The Committee on Health Care recommends the following:

Committee Substitute

Remove the entire bill and insert:

A bill to be entitled

An act relating to controlled substances; creating s. 831.311, F.S.; prohibiting the sale, manufacture, alteration, delivery, uttering, or possession of counterfeit-resistant prescription blanks for controlled substances; providing penalties; amending s. 893.04, F.S.; providing additional requirements for the dispensing of a controlled substance listed in Schedule II, Schedule III, or Schedule IV; providing rulemaking authority to the Board of Pharmacy; creating s. 893.055, F.S.; requiring the Department of Health to establish an electronic system to monitor the prescribing of controlled substances listed in Schedules II, III, and IV; requiring the dispensing of such controlled substances to be reported through the system; providing exceptions; providing reporting requirements; providing penalties; providing rulemaking authority to the department; requiring the department to cover all costs for the system; providing a continuing appropriation; creating s. 893.065, F.S.; requiring the

HB 0989

2003
CS

29 department to develop and adopt by rule the form and
 30 content for a counterfeit-resistant prescription blank for
 31 voluntary use by physicians to prescribe a controlled
 32 substance listed in Schedule II, Schedule III, or Schedule
 33 IV; providing an appropriation; providing contingent
 34 applicability of penalties; providing contingent effective
 35 dates.

36
 37 Be It Enacted by the Legislature of the State of Florida:

38
 39 Section 1. Section 831.311, Florida Statutes, is created
 40 to read:

41 831.311 Unlawful sale, manufacture, alteration, delivery,
 42 uttering, or possession of counterfeit-resistant prescription
 43 blanks for controlled substances listed in Schedules II, III,
 44 and IV.--

45 (1) It is unlawful for any person with the intent to
 46 injure or defraud any person or to facilitate any violation of
 47 s. 893.13 to sell, manufacture, alter, deliver, utter, or
 48 possess any counterfeit-resistant prescription blanks for
 49 controlled substances adopted by rule of the Department of
 50 Health pursuant to s. 893.065.

51 (2) Any person who violates this section commits a felony
 52 of the third degree, punishable as provided in s. 775.082, s.
 53 775.083, or s. 775.084.

54 Section 2. Section 893.04, Florida Statutes, is amended to
 55 read:

56 893.04 Pharmacist and practitioner.--

HB 0989

2003
CS

57 | (1) A pharmacist, in good faith and in the course of
58 | professional practice only, may dispense controlled substances
59 | upon a written or oral prescription of a practitioner, under the
60 | following conditions:

61 | (a) Oral prescriptions must be promptly reduced to writing
62 | by the pharmacist or recorded electronically if permitted by
63 | federal law.

64 | (b) The written prescription must be dated and signed by
65 | the prescribing practitioner on the day when issued.

66 | (c) There shall appear on the face of the prescription or
67 | written record thereof for the controlled substance the
68 | following information:

69 | 1. The full name and address of the person for whom, or
70 | the owner of the animal for which, the controlled substance is
71 | dispensed.

72 | 2. The full name and address of the prescribing
73 | practitioner and the practitioner's federal controlled substance
74 | registry number shall be printed thereon.

75 | 3. If the prescription is for an animal, the species of
76 | animal for which the controlled substance is prescribed.

77 | 4. The name of the controlled substance prescribed and the
78 | strength, quantity, and directions for use thereof.

79 | 5. The number of the prescription, as recorded in the
80 | prescription files of the pharmacy in which it is filled.

81 | 6. The initials of the pharmacist filling the prescription
82 | and the date filled.

HB 0989

2003
CS

83 (d) The prescription shall be retained on file by the
84 proprietor of the pharmacy in which it is filled for a period of
85 2 years.

86 (e) Affixed to the original container in which a
87 controlled substance is delivered upon a prescription or
88 authorized refill thereof, as hereinafter provided, there shall
89 be a label bearing the following information:

90 1. The name and address of the pharmacy from which such
91 controlled substance was dispensed.

92 2. The date on which the prescription for such controlled
93 substance was filled.

94 3. The number of such prescription, as recorded in the
95 prescription files of the pharmacy in which it is filled.

96 4. The name of the prescribing practitioner.

97 5. The name of the patient for whom, or of the owner and
98 species of the animal for which, the controlled substance is
99 prescribed.

100 6. The directions for the use of the controlled substance
101 prescribed in the prescription.

102 7. A clear, concise warning that it is a crime to transfer
103 the controlled substance to any person other than the patient
104 for whom prescribed.

105 (f) A prescription for a controlled substance listed in
106 Schedule II may be dispensed only upon a written prescription of
107 a practitioner, except that in an emergency situation, as
108 defined by regulation of the Department of Health, such
109 controlled substance may be dispensed upon oral prescription but

HB 0989

2003
CS

110 shall be limited to a 72-hour supply. No prescription for a
111 controlled substance listed in Schedule II may be refilled.

112 (g) No prescription for a controlled substance listed in
113 Schedule Schedules III, Schedule IV, or Schedule V may be filled
114 or refilled more than five times within a period of 6 months
115 after the date on which the prescription was written unless the
116 prescription is renewed by a practitioner.

117 (2)(a) A pharmacist may not dispense a controlled
118 substance listed in Schedule II, Schedule III, or Schedule IV to
119 any patient or patient's agent without first determining, in the
120 exercise of her or his professional judgment, that the order is
121 valid. The pharmacist or pharmacist's agent shall also obtain
122 the patient's or patient's agent identification, in writing,
123 electronic format, or other approved manner prior to dispensing
124 any controlled substance. If the patient or the patient's agent
125 does not have appropriate identification, the pharmacist may
126 dispense the controlled substance only when the pharmacist
127 determines, in the exercise or her or his professional judgment,
128 that the order is valid and includes such information in the
129 patient's record. The Board of Pharmacy may adopt, by rule,
130 required patient identification information for controlled
131 substances and procedures for a pharmacist to verify the
132 validity of a prescription for controlled substance for
133 circumstances in which the pharmacist was not provided required
134 identification information.

135 (b) Any pharmacist that dispenses by mail a controlled
136 substance listed in Schedule II, Schedule III, or Schedule IV

HB 0989

2003
CS

137 shall be exempt from the requirement to obtain suitable
138 identification for the prescription dispensed by mail.

139 (c) Any controlled substance listed in Schedule III or
140 Schedule IV may be dispensed by a pharmacist upon an oral
141 prescription if, before filling the prescription, the pharmacist
142 reduces it to writing or records the prescription electronically
143 if permitted by federal law. Such prescriptions must contain the
144 date of the oral authorization.

145 (d) All written prescriptions prescribed by a practitioner
146 in this state for a controlled substance listed in Schedule II,
147 Schedule III, or Schedule IV must include both a written and a
148 numerical notation of the quantity on the face of the
149 prescription and a notation of the date with the abbreviated
150 month written out on the face of the prescription. A pharmacist
151 shall be permitted, upon verification by the prescriber, to
152 document any information required by this paragraph.

153 (e) A pharmacist may not dispense more than a 30-day
154 supply of a controlled substance listed in Schedule III upon an
155 oral prescription prescribed by a practitioner in this state.

156 (f) A pharmacist may not knowingly fill a prescription
157 that has been forged for a controlled substance listed in
158 Schedule II, Schedule III, or Schedule IV.

159 (3)(2) Notwithstanding the provisions of subsection (1), a
160 pharmacist may dispense a one-time emergency refill of up to a
161 72-hour supply of the prescribed medication for any medicinal
162 drug other than a medicinal drug listed in Schedule II, in
163 compliance with the provisions of s. 465.0275.

HB 0989

2003
CS

164 ~~(4)(3)~~ The legal owner of any stock of controlled
165 substances in a pharmacy, upon discontinuance of dealing in
166 controlled substances, may sell said stock to a manufacturer,
167 wholesaler, or pharmacy. Such controlled substances may be sold
168 only upon an order form, when such an order form is required for
169 sale by the drug abuse laws of the United States or this state,
170 or regulations pursuant thereto.

171 Section 3. Section 893.055, Florida Statutes, is created
172 to read:

173 893.055 Electronic monitoring system for prescription of
174 controlled substances listed in Schedules II, III, and IV.--

175 (1) By January 1, 2004, the Department of Health shall
176 design and establish an electronic system consistent with the
177 American Society for Automation in Pharmacy (ASAP) standards to
178 monitor the prescribing and dispensing of controlled substances
179 listed in Schedules II, III, and IV by health care practitioners
180 within the state and the dispensing of such controlled
181 substances to an individual at a specific address within the
182 state by a pharmacy permitted or registered by the Board of
183 Pharmacy.

184 (2) Any controlled substance listed in Schedule II,
185 Schedule III, or Schedule IV which is dispensed to an individual
186 in this state must be reported to the Department of Health
187 through the system, as soon thereafter as possible but not more
188 than 30 days after the date the controlled substance is
189 dispensed, each time the controlled substance is dispensed. A
190 pharmacy may meet the reporting requirements of this section by
191 providing the Department of Health an exchangeable electronic

HB 0989

2003
CS

192 disc or tape of each controlled substance listed in Schedules
193 II, III, and IV dispensed.

194 (3) This section does not apply to controlled substances:

195 (a) Administered by a health care practitioner directly to
196 a patient.

197 (b) Dispensed by a health care practitioner authorized to
198 prescribe controlled substances directly to a patient and
199 limited to an amount adequate to treat the patient for a period
200 of no more than 72 hours.

201 (c) Dispensed by a health care practitioner or a
202 pharmacist to an inpatient of a facility with an institutional
203 pharmacy permit.

204 (d) Ordered from an institutional pharmacy permitted under
205 s. 465.019 in accordance with the institutional policy for such
206 controlled substances or drugs.

207 (e) Either dispensed by a pharmacist or administered by a
208 health care practitioner to a patient or resident receiving care
209 from a hospital, nursing home, assisted living facility, home
210 health agency, hospice, or intermediate care facility for the
211 developmentally disabled which is licensed in this state.

212 (f) Prescribed or dispensed by a health care practitioner
213 for a patient less than 16 years of age.

214 (4) The data required to be reported under this section
215 shall be determined by the Department of Health by rule but may
216 include any data required under s. 893.04.

217 (5) A practitioner or pharmacist who dispenses a
218 controlled substance under this section must submit the
219 information required by this section in an electronic or other

HB 0989

2003
CS

220 format approved by rule of the Department of Health. The cost to
221 the dispenser in submitting the information required by this
222 subsection shall not be material or extraordinary. Costs not
223 considered to be material or extraordinary include, but are not
224 limited to, regular postage, compact discs, zip drive storage,
225 regular electronic mail, magnetic tapes, diskettes, and
226 facsimile charges. The information submitted to the Department
227 of Health under this section may be transmitted to any person or
228 agency authorized to receive it pursuant to section 2 of House
229 Bill 997 or similar legislation, and that person or agency may
230 maintain the information received for up to 24 months before
231 purging it from its records. All transmissions required by this
232 paragraph shall comply with relevant federal and state privacy
233 and security laws. Notwithstanding the foregoing, any authorized
234 agency receiving such information may maintain it longer than 24
235 months if the information is pertinent to an ongoing
236 investigation or prosecution.

237 (6) Any person who knowingly fails to report the
238 dispensing of a controlled substance listed in Schedule II,
239 Schedule III, or Schedule IV as required by this section commits
240 a misdemeanor of the first degree, punishable as provided in s.
241 775.082 or s. 775.083.

242 (7) The Department of Health and the regulatory boards for
243 the health care practitioners subject to this section shall
244 adopt rules pursuant to ss. 120.536(1) and 120.54 necessary to
245 implement and administer this section.

246 (8) All costs incurred by the Department of Health in
247 implementing the prescription monitoring system shall be borne

HB 0989

2003
CS

248 by the department, and there is appropriated annually from the
249 General Revenue Fund an amount necessary to cover such costs.
250 The Medical Quality Assurance Trust Fund may not be used to
251 implement or otherwise fund the program.

252 Section 4. Section 893.065, Florida Statutes, is created
253 to read:

254 893.065 Counterfeit-resistant prescription blanks for
255 controlled substances listed in Schedules II, III, and IV.--The
256 Department of Health shall develop and adopt by rule the form
257 and content for a counterfeit-resistant prescription blank which
258 may be used by practitioners to prescribe a controlled substance
259 listed in Schedule II, Schedule III, or Schedule IV. The
260 Department of Health may require the prescription blanks to be
261 printed on distinctive, watermarked paper and to bear the
262 preprinted name, address, and category of professional licensure
263 of the practitioner and that practitioner's federal registry
264 number for controlled substances. The prescription blanks may
265 not be transferred.

266 Section 5. There is appropriated from the General Revenue
267 Fund to the Department of Health for fiscal year 2003-2004 an
268 amount sufficient to cover the costs incurred by the department
269 in implementing the provisions of ss. 893.055 and 893.065,
270 Florida Statutes, as created by this act. This section shall
271 take effect July 1, 2003.

272 Section 6. The penalties created in ss. 831.311(2) and
273 893.055(6), Florida Statutes, by this act shall be effective
274 only upon the adoption by the Department of Health and each
275 applicable professional regulatory board of the rules required

HB 0989

2003
CS

276 | pursuant to ss. 893.055(7) and 893.065, Florida Statutes, as
277 | created by this act.

278 | Section 7. Except as otherwise provided herein, this act
279 | shall take effect July 1, 2004, if House Bill 997 or similar
280 | legislation is adopted in the same legislative session or an
281 | extension thereof and becomes law.
