Senator Jones moved the following amendment:

Senate Amendment

On page 11, between lines 8 and 9,

insert:

13. Authorizing the grantee to work in conjunction with the Florida State University College of Medicine, the Florida State University School of Nursing, or the Florida A & M University School of Nursing to enhance multidisciplinary work on issues related to aging, including the study and cure of adult-onset diseases and illness. To further such work, the Board of Trustees of the Internal Improvement Trust Fund shall negotiate the sale of the remaining Sunland property in Tallahassee to a private entity that agrees to renovate the existing Sunland facility for use as a mixed-use housing and healthcare facility for the elderly. Notwithstanding chapter 253, the proceeds from the sale must be deposited into the Department of Children and Family Services' Administrative Trust Fund and, subject to legislative appropriation, must be used to construct, renovate, equip, maintain, and improve the

1 department's facilities. The negotiated sale shall be at an
2 amount at least equal to 120 percent of the property's average
3 appraised value in state-funded appraisals within the last 2
4 years. The negotiated sale shall also require the private
5 entity to renovate the existing Sunland structure and provide
6 space in the existing facility for lease, as needed, at
7 current market rates to The Scripps Research Institute,
8 Florida State University, or Florida A & M University, as
9 desired, for their individual or collaborative work on issues
10 related to the study and care of adult-onset diseases and
11 illness.
