Representative Greenstein offered the following:

Amendment (with title amendment)

Between lines 50 and 51, insert:

Section 3. Security plans for sources of potable water and potable water treatment facilities owned or operated by or under contract to a regional water supply authority, county, special district, or municipality are exempt from the requirements of s. 119.07(1), Florida Statutes, and s. 24(a), Article I of the State Constitution. Materials that depict critical operating and distribution facilities are also exempt if the regional water supply authority, county, special district, or municipality determines that the materials contain information that is not generally known and that could jeopardize the public health, safety, and welfare. Such materials include, but are not limited to, information on chemical purchases and storage, power

28 generation systems, facility operations manuals, design
 29 information, and security systems, plans, and maps. This section
 30 is subject to the Open Government Sunset Review Act of 1995 in
 31 accordance with s. 119.15, Florida Statutes, and shall stand
 32 repealed on October 2, 2008, unless reviewed and saved from
 33 repeal through reenactment by the Legislature.

34 Section 4. The Legislature finds that the exemption from
 35 public records requirements for security plans for sources of
 36 potable water and potable water treatment facilities owned or
 37 operated by or under contract to a regional water supply
 38 authority, county, special district, or municipality
 39 provided by this act are necessary to ensure the security of
 40 potable water sources and potable water treatment facilities
 41 that are critical to the public health, safety, and welfare and
 42 that are potential targets for terrorist activities.
