Representative Spratt offered the following:

**Amendment**

Remove lines 404-445, and insert:

(8)(a) Notwithstanding other provisions of this section, the Division of State Lands is directed to prepare a state inventory of all federal lands and all lands titled in the name of the state, a state agency, a water management district, or a local government on a county-by-county basis. To facilitate the development of the state inventory, each county shall direct the appropriate county office with authority over the information to provide the division with a county inventory of all lands identified as federal lands and lands titled in the name of the state, a state agency, a water management district, or a local government.

Amendment No. (for drafter's use only)

27 (b) The state inventory must distinguish between lands  
28 purchased by the state or a water management district as part of  
29 a core parcel or within original project boundaries, as those  
30 terms are used to meet the surplus requirements of subsection  
31 (6), and lands purchased by the state, a state agency, or a  
32 water management district which are not essential or necessary  
33 for conservation purposes.

34 (c) In any county in which more than 50 percent of the  
35 lands within the county boundary are federal lands and lands  
36 titled in the name of the state, a state agency, a water  
37 management district, or a local government, those lands titled  
38 in the name of the state or a state agency that are not  
39 essential or necessary to meet conservation purposes may, upon  
40 request of a public or private entity, be made available for  
41 purchase through the state's surplusing process. Rights-of-way  
42 for existing, proposed, or anticipated transportation facilities  
43 are exempt from the requirements of this paragraph. Priority  
44 consideration shall be given to buyers, public or private,  
45 willing to return the property to productive use so long as the  
46 property can be reentered onto the county ad valorem tax roll.  
47 Property acquired with matching funds from a local government  
48 shall not be made available for purchase without the consent of  
49 said local government.
