Amendment No.      Barcode 184316

1       (3) Members of the council shall serve without  
2 compensation but are entitled to receive reimbursement for per  
3 diem and travel expenses as provided in s. 112.061. The  
4 council may elect to hire an administrative staff to provide  
5 services to the council on matters relating to the SAFE Act  
6 and the council.

7       (4) The council shall adopt bylaws governing the  
8 manner in which the business of the council will be conducted.  
9 The bylaws shall specify the procedure by which the chair of  
10 the council is elected. The council shall meet at the call of  
11 its chair, at the request of a majority of its membership, or  
12 at such times as may be prescribed in its bylaws. However, the  
13 council must meet at least twice a year. All members of the  
14 council are voting members. A majority of voting members of  
15 the council constitutes a quorum for the purpose of  
16 transacting the business of the council. A vote of the  
17 majority of the members present is sufficient for any action  
18 of the council, except that a member representing the  
19 Department of Transportation, the Department of Community  
20 Affairs, the Department of Law Enforcement, or the Office of  
21 Tourism, Trade, and Economic Development may vote to overrule  
22 any action of the council approving a project pursuant to  
23 paragraph (7)(a). The bylaws of the council may require a  
24 greater vote for a particular action.

25       (5)(a) The council shall prepare a 5-year SAFE Master  
26 Plan defining the goals and objectives of the council  
27 concerning the development of airport facilities and an  
28 intermodal transportation system consistent with the goals of  
29 the Florida Transportation Plan developed pursuant to s.  
30 339.155. The SAFE Master Plan shall include specific  
31 recommendations for:

Bill No. CS for CS for SB 2578

Amendment No.      Barcode 184316

1           1. The acquisition and construction of transportation  
2 facilities connecting any airport to another transportation  
3 mode.

4           2. The acquisition and construction of transportation  
5 facilities or airport facilities for the purpose of protecting  
6 the safety and security of passengers and cargo, enhancing  
7 international trade, promoting cargo flow, increasing  
8 enplanements, increasing airport revenues, and providing  
9 economic benefits to the state.

10           (b) The council shall update the 5-year SAFE Master  
11 Plan annually and shall submit the plan, no later than  
12 February 1 of each year, to the President of the Senate, the  
13 Speaker of the House of Representatives, the Department of  
14 Transportation, the Department of Community Affairs, the  
15 Department of Law Enforcement, and the Office of Tourism,  
16 Trade, and Economic Development.

17           (6) The council shall develop programs, based on an  
18 examination of existing programs in Florida and other states,  
19 for the training of minorities and secondary school students  
20 in job skills associated with employment opportunities in the  
21 aviation industry. Annually, the council shall report on the  
22 progress of these programs and make recommendations for  
23 further action to the President of the Senate and the Speaker  
24 of the House of Representatives.

25           (7) The SAFE council may utilize, as appropriate and  
26 with legislative spending authorization, any federal, state,  
27 and local government contributions as well as private  
28 donations to fund SAFE Master Plan projects.

29           (a) The council shall adopt rules for evaluating  
30 projects which may be funded under this act. The rules shall  
31 provide criteria for evaluating the economic benefit of the

1 project, measured by the potential for the proposed project to  
2 maintain or increase airport security, enplanements, cargo  
3 flow, international commerce, airport revenues, and the number  
4 of jobs for the airport's local community.

5 (b) The council shall review and approve or disapprove  
6 each project eligible to be funded pursuant to this act. The  
7 council shall annually submit a list of projects which have  
8 been approved by the council to the Secretary of  
9 Transportation, the Secretary of Community Affairs, the  
10 Executive Director of the Department of Law Enforcement, and  
11 the director of the Office of Tourism, Trade, and Economic  
12 Development. The list shall specify the recommended funding  
13 level for each project, and, if staged implementation of the  
14 project is appropriate, the funding requirements for each  
15 stage shall be specified.

16 1. The Department of Community Affairs shall review  
17 the list of projects approved by the council to determine  
18 consistency with approved local government comprehensive plans  
19 of the units of local government in which the airport is  
20 located and consistency with the airport master plan. The  
21 Department of Community Affairs shall identify and notify the  
22 council of those projects which are not consistent, to the  
23 maximum extent feasible, with such comprehensive plans and  
24 airport master plans.

25 2. The Department of Transportation shall review the
