Representative Garcia offered the following:

**Amendment**

Remove line(s) 377-378, and insert:  
who participate in the vote in that respective county or upon approval by a vote of at least two-thirds of the governing body of the county. Approval of the annual license tax by the governing board of the county shall be ratified and approved within 2 years by a vote of at least a majority of qualified electors who participate in the vote in that county or, if not approved by the referendum, the license tax shall be discontinued. Following approval by the residents or governing body in a county served by the authority,
