 2 An act relating to insurance; repealing s.
 3 627.062(6), F.S., relating to arbitration
 4 procedures in the case of a rate filing with
 5 the Department of Insurance; amending s.
 6 627.351, F.S., relating to windstorm insurance
 7 risk apportionment; removing a provision
 8 authorizing arbitration of a rate filing;
 9 amending s. 627.0628, F.S., relating to the
 10 Florida Commission on Hurricane Loss Projection
 11 Methodology; clarifying the membership of the
 12 commission; providing an effective date.

13
 14 Be It Enacted by the Legislature of the State of Florida:

15
 16 Section 1. Subsection (6) of section 627.062, Florida
 17 Statutes, is repealed.

18 Section 2. Paragraph (b) of subsection (2) of section
 19 627.351, Florida Statutes, is amended to read:

20 627.351 Insurance risk apportionment plans.--

21 (2) WINDSTORM INSURANCE RISK APPORTIONMENT.--

22 (b) The department shall require all insurers holding
 23 a certificate of authority to transact property insurance on a
 24 direct basis in this state, other than joint underwriting
 25 associations and other entities formed pursuant to this
 26 section, to provide windstorm coverage to applicants from
 27 areas determined to be eligible pursuant to paragraph (c) who
 28 in good faith are entitled to, but are unable to procure, such
 29 coverage through ordinary means; or it shall adopt a
 30 reasonable plan or plans for the equitable apportionment or
 31 sharing among such insurers of windstorm coverage, which may

1 include formation of an association for this purpose. As used
2 in this subsection, the term "property insurance" means
3 insurance on real or personal property, as defined in s.
4 624.604, including insurance for fire, industrial fire, allied
5 lines, farmowners multiperil, homeowners' multiperil,
6 commercial multiperil, and mobile homes, and including
7 liability coverages on all such insurance, but excluding
8 inland marine as defined in s. 624.607(3) and excluding
9 vehicle insurance as defined in s. 624.605(1)(a) other than
10 insurance on mobile homes used as permanent dwellings. The
11 department shall adopt rules that provide a formula for the
12 recovery and repayment of any deferred assessments.

13 1. For the purpose of this section, properties
14 eligible for such windstorm coverage are defined as dwellings,
15 buildings, and other structures, including mobile homes which
16 are used as dwellings and which are tied down in compliance
17 with mobile home tie-down requirements prescribed by the
18 Department of Highway Safety and Motor Vehicles pursuant to s.
19 320.8325, and the contents of all such properties. An
20 applicant or policyholder is eligible for coverage only if an
21 offer of coverage cannot be obtained by or for the applicant
22 or policyholder from an admitted insurer at approved rates.

23 2.a.(I) All insurers required to be members of such
24 association shall participate in its writings, expenses, and
25 losses. Surplus of the association shall be retained for the
26 payment of claims and shall not be distributed to the member
27 insurers. Such participation by member insurers shall be in
28 the proportion that the net direct premiums of each member
29 insurer written for property insurance in this state during
30 the preceding calendar year bear to the aggregate net direct
31 premiums for property insurance of all member insurers, as

1 reduced by any credits for voluntary writings, in this state
2 during the preceding calendar year. For the purposes of this
3 subsection, the term "net direct premiums" means direct
4 written premiums for property insurance, reduced by premium
5 for liability coverage and for the following if included in
6 allied lines: rain and hail on growing crops; livestock;
7 association direct premiums booked; National Flood Insurance
8 Program direct premiums; and similar deductions specifically
9 authorized by the plan of operation and approved by the
10 department. A member's participation shall begin on the first
11 day of the calendar year following the year in which it is
12 issued a certificate of authority to transact property
13 insurance in the state and shall terminate 1 year after the
14 end of the calendar year during which it no longer holds a
15 certificate of authority to transact property insurance in the
16 state. The commissioner, after review of annual statements,
17 other reports, and any other statistics that the commissioner
18 deems necessary, shall certify to the association the
19 aggregate direct premiums written for property insurance in
20 this state by all member insurers.

21 (II) Effective July 1, 2002, the association shall
22 operate subject to the supervision and approval of a board of
23 governors who are the same individuals that have been
24 appointed by the Treasurer to serve on the board of governors
25 of the Citizens Property Insurance Corporation.

26 (III) The plan of operation shall provide a formula
27 whereby a company voluntarily providing windstorm coverage in
28 affected areas will be relieved wholly or partially from
29 apportionment of a regular assessment pursuant to
30 sub-sub-subparagraph d.(I) or sub-sub-subparagraph d.(II).

31

1 (IV) A company which is a member of a group of
2 companies under common management may elect to have its
3 credits applied on a group basis, and any company or group may
4 elect to have its credits applied to any other company or
5 group.

6 (V) There shall be no credits or relief from
7 apportionment to a company for emergency assessments collected
8 from its policyholders under sub-sub-subparagraph d.(III).

9 (VI) The plan of operation may also provide for the
10 award of credits, for a period not to exceed 3 years, from a
11 regular assessment pursuant to sub-sub-subparagraph d.(I) or
12 sub-sub-subparagraph d.(II) as an incentive for taking
13 policies out of the Residential Property and Casualty Joint
14 Underwriting Association. In order to qualify for the
15 exemption under this sub-sub-subparagraph, the take-out plan
16 must provide that at least 40 percent of the policies removed
17 from the Residential Property and Casualty Joint Underwriting
18 Association cover risks located in Dade, Broward, and Palm
19 Beach Counties or at least 30 percent of the policies so
20 removed cover risks located in Dade, Broward, and Palm Beach
21 Counties and an additional 50 percent of the policies so
22 removed cover risks located in other coastal counties, and
23 must also provide that no more than 15 percent of the policies
24 so removed may exclude windstorm coverage. With the approval
25 of the department, the association may waive these geographic
26 criteria for a take-out plan that removes at least the lesser
27 of 100,000 Residential Property and Casualty Joint
28 Underwriting Association policies or 15 percent of the total
29 number of Residential Property and Casualty Joint Underwriting
30 Association policies, provided the governing board of the
31 Residential Property and Casualty Joint Underwriting

1 Association certifies that the take-out plan will materially
2 reduce the Residential Property and Casualty Joint
3 Underwriting Association's 100-year probable maximum loss from
4 hurricanes. With the approval of the department, the board
5 may extend such credits for an additional year if the insurer
6 guarantees an additional year of renewability for all policies
7 removed from the Residential Property and Casualty Joint
8 Underwriting Association, or for 2 additional years if the
9 insurer guarantees 2 additional years of renewability for all
10 policies removed from the Residential Property and Casualty
11 Joint Underwriting Association.

12 b. Assessments to pay deficits in the association
13 under this subparagraph shall be included as an appropriate
14 factor in the making of rates as provided in s. 627.3512.

15 c. The Legislature finds that the potential for
16 unlimited deficit assessments under this subparagraph may
17 induce insurers to attempt to reduce their writings in the
18 voluntary market, and that such actions would worsen the
19 availability problems that the association was created to
20 remedy. It is the intent of the Legislature that insurers
21 remain fully responsible for paying regular assessments and
22 collecting emergency assessments for any deficits of the
23 association; however, it is also the intent of the Legislature
24 to provide a means by which assessment liabilities may be
25 amortized over a period of years.

26 d.(I) When the deficit incurred in a particular
27 calendar year is 10 percent or less of the aggregate statewide
28 direct written premium for property insurance for the prior
29 calendar year for all member insurers, the association shall
30 levy an assessment on member insurers in an amount equal to
31 the deficit.

1 (II) When the deficit incurred in a particular
2 calendar year exceeds 10 percent of the aggregate statewide
3 direct written premium for property insurance for the prior
4 calendar year for all member insurers, the association shall
5 levy an assessment on member insurers in an amount equal to
6 the greater of 10 percent of the deficit or 10 percent of the
7 aggregate statewide direct written premium for property
8 insurance for the prior calendar year for member insurers. Any
9 remaining deficit shall be recovered through emergency
10 assessments under sub-sub-subparagraph (III).

11 (III) Upon a determination by the board of directors
12 that a deficit exceeds the amount that will be recovered
13 through regular assessments on member insurers, pursuant to
14 sub-sub-subparagraph (I) or sub-sub-subparagraph (II), the
15 board shall levy, after verification by the department,
16 emergency assessments to be collected by member insurers and
17 by underwriting associations created pursuant to this section
18 which write property insurance, upon issuance or renewal of
19 property insurance policies other than National Flood
20 Insurance policies in the year or years following levy of the
21 regular assessments. The amount of the emergency assessment
22 collected in a particular year shall be a uniform percentage
23 of that year's direct written premium for property insurance
24 for all member insurers and underwriting associations,
25 excluding National Flood Insurance policy premiums, as
26 annually determined by the board and verified by the
27 department. The department shall verify the arithmetic
28 calculations involved in the board's determination within 30
29 days after receipt of the information on which the
30 determination was based. Notwithstanding any other provision
31 of law, each member insurer and each underwriting association

1 created pursuant to this section shall collect emergency
2 assessments from its policyholders without such obligation
3 being affected by any credit, limitation, exemption, or
4 deferment. The emergency assessments so collected shall be
5 transferred directly to the association on a periodic basis as
6 determined by the association. The aggregate amount of
7 emergency assessments levied under this sub-sub-subparagraph
8 in any calendar year may not exceed the greater of 10 percent
9 of the amount needed to cover the original deficit, plus
10 interest, fees, commissions, required reserves, and other
11 costs associated with financing of the original deficit, or 10
12 percent of the aggregate statewide direct written premium for
13 property insurance written by member insurers and underwriting
14 associations for the prior year, plus interest, fees,
15 commissions, required reserves, and other costs associated
16 with financing the original deficit. The board may pledge the
17 proceeds of the emergency assessments under this
18 sub-sub-subparagraph as the source of revenue for bonds, to
19 retire any other debt incurred as a result of the deficit or
20 events giving rise to the deficit, or in any other way that
21 the board determines will efficiently recover the deficit. The
22 emergency assessments under this sub-sub-subparagraph shall
23 continue as long as any bonds issued or other indebtedness
24 incurred with respect to a deficit for which the assessment
25 was imposed remain outstanding, unless adequate provision has
26 been made for the payment of such bonds or other indebtedness
27 pursuant to the document governing such bonds or other
28 indebtedness. Emergency assessments collected under this
29 sub-sub-subparagraph are not part of an insurer's rates, are
30 not premium, and are not subject to premium tax, fees, or
31

1 commissions; however, failure to pay the emergency assessment
2 shall be treated as failure to pay premium.

3 (IV) Each member insurer's share of the total regular
4 assessments under sub-sub-subparagraph (I) or
5 sub-sub-subparagraph (II) shall be in the proportion that the
6 insurer's net direct premium for property insurance in this
7 state, for the year preceding the assessment bears to the
8 aggregate statewide net direct premium for property insurance
9 of all member insurers, as reduced by any credits for
10 voluntary writings for that year.

11 (V) If regular deficit assessments are made under
12 sub-sub-subparagraph (I) or sub-sub-subparagraph (II), or by
13 the Residential Property and Casualty Joint Underwriting
14 Association under sub-subparagraph (6)(b)3.a. or
15 sub-subparagraph (6)(b)3.b., the association shall levy upon
16 the association's policyholders, as part of its next rate
17 filing, or by a separate rate filing solely for this purpose,
18 a market equalization surcharge in a percentage equal to the
19 total amount of such regular assessments divided by the
20 aggregate statewide direct written premium for property
21 insurance for member insurers for the prior calendar year.
22 Market equalization surcharges under this sub-sub-subparagraph
23 are not considered premium and are not subject to commissions,
24 fees, or premium taxes; however, failure to pay a market
25 equalization surcharge shall be treated as failure to pay
26 premium.

27 e. The governing body of any unit of local government,
28 any residents of which are insured under the plan, may issue
29 bonds as defined in s. 125.013 or s. 166.101 to fund an
30 assistance program, in conjunction with the association, for
31 the purpose of defraying deficits of the association. In order

1 to avoid needless and indiscriminate proliferation,
2 duplication, and fragmentation of such assistance programs,
3 any unit of local government, any residents of which are
4 insured by the association, may provide for the payment of
5 losses, regardless of whether or not the losses occurred
6 within or outside of the territorial jurisdiction of the local
7 government. Revenue bonds may not be issued until validated
8 pursuant to chapter 75, unless a state of emergency is
9 declared by executive order or proclamation of the Governor
10 pursuant to s. 252.36 making such findings as are necessary to
11 determine that it is in the best interests of, and necessary
12 for, the protection of the public health, safety, and general
13 welfare of residents of this state and the protection and
14 preservation of the economic stability of insurers operating
15 in this state, and declaring it an essential public purpose to
16 permit certain municipalities or counties to issue bonds as
17 will provide relief to claimants and policyholders of the
18 association and insurers responsible for apportionment of plan
19 losses. Any such unit of local government may enter into such
20 contracts with the association and with any other entity
21 created pursuant to this subsection as are necessary to carry
22 out this paragraph. Any bonds issued under this
23 sub-subparagraph shall be payable from and secured by moneys
24 received by the association from assessments under this
25 subparagraph, and assigned and pledged to or on behalf of the
26 unit of local government for the benefit of the holders of
27 such bonds. The funds, credit, property, and taxing power of
28 the state or of the unit of local government shall not be
29 pledged for the payment of such bonds. If any of the bonds
30 remain unsold 60 days after issuance, the department shall
31 require all insurers subject to assessment to purchase the

1 bonds, which shall be treated as admitted assets; each insurer
2 shall be required to purchase that percentage of the unsold
3 portion of the bond issue that equals the insurer's relative
4 share of assessment liability under this subsection. An
5 insurer shall not be required to purchase the bonds to the
6 extent that the department determines that the purchase would
7 endanger or impair the solvency of the insurer. The authority
8 granted by this sub-subparagraph is additional to any bonding
9 authority granted by subparagraph 6.

10 3. The plan shall also provide that any member with a
11 surplus as to policyholders of \$20 million or less writing 25
12 percent or more of its total countrywide property insurance
13 premiums in this state may petition the department, within the
14 first 90 days of each calendar year, to qualify as a limited
15 apportionment company. The apportionment of such a member
16 company in any calendar year for which it is qualified shall
17 not exceed its gross participation, which shall not be
18 affected by the formula for voluntary writings. In no event
19 shall a limited apportionment company be required to
20 participate in any apportionment of losses pursuant to
21 sub-sub-subparagraph 2.d.(I) or sub-sub-subparagraph 2.d.(II)
22 in the aggregate which exceeds \$50 million after payment of
23 available plan funds in any calendar year. However, a limited
24 apportionment company shall collect from its policyholders any
25 emergency assessment imposed under sub-sub-subparagraph
26 2.d.(III). The plan shall provide that, if the department
27 determines that any regular assessment will result in an
28 impairment of the surplus of a limited apportionment company,
29 the department may direct that all or part of such assessment
30 be deferred. However, there shall be no limitation or

31

1 | deferment of an emergency assessment to be collected from
2 | policyholders under sub-sub-subparagraph 2.d.(III).

3 | 4. The plan shall provide for the deferment, in whole
4 | or in part, of a regular assessment of a member insurer under
5 | sub-sub-subparagraph 2.d.(I) or sub-sub-subparagraph 2.d.(II),
6 | but not for an emergency assessment collected from
7 | policyholders under sub-sub-subparagraph 2.d.(III), if, in the
8 | opinion of the commissioner, payment of such regular
9 | assessment would endanger or impair the solvency of the member
10 | insurer. In the event a regular assessment against a member
11 | insurer is deferred in whole or in part, the amount by which
12 | such assessment is deferred may be assessed against the other
13 | member insurers in a manner consistent with the basis for
14 | assessments set forth in sub-sub-subparagraph 2.d.(I) or
15 | sub-sub-subparagraph 2.d.(II).

16 | 5.a. The plan of operation may include deductibles and
17 | rules for classification of risks and rate modifications
18 | consistent with the objective of providing and maintaining
19 | funds sufficient to pay catastrophe losses.

20 | b. ~~The association may require arbitration of a rate~~
21 | ~~filing under s. 627.062(6).~~ It is the intent of the
22 | Legislature that the rates for coverage provided by the
23 | association be actuarially sound and not competitive with
24 | approved rates charged in the admitted voluntary market such
25 | that the association functions as a residual market mechanism
26 | to provide insurance only when the insurance cannot be
27 | procured in the voluntary market. The plan of operation shall
28 | provide a mechanism to assure that, beginning no later than
29 | January 1, 1999, the rates charged by the association for each
30 | line of business are reflective of approved rates in the
31 | voluntary market for hurricane coverage for each line of

1 business in the various areas eligible for association
2 coverage.

3 c. The association shall provide for windstorm
4 coverage on residential properties in limits up to \$10 million
5 for commercial lines residential risks and up to \$1 million
6 for personal lines residential risks. If coverage with the
7 association is sought for a residential risk valued in excess
8 of these limits, coverage shall be available to the risk up to
9 the replacement cost or actual cash value of the property, at
10 the option of the insured, if coverage for the risk cannot be
11 located in the authorized market. The association must accept
12 a commercial lines residential risk with limits above \$10
13 million or a personal lines residential risk with limits above
14 \$1 million if coverage is not available in the authorized
15 market. The association may write coverage above the limits
16 specified in this subparagraph with or without facultative or
17 other reinsurance coverage, as the association determines
18 appropriate.

19 d. The plan of operation must provide objective
20 criteria and procedures, approved by the department, to be
21 uniformly applied for all applicants in determining whether an
22 individual risk is so hazardous as to be uninsurable. In
23 making this determination and in establishing the criteria and
24 procedures, the following shall be considered:

25 (I) Whether the likelihood of a loss for the
26 individual risk is substantially higher than for other risks
27 of the same class; and

28 (II) Whether the uncertainty associated with the
29 individual risk is such that an appropriate premium cannot be
30 determined.

31

1 The acceptance or rejection of a risk by the association
2 pursuant to such criteria and procedures must be construed as
3 the private placement of insurance, and the provisions of
4 chapter 120 do not apply.

5 e. If the risk accepts an offer of coverage through
6 the market assistance program or through a mechanism
7 established by the association, either before the policy is
8 issued by the association or during the first 30 days of
9 coverage by the association, and the producing agent who
10 submitted the application to the association is not currently
11 appointed by the insurer, the insurer shall:

12 (I) Pay to the producing agent of record of the
13 policy, for the first year, an amount that is the greater of
14 the insurer's usual and customary commission for the type of
15 policy written or a fee equal to the usual and customary
16 commission of the association; or

17 (II) Offer to allow the producing agent of record of
18 the policy to continue servicing the policy for a period of
19 not less than 1 year and offer to pay the agent the greater of
20 the insurer's or the association's usual and customary
21 commission for the type of policy written.

22
23 If the producing agent is unwilling or unable to accept
24 appointment, the new insurer shall pay the agent in accordance
25 with sub-sub-subparagraph (I). Subject to the provisions of s.
26 627.3517, the policies issued by the association must provide
27 that if the association obtains an offer from an authorized
28 insurer to cover the risk at its approved rates under either a
29 standard policy including wind coverage or, if consistent with
30 the insurer's underwriting rules as filed with the department,
31 a basic policy including wind coverage, the risk is no longer

1 eligible for coverage through the association. Upon
2 termination of eligibility, the association shall provide
3 written notice to the policyholder and agent of record stating
4 that the association policy must be canceled as of 60 days
5 after the date of the notice because of the offer of coverage
6 from an authorized insurer. Other provisions of the insurance
7 code relating to cancellation and notice of cancellation do
8 not apply to actions under this sub-subparagraph.

9 f. When the association enters into a contractual
10 agreement for a take-out plan, the producing agent of record
11 of the association policy is entitled to retain any unearned
12 commission on the policy, and the insurer shall:

13 (I) Pay to the producing agent of record of the
14 association policy, for the first year, an amount that is the
15 greater of the insurer's usual and customary commission for
16 the type of policy written or a fee equal to the usual and
17 customary commission of the association; or

18 (II) Offer to allow the producing agent of record of
19 the association policy to continue servicing the policy for a
20 period of not less than 1 year and offer to pay the agent the
21 greater of the insurer's or the association's usual and
22 customary commission for the type of policy written.

23
24 If the producing agent is unwilling or unable to accept
25 appointment, the new insurer shall pay the agent in accordance
26 with sub-sub-subparagraph (I).

27 6.a. The plan of operation may authorize the formation
28 of a private nonprofit corporation, a private nonprofit
29 unincorporated association, a partnership, a trust, a limited
30 liability company, or a nonprofit mutual company which may be
31 empowered, among other things, to borrow money by issuing

1 bonds or by incurring other indebtedness and to accumulate
2 reserves or funds to be used for the payment of insured
3 catastrophe losses. The plan may authorize all actions
4 necessary to facilitate the issuance of bonds, including the
5 pledging of assessments or other revenues.

6 b. Any entity created under this subsection, or any
7 entity formed for the purposes of this subsection, may sue and
8 be sued, may borrow money; issue bonds, notes, or debt
9 instruments; pledge or sell assessments, market equalization
10 surcharges and other surcharges, rights, premiums, contractual
11 rights, projected recoveries from the Florida Hurricane
12 Catastrophe Fund, other reinsurance recoverables, and other
13 assets as security for such bonds, notes, or debt instruments;
14 enter into any contracts or agreements necessary or proper to
15 accomplish such borrowings; and take other actions necessary
16 to carry out the purposes of this subsection. The association
17 may issue bonds or incur other indebtedness, or have bonds
18 issued on its behalf by a unit of local government pursuant to
19 subparagraph (6)(g)2., in the absence of a hurricane or other
20 weather-related event, upon a determination by the association
21 subject to approval by the department that such action would
22 enable it to efficiently meet the financial obligations of the
23 association and that such financings are reasonably necessary
24 to effectuate the requirements of this subsection. Any such
25 entity may accumulate reserves and retain surpluses as of the
26 end of any association year to provide for the payment of
27 losses incurred by the association during that year or any
28 future year. The association shall incorporate and continue
29 the plan of operation and articles of agreement in effect on
30 the effective date of chapter 76-96, Laws of Florida, to the
31 extent that it is not inconsistent with chapter 76-96, and as

1 subsequently modified consistent with chapter 76-96. The board
2 of directors and officers currently serving shall continue to
3 serve until their successors are duly qualified as provided
4 under the plan. The assets and obligations of the plan in
5 effect immediately prior to the effective date of chapter
6 76-96 shall be construed to be the assets and obligations of
7 the successor plan created herein.

8 c. In recognition of s. 10, Art. I of the State
9 Constitution, prohibiting the impairment of obligations of
10 contracts, it is the intent of the Legislature that no action
11 be taken whose purpose is to impair any bond indenture or
12 financing agreement or any revenue source committed by
13 contract to such bond or other indebtedness issued or incurred
14 by the association or any other entity created under this
15 subsection.

16 7. On such coverage, an agent's remuneration shall be
17 that amount of money payable to the agent by the terms of his
18 or her contract with the company with which the business is
19 placed. However, no commission will be paid on that portion of
20 the premium which is in excess of the standard premium of that
21 company.

22 8. Subject to approval by the department, the
23 association may establish different eligibility requirements
24 and operational procedures for any line or type of coverage
25 for any specified eligible area or portion of an eligible area
26 if the board determines that such changes to the eligibility
27 requirements and operational procedures are justified due to
28 the voluntary market being sufficiently stable and competitive
29 in such area or for such line or type of coverage and that
30 consumers who, in good faith, are unable to obtain insurance
31 through the voluntary market through ordinary methods would

1 continue to have access to coverage from the association. When
2 coverage is sought in connection with a real property
3 transfer, such requirements and procedures shall not provide
4 for an effective date of coverage later than the date of the
5 closing of the transfer as established by the transferor, the
6 transferee, and, if applicable, the lender.

7 9. Notwithstanding any other provision of law:

8 a. The pledge or sale of, the lien upon, and the
9 security interest in any rights, revenues, or other assets of
10 the association created or purported to be created pursuant to
11 any financing documents to secure any bonds or other
12 indebtedness of the association shall be and remain valid and
13 enforceable, notwithstanding the commencement of and during
14 the continuation of, and after, any rehabilitation,
15 insolvency, liquidation, bankruptcy, receivership,
16 conservatorship, reorganization, or similar proceeding against
17 the association under the laws of this state or any other
18 applicable laws.

19 b. No such proceeding shall relieve the association of
20 its obligation, or otherwise affect its ability to perform its
21 obligation, to continue to collect, or levy and collect,
22 assessments, market equalization or other surcharges,
23 projected recoveries from the Florida Hurricane Catastrophe
24 Fund, reinsurance recoverables, or any other rights, revenues,
25 or other assets of the association pledged.

26 c. Each such pledge or sale of, lien upon, and
27 security interest in, including the priority of such pledge,
28 lien, or security interest, any such assessments, emergency
29 assessments, market equalization or renewal surcharges,
30 projected recoveries from the Florida Hurricane Catastrophe
31 Fund, reinsurance recoverables, or other rights, revenues, or

1 other assets which are collected, or levied and collected,
