Amendment No. (for drafter's use only)

27 security or identifies the security and the current security28 value.

29 (2) The security required under subsection (1) must be in 30 an amount not less than \$100,000, notwithstanding an award made by an administrative law judge under s. 552.40(7) and may be in 31 32 the form of a bond, letter of credit, certificate of deposit, or 33 other type of security approved by the Division of State Fire 34 Marshal of the Department of Financial Services. In the case of 35 multiple licenseholders and permitholders, a single security in 36 the aggregate amount of not less than \$100,000 may be provided 37 as security for the individual permits and/or licenses. If the user of explosives has not been identified as a respondent in 38 any pending claim for damages under ss. 552.32-552.44, and if 39 40 renewal of the license or permit is not sought, the security 41 required under this section may be released upon the expiration 42 of the license or permit, or 181 days after the final use of 43 explosives under the license, whichever occurs later, provided 44 the security to be released is not security for other permits or 45 licenses. 46 47 48 49 On page 1, line 16, remove: all of said line 50 51 52 and insert: 53 54 to post and maintain security in a specified amount for a 837237
