House Resolution

A resolution in support of President Bush in his stand against Saddam Hussein.

WHEREAS, the dictatorship of Iraq has continued to develop weapons of mass destruction in violation of United Nations Security Council Resolution 1441, and

WHEREAS, Iraq's dictator, Saddam Hussein, has demonstrated an extraordinary willingness to use these weapons against neighboring nations, as well as the citizens of Iraq itself, and

WHEREAS, Saddam Hussein, with his apparent lack of reticence to wreak mass destruction through the use of the weapons at his command, is a very real threat to the Middle East and to the global economy, NOW, THEREFORE,

Be It Resolved by the House of Representatives of the State of Florida:

That the House of Representatives enthusiastically expresses its support of President George W. Bush, the President's Cabinet, and the men and women of the United States Armed Forces for their remarkable courage and commitment and their steadfast determination to remove Saddam Hussein from power.
