61 which is any game in which a jackpot grows and accumulates as it
62 is being played on a video lottery terminal or a network of
63 video lottery terminals, and in which the outcome is randomly

65 central network. A video lottery terminal may use spinning reels
66 or video displays.

67 (8) "Video lottery terminal vendor" means any person

 147 receive broadcasts of horseraces pursuant to s. 550.6308. The
 148 department may waive such requirements upon a showing that the

HB 0095A

2003

149 failure to conduct such games resulted from a natural disaster
150 or other acts beyond the control of the permitholder. If the
151 retailer fails to comply with the requirement to conduct a full
152 schedule of races or games, the department shall order the
153 retailer to suspend its video lottery operation. The department
154 may assess an administrative fine not to exceed \$5,000 per video
155 lottery terminal, per day, against any retailer who fails to

158 administrative fine as provided in s. 120.69. Each video lottery
159 retailer shall post a bond payable to the state in an amount
160 determined by the department which is sufficient to guarantee
161 the payment of revenue due in any payment period.

162 (2) Each video lottery terminal retailer shall notify the
163 department prior to operating video lottery games.

164 (3) To facilitate the auditing and security programs
165 critical to the integrity of the video lottery system, the
166 department shall have overall control of the entire system. Each
167 video lottery terminal shall be linked, directly or indirectly,
168 to a computer system under the control of the department.

169 (4) The department shall determine, by rule, the method by
170 which cash receipts will be electronically validated and
171 redeemed.

172 (5) Video lottery games may be played at an authorized
173 video lottery retailer's facility even if the retailer is not
174 conducting a pari-mutuel event.

175 (6) Video lottery games shall pay out a minimum of 88
176 percent and no more than 99 percent of the amount of cash,
177 tokens, credits, or vouchers put into a video lottery terminal.
178 The department may permit the payment of a lesser percentage if

HB 0095A

2003

179 requested by a video lottery retailer and the department has
180 determined that the payment of a minimum of 88 percent is not
181 financially viable at the location and that the total amount of
182 net revenue payable to the state will not be negatively
183 impacted. Such percentages shall be measured on an annual basis.

184 (7) Income derived from video lottery operations is not
185 subject to s. 24.121. The allocation of net terminal income
186 derived from video lottery games shall be as follows:

189 (b) Two percent to the Video Lottery Administrative Trust
190 Fund for transfer in equal shares to the counties in which the
191 pari-mutuel facilities having video lottery terminals are
192 located. If any pari-mutuel facility having video lottery
193 terminals is located within an incorporated municipality, 25
194 percent of the equal share of the 2 percent otherwise to be
195 transferred to the county in which the facility is located shall
196 instead be transferred to the municipality.

197 (c) Two percent to the Video Lottery Administrative Trust
198 Fund for transfer to the Administrative Trust Fund.

199 (d) Eight percent to the Video Lottery Administrative
200 Trust Fund for transfer to the Video Lottery Purse Trust Fund,
201 to be distributed pursuant to s. 24.132.

202 (e) To the Video Lottery Administrative Trust Fund for
203 transfer to the Department of Children and Family Services, 0.25

207 racing permit under chapter 550, 6 percent of its net terminal
208 income shall be distributed by the video lottery retailer as

HB 0095A

2003

209 purses for live performances conducted at the video lottery
 210 retailer's pari-mutuel facility in accordance with chapter 550.

211 (g) If the video lottery retailer holds a valid jai alai
 212 permit under chapter 550, 6 percent of its net terminal income
 213 shall be distributed by the video lottery retailer as purses for
 214 live performances conducted at the video lottery retailer's
 215 pari-mutuel facility in accordance with chapter 550.

216 (h) If the video lottery retailer holds a valid greyhound

227 3. If the holder of a license issued pursuant to s.
 228 550.6308, 51.75 percent to be distributed as provided in
 229 paragraph (k).

230 (j) If the video lottery retailer holds a valid
 231 thoroughbred racing permit under chapter 550, of the remaining
 232 net terminal income generated at its facility:

233 1. 3.3 percent shall be distributed for use as Florida
 234 thoroughbred breeders' and stallion awards pursuant to ss.
 235 550.26165 and 550.2625, subject to the fee provided in s.
 236 550.2625(3). From the funds to be distributed pursuant to this

253 subparagraph shall be used exclusively to fund equine drug and
254 medication research or related equine research at the University
255 of Florida, including required capital improvements, and for
256 medical, dental, surgical, financial, or retirement benefits for
257 occupational licensees who are employed in connection with the

259 not permitholders' employees.

260 3. 96.45 percent shall be distributed as provided by

282 effect. All funds not retained by the video lottery retailer
283 under any such contract shall be used exclusively for awards to
284 thoroughbred breeders, owners, and stallion owners pursuant to

413 (3) All proceeds distributed under this section are in
414 addition to and supplement the other funds set forth in this
