17 and insert:

18 (1) The Legislature recognizes that Recommendation 15  
19 of the Final Report of the Wekiva Basin Area Task Force, dated  
20 January 15, 2003 addressed the potential to enhance protection  
21 of the Wekiva River System through the regulatory authority of  
22 the St. Johns River Water Management District. Therefore, the  
23 Legislature directs the St. Johns River Water Management  
24 District to review its permitting rules authorized under Parts  
25 II and IV to determine whether additional criteria specific to  
26 the Wekiva River Springshed Protection Area are appropriate to  
27 protect the water quality and flow of springs in accordance  
28 with state water quality standards and s. 373.042 in the  
29 Wekiva River System as defined in s. 369.303(10). The review  
30 shall include, but need not be limited to consideration of  
31 criteria to address: aquifer recharge protection; permitting
