Representative Gannon offered the following:

Amendment to Amendment (565379)

Between lines 674 and 675, insert:

(f) Notwithstanding any other provision of law, the county in which the projects that are part of or ancillary to the state-of-the-art biomedical research institution and campus, to be established in this state by a grantee under s. 288.955, are to be located shall have the exclusive right, which right may be assigned in whole or in part by the local governing body of the county in its sole discretion, to provide water and wastewater services to such projects to the extent deemed necessary by the local governing body of the county. The county shall have the right to plan, acquire, construct, reconstruct, enlarge or extend, operate, and maintain water and wastewater systems and facilities within or without the boundaries of such projects for the provision of water and wastewater services.
