627.730-627.7405. When the Agency for Health Care Administration provides, pays, or becomes liable for medical assistance under the Medicaid program related to injury, sickness, disease, or death arising out of the ownership, maintenance, or use of a motor vehicle, benefits under ss. 627.730-627.7405 shall be subject to the provisions of the Medicaid program.

(a) An insurer may require written notice to be given as
soon as practicable after an accident involving a motor vehicle
with respect to which the policy affords the security required
by ss. 627.730-627.7405.

38 Personal injury protection insurance benefits paid (b) 39 pursuant to this section shall be overdue if not paid within 30 40 days after the insurer is furnished written notice of the fact 41 of a covered loss and of the amount of same. If such written 42 notice is not furnished to the insurer as to the entire claim, 43 any partial amount supported by written notice is overdue if not paid within 30 days after such written notice is furnished to 44 45 the insurer. Any part or all of the remainder of the claim that is subsequently supported by written notice is overdue if not 46 47 paid within 30 days after such written notice is furnished to 48 the insurer. When an insurer pays only a portion of a claim or 49 rejects a claim, the insurer shall provide at the time of the 50 partial payment or rejection an itemized specification of each 51 item that the insurer had reduced, omitted, or declined to pay 52 and any information that the insurer desires the claimant to 53 consider related to the medical necessity of the denied 54 treatment or to explain the reasonableness of the reduced 55 charge, provided that this shall not limit the introduction of 56 evidence at trial; and the insurer shall include the name and

57 address of the person to whom the claimant should respond and a 58 claim number to be referenced in future correspondence. 59 However, notwithstanding the fact that written notice has been 60 furnished to the insurer, any payment shall not be deemed 61 overdue when the insurer has reasonable proof to establish that 62 the insurer is not responsible for the payment. For the purpose 63 of calculating the extent to which any benefits are overdue, 64 payment shall be treated as being made on the date a draft or 65 other valid instrument which is equivalent to payment was placed 66 in the United States mail in a properly addressed, postpaid 67 envelope or, if not so posted, on the date of delivery. This 68 paragraph does not preclude or limit the ability of the insurer 69 to assert that the claim was unrelated, was not medically 70 necessary, or was unreasonable or that the amount of the charge 71 was in excess of that permitted under, or in violation of, 72 subsection (5). Such assertion by the insurer may be made at any time, including after payment of the claim or after the 30-day 73 74 time period for payment set forth in this paragraph.

(c) All overdue payments shall bear simple interest at the rate established by the Comptroller under s. 55.03 or the rate established in the insurance contract, whichever is greater, for the year in which the payment became overdue, calculated from the date the insurer was furnished with written notice of the amount of covered loss. Interest shall be due at the time payment of the overdue claim is made.

82 (d) The insurer of the owner of a motor vehicle shall pay83 personal injury protection benefits for:

84 1. Accidental bodily injury sustained in this state by the85 owner while occupying a motor vehicle, or while not an occupant

776177

Amendment No. (for drafter's use only)

86 of a self-propelled vehicle if the injury is caused by physical 87 contact with a motor vehicle.

88 2. Accidental bodily injury sustained outside this state, 89 but within the United States of America or its territories or 90 possessions or Canada, by the owner while occupying the owner's 91 motor vehicle.

92 3. Accidental bodily injury sustained by a relative of the 93 owner residing in the same household, under the circumstances 94 described in subparagraph 1. or subparagraph 2., provided the 95 relative at the time of the accident is domiciled in the owner's 96 household and is not himself or herself the owner of a motor 97 vehicle with respect to which security is required under ss. 98 627.730-627.7405.

99 4. Accidental bodily injury sustained in this state by any 100 other person while occupying the owner's motor vehicle or, if a 101 resident of this state, while not an occupant of a self-102 propelled vehicle, if the injury is caused by physical contact 103 with such motor vehicle, provided the injured person is not 104 himself or herself:

105a. The owner of a motor vehicle with respect to which106security is required under ss. 627.730-627.7405; or

107 b. Entitled to personal injury benefits from the insurer108 of the owner or owners of such a motor vehicle.

(e) If two or more insurers are liable to pay personal
injury protection benefits for the same injury to any one
person, the maximum payable shall be as specified in subsection
(1), and any insurer paying the benefits shall be entitled to
recover from each of the other insurers an equitable pro rata

Amendment No. (for drafter's use only)

114 share of the benefits paid and expenses incurred in processing
115 the claim.

(f) It is a violation of the insurance code for an insurer to fail to timely provide benefits as required by this section with such frequency as to constitute a general business practice.

120 (g) Benefits shall not be due or payable to or on the 121 behalf of an insured person if that person has committed, by a 122 material act or omission, any insurance fraud relating to 123 personal injury protection coverage under his or her policy, if 124 the fraud is admitted to in a sworn statement by the insured or 125 if it is established in a court of competent jurisdiction. Any insurance fraud shall void all coverage arising from the claim 126 127 related to such fraud under the personal injury protection 128 coverage of the insured person who committed the fraud, 129 irrespective of whether a portion of the insured person's claim may be legitimate, and any benefits paid prior to the discovery 130 131 of the insured person's insurance fraud shall be recoverable by 132 the insurer from the person who committed insurance fraud in 133 their entirety. The prevailing party is entitled to its costs 134 and attorney's fees in any action in which it prevails in an 135 insurer's action to enforce its right of recovery under this 136 paragraph.

(5) CHARGES FOR TREATMENT OF INJURED PERSONS.--

(a) Any physician, hospital, clinic, or other person or
institution lawfully rendering treatment to an injured person
for a bodily injury covered by personal injury protection
insurance may charge <u>the insurer and injured party</u> only a
reasonable amount <u>pursuant to this section</u> for the services and

776177

Page 5 of 28

143 supplies rendered, and the insurer providing such coverage may 144 pay for such charges directly to such person or institution 145 lawfully rendering such treatment, if the insured receiving such 146 treatment or his or her guardian has countersigned the properly 147 completed invoice, bill, or claim form approved by the 148 Department of Insurance upon which such charges are to be paid 149 for as having actually been rendered, to the best knowledge of 150 the insured or his or her guardian. In no event, however, may 151 such a charge be in excess of the amount the person or 152 institution customarily charges for like services or supplies in 153 cases involving no insurance. With respect to a determination of 154 whether a charge for a particular service, treatment, or otherwise is reasonable, consideration may be given to evidence 155 156 of usual and customary charges and payments accepted by the provider involved in the dispute, and reimbursement levels in 157 158 the community and various federal and state medical fee 159 schedules applicable to automobile and other insurance 160 coverages, and other information relevant to the reasonableness of the reimbursement for the service, treatment, or supply. 161 162 (b)1. An insurer or insured is not required to pay a claim 163 or charges: 164 a. Made by a broker or by a person making a claim on 165 behalf of a broker; 166 b. For any service or treatment that was not lawful at the 167 time rendered; 168 c. To any person who knowingly submits a false or 169 misleading statement relating to the claim or charges; 170 d. With respect to a bill or statement that does not 171 substantially meet the applicable requirements of paragraph (d); 776177

Amendment No. (for drafter's use only)

172 e. For any treatment or service that is upcoded, or that 173 is unbundled when such treatment or services should be bundled, 174 in accordance with paragraph (d). To facilitate prompt payment of lawful services, an insurer may change codes that it 175 176 determines to have been improperly or incorrectly upcoded or 177 unbundled, and may make payment based on the changed codes, 178 without affecting the right of the provider to dispute the 179 change by the insurer, provided that before doing so, the 180 insurer must contact the health care provider and discuss the 181 reasons for the insurer's change and the health care provider's 182 reason for the coding, or make a reasonable good-faith effort to 183 do so, as documented in the insurer's file; and

184 <u>f. For medical services or treatment billed by a physician</u>
 185 <u>and not provided in a hospital unless such services are rendered</u>
 186 <u>by the physician or are incident to his or her professional</u>
 187 <u>services and are included on the physician's bill, including</u>
 188 <u>documentation verifying that the physician is responsible for</u>
 189 <u>the medical services that were rendered and billed</u>.

190 2. Charges for medically necessary cephalic thermograms, 191 peripheral thermograms, spinal ultrasounds, extremity 192 ultrasounds, video fluoroscopy, and surface electromyography 193 shall not exceed the maximum reimbursement allowance for such 194 procedures as set forth in the applicable fee schedule or other 195 payment methodology established pursuant to s. 440.13.

196 3. Allowable amounts that may be charged to a personal 197 injury protection insurance insurer and insured for medically 198 necessary nerve conduction testing when done in conjunction with 199 a needle electromyography procedure and both are performed and 200 billed solely by a physician licensed under chapter 458, chapter

4. Allowable amounts that may be charged to a personal injury protection insurance insurer and insured for medically necessary nerve conduction testing that does not meet the requirements of subparagraph 3. shall not exceed the applicable fee schedule or other payment methodology established pursuant to s. 440.13.

221 5. Effective upon this act becoming a law and before 222 November 1, 2001, allowable amounts that may be charged to a 223 personal injury protection insurance insurer and insured for 224 magnetic resonance imaging services shall not exceed 200 percent 225 of the allowable amount under Medicare Part B for year 2001, for 226 the area in which the treatment was rendered. Beginning November 227 1, 2001, allowable amounts that may be charged to a personal 228 injury protection insurance insurer and insured for magnetic 229 resonance imaging services shall not exceed 175 percent of the

230 allowable amount under the participating physician fee schedule of Medicare Part B for year 2001, for the area in which the 231 232 treatment was rendered, adjusted annually on August 1 to reflect 233 the prior calendar year's changes in the annual Medical Care Item of the Consumer Price Index for All Urban Consumers in the 234 South Region as determined by the Bureau of Labor Statistics of 235 236 the United States Department of Labor by an additional amount 237 equal to the medical Consumer Price Index for Florida, except 238 that allowable amounts that may be charged to a personal injury 239 protection insurance insurer and insured for magnetic resonance 240 imaging services provided in facilities accredited by the American College of Radiology or the Joint Commission on 241 242 Accreditation of Healthcare Organizations shall not exceed 200 percent of the allowable amount under the participating 243 physician fee schedule of Medicare Part B for year 2001, for the 244 245 area in which the treatment was rendered, adjusted annually on August 1 to reflect the prior calendar year's changes in the 246 247 annual Medical Care Item of the Consumer Price Index for All 248 Urban Consumers in the South Region as determined by the Bureau 249 of Labor Statistics of the United States Department of Labor by 250 an additional amount equal to the medical Consumer Price Index 251 for Florida. This paragraph does not apply to charges for 252 magnetic resonance imaging services and nerve conduction testing 253 for inpatients and emergency services and care as defined in 254 chapter 395 rendered by facilities licensed under chapter 395. 255 6. The Department of Health, in consultation with the 256 appropriate professional licensing boards, shall adopt, by rule, 257 a list of diagnostic tests deemed not to be medically necessary 258 for use in the treatment of persons sustaining bodily injury

Amendment No. (for drafter's use only)

259 covered by personal injury protection benefits under this 260 section. The initial list shall be adopted by January 1, 2004, 261 and shall be revised from time to time as determined by the 262 Department of Health, in consultation with the respective professional licensing boards. Inclusion of a test on the list 263 264 of invalid diagnostic tests shall be based on lack of 265 demonstrated medical value and a level of general acceptance by 266 the relevant provider community and shall not be dependent for 267 results entirely upon subjective patient response. 268 Notwithstanding its inclusion on a fee schedule in this 269 subsection, an insurer or insured is not required to pay any 270 charges or reimburse claims for any invalid diagnostic test as 271 determined by the Department of Health.

272 (c)1. With respect to any treatment or service, other than 273 medical services billed by a hospital or other provider for 274 emergency services as defined in s. 395.002 or inpatient services rendered at a hospital-owned facility, the statement of 275 276 charges must be furnished to the insurer by the provider and may 277 not include, and the insurer is not required to pay, charges for 278 treatment or services rendered more than 35 days before the 279 postmark date of the statement, except for past due amounts 280 previously billed on a timely basis under this paragraph, and 281 except that, if the provider submits to the insurer a notice of 282 initiation of treatment within 21 days after its first 283 examination or treatment of the claimant, the statement may 284 include charges for treatment or services rendered up to, but 285 not more than, 75 days before the postmark date of the statement. The injured party is not liable for, and the provider 286 287 shall not bill the injured party for, charges that are unpaid

Amendment No. (for drafter's use only)

288 because of the provider's failure to comply with this paragraph.
289 Any agreement requiring the injured person or insured to pay for
290 such charges is unenforceable.

291 2. If, however, the insured fails to furnish the provider 292 with the correct name and address of the insured's personal 293 injury protection insurer, the provider has 35 days from the 294 date the provider obtains the correct information to furnish the 295 insurer with a statement of the charges. The insurer is not 296 required to pay for such charges unless the provider includes 297 with the statement documentary evidence that was provided by the 298 insured during the 35-day period demonstrating that the provider 299 reasonably relied on erroneous information from the insured and 300 either:

301

<u>a.1.</u> A denial letter from the incorrect insurer; or

302 <u>b.2.</u> Proof of mailing, which may include an affidavit 303 under penalty of perjury, reflecting timely mailing to the 304 incorrect address or insurer.

305 3. For emergency services and care as defined in s. 306 395.002 rendered in a hospital emergency department or for 307 transport and treatment rendered by an ambulance provider 308 licensed pursuant to part III of chapter 401, the provider is 309 not required to furnish the statement of charges within the time 310 periods established by this paragraph; and the insurer shall not be considered to have been furnished with notice of the amount 311 312 of covered loss for purposes of paragraph (4)(b) until it 313 receives a statement complying with paragraph (d) $\frac{(e)}{(e)}$, or copy 314 thereof, which specifically identifies the place of service to 315 be a hospital emergency department or an ambulance in accordance

316 with billing standards recognized by the Health Care Finance 317 Administration.

318 <u>4.</u> Each notice of insured's rights under s. 627.7401 must 319 include the following statement in type no smaller than 12 320 points:

321 BILLING REQUIREMENTS. -- Florida Statutes provide that with 322 respect to any treatment or services, other than certain 323 hospital and emergency services, the statement of charges 324 furnished to the insurer by the provider may not include, and 325 the insurer and the injured party are not required to pay, 326 charges for treatment or services rendered more than 35 days 327 before the postmark date of the statement, except for past 328 due amounts previously billed on a timely basis, and except 329 that, if the provider submits to the insurer a notice of 330 initiation of treatment within 21 days after its first 331 examination or treatment of the claimant, the statement may 332 include charges for treatment or services rendered up to, but 333 not more than, 75 days before the postmark date of the 334 statement.

335 (d) Every insurer shall include a provision in its policy 336 for personal injury protection benefits for binding arbitration 337 of any claims dispute involving medical benefits arising between 338 the insurer and any person providing medical services or 339 supplies if that person has agreed to accept assignment of 340 personal injury protection benefits. The provision shall specify 341 that the provisions of chapter 682 relating to arbitration shall 342 apply. The prevailing party shall be entitled to attorney's 343 fees and costs. For purposes of the award of attorney's fees and 344 costs, the prevailing party shall be determined as follows:

776177

Page 12 of 28

Amendment No. (for drafter's use only)

345 1. When the amount of personal injury protection benefits 346 determined by arbitration exceeds the sum of the amount offered 347 by the insurer at arbitration plus 50 percent of the difference 348 between the amount of the claim asserted by the claimant at 349 arbitration and the amount offered by the insurer at 350 arbitration, the claimant is the prevailing party.

351 2. When the amount of personal injury protection benefits 352 determined by arbitration is less than the sum of the amount 353 offered by the insurer at arbitration plus 50 percent of the 354 difference between the amount of the claim asserted by the 355 claimant at arbitration and the amount offered by the insurer at 356 arbitration, the insurer is the prevailing party.

357 3. When neither subparagraph 1. nor subparagraph 2.
358 applies, there is no prevailing party. For purposes of this
359 paragraph, the amount of the offer or claim at arbitration is
360 the amount of the last written offer or claim made at least 30
361 days prior to the arbitration.

362 4. In the demand for arbitration, the party requesting 363 arbitration must include a statement specifically identifying 364 the issues for arbitration for each examination or treatment in 365 dispute. The other party must subsequently issue a statement 366 specifying any other examinations or treatment and any other 367 issues that it intends to raise in the arbitration. The parties may amend their statements up to 30 days prior to arbitration, 368 provided that arbitration shall be limited to those identified 369 370 issues and neither party may add additional issues during 371 arbitration.

372 <u>(d)</u>(e) All statements and bills for medical services 373 rendered by any physician, hospital, clinic, or other person or

776177

374 institution shall be submitted to the insurer on a properly 375 completed Centers for Medicare and Medicaid Services (CMS) 376 Health Care Finance Administration 1500 form, UB 92 forms, or 377 any other standard form approved by the department for purposes 378 of this paragraph. All billings for such services rendered by 379 providers shall, to the extent applicable, follow the 380 Physicians' Current Procedural Terminology (CPT) or Healthcare 381 Correct Procedural Coding System (HCPCS), or ICD-9 in effect for 382 the year in which services are rendered and comply with the 383 Centers for Medicare and Medicaid Services (CMS) 1500 form 384 instructions and the American Medical Association Current 385 Procedural Terminology (CPT) Editorial Panel and Healthcare 386 Correct Procedural Coding System (HCPCS). All providers other than hospitals shall include on the applicable claim form the 387 388 professional license number of the provider in the line or space 389 provided for "Signature of Physician or Supplier, Including 390 Degrees or Credentials." In determining compliance with 391 applicable CPT and HCPCS coding, guidance shall be provided by 392 the Physicians' Current Procedural Terminology (CPT) or the 393 Healthcare Correct Procedural Coding System (HCPCS) in effect 394 for the year in which services were rendered, the Office of the 395 Inspector General (OIG), Physicians Compliance Guidelines, and 396 other authoritative treatises designated by rule by the Agency 397 for Health Care Administration. No statement of medical services 398 may include charges for medical services of a person or entity 399 that performed such services without possessing the valid 400 licenses required to perform such services. For purposes of 401 paragraph (4)(b), an insurer shall not be considered to have 402 been furnished with notice of the amount of covered loss or

776177

Amendment No. (for drafter's use only) 403 medical bills due unless the statements or bills comply with 404 this paragraph, and unless the statements or bills are properly 405 completed in their entirety as to all material provisions, with 406 all relevant information being provided therein. 407 (e)1. At the initial treatment or service provided, each physician, other licensed professional, clinic, or other medical 408 409 institution providing medical services upon which a claim for 410 personal injury protection benefits is based shall require an 411 insured person, or his or her guardian, to execute a disclosure 412 and acknowledgment form, which reflects at a minimum that: 413 a. The insured, or his or her guardian, must countersign 414 the form attesting to the fact that the services set forth 415 therein were actually rendered; 416 b. The insured, or his or her guardian, has both the right and affirmative duty to confirm that the services were actually 417 418 rendered; c. The insured, or his or her guardian, was not solicited 419 420 by any person to seek any services from the medical provider; 421 d. That the physician, other licensed professional, 422 clinic, or other medical institution rendering services for 423 which payment is being claimed explained the services to the insured or his or her guardian; and 424 425 e. If the insured notifies the insurer in writing of a 426 billing error, the insured may be entitled to a certain 427 percentage of a reduction in the amounts paid by the insured's 428 motor vehicle insurer. 429 2. The physician, other licensed professional, clinic, or 430 other medical institution rendering services for which payment 431 is being claimed has the affirmative duty to explain the

432	services rendered to the insured, or his or her guardian, so
433	that the insured, or his or her guardian, countersigns the form
434	with informed consent.
435	3. Countersignature by the insured, or his or her
436	guardian, is not required for the reading of diagnostic tests or
437	other services that are of such a nature that they are not
438	required to be performed in the presence of the insured.
439	4. The licensed medical professional rendering treatment
440	for which payment is being claimed must sign, by his or her own
441	hand, the form complying with this paragraph.
442	5. The original completed disclosure and acknowledgement
443	form shall be furnished to the insurer pursuant to paragraph
444	(4)(b) and may not be electronically furnished.
445	6. This disclosure and acknowledgement form is not
446	required for services billed by a provider for emergency
447	services as defined in s. 395.002, for emergency services and
448	care as defined in s. 395.002 rendered in a hospital emergency
449	department, or for transport and treatment rendered by an
450	ambulance provider licensed pursuant to part III of chapter 401.
451	7. The Financial Services Commission shall adopt, by rule,
452	a standard disclosure and acknowledgment form that shall be used
453	to fulfill the requirements of this paragraph, effective 90 days
454	after such form is adopted and becomes final. The commission
455	shall adopt a proposed rule by October 1, 2003. Until the rule
456	is final, the provider may use a form of its own which otherwise
457	complies with the requirements of this paragraph.
458	8. As used in this paragraph, "countersigned" means a
459	second or verifying signature, as on a previously signed

776177

460 document, and is not satisfied by the statement "signature on 461 file" or any similar statement.

9. The requirements of this paragraph apply only with 462 463 respect to the initial treatment or service of the insured by a 464 provider. For subsequent treatments or service, the provider 465 must maintain a patient log signed by the patient, in chronological order by date of service, that is consistent with 466 467 the services being rendered to the patient as claimed. The 468 requirements of this subparagraph for maintaining a patient log 469 signed by the patient may be met by a hospital that maintains 470 medical records, as required by s. 395.3025 and applicable rules 471 and makes such records available to the insurer upon request. 472 (f) Upon written notification by any person, an insurer shall investigate any claim of improper billing by a physician 473 474 or other medical provider. The insurer shall determine if the 475 insured was properly billed for only those services and 476 treatments that the insured actually received. If the insurer 477 determines that the insured has been improperly billed, the 478 insurer shall notify the insured, the person making the written 479 notification and the provider of its findings and shall reduce 480 the amount of payment to the provider by the amount determined 481 to be improperly billed. If a reduction is made due to such 482 written notification by any person, the insurer shall pay to the 483 person 20 percent of the amount of the reduction, up to \$500. If 484 the provider is arrested due to the improper billing, then the 485 insurer shall pay to the person 40 percent of the amount of the reduction, up to \$500. 486

487(h) An insurer may not systematically downcode with the488intent to deny reimbursement otherwise due. Such action

492 DISPUTES.--

(a) Every employer shall, if a request is made by an
insurer providing personal injury protection benefits under ss.
627.730-627.7405 against whom a claim has been made, furnish
forthwith, in a form approved by the department, a sworn
statement of the earnings, since the time of the bodily injury
and for a reasonable period before the injury, of the person
upon whose injury the claim is based.

500 (b) Every physician, hospital, clinic, or other medical 501 institution providing, before or after bodily injury upon which 502 a claim for personal injury protection insurance benefits is 503 based, any products, services, or accommodations in relation to 504 that or any other injury, or in relation to a condition claimed to be connected with that or any other injury, shall, if 505 506 requested to do so by the insurer against whom the claim has 507 been made, furnish forthwith a written report of the history, condition, treatment, dates, and costs of such treatment of the 508 509 injured person and why the items identified by the insurer were 510 reasonable in amount and medically necessary, together with a 511 sworn statement that the treatment or services rendered were 512 reasonable and necessary with respect to the bodily injury 513 sustained and identifying which portion of the expenses for such 514 treatment or services was incurred as a result of such bodily 515 injury, and produce forthwith, and permit the inspection and 516 copying of, his or her or its records regarding such history, 517 condition, treatment, dates, and costs of treatment; provided

518 that this shall not limit the introduction of evidence at trial. 519 Such sworn statement shall read as follows: "Under penalty of 520 perjury, I declare that I have read the foregoing, and the facts 521 alleged are true, to the best of my knowledge and belief." No 522 cause of action for violation of the physician-patient privilege 523 or invasion of the right of privacy shall be permitted against 524 any physician, hospital, clinic, or other medical institution 525 complying with the provisions of this section. The person 526 requesting such records and such sworn statement shall pay all 527 reasonable costs connected therewith. If an insurer makes a 528 written request for documentation or information under this 529 paragraph within 30 days after having received notice of the 530 amount of a covered loss under paragraph (4)(a), the amount or 531 the partial amount which is the subject of the insurer's inquiry 532 shall become overdue if the insurer does not pay in accordance 533 with paragraph(4)(b) or within 10 days after the insurer's receipt of the requested documentation or information, whichever 534 occurs later. For purposes of this paragraph, the term "receipt" 535 536 includes, but is not limited to, inspection and copying pursuant 537 to this paragraph. Any insurer that requests documentation or 538 information pertaining to reasonableness of charges or medical 539 necessity under this paragraph without a reasonable basis for 540 such requests as a general business practice is engaging in an 541 unfair trade practice under the insurance code.

(c) In the event of any dispute regarding an insurer's right to discovery of facts <u>under this section</u> about an injured person's earnings or about his or her history, condition, or treatment, or the dates and costs of such treatment, the insurer may petition a court of competent jurisdiction to enter an order

776177

Amendment No. (for drafter's use only)

547 permitting such discovery. The order may be made only on motion 548 for good cause shown and upon notice to all persons having an 549 interest, and it shall specify the time, place, manner, 550 conditions, and scope of the discovery. Such court may, in order 551 to protect against annoyance, embarrassment, or oppression, as 552 justice requires, enter an order refusing discovery or 553 specifying conditions of discovery and may order payments of 554 costs and expenses of the proceeding, including reasonable fees 555 for the appearance of attorneys at the proceedings, as justice 556 requires.

(d) The injured person shall be furnished, upon request, a copy of all information obtained by the insurer under the provisions of this section, and shall pay a reasonable charge, if required by the insurer.

(e) Notice to an insurer of the existence of a claim shallnot be unreasonably withheld by an insured.

563 (7) MENTAL AND PHYSICAL EXAMINATION OF INJURED PERSON; 564 REPORTS.--

(a) Whenever the mental or physical condition of an 565 566 injured person covered by personal injury protection is material 567 to any claim that has been or may be made for past or future 568 personal injury protection insurance benefits, such person 569 shall, upon the request of an insurer, submit to mental or 570 physical examination by a physician or physicians. The costs of 571 any examinations requested by an insurer shall be borne entirely 572 by the insurer. Such examination shall be conducted within the 573 municipality where the insured is receiving treatment, or in a 574 location reasonably accessible to the insured, which, for 575 purposes of this paragraph, means any location within the

776177

Page 20 of 28

576 municipality in which the insured resides, or any location 577 within 10 miles by road of the insured's residence, provided 578 such location is within the county in which the insured resides. 579 If the examination is to be conducted in a location reasonably 580 accessible to the insured, and if there is no qualified 581 physician to conduct the examination in a location reasonably 582 accessible to the insured, then such examination shall be 583 conducted in an area of the closest proximity to the insured's 584 residence. Personal protection insurers are authorized to 585 include reasonable provisions in personal injury protection 586 insurance policies for mental and physical examination of those 587 claiming personal injury protection insurance benefits. An 588 insurer may not withdraw payment of a treating physician without 589 the consent of the injured person covered by the personal injury 590 protection, unless the insurer first obtains a valid report by a 591 Florida physician licensed under the same chapter as the treating physician whose treatment authorization is sought to be 592 593 withdrawn, stating that treatment was not reasonable, related, 594 or necessary. A valid report is one that is prepared and signed 595 by the physician examining the injured person or reviewing the 596 treatment records of the injured person and is factually 597 supported by the examination and treatment records if reviewed 598 and that has not been modified by anyone other than the 599 physician. The physician preparing the report must be in active 600 practice, unless the physician is physically disabled. Active 601 practice means that during the 3 years immediately preceding the 602 date of the physical examination or review of the treatment 603 records the physician must have devoted professional time to the 604 active clinical practice of evaluation, diagnosis, or treatment

605 of medical conditions or to the instruction of students in an 606 accredited health professional school or accredited residency 607 program or a clinical research program that is affiliated with 608 an accredited health professional school or teaching hospital or 609 accredited residency program. The physician preparing a report 610 at the request of an insurer and physicians rendering expert 611 opinions on behalf of persons claiming medical benefits for 612 personal injury protection, or on behalf of an insured through 613 an attorney or another entity, shall maintain, for at least 3 614 years, copies of all examination reports as medical records and 615 shall maintain, for at least 3 years, records of all payments for the examinations and reports. Neither an insurer nor any 616 617 person acting at the direction of or on behalf of an insurer may 618 materially change an opinion in a report prepared under this 619 paragraph or direct the physician preparing the report to change 620 such opinion. The denial of a payment as the result of such a changed opinion constitutes a material misrepresentation under 621 622 s. 626.9541(1)(i)2.; however, this provision does not preclude 623 the insurer from calling to the attention of the physician 624 errors of fact in the report based upon information in the claim 625 file.

626 (b) If requested by the person examined, a party causing an examination to be made shall deliver to him or her a copy of 627 628 every written report concerning the examination rendered by an 629 examining physician, at least one of which reports must set out 630 the examining physician's findings and conclusions in detail. 631 After such request and delivery, the party causing the 632 examination to be made is entitled, upon request, to receive 633 from the person examined every written report available to him

634 or her or his or her representative concerning any examination, 635 previously or thereafter made, of the same mental or physical 636 condition. By requesting and obtaining a report of the 637 examination so ordered, or by taking the deposition of the 638 examiner, the person examined waives any privilege he or she may 639 have, in relation to the claim for benefits, regarding the 640 testimony of every other person who has examined, or may 641 thereafter examine, him or her in respect to the same mental or 642 physical condition. If a person unreasonably refuses to submit 643 to an examination, the personal injury protection carrier is no 644 longer liable for subsequent personal injury protection 645 benefits.

646 (8) APPLICABILITY OF PROVISION REGULATING ATTORNEY'S
647 FEES.--With respect to any dispute under the provisions of ss.
648 627.730-627.7405 between the insured and the insurer, or between
649 an assignee of an insured's rights and the insurer, the
650 provisions of s. 627.428 shall apply, except as provided in
651 subsection (11).

652 (10) An insurer may negotiate and enter into contracts 653 with licensed health care providers for the benefits described 654 in this section, referred to in this section as "preferred 655 providers," which shall include health care providers licensed 656 under chapters 458, 459, 460, 461, and 463. The insurer may 657 provide an option to an insured to use a preferred provider at 658 the time of purchase of the policy for personal injury 659 protection benefits, if the requirements of this subsection are 660 met. If the insured elects to use a provider who is not a 661 preferred provider, whether the insured purchased a preferred 662 provider policy or a nonpreferred provider policy, the medical

663 benefits provided by the insurer shall be as required by this 664 section. If the insured elects to use a provider who is a 665 preferred provider, the insurer may pay medical benefits in 666 excess of the benefits required by this section and may waive or 667 lower the amount of any deductible that applies to such medical 668 benefits. If the insurer offers a preferred provider policy to a 669 policyholder or applicant, it must also offer a nonpreferred 670 provider policy. The insurer shall provide each policyholder 671 with a current roster of preferred providers in the county in 672 which the insured resides at the time of purchase of such 673 policy, and shall make such list available for public inspection 674 during regular business hours at the principal office of the 675 insurer within the state.

676 (12) CIVIL ACTION FOR INSURANCE FRAUD. -- An insurer shall 677 have a cause of action against any person convicted of, or who, 678 regardless of adjudication of guilt, pleads guilty or nolo contendere to insurance fraud under s. 817.234, patient 679 brokering under s. 817.505, or kickbacks under s. 456.054, 680 681 associated with a claim for personal injury protection benefits 682 in accordance with this section. An insurer prevailing in an 683 action brought under this subsection may recover compensatory, 684 consequential, and punitive damages subject to the requirements 685 and limitations of part II of chapter 768, and attorney's fees 686 and costs incurred in litigating a cause of action against any 687 person convicted of, or who, regardless of adjudication of 688 guilt, pleads guilty or nolo contendere to insurance fraud under 689 s. 817.234, patient brokering under s. 817.505, or kickbacks 690 under s. 456.054, associated with a claim for personal injury 691 protection benefits in accordance with this section.

692 (13) If the Financial Services Commission determines that 693 the cost savings under personal injury protection insurance 694 benefits paid by insurers have been realized due to the provisions of this act, prior legislative reforms, or other 695 factors, the commission may increase the minimum \$10,000 benefit 696 697 coverage requirement. In establishing the amount of such 698 increase, the commission must determine that the additional 699 premium for such coverage is approximately equal to the premium 700 cost savings that have been realized for the personal injury 701 protection coverage with limits of \$10,000. Section 9. Effective October 1, 2003, subsection (11) of 702

703 section 627.736, Florida Statutes, is amended to read:

704 627.736 Required personal injury protection benefits;
705 exclusions; priority; claims.--

706

(11) DEMAND LETTER.--

707 (a) As a condition precedent to filing any action for an 708 overdue claim for benefits under this section paragraph(4)(b), 709 the insurer must be provided with written notice of an intent to 710 initiate litigation; provided, however, that, except with regard 711 to a claim or amended claim or judgment for interest only which 712 was not paid or was incorrectly calculated, such notice is not 713 required for an overdue claim that the insurer has denied or 714 reduced, nor is such notice required if the insurer has been 715 provided documentation or information at the insurer's request 716 pursuant to subsection (6). Such notice is not required if, 717 after conducting an investigation, an insurer has chosen to 718 deny, reduce, or downcode a claim. Such notice may not be sent 719 until the claim is overdue, including any additional time the 720 insurer has to pay the claim pursuant to paragraph (4)(b).

Amendment No. (for drafter's use only)

being sought, including a copy of the assignment giving rights
to the claimant if the claimant is not the insured.

728 To the extent applicable, the name of any medical 3. 729 provider who rendered to an insured the treatment, services, 730 accommodations, or supplies that form the basis of such claim; 731 and an itemized statement specifying each exact amount, the date 732 of treatment, service, or accommodation, and the type of benefit 733 claimed to be due. A completed form satisfying the requirements 734 of paragraph (5)(d) or the lost-wage statement previously 735 submitted Health Care Finance Administration 1500 form, UB 92, 736 or successor forms approved by the Secretary of the United 737 States Department of Health and Human Services may be used as 738 the itemized statement. To the extent that the demand involves 739 an insurer's withdrawal of payment under paragraph (7)(a) for 740 future treatment not yet rendered, the claimant shall attach a 741 copy of the insurer's notice withdrawing such payment and an 742 itemized statement of the type, frequency, and duration of 743 future treatment claimed to be reasonable and medically 744 necessary.

750 overdue claim. Such notice must be sent to the person and 751 address specified by the insurer for the purposes of receiving notices under this subsection section, on the document denying 752 753 or reducing the amount asserted by the filer to be overdue. Each 754 licensed insurer, whether domestic, foreign, or alien, shall may 755 file with the office department designation of the name and 756 address of the person to whom notices pursuant to this 757 subsection section shall be sent which the office shall make 758 available on its Internet website when such document does not 759 specify the name and address to whom the notices under this 760 section are to be sent or when there is no such document. The 761 name and address on file with the office department pursuant to s. 624.422 shall be deemed the authorized representative to 762 763 accept notice pursuant to this subsection section in the event 764 no other designation has been made.

If, within 15 7 business days after receipt of notice 765 (d) by the insurer, the overdue claim specified in the notice is 766 767 paid by the insurer together with applicable interest and a penalty of 10 percent of the overdue amount paid by the insurer, 768 769 subject to a maximum penalty of \$250, no action for nonpayment 770 or late payment may be brought against the insurer. If the 771 demand involves an insurer's withdrawal of payment under 772 paragraph (7)(a) for future treatment not yet rendered, no 773 action may be brought against the insurer if, within 15 days 774 after its receipt of the notice, the insurer mails to the person 775 filing the notice a written statement of the insurer's agreement 776 to pay for such treatment in accordance with the notice and to 777 pay a penalty of 10 percent, subject to a maximum penalty of 778 \$250, when it pays for such future treatment in accordance with

779 the requirements of this section. To the extent the insurer 780 determines not to pay any the overdue amount demanded, the 781 penalty shall not be payable in any subsequent action for 782 nonpayment or late payment. For purposes of this subsection, 783 payment or the insurer's agreement shall be treated as being 784 made on the date a draft or other valid instrument that is 785 equivalent to payment, or the insurer's written statement of 786 agreement, is placed in the United States mail in a properly 787 addressed, postpaid envelope, or if not so posted, on the date 788 of delivery. The insurer shall not be obligated to pay any 789 attorney's fees if the insurer pays the claim or mails its 790 agreement to pay for future treatment within the time prescribed 791 by this subsection.

(e) The applicable statute of limitation for an action
under this section shall be tolled for a period of 15 business
days by the mailing of the notice required by this subsection.

(f) Any insurer making a general business practice of not paying valid claims until receipt of the notice required by this <u>subsection</u> section is engaging in an unfair trade practice under the insurance code.
