Senators Wasserman Schultz and Wilson moved the following amendment:

**Senate Amendment**

On page 2, lines 13-17, delete those lines

and insert: earning a grade of "D" or "F." The charter for a school district that qualifies based on school grades applies for 2 full school years after qualification and shall be extended by 1 year for each year that the district continues to qualify based on the school grades within the district. If a school within a district that has qualified based on school grades receives a grade of "D" or "F," the charter may not be extended or renewed until the district again meets the qualifications set forth in the act.
