27 (3)(a) For the purpose of staggering terms, the	27	(3)(a) For the purpose of staggering terms, the
28 Governor shall appoint the initial members of the board as	28	Governor shall appoint the initial members of the board as
29 <u>follows:</u>	29	follows:
30 <u>1. Two licensee members and one consumer member for</u>	30	1. Two licensee members and one consumer member for
31 terms of 2 years each.	31	terms of 2 years each.

1	2. Two licensee members and one consumer member for
2	terms of 3 years each.
3	3. One licensee member for a term of 4 years.
4	(b) As the terms of the members expire, the Governor
5	shall appoint successors for terms of 4 years, and such
6	members shall serve until their successors are appointed.
7	(4) All provisions of chapter 456 relating to the
8	board shall apply.
9	468.907 Authority to adopt rulesThe board shall
10	adopt rules pursuant to ss. 120.536(1) and 120.54 to implement
11	the provisions of this part conferring duties on it, including
12	rules relating to standards of practice for genetic
13	counselors.
14	468.908 Licensure requirements; temporary license
15	(1) Any person desiring to be licensed as a genetic
16	counselor under this part must apply to the department on a
17	form approved by the department.
18	(2) The department shall license each applicant who:
19	(a) Has completed the application form and remitted
20	the required fees.
21	(b) Is of good moral character.
22	(c) Provides satisfactory documentation of having
23	earned:
24	1. A master's degree from a genetic counseling
25	training program or an equivalent program as determined by the
26	American Board of Genetic Counseling; or
27	2. A doctoral degree from a medical genetics training
28	program that is accredited by the American Board of Medical
29	Genetics.
30	(d) Has passed the examination for certification as:
31	

1	1. A genetic counselor by the American Board of
2	Genetic Counseling or the American Board of Medical Genetics;
3	or
4	2. A medical or clinical geneticist by the American
5	Board of Medical Genetics.
б	(3) The department may issue a temporary license to an
7	applicant who meets all of the requirements for licensure
8	except the examination requirement in this section and has
9	obtained active candidate status establishing eligibility to
10	sit for the next available certification exam administered by
11	the American Board of Genetic Counseling.
12	468.909 Renewal of license; continuing education
13	(1) The department shall renew a license upon receipt
14	of the renewal application and fee.
15	(2) The board shall adopt rules establishing a
16	procedure for the biennial renewal of licenses under this
17	part.
18	(3) The board may by rule prescribe continuing
19	education requirements and approve course criteria, not to
20	exceed 30 hours biennially, as a condition for license
21	renewal. The board shall establish a procedure for approving
22	continuing education courses, and providers and may set a fee
23	for continuing education courses and provider approval.
24	<u>468.911 Fees</u>
25	(1) The board shall by rule establish fees for the
26	following purposes:
27	(a) An application fee, not to exceed \$100.
28	(b) An initial licensure fee, not to exceed \$200.
29	(c) A biennial renewal fee, not to exceed \$200.
30	(d) An inactive fee, not to exceed \$100.
31	(e) A delinquent fee, not to exceed \$100.
	-

1 (f) A reactivation fee, not to exceed \$100. (g) A voluntary inactive fee, not to exceed \$100. 2 3 (2) The board shall establish fees at a level, not to exceed the statutory fee cap, which is adequate to ensure the 4 5 continued operation of the regulatory program under this б The board shall neither set nor maintain the fees at a part. 7 level that will substantially exceed this need. 8 468.912 Prohibitions; penalties.--9 (1) A person may not: 10 (a) Make a false or fraudulent statement in any 11 application, affidavit, or statement presented to the board or in any proceeding before the board. 12 (b) Practice genetic counseling without a license 13 issued under this part unless exempt from licensure under this 14 15 part. (c) Use the title "genetic counselor" or any other 16 17 title or designation tending to indicate that the person is a genetic counselor or is otherwise authorized to practice 18 19 genetic counseling unless that person has a current license as a genetic counselor issued under this part or is exempt from 20 licensure under this part. 21 (2) A person who violates any provision of this 22 section commits a misdemeanor of the second degree, punishable 23 24 as provided in s. 775.082 or s. 775.083. 25 468.913 Grounds for disciplinary action.--The following acts constitute grounds for denial 26 (1)27 of a license or disciplinary action, as specified in s. 28 456.072(2): 29 (a) Attempting to procure a license by fraudulent 30 misrepresentation. 31

_	
1	(b) Having a license to practice genetic counseling
2	revoked, suspended, or otherwise acted against, including the
3	denial of licensure in another jurisdiction.
4	(c) Being convicted or found guilty of or pleading
5	nolo contendere to, regardless of adjudication, in any
6	jurisdiction, a crime that directly relates to the practice of
7	genetic counseling, including violations of federal laws or
8	regulations regarding genetic counseling.
9	(d) Filing a report or record that the licensee knows
10	is false, intentionally or negligently failing to file a
11	report or record required by state or federal law, willfully
12	impeding or obstructing such filing, or inducing another
13	person to impede or obstruct such filing. Such reports or
14	records include only reports or records that are signed in a
15	person's capacity as a licensee under this act.
16	(e) Advertising goods or services in a fraudulent,
17	false, deceptive, or misleading manner.
18	(f) Violation of an order of the board or department
19	previously entered in a disciplinary hearing or failure to
20	comply with a subpoena issued by the board or the department.
21	(g) Practicing with a revoked, suspended, or inactive
22	license.
23	(h) Gross or repeated malpractice or the failure to
24	deliver genetic counseling services with that level of care
25	and skill which is recognized by a reasonably prudent licensed
26	practitioner with similar professional training as being
27	acceptable under similar conditions and circumstances.
28	(i) Unprofessional conduct, which shall include, but
29	not be limited to, any departure from, or the failure to
30	conform to, the minimum standards of acceptable and prevailing
31	

1 genetic counseling practice as set forth by the board in rules adopted pursuant to this part, including: 2 3 1. Engaging in any act or practice in a professional capacity which the licensee is not competent to perform 4 5 through training or experience. б 2. Failing to refer a client to other competent 7 professionals when the licensee is unable or unwilling to 8 adequately support or serve the client. 9 3. Failing to maintain the confidentiality of any 10 information received from a client, unless released by the 11 client or otherwise authorized or required by law. 4. Exploiting a client for personal advantage, profit, 12 13 or interest. (j) Violating any provision of this part or chapter 14 456, or any rules adopted pursuant thereto. 15 (2) The board may enter an order denying licensure or 16 17 imposing any of the penalties in s. 456.072(2) against any applicant for licensure or licensee who is found guilty of 18 19 violating any provision of subsection (1) or who is found guilty of violating any provision of s. 456.072(1). 20 21 Section 2. This act shall take effect July 1, 2003. 22 23 24 25 26 27 28 29 30 31
