B. EFFECT OF PROPOSED CHANGES:

Effect of Proposed Changes

This bill increases the amount of money that may be borrowed from \$150,000 for a period of time not to exceed 2 years to \$1 million for a period not to exceed 5 years. According to the district commissioners, borrowing capacity is inadequate to meet the current and future needs of the district.

Present Situation

The Florida Keys Mosquito Control District (District), originally known as the Monroe County Anti-Mosquito District, was created in 1949, by chapter 26042, Laws of Florida and has been subsequently amended. The District codified its charter by 2002-346, Laws of Florida. The District's purpose is to achieve and maintain arthropod control to protect human health and safety and foster the quality of life of people, promote the economic development of the state, and facilitate the enjoyment of its natural attractions by reducing the number of pestiferous and disease-carrying arthropods.

C. SECTION DIRECTORY:

Section 1. Amends section 5 of chapter 2002-346, L.O.F., relating to the powers of the board of commissioners to increase the amount of money to be borrowed.

Section 2. Provides that the act shall take effect upon becoming law.
