claims pending and paid, and defense and
20 handling costs associated with all claims brought against
21 contract providers under this section. This report shall be
22 forwarded to the department and included in the annual report
23 submitted to the Legislature pursuant to this section.

24 Section 1901. Subsections (2) and (5), paragraph (a)
25 of subsection (6), subsection (7), and paragraph (c) of
26 subsection (9) of section 766.314, Florida Statutes, are
27 amended to read:

28 766.314 Assessments; plan of operation.--

29 (2) The assessments and appropriations dedicated to
30 the plan shall be administered by the Florida Birth-Related
31

1 Neurological Injury Compensation Association established in s.
2 766.315, in accordance with the following requirements:

3 (a) On or before July 1, 1988, the directors of the
4 association shall submit to the Department of Insurance for
5 review a plan of operation which shall provide for the
6 efficient administration of the plan and for prompt processing
7 of claims against and awards made on behalf of the plan. The
8 plan of operation shall include provision for:

- 9 1. Establishment of necessary facilities;
- 10 2. Management of the funds collected on behalf of the
11 plan;
- 12 3. Processing of claims against the plan;
- 13 4. Assessment of the persons and entities listed in
14 subsections (4) and (5) to pay awards and expenses, which
15 assessments shall be on an actuarially sound basis subject to
16 the limits set forth in subsections (4) and (5); and
- 17 5. Any other matters necessary for the efficient
18 operation of the birth-related neurological injury
19 compensation plan.

20 ~~(b) The plan of operation shall be subject to approval~~
21 ~~by the Department of Insurance after consultation with~~
22 ~~representatives of state agencies which collect revenue~~
23 ~~pursuant to this section and interested individuals and~~
24 ~~organizations. If the Department of Insurance disapproves all~~
25 ~~or any part of the plan of operation, the directors shall~~
26 ~~within 30 days submit for review an appropriate revised plan~~
27 ~~of operation. If the directors fail to do so, the Department~~
28 ~~of Insurance shall promulgate a plan of operation. The plan~~
29 ~~of operation approved or promulgated by the Department of~~
30 ~~Insurance shall become effective and operational upon order of~~
31 ~~the Department of Insurance.~~

1 **(b)**~~(c)~~ Amendments to the plan of operation may be made
2 by the directors of the plan, subject to the approval of the
3 Office of Insurance Regulation of the Financial Services
4 Commission ~~Department of Insurance~~.

5 (5)(a) Beginning January 1, 1990, the persons and
6 entities listed in paragraphs (4)(b) and (c), except those
7 persons or entities who are specifically excluded from said
8 provisions, as of the date determined in accordance with the
9 plan of operation, taking into account persons licensed
10 subsequent to the payment of the initial assessment, shall pay
11 an annual assessment in the amount equal to the initial
12 assessments provided in paragraphs (4)(b) and (c). On January
13 1, 1991, and on each January 1 thereafter, the association
14 shall determine the amount of additional assessments necessary
15 pursuant to subsection (7), in the manner required by the plan
16 of operation, subject to any increase determined to be
17 necessary by the Office of Insurance Regulation ~~Department of~~
18 ~~Insurance~~ pursuant to paragraph (7)(b). On July 1, 1991, and
19 on each July 1 thereafter, the persons and entities listed in
20 paragraphs (4)(b) and (c), except those persons or entities
21 who are specifically excluded from said provisions, shall pay
22 the additional assessments which were determined on January 1.
23 Beginning January 1, 1990, the entities listed in paragraph
24 (4)(a), including those licensed on or after October 1, 1988,
25 shall pay an annual assessment of \$50 per infant delivered
26 during the prior calendar year. The additional assessments
27 which were determined on January 1, 1991, pursuant to the
28 provisions of subsection (7) shall not be due and payable by
29 the entities listed in paragraph (4)(a) until July 1.

30 (b) If the assessments collected pursuant to
31 subsection (4) and the appropriation of funds provided by s.

1 76, chapter 88-1, Laws of Florida, as amended by s. 41,
2 chapter 88-277, Laws of Florida, to the plan from the
3 Insurance ~~Commissioner's~~ Regulatory Trust Fund are
4 insufficient to maintain the plan on an actuarially sound
5 basis, there is hereby appropriated for transfer to the
6 association from the Insurance ~~Commissioner's~~ Regulatory Trust
7 Fund an additional amount of up to \$20 million.

8 (c)1. Taking into account the assessments collected
9 pursuant to subsection (4) and appropriations from the
10 Insurance ~~Commissioner's~~ Regulatory Trust Fund, if required to
11 maintain the plan on an actuarially sound basis, the Office of
12 Insurance Regulation ~~Department of Insurance~~ shall require
13 each entity licensed to issue casualty insurance as defined in
14 s. 624.605(1)(b), (k), and (q) to pay into the association an
15 annual assessment in an amount determined by the office
16 ~~department~~ pursuant to paragraph (7)(a), in the manner
17 required by the plan of operation.

18 2. All annual assessments shall be made on the basis
19 of net direct premiums written for the business activity which
20 forms the basis for each such entity's inclusion as a funding
21 source for the plan in the state during the prior year ending
22 December 31, as reported to the Office of Insurance Regulation
23 ~~Department of Insurance~~, and shall be in the proportion that
24 the net direct premiums written by each carrier on account of
25 the business activity forming the basis for its inclusion in
26 the plan bears to the aggregate net direct premiums for all
27 such business activity written in this state by all such
28 entities.

29 3. No entity listed in this paragraph shall be
30 individually liable for an annual assessment in excess of 0.25
31 percent of that entity's net direct premiums written.

1 4. Casualty insurance carriers shall be entitled to
2 recover their initial and annual assessments through a
3 surcharge on future policies, a rate increase applicable
4 prospectively, or a combination of the two.

5 (6)(a) The association shall make all assessments
6 required by this section, except initial assessments of
7 physicians licensed on or after October 1, 1988, which
8 assessments will be made by the Department of Business and
9 Professional Regulation, and except assessments of casualty
10 insurers pursuant to subparagraph (5)(c)1., which assessments
11 will be made by the Office of Insurance Regulation ~~Department~~
12 ~~of Insurance~~. Beginning October 1, 1989, for any physician
13 licensed between October 1 and December 31 of any year, the
14 Department of Business and Professional Regulation shall make
15 the initial assessment plus the assessment for the following
16 calendar year. The Department of Business and Professional
17 Regulation shall provide the association, with such frequency
18 as determined to be necessary, a listing, in a
19 computer-readable form, of the names and addresses of all
20 physicians licensed under chapter 458 or chapter 459.

21 (7)(a) The Office of Insurance Regulation ~~Department~~
22 ~~of Insurance~~ shall undertake an actuarial investigation of the
23 requirements of the plan based on the plan's experience in the
24 first year of operation and any additional relevant
25 information, including without limitation the assets and
26 liabilities of the plan. Pursuant to such investigation, the
27 Office of Insurance Regulation ~~Department of Insurance~~ shall
28 establish the rate of contribution of the entities listed in
29 paragraph (5)(c) for the tax year beginning January 1, 1990.
30 Following the initial valuation, the Office of Insurance
31 Regulation ~~Department of Insurance~~ shall cause an actuarial

1 valuation to be made of the assets and liabilities of the plan
2 no less frequently than biennially. Pursuant to the results of
3 such valuations, the Office of Insurance Regulation ~~Department~~
4 ~~of Insurance~~ shall prepare a statement as to the contribution
5 rate applicable to the entities listed in paragraph (5)(c).
6 However, at no time shall the rate be greater than 0.25
7 percent of net direct premiums written.

8 (b) If the Office of Insurance Regulation ~~Department~~
9 ~~of Insurance~~ finds that the plan cannot be maintained on an
10 actuarially sound basis based on the assessments and
11 appropriations listed in subsections (4) and (5), the office
12 ~~department~~ shall increase the assessments specified in
13 subsection (4) on a proportional basis as needed.

14 (9)

15 (c) In the event the total of all current estimates
16 equals 80 percent of the funds on hand and the funds that will
17 become available to the association within the next 12 months
18 from all sources described in subsections (4) and (5) and
19 paragraph (7)(a), the association shall not accept any new
20 claims without express authority from the Legislature. Nothing
21 herein shall preclude the association from accepting any claim
22 if the injury occurred 18 months or more prior to the
23 effective date of this suspension. Within 30 days of the
24 effective date of this suspension, the association shall
25 notify the Governor, the Speaker of the House of
26 Representatives, the President of the Senate, the Office of
27 Insurance Regulation ~~Department of Insurance~~, the Agency for
28 Health Care Administration, the Department of Health, and the
29 Department of Business and Professional Regulation of this
30 suspension.

31

1 Section 1902. Paragraph (c) of subsection (1),
2 subsection (2), and paragraph (d) of subsection (5) of section
3 766.315, Florida Statutes, are amended to read:

4 766.315 Florida Birth-Related Neurological Injury
5 Compensation Association; board of directors.--

6 (1)

7 (c) The directors shall be appointed by the Chief
8 Financial Officer ~~Insurance Commissioner~~ as follows:

- 11 3. One representative of hospitals.
- 12 4. One representative of casualty insurers.
- 13 5. One representative of physicians other than
14 participating physicians.

15 (2)(a) The Chief Financial Officer ~~Insurance~~
16 ~~Commissioner~~ may select the representative of the
17 participating physicians from a list of at least three names
18 to be recommended by the Florida Obstetric and Gynecologic
19 Society; the representative of hospitals from a list of at
20 least three names to be recommended by the Florida Hospital
21 Association; the representative of casualty insurers from a
22 list of at least three names, one of which is recommended by
23 the American Insurance Association, one by the Alliance of
24 American Insurers, and one by the National Association of
25 Independent Insurers; and the representative of physicians
26 other than participating physicians from a list of three names
27 to be recommended by the Florida Medical Association and a
28 list of three names to be recommended by the Florida
29 Osteopathic Medical Association. In no case shall the Chief
30 Financial Officer ~~Insurance Commissioner~~ be bound to make any
31

1 appointment from among the nominees of such respective
2 associations.

3 (b) The Chief Financial Officer ~~Insurance Commissioner~~
4 shall promptly notify the appropriate medical association upon
5 the occurrence of any vacancy, and like nominations may be
6 made for the filling of the vacancy.

7 (5)

8 (d) Annually, the association shall furnish audited
9 financial reports to any plan participant upon request, to the
10 Office of Insurance Regulation of the Financial Services
11 Commission ~~Department of Insurance~~, and to the Joint
12 Legislative Auditing Committee. The reports must be prepared
13 in accordance with accepted accounting procedures and must
14 include such information as may be required by the Office of
15 Insurance Regulation ~~Department of Insurance~~ or the Joint
16 Legislative Auditing Committee. At any time determined to be
17 necessary, the Office of Insurance Regulation ~~Department of~~
18 ~~Insurance~~ or the Joint Legislative Auditing Committee may
19 conduct an audit of the plan.

20 Section 1903. Subsection (3), paragraphs (a) and (d)
21 of subsection (6), and subsection (7) of section 768.28,
22 Florida Statutes, are amended to read:

23 768.28 Waiver of sovereign immunity in tort actions;
24 recovery limits; limitation on attorney fees; statute of
25 limitations; exclusions; indemnification; risk management
26 programs.--

27 (3) Except for a municipality and the Florida Space
28 Authority, the affected agency or subdivision may, at its
29 discretion, request the assistance of the Department of
30 Financial Services ~~Insurance~~ in the consideration, adjustment,
31 and settlement of any claim under this act.

1 (6)(a) An action may not be instituted on a claim
2 against the state or one of its agencies or subdivisions
3 unless the claimant presents the claim in writing to the
4 appropriate agency, and also, except as to any claim against a
5 municipality or the Florida Space Authority, presents such
6 claim in writing to the Department of Financial Services
7 ~~Insurance~~, within 3 years after such claim accrues and the
8 Department of Financial Services ~~Insurance~~ or the appropriate
9 agency denies the claim in writing; except that, if such claim
10 is for contribution pursuant to s. 768.31, it must be so
11 presented within 6 months after the judgment against the
12 tortfeasor seeking contribution has become final by lapse of
13 time for appeal or after appellate review or, if there is no
14 such judgment, within 6 months after the tortfeasor seeking
15 contribution has either discharged the common liability by
16 payment or agreed, while the action is pending against her or
17 him, to discharge the common liability.

18 (d) For purposes of this section, complete, accurate,
19 and timely compliance with the requirements of paragraph (c)
20 shall occur prior to settlement payment, close of discovery or
21 commencement of trial, whichever is sooner; provided the
22 ability to plead setoff is not precluded by the delay. This
23 setoff shall apply only against that part of the settlement or
24 judgment payable to the claimant, minus claimant's reasonable
25 attorney's fees and costs. Incomplete or inaccurate
26 disclosure of unpaid adjudicated claims due the state, its
27 agency, officer, or subdivision, may be excused by the court
28 upon a showing by the preponderance of the evidence of the
29 claimant's lack of knowledge of an adjudicated claim and
30 reasonable inquiry by, or on behalf of, the claimant to obtain
31 the information from public records. Unless the appropriate

1 agency had actual notice of the information required to be
2 disclosed by paragraph (c) in time to assert a setoff, an
3 unexcused failure to disclose shall, upon hearing and order of
4 court, cause the claimant to be liable for double the original
5 undisclosed judgment and, upon further motion, the court shall
6 enter judgment for the agency in that amount. The failure of
7 the Department of Financial Services Insurance or the
8 appropriate agency to make final disposition of a claim within
9 6 months after it is filed shall be deemed a final denial of
10 the claim for purposes of this section. For purposes of this
11 subsection, in medical malpractice actions, the failure of the
12 Department of Financial Services Insurance or the appropriate
13 agency to make final disposition of a claim within 90 days
14 after it is filed shall be deemed a final denial of the claim.
15 The provisions of this subsection do not apply to such claims
16 as may be asserted by counterclaim pursuant to s. 768.14.
