18	<u>Research to Eradicate Disease.--</u>		
19	<u>(1) The Legislature finds that an estimated 128</u>		
20	<u>million Americans suffer from acute, chronic, and degenerative</u>		
21	<u>diseases and that biomedical research is the key to finding</u>		
22	<u>cures for these diseases that negatively affect all</u>		
23	<u>Floridians. The Legislature further finds that, while there is</u>		
24	<u>much research being conducted throughout this state and</u>		
25	<u>throughout the world, there is a lack of coordination of</u>		
26	<u>efforts among researchers. The Legislature, therefore, finds</u>		
27	<u>that there is a significant need for a coordinated effort if</u>		
28	<u>the goal of curing disease is to be achieved. Moreover, the</u>		
29	<u>Legislature finds that the biomedical technology sector meets</u>		
30	<u>the criteria of a high-impact sector, pursuant to section</u>		
31	<u>288.108, Florida Statutes, having a high importance to this</u>

1 state's economy with a significant potential for growth and  
2 contribution to our universities and quality of life.

3 (2) It is the intent of the Legislature that Florida  
4 strive to become the nation's leader in biomedical research  
5 and commit itself to being the state to find cures for the  
6 most deadly and widespread diseases. It is further the intent  
7 of the Legislature that there be a coordinated effort among  
8 the state's public and private universities and the biomedical  
9 industry to discover such cures. Moreover, it is the intent of  
10 the Legislature to expand the state economy by attracting  
11 biomedical researchers and research companies to this state.

12 (3) There is established the James and Esther King  
13 Center for Universal Research to Eradicate Disease, which  
14 shall be known as the "CURED."

15 (a) The purpose of the center is to coordinate,  
16 improve, expand, and monitor all biomedical research programs  
17 within the state, facilitate funding opportunities, and foster  
18 improved technology transfer of research findings into  
19 clinical trials and widespread public use.

20 (b) The goal of the center is to find cures for  
21 diseases such as cancer, heart disease, lung disease,  
22 diabetes, and neurological disorders, including Alzheimer's  
23 disease, epilepsy, and Parkinson's disease.

24 (c) The center shall hold an annual biomedical  
25 technology summit in Florida to which biomedical researchers,  
26 biomedical technology companies, business incubators,  
27 pharmaceutical manufacturers, and others around the nation and  
28 world are invited to share biomedical research findings in  
29 order to expedite the discovery of cures. Summit attendees  
30 will be required to cover the costs of such attendance or  
31 obtain sponsorship for such attendance.

3 condition. The center shall facilitate partnerships between  
4 researchers, treating physicians, and community hospitals for  
5 the purpose of sharing new techniques and new research  
6 findings, as well as coordinating voluntary donations to  
7 ensure an adequate supply of adult stem cells or cord blood.

8       (e) The center shall also encourage the discovery and  
9 production in Florida of vaccines that prevent disease.

10       (f) The center shall monitor the supply and demand  
11 needs of researchers relating to stem cell research and other  
12 types of human tissue research. If the center determines that  
13 there is a need for increased donation of human tissue, it  
14 shall notify hospitals licensed pursuant to chapter 395,  
15 Florida Statutes, that have entered into partnership  
16 agreements with research institutes conducting stem cell  
17 research located in the same geographic region as the  
18 researchers demanding the stem cells or other tissues. Such  
19 hospitals shall then implement programs that encourage  
20 voluntary donations of cord blood or other needed adult  
21 tissue.

22       (g) The center shall be funded through private, state,  
23 and federal sources.

24       (h) The center shall serve as a registry of all known

26 private biomedical research program in this state in preparing  
27 grant requests.

28       (i) The center shall maintain a website with links to  
29 peer-reviewed biomedical research. The website shall also  
30 contain a list of all known biomedical research being  
31 conducted in Florida and shall facilitate communication among

4 House of Representatives no later than January 15 which  
5 contains recommendations for legislative change necessary to  
6 foster a positive climate for biomedical research in this  
7 state.

8 (k) The duties of the center may be outsourced by the  
9 Department of Health to a private entity or state university.

10 (4) There is established within the center an advisory  
11 council which shall meet at least annually.

12 (a) The council shall consist of the members of the  
13 board of directors of the Florida Research Consortium and at  
14 least one representative from:

7 Section 5. Section 484.0512, Florida Statutes, is  
8 amended to read:

9 484.0512 Thirty-day trial period; purchaser's right to  
10 cancel; notice; refund; cancellation fee; criminal penalty  
11 procedures.--

12 (1) A person selling a hearing aid in this state must  
13 provide the buyer with written notice of a 30-day trial period  
14 and money-back guarantee. The guarantee must permit the  
15 purchaser to cancel the purchase for a valid reason as defined  
16 by rule of the board within 30 days after receiving the  
17 hearing aid, by returning the hearing aid or mailing written  
18 notice of cancellation to the seller. If the hearing aid must  
19 be repaired, remade, or adjusted during the 30-day trial  
20 period, the running of the 30-day trial period is suspended 1  
21 day for each 24-hour period that the hearing aid is not in the  
22 purchaser's possession. A repaired, remade, or adjusted  
23 hearing aid must be claimed by the purchaser within 3 working  
24 days after notification of availability. The running of the  
25 30-day trial period resumes on the day the purchaser reclaims  
26 the repaired, remade, or adjusted hearing aid or on the fourth  
27 day after notification of availability.

28 (2) The board, in consultation with the Board of  
29 Speech-Language Pathology and Audiology, shall prescribe by  
30 rule the terms and conditions to be contained in the  
31 money-back guarantee and any exceptions thereto. Such rule

Bill No. CS for CS for SB 2390

Amendment No. \_\_\_\_ Barcode 391522

1 shall provide, at a minimum, that the charges for earmolds and  
2 service provided to fit the hearing aid may be retained by the  
3 licensee. The rules shall also set forth any reasonable  
4 charges to be held by the licensee as a cancellation fee. Such  
5 rule shall be effective on or before December 1, 1994. Should  
6 the board fail to adopt such rule, a licensee may not charge a  
7 cancellation fee which exceeds 5 percent of the total charge  
8 for a hearing aid alone. The terms and conditions of the  
9 guarantee, including the total amount available for refund,  
10 shall be provided in writing to the purchaser prior to the  
11 signing of the contract.

12 (3) Within 30 days after the return or attempted  
13 return of the hearing aid, the seller shall refund all moneys  
14 that must be refunded to a purchaser pursuant to this section.  
15 A violation of this subsection is a misdemeanor of the first  
16 degree, punishable as provided in s. 775.082 or s. 775.083.

17 (4) For purposes of this section, the term "seller" or  
18 "person selling a hearing aid" includes:

19 (a) Any natural person licensed under this part or any  
20 other natural person who signs a sales receipt required by s.  
21 484.051(2) or s. 468.1245(2) or who otherwise fits, delivers,  
22 or dispenses a hearing aid.

23 (b) Any business organization, whether a sole  
24 proprietorship, partnership, corporation, professional  
25 association, joint venture, business trust, or other legal  
26 entity, which dispenses a hearing aid or enters into an  
27 agreement to dispense a hearing aid.

28 (c) Any person who controls, manages, or operates an  
29 establishment or business that dispenses a hearing aid or  
30 enters into an agreement to dispense a hearing aid.

31 Section 6. Effective upon this act becoming a law,

Bill No. CS for CS for SB 2390

Amendment No. \_\_\_\_ Barcode 391522

1 subsection (1) of section 456.073, Florida Statutes, is  
2 amended to read:

3           456.073 Disciplinary proceedings.--Disciplinary  
4 proceedings for each board shall be within the jurisdiction of  
5 the department.

6           (1) The department, for the boards under its  
7 jurisdiction, shall cause to be investigated any complaint  
8 that is filed before it if the complaint is in writing, signed  
9 by the complainant, and legally sufficient. A complaint filed  
10 by a state prisoner against a health care practitioner  
11 employed by or otherwise providing health care services within  
12 a facility of the Department of Corrections is not legally  
13 sufficient unless there is a showing that the prisoner  
14 complainant has exhausted all available administrative  
15 remedies within the state correctional system before filing  
16 the complaint. However, if the department determines after a  
17 preliminary inquiry of a state prisoner's complaint, that the  
18 practitioner may present a serious threat to the health and  
19 safety of any individual who is not a state prisoner, the  
20 department may determine legal sufficiency and proceed with  
21 discipline. The Department of Health shall be notified within  
22 15 days whenever the Department of Corrections disciplines or  
23 allows a health care practitioner to resign for an offense  
24 related to the practice of his or her profession. A complaint  
25 is legally sufficient if it contains ultimate facts that show  
26 that a violation of this chapter, of any of the practice acts  
27 relating to the professions regulated by the department, or of  
28 any rule adopted by the department or a regulatory board in  
29 the department has occurred. In order to determine legal  
30 sufficiency, the department may require supporting information  
31 or documentation. The department may investigate, and the

Bill No. CS for CS for SB 2390

Amendment No. \_\_\_\_ Barcode 391522

1 department or the appropriate board may take appropriate final  
2 action on, a complaint even though the original complainant  
3 withdraws it or otherwise indicates a desire not to cause the  
4 complaint to be investigated or prosecuted to completion. The  
5 department may investigate an anonymous complaint if the  
6 complaint is in writing and is legally sufficient, if the  
7 alleged violation of law or rules is substantial, and if the  
8 department has reason to believe, after preliminary inquiry,  
9 that the violations alleged in the complaint are true. The  
10 department may investigate a complaint made by a confidential  
11 informant if the complaint is legally sufficient, if the  
12 alleged violation of law or rule is substantial, and if the  
13 department has reason to believe, after preliminary inquiry,  
14 that the allegations of the complainant are true. The  
15 department may initiate an investigation if it has reasonable  
16 cause to believe that a licensee or a group of licensees has  
17 violated a Florida statute, a rule of the department, or a  
18 rule of a board. Except as provided in ss. 458.331(9),  
19 459.015(9), 460.413(5), and 461.013(6), when an investigation  
20 of any subject is undertaken, the department shall promptly  
21 furnish to the subject or the subject's attorney a copy of the  
22 complaint or document that resulted in the initiation of the  
23 investigation. The subject may submit a written response to  
24 the information contained in such complaint or document within  
25 20 days after service to the subject of the complaint or  
26 document. The subject's written response shall be considered  
27 by the probable cause panel. The right to respond does not  
28 prohibit the issuance of a summary emergency order if  
29 necessary to protect the public. However, if the secretary, or  
30 the secretary's designee, and the chair of the respective  
31 board or the chair of its probable cause panel agree in

Bill No. CS for CS for SB 2390

Amendment No. \_\_\_\_ Barcode 391522

1 writing that such notification would be detrimental to the  
2 investigation, the department may withhold notification. The  
3 department may conduct an investigation without notification  
4 to any subject if the act under investigation is a criminal  
5 offense.

6       Section 7. (1) The Division of Medical Quality  
7 Assurance of the Department of Health shall conduct a study of  
8 clinical and academic training requirements of certified  
9 optometric practitioners, licensed pursuant to chapter 463,  
10 Florida Statutes, to determine the extent to which prescribing  
11 authority may be expanded. The study group shall be composed  
12 of the following members:

13       (a) One pharmacologist representing the University of  
14 Florida;

15       (b) One pharmacologist representing Nova Southeastern  
16 University;

17       (c) One pharmacologist representing Florida  
18 Agricultural and Mechanical University;

19       (d) One ophthalmologist representing Mayo Clinic  
20 Jacksonville;

21       (e) One ophthalmologist representing Bascom Palmer Eye  
22 Institute;

23       (f) One board-certified internist appointed by the  
24 University of South Florida;

25       (g) One optometrist representing the Florida Board of  
26 Optometry;

27       (h) One certified optometric practitioner representing  
28 the Florida Optometric Association; and

29       (i) One certified optometric practitioner appointed by  
30 the Nova Southeastern University College of Optometry.

31       (2) The study group shall be chaired by the Secretary

Bill No. CS for CS for SB 2390

Amendment No. \_\_\_\_ Barcode 391522

1 of Health or his or her designee. The study shall be completed  
2 and a final report presented to the Governor, the President of  
3 the Senate, and the Speaker of the House of Representatives by  
4 January 15, 2004. If applicable, a minority report shall be  
5 completed and presented to the Governor, the President of the  
6 Senate, and the Speaker of the House of Representatives by  
7 January 31, 2004.

8 (3) This section shall take effect upon becoming a  
9 law.

10 Section 8. Present subsection (4) of section 465.0265,  
11 Florida Statutes, is redesignated as subsection (5), and a new  
12 subsection (4) is added to that section, to read:

13 465.0265 Centralized prescription filling.--

14 (4) Pharmacies accessing the same prescription records  
15 in a centralized database or pharmacy computers linked in any  
16 other manner may refill or dispense prescriptions at the  
17 request of another pharmacy so linked if the pharmacies have  
18 the same owner or have a written contract specifying the  
19 services to be provided by each pharmacy, the responsibilities  
20 of each pharmacy, and the manner in which the pharmacies will  
21 comply with federal and state laws and rules. Prescriptions  
22 refilled or dispensed using such a system shall not be  
23 considered prescription transfers or copies if the computer  
24 system registers a complete and full audit trail of all  
25 activities and includes the identification of the pharmacies  
26 and pharmacists accessing the centralized database and if the  
27 system restricts access to the computerized prescription  
28 records to pharmacies or other authorized personnel.

29 Section 9. Subsection (2) of section 466.006, Florida  
30 Statutes, is amended to read:

Amendment No. \_\_\_\_ Barcode 391522

1           (2) An applicant shall be entitled to take the  
2 examinations required in this section to practice dentistry in  
3 this state if the applicant:

14 year of a program at a dental school, a passing score on the  
15 examinations is valid for 180 days after the date the  
16 examinations were completed. A dental school student who takes  
17 the licensure examinations during the student's final year of  
18 an approved dental school must have graduated before being  
19 certified for licensure pursuant to s. 466.011.
