Representative Spratt offered the following:

**Amendment**

Remove lines 404-445, and insert:

(8)(a) Notwithstanding other provisions of this section, the Division of State Lands is directed to prepare a state inventory of all federal lands and all lands titled in the name of the state, a state agency, a water management district, or a local government on a county-by-county basis. To facilitate the development of the state inventory, each county shall direct the appropriate county office with authority over the information to provide the division with a county inventory of all lands identified as federal lands and lands titled in the name of the state, a state agency, a water management district, or a local government.

Amendment No. (for drafter's use only)

27 (b) The state inventory must distinguish between lands  
28 purchased by the state or a water management district as part of  
29 a core parcel or within original project boundaries, as those  
30 terms are used to meet the surplus requirements of subsection  
31 (6), and lands purchased by the state, a state agency, or a  
32 water management district which are not essential or necessary  
33 for conservation purposes.

34 (c) In any county in which more than 50 percent of the  
35 lands within the county boundary are federal lands, lands titled  
36 in the name of the state, a state agency, a water management  
37 district, or a local government, those lands titled in the name  
38 of the state or a state agency that are not essential or  
39 necessary to meet conservation purposes may, upon request of a  
40 public or private entity, be made available for purchase through  
41 the state's surplus process. Rights-of-way for existing,  
42 proposed, or anticipated transportation facilities are exempt  
43 from the requirements of this paragraph. Priority consideration  
44 shall be given to buyers, public or private, willing to return  
45 the property to productive use so long as the property can be  
46 reentered onto the county ad valorem tax roll. Property acquired  
47 with matching funds from a local government shall not be made  
48 available for purchase without the consent of said local  
49 government.
