Representative Antone offered the following:

Amendment

Remove line(s) 37-39, and insert:

(c) "Political subdivision" means a county, municipality, department, commission, district, board, agency, or any other public or quasi-public body or any private entity receiving compensation in any form in exchange for work done for, on behalf of, or for the benefit of any county, municipality, department, commission, district, board, agency, or any other public or quasi-public body.
