Senator Dawson moved the following amendment:

Senate Amendment

On page 8, lines 15-24, delete those lines

and insert: department shall approve alternative cleanup target levels only where no state water quality standard, including drinking water standards, groundwater classification standards, surface water standards, and minimum criteria cleanup target levels as derived pursuant to subparagraph 1., applies and where, the applicant demonstrates, using site-specific data, modeling results, risk assessment studies, risk reduction techniques, or a combination thereof, that public health and safety and the environment are protected to the same degree as provided in subparagraphs 1. and 2. In determining
