A bill to be entitled
An act relating to prescriptions for medicinal
drugs; prohibiting persons from requiring the
use of a federally issued prescriber
identification number on a prescription when
such use is not otherwise required; providing
penalties; providing an effective date.

Be It Enacted by the Legislature of the State of Florida:

Section 1. It is unlawful for any person, firm, or corporation to require the use on a prescription of a federally issued registration number that authorizes the prescriber to prescribe controlled substances or scheduled drugs when that use is not otherwise required by federal or state law or rule. Violation of this section constitutes a misdemeanor of the second degree, punishable as provided in section 775.082 or section 775.083, Florida Statutes.

Section 2. This act shall take effect July 1, 2003.

SENATE SUMMARY

Prohibits persons, firms, and corporations from requiring the use of a federally issued identification number on any prescription that is not required by federal or state law or rule to have it. Violation constitutes a second-degree misdemeanor.
