Representative Ambler offered the following:

Amendment to Amendment (369087) (with title amendment)

Between line(s) 77 and 78, insert:

(5) If the panel finds the evidence supports the conclusion that the defendant or defendants failed to meet the appropriate standard of care, the panel may make a recommendation to the appropriate board, or the Department of Health if there is no board, for applicable disciplinary procedures.

===== T I T L E A M E N D M E N T =====

Remove line(s) 287, and insert:
proceedings; providing that the panel may recommend disciplinary procedures against a defendant; creating s. 766.1062, F.S.; creating the Office of
