Representative Harrell offered the following:

Amendment

Remove lines 2154-2162, and insert:

periodic payments proposed by the defendant. Periodic payments shall terminate immediately upon the death of the claimant but may be terminated prior thereto pursuant to court order if, upon motion of the defendant, whether or not discharged pursuant to paragraph (b), or the company contractually obligated to make the periodic payments, the court finds there is substantial, competent evidence that the condition for which the award was made no longer persists.
